MOTHERS DAY IS TO BE OBSERVED

UNION SERVICE WILL BE HELD AT CHRISTIAN CHURCH THIS AFTERNOON

FATHER'S DAY ALSO

He Will Not Be Overlooked Altogether—Special Sermons Planned For This Morning

Today is "Mother's Day" and throughout the country a people of all ages are paying their tribute, silent or spoken to that oldest and noblest of institutions, motherhood, the favorite theme for poet's song, writer's story or artist's brush. Nationally observed, May 14 is set forever apart as a day sacred to "the hand that rocks the cradle."

Local observance of Mother's Day finds "father" sharing somewhat in the tribute and praise which has heretofore been given to "mother." Rev. N. F. Grafton of the First Presbyterian Church having announced his subject for the special sermon this morning as "Father and Mother" and the united program this afternoon at the First Christian Church with special musical features and addresses by Judge John Kay, Rev. N. F. Grafton and Rev. F. F. Walters. The program for this service follows:

Prelude—Mrs. Strance. Doxology—Congregation. Invocation—Rev. A. L. Andrews. "Gloria Patria," anthem. Prayer, answered by choir chant. "Rock of Ages," choir.

Address, "Our Mothers, Our Heroes of Heroes"—Judge Kay. Vocal, "Mother O' Mine," Mrs. Walter S. Robertson.

Address, "A Young Man's Responsibility to His Mother and Savior," Rev. N. F. Grafton.

Vocal, "Misses Agnew, Allen, Cook and Mizel, Meadames Robertson, Roberts and Clifford.

Address, "A Father's Responsibility in Training His Children," Rev. F. F. Walters.

Vocal, "Tell Mother I'll Be There," Miss Agnew. "Home Sweet Home," congregation. Benediction, Rev. R. C. Miller.

Practically all of the churches will embody the "Mother's Day" idea in several of their services, and at several of the churches the morning hour will be devoted to an observance of the special day. At the First Presbyterian Church Mr. Grafton will preach on "Father and Mother" and the ladies of the church will distribute flowers to be worn in honor or remembrance of "mother." Rev. R. C. Miller at the First Baptist Church will have for his morning subject "Our Mothers" and Dr. A. L. Andrews will preach at the First M. E. Church, South on "Your Mother and Mine."

BOY'S CLUB PLANS PROGRAM MONDAY

Open Meeting Tomorrow Night Will Close Term's Work For Organization

The High School Boys Club, an organization of the school term just closing, has issued an invitation to the public to attend the last session of the club for this year, this meeting to be held Monday evening, May 15 at the high school.

Vocal selection by the Boys Club Quartet.

"What the Boy's Club Has Done This Year," C. H. Watkins.

"What the Club Will Do Next Year," Lester Cooper, president-elect.

"Boys Club Work" Superintendent Lee Clark.

Vocal selection by Girls Glee Club.

GETS INTO FIGHT, MISSES HIS TRAIN

Passenger Also Has To Pay Fine When He Takes Part in Scrap at Station

It cost T. H. Collins of Sweetwater, Texas \$10.80 to leave a comfortable seat in a Pullman car on the Fort Worth & Denver Saturday afternoon as it stood at the Union Station, Collins, who was passing through the city, looked out of the window to find B. C. Williams fighting with a young man by the name of Carter. Collins remonstrated with Williams and a quarrel followed.

Williams invited Collins to step down to the platform and the latter accepted the invitation, jumping through the window to save time. He and Williams were going at it vigorously when Railroad Patrolman Thomas Reark invited the trio to accompany him to the county jail.

The men were arraigned in Justice Jones' court and fined \$10.80 each. Collins missed his train.

FALLS FROM AUTOMOBILE AND IS FATALLY INJURED—Beaumont, Tex., May 13.—H. M. Funk of Lake Charles, La., fell out of an automobile late last night in the outskirts of the city and died today as a result of his injuries.

MOTHER'S DAY

(May 14, 1916)

April the breath of May's white flowers baptizes all the land.

While principalities and powers divided, staunchly stand.

Not one is there of greater faith, Not one with greater love.

Than this, today that gently saith: "Dear God in Heaven above,

Teach us to honor, more and more, The mothers thou didst give;

Help us, the children that they bore, A broader life to live."

Unnumbered are the hearts today, Who honor and revere

The name which can a nation sway Surer than sword and spear.

When e'er the mothers of the world Are loosened with their right,

The flag of Mars will soon be furled, And war will cease to blight.

The mothers of the earth would guard Her sons with peace, not greed;

The flood gates of their love unbarred Would meet the world-wide need.

Their gentleness would overcome, By loving words and looks,

They'd bring about a harvest home When spears made pruning hooks.

O you who watch the war across The restless, surging sea,

Before you feel at home a loss, Take counsel speedily.

Bring to the mothers of our land A service whereby they

May lend a willing, helping hand To end a world wide fray.

They'll promptly take the blades of steel, Which hang o'er mother's sons,

And fashion plough shares for the weal Of hung'ring little ones.

Give them the ballot, as a boon Wherewith to crown their prayers;

Remember this, while still 'tis noon, For night steals unawares.

Give them the power to work for peace, Which you, the fathers, wield;

They'll surely vote for war to cease, And e'ry son they'll shield.

'Tis Mother's Day add us her due Her sons at home to keep,

O men of power, we come to you, And ask to sow and reap.

ANNUAL PICNIC GIVEN VETERANS

CONFEDERATES GATHER AT LAKE WICHITA AS GUESTS OF U. S. C.

PLEASING PROGRAM

Bounteous Dinner is Served and Music and Talks Heard by Guests

Thirty two of the veterans of gray gallant defenders of the "lost cause" of half a century past, on Saturday tasted again in memory's storehouse, for them filled to overflowing, the sweets of victory and drank again the once bitter cup of submission to a stronger force, the draught now tempered by the passage of time. This annual reunion of the Confederate veterans of this section as guests of the United Daughters of the Confederacy is an occasion which to however joyous it may be has its undertone of sorrow and pathos as tales are told and adventures recounted by the veterans who have seen slowly one by one the comrades of the bitter days of '65 and the bitter ones that followed them slowly slipping away to join the ranks of the Supreme Commander.

The picnic at Lake Wichita Saturday followed the conventional lines of such a gathering, the veterans and their wives enjoying a bounteous dinner as the guests of the Chapter W. J. Curry, then "Dixie" and other songs carried out by the melodious preceding the informal reminiscences of the veterans which made for them a most enjoyable program.

George Simmons, a veteran member of N. B. Forrest Camp as were almost all of the guests, gave a talk of interest, recounting the perils of Fort Sumpter at the outbreak of the war. State rights, in the early days were given the consideration of W. J. Howard and Mr. Norris in a short talk extended a vote of thanks to the U. S. C. Chapter which was later seconded by the entire camp.

Mr. Redding, a veteran from the Old Soldier's Home at Austin, introduced himself as "among the aristocracy of Texas" in that he was a resident of the home and told in an interesting manner of the home and life there, closing with an appeal that all present support the Tillman Bill now pending in congress.

The program was carried out under the leadership of Mrs. C. B. Felde. The veterans and wives present as guests were: Mr. and Mrs. G. W. Hopkins, H. C. Young, George Simmons, Messrs. H. C. Neswood, V. B. Kay, W. O. Howard, E. M. Davis, J. A. Poe, W. K. Shaver, J. S. Mullinix, J. D. Carthens, J. N. Bryant, S. L. Stewart, A. Freeman, W. S. Stephens, J. C. Elliot, John Woodhouse, H. G. Guinn, D. F. Redding, W. P. Davis, M. Johnson, J. H. Atkins, N. H. Lowrance, A. O. Howard, E. M. Davis, G. D. Huey, H. Chenault, F. H. Lewis, R. M. Strange, W. T. Allen, D. C. Harwell and John Brown.

TWO GOOD WELLS ARE BROUGHT IN

EXTRA LARGE COMPLETIONS AT BOTH ELECTRA AND BURK. BURNETT THIS WEEK

IOWA PARK RUMORS

Norton Well South of There Said to Be Showing Something, But Report Unconfirmed

Two unusually good wells, one at Burk Burnett and the other at Electra, coupled with rumors of a good showing in the Norton well southwest of Iowa Park, furnish the most interesting news from the oil fields for the past week. Generally speaking, however, the week was less active than usual, both as to completions and new locations.

