ARSON IS LATEST SUFFRAGE MOVE

\$100,000 WORTH OF PROPERTY BURNED NEAR LONDON TODAY

REGENT TAUNT ANSWERED

Women Reply to Charge That They "Are Lacking in Real Revolutionary Spirit."

By Associated Press. London, March 20.—The arson squads of militant suffragettes destroyed \$100,000 worth of property early today. One squad burned the country residence of Lady Amy White at Englefield Green. The other squad set fire to the building of a fashionable golf club in Somersetshire.

Lady White is the widow of Field Marshal Sir George White, the hero of Ladysmith in the Transvaal war. The flames were not discovered in her mansion until too late to save it. Signs of oil and other inflammables were found about the house and in the grounds were papers reading:

"Stop torturing our comrades in prison; votes for women; by kind permission of Charles Hobhouse."

This last was a reference to the recent taunt of Mr. Hobhouse, that "women lack the real revolutionary spirit of men who burned and sacked in support of their cause."

Two women on bicycles were seen near the house before the fire. The house was unoccupied.

PERRY BALLARD MAKES PLEA FOR IMMUNITY.

Oklahoma City, Okla., March 20.—That under article 2, section 27, of the constitution he is entitled to immunity from the charges preferred against him by the Oklahoma county grand jury because he appeared as a witness before the investigating committee of the house of representatives; is the plea of Perry A. Ballard, state insurance commissioner. He withdraws his plea of not guilty entered when arraigned and depends altogether on the plea of immunity for his defense to the charges.

Ballard was indicted on the charge of accepting a bribe of \$200 from J. T. Wood, organizer and president of the Home Life Insurance Company to issue the company a permit to do business in the state.

RANGER CAPTAIN SAYS BORDER IS NOW QUIET.

Austin, Texas, March 20.—J. J. Sanders, Ranger captain stationed at Del Rio, was here to confer with the governor and Adjutant General Hutchings. No orders to proceed to Laredo have been given Captain Sanders. He stated the situation was quiet in the Del Rio country and that he did not anticipate any further trouble.

Captain Sanders said the citizens of Edwards county were greatly aroused over the killing of a Mexican girl at Rock Springs by a Mexican she had refused to marry. Several possessors are in pursuit of the murderer, but have failed to find him.

LINAOLA GOVERNOR IS LOYAL TO HUERTA.

Cullacan, Sinaloa, Mexico, March 20.—Official denial that Sinaloa state has revolted against the new national administration was given here today in a signed announcement by Governor Rivas. He also issued a proclamation urging all citizens to remain loyal to the Huerta government, unheeding the governor said, suicidal advice by political agitators.

EDITOR H. H. KOHLSAAT ILL IN NEW YORK CITY.

New York, March 20.—H. H. Kohlsaatt, publisher of the Chicago Inter Ocean, is ill at the Holland house here of a hemorrhage of the brain.

Mr. Kohlsaatt was stricken last Saturday, shortly after his wife sailed for Europe. His condition, it is said, is not serious, but will necessitate his remaining in his room ten days or two weeks.

FEDERALS AND REBELS ENTRENCH AT GUAYMAS.

Douglas, Ariz., March 20.—Federals and rebels are entrenched at Empalme, opposite Guaymas, while state troops are mobilizing in strong forces at Ortiz, a few miles to the north on the Sonora railway, report refugees arriving here today.

The United States cruiser Colorado remains in Guaymas harbor, its commander having forbidden any bombardment of Empalme, where there is a large American colony. State troops at Ortiz have no artillery suited for bombardment.

All is reported quiet at Hermosillo.

ELEVEN ARE KILLED IN BATTLE NEAR LAMPAZOS

Rebels Attack Federal Garrison Defending Town and Retire After Sharp Fighting

By Associated Press. Laredo, Texas, March 20.—In a battle at Lampazos Tuesday morning eleven were killed and many wounded. About 150 rebels attacked the 100 federals defending the town; after the battle the rebels retired and the federals did not pursue them.

MEXICAN IS KILLED BY RANCHMAN AT MERCEDES.

By Associated Press. Mercedes, Texas, March 20.—L. E. West, a well known ranchman, shot and killed Antonio Morena, a Mexican last evening at the Mexican's home near Llano Grande. West was attempting to find a 14 year old girl who worked for him and whom he believed Morena kidnaped. He did not find the girl. West pleads self-defense.

REAR ADMIRALS WIDOW ARRESTED

NAVAL OFFICER'S DEATH DECLARED TO BE DUE TO ARSENIC

Mrs. Eaton Pleads Not Guilty—Husband's Death Very Sudden and Investigation Follows

By Associated Press. Hingham, Mass., March 20.—Mrs. Eaton, widow of Rear Admiral Joseph G. Eaton, was arrested here today charged with the murder of her husband.

District Attorney Barker announced following his investigation that Rear Admiral Eaton died of arsenic poisoning. Mrs. Eaton pleaded not guilty and was sent to jail without bail. Admiral Eaton died suddenly on the morning of March 8. He was 66 years old, but his friends said he had been in good health.

Two days later at his burial there was no service at the grave and except undertakers and newspaper men, only the widow and a daughter by another marriage, witnessed the interment.

