Board discusses major school renovation

The Friona ISD Board of Trustees met in regular session September 19, 2011, at 7 p.m. in the boardroom of the administration building.

County Judge Trey Ellis reported to the board on the availability of Parmer County Permanent School funds to be used in construction and renovation projects within the district. These funds can be used by Friona ISD and district representatives will meet with the County Commissioners Court to discuss the matter.

The board amended the order calling for a Special Bond Election to include voters in Deaf Smith County who fall within the school district borders. The Special Bond Election for construction of an activity center at the high school and other district projects will be held November 8, 2011.

Another major project is an upgrade at FHS. Preliminary plans are to roof the main classroom section, install individual room heaters and air conditioners, replace windows, light-

ing, and ceiling tiles. The completion of this project would be a considerable long term energy savings for the district, according to Superintendent Kenny Austin.

The primary campus would like to see the street between the primary and elementary permanently closed. Closing the street, Euclid, would take approval of the city, police department, and fire department. Primary teachers are working to redesign the primary school playground.

The first areas considered for landscaping projects will be around the junior high gym and the elementary cafeteria. Discussions were held on installing sprinkler systems or zero-scaping. The board will be holding more discussions on all of these projects over the next few weeks.

In a final item the board passed an ordinance to keep the tax rate the same at 0.92 cents for maintenance and operation. The district will receive more local tax money this year but considerably less state and federal money.

Maize Days photography show

The Parmer County Extension office along with Friona 4-H will host a photography show for Maize Days. The show is open to everyone.

There will be four age levels: junior for children up to 10 years, intermediate for children 11 to 13, senior for children 14-18, and everyone 18 and older will be judged as adult.

Photos may be entered in color or black and white in the following categories: people, animals, landscape, still life, architectural elements, plant/flora, special effects or theme. The theme for the show will be "Heroes of Parmer County." There is no limit on the number of photos that can be entered but each photo must be entered only once. There is a \$2 entry fee per photo.

Photos can be brought to the Parmer County Extension office in Farwell on the third floor of the courthouse until noon on September 27. They can also be dropped off for one day only at the following locations: Friona Chamber of Commerce on September 23 until noon, Bovina tax office September 23 until noon, or in Lazbuddie to Ann Rainey until September 23.

Ribbons will be awarded for the top three in each category per age group. An award for Judges Choice and Peoples Choice will also be given. All photos will be displayed in the Depot in the Friona city park on October 1 until 1:30 p.m. Contact the Parmer County Extension office at 481-3619 for an official entry form or to answer any question.

Week 2 winner: Marla DeBons

Week 2 of the Friona Star football contest proved somewhat easier, at least the scores were higher. The most popular miss was the Utah win over Brigham Young. The Eagles loss to Atlanta seemed to cause a lot of trouble too.

For Marla DeBons there was not much trouble at all. She only missed Spearman and Utah for a 16 correct Week 2 entry and claim to the \$25 weekly winner cash. Marla was the only player to get 16 correct.

Two contestants managed 15 correct. They are Chris Shufelberger and Ronald Diaz. Another five came in with 14 correct: Martin Brito, Joe DeBons, Jimmy Walker,

Kaegan Kerby, and Jamie Lewellen. There was a really large group with 13 correct. The standings are printed inside. Only contestants that enter each week are included.

Exception: Former Frionan Jacy Grimsley Weatherly works at the Veteran's Hospital in Amarillo and has coordinated a group of VA employees to enter. But they didn't enter in Week 1 so here is a separate standing list just for the VA bunch: Dixon 15, Readnour 14, White 13, Ralls 13, Grobz 13, Chavez 12, Barnett 11, Medina 11, Chechourka 8, Weatherly 8.

The Week 3 contest is in this week's Star. Good luck to all.

hey, buzz off buffet

The President of the United States, Warren Buffet, has decided to increase taxes on the wealthiest Americans.

This is one of the few times I'm glad I'm not a millionaire. Rich people and those evil big corporations are in the sights of President Buffet. If I was a millionaire, or better yet a billionaire, I'm not sure I would appreciate President Buffet telling me what to do with my loads of cash.

As you may have noted, me and Buffet have very little in common, except for perhaps age. He is obviously a very smart gentleman who has accumulated massive riches, buying up many smaller corporations, avoiding most income tax, and becoming a giant conglomerate. Just the kind of guy the Obama administration dislikes.

I've seen the old fellow

speaking on TV and he is sort of a bumbler, spouting advice that most of us commoners do not understand, nor do we heed. Somehow he has become Obama's poster child (or poster old man) for solving America's economic woes.

Sounds like a pretty simple path to glory. All of you million-billionaires just cough up big chunks of your evil dough to help us little guys scratch out a living and help Barack get re-elected. It is being called the Buffet Rule.

Obviously there is not enough economic intelligence in the entire Obama administration to figure out what to do so they had to call in old Warren to take over. Seems sad to me and another indictment of Obama's inability to make decisions and lead.

I know all presidents have advisors so don't write me

a letter that I'm picking on Warren and Barack. On second thought go ahead and write your letter to the editor, just be sure to put your name on it, because I am picking on them.

People who earn more than \$1 million a year should pay more. That is the Buffet Rule that Obama is hiding behind to try and get a tax increase passed. An organization called the Tax Policy Center published a report that shows people making more than \$1 million or more are already taxed at 29.1% while folks in the \$50-\$75k bracket pay 15%. To be fair, the IRS says that 1,500 people who reported more than \$1 million in income paid no tax.

