Friona Downs Black In Fast Baseball Game

Friona's baseball club has been reorganized for the season and is a member of the Parmer County League and arrangements have been made for a game each Sunday during the season.

The Star has been promised a report of each game as it is played and hopes to be able to give lovers of ball playing some interesting reports as the weeks go by.

Last Sunday's game was played against Black on the Black diamond, and following the report of the game as it was played:

Baptist Church Notes.

There was an excellent attendance at the Sunday morning service, but because of the rain but few attended the evening services.

Attention is especially called to the following announcements: The adult training class studies the sixth chapter of Hebrews next Lord's Day evening. The adult group will study Milchizedek and Christ and seek to answer the question: "Who was Milchizedek?" You will enjoy these discussions. The group meets at the B. Y. P. U. hours, that is at 7:45 in the evening.

Sermon subject for next Sunday morning is The First Need of a Revival. Sunday night the subject is, The Second Need in a Revival. Remember, our revival meeting begins the first Sunday in June. Everyone is cordially invited to attend these services and worship with us.

REPORTER.

Last Sunday was "Mother's Day" at the home of Mrs. P. C. Mitchell, three miles southeast of town. Although the day was one week late in time, it was not lacking from any other point. Three of her children were present, together with a number of others. Nineteen enjoyed a great dinner and additional friends came during the early afternoon. Almost one-third of those present were mothers—thus it was mother's day from the standpoint of numbers.

Colorado People Here.

Mrs. Lillie Erickson and some friends of Hugo, Colorado, were guests in the home of Mr. and Mrs. J. W. Highfill, south of town, from Friday of last week until Wednesday of this week.

Mrs. Erickson is a sister of Mrs. Highfill and took occasion to visit her at this time in order that she might be present at the commencement exercises of the Friona high school Friday evening, her niece, Miss Pearl Highfill, being one of the graduates.

Mr. and Mrs. J. P. Keeling also were guests in the Highfill home over Friday and attended the commencement exercises.

To Attend Wheat Growers.

E. W. Reeve, local director of the Texas Wheat Growers Association, departed Monday afternoon in response to a telephone call to attend a called meeting of the Texas-Oklahoma Wheat Growers Association at Enid, Oklahoma.

The purpose of the meeting was to effect contracts for the handling of wheat produced by members of the Association this season. Mr. Reeve expected to be away until Saturday.

HAWKINS FOR SHERIFF

In another column of this issue of the Star will be found the political announcement of Mr. R. A. Hawkins of Farwell who announces himself as a candidate for the office of sheriff and tax collector of Parmer county.

Mr. Hawkins has been a resident of Parmer county for the past ten or twelve years, during all of which time he has been an exemplary citizen in every respect, and has conscientiously and efficiently filled a number of positions in the service of the people.

Among the positions of public service he has filled has been that of deputy sheriff, in which office he was a fearless enforcer of the laws of the state and nation. He was never known to hesitate or waver in the performance of his official duty and was the means of bringing many law violators to the bar of justice.

He is well and favorably known throughout the county and he is asking the support of the people on the assurance that, if elected, he will render the same faithful and efficient service in all the details of his office that it is within

Two Meetings Next Week.

Mention was made last week of the Tax Association mass meeting to be held in Bovina, Monday night of next week, May 23, to which Friona people are invited.

Another meeting will be held in Muleshoe on Friday, May 27, at 12:30 p. m. This is a meeting in the interest of a north and south state highway through the western tier of counties, and Friona is invited to be represented by a delegation from the local chamber of commerce.

Friona should not fail to be represented at each of these meetings.

Political Announcement.

I hereby announce myself as a candidate for office of Sheriff and Tax Collector of Parmer county, subject to the decision of the Democratic Primary Election on July 23, 1932.

R. A. HAWKINS,
Farwell, Texas.

his power to render, in the event of his election. Alva Hawkins will make the county a good sheriff.

JAS. W. WITHERSPOON ASKS FOR DISTRICT ATTORNEYSHIP

To the Voters of the 69th Judicial District, composed of Dallam, Sherman, Moore, Hartley, Oldham, Deaf Smith and Parmer Counties:—

There are a great many people in this district, especially in the northern end, whom I have never met. The size of the district makes it impossible for me to see and meet all the voters, and will take this opportunity, in making my announcement as a candidate for District Attorney, subject to the action of the Democratic Primary, for this, the 69th Judicial District, of meeting the people of the district.

I have never before been a candidate for an office and know nothing at all about political "wire pulling" or "political maneuvering", and must rest any claim I may have to the support of the voters of this district on whatever ability I have to efficiently fill the office.