The good well at Burk Burnett was McBride No. 7 Will Thom; it is putting from 500 to 600 barrels daily into the tank, being one of Burk Burnett's best in her history. Electra's best completion for the week was Producers No. 63 Stringer, estimated at 850 barrels daily. The report from the Norton well was being investigated by local oil men Saturday, but nothing in the nature of definite news was available. A deep sand strike in that vicinity would mean much to the field. There were also reports of a well on Markowitz brothers land near Burk Burnett, where Frank Fox has been drilling in advance of production, but confirmation was lacking there, also.

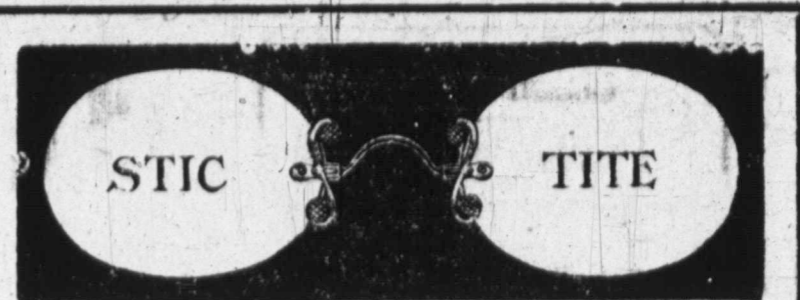

McBride's well found two sands at 1500 and 1800 feet, respectively, and the lower pay was shown with 120 quarts, with results as above stated. This well offsets one of Langford, Staley et al on the Chenault-Viles, their No. 3, which made 500 barrels after a shot. Other Burk Burnett developments include a ten-barrel completion by the Roseale Oil & Gas company No. 26 Gorton, and 400 feet, which Chas. Wood's No. 6 Ferguson. Mr. Wood has located his No. 7 Ferguson; Owens et al have made location for No. 5 Heisermann.

The Schults Oil Company has completed a well on the Serrien, which is making 25 barrels at 1600 feet after a 40-quart shot. Langford, Staley et al have a 100-barrel well at their No. 4 Chenault-Viles, at 1800 feet.

At Fowkes, J. H. Dugan has completed a 20-barrel well at 800 feet on the Duke, being his No. 5. This is the first sizeable development at Fowkes in some time. Mr. Dugan has made location for his No. 6 in that district.

At Electra, in addition to Stringer No. 63, the Producers company has completed No. 45 second Bywaters, which is making ten barrels at 600 feet on the Red River company has a 20-barrel gusher at No. 75 Bywaters at 750 feet.

This latest completion on the Stringer tract adds still further to the royalty which that Wichita is collecting from his oil lands. He is said to have a net daily income from oil royalties in excess of \$1400, but this figure does not come from any authentic source.

BEN GREET PLAYS UNIQUE SHAKESPEAREAN COMPANY

The Ben Greet Players which will present "A Comedy of Errors" at the Wichita Theatre Thursday evening, May 18, is a unique organization in many ways.

A peculiar fact of their performance is that the plays are given virtually in their entirety. Not a line has been changed from the way it was first acted in the Seventeenth Century and throughout the country, hundreds of critical people have expressed their appreciation for Mr. Greet's intelligence in leaving the original text as it was written and not attempting to improve on the great master. So it is that their performances savor of real Elizabethan times, of the golden days when Shakespeare ruled the destinies of the Globe Theatre, London and presented his plays exactly as they are now being given by the Ben Greet Woodland Players.

Originally organized in England by Ben Greet, at the time of Queen Victoria's Jubilee, the Ben Greet Woodland Players have from that time been the recognized leader in outdoor Shakespearean drama, maintaining perfection only through intelligent and conscientious work under the guidance of Mr. Ben Greet, an acknowledged Shakespearean scholar. Is it any wonder then, that this organization has won and retained its position as the leader of open air Shakespearean drama in this country?

No other organization has attained the popularity of the Ben Greet Woodland Players, and this is due chiefly because of the fact that Mr. Greet attends personally to the selection of the company and the preparation of the plays and the hearts of his people a true reverence for Shakespeare's lines and a determination to speak them in perfect English.

BIRTHDAY CELEBRATED BY STANLEY FIELD, JR.

The prizes of the afternoon were awarded Lucile Hawthorne and Marvin George. The happy prizes went to Bernice Martin and William Hood.

DENISON'S KATY TEAM DEFEATED

LOCALS WIN FIRST OF SERIES ON HOME LOT BY SCORE OF 14 TO 16

MELTON IS FEATURE

His Pitching and Hitting Aid Wichita; Only a Hit to Play Burk Burnett Today

In a fast and furious game the Wichita Falls baseball team of the Katy Lines Athletic Association defeated the Denison nine by a score of 14 to 6 Saturday afternoon in the first game of the 1916 season to be played at home at the Katy baseball park.

The pitching and slugging of Melton of the local team, who scored a home run on a bunt to left field, also the catching of Slight, featured the contest. Melton struck out 11 men. The hitting of Gope and Connor, two promising local boys was partly responsible for the victory.

Ideal weather conditions brought out a crowd which swelled the grandstand to capacity. Campbell, pitching for Denison, fought a commendable battle up to the fifth inning, when he was knocked out of the box. Ivers then took the mound but lasted only two innings, being replaced by Hopkins. Stanfield umpired the game. Following is the line-up:

Wichita Falls—Pope, ss; Robbins, 2b; Burt, cf; Melton, p; Connor, 3b; Slight, c; Bradshaw, lf; Polk, 1b; Morris, rf.

Denison—Ford, rf; Brown, lf; Cox, 3b; Phillips, cf; Ellis, ss; Campbell, p; Marshall, c; Lalonde, 1b; Ecker, 2b.

The score: Wichita Falls 14 12 6 Denison 6 6 8 J. W. Butz, superintendent of the M. K. & T. Railway of Texas, opened the game, pitching the first ball.

A. B. Maples, local freight agent, caught the first ball and S. B. Moore, trainmaster was at first base. Burk Burnett will play the locals this afternoon at 3:30.

The game between the local team and the Greenville nine, April 29, was contested and cancelled and a double header will be played on the local diamond in the near future.

from other hands. So the militia was called out. The militia can only be used to repel attacks. Unlike the regular army they can not pursue a bandit who has gotten back on the Mexican side of the Rio Grande. If the regular troops in Mexico were to be attacked by superior forces the militia could not be sent to reinforce them. In view of this situation and the apparent and painful inadequacy of the standing army as now constituted it is hard to believe that there are congressmen who would stand in the way of the moderate increase proposed—but as certain as there is necessity for immediate action just as certain will there be members of congress who will attempt to delay the passage of the measure.

PRESIDENT WILSON AND BRANDIES

If the nomination of Louis D. Brandeis is not confirmed by the United States senate, the people will ask their senators with a great deal of emphasis WHY. So far as the testimony at the hearing before the Senate committee has reached the general public there has been nothing developed that reflects discredit on Brandeis. As the public views it the hearings have developed acts and views that have reflected credit to Brandeis. In this connection the New York World says:

"The President's activity in behalf of the confirmation of Louis D. Brandeis as Associate Justice of the Supreme Court, manifested yesterday in his conferences with Democratic Senators, is fully justified. It is not forgotten that the committee which had scandalously withheld action on this appointment has a Democratic majority. There can be no vote in that body adverse to Mr. Brandeis that will not plague the party responsible for it for many a day.

"In no case in recent years has the issue between plutocracy and democracy been more sharply drawn than in the controversy over this nomination. An effort has been made to smear Mr. Brandeis' character as a lawyer, but it has become a notorious fact that the real opposition to him is social, financial and political. He has offended powerful interests. He has alarmed wrong-doers well entrenched. He has befriended and defended the weak. He has proved that there may be progress in law, in industry and in commerce without injustice and without violence.

MR. MANLEY ASKS "ARE DEMOCRATS RUSSIANIZED?"

Editor Times: In his speech in our city Saturday, April 30th, the Hon. R. H. Henry, candidate for the U. S. Senate, declared in substance that a Democrat aspiring to office, who criticizes President Wilson and the Democratic administration, forfeits the right to have his name submitted as a candidate before a Democratic primary and fits himself to associate with Carrion and the Republican party. This is the decision of a member of congress who has held his place twenty years. The facts, as seen by any careful observer, stand out in bold relief sufficient to sustain the charge that Wilson and the Democratic administration has failed to carry into execution that part of their platform which pledges the party to regulate the trusts, to reduce the cost of living and supply work for the unemployed. The Hon. Gentleman did not deny this charge; nor did he attempt to offer an excuse for it which in justice to his friends, he should have, at least explained, but he employed such time in insinuating that Democrats are traitors to the party and deserve political degradation if they dare to disclose facts that discredit acts of the President and his administration, even if the facts are sustained.

