## BULGARIAN IRREGULARS ATTACK SERBIAN TROOPS

By Associated Press.  
Paris, April 3.—Hostilities between Serbian troops and Bulgarian irregulars have broken out along the border. An official statement issued at Niash, Serbia, forwarded to the Havas Agency says the Bulgarian irregulars overpowered the frontier guards and occupied Serbian territory.

The statement follows:  
"Last night about two a. m. more than a regiment of Bulgarian irregulars wearing military uniforms attacked our position at Belandova. Our frontier guards overwhelmed by superior forces retreated toward Strumitza. At five a. m. the Bulgarians reoccupied all the heights on the left bank of the Vardar. The losses on both sides were serious. Neighboring frontier posts immediately sent reinforcements. The result of the battle still is unknown and details are lacking."

### BULGARIAN DIPLOMAT SAYS TROUBLE UNIMPORTANT

London, April 4, 3:15 a. m.—A dispatch to the Exchange Telegraph Co. from Rome says a member of the Bulgarian legation in the Italian capital in an interview concerning the frontier fight between Bulgarian irregulars and Serbian troops declared the encounter was unimportant and purely of a local character. The diplomat is quoted as having said also that he believed the Bulgarian and Serbian governments were excellent and that Bulgaria was loyally observing her neutrality.

## Photograph Taken After Sunday School At The First Baptist Church March 28th

A Sunday school attendance of 750 is the mark set at the First Baptist Church this morning. The attendance was 640, which is believed to have been the record for Wichita Falls. The attendance at a new church will be undertaken in the very near future.

Sunday services of this church are growing so large that it is now almost certain that the delayed addition to the church or the building of a new church will be undertaken in the very near future.

Attendance at all the Sunday schools in the city is increasing and there is a friendly rivalry between them which can show the largest percentage of increase.

## DEPUTY SAYS ITALY WILL BE IN WAR BEFORE END OF MONTH

By Associated Press.  
Paris, April 3.—Giuseppe Bevione, editor of the Turin Stampa and a member of the Italian chamber of deputies, told the Associated Press today that he had a deep conviction that Italy would be in war against Germany and Austria before the end of April. Signor Bevione said Italy's military operations were almost complete. The Italian government, he said, was not waiting for a decisive battle with the allies but desired

for such a battle, as Italy would then be in a position to realize her aspirations in accord with the allies. He added that it was not possible for Austria to satisfy these aspirations because in part they concerned the Mediterranean. The belief was expressed by the editor that the Vatican would not be opposed to delay intervening in the war. He said also it was not necessary for the government to convoke parliament for the purpose of declaring war.

## FIGHTERS COMPLETE THEIR TRAINING

IN FINAL WORKOUT NEITHER  
GAVE ANY INDICATION OF  
HIS STRENGTH

## LITTLE MONEY IS WAGERED

Willard Boxes Like a Boob and Negro Wrestles and Grins Like Chimpanzee

By Associated Press.  
Havana, April 3.—Jack Johnson and Jess Willard completed their training here this afternoon for their 45-round bout for the world's heavy-weight championship Monday. This was the last public appearance of the pugilists before they enter the ring at the Mariposa race track. Their final work was watched by the biggest crowd since the arrival of the fighters in Cuba.

At the end of the day's exhibition the same uncertainty and doubt as to the probable winner persisted. The crowd was not in the mood of pugilists, as was apparent during the last two weeks. Neither fighter showed anything like a flash that would reveal hidden power or ability to clinch the premier honor of the boxing world.

Willard Like a Boob.  
At Mariposa a big gathering of men and women watched Willard box two rounds with each of his three sparring partners. He showed some of his old faults, a lack of fighting spirit, which, however, may have been due to a desire to change his opponents, and he sparred with his mouth open and his jaw loose, blinking his eyes when leading or expecting a blow. A great crowd gathered at the stadium to witness the six round bout between Johnson and Sam McVey, which proved to be a burlesque. The champion charged with clinches and wrestle and smile. The situation was extremely tantalizing as men with money hoped to get some actual idea of Johnson's form.

### Referee Warns Fighters.

Referee Jack Welsh announced tonight that he had seen and talked to the fighters and had told them he would not decide the fight on technicality. It must be won in a straight stand-up fashion. He instructed the fighters that they must protect themselves in clinches and in breaking and also must break when ordered to do so by the referee; otherwise straight Marquis of Queensbury rules would govern the battle.

While the Cuban authorities readily granted permission for the fight, they will not, it is announced, sanction fighting between local white and black men in the future. They are not taking any chances of untoward happenings on Monday as militia will be freely dispersed about the arena.

### Little Betting Done.

There is less actual betting on this contest than in any similar match in years. There are so many uncertain angles to consider that big betters are uncertain about placing their money.

## JURY OUT AT ARCHER CITY ON MURDER CASE

Evidence and Arguments Completed  
Yesterday in Trial of Mrs.  
Minerva Scott

Special to The Times.  
Archer City, Texas, April 3.—The jury which is trying Mrs. Minerva Scott of Dundee, charged with the murder of an infant child, was still out at 10 o'clock last night. The case was given to the jury at about 11 o'clock this morning.

Mrs. Tex Kiser, mother of Mrs. Scott, who was jointly indicted with her on a charge of murder, was granted a severance in her case which will not be disposed of until after the trial of her daughter.

The grand jury, which has made its final report and has been discharged, returned six indictments of which three were for horse theft and two for murder.

Judge Akin remained here tonight but will probably go up to Wichita Falls to spend Sunday tomorrow morning.

## BATTLE ON SOUTH OF NUEVO LAREDO

4,000 VILLA FORCES REPORTED  
ENGAGED WITH 2,300 CARRANZISTAS

## ALARM AT NUEVO LAREDO

Victory by Villa Troops Would Mean  
Evacuation of That Border  
Town

By Associated Press.  
San Antonio, Texas, April 3.—A Nuevo Laredo message says a force of 4,000 Villa forces en route to Nuevo Laredo encountered 2,300 Carranzistas at Andela 35 miles south of there this afternoon and a battle is being fought; at a late hour the battle was still in progress, but details had reached Nuevo Laredo except the information that the Villistas were equipped with cannon which they were using; they are believed to have begun their march from Colonvillas to attack Carranzistas who were surprised in the column of Carranza troops marching south.

The outcome of the battle today is awaited with intense interest at Nuevo Laredo for victory by the Villa forces would mean the evacuation of the town by the Carranzistas, which is small in number since the main body was sent south and resistance would be useless against an army of 4,000.

## CARRANZA AGAIN WARNED TO RESPECT FLAGS

By Associated Press.  
Washington, April 3.—The United States government has renewed its representation to Carranza to obtain respect for foreign flags recently violated at Manzanillo asking him to instruct his officers there to afford protection to foreigners and their interests. "To this no reply has been received. A separate communication was sent to General Carranza today calling his attention to the indiscriminate firing by his troops on the oil tanks in the vicinity of Tampico; 150,000 barrels of oil already has been lost as a result of perforations made by bullets puncturing the oil tanks.

Conditions in the Tampico district gave officials much concern. State department dispatches said, "the food situation is growing worse; about 300 Americans are desirous of returning to the United States and fighting continues at Elcano."

## SUBMARINE PURSUED AND SUNK STEAMER

After Chase of Several Miles Projectile  
From Submarine Sent Steamer  
To Bottom

By Associated Press.  
London, April 3.—The British steamer, Lockwood, was torpedoed by a German submarine Friday night off Start Point, Devonshire. The crew was saved. A German submarine pursued the Lockwood several miles before gaining a position from which she could discharge a torpedo. The projectile struck the steamer above the engine, but the crew of 25 found time to lower a life boat. Later they were picked up by a trawler. The steamer Lockwood was owned in London, built in 1896, she was of 677 tons and 236 feet long.

## FRENCH FISHING VESSEL A SUBMARINE VICTIM

By Associated Press.  
Scamp, France, April 3.—The three masted fishing vessel, Paquerette of Fecamp was sunk this afternoon by a German submarine off Epretat nine miles southwest of here. The crew was rescued in the ship's boats or by nearby sloops. The Paquerette had just sailed from the Newfoundland fishing banks with a crew of 22; nine other vessels belonging to the same company had preceded her but are apparently safely past the danger zone.

## FEAR OF INSULT CAUSE OF ACTION

THIS REAL REASON FOR RECALL  
U. S. ARMY OBSERVERS  
FROM GERMANY

## SITUATION VERY EMBARRASSING

American Military Observers Were  
in Daily Danger of an "Un-  
pleasant Incident"

By Associated Press.  
Washington, April 3.—The five army officers on duty as military observers with German armies have been ordered home and their places will not be taken by other officers. The reason assigned for the recall order was that their mission had been fulfilled and it was announced this would be the war department's last word in the matter.

It was known, however, that other reasons, largely of a personal character, had something to do with the situation. American officers, it is said, found their position difficult on account of the high tension to which, at least a few, of those with whom they come in contact, have been strung by the war and by press dispatches relating to the United States attitude towards Germany. The effect has been to hamper the observers and open possibilities of personal friction and officials here are understood to have determined to withdraw the officers to prevent the possibility of an unpleasant incident occurring.

Secretary Garrison was positive in asserting that the withdrawal had no connection with the case of Major Langhorne recently relieved as military attaché. This statement sets at rest suggestions that the reports of the observers to the war department had not been regarded as confidential. As far as it is known the withdrawal of the observers with other European armies is not contemplated. In justification of the action it was pointed out that the strategic uses of the information furnished by the observers in the early stages of the war. Now that the war has settled down to a question of endurance there is little need to report.

## RECEIVER APPOINTED FOR MARINE COMPANY

Default of Interest On \$54,000,000 Col-  
lateral Trust Bonds Cause of  
Action

By Associated Press.  
New York, April 4.—Application was made for the appointment of receivers for the International Mercantile Marine company which was chartered by the New York Trust company against this company the Fidelity Trust company and the International Navigation company. The collateral claims default of interest of \$4,746,000, four and one-half per cent collateral trust bonds.

The mammoth fleet that flies the flag of the International Mercantile Marine was brought together by a syndicate of American and British capitalists under the leadership of the late J. P. Morgan. The corporation in its present form was chartered by the state of New Jersey in 1902 and succeeded the International Navigation company; 119 ships flying the flags of Great Britain, the United States and Belgium were operated, according to the latest figures and there were then building eighteen more ships.

T. A. S. Franklin was named receiver.

## ANOTHER REDUCTION IN OIL PRICES ANNOUNCED

Pittsburg, April 3.—The third reduction in the price of crude oil within two weeks was announced today at the opening of the market by the principal purchasing agents here as follows: Pennsylvania crude, \$1.35; Mercer black, Newcastle and Cabell, 97 cents; Somerset, 80 cents; Corning, 83 cents; Rangland 63 cents. The cut on Pennsylvania crude was five cents a barrel, on most of the others three cents. Corning and Rangland were cut two cents.

## ONSLAUGHT BY THE RUSSIANS

IN CARPATHIAN PASSES AND IN  
POLAND THEY PRESS  
FIGHT

## REINFORCEMENTS SENT

Being Hurried By Germany From  
Belgium and Even From Front  
at Yser

By Associated Press.  
London, April 3.—The Germans are pouring reinforcements into Hungary to support the Austrian armies hard pressed by the Russians in the passes of the Carpathians and are also, according to dispatches from Holland, again sending men from Belgium to strengthen their eastern front where the Russians have taken the offensive.

The battle in the Carpathians continues night and day; the Russians who are being continually reinforced are making desperate efforts to enforce the Uzkok and Lupko passes, and upon the success of these operations their army which is on the Hungarian side of the Dacia is waiting for proceeding. Seemingly the Russians have had considerable success for the official reports announce the repulse of Austrian attacks south of the Lupko pass and west of Uzkok pass, and continued progress in the region of the latter pass and west of the Uzkok pass, despite stubborn resistance by Austrians.

## RUSSIAN ONSLAUGHT

On April 1 the Russians claim to have captured 100 officers and 7000 men and many machine guns. Austrian correspondents view this onslaught with misgiving and in dispatches give it precedence over battles in Bukovina where the Austrians a few days ago took the offensive and penetrated into Besarabia but have since, according to Russian reports, been defeated.

There is no change in Poland but the movement of German troops from Belgium eastward indicates that the general staff are uneasy over the activity of the Russians on the East Prussian frontier and in the central portion of the old kingdom. Having fortified the whole of Belgium and having recently opened the sluices extending the floods in Flanders, it is possible that they feel secure, or do not anticipate the allies will make their effort for some weeks yet. At any rate they have, Dutch correspondents say, depleted the garrisons in Belgium and have actually withdrawn men from the Yser front.

## COLDEST APRIL DAY IN TWENTY-FOUR YEARS

By Associated Press.  
New Orleans, March 3.—April cold weather records for 24 years were broken here today when the thermometer touched 42 degrees. Only twice in the 44 years that records have been kept here has the temperature been lower in April and then only one degree.

## STREETS OF NORFOLK, VA., INUNDATED BY TIDE

By Associated Press.  
Norfolk, Va., April 3.—A northeast gale which swept up the Virginia coast early today caused serious damage here although no loss of life had been reported early tonight. High tides inundated many of the principal streets. Wire and rail service were put out of commission.

## NINETEEN INCHES OF SNOW FELL IN PHILADELPHIA

By Associated Press.  
Philadelphia, April 3.—Nineteen inches of snow fell in Philadelphia in twelve hours today, breaking all records for any twelve hours in the history of the weather bureau here. The temperature tonight had fallen to 31 degrees. Railroad trains to Atlantic City and Ocean City on both steam and electric lines were annihilated and all wire communication with

## MANY SHIPS HELD IN PORT

Disturbance General From Maine to  
Florida and Centered Off Cape  
Hatteras

By Associated Press.  
Washington, April 3.—The weather bureau promised tonight night relief from tomorrow's Easter flurry from the unusual storm which held the Atlantic seaboard in a wintery grip today. Fair weather in the south forecasted after a day of snow, rain and wind.

## FAIR WEATHER IN THE SOUTH FORECASTED.

By Associated Press.  
New York, April 3.—New York and virtually the entire Atlantic seaboard was in the grip of a miniature blizzard on this, the day before Easter. Sticky snow driven by a northeast gale held up sailings, caused craft off the coast to scurry for shelter, damaged telegraph and telephone wires, delaying interurbans and surface trains and crippled transportation on elevated lines.

Tonight the flakes were falling as fast as ever but weather bureau officials predicted an end before morning. The condition of the streets made remote the possibility of holding the usual Easter parade tomorrow.

The disturbance was general from Maine to Florida with the center off Cape Hatteras where the steamer Prinz Maurice of the Royal Dutch West India line was in distress and sending wireless calls for help. Hardly a street car moved in lower Broadway in New York for several hours this afternoon; 15,000 men were called out to aid in clearing away the snow while Norfolk was cut off from wire communication.

It was reported in maritime circles that the Prinz Eitel, Frederick at Newport News had taken advantage of the storm to make a dash for the open sea. Inquiries, however, proved the report erroneous and that the cruiser was still at her dock. The temperature here was about at freezing. Eighteen trains Atlantic and Cape-Maine were tonight waiting for some let up in the storm so they might slip out to sea.

## BULGARIAN RAID DISCOUNTED

Not much importance is attached to the raid by Bulgarian irregulars into Serbia. These raids are continually taking place, the only difference being that the latest was in greater force than usual. Serbia reinforcements compelled the Bulgarians to retire to their own frontier.

Today's maritime news was one British steamer, the steamer Lockwood, and a French fishing smack. With the return of the calm weather it is expected the airmen will soon become more active and reports of proposed Zeppelin raids on England are being revived.

## DELINQUENT TAX BILL IS SIGNED BY GOVERNOR

By Associated Press.  
Austin, Texas, April 3.—Governor Ferguson today signed House bill No. 40, being the delinquent tax bill. This is the bill which makes it mandatory upon tax collectors throughout the state to make out a list of delinquent taxpayers and see that delinquent taxes are paid. The bill also provides that district or county attorneys shall institute suits for the collection of delinquent taxes. Suit shall be filed by January 1, 1917, in all counties of 50,000 population or less and in counties of over 50,000 by January 1, 1915.

## AMERICANS AND OTHER FOREIGNERS IN MEXICO CITY ISSUE STATEMENT

## BLAME MILITARY LEADERS

Declare Mexico Being Reduced To  
Starvation Through Selfishness  
of Her Leaders

By Associated Press.  
Mexico City, March 25, via El Paso, April 3.—A report predicting that Mexico faced a serious situation respecting her food supplies has been made by a committee of Americans and other foreigners here. The report in every way is almost continuous fighting throughout the various parts of the republic have produced a condition of affairs in the food situation so serious as to threaten a famine of such proportions as to necessitate worldwide aid. The fact that farm hands have everywhere been thrown into so-called armies that farm animals are used for like purposes that leaders of roving bands marching under banners containing fantastic legends about liberty, used as a blind to facilitate pillage and robbery have so reduced the crop acreage that a big corn shortage is in sight.