I was reared on my father's farm just across the Texas line, near Bellview, New Mexico, about 50 miles west of Hereford, where I learned that hard labor and persistent effort are necessary to the attainment of even a slight degree of success. I attended the public school in the village, the Montezuma Baptist Senior College, and received my B. A. degree from that institution; attended the law school of Texas University two years, the law school of the University of Oklahoma one year, from which I graduated in 1929; was admitted to the Oklahoma and Texas bars, and in that year moved to Hereford, where I married and now reside, and where I have been practicing law since that time. I am 25 years old.

My practice has not extended over a great number of years, but I have a very good practice, civil and criminal, during the time I

have practiced, and refer those who do not know me to the lawyers and judges of this and adjoining districts, with and before whom I have practiced, as to my legal ability, qualifications and professional standing in all mat-

JAS. W. WITHERSPOON

ters I have had with and before them, and as to the kind of man and citizen I am. I refer the voters to the people among whom I was reared and among whom I have lived all my life, in Bellview, Deaf Smith and Parmer counties.

Crime in every county in this district has rapidly increased the past few years. I believe there is no way to suppress crime except to make the criminals afraid to commit the crime by punishing the CRIMINALS, and, if elected, I will use my very best efforts in the enforcement of every criminal law of this state against

EVERYONE who wilfully violates it, regardless of who the violator is.

The increase of crime has necessarily increased the tax burden on the already tax-ridden taxpayer, and the only way this crime wave—it is now ALMOST a crime deluge—can be stopped, society made decent, and the expense of protection of life, property, and civil rights of our law-abiding citizens, reduced, and those rights made secure, is by punishing the CRIMINALS, REGARDLESS OF WHO THEY ARE. The responsibility of doing this rests on the District Attorney and the jury, and if I am elected I will do my very best to see that everyone, whoever he might be, who deliberately commits any crime, is not just convicted, but PUNISHED.

Some defendants in criminal cases are, of course, innocent, all are presumed by law to be, and I shall never attempt to procure the conviction of anyone without satisfactory evidence of guilt—that is persecution—even if I should be convinced that a defendant is guilty, I shall dismiss the case if the State's evidence is not sufficient to support a conviction—to do otherwise would be a useless consumption of the court's time, and wasteful expenditure of the State's and County's money.

While I believe in strict enforcement of all our criminal laws, against all who wilfully violate them, still, I believe all defendants should be accorded every right the law gives them.

It will be impossible for me to see all the voters of this district, but I assure you that I will appreciate your vote or my assistance you see proper to give me and if you elect me, I will do my best to make you a good District Attorney.

JAMES W. WITHERSPOON,
Hereford, Texas.

Dean Gordon Principal Speaker At Exercises

The commencement exercises of the 1931-32 term of the Friona high school were well prepared and most impressive, with Superintendent Heath serving as master of ceremonies.

The first feature of the program was the processional, which was followed by a vocal trio by three of the boys of the class, and the invocation by Rev. Lansdown, pastor of the local Baptist church.

Merle Harry, son of Mrs. Bertha Harry of Friona, was the class salutatorian, and Miss Frances Lacy, daughter of Mr. and Mrs. M. Lacy, of the north part of the district, gave the valedictory. These two young people departed themselves nobly and with honor to their class and their instructors in the splendid addresses given by them at the beginning and close of the ceremonies. They also were awarded the two state scholarships for the best work done during the term.

Other awards were two loving cups given for the best all-around students, one each from the high school and the grades. Lloyd Brewer was awarded the cup for the high school and Miss Ruth Reeve received the cup from the grades.

The address of the evening was delivered by Dean Gordon, of the Texas Technological College, Lubbock, who took as his theme "The Fundamentals of Life", two of which he classed as "the ability to make a living" and "the ability to live with one's fellows". Dean Gordon is a fluent and ready speaker and is well qualified for delivering an address on such an occasion, and he was listened to with the keenest interest throughout his entire address. The audience, which filled the auditorium to capacity, was well pleased with the Dean's talk.

Following the commencement address the presentation of diplomas was made by President D. H. Meade, of the board of trustees. This was followed by a short address by Superintendent George A. Heath, and the audience was dismissed by the benediction.

Not a Wheat Growers Meeting.

According to reports there was a meeting held in Friona last Saturday afternoon, with Judge L. Gough as principal speaker.

According to reports given the Star, the purpose of the meeting was to effect some kind of an organization with the object in view of improving financial conditions of wheat farmers and it appears that many of the farmers got the idea that it was a meeting of the Texas Wheat Growers Association.

