COPPER MINE STRIKE BREAKERS TAKEN INTO MINES AT POINT OF REVOLVERS

STRIKERS SHOT

Investigators Fail to Find That Officers Were Injured by the Strikers

By Associated Press.
Washington, Jan. 10.—Reports of the department of labor investigation of the Michigan copper strike, made public here today, show that strike breakers were taken into the mines at the point of revolvers, that some were taken to the mines at the point of pistols, that strikers were wounded by fire-arms in the hands of armed guards, but that no evidence was found of officers being injured by the strikers.

Calumet-Hecla's Profits.
It was declared that while many of the smaller copper mining companies in the region were operating at a loss, the Calumet-Hecla Company which employs more than fifty per cent of the men in the region, had "extremely large profits." With an authorized capital of \$2,500,000 of which \$1,200,000 was paid in, the report declared that since 1871 the company has paid \$121,050,000 in dividends and re-invested \$75,000,000 in its property. It pays wages for a ten to eleven hour day ranging from \$2.89 to \$3.57 with an average of \$3.28, while the average wage of the other companies is \$2.74.

Next Step Unknown.
The report was made upon the investigations of Walter D. Palmer, special agent of the department of labor, John A. Moffitt and John H. Donamore, solicitors for the department. Secretary Wilson, making public a summary of the reports today, declined to say what his next step would be, but intimated that the findings of his investigators might be made the basis of a proposed congressional inquiry.

WIRELESS TO GREENLAND WILL SOON BE REALTY

By Associated Press.
Copenhagen, January 10.—Plans to put Greenland into wireless communication with the rest of the world are being rapidly completed. Engineers who have returned from Greenland report that the Kigalut islands on the west coast are well adapted for the location of a wireless station from which communication can be established with stations in Denmark and Canada. It is little more than 2,000 miles from Denmark to the islands, while the distance to Canada from Kigalut is about 1,000 miles.

Rountree Receives Advice That Secretary of Treasury Will Attend Convention

By Associated Press.
Georgetown, Texas, Jan. 10.—Editor Lee J. Rountree, member of the program committee of the National Editorial Association which meets in Houston, April 23 to 25 and which will tour Texas has been advised by Josephus Daniels, secretary of the navy, that he will visit Texas and make an address before the editors.

AGREEMENT AS TO LIABILITY RATES

Schedule 55 Per Cent Higher Than Bay State Rates to be Effective Ninety Days

By Associated Press.
Austin, Texas, Jan. 10.—A compromise in the nature of an agreement has been reached between the Texas Employers' Insurance Association, the insurance companies and Commissioner of Insurance and Banking Collier, as a result of the hearings before Commissioner Collier which have been in progress during this week.

Under this agreement the commission is to approve a temporary manual of rates, which will be fifty per cent higher than the Massachusetts rates which were adopted by the association. This is what the insurance companies contended for. This agreement is to be for a period of ninety days, after which the commissioner will have sufficient experience from the Texas law and the Massachusetts act to determine an equitable rate. At the end of that time, if the companies are dissatisfied, they will have the right to institute mandamus proceedings against the association.

Before this agreement is approved, Commissioner Collier wants to have the attorney general's department pass on it as to whether it is legal or not. The interested companies are also to give their approval.

CATSKILL TUBE IS COMPLETED

LONGEST WATER TUNNEL IN THE WORLD TO CARRY NEW YORK CITY'S SUPPLY

IT EXTENDS 111 MILES

Undertaking Second Only to Digging of Panama Canal—Cost Many Lives

By Associated Press.
New York, Jan. 10.—After nine years of labor, the last barrier was broken today in the Catskill aqueduct tube, the longest water tunnel in the world. It extends 111 miles from Esopus, New York to Brooklyn and will supply New York with 500,000,000 gallons of water daily. By many engineers the undertaking has been classed second only to the Panama Canal. It cost more than \$160,000,000 and two hundred lives.

The death toll was increased by three today. Five laborers fell fifty feet when a platform collapsed. A dull roar signaling a dynamite blast 400 feet underground marked the breaking through of the tunnel. The tube for the most part is 500 feet beneath the ground. It varies in diameter from eleven to seventeen feet.

MOYER LEAVES SEVENTEEN DISTRICT OF OWN FREE WILL

Houghton, Mich., Jan. 10.—Charles H. Moyer, president of the Western Federation of Miners, left the copper strike district again tonight. This time he went of his own free will, announcing that he was en route to Chicago with the idea of attending the coming meeting of the executive council of the American Federation of Labor in Washington.

REVOLUTION IS IMMINENT

CONVICTION GROWS THAT SERIOUS SITUATION HAS DEVELOPED IN SOUTH AFRICA

MAY INVOLVE NATIVES

Body Guard of 2000 Trade Unionists Prevents Attempt to Arrest Their Secretary

By Associated Press.
Pretoria, Union of South Africa, Jan. 10.—The conviction is growing here that the government of the Union of South Africa is faced with a situation more in the nature of a revolution than of an ordinary strike, while the fear that the trouble may spread to the natives in the various provinces is causing a panic among women in the outlying districts.

Mr. Bain, secretary of the Trades Federation, today informed a meeting of workers that "tomorrow's mass meeting will be of greater significance in the world than the fourth of July." The citizens generally seem to be on the side of the government. The citizens defense force is being mobilized rapidly, the men swarming into this city and Johannesburg to join their regiments. An additional 60,000 were called to arms today.

Burglars Under Arms.
Not since the Boers laid down their arms to the Britons in 1902 has the Rand been so near war as it is tonight. Martial law will be declared at noon tomorrow. Many who predicted failure for the strike have become so alarmed they are pleading for white unity as protection against the horrors of a native uprising. Johannesburg has the appearance of a besieged city. The calling out of the burghers has resulted in the gathering of 10,000 of the old Free State burghers under command of the veteran Boer general, Jacobus H. de la Rey. The proposed mass meeting of the Trades Federation has not been prohibited, but the martial law proclamation probably means an attempt will be made to prevent a demonstration which might result in an even more tragic affair than that of July 4 last, when rioters were fired on by the state troops.

The Trades Federation has asked a general strike and ordered all unions to take a vote before Tuesday. Secretary Bain of the Trades Federation, for whom a warrant has been issued, was at a meeting in Trades Hall tonight, surrounded by a bodyguard of 2000. The police, realizing he could not be arrested, without bloodshed, decided to await a more favorable opportunity.

DIAMOND MINE WORKERS KILLED DURING OUTBREAK

Jagersfontein, South Africa, Jan. 10.—Seven native laborers in the diamond works were killed and thirty-six wounded during an outbreak today. A few whites also were injured. The trouble had no connection with the railroad strike. It arose in a dispute about the death of a native said to have resulted from the kick of a white overseer.

LARGE FAMILIES IMPROVE RACE

THE OLD BIBLICAL IDEAL OF PERPETUATING FAMILIES RECOMMENDED

EUTHENICS ARE DISCUSSED

Defined as Preliminary Science on Which Eugenic Must Be Based

By Associated Press.
Battle Creek, Mich., Jan. 10.—A wide variety of subjects, embracing eugenics and its founder, the effect of alcohol on the race, and the functions of the dentist in race betterment, featured tonight's session of the National Conference on Race Betterment. The day was taken up with the discussion of a eugenics registry office for the purpose of developing human thoroughbreds, the relation of physical education to physical betterment, the tuberculosis problem, factory degeneration and other subjects.

"Euthenics is the name proposed for the preliminary science on which eugenics must be based," said Mrs. Merville Dwyer of Lake Placid, New York. "No State can thrive while its citizens waste their resources of health, bodily energy, time and brain power any more than a nation may prosper that wastes its natural resources."

According to Arthur Hunter of New York, laboratory experiments do not represent the danger of alcohol as seriously as it exists in every day life.

Alcohol's Toll.
"This is because they do not properly allow for the increasing need and desire for alcohol and it is taking the life of more than a million among excessive users," he said. Mr. Hunter declared life insurance companies have experienced fifty per cent extra mortality among men who drink to excess five years or more prior to the date of application, although they were temperate after that time.

Dr. Dudley A. Sargent, of Harvard University, declared in favor of large families, saying that the superior races always had maintained a high birth rate both from inclination and conscience. "The basic law of the survival of the fittest in a nation may be stamped by unwholesome sympathy for the weak specimens of the human race, he said. Its restoration to force for the benefit of humankind as a whole he declared to be the task of our times.

"The old biblical ideal of perpetuating the family of the patriarchs by many begettings must be justified in the light of heredity," said Dr. Sargent.

High Birth Rate Better.
"The superior races maintaining a high birth rate in spite of individual preference for ease and leisure. There was something of the stern idea of the duty of multiplication which actuated our forefathers in building up a new nation; there needs still to be a note of serious concern for the physical vigor of our nation in the pleas against race suicide."

