CHINA CAN'T GIVE U. S. INFORMATION

THAT COUNTRY CANNOT MAKE KNOWN TERMS OF UNDERSTANDING WITH JAPAN

SAME REQUEST TO JAPAN

United States Cannot Know Whether Any of Its Treaty Rights Have Been Violated

Washington, May 22.—It has been ascertained that sometime after the United States made representations to Tokyo early in the spring in an effort to prevent any infringement of its rights in China, the American legation presented a note to the Chinese government requesting it to inform the United States of any understanding into which it entered with Japan. The note has been discussed in the final Chinese-Japanese conference now under way, but although the United States is believed to have sent a similar communication to Tokyo it has not been brought up by either nation.

The drafting of the new treaty between Japan and China continues without regard to the American communication. It being asserted that China is unable to oppose the wishes of Japan in this regard.

The Chinese government is inclined to consider the American note as a matter of record to be revived should the United States find that the Chinese-Japanese treaty conflicted with its rights. It is understood that another move has been made to China that on account of disturbed conditions brought about by the European war it would not be wise to irritate or alarm Japan by broaching the subject of American memorandum before conclusion of the treaty negotiations. The delay in drafting the treaty is said to have been due to the fact that the Japanese representatives wished to depart from the terms of the Japanese ultimatum which China accepted. The Japanese, however, are now showing willingness to revert to the precise requirements of the ultimatum and the Chinese expect the treaty to be signed Tuesday. There probably will be secret articles but the statement is made on good authority that these articles will be of no importance.

ALL BETWEEN 18 AND 50 CALLED OUT IN HUNGARY

Official Notice Given Landstrum to Report to Officers for Examination

Budapest, May 22.—The official gazette publishes a decree calling upon the Landstrum from eighteen to 50 years old for military examinations. It will be decided later whether these classes are wanted for service.

LORD CHURCHILL LEAVES THE BRITISH CABINET

It is Possible He May Not Accept Any Position in the New Cabinet

London, May 22.—Winston Spencer Churchill, first lord of the admiralty, whose quarrel with Baron Fisher, first sea lord, was largely responsible for the cabinet crisis, bade farewell to the heads of various departments of the admiralty. It is said there is possibility that he will not accept a place in the new administration and that during the duration of the war he will content himself with a seat among the private members of the House of Commons.

PRECIPITATION YESTERDAY NOT WELCOMED BY FARMERS

About half of an inch of rain fell here Saturday up to 8 o'clock, there being several showers during the afternoon. The precipitation was not expected to be of much benefit to wheat and was not generally welcomed by farmers. The rain was local in extent, not being reported further south than Hemietta and extending only a short distance to the northward. "Unsettled and showery" is the weather bureau forecast for today.

CONSIDERABLE SUM PAID OUT IN HAIL DAMAGE

For the St. Paul Fire and Marine Insurance Company, Cravens, Maer & Walker, local agents, have paid out nearly \$2,000 to farmers of Wichita county in hail losses on their wheat crops. A bulletin just received shows that this company has paid hail losses in Texas in the past few weeks to the amount of \$15,175. A number of these losses occurred only on May 16 showing that the settlements have been prompt. Among the losses paid in this city are: J. E. Johnson, Iowa Park, \$1011.00; J. S. Smith, Iowa Park, \$817.00; H. C. Herndon, Wichita Falls, \$260; J. T. Hamilton, Wichita Falls, \$875.00.

PENNSYLVANIA SPENDS \$2,000,000 FOR STEEL COACHES

Philadelphia, May 22.—The Pennsylvania Railway company announced today that it had placed orders for 189 all-steel passenger and baggage cars to cost approximately \$2,000,000. The cars are to replace wooden equipment.

JURY BELIEVED ALL THAT ROOSEVELT SAID

Finally Agree On Verdict For Defendant in Libel Suit and Saddle Costs On Barnes.

Syracuse, N. Y., May 22.—The jury after eleven hours of debate today agreed upon and returned a verdict for Col. Roosevelt. The verdict, according to the law, means that the jury believes everything Roosevelt charged against Barnes is true and therefore Barnes is not entitled to damages.

The verdict was returned after 40 ballots had been taken and the jury had considered for 42 hours the evidence which was presented during the five weeks of the trial. Nineteen hours were consumed before eleven of the jurymen who since the second ballot had stood together, persuaded Juror No. 11, Edward Burns, a Syracuse ironmolder, and a Republican, to join with them in returning a verdict which Col. Roosevelt later declared to be "typically American." Mr. Barnes was not in court. Mr. Barnes' counsel said the case would be appealed.

BARNES WILL APPEAL FROM JURY'S DECISION

New York, May 22.—William M. Ivins of counsel for William Barnes announced today that an appeal would be taken from the verdict of the jury at Syracuse.

Mrs. W. H. Herron and son, Joseph, have returned home after leaving Wednesday to attend the funeral of Mrs. J. B. Herron at Hutchinson, Kansas. News of Mrs. Herron's death was received Tuesday but her son, W. H. Herron, was in Cleveland, Ohio, and was thus unable to attend. It will be remembered that Mrs. Herron with her husband, who died here at the home of his son two years ago, had made a number of visits here and has a number of friends who will regret to learn of her sudden death and who will extend sympathy to the relatives here.

NORTHWESTERN PASSENGER TRAIN WAS DERAILED

The engine, tender, mail and baggage cars of Northwestern passenger train No. 3 were derailed Saturday morning near Burkburnett shortly after leaving the city. No one was injured, but the track was damaged and it was necessary to transfer passengers past the scene. The damage was practically repaired last night.

AUSTRIAN TROOPS PURSUED ACROSS BORDER BY ITALIANS

Brescia, Italy, May 22.—It was reported today from several points on the frontier that Italian Alpine troops pursued Austrian soldiers who had crossed the border.

BOMBS DROPPED ON PARIS LAST NIGHT

Paris, May 22.—Three bombs were dropped on Paris tonight by a German aeroplane. Two persons were slightly injured.

MANY LOSE LIVES IN TRAIN WRECK IN ENGLAND

Carlisle, England, May 22.—Seven bodies have been recovered from the wreckage of a collision between a troop train and a local.

Where the Editor Draws the Line.

Delinquent subscribers are hereby notified that jack rabbits will no longer be accepted in payment on back subscription at this office. We've already received so many of the critters that our children's ears are beginning to grow long and pointed as a result of eating too many of them. Until further notice, however, coyotes, bobcat, skunk and mountain lion pelts, Mexican trileaves and balded bear grass will be accepted on subscription at their market value. Verify in season same as cash. Govern yourselves accordingly.—Tuesmer (N. M.) Sen.

DEFEAT OF OBREGON'S ARMY IS REPORTED

Washington, May 22.—Efforts to reopen railroad communication between Vera Cruz and Mexico City with a view to relieving food famine which is causing demonstrations in the capital were renewed today by the state department. Consul Stillman of Vera Cruz and Brazilian minister in the capital were requested to urge the Carranza and Villa officials respectively to permit food supplies over the lines. The international relief committee in Mexico City it was stated could handle the situation adequately if the transportation problem could be settled.

Washington was advised today from Vera Cruz that Gen. Pablo Gonzalez would undertake a general campaign against the Zapata forces about Mexico City and the bandits who have been committing many depredations. "It is stated," says the department's summary, "that the Carranza administration realizes the necessity for measure to suppress brigandage and to end attacks on trains and interruptions to traffic."

The Vera Cruz line is reported to be in operation at Huachuca. The Villa agency here gave out tonight the following telegram from Chihuahua: "Conventio forces inflicted disastrous defeat upon the Carrancistas at Zelaya, capturing the town and causing overwhelming losses to the enemy in killed, wounded and prisoners. Our cavalry pursued with great vigor the remnant of Obregon's army which is fleeing to the south where it will be met by Gen. Zapata's troops."

Why Ladies Prefer The FREE SEWING MACHINE

(Invented and patented by W. C. Free)

The extraordinary merit of The FREE explains the reason of its wonderful sale. Spend two little minutes in reading twelve reasons why you should buy The FREE sewing machine now and avoid years of regret later.

The FREE runs lighter than any other machine. It saves your health. The FREE makes a more perfect stitch. It saves your eyes. The FREE is noiseless. It saves your nerves. The FREE sews faster. It saves your time. The FREE automatic raises the head ready for sewing. It saves your strength. The FREE has a guarded belt which never comes off. It saves time and trouble. The FREE case takes less room. It has no sharp angles, but beautifully rounded curves.

Beautiful When Closed. The FREE case is more beautiful. It is an ornament to any room. The FREE case has a self-raising treadle, and when closed resembles a music cabinet. It is built of mahogany, golden oak and fumed oak. The FREE case is built in three styles, Colonial, French and Mission. It will match any room. The FREE case is of the most perfect construction and finest finish. Its design is unique, artistic and entirely new. The FREE Sewing Machine is guaranteed for life and is insured for five years against fire, flood, breakage or cyclone. We replace even a broken needle.

Happy hours await you if you will immediately Trade Your old Machine for The FREE Machine \$1.00 A WEEK

FINANCIAL MATTERS TO BE DISCUSSED

REPRESENTATIVES OF 22 PAN-AMERICAN COUNTRIES TO MEET MONDAY.

ENCOURAGED BY GOVERNMENT

President Wilson And Other Members Of Administration Will Attend Session.

By Associated Press. Washington, May 22.—Representatives of all the countries of North, South and Central America, except Canada and Mexico, will meet here Monday in the first Pan-American financial conference, designed to aid the commercial and banking interests of each to solve the many problems that confront them as a consequence of the European war.

Eighteen countries accepted the invitation of the United States to send representatives to the conference. The delegates appointed from each come from chief industrial, commercial and financial interests. More than 300 prominent bankers and business men of the United States have been invited to participate.

The purposes of the conference have not been strictly defined, but broadly speaking, it is expected to take up problems of transportation, commerce and finances. Secretary McAdoo, who was active in arranging the meeting, hopes that from it will come a knowledge of conditions and inspiration which may lead to those closed relations between the United States and her southern neighbors which long have been the aim of American diplomacy.

U. S. Government Active.

The conference itself will continue six days, but after its conclusion the delegates will be taken on a tour of some of the more important American manufacturing and commercial centers. Administration officials have spared no effort to insure success for the conference. Congress has appropriated \$50,000 to make the visitors guests of the nation. President Wilson, Secretaries Bryan, McAdoo and Redfield, other members of the cabinet, members of the federal reserve board, and members of the diplomatic corps will attend sessions of the conference which will begin Monday morning with an address of welcome by the president on behalf of the United States and another by Mr. Bryan on behalf of the state department. One representative of each invited country is expected to respond briefly. At noon, the same day, the president will receive all delegates in the East Room of the White House, and the same night a larger reception will be given in their honor by Secretaries Bryan and McAdoo.