We have been reliably informed however that this was not the case and that the Texas Wheat Growers had nothing to do with the meeting. It is understood that Judge Gough is no longer connected with the wheat growers association, although he was at one time its president.

JOHN GISCHLER

John Gischler was born June 13, 1867, at Havistock, Ontario, Canada, and passed to the Great Beyond on Thursday, May 12, 1932.

Mr. Gischler lived in the coun-

try of his birth until 20 years of age, when he went to Harvey, North Dakota, and located. Here he secured his naturalization papers and became an bonifide citizen of the United States, and was married to Miss Hannah Stanson of Harvey. To them five children were born, two sons, Elwin and Reuben, both of Friona, and three daughters, Louella, now Mrs. Carl Maurer of Friona; Viola, now Mrs. George Trelder, of Lazbuddie; and Constance, now Mrs. Grant Musiek, of San Bernardino, California.

In 1898 he filed on a homestead of government land and there he farmed two years, when he was elected and served one term as county tax assessor.

Leaving North Dakota in 1906 on account of ill health in his family, he located at Albuquerque, New Mexico, where Mrs. Gischler died on September 4, 1908, and she was buried at Spring Valley, Minnesota. Mr. Gischler then took his four small children to his people in Canada, where they remained until he returned west and located at Friona, where they joined him in 1909. Here he entered the mercantile business, conducting a general store and buy-

ing and shipping grain until the spring of 1917, when he sold his store and moved his family to Hereford where they lived until the spring of 1919, when they returned to Friona and has ever since lived here.

In 1919 he was united in marriage to Miss Ella Graybill, who survives him. No children were born to this union, but she was ever a faithful and tender mother to the four thus placed under her care.

Mr. Gischler was a man of rare business ability and made a success of every business enterprise which he entered. Upon returning to Friona from Hereford, he re-entered the grain business, in which line of merchandising he continued until failing health induced him to retire therefrom. He was known by grain dealers throughout the Plains country as one of the best grain men known to the country. He bought and shipped the third carload of grain shipped from Friona. He was always liberal in the prices he paid, and seldom sustained a loss in his sales, though, owing to his liberal prices, his margin of profit was usually small.

Coupled with his unusual business ability was a character of unimpeachable integrity, and he was known by all who dealt with him as a man of honor and fair dealings, and none can say that any dollar of his was gained unfairly.

He led the life of a consistent Christian, having united with the Lutheran church early in life, and of which he remained a consistent member. He also joined the local Congregational church after coming to Friona, of which he was a member at the time of his death.

For several years Mr. Gischler had been in poor health, and was stricken with blindness about two years ago, but through sheer nerve he kept going about until some four months ago, when he was forced to take to his bed, and ever since had been suffering intense pain constantly, yet he was cheerful and no word of complaint escaped him, and his mind was clear almost until the last. He realized fully his hopeless condition and longed for death to come to his relief. He was kind hearted and always sympathizing with suffering humanity and was always ready to assist a neighbor in need.

John Gischler was a man which no community can afford to lose on account of his sterling qualities as a man and a citizen. In his family he was a fond and indulgent husband and father; he was an honored and esteemed neighbor, and to his home town and country he was a loyal and helpful citizen, and was most highly respected by those who knew him best.

The funeral services were held at the home in the south part of Friona, and were conducted by Rev. Allmon, pastor of the Lutheran church at Rhea. Following the services at the home, the remains were carried to Friona cemetery, followed by a long train of respecting and sorrowing friends. At the cemetery another short service preceded interment in the cement vault which had been previously prepared at his request.

The Star joins the large number of sorrowing friends in extending true sympathy to the bereaved wife and children.

Our Thanks.

We take this method of expressing to our many friends and neighbors our deep and sincere appreciation and gratitude for all their words and deeds of love and service rendered us during the long illness and at the departure of our husband and father.

We especially thank those of our neighbors who frequently and at intervals visited our home and assisted the sufferer, by their presence and conversation, to pass away some of the many painful and wearisome hours. We also deeply appreciate the many beautiful floral offerings, which came as an evidence of your respect for the departed and sympathy for the living.

We would also give special mention to Rev. Allmon, of Rhea, for the beautiful and impressive manner in which he led the funeral services, and for other favors shown the departed during his long illness; nor would we forget those who assisted with the singing.

We regret that we were unable to personally meet and greet each one present that we might have personally expressed to you our thanks for your respect and sympathy, as was manifest by your presence at the burial services, but we do thank you.