MISSISSIPPIANS PAY RESPECTS TO WILSON

2,000 Guests Welcomed by President at Pass Christian Saturday Afternoon

By Associated Press.
Pass Christian, Miss., Jan. 10.—Nearly 2,000 residents of this section paid their respects to President Wilson late today at a public reception given especially for him at the presidential cottage. The guests were welcomed by the President and Mrs. Wilson, who stood on the cottage veranda. Mr. Wilson apparently enjoyed the occasion immensely. It was the first public reception under the present administration. The president is high appreciation of the manner in which the citizens have observed his desire for inclusion and it was in recognition of their courtesy that he tendered the reception on the day before his departure for Washington.

Confederate Veteran Among Them.
The weather was ideal. A picturesque figure among those who shook hands with the president was General A. C. Oxford of Birmingham, Ala., who wore a Confederate uniform. He left his card with the president. "If I ever disown, repudiate or apologize for the cause for which Lee and Jackson died, let the lightning of Heaven rend me."

The presidential party will leave tomorrow night by special train for Washington, arriving early Tuesday.

MARION NATIONAL BANK OF KANSAS HAS SUSPENDED

By Associated Press. Marion, Kan., Jan. 10.—The Marion National Bank failed to open today and it was announced the institution would be closed pending action by the stockholders. There was a small run on the bank yesterday. It has a capital of \$125,000.

HOLD-UP HERE LAST NIGHT

LONE HIGHWAYMAN ROBS R. M. JOHNSON AND TWO YOUNG MEN

AT R. R. TRESTLE

Robber Secured Two Gold Watches and Small Amount of Money—Then Vanishes

R. M. Johnson, county superintendent of schools and two other young men were held up by a lone highwayman near the Wichita River bridge at about ten o'clock last night and robbed of two gold watches and a small amount of money. The robber escaped. The names of the two young men with Mr. Johnson were not learned.

Mr. Johnson was in a buggy with one of the young men and the other young man was in a buggy alone following them. As they passed under the DeWeyer trestle south of the bridge they noticed a man walking along the road ahead of them and as they came out from under the trestle he turned and ordered them to stop, emphasizing the command with a pistol on one of another of the party as he did so. None of the three were armed and no resistance was made.

Handkerchief Over Face.
The highwayman wore a handkerchief around the lower part of his face and had a cap pulled down over his eyes, so that his features were not distinguishable. From Mr. Johnson he secured a gold watch valued at \$35 and a few dollars in money. From one of the young men he also secured a gold watch and a small amount of money.

After going through the young men, the man backed off and disappeared in the weeds by the side of the river. Mr. Johnson and the others drove on across the bridge and telephoned to the city hall. Officer Henry Allen and Deputy Constable McDonald responded making a search of the country in the direction the man had taken without results.

BEACHEY'S HEROISM SAVES TWO LIVES

Aviator Deliberately wrecks Biplane and Falls 25 Feet Sustaining Slight Injuries

By Associated Press.
Oakland, Cal., Jan. 10.—To avoid what appeared certain sacrifice of two lives, Lincoln Beachey deliberately wrecked his biplane late today and fell twenty-five feet sustaining slight injuries. Beachey was descending and directly below him was an automobile driven by Barney Oldfield carrying a passenger. The aviator swerved his machine which collapsed and turned Wichita completely over, burying Beachey beneath it. His only injuries are bruises.

CONVENTIONS LAST RECOURSE

Falling this, the executive committee proposes to go ahead with its precinct, county and state conventions as previously announced, to secure the elimination of the party.

SAYS EVERYBODY IS FOR JUDGE ROBT. E. HUFF

"You can say that the biggest Bull Mooseer in Wichita county endorses as that the Vernon Record had to say about the people of Whitinger and Wichita counties uniting in supporting Judge R. E. Huff for the legislature," was the telephone message that came to The Times office yesterday from Frank Jenne.

"Whitinger county people, Wichita county people, Democrats, Bull Mooseers and Republicans all want Mr. Huff to go to the legislature. We're all for him and he ought to go."

Negro's Maraculous Escape.
A man named Terry from Dallas was slightly injured. The negro chauffeur was knocked under an oil car, caught the brake-beam and came from his place of safety after the car was stopped, one hundred yards distant from the scene of the accident. McEmore and Corley were decapitated. The elder Blain died shortly after reaching the hospital and the younger Blain died in the ambulance en route to the hospital. A refrigerator car obstructed the view. The car had not been driven thirty yards when the collision took place.

PROS. STILL HOPE FOR AGREEMENT

NO ACTION TAKEN AT DALLAS CONFERENCE TO SETTLE UP ON A CANDIDATE

HOPE IN DELIBERATION

Rally Will Be Held at Fort Worth in Hope of Securing Elimination

By Associated Press.
Dallas, Texas, Jan. 10.—The state executive committee of the Democratic prohibition organization today refrained from attempting to settle the Thomas-Mayes-Lane candidates, as they took no official action to favor any political candidate. Some of them said they still hoped for final agreement on one prohibitionist candidate for governor, in whose favor all other prohibitionist candidates would withdraw.

A call was issued for a mass meeting in Fort Worth at a date to be fixed sometime in the next three weeks. This rally was planned as a final conference of prohibitionists to discuss the good of the cause and if possible to secure the elimination of all except one candidate through the medium of deliberation.

Conventions Last Recourse.
Falling this, the executive committee proposes to go ahead with its precinct, county and state conventions as previously announced, to secure the elimination of the party.

Military Judges Accept Word of Officers Against Sworn Testimony

By Associated Press.
Strasbourg, Germany, Jan. 10.—Court martial today acquitted all the German army officers charged with breaches of the law, in connection with the recent violent incidents between the military and civilians of Zabern.

The military judges in all cases accepted the word of the officers against the sworn testimony of the civilians. Col. Von Reuter was charged with wrongful imprisonment, but the court found his acts justifiable. Lieutenant Schud, accused of striking a prisoner, was released on the ground that the charge had not been proved. Lieutenant Forstner won his appeal before a second court martial against the sentence of forty-three days imprisonment imposed on him December 19 for sabering a lame shoemaker.

FRENCH DEPUTY HOLDS THE RECORD FOR SILENCE

By Associated Press. Paris, January 10.—Jules Saunier, Deputy for Carcassons, who died recently, was noted in Paris as the most silent member of the Chamber of Deputies. During the sixteen years that he belonged to the Assembly he had never ascended the tribune once, and had been known to make only one interruption. One day there were very few members in the Chamber, and attention was called to the fact that there was an insufficient number to continue the discussion. M. Saunier rose, counted those present and remarked simply "Thirty-Two." It was his only parliamentary speech.

REORGANIZATION PLANNED

New Haven Agreement Looked Upon as Big Victory for Telephone Agreement

By Associated Press.
Washington, Jan. 10.—The New York, New Haven and Hartford railroad and the department of justice tonight announced a preliminary agreement had been reached designed to effect a reorganization of the New Haven and to prevent a suit for its dissolution under the Sherman law. In compliance with the department's demands, the New Haven will dispose of its holdings in the Boston and Maine railroad, caused its joint agreement controlling the Boston and Maine, give up its trolley lines and several of its steamship lines. The question of its retention of the so-called Sound line of steamships will be left to the Interstate Commerce Commission.

Surrender Steamship Lines.
Under the Panama Canal act, the road is required to give up all steamship holdings by July 1, unless the commission finds their continued operation by the railroad is to the advantage of the public and not in restraint of trade. It was conceded tonight that the department of justice is responsible for financial conditions. Announcement of the agreement was made in their statement from Chairman Howard Elliott and President A. T. Hadley of Yale University, a member of the New Haven board.

Criminal Suits Not Affected.
The announcement of the agreement does not have any bearing on the much talked of criminal suits against former directors and officials of the New Haven road. There have been no decisions upon these matters. Some officials are known to feel that such suits would avoid but little since the men generally understood to be responsible for financial conditions involving the New Haven, probably could not be reached by the federal government.

Department of justice officials were of the opinion tonight that the New Haven agreement was as big a victory for the principle of peaceful settlement of anti-trust as that registered in the case of the American Telephone & Telegraph Company. They pointed out that the complexities of the New Haven were greater than that in the telephone case.

Not the First Time.
It generally was believed that final readjustment could not be reached for several months. This is not the first time the New Haven has escaped the hand of the Sherman act. Several years ago the road was investigated by the department of justice and sued by the then attorney general Bonaparte. Former Attorney General Wickersham, however, did not press proceedings and the suit was abandoned. Several months after Mr. Reynolds assumed office, he determined the government would meet the New Haven would reorganize.

GEN. MERCADO GROSSES RIVER

Major McNamee replied that any guns sent across would be seized and held in this country and that the men bringing them would be disarmed and forced back to the Mexican side. Later, General Mercado sent over seven wagonloads of government documents under escort of a wounded lieutenant who also brought his personal effects. The wagons were pulled out of the river and taken into the United States army camp. Later still, General Mercado, who was Huerta's chief military commander, crossed the river, and surrendered to Maj. McNamee.

IT WAS IMPOSSIBLE FOR MAJOR MCNAMEE TO LEARN WHAT HAD BECOME OF THE FEDERALS, WHETHER THE BULK OF THEM HAD TAKEN REFUGE ON THIS SIDE OR WHETHER THEY ENTERED TO POINTS IN MEXICO.

The country about Ojinaga is mostly deserts.