"Our Hon. Mayor, also, in introducing the speaker, insisted that the Democratic party should be careful to elect men only, who stand by Wilson and his administration." The logical conclusion arrived at from his remarks was that the inferior officers, and the rank and file of the party should support and defend the President, and his policies. Even if he fails to fulfill his obligations, if he institutes measures that would pile heavy and disastrous burdens on the nation—if he issues decrees without consulting the congress; in a word if he tol-

ELECTRA FIGHT MAY RESULT IN OFFICER'S DEATH

J. T. LIGON SUSTAINS FRACTURED SKULL AND BROKEN SHOULDER FOLLOWING QUARREL WITH J. M. MATHIS SATURDAY.

HURLED INTO WALL

Mathis Placed in Jail Here—Raid on Poker Game Leads to Words That Result in Attack—Ligon Condition is Grave.

J. T. Ligon, deputy sheriff of Electra, lies at the point of death in the Wichita General Hospital with a fractured skull and broken left shoulder and J. M. Mathis, also of Electra, is held in the county jail on a charge of assault with intent to murder, as a result of an affray shortly after noon Saturday at Electra in which Mathis is alleged to have thrown Ligon against a brick wall.

The injured man was rushed to Wichita Falls for medical treatment. His condition is considered very serious. City Marshal Scott, who witnessed the alleged assault, arrested Mathis and notified Sheriff Hawkins who brought the prisoner to Wichita Falls. The trouble grew out of the trial of several Electra residents on charges of gambling in Justice Newsum's court Saturday. Ligon raided a house Thursday night and arrested a party of men who were playing poker. As Ligon left the court room he was accosted by Mathis and a quarrel ensued. According to eye witnesses, Mathis picked up the deputy sheriff and after swinging him around his head several times by a foot, threw him against a brick wall. Ligon has been a deputy since April 1. He is married and has several children. Hospital physicians said late Saturday night that the injured man has little chance for recovery.

erates actions that would lead to wholesale human slaughter or war, the loyal Democrat should calmly, and proudly, and without criticism stand by him as though he was infallible. A Democrat commits a political crime when he acts otherwise, according to premises set up by the two gentlemen.

During President Cleveland's administration, when all nominations and candidates were by convention, it was to be observed that the first act of every convention after organizing was to endorse "Grover Cleveland and his administration," even if only a considerable was to be nominated; at a few singing conventions endorsed him. It is the unwritten law of the Democratic party to be vigorously enforced, that every member thereof shall, under penalty, endorse and acquiesce in the policies of their national chief, be they right or wrong? Criticisms of "Dark Russia" are common on account of its autocracy and absolutism.

If you will pardon the digression, the writer will note one of several important truths, presented by the distinguished gentleman for which he is due sincere commendation, even though it is a damaging, sweeping charge against his party in the South. He declared that for fifty years the farmer had been neglected by the legislative branches of the Government, that the banking and commercial interests had received the constant attention, protection and assistance of every administration, while the farmer had been handicapped all these years for lack of suitable legislation for his protection and assistance and had been left to fight his battles alone. He might have truthfully added that the creators of wealth in all times had shared the same fate. Not a few farmers and many of the workers are also awaking to declare the same blighting truth.

The state convention of the A. F. of L. last week at Houston, Texas, had a strong resolution presented to its assering that "Who have become convinced that we are and have been scientifically, heartlessly and with malice aforethought, sold out body and soul by paid lobbyists," etc. In reporting this convention, The Houston Chronicle of April 27, says in its headlines, "Organized Labor of the State

Wreck On The Denver This Man Was Wrecked By Rheumatism

READ HIS TESTIMONIAL: This is to certify that I have had rheumatism for several years. I am an engineer on the F. W. & D. Railroad and have had to lay off many trips on account of rheumatism. I would get so bad I could not ride my engine. After trying many doctors and medicines I decided to try the Nichols Remedy, which has cured me. The company had sent me a pass to go to Marlin Wells, but I don't think I'll ever have to use it. Now I don't have to miss a single trip off the road. It has been worth many times the cost of the medicine to me, and I gladly recommend it to any one who has Rheumatism, which I am doing to every one who I see with this dreaded disease. I have no interest whatsoever in this matter. My address is: R. W. Cook, 1106 Burnett St. Wichita Falls, Texas.

This medicine is sold under a money back guarantee at \$5 per bottle. If you want to test this medicine address P. O. Box 875.

"The dominance of social ideals in our American life is now assured. The public is demanding that the government realize that it is the business of government, as the preamble to the National Constitution clearly states, to promote the general welfare; it is under this view of the broad purpose of government that it has now come to be clearly regarded as the duty of the nation, of the state and of the city to concern itself with the special problems of human life, of community efficiency and betterment. Just as much as it is the duty of one of these government agencies to concern itself with the question of tariffs, foreign relations, commercial trade, police protection, etc."
"Dayton has undertaken the organization of the department of public welfare, to give expression to this new conception of the duty of the state to all her citizens. Under the new commission manager plan of government, the Dayton charter has made provision for the organization of perhaps the broadest and most far-reaching department of public welfare ever laid down for a city in America. Under the present outline, the department of public welfare includes in the scope of its activity, seven divisions:—public health, recreation, parks, correction and reformatory institutions, outdoor public relief, legal aid and municipal employment. The salaried force of employees covering the work of this department numbers seventy four."

By Associated Press.
Lufkin, Tex., May 13.—The defense in the trial here of E. E. and Louis Sapp, charged with the killing of Dick Watts in Hardin county, had almost completed its case today. To controvert the state's allegation that Watts was killed January 7, 1915, Mrs. Giddens of Beaumont, testified to talking with E. E. Sapp in Beaumont on that date and accompanying him to her father's home near Big Thicket where Watts' body was found the following day. Mrs. Giddens said that on January 25—which the state

fixes as the date of Frank Harvard's killing of which the Sapps are accused—she again accompanied Sapp to her father's home. The car bogged near Big Thicket and was left there two days.

FALLING OFF IN NUMBER OF BIRTHS DURING MARCH
By Associated Press.
Austin, Tex., May 13.—There was a falling off in the number of births in the State of Texas, according to figures given in the report of State Registrar of Vital Statistics W. A. Davis for the month of March, just made public. The average number of births for one month is given officially as 70,125. End the March report shows only 4,602. The department plans to conduct an investigation to

determine whether any physicians have been negligent in making reports of births. Three thousand and thirteen deaths were reported for March, according to the figures, while the estimated average number is 4,452.

The March births included 44 sets of twins, thirty five of these being white. Of the deaths three negroes and one white person were reported to have been over 100 years of age.

VIGOROUS ANTI-TYPHUS CAMPAIGN IS PLANNED
By Associated Press.
Austin, Tex., May 13.—City officials, health officers and quarantine inspectors have been urged by Dr. W. B. Collins, state health officer, to cooperate with the state department of health in a concerted effort to prevent typhus fever in Texas.

Dr. Collins recommends that jails, public buildings, chair and sleeping cars, street cars and other public vehicles be disinfected at regular intervals with a view to exterminating germs. The department offers to furnish information on inquiry, with reference to the treatment of those affected with typhus.

MANY TRACTORS WILL BE SHOWN

PLANS PROCEEDING FOR DEMONSTRATION HERE LATE NEXT WEEK

NUMEROUS MODELS

Practically All Leading Manufacturers To Be Represented in Exhibition

Plans for the tractor demonstration to be held near this city May 25, 26 and 27 are going forward rapidly and indications point to a large representation of machines and a big attendance of farmers. Practically every prominent model of farm tractor in existence will be given an opportunity to show itself, and farmers from a number of Northwest Texas and

Southwest Oklahoma counties are expected to attend. Manufacturers of tractors claim that the machines are more efficient, more serviceable and more economical than horses, and the exhibit is planned for the purpose of demonstrating the various makes and putting the farmers in closer touch with this comparatively new farm machine. Up to a year or two ago, tractors were practically unknown save on the largest farms, but they are now coming into general use. The site of the demonstration has not been definitely chosen, but it will be held either on vacant property near Floral Heights or north of the city, across the river.