Buffet pays 15% on capital gains. Liberals like to say that Buffet pays less tax than his secretary. They did not say how much the secretary earns,

but I expect it is at the top of the secretary pay grade.

The IRS says that 236,000 tax returns showed \$1 million or more in income. I believe the government could confiscate 100% of the income of all 236,000, and the Democrats would have it spent before the end of the week.

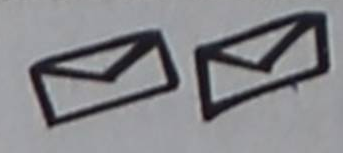

Here is where we are (in spite of Warren Buffet): Democrats - spend, Republicans - cut spending. The Democrats want you to believe that big corporations are the evil sister but don't you believe it. They suck up to big business as much if not more than Republicans.

None of them, even Warren Buffet, really give a rip whether you have food and shelter. They have no answers, only words. I don't trust any of them and if you do I leave you with one thought: Solyndra. You can look it up.

Letters to the Editor

The trustees of the Louisa Wilson House have determined that there may be health and safety issues that need to be addressed in the interior of the building to make it a safe place for scout troops to meet. Therefore, we are asking that troops find other places to meet until we can resolve the concerns. We apologize for the inconvenience to our girl scout leaders and our girl scouts.

City office will be closed Sept 30

The Friona city hall office will be closed Friday September 30 for end-of-year closeout. It will reopen Monday October 3 at regular hours. The city's fiscal year is October 1 through September 30.

Chiefs game video replay

The FHS-TV and Friona Star crew will make the long trek to Childress Friday night for the Chiefs vs. Bobcats football game. Go Big Red!

Danny Campbell and Clint Mears will video the game. The replay will be shown Saturday at 10 a.m. on WT Services channel 76. The broadcast is made possible by the Chieftain/Squaw Boosters and sponsors.

Watch for action photos from the game on the Star website, frionaonline.com next week. Game reprints are available to order online.

cogitations & aphorisms of jodok

By Uncle John White • 1868 - 1965

Printed from the October 25, 1935 Friona Star. Uncle John saunters about town visiting friends and talking about "the most interesting town there is." Imagine Friona in 1935. As Maize Days approaches it is interesting to consider what folks thought about Friona 76 years ago.

Some people think there is nothing worthwhile to be seen or thought about in their home town, but I have always found it quite different. In fact, I think my home town is about the most interesting town there is.

This may be perhaps because I am more interested in the people of my home town than I am in those of other towns, because I know them better and have a deeper interest in their welfare or ill-fare as the case may be.

When some of my neighbors with whom I am associated with daily, have accomplished some worthy feat it means more to me than if it had been done by someone whom I do not know, and I always feel more ready to commend the things done by my neighbors rather than things done by strangers.

As I sauntered down Main St. one day last week I chanced to pass the B.T. Galoway hardware store and my attention was attracted by the display in one of the show windows, which was very artistically arranged by some artist in that line.

The display was one evidently intended to especially catch the notice of sportsmen or hunters, since it held a collection

of some nice work in taxidermy in the mounting of several specimens of water fowl and animals usually sought as game by hunters.

In addition to the taxidermy display there was a display of many kinds and sizes of firearms, including pistols, rifles, and shot guns, some of them rather early date and now could be considered 'back numbers' but valuable as curios and keepsakes, and some of them were apparently "hand-made" just as most of our firearms were made. And in connection with these guns of many sorts there was a fine display of the various types of ammunition in shell prepared for rifles, shot guns, and pistols. Also hunting knives and hair lariat ropes and spurs.

Now, to my mind this was an interesting collection and window display, and it was the more interesting to me because it had been arranged by one of my neighbors and in the show of one of my neighbors' store; but judging from remarks that I have heard many people make, they would not be interesting to them, mostly because they were here in our home town.

And before I forget it, I want to remark that one of those old long barreled muzzle-loading rifles in that window reminded me of a gun that "Uncle Bill Harmon", who used to live a way back in another of my "old home towns" used to tell about. That was a hand made rifle, made by one of Uncle Bill's neighbors, and had a unusually long range—so

long in fact, that Uncle Bill said that in shooting deer he could kill them so far away that he always had to salt the bullets when loading the gun, as he said, "to keep the meat from spoiling before he could walk to it."

And then there was this 1935 front page news article:

Man Injured in Turnover
Two men, one about 50 years old and the other about 25 or 30, both strangers here, drove into town last Saturday morning seeking the services of a physician.

They were directed to the office of Dr. Stover where it was found that the elder man had suffered a fractured clavicle and received the necessary treatment. The younger man was very little, if any, injured and they were soon again on their way.

The cause of the injury was that their car turned over near the highway crossing at Homeland.

And this brief look at unemployment:

Farm Work Affords Employment
Farmers who have row crops to harvest and cotton to pick are supplying temporary employment to many of the men of Friona who have no steady work.

It was reported that one farmer came to town recently asking for 12 or 14 men to assist him in taking care of his row crops and others have been in wanting all the way from two to a half dozen men. This demand for help will likely continue until all row crops are harvested.

The annual Maize Days celebration begins now through Saturday October 1 with a full schedule of activities. The complete schedule is printed elsewhere in this issue of the Star. It all begins Saturday evening at 6 p.m. at the high school auditorium when seven young ladies will vie for the 2011 Miss Friona crown. Good luck girls. On Tuesday September 27 sixteen young ladies will compete for the Little Miss Friona crown. Should be great weather so come and support the Maize Days activities.