At the outset the conference will be divided into committees and there will be held a series of general sessions. There will be one committee for each country and five United States delegates will serve on each. The committees are counted upon to learn the real needs of the visitors and, when they desire, report their findings in an open session to all the others.

Subjects to Be Considered.

Although no attempt has been made in advance to lay down a definite program for the committee meetings, these are among the topics suggested. The present financial needs in national, state and local governments; nature and character of public loans; how secured; rates of interest thereon; where such loans have heretofore been placed, and the price at which they have been sold; possibility of placing such loans in the United States; effect of the European war on public revenues and expenditures; relation of decline of public revenues to guarantees of payment of interest and principal.

The normal and financial needs of public service companies; present needs of such companies; character and nature of the bonds or obligations they have to offer how secured, etc.; possible conditions of financing in the United States; effect of the European war on such companies; their financial conditions and needs; normal financial needs of commerce, such, for instance, as credit facilities; direct or dollar exchange; possibility of adapting commercial credits in the United States to the needs of the countries of Central and South America; effect of European war on the financing of foreign commerce.

Transportation between the United States and the country or countries concerned; improved postal service involved in money orders, parcel post, etc.

Sessions of the conference will be held in the Pan-American union building. While the conference is in session

THE DIAMOND HOUSE OF VALUE

for the executive committee of the Chamber of Commerce of the United States will be in Washington to meet the visitors and give advice or assistance. The "get together spirit" which officials hope to foster will have an opportunity to show itself in full swing at the banquet in the honor of the visitors the night of May 29th at which most of the prominent men in diplomatic and official life in Washington will be present.

The delegates will remain in Washington over the next day and then start on a fifteen day trip which takes them between St. Louis and Boston.

SALE UNPRECEDENTED IN HISNORY OF CITY

It is doubtful if any sale, of any character, in the history of Wichita Falls has attracted so general attention and such liberal response as has that of the Art Loan & Jewelry Company, in the disposition of theenville stock of jewelry. At every sale during the past week the attendance has been large and the bidding unusually spirited.

That the attendance has reached such proportions is no doubt due to the confidence in which Joe Art is held by this people. During the four or five years of his residence here his business has grown with remarkable strides, increasing in extent from a small room and stock to one of the largest establishments in the state. The people of this section have come to know that they can rely on his representations at all times.

That the bidding has been enthusiastic may be attributed altogether to the success of Jack Art as an auctioneer. Earnest in his work, and at all times courteous, he has attained a result that would have been possible with but few, if any other auctioneers. He is possessed of an indomitable energy and unusual ability that places him in the front rank of auctioneers. Those who have attended the sales will not soon forget his splendid work.

MOTORCYCLE RACES WILL BE HELD NEXT SUNDAY

100-Lap Race Will Be Principal Feature—Local And Out Of Town Riders.

Plans are being made for a motorcycle meet at the Lake Wichita track next Sunday afternoon and riders of motorcycles from this city and elsewhere are expected to participate. The principal feature will be a 100 lap race in which competition is expected to be keen.

HOUSE CONSIDERS EDUCATIONAL BILL

By Associated Press. Austin, Texas, May 22.—Consideration of the House educational appropriation bill was resumed in the House today, action being on the appropriation for A. & M. College. An amendment was adopted reducing from \$12,000 to \$10,000 the appropriation for the first year for outside improvements at the College. The appropriation of \$7500 per year for agronomy or the science of soil conservation was reduced to \$5000. The House completed consideration of the A. & M. appropriations. During the two days that this particular appropriation was under consideration, only \$17,000 was cut out of the bill for this college. The total amount appropriated for the college was \$694,850 for the first year and \$763,740 for the second year. The House also passed without debate the appropriation of \$148,000 per year for the state experiment stations and then recessed until two o'clock this afternoon. The miscellaneous appropriation bill was introduced in the House carrying \$642,150 which includes \$125,000 per year to pay interest on the public debt.

CAN'T APPROVE OR DISAPPROVE OLD LINE POLICIES

By Associated Press. Austin, Texas, May 22.—In an opinion to the commissioner of insurance and banking the attorney general's department today held that the laws of Texas do not authorize the insurance commissioner to approve or disapprove life insurance policies of the so-called old line companies; that the extent of the statute relating to such matters

is to the effect that the companies must file reports of their policies with the commissioner within five days after such policies are placed on the market. The opinion also stated further that it is not the purpose of this statute to submit the policy for approval but only in order that the insurance commissioner may have the terms of the policy before him, thus enabling him to perform the duties of his office.

A PICNIC

That's the thing that gets to buzzing in the brain of all of us about now. That Picnic Feeling comes to us just as regular as the grass gets green and generally makes an irresistible appeal when that green grass, flowers and all out of doors, seems to be calling to us. We approve of the picnic idea, because we believe it's good to get out in the open occasionally, and—besides we sell Picnic Goods. Of course, that's a secondary consideration, but you'll agree that a Picnic isn't a Picnic unless there's an abundance of Eats. They are just as necessary as the grass, thistles, flowers and chickens. Fact is, you could not get along without some of this scenery, but the Eats—No, never. Pick the People, time and place for your Picnic—then come down here and pick your Picnic Eats. It's a Picnic to pick our Picnic goods. Any old scenery and our GOOD GROCERIES will make a Pippin of a picnic.—Come on—let's all go.

Wichita Falls, Texas, May 23, 1915

Population considered, there are more automobile owners in Wichita than any other county in the state. The registration is now near the 1300 mark.

Here's a question Wichita Falls property owners should begin to put to themselves: How much would property values slump (especially that which is far removed from the business district) if the street car service be discontinued? And: Would it be possible to get a five cent street ride in an automobile if there was no street car service?

Italy and Austria have gone to war at last, though it would seem that Austria did all that could reasonably be expected of her to keep Italy neutral. Therefore, if Italy comes out second best, and the chances are largely that she will, there will be but little sympathy for her.

Only a few more days remain of the special session of the legislature, and if it does not dispose of business at a much greater speed than for the time it has been in session it will require two to three extra sessions to dispose of the extra subjects the governor has submitted to be acted upon.

It appears now that about the only chance the Gibson bill has of passing the senate is for those members who favor it to delay a final vote on the matter until such time as they can catch the opponents off their guard and put it to a vote while two or three of them are absent. It was the intention of the opponents to have the matter formally disposed of at yesterday afternoon's session, but the members who favored the Gibson bill, or a sufficient number of them, hid out and prevented a quorum. Senator W. A. Johnson who represents this district is opposed to the bill and will do his duty when the final vote comes.

The Supreme Court of Texas has held that oil leases are taxable property, and by that decision Wichita County is placed in a position where she can now collect about \$30,000 in taxes due for the years 1912, 1913 and 1914. The counties that did not assess oil leases can now see where they made their error. Much credit is due Judge C. B. Felder and the Commissioner's Court for the fight they made to have oil leases taxed. Their activity in the matter might have had something to do with the defeat of some of them for reelection, and doubtless did. But this did not deter them in the least in doing what they thought was their duty by the county.

A FAYING PASSENGER.

Wichita Falls Times, Ed Gleaser, editor of the New Uln Enterprise, writes the Times that he is going to take a vacation of two months, starting from home about June 1, which he intends to spend in the wheat fields of Texas, Oklahoma, Kansas, Missouri, Nebraska and the Dakotas, working as a harvest hand, and depending entirely on the wages he receives to pay the expenses of his trip. He expects to carry with him two other men, and wants to get in communication with some wheat farmer near Wichita Falls in order to be sure of a job as soon as he gets here. Hurrah for Ed Gleaser. He wants to see the country and to earn his travel money by performing a service useful to those whose money he will take, and to the public as a whole. Of course, if Ed Gleaser were inclined to dodge work and to demand Government aid in getting over the country he could become a hobo knight and pose as an example of manly virtue reduced to the brake beam by a Democratic Administration. And after that he could make quite a bit in some circles by haranguing in favor of Federal aid for the victims of wanderlust. But Ed Gleaser evidently is not that kind. He is willing to pay his way with his labor, and the chances are that he will not only enjoy his vacation experiences and travels, but will wind up in North Dakota with a pocket full of money. After that he can come back to Texas and take up his regular occupation with a new store of vigor and self-reliance, or he can go to Chicago or Kansas City or Minneapolis and spend the fall and winter in soup kitchens, five-cent saloons and municipal lodging houses. Of course he is not the sort to choose the latter scheme of life, but there are others not so particular as he; and they will make the wiser choice, then blame "capitalism" or "the system" for it.—State Press in Dallas News.

Wants City Officials to Wake Up. Didn't the good people of Wichita Falls vote for the expenditure of \$35,000.00 for immediate street paving? If so, it is about time the town officials are waking up to the fact that work should be commenced. Harvest time is at hand and will require a larger percentage of labor than last year and it will be late to call for help. Please wake them up through the columns of your paper as it seems impossible to do so with the cash in their hands. It might be well also to get them about the dust and have it sprinkled with oil which is as plentiful in your good town, and not have the visitors complain of having a nice town, but with a few very bad exceptions. Wake them up. It is up to you more than anyone else, as you can't depend entirely upon the good wishes of the property holders and allow the public officials to be asleep at the switch. If they don't take advantage of the hundreds of poor unemployed right now—it will be too late ten days hence, and give them another leeway for a poor excuse that should not be forthcoming. "We are short of help and the paving in Wichita Falls will be postponed until September."

CIVIC PRIDE.

Whether the Gibson bill passes, or not the seventeen old line life insurance companies will come back to Texas, and our prediction is that most of them will open up shop in Texas before the year 1915 closes. They have stood it just about as long as they can—or rather they have worked their bluff to the limit, and are just realizing that it will not work.

GALLIOLI IS LAST BAR CITY OF CONSTANTINOPLE

Powerfully Fortified And Completely Dominates the Dardanelles.

Washington, May 22.—The city of Gallipoli, toward which the allied forces are fighting, guards the neck of the Gallipoli peninsula, where the peninsula joins the mainland, near the elbow formed by the Dardanelles strait and the Sea of Marmora. It is a powerfully fortified city, its defensive style in 1878, when the Russians threatened to take possession of Constantinople. The work of strengthening this port has been carried on at irregular intervals since. When the Bulgarians were attacking the lines at Chatalja, the Turks, who felt that they might expect an endeavor to turn their flanks by way of Gallipoli and Marmora Sea, worked feverishly upon the port's defenses. While Gallipoli is not comparable in strength to the fortresses of Europe, it nevertheless, with its modern batteries and extensive outworks, forms a proper conclusion to the mighty fortified water-lane leading down to the Aegean Sea.