GIRL MAY DIE AS RESULT OF BURNS

MABEL AYRES, AGED FIFTEEN, NOT EXPECTED TO SURVIVE INJURIES.

COURAGE IS SHOWN

Fights Flames On Clothes, Unassisted Then Walks to Neighbors Before Collapsing.

Bravely extinguishing without assistance flames that burned her garments from her, burned the greater portion of her limbs to a crisp and seared her entire body, Mabel Ayres, a fifteen year old girl Saturday afternoon walked 100 yards to a neighbor house for aid before collapsing with the excruciating agony of her burns. At two o'clock Sunday morning the girl was still alive, but with very small chance of recovery.

The girl was alone at the home of her parents, Mr. and Mrs. Ayers in the Wilson addition and was ironing when in some unexplained manner the skirt of her dress caught fire in the back, enveloping her body in flames that before the girl, unaided as she was, could extinguish, burned her from shoulder to ankle in the back and seared both arms and a large portion of the abdomen. The accident occurred at 3:30 and the girl was rushed immediately to the Wichita General Hospital where at a late hour last night she was still conscious suffering great agony. Death had been expected momentarily for hours, but the unusual vitality of the girl which enabled her to fight out the flames was still sustaining her.

The Gem. A Red Feather feature "Two Men of Sandy Bar" is the attraction to be on the Gem program Monday. Hobart Bosworth star of Universal fame has the leading role. A short story follows: John Oakhurst is a chivalrous gambler, and his friendship for Sandy Morton forms the motif of the story.

Sandy Morton was given to excessive drink, which through the complicity of the dutchess, the queen of the gambling houses, resulted in the loss of his birthright. Though his father had maintained a search for him, having a number of years, he had never been able to locate him. Circumstances so shaped themselves that Oakhurst innocently and believing Sandy dead, took the place of the long lost son in his father's affection and household, and these circumstances reached a climax when the true identity of Sandy was revealed at the psychological moment by the dutchess herself. So upright has Oakhurst been in all his dealings with the elder Morton that as he turns to leave the room the old man calls him back and announces that henceforth the name under which he will operate his banking business will be Alex Morton & Sons and Oakhurst. Thus do the troubles of the two cement their years of friendship in to a life long association.

Visit of Asquith Brings Suggestion for Form of Government During War.

By Associated Press. Dublin, May 13.—Premier Asquith's visit to Dublin as far as is ascertainable tonight has been spent in frequent conferences with the civil and military officials. The suggestion unofficially circulated regarding the possibility of the formation of an Irish executive council to the conduct of the government of Ireland until the end of war appears to have been made a great impression. There has been much discussion of the subject but no confirmation of such a movement has come officially.

A relief in the tension in Ireland came today when General Maxwell, commander of the British forces, reviewed and thanked the military troops who fought against the rebels. Major Wimborne, the former lord lieutenant and Premier Asquith attended General Maxwell at the review. The trials of the few remaining men accused as rebel leaders who are to be dealt with in Dublin are being completed rapidly by the court martial.

NEGRO SLAYER IS FINALLY CAPTURED

Stabbed Off Twelve Former Comrades Until His Ammunition is Exhausted.

By Associated Press. Leavenworth, Kansas, May 13.—William White the discharged negro trooper who yesterday killed a negro sergeant and a negro and wounded a white woman was captured by his former comrades today after an exchange of shots in which White was wounded in the arm. The fugitive was surrounded in a gully on the military reservation and stood off twelve men with a rifle until he was wounded and his ammunition exhausted. It is believed he was returning to the army service school from which he purchased his discharge Thursday, to shoot others of whom he was jealous. Long ailments wear out pain, and long hopes joy—Sanislaus (King of Poland.)

RULING ON FEE BILL IS MADE AT AUSTIN SATURDAY

By Associated Press. Austin, Tex., May 13.—The attorney general's department today held that counties having a population of less than 25,000 as shown by the last federal census are liable to the county officers for certain expenses mentioned in Article 2397 of the Texas fee bill, which sheriffs are not required to include reports and statements made in compliance with the law. An opinion also was rendered that a person does not bear any relationship by affinity to his stepbrother or stepfather, and that it is legal for the husband of the daughter of a stepfather of a school trustee to teach in the school over which such trustee exercises joint control.

CORPUS CHRISTI ELECTION FRAUD CASE POSTPONED

Corpus Christi, Texas, May 13.—Witnesses in the case of Walter Timon, who is under federal indictment here in connection with alleged irregularities in the general election of November 1914, have received letters releasing them from service until January 1, 1917. The case will go over for the term beginning Monday week.

DISCHARGED MAN BALLS UP TRAFFIC

Manipulates Interlocker and Holds Up Nine Passengers and Fifteen Freight Trains

By Associated Press. Chicago, May 13.—Nine passenger trains carrying 1000 passengers and fifteen freight trains were held three hours at the New York Central interlocking point at the Calumet river late last night when a non-union operator blocked traffic across the trestle by manipulating the switching apparatus as a protest against his discharge.

DELEGATES NAMED BY REPUBLICANS

DISTRICT CONGRESSIONAL CONVENTION IS HELD HERE SATURDAY AFTERNOON

PRaise ROOSEVELT

Chairman Predicts His Nomination and Election—Many Counties Are Represented

Jerry L. Hickson of Gainesville, and Judge E. E. Diggs of Childress, were elected delegates to the national republican convention at Chicago June 7 by unanimous vote of delegates to the thirteenth district republican congressional convention Saturday afternoon at the court house. W. C. Rayson and J. L. Van Hattata of Amarillo were elected alternates. Harry Ingerton of Panhandle was elected district elector.

of this district for the past twenty years. Forty-five delegates, representing 37 counties, were in attendance. Mr. Hickson was chairman of the executive committee meeting, which convened in the morning. M. D. Bybee of Childress was secretary. In an address on preparedness Mr. Schmitz told the delegates that the republican party is for the second time in its history confronted with a serious situation arising out of the administration's diplomatic relations with Germany and Mexico. "Our foreign relations are in some instances strained to the breaking point," he declared. "We are facing the probability of war with Germany, the probability of war with Japan and a practical certainty of war with Mexico, and the patrolling of 1,800 miles of southwestern border has taken up practically every unit of our army, and yet in the face of these serious conditions the majority in Congress is dilly-dallying around playing peanut politics and fooling away valuable time flitting with a bill which would increase our army to such an insignificant extent that it would be of no practical assistance whatever even in our troubles with Mexico, to say nothing of our defenseless condition on our eastern and western shores. "These are facts which will not stand denial from anyone familiar with international conditions and relations. "This great Republic, in its hour of multiplicity of troubles, needs another Lincoln or a McKinley, and I take it that it becomes our duty to cast aside any extreme views which we may have entertained with reference to party discipline in regard to our former political brothers who saw another light four years ago, and exchange with them the olive branch of peace and nominate a man for the presidency who represents the united ideas of a reunited party and march

Cooke county—Delegates, J. L. on to a glorious victory next November." The delegates attending were: Hickman, George Smith, C. C. Sanborn, W. S. Black, P. M. Boyd, D. H. Waide, John Muerer, George P. CAPTAIN REFUSED TO QUIT HIS SHIP

Defied German Submarine Crew But Is Overcome and Vessel is Sunk. Stockholm, May 13.—The captain of the Swedish schooner Herald, describing the sinking of his ship by a German submarine in the North Sea on May 5, says the 11-boat gave the crew fifteen minutes to abandon the schooner. The captain of the Herald refused to obey the order and hoisted the Swedish flag. The Germans then poured petroleum over the ship which they lit. They then attacked the captain with cutlasses, forcing him into a small boat. The blazing petroleum not destroying the Herald quickly enough the ship was sunk by gun fire.

There were half a dozen bidders. Field & Clarkson are the architects.

Art Loan & Jewelry Co.