Upon investigation we find that but five states of Mexico's 27 have a sufficient supply to carry them over. The purchasing power of Mexican paper will soon drop to ten cents in gold. Due to the unconceivable, ignorant and selfish attitude of the people Mexico will find herself called on to spend \$1,447,000 pesos to prevent the larger part of her population from starving. Where is this money to come from? Mexico must throw herself on the charity of the world. That these conditions are the direct result of the selfish attitude of the military leaders has been made plain of late by the conduct of Gen. Obregon acting under the direction of Gen. Carranza. Gen. Obregon entered Mexico City on January 29. The following day the water of the city was cut off, food prices already very high, rose to exorbitant figures, but Gen. Obregon, acting under the direct orders of Gen. Carranza endeavored in every way to prevent the introduction of foodstuffs into Mexico City. Not only did he refuse the city council cars for transporting such stock as were available near the capital, but he ordered his outposts to confiscate such as were brought in from neighboring regions.

There is an abundance of evidence pointing to the fact that inhuman conduct was part of a deliberate campaign to starve the population into enlisting in the ranks of his army. When the inevitable consequences began to evince themselves and the people cried for food, Gen. Obregon answered that the shortage was due to speculators and the selfishness of the wealthy classes. He immediately declared a levy of 50,000,000 pesos to relieve what he called the desperate situation of the city's poor. When the merchants refused to tax he invited the rabble to loot and sack. The people were not deceived; they refused to be used as his tools. The merchants of the foreign colonies raised a relief fund of more than \$500,000 in a few days and the acute stage of the crisis passed. Prices of the food in Mexico City are 200 and 300 per cent higher than normal and still rising due to the machinations of leaders of the type of Obregon. The world will witness a spectacle here which will be as a page torn out of the history of the middle ages.

## TEXAS RATE HEARING TO BE RESUMED MAY 2

By Associated Press.  
Austin, Texas, April 3.—The railroad commission today announced that the hearing of the application of the railroads for an increase in freight revenue, commenced at Dallas, would be resumed at Austin on May 2 and continue until May 13. In order to facilitate shippers and other parties in arranging their attendance on the hearing, the commission will consider a certain class of rates each day.

## FIRING WAS INTERMITTENT

General Funston Leaves Matamoros  
For San Antonio to Await  
Battle

By Associated Press.  
Brownsville, Texas, April 3.—There was intermittent rifle firing today all day from the Carranza trenches on Villa outposts. Major General Funston and American officers witnessed part of this firing from the American side about 150 yards from the western end of the Carranza trenches which were filled with men. The shooting apparently was made without effect. Gen. Funston, Major W. H. Hay and Capt. W. G. Bell left this evening for San Antonio. General Funston said he had much work there that he expected to return when Matamoros is attacked.

## AMBROSE BIERCE NOT DEAD; PERVING WITH ALLIES

By Associated Press.  
New York, April 3.—A friend of Ambrose Bierce, author and journalist and soldier who feared he had been killed in Mexico last December today learned his daughter in Bloomington, Ill., has received a letter from Bierce revealing that he is serving with the allies in France as a member of the British army staff. On the supposition that he was dead, articles concerning his mysterious disappearance and his unusual literary and military career had been published here.

## DAUGHTER REFUSES TO GIVE OUT LETTER

By Associated Press.

She said, however, her father was attached to Kitchener's army in France.

## AMERICAN BLUE JACKETS MAROONED AT VERA CRUZ

Unable to Board Ships On Account  
of Rough Sea Quartered in  
Customs House

By Associated Press.  
Washington, April 3.—Two hundred blue jackets from the American fleet marooned at Vera Cruz for two days and unable to get back to their ship on account of rough weather have been accorded every courtesy by the Carranza authorities. The following announcement was made today at the state department:

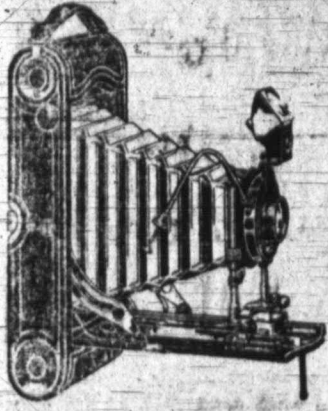

"The department is in receipt of a dispatch that several days ago a request of Rear Admiral Caperton for permission to land 200 men daily for liberty was granted. On the night of April 1 on account of the very rough weather the men could not return to their ships and through the courtesy of Rafael Zubaran, minister of the interior, they were given quarters in the customs house. It is stated that owing to continued rough weather the men were obliged to remain ashore again on the night of April 2 and the admiral was advised by a radiogram. Meals were furnished through arrangement of the American consul." Other advices to the department were summarized as follows:

"The department is informed that Gen. Villa and Gen. Angeles have gone west from Monterey which is reported quiet. Carranza forces from Laredo and surrounding towns are said to be concentrated at Lampaosa. Advices dated April 1 from the west coast state Carranza forces are advancing toward Guadalupe and that Jose M. Arrie, an Italian subject has been imprisoned for three weeks, apparently by the Carranza authorities at Manzanillo. Conditions are quiet at Guaymas and Mazatlan."

**ELEVEN FORDS SOLD IN WICHITA FALLS SATURDAY**

Motor Supply Company Makes Record of Sale of 18 Fords in Single Week

Eleven Ford cars sold in one day making a total of eighteen in one week, was the performance of the Motor Supply Company of this city. Yesterday eleven of the cars were sold and seven had been disposed of earlier in the week, making it a record week for the company. The purchasers yesterday were Arthur

Stephenson, P. Maricle, A. I. Anderson, G. D. Keuhn, Y. E. Stampfl, F. H. Roark and Jess Day, all of Wichita Falls; F. T. Otto of Scotland, W. M. Reitz of Electra, J. P. Pace of Iowa Park, W. L. Hodges of Iowa Park. Earlier in the week cars were sold to F. D. Clark, G. M. Ashford and G. W. Musgrave of this city; A. M. Troutman of Iowa Park, Chas. Gay and G. C. Masale of Graham and M. H. Stedman of Loving. The Motor Supply Company has delivered two automobile machines recently, one to J. A. Kemp and one to Mr. Dunn of Byers.

C. H. Coleman, a negro, was bound over in the sum of \$1,000 after a preliminary hearing in Justice Howard's court Saturday morning, on a charge of burglary in connection with the

breaking into the Howard Grocery last Monday night.

A parasite known as the bag worm has caused considerable damage to trees in the court house yard and it is feared it exists in other sections of the city. Justice of the Peace Howard has suggested that county prisoners be used to rid the tree of this pest, which is an injurious one, as is evidenced by its effect upon the court house trees. Some of the cottonwoods in the courthouse yard are apparently dead as a result of the depredation of the parasite. The bagworm constructs a tiny nest resembling a cocoon and numbers of these nests may be seen on the trees at present. Justice Howard thinks something should be done to check the further spread before more serious damage is done to growing trees.

### Building Operations Being Resumed In This Section

Building operations are returning to a normal condition after eight months of stagnation resulting from the European war, according to V. G. Shepard, manager of the Wichita Falls Sash and Door Company. Mr. Shepard reports that business was normal with his company in March for the first month since last July. The company's plant here is now running full time and with a full force and orders are coming in at a rate that indicate that these conditions will be maintained for some time to

come, at least. The company manufacturers sash and doors and other building materials. Orders have been coming in considerable volume from many points in this section of the State, indicating a general renewal of building operations. Newspapers at Vernon, Amarillo and a number of other towns in this section of the State indicate considerable building in progress and contemplated.

## GOOD YEAR FOR BLAIR-HUGHES CO.

LARGEST VOLUME OF BUSINESS AND NET PROFITS IN ITS HISTORY

## OUTLOOK MOST PROMISING

Indications Point To Record Breaking Year—Wiley Blair Jr., Elect- ed Director

Reports showing the largest volume of business in the history of the concern and also the largest volume of net profits were heard by the stockholders of the Blair-Hughes Co., wholesale grocers, at their annual meeting at the home office of the company here yesterday. The showing is considered a most remarkable one considering the fears that were entertained generally by business houses nine-months ago at the beginning of the European war.

Wiley Blair, president of the company told the stockholders yesterday that he believed the coming twelve months would be the most prosperous in the entire history of the company; conditions, he said, gave every indication of this.

A feature of the election of officers yesterday was the election of Wiley Blair Jr., as a member of the board of directors of the company. Young Blair came home from college sometime ago and entered the shipping room of the Wichita Falls house and has shown such aptitude and acumen that yesterday he was elected a director and made assistant secretary of the company. The boys of the office say that Wiley Jr. is a chip off the old block.

The company has wholesale houses at Wichita Falls, Dallas, McKinney and Quannah and is one of the biggest wholesale concerns of the State. The officers are: Wiley Blair, president; Frank Kell, vice president; J. A. Kemp, vice president; H. M. Hughes, secretary; Frank Blair, treasurer; Wiley Blair Jr., assistant secretary; D. P. Woodward, assistant treasurer.

## BURKBURNETT AND IOWA PARK WINNERS

J. Edward McWhorter and Henry Lee Lowrance Win Declamation Contests

In the county declamation contests held yesterday in connection with the county track meet J. Edward McWhorter of Burk Burnett won first senior honors and Henry Lee Lowrance of Iowa Park won first junior honors.

Three contestants will represent Wichita county in the district meet here this month and if successful in this contest, will represent the district in a state contest to be held later at Austin.

Charita Butts and Bryan Hicks of the Wichita Falls high school had no opposition in debating and will represent the county in the district contest also.

## LUTHER BELL STAR OF MEET

Scored Four First Places Before An- kie Turned Put Him Out of Contest

Wichita Falls high school athletes won the county track meet Saturday afternoon by a score of 117 to 75 over Burk Burnett, their only oppo- nent. The track meet was held at the city park and was witnessed by a large crowd. The result means that the Wichita Falls team will represent Wichita county in the district track meet which will be held here next week, in which eleven or more coun- ties will be represented.

Luther Bell was the afternoon's in- dividual star, scoring four first places before his ankle turned and put him out of commission. He won the shot, hammer throw, 220 yard dash and 100 yard dash. Lee, Dugan and Cooper were other Wichitans who contrib- uted largely to the score, while for Burk Burnett, Collins, Cannon and Gil- bert did the best work.

Showing Were Good.  
No exceptional records were made, the track being too soft for any show of speed, but in general the showing of the young athletes was very sat- isfactory. Electra, Iowa Park and Cashion, which are also members of the association, were not represent- ed.

The events in detail follow:  
Mile run—Lee of Wichita Falls first, Carney of Wichita Falls second, Mathis of Wichita Falls third, Hale of Burk Burnett fourth, Knauth of Burk Burnett fifth. Time—5:25.  
Pole vault—Hickman of Wichita Falls first, Dugan of Wichita Falls second, Green of Burk Burnett third, Harris of Wichita Falls fourth, A. Gilbert of Burk Burnett fifth. Height, nine feet five inches.  
120 yard hurdles—Collins of Burk Burnett first, Dugan of Wichita Falls second, others disqualified. Time, six- teen seconds.  
Shot put—Bell of Wichita Falls first, B. Gilbert of Burk Burnett second, Cooper of Wichita Falls third, Gentry of Wichita Falls fourth, Thom of Burk Burnett fifth. Distance 36 feet, 10 1/2 inches.  
100 yard dash—Bell of Wichita Falls first, B. Gilbert of Burk Burnett second, J. Collins of Burk Burnett third, Ward of Wichita Falls fourth, Cannon of Burk Burnett fifth. Time 11:35 seconds.  
Hammer throw—Bell of Wichita Falls first, Harris of Wichita Falls second, Cooper of Wichita Falls third, B. Gilbert of Burk Burnett fourth, Col- lins of Burk Burnett fifth.  
440 yard dash—Ward of Wichita Falls first, A. Gilbert of Burk Burnett second, A. Green of Burk Burnett third, Bentley of Wichita Falls fourth. Time 1:02.  
High jump—Cooper of Wichita Falls first, Dugan of Wichita Falls second, G. Cannon of Burk Burnett third, Hale of Burk Burnett fourth, Greig of Wichita Falls fifth.

Managers of Teams Desiring to Enter League Asks to Meet at Times Office

A meeting of the managers of the teams which plan to join the Twilight League, has been called for Mon- day at 6 o'clock in the editorial of- fices of The Times, and all are urged to be present. At this meeting the size of the league will be determined and some other matters considered. It is planned to start playing as soon as the weather conditions just- ify it and it is likely that a split sea- son will be arranged. So far six teams have indicated a desire to take part in the league and it is possible that a six club league will be for- med.

Carrier boys are not authorized, nor is it any part of their duty, to collect subscriptions to The Times. In order to receive due credit for amounts due on subscriptions, subscribers should either pay at the office or wait until the collector calls on them for it.

ED HOWARD, Manager

March was more than a normal month with at least one Wichita Falls wholesale manufacturing concern engaging in the business of furnishing supplies for builders. That is encouraging.

Had you ever noticed that the fellows who have no business of their own to finance, nurse and pull through hard times and business depression are ever ready and willing to advise the fellow who has, just how to do the trick.

And don't forget to use your poll tax receipt next Tuesday. Three aldermen, constituting a majority of the city council are to be elected. The Times has already stated plainly where it stood on the issues involved and is thoroughly satisfied that a large vote is polled the result will be one that will give encouragement to all men who really believe in the principle that no citizen, matters not what station he may occupy, shall be officially discriminated against by the government he supports.

The Times dislikes to speak of its business, but the facts are things have not been going well with it for the past six or eight months, though its payroll has been increased above what it was for the six or eight months previous. Much of this dull business is due largely to the war in Europe, some of it local conditions. But things are beginning to look better for The Times. During the past week it has lost six subscribers, but doing the same time has enrolled sixty-seven new subscribers. That's not bad. One of the last subscribers to The Times we feel quite sure is lost for good. He is a reader of the Appeal to Reason—pardon us, we meant to say the Appeal to Reason. So you can readily see what an awful job we are going to have in ever convincing him of his error.

The other day a citizen wanted an invalid chair for a sick friend and as invalid chairs are articles that are not usually carried in stock by furniture dealers, he was either forced to wait until the dealer could wire an order to the factory and await its arrival or find one that had already been used and set aside, doubtless in the hope that there would never be further occasion for its use in that family. But he could not recall who had ever been compelled to use such an article. And then a happy thought struck him. He would spend a quarter and try the much extolled virtues of a chair ad in The Times and before he retired that night he had two or three offers of invalid chairs. Being somewhat of a "Doubling Thomas" he had already told the furniture dealer to order a chair from the factory, but fortunately succeeded in getting it cancelled. There's no mistake about it, friends, Times "want ads" get the results.

Right here we want to reiterate that we are absolutely neutral in the matter of the European war, but from an entirely neutral standpoint we can't help but admire the nerve of that German captain who blew up an American merchant ship with his E-boat, then came into an American port, had his ship fixed up and is now preparing to make a dash for the high seas to blow up another American ship, or any other old ship he wants to. If he can get by with it, then, we repeat, our admiration for his gameness and audacity makes us smile, even if our comprehension fails to grasp just why Uncle Sam will permit it.—Sherman Democrat.

A SHOT AT THE MANLEYITES

Editor Times: As one of the silent minority I ask the right to get forth through The Times a few thoughts that seem to have escaped the Manleyites and other allied groups that affiliate themselves under the name of labor. As you have already handled the case of these fellow slogan will only add to the fact that they only practice coercion, intimidation and boycotting the liberty. I have yet to be shown that any of their self consti-

tuted leaders made other use of their confidence and support than to ride in case on their already "downtrodden" shoulders. It is a matter of history that no political plum, however small, goes begging in the camp of these big-hearted brethren. I have never been able to see that a vindictive monopoly of labor is better than a monopoly of capital. The only excuse that has ever been offered me is that of "time about is fair play" which if put into practice would merely invest the present order of things and remedy nothing. Time has shown that the laboring man is but a human, subject to all human weaknesses among which self-interest stands forth like straws in a mud hole; and that he will take every opportunity to put that short spring into active practice, time has also shown. As water seeks its level, so have we sought ours. Our love of momentary pleasure, dislike for responsibility and routine, inability to deny our own expenditures alone are responsible for our circumstances and so far as I know, no law exists that will compel us to seek the assistance of the hated capitalist. Such being the case we should not try by ignorant and ill directed efforts to take all the heart out of business unless we want to become permanent inhabitants of monkey-wrench corner. A WORKER.