"This city beautiful of the Greeks (Gallipoli) was the first point in Europe to be won and maintained by the Ottoman hordes. It is today anything but a beautiful city. Its streets are narrow, unimproved, and dirty, while most of its houses are overgrown wooden structures, in which decay and squalor mix to an unpleasant architectural interest, though the great architectural interest, though the great leaden-domed bazars appeal to the imagination of the Westerner. Some few and uncared for relics of Eastern Empire and Grecian times have left to normal decay by the Turks. Gallipoli has two good harbors. Both harbors have been improved, one of them serving as the principal roadstead of the Turkish fleet. Gallipoli is 132 miles west-southwest of Constantinople, the city which its guns are meant to guard, and it is 90 miles south of Adrianople, the powerful fortress toward the Bulgarian frontier. The Dardanelles at Gallipoli are about 74 miles wide, their expanse being

The North Texas Gas Co. Is moving From 703 7th St. to 710 8th St. New 1st National Bank Bldg.

WHY JAPAN WANTED TO KEEP CERTAIN DEMANDS SECRET. By Associated Press. Tokyo, May 22.—Why Japan endeavored to keep secret the fifth group of the demands she presented to China last January, shortly after the occupation of the German position at Kiao Chow by the Japanese was explained in the diet today by Baron Kato, minister of foreign affairs, in answer to questions by minority members. There had been previous indications that the minority would center its opposition on the Chinese question, voicing the idea that the government should have insisted upon greater concessions. Baron Kato called attention to the fact that Japan was not in duty bound to communicate these demands to the powers. Japan believed, she was justified, he declared, in demanding the concessions contained in the first four groups. The fifth group did not represent demands, but rather hopes. "We had to see what China would say about this fifth group" the minister explained, "and there was, therefore, no necessity for communicating it. Later, because of the appearance of erroneous accounts of this group Japan decided to make the matter public."

WELL KNOWN MCKINNEY WOMAN DIED SATURDAY. By Associated Press. McKinney, Texas, May 22.—Mrs. J. P. Cruch, wife of a wealthy citizen of this city, died here today. She was 74 years old.

Owners of Automobiles During the hot months you can get 100 to 200 more miles per gallon from Pure Pennsylvania AMALIE 1-2-3 Non Carbon Cylinder Oil than from other oil. MAKE TEST AND SEE. For sale by Motor Supply Co. Wichita Overland Co. Wichita Falls

Cadillac 8 With the abundant flow of uninterrupted power, the super-smoothness of its eight-cylinder engine, the pliant springs, the deep soft upholstery, it is aptly said: the Cadillac carries it's own good road with it. Twelve years ago the first Cadillacs were made—about 2000 of them. Many of them are still in service. How many cars of half their age do you see in use today? The same principles which make for long life and dependability are dominant characteristics in the eight-cylinder Cadillac of today. Deliveries are very slow now. Let us demonstrate this wonderful car to you. We received two seven-passenger cars Saturday. Imperial Motor Sales Co. 613-615 Tenth—Phone 934 J. W. Clasbey C. E. Brown

Nall was able to be down town for a while the latter part of this week. He is still weak from his recent illness but is gaining strength rapidly. Marriage licenses have been issued to Mike Hale and Miss Emma Gullard, J. L. Matthews and Miss Lola Munden. Three pounds fancy beans 25c for Monday. Trevathan's. To the Citizens of Wichita Falls: A factory coming to Wichita Falls that employs one thousand men on an average salary of \$75.00 per month would mean \$75,000.00 per month or \$900,000.00 per year expended in Wichita Falls. If such an institution were to move to our city tomorrow it would meet with a glad welcome. Perhaps every building in the city would be draped in flags and bunting. That is as it should be. There are business schools that draw two thousand students each year—two students spending in one month as much as one-salaried man. The towns in which these schools are located are proud of them. There is a school, still in its infancy, here in our city that is making commendable progress in drawing students from other towns. This school is being encouraged by the best business men of our city, among them being ministers, bankers, capitalists, lumber men, loan men, grocers and newspaper men. This school has enrolled over one hundred and thirty students since September 8, 1914. It is the ambition of the students and teachers to make this number two hundred by June 8, 1915. This can be done if every enterprising citizen of our city will lend a hand. What the school needs at this particular time is for every citizen of the town to influence some non-resident relative who is going to attend a business college some where to take their course here in Wichita Falls. The training can not be excelled any where in the state. The student has a special advantage of being in a city on the prairie by the largest fresh water lake in the Southwest. The school will send literature and follow up letters to any address given us over the phone or by mail. Yours for a larger and better Wichita Falls with a business college second to none, we are, WICHITA COMMERCIAL SCHOOL, By O. H. Foeter, Business Mgr. 8-11c.

Sheriff George Hawkins is expected to return this morning from Fort Worth with the goods stolen Wednesday night from the P. B. M. department store. Nothing has been found of the goods missing as a result of other recent burglaries. Resolutions of Respect. Circle No. 2 of the Women's Missionary Society met at the home of Mrs. T. R. Noble Monday afternoon at 3 o'clock. The following resolutions were adopted: Whereas death has removed from our midst our sister and collaborator, Mrs. W. T. Harris, and, whereas her loyalty and fidelity and christian influence will be missed by circle No. 2 of the Women's Missionary Society, therefore be it resolved: That while we bow in submission to the will of Him who doeth all things well—we deplore her untimely going and will ever miss her helpful presence and self-sacrificing spirit, which was a benediction to all. Be it further resolved that circle No. 2 has lost one of its most faithful, earnest and consecrated members, whose influence will be long felt among us. Be it further resolved that a copy of these resolutions be spread upon the minutes of circle No. 2 and a copy be furnished the family, the Texas Christian Advocate and the daily papers of the city. HONOR TO CONNECTICUT MAN. Ella Mitchell of That State First to Make Geological Survey in United States. The first government geological survey in America was conducted by Ella Mitchell, who was born in Washington, Conn. He was a graduate of Yale and became professor of mathematics in the University of North Carolina. Afterward he became professor of chemistry, and in 1821 he was ordained a Presbyterian minister. As state surveyor of North Carolina he made an extensive geological survey and he was the first to ascertain that the mountains of North Carolina are the highest east of the Rockies. He was a martyr to science, for to settle some disputed point about the altitude of these mountains he reascended them in 1857, lost his way at night, fell down a precipice and was killed. The geological survey of the United States, which has carried out on a large scale the work commenced by Mitchell, was created for the purpose of preparing a map of the United States, classifying the public lands, examining the geological structure, mineral resources and the products of the republic, and investigating the extent to which the arid and semi-arid lands may be redeemed by irrigation. About Ravens. Many stories are told about the raven, a bird which really seems to have reasoning powers. One story relates how a raven got a young hare for dinner. It pounced upon the little animal, but the mother hare drove it away. Then the raven slowly retreated, pretending to be afraid, until it decoyed the hare a considerable distance; whereupon it rose in the air, flew back swiftly and bore away the young hare. A similar plan was adopted by some ravens that wished to steal food from a dog. They teased him until he grew so angry that he chased them, and then the artful birds turned sharply around, easily reached the dish before him, and carried off the choicer bits in triumph. As to the raven's power of speech, the impression is that it can talk if it will, but it is not loquacious, and does not like to show off like a parrot. But when it does speak, it is very apt to use its words more appropriately than a parrot does. Big Game, Sure. A senator from a southern state always has an abundance of good southern tales at his command. Here is one he tells of some friends of his who were visiting in Savannah, and who had chartered an old broken-down hack driven by a negro. The old fellow was a native, and, of course, was on his job in pointing out all the places of interest along the route. As they joggled along out in the suburbs a squirrel appeared in the road. That was sufficient to arouse intense interest in one of the party, who inquired, anxiously: "Do you have any big game around here?" "Yes, sub; indeed, sub," replied the darkey; "ve has baseball"—Harper's Magazine. Conscious Doers of Kindness. The conscious doers of kindness are probably the most surprised people in the world. In the first place, they are almost certain to feel that they don't get due credit, that they are misunderstood. They are surely misunderstood by themselves. By others they are not likely to be misunderstood, particularly by those they do good to. If, for example, the virtuous patronizers of the poor could only know how, in many instances, the poor felt toward them, they would at first be indignant and resentful. Then they would wonder how they had escaped with their lives. Three pounds fancy squash for 25c for Monday. Trevathan's.

Facts don't blow out.

The people who built the Pyramids did a job that has never been beaten. From foundations to cap-stones they were constructed to endure. There was no overweight anywhere and no part was too weak or too light to match the other parts. Hence the lasting qualities of the Pyramids. Diamond Tires are built, as the Pyramids were built, to last. Every part is made to wear just as long as the other parts endure. Consequently Diamond Squeegee Tread Tires made a record in 1914 that has never been matched. Send for our book of letters from dealers who sold Diamond Tires in 1914. It tells how more than 99 out of every 100 of the more than half a million Diamond Tires sold last year gave maximum service at minimum mileage cost. It is yours for the asking. Diamond Squeegee Tires are sold at these FAIR-LISTED PRICES:

Table with 4 columns: Size, Diamond Squeegee, Price, and Diamond Squeegee. Rows include sizes 30x3, 30x3 1/2, 32x3 1/2, 33x4 with prices ranging from \$9.45 to \$20.00.

Put on Diamond Squeegee Tires. For Automobiles, Bicycles. For Cyclecars, Motorcycles. MAXWELL HARDWARE CO. Sole Distributors.

Doctors Hartsook & Stripling. EYE, EAR, NOSE AND THROAT. 302 Kemp & Kell Bldg.

Special Sale of TRIMMED HATS. Will have on sale Monday two lots of trimmed hats at \$1.00, \$1.50 and \$2.00. Former prices \$2.50, \$3.00 and \$4.00. Good styles and quality. OLIVE A. CHILD. 810 Scott Phone 1973.

Daniel Frohman Presents The Dainty Magnetic Little Star Marguerite Clark In a bewitching characterization Wild Flower. A drama of the lights and shadows of the sun-kissed forest, the depths and shallows of human life, a delightful tale of sweet innocence and eternal youth. Sweet-eyed, winsome, laughing, Nestling close to your heart Like fragrance of young May blossoms. This girl o' dreams—Marguerite Clark. The girl who in a very few weeks has surpassed little Mary Pickford in popularity in the large cities. See her in "Wildflower" and you will know why. We are not advancing the price for this fine production, which will only be 5c and 10c. A Paramount picture produced by the Famous Players Film Co.

Empress--Monday. Shows start 12:30, 2, 3:30, 5, 6:30, 8, 9:30.

DOWNPOUR LAST NIGHT ADDS TO WHEAT DAMAGE. Feared That Much of the Finest Wheat Has Already Been Seriously Damaged. Thousands of acres of as fine wheat as ever grew out of the ground it is feared, has been badly damaged by the excessive rainfall of the last few days of which a heavy downpour last night was an added element. Many fields in the river valley and in bot-

tom lands generally were beginning to show the effect of the rainfall and it is believed greater damage still was done by last night's rainfall which appears to have been general over the county and especially heavy between Wichita Falls and Bowie. After showers throughout the day yesterday a downpour set in before ten o'clock last night which continued into the morning. The gutters were scarcely adequate to carry off the water here. The rain fall at Henrietta was about the same as here. Apparent last night indicated that the rainfall was heavy along the Red river valley. No reports of serious damage other than to crops had been reported early this morning.