BURKBURNETT GETS AID IN FIGHTING SMALLPOX

County Commissioners Hold Special Session to Deal With Situation There

The county commissioners at a special meeting this afternoon voted to extend aid to the town of Burkburnett in its effort to stamp out the smallpox contagion there.

Mayor Ben Shewler and other citizens appeared before the commissioners to state conditions there. They said the town had no funds to take care of indigents under quarantine the aid of the county was needed if the spread of the contagion was to be checked. Some of the Burkburnett delegation wanted a rigid quarantine but were dissuaded from this view by members of the court who argued that at this stage of the contagion and while such a quarantine was not practiced in Wichita Falls and other communities of the county it would be a hardship on the people of Burkburnett that would probably not have the result desired.

Finally it was agreed to practice a limited quarantine and to vigorously prosecute any violations of the limited restrictions imposed.

NEGRO IS JAILED ON HIGHWAY ROBBERY CHARGE.

Henry Henderson, a negro who was cut across the side about ten days ago, by a Fort Worth & Denver harkman whom it is alleged he was attempting to hold up, was placed in the county jail yesterday on a charge of highway robbery.

The negro was seriously cut but had recovered sufficiently to be able to get about and the sheriff's department placed him in jail to be certain they would have him when he was wanted.

HOUSTON CARLINE BUILDER DIES AT AGE OF 91.

By Associated Press. Houston, Texas, March 20.—Jonathan Harris, aged 91, who built the first street car line in Houston and was prominent throughout the State for many years died here today.

SECOND LARGEST CROP EVER GROWN

1912 COTTON FIGURES MADE PUBLIC AT WASHINGTON THIS MORNING

TEXAS TOTAL IS 5,120,252

Country's Crop Nearly Two Million Behind 1911, But This State Broke Previous Records

By Associated Press. Washington, March 20.—The second largest cotton crop ever grown, amounting to 14,295,500 equivalent 500 pound bales, including linters, was produced by the farmers of the United States during 1912. The Census Bureau announced today in its preliminary report of the total production of cotton as returned by ginners and delinters.

The number of running bales, counting round as half bales and including linters, was 14,076,439. The crop compares with 16,250,276 equivalent 500 pound bales in 1911, 12,905,688 in 1910, 13,587,306 in 1909, 13,595,498 in 1908 and 13,679,954 in 1907. Comparisons of running bales are 16,109,349 in 1911, 11,965,962 in 1910, 13,432,131 in 1909, 13,305,265 in 1908 and 13,678,310 in 1907.

The Department of Agriculture's bureau of statistics on December 12 estimated the total production of the 1912 crop, not including linters, at 13,820,000 bales of 500 pounds each.

Round Bales and Linters.—Round bales included in the production figures are 81,523 for 1912, 101,554 for 1911, 112,887 for 1910, 242,305 for 1909; 268,219 for 1908 and 296,151 for 1907.

Sea Island cotton produced during 1912 amounted to 73,641 bales, compared with 119,293 bales in 1911, 90,368 in 1910, 125,339 in 1909, 104,317 in 1908, and 104,937 in 1907.

Linter bales included in the total amounted to 605,704 compared with 556,276 for 1911, 297,628 for 1910, 213,478 for 1909 and 346,126 for 1908.

The average gross weight of the bales for the crop, counting round as half bales and including linters, was 507.8 pounds for 1912, compared with 504.4 pounds for 1911, 501.7 pounds for 1910, 496.6 pounds for 1909 and 505.8 pounds for 1908.

Gineries operated for the 1912 crop numbered 25,267 compared with 26,349 for 1911.

Production of States in equivalent 500 pound bales, including linters with comparisons for other years and the Department of Agriculture's December estimate, when linters not included, follows:

Alabama—Total production 1,280,756 bales, compared with 1,757,207 bales in 1911, 1,225,285 bales in 1910, 1,049,776 bales in 1909 and 1,374,140 bales in 1908. Department of Agriculture estimated 1,320,000 bales exclusive of linters.

Arkansas—Total production 825,169 bales, compared with 872,296 bales in 1911, 847,874 bales in 1910, 734,084 bales in 1909 and 1,058,089 bales in 1908. Department of Agriculture estimated 854,000 bales exclusive of linters.

Florida—Total production 53,874 bales, compared with 85,081 bales in 1911, 60,049 bales in 1910, 54,947 in 1909 and 65,221 in 1908. Department of Agriculture estimated 68,000 bales exclusive of linters.

Georgia—Total production 1,849,303 bales, compared with 2,245,799 in 1911, 1,820,610 in 1910, 1,853,276 in 1909 and 1,980,077 bales in 1908. Department of Agriculture estimated 1,701,000 bales, exclusive of linters.

Louisiana—Total production 393,314 bales, compared with 403,482 in 1911, 255,733 in 1910, 264,676 in 1909, 486,350 bales in 1908 and 594,666 in 1907. Department of Agriculture estimated 435,000 bales, exclusive of linters.

Mississippi—Total production 1,092,552 bales, compared with 1,252,328 bales in 1911, 1,306,668 bales in 1910, 1,129,676 bales in 1909, and 1,204,972 bales in 1908. Department of Agriculture estimated 1,109,000, inclusive of linters.

Missouri—Total production 58,319 bales, compared with 101,189 bales in 1911, 62,159 bales in 1910, 47,970 in 1909 and 64,532 bales in 1908. Department of Agriculture estimated 59,000 bales, exclusive of linters.