Work has begun to open a Thai and Chinese restaurant in Friona. Location is the former Soil & Water Conservation building near Lowe's. Remodeling of the building has begun. No word yet on menu, hours,

etc. but I'm sure they will be in touch with us soon. *****
John Blackwell has sold Blackwell Funeral Home to Eva and Mike Mullins, owners of the Colonial Funeral Home in Dimmitt. Dusty Hansard will remain at the local parlor. John has served the community for many years. We wish him well in his retirement and welcome the Mullins to Friona.

Homer Allan Haile has purchased the building on Main St. next door to Suds and Scissors. Oldtimers say the building was once a pool hall and later an appliance store. Haile has begun remodeling the space into climate controlled storage units. He has a storage facility behind his State Farm office at Hwy 60 and Etta. The Main St. building

has approximately 3,000 square feet. Always good to have growth and progress in Friona, especially along Main St.

Happy anniversary to Tommie and Wanda Jones. They will be married 57 years on September 24. David and Gayla Brown will celebrate their 35th anniversary September 25. Congratulations to all. Let us know if you or someone you know has an anniversary coming up and we'll mention it in Town Talk.

Delia and Billy Joe Jackson will celebrate their 15th anniversary September 27. Delia asked me to mention that her "miracle baby" Megan Lea Jackson will be 8 years-old on September 26.

Celia Quintana of Bovina was the winner of the

Bi-Wize recliner that was raffled to assist the Claudia Vasquez family with medical expenses. It is reported that Claudia's memory continues to improve and the family appreciates the kindness shown.

The Open Door Sunday School class at the Friona Methodist Church is raffling a quilt to assist the Vasquez family. Tickets are \$3 each or two for \$5. The class will have a booth at the Maize Days celebration October 1 and the drawing will be done at the city park that day. The quilt is now on display at Bi-Wize Pharmacy and tickets are available there. You can also call Rickey Rector 265-7272 or Mickey Harrelson 265-5642 for tickets.

Good time to remind that the fire department is giving away a 4-wheeler ATV and trailer again this year. Tickets are \$10. The drawing will also be in the city park October 1 about 2 p.m. Firemen will be selling tickets in the park that day. I'll bet they will also be selling those juicy sausage wraps again this year. Stop by after the parade and get one or a bunch. They usually go pretty fast.

Happy 80th birthday to Betty Louise Rector Monday Sep 26. She said her kids, grandkids, and great grandkids were here to celebrate and they all went to the Ranch House in Hereford for lunch Sunday where they had chicken fried steak on the buffet. Her son Roy Don Rector of Austin was not present but she said he will be here Thanksgiving. Her son

Rickey brought flowers and Mike Roberts joined the group for lunch. Keep on keeping on Betty.

Someone mentioned to me this week they have observed children being left in the car while the moms (or dads) left the car running and went into a store. This is indeed small town America but not a good idea to leave an unattended child in an idling vehicle. One person said they saw a child under two in the driver's seat of a running vehicle while the mom went inside. Bad idea. Little ones and a gear shift are not a good combination. If you are going to leave the kid in the car at least turn off the engine and take the keys.

The burn ban in the county was temporarily lifted last weekend since the area received rainfall during the week. However it was only lifted through Monday September 19 and went back into effect Tuesday the 20th. Hope most of you were able to get caught up on trash burning. Several controlled burns were reported to the Sheriff's office.

Sorry to hear that Margaret Parsons took a tumble at Heritage Estates. She broke an elbow, her nose, and a big bump on her forehead. She was in an Amarillo hospital this week being tended to. Margaret was taking a walk outside and tripped as she started in the front door of the assisted living facility. We hope Margaret mends speedily.