Personals

Mrs. J. W. Akin went over to Henrietta Friday returning Friday night with Judge Akin who is spending Sunday at home.

Friday, May 28—The Kewpie Club will meet with Miss Zelma Handolph. Miss Nell Bullock will entertain the D. O. D. Club. The Fidelis Girls will meet with Miss Ethel Rainey.

LAST CONCERT OF SEASON GIVEN BY CHORAL SOCIETY.

The program given by the Wichita Falls Choral Society on Thursday last was enjoyed to the full by all who heard it. The chorus work was marked by a vigor of attack and a sureness of singing unusual in so young an organization, and reflects much credit upon the director, Mr. C. B. Machlin. Mrs. Machlin, as accompanist, did faultless work. The soloist, an extra number, the piano quartet was introduced by request. These four ladies, Mrs. Machlin, Mrs. Walker, Mrs. Ashmore, and Mrs. Taylor, played the same number at the musicians' club concert. It was so much enjoyed then, that they were asked to repeat it for the Choral Society. The soloist acquitted themselves exceedingly well. Mr. Bradley's "May Morning" was charmingly rendered. Mr. Bradley being in extremely good voice. Mrs. Thompson singing "Mother of Mine," and Mrs. W. S. Robertson with "Sunshine," both scored an encore, though neither responded. Mr. Machlin, whose singing of the "Creole Lover's Song" was chiefly praiseworthy for his clear enunciation, virile interpretation, and accurate intonation, gave "Gipsy Love" as an encore. Mrs. G. H. Carpenter was remarkably happy in her rendering of the May Queen, obligato to the last chorus "With a laugh as we go round."
The chorus is now recessed for the summer, but will meet again for rehearsal next October. The first concert of next year will be Mrs. Machlin's Festival Mass and others of his sacred compositions, and will be given about the end of November.

KNOTT PIANO RECITAL TREAT FOR MUSIC LOVERS.

The music lovers of this city were given a treat Friday evening, when Marion Knott and Lewis Casperson high school auditorium. The program was immense; it began with the wonderful group of 12 tone pictures, called Childhood Scenes. There Mr. Knott played with splendid interpretation and finish. However, it took the Bach Gavotte to show his beautiful tone and technique, and the great Chopin program, impossible to the average player, was given with ease, grace and tremendous force. While Mr. Knott is a genius, his remarkable playing is largely due to his teacher, Mr. Otis Fischer, who is America's greatest pianist. Mr. Knott was assisted by his friend, Mr. Casperson, who also played a great program. He is a concert artist of marked ability. In the brilliant Mozart kowski number, as well as in the Liszt group, he showed splendid talent and training. His playing is clean, refined, intellectual and finished. Mr. Knott who is now director of the Wichita Falls College of Music and Art, will be heard in the Wichita Theatre early in June.

MRS. GREY'S CLASS ENJOYS CAMP BREAKFAST.

The Willing Workers of the First Christian Church, taught by Mrs. Grey, enjoyed a delightful camp breakfast Saturday morning at Lake Wichita. Everything was cooked in the open and enjoyed to the utmost, the girls returning home about ten o'clock.

CIRCLE NO. 3 MEETS WITH MRS. C. C. SHELTON.

Circle No. 3 of the Missionary Society of the M. E. Church South met Monday afternoon with Mrs. C. C. Shelton. An impressive devotional service by Mrs. Butler opened the meeting, the leader's subject being "What It Means To Be A Christian Woman." A report of 116 visits made to the sick and strangers was made to the credit of the circle and a free will offering was taken. The service of delicious refreshments completed a most agreeable afternoon spent socially by the twenty members of the circle present.

INFORMAL TEA AT ANDERSON HOME FRIDAY.

Mrs. A. E. Anderson and Grandma Friberg entertained Friday afternoon with an informal tea, one of the series being given by members of the Ladies' Aid of the First Methodist Church. The usual pleasant hospitality of the Anderson home was manifested on this occasion. The afternoon's entertainment consisting of conversation, interspersed with musical numbers. Those present were: Mesdames Dobson, Corkhill, C. H. Wilson, Mellis, Kate Friberg, Byman, Snyder, Mead, H. J. Bachman, Patten, Keys, McCorkle, G. E. Friberg, Crain, Marquand, Elliott, E. V. Friberg, Stripling, Carey, Smith, Cook, Simon, Dooden, Estlin, Misses Grace and Alleen Anderson, Edmottie Friberg and Alleen Patten.

MISS PAULINE TAYLOR HOSTESS TO KEWPIE CLUB.

The Kewpie Club met Friday afternoon with Miss Pauline Taylor, spending the afternoon in playing various games. With the meeting of next Friday the club will adjourn, having been organized for recreation during school time. Refreshments of ice cream and cake were served to the following: Misses Lenora Thompson, Sodie Adickes, Marie Berry, Lilly Fowler, Zelma Handolph, Thelma Taylor, Hallie Adams and Pauline Taylor.

FIRST BAPTIST PHILETHEAS ENTERTAIN BARACAS.

The Philetheas Girls of the First Baptist Church entertained informally Thursday evening for the young men of the Baraca Class. The entertainment was in the church parlors, which were tastefully decorated with ferns, roses and other cut flowers. A musical program was carried out, progressive games of various kinds were played and ice cream and cake formed the refreshment feature, roses being plate favors. These two classes are taught by Mrs. W. L. Robertson and Dr. W. P. Holding and a large percentage of the membership was present, there being about sixty-five people in attendance.

WITH THE WOMEN OF THE CHURCHES

The Ladies Aid of the First Presbyterian Church will meet Monday afternoon at the church. Westminister Guild will also meet.
Regular Bible study hour of the Missionary Society will be held at the church, South, Monday afternoon. The Young Ladies Missionary Society will hold a missionary program Monday afternoon at the church.

AT THE CHURCHES

Church of the Good Shepherd.
Holy Communion, 8 a. m.
Sunday School, 9:30 a. m.
Morning Prayers, 11:00 a. m.
Evening Prayers, 8 p. m.
Archdeacon Crittenton will preach at the 11:00 o'clock service. You are cordially invited to attend.
F. T. DASTON, Rector.

Lutheran Trinity Church.
Fourteenth and Bluff Streets.
Sunday School at 9 a. m.
Preparatory services for Communion at 10 a. m.
Pentecostal services and Communion at 10:30 a. m.
Everybody is cordially invited to worship with us.
F. A. BRACHER, Pastor.

Fourth Street Baptist Church.
Usual services of the Fourth street Baptist Church throughout the day and week. Preaching morning and evening by the pastor. A cordial invitation to attend any and all the services of this church. If you are not in Sunday School elsewhere we want you in ours.
T. E. CANNEDY, Pastor.

First Methodist Episcopal Church.
Corner Seventh and Lamar.
All the regular services for Sunday. Sunday School at 9:45, followed by the preaching service at 11:00 o'clock. Epworth League service at 7 and preaching again at 8 o'clock. You are most cordially invited to attend these services.
The Ladies Aid Society announce an old time district school spelling match for Friday evening, May 28th. The school will be called to order in the good old fashioned way by the teacher ringing a hand bell. There will be an old time quartette rendered by well known people dressed in hard time clothes. Nursery Rhymes will be spoken. Any person coming dressed up will be fined. Ladies not wearing aprons will be fined. Old fashioned refreshments will be served all for ten cents. Program will be rendered in the church basement. Friends are cordially invited.
The usual services at Paul's Memorial Chapel. Sunday School at 2:30, followed by a talk from the pastor. Young peoples gathering, Sunday evening. Preaching service on Thursday evening. We welcome people of all denominations. Come and work with us in the interests of the community.
CHAS. CLARK SMITH, Pastor.

First Baptist Church.
Sunday School at 9:30—W. L. Robertson, Superintendent. The school is getting larger and better all the time. It is indeed gratifying to see the way our fathers and mothers are coming into the school. The men's bible class has passed the 100 mark. The example of these men is bringing many boys into the school, too. Brother, wouldn't you rather lead a boy to live right than wrong? Mr. Scheinberger and his faithful orchestra are finishing us some great music. It will pay you to come just to hear them. The pastor will preach at 11 o'clock on "Enlargement" and at 8 p. m. on "The Elements of Greatness in Man." Girls' Auxiliary, Sunbeams and Royal Ambassadors at the church at 3 p. m. The B. Y. P. U. at 7 o'clock. Women's Alliance will have the Missionary Meeting at 3 p. m. Monday. Baptist Convention that recently met at Houston, Texas. Every member of the church is requested to come and hear what the Baptist of the South are doing. Any one else who wants to come will be more than welcome.
ROSCOE C. MILLER, Minister.

First Evangelical Church.
Corner 15th and Broad Streets.
Sunday School at 9:45 a. m.
German Preaching and celebration of the Lord's Supper at 11 a. m.
Y. P. A. meeting at 7:30 p. m.
English preaching at 8 p. m.
These services will be conducted by Rev. J. Welner, Presiding Elder. Everybody is cordially invited to attend these services.
C. ERMEL, Pastor.

First Methodist Episcopal Church South.
Sunday School at 9:30 a. m.
We had about 600 present last Sunday and we invite all of our new members to come next Sunday. We have classes and a welcome for all ages. Preaching at 11 a. m. and 8 p. m. by the Pastor. The morning topic will be, "Why I am a Methodist." Junior League at 3 p. m. and Senior League at 7 p. m. Women's Missionary Society and Bible Study on Monday at 3 p. m.
On Wednesday evening at 8 o'clock we will hold our 2nd Church Conference. We will also have a social-half hour and we earnestly desire to have every member present. Badges will be distributed on which will appear every name and we want all our people to become acquainted. We now have about 1000 members and we want to be a great family in our relation with one another. So let every member, new and old, be on hand next Wednesday evening.
A. L. ANDREWS, Pastor.

BAPTIST SUNDAY SCHOOL TO ARRANGE PICNIC.
The Sunday School of the First Baptist Church will arrange Sunday for the Annual picnic. All members of the school are urged to be present.
W. L. ROBERTSON, Supt.

First Presbyterian Church.
Rev. J. T. James of Chicago, will fill the pulpit at the First Presbyterian Church Sunday morning at 11 o'clock. There will be no services at the evening hour.

Christian Church.
Bible school at 9:30. Junior and Christian Endeavor in primary rooms and basement at 7. Morning sermon, "Why Have the Church?" Evening, "Youthful Days." You are invited to hear both sermons by the pastor at 10:40 and 8. Strangers will find a hearty welcome.