North Carolina—Total production 891,880 bales, compared with 1,104,781 bales in 1911, 726,850 bales in 1910, 615,562 bales in 1909 and 663,167 bales in 1908. Department of Agriculture estimated 878,000 bales, exclusive of linters.

Oklahoma—Total production 1,074,149 bales, compared with 1,062,096 in 1911, 958,955 bales in 1910, 566,069 in 1909 and 706,815 bales in 1908. Department of Agriculture estimated 1,039,000 bales, exclusive of linters.

South Carolina—Total production 1,215,973 bales, compared with 1,684,096 bales in 1911, 1,191,929 bales in 1910, 1,126,049 bales in 1909 and

The Census Bureau announced that the statistics of this report for 1912 are subject to slight corrections in the full report to be published about May 1.

Spring Due To Begin Today, But Not Much In Evidence Here

We know it is spring because the almanac says so, March 20 and 21 being fixed as the dates when winter is officially over and you are safer in soaking your overcoat. However, something must have slipped somewhere, for spring has played truant getting here. This morning at seven and some odd o'clock the thermometer was down to 34, a slant of some forty degrees since yesterday afternoon. There was a decided north wind and rain fell about noon, the temperature having risen slightly by that time.

Tomorrow is the date of the vernal equinox, when the real, honest-to-goodness spring is supposed to start; the days and nights are of equal length on this particular date, and from now on the nights get shorter and the days longer until finally when you go home at night you are apt to meet yourself coming down to breakfast.

The weather man holds out no promise of anything better for tomorrow, predicting cold and rain.

NEW KING OF GREECE TO BE SWORN IN FRIDAY

Royal Family Receives Message of Condolence From President Wilson and Others

By Associated Press. Athens, Greece, March 20.—Constantine arrived here today from Janina, where he has been in personal charge of the Greek troops, and will take the oath of office as King on Friday. The taking of the oath of fealty by the Chamber of Deputies, and the resignation of the cabinet, are formalities set for today.

From the fortress of Janina, which was recently captured from the Turks, King Constantine addressed his first message to the Greek army. It was as follows:

"The impious outrage on the sacred person of King George deprives us of our leader at a moment very critical for the Hellenic Nation. I am called by Providence to succeed my throne which he has forgotten father on the throne over which he so long shed lustre and honor.

"I bring this news to the knowledge of my army, to which I have devoted my whole life, and to which unsuccessful and successful wars have indissolubly bound me. I declare to it that, marching always at its head, I will never cease to concentrate my solicitude on my land and sea forces, whose glorious exploits have brought renown to our fatherland."

Wilson Sends Message. Messages of condolence and sympathy for the royal family, the Greek Government and the Greek Nation, poured into the Capital all day. The first message from the head of a Nation received by Queen Olga came from President Wilson.

All Greece mourns the death of a sovereign who had done so much, particularly during the past year, to advance the prestige of the Nation. Emblems of sorrow are displayed on all sides and manifestations of grief are even more marked among the poor and lowly than among those of the higher classes.

Premier Venizelos, after eulogizing King George today for his great services during his long reign, asked the Chamber of Deputies to acclaim Constantine King, to which the Deputies responded with cheers.

New County Organizing. Kingsville, Texas, March 20.—The commissioners appointed by the governor to establish the boundary lines of this, the new county of Kleberg, have met and employed the services of a surveyor and work will begin at once in laying out the new county. An election will be held soon when a complete list of county officers will be elected. Candidates are now numerous and situation is ripe from three to four candidates have announced for each office.

RESIGNATION DUE TO CHINA POLICY

HUNTINGTON WILSON, ASSISTANT SECRETARY OF STATE, QUILTS

SAYS CHANGE IS RADICAL

American Non-Participation in Chinese Loan Given as Principal Reason for Action

By Associated Press. Washington, March 20.—Huntington Wilson, Assistant Secretary of State has resigned and insisted upon immediate acceptance of the resignation because of his radical difference of opinion with the administration regarding its Chinese policy. President Wilson immediately accepted the resignation.

Secretary Wilson's letter to the President said that when he consented to continue for a time with the administration he did not understand there were to be any radical changes of policy for which he would be called upon to act as spokesman.

Dislikes President's Statement. Wilson objected to the president's statement given the press, might be regarded as a repudiation of the United States' past eastern policy, especially concerning American participation in the Chinese loan. The secretary said that the United States bankers to fail to participate in this loan would endanger China's integrity and give other nations undue influence in Chinese affairs. Wilson said in one portion of his letter:

"I had no reason to suppose that the fate of negotiations which had so long had the studious attention of the foreign offices of six great powers, would be abruptly determined with quite unnecessary haste and in so unskillful a manner."

ALREADY FEELS BENEFIT

Experts to Return in June, Fully Cured—Method Consists of serum Injections

By Associated Press. Louisville, Ky., March 20.—Dr. C. E. Fry of this city has received a letter from C. H. Stutz, also of Louisville, who is in Berlin taking the Friedmann tuberculosis cure. Mr. Stutz says he expects to return to America in June, fully cured. He says the beneficial effects of the treatment already are manifest and that he is rapidly gaining strength and weight. He said:

"We got to Berlin January 29, and Dr. Friedmann went over me thoroughly. He had an X-Ray photograph taken of my lungs and said he could cure me, but I must take four serum injections, one every month. I got the first serum February 4. He used a small syringe and injected it into my hip. It was not at all painful. I have gained from 110 pounds, my weight on arrival, to 122 pounds; I eat five times a day. I sleep and my cough is not half what it was when I left Louisville.

