Spring Board

How's that? Sparkle

Q. Can anyone participate in "Operation Sparkle?"
A. Yes! "Operation Sparkle," slated from 8 a.m. to noon today is open to everyone who would like to see a cleaner Big Spring. The idea behind having clubs and organizations participate was to encourage more people to come out. For everyone who cares about the appearance of the city where they're making their home, today is a good day to pitch in and clean up, whether you clean up a major thoroughfare or improve the area around your home.

Calendar: Dracula

- TODAY**
- "Operation Sparkle," a city-wide clean-up campaign, is scheduled from 8 a.m. until noon.
 - "Parents, It's Time to Talk" will be presented by the Chemical People from 9 a.m. to noon at Goliad Middle School free of charge.
 - Howard College will present "Count Dracula" at 7:30 p.m. and 11:30 p.m. in the auditorium.
 - Big Spring Elks Lodge's third annual chili cookoff starts at 8 a.m. An arts and crafts show will be sponsored in conjunction with the chili cookoff. Chili will be served at 5 p.m. A dance starts at 9 p.m.
 - Lakeview School will sponsor a Halloween Carnival from 1 p.m. to 6 p.m. in the gym. Booths will be opened from 1 p.m. to 6 p.m.
 - The Washington Elementary School Halloween Carnival is from 6 p.m. to 8:30 p.m. Barbecue and chips will be sold in the cafeteria for \$1.50. Booths open at 6:30 p.m.
 - The College Heights Halloween carnival is from 5:30 p.m. to 8:30 p.m.
 - Marcy Elementary School Halloween Carnival begins at 5 p.m. with hot dogs and chili pie. A costume and breakdance contest are planned. Booths will be opened until 9 p.m.
 - Bauer Magnet School will sponsor a Halloween Carnival from 4 p.m. to 7 p.m. Karate demonstrations will be given hourly.
 - Kentwood Elementary School Carnival is open from 5:30 p.m. to 8:30 p.m. Booths will be open from 7 p.m. to 9 p.m.
 - The Moss Elementary Halloween Carnival and fair is from 5:30 p.m. to 8 p.m. Dinner will be available. 15 booths will be opened.
 - The Sands Halloween carnival begins with the kings and queens coronation at 7 p.m. Booths will be open until 10 p.m. in the elementary gym.
 - The Forsan-Elbow Halloween carnival begins at 5:30 p.m. with a turkey and dressing supper. Booths will be open until 9 p.m.
 - The High Adventure Explorer Post No. 513 is sponsoring a Haunted House in the Howard House Hotel in the 100 block of E. Third from 6 p.m. to 1 a.m. Admission for kids is \$2 and \$2.50 for adults.

SUNDAY

- The Pottion House will be open for public tours from 2 p.m. to 5 p.m.
- HALLOWEEN**
- The High Adventure Explorer Post No. 513 is sponsoring a Haunted House in the Howard House Hotel in the 100 block of E. Third from 6 p.m. to 1 a.m. Admission is \$2.50 for adults and \$2 for kids.

Outside: Sun

Skies are predicted to turn partly cloudy by this afternoon. Highs will be in the mid 70s.

By SCOTT FITZGERALD
Staff Writer

A driving while intoxicated charge will send you to jail. County jail, that is, not the city jail.

Beginning Nov. 1, officers of the Texas Department of Public Safety will book persons in the county jail after they have been served warrants of arrest from the DPS for driving while intoxicated.

"We're simply going to book our prisoners in county jail," Sgt. James F. Woodall of the DPS said.

The DPS's present procedure is to place DWI offenders in the Big Spring City Jail after they submit to a breathalyzer and intoxilizer test. After a four-hour period, offenders are moved from city jail to Howard County Jail located in the county courthouse building.

"If the county cannot accept the prisoner, we'll incarcerate the prisoner in city jail until there's a vacancy in the county," Woodall said.

"We were not asked to leave city jail," Woodall said. "This has

simply been a matter of convenience. It's a mutual decision on all our parts," Woodall said about the procedural change.

Woodall said offenders will still undergo breathalyzer and intoxilizer tests at the police department but will immediately be transported and booked in county jail.

Big Spring Police Chief Rick Turner said the change was made for economic reasons.

"This is not something that came

up overnight. I talked to the sheriff about it when I first came here," Turner said. He has been here two years and four months.

"The change has been made for economic reasons and because of liability. If something were to happen to them (the prisoners) while they were in our custody, we'd be liable," Turner said. "It's not because of any animosity between us and the DPS."

"We feel that they (persons arrested on suspicion of DWI) are essentially county prisoners,"

Turner said. "We don't make any money from them (on fines for DWI convictions)."

Sheriff A.N. Standard of the Howard County Sheriff's Department said that his understanding of the situation was the police department would simply no longer accept DWIs.

Standard said his department would accept persons arrested on suspicion of DWI and they would implement their own policy as to how long a person would remain in custody on suspicion of DWI.

WHO'S THAT GUY? — Students and faculty members at Howard College took part in a jack-o-lantern contest recently and the entry above had a

definite West Texas flair. For a listing of Halloween activities this week, see Springboard at left.

It's time to fall back

Clock change triggers old arguments

WASHINGTON (AP) — Americans are supposed to turn their clocks back one hour when they retire tonight, as standard time begins and old arguments are renewed between early risers and nightlife enthusiasts.

The official changeover from daylight-saving time to standard time is 2 a.m. Sunday. At the same moment on the last Sunday in April, clocks were officially moved ahead one hour to daylight-saving time.

There will be no change, however, in Hawaii, Arizona and parts of Indiana, which never went on daylight time. Congress permitted states in 1966 to exempt themselves and remain on standard time all year long.

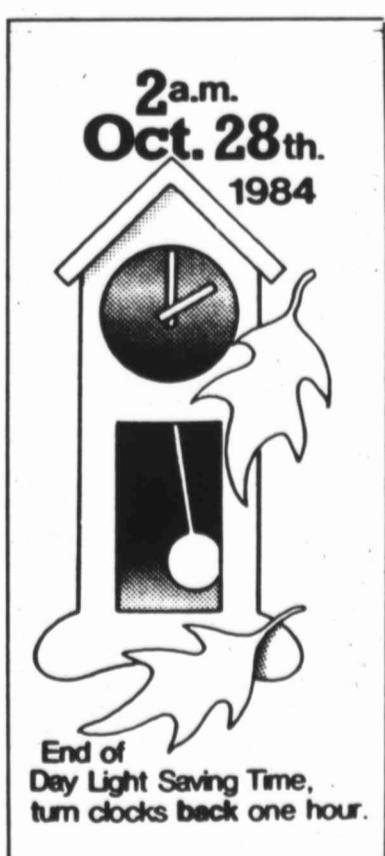

Some trade associations explained candidly at a news conference Friday why they want to extend daylight-saving time to cover another seven weeks each year — it gives their members a better chance to make a profit.

One association sharing the podium said it also wants more daylight-saving time, but for a different reason: it gives their members a better chance to live their lives.

"As of Monday, my life will be changed, because I'll have to come home in the dark, and that won't be easy," said Moira Shea, a victim of retinitis pigmentosa, a degenerative eye disease that causes tunnel vision and night blindness.

"When I go home (in the dark) I kind of lose my depth perception," Ms. Shea said. "When I step off the curb, I can see the headlights but I can't tell how far away the car or bus might be."

"If I have to work late, I have to come in on weekends, because that's when I can get around. At

nights, I stay home. Daylight-saving to me is precious."

The Retinitis Pigmentosa Foundation shared the podium Friday with the Sporting Goods Manufacturing Association and the American Association of Nurserymen, for different reasons but for a common goal — passage of federal legislation extending daylight-saving time to cover more of the year.

One new argument did emerge this fall, reflecting the issues of national politics. The National Association of Convenience Stores said more daylight-saving time would help reduce the federal

deficit, by encouraging evening shopping and thus boosting the economy.

"It's a no-cost way for Congress to do something about the budget deficit," said Teri Richman, director of government relations for the association.

The association is one of the members of the Daylight Saving Time Coalition, which is promoting the legislation that would begin daylight-saving time six weeks earlier in the spring and extend it one week longer in the fall. And the trade association members freely admitted the change would be good for business.

Maria Dennison, Washington director for the Sporting Goods Manufacturing Association, predicted a 4 percent to 5 percent increase in the sale of tennis rackets.

"It would be a boon to amateur sports," she explained. "Every year, games are not played because of unlit sports fields."

Robert Lederer, executive vice president of the American Association of Nurserymen, said home gardening activity is closely tied to evening sunshine, "so you can see what it means to have more daylight-saving time."

Ms. Richman of the convenience stores association said most people do their shopping after work, and prefer to do so in the sunshine.

And coalition executive director James Benefield said other members of the lobbying group also have a business stake in the decision, such as the Kingsford Co., which makes charcoal briquettes, and the Hechinger Co., a chain of hardware and home improvement stores. But what's good for business may also be good for the country, he said.

