DEMONSTRATION OF TRACTORS TO BEGIN THURSDAY

MANY MANUFACTURERS TO BE REPRESENTED AND HUNDREDS OF FARMERS ARE EXPECTED TO BE IN ATTENDANCE

OPPOSED BY DALLAS

Parties in That City Said To Be Trying to Block Plans—Machines to Be Tested on Field Not Far From Floral Heights

Farmers from practically all sections of Northwest Texas and Southwest Oklahoma are expected to be in Wichita Falls on Thursday, Friday and Saturday of this week, when the first tractor demonstration to be held in Texas will be staged near this city. The exhibition will be held on a lot near Floral Heights close to the car line.

While evidence has been received that Dallas parties are fighting the effort to hold a tractor demonstration here, this has had no noticeable effect upon the arrangements. About fifteen tractors will be demonstrated.

The demonstration is being advertised throughout Northwest Texas and Southwest Oklahoma and W. S. Carles, who is in charge of the plans, has seen that all possible publicity has been given the affair. He expects hundreds of farmers to attend, in addition to hundreds of others who would be interested.

Dallas interests who have felt that the tractor demonstration here might have some effect upon the demonstration to be held at Grand Prairie in July have been using their influence, according to reliable reports, to prevent manufacturers sending exhibits to the demonstration here, and are said to have threatened to bar from the Dallas exhibit all manufacturers who were represented here. There is nothing to indicate, however, that such action will in any way mar the success of the demonstration here, although it is much regretted locally that so narrow an attitude should be taken in Dallas.

The demonstration will be primarily a plowing test, but the ability of the tractors to pull binders, loaded wagons and to run farm machinery will also be shown. In the plowing tests, the field will be divided into plots ranging in size from one to seven acres, and tractors pulling from one to seven plows will operate in plots of the same number of acres. Tests with binders can not be successfully made at this time as there is no wheat ready for cutting, but it is expected that the ability of the various tractors to pull binders will be demonstrated by the various manufacturers.

This is the first tractor demonstration to be held in Texas and one of the first to be held in the Southwest, and much interest attaches to it for that reason. It is believed that progressive farmers from all parts of Northwest Texas and Southwest Oklahoma will attend, as there are few farmers at present who have not been giving some attention to the tractor problem.

SUSSEX TORPEDOED BY GERMAN SUBMARINE U-18

Washington, May 20.—Information received by the state department from entente allies sources and made known for the first time today is that the German submarine U-18, commanded by Lieut. Otto Steinbrink, was the submersible which torpedoed and damaged the channel liner Sussex and brought the crisis between the United States and Germany to a climax. News dispatches from Paris soon after the Sussex was torpedoed, said the submarine commander had been decorated by Emperor William.

NEGRO GRADUATION EXERCISES BEGIN TO EARN THEIR WAY

Will Hear Sermon Today and Receive Their Diplomas Next Friday Night.

This afternoon at 3 o'clock Roy N. Williams will preach the inaugural sermon for the graduates of the Washington School, the negro public school of this city. There are six graduates, Blanche Oliver Spencer, George Andrew Floyd, Brutus Holmes, Homer Lindsey, Ranold Anson Jackson and James H. L. Conwright.

The graduating class under the leadership of C. C. Trimble, principal of the school, has arranged a series of four special programs to make up the commencement exercises, the field day exercises having been held Saturday in connection with the annual picnic. The graduation program proper will be carried out Friday evening, May 26, at the St. John's Baptist Church and Saturday evening, May 27, the alumni of the Washington School will hold a meeting.

The graduates have issued neat booklets as invitations to the exercises, the eight-page folder containing the class roll, the class flowers, yellow Kilmarey, class colors, purple and gold and the class motto, "Lifting As We Climb."

The graduates will all take part in the Friday evening program, which will consist of recitations, music and drills. The commencement address will be delivered by Prof. A. M. Moore, principal of the city schools of Gainesville.

ANOTHER GOOD RAIN RECORDED SATURDAY

Comes at a Time When It Will Be of Much Benefit to Wheat Crop

The rainfall Saturday totaled .15 of an inch. The rain began falling at daybreak and continued until about 6 o'clock when the sky cleared. About 3 o'clock in the afternoon a hard rain began to fall, continuing more than an hour.