Tasty Cream owner Lori Tannahill is planning a special once-a-month Sat-

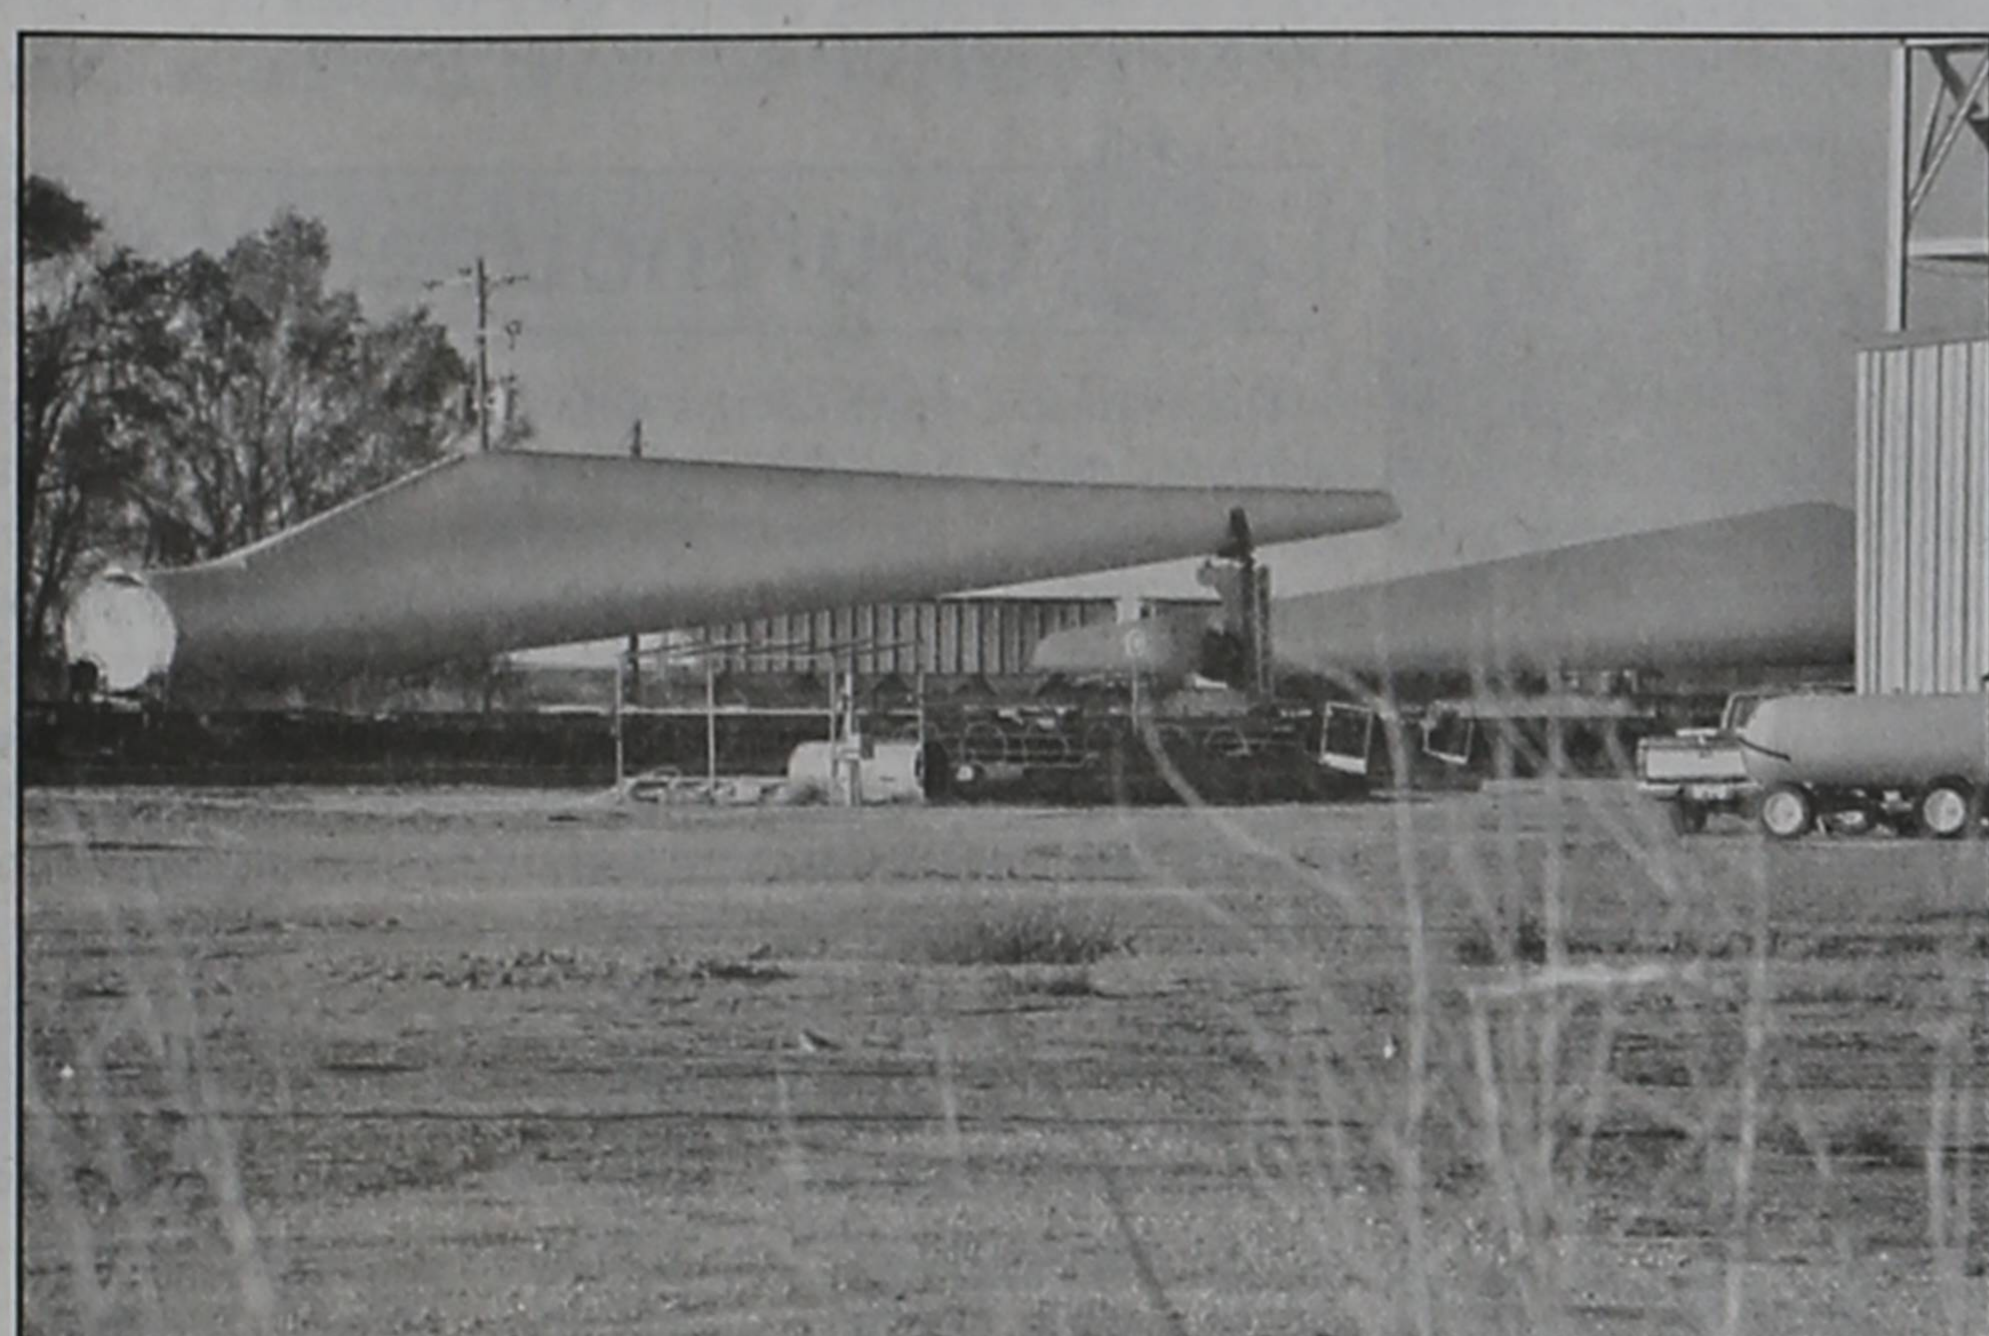

urday catfish fry. The first one will be Saturday October 1 from 6-8 p.m. The catfish plate will include fries, coleslaw, hush puppies and a medium drink. No other menu items will be available. Tasty Cream normally closes at 4 p.m. on Saturday.

Chamber exec Chris Alexander says there is still space to sign up for the Chamber's annual golf tournament at Friona Golf Club on Saturday October 1. It is a 4-person scramble format and costs \$65 per person. Registration is at 12 p.m. and a shotgun start at 1 p.m. Cash and door prizes will be awarded after the tournament. To get in on the action call the Chamber at 250-3491 or go by and sign up.