FIGHTING OF SHORT DURATION

The defeat of the federal army followed only a few hours fighting in which the rebels, beginning at sundown, started to close in on the besieged garrison, with cannon and rifle fire. Gen. Castro and General Mercado of the federalists saw the assault was to be nothing less than a massacre. The federalists had left only fifty rounds of ammunition. The generals therefore gave the order to evacuate.

SCRAMBLE FOR AMERICAN SIDE

All the federal soldiers and their officers who could scramble to the American side did so. The others ran in all directions. General Pascual Orozco, commanding federal volunteers, threatened with summary execution by Villa, was the first to cross. It is believed he has escaped into the mountains of Texas. About nine o'clock when the fighting had been in progress about five hours, seven wagons loaded with documents belonging to the Huerta government, came over and were captured by the United States border patrol. U.S. PATROL OUT

Numerous Federal Deserters Cross Rio-Grande and More Are Expected

By Associated Press.
Presidio, Texas, Jan. 10.—The Mexican federal army, with its nine generals, evacuated Ojinaga at ten o'clock tonight. The triumphant rebel forces under General Francisco Villa immediately began the occupancy of the town.

The rebels were still bombarding the federal garrison at nine o'clock this evening, at which hour several shells had fallen on United States territory. The entire border patrol was ordered out because numerous federal deserters had already crossed and more were expected. Gen. Mercado of the federal garrison sent a note to General McNamee of the Fifteenth U. S. Cavalry asking if the federalists might send across some guns for which they had no ammunition.

MAJOR MCNAMEE REPLIED THAT ANY GUNS SENT ACROSS WOULD BE SEIZED AND HELD IN THIS COUNTRY AND THAT THE MEN BRINGING THEM WOULD BE DISARMED AND FORCED BACK TO THE MEXICAN SIDE. LATER, GENERAL MERCADO SENT OVER SEVEN WAGONLOADS OF GOVERNMENT DOCUMENTS UNDER ESCORT OF A WOUNDED LIEUTENANT WHO ALSO BROUGHT HIS PERSONAL EFFECTS. THE WAGONS WERE PULLED OUT OF THE RIVER AND TAKEN INTO THE UNITED STATES ARMY CAMP. LATER STILL, GENERAL MERCADO, WHO WAS HUERTA'S CHIEF MILITARY COMMANDER, CROSSED THE RIVER, AND SURRENDERED TO MAJ. MCNAMEE.

It was impossible for Major McNamee to learn what had become of the federalists, whether the bulk of them had taken refuge on this side or whether they entered to points in Mexico.

CHAMBER OF COMMERCE WANTS 150 NEW MEMBERS

START CAMPAIGN NEXT WEDNESDAY

WHIRLWIND CANVASS TO BE MADE BY SPECIAL COMMITTEES THEN

DIVIDED INTO DISTRICTS

Will Begin at 9 O'clock in Morning—Hope To Increase Membership To At Least 500

Five hundred members and pledges amounting to \$15,000 a year is the slogan in the Chamber of Commerce membership campaign which will be opened Wednesday morning at nine o'clock. There are now approximately 350 members of the organization paying annual dues of about \$12.00. To bring the membership and the pledges up to the marks set it will be necessary to enroll 150 new members and pledges of \$300 monthly. It is hoped that this will be accomplished Wednesday morning.

The membership committee appointed last Tuesday has appointed subcommittees and has divided the city into districts for a canvass starting at 9 o'clock Wednesday morning. All the members of the committee and the subcommittees will meet at the Chamber of Commerce rooms at that hour and will start on their canvass simultaneously.

In the assignment of districts where a territory is described as "Sixth to Seventh streets, Indiana and Ohio" it means that the subcommittee has been assigned the block bounded by Ohio, Sixth, Indiana and Seventh streets. These assignments follow:

Assignment of Districts.

Sixth and Seventh, Indiana and Ohio—J. W. Pond and B. J. Bean.

Sixth and Seventh, Ohio to Lee—A. W. McCoy and A. G. Deatherage.

Sixth and Seventh, Indiana to Scott—P. H. Pennington and T. H. Perry.

Seventh and Eighth, Ohio to track—J. L. Art, H. B. Hines and F. Harington.

Seventh and Eighth, Indiana and Seventh—E. Leopold and C. W. Hendricks.

Seventh and Eighth, Ohio and Eighth—Marvin Smith, Mark Walker, D. M. Hardy.

Out of town property owners—Dean & Gohlke, Anderson & Patterson, Craven, Maer & Walker.

NEW OIL CONCERN WILL BE CALLED AMERICAN CO.

The name of the new oil company recently organized here by the combining of the interests of a number of owners of small pieces of acreage in the Petrolia field has been changed from the Union to the American Oil Company. Upon investigation of the records of the secretary of state of Texas at Austin, it was found that a charter had already been issued to a company bearing the name "Union" further investigation failed to find that a charter had ever been issued to an American Oil Company, so the latter name was adopted by the new company. Application for a charter will be filed Monday.

HIS CITY'S CHALLENGE HAS NOT BEEN ACCEPTED

Oil Tax Doby Remains Uncalled By Other Texas Cities—Publicity Given Challenge

No Texas town of over 5000 has yet "called" Wichita Falls' hand in the challenge issued by this city Thursday with reference to poll tax payments. The challenge was published in the Fort Worth Record, Dallas News, Houston Post and San Antonio Light, all of which displayed it prominently, yet there has been no rush to take advantage of the opportunity to get Wichita Falls' \$500.

The three largest cities of the State—Dallas, Houston and San Antonio, are engaged in a poll tax contest, the recent standing of which appears nowhere in today's issue of the Times.

WILL PRESENT "SAPHO" AT MAJESTIC MONDAY NIGHT.

"Sapho," Alphonse Daudet's masterpiece is to be presented at the Majestic Theatre Monday night, Jan. 12th. Advance notices say: "It is a splendid picture. One might in the book read collection of fine pictures, with its flowery description and not experience a thrill. In the picture there are several scenes to stir and they stir more by the reason of the art of the players than on account of any dramatic quality of the book. Sapho is not camouflaged if she appeals to the sensual, the other more than this—Tiger at the start, Cecile Guyon in her role of Sapho dominates the picture. This wonderful woman has not only youth and beauty she possesses also in marvelous degree the third and most important factor in this equipment—brains. Sapho is not only well proportioned but it has splendid acting—fine settings, elaborate costumes, large groups and perfect photography. It must be conceded that the producer has been careful in the handling of a delicate subject. Plainly it has been made for Anglo Saxons and with due regard for their standards. Sapho makes a fine offering."

If You Knew Seal Coffee As Well As I Do You Would Be Enthusiastic Too

PHONES 432, 232 AND 1318 710 NINTH STREET REESE BUILDING

Some people wonder why I talk so much about SEAL COFFEE. Let me tell you. Coffee is one of the staple articles used in practically 95 per cent of the homes in Wichita Falls as well as every city in the United States.

Once a grocer gets hold of a real, first class blend he is entitled to talk about it because people in general are looking for the best that their money can buy.

Now I have known about SEAL COFFEE for a number of years. I was fortunate enough a few months ago to secure the agency for it in this city, and if you knew how many high compliments have been paid to this blend since I have been selling it I am sure that you too would be as enthusiastic as I am.

It takes usually only about one pound to make a whole family want it and nothing else in their coffee cups.

The price is 45c per pound in 1 lb sealed tins. 2 pound sealed tins 80c. 3 pound sealed tins \$1.20.

When You Buy Clothes at This Great Live Store—

You'll not only find here a larger, more desirable stock to choose from, but you'll find that we safe guard your interests at every point. Complete and lasting satisfaction must be your satisfaction in style, fit, service and price, otherwise you get new goods or your money back, without quibble or question. Our store, our merchandise and our methods are so different from anything that men in Wichita Falls have been accustomed to that we could not blame some people, a year ago, for being a little skeptical, but today—if there be any doubt—let them ask those who have bought here. We feel we owe a goodly share of our striking success in Wichita to the fact that we make a specialty of the superb clothing produced by

Wichita Falls, Texas, Jan. 11, 1914

No, thank you. The only thing that could possibly induce us to become a candidate for mayor of this city would be that in case of our election we would be permitted to fill up, drain, remove or otherwise dispose of that mud-hole that stands in front of the Times office for about nine months in the year using about 5 per cent of the money it pays the city in taxes for that purpose.

Wichita Falls wants to levy a street tax of ten dollars on every auto in their town. They claim that such machines do more damage to the roads than any other kind of vehicle, and that as the life of an auto depends upon the condition of the roads, the money will prove to be a good investment for the auto owners.—Quanal Tribune-Chief.

The City Council has not yet passed such an ordinance, but the Times has it on what it considers the best of authority that such an ordinance is contemplated, and so far it has yet to hear of a single owner of an automobile who objects to it. Automobiles require good roads, and the better the roads, the longer the life of the automobiles that use them.

Times want ads bring results. No only locally, but out of state patrons find it so, as witness the following: "Chicago, Jan. 7, 1914.—Wichita Falls Times, Gentlemen: I was surprised today to receive an inquiry for the 2000 acres advertised in your paper for sale from Watertown, New York State, stating the writer saw the advertisement in your paper. Respect yours, Albert Silverman, with E. B. Woolf & Co., Recor. Bldg., Chicago.