"There are fully 500 people from all parts of America who came to Berlin to get their treatment. He charges \$25 for each injection. He went to New York, but has left a good man in his office so we are not worrying."

GERMAN BANKERS FEAR CHINA LOAN IS OFF

Berlin, March 20.—The indicated retirement of the American bankers from participation in the Chinese loan created consternation today among leaders of the interest group of German bankers. Fear is expressed that the whole operation will fail.

It is asserted, however, that the Germans will continue negotiation in spite of the action of the Americans, whom they regarded to a certain extent as their natural allies in the project, since territorial questions, it was pointed out, did not play the same role with the Americans as with the other powers.

The German bankers are inclined to feel hurt because they received no intimation in advance that the Americans contemplated withdrawal.

MEDICINE HAT EXPLOSION RESULTS IN FIVE DEATHS

By Associated Press. Medicine Hat, Alberta, March 20.—Five persons were killed and ten badly injured in a gas explosion during the burning of a three-story cold storage and packing plant here last night. The property loss was \$109,000.

FAMOUS POLICE CHIEF QUILTS 20 YEAR JOB.

Paris, March 20.—Louis Lepine, head of the Paris police for twenty years, resigned office today. He has been called the "most famous chief of police in the world" and has figured in hundreds of celebrated cases.

MONEY AND JEWELS FOUND ON QUARTETTE AT DALLAS.

By Associated Press. Dallas, Texas, March 20.—\$2600 in bills and some jewels were found in a money belt worn by Mrs. Harry Robinson arrested here today on suspicion. Her husband and two other men, also were arrested on suspicion in connection with investigations of a \$12,000 bank robbery at Bastrop, Louisiana. The four have been being in a Dallas boarding house.

SESSION TO END APRIL 1; DIRECT LEGISLATION FAILS

POPE ATTENDS MASS OUTSIDE BEDROOM.

ROME, March 20.—Pope Pius Wednesday for the first time since his indisposition, was present at a celebration of mass outside of his bedroom. His sisters and niece also attended the ceremony.

Among the numerous messages received by the pope in connection with his name today were many from the United States, including telegrams from Cardinals Gibbons, Farley and O'Connell.

The health of the pope is still improving, but as a precautionary measure, he will not be present at the Lenten session to be delivered in consistorial hall before the sacred college.

Pope Pius is greatly distressed at the condition of Cardinal Respighi who is sinking fast.

Senate Adopts House Resolution Ending Regular Session April 1—Investigation Again

By Associated Press. Austin, Texas, March 20.—By a vote of 23 to 14, the Senate today adopted the House resolution for sine die adjournment of the regular session on April 1.

Senator Warren called up the adjournment resolution and moved its consideration. The Senate by a vote of 19 to nine, voted down a motion by Hiredford to table the adjournment resolution.

Those who voted against adjournment were: Brelsford, Collins, Johnson, Lattimore, Morrow, Nugent, Terrell, Townsend, Vaughan and Wilson.

The resolution submitting the referendum and initiative constitutional amendment to the constitution failed to get two-thirds of the House vote, which is 95, and therefore was defeated this morning. The vote was 84 ayes and 36 noes.

Rogers of Waco anticipated this result and moved that the vote be reconsidered, his idea being that he will later make an effort to revive the resolution.

House Proceedings. The Senate had previously agreed to submission of this resolution.

Following in this morning's house debate favored submission of these amendments. Hill and Rogers offered a substitute that twenty per cent of the voters must sign a petition for the enactment or approval or rejection of legislation. His substitute was adopted before the whole thing was killed.

The House adopted Buchanan's resolution calling on the Texas delegation to try to get bigger appropriations for geological surveys in Texas. It adopted the Davis resolution amending the rule limiting debate to ten minutes with permission to be obtained for a 10-minute extension of this time.

Redistricting Matters. A free conference again was asked on the marital rights bill.

The differences between the House and Senate conference committees on the congressional redistricting bill are irreconcilable, and the House committee will report that fact and ask for further instructions today.

It was found impossible to agree on the disposition of four counties, Tom Green, Coke, Runnels and Concho, lying on the line between the present Calloway and Smith districts. Certain House members insist these counties should go into Smith's district. The Senate committee insists they should go in to Calloway's district.

Report on Attorney General. The Senate refused to concur in the House amendments to Connor's bill permitting cities to sell park property for railroad uses and a free conference committee was appointed.

The Senate then began a long discussion of the committee report on the Attorney General's department investigation which was proposed early in the session. McGregor precipitated this by calling up the committee report. The Senate after long argument postponed any action on the report until Friday at 3 o'clock.

Gov. Colquhoun today approved the mutual fire, storm, hail and lightning insurance bill.

MINISTER IS GIVEN FIFTY YEAR SENTENCE.

By Associated Press. Gores, Texas, March 20.—A jury at Beggs, Texas on Wednesday gave Rev. J. E. Hewett fifty years in the penitentiary for pandering.