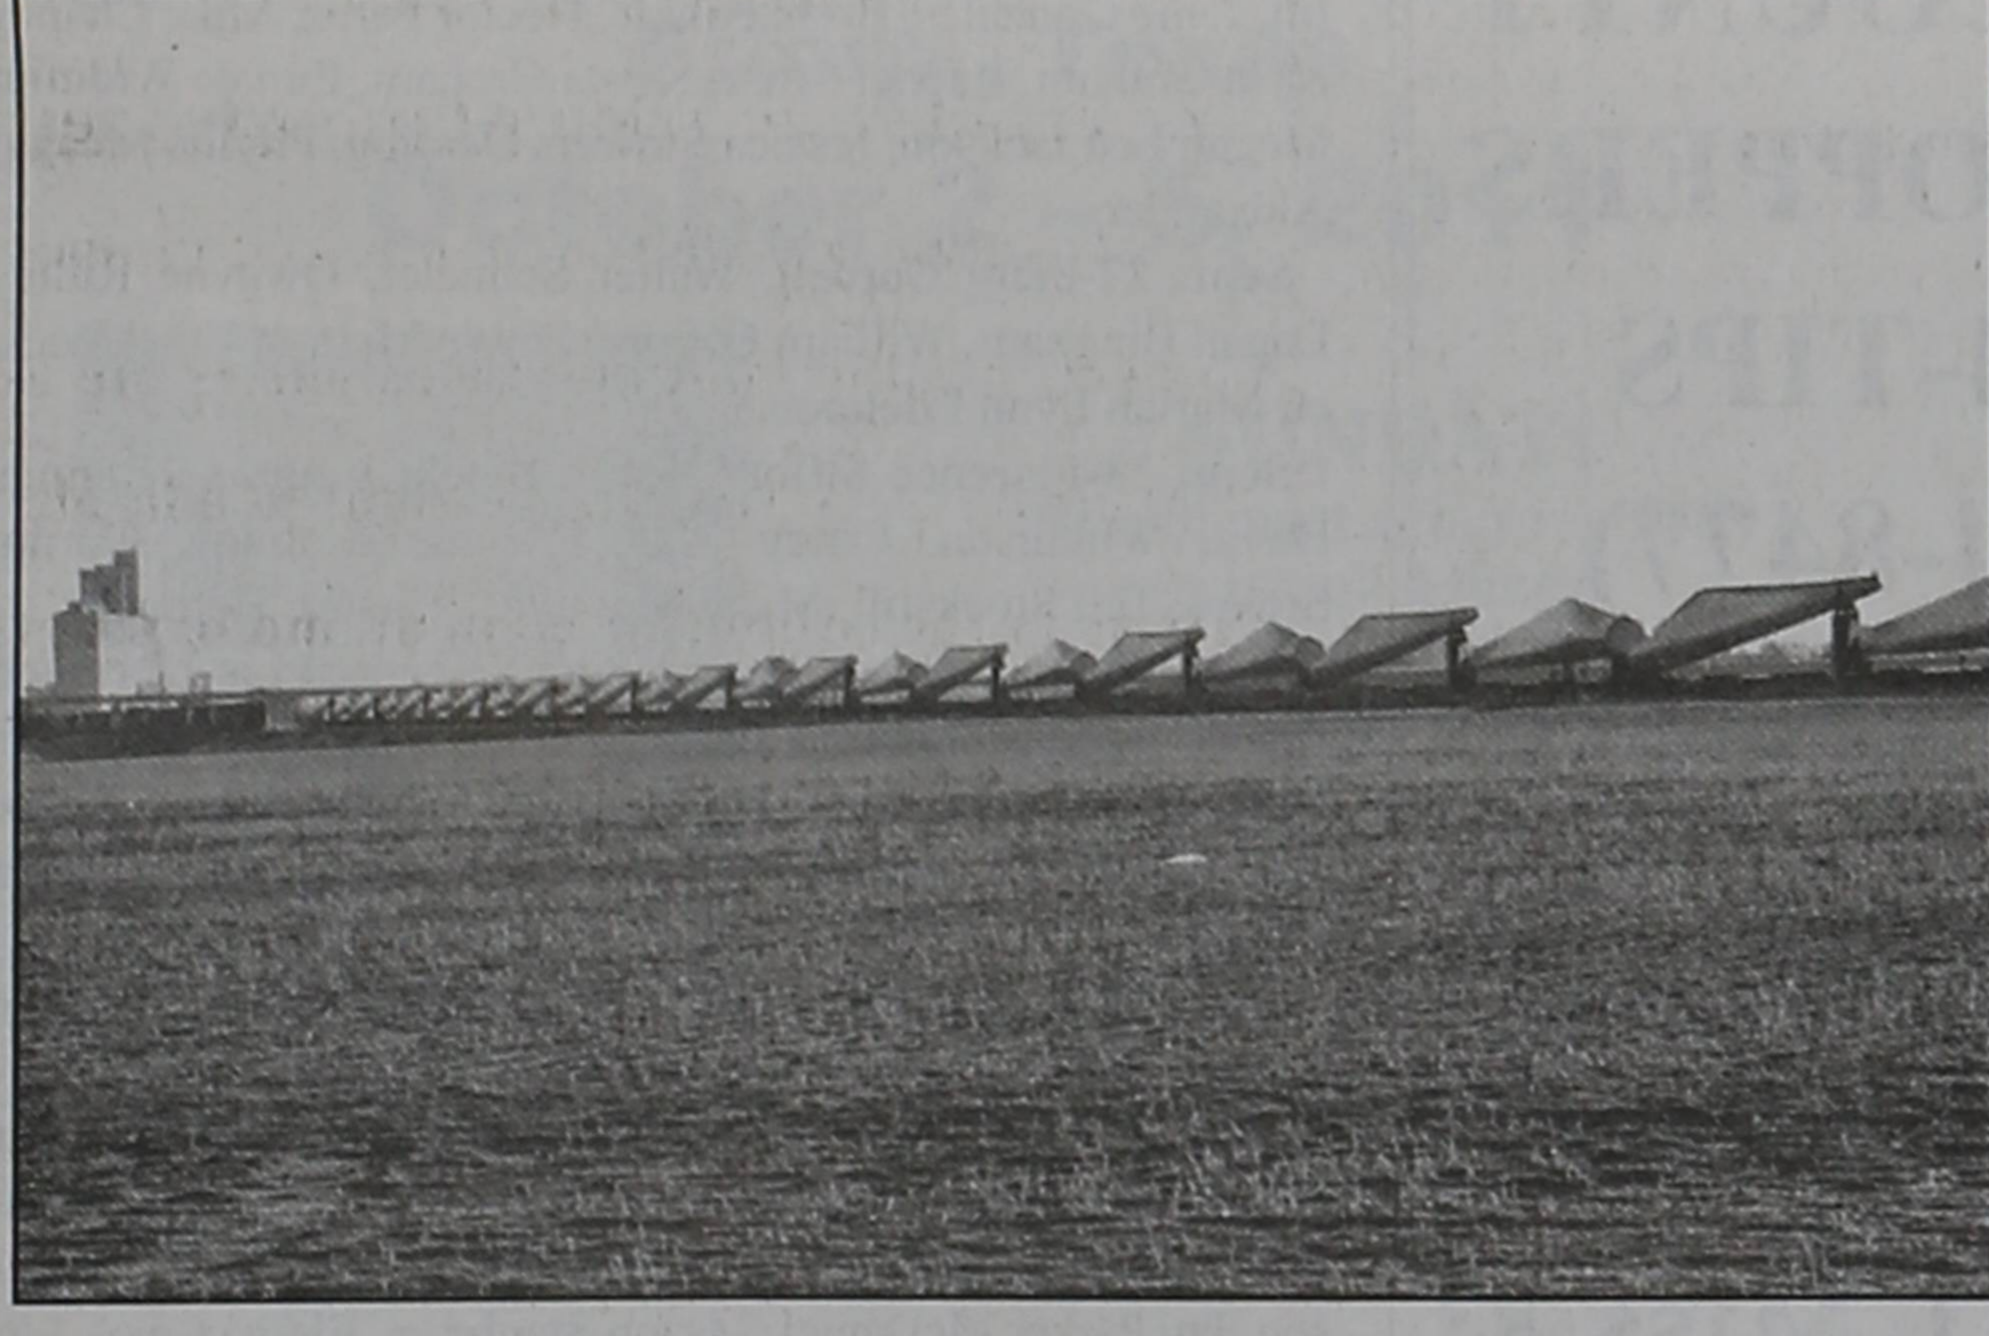

Bi-Wize Pharmacy is having a "garage sale" Friday September 23 from 3-6 p.m. selling used, overstocked, dent and dings stuff. Refrigerators, TVs, all kinds of stuff. Even some new furniture is included. Go by and check it out and congratulate Marla DeBons for winning the Week 2 Friona Star football contest.