Of course, the Times enjoys receiving such testimonials of its worth as an advertising medium, more especially when both the advertiser and the one who makes inquiry reside so far apart, and that an advertisement in its columns has been the means of getting them into communication with each other, and possibly will lead to a business transaction.

This week's Vernon Record puts squarely up to Wichita county to name the candidate for Representative from this district, and intimates strongly that Judge R. E. Huff would be most acceptable to the people of Wilbarger county. Mr. Huff, as is well known, is not seeking office or honors. In fact to accept any office, and more especially one that requires his absence from the city, would be a sacrifice on his part, but the Times believes that sufficient pressure can be brought to bear on him to induce him to consent to accept the nomination, and in that event no district in the state would have a more able man to represent it in the legislature. If the people of this district want to send a man—a real big man—to the legislature, the Times believes that now is the opportunity and a petition should be put in circulation asking Mr. Huff to be come a candidate. If this is done the

Times feels quite sure that 90 per cent of the people of Wichita county will be glad of an opportunity to sign it. This would make it unnecessary for Mr. Huff to make an active campaign, or participate in a scramble for the office. But if any action is to be taken along this line, it should begin now.

Now that the city government is getting ready to vote bonds for street paving, the Times has heard it suggested by some of our heaviest taxpayers that the city council first lay out the district to be paved and let it be known that the money to be realized from the sale of the bonds is to be used for such paving before ordering the election. For instance, if the city council desired to pave one or a half dozen blocks on as many streets, let the council make it plain that the bond money will be used for that purpose as far as it will go, and if the amount should fall short of the estimated cost of such paving, order another bond election and vote bonds to complete the district as set aside by the city council to be paved. Many cities have done this plan, and those who know say it works well. The Times, however, does not know whether such a plan is good for Wichita Falls or not, for it seems to be the policy or plan of the city government to wait for the property owners along certain streets petition to have them paved, and if the city government can see its way clear to have the work done, it goes ahead and has it done. That may be a better plan, but at the same time if the taxpayers of the city were informed in advance where, or on what streets paving is to be done, they could vote more intelligently at an election for bonds for street paving.

MR. BULLOCK DESIRES PEACE AND NOT AGITATION

The Times: One of the issues of the coming campaign is: shall the city government be controlled by those who are not in sympathy with its present form, and are anxious to change it to something else at the first opportunity. If we want to keep down all agitation to change our commission government it is best to have only those opposed to anything but aldermanic at the helm for the next two or three years.

The city will do better if those who believe in the kind of government we now have are running it.

There are plenty of men who have never advocated and do not now want a commission rule, who will make just as good officers as any we have ever had, and they will do their best in their service of the city.

We care nothing for the past but are only concerned about the future, and want peace and not agitation for the next few years, at least.

OFFICERS INSTALLED BY LOCAL PYTHIAN LODGE

Pioneer Lodge No. 49, Knights of Pythias, started off the new year Thursday night with a good attendance. Two esquires, Lynn Boyd and E. B. Nail, received the accolade of knighthood, the newly organized team putting on the work of the amplified third degree in a very impressive manner.

The following officers were installed: Past Chancellor A. G. Deatherage, serving as installing officer.

Dr. J. W. DuVal, chancellor; commander and grand representative; J. M. McFall, vice chancellor; T. A. Bradley, prelate; R. N. Sansbury, master of work; E. W. Nicholson, keeper of records and seals; J. C. Ward, master of finance; J. K. Roach, master of exchequer; Dr. M. R. Garrison, master of arms; R. E. Bennett, inner guard; C. S. Conant, outer guard; H. O. Cravens, H. V. Collier and J. B. Pitts, trustees.

At the conclusion of the installation ceremonies, Knight Deatherage, by permission of the recipient, read a letter from Grand Keeper of Records and Seal Henry Miller to Knight J. C. Ward, from which is reproduced the following excerpt: "Old Pioneer No. 49 originally was instituted on Feb. 24, 1882 and the following constituted the charter members: W. M. Andrews, Harry Brown, G. Bogardus, Wm. Barker, David Ballou, C. P. Collins, G. W. Caldwell, J. P. Fowler, G. W. Fugatt, J. B. Frazier, J. W. Goulston, A. H. Haley.

The proposition of 6 per cent loans obtainable with special privileges and on reasonable terms to remove incumbrance from real estate, or to improve and buy farm, orchard and city property, may be had by addressing Dept. R. E., 1527 Busch Bldg., Dallas, Texas.

It is considered a fitting tribute of fraternal appreciation and means to a veteran of the Pythian tricolor what the bronze cross does to a veteran of the stars and bars.

R. V. Gwinn For Sheriff. Today's paper contains the announcement of R. V. Gwinn as a candidate for sheriff. A long while ago or to be more exact, about 1887, Mr. Gwinn came out of the hills of West Virginia to Texas and successfully made a living and raised a family while farming, working for a railroad company and as an officer. For the past seven years Mr. Gwinn has been chief of police in Wichita Falls. He is well qualified by nature and training to discharge all of the duties of the office he seeks and can point to his record as chief of police as his best recommendation. Mr. Gwinn believes that the fee system has opened the way for abuses and much harm in the administration of Texas law; and if it is possible to do so, proposes, if elected, to place all of his deputies on a regular salary. He hopes to see the day when the State Constitution will be amended and all officers be placed upon a salary basis but until that time comes he proposes to do what he can as an officer to mitigate the evils resulting therefrom. He proposes to see all of the voters of the county before the primary to personally present his claims. The Times commends his claims to the voters.

J. W. Walkup For County Tax Collector. J. W. Walkup announces today as a candidate for county tax collector. Mr. Walkup was here when he alone formed a big percentage of the population. In early days he was boat master and conducted a general store in the Whiggone ranch about where the thriving little city of Electra now stands and at some time or other must have been a justice of the peace for the 10 times all call him "Squire." Mr. Walkup was serving his first term as sheriff four years ago when the office of tax collector was separated from that of sheriff. The decision to separate the offices was not reached until a few days before the primary. Mr. Walkup who was ill and confined to his home announced as a candidate for tax collector, but did not have an opportunity to present his claims to all the people. Well, to reach the point, as he now writes the nomination to the office of the office and promises to devote his personal and undivided attention to the discharge of his duties. "He" "He" believes, in announcing his candidacy, that he is not efficient and worthy.

Bernard Martin For County Attorney. This morning's paper contains the formal announcement of the candidacy of Bernard Martin for nomination to the office of county attorney. The Times presents Mr. Martin as being one well qualified to discharge the duties of the office to which he aspires. He has been a resident of Wichita Falls since 1912 coming here from Weatherford where he was county attorney of Parker county for

four years. In Parker county the county attorney is also district attorney and Mr. Martin discharged the duties of his office with much credit. Since coming here he has practiced his profession and during the past few weeks has been acting as assistant to the county attorney when the latter's duties would not permit him to attend to cases in the county, justices and district courts at the same time. Mr. Martin has displayed both zeal and ability and in his prosecutions has made an enviable record. He expects to make a thorough canvass of the county and wants to meet every voter personally. The Times is pleased to present his candidacy.

Arthur Graves For Constable in Precinct No. 1. Arthur A. Graves announces in today's issue of The Times as a candidate for constable in precinct No. 1. Until recently Mr. Graves has been a member of the city police force and the department records show him to have been one of the most active officers on the force. While Mr. Graves acknowledges that his life has been far from blameless he does claim that he has made an honest effort to do right and points to his record as an officer in substantiation of this claim. He promises the exercise of the same zeal and diligence in the discharge of his duties as constable. If nominated and elected, as he gave to his duties as a police officer. He says he won't promise to get all the drunks if elected constable but will promise to make it warm for the crooks and others of that class and says that they know of that class and he says it, and he isn't expecting any cordial support from that element. He believes he is well qualified for the office he seeks and asks the voters to give careful consideration to his claims.

Harvey Harris For County Judge. The name of Harvey Harris of Burk Burnett will be found in this issue of The Times as a candidate for county judge of Wichita county, subject to the Democratic primary election to be held July 25, 1914. Mr. Harris is a native Texan, having been born and raised in Ellis county. He attended the public schools of Ellis county until he graduated from the high school of his home town when he entered the State University where he graduated in the law department of that institution in 1912. Soon after entering the University, however, Mr. Harris removed to Wichita county and for the past five years he has been a citizen of this county.

He has been practicing law at Burk Burnett and Electra for the past two years and the experience thus acquired, together with his superior knowledge of the law obtained at the State University, specially qualifies and equips him for the duties of the office of county judge. Mr. Harris has no fixed platform or radical promises upon which to base his appeal to the voters, but he does assert that he will faithfully and efficiently serve the people to the best of his ability and without fear of criticism or hope of reward—except the approval of the people for services well and impartially rendered. He will visit the people in all sections of the county before the election of the primary and present his claims for the office.