The arguments against extending daylight-saving time come

See Daylight page 2-A

Clearing skies are predicted

By staff and wire reports

Big Springers have a shot at sunshine today as partly cloudy skies are forecast for the area by midday.

The promise of sunshine follows several days of light drizzle which left little measurable precipitation but kept windshields wipers working overtime and cars spotted with mud and water. Thundershowers and the continuous drizzle have made October the wettest month for the year thus far.

The forecast calls for cloudy to partly cloudy skies today and highs in the mid 70s. Winds will be southerly, 5 to 15 miles per hour. Tonight, look for lows in the mid 50s. On Sunday, the forecast calls for highs in the mid 70s.

In other areas of the state, hundreds of families rusted from Houston-area homes flooded by as much as 15 inches of rain began cleanup chores Friday as swollen creeks and bayous started retreating.

"We're doing wonderful," Harris County Constable Capt. Denise Campbell said. "The water has totally receded from the roadways and things like that. The cleanup begins. We're out of the woods."

Authorities on Friday found the body of a woman was found in a car that slid into a muddy bayou during the deluge. No other serious injuries were reported.

Authorities used airboats Thursday to evacuate residents from waist-deep floods that inundated neighborhoods in north Houston and northern sections of Harris County. Several hundred people

LOYAL FAN — Alfretha Thomas sits in the stands all alone before the start of a football game in Fort Worth Thursday. Rainy weather kept most fans away, but this loyal young woman said she wasn't going to let a little drizzle keep her away.

spent the night at shelters set up by the Red Cross.

Electricity was out Friday to about 100 customers of Houston Lighting & Power Co. and Southwestern Bell Telephone Co. reported some 1,900 customers without service.

For the first time all week, the sun came out Friday morning. But by midday, scattered showers were reported over the area, in-

Local contributions to campaign listed

By JAY ROSSER

Harte-Hanks Austin Bureau
AUSTIN — No matter who wins the bitter U.S. Senate election feud between Democrat Lloyd Doggett and Republican Phil Gramm, one thing is certain: The U.S. Postal Service will make a lot of money on postage for thank-you notes.

The candidates have scoured the state and nation for political contributions, but it appears that only Gramm will be directing any thank-you notes to Big Spring residents, according to a list of recent individual contributors submitted recently by both candidates.

The financial reports outline contributions and expenditures of each candidate during a 90-day period that ended Sept. 30. The reports are the last ones required before the Nov. 6 general election.

Based on that period alone, Gramm, a U.S. representative from College Station, will mail out more than 2,700 thank-you notes for individual contributions if he wishes to stay within the bounds of political etiquette.

Five of those notes will go to Big

Spring residents, who combined to contribute \$2,750 in the 90-day period — and \$4,200 since January 1 — to Gramm, according to a Harte-Hanks Austin Bureau review of his recent campaign finance statement.

One of those contributors, Karen Edwards, contributed the maximum allowable — \$1,000 — during that reporting period. She contributed another \$1,000 during Gramm's Republican primary campaign.

Doggett, an Austin state senator, also can be expected to affix his signature on about 2,000 thank-you cards for mailing to individual contributors across the country, but none of them live in Big Spring.

Federal election laws limit individuals to a \$1,000 donation for each election campaign. That means Gramm supporters can donate a maximum of \$2,000 — \$1,000 each to his Republican Primary and general election campaign, while Doggett, who had a primary and primary runoff election, can receive up to \$3,000 from

Weather

Winter storm noted

By The Associated Press

A winter storm packing snow and winds up to 40 mph barreled across the northwestern United States late Friday, as flood cleanup began in waterlogged areas of east Texas.

Blizzard conditions were forecast for western and central Montana, with snow accumulations up to 8 inches likely along the east slopes of the Rockies and a foot or more in the mountains.

A winter storm warning was posted for the northern and central mountains of Idaho, and a travelers' advisory was in effect for the southern and eastern Idaho valleys, with snow accumulations from 2 to 6 inches. Winter storm watches were posted for the northern mountains of Utah, northeast Montana and the northwestern half of North Dakota.

Travelers' advisories were posted for the Cascades and northeast mountains in Washington state, where 18 inches of snow was on the ground.

Wind gusts up to 40 mph were reported at Burley and Pocatello, Idaho; Casper, Wyo.; Helena and Livingston, Mont., and near Reno, Nev.

A strong thunderstorm was moving ahead of the cold front, and a tornado knocked down utility poles and caused minor damage to trees, signs and cars at Elgin, Idaho.

Flash flood watches continued in parts of northern and north-central Texas, but for residents around Houston, Friday was the day to mop up flooding left by as much as 15 inches of rain that fell during a 24-hour period ending Thursday afternoon.

"The water has totally receded in the roads and things like that. The cleanup here is well under way in the woods," said Harris County Constable Capt. Denise Campbell.

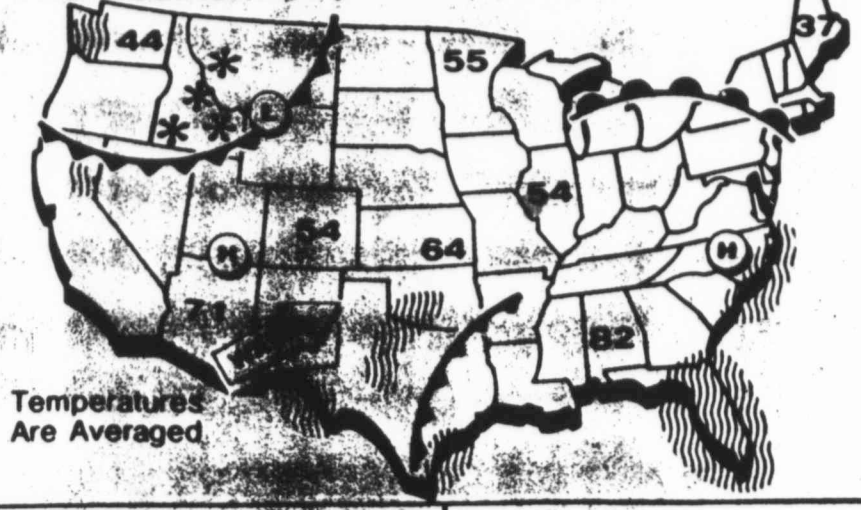

No serious injuries were reported but one woman was missing and feared drowned after the car she was driving Thursday collided with two other vehicles, which rolled down an embankment and into muddy Braes Bayou.

Unseasonably warm temperatures continued across the southeast quarter of the nation. For the second consecutive day, Beckley, W. Va., set a new record high temperature: 75 degrees, which was a record for the city in 1963.

Temperatures around the nation at 8 p.m. ranged from 32 degrees at Great Falls, Mont., to 88 degrees at St. Petersburg, Fla. The low for the nation Friday morning was 12 degrees at Gunnison, Colo.

Saturday's forecast called for scattered showers and thunderstorms scattered across the middle Mississippi Valley, parts of the lower Mississippi Valley and eastern sections of the southern Plains. Rain should fall over New England, the upper Mississippi Valley, parts of the northern Plains and the northern and central coast.

The Weather at 2 p.m. EDT, Fri., Oct. 26

The Forecast for 8 p.m. EDT, Sat., Oct. 27

Former resident to base deputy commander

Col. William L. Thompson, son of Mr. and Mrs. W.L. Thompson of Big Spring, has been named deputy commander for operations at Vance Air Force Base in Enid, Okla.

Thompson's wife, Carolyn, is the daughter of Mr. and Mrs. F.L. Sneed of Big Spring.

Thompson replaced Col. Jeffrey T. Ellis. Ellis was reassigned to Laughlin Air Force Base in Del Rio as commander of the 47th air base group.

Thompson earned his wings at Webb Air Force Base in February of 1965. He remained at Webb as a T-38 instructor pilot.

In August of 1968 he was assigned to the 6th Special Operations Squadron, Pleuqi Air Base, Republic of Vietnam. He returned to Webb in September of 1969 as a T-37 instructor pilot and chief of the check section.

He was assigned to Cannon AFB, N.M., flying F-111s and then spent seven months at Thakli Royal AFB, Thailand.

He became the chief of personnel for development for Air Force Systems Command at Andrews AFB, Maryland, in January of 1973. He was assigned to Holloman AFB, N.M., and served as assistant operations officer for fighter lead-in training, flying T-38s in 1973.

In August of 1978 Thompson was transferred to the Pentagon to serve as chief, pilot force programs, directorate of personnel programs, DCS/manpower and personnel.

In May of 1982 he transferred to Sheppard AFB as assistant deputy of operations for the 80th Flying Training Wing.

Thompson has more than 4,000 flying hours with more than 700 combat hours. His military decorations include the Silver Star, Distinguished Flying Cross with three oak leaf clusters, Air Medal with 18 oak leaf clusters and the Air Force Commendation Medal with two oak leaf clusters.

Altar Society to sponsor breakfast

The St. Thomas Ladies Altar Society will sponsor a breakfast Sunday at the St. Thomas Catholic Church, 605 N. Main to raise funds for the Guadalupe Fiesta. The Fiesta will be Dec. 12.