AT THE THEATERS

"KREUTZER SONATA" FEATURE AT MAJESTIC

Friday's feature will be "Kreutzer Sonata" a Fox feature with Thea Bara who will be remembered for her work in "A Fool There Was" showing here some weeks ago. Every principal role in the long list of characters in the William Fox presentation of Tolstoy's modern dramatic masterpiece "Kreutzer Sonata" is filled by a Broadway star. The minor parts are enacted by equally well known actors and actresses. Director Herbert Brenon, who won his spurs as the producer of "Nephtine's Dancin'" declares that the players in "Kreutzer Sonata" comprise more people who have starred at the heads of their own companies than has been the case in any of the score of other big productions he has directed.

Nance O'Neil, the young American emotional actress, whose art is known on all four continents, plays the great role of Miriam, the wronged wife; who takes in the end a terrible revenge for her injuries. Miss O'Neil gives a veritable soul shaking rendition of the character, Thea Bara, leading woman of the famed Theatre Antoine, Paris, adds another "Vampire Woman" to the part she enacted in the William Fox "A Fool There Was" production, by her portrayal of Celia Friedlander, the beautiful, heartless siren who breaks up her foster sister's home and ruins her life. William E. Shay, star of a dozen big productions and formerly leading man for Robert Mantell, Mrs. Minnie Madern Fiske, Viola Allen, and other great artists, portrays, with wonderful brilliancy, the violinist, Gregor Rando, who plays his way into Celia's heart with "Kreutzer Sonata." John Daly Murphy, creator of "Charley's Aunt" and other famous farcical parts has the comical part of Sam Friedlander, the young "sport." He plays it with dash and a rich sense of its humor. Anne Sutherland, than whom no leading woman is better known to the American public, plays another important part, that of Orla Bulshoff, Stuart Holmes, Mrs. Alton Walker, Sidney Cushing and others are included in the long cast of notables.

MARGUERITE CLARK AT THE EMPRESS MONDAY

Marguerite Clark, the winsome little actress who pleased Wichita audiences so two weeks ago by her work in "The Crucible" will be here Monday in "Wildflower." Harold Lockwood will play the part of Arnold Boyd and James Cooley has the thankless part of Arnold's scape-grace brother. In the beautiful woodland drama of "Wildflower" by Mary Germaine, Marguerite Clark portrays the character of the dainty and bewitching little forest flower, whose real name is Letty.

Letty Roberts, a pretty and unspoiled child of Nature, dreams and frolics her time away on a little farm on the edge of the woods, far from the city. One day a stranger comes, Arnold Boyd, a wealthy man who has chosen the seclusion of the forest as a rest from wearisome society duties. He meets Letty, and is delighted with her daintiness and fragile beauty, and at once makes friends with the shy little creature of the woods. He thinks of her only as an interesting child, however, and when visited by his scapegrace brother, Gerald, who is by his own confession "a constant worshipping at the shrine of woman," Arnold views with alarm and discomfort Gerald's flirtatious attitude toward Letty. Gerald has Arnold's nickname of "Wildflower" as appropriate to Letty, and begins an ardent courtship of the child-woman, whose innocence and ignorance lead her to mistake the dross for gold. After a tempestuous wooing, Letty is swept off her feet by the impetuous Gerald and elopes with him. Arnold learns of the elopement, and immediately pursues the pair, reaching them just after the wedding ceremony has been concluded. After a struggle with his brother, Arnold knocks Gerald down and by means of train and auto spirits drives away from her new-made husband, despite her desperate efforts to escape, all of which he thwarts. Arnold takes Letty to the old Fifth Avenue mansion of the Boyds in New York, and introduces her there to the members of the household as his wife. Letty's ignorance of the world, her natural innocence, her unfamiliarity with the customs and manners of society, her hot temper, and finally her generosity and sympathy, guarding from her is at last revealed, and there is a mighty readjustment of relations. The stern, elder brother, who had at first only sought to save a woman's reputation, and guard his own family honor, now comes to dream again of love. There is a tremendous re-orientation on Letty's part, that at first almost crushes the delicate girl, but becomes less terrible as she realizes the noble nature of the man who has guarded her. At the crisis of the drama her own strength and character is the determining force; the wild flower of the woods becomes as a flaming bush, before which both men bow—in awe of an innocence as defensive as the strongest armor. As Letty grows to know Arnold better she finds that the old brother is not the cruel master she had thought him, but the finer man of the two, and at last the drooping little Wildflower revives and blooms happily in the garden of Arnold's faithful love.

Overborne by Arnold's arguments, Letty reluctantly consents to remain in the "Boyd home for a time, as Arnold's wife in name only" till such time as Gerald should come to claim her, which she is sure will be soon. The situation which follows swiftly illustrates Letty's ignorance of the world, her natural innocence, her unfamiliarity with the customs and manners of society, her hot temper, and finally her generosity and sympathy. The strange secret that Arnold is guarding from her is at last revealed, and there is a mighty readjustment of relations. The stern, elder brother, who had at first only sought to save a woman's reputation, and guard his own family honor, now comes to dream again of love. There is a tremendous re-orientation on Letty's part, that at first almost crushes the delicate girl, but becomes less terrible as she realizes the noble nature of the man who has guarded her. At the crisis of the drama her own strength and character is the determining force; the wild flower of the woods becomes as a flaming bush, before which both men bow—in awe of an innocence as defensive as the strongest armor. As Letty grows to know Arnold better she finds that the old brother is not the cruel master she had thought him, but the finer man of the two, and at last the drooping little Wildflower revives and blooms happily in the garden of Arnold's faithful love.

MARY FULLER RELEASE AT THE GEM MONDAY.

Mary Fuller and William West will be seen in a three part adaptation of E. Phillips Oppenheim's story "The Master Mummer." A synopsis is given.

At the court of Waldenburg appears Peurges, an actor in "The Master Mummer" who gives a performance of Hamlet. He meets the Princess Isobel, a young widow with a small daughter, and falls deeply in love with her. His love is returned and they marry, the Princess abrogating her rights to the throne. Their married happiness is short lived, as after a few months the Princess dies, leaving Peurges desolate with the young child. It develops that, by the ancient law of Waldenburg, this child still retains her rights of succession to the throne, and as the Duchess of Britslau has a daughter of her own, who would otherwise succeed, she plots to have the young Isobel removed to a convent and lost to the world. This she does under the plea to Peurges that the child must be taken to court for her education.

FATHERS TO BE ASKED TO JOIN AUSTIN CLUB.

The fathers will be asked to take an active part in the work of the Austin School Parent-Teachers Club next year, according to plans mapped out by the Austin mothers at a meeting, Friday afternoon. This meeting, the last for this term of school, was one of the most largely attended and enthusiastic meetings of the kind ever held in the club in unmistakable terms. The meeting was opened by the usual devotional exercises, led by Mrs. R. C. Smith and Maude Powell's "Scavenger" on the Victrola was enjoyed. A paper was read by Mrs. W. H. Davis, "Home Training and Environment Govern Heredity" and was of much interest. The banner for the largest attendance of mothers went to Miss Rainey's room.

SOCIETY

(Continued from Page One)

were: Misses Celia Staylor, Beryl Murphree, Lillian Bell, Daisy Stewart, Nell Bullock, Messrs. John Butts, Geln Berry, Ayla Conner, Clyde Boston, Howard English, Mr. and Mrs. Berry and Mr. and Mrs. Chambers.

IMSS TAYLOR ENTERTAINS FIDELIS GIRLS FRIDAY.

The Fidelis Girls met Friday afternoon with Miss Leah Taylor. Social conversation and games furnished diversion for the usual two hours, and the hostess served an ice course. Those present were: Misses Ethel Rainey, Hattie Vaughn, Okler Bagwell, Thora Fors, Mary Huff, Isabelle Haythorne, Mediamie Davis and Farris and the hostess.

SAM HOUSTON MOTHERS ELECT OFFICERS FRIDAY.

The Sam Houston Parent-Teachers Association held the last business meeting of this school term Friday, May 21 at the Sam Houston school. An excellent report was read of the year's achievements of the club, library books have been bought, new playground apparatus installed, a delegate sent to the federation meeting and various other activities. Plans were made for the work of next year and the following officers were elected: Mrs. McGregor, president; Mrs. Grey, vice president; Miss Ida Moore, secretary. The retiring president, Mrs. J. P. Donaldson, was tendered a vote of thanks for her earnest efforts and faithful work in the past year, and as she leaves soon to make her home elsewhere, best wishes for the new venture were given. The cooperation of the teachers and the help they have given in all the work was also given special mention. Monthly meetings will be held during the summer and the first regular meeting day will be the second Friday after the opening of the next school term. A short time was spent in a social manner. Mrs. Donaldson serving delightful refreshments. A large attendance was enjoyed at this meeting.

An interesting program is being prepared for the "Mothers Meeting" of the W. C. T. U. to be held next Thursday afternoon at 4 o'clock at the home of Mrs. J. W. Akin, 1717 Tenth. All mothers and others interested in the temperance movement are urged to attend.

It has been found necessary to postpone the meeting of the Thursday Bridge Club from next week to the week following, at which time Mrs. C. H. Dent will be hostess as announced. All members will please take notice.

HENDERSON CORSETS

are nationally acknowledged to be unequalled for their excellent style. Every model is carefully studied to produce the most exquisite lines of artistic grace.

These corsets are not only exceedingly modish but are practical and wearable, because they are fitted over animate models and not over a rigid, unyielding form. Well-dressed women naturally acquire the habit of wearing Henderson corsets as actually shown by the steady and continuous growth of our sales of these corsets. Every type of figure has designed for it a Henderson Corset, be that figure slender, average, short, tall or stout.

We cordially invite you to inspect the season's latest offerings at \$1.00 and upwards—even though you may not care to purchase now, you are welcome.

Fourteen-Mile Hike a Romp, Says Pretty Irene Hunt.

RENE HUNT, A POPULAR LEADING WOMAN IN RELIANCE AND MAJESTIC (MUTUAL) PRODUCTIONS

Told that she was to shortly appear in the role of a mountain girl, Irene Hunt, of the Reliance and Majestic (Mutual) companies, well known to the photoplay lovers, recently walked seven miles through the California wilds, near the Reliance studio, and spent a whole day with a mountain family getting the proper atmosphere. Then she walked back to the studio. After this fourteen-mile hike, she said that she had had "a very pleasant little walk."

"I just dote on walking," she explained, "and a little tramp like fourteen miles was nothing more than a romp for me. It was well worth the time expended, for I gained more general information in connection with the part assigned me during the few hours I spent with the mountain family than I could if I had rehearsed a dozen times."

Other feminine members of the studio have taken up the pedestrian idea and, headed by Miss Hunt, a "hiking club" has been organized in a hiking club. They have planned some long tramps over the mountains in the vicinity.

Miss Irene Hunt appears regularly at the Empress and has many admirers especially for her work in dramas of newspaper life. As a woman reporter or "sob sister" she is excellent. Her last picture was "Her Buried Past" but she will be seen again soon in another two part release.