SQUANDERS MONEY OF BANK; ARRESTED. New York, March 20.—William B. Fretry, a young Canadian bank clerk, who startled the capitalists of Europe by the lavish expenditure of money, was sentenced to Sing Sing today for four years. He pleaded guilty to forgeries by which he defrauded the New York branch of the Royal bank of Canada out of many thousands of dollars. With the aid of a young woman whom he met in New York he spent all the money in Europe in about a month and returned to New York where he was arrested.

ARCHITECTS FOR SCHOOLS NAMED

BOARD APPOINTS PATE AND VON DER LIPPE AND GLENN BROTHERS

TENTATIVE PLANS MADE

Building on Austin Site Will Have Twelve Rooms and Be Practically Fire Proof

At the meeting of the board of the Wichita Falls Independent School District Wednesday afternoon Pate and Von der Lippe were employed as architects for the proposed new school building on the Thirteenth street grounds and Glenn Bros. were employed for the new building in the factory addition.

A building committee comprised of Superintendent Carpenter and Messrs. Bullock and Brown was appointed to confer with the architects in making of the plans. This committee was given authority to adopt plans and to take the preliminary steps toward securing bids.

Definite plans for the buildings have not yet been adopted, although the committee has decided in a general way concerning the buildings.

The building on the Thirteenth street grounds is to contain twelve rooms according to the plans now in view and is to have two stories and a basement. It is to be built of brick and concrete and is to be practically fire proof.

It will be located just west of the present building and is to be maintained as a separate unit.

The factory addition building is to be four room brick with walls heavy enough to carry an additional story when more room shall be necessary.

It is expected to have both buildings ready for occupancy by the opening of the new school year next September.

Wichitan Has Device Which Ought to Solve All of Oil Men's Troubles

Oil men's troubles are over now. No longer need they spend \$15,000 or \$20,000 drilling a well to get oil that ain't there; no longer need they pay \$40 bonus and get nothing but salt water. They can find out exactly where the oil is and have pipe line connections all ready when they drill in.

J. A. Whittaker, late of Clarendon, Texas, but now of this city, has the solution of the problem. He can locate oil underground and tell exactly where to drill for it; he says so himself.

Mr. Whittaker's invention appears to be a small bottle in which are contained forty-six different minerals. The behavior of this mixture enables him to tell where the oil is; not only oil, but gold, copper, lead and other mineral wealth may be definitely located by it, he declared.

Mr. Whittaker appears at the Chamber of Commerce offices yesterday and wanted to locate some oil for that institution in case it was planning to go into the oil business.

Peace With Dishonor.

O Ranger, spread the tidings that the Yankee breed has failed.

That a man of straw is trembling while the Yankee flag is assailed. Let the word of shame be uttered, let the pined eagle know That we cannot bear our honor when it loudly bids us go!

O Ranger, splashing madly through the muddy Texas ford, Why ride ye thus to call upon a broken, rusty sword? The times have changed, O Ranger, and a world looks on in awe.

While the Yankee banner lowered by a trembling man of straw.

Oh, gone are Barrett, Travis and the men who made the stand At Alamo's poor fortress for the honor of their land; They may not rise to aid us and our flag in shame is furled, So we gain Peace with Dishonor and the sneers of all the world.

So, Ranger, cease thy riding, for the aid you seek is not In the place where blood's congealing in the veins that were hot. The pined eagle flutters, but the earth he may not leave; As he broods upon Dishonor, as he droops his head to grieve! —Arthur Somers Roche in New York American.

YOUNG LADIES SEWING CLUB WITH MISS AGNES REID.

Miss Agnes Reid was hostess Tuesday afternoon to the meeting of the sewing club of young ladies, which as yet has not adopted a name. Needle-work, as usual, occupied the members, while social features of various kinds made the occasion a most pleasant one for all concerned. Those present were Misses Jewel Kemp, Carrie Kell, Mabel Simpson, Esther Gorgjine, Kathryn Wilson, Eddie Carver, Lillian Avis, Kathryn Hindman, Mrs. Fenton.

Mrs. Eugene Sherrod will entertain the Five Hundred Club at its session this afternoon.

MAKES HAIR GROW

Parisian Sage An Invigorator That Makes Hair Grow Abundantly or Money Back

If your hair is thinning out gradually it won't be long before the bald spot appears.

The time to take care of the hair is when you have hair to take care of.

For thin falling hair the best remedy known to mankind is Parisian Sage. It is compounded on scientific principles and furnishes to the hair root a nourishment that acts quickly and promptly and causes the hair to grow.

But remember this: It kills the dandruff germ, the pest that appropriates all the natural nourishment that should go to the hair root.

Parisian Sage is sold by Fooshee & Lynch under a positive guarantee to banish dandruff, stop falling hair and itching scalp in two weeks or money back.

It gives to women's hair a lustre and radiance that is most fascinating and causes it to grow abundantly.

Parisian Sage is sold by druggists in every town in America. A large, generous bottle costs 50 cents and the girl with Auburn hair is on every bottle.

Very Choice Dried Fruits

432 and 232 PONES

In March and April the ordinary stock of home canned fruits begin to show up, then is when something else must be used as a substitute so as to keep the choice home canned fruits for special occasions.

Fortunately this year's dried fruits are of especially good quality.

PRUNES are very meaty and tender and better than usual in flavor. Large ones are 15c per lb.