LET THE TIMES ANSWER

Mr. Editor: The Daily Times pretends to be very much alarmed and suspicious of the results to this city, if the ticket put out by the labor convention is elected on next Tuesday. The editor fears that it will force all the labor that is here now and that which is to come in the future will be forced to join the unions of this city or do without employment. That special privileges, which the labor platform denounces, will be for the first time in our history, granted to some, and that "equal rights to all" will be ignored. Let us see if said editor is really sincere and truthful in his situations and suspicions as well as his better in unionism.

First, we admit that if said candidates are elected next Tuesday and that their administration by granting special privileges to union men, is to be for the betterment of the workers and ought not the editor for this reason support the labor ticket since he professes that he, himself, carried a card for years, and that unionism has uplifted and bettered the worker's condition? Why should he then be afraid to have something like the same ends in the betterment of the masses?

Does he believe that Christianity would better the spiritual condition of our citizens? If not, why does he contribute to its promulgation? Would he be alarmed at a probability of this city becoming wholly Christian and drive the liquor traffic from the city? Would he be alarmed if the city council were ministers of the gospel? If all the citizens now living here had all future comers were good moral Christians it would hurt no one, but would better our society at large.

If all the toilers now in the city and all future comers were unionized it could hurt no one, but would better the condition of the masses. Why should The Times object to either. But the Times knows that the labor candidates would not discriminate against the natural rights of any citizen, nor would they discriminate to the contrary. No citizen of Wichita Falls fears the consequences that will follow the modest administration of the labor candidates.

Second, The Times insinuates that it would oppose any candidate for councilman who proposed to favor one class more than another. The Times seems to have only one eye and that one is constantly looking at the movements of labor. Have you ever heard any protests from The Times against special privileges granted to corporations in this city by any of the city councils now or in the past?

If he had seen it perhaps he would have raised a protest, but his eye on that side is blind, for he declares that he opposes special privileges. One of the allies of the city is now being used by a railroad company not to the benefit of the city, but for its use as far as The Times knows. The city council gave the company the privilege to use it. Has The Times raised any protest?

The city council freely gave the Wichita Traction Company the street franchise upon which its car lines are now run. The Times has voted for the councilmen who gave this franchise since the act, but has never objected or protested to my knowledge. In like manner the water and light company, the telephone and gas companies all hold the franchise of the city streets and alleys as a gift from the city council, these, I understand, to be special privileges, but The Times affirms that he will vote for this same element as against the labor ticket.

Now what has been the former council's attitude on "equal rights to all." If a worker gets enough ahead to start a business or a hot tamales stand, though unable to rent a business building for this purpose, instead of giving him an equal right to the streets with the gas company he is required to pay dearly for his franchise. I am informed that a Mexican can pay five dollars per month for about four or five hours occupancy per day of one of our street corners to vend tamales. There are two or three pop corn stands in the city, one of these owners told me he had to pay one hundred and fifty dollars per year for his right to sell on the streets. Does The Times know about this?

Now to sum up—the street car company uses the streets free—the tamale man pays five dollars per month for this privilege. The water and telephone companies get free use of the streets and alleys, the pop corn stands pay \$5.00 per year for the use of the same streets. What does the Times call such acts if it is not spec-

lial privileges to some and equal rights to none, and how does it compare with the editorial on Friday, where the labor platform was made to read: "Equal rights to all (union men) and special privileges to none (except union men)." Come on over Bro. Howard and let us sing the long metre doxology. J. J. MANLEY.

Mr. Manley has the happy faculty of putting the meat in the cocoon in whatever he has to say and as an exposition of the principles enunciated in the letter of the Trades Council to the city council and to the county commissioners, in which an answer was demanded to a question as to whether these official bodies would employ none but union men on all public work, his communication is well worth while. To show how his letter fits in with this demand the Times herewith repeats it:

"Resolved, By the City Council of Wichita Falls that ALL PUBLIC WORK, including the construction of public buildings, with special reference to the joint city and county hospital, BE DONE EXCLUSIVELY BY LOCAL ORGANIZED LABOR, and that we will FURTHER DEMAND that such work be given to local laborers, MEMBERS OF AN ORGANIZED UNION IN THIS CITY."

This demand, which it is but natural to expect the candidates of the Labor Council would seek to give affirmation, if elected, makes Mr. Manley's assertion "But the Times knows that the labor candidates would not discriminate against the natural rights of any citizen, etc.," seem unfair.

Now The Times would be just as strongly opposed to a government by the preachers, the Protestants or the Catholics, the Masons or the Knights of Columbus or the "scabs" as non-union men are sometimes called by union men, as it would to a government by the corporations, or by the unions. What The Times wants is a government by the people, in the interest of all the people. If the three candidates whose names will go on the ballot along with the three labor candidates are going to run the city in the interest of any certain class they have made no public declaration of that intention, so far as The Times has learned. If they do make such an attempt Mr. Manley and all others can depend upon it they will do so over The Times' protest.

Now of course it would take too much time and space to dig up and quote all the protests made and the free advice The Times has given the city council and the county commissioners, trying to show them how to run the government, but the fact is that The Times has become known as a sort of chronic kicker and the editor has even been called "Old Grouch." What do you think of that? This advice hasn't always been appreciated at its true worth. The Times is constrained to believe, and just to show that The Times isn't a "hired organ" it may be proper to say that in the eight years of the existence of The Daily Times it has been the official city organ only two of them and the reason for making The Times the official organ these two years could not be avoided for the very good reason that the newspaper graveyard had claimed those papers thus favored. The honor, when it did come, was not solicited and was "wished" upon us. It really causes us to shiver to think of the narrow escape we made.

From Mr. Manley's communication the impression is given that none of the public service corporations pay anything for their franchises. If The Times is correctly informed some of the corporations mentioned will, after a certain period, share their earnings with the city. At least one corporation also furnished the city hall with light. It is becoming an accepted principle that public service corporations pay something for the use of the streets or other public property in addition to the public service which they give.

M. H. Carpenter, who has the agency for the Chalmers automobile for this territory reports the following sales for Master Sixes: R. O. Harvey, city, Carl Worsham, Henrieville, Texas, C. T. Watkins, Quash, Texas and Tom E. Hanks, Quash. Mr. Carpenter expects a carload of the light sixes which sell for \$1400 in this week.

CHECK AT DARDANELLES NECESSITATES A CHANGE

Allyes Reported Making Change in Plan of Attack at Dardanelles Straits By Associated Press. London, April 3.—A radical change in the operations of the allied fleet on the Dardanelles is forecast by the correspondent of the Star who has been for some time at the straits. In a dispatch from Athens he says the check received by the allies at the narrows has been sufficiently grave to make necessary a decided alteration of tactics. The present pause he characterized as a prelude to a new attack in what is confidently expected, he said, will prove in overwhelming force.

## I Guess This Will Beat It!

Cut this out and ask your grocery man to meet these prices. He will tell you we are crazy, but he just don't know. Some say their groceries are better. Now that is food for thought. They buy from the same jobbers and pay the same prices—except that we buy in larger quantities and buy for less—that is why we sell for less. We guarantee everything purchased at our store.

The same kind the other fellow sells for 25c. 7 bars of Crystal White or Clean Easy Soap for 25c. 24-pound sack of the highest patent soft wheat flour \$1.00. Smoked bacon, per pound 18c. Dry Salt meat, per pound 15c. Highest grade hams, per pound 17c. You buy 2 cans Calumet Baking Powder for 50c and we give you one free making 3 35c cans for 50c. Post-Tositles, 3 for 35c. Now if you want to see some classy jellies and preserves, come down and we will be glad to show them. 20 pounds Bayou Beans \$1.00. 20 pounds broken rice \$1.00. I guess these prices are worth thinking about. After you have thought it over, phone 1651 or 1631.

Buick Six-Cylinder Model C-55

## The Valve-in-Head Motor Car!

The thing that makes Buick motor cars stand out is power. And power is the most desirable attribute that any automobile can possess. The Buick Valve-in-Head motor insures power at all times. There is a greater reserve of power in Buick cars than in any other automobile, regardless of size or price.

- Model C-36—Price \$1185 f. o. b. Flint, Mich, complete with speedometer
- Model C-37—Price \$1235 f. o. b. Flint, Michigan, complete with speedometer
- Model C-24—Price \$900 f. o. b. Flint Michigan, complete except speedometer.
- Model C-25—Price \$950 f. o. b. Flint, Michigan, complete except speedometer

What Power Means to the Motorist—When we say the Buick has great power motorists interpret our statement to mean that the Buick is merely a great hill climber. They instantly associate power with hills. True the Buick is a great hill climber, but Buick power means far more than ability to climb hills. We realize that thousands of motorists never have any very big hills to climb.

The things that makes an automobile good or bad is power or the lack of it. And here is the thought we wish to impress upon your minds: You do not need hills to realize the vast importance of automobile power! Power is what gives punch to your motor car. It is the life of your car. Any old motor will make a car go, even up steep hills. But Buick power makes it go with a vim, an eagerness that is almost human. The Buick Valve-in-Head motor is a thing alive and active. It is a force that is volcanic. The difference between the Buick Valve-in-Head motor and "L" or "T" head motor is the difference between a school boy with spring fever and a two-year-old colt on a sharp November morning. To the boy, action is a painful process. To the colt, it is a thing of joy. Why the Buick Has Great Power—The Buick motor develops great power because it is properly designed. In all other types of motors the arrangement of the explosion chambers does not permit all the force generated to be hurled against the piston head. In "L" and "T" type motors there are valve pockets adjoining the cylinder, and opening into it. When the explosion takes place in these types of motors some of the force is hurled into these side pockets, where it does no good. In the Buick Valve-in-Head motor there are no valve pockets. The valves are in the head of the cylinder. Hence all the force generated in the explosion is hurled directly against the piston head, forcing it downward against the crank shaft. This, briefly, is the engineering principle upon which the whole success of the Buick Motor Company rests. We know it is the right principle, because in our own tests, with all three types of motors, we have proven time and time again that the Buick Valve-in-Head motor will develop from 15 to 25 per cent more power than the other types of motors. Buick power is just as apparent when the car is coasting along on the smooth boulevard as when climbing a hill. Buick power means more than merely the ability to climb hills. It means mechanical efficiency.

Buick Valve-in-Head power finds expression in the full line of Buick cars. Each one is built around the Buick Valve-In-Head motor—the motor which for twelve years has made Buick cars pre-eminent.

**WHEN YOU STOP TO THINK**

Have you really done all you could towards beautifying that cemetery plot of yours? We know it is the habit to neglect those things, and count a death in the family as an added burden to be thrown off as lightly as possible. Yet, don't you think you owe it to the community in which you live to at least assist those who are striving with all their might to make our BURIAL GROUNDS half way beautiful. The good ladies of the Cemetery Association have labored long and unceasingly, without so much as "thank you" from good influential citizens, who have never looked at their plot since that last sad day when some one was buried. Are you a real live wire, or just a plain make believe? Go out and look the situation over; that neglected plot on the hill will answer this question for you.

## IN THE SPHERE OF WOMANKIND

### SCHOOL BOARD BANQUETED BY HOME ECONOMICS CLUB

With only one more meeting to conclude their club year, the members of the Home Economics Club gave a most practical demonstration of their ability in the course of study in the service of a banquet to the members of the school board and their wives. The banquet was tendered the board Friday evening at the high school, where the club has held their meetings and the menu was prepared in full in the school kitchen. In connection with a course in practical cooking the club has studied the art of correct serving and of table arrangement and was given an opportunity to put this knowledge gained into practice. The club colors were used in the table decorations, the flowers being golden snapdragons, with an Easter motif repeated in the place cards of tiny chicks and the golden mints and other dinner accessories. Covers were laid for eighteen, the superintendent of the school, Prof. G. H. Carpenter and the high school principal, J. B. Jones, with their wives being included in the list of honorees. The following menu was served in five courses: Fruit cocktail, turkey with dressing and cranberry jelly, creamed peas in potato cups, baked apples, celery, nut salad in tomato cups with wafers, ice cream and cake, cheese, wafers, after dinner mints, coffee and salted almonds. By those fortunate enough to be included in the list of diners, the affair was pronounced an entire success.

### OPEN MEETING OF SOCIAL HOUR CLUB

The ladies of the Social Hour Club entertained Thursday evening in honor of their husbands, Mrs. G. M. Small and Mrs. H. O. Whittaker acting as hostesses. For the entertainment of the gentlemen and other guests the ladies had provided an interesting musical program. Misses Ina Ponder and Lonnie McClure, giving piano numbers, Miss Van Hooser and Mrs. Wilson, vocal selections and Wayne Small gave several whistling numbers accompanied by the

piano. Games of a pleasing variety were played until a late hour, when the hostesses, assisted by Miss Jennie Ashford served a luncheon party, very prettily arranged, the menu consisting of chicken salad on lettuce leaves, pickles, hot chocolate, and wafers, with a dessert of fruit salad and cake. NEW CENTURY CLUB MEETS WITH MRS. ASHMORE

The final character in the "Woman of the Bible" study in which the New Century Club has engaged was taken up Wednesday at the regular meeting with Mrs. Sam Ashmore. Mrs. Smith was leader, and "Dorcas" who made her life a service to others, taking care of the widows and orphans was the subject. Mrs. Carpenter read an excellent sketch of Peter and all engaged in a discussion of the lesson. In connection with the study of this noble woman and her work among the deserving poor the club discussed a line of social service work, to be taken up next year. Plans were made for some work of that character to be taken up at present, an opportunity for serving others being presented at this meeting. Further and more definite plans for this work and for the establishment of a permanent fund will be made at the next meeting. A social time was enjoyed and Mrs. Adams and Mrs. Ashmore favored with a piano duet. The hostess' refreshment service was unusually delightful, being in two courses and consisting of fruit salad, hot tea, olives and wafers, with brick ice cream in the club colors of green and white and cake. Mrs. R. M. Moore of Long Beach, California, a former member of the club, was a guest, the members present being Mesdames Bralley, Bernard, Gardner, Lee, Guest, Grisham, Walker, Carpenter, Silk, Burnside, Adams, Whitney, Smyre, Wood, Smith, Adicks.

MUSICAL FOR MISS WADDILL SATURDAY AFTERNOON

A delightful social event of the week just past was the matinee musicale given Saturday by Miss Alice Burnside, honoring her guest, Miss Mae Waddill of Tioga. The afternoon was ideal and the guests were treated to a program equally as ideal as the weather. Dainty printed programs, wearing the date, occasion, and the name of the honoree and hostess on the cover were distributed, the folders also containing a book contest. The prize in this contest was cut for, Mrs. Chennault being fortunate, and was quite appropriately a book. The more than enjoyable program follows:

Instrumental, Mrs. Mark Walker, reading, Mrs. Ben Bell, Solo, voice, Miss Simpson; Instrumental, Mrs. Alex Britain; reading, Mrs. Nat Chennault; solo, voice, Miss Stone; Instrumental, Miss Stonecipher. The luncheon service was delightful, the plate being arranged in a manner calculated to delight the eye and the palate as well. Sweet peas were scattered on each plate and Easter boxes filled with salad nuts, and topped with chicken and ducks, formed the favors. A corsage bouquet of sweet peas was presented to the honoree. Miss Burnside was assisted by her mother in providing the entertainment, being also assisted by the artists appearing on the program. Those invited to meet Miss Waddill were, Misses Berenice Jackson, Nita Barlow, Blanche Kahn, Lillian Avis, Lillian McGregor, Agnes Reid, Della Stone, Florence Sammons, Edith Carver, Bertha Mae Kemp, Bess Kell, Kathryn Stonecipher, Kathleen Blair, Jewell Kemp, Mabel Simpson.

MRS. D. J. CARITHERS ART LITERATURE HOSTESS

The Art Literature Club met Tuesday afternoon in regular session with Mrs. D. J. Carithers. Roll call was answered with quotations on education and the following papers were read, all of them being of much interest: "The Expansion of the United States," Mrs. G. W. Filgo; "Changes of a Quarter of a Century," Mrs. J. M. Blankenship; "American Colonial Policy," Mrs. Gebhardt; "Needs in Public Education," Mrs. Leicham; "Life and Character of Bret Harte," Mrs. Pridden. The Bayview magazine study was then taken up; the subject being a description of the empire on the Pacific. Many interesting facts were brought out on the Grand Canyon, the orange industry and the distinguishing features and industries of Pasadena, Santa Anita, the "Tent City" of Avation, Portland, Seattle and Tacoma. On the conclusion of this study, the hostess acting on the belief that "all work and no play makes Jill a dull girl" instituted a millinery contest. Mrs. J. W. Stone was successful, answering all of the questions and receiving the prize, a large basket filled with beautiful violets. An enjoyable feature of the afternoon was a "heart to heart" talk made by the former president, Mrs. Harry Cravena and music by Miss Leicham was much enjoyed. The club colors of purple and white were featured in the hostess refreshment course of ice cream and wafers, served to the following: Mesdames R. H. Hall, Rosemary, Gabbard, Burgess, Filgo, Robertson, Leicham, J. W. Bone, Butler, Cravena, Stone, Misses Louise Leicham, Wilma Filgo and Cora Phillips. The hostess was assisted in serving by Misses Leicham and Filgo.