Save Money
By buying your piano here. We will sell you either of the following well known instruments at a very low price: Adam Schaaf, Baldwin, Ellington, Howard, Hamilton or Valley Gem. We carry this line as an addition to our furniture business and are satisfied with a small profit, and will save you money. Old pianos taken in exchange.

TEACHERS ELECTED FOR PUBLIC SCHOOLS

SEVERAL CHANGES MADE IN H. S. FACULTY—FEW CHANGES IN GRADES

FACULTY IS STRONG ONE

Practically All of High School Teachers Hold College or University Degrees

School teachers for the season of 1915-16 were elected Friday night at a meeting of the school board which continued until 1 o'clock. Not many changes were made in the teaching force and all the old principals were re-elected; most of the changes made were in the high school faculty.

Yesterday contracts were mailed to all the teachers elected and these are expected to be signed and returned within ten days. The board elected the following:

Lee Clark, of Midland, superintendent; Miss Jessie Mae Agnew, music and drawing. High school—J. B. Jones, principal and teacher of mathematics; W. M. Lay of Richmond, English; Miss Chella Hendricks of Bowie, English; F. B. Elliott, science; R. D. Coley, history and mathematics; H. A. Baker of Albany, German and history; Miss Emma Childers, history; Miss Katherine Ball, Spanish and mathematics; Miss Nellie Younk, Latin; Bert E. McGlammy of Fort Worth, mathematics and Latin; Miss Etta M. Alder, domestic science; L. F. A. Hoyle, manual training; Miss Jessie Hickman, seventh grade.

Miss Bessie Stewart, San Jacinto school; J. T. Ruedell, Alamo school; Miss Kate Burgess, Travis school; Miss Eva Stratton, Sava Houston school; C. C. Trimble, Washington school (colored).

Grade teachers—Misses Carrie McClaren, Ada Harding, Frances Hunter, Etta Wilkerson, Lola E. Henderson, Katherine Brothers, Sanna Anderson, Byrd Bell, Maud Walker, Alfred Cunningham, Louvenia Rieb, Pearl Ray, Mary M. Wilkes, Carolyn McClure, Irene Raney, Celia Jenkins, Ada Lee Rideghower, Maude Erwin, Adah Anderson, Frances Smith, Florence Kell, Florence Harrier, Helen Peterson, Bevie McGill, Mamie Allen, Lois Craddock, Edna Walker, Willie Stafford, Jennie Roberson, Kate Haynes, Minnie Shelton, Don Ikard, Iva Willis, Ethel Bannenship, Ida Moore, Mrs. May Bell Jones, Mrs. Alice Bloodworth, Mrs. Susie Potts, Miss Lizella Crawford was re-elected but declined in order to accept a position at Amarillo. Two assistants at the negro school have not yet been elected.

Teachers—S. M. Seals, high school; Willie Seals, high school; W. H. McClary, Austin; Edgar Carney, Austin; C. A. Young, Alamo; Ed-Montgomery, Austin; W. K. Shaver, Travis; R. Pickson, Sam Houston; George Floyd, Washington.

61 Teachers Elected. A total of 61 teachers were elected, the same number as now employed. Practically all of those elected to the high school faculty hold college or university degrees and it is felt that if all those elected except Wichita Falls will have an exceptionally teaching force for the advanced pupils.

W. M. Lay, a new English teacher, holds an A. B. degree from the State University and is at present teaching at Midland College. H. A. Baker, now teacher of German and history, also holds a University of Texas A. B. degree and is now teaching at Midland Institute; his home is at Albany. Mrs. McGlammy the new teacher of mathematics and Latin holds a science degree from Polytechnic College and has been teaching in the Fort Worth schools. Miss Chella Hendricks of Bowie holds an A. B. degree from the State University and is now teaching at Bowie; she will teach this summer at the University of California.

REVIVAL TENT WHERE CARNIVAL WAS HELD

Vacant Lot on Ohio Avenue Between 11th and 12th Streets is Site Chosen

The vacant property on Ohio avenue between Eleventh and Twelfth streets has been tentatively chosen as the place for holding the revival which will begin next Sunday. The location is the same as that recently occupied by a carnival company and is convenient to both the street-car line, the business district and to automobile traffic. Definite decision as to the location of the tent will be made this week.

The revival is to be conducted by Dr. H. H. Friar of San Antonio, an evangelist of considerable note. It will be an interdenominational affair and is due to start Sunday, May 30.

Dr. Friar is conducting a revival at Henrietta. The Henrietta Independent says:

"Seventy converts had been secured up to Thursday night in the Friar revival meeting that is going on in the big tent south of the Methodist parsonage. Nearly 60 of these have indicated on list the church to which they wish to be added. It was remaining few are undecided. It was announced Thursday night that the meeting would at least continue all through next week. The subject of the sermon on Thursday night was judgment and at the close of the sermon the preacher had all the Christians gathered out of the tent on his right leaving the unsaved in their seats, the object being to give a realistic picture of the separation in the wicket from the righteous in the day of judgment. After they had returned to their seats, the appeal to the sinners was made and six conversions were registered."

F-4 MAY BE IN DRY DOCK WITHIN NEXT FOUR DAYS

Difficulties Believed Solved and Craft Now Being Moved Rapidly Inshore

Honolulu, May 22.—Workers engaged in salvage operations on the sunken submarine F-4 are confident that the difficulties encountered in attempts to raise it have been solved, according to an announcement today. This opinion was expressed as a result of yesterday's work when the hull was raised 54 feet. It now lies at a depth of 192 feet. During the last four days the submarine has been shifted inshore 500 feet. If this rate is kept up officials say it will be possible to have it in dry dock within four days.

1916 OVERLAND WILL BE SHOWN HERE SOON

W. L. Greenhill Returns From Toledo, Where He Contracted For 200 Cars

W. L. Greenhill, proprietor of the Wichita-Overland Sales Company has just returned from a ten days visit at the Overland plant at Toledo, O., where he renewed his contract for the coming year. His 1916 contract calls for 200 cars and is probably the largest contract ever made in North-west Texas. Mr. Greenhill got a look in on the new 1916 model and placed an order for four carloads for immediate shipment and is hoping to be able to show the people of this section of the State the new models on his sales floor within a few days. The Overland Company will permit no announcement concerning this car at this time but Mr. Greenhill says it will be worth coming a long distance to see. The Wichita Overland Company, since September 1, 1914 has sold 66 Overland cars. The number would probably have been larger had they been able to get additional shipments but such was the demand that the great Overland factory was unable to turn the most fast enough to meet it and the local agency with many others was sold out a month sooner than had anticipated. Mr. Greenhill says the most pleasing part about the business has been that every buyer has been more than satisfied with his car and is a good booster for it. He believes the local agency will have no difficulty in disposing of the 200 cars contracted for.

COURT CONTEST LIKELY ON JITNEY ORDINANCE

Drivers Strongly Opposed To Section Regulating Hours of Service and Routes

A court contest over the jitney ordinance is promised if that measure passes the city council in its present form. The drivers are not disposed to accept the ordinance as it now stands and are known to be planning to fight the matter in the courts before they will give up.

The objectionable section is that which requires the jitney drivers to run for at least twelve hours daily to maintain a regular schedule. The drivers say such a provision would prevent their going on special calls and would force them to keep running for much of the time when there is little or no traffic. Dallas is now in the midst of a controversy over jitney regulation. The proposed ordinance in that city provides a \$75 license fee, a bond and a six hour operation period. The local ordinance will come before the council for further attention next Thursday night.

ACTION EXPECTED SOON ON COURT TERM MATTER

Action is expected this week in the legislature at Austin upon the bill changing the time of holding court in this county, so as to make the date the same as formerly. If the action can be taken promptly with the emergency clause, the bill would become effective at once, in time for the June term. However, as the time for serving process for May 27 is already passed, this would only continue the matter further. The June term will begin here June 14, in spite of the discrepancy between the caption of the law and the section itself, as shown in the recent letter of Judge Huff.

Pressure has been brought to bear by means of letters and petitions upon the folks at Austin to prevent the matter being overlooked in the rush of other business.

CARRANZA TROOPS HAVE OCCUPIED MONTEREY

Laredo, Texas, May 22.—Carranza troops today occupied Monterey. The Villa forces already had evacuated it.

THIS IS THE TRADE MARK ON EVERY BOX OF GENUINE TETHINA FOR SALE BY ALL DRUGGISTS. Known for Nearly Half a Century as a Safe Medicine for Teething Babies. C. J. Moffitt Medicine Co., St. Louis, Mo.

DRIVES DODGE BROTHERS CAR HIGHEST FRISCO POINT

Wayne Davis Reaches Flag Pole at Top of Twin Peaks Radiator Not Hot

A strenuous demonstrating trip to the flag pole on the top of Twin Peaks, the highest point in San Francisco, was made recently by Wayne Davis, an automobile salesman of that city.

With four passengers in the car, Mr. Davis was demonstrating a new Dodge Brothers' car on Twin Peaks, the favorite test hill of San Francisco. Roy T. Williams, the purchaser of the car had expressed a desire to try out its hill climbing ability and with Mr. Davis at the wheel, the ascent of the hill on high gear was made with little trouble.

"We could place our hands on any part of the radiator when we reached the flag pole," said Mr. Davis. "The car's cooling qualities and power are little short of wonderful." Photographs were taken of the car at the summit before the return trip was made to San Francisco.

OVERLAND OUTPUT WILL BE 600 CARS DAILY

President Willys Announces Company Will Occupy Great New Factory June 1

Four hundred and fourteen cars were shipped from the Overland factory on May 19. This is 25 per cent greater than the largest number of cars ever shipped from the big Toledo plant on any single day previous to that time.

Although it is a remarkable record, this great shipment is merely a step in the tremendous manufacturing and selling campaign which the Overland Company finds necessary in order to meet the demand for cars. A few weeks ago John N. Willys, president of the company, announced that upon the completion of buildings now in the course of construction, the daily output of the factory would be 600 cars per day.

Overland officials declare their intention of occupying portions of the new buildings by June 1. One of these structures is probably the largest single factory building in the world, being 1,100 feet long, 200 feet wide and four stories high.

In the meantime the enormous Toledo factory is steadily increasing its facilities for building and shipping 600 cars a day. Today 9200 men are regularly employed in the Overland shops, many departments of which are working both day and night.

More than 2000 cars left the factory during the week ending May 15. To carry these shipments 617 freight cars were required—or a single train more than five miles in length.

In spite of the increasing number of cars leaving the factory daily, it is declared that the orders for Overlands are continually in excess of shipments.

Upon his return from California a few days ago Mr. Willys stated that he tremendous output for the coming season was based entirely on actual business conditions as they are today and on the demand for Overland cars is voiced by his dealers.

"The most careful survey of the motor car market has convinced me that the coming year will be the biggest in history for the medium priced car," states Mr. Willys.