Friona city hall will be closed Friday September 30 for end-of-year close-out. The city fiscal year ends that day so if you have any city business don't put it off 'till Friday.

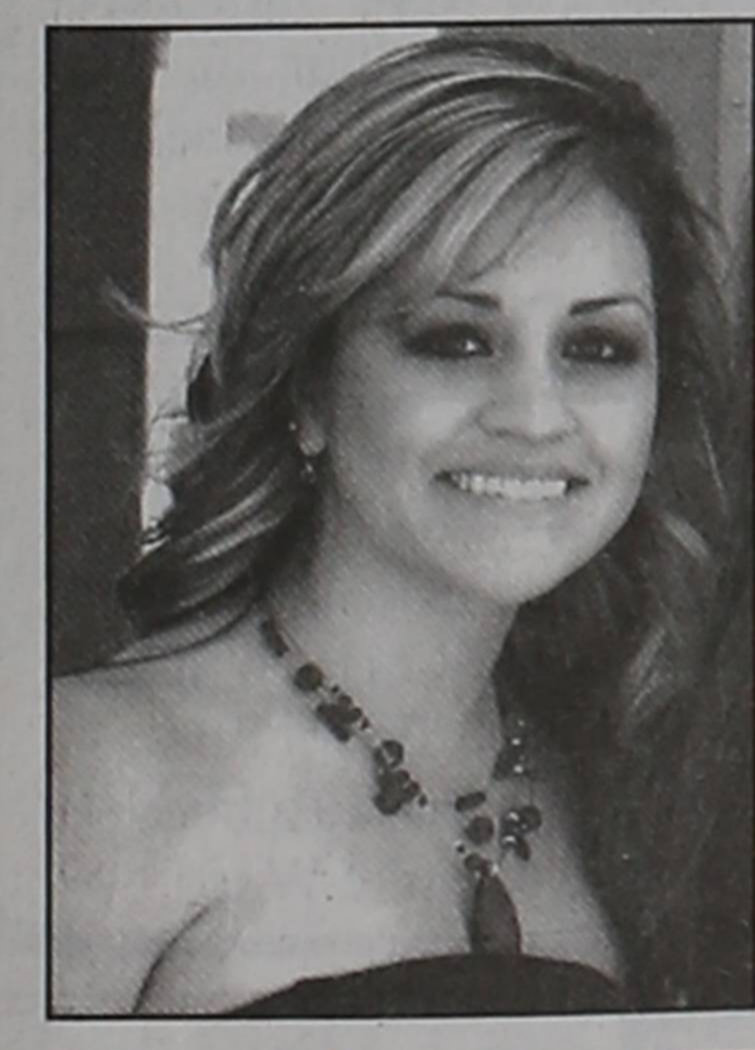

Enough already. If you have any news of local interest don't forget to send it in. See you in Childress Friday night. Go Chiefs. Until then!

A BNSF train came through town Monday hauling a mile-long load of the arms for those wind farm windmills. Each arm was slightly longer than a regular railcar. The train was headed west toward Clovis.

OBITUARY

Dr. Paul L. Spring

Dr. Paul L. Spring

Dr. Paul L. Spring, 95, of Friona, went to be with his heavenly family on Tuesday, September 20, 2011 in Friona. Memorial services have been scheduled for 2:00 p.m. on Thursday, September 22, 2011, at the Friona United Methodist Church with Rev. Kurt Borden, Pastor, officiating. Arrangements are by Blackwell-Mullins Funeral Home of Friona.

He was a long time resident of Parmer County. Born on June 15, 1916, in Bovina, he moved to Friona at age nine with his father, F.L. Spring, mother, Ocie, brothers, Frank, Ese, and Lee, and sisters, Mary and Lydia. All preceded him in death.

He graduated from Friona High School in 1934, and attended Texas Tech University, graduating in 1941. He attended Baylor College of Medicine in Dallas and graduated with his M.D. degree from Southwestern Medical School in 1944.

He served in the U.S. Army 308 Bomb Wing Korea from 1945 to 1947 as a member of the Army Medical Corp. He returned to Friona in 1949, and served the community as a family medicine physician,

until his retirement in 1990. He married Mary June Plezowski, an R.N. at Parmer County Hospital, in 1952. She preceded him in death.

He delivered approximately 3,000 babies in Parmer County and was a "family doctor" for thousands of Parmer County and area residents. He served as County Health Officer for 40 years. Dr. Paul and June were instrumental in the conception, funding and building of the first Friona Hospital. He began the medical practice that continues today, as Friona Rural Health Clinic.

He was Friona's first "Man of the Year" in 1959, and received distinguished alumni recognition from Friona High School. He was a member of Friona United Methodist Church, Friona Evening Lions Club, and a Master Mason of Friona Lodge #1332 for over 50 years.

He was a member of the American Medical Association, the Texas Medical Association, the Texas Academy of Family Practitioners, the Tierra Blanca Medical Society, and a Fellow of the American Academy of Family Physicians.

In later years, he suffered from Alzheimer's dementia, but never lost his sense of humor or his kindness toward others. He was cared for by family and caregivers, who miss him dearly.