The community is invited to the breakfast. Mr. and Mrs. Fidel

Saldivar will be the chefs. New officers for the Altar Society are Lupe Gonzales, president; Paula Gonzalez, vice president; Isabel Escobedo, secretary; Patsy Tercero, treasurer; and Paulita Martinez, telephone committee coordinator.

his wife and bank backers. Election data submitted by both campaigns shows that since Jan. 1 Gramm has raised \$5.4 million and spent \$6.5 million in his election quest. Doggett reported slightly more than \$5 million in contributions and \$5.2 million in expenditures.

Those contributing to the Gramm and Doggett campaigns can be found in the following pretty heady company. Several of the names that dotted Doggett's contribution list were television, movie, writer or singing stars. Among them were Barbara Streisand, Frank Sinatra, Larry ("Best Little Whore House in Texas") King, James Garner and actor-director Peter Onorati (the old Bob

"Right now we're gearing up for a mobile feeding operation in some of the areas," Allred said.

At the height of Thursday's problems, Houston Intercontinental Airport, the city's main airport, was virtually isolated when all but one road leading to it were flooded.

Elsewhere, water lapped over the windows of cars stuck at freeway underpasses and feeder roads.

Friday morning, U.S. Highway 59, the main freeway leading to the northeast out of Houston, was littered for miles with stalled and abandoned vehicles.

The Aldine School District northeast of the city was closed. But spokeswoman Judy Williams said about 100 stranded teachers and students spent the night in several school buildings before returning home Friday.

The Houston Independent School District shut schools early on Thursday but operations returned to normal Friday.

One woman, whose identity was not immediately available, drowned after the car she was driving Thursday collided with two other vehicles, then skidded down an embankment and into muddy Braes Bayou.

The submerged vehicle was found about 1 1/2 miles downstream, police said.

Block to pay taxes

PRESTON, Minn. — Agriculture Secretary John Block will pay his share of \$43,000 in back taxes on nearly 1,000 acres of Minnesota farmland, which reverted to him after an investor partnership defaulted, an aide said Friday.

'Simple mistake' cited

WASHINGTON — Senate investigators concluded Friday that terrorists succeeded in truck-bombing the U.S. Embassy annex in Beirut last month because of the "tragically simple mistake" of American officials in failing to park cars or erect temporary barriers around the building.

Retaliation is option

BOWLING GREEN, Ky. — Vice President George Bush said Friday he believes the American people favor retaliation against acts of terrorism but not if innocent lives are needlessly endangered.

Mother, son deny incest charges in Tennessee

CHARLOTTE, Tenn. (AP) — A mother and son who married each other pleaded innocent to incest Friday, while their lawyers argued the charges should be dropped because the statute of limitations had run out.

Trick 'n treating takes a new turn

The sight and sounds of children dressed in Halloween costumes for trick or treating through the neighborhood is something we look forward to each year. And for the children, going door-to-door for treats is the high point of Halloween festivities.

But the traditional "trick or treat" celebration also raises concern about pranks, safe food treats and street safety.

Parents wishing to preserve Halloween's traditions but insure their children's safety have become more involved with the supervision of door-to-door trick or treating.

But other parents and communities are working to change the trick or treat tradition itself. The original idea of trick or treating is simple: either you give a "treat" or endure a practical joke on you or your property.

Today we see that this sort of activity can be destructive and could also be viewed as a mild form of blackmail. To emphasize the positive aspects of Halloween, some communities are emphasizing the constructive meaning of "trick" as a brief entertainment. So for the favor of being entertained by the child, the adult gives a treat.

Parents can call this activity "trick and treating" or as many children already say, "trick n' treating." For young children, disguises are tricks enough to merit a treat. The child visiting neighbors to ask "Guess who I am?" can both surprise and delight.

For older children simple magic tricks such as palming a coin, are fun and entertaining. Children can learn easy tricks from friends, games or books on magic from the library.

Active tricks like singing a short song, reciting a limerick, juggling or doing an imitation of the character their costume represents, can also be fun for older children.

The traditional treat of candy is also changing in some communities. Neighbors are giving homemade cakes, cookies or doughnuts, fruits, nuts, popcorn

and other harvest time foods. Often they'll place an address label on the wrapped treats so parents will know where they came from.

Other people are giving inexpensive nonedible items for treats such as coloring books, crayons, pencils, fast food coupons, baseball cards and novelty items.

Along with changes in trick and treats, some communities and neighborhoods have publicized guidelines and hours for the activity. These can serve to help all members of the community have a fun, safe, positive trick n' treat celebration.

Trick N' Treat Safety Tips
For older children, going trick and treating without their parents gives a feeling of independence. Parents can foster this feeling without endangering their child's safety by making arrangements ahead of Halloween.

Get a group of older children together and have one of the parents or another relative supervise. A responsible teenager could also be hired for the task. If you do let your children go without an

adult supervisor, make sure you know who their companions will be.

- Only go into familiar neighborhoods along a route planned in advance. The children should have a designated time to return home, based on the length of their planned route.

- Stop only at houses or apartment buildings that are well lit. Do not enter houses or apartments unless an accompanying adult approves.

- Take coins and call if there is a problem or if they will be late.

- Children using bicycles should adjust their costumes and use bicycle clips where necessary. Make sure the bike has reflectors, a headlight and a horn or bell.

- Walk, do not run, from house to house. Walk on sidewalks, not streets. If there are no sidewalks, walk on the left side of the road, facing traffic.

- Cross streets only at intersections or crosswalks, wait for traffic signals, and look both ways before crossing.

For your garden

by Don Richardson
County Extension Agent

Late rains affect gardening schedule

Our recent rains have been nothing short of wonderful, late as they were in arriving. Nevertheless, they have enabled us now to do some things we might not could have or at least were discouraged to do so because of the drought.

Our bermuda grass lawns are really growing now. Even though the season is late, keep on mowing the lawns up until frost. Don't put any fertilizer out now, however. It is too late for that.

Now is an ideal time to kill bermuda grass in unwanted areas. Late in the season and when the grass is growing rapidly as is the case now makes for a highly successful kill rate of such grass.

Roundup, a long time commercial herbicide widely used by our cotton farmers is now available in diluted forms in small quantities under several brand names. Be sure to read the label and make sure the active ingredient reads glyphosates.

Get ready to plant your spring flowering bulbs such as daffodils now by properly preparing the soil. Spading to a depth of 8 inches and the addition of organic matter is advisable. If our moisture continues we should have a beautiful spring.

Roses are going through their last flush of blooms. They should be getting ready to shut down for winter. Be sure and keep the fer-

tilizer off of them now to make sure no tender new growth is encouraged.

Your broccoli should have already been planted but you can still plant onions by seed.

Some calls have come to our office about planting bluebonnets. Actually, it is a little late to do planting normally but with our current moisture situation you might have some success still. Try to buy pre-scarified seed if possible, but if none are available, some success can be obtained by soaking the seeds in hot water (repeating the process as the water cools) for about 2 days and then spreading the seed in a well drained area and keep the seed-bed from drying out.

Don't do any pruning now. Hold off until we have complete dormancy.

Keep your tomatoes seeding fruit. It is just an old wives tale that tomatoes become poisonous after a frost. The fruit is still edible after the foliage has been killed by frost, provided the fruit has not been frozen solid.

The information given herein is for educational purposes only. Reference to commercial products or trade names is made with the understanding that no discrimination is intended and no endorsement by the Cooperative Extension Service is implied.

Around the county

By DANA DOLAN

Forsan 4-H Club
Last Saturday about 40 4-Hers gathered at the County Fair Barns to participate in the "Project Fun For All". This was a day where three different projects were offered and they were to be completed that day. I really think everyone had a great time and got their projects done at the same time.

The Dairy Foods Project was under the co-ordination of Lisa Hoff, County agent, and adult leaders: Linda Dick, Doreen Dolan, Gwen Nichols and Joan Rock. The following 4-Hers completed their project after learning about a dairy farm, experiencing a tasting of dairy products, touring the dairy departments of Winn-Dixie and College Park Safeway. Mr. Land showed them where the products came into the store, how it was stored, and how it was displayed. Then they returned to the County Fair Barns to learn how to churn butter.

The 4-Hers participating in this project were: Andrea Edens, Teresa Thompson, Raeni Fryar, Courtney Fryar, Dee Ann Brown, Bevin Hunter, Keri Bilbo, Billy Bob Brown, Amy Nichols, Jessica Thompson, Libby Wallace and Lori Nichols. They also enjoyed a sack lunch together.