Will Offer a Selection of Genuine Diamonds Monday at, Each \$37.50

In the years that we have been in business in Wichita Falls we have had occasion to offer many splendid bargains in diamonds, but never have we offered a better assortment of real bargains than will go into our sale for Monday. Buying them as we do for cash, or taking them in on loans, we pick up a great many stones at much less than their true value, and always we pass them on to our customers at prices less than most other jewelers can buy them for. For this Monday we have prepared what we consider to be the greatest bargain event in diamonds that we or any other house has ever offered—and we are able to do this only through the combination of two circumstances—the fact that we have recently taken out of pawn a large number of stones, and the further fact that one of the big diamond importers of the East recently needed money so badly that he sold a fine assortment of stones at much below the market price. These diamonds are mounted in lavallieres, rings, studs, brooches and pins—new mountings just put on by ourselves and guaranteed to be solid gold. See our window today for this magnificent collection, and remember that you can have your choice of the entire lot

NEW MEXICO GUARD IS NOW MOBILIZED

Includes One Skeleton Regiment and Battery of Artillery, Recruiting Under Way. By Associated Press. Columbus, N. M., May 13.—Mobilization of the 1000 men of the New Mexico National Guard was completed today with the arrival of companies of Deming, Silver City, Portales, Artesia and Carlsbad and a battery of artillery from Roswell. The militia encamped on the southern extremity of the military reservation consists of a skeleton regiment of infantry and the battery. Recruiting to bring the command to war strength is progressing rapidly throughout the state. Reports reaching here from apparently authentic sources said that all southbound supply train trains between Colonia Dublan and Namapupa are being halted and sent back to the field base at Hobbs. AFTER SIX YEARS Wichita Falls Testimony Remains Unshaken. Time is the best test of truth. Here is a Wichita Falls story that has stood the test of time. It is a story with a point which will come straight home to many of us. Mrs. G. A. Swope, 612 Burnett St., Wichita Falls, says: "For the past two years I suffered terribly at times from my kidneys. The kidney secretions were very unnormal and I suffered constantly from weakness across my back. Hearing about Doan's Kidney Pills being so good for such troubles, I got a box from the Wichita Drug House. They quickly brought relief and I feel that they were a fine kidney medicine. I feel much better now than I have for a long time." (Statement given June 16, 1908). A Later Statement. On April 3, 1915 Mrs. Swope said: "I have recommended Doan's Kidney Pills on several occasions and I am justified in doing so, as they have cured me of kidney complaint." Price 50c at all dealers. Don't simply ask for a kidney remedy, but get Doan's Kidney Pills—the same that Mrs. Swope had. Foster-Nibbler Co., Buffalo, N. Y.—Advt.

WOMAN WANTED IN DALLAS ARRESTED

Is Taken into Custody and Will Answer Charge of Assault on Murder.

Louise Mitchell, proprietress of a resort in the flats, was arrested Saturday afternoon at 2:15 o'clock by city police as she stepped from a train at union station, and will be taken to Dallas today to answer to a charge of assault with intent to murder.

The woman was arrested on information furnished the police by the authorities of Dallas. Chief Humphris received a telegram from the sheriff of Dallas county asking that the fugitive be apprehended and the arrest was made without difficulty.

The woman refused to discuss the case when questioned Saturday by the police but it is known that she went to Dallas about a week ago. A deputy sheriff will arrive today to take the woman back to Dallas.

"I wish success were a woman." "Why?" "Then everybody would know its secret."—Detroit Free Press.

Why Not Present Mother With A Victrola?

This is Mother's Day, and possibly Mother does not play an instrument or she may be past the age to sing, but nevertheless she enjoys music, just the same as in her younger days. A Victrola would be a constant message from the son or daughter to the mother, and sing into her heart all of the love and affection that even words could not convey, were you with her to tell her. Every day in the year, every night with the going down of the

sun she could enjoy the music that would sing to her not only the choicest selections of the world's great artists, but the love and remembrance of a son or daughter who thought of her on this, the Mother's Day.

And you can buy a Victrola on easy terms. No money where you live, your credit is good for a Victrola at our store. A small cash payment, and the balance to suit your convenience. We ship anywhere in the U. S.

RIPE OLIVE DAY

The Olive Growers of California have set aside Tuesday May 16, as RIPE OLIVE DAY, and ask that each family buy at least one can of RIPE OLIVES on that day, in order that the American people may become better acquainted with this delightful fruit.

WE WISH TO ANNOUNCE that we have prepared ourselves with a complete stock of carefully selected

high grade RIPE OLIVES at 10c, 15c, 25c, 35, and 50c per can and ask that you cooperate with us in assisting the good people of California in this laudable enterprise.

If you are unacquainted with this delicious fruit you are doing yourself a favor as well as them.

Let us help Sister California boost a great American industry.

NEW EFFORT TO SAVE THOMPSON

REHEARING TO BE ASKED IN CASE OF LOCAL NEGRO, FACING DEATH PENALTY

OPINION IS RECEIVED

Sustains State's Main Contentions But Does Not Consider Several Questions Raised

Motion for a rehearing in the case of Charles Thompson, negro in whose case the death penalty was returned on a charge of murder in connection with the death of Pearl Bradford, a negro woman, will be filed by attorneys for the negro, Ralph Mathis and Wayne Summerville before May 24 in the court of criminal appeals...

The decision affirming the sentence was unanimous, the being no dissent at all first reported. The opinion, according to attorneys on both sides of the case, does not take up a number of the bills of exception presented by the defense. It does, however, sustain the state's chief contention, that the testimony of those who saw the wounded negro nod her head when asked "Charley did it" was admissible. The opinion follows:

Appellant was convicted of the murder of Pearl Bradford and his punishment assessed at death.

Dr. Mackechny testified to being called to see the woman; that he had her carried to the sanitarium and that the wounds she received were the cause of her death. He testified her face was literally torn all to pieces—that her upper jaw was broken and all her teeth on the right side were broken loose; her lower jaw was broken, and there were several distinct wounds on her head; that he found a hammer there bloody; that there were wounds practically all over her entire scalp, and there were several places where the outer table of her skull was broken. He says he told Mr. Nelson and his wife that he thought it was useless to attempt to do anything for her, but at their request he treated her. That in his opinion the woman was conscious; and he furthermore testified that he informed the woman she was going to die and that she wanted to tell the truth. Mrs. Nelson says the woman was informed that she was going to die, and the doctor thought she was dying.

The doctor's testimony and Mrs. Nelson's testimony would be admissible both under the res gestae rule and as dying declarations. While the statements made to the undertaker were some time after the statements were made to the doctor, yet his testimony would tend strongly to show that she was conscious, and his testimony would be admissible as a dying declaration.

There are a number of bills objecting to testimony wherein when asked she did it, she would answer to "Charles"; to others Charles Thompson, and to others would nod her head in the affirmative when asked the question. It is true that witnesses for appellant testified they did not think she was conscious, but this would not render the testimony inadmissible, but go to the weight to be given it by the jury. When the state's witnesses testified that she was conscious and informed that she was going to die, this made a prima facie case, and rendered the testimony admissible. When the defendant offered testimony that she was not conscious of what she was saying, this rendered it a question of fact to be determined by the jury. None of the bills complaining of the admissibility of this testimony present error.

The testimony of Dr. Mackechny as to what Miss Gossler said to him was admissible. Appellant introduced the testimony of Mrs. Nelson, who testified that in her opinion the woman was unconscious when she made the statements that appellant inflicted the injuries on her head. Any statement she had made to Dr. Mackechny prior to her so testifying would be admissible as tending to impeach her, and the court in approving the bill says he so limited the testimony.

The testimony of a previous quarrel between deceased and appellant was admissible as tending to show that the woman was conscious, and would testify that appellant had told the negro woman that "no other man should have her." It was shown another man called on her that evening and was to call again that night, and when he did call he found the negro woman murdered. It is shown that appellant could have and probably did know that Ben Henderson had called that evening and was to call again that night.

The court did not her in overruling the application for a continuance. While it is always permissible to show that another probably committed the crime, or that another had made threats or had ill-will if the testimony goes further, and would place such person in such proximity to the person that he might or could have committed the deed. The fact one absent witness would testify that he "knew the woman was quiet, made threats" would be immaterial unless such other two persons, or one of them, were placed in such position where they had an opportunity to commit the offense. There is no allegation in the motion as to where the two persons were on the night of the homicide, nor is the name of either of them given. The facts that the absent witness has never heard appellant make any threats toward deceased, and is immaterial, nor would such testimony tend to weaken the testimony of the state's witnesses who heard and testified to the threats. Doubtless any number of men could have been picked up who would have testified and

testified truthfully that they had never heard appellant make a threat. Before the testimony of such witnesses would become material, they would have to place themselves in position to have heard threats, testified to by the witnesses for the state. There is no allegation that they were present on such occasion nor is it so contended in the record before us.