NEW BRIDGE CLUB MEETS WITH MRS. LARKIN TUESDAY

The Easter holiday gave inspiration for a pretty party on the occasion of the New Bridge Club's meeting Tuesday afternoon with Mrs. W. B. Larkin. The Easter idea was featured throughout the hostess arrangements, in her decorations, tally cards, luncheon course and souvenirs. The rooms in which the tables were placed were decorated with moss and purple violets, rabbits, chickadees. Three souvenirs were given, the club prize, a bridge book, going to Mrs. Loeb, the guest prize, Easter lilies to Mrs. Gwynn and the baby prize, a corsage cluster of violets, to Mrs. Whitney. The players included Mesdames E. L. Smith, Piner Avis, Morris Marcus, Pounds, T. B. Smith, Art, Whitney, Loeb, R. E. Huff, DuVal, Bolding, Waller, Bibb, Moore, Gwynn and Wagner.

WILEY PIKE WEDDING TUESDAY EVENING

Tuesday evening at 7:30 Miss Roberta Pike and E. F. Wiley were united in marriage at the parsonage of the First Baptist Church, Rev. R. C. Miller officiating. The ceremony was a very quiet one, only a few intimate friends of the contracting parties being present. Both the young people are well and favorably known here, the bride having been employed in the ready-to-wear department of Jones-Kennedy and the groom is a member of the firm of Wiley Bros. In the lively business Mr. and Mrs. Wiley are at home to their friends at 2301 Ninth street.

MISS HUMPHREYS HOSTESS TO WESLEY GIRLS TUESDAY

The Wesley Girls met Tuesday afternoon with Miss Myrtle Humphreys enjoying the usual pleasant two hours of fancywork and conversation. A delicious refreshment course of sandwiches, pickles, cake and hot chocolate was served late in the afternoon. Mrs. Fox and Mrs. Humphreys, sister and mother of the hostess were the guests present in addition to the club members.

THURSDAY BRIDGE CLUB MEETS WITH MRS. DUVAL

Mrs. J. W. DuVal was hostess to the Thursday Bridge Club Thursday afternoon, including a number of guests in her club hospitality. The card tables were set in rooms attractively decorated with violets and the Easter idea was featured in the score cards of white rabbits. The favor of the afternoon, a box of handkerchiefs, was cut for Mrs. Winfrey being fortunate. The two course refreshment service consisted of jellied veal with hot rolls and olives, pineapple and cherry trifle and cake. The list of players included Mesdames Wiley Blair, Gwynn, R. E. Huff, Reese, Walter Robertson, Winfrey, Toney, Sundelwitz, Morris Marcus, Garrison, Pounds, Larkin, Strib Moore, Montgomery, Taylor, Scott, Terry of Dallas, T. B. Smith, M. M. Walker, Natt Wagner, Woodruff, Art, Carver and Miss Sherrerd.

THURSDAY FORTY-TWO CLUB WITH THE G. C. WOODS

The Thursday Forty-two Club met Thursday evening with Mr. and Mrs. G. C. Wood, the evening being spent in enjoyment of the favored game. Six tables of club members and guests played until a late hour, the progress of the game being kept on pretty United score cards, carrying out an Easter motif. An appetizing salad course, followed by an ice was served. The guests present were: Mr. and Mrs. Wiley Robertson, Mr. and Mrs. Maples and Mrs. Taylor, the club members present including Dr. and Mrs. Guest, Messars, and Mesdames Reese, Snider, R. E. Huff, A. B. Huff, Jackson, Silk, Langford, Culbertson, Mr. Noble and the host and hostess.

MRS. D. DELLIS HOSTESS TO MAYFLOWER 42 CLUB

The Mayflower 42 Club met Thursday afternoon with Mrs. D. Dellis, enjoying the customary two hours in the game favored by the club. High score went to Mrs. Hutson and the conclusion of the game was marked by a delightful luncheon service in two courses. The menu consisted of cream of tomato soup with saltine flakes, sandwiches, dressed eggs, tea, individual cherry pies and wafers. The guests of the afternoon were Mesdames Crites, Montgomery, Kendig and Miss Starbado, the club members present including Mesdames Hurst, Hutson, Hagin, Wilson, Walker, Starnad, Bradshaw, Dobson and the hostess.

MRS. W. O. BASFORD HOSTESS TO DELPHIAN SOCIETY

The Delphian Society met Wednesday in morning session with Mrs. W. O. Basford. Roll call was answered with a Greek fable and two very entertaining papers were read, "The Development of Greek Tragedy," by Miss Carver and "The Development of Greek Comedy," by Mrs. T. B. Smith. The discussion of the lesson was of the usual interest, the development of the literature of Greece being brought out fully. The members present were Misses Carver and Ritchie, Mesdames Carver, Basford, Boone, Newton Maer, Moore, Silk, Smith and O. E. Maer.

NEW IDEA CLUB MEETS WITH MRS. A. C. WILSON

At the meeting of the New Idea club Wednesday afternoon with Mrs. A. C. Wilson the hostess provided additional entertainment suggested by All Fool's Day, this feature being reserved until the luncheon course. The members and guests, the latter including Mesdames Kendig, Bradshaw and Hurst, enjoyed the usual needlework and crocheting until late in the afternoon when a two course luncheon was served by the hostess, assisted by her sister, Mrs. Della. Inedent looking doughnuts, nicely browned, proved to be filled with cotton, but the hostess made up for this disappointment in the remainder of the menu, which consisted of oyster sandwiches, daisy salad and tea, with a dessert of fruit salad, a la candlestick, cake and mint. Each lady present was presented with a useful gift, a contrivance for crocheting, by Mrs. Kendig, mother of the hostess. The club members present were Mesdames Carey, Simon, Newton, Dellis, Goodale, Thornberry, Bachman, Dobson and Wilson.

THURSDAY SEWING CIRCLE WITH MRS. JEFF WAGGONER

Mrs. Jeff Waggoner was hostess to a very pleasant session of the Thursday Sewing Circle Thursday afternoon. The usual needlework, both plain and fancy was engaged in and it being "First Thursday" a tempting refreshment course was served. Those present were Mesdames Bell, Gardner, Hartsook, Huggins, Jason Walker, Murphy, Miss-Murph and the hostess. Mrs. J. M. Bell will be next hostess.

FORCHER-CAMPBELL WEDDING AT FORT SMITH, ARK.

The ceremony was performed by Rev. Finley F. Gibson, the pastor, the young people leaving for Chester, Ark., where they will make their home. The groom's parents reside in this city.

REGULAR SESSION OF SEW SO CLUB THURSDAY

Mrs. J. B. Jamison was hostess to the members of the Sew So Club and a number of friends Thursday afternoon. Sewing and conversation formed the diversions of the afternoon, with Victrola music and a reading by Mrs. J. E. Pitman as additional features. A delightful salad late with hot coffee was served late in the afternoon in the dining room. The dining table was prettily decorated in Easter effect, a large nest filled with candy eggs in bright colors and presided over by the proverbial Easter rabbit forming the centerpiece. A decorative centerpiece of the occasion, which formed the souvenirs of the occasion. The guests were: Mesdames Bolding, Hilburn, Pitman, Pridden and DeBerry, the club members present being Mesdames Taylor, Wilson, Fonville, Boone, Fitzgerald, Williams, Baggett, Naylor, Howery and the hostess.

LUNCHEON AND BRIDGE FOR OLD MAIDS WEDNESDAY

On the occasion of the regular session of the Old Maids Wednesday, Miss Orveta Wyatt entertained at 1 o'clock luncheon at the Westland Hotel. The table decorations sounded the note of the approaching Easter-tide, the centerpiece being a mass of violets and foliage and the covers marked by Easter egg place cards. Boutonnieres of violets formed the luncheon favors for each guest. A tempting four course luncheon was served and the usual game of bridge enjoyed in the afternoon. Tables for the game were arranged in the hostess private parlor suite, which was decorated with violets in harmony with the floral motif. The players found their places by means of rabbits marked with their names, the handmade score cards carrying out the Easter idea still further. The hostess had provided a prize for each table, handmade pink crepe de chine handkerchiefs with drawn work and crocheted borders. Hearts were thrown for these, Misses Ann Carrigan, Ann Freear, Jewell Kemp and Mrs. Garrison being fortunate. Miss Wyatt's guests were Misses Daphne Stinnette and Guy Harding of Amarillo, Miss Majorie Lambeth and Mrs. Frank Terry of Dallas, the club members present being Misses Eddie Carver, Ann Carrigan, Ann Freear, Agnes Reid, Jewell Kemp, Kathleen Blair, Bertha Mae Kemp, Bess Kell, Lillian Avis, Mesdames Chenaut, Britain and Garrison.

MRS. E. M. EVERTON HOSTESS TO DOUBLE 9 CROCHET CLUB Wednesday afternoon found Mrs. E. M. Everton hostess to the regular session of the Double 9 Crochet Club. Crocheting as usual formed the chief occupation and piano and Victrola music was a feature. The hostess served a delicious refreshment plate of pimento sandwiches, fruit salad, coffee and wafers to the following: Mesdames Harringer, Fears, Walter Brown, Traveseh, McLemore, E. H. Brown, Shaw, Quinn, W. W. Brown, J. T. Carter, Barringer. The club will meet next with Mrs. J. G. Quinn, 1317 Ninth.

"SPEND THE DAY" PARTY WITH MRS. ED HOWARD The members of the Pleasant Hour Crochet Club enjoyed a very pleasant "spend the day" party with Mrs. Ed Howard. The day was spent by the ladies with crocheting and various other forms of needlework, together with conversation, a delicious luncheon, picnic fashion, being partaken of at the noon hour. Those present were Mesdames Beavers, Cobb, Ferguson, Orr, Strange, Hodges, Little, Mary Ferguson and the hostess, Mrs. Howard.

MRS. H. S. C. MEETS WITH MRS. B. D. DONNELL Thursday afternoon Mrs. B. D. Donnell very pleasantly entertained the Floral Heights Sunshine Circle, including in her hospitality several guests. The usual needlework formed the occupation for the afternoon; and musical numbers formed a pleasant diversion. An attractively arranged salad plate in a color scheme of yellow and white was served and favors of bouquets of violets were found on each plate. The guests were Mesdames Q. B. Lee, Hanks, Carter and Swift of Nacogdoches, club members, Mesdames Fowler, Kelly, Cox, Stanley, Warren Wagoners, Salisbury and the hostess.

ROBALINE STAMPFLI GIVES EASTER PARTY SATURDAY Saturday afternoon seventeen little girls and their Sunday School teacher Mrs. R. T. Couch met the home of Rosaline Stampfli where they enjoyed a pleasant Easter party. A number of games were played, all participating with eagerness and a guessing contest was also engaged in. In this Elizabeth Cole won the first prize, a prettily decorated Easter egg. Mrs. Stampfli and Mrs. Couch assisted the young hostess in serving refreshments of grape juice, cake and wafers. In the dining room where the dessert course was served, the table was centered by an improvised nest, made of entwined vines. Half concealed in this was a cunning gray bunny surrounded by many bright colored candy Easter eggs which were given to the children as souvenirs of the occasion. The entire club membership, with the exception of two members who were ill, were present, the list including Madoline Patterson, Flora Craig, Katherine Burge, Volney Henderson, Pearl Paint-

er, Lorne Smith, Mary Glen, May Bartlett, Elizabeth Roberts, Lee Miller, Marie Wiley, Elizabeth Cole, Chrystille Waggoner, Jessie Weeks, Lois Shell, Thelma Taylor and the hostess, Rosaline Stampfli. INTERESTING SESSION OF WESTMINSTER GUILD MONDAY The Westminster Guild met Monday afternoon at the First Presbyterian church. Some time was devoted to a discussion of important business and plans were formulated for an indoor picnic to be given in the basement of the church Friday, April 9, for the young people of the church. A general invitation will be extended to the younger element of the congregation. A motion was also made and carried that the Guild should devote the afternoon of the second Monday in each month to visiting new members; the regular meeting to be held and the calls to be made following adjournment. Lesson 17 in the study book was taken up under the leadership of Mrs. Fischell, the subject being "Flor-

SOCIETY

the afternoon when all were ushered into the dining room. The dining table was prettily decorated in Easter effect, carrying out a color scheme of pink and white, the birthday cake with silver lighted candles occupying the place of honor. White Easter rabbits were used in the table decorations, and tiny chicks were placed at each place, forming the afternoon's souvenirs. As the candles were blown out each guest wishes the honoree many more such happy birthdays and the cutting for the usual favors then ensued. The time was out by Hallie Adams, the penny by Sibylne Smith and the thimble by Lucile Hammond, the ring remaining uncut. Ice cream was served with the cake. The occasion was made an especially happy one for little Miss Baggett by the numerous pretty gifts with which she was remembered by the guests. Those present were: Misses Edna Jones, Eleanor Allen, Hallie Adams, Sibylne Smith, Ruth Crowell, Virginia Walters, Dale Hammond, Lucille Mcabee, Louise Stanley, Althea Downing, Rosella Williams and Mrs. J. P. Jackson.

MISS PRIEBE HOSTESS TO B. O. P. GIRLS TUESDAY  
Miss Hazel Priebe was hostess to the B. O. P. Girls Tuesday afternoon, it being the regular weekly session of the club. Music provided a welcome addition to the program of fancywork and chat, and the club had with them as guests, Mrs. Roy Priebe, Mrs. Priebe and Miss Lucy Mae Priebe. A tempting luncheon course of deviled eggs, pickles, chicken rolls, gelatine with whipped cream and chocolate cake was served to the following members: Misses Annette and Mary Coffield, Alice Fraser, Isola Marshall, Jewel Delaney, Ethel Reed, Vera Hinckley, Pauline Harris, Rhea Gardner, Beryl Murph, Tula Stokes, Mesdames James Elliott, Kelly and Hardy.

CENTRAL PRESBYTERIAN AID OFFICERS ENTERTAINED  
The Ladies Aid of the Central Presbyterian Church tendered a delightful formal reception with program features to the retiring officers of the society, the affair being held at the home of Mrs. F. L. McFadden. The house was very prettily decorated for the occasion in ferns and carnations. The guests were greeted by a receiving line composed of Mesdames McFadden, Fain, Reed and Pitman and were ushered into the dining room where refreshing punch was served; Mrs. Phil Kerr presiding at the punch table. A short program was carried out, devotional exercises being led by Mrs. Fain and Mrs. McFadden. Mrs. Pressley and Mrs. Kerr gave an instrumental duet. Mrs. Bone spoke a few well selected words of appreciation to the old officers in behalf of the society and Mrs. J. F. Reed made a report of work done in the past year. A welcome to the new officers was given by Mrs. Arnold and vocal selections by Mrs. Pitman and little Mary Meredith with a reading by Mrs. Grey were included in the program. The guests registered while Mrs. Pitman and Mrs. Grey gave a vocal duet and the very pleasant entertainment was concluded by the service of cherry ice cream and cake. Bouquets of violets, tied with purple ribbon were the plate favors.