The Veterinary Science Project

was under the co-ordination of Dennis Poole, County agent, and adult leaders: Toni and David Grifford, Sue Robinson and Wanda Driver. The 4-Hers completed their project after touring Dr. McDonald's Veterinary Farm near Sterling City, Skipper Driver's horses, Marion Newton's lambs, and studying about how to take care of our smaller animals as pets. This group enjoyed lunch at Burger King. Completing this project were: Shauna Richardson, Robbie

Dolan, Dana Dolan, Mylinda Grifford, Jay Johnson, Patrick Nichols, Chris Bilbo, Dane Driver, Lee Ann Wallace, Jennifer Fuqua, Brian Hunter, Chris Nichols, Tasha Rock, Gerald King, Lance Robinson, Brian Burson, Paul Walker, Lee Coleman, Denette Dick and Melissa Nichols.

The Photography Project was under the co-ordination of Naomi Hunt, County agent, and adult leaders: Karla Harold, Pam Walker, Hannah Coleman. Ken

Hunt and Lisa Nichols. The 4-Hers participating in this project were: Janan Staggs, Tonya Rock, Becky Walker, Sheila Bowen, Melissa Neel, Brandon Bayes, Manda Bayes, Marie Lavergne, Any Lawhan and Charitixan Nichols. This group also enjoyed a sack lunch.

We really feel this Project Fun For All was a great success an everyone learned about their projects and had fun at the same time.

GENERAL TENDENCIES: The daytime finds you able to continue with the opportunity to extend your interests and activities. Get a fresh start at the practical phases of your worldly ambitions.

ARIES (March 21 to April 19): Formulate a new course of action which you can later take to an expert. Be sure to drive with special care today.

TAURUS (April 20 to May 20): Use a new system for organizing your responsibilities. Contact persons who can best help you to advance.

GEMINI (May 21 to June 21): State your need for more backing from a partner and you can easily get it. Take your loved one out for a good time.

MOON CHILDREN (June 22 to July 21): Join with an associate for the pleasure you both desire. Take any health treatments to become stronger.

LEO (July 22 to August 21): If you assist a partner to gain own goals, you will get more cooperation from others. Stay home this evening with him.

VIRGO (Aug. 22 to Sept. 22): A good day to plan recreations for the future that can be greatly enjoyed. Stop hiding your light under the proverbial bush.

LIBRA (Sept. 23 to Oct. 22): Strengthen the foundation of your living so that you have greater security in the future. Remember that life is what you make it.

SCORPIO (Oct. 23 to Nov. 21): Make these new arrangements for greater profits from work. You are able to get needed data from partners.

SAGITTARIUS (Nov. 22 to Dec. 21): Handle your activities sensibly and you can have more of life's goodness. Contact business persons and state aims.

CAPRICORN (Dec. 22 to Jan. 20): Use your best judgment and good hunches in business. Go about socially where bigwigs are to gain favor.

AQUARIUS (Jan. 21 to Feb. 19): Be concerned with important personal matters today and forget about trying to have fun. Be more practical.

PISCES (Feb. 20 to March 20): If you do something special for your friends, you find that many favors can be bestowed upon you.

IF YOUR CHILD IS BORN TODAY he or she will do well at whatever is practical and be a fine organizer. Teach early to be more cooperative with others and not so aggressive. See to it that school work gets done on time and accurately. Don't neglect spiritual training.

"The Stars impel; they do not compel." What you make of your life is largely up to you!

'Texas Breeze' an idea that is catching on around the world

By CAROL BALDWIN
Staff Writer

Big Spring's own "Texas Breeze" is an idea that is catching on around the world, according to Carl Blanchard, executive vice president of Pneumatic Concepts of Texas, manufacturers of the "Texas Breeze."

Pneumatic Concepts of Texas is a division of Co-Exx Pipe Co., and is located at 812 Anna Street. In laymen's terms, the "Texas Breeze" cools soft drink bottle preforms as they come out of injection molding machines.

"This is a completely Big Spring operation," Blanchard said. "They were generated here, manufactured here and sold from here."

The plant employees between 8 to 10 people and "we're getting ready to expand into another market with a new version" of the machine.

The idea behind "Texas Breeze" was "generated by Granville Hahn to speed up production time," Blanchard said. Hahn is the founder of Co-Exx Pipe. Sam Hunicutt is president of Co-Exx Pipe.

The machine "provides cooling outside the injection molding machine" and permits a speeding up of the molding cycle. Molds may also be delivered from the machinery at a much higher temperature, thanks to the "Texas Breeze."

The "Texas Breeze" was originated in 1982 and was tested at Western Container, a soft-drink container manufacturing plant located at the Industrial Park.

Deliveries on the "Texas Breeze" began in the spring of 1983, Blanchard said. "Since then the market has grown. We've delivered 84 machines" around the world, he said.

The machines sell for around \$35,000 and save those who install them thousands of dollars in production costs, according to an article in "Plastics World," a national magazine published in May of 1984.

The magazine reads, "Because of increased production, users estimate the payback period for the system...at 6 to 18 months."

Blanchard said the firm has shipped "Texas Breeze" machines to the British Isles, Venezuela and France. They have also been placed in all the large bottling companies in the U.S., including Western Container, Owens-Illinois of Toledo, Ohio, Amoco Containers Inc. of Langhorne, Pa., Sewell Plastics, Hoover Universal of New Castle, Delaware, Tri-Coast Container Corp. of Los Angeles, Continental Group and Encon Inc. of Springfield, Ohio.

Herald photo by Tim Appel

GOOD IDEA — Carl Blanchard of Pneumatic Concepts of Texas looks at a model of the "Texas Breeze," a machine which cools plastic soft drink preforms and allows faster production.

Blanchard said the machines have been found to protect the surface of the plastic bottle containers by enveloping them in a blanket of air.

Blanchard said the company is working on a version to cool flat plastics parts for other goods. Negotiations are underway with Ford Motor Company for glove box doors and other plastic automotive parts, and with a refrigerator-storage company, Thermo-Serve, of Minnesota.

"We are building prototype machines" in preparation for tests with Ford and Thermo-Serve, Blanchard said.

He said "the market is many times larger than for pre-form cooling" alone. He also anticipates adding additional buildings, employees and equipment at the Big Spring plant early next year.

Blanchard travels to the site of new installations to oversee the project and to make sure the equipment is properly put together for smooth operation.

He also travels to plastics con-

ferences sponsored by engineers and manufacturers. Recently he attended conferences in Atlanta, Ga., Amsterdam and Germany, and is planning to attend a conference in Venice, Italy, early next year.

The conferences provide information on "state-of-the-art" advances in plastics and give Blanchard a chance to "offer (manufacturers) a product they are not familiar with."

Since returning from Amsterdam a week ago, Blanchard has been contacted by four European injection molding manufacturers "who want to see our equipment as a package with their injection molding machines."

Pneumatic Concepts is located in what was once a junk yard at 812 Anna Street. Since taking over the property, buildings have been renovated and a paint shop and warehouse space has been added. The inside yard is completely paved. Blanchard said all the improvements were done with company profits without the aid of a loan.

Open for business

By JOHNNIE LOU AVERY

New record features local stars

By JOHNNIE LOU AVERY

Area disc jockeys have already begun playing a new country western record by two local people. Eunice Freeman Choate wrote both songs. She sings "Dirt Poor Farmer's Kid" on one side and on the other is Phil Stovall singing "Pickin' 'Em Up — Putting 'Em Down."

When you hear them, call your radio station with your opinion. The record is available at the Record Shop.

Both Eunice and Phil have a long musical history in Big Spring and this venture just may be one to bring them fame.

Only 200 tickets will be available for an exclusive West Texas showing of the glittery holiday fashions designed by Victor Costa. This internationally acclaimed designer will present his entire 1984 holiday line. Twenty luxurious furs will also be modeled. Scheduled for noon on Nov. 8 at the Country Club, tickets are available at the Country Club, J.W. Chard's or the Chamber.

Chard's owner, Joyce Wash, is providing this special event as a Symphony benefit. Joyce is to be commended for her community spirit. Not only has she and her staff presented recent fashion shows for the Garden Clubs convention and the Women's Conference, but she is also chairing the committee which plans and executes the gigantic Chamber banquet in February.

Those who are familiar with best selling books by Dr. Dennis Waitley will welcome the opportunity to hear him lecture in a closed circuit presentation. The two-hour lecture, to be broadcast tonight at 7 p.m. from Dallas, can be seen at the Patio Room of the Holiday Inn. Admission is free and no reservation needed; but for more information call 263-2525.

Four downtown store owners are joining together to cut a TV commercial featuring their stores and, at the same time, promoting downtown Big Spring. Blum's, the Accent Shop, Chard's and Gibbs and Weeks are the cooperating stores.

More downtown revitalization plans will be made Nov. 1 at 7 p.m. at the Chamber. Anyone may come and join the efforts.

As a part of the promotions, another big festival

will be held downtown all day Saturday, Nov. 3, with special store sales and sidewalk food and game booths sponsored by United Way agencies. All proceeds of the booths will go to the UW fund.

Tuesday, Nov. 6, Texas voters will decide the fate of the Texas Education Assistance Program when they choose for or against Proposition 2. If passed, the resolution would amend the Texas Constitution to "create from general revenue a special higher education assistance fund for construction and related activities, to restructure the Permanent University Fund (PUF) and to increase the number of institutions eligible to benefit from the fund."