PEACHES are a big bargain this season as compared to some previous years. Fair bought ones only 15c per lb.

APRICOTS, large ones, very tender and of rich tart flavor, 20c.

APPLES, large ones, very tender and of rich tart flavor, 15c.

These fruits will make fine substitutes for home canned fruits. Use them as cake, in pies and puddings, etc.

Commenting on what the Times had to say regarding the introduction of a bill in the legislature prohibiting newspaper contests, the Denton Record and Chronicle has this to say:

"From a purely personal standpoint we are 'agrip' contests, but our opposition is not along ethical or moral lines. We believe the game is not worth the candle. But the proposed law, we believe, goes quite a long way in the way of providing punishment. At the very worst, the contests merely hold out the hope of an unduly large reward to the successful contestant while making no provision for remunerating the others who may have worked equally as hard but less successfully. And to prescribe a penitentiary sentence for that is making the punishment quite disproportionate to an act which, if an offense at all, is merely getting work done by appealing to the ever-present desire of 'something-for-nothing.' It is more than possible that there have been 'crooked' contests, put on by crooked promoters. Instances of such, indeed, are no doubt responsible for the present bill. We are inclined to believe that there should be restrictions by the law for the conserving and protection of the public's interest and to insure absolute fairness. But we are not prepared to say that honest members of an honest profession, which has done its full part toward the building up of this great state should be classed as felons—and the bill has a retroactive inference to that effect—simply because, without thought of impropriety, they have sought to build up their subscription lists and collect delinquent subscriptions by the contest method, which with all its faults gets results, albeit at a cost of money and dissatisfaction out of proportion to its benefits from any standpoint. No more contests in ours, thank you; but we are still willing that the other fellow may do as his own conscience and conditions dictate."

To tell the plain truth, the Times editor had not read the bill through, and did not know that the penalty provided for violation of the law was a sentence in the penitentiary. However, it has knowledge of newspaper contests that have been pulled off right here in Wichita Falls that were so rotten they absolutely stunk, and a penitentiary sentence for the promoters, and even for some of the participants would have been none too severe. The legislators who drew and introduced that bill with a penitentiary sentence attached probably knew of some of the same kind and wanted to fix it so it could not be repeated except the promoter take his chances on wearing stripes. There are crooks in the newspaper business

as well as in other lines, and the Times is not going to be in opposition to any law, it matters not how severe the penalty that may be provided, that will tend to weed them out or decrease their number.

FREIGHT CHARGES AND COST OF LIVING

President H. U. Mudge, of the Rock Island railroad, has given out the following to the press, which, if correct, will show clearly that the railroads are not wholly to blame for the high cost of living:

"Railroads welcome an investigation of the high cost of living. We know that however high may be the prices of retail products, any charge that we participate in the spoils cannot be laid at our doors, because freight rates are lower than ever before. Indeed, we are as much interested as the producer and consumer in finding who must shoulder the blame.

Recently Mr. J. E. Gorman, vice president of our lines, walked into a store and paid 40 cents for a pound of California cherries. He was astounded at the price and asked the store-keeper why it was that he had to pay so much for the cherries when the same fruit sold in California at five cents a pound? The answer was on account of high freight rates. Mr. Gorman then called the store-keeper's attention to the fact that the freight rate on cherries from California here was only one and one-quarter cents per pound. He then wanted to know who got the difference? The question still remains unanswered; yet it is a question we would like to have answered, because exorbitant retail prices tend to restrict consumption and low prices to producers prevent the development of farming industries. In either case the railroads lose the haul.

I am heartily in sympathy with the call that the Associated Farm Papers have made for the First National Conference on Marketing and Farm Credits to meet in Chicago in April. I believe that this Conference will do an immense good. None realizing more keenly than we railroad officials, who come in contact with it every day of our lives, the need of farmers getting better business methods into the selling of their products.

We need a medium of getting sellers and consumers nearer together. Many kinds of products fail to reach the market because the producers lack the necessary information about markets. Our lines have for some time been carrying on a campaign of education to this end. But our efforts and the efforts of other railroad systems have necessarily been haphazard and can never attain the effective standard that will be reached by the campaign which will result from this Conference. As an instance of this, our Agricultural Commissioner, Professor H. M. Cottrell, while working in Arkansas and Louisiana, found that many of the soils of those States are ideal for the production of Sweet Potatoes; but he also discovered that the farmers' prices for these sweet potatoes were too low—so low in fact, as to prohibit any extensive acreage. He also knew that Colorado offered strong demands for these sweet potatoes.

Through his personal endeavors, he put the potato growers and the Colorado buyers in touch with each other. It is clear to me, therefore, that

some institution, such as a Bureau of Markets in the United States Department of Agriculture such as the promoters of this Conference indicate is needed, should be an efficient power in bringing producers and consumers together and in the forwarding of Farmers Co-Operative Marketing Organizations.

WANTS FEDERAL LAW TO PROTECT BIRDS

George P. McLean. George P. McLean, U. S. senator from Connecticut, is behind a bill in congress which extends federal protection to migratory and insectivorous birds. The estimated annual loss by blights and beetles alone in this country is \$1,200,000,000. The senator believes that the birds which his bill aims to protect are greatly needed in the war of extermination that the agricultural department has opened against insect pests.