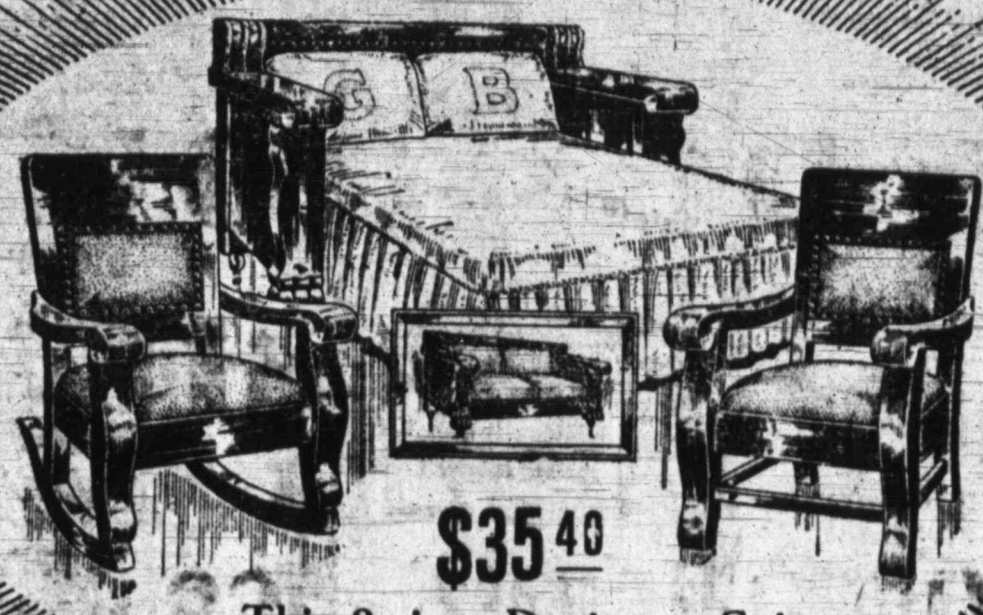

EPISCOPAL GUILD ELECTS OFFICERS MONDAY  
The Guild of the Good Shepherd met Monday afternoon at the Episcopal Rectory in business session. Officers for the coming year were elected as follows: Mrs. F. T. Datson, president; Mrs. W. E. Japhet, 1st vice president; Mrs. Shaw, 2nd vice president; Mrs. N. L. Inge, 3rd vice president; Mrs. Shutt, 4th vice president; Mrs. Edgar Stewart, 5th vice president; Mrs. Fred Warner, secretary and Mrs. J. M. Sammons, treasurer. Other business matters were discussed throughout the meeting hour. The members present were Mesdames Pogenpohl, Adams, Blair, Shutt, Fontaine, Sammons, Gregory, Inge, Stewart, Shutt, Warner, Japhet, Gates, Datson and Rev. F. T. Datson.

B. W. A. ALL DAY MEETING MONDAY  
The Baptist Woman's Alliance met Monday in all day's session in the parlors of the First Baptist church. A portion of the morning was devoted to a needlework and conversation and a program of musical and reading numbers was enjoyed. Luncheon was served at the noon hour and the afternoon was given over to a program. Two special features of this program were, "An International Conference of Mothers," conducted by Mrs. Eichenberger and a debate, "Should Women Speak in Meeting?" In the conference each country was represented by a member of the Alliance and the conditions in each country were told. Mesdames Wood, E. W. Carter and F. C. Barron supported the affirmative side of the debate and Mesdames Miller, Farris and M. M. Walker were on the opposing side. After a lengthy battle of words the decision was given to the affirmative. The meeting was well attended.

FIRST M. E. LADIES SOCIAL MEETING MONDAY AFTERNOON  
The ladies of the First Methodist church met in social session Monday afternoon at the home of Mrs. A. E. Anderson. The devotional exercises were led by Rev. C. C. Smith and an interesting program was carried out. Vocal and instrumental selections being given by Mesdames Roy Marquande, G. H. Carpenter, Misses Hazel Hunter, Lillian Bachman, Elizabeth Youngblood and Althea Anderson, with readings by Mrs. G. H. Carpenter and Mrs. W. B. Marquande. A refreshment course of chicken sandwiches, salad, coffee, ice cream and cake was served by the social committee, consisting of Mesdames Anderson, W. B. Marquande, Mary Fisher, J. B. Dillard, E. G. Cook, J. C. Caldwell and E. Byman. The dining room was decorated in Easter effect, the dining table being especially charming in arrangement, with chickens and rabbits used in profusion. There were about forty ladies present.

at twelve o'clock luncheon at the Westland for Mrs. Charles H. Steves of Fort Worth and Mrs. Raason Moore of Long Beach, California, including in her hospitality Mrs. C. W. Bean. The luncheon table was very attractive in appointment and a delicious six course menu was served in usual Westland style.

FIRST CHRISTIAN LADIES ENTERTAIN MONDAY  
The Ladies Aid Society of the First Christian Church was most pleasantly entertained at the home of Mrs. J. W. Bullock Monday afternoon by Mesdames Bullock, Bond and Walker. Following the business session roll was called, each lady answering with a laughable anecdote, read or told. The usual fifty cent offering was taken and captains were appointed and sides chosen for a contest at which the ladies will work shortly. A cafeteria luncheon was served in the dining room, the menu consisting of nut and cheese sandwiches, pickles, cake, coffee and tea. All pronounced the afternoon a most enjoyable one.

FAREWELL PARTY FOR MISS JONES TUESDAY  
In compliment to Miss Edna Jones who has been the guest of Mrs. R. C. Miller for some time and who is returning soon to her home in Missouri, Miss Vera Taylor entertained

the members of Mrs. W. L. Robertson's Sunday school class Tuesday afternoon at her home, 1005 Lamar. An informal musical program had been arranged and proved very enjoyable, vocal numbers being given by Miss Stone and Miss Cook and instrumental selections by Misses Theresa Smith, Runa Brown and Cook. Miss Theima Taylor, sister of the hostess, gave several readings and Victrola numbers followed the program. Delicious ice cream and cake was served late in the afternoon. Those present were Misses Kathrine Cook, Della Stone, Runa Brown, Theresa Smith, Helber, Boykin, Herveice Taylor, Morgan, Clara Maricle, Emma Smith, Mamie Hill, Theola Yates, Shug Mills, Filmore, Theima Taylor, Mrs. Robertson, Mrs. Taylor and the honoree, Miss Jones.

BIRTHDAY DINNER FOR J. T. HUTSON SUNDAY  
Mrs. J. T. Hutson very pleasantly surprised her husband Sunday by inviting several friends to dine with him, the occasion being his birthday. The shades were drawn, the table being lit with candles in pretty holders and on the birthday cake, which was decorated with small yellow roses. The cake was placed on a bank of pear blossoms out of which tiny chicks peeped. The Easter place cards were suspended from the chandelier by purple ribbons. Covers were laid for the host and his six friends and the

hostess was assisted by Mrs. Della in serving the following menu: Cream tomato soup, chicken with oyster dressing and gravy, combination salad, baked country ham, caramelized sweet potatoes, corn en casserole, mashed potatoes, hot biscuits, coffee, celery ice cream topped with nuts, cake and cigars. Mr. Hutson was the recipient of a number of nice gifts.

CHORAL SOCIETY CONCERT A SPLENDID SUCCESS  
The Sacred Concert rendered Sunday afternoon by the Wichita Falls Choral Society was attended by a large crowd of people at the big auditorium of the First Christian church being filled nearly to capacity including the rear room and balconies.

The exultant choruses from Stainer's Crucifixion were sung in excellent style and showed much careful work on the part of the singers and the director, C. Barthold Macchia. During a short intermission Mr. Macchia made a brief talk in which he mentioned that the society intended to begin work at once on the practice of the beautiful cantata "The May Queen," which will be given by the Choral Society some time this spring. He also said that the Society solicited memberships from among outside singers who desired to do earnest work. The work of such organizations as the Wichita Falls Choral Society is highly commendable and the benefits

to the community at large are much greater than most people realize or stop to think of; all good music well rendered tends to raise the ideals of life, to cultivate the better impulses and turn the public mind away from low class entertainment and toward that which will help and uplift. Such efforts deserve the approval and support of all high minded people. The Wichita Falls Choral Society has been especially fortunate in securing the services of Prof. Macchia who possesses an excellent musical education and talent shown by the results he has obtained in directing chorus work that he is a master of this branch of music as well as of the piano.

Several numbers of the concert besides the ensemble work deserve special mention. Mrs. Fred Thompson sang with excellent taste and interpretation "He Was Despised" from Handel's oratorio, "The Messiah," her full smooth contralto voice doing justice to this masterful composition. A trio composed of Miss Jennie Agnew, Mrs. N. M. Clifford and Mrs. Fred Thompson sang "Protect Us Through the Coming Night," a sacred number in a manner which made this one of the most pleasing parts of the concert. The baritone solo parts taken by Mr. T. H. Benninger, the orchestra furnished by Harrison & Swerton, the organ and piano work of Mesdames Carnes, Strange and Macchia merit honorable mention and added much to an altogether excellent program.

## NEW VAUDEVILLE AND PICTURES AT LYDIA MARGARET

An all star vaudeville bill opens for three days' engagement at the Lydia Margaret Theatre Monday comprising two acts, the Rooney Girls, "Queens of the Silver Theatre," and Frosini, "The Man who First Dignified the Accordion in America." These two acts come highly recommended from the best circuits in the country. And the following is the description of the acts. The Rooney Girls—three in number will present their wire offering. It can be well termed as the best of its kind; the girls are all good looking and their vehicle of slack wire stunts should prove a tremendous hit. These girls are as graceful as have ever been seen on the wire before; for actors to offer a slack wire act in these days on "the big time" would indicate either a lot of bravery or ability. These girls have both, and do the most hair-raising stunts on the wire that require both. Sensational, remarkable and original are the terms that well may be applied to the offering that is presented by the three Rooney Girls.

It is hard to believe that there is as much delightful music in an accordion as Frosini, the musical genius, gets out of one. He may honestly be called the master of this instrument. In his native Italy, Frosini was a musical sensation. He has been acknowledged by modern musicians to be a miracle in the realms harmony as regards the accordion. There is not another accordionist that can master this instrument in such a thorough manner as Frosini masters same.

Dolly and Brown, two of New York's most noted dancers are featured in a film "Big U" Dance creation, and a two-part comedy, "The Avengeing Dentist," features Gertrude Selby and Billie Ritchie.

At the Gem Wednesday  
There is literally a riot of fun when Charles Chaplin takes "A Night Out" the title of his second Eastman two-reel comedy. With Ben Turpin he goes to a hotel, where they proceed to make the town dry by drinking up all the liquid refreshments to be had. After spilling pie over a "daddy" and a Welsh giant and being nearly choked to death they are hurried out into the street.

They manage to zig-zag their way up to their rooms where they are horrified by running across a woman in pajamas with a puddle. The dog insists on following "Chaplin" into his room and the lady had a womanly ruse after it. The terrified Chaplin takes refuge in the bathroom.

In the meantime the husband of the woman returns and looks for his wife. She sees him through the crack of the door and slams it and hides. After the distracted hubby rushes down

stairs, Mr. Chaplin kindly escorts the dog and the "lady" back to her room and is about to leave when the husband re-appears. Chaplin takes refuge in the bed where he is promptly sat upon by friend husband when he starts to take off his shoes.

The innocent Mr. Chaplin is dragged out and faces death from a bullet, but the husband decides that death by hurting his victim against the wall is more avengeful. Chaplin strikes the bathroom door and lands in a tub full of water. He comes up spouting like a whale, after which matters are satisfactorily explained. Mr. Chaplin decides that a night out once in a long, long time is quite sufficient.

Though the scames themselves are full of fun, it is Mr. Chaplin's unique antics that raises the comedy into the class of comic masterpieces.

## KALEM TWO-PART FEATURE AT GEM MONDAY

Cleo Ridgeley, Paul Hurst, Douglas Gerarde and Maria Sals are featured in a two-part Kalem, "The Tragedy of Bear Mountain," showing at the Gem Theatre Monday. A synopsis of the story follows:

In love with Edith, the wife of Charlie Barry, one of his employees, Benton annoys her with his attentions. Charlie learns of this and knocks the man down. It results in the discharge of both Charlie and his brother Steve.

Unable to secure other employment Charlie goes west where he makes a big strike on Bear Mountain. On his way back to camp, the young man falls off a cliff. When found by Wayne, an old prospector, his injuries have caused Charlie to lose all recollection of the past.

A thief who has stolen Charlie's wallet, is killed by misers. Papers contained in the wallet lead the men to believe their victim Charlie. They wire word of his death to Edith. Benton in the meantime, has ingratiated himself into the favor of Edith and Steve, by pretending remorse for his conduct.

The man urges Edith to marry him. Unable to resist his pleas, and believing Charlie dead, Edith finally consents. A month before the wedding Steve goes west to seek his fortune. Fate leads him to rescue Della, Wayne's daughter, when the girl is threatened with death in a forest fire. Steve accompanies Della to her father's cabin where he is astounded to find his brother.

Sight of Steve causes Charlie to recall the past. He learns of Edith's approaching marriage. With the ceremony but twenty-four hours away, the brothers make a wild dash over the hills, arriving at a telegraph office three hours before the wedding is to take place.

The minister is uttering the words of the ceremony in the Barry home when a messenger enters. The telegram informs Barry that all his plotting has gone for naught.

## "AFTERMATH" AT EMPRESS THEATRE MONDAY

A Famous Player Film, "Aftermath" is the attraction at the Empress Monday.

"Aftermath," a heart gripping drama written by Professor William Hervey, of Columbia University, portrays the upward struggle of two young Americans, husband and wife, from the depths of poverty and despair to the heights of prosperity and happiness, in the midst of which they are confronted by the tragic past of the young wife, which she had believed to be buried. For a time the vortex of shame threatens to engulf both, but dominant love finally lifts them above the menace of the past. The play is splendidly enacted by the famous leading lady, Virginia Pearson, supported by the popular photoplay star, Owen Moore, and a consistently capable cast. The story proceeds as follows:

At about the same time two young people come from their village homes to try their fortunes in the great melting pot of the city. One is Ruth Morgan, an orphan girl, who obtains employment with a metropolitan florist. The other is Allan Buchanan, a young physician, whose ambition longs for larger fields. Ruth meets a fascinating man about town, who betrays and deserts the young girl, leaving her the victim of remorse and despair. Allan Buchanan makes a mistake in a prescription which causes the death of a child, and this tragedy, combined with the horror of his sister's pathetic death in a railroad accident, drives him to the river's edge in search of merciful oblivion. On the very brink of the depths, he meets Ruth, who has come hither bent on the same tragic purpose. The two walls of misfortune, thus strangely thrown together, save each other from suicide, and begin the struggle back-to-hope and faith together. Allan chances to be of service to a wealthy young man, hurt in an accident, who gratefully obtains a paying position for Allan, enabling him and Ruth to marry. The benefactor calls one day and proves to be the man of Ruth's wretched past. In agony and shame, Ruth confesses her pathetic history to Allan, who finds this new sorrow greater even than those of his own past—but at last his love and loyalty to Ruth prove stronger than all the doubts and griefs of the moment, and in the light of a new happiness and a truer faith they forget the shadows that lay behind them.

## How to Stop a Headache

If you have a headache don't suffer. Let HICKS' Capoline do the dirt. It either takes a dose in water or the fountain, or a 10, 25 or 50 cent tablet home. The reason it is so successful in stopping a headache is because it gets at the cause, which may be heat, cold, grippe or nervousness. It's a pleasant-tasting liquid or tablet. After it cures your headache you will be so happy that you'll about it.

"How long should a man's legs be?" someone asked Abraham Lincoln.

"About long enough to reach from his body to the ground I should say," replied Mr. Lincoln.

"How heavy should a motor car be?" someone asked Hugh Chalmers.

"Heavy enough to do what he wants it for," replied Mr. Chalmers.

"I want one heavy enough to see me over the rough roads without danger and big repair costs—light enough to be reasonably economical of gas and oil."

Among this kind of motor cars, the Chalmers Light Six-48 at \$1,650 is supreme when you consider the cost of the motor car while you have it, instead of its cost when you get it.

Saving on gasoline and oil may be saving at the spigot, to run out at the repair bung hole.

There are only a few dollars difference in a season's oil and gas cost between any two cars—parts and repairs are what cost.

Good tires are all adjusted to your car and sold on a guaranteed mileage basis.

Yet there are other features besides the notable one of repair economy that will interest you in this class car leader—the Chalmers Light Six-48.

Few costly cars can claim equality with it in beauty. The streamline body possesses a distinctive grace of line that makes it noteworthy even when contrasted with the finest foreign models.

There are no fenders built—whether flat or merely crown—that are as handsome as the Chalmers molded oval fenders. They conform with exquisite harmony to the clean-cut sweep of the body lines.

The doors are wide and flush-fitting. The running boards are clear. The tires are carried in the rear.

Quality First

The Chalmers Light Six-48 \$1650

**Comparison Proves WHAT WE SAY** Compare the Chalmers Light Six-48 point by point, detail by detail, with any other light six selling within several hundred dollars of its price—\$1650—and the greater value of the Chalmers will be quite apparent.

First—in stability, which embraces construction, design, balance, quality of material and—so a result of all these—greater repair economy—or worked differently—more continuously efficient service at less upkeep cost.

Second—in looks, which means finish, design, upholstery, equipment and construction.

Third—in power—ample for every motoring need—with a long, strong pull that makes light of heavy roads and steep hills.

Fourth—in speed—you don't intend to shatter any speed records, yet it is deeply satisfying to feel that—if you ever want to—you can leave your rival in the rear.

**Take the Measure of This Car's QUALITY Yourself** Yet though these claims are all fortified by fact—we do not ask you to accept them on our assurance. But we believe that you should personally investigate their truth.