Proponents of the bill designed it to be a means of providing the classrooms, libraries and laboratories essential to a larger number of colleges and universities in the state.

The PUF fund is operating capital derived from oil and gas leases on 2.1 million acres of West Texas land. Early Texans set aside the public lands to serve as a means of revenue for the state universities.

Presently, three components of the Texas A&M system and two of the University of Texas system receive PUF monies. As presently operated, 2/3 of the money goes to the UT system and 1/3 goes to A&M.

UT Permian Basin operates without funding from PUF as do most other UT system components. UT Austin and UT El Paso are the only institutions now operating with PUF.

By voting by Proposition 2, the PUF fund will then be used also for UT Permian Basin for computers, libraries, and other capital improvements. The alternative is to ask for more tax money.

Did you know...

• That H.W. Wright Oil Co. has rented some industrial space from the Industrial Foundation. The buildings rented as those given to the Industrial Foundation by Ralph McLaughlin when he moved his Saunders Co. to larger quarters on E. Interstate 20.

• That Pat Porter will entertain the Highway 87 Association banquet Nov. 9 before Saturday's all-day annual meeting.

• That the Chamber Transportation Committee has sent another plea to the Texas Department of Highways and Public Transportation to route Am-Trak through Big Spring. Decision day is very close.

Willeford is employee of quarter

Paul D. Willeford, correctional officer, has been selected as employee of the quarter at the Big Spring Federal Prison Camp for the quarter ending in September.

The award is presented to an employee who has demonstrated above average or outstanding performance or who has provided a special service or contribution to a special program.

Willeford has taken on a variety of assignments this quarter, according to camp officials. He also aids fellow staff members in additional to his duties. He maintains close

control of evidence and records his observations of events and incidents that take place around him.

Camp officials said at no time has his performance lagged due to the changes in his assignments. "He has accepted them as challenges to be met and overcome," officials said.

Reports also show, "He has excelled in his performance in the correctional services department and improved the operation of the receiving and discharge section of administrative systems."

PAUL WILLEFORD

Meek is Fina board chairman

Former Big Spring resident Paul D. Meek has been named chairman of the board of American Petrofina, Inc. (Fina).

Meek succeeds R.I. Galland, who is retiring after 26 years with the company. Meek continues as president and chief executive officer of the Dallas-based energy and chemical company.

American Petrofina, Inc., is the parent-company of Cosden Oil and Chemical Co., located in Big Spring.

The company also announced the retirement of C.W. Shouse, vice president and treasurer.

Galland, only the second chairman of the board in Fina's 28-year history, will continue as director of the company, as will Shouse.

Meek, who became chief executive officer in April 1983, was elected president and chief operating officer of the company Feb. 10, 1976, having previously served from 1968 as president of Cosden Oil and Chemical Co.

He was named to the American Petrofina, Inc., board of directors in July 1968 when he was elected a vice president.

He is a graduate in chemical

PAUL MEEK
...new chairman

engineering from the University of Texas, Austin. He joined Cosden at Big Spring in November of 1955 and was elected a vice president in October 1962. Prior to moving to Dallas in 1976 he was active in civic, educational and business developments in Big Spring.

Galland served as chief ex-

ecutive officer of American Petrofina Inc. from Aug. 1, 1968 to April 10, 1983. He joined the company in 1958 as vice president and general counsel and president of American Petrofina Company of Texas.

Galland is a graduate of Yale University with B.A. and LL.B. degrees. He served in the U.S. Navy in the Pacific Theatre as a lieutenant in World War II.

Shouse joined Cosden Petroleum Corp. in Big Spring as an engineer in 1957. He served as product engineer, sales representative, chemical coordinator, product manager and marketing manager before being elected vice president in 1965.

Fina acquired Cosden's assets in April, 1963. In 1964, Shouse was named vice president, refining, of Cosden, and a director of Cosden in 1965.

He became vice president, refining, and a director of American Petrofina Co. of Texas in 1967. He was named vice president of American Petrofina, Inc., in 1972, and was elected a director in 1975. He was named vice president and treasurer in 1979.

Second half rally does trick

Bronchos overtake Steers 28-17

By BILLY NABUOKS
Sports Editor

ODESSA — It hurt. It was so close for the most part. It was nothing to be ashamed of, however. It was the district 4-5A contest held here Friday night to determine sole possession of last in the district football race.

Big Spring lost but the final score of 28-17 in favor of Odessa High School was not indicative of the effort put forth by the Black and Gold, although the Steers record drops to 2-6 overall and 0-5 in the loop.

In the battle against the almost equally winless Bronchos (3-5, 1-4) the Steers started like gangbusters.

Odessa's first play of the game following the opening kickoff resulted in a fumble that was immediately pounced upon by Steers' defensive end Derek Logback at Odessa's 32-yard line.

It took the Steers only 4 plays to draw first blood when Tommy Gartman scooted in from 3 yards. Colin Carroll booted the PAT and Big Spring led for the first time in any of its 4-5A encounters 7-0.

After a couple of punts in the con-

stant drizzle that plagued the first half, Odessa finally stuck some points on its side of the scoreboard.

The Bronchos were given their opportunity when they got good field positions following a short 5-yard punt by the Steers.

Ty Beck capped a 27-yard offensive with a 4-yard run. Billy Wegner kicked the extra point and the game was tied 7-7 with 3:50 left to play in the first quarter.

The Steers went back in front 14-7 with 10:51 before halftime when quarterback Carl Speck hit Logback with a 14-yard pass. Carroll's kick was good.

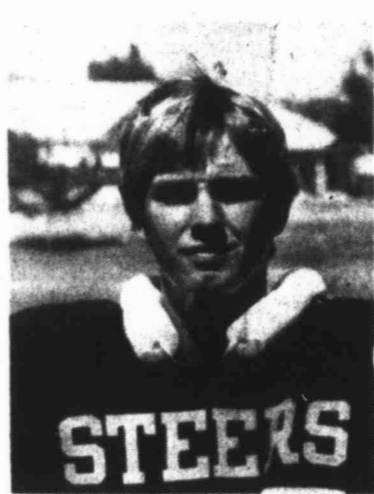

The score rose to 17-7 Big Spring with 7:56 left in the quarter when Carroll booted a 22-yard field goal — his second such effort of the year. The scoring opportunity came about at the 10:08 mark when Doug Walker recovered a loose Broncho football.

The Steers continued to play tough defense and stopped one Odessa drive when Brian Reid intercepted a Jeff Wright pass in the endzone with 1:26 to go before halftime.

Big Spring could not move the football, and was forced to punt,

BRIAN REID

COLIN CARROL

giving Odessa the ball back at the Steers 26 after a 27-yard return.

With one tick on the clock, Wegner then kicked a 42-yard field goal to make the halftime score 17-10 and the Bronchos had given notice of things to come.

One of those things was a lost Big Spring football at the Steers 27 on their second play of the second half.

Odessa gained only two-yards in

three tries before Wegner lined up and hit a 39-yard field goal that made the score 17-13 with 10:08 left in the third quarter.

Following another Big Spring punt, and the Steers were forced to punt quite often in the second half, particularly after Jay Pirkle went down with a sprained ankle, the Bronchos set up shop at their own 36 with 6:52 in the third quarter. Thirteen plays and four

minutes later, the Bronchos had their first lead of the night, 21-17. Things turned in the Bronchos favor when Beck got his second touchdown of the evening on a 4-yard scamper. Wright added the two-point conversion for a 21-17 lead.

The Steers played dropsy again following the kickoff and Odessa's defense was on the spot at the 35-yard line to pick up the football.

That drive continued into the fourth quarter and was concluded when Leonard Manning went in from two yards. Wegner's extra point kick at the 10:42 mark was good, and the final 28-17 had been posted.

Big Spring's last two offenses went awry, one when Joel Quintella intercepted a Speck pass at Odessa's 25, and another when Chris Arrendondo stole a pass at the Odessa 43 with 1:19 to play.

Until he was forced out of the majority of the action, Pirkle was the workhorse of Big Spring's offense. The senior ended the night with 60 yards on 12 carries, all in the first half. Gartman gained 39 steps on 16 totes and Carroll added 31 more as

the Steers had their most productive gain in District play rushing wise with 123 yards.

Manning paced Odessa High with 88 yards.

Big Spring coach Quinn Eudy said this loss probably hurt more than even the 52-0 blowout suffered at the hands of Cooper three weeks ago. "We really had a chance in this one and were so close. That's why it hurts so bad. The kids are really down about this but they haven't shown any sign of quitting and I don't expect them to now. We'll be ready for Abilene."

Stabler gives up football

NEW ORLEANS (AP) — The New Orleans Saints' 1984 season wasn't what he had in mind as his last in the National Football League, quarterback Ken Stabler said in explaining his sudden retirement.

On Friday night, the Saints announced Stabler — one of the most accurate passers ever to play the game — was retiring immediately halfway through a disappointing season.