IF YOU ARE A DRINKING MAN

You had better stop at once or you'll lose your job. Every line of business is closing its doors to "Drinking" men. It may be your turn next. By the aid of ORRINE thousands of men have been restored to lives of sobriety and industry.

We are so sure that ORRINE will benefit you that we say to you that if after a trial you fail to get any benefit from its use, your money will be refunded.

When you stop "Drinking" think of the money you'll save; besides, sober men are worth more to their employers and get higher wages.

Costs only \$1.00 a box. We have an interesting booklet about ORRINE that you are giving away free on request. Call at our store and talk it over.

LOWA-PARK ITEMS

On last Friday evening Rev. J. B. Boen of Seymour, delivered a lecture on "The Mammoth Cave," representing the progress of man from the cradle to his death, which held the closest attention of his audience. Rev. Boen is a lecturer of ability and it is seldom that the people of the Park have the privilege of listening to such an able speaker.

The county speaking contest will take place next Saturday evening at the Methodist church.

Drilling has begun on the Lochridge farm near the Ferguson well. Some oil has been found in the well on the Munden farm which is about one hundred feet deep.

Work is progressing nicely at the Staples well which is something over twelve hundred feet deep, and the indication for oil is still good.

Fenton and Miss Fay Dale went to Fort Worth Friday to visit their sister, Miss Helen, who is a student at T. C. U.

Mr. and Mrs. Ralph Hines and children were the guest Sunday of Mr. Hines sister, Mrs. Phillips.

Miss Gera Davis is visiting in Wichita Falls.

STANDARD SLEEPER WILL BE OPERATED ON DENVER

Present Tourist Accommodations Between Here and Fort Worth to Be Replaced

A standard sleeper will replace the tourist car which the Fort Worth & Denver has been running between Wichita Falls and Fort Worth, just as soon as the necessary arrangements can be made, according to Trainmaster Murphy of the Denver.

For some time it has been felt that a standard sleeper would be more satisfactory to the patrons of the night train than the tourist accommodations, and the railroad officials feel that the patronage sufficient to justify the better kind of sleeper. The change from the tourist to the standard will be made at an early date.

Fireberg Affairs

All of the scarletina victims are out again and no new cases are reported.

Services were resumed at the church last Sunday which had been discontinued because of the epidemic.

There will be no Sunday school or preaching here on Easter Sunday as many wished to hear Bishop McIntyre who will preach at the First M. E. Church, Wichita Falls, this morning and evening.

The severe windstorm of last Thursday, Friday and Saturday did no damage in this community that we heard of.

Some fear of Saturday night had killed the oat crop but such does not seem to be the case.

The quarterly conference was postponed from last Friday night to Tuesday night, March 19, because Supt. Easter missed his train at Vernon. However he will be here on the 25th.

SATURDAY'S SPECIALS

AT "THE LIVE WIRE STORE"

We have given considerable study to the "High Cost of Living" question and believe it has been aptly changed to the "Cost of High Living"

It is doubtful if more than five per cent of the people of Wichita Falls are able to pay 35c or 40c for a can of California Fruit. Most everyone can pay a quarter a can. Apples at 75c to \$1 a peck are almost prohibitive but the working man can afford to eat them at \$1.25 to \$2.25 for a four peck box.

Cabbage and onions are not very appropriate for a before-Easter advertisement, but nice fresh cabbage at 25 pounds for 25 cents is attractive to the conservative buyer and fancy Red Globe Onions at 10 pounds for a quarter is a money saver. Read every word in this advertisement today and then read it again tomorrow. It will do you good whether you are laborer or a capitalist.

Dyeing eggs is a nuisance isn't it? You pay for the eggs and pay for the dye. You dye your hands, your dishes, the floor and cooking utensils as well as the eggs don't you? The eggs we offer for Easter are not the "bought up" kind. They are fresh. Just got them from Tatum's White Leghorn Poultry Farm. They are boiled right and dyed right. 30c PER DOZEN.

MINERAL WELLS PLANS GOOD TIME

DINNER, SPEAKING, BALL GAME AND DANCING WILL BE FEATURES

ARE ARRANGING DETAILS

Wichitans Will Carry Band and Make Brief Stops at Several Points on Route

Wichita Falls excursionists to Mineral Wells on March 26 will be royally entertained according to reports that have been received by John Thomas, acting secretary of the Chamber of Commerce and Nat. League of the passenger department of the Wichita Falls route. Immediately upon their arrival in Mineral Wells the excursionists will be presented with tickets for meals in the leading hotels and cafes of the city.

After lunch there will be speaking at the Carlsbad pavilion which will be followed by a ball game between Mineral Wells and Weatherford. The Jacksboro team has challenged the winner of this contest for a game to be played immediately afterward.

Stores and offices in Mineral Wells will be closed for the day and the whole people will turn out to give the Wichitans welcome.

The train will carry a band and short stops will be arranged for Archer City, Olney and Jacksboro, at each of which places delegations will be taken on.

A feature of the entertainment at Mineral Wells which will be especially pleasing to the younger excursionists will be dancing at one of the pavilions.