Judge Edgar Rye For City Recorder. The Times takes pleasure in announcing Judge Edgar Rye as a candidate for city recorder. At the present time and in fact for the past eight or ten years, with only a short interval, he has filled that office by appointment in a most worthy and satisfactory manner and there is hardly a doubt but that now, that the office has been made elective instead of appointive, the people will re-elect him without opposition. At least this is the way The Times feels about it and in making this assertion it believes it is expressing the sentiment of a great majority of our people. Judge Rye makes the following simple announcement of his candidacy: "To the voters of Wichita Falls: Now that the recorder's office is elective, I solicit your votes for the position, the first Tuesday in April, 1914. Respectfully,

EDGAR RYE. T. W. McHam For County Treasurer. In this issue of The Times will be found the announcement of T. W. McHam as a candidate for county treasurer, subject to the action of the Democratic primary to be held in July. Mr. McHam is now serving his third year in this capacity and he refers to his books as to his efficiency as a county officer. He has resided in this county since a boy and has made a good citizen. He has no opposition nor is he likely to have an opponent and this speaks well for his popularity with the people and also the confidence placed in him by them. As The Times sees it, Tom has nothing to worry about so far as his re-election is concerned.

R. M. Johnson For County School Superintendent. In the proper column will be found the announcement of R. M. Johnson as a candidate for re-election to the office of county school superintendent, subject to the action of the Democratic primary in July. Mr. Johnson is now serving his first year in that capacity and has proved a most worthy and efficient official. So far he has no opponent and if he runs throughout without opposition that will speak well for the record he has made. There is hardly any office in the county of more importance or that requires a man who is not only qualified in every respect to perform the duties, but whose morals are such character that fit him for that position. Such a man is Mr. Johnson and The Times takes pleasure in presenting his candidacy to the voters of the county for their careful consideration.

IS IT TIME

For a New Book-Case in Your Home?

BUYING a Book-Case is largely a matter of the logical moment. There is a time to buy a bookcase, though lots of people put it off. Is your present bookcase old fashioned? Is it roomy enough? Do the shelves sag? Is it as classy as the rest of

your furniture in the same room? **GLOBE-WERNICKE** bookcases, which we sell, are modern, well designed, and strongly built—made to hold books and set them off to fine advantage. They are bookcases de lux—whether you have any volumes de lux or not.

We have them in Mahogany, Golden Oak, Fumed Oak, Early English and Antique. For both office and home libraries, the Standard Style is firmly established as a most satisfactory and serviceable design. They are in sections and can be easily moved from one room to another without disturbing the books. Come let us demonstrate.

ordered all cavalymen to meet an emergency. Women, children and wounded soldiers had been crossing in numbers but the apparent advance of the rebels gave reason to believe a greater rush across the border was imminent.

For five hours the sharp flashes of the rebel fire had been seen drawing closer to the federal entrenchments. The whole scene was bathed in moonlight partly obscured by dust and powder smoke. Among the federals were nine generals, Castro, Mercado, Orozco, Manuel Landa, Inez Salazar, Antonio Rojas, Elias Orpinal, Lozaro Alvaris and Roque Gomez.

VICTORY MOST IMPORTANT
Defeat of the federal army at this point marked the most important rebel victory of the present revolution. It leaves the rebels in possession virtually of all the north of Mexico. Mercado, Castro and Landa were the only remaining commanders of the federal regulars. The other generals commanded volunteers and had been threatened by Villa with death should they be captured.

FALSE FIRE ALARM FRIDAY RESULTS IN ACCIDENT.

The dray was damaged and one of the fire horses was badly skinned up but no serious damage was done. A report spread over town that the driver and both horses had been killed. Sansbury was only slightly injured. The fire alarm proved to be a false one. Late Saturday afternoon the department was called out by another false

TO ANNOUNCE THAW DECISION MONDAY.

By Associated Press.
Concord, N. H., Jan. 10.—A decision as to whether Harry K. Thaw would be a menace to the community if released on bail will be made public Monday by the commission appointed by Federal Judge Aldrich to examine into Thaw's mental condition. General Frank Streeter, chairman of the commission, turned the report over to the clerk of the federal court tonight.

RENTROP AND SVOBODA TO MEET FRIDAY NIGHT

Charles Rentrop and Alois Svoboda, wrestlers of considerable note, will meet on the mat at the Moose Hall next Friday night in what promises to be a contest worth while. Arrangements for the match were completed yesterday when Rentrop's acceptance of Svoboda's challenge was received.
Svoboda comes from New York, but has been in matches in a number of cities. He is a Bohemian by birth and weighs 168 pounds, being classed as a light heavyweight. He has been trying to get a match with Rentrop for some time, he says. Rentrop is well known among local fans, having appeared in two matches here already this winter.

The match will begin at 9 o'clock next Friday night, January 16. There probably will be some preliminaries in addition to the main match.
Another match will be held here later between Dr. E. F. Roller and Adolf Ernst. Efforts have been in progress for some time to arrange this match and yesterday Eugene Leopold received a letter from Roller agreeing to Ernst's terms. It has been Roller's practice to wrestle without shoes or tights, he wearing

only trunks. Ernst had insisted on his opponent wearing both shoes and trunks and Dr. Roller agreed to this. The date of this match which promises to be a good one will be announced at a later time.

CATARRH SUFFERERS

Get Immediate and Effective Relief—By Using Hyomei
Hyomei is nature's true remedy for catarrh. There is no stomach dosing—you breathe it.
When using this treatment you breathe the healing balsams and effectively reach the most remote air cells of the throat, nose and lungs, the catarrhal germs are destroyed—quick and sure relief results.
Hyomei often restores health to chronic cases that had given up all hope of recovery. Its best action is at the start of the disease when the breath is becoming offensive, and constant sniffling, discharges from the nose, droppings in the throat, or that choked up feeling begin to make life a burden. At the first symptom of catarrhal trouble, surely use Hyomei. Ask Foshier & Lynch for the complete outfit, \$1. They will refund the money if it does not give satisfaction. (Adv't.)

TO THE CITIZENS OF WICHITA FALLS

Without wishing to influence how you vote during the coming year we urge every citizen to qualify himself for voting by paying his city and county poll tax, and every young man who has or will become of age before the November election to secure an exemption certificate before February 1st.

The number of poll taxes paid is considered a sure criterion of the size of a city, and less than 2,000 poll tax payers will not do justice to Wichita Fall's claim of population, yet today only 214 citizens have paid.

There will probably be one bond election; certainly a city election in April; the Democratic Primary election in July and the general election for Congressmen, State, County and District officers next November, with a probability of other special elections during the year.

Pay your poll tax, get in the game and help advertise the city's growth.

ANTI-WHITE SLAVERS ARE ACTIVE IN COPENHAGEN

Copenhagen, January 10.—The Society for the Protection Against White Slavery has become very energetic here, and is especially active in preventing the luring away of girls to America. In their recent report the directors declare that they have watched closely the Mormon agitation in Denmark; for the society considers the Mormons a great danger. The society states that several hundred girls, especially from Jutland, are taken to America every year.

Men's and Women's Wool Outer Garments at Lower Prices

Two good reasons why we consider it wise to make another final, big reduction in the price of all Men's and Ladies' woolen outer garments. First—weather conditions in November and December retarded sales to an extent not experienced during our seven years business in Wichita Falls. Second—In carrying the enormous stock that we do, the only solution is to let each season take care of itself by closing out all merchandise to make room for the incoming season's goods. This week we shall make a tremendous drive in men's and women's wool suits and coats and for convenience in selling have placed them all into special lots, offering them at following prices

Men's Suits \$4.95

LOT ONE

Includes a line of men's suits about 50 in number. Values up to \$12.50, mostly small sizes. They are good materials, and worth every cent of the original price, but to make room for spring goods, they go at choice. **4.95**

Men's Suite \$8.95

LOT TWO

A line of Michael Sterns all wool suits, including blacks and blue serges and fancy patterns, all new and stylish cuts, values up to \$15.00, your choice for **\$8.95** only

Men's Suits \$12.50

LOT THREE

Michael Sterns best makes, all this season's best styles, including blue serges and blacks, as well as a fine line of grays and browns, and novelty goods, values up to \$22.50, your choice of the lot for **12.20**

Ladies' Long Coats, all of the Bischof make, values, \$12.50, \$15.00 and \$17.50, reduced to **\$9.75**

Ladies' Suits \$8.95

LOT ONE

Ladies' fine all wool suits, all the famous Bischof makes in new styles and materials, and almost every wanted color, values from \$12.50 to \$17.50, choice for **\$8.95** only

Ladies Suits \$14.98

LOT TWO

The Bischof line made to sell at \$22.50 to \$32.50, all of this season's best styles, choice of this lot for **\$14.98** only

Ladies Suits \$22.50

LOT THREE

A limited line of Bischof highest priced suits, values from \$34.75 to \$49.75, your choice for **\$22.50** only

Ladies' extra fine coats, the very choicest of the Bischof output, values \$20 to \$35 reduced to **\$16.75**

We will gladly carry your account if you care to establish credit with us.