The news release gave no reason, but Saints fans had become more outspoken recently in their condemnation of the performances by Stabler and Richard Todd, who beat out Stabler and Dave Wilson for the starting assignment.

Then, Stabler's fourth quarter fumble last Sunday night against Dallas on national television produced the game-tying touchdown that helped the Cowboys rally to a 30-27 overtime victory against the Saints.

After the fumble against Dallas, Stabler threw two interceptions in the final two minutes, finishing 2-for-9 for 34 yards.

The loss left the Saints at 3-5 at mid-season, but still hoping for its first winning season and its first playoff appearance after 17 years of NFL frustration.

Stabler, who will be 39 years old

on Christmas Day, said he changed his mind about waiting until the season ended to retire and decided to quit now after talking earlier Friday with Coach Bum Phillips.

"I was unhappy with my contribution and unhappy where the team was and the inevitability that I wasn't going to get the opportunity to do anything," Stabler said in Saturday's editions of The Times-Picayune, The States-Item. "I got that today (talking) with Bum."

"They are going to go with Richard and Dave. Bum told me that in two weeks they were going to make room for Brad Edelman and Gene Goodlow and that they would have to put somebody on injured reserve and I was going to be the guy."

"Before today, I always felt that if you keep plugging, something would happen; that you're going to get in there and get your shot. But they wrote me off. I'm aware of that. So I just want to leave with class."

The Saints were optimistic during preseason, partly because Stabler rallied the Saints to within a game of the 1983 playoffs. With Stabler completing 176 of 311 passes for 1,988 yards and nine touchdowns, New Orleans' 8-8 season last year equalled the Saints' previous best season of

1979.

But his agent, Phillip Henry Pitts, said Stabler's poor performance against the Cowboys had nothing to do with his decision to retire.

"He felt that it was time," said Pitts, reached by telephone at his home in Bay Minnette, Ala. "Under the circumstances, he thought it was best retire."

In spite of his heroic credentials, Stabler — who married a former Miss Alabama USA and had arthroscopic knee surgery during the off-season — was not good enough this year, frustrated fans complained of late.

The Saints' brief statement quoted Bum Phillips, the team's head coach and general manager, and also one of Stabler's closest friends and admirers.

"He's been nothing but a credit to the game his entire career, on and off the field, and we hate to see him go," said Phillips.

"He's always done what we asked him to do. He gave everything he had to help this team and every team he's ever played with to make them winners. We will miss his ability and his leadership. He's been good for this team."

"But he's more to me than just a player. He's my good friend," said Phillips.

SANDWICHED — Coahoma quarterback Brian Calaway is caught between two Sonora Broncos defenders in first quarter action last night at Bulldog Stadium. It was a rough night for Calaway and the Bulldogs as they fell in their 7-3A encounter 35-6.

Ballinger thrashes C-City 28-6

By LUIS RIOS
Staff Writer

BALLINGER — The old football cliché, "If you got a good horse, you ride him," haunted the Colorado City Wolves here Friday night.

The Ballinger Bearcats did just that as they picked apart the Wolves 28-6 in the top Class 3-A game in Texas.

Ballinger coach Randy Allen's team played ball control against an unusually explosive Colorado City team. The Bearcats used up more than 30 minutes of the total 48-minute on the clock.

The Bearcats offense was led by three work horses on the wet field Friday night. The trio amassed over 150 rushing. Running back Eddie Galvan led all rushers with 67 yards in 17 carries.

The explosive Wolves offense never got untracked, thanks to a stingy and tenacious Ballinger defense. The Wolves, who were averaging more than 35 points a game, had six costly turnovers in the hard-fought contest.

All-West Texas quarterback Doug Chitsey was victimized for three interceptions.

Wolves coach Tom Ramsey said turnovers and poor officiating cost the Wolves dearly Friday night.

"We did beat ourselves," Ramsey said. "Also, I won't use San Angelo officials again. Ever since I've been coaching in West Texas, this was the poorest officiating I have ever seen. But Ballinger still has a good team."

The Class 3-A contest according to many was for the District 7-3A championship. The Wolves will try to keep their playoff hopes alive next Friday when they face the Sonora Broncos.

The Bearcats, taking advantage of C-City miscues, struck early in the first quarter on a 12-play scoring drive. Ballinger got the ball after the Wolves' Armando

DOUG CHITSEY

PERRY CONNER

Rivera fumbled a punt at mid-field. The Ballinger drive began with 2:07 left in the first period and culminated with 9:38 left in the second quarter.

The Bearcats got big plays from running backs Danny Ogle and Brent Brevard to keep the drive alive.

At one point the Bearcats were faced with a fourth down and two from the Wolves 29-yard line. Coach Allen opted to go for the first down and running back Terry Strambler bowled his way through the C-City front line for 3 yards.

On third down and two, from the Wolves 19 yard line, quarterback Eric Lugo pitched to Brevard, who found end Gary Elliott all alone in the right corner of the end zone for the score.

The Ballinger defense shut down Chitsey and the Wolves running attack completely. Colorado City managed only two first downs in 17 yards rushing. Chitsey was sacked twice for a loss of 9 yards.

The Bearcats secondary victimized Chitsey for two intercep-

tions in the first half. Ogle picked off a first down and 10-yard pass attempt at the Bearcats 4 yard line. Chitsey misfired on the pass to end Perry Conner, who had beaten his man to the end zone.

The pass was short and the Bearcats had stopped an apparent Wolves scoring opportunity.

The second interception was by linebacker David Ueckert at the Ballinger 37-yard line.

Running back Bill Jackson fumbled a kick-off following Ballinger's first score. The Bearcats recovered the fumble on the Wolves' 27-yard line. Ten plays later Strambler dove over the heap to give Ballinger a 13-0 lead.

Kicker Scott Flanagan added the extra point.

The Bearcats dominated the clock, controlling the ball for over 18 minutes in the first half and keeping it out of the Wolves' hands. Chitsey, under constant pressure from the Ballinger front line, had only two completions for 19 yards in the first half.

The Wolves had their worst of-

fensive showing of the year, rushing for 101 yards the entire game. Chitsey was 5 of 16 for 53 yards. The output has been the poorest since the season opener against Slaton.

The signal caller scored the only touchdown for Colorado City in the second half. Chitsey went 24-yards on the second play of the 31-yard scoring drive with 4:37 left in the third quarter.

The Wolves had earlier driven to the Bearcats 5-yard line before Chitsey was hit by a host of Ballinger defenders and fumbled.

Ballinger added its third touchdown on a 29-yard scamper by halfback Brevard to make the score 21-6. Kicker Flanagan added all four PATs for the Bearcats.

The final Ballinger score came with 29 seconds left in the game. Running back Strambler fought his way in from three yards out to score.

The dominance of the Bearcats' offensive line was demonstrated on the final drive as Ballinger ate up 9:22.

Running backs Brevard, Strambler and Galvan churned out yardage at will against the smaller Wolves' front line.

"The old turnovers cropped up," Ramsey said. "We had the chance to score early; our receivers were open, but the two fumbles and two interceptions (in the first half) kept us from getting the ball into the end zone."

4-5A Roundup

Lee gets by Eagles 14-7

MIDLAND — Lee slipped by the Abilene Eagles, 14-7, Friday night in a rain-drenched contest in Memorial Stadium.

Two almost identical plays in almost identical places cost the Eagles' their playoff hopes as No. 6 Midland Lee survived a scare.

Two AHS fumbles by Daniel Brewer in the opening kickoffs in both halves virtually erased an outstanding defensive effort by the Eagles, as the grateful Rebels traveled only 16 and 19

yards for their two touchdowns.

Kevin Witt recovered the first fumble for Lee, and halfback Walter Jones ran in for the touchdown. Lee's Chris Kinney recovered the second fumble, and Tyrone Thurman scored Lee's second touchdown. Craig Kandrat kicked both extra points.

The Eagles' only score came on a 30-yard run by Guy Sims, which followed a 13-yard pass by QB John Bowser to Derek Hood. Melvin Davis kicked the PAT.

Cooper nips Midland 24-19

ABILENE — The Cooper Cougars jumped to a 14-0 lead in the first quarter, and then held on to defeat the Midland High Bulldogs 24-19 Friday night.

Cooper rises to 5-2 overall and 3-2 in district; Midland falls to 5-3 and 2-3 in district.

The Cougars took control on the opening kickoff, as Cooper's D.C. McDonald's return put the team in position to score. Three plays later, QB Doug Hadley threw a 25-yarder to tight end Scott Anderson for the Cooper score; Anderson made the kick.

Cooper scored again in the first quarter when Midland lost a fumble on their second play from scrimmage; two plays later, Jay Tollison scored a TD and the Cougars led, 14-0 with 8:35 in the first quarter.

Bulldog QB Matt Marcum threw three TDs — two to Jake Madrid and a 28-yard pass to Darrel Davis — as Midland tried to keep pace with the Cougars, but it wasn't enough. Their last effort, an onside kick after the last Madrid TD catch, failed as Cooper recovered.