Three or four witnesses testify to the fact that deceased, in her dying declaration, said appellant committed the offense and the court did not err in refusing to charge on circumstantial evidence. It was a case depending on direct and positive testimony. If the jury had not believed the woman was conscious when she made the statements charging appellant with having inflicted the wounds which caused her death, they should not have convicted her. It is the highest penalty known to the law.

SCHOOL TERM NOW NEARING ITS END

Seniors Final Examinations Begin Tomorrow—Graduation Plans Under Way.

Monday marks the opening of the final examinations for the senior class of the high school and by Thursday or Friday of this week each of the twenty-eight students in the class will know his or her fate. These senior examinations come a week before those of the

remainder of the schools, according to the usual custom of the high school which leaves the last week before commencement free for the graduates to plan their final exercises. The honor students will be announced by the last of the week, it is thought. The commencement activities open this year with the Class Day program which will be given Friday evening, May 26. Sunday, May 28, the Baccalaureate sermon will be preached at the First Baptist Church and by Rev. R. C. Miller, instead of at the M. E. South Church as first announced. This change was made as Dr. Andrews was unable to accept the invitation to deliver the graduating sermon as he had an out of town engagement on that date. The commencement night exercises

will be held Monday, May 29 at the Wichita theater. Dr. Randolph Clark of Stephenville to deliver the address to the graduating class. At this time the class oration will be given and the class essay read with the usual addresses by the valedictorian and salutatorian, which have as yet not been determined. There are twenty-eight students in this year's graduating class, fourteen boys and fourteen girls and if all graduate the 1916 class will have the distinction of being the largest class in a number of years, possibly the largest in the history of the school.

ANOTHER INCREASE IN BANK DEPOSITS

Record Established on March 7 Is Surpassed by Statements For May 1.

Wichita Falls bank deposits, which have been breaking all previous records with each succeeding statement of the past few months, went to a still higher mark with the statements for May 1, recently called for by the comptroller. The total on that date was \$3,754,485, an increase of \$115,793 over the total on March 7, which was \$3,638,692.

The City National's deposits showed a very substantial gain during this two-month interval, this being due in a measure to the county's court house bond money which is now on deposit in this bank. The figures follow:

March 7	Total	\$3,638,692
May 1	Total	\$3,754,485
City National	March 7	\$1,636,372
City National	May 1	1,813,969
Wichita State	March 7	268,48
Wichita State	May 1	1,425,954
National Bank of Commerce	March 7	220,412
National Bank of Commerce	May 1	325,323
Total	March 7	\$3,638,692
Total	May 1	\$3,754,485

TEACHERS ELECTED FOR NEXT SESSION

Few Changes Are Made By School Board—Task Is Not Yet Completed.

Public school teachers for next session were elected Friday night at a meeting of the school board. Most of the present force who applied for re-election were retained, few changes in the personnel being in prospect. The board will meet again early this week to complete this task.

There were 67 teachers employed during the session now drawing to a close and probably a dozen additional will be employed for next session to care for the increase in attendance. There will be one, and perhaps two, additional school buildings to be supplied next session. The election of teachers was held later than usual this year, it having been found inexpedient to hold it at an earlier date.

CLOSING EXERCISES AT BURKBURNETT SCHOOL

(Burkburnett Star) While some of the program for the school closing exercises have not been fully completed at this time, we are informed that the commencement services will be preached at the Methodist church Sunday morning, May 21 by Rev. F. F. Walters, pastor of the First Christian Church in Wichita, Kas. The commencement address will be delivered by Dr. J. W. Ward for president of Southern College at Abilene at 8 in the auditorium Monday, May 22 at 8 in the evening. Both of these men are able speakers and will be well worth hearing and they will be heard by capacity houses.

CLUTCH—Aluminum cone, leather faced, fitted with special engaging springs.

McFALL BROTHERS, Dealers Dodge Brothers Motor Cars

—but here it is —the ideal car —at the ideal price

Things that were impossible yesterday are today's accomplished facts.

Somewhere in the world someone with special knowledge, special experience, special equipment, gets ready and then startles the world by accomplishing the seemingly impossible.

Almost everyone said that a complete automobile of beautiful design, fine finish, the ideal small, light, economical car, built with quality materials and absolutely completely equipped, could not be built to sell for \$615.

And but for Overland special knowledge, special experience and special equipment, it probably would still be one of the impossibilities instead of an accomplished fact.

Probably no other organization in the world can produce the quality and efficiency equal of this car to sell at anywhere near so low a price.

Certain it is that no other organization is doing so.

And no other car ever produced seems so exactly to suit the requirements of so varied a lot of people.

People of wealth, people of modest means—

People of long automobile experience—

People who never before owned a car—

All find in the small, light \$615 Overland their ideal car.

It has the beauty, comforts, conveniences, power and complete equipment which everyone wants.

Yet it is inexpensive to buy and economical to operate.

See the Overland dealer and get acquainted with this car.

But act now, as this car stands alone and the rush to own them is amazing—delayed action is almost sure to mean a long wait for delivery.

First M. E. Church, South.
 Sunday will be observed as Mother's Day at this church. Everybody is requested to wear a white flower at all the services in honor of their mother. Come to Sunday school at 9:30. Let us run our record above the 500 mark this week. The pastor will preach Sunday morning on the subject of "Your Mother and Mine." At the evening service we will give the picture of Bishop Lambirth's missionary journey into the heart of Africa. In addition to this a number of slides will be shown of native African scenery, including the gospel ship on which the bishop and his party sailed. These slides will be used during the illustrated talk that the pastor will give on our African work. We had five additions last Sunday. The doors of the church will be open at both of these services. Junior League will meet at 4:30. Senior League at 8:30. This will be a special service and will consist of a study of the popular songs of the church. Everybody is cordially invited to attend. Don't forget the prayer meeting on Wednesday night. The choir of this church will give a special recital of sacred music next Sunday night.

First Presbyterian Church.
 The pastor will be in his pulpit

both morning and night. At the morning hour we will observe Father and Mother's Day. A sermon appropriate to the occasion will be preached. Special music has been arranged. The ladies have been asked to furnish a number of simple button hole bouquets. The old songs will be sung. At night the pastor will preach the first of a series of Sunday night sermons on interesting subjects. The subject of this sermon is "Is There Another Life." On next Wednesday night the pastor will be installed. Visiting ministers of the Presbytery will be here and perform the work. All friends of the church and pastor are asked to be present. Special music.
 N. F. GRANTON, Pastor.

Christian Church.
 Bible school, 9:30, morning service will be given to reports from state convention. Christian Endeavors all meet at 7 o'clock in the three sections: Junior, Intermediates and Seniors. Evening sermon will be the third from the book of Acts; the pastor will give a "A Glimpse of the Church." Those who have been following these discussions, please remember the change from morning to evening in the series. This is "Mothers Day" all over the world. Let us in her honor, have a large attendance in all services. A union service will be conducted in Christian Church in the afternoon.

First Methodist Episcopal Church.
 Sunday school at 9:45 a. m. Preaching at 11 o'clock. Epworth League at 7. Preaching at 8. The pastor will preach both morning and evening. Rev. H. B. Collins, district superintendent will hold the third quarterly conference May 26.
 C. C. DRANNON, Pastor.

Gets Through Every Time

DORT

WHEN a Dort owner arrives at a bad piece of road he doesn't ask himself, "Can I get through with this car?"

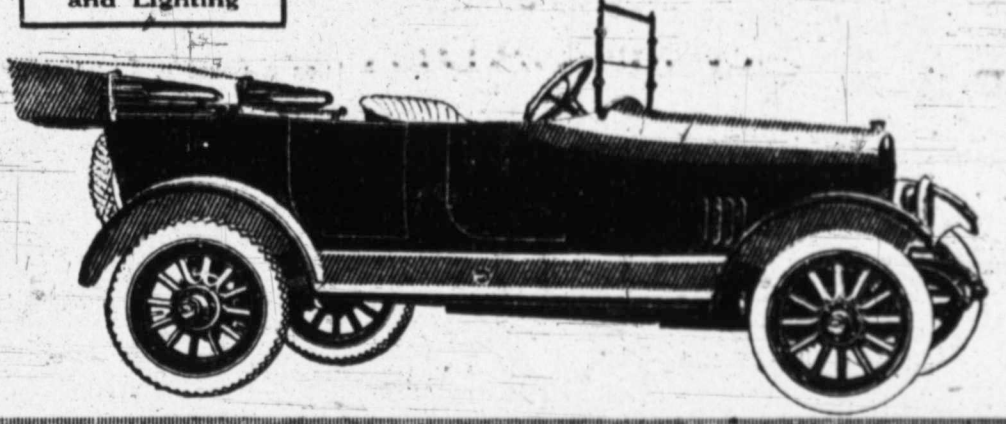

He knows that his high speed, long stroke, 33 horsepower Dort motor will pull him through even if he does have to shift back into "second." He knows that his car is so light that the rear wheels will not sink into the mud and revolve helplessly. He is sure of traction and power all the time.