TWELVE KILLED IN MINE EXPLOSION AT BIRMINGHAM

By Associated Press. Birmingham, Ala., Jan. 10.—Twelve men, five white and seven negroes, were killed today in an explosion at the Rock Castle mine of the Davis Creek Coal Company, thirty-five miles south of Birmingham in Tuscaloosa county. Over 200 men were at work in the mine when the explosion occurred, but all but twelve got out before the after-damp affected any seriously. The dead included W. W. Quarrels the mine foreman who had gone into the mine only five minutes before the explosion to fix up some braces. Rescue squads were rushed from Birmingham as soon as news of the explosion reached here, but there was little for them to do when they arrived. The explosion is believed to have been of gas origin, igniting in the mine.

W. A. "SNAKE" KING AND WIFE SNAKE CATCHERS

By Associated Press. Brownsville, Texas, Jan. 10.—W. A. "Snake" King and his wife this evening were proclaimed the champion team snake catchers of the world, having without competition caught and sacked thirty diamond back rattlesnakes in a contest of three days which closed at the Midwinter Fair here this evening. Their time was fifteen minutes, forty-six seconds. Theodore Roblerdro won the world's championship in singles over six competitors, having caught fifteen snakes in a minute and fifty-one seconds. King was almost forced to withdraw at the last moment when one of the rattlers struck him in the hand. He was the only contestant bitten.

MISS KATHRYN WILSON IS SHOWERED BY OLD MAIDS.

A very pretty affair was the surprise shower given Saturday morning by the Old Maids Aid to a bride to be member, Miss Kathryn Wilson at the home of Miss Eddie Carver. The house was decorated in crimson hearts in great profusion. The many lovely gifts which comprised the delicious shower were dropped down before the unsuspecting honoree as she entered the dining room. The shower being enclosed in an immense red crepe paper heart. Punch was served in the dining room, toasts being given and responses made. Miss Helen Jalonic gave a toast to the bride, Miss Ona Bell gave a toast to the groom and Miss Laura Bell toasted the girls left behind. Miss Mabel Simpson sang "I Love You" and "No One Ever Marries Me" and Miss Laura Bell sang "O, My Miss Me" and "Yesterday and Today." A grape fruit course was served, followed by salad and desert courses, with mints. The Old Maids present were: Misses Helen Jalonic, Ona Bell, Laura Bell, Mabel Simpson, Mabelle Clifton, Carrie Kell, Jewel Kemp and the honoree, Kathryn Wilson.

CAMP SUPPER IS GIVEN FOR LITTLE SISTERS AID.

SAVE YOUR PRESSING BILLS

OUR Advertising is done for two reasons TO sell more Clothing.

TO keep in touch with our consumer in order to be able to judge his wants, for only by supplying his needs are we able to do any business at all.

THE better we are acquainted with your needs the better we can serve you.

BECAUSE you do not buy clothing every week, in fact only three or four suits a year, we do not see you often enough in a business way to keep in touch with you.

For this reason we make this proposition.

WE have been running our Tailor Shop principally as an alteration department for our Clothing Store, but from now on, we will do anything to clothes for you, and incidentally make our shop sell clothing.

THE PLAN

Any pressing you have done in our shop will be credited to you on any purchase you may make in our store. Here is the way it sounds in figures: If you have \$5.00 worth of pressing done in our shop you are entitled to \$5.00 worth of clothing. If you have \$2.00 worth of pressing you are entitled to \$2.00 worth of merchandise, etc.

We keep account of your credits until you make your purchase. Then you begin over again on the same plan.

MARK THE COUPON NOW

If you want to take a dvantage of this offer fill in your name address and phone number and send in, or better still mark an ex (x) in the margin opposite the work you want done and pin the coupon to the garment and bring to our shop.

MISS CLARICE PITMAN HAS FOURTH BIRTHDAY PARTY

Saturday afternoon Jan. 3, Mrs. J. S. Pitman entertained with a most delightful children's party for her little daughter, Clarice's fourth birthday. The children played out door games merrily for some time and were then invited into the dining room. The room was beautifully decorated in a manner suggestive of the holiday season with the Christmas colors, green and red displayed every where. The Christmas tree was still standing and was viewed with much delight by the small guests. The birthday cake, with its lighted candles formed a charming centerpiece and a gay candle was burning at each plate. Fruit punch and assorted candies were served with the cake, each guest cutting their own slice in a hunt for the favor baked in the cake. Before leaving each guest was presented with a bag of candy, fruit and a small doll as a souvenir of the delightful afternoon. The tiny tots enjoying the party were: Pauline Holder, Nettie Holder, Hortense, Lottie, Joe and Guy Horton Sears and Frances Carter, Phimore Mary and John Robert, Mercedes Ruth Hartman, Bob Roark, Mary Robertson, Marvyn Robertson, Jessie Raley, Fred McPadden, John Robert Pitman, Loreign Russell and Eleanor and Clarice Pitman.

LADIES AID SOCIETY OF FIRST M. E. CHURCH MEETS

The Ladies Aid Society of the First M. E. Church held a Rally Day meeting in the church parlors Monday afternoon. Important business was transacted and the plans of the work for the coming year were outlined. After the business meeting the ladies were most delightfully entertained by the president, Mrs. Corhill and the pastor's wife, Mrs. Cox. The ladies served a very delicious and appetizing two course luncheon, consisting of scalloped oysters in patty shells, sandwiches, pickles, followed by pumpkin pie, coffee and mints.

EPISCOPAL GUILD HOLDS MEETING WITH MRS. ALLEN

The Ladies of the Episcopal Guild met Monday afternoon with Mrs. H. A. Allen. The session was a very interesting one, the lesson in church history being unusually so. A discussion of this lasted for some time and a short business session was held. The members present were: Mesdames Inge, Fontaine, Jones, McCloy, Milburn, Clapp, Childers, and Sainmons. The Guild meets next with Mrs. Frank Blair.

LOCAL CHURCHES BRANCHING OUT

FOUR SUCCESSFUL MISSIONS HAVE BEEN ESTABLISHED IN PARTS OF CITY

LATER SELF-SUPPORTING

Baptist, Presbyterian and Methodists of Both Branches Have Extended Work in This City

As Wichita has expanded and different additions to the city have been built, so the churches have also expanded, and now there are four missions firmly established, one of them being self-supporting. A year ago there was only one, the Fourth Street Baptist. The former Fourth Street Mission is now a church in itself, employing its own pastor and governing itself. It has been recognized as a church since last December. Rev. T. E. Cannady is pastor of the Fourth Street Church and is also city missionary in connection with the Walnut Street Mission. This church is fully organized with its 17

Y. B. P. The Woman's Alliance holds regular services and is accomplishing a great deal.

The M. E. Church, South, is represented by the North Wichita Mission which is also a church, having been received into the conference a year ago last November. J. W. McDonald is the city missionary in charge of this station. The Methodists have also a lot out on Kemp Boulevard on which they contemplate erecting a mission at some future date.

The Presbyterians established what was known as the Tyler Street Mission in Floral Heights about last June. However, on the completion of the Floral Heights Mission the two were consolidated. The Floral Heights Mission, it might be stated, was built almost entirely by the efforts of the congregation with very little outside aid. Rev. H. M. Frank, missionary for this county is in charge of this mission, services being held every Sunday.

The First M. E. Church has a mission in the factory addition, known as the Pauls Memorial Mission. It was dedicated last Easter. Services are held there every Sunday. Rev. J. E. Cox of the First Church being in charge.

These missions permit many to attend divine services who would otherwise, on account of the distance, be unable to do so.

YOUNG MEN'S FORUM IN SESSION FRIDAY NIGHT

The Alumni Debating Society held a meeting Friday night at the Chamber of Commerce rooms and made plans for the new year. These plans include an increase in membership to twenty-five or thirty and changes in the meeting time and meeting place. Hereafter the organization will meet on Monday nights at the Chamber of Commerce rooms.

A change in name was also decided upon and the organization will be known henceforth as the "Young Men's Forum." The former name being found unsuitable as many members were not high school alumni. Membership is open to all young men of the city who are interested and a special invitation is extended to those to be present tomorrow night, when another meeting will be held. On the following Monday, it is planned to hold an open meeting.

The program for tomorrow will consist of a number of short talks on present day topics by members of the forum. On Friday night this was also the form of program and although the talks were extempore, they were full of interest. The forum now has a membership of about fifteen and it hopes to increase this within the next few days.

WILL PRESENT "SAPHO" AT WICHITA THEATRE TUESDAY

An advance notice says: "Probably no good woman ever lived who did not, at times, wonder how a bad woman could possibly fascinate any self-respecting man. The terms 'good' and 'bad' in this relation, are merely comparative. No good woman ever existed who was perfect—no bad woman has been ever utterly unworthy of some consideration.

"The book, 'Sapho' as Alphonse Daudet wrote it, portrays a woman by no means altogether bad and his portrait of such a woman is artistic to the last degree. The Netherlands play, dramatized from this book, has much of Daudet's delicacy and gave the impression of a woman whose thread of life we would prefer not having touch our own. The film adaptation (Elmer Harris) as acted by Florence Roberts and shown in all moving picture theatres, however, may be described as thoroughly human.