"During the past six months, when conditions were declared exceedingly poor by many business men, the sale of automobiles broke all previous records. And now that this country has so far recovered from the financial shocks incident upon the war, the demand will be much greater.

"Our 4,000 Overland dealers are constantly clamoring for more cars. During the past few months we have been continually working our factory to capacity. We have broken record after record in shipments, yet we have not been able to keep pace with the influx of orders.

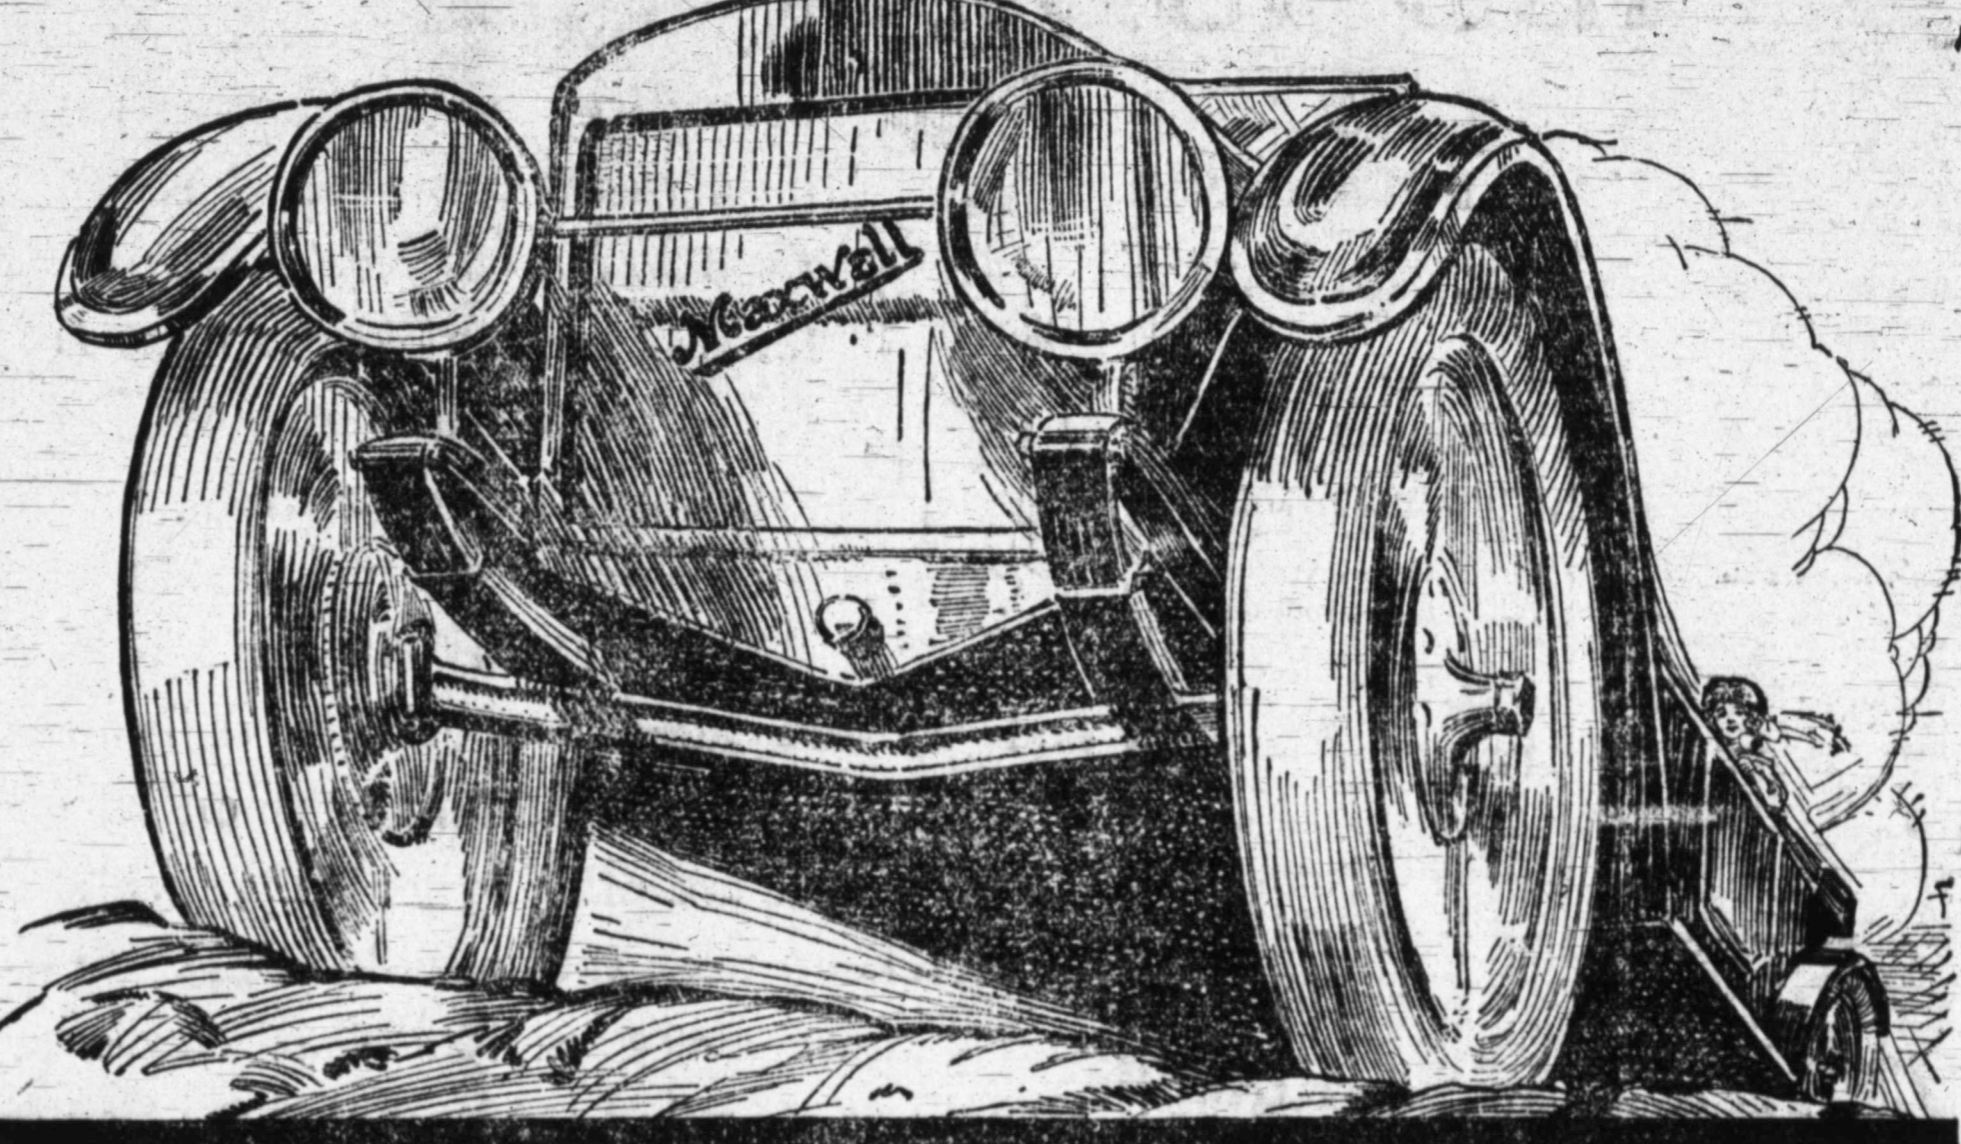

"We are not over sanguine in deciding upon a production of 600 cars a day. In fact, I do not doubt that the demand for our cars will be far greater than we can possibly supply."

PROGRAM MACHLIN RECITAL TUESDAY EVENING

As previously announced, Mr. and Mrs. C. B. Machlin are to give a recital on the evening of the 25th in the high school auditorium. They will be assisted by Mrs. W. S. Robertson, soprano and Mrs. G. F. Thompson, contralto. The program is as follows:

- Symphony No. 5, C. Minor, Beethoven. Allegro con brio. Andante con moto. Allegro. Presto, Mr. and Mrs. Machlin. Aria from Aida "L'Inanna Parola." Verdi. Mrs. W. S. Robertson. The Wailing of the Rose. (Three Tone Pictures) Scherzo, a Major, C. B. Machlin, Mr. Machlin. Song, selected, Mrs. G. F. Thompson. Valse E Minor, Chopin. Prelude Trajica, C. B. Machlin; Gnomesreigen, Liszt, Mrs. Machlin. Three Love Songs: The Night has a Thousand Eyes, Music, When Soft Voices Die, Ask Nothing More, Machlin, Mrs. Robertson. Hunting Song, Mendelssohn, Prelude D Flat, Chopin; Oave Intemexzo, Leschetzsk. Barcarolle G Minor, Slaccato Etude, Rubinstein, Mr. Machlin. The public is cordially invited.

Maxwell "The Wonder Car"

Only a Blindfolded man would buy an automobile today without looking the Maxwell over

There's no excuse today for any man who is "jollied" into buying a car before he looks over the 1915 Maxwell.

We give you the two vital things in this Maxwell Car and then the 17 new features that have made the 1915 Maxwell the most talked-about car ever produced.

- Here are the two vital things that any sane man wants when he buys an automobile: In the first place—a handsome, real automobile that he can be proud to ride in. In the second place—a powerful, fast, economical automobile that will take him anywhere and bring him back. We give you these two vital things, and then just about every other detail of refinement, comfort and endurance that you can think of. Take power and hill climbing ability, for example—when you buy a 1915 Maxwell you buy an exact duplicate of the stock Maxwell cars in which "Wild Bill" Turner and "Billy" Carlson broke two World's Records in two of the toughest, roughest mountain hill-climbs ever made—Mt. Hamilton and Mt. Wilson. Take speed and endurance, for example—when you buy a Maxwell you buy a car made by the same designers—the same chief engineer—from the same Maxwell Laboratory, heat-treated, tested steel, that was used in the Maxwell Racers in which Barney Oldfield and "Billy" Carlson both broke the 300-mile non-stop race records in Corona and San Diego.

Read This List of Expensive Features. The 1915 Maxwell Has These Features And Many Others. Attractive Streamline Body... Double-Shell Radiator with Shock Absorbing Device... Low 'Up-keep' Carburetor... Irreversible Steering Gear... Heavy Car Comfort... and many others.

The Maxwell Company's Guarantee of Service to Maxwell Owners

No other automobile is backed by a more reliable service than that guaranteed every Maxwell owner. More than 2,000 Maxwell dealers—in every part of this country—are always ready to give expert advice, to make adjustments, and to supply new parts at reasonable prices.