TRACK IMPROVEMENTS IN PROGRESS ON KATY

85-Pound Steel Being Laid on Much of Line of Texas, Covering 200 Miles

Dallas, Texas, March 20.—Some idea of the stupendous task of relaying the main line of the Missouri, Kansas & Texas with eighty-five pound steel rails, an improvement now being hurried to consummation, may be gained from these statistics, compiled in the engineering department:

To relay a mile of track with rails of this size requires 133 tons of steel. To relay 200 miles of the main line in Texas, the contract the management has undertaken, will demand 26,600 tons of steel. Reduced to a system of weight all may understand at a glance, this means that fifty-three million, two hundred thousand pounds of the best rail steel, the great mills turn out will be laid down in Texas as one of the big steps in the Katy's plan of letting no railroad anywhere excel it in service.

Already 30,000 tons of steel have been delivered to the Katy through the port at Galveston and extensive gangs numbering hundreds of men are laying the long rails built to insure durability, safety and speed on the lines closest the gulf. This work is to be kept going with a view of finishing the big undertaking before the ringing in of the New Year.

Before a new rail is laid the track is put in shape for its future company by being treated to a standard ballast of twelve inches or burnt gumbo or gravel, the latter being used exclusively where it is available, and the highest quality of burnt gumbo at other points. This ballast, together with the heavy rails, insures a roadbed of much firmness and is a common guarantee, with proper equipment of the best service of which a common carrier is capable.

Two million dollars is the sum the Katy is spending in bettering the physical conditions of the Texas property. In addition to the heavy rails and ballast, hundreds of thousands of new ties are being laid, the whole insuring a track just as nearly faultless as human ingenuity and money can make it.

WICHITA FALLS SEVENTH IN FEBRUARY BUILDING

Ranks Ahead of Austin, Galveston and Beaumont in New Permits For February

In spite of the fact that cold weather and other things operated to make February's building permits in this city the lightest since permits have been issued, this city was ahead of such cities as Austin, Galveston and Beaumont, each of which has from two to three times the population of Wichita Falls. The ten leading cities' figures, as compiled by the Texas Commercial Secretaries Association, were as follows:

Dallas	\$434,460
Houston	433,995
El Paso	203,763
San Antonio	191,167
Fort Worth	139,090
Wichita Falls	58,965
Austin	32,978
Galveston	31,257
Beaumont	16,241

The totals for these cities was in excess of \$1,600,000 a decrease under January of about \$700,000 and a decline under February 1911 of about \$750,000. Dallas leads the State, with Houston a close second. Wichita Falls was seventh in building permits although about twentieth in population.

PAL'S BOAST TO SEND NEGRO TO THE GALLOWS.

Marietta, Okla., March 20.—Walter Willis, a negro, today was found guilty of the murder of W. A. Angelin, a cattleman near Marietta in July, 1912 and sentenced to be hanged.

The body of Angelin was found in a creek and it was believed he had been drowned.

A few weeks ago Boy Gaines, in jail on another charge, boasted to a cell-mate of the killing, implicating Willis and Susan Gaines, a negro, Gaines and the woman will be tried this week.

WE HAVE SCORED A HIT in this city with the excellence of our work in cleaning all kinds of Ladies' and Men's Clothing and returning them so that they look as good as new. **CLEVER NUMBERS TONIGHT
AT THE LYDIA MARGARET.**

A feature of the Lydia Margaret's
bill tonight will be Johnson Broth-
ers and Johnson in a few moments
of minstrelsy. They come with fa-
vorable press notices from every sec-
tion of the country.

The Boston American says:
"The Johnson Trio, introducing the
first part of a high class minstrel
show, created a hit at the Scenic
last night, and the sketch was one of
the best of its kind ever seen here.
The two men are two youths of not
more than 12 years of age, while the
interlocutor is an older member of
the family. The end men are dress-
ed in the regulation costumes and
they can rattle the bones and tambo
in a manner that would cause some
of the older minstrel men to blush
with shame."

Other numbers of the bill include
Helen Margaret Hall, the singing
comedienne, and Leo Adde and Haz-
el Coulter singers and comedians.
They present a comedy skit five re-
stricted and interpolated numbers. A
feature of their act is Miss Coulter's
rendition of Killarney.

**PROMISE MUCH VARIETY IN
PROGRAM AT THE MAJESTIC**

A pleasing variety, with four ex-
cellent acts, is the description of the
bill with which the Majestic after
being dark for three nights will re-
open tonight. The acts are the
Franks Sisters in a bag punching
exhibition that is a distinct novelty,
James Grady and Company in a one-
act skit "The Toll Bridge" Hall and

FRESH

is a word that when applied to young men and winter colds is not significant of goodness or desirability but when applied to cigars it means something. The freshest thing in our place is the cigars. There is not a cigar in our case that has been there over sixty days. We buy only real cigars to begin with and they are cared for just right. They are neither bone dry nor soggy. They burn evenly and do not blaze and do not make smoke instead of steam.

If you want the soft mellow smoke that puts you at peace with the whole world and brings profound thought to your brain and pleasant memories to your mind try carefully kept Havanas. Your money's worth is in every one of them.

WE DO NOT GUESS OR SUBSTITUTE

One is as bad as the other. If your prescription is not filled with the right quantities or if some ingredient is adulterated or substituted you cannot expect results.

Everything sold at this store is measured or weighed accurately, and we are just as particular about the quality too. We use only pure, fresh drugs and your orders and prescriptions are filled by a graduate in pharmacy. If you ask for one article we do not try to persuade you to take another on which we make a greater profit. No want of yours is too small to receive our most careful attention.