He is survived by daughter, Susie Spring of Friona; son, John Spring and wife Christie of Canyon; and grandsons, Travis, Christian and Andrew.

The family suggests donations to Parmer Medical Center, ATTN: Lance Gatlin, 1307 Cleveland, Friona, TX 79035, in lieu of flowers.

Bittersweet battles

BY BRETT HOYLE, Pastor, First Baptist Church

Often in life you will fight bittersweet battles that seem to merge the best and worst aspects of our existence into one experience. For example, when my Mammaw Cherrie died after suffering greatly from cancer that had eaten away at her body, I was grieved at the loss of my grandmother, yet also rejoiced because she was now in the presence of Jesus Christ, to suffer no more. You cannot prevent these bittersweet times from coming your way, but you can rely on the Lord in their midst. David was a man of bittersweet battles throughout much of his life. 2 Samuel 18 brings us to the

final battle between him and his son Absalom, who has gathered an army and is attempting to slaughter David's forces, even David himself. When the dust is all settled there is the sweet taste of victory for David's army, but there lingers the bitter loss of David's son, Absalom, who is killed in battle.

Maybe you are in the middle of a bittersweet time of life. Although the stain of bitterness may pierce to your core, you can always count on God's love, grace and strength to sustain you through those bittersweet battles.

Panhandle Parables

The dangers of cantaloupe & rattlesnakes

BY JEFF PROCTER, Minister, Sixth St. Church of Christ

Every summer my Pop would plant a large garden of all the basics from black-eyed peas to Black diamond watermelons. On one occasion, we had the day off from hoeing, and were hunting with our Daisy BB guns, which took us near the garden. We were famished, so we did what any 11 y/o would do. We pulled out our trusty pocket knives and took a break.

I first launched into the cucumbers eating two of medium size, then on to the cantaloupe. I ATE TWO all by myself. (Did I mention they were nice and hot?) Then we concluded our break sharing a watermelon before our trek down the turn row in time for lunch. By the time we loaded up none of us were feeling very well.

The six mile drive back to town seemed eternally slow when suddenly, Pop stopped the pickup in the middle of the road. There in front of us the ultimate prize, a rattlesnake

sunning in the road. The problem was the three of us by this time were so sick that we could hardly get out of the pickup. Pop ended up killing the snake for us with a shovel. I have the rattles as a reminder of an opportunity missed and DON'T eat warm cantaloupe, EVER. To this day, I can only eat the delicious little melon if it is ice cold.

I think most of us understand the dangers of rattlesnakes and when given an opportunity to get rid of one we probably would. Sin is like a snake in that it can really be dangerous, but so can other things like those little indulgences, or distractions that sort of add up, like cantaloupes, leaving us ill-equipped to battle darkness.

Christians can miss many opportunities to dispel darkness and do good because when the opportunities arise, we are not ready. Live wisely, don't get so entangled in stuff that you can't stand when called to do so.

Squaws volleyball at Perryton and Lubbock Christian

From Coach Bryan Masse:

The 9th, JV, and varsity volleyball teams made the long trip to Perryton Saturday for a triple header. The JV Squaws were the only team to come out on the winner side 2-1. The 9th fell 0-2 and the varsity lost 0-3.

In the varsity match the Squaws got off to a good lead. Perryton was out of system a lot and the ladies were taking advantage. As the first game progressed the Squaws started to hurt themselves by their own mistakes. Perryton took advantage and found their rhythm for a 25-18 victory. Game two was more of the same as the Squaws were stalling. Perryton won 25-17. Game three was close but the Squaws lost 19-25.

At Lubbock Christian Tuesday the JV could not pull off the victory in game one but fought hard. In the second game they had several game points but could not pull off the victory and ended up on the short side of a 26-28 game. All in all the JV Squaws played a good match and fought hard, especially since they had to make some changes in the lineup. Coach Ray has done a good job getting these girls ready for district play.

In the varsity contest the Squaws played one of their better matches recently but fell to a very good Lubbock Christian team 16-25, 19-25, 21-25. Maddie Murphree, Marissa Lozoya, and Kendall Kimbrough did a good job blocking and had some stuff blocks for points.

Bianca Romero, Elda Castanon, and Yari Avilez did a good job passing and digging Lubbock Christian's shots. Tamra Stormes, Rachel Dickson, Maddie Murphree, and Marissa Lozoya did a good job hitting the ball with a limited number of errors. All of the girls, including Ashli Smith after she relaxed, did a good job serving. (Editor's note: Ashli Smith was moved up to varsity from JV to replace the injured Megan Sharrock).

I was pleased how we have rebounded again and all of us have stepped up to make up for the loss of Megan and the changes we had to make in our lineup. This should help us carry some momentum into our first district game on Saturday when we travel to Dimmitt to face the Bobbies. The 9th grade match starts at 11 a.m., JV at 12 p.m., and varsity at 1:30 p.m.

Proposition Number 1 (SJR 14)

SJR 14 would amend the constitution to authorize the legislature to provide the surviving spouse of a 100 percent or totally disabled veteran with an exemption from ad valorem taxation of all or part of the market value of the surviving spouse's residence homestead as long as the surviving spouse has not remarried, the property was the residence homestead of the surviving spouse when the qualifying veteran died, and the property remains the residence homestead of the surviving spouse.

The proposed amendment would appear on the ballot as follows: "The constitutional amendment authorizing the legislature to provide for an exemption from ad valorem taxation of all or part of the market value of the residence homestead of the surviving spouse of a 100 percent or totally disabled veteran."