We believe that the record of the Chalmers Motor Company during the past seven years and the record of this car—its fastest selling six—during the past season have earned the right to your serious consideration if you are contemplating purchasing a car between \$1400 and \$2400 in price.

**OIL STORAGE PROBLEM DIFFICULT AT THRALL**  
New Wells Coming in Faster Than Storage Tanks Can Be Built  
There  
With six producing wells at Thrall, Texas, the largest making 3000 barrels per day, the question of handling the oil is proving a very serious one in that oil field, according to Bob Sanders, a local oil man who has some contracts in the Williamson county district. A few tanks have been erected and others are going up rapidly, but thousands of barrels of oil is going to waste daily. Earthen storage is also being constructed in an effort to save the oil but the waste will no doubt continue for some time.  
The fancy prices paid for close in acreage have proved too steep for most of the independent operators, but they have taken up large blocks of the outlying territory and are holding it pending developments which may bring the proven field closer to their holdings. New wells are coming in daily but the field is not being appreciably widened as the drilling has been localized.

Resolutions of Respect  
Royal Neighbors of America, Lone Star Camp, No. 4105.  
Whereas, it has pleased God in His infinite wisdom to remove from our midst our beloved neighbor, Beulah Ross, and  
Whereas, in view of the loss of the Order of the Royal Neighbors of America have sustained by her death, and the still greater loss sustained by those nearest and dearest to her. Therefore be it resolved, by the Royal Neighbor Camps, including Violet Camp of Fort Worth of which she was an immediate member, have sustained an irreparable loss, and be it further resolved that we, as a body and individually hereby express our heartfelt sorrow, and extend our sympathy to the heartbroken husband, sweet little girl and loving sisters of our dear departed Neighbor. We commend them to Him who doeth all things well.  
Resolved that these resolutions be spread on the records of our Camp and a copy be sent to the family and to each of the newspapers.

**DR. J. W. McCOMB OF JACKSBORO ELECTED AS FRY'S SUCCESSOR**  
Dr. J. W. McComb of Jacksboro was the successful candidate in Saturday's election for representative to succeed Judge E. W. Fry, resigned.  
For several days prior to the election it was thought that Rev. J. H. Fisher of Graham was the only candidate, but Dr. McComb altered the race at the solicitation of a number of his Jacksboro and Young county friends, who made an active campaign for him during the last two days of the race.  
Mr. Austin, the candidate put out by the socialists, had no hopes of winning, but socialist like, he set his friends pegged away to make an exhibit of their strength and determination.  
The vote from Jack county, as far as can be ascertained was as follows: Dr. McComb, 741; Austin, 122; Fry, 35.  
Young county returns have not all been reported, but those now on file show Fisher, 257; McComb, 271; Austin 54.—West Texas Reporter.

**BIG RABBIT DRIVE  
TO BE HELD FRIDAY**

WILSON'S RANCH WILL BE SCENE  
OF BIG ROUND-UP OF JACK  
RABBITS

**MEET AT LIBERTY SCHOOL**

Several Round-Ups Will Be Made  
During Day—People From  
Town Invited

A big rabbit drive has been announced for Friday of this week in the vicinity of the Liberty school house on Wilson's ranch 12 miles south of town. The entire day will be given over the drive starting at 10 o'clock in the morning. Several round ups will be made and it is hoped to kill more rabbits than in any drive ever made in this section of the country.

Town people are invited to participate and all are requested to meet at the Liberty school house at ten o'clock or before.

Four captains have been named as follows: T. B. Taylor, Will Krebs, Jack Maag and George Decker.

Persons wanting carcasses either for the hides or for fertilizer purposes are invited to bring wagons and are assured that they can have all the rabbits they can haul. At a drive in that vicinity last year more than five hundred rabbits were rounded up and killed. It is hoped to get double this number next year.

**RECEIVER ASKED FOR  
RIVERSIDE OIL COMPANY**

Boyd Harvey Sues on Secured Claim  
For \$435.50 Company In-  
solvent

**Henrietta Independent.**

Boyd Harvey, a well driller, has filed suit in the district court against the Riverside Oil Co., and others, in which the prayer is made that a receiver be appointed to take charge of the affairs of the company, which are alleged to be in an insolvent condition.

Mr. Harvey's claim is for \$435.50, for labor performed, and his debt is secured by a deed of trust on 20 acres of land held by the company. He alleges further that A. F. Haynie, who is the vice president of the company, is the trustee in his deed of trust, and that Haynie has refused to sell the land as provided in the deed of trust and pay his claim.

The parties defendant in the suit are Riverside Oil Co. of Randlett, an Oklahoma corporation, Riverside Oil Co., a Texas corporation, the officers of the two corporations being identical to-wit: W. H. Cook of Smitville, president; A. F. Haynie of West Point, Texas, vice president, and W. M. Stephenson of Dallas, secretary, and the main business office of both companies is in the same room in a building in Dallas. These officers are made defendants in addition to their official capacities, and L. W. Parrish and David E. Beck of Charlie, are also made defendants, it being alleged that they hold some kind of inferior lien on the land covered by Harvey's deed of trust.

The petitions sets upon that the two corporations work together, the Texas corporation being the holding corporation and the Oklahoma corporation being the operating corporation. That they purchased from A. H. Bevering a tract of 180 acres of land out of the B. B. B. & C. Ry. survey near Charlie for the sum of \$4,500. They executed a deed of trust to Harvey on 20 acres, and later executed a deed of trust to Haynie, vice president of the company, a deed of trust on 88 acres in which Harvey's 20 acres was included. The 88 acre tract was sold under foreclosure of the deed of trust and bought in by L. W. Parrish for Haynie for \$263.50.

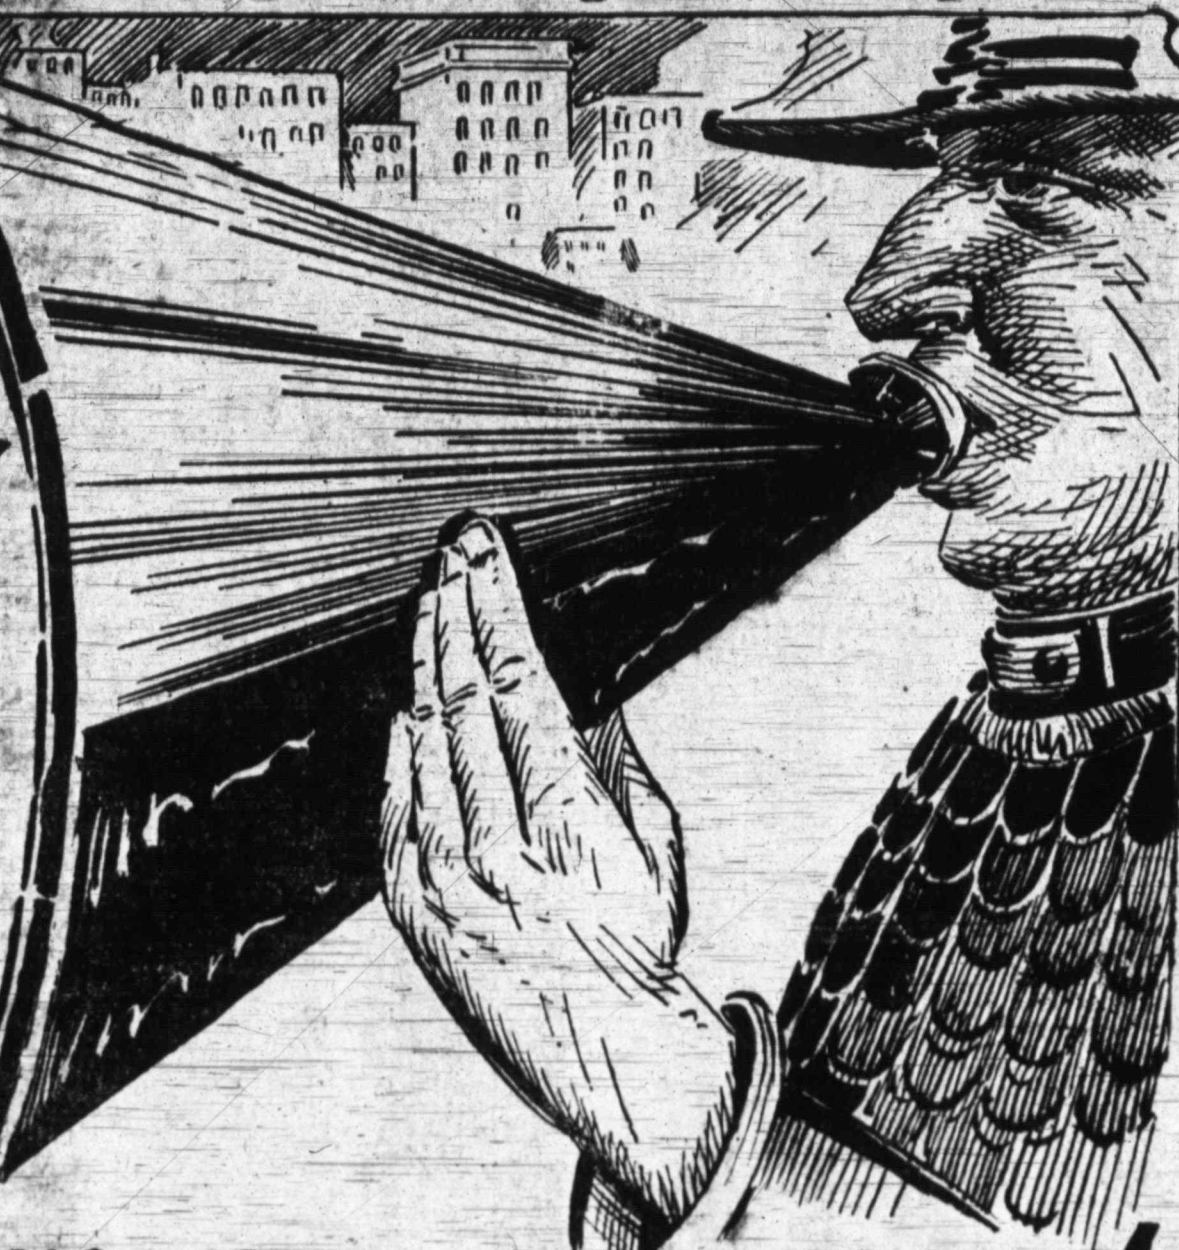

The petition alleges they cut about 150 acres of the tract into 3,000 lots 20x30 feet and have sold 5,000 of them for \$10 each, aggregating \$50,000.00; and they also cut up a large tract of land adjoining upon which they secured a lease, selling 1-acre lots for \$25, the number sold being unknown. It is further alleged that these large sums of money were never applied to the use of the companies and they are now insolvent and a receiver is necessary to protect their interests and the interests of persons holding claims against them.

**HIGH SCHOOL DEFEATS  
W. B. C. TEAM 32 TO 7**

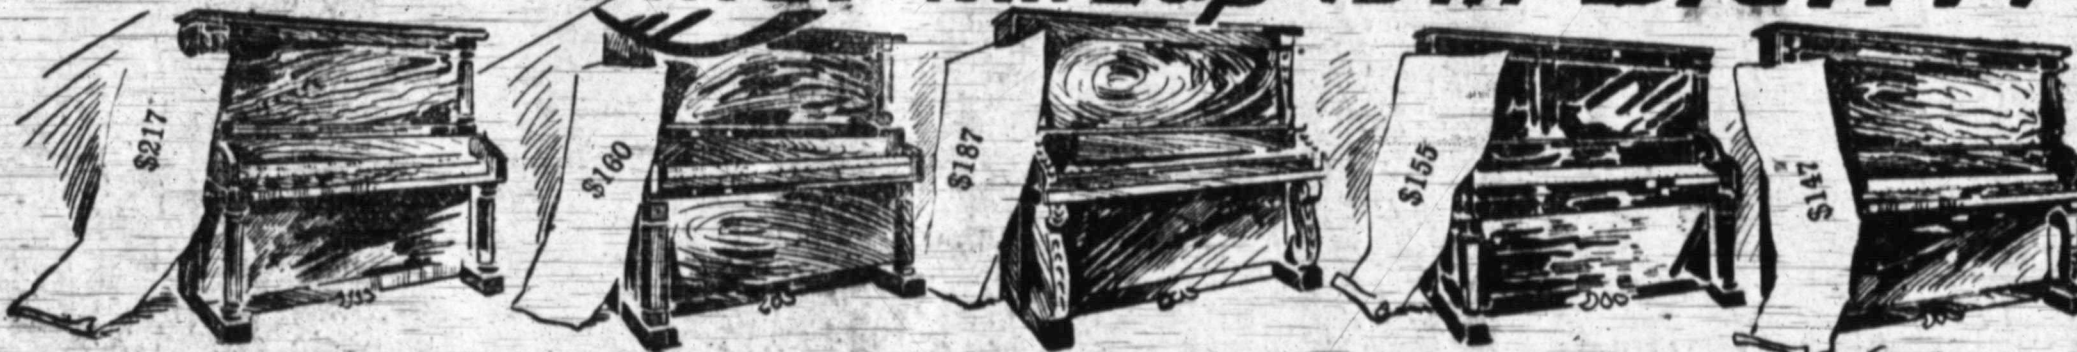

A score of 32 to 7 in favor of the high school resulted in a game Friday between the high school and commercial college teams. The game was featured by the hard hitting of the high school team, who landed for a total of 23 safeties, while their opponents secured only five. The consistent pitching of Griggs for the high school was noteworthy and a circus catch by Captain Erwin of the high school in center field was also quite a feature. The high school players showed considerable improvement in team work which improves the prospects for the games with Galveston and Amarillo. Among the high school hitters, Ward secured four, Mathis and Erwin five each, Warner three hits out of three times at bat, Fontaine two out of two times up, and Griggs three out of three times up. Hale and Avis starred for the commercial college.

# CASES FROM YOUNG COUNTY DEFENDANTS UP WEDNESDAY

## SPECIAL VENIRE OF NINETY SUMMONED

GENERAL BELIEF IS THAT ATTORNEYS FOR DEFENSE WILL ANNOUNCE READY

## DEFENDANTS ARE NOT TALKING

Trial Attracting Widespread Attention—Eminent Lawyers on Both Sides

On next Wednesday morning at nine o'clock in the 78th district court the cases of E. W. Fry, R. M. Todd, Pete Fry and John Lischke, charged with murder in connection with the death of Deputy Sheriff G. T. Cherryholmes of Young county at Graham on February 24, will come up for trial. The cases were transferred to Wichita county on account of conditions in Young county where the cases were to have been tried early in March.

The four defendants were quite cheerful when visited in the county jail Saturday and declared themselves quite hopeful of the outcome. None of them cared to discuss the case, saying their attorneys could do what talking there was to be done. They expressed themselves as quite satisfied with the treatment accorded them in the jail and had no complaints to make.

J. B. Lischke entered the cell while a Times reporter was talking to the other three.

Here, Lischke, they're going to hang him first," remarked one of the prisoners, pleasantly.

Pete Fry's wound has almost entirely healed, but there is an ugly scar just above his forehead showing where the bullet entered; however, he experiences no inconvenience from it.

Judge Fry was pleased to learn of the election of Doctor McCombs of Jackboro as his successor in the legislature and considered the choice an excellent one. He had also heard of the arrest of one of the attorneys in the case, A. J. Brantley of Graham; Brantley was charged with subornation of perjury and was bound over in the sum of \$1000. Joe Timmons, a witness in the case, testified at Graham that he was offered \$1000 to make certain statements about the case.

For nearly a month the four defendants have been in the county jail here awaiting trial. Each has retained counsel and it is thought the cases will be allowed to go to trial without any effort to have the continuance for term. The history of the killing of Cherryholmes was published in detail in the Times when it occurred and is

### CHRONOLOGY OF FRY CASE

- February 9—E. W. Fry arrested at Austin, while serving as legislator from Young and Jack counties, on affidavit charging forgery in connection with payment of warrants issued while county judge.
- Feb. 11—Fry reaches Graham and is given hearty reception. Large crowd of friends meets him at train, assures him of confidence in his innocence. Fry makes bond at once.
- Feb. 24—Deputy Sheriff G. T. (Tom) Cherryholmes of Young county fatally wounded early in morning while he and Riley Dollins, special deputy, were guarding court house. Pat Carlton, one of attacking party, also fatally wounded, he and Cherryholmes both dying later. E. W. Fry, Pete Fry, John Lischke and R. M. Todd arrested.
- Feb. 25—Arrested men brought to Wichita Falls for safe keeping.
- March 1—Young county term of 30th district court opens. Judge E. W. Nicholson presiding in place of Judge J. W. Alkin.
- March 2—Indictments returned against four men under arrest. E. W. Fry resigns seat in legislature.
- March 3—Defendants returned to Young county.
- March 5—Change of venue motion filed by defendants.
- March 6—E. W. Fry indicted on 49 charges of forgery.
- March 8—Change of venue motion denied by Judge Nicholson.
- March 12—Case called for trial with special venire of 96 talesmen; motion for change of venue renewed, granted by Judge Nicholson, case transferred to Wichita county and set down for trial April 7 at 9 o'clock in 78th district court.
- March 14—Defendants placed in Wichita county jail.
- March 22—Special venire of 99 talesmen ordered.

probably familiar to most of the readers of this paper.