McKEEN DENIES THAT HE WILL LEAVE WICHITA FALLS

A. C. McKeen of this city, national director of the Loyal Order of Moose was all "riled up" yesterday over the statement in a Fort Worth paper that he was to move to Fort Worth and quit Wichita Falls. Mr. McKeen took occasion to deny the report very promptly and says he has no intention of leaving this city. The report originated from the fact that while reorganizing the Moose lodge in Fort Worth he is spending two or three days out of every week there, but he still calls Wichita Falls home.

Mr. McKeen's term with the Moose lodge does not expire until next June and he expects to become manager for a manufacturing concern which is to locate here, so that he will continue a Wichita Falls resident.

"This town means too good to me," said Mr. McKeen, "you can put it down that I'll be here for a long time yet."

DENVER ENGINE IS SIDE SWIPED

COLLISION EARLY SATURDAY MORNING IN THE LOCAL FREIGHT YARDS

IS KNOCKED FROM TRACK

Left Standing on Edge of Embankment At Angle of Forty-Five Degrees

A Katy switch engine being run to the round house on the north side of the river sidwiped Fort Worth & Denver switch engine No. 66 at the head of the caboose track switch south of the railroad bridge at about five o'clock Saturday morning. The Katy engine was moving at a good clip and in the collision its cylinders and driving rod was stripped and other damage done while the Fort Worth & Denver engine was knocked off the track and was left leaning at an angle of nearly forty-five degrees at the side of the track. A little more and it would have rolled down thirty feet embankment. It was also considerably damaged but it is believed a few days in the local shop will put it in running order again.

The Katy locomotive did not leave the track and although it sustained greater damage than the engine hit, it was removed to the North western shops without difficulty. The Katy engine was being run to the round house by two engine hostlers. No one was hurt in the collision.

"BEN-HUR" AS SHOWN TO ROYALTY OF ENGLAND

Members of King's Family Taken Behind Scenes To See "Horse Race" Mechanism

An advance notice for "Ben Hur" says:

The veneration of royalty is not an American trait. This fact has brought down on our democratic heads much adverse criticism from the faithful of other shores. An amusing evidence of this soil prejudice was given recently during the run

of "Ben Hur" at the Theatre Royal, Drury Lane, London. The English royal family manifested a remarkable interest in the pious spectacle which has made the name of General Lew Wallace famous the world over. Klaw and Erlanger, the projectors of the big production, built a box in the middle of the pit so that the King, Queen and Prince of Wales might observe the chariot race and other unique features to the greatest possible advantage. When the wonderful production was first introduced to a London audience in 1902 King Edward, Queen Alexandra and the then Prince of Wales, but now King George attended several of the performances and were taken behind the scenes to see in action the mechanism which makes the chariot race

driving at maddening pace the thoroughbred horses, so thrillingly interesting and real.

It was at this time His Majesty made the remark that the royal box at the side of the theatre did not afford a perfect sight of the splendid racing scene. Mr. Erlanger immediately got busy with Yankee wit and enterprise to get the King's approval for building a box in the center of the theatre for the use of the Royal Family. This looked like a radical if not impertinent move to the tradition-bound Britisher, but King Edward, who always manifested a kind of interest in the theatre, gave the demand and, from thence on, the members of the royal family witnessed the thrilling scene of "Ben Hur" from a box in the middle of the pit.

When "Ben Hur" was produced at the Theatre Royal recently, King George, Queen Mary and the Prince of Wales showed the same lively interest as their immediate ancestors in the big production and the young Prince, like his father and grand father before him, was particularly curious about the mechanism of the wonderful chariot race. His Royal Highness the Prince of Wales, attended by his gentlemen in waiting, visited the busy hive back of the curtain while preparations were being made for the chariot race and the food quickening spectacle of the thrilling competition. Mr. E. G. Cooke, who has been business manager of "Ben Hur" from the time it was first produced, is a level headed Yankee with a searching eye and an ear near the ground for anything that may be of help to the enterprise. When the stage manager, argued him into the propriety of letting one of the chariot drivers wear a small mask for this performance. You can imagine what effect this had on the great audience present in the theatre after it had assimilated the surprising news that their beloved Prince was to be the driver of one of the horse chariots at this performance.

The audience rose to its feet and cheered until the immense recesses of the theatre echoed and re-echoed like the cannonading of battle. Instead of Mr. Cooke being abashed by the success of his joke, on the contrary he told one of the Prince's equerries who in turn apprised His Royal Highness and the young Prince laughed with the utmost good nature at the imposition that had been put upon his devoted followers and where he left the theatre, he acknowledged the greeting of the waiting crowd outside with a keener zest and sparkle of good nature because of the incident here told.

READERS OF BOOK WILL LIKE PLAY STILL BETTER
The millions who have read Mr. Fox's fascinating novel, "The Trail of the Lonesome Pine" will be even more delighted with the charming play which will be seen at the Wichita Theatre next Wednesday matinee

and night. It exhales all the fragrance and romance of the Virginia hills and no American actress could be closer to the true spirit of June, that delicious young mountain girl, than Miss Isabelle Lowe is. The play is not only the light of an inspiration but it is one of the most realistic and picturesque products of stagecraft ever seen, for the beauty of nature and breath of romance, are found in the story and you must know the June, whom so many people have read about all over the world. Her story, her life have irresistibly appealed to all young and old, throughout the west and east. It has enthralled people in half a dozen languages. It is hard to estimate how many men, women and children have followed the little barefooted girl from her cabin in the hills through the vicissitudes of her fight for love over feudalism and not one can actually miss seeing what their imaginations have pictures.

The June that you will see when the curtain goes up, standing beside the gaunt sentinel that marks her trusting place, is a golden haired, lithe, barefooted creature, in whom nature seems to have blended all her moods. Nature was her mother and she has endowed her with all the gifts of her command. In her will be found the fierceness of the tempest, as it rages around the mountain peaks; the pity of the breeze when it sighs through the pines; the joy of the sun when it kisses the rippling water; the brooding of the still night and the peace of twilight. For June there were fairies and to her the trees, and flowers and rocks and waterfalls spoke in certain language. Her body is as graceful as a sapling and she is as fleet of foot as a deer. Her abundant hair is of lustrous gold

and wind and sun have given incomparable color and complexion to the features which were more than beautiful, because they form the mirror in which the heart is shown. And in this, hate, music, poetry, calm, passion, peace and desire, sweetness, courage and pride by turns appear. You will see June as she sits at the foot of the pine and draws her knees up with her arms clasped around them and you will listen to the simple story of her simple life as she tells it to Hale. You will see the lights and shades come and go on her face. Light of joy, shadow of sadness; flash of mirth; earnestness of desire; play in her eyes and on her lips, as she tells him of how her head sister, speaking through the pines counsels her to seek learning. Moreover, when the name falls, passes her lips, you will see that the spirit of the feudists is strong within her, for June loves her father and hates the Fallins. The cast is a notable one.

"ROBIN HOOD" IN MOVING PICTURES AT VICTORIA

An advance notice says: The story of Robin Hood will be told in moving pictures at the Victoria Theatre Tuesday night. This Mutual feature will be in three parts, one dealing with Maid Marian and Robin Hood, another with Alan-a-Dale and Robin Hood and the third with King Richard and Robin Hood. BEN-HUR

A MIGHTY PLAY

The Most Impressive of all Stage Pageants

All the Oriental splendor of the Indian Durbar, which King George V of England, journeyed to Delhi, India, to take part in, will be brought to the doors of Wichita Falls in this elaborate new production of "Ben-Hur." Never before in the history of the stage has there been so much wealth expended on the presentation of an historical spectacle. Flashing jewels, dazzling armor, magnificent robes, superb draperies, the marvelous rugs of the Far East, the costly furnishings of two thousand years ago—all these things are combined and displayed in the wonderful revival employing the services of

GIVEN AWAY

ABSOLUTELY FREE!

NO LOTTERY! NO RAFFLE!

No Violation of the Law. It Costs you Nothing.

The proposition is simply this: On the 11th, 18th and 19th of this month the Scotland Realty Company will give free tickets to every man, woman and child who visits the Scotland Addition. On Monday the 19th, we will give away absolutely free one choice lot. The party receiving this lot must be on the ground on this date at the time the lot is given away or be represented by some immediate member of their family.

The Scotland Addition is a beautiful plat of ground, lying North of the river, just eight blocks from court house. The company guarantees to build a bridge across the river, connecting the property with the main part of town, or refund every purchaser their money. The lots are all staked, the streets graded and the ground sown in wheat, so you will have no trouble in locating the Addition. This addition must be seen to be appreciated and we desire to make it worth your time to look it over. Scotland lots are selling rapidly. The price is \$200.00 for inside lots \$250.00 for corners, \$20.00 down and \$10.00 per month. No taxes until lot is paid out.

DEVELOPS BREED OF SHEEP THAT PRODUCES WOOL LIKE ASTRACHAN

EXPERIMENTS ON ALBRIGHT FARM

ARCHER COUNTY MAN SUCCESSFUL IN EFFORTS TO PRODUCE SUPERIOR KIND

IS KNOWN AS "KARALINC"

Inquiries Received From Sheep Breeders Throughout Country—Samples of Fur Exhibited

A new and distinct breed of sheep—one that he believes is superior for mutton, wool and fur to any known breed of sheep in the world is being developed by Alex Albright on his ranch at Dundee, thirty-five miles south of Wichita Falls. The new breed which he has named Karalinc, from the crossing of the Karakule and the Lincolnshire breeds, is already recognized as a distinct breed by the leading livestock shows of the country all of which now have separate classes for exhibits of this breed.