- Mrs. Ella Gischler,
- Mr. and Mrs. Elwin Gischler,
- Mr. and Mrs. Carl Maurer,
- Mr. and Mrs. Geo. Trelder,
- Mr. and Mrs. Reuben Gischler,
- Mr. and Mrs. Grant Musiek.

Mr. and Mrs. Loyal Lust of Lazbuddie spent Wednesday in the home of her sister, Mrs. A. C. Echols.

Quarterly Conference Sunday.

Next Sunday night Dr. L. N. Lipscomb, presiding elder of the Amarillo district, is to fill the pulpit at the Methodist church, following which service he will conduct the business session of the third quarterly conference for the current year. Last Sunday closed the first half of the year which, considered from every standpoint, has been very good. Although the finances are somewhat behind, yet something has been paid on almost every claim of the church.

The last half of the year now beginning is the time set for the revival and general ingathering. Although there has been a net gain in membership during the first half year, the latter half is the period when the greater part of net gain is to be expected. The church is hopeful of being able to secure the services of Dr. Lipscomb for the revival period. The public is invited to hear him at this time.

Miss Lora Mae McFarland who is teaching school in Amherst spent part of this week with relatives here. She was called home on account of the death of her nephew, Jack Dean Osborn.

Will Be Here Next Term.

So far as the Star has been able to ascertain, at least three of the male teachers of the past term will again be with the Friona school next term.

These are Prof. Heath, superintendent; Mr. Stevens, coach, and Prof. Eubanks have expressed intentions of returning to Friona. Prof. Stevens will continue to make his home here during the summer.

Miss Marie Gardner, who has charge of the home economics department, has also signified her intentions of returning to Friona next term, all of which information is welcome news to the patrons of the school.

Owen Drake, who has spent the past week with his sister, Mrs. Virgil Howard, of Monroe, returned home Tuesday.

HOB-KNOBBING WITH "CAL"

Ray Coolidge Tatum

David W. Ray, candidate for Judge of Parmer county, while doing graduate work in Yale University, thought it worth while to do some observation work in the Capital, visiting Congress and the Supreme Court; also calling on some of the dignitaries of the East.

The above snapshot was made while visiting the Coolidges. Ray and Tatum were two of the Yale delegates to the International Conference on Prevention of War. The former, on being asked what was accomplished at the conference, replied: "Talk—during the discussion on the causes of war, the German delegates said, 'The Germany that lives today is not responsible for the wars of its fathers.' The French delegates said, 'You are'. There arose a fracas akin to war itself. This helped me finish my report on the conference. War will die out late, if ever, closing with lines from Locksley Hall: "Warless when he tens are thousands.

And her thousands millions then—All her harvest all too narrow, Who can fancy warless men."

J. H. Key and children, Marvin and Mary Ellen, and Mr. and Mrs. Hamm drove to Amarillo Sunday morning, Mr. Key and children returning that afternoon, Mr. and Mrs. Hamm going from Amarillo to Kansas where they will spend the summer.

Union Laymen Meeting.

The Union Laymen meeting, scheduled for the Congregational church Sunday evening, did not materialize on account of the rain which came at about the hour when people would have been assembling for the program.

As was announced last week, the program would have been in the hands of Rev. Allmon and his congregation of the Rhea community. Rev. Allmon would have preached the sermon, using the ceremonials of the Lutheran church of which he is a minister.

It is hoped another opportunity will be afforded the Friona people of hearing Rev. Allmon preach.

Junior Women's Club Report.

The Junior Women's Club met Tuesday evening, May 17, at the home of Mrs. R. H. Kinsley. After a short business session the following program was given.

INTERNATIONAL HARVESTER OFFERS
**Price Guaranty
on Wheat, Corn, and
Cotton**

Many farmers who need new machines for the economical production of their wheat, corn, and cotton have been reluctant to buy them because of uncertainty as to the prices they will receive later in the year for these farm products.

In order to meet this situation the Harvester Company offers farmers purchasing machines after this date, a definite price guaranty on varying quantities of their wheat, corn, and cotton. If market price quotations for these products do not reach the guaranteed prices at the time payment becomes due on notes given and maturing this year, farmers buying machines included in this special offer will receive a credit equal to the difference.

Many of our customers we know will welcome this announcement. Come in and let us explain the details of the Harvester Company's unique guaranty. Let us show you the machines on which it applies and tell you just how to take advantage of it in equipping your farm at once with the new cost-reducing machines that you need.

THIS SPECIAL OFFER INCLUDES Tractors, Combines or anything with a tractor hitch or power-driven attachment.