The indictment upon which the cases will be tried is very simple in form, being as follows:

"In the name and by the authority of the State of Texas: The grand jurors, duly selected, organized and impaneled as such, for the county of Young, state of Texas, at the March term, A. D. 1915, of the district court for said county, upon their oaths pre-

sent in and to said court, that on or about the 24th of February, A. D. 1915, and anterior to the presentation of this indictment, in the county of Young and State of Texas, E. W. Fry, R. M. Todd, Pete Fry and John Lischke, acting together, did, with malice aforethought, kill G. T. Cherryholmes, by shooting the said G. T. Cherryholmes with a gun, against the peace and dignity of the State, (Signed) H. L. Leberman, foreman of the grand jury.

A total of 94 witnesses have been subpoenaed for the trial, most of them being residents of Young county. The state will be represented by District Attorney Leslie Humphrey and Judge P. A. Martin, former district attorney and former district judge. It is probable that E. W. Marshall, the young attorney of Young county, will also assist in the prosecution.

The array of counsel for the defense includes W. F. McClain of Fort Worth, Arnold A. Taylor of Henrietta, and A. L. Brantley of Graham representing E. W. Fry and Pete Fry; Jordan Cummings of Fort Worth, for John B. Lischke; Arnold A. Taylor of Henrietta and Carrigan, Montgomery & Brantley of this city for R. M. Todd.

The cases were transferred to this county when a supplemental motion for change of venue was filed by counsel for the defense when the case was called at Graham last month; the first motion was denied, but Judge Nicholson granted the second. In the first motion the defendants represented that "there exists in Young county so great a prejudice against them that they nor either of them can obtain a fair and impartial trial" and further that "there exists in Young county a dangerous combination against them and each of them in said county, instigated by influential persons whose names are unknown."

When this motion was overruled, after hearing considerable testimony, a supplemental motion was filed, reciting that there is a dangerous combination against them and each of them in this county which is instigated by influential persons whose names are not known to these defendants and that they are informed and believe and here so allege that influential persons have employed counsel and have guaranteed to the district attorney the payment of the fees of said private counsel and that there is a movement on foot to raise an amount to pay the same by private subscription.

The supplemental motion also represented that it would be impossible to obtain a fair trial in either Jack, Archer or Wichita counties and asked that the venue be in Clay county. The second motion was granted but the venue was made Wichita county.

A special venire of 99 talesmen has been summoned for this trial.

The list of witnesses is a lengthy one, as follows: Fred W. Frost, Wallace Campbell and H. W. Sayle of Stephens county; H. E. Young of Tarrant county, piano mechanic; M. M. Wallace, C. F. Marshall, J. H. Thomas, Riley Dollins, Dr. H. E. Griffin, Dr. W. H. Jones, Mrs. A. Duncan, B. A. Gatlin, Rev. J. H. Burman, Mrs. H. M. Jones, O. H. Brown, Doc Harkey, W. H. ### PRESIDENT INTERESTED IN PROPOSED HIGHWAY

Conference Held at Chattanooga On Roadway From Chicago to Miami, Florida

By Associated Press. Chattanooga, Tenn., April 3.—President Wilson expressed great interest in the proposed Dixie highway from Chicago to Miami, Fla., in a telegram received today at the conference here of governors and experts called by Governor Ralston to make preliminary plans for the construction of the roadway. This telegram, addressed to Chairman Hixon of Tennessee by whom it was read to the conference said:

"May I not, through you, extend my cordial congratulations upon the work you are planning? Such a highway will be of the greatest importance to the people of the East, the South and the Middle West. I shall watch its progress toward completion with the greatest interest."

### ICE MANUFACTURERS SUBJECT TO FOOD TAX

By Associated Press. Austin, Texas, April 3.—The attorney general's department today held that ice in food and that manufacturers of ice are held to be manufacturers of food, and consequently are liable to the tax or fee of one dollar imposed on manufacturers of food. It is further held that branch ice houses are also liable to the payment of this fee. The opinion is of pure food Commissioner Hoffman.

### ATTEMPTED SUBORNATION OF WITNESS CHARGED

A. J. Brantley, Graham attorney, for R. M. Todd bound over to Grand Jury

A. J. Brantley, local attorney and counsel for R. M. Todd, who is to be tried with three other defendants at Wichita Falls next week on a charge of murder, was arrested Wednesday and placed under bond of \$1000 charged with attempting to suborn a witness to perjury. A preliminary hearing was held yesterday morning at which Joe Timmons testified that Brantley had offered him \$1000 to testify to certain statements at the Wichita trial. The defendant was represented by Attorney E. W. Johnson and Fred Arnold, County Attorney Fay Marshall conducted the inquiry for the State. The hearing was held before Justice Brantley, who bound the defendant over to the grand jury in the sum of \$100.—West Texas Reporter.

### HENRY STARR, BANDIT IS REPORTED DYING

Hip Swollen To Three Times Its Natural Size and Amputation Considered

By Associated Press. Oklahoma City, April 3.—A telegram from Chandler this morning says Henry Starr, the bandit, shot a week ago in the raid on the Stroud bank, is in a dying condition. Starr's hip was shattered by the rifle bullet fired by Paul Curry, the grocery clerk, and blood poisoning has set in. The bandit's hip is swollen to three times its natural size and he suffers intense pain. His condition has grown much worse in the past 24 hours and physicians are considering the advisability of amputation in the hope of saving his life.

### "STOP THIEF" AT THE MAJESTIC THEATRE TUESDAY

George Kleine has followed his "officer 666" success with another screen-feroce which bids fair to surpass even that famous predecessor in popularity. The latest sensation is "Stop Thief" by Carlyle Moore, founded on the Ochs & Harris play, and featuring the original stage cast.

All the trouble comes about through a proposed double wedding and the hiring of a new maid. There are two kleptomaniacs and two real crooks in "Stop Thief." One of the kleptomaniacs is the millionaire father and the other is one of his prospective sons-in-law. The bride-to-be is aware of her father's predilection for stealing, but is ignorant of the fact that her future husband is so afflicted.

Into this household a real thief is smuggled by a new maid and the plot thus tangled in the first reel, calls for a battalion of policemen in the fifth reel. One valuable article after another disappears in most mysterious fashion and in the search for the culprit many funny situations are evolved.

"Stop Thief" will keep any audience in an uproar of laughter from title to tail-piece. George Kleine has used the original cast, which of course, means that pretty Mary Ryan plays the lead of the light-fingered maid and Harry Metcaver the role of her sweetheart, Jack Doogan.

"Stop Thief" visits the Majestic Theatre Tuesday.

## To Add To The Home's Attractiveness

An important essential in securing that clean, comforting, inviting atmosphere for the home lies in having the draperies, curtains, rugs and carpets clean and fresh.

Dust and grime accumulate rapidly in these household articles. Home methods never get them thoroughly clean. Beating and shaking will get some of the dust and germs out—it will also destroy the finer textures.

The labor saving and more effective way is to send the draperies, curtains, rugs and carpets to us to be cleaned.

The small cost involved is more than made up by the saving of back-breaking strain, and the resultant pride and satisfaction gained in having the home interior clean and in tip-top shape.

We will please you as we have pleased so many others. Send the home things to us for cleaning. "It's the better way."

## AS SHOWN IN THE NEW YORK OPENINGS

New York, April 3.—All dresses are full short whether for morning, afternoon or evening wear. Collars are high in the back with some kind of an opening in front. One dress of black taffeta has a collar high in the back with a flaring white organdy collar above; around the collar and tying in a bow in front is a piece of black ribbon, giving the collar an old-time stock appearance. Below the ribbon bow is an open V, where the bare neck shows. Another rather military model with a V neck has a collar high in the back and coming a little forward, where it is caught by a loop of cord to a brass button on each side.

Many skirts are finished with a slashed or scalloped lower edge which is bound with the same or a contrasting material. One striking and practical dress which I have recently seen with this feature was of black voile over taffeta, in a shade of plum verging onto old rose. The bodice of the dress had almost the

appearance of a jacket. The voile was fitted plain over the silk and both were gathered together at the waistline, so it had the appearance of being a shabby solid color. The collar lined with the taffeta was high at the back, and on the sides were separate pieces, which looked like petals, to frame the face. The skirt of black voile hung independently of the silk underskirt, and was slashed around the bottom and bound with black voile and piped with the finest edge of the silk. The underskirt was also slashed and bound of itself. A wide pleated girde of the silk surrounded the waist, crossed in the back and tied loosely in the front. An important feature of this dress was the sleeves, which were three-quarter and not full length. They were a narrow bell shape and faced back with the silk on the right side.

For the summer dress many models of pongee are shown. One pongee dress was trimmed with royal blue embroidery. The bodice was of pongee with a pleated front of chiffon exactly the same shade. The collar was low and extended out to the shoulder tips, scalloped in the front and embroidered in the blue. A fringe of ecru lace edged the collar and extended down the front of the waist. The long close fitting sleeves were finished with narrow cuffs embroidered with the blue. The skirt was made with a yoke in front, and falling from the yoke was a pleated section, while at the sides the yoke and skirt were in one.

Another pongee dress made in semi-Princess style is trimmed down the front of the waist with braid in military stripe and the edge of the opening of the waist, which extends to the waistline is finished with a rather large cord which knots loosely.

A new style of collar which is taking many people by storm is made of white linen. It is cut circular and placed on a band around the neck at the height of the "Adam's apple" and extend out to the shoulder tips and in the more extreme ones a bit beyond. The general effect of these collars is a trimness not unlike the Puritan collars which we see in old pictures. But as some one said not long ago, "A dress may look very much like the old styles, but rest assured there is something different about it." In this case it is the V of bare neck which shows as the collar spreads away from where it is fastened. With this collar are worn deep cuffs. Some times the material used for this collar and cuffs set is of doubled linen and again it is of single linen with trills of narrow embroidery or lace on the edge. They also often have insets of lace medallions.

All kinds of checks—wide, narrow, irregular and wavering—are used in the spring and summer frocks. They are usually made up and down of the stripes, but there is quite a vogue this year for those who are slender enough to allow it, to have the stripes made up running around and around. Again the up and down is used, but with trimmings of bands running all around. In my first illustration is a simple, trim frock made up in striped blue and white crepe. Each blue stripe is checked blue and white and through the white stripes

are flecks of heavier threads. The heat side closing of the waist corresponds with the side closing on the skirt. The cuffs and collar are of blue crepe which matches the blue in the stripes. Small cloth covered buttons are used down the front of the waist in groups of four, and continue twice on the skirt.

The sheer frocks with many frills and ruffles are particularly smart this season and have a revival from years gone by. Flowered organdies and lawns make these charming dresses, as well as the plain white and colors. One very pretty white organdy which I liked had a skirt slashed up at the knee length, about twelve inches apart all around the skirt. The bottom of the skirt and the slashes were edged around with a continuous three inch ruffle of the organdy. These deep slashes and scallops are very airy and pretty.

A strikingly pretty evening dress was designed by La Croix. The material used was greenish yellow, called exposition gold, grosgrain, silk striped with a broad satin stripe and three narrow ones. The bodice was perfectly straight under the arms and fitted loosely about the waist; the lower edge of the bodice was finished with a band of the silk with the

My second illustration is of flowered voile. The skirt is ruffled at the bottom and in the middle with two narrow ruffles. The waist is quite simple with three-quarter bell sleeves. A vest and collar of white voile given the dainty touch of white which adds so much to the dainty colors of the new materials.

stripes running around. The skirt was also straight hanging, with a wider band of the silk at the bottom. The sleeves and yoke of the waist are of black mulline with a cape like piece of mulline lace fastened in the middle of the back and extending to the end of the long sleeves. The combination of black tulle and greenish yellow was striking an artistic.

To Live in Southland.  
Oh! what joy what bliss  
You people who live in town do miss,  
You hear the harsh loud hoot of the iron horse  
Which grates on your nerves with such awful force.  
The constant hissing and switching all night long,  
Which breaks your rest and your sleep's all gone;  
The loud clanging of bells and pons  
And the keen shrill note of the old apple man;  
The many calls to the door each day,  
To frown and fume and turn them away.

Or tell them to call another day;  
Then what did I hear you say  
When you come to the door to throw hand bills away?  
Now, you people to keep from getting more,  
Just come to Southland Addition  
We have room for plenty more,  
We came in MARCH to our Southland home,  
So eager to reign in a home of our own,  
With much respect we left our friends  
Mid the clatter and sound,  
To make new friends in the dear Southland;  
To live in Southland, the sweet retreat,  
Means to have everything clean and neat.  
The sand don't blow,  
But the flowers will grow,  
And oh! how we will make the vegetables go;  
All day long we can sit and sew  
And feel the gentle zephyrs blow,  
And when the blessed sun sets too soon,  
We look to the east and gaze on the harvest moon;  
Now, you people who live in town  
Could just look down  
And see the wild flowers blooming,  
The pretty yards growing  
And would love to hear the song-bird's rendition  
You just move to Southland Addition.

REFUSES TO DISSOLVE SALAD INJUNCTION

Judge Calhoun at Austin Declines to Dissolve Temporary Restraining Order

By Associated Press. Austin, Texas, April 3.—Judge George Calhoun of the 53rd district court this afternoon refused to dissolve the temporary injunction in the case of W. C. Middleton vs. H. B. Terrell, controller, known as the chicken salad and punch injunction. The court overruled the demurrers of the defendant Terrell and also the special exceptions to plaintiff's first amendment to the original petition. There was no opinion written. The defendant expected. This case was heard some time ago and taken under advisement. The effect of this decision is to keep in force the temporary injunction.

CROSS GIN AT ELECTRA BURNED MONDAY NIGHT

(Electra News) About 11 o'clock Monday night fire started from an unknown cause in the building owned by D. T. ### TEXAS RAILROADS NOT EARNING WAY

E. SCHAFF, PRESIDENT OF M. K. R. SAYS ROADS CAN'T BORROW MONEY

### RAILROAD MEETINGS HELD

At Board's Re-elected On Wichita Falls Lines at Meetings Saturday

The majority of the Texas railroads have earned their way and aren't earning their way; they need the rate increase and they ought to have it if they are ever to build up their properties and open up the new fields that need railroads. With things as they are, they can't borrow money. The increases certainly ought to be granted.

C. E. Schaff, president of the Katy railroad, so expressed himself while here Saturday to attend the annual meetings of the Wichita Falls lines. He and a number of other high officials of the roads were in the city.

Conditions are improving and property is returning, but they are not getting so slowly, according to Mr. Schaff. "It is like to make a regular prospectus talk," said Mr. Schaff, "but conditions are improving very slowly. The improvement is going to be slow until we get another crop and then I look for much better things."

Mr. Schaff intimated that, while the rate increase is granted, the city expected to make considerable improvements, but he was not telling what the road officials had in mind.

The railroad meetings were largely adjourned, the old directors and officers being re-elected in all cases. The meetings were those of the Wichita Falls & Northwestern of Oklahoma, at Altus; the Wichita Falls & Northwestern of Texas, the Wichita Falls & Southern and the Wichita Falls Railway, which meetings were held here. The party arrived Friday night and went on up to Tulsa where the first meeting was held in the morning. They then returned here, where the meetings were once called.

Among the officials in the city were E. Schaff, president; C. M. White, vice president; W. A. Webb, general manager of the Texas properties; C. C. Huff of Dallas, general attorney; D. S. Murphy, assistant secretary; W. E. Hoeker of Elk City, vice president of the Oklahoma line; H. D. Creath of Wellington, J. C. Donaghy of St. Louis.

### CIVIC LEAGUE LADIES PLEASED WITH CLEAN-UP

Declare Clean-Up Last Week Only Beginning of League's Efforts For Better City

The ladies of the Civic League express themselves as being well-pleased with the results of their clean-up campaign and with the help and co-operation of the citizenship. It was most gratifying to notice how everyone responded to the movement and joined in the effort for a cleaner and more beautiful city. To the efficient plans and previous arrangements of the ladies in charge of the work much credit must be given for the excellent results obtained. A committee in each of the fourteen districts into which the city had been divided was responsible for the cleaning up and the chairman of these committees, who deserve special commendation, were as follows: Madames Schreier, Gordine, Beavers, Cullinan, Cravens, Gaffney, Rnoch, Lyons, Dent, Shaw, Nicholson, Bolyn, Adkins and Hartsook. There was a general committee composed of Madames Kell, Kemp and Sandelovits which supervised the work throughout the entire city.