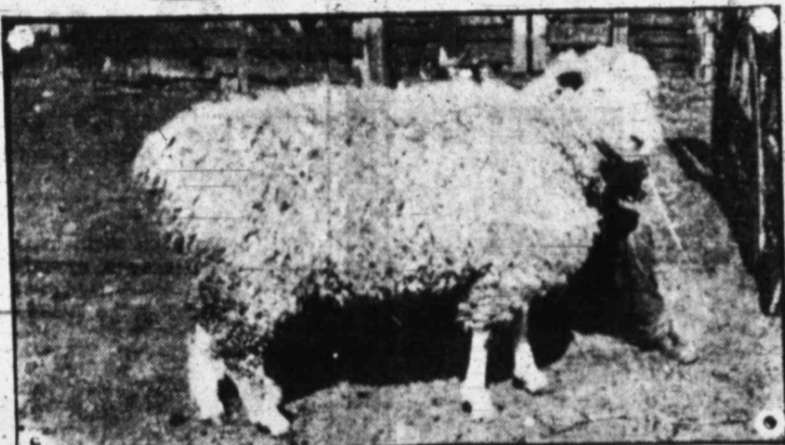

Mr. Albright who had made a name as a breeder of Lincolnshire sheep years before he started the development of the new breed seven years ago when Dr. C. C. Young brought to this country a herd of Karakule sheep from Persia. He has now reached the point in his breeding experiments where he has developed a type that will retain its characteristics in reproduction and can be called a new breed.

Brings Ram From Orient. Sheep breeders throughout the United States and Canada are recognizing the new breed and almost every mail-brings inquiries to Mr. Albright and orders for breeding stock. Last week Mr. Albright shipped two eight months old lambs of this breed to C. O. Gregory at Mt. Vernon, New York for which he received \$50 each. He also shipped an eight months old lamb to R. E. Graham of Portland, Ontario, for which he received \$50.

Mr. Albright has used seven different Karakule rams in his breeding experiments. All of these were from the herd brought over by Dr. C. C. Young. He now has only one pure blood Karakule—a ram—on his ranch but has two more enroute from the

Karalinc Ewe, 18 months old, with wool 21 inches long. Raising substitute for human hair.

of England whence they came. They are profitable only in dry climates, as any extended period of damp weather will cause the heavy, cumbersome coats of wool to rot and deteriorate into commercial worthlessness. There is only one other place in North America where these sheep are raised with any success and that is in Canada.

Finds Ready Market. The wool finds a ready market with New York dealers in false hair, who pay one dollar a pound for it. Mr. Albright has a standing order to ship all of his clip to this concern and he could sell many hundred pounds more than his sheep produce.

The wool fibers range from eighteen to twenty-four inches in length and is as sheer as silk. It was only recently that the value of this wool in the construction of artificial coiffures became known and it is said that it obviates many of the objections from a sanitary standpoint which were made to the rams from Chinese hair and from other sources. The wool is carefully dyed and made into wools that are becoming more and more popular.

HIGH SCHOOL DEBATING CLUB MEETING FRIDAY NIGHT

The High School Debating Club met Friday night at the high school. The program was opened by an extempore talk by Charles Butts on New Year's resolutions. The feature of the evening was a debate on compulsory education in Texas. Those favoring a system of compulsory education were Brennan Gillespie, Martin Wooley and T. Beegs. The opponents were Edgar Carney, Leland Burg and Ivan Lawler. The argument on both sides was sound, but the decision of the judges was for the affirmative, following the debate an excellent talk was given by Rev. F. E. Walters.

Specimens Seen Here. The Karalinc sheep produce the finest of Persian lamb and Astrachan furs, wool of the highest quality and mutton that is unsurpassed. Some specimens of the furs from these sheep have been on exhibition in Loeb-Liebold's show windows. The

skins were hides of day-old lambs one type being classed as Persian lamb and the other as Astrachan. Hides from Karalinc lambs sell to the New York importers from \$4 to \$12 each. Lambs from a cross between the Karalinc and Karakules bring from \$8 to \$16.

Mr. Albright now has at his ranch 550 Karalinc sheep which are being reserved as breeding stock. He also has 125 head of registered Lincolnshires, his flock of this breed being one of the finest in the country.

The Lincolnshires are the very quintessence of sheep aristocracy. They take their name from the part

Texas raised Lincolnshire Ewe, produced 100 pounds wool.

POLL TAXES COMING IN MORE RAPIDLY

A Few More Receipts Issued at City Office Than On Same Date Last Year

Poll tax payments at close of business last night were 214. Same date year ago 179.

Poll tax payments are coming in more rapidly at the city tax collector's office now. Up to last night 214 poll tax receipts had been issued there. This was 35 more than had been issued up to the same date last year.

In 1913 a total of 1235 poll tax receipts was issued in Wichita Falls. The lowest estimates for this year's receipts is 1700 and if there is plenty of work to keep all the laborers employed it is expected that the payments will run up to 1700 or 1800 or even higher.

Wichita Falls showing so far is far behind some other cities of the State and a whole lot of people must do business with the tax collector between now and January 31 if we are not to be left behind.

WEATHER DURING WEEK TOO GOOD TO BE TRUE

Looked Like Springtime and Baseball Reappeared On Vacant Lots. Norther Saturday

The warm spring-like weather of the past week apparently fooled a number of small boys into the belief that spring had really arrived and on more than one vacant lot baseball games have been in progress. The weather was fully warm enough for baseball, attaining a maximum of seventy degrees on Thursday and keeping well above the forty degree mark for the first six days of the week. Yesterday morning dawned considerably colder and a mild norther came on during the day. Fair and freezing was the prediction for last night. The weather since the first of the year has been unseasonably warm, with little wind and consequently little dust, so that Wichitans have had occasion to feel more kindly toward the weather man than they did during November and December.

HOW TO SAVE YOUR EYES

Try This Free Prescription. Do your eyes equal wonders for you already wear eyeglasses or spectacles? Thousands of people wear these "windows" who might easily dispense with them. You may be one of these, and it is your duty to save your eyes before it is too late. The eyes are not more important than any other organ of the entire body. After you finish your day's work you sit down and rest your muscles, but how about your eyes? Do you rest them? You know you do not. You read or do something else that keeps your eyes busy; you work your eyes until you go to bed. This is why so many have strained eyes and finally other eye troubles that threaten partial or total blindness. Eyeglasses are merely crutches; they never cure. This free prescription which has benefited the eyes of so many may work equal wonders for you. Use it a short time. Would you like your eye troubles to disappear as if by magic? Try this prescription: Go to the nearest wide-awake drug store and get a bottle of Optona tablets; fill a two ounce bottle with water; drop in one tablet; allow to thoroughly dissolve. With this liquid bathe the eyes two to four times daily. Just note how quickly your eyes clear up and how soon the inflammation will disappear. Don't be afraid to use it; it is absolutely harmless. Many who are now blind might have saved their eyes had they started to care for them in time. This is a simple treatment but marvelously effective in multitudes of cases. Now that you have been warned don't delay a day, but do what you can to save your eyes and you are likely to thank us as long as you live for publishing this prescription. (Adv.)

ADVERTISING CAMPAIGN BY TOWN OF HENRIETTA

New Gas Pipe Line Enables It To Seek New Industries at Low Fuel Rate

The town of Henrietta, through its Booster Club, has inaugurated an advertising campaign, going after additional industries. The completion of the new gas pipe line into Henrietta by the E. J. Shale interests enables that city to make a low rate-for manufacturing consumers and this fact is advertised in a small display in the current number of the Manufacturers Record. Four cent gas, healthful climate and three railroads are the attractions which Henrietta offers.

30,000 VOICES!

And Many Are the Voices of Wichita Falls People

Thirty thousand voices—what a grand chorus! And that's the number of American men and women who are publicly praising Doan's Kidney Pills for relief from backache, kidney and bladder ills. They say it to friends. They tell it in the home papers. Wichita Falls people are in this chorus. Here's a Wichita Falls case.

F. McEnnis, carpenter, 1108 Scott avenue, Wichita Falls, Texas, says: "I suffered from pains across the small of my back and in my sides. I also had to get up frequently during the night to pass the kidney secretions. Seeing Doan's Kidney Pills so highly recommended, I got a box and used them. In a short time I was cured."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other. (Adv.)

THE MERRY MANKINS AT THE LYDIA MARGARET

The "Merry Mankins" in a picture the title staged by Walter R. Reeves and Company will be the feature attraction of the bill opening at the Lydia Margaret tomorrow. "The Merry Mankins" have made a big hit everywhere, according to the press notices.

The characters which take part in this miniature theatrical are the cutest and most lifelike ever imaginable. Just such an act that the grown-ups will marvel at and the kind the kids will rave over. It is a veritable toyland with a fairy spectacle and all the splendid attributes that go to make an act of real class.