Permian downs 'Cats 33-24

SAN ANGELO — The San Angelo Central Bobcats found out playing close wasn't enough as they came up against the Permian Panthers Friday night, losing 33-24, as the undefeated Mojo continued their winning streak.

The Bobcats' offense kept

pace with Permian most of the night, matching touchdown for touchdown, with the exception of the third quarter, when the Panthers outscored the Bobcats, 12-3.

Permian's Dal Watson ran 28 times for 128 carries

Big Lake beats Stanton 15-8

BIG LAKE — Big Lake's Tim Thompson was all over a muddy field Friday night as the Big Lake Owls edged Stanton Buffaloes, 15-8 in a 8-2A game at Big Lake.

Thompson scored Big Lake's first points when he hauled in a 21-yard pass from quarterback Bobby Gunnels with 3:27 remaining in the first quarter. Robert Saldibar's kick for the extra point was good.

Stanton's only points of the evening came on the next series. John Zugg returned the ensuing kickoff

73 yards which put the Buffaloes in business at Big Lake's 5 yard line. On 4th and 1, Kevin Gaspie plunged into the end-zone. The two-point conversion was successful on a pass from Gaspie to Derek Sorley.

Big Lake won the game with 4:11 left in the third quarter. Tim Thompson scored again on a 5 yard run. The winning drive began at the Big Lake 37 yard line. A big play gainer in the drive was a 43 yard run by Terry Thompson. The two point conversion was good on a run by Tim Thompson.

Stanton's bright spot on defense was the play of noseguard Bobby Almagar who recovered a fumble.

Bufs drive Loraine 34-0

FORSAN — The Forsan Buffaloes used a balanced offensive attack and some stingy defense to turn back 7-A foe Loraine 34-0 last night.

The win pushes the Buffaloes record to 8-0 and 3-0 in district play, setting up a showdown with number eight ranked Roscoe next week in Roscoe.

The Buffaloes offense was in full gear as it accumulated over 300 yards. Meanwhile their defense was just as stubborn as ever, limiting the Bulldogs to barley over 100 yards.

A good indication is Loraine mustered just five yards rushing the entire second half.

Forsan got on the board first during their second possession of the night. Halfback Mitch Hays scooted 26 yards through the Loraine defense for the score. The score capped of a 57 yard drive.

The point after touchdown was no good.

Forsan's second score of the night came with 4:51 remaining in the half. Quarterback Todd East capped off a 92-yard, 14 play drive, with a one yard plunge. The two point conversion was good when Hays passed to Bobby Headrick.

The Buffaloes closed out first half scoring with 43 seconds remaining when East passed 49 yards to Lance Soles. East added the PAT giving the 'Bufs a commanding 21-0 lead at half.

East, who ended the night with 115 yards in 10 carries, added the fourth Buffaloes touchdown when he scored from 48 yards out. East's PAT gave Forsan a 28-0 lead with just over three minutes gone in the third period. Hays also had a 68

yard TD called back in the same period.

The final score came following a Forsan fumble at the Loraine one foot line. On the next play, the Forsan defense swarmed a Loraine runner, causing a fumble. Linebacker Wayne Wright fell on the ball for the score.

Loraine record drops to 3-5 for the season and 1-2 in District 7-A play.

Highland rips Coyotes 52-20

GAIL — The Highland Hornets stung the Borden County Coyotes Friday night as the Hornets kept their string of victories unbroken.

The Hornets are 2-0 in District 4 six-man football, and 7-0 on the year. The Coyotes fall to 1-2 in district play and 5-2-1 on the season.

Powered by the running game of Duane Hyde and Gary Light and the passing of quarterback Jimmy Collier, the Hornets blitzed by Borden County.

Hyde scored three touchdowns — on runs of 24, 60 and 11 yards — and kicked five extra points during the game to lead Highland in scoring. Only two of his seven extra point attempts were blocked, both in the third quarter.

Under the rain — "it hasn't rained like this since Noah's flood," a spectator said — both teams lost three fumbles. The Coyotes were

able to recover two of their five fumbles, but the Hornets lost all three of their fumbles.

Chris Cooley led the Coyotes' rushing on 32 carries for 189 yards. Hyde scored first in the first quarter, but the Coyotes were able to score also when Chris Cooley ran 31 yards for the TD. However, Borden County's PAT missed the mark, leaving the Coyotes trailing 8-6.

The Hornets' Light clipped in a pair of touchdowns in the second quarter, on one- and nine-yard runs. The Coyotes came back as Cooley ran nine yards for the score, and Kirby Williams' kick was good.

Hyde then scored the second of his three TDs, on a 60-yard explosion to give the Hornets a 32-14 lead.

At the beginning of the third quarter, Hyde scored again, but the PAT was blocked. Highland

marched back up the field again, as quarterback Jimmy Collier threw a 19-yard pass to Chris Gothard, the first of his two TD tosses.

The Coyotes' final touchdown came on a seven-yard run by Tommy Soto, but Borden County missed the extra point again.

Collier threw a 15-yard pass for the final score of the game to Todd Thomas. After Hyde's kick, the final was 52-20.

G-City shuts out Sands 12-0

ACKERLY — The Garden City Bearkats won the battle of the mud bowl as they shut out the Sands Mustangs, 12-0, Friday night in Sands.

The Sands Mustangs took the opening kickoff, but fumbled on their own 28-yard line, and the Bearkats took over.

The 'Kats drove to a touchdown in five plays, as their star fullback, Doug Hoelscher, scored on a three-yard run. It was the first of Hoelscher's two touchdowns, the only points scored in the game.

A two-point conversion by the Bearkats failed, and they led 6-0.

The wet, drizzling cold weather effectively shut down both teams' passing attacks. The rain coated the ball, making it slippery and causing the four fumbles between the two teams.

Sands threatened late in the first quarter as they penetrated deep into Garden City territory, only to be thwarted by a strong goal line stand by the Bearkats.

Garden City came back in the second half on a 63-yard drive that took 18 plays before Hoelscher ran in the end zone on a four-yard carry for the final score. The two-point conversion failed again.

Sands had chances, entering the Garden City 20 yard line three times in the game, but failed to score all three times.

The Bearkats were paced by Abby Madrid, who ran 18 times for 69 yards, and Hoelscher. Both Madrid and Hoelscher caught a pass apiece, Madrid a 10-yarder and Hoelscher a five-yard toss.

Sands' Arnold Velasco paced the Mustangs' rushing with 28 carries

for 72 yards in his team's losing effort.

Garden City's 7-A South zone district record climbs to 2-1 with the win, and the season record to 3-4-1. Sands slides to 0-3 in district play and 2-6 overall.

Next week Garden City will meet Loraine at home, and Sands will host Roby.

HAYS ON THE GO — Forsan Buffaloes running back Mitch Hays goes around right end during first half action in Forsan's contest versus the Loraine/Bulldogs in Forsan last night. Hays ended the night with 115 yards in 10 carries as the 'Bufs pushed their record to 8-0 with a 34-0 win over Loraine.

Sonora stomps Coahoma 35-6

COAHOMA — Sonora Broncos Bulldog defense who spent most of the night on the field.

With just under a minute remaining in the half Miller added his second three-pointer of the night, this time from 30 yards out as Sonora took a 12-0 halftime lead.

The dam broke for the Bulldogs in the third quarter starting with a bad snap on a punt during their first possession. The Broncos took over at the Bulldog 34 and Miller scored from nine yards out. His PAT put Sonora up 19-0 with 9:40 remaining.

Following a Coahoma fumble at their own 19, Sonora moved in for the kill. This time Miller scored from one yard out. His PAT gave his team a 26-0 lead with 5:09 remaining in the third quarter.

Miller added his final field goal from 25 yards out which put Sonora

up 29-0 with 2:35 left. The final Sonora tally came following a Coahoma fumble at the Bulldogs 34. John Martinez scored from eight yards out. The try for two failed with 1:13 left in the third stanza.

Coahoma finally got on the scoreboard in the final quarter as it reeled of a 86-yard scoring drive which ended with fullback Emilio Martinez scoring from the eight.

Coahoma	Statistics	Sonora

Wilson downs Klondike 19-3

WILSON — Brian Bednarz scored three touchdowns, rushed for 153 yards and made 16 tackles to lead the Wilson High Mustangs to a 19-0 victory over Klondike Cougars here Friday night.

Wilson's initial score came in the second period on a 72-yard Bednarz

run. Mustang Robert Villareal's kick for the extra point was good.

Bednarz scored two touchdowns in the third period on runs of 3 and 24 yards to tack up the final points for the Mustangs. Both PAT attempts were no good.

Klondike's explosive running

back Tim Cope was held scoreless, only the second time this season Cope has been shut out of the end zone. Earlier in the season, Garden City held Cope off throughout the game in a defensive contest that Klondike eventually won.

Grady edges past Ira 42-37

IRA — The Grady Wildcats barely slipped past the Ira Bulldogs Friday night, 42-37, in six-man football.

The Wildcats' record jumps to 2-0

in district play and 3-4 for the season. Meanwhile, the Bulldogs fall to 1-2 in district and 5-2-1 overall.