Each chairman had a wagon and two men to assist her in clearing her district, eight of these wagons being furnished by the city. For these wagons the League is desiring to express their hearty appreciation desiring also to thank the Chamber of Commerce for its donation of \$50 to be used in the work. The ladies also extend thanks to the press of the city for the liberal use of space accorded them and for many excellent notices given in connection with the clean up campaign. The negro citizens deserve special mention for the good work done by them, accomplishing much with the three teams furnished that section. Everything considered the results of clean up day were most satisfactory with the exception of vacant lots these the League plans to take up as a separate work in the future. The clean up of last week is only a beginning of the League's efforts to make and keep Wichita Falls a cleaner and more beautiful city.—Reporter for Civic League.

### STRAIGHTFORWARD TESTIMONY

Many Wichita Falls Citizens Have Profitted By It

If you have backache, urinary troubles, or a feeling of dizziness, nervousness, strike at the seat of the trouble. These are often the symptoms of weak kidneys and there is grave danger in delay. Doan's Kidney Pills are especially prepared for kidney ailments—are endorsed by three teams of physicians—that section. Four neighbors recommend this remedy—have proved its merit in many tests. Wichita Falls readers should take fresh courage in the straightforward testimony of a Wichita Falls citizen.

F. McEnnis, carpenter, 1407 Fourteenth street, Wichita Falls, says: "I used Doan's Kidney Pills for various kidney troubles and always found them very beneficial. I suffered from pains across the small of my back and in my sides. I also had to get up frequently during the night to pass the kidney secretions. I used a box of Doan's Kidney Pills and was cured."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McEnnis had. Foster-Milburn Co. Props., Buffalo, N. Y.—Adv't.

### HOME TALENT PLAY—THE LOVE MICROBE

A dress rehearsal was held last night by the cast in the laughable comedy which is to be presented Monday evening. The maids in act 1 have planned a festive meal of kidnapping the best bachelors, so all members of the male sex are warned to be on the watch for the creepy little microbes. Husbands sold by Sears & Robuck prove unattractive so at last Madam Cupid is secured to assist the girls. The bachelors in act 2 have become alarmed over the cunning stunts in giving out warning signals, schemes and put on some laughable Jack Shelton as Hen Peck will simply bring down the house when he gives his notorious speech on the tyranny of married life. Mrs. Chenuit as Madam Cupid makes the 3rd act ring with laughter. Each bachelor is given a dose of love serum and become love victims. Besides the comedy there are numerous costumes specialties. Two hundred children feature the opening chorus in a minstrel medley with a tribute to U. S. A. at Peace.

Baby Orr features solos "The Moony Man" and "Back to Dixie" with the full chorus of children. Also Ruth Nolan, Dorothy Eastman, Mrs. Matthews and Audrey Bloom feature the "Boogie Woogie" with full chorus. Mrs. Fulton adds to patriotic tribute with a reading of "The Recessional" by Kipling.

Twenty High School boys and girls brought a rich melody "Flamingo" and will be sure to make a hit. The swing novelty consists of rope swings the maids over the footlights. This number is beautiful. Misses Helen Wilson and Mabel Simpson feature pretty songs throughout the evening. Plan to enjoy this excellent program—it will be better than a spring tonic.

### Review Of Oil Operations Shows Little Activity

The following review of operations in the Burk Burnett, Electra and other oil districts in this section has been contributed: The oil situation in Wichita and other counties, is not very brisk at the time. New operations are few and far between. The big companies are doing as little as possible, owing to the low price being paid by the oil line company which is 45 cents per barrel at the well. Recent completions are not of the nature that will warrant drilling at present prices and it is thought oil under the ground for the present is in good storage. The Holiday pool appears to be a disappointment. W. B. Owens has drilled and completed five dry holes on his farm. Henry Ford drilled one well which was also a duster. J. E. Dickenson, et al; are drilling a well on Mrs. Child's place and are down 200 feet. The Iowa Park district is unusually quiet, there are only two drilling wells. Winfrey and Son apparently will make a well of their No. 3, which they consider too small to operate. It was given a shot of dynamite and should make a paying well. Kemp and Blair No. 1 fee, should get the mud early next week. This well is located close to the Cobb and Ellinger well, which is good for ten barrels. The Haywood Oil Company lost their No. 1 well at 350 feet, a count of a crooked hole. W. L. Kemp et al, are drilling in their No. 2 Munden at 300 feet. In the Burk Burnett district operations are not as active as they have been of late. J. M. Guffey Petroleum Company and the Corsicana Company finished two dry holes which looked absolutely sure. McBride has completed his No. 3 W. Thom and has a 100 barrel well. W. F. Ramming No. 1 fee, was given a shot last week and when the hole is cleaned out, should make a nice well. Andy Urban completed his No. 4 Shults, dry at 1900 feet and abandoned it. Jameson-Johnson are shut down in the sand. In the Electra district there is nothing of importance to chronicle. The Corsicans completed their No. 54, Honaker which will make a small pumper. This company is only using one star machine and a cleaning out string. The Producers have three inside wells drilling on the Wagner and Bywaters. W. W. Shik et al finished a fair well in their No. 4 Crowe, but will probably discontinue further operations until prices improve. Joe Howe is drilling his second well on the Woodruff farm and is making good progress. Sanders and Holt have suspended operation on the Tate for the present. The Chapman Oil & Gas Company No. 1, A. A. Honaker, has started drilling. This location is not far distant from the wells on the Herron, which are producing from the 1000 feet. Burt and Griffith have abandoned their test on the Sunday at 2000 feet. Nothing was found in this venture to warrant further operations.

### LOCAL SCOUTS SAY ARCHER WELL GOOD FOR 15 BARRELS

Although reports of a well of 200 or more barrels daily have been coming in regarding the Young Oil Company's new well in Archer county, the best information available from local scouts who have visited the scene is that the new well is making about fifteen barrels per day. It is No. 3 for this company, being on the leases which were abandoned by the Corsicana Petroleum Company after several dry holes had been drilled in that section. Representatives of some of the local companies returned from the scene of operations and authority for the statement that the well is making not more than fifteen barrels.

### LARGE ACRESAGE BEING LEASED IN WILBARGER

W. B. Corlett of Wichita Falls, lease man for the Producers Oil Co., was in Quannah Friday. This company will start drilling test oil well south of Vernon within 60 days. The Observer learns that the Producers Oil Co. and the Guffey Petroleum Co., have leased up large acreage south of Vernon along Paradise creek, in Wilbarger and Ford counties. The first named company has approximately 29,000 acres leased and the Guffey Company something like an equal acreage. Neither company's leases lap into the others, although they lay side by side in almost solid blocks and extending east and west. It is stated that cash bonuses running as high as 75c and \$1 per acre have been paid for some of the leases. The general terms of the leases provide that a test well shall be started on one of the tracts by each company, within 60 days or practically by the middle of May. The first well will be located about eight miles south and west of Vernon.—Quannah Observer.

### OKLAHOMA COMMISSIONER OUSTED FROM OFFICE

A. T. Watson impeached on two of nine charges against him. By Associated Press. Oklahoma City, Okla., April 3.—A. T. Watson, corporation commissioner, was impeached today on two of the nine charges against him, and on a vote of the impeachment court was ousted from office. One of the charges on which he was convicted was a loan of \$1000 to Mrs. Watson by R. K. Wooten of Okfuskee. Commissioner Watson, signed the note as surety and it was never paid. The second charge on which conviction was obtained was the loan of \$1000 to a son of Watson by John Ringling and on which Commissioner Watson was also secured. On the Wooten charge the vote was 28 to 12, and on the Ringling charge it was 29 to 13. The impeachment court then voted on the question of ousting Watson from office; the vote was 29 to 13. The impeachment trial of A. L. Welsh, insurance commissioner will begin Monday.

THE LUSITANIA DELAYED BY HEAVY SNOWSTORM English Steamer From New York to Liverpool Will Carry 835 Passengers
By Associated Press New York, April 3.-The liner Lusitania, scheduled to sail at ten o'clock for Liverpool, was held up by thick weather and a heavy snowstorm. With all passengers, baggage and cargo aboard the steamer lay at her dock awaiting abatement of the storm. Aboard the Lusitania were 833 passengers, the largest list since the war began. Unusual precautions were taken to keep from the passenger list any person whose presence aboard was not thought to be desirable; baggage also was examined.

BIDS ASKED FOR CARNEGIE LIBRARY AT FREDERICK

(Frederick Leader)  
The board of trustees of the Frederick Carnegie library held a meeting Tuesday at which it was decided to advertise for bids for the construction of the library building. The

Carnegie corporation requires assurances from the mayor and city council that the proposed building can be erected for \$10,000, the amount to be donated for that purpose, and it is necessary for a definite bid or bids to be received before this assurance can be given.

### Programs Of Easter Services At Wichita Falls Churches

**Church of Christ.**  
Bible school at 9:30 a. m. Preaching at 11 and 7:45. We are preaching every night during the week and on Sunday afternoons—in the pool hall building at the factory. Bible reading at the church on Thursday nights. You are invited to these services. The church is in the 1100 block, Buff street.  
C. A. BUCHANAN, Minister.

**Central Presbyterian.**  
Sunday school at 9:30 a. m., A. F. Kerr, superintendent. Preaching at 11 a. m., and 7:45 p. m. Wednesday evening at 7:45 we will have the pleasure of having with us Rev. Joe Vinson one of our missionaries located at Hatchow, China. We extend a cordial invitation to our friends in the other churches to hear this servant of the King tell of the wonderful things God is doing in the far East. The Fellowship Bible class meets you. Meet with them Sunday.  
FRED L. McFADDEN, Pastor.

**Christian Church.**  
Bible school at 9:30. Graded lessons, good teachers and classes for all ages. We had 340 in attendance last week. There should be as many as we have church members, which would mean a total of 400. At 10:40 morning service, the three elementary departments of Bible school will render a beautiful Easter program. The opening song, a procession with one hundred children, accompanied by organ and orchestra, will be beautiful and well worthy of the occasion and every member's time, following this will be the communion. Our Bible school superintendent, W. J. Bullock will give the closing Easter story. Endeavor at 6:30 in basement. Prayer-meeting Wednesday 7:30. Monday afternoon C. W. B. M. The pastor appreciates the attendance of members in Iowa Park, he will preach there evenings next week. You are invited to hear his evening sermon at Tenth and Travis Sunday on "Christ on the Cross," this is the world's greatest tragedy. Let us study it together.  
F. F. WALTERS, Pastor.

**First M. E. Church.**  
The regular services in order for Sunday, Sunday school at 9:45. We should meet promptly on time, and dismiss a little early owing to the after service. At 11 o'clock the Knights Templar will meet with us in their regular Easter service. We invite any who may be interested to come also. The Epworth League will meet at 7 and preaching again in the evening at 8. Beginning with this service all evening services will meet at 8. P. M. meeting Wednesday evening at 8. The usual services at Paul's Memorial Chapel.  
CHAS. C. SMITH, Pastor.

**Lutheran Trinity Church.**  
We will have special Easter services and Communion Sunday. The catechisms will meet at the parsonage at 9 a. m. The confessional services preparatory to Communion will be held at 10 a. m. The Easter services will begin at 10:30 a. m. Sunday school at 11:30 a. m. The young people of our congregation are requested to meet at the church at 7:30 p. m. Everybody is cordially invited to attend our services.  
P. A. BRACHER, Pastor.

**First Baptist Church.**  
Sunday is Easter and we want it to be a great day. There were 640 in the Sunday school last Sunday and we would like to have 700 next Sunday. Mr. Elchenberger and his orchestra have special music for the Sunday school. This is one of the best orchestras you will find in any Sunday school. Don't fail to hear them Sunday morning. Ask everyone you see to come with us unless they go to some other Sunday school but if they are in some other Sunday school don't ask them to come to ours. Preaching at 11 by the pastor. Subject, "The Resurrection." The choir will sing "To Thy Great Name, Almighty Lord" by Cameron and "Christ is risen" by Abbott. Sunbeams, Girls' Auxiliary and Royal Ambassadors at the church at 3 p. m. Preaching by the pastor at the Walnut Street Mission at 3:30, and at the church at 8. B. Y. P. U. at 7:45. Women's Alliance Monday at 3

p. m. at the church; the pastor will address the meeting. Prayer-meeting Wednesday evening at 8. Revival services began the 18th. We hope to see every member of the church at the Sunday school.

**First M. E. Church, South.**  
Sunday school at 9:30. We are making a special effort to have a large attendance and we appeal to every member and friend of our church to be on hand. Easter souvenirs will be given all those in attendance. We are expecting the largest crowd in the history of our church. New scholars and visitors will be sent for if they will phone 760. Let's have a record breaking crowd. The pastor will preach on "The Resurrection" at 11 a. m. and 7:45 p. m. We hope that a number will come into the church on this Easter Day. Junior League at 3 p. m., and Senior League at 4:45. Monday is the all day meeting of the Woman's Missionary Society. Dinner will be served at the church and all ladies are invited. Prayer meeting on Wednesday evening at 7:45. We are anxious to have a large attendance at this service. The following program will be rendered by the choir on Sunday evening:

### LOCATION OF VARIOUS GERMAN ARMIES ON WEST

Copenhagen Correspondent Tells Disposition of Various German Armies

By Associated Press.  
London, April 3.—The Evening News has a dispatch from its Copenhagen correspondent giving what purports to be the location of the various German armies in the west. According to this dispatch Emperor William is at Dinant with Gen. Von Falkenhayn, chief of staff; General Von Dehler is at Dixmude, with four army corps; the crown prince of Wurtemberg is at Maestri, near Lille, with three army corps; the crown prince of Bavaria, with three corps is at or near Cambrai, in the department of the north, France; Gen. Von Herringer is at La Fere, northwest of Laon, in the department of Aisne, with four corps; Gen. Von Kluek who has been wounded, has three corps near Laon; Gen. Von Buelow is at Vouziers to the northeast of Chalons with four corps; Gen. Von Eimen is between Buzoanoy and Stenay, to the north of the Argonne, with three corps and two more corps in reserve while the crown prince is at Etain near Verdun with the fifth corps and two more corps in reserve. Further to the south is Gen. Von Falkenhayn's line from St. Mihiel to Muelhausen with one corps and several brigades in reserve.

### MOTOR PLANTS TAKEN OVER BY GOVERNMENT

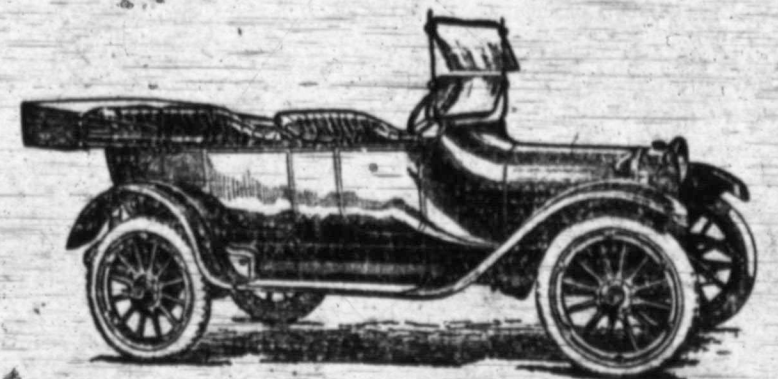

By Associated Press.  
Glasgow, April 3.—All motor manufacturing plants in Scotland have been placed under governmental control in pursuance of the government's plans to accelerate the supply of war material. In the future these plants will run day and night making motor lorries for the transport department.

## DODGE BROTHERS MOTOR CAR

You can feel sure that the car is exactly as good as it looks if you will remember the wide experience which Dodge Brothers have had in motor car construction

Surely it is not assuming too much for example, to say that Dodge Bros. should be skilled in axle construction, as they have manufactured as many as 225,000 rear axles per year.

The wheelbase is 110 inches. The price of the car complete is \$785 f. o. b. Detroit.

### ELIMINATES WORRY

When your money is placed in investments with which you are not thoroughly familiar, you are sure to be constantly worrying about its safety. There is only one way to absolutely eliminate this worry, and that is to place your funds in a strong, reliable bank, managed by men whom you know are capable and of sterling integrity.  
The National Bank of Commerce affords an ideal depository by reason of its ample capital, management by men of the highest ability and honor, and the fact that it is under the direct supervision of the United States government.