As the mileage runs up he realizes that for country roads or city streets, for all-round year-in-and-year-out service the Dort is paying him a bigger dividend of satisfaction than the investment of anywhere near the same amount of money in any other make would pay him.

The reason why the Dort is the easiest riding car in its class—why a Dort motor can never overheat—why Dort motor bearings, cylinder walls and timing gears have a margin of thousands of miles extra wear in them—will be pointed out to you when you inspect this car.

How to Tell a Genuine Prest-O-Lite Tank from an Imitation

You may think you know what a Prest-O-Lite looks like. But it isn't safe these days to judge by looks. There are several clever imitations which look exactly like Prest-O-Lite—and were made to look that way.

Get away out on your car this morning. They are being sold and exchanged here. Better look at your tank!

The Genuine Prest-O-Lite
 always has our name and trademark placed on the side of the tank, big as life and no doubt about it.

A dealer may tell you that it makes no difference because some other name is on the tank instead of Prest-O-Lite.

But it does make a big difference to you. He tells you that his substitute is "just as good" and that he is "back of it."

But what do you want back of your tank—one dealer, or the universal, dependable, Prest-O-Lite Service System, represented by 25,000 dealers?

The worth of any gas tank depends largely upon your ability to exchange it, when empty, for a full one.

The permanence, the responsibility, and the known quality of Prest-O-Lite Exchange Service are important.

If a dealer has transferred you out of the Prest-O-Lite System, ask him to do the honorable thing, and give you back your Prest-O-Lite. It's YOUR PROPERTY, not his.

The Prest-O-Lite Company, Inc.
 Dallas, W. Va. 1925 Bryan St. San Antonio Branch, 236 Avenue C
 Main Office and Factory INDIANAPOLIS, IND.
 Branches and Charging Plants in all Principal Cities. Exchange Agencies Everywhere.

Has any dealer the slightest moral right to take your property away from you, and silently transfer you out of the Prest-O-Lite Exchange System, even though he thinks a "just as good" will answer your purpose?

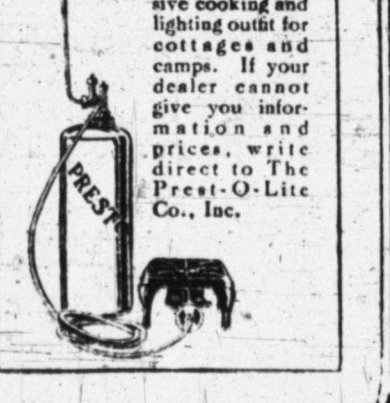

Look at Your Tank
 If it doesn't clearly bear our name placed on its surface, it isn't a Prest-O-Lite.

Better ask the dealer who gave it to you to take it back and get you a real Prest-O-Lite.

If he doesn't comply promptly or says he is "just out of Prest-O-Lites," take the matter up with us, or with any of our dealers.

Cook with Prest-O-Lite

There are hundreds of other uses for the Prest-O-Lite in connection with various burners and blow torches. Among them is this convenient, compact, inexpensive cooking and lighting outfit for cottages and camps. If your dealer cannot give you information and prices, write direct to The Prest-O-Lite Co., Inc.

BIRTHDAY PARTY FOR MRS. E. O. HARTSOOK

On last Wednesday afternoon Mrs. E. O. Hartsook was treated to a surprise birthday party at the residence of Mrs. J. W. Boone, 1630 Zetseventh street. The party was under the auspices of the Missionary Society of the Methodist Episcopal Church. South. Miss Jeanette Armfield was chairman of the arrangements committee and was assisted by Mrs. W. E. Norton, Mrs. M. H. Moore, Mrs. T. E. Butler, Mrs. Ellen Perkins and the hostess. The parlor of the beautiful home was decorated with flowers and white crepe paper and made a beautiful appearance. A throne chair for the honoree was placed in the center of the room and as Mrs. Hartsook came in she was greeted with the song "A Happy Birthday to You!"

More than fifty presents had been brought in by friends and these were opened one by one. Refreshments were served and the birthday cake, baked by Misses Bland and Bergeret, glowed with sixty-nine burning candles. Mrs. J. S. Barcus presided at the punch bowl. The feature of the occasion was an original poem by Mrs. T. E. Butler. A toast was offered by Dr. A. L. Andrews, who told of the great love that the church has for Mrs. Hartsook and that this party was given as a slight token of appreciation of this consecrated and useful woman. Mrs. Hartsook responded with great emotion and thanked all present for their thoughtful kindness. After a feeling prayer, led by Mrs. Hartsook, congratulations were showered upon her and the general wish was expressed that this great and useful woman might be prepared for many years to be an ornament to the church and a blessing to the world.—(Contributed.)

"TRAIL OF THE LONESOME PINE" AT MAJESTIC

In presenting the beautiful American actress, Miss Charlotte Walker, in a picturization of "The Trail of the Lonesome Pine" at the Majestic Monday the Jesse L. Lasky Feature Play Company offers a beautiful picturization of the wonderful reigning theatrical success of recent years, with the principal role played by the star who appeared in the part on the spoken stage for several seasons. This is Miss Walker's third appearance in Lasky productions on the Paramount program. The others were "Kindling" and "Out of Darkness." The photoplay of "The Trail of the Lonesome Pine" tells the story of melodramatic incidents in the attempts of a United States revenue officer to stop the illegal manufacture of whisky among the moonshiners in the mountains of Virginia. He is pitted against a band of rough mountaineers, led by Judd Tolliver. The moonshiner's daughter, June, falls in love with Miss Walker, the role and is caught between her affection for her people in the mountains and the young stranger who would ruin their illicit traffic. The cast of "The Trail of the Lonesome Pine" is one of the most notable gathering of screen stars in many months. Theodore Roberts will appear as Judd Tolliver. Thomas Meighan will play the role of John Fox, the revenue officer and Earl Fox will appear as Dave Tolliver.

PARAMOUNT FEATURE AT MAJESTIC WEDNESDAY

"He Fell in Love With His Wife" a Pallas-Paramount attraction will be on the program at the Majestic Wednesday. This production opens with a situation that grips the interest and holds it through to the finish. Many unexpected complications arise, but Florence Rockwell as Alida Armstrong, gives a portrayal of charm and sweetness that will completely win Forrest Stanley as James Holcroft. In the same fine looking, many actor that has appeared in other productions from the Pallas studios.

WILLIAM HART AT THE LYDIA MARGARET MONDAY

"Hell's Hinges" a Triangle feature with William S. Hart, the famous western character actor in the leading role will be in the program Monday and Tuesday at the Lydia Margaret. A lawless tough town of the West is "Hell's Hinges." The Rev. Robert Henley and his sister, Faith Henley (Clara Williams), comes to this town from the East. A band of tough men and women from the saloon and dance hall kept by Silk Miller (Fred Hollingsworth) disturb the peace held by Henley. Blaze Tracy (Wm. S. Hart) drives

The town is wiped out by the spreading of the flames by a high wind. Blaze takes the girl away from the town with the hope of a happy future for them.

CLARA KIMBALL YOUNG AT THE EMPRESS MONDAY

Clara Kimball Young the star with the wonderful eyes, will be seen Tuesday at the Empress theater in "The Yellow Passport."

This production is a powerful story, woven about the persecuted Jews of Russia. An interesting picture, indeed, carrying one through the trials, misfortunes and tribulations of a persecuted Jewess. During an uprising of the "Black Hundred" a band opposed to the Jews, the entire family of Sokoloff are killed except Sonia. To make it possible for Sonia to remain in Russia and continue her musical studies she must first be supplied with the Yellow Passport. In Russia the Yellow Passport is an emblem of shame, but Sonia merely becomes possessed with one of these under false pretenses, and does not lose her good name. For fear that the police will discover her deceit she and her uncle depart for America, where she becomes a great prima donna. She becomes engaged to the son in America in search of nihilists, entirely forgotten. Her old enemy, who sees her, and threatens to tell her friends about her possession of the yellow passport. This he does, and she is branded as a woman of the streets. She is shunned by everyone until papers establishing her innocence are brought over to America by two exile Jews.