No. 1 Huskies searching for offense

By The Associated Press
The weekend's only pairing of Associated Press Top Twenty college football teams finds No. 19 Penn State at No. 18 West Virginia in a Saturday night game. Meanwhile, top-rated Washington entertains Arizona, runner-up Oklahoma visits Kansas and No. 4 Nebraska plays hosts to Kansas State. Fifth-ranked Brigham Young extended the nation's longest major college winning streak to 19 games by routing New Mexico 48-0 Thursday night as Robble Bosco passed for 227 yards and three touchdowns.

Elsewhere, sixth-ranked Ohio State visits Wisconsin, No. 7 LSU entertains Notre Dame, ninth-ranked South Carolina hosts East Carolina and No. 10 Oklahoma State is at home against Colorado. All three teams from the Sunshine State — eighth-ranked Miami, No. 15 Florida State and No. 16 Florida — are idle.

In the Second Ten, Rutgers is at No. 11 Boston College, No. 12

Auburn at Mississippi State, No. 13 Georgia at Kentucky, No. 17 Iowa at Indiana and California at No. 20 Southern Cal.

Washington leads the nation in scoring defense (8.1 points a game). But the Huskies must muster more firepower (they managed only three first downs and 109 yards in last week's 17-10 victory over Oregon) if they want to remain No. 1.

"I don't think there's one specific phase of our offense that doesn't have to improve," says Coach Don James. "The runners can look at the blockers, but the blockers can look at the runners, too. There are times we have protection and don't throw the ball, and there are times we throw the ball and don't catch it. So I don't think you can put a finger on one thing and say this is the reason we're not moving the ball."

Oh, yes, James also warns that Arizona is "as solid as any defensive team in the country."

Oklahoma had to cope from

behind to nip Iowa State 12-10 last week and in the process quarterback Danny Bradley suffered ankle and hand injuries. If Bradley is unavailable, freshman Troy Aikman, who hasn't taken a snap this year, will get the call.

"I don't think we're struggling more than any other team in the country," says Coach Barry Switzer. "I keep saying there's not much difference in football teams in 60 minutes of play. When you don't play well, it equals things in a hurry."

As for 2-5 Kansas, Switzer said the Jayhawks "aren't a big, physical football team, but they run pretty good and their quarterback (Mike Norseth) is awfully good." And Robert Mimbs, Kansas's leading rusher, will be back from a two-game suspension.

By the way, this is the longest uninterrupted rivalry going, Oklahoma and Kansas having played each other without a break for 81 years.

Nebraska and Kansas State also

are old rivals and have met every year since 1922. Nebraska Coach Tom Osborne, who would find something to worry about if he were facing the Lincoln High junior varsity, says K-State "almost always comes up with something different on defense. You can bank on it."

Just like you can bank on Nebraska, which leads the series 56-10-2 and has won 15 in a row. To ease Osborne's mind, K-State lost to Missouri 61-21 last week and Coach Jim Dickey calls the Wildcats' injury situation "tough."

Ohio State is tied with Iowa for the Big Ten lead and the Buckeyes should have a tougher time with Wisconsin than Iowa figures to have against Indiana, whose 12-game losing streak is a school record.

Notre Dame, which lost its last three games — all at home, the first time that happened since 1956 — takes to the road, but LSU's Tiger Stadium is one of the nation's unfriendliest snake pits.

RULES ROUT — Brigham Young University quarterback Robble Bosco steps up into the pocket during a Western Athletic Conference contest. Again on Thursday night Bosco was at his best, throwing three touchdown passes in a 48-0 WAC rout of New Mexico.

SWC's spotlight tilt has 'Horns vs. SMU

By The Associated Press
The No. 3-ranked Texas Longhorns are a touchdown favorite Saturday to do something they haven't done since 1978 — defeat Southern Methodist in Memorial Stadium at Austin.

The Texas-SMU game has decided the eventual Southwest Conference champion the last three years but the home team hasn't won since 1979.

The Longhorns lost to SMU in 1982 and 1980 in Austin.

The last time Texas lost three successive home games to any team was in 1936, 1938, and 1940 when they were defeated by the Mustangs.

Texas Coach Fred Akers said, "SMU didn't need any more incentive but they've gotten some with the loss to Houston last week. This starts a long line of important games for us."

SMU Coach Bobby Collins said Texas is every bit as tough as it was last year.

"This is the same Texas team we've come to respect over the years," Collins said.

The No. 14-rated Mustangs will be fighting for survival in the SWC race after suffering a 29-20 upset to Houston last Saturday.

Texas is 2-0 in the league race. Houston is atop the standings at 3-0.

The surprising Cougars were rated a field goal underdog to Arkansas by the oddsmakers although they are playing at home in the Astrodome.

"Houston beating SMU was good for us," said Arkansas Coach Ken Hatfield. "We know Houston will be ready to play. They have defeated one of the league's top contenders and have an excellent chance to win the title."

In another big game, representatives from six bowls — the Bluebonnet, Fiesta, Sun, Liberty,

Peach and Independence — will be on hand for the SWC joust between Texas Christian and the Baylor Bears in Fort Worth's Amon Carter Stadium.

It will be televised at 11:30 a.m. CDT over the SWC network.

The oddsmakers have even jumped on the bandwagon making the Horned Frogs a touchdown choice over the Bears.

The 5-1 Frogs are off to their best start in 28 years.

Some 30,000 fans are expected for the game. TCU is 2-1 in the SWC while Baylor is 2-4 overall and 2-2 in league play.

In other SWC games, Texas A&M was a 17-point pick over the Rice Owls at College Station and Texas Tech was given a thin one-point nod over the Tulsa Hurricane in an inter-sectional tilt at Lubbock.

TCU has never been overly successful in homecoming games.

In fact, the Frogs have won only one game before the returning alumni in the last 12 years — a 24-17 victory over Texas Tech in 1980.

Overall, TCU is 20-32-5 before the old grads.

Baylor is 4-2-1 over TCU in Frog Homecoming games.

"The joy ride is over," said Wacker. "We don't have anything but a long winding road ahead, one tough conference game after another."

Wacker passed up a chance to sober up his troops by showing them last season's 56-21 rout by the Bears.

"I started to get the film out but then I started to get sick," Wacker joked.

Some members of the staff have pointed out to the TCU players about the way Baylor kept piling up the points last year, a season when the Frogs went 1-8-2.

Now Wacker is bolstered by a new seven-year contract for the job he has done this season.

76ers down Cleveland 111-101 to kick off roundball season

PHILADELPHIA (AP) — Moses Malone scored 26 points and grabbed 1 rebound and the Philadelphia 76ers streaked to a third-period 22-7 rally to down the Cleveland Cavaliers 111-101 Friday night in a National Basketball Association opener.

The Cavaliers had come back from a 13-point second-period deficit to lead 54-53 with 10:06 left in the third quarter. But Julius Erving, Marc Iavaroni and Malone sparked the 76ers to a 75-61 advantage with 4:17 left in the period.

Cleveland slashed the deficit to 79-70, but the 76ers boosted their advantage to 82-70 at the end of the third.

Ron Anderson, the Cavaliers' second-round draft pick from Fresno State, was the game's high scorer with 27 points. Mel Turpin, acquired on draft day from the Washington Bullets, who had made him the sixth player taken in the draft, contributed 13 points and 11 rebounds.

HAWKS 110, NETS 104

EAST RUTHERFORD, N.J. (AP) — Dominique Wilkins scored 34 points and Atlanta stormed to the lead in the third quarter with the Hawks hitting their first 16 shots from the field to beat the New Jersey Nets 110-104 in the National Basketball Association opener for both clubs Friday night.

Trailing 51-48 at halftime, the Hawks took control in the second half when Wilkins scored 26 of his points. They took an 81-67 advantage in the first 8:06 of the third quarter and did not miss a shot from the field until rookie Kevin Willis missed a baseline jumper with 2:24 left.

They wrapped up the quarter hitting 17 of 22 shots from the field with Wilkins scoring 10 points while guard Glenn Rivers had 13.

Rivers finished the game with 20 points, Sly Williams added 18 and Eddie Johnson chipped in with 15 for the Hawks.

Celtics 130, Pistons 123

PONTIAC, Mich. (AP) — Boston's Larry Bird scored 10 of his 33 points in the fourth quarter Friday night to lead the Celtics to a 130-123 National Basketball Association victory over the Detroit Pistons in the season opener for both teams.

The victory, before a Silverdome crowd of 27,563 — largest opening night crowd in Pistons' history — launched the Celtics on a defense of the NBA title they won last spring.

The score was tied, 114-114, in the fourth quarter when the Celtics took the lead for good, 117-114, as guard Dennis Johnson hit a line-drive jumper and canned the free throw after drawing a foul from Detroit's Vinnie Johnson with 4:37 remaining.

All five of the Celtics' starters finished in double figures.

Brian De Palma, the modern master of suspense, invites you to witness a seduction, a mystery, a murder.