Order a Maxwell from us now, and when you want it delivered, we will give you your car—not an excuse on delivery day

OIL TAX DECISION HIGHLY IMPORTANT

JUDGE FELDER SAYS DECISION PUTS TAX BURDEN WHERE BELONGS

RELIEVES LAND OWNERS

It Had Been Contended By Oil Companies Land Owners Should Pay Tax

"The decision of the supreme court, just rendered, holding oil leases taxable against the lessees, is of vast importance to Wichita county and to the State at large," said Judge C. H. Felder to a reporter of The Times. Judge Felder was county judge of this county when oil leases were first placed on the tax rolls, and the decision is due in a large measure to his efforts and determination. He subsequently made two campaigns for re-election, and was actively opposed by many of the representatives of oil companies. He further said:

"This judgment sustains my position that the owners of seven-eighths of the oil, the lessees, should pay the proportionate part of the tax assessed against oil lands, and that all of the tax should not be paid by the owners of the fee, the lessors. It means a just distribution of the burdens of taxation between the lessors and the lessees. It was contended by the oil companies that the land owner who had parted with the title to all save one-eighth of the oil should pay all of the taxes assessed, while the oil company, that had acquired seven-eighths of the oil, should pay nothing. This contention prevailed in this State until Wichita county in 1912 placed oil leases upon the tax rolls. We were called pioneers, and so we were, but we had the hardihood to contend for just distribution of taxes, in the face of threats, prejudice and litigation and now the county and the State will reap the reward so earnestly sought.

"The taxes have accumulated for three years, amounting to approximately \$20,000, including interest and costs of which Wichita county will receive about \$16,000 for its schools, roads and other purposes, while the balance will go to the State. The question is settled and henceforth oil and gas rights or oil and gas estates in land, that have a market value, will be placed on the tax rolls of this and every other oil producing county in the State. This money when collected will no doubt, enable the commissioners court to meet current expenses of this and next year without increasing the tax rate, as suggested. The rate has heretofore been fixed without consideration of any revenue from this source, as it was not known when and how the question would be decided.

"Personally, I am highly elated, and feel that this is a victory worth while."

PORT ARTHUR MAN FINDS GOOD HEALTH

Sufferer is Restored and Makes Remarkable Gain in Weight on Few Doses

J. F. Stoneburner, Port Arthur, Tex., suffered from stomach ailments for a long time. He fell off in weight and took treatment without apparent benefit. He tried physician after physician until he almost lost hope.

He at last took Mayr's Wonderful Remedy, and then wrote:

"I have taken all of your wonderful stomach remedy and got good results from it. I have gained in weight since starting on your remedy—twenty-one pounds so far. I was under the care of five doctors for about six months before I got your medicine. I am entirely well now."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Get one bottle of your druggist now and try it on an absolute guarantee. If not satisfactory money will be returned.—Adv.

MUCH PRAISE IS GIVEN ST. MARY'S PUPILS

"Midsummer Night's Dream" One of Most Successful Theatricals Ever Shown Here

The presentation of "A Midsummer Night's Dream" by the pupils of the Academy of Mary Immaculate last Tuesday night at the Wichita Theatre was one of the most successful amateur performances ever staged in this city and has been the subject of much favorable comment. The difficult parts of this Shakespearean production were handled by the students of the Academy, under the direction of Mrs. E. L. Fulton.

Scenic effects and costuming came in for special attention at the hands of those planning the affair, and the costumes were especially to be admired. The diaphanous dances, including those by the Grecian maids, the rainbow fairies, the glow-worms, the wood nymphs and the golden, pink, blue and white fairies were made very effective by the use of elaborate costuming and were quite a pleasing feature of the production. The overture was rendered by six young ladies on three pianos, being a selection adapted to the comedy itself; those at the pianos were Misses Crockett, Moran, Kramer, Fonville, Grogan and Anderson.

In the presentation of the play itself all the youthful actresses acquitted themselves with full credit. Miss Berenice Jackson as Titania, queen of the fairies; Miss Mary Colquitt as

Puck, featuring in a hobgoblin dance; Miss Helen Hines as Bottom and also as Pyramus, the youth who killed himself for love; Miss Mary Wilson as Thisbe; Miss Anita Munroe as Hermia; Miss Madeline Mackechny as Helena, Miss Ruth Simpson as Lysander, Miss Rosalie Watson as Thisbe and Miss Gertrude Campbell as Hippolyta all portrayed their different characters faithfully and with much evidence of historic ability.

Among the musical features of the program were selections by the Academy orchestra; the members received their instruments only three months ago but made an excellent showing nevertheless.

"WE ARE HUNGRY" SHOUT CROWD IN MEXICO CITY

When Attempt Made to Distribute Corn Among Crowd of 8,000 Supply Fell Short

By Associated Press.

Washington, May 22.—Collima, off the Mexican west coast, is surrounded by Villa forces. Both the Carranza factions inside and the Villa attackers are threatening to use dynamite bombs. Mexico City continues to suffer from a shortage of food especially corn. State department dispatches say that when an attempt was made yesterday to distribute corn to 8,000 persons there was not enough and 250 people fainted during the crush. The crowd yesterday invaded the chamber of deputies, shouting "we are hungry."

The attention of the Vera Cruz authorities will be called to the food situation in Mexico City in the hope that some arrangement may be effected in Mexico by which supplies can be taken in over the lines to Vera Cruz.

ST. MARY'S PUPILS

"Midsummer Night's Dream" One of Most Successful Theatricals Ever Shown Here

The presentation of "A Midsummer Night's Dream" by the pupils of the Academy of Mary Immaculate last Tuesday night at the Wichita Theatre was one of the most successful amateur performances ever staged in this city and has been the subject of much favorable comment. The difficult parts of this Shakespearean production were handled by the students of the Academy, under the direction of Mrs. E. L. Fulton.

Scenic effects and costuming came in for special attention at the hands of those planning the affair, and the costumes were especially to be admired. The diaphanous dances, including those by the Grecian maids, the rainbow fairies, the glow-worms, the wood nymphs and the golden, pink, blue and white fairies were made very effective by the use of elaborate costuming and were quite a pleasing feature of the production. The overture was rendered by six young ladies on three pianos, being a selection adapted to the comedy itself; those at the pianos were Misses Crockett, Moran, Kramer, Fonville, Grogan and Anderson.

In the presentation of the play itself all the youthful actresses acquitted themselves with full credit. Miss Berenice Jackson as Titania, queen of the fairies; Miss Mary Colquitt as

Puck, featuring in a hobgoblin dance; Miss Helen Hines as Bottom and also as Pyramus, the youth who killed himself for love; Miss Mary Wilson as Thisbe; Miss Anita Munroe as Hermia; Miss Madeline Mackechny as Helena, Miss Ruth Simpson as Lysander, Miss Rosalie Watson as Thisbe and Miss Gertrude Campbell as Hippolyta all portrayed their different characters faithfully and with much evidence of historic ability.

Among the musical features of the program were selections by the Academy orchestra; the members received their instruments only three months ago but made an excellent showing nevertheless.

RAMS AND TIGERS PLAY 6 INNING SCORELESS TIE

Three Times Tigers Got to Third But Unable to Score—Lads Head League

Twilight League Standing.

Clubs—	P.	W.	L.	Pct.
Irish Lads	9	8	1	.888
Tigers	8	6	2	.750
Rams	7	1	6	.143
Telephones	6	0	6	.000

The past week witnessed little change in the Twilight League standing, there being only one game that counted in the percentage column. That was on Tuesday when the Irish Lads defeated the Tigers.

The prettiest game yet staged in the league was that of Friday when the Rams and Tigers played a scoreless tie of six innings. Both Jungk and Filgo were in excellent form and had splendid support. Three times the Tigers had runners as far as third base, but failed to score. The Rams at no time got past second, and the game was full of thrills and plays that kept the interest at fever heat.

The Telephone team is no longer in the running and another team is wanted. When the new season opens June 1. Those wishing to get in may communicate with John Gould at The Times office, P. O. Box 144. As a result of there being only three teams now, the schedule for the last week of the season has been revised, and is now as follows:

Monday—Rams vs. Tigers.
Tuesday—Rams vs. Irish Lads.

WEDNESDAY—IRISH LADS VS. TIGERS. THURSDAY—RAMS VS. TIGERS.

Friday will be an open date as some of the games may have to be postponed.

DIMINUTIVE TEACHER PUNISHES HUSKY BOY

Although corporal punishment is not supposed to be required in the high school, it was applied there recently by a rather diminutive teacher, the victim being one of the husky youths who attend the school. The teacher soundly slapped the boy, it is said, when he refused to obey her. The matter was brought to the attention of the boy's father, who expressed regret that the teacher had not used something more punitive than her hand.

A request for a policeman to be sent to the high school was made recently when two boys, not students in the school, came on the school grounds and acted in a disturbing manner. The youths vanished before the strong arm of the law could be employed.

LEO M. FRANK CASE OCCUPIES THE HOUSE

Austin, May 21.—The Leo M. Frank case challenged the attention of the house this morning when Representative Cunningham introduced a resolution signed by himself and 70 others recommending and urging the governor of Georgia to commute the death penalty imposed on Frank to life imprisonment. The resolution went over until tomorrow.

Invigorating to the Pale and Sickly The Old Standard general strengthening tonic, FRANK'S TASTEFUL CHILL TONIC, drives out miasma, enriches the blood, and builds up the system. A true tonic for adults and children. 50c.

NO SETTING YET MADE FOR FRY FORGERY TRIAL

Case Now Not Likely To Come Up Until Some Time During Month of July

No setting has yet been made of the forgery cases pending in the 78th district court against E. W. Fry, former county judge of Young county, who with three others was acquitted on a murder charge in April in this same court. It was planned to try these cases this month, but District Attorney Humphries was busy in the 30th district court at Henrietta. It now appears likely that the cases will be tried as soon as the docket of the 30th district court will permit the district attorney to appear in the 78th.

Since his trial, Fry's health is said to have been poor and he is recuperating from the effects of his confinement in the jail here. This confinement is said to have aggravated his ailment and he is having some difficulty getting rid of a troublesome cough.

SENATE FINANCE COMMITTEE ALLOWS CERTAIN CLAIMS

Austin, Texas, May 22.—The Senate finance committee at a meeting today allowed a claim of \$29,990 to reimburse the citizens of El Paso for money expended in assisting the State of Texas in defending the Texas-New Mexico boundary case. This committee also allowed a claim of the West Publishing Company of Fort Worth for \$200 for printing reports of one of the higher courts.

BINDER TWINE TIME OF COURSE, YOU WANT THE BEST!

We are prepared to supply the harvest demand, with a large stock of the PLYMOUTH, the best on the market. This twine speeds up the work and cuts down the cost. It is stronger and ties more bundles than any other brand. When driving a binder it's aggravating to have to stop, because "the twine went wrong," a bad spot or tangled ball. PLYMOUTH is uniform and will save you much worry. If you want an easy and economical harvest, get your twine from us.