The story is gripping from the start and keeps the audience in a state of expectancy until the final reel has been shown.

Clara Kimball Young has plenty of scope to show her wonderful array of dramatic gifts, and the Yellow Passport will truly add another to her already innumerable successes. John Sainploff, as the Russian police spy, and Edwin August, as the admirer of Sonia, were both exceptionally well portrayed. The supporting cast was very strong, being composed of many World favorites.

MUTUAL MASTERPIECE AT THE EMPRESS WEDNESDAY.

"The Oval Diamond" a Mutual Masterpiece is scheduled for the Wednesday attraction at the Empress.

There is bound to be excitement when a young man, single handed, beats off a dozen men who follow the trail of the oval diamond and wins it at last, by a clever ruse, for the girl to whom it rightfully belongs, all because he loves the girl. There is bound to be a beautiful photoplay and excellent production when a picture bears the mark of the Thanhousser studios upon it. The acting is always sure to be above reproach when Harris Gordon, Barbara Gilroy and Arthur Bauer are in the cast.

And so, since the forthcoming five-reel Thanhousser Mutual Masterpiece, De Luxe Edition, "The Oval Diamond," contains all of the above mentioned qualities and assets, the public may look for an unusual detective photodrama in this offering from New Rochelle.

"THE WOMAN'S LAW" AT LYDIA MARGARET SATURDAY

"The Woman's Law" will be remembered as one of the strongest serials in the American magazine of the year and Florence Reed has made of it a strong photoplay. The synopsis of "The Woman's Law," which will show at the Lydia Margaret Saturday is given.

IS STABBED WHILE RESISTING THUGS

Colorado City Man Receives Wounds During Fight With Two Would Be Robbers

Charles P. Payne of Colorado City, Texas, had a narrow escape from death shortly after 1 o'clock Saturday morning, when he was attacked by two negro men in the railroad yards. Payne told the police his assailants approached him and demand-

ed that he hand over his money. He refused and in the struggle that followed he received a deep cut in the thigh which had it been a fraction of an inch deeper, would have severed his jugular vein.

Although fifty years old, Payne is strong and vigorous, and he succeeded in beating his assailants off after the outbreak.

Railroad men summoned Hill's ambulance but the injured man walked to police headquarters unaided. He was later given medical attention and sent to his hotel.

The police searched the railroad yards but were unable to find the negroes.

25 YEARS GIVEN IN WILSON CASE

CLAY COUNTY YOUTH IS FOUND GUILTY OF MURDER OF SCHOOL TEACHER

VERDICT SATURDAY

Boy Receives Verdict Almost With Indifference—Claims He Fired in Self Defense

Twenty-five years in the penitentiary is the punishment facing Jay Wilson, seventeen year old Clay county school boy, for the killing of Prof. J. G. Wright of Newport last January. A verdict of guilty, fixing that term of imprisonment, was returned by the jury in the case at Henrietta Saturday morning.

The boy heard the verdict read with unflinching stoicism, not seeming to realize what it meant, but his parents were heart broken.

Wright was killed in the school room at Newport, Clay county, as he was advancing toward the boy to rebuke him for a remark the youth had made, Wilson, according to the testimony, warned the teacher not to come nearer him, then drew the pistol, snapped it at Wright, and the latter grappled with him. The weapon was then discharged.

The plea was self defense. Wilson testified that he had heard of threats alleged to have been made by the teacher. He said he had taken the gun to school to trade it. The shooting followed the discovery by the teacher that the boy had turned in an examination paper not in his own handwriting. He reproved the boy, and threatened to inform Wilson's parents. The boy replied that "he didn't guess anybody would care," whereupon Wright, telling him "not to get too smart" advanced toward him. Then came the shooting.

Wilson was represented by R. E. Taylor of Henrietta and H. F. Weldon of Bowie, District Attorney. Leslie Humphrey and Attorney Wantland and Parrish of Henrietta conducted the prosecution; the case was one of the hardest fought that Clay county has seen in some time.

Steps for a new trial were at once inaugurated by the defense, and the case will be taken to the court. While it is pending there the boy must remain in jail, as appeal bond cannot be made where the sentence exceeds fifteen years. Wilson's people are prominent residents of the southern part of Clay county.

EXHIBIT OF DAIRY CATTLE FOR FAIR

Guernseys and Holsteins From Mr. Kemp's Herd to Be Sent. Representative Here

Captain J. A. Edmonds, representing the Dallas fair, has been here for several days in the interest of the Wichita county exhibit at the fair. As arrangements already have been made for an exhibit from this county at the fair, he found that he had little to do in the line of the usual exhibit, so he bent his efforts toward securing an exhibit of dairy cattle from Wichita Falls. He secured the promise of an exhibit of both Guernseys and Holsteins from J. A. Kemp's model dairy farm.

Captain Edmonds himself, is an old breeder of cattle and has been a judge at a number of the big exhibitions of his country. After looking over Mr. Kemp's herd he pronounced it one of the best he had ever seen. He was especially impressed with the Guernseys saying that Mr. Kemp's Guernsey was the finest specimen of a Guernsey bull he had ever seen.

Captain Edmonds will try to interest other livestock breeders here in making exhibits at the Dallas fair. The fair this year is offering liberal premiums for the best county exhibits. The first premium is \$500; second \$300; third \$250; fourth \$150; fifth \$100; sixth \$100; seventh \$100.

OIL COMPANY FINED FOR REFUSING CARRANZA MONEY

By Associated Press. Galveston, Tex., May 13.—The Pierce Oil Corporation and the light and power company of Mexico City have been fined \$3,000 each by the Mexican government on a charge of having violated the recent decree making the acceptance of paper money compulsory, according to a message received by the Mexican consulate here today. The report adds that all banks and other concerns with a capital of \$100,000 or over must present reports showing the money of all kinds which they have on hand. These reports must be in by Sunday.

OUR APRIL 15TH MODEL DESIGNED AFTER THE SHOWS

\$1325 F. O. B. RACINE For 5-Passenger Model

257 Cars in One

We now have the Mid-Year Mitchell, completed after the New York Show. Combining all the best new ideas that were shown there. Designed by experts who first compared 257 of the latest models, to embody their best in one car.

The car rides ruts as a boat rides waves. This, to women, is the most appealing feature found in any car this year.

30-Year Service

The Mitchell, we believe, holds the record for service. Six Mitchell cars that we know of have averaged 164,372 miles each. That means over 30 years of ordinary service. And all are running daily.

The Mitchell is distinguished as being the choice of the ablest engineers. We have a long list to send—on request—of great engineers who have chosen the Mitchell.

The Mitchell is long, roomy, impressive. Its wheelbase is 127 inches. It has a power tire pump, reversible headlights, ball-bearing steering gear, gasoline primer on instrument board, and many other features which make this car a favorite with men.

Each great designer, every season, contributes new ideas to cars. The Mitchell designers contribute their share.

At the New York Show—in January—all these new ideas appear.

No one car has all of them. One designer has excelled in one feature, one in another. The ideal car of the season would be a composite car. And that's what we offer in this new-model Mitchell.

approved ideas. You will find it by far the most interesting car on exhibit.

Exclusive Springs

This is the only car which has the Bate cantilever springs. They offer ease of riding which was never known before.

You will never believe what a difference they make until we take you over a stretch of rough road.

26 Extra Features

Because John W. Bate Saves Us 20%

The New Mitchell has 26 extra features—things you want in a car—which other cars don't offer.

Most of these are exclusive to Mitchell. And no car at any price has more than four of them.

We invite you to see these extras. Judge for yourself what each one means. Judge how much you would miss it. When you see 26 of them in a single car, we think you will want that car.

Due to 10,000 Savings

Those extras are paid for out of 10,000 savings made by John W. Bate, the efficiency expert.

Our buildings—covering 45 acres—were designed by him. He has equipped them with 2092 time-saving machines of the most efficient sort.

In this model plant—where every second is saved—we build 98 per cent of this New Mitchell car. We build it for half what it would have cost in our factory of 1910. We build it for 20 percent less, we believe, than any other factory could build a like car.

Those are the reasons for these 26 extras. They are due to John W. Bate. Any man who sees them will have new respect for factory efficiency, carried to the farthest limit.

Come, let us show them to you.