The chief train dispatchers of the Katy and Fort Worth & Denver railroads reported no rain on their lines. The rain is expected to be of much benefit to wheat and it is believed the prospects have been materially improved. Rain is especially beneficial at this stage, while wheat is in the heading-out process. Wheat in this section had not been looking very promising but the rains of the past week are believed to have helped it materially.

COMMENCEMENT EXERCISES AT VERNON FRIDAY NIGHT

Special to The Times. Vernon, Tex., May 20.—Dr. L. D. Anderson, pastor of the first Christian Church, Fort Worth, Texas, delivered the commencement address last night to twenty-nine graduates of the Vernon high school. This school is one of the most successful in the history of the Vernon school. Records show an enrollment of between eleven and twelve hundred of scholastic age.

LOCAL GIRLS TO WALK TO FRISCO

WILL START NEXT THURSDAY ON LONG HIKE TO PACIFIC COAST CITY

LOCAL GIRLS TO WALK TO FRISCO

Without baggage or funds, two young women of this city will start next Thursday to walk from this city to San Francisco, Cal. They are Misses Adair Kincaid and Katherine Greenwood and they are going on this ambitious hike largely for the fun of the thing. Both have had some theatrical experience and at the towns en route they will appear at theatres where Miss Kincaid will sing and dance and Miss Greenwood will perform on the piano.

The young women will carry no baggage and will take no money. They expect to earn their necessary expenses on the way by their performances at theatres. They will wear short khaki skirts and they positively declare that they will walk cross-foot of the way, all mechanical means of locomotion such as trains, automobiles and the like being strictly bagged.

Despite the long journey which they have ahead, Misses Kincaid and Greenwood are confident they will succeed. They plan to leave next Thursday.

TEXAS NOW FOURTH IN OIL PRODUCTION

Figures for 1916—Show California Leads—United States Leads All Other Countries.

New York, May 20.—The world-wide demand for petroleum and its products is set forth in a compilation of production issued today by the foreign trade department of the National City Bank, which reviews the history of that industry from its earliest date to the present time. According to this compilation, the United States produced in 1915 66.3 per cent of the world's output of crude petroleum, against 64 per cent in 1910; 42 per cent in 1900; 60 per cent in 1890, and 88 per cent in 1888.

The world's production in 1915 is given as 440,000,000 barrels of forty-two gallons each, against 328,000,000 in 1910, 149,000,000 in 1900, 77,000,000 in 1890, 30,000,000 in 1880, 6,000,000 in 1870 and about 500,000 in 1850.

Of this world production, that of the United States in 1915 amounted to 292,000,000 barrels, an increase of 82,000,000 over 1910 and an increase of 128,000,000 over 1900.

As far back as 1860 this country produced virtually the entire petroleum output of the world. The world's original mineral oil producers and their output in 1814 were: United States, with a product of 226,000,000 barrels; Russia, 65,000,000; Mexico, 21,000,000; Romania, 12,000,000; Dutch East Indies, 12,000,000; India, 8,000,000.

The principal production of the United States in 1914 was: California, 150,000,000 barrels; Oklahoma, 74,000,000; Illinois, 22,000,000; Texas, 20,000,000; Louisiana, 16,000,000; West Virginia, 10,000,000; Ohio, 3,000,000; Pennsylvania, 2,000,000, the figures being in round terms.

The United States, despite the fact that she is by far the world's largest producer of petroleum, is becoming of late a considerable importer, the quantity of crude petroleum imported in 1914 being about 125,000,000 barrels, and in the fiscal year which ends with

START WORK ON BIG MEMORIAL

ENTIRE MOUNTAIN NEAR ATLANTA TO BE MADE CONFEDERATE MONUMENT

WILL HONOR HEROES

Equestrian Figures of South's Leaders Are to Be Carved From Great Stone Hill

By Associated Press. Atlanta, Ga., May 20.—The work of presenting to the South a memorial of the war between the states, unique in design and scope, formally was begun today at Stone Mountain near here. The mountain is a solid block of stone and on one of its most precipitous peaks will be carved figures nearly 40 feet in height of the South's heroes, and deeds depicting the great war. At the base of the mountain will be carved an assembly hall.

Some years ago the United Daughters of the Confederacy conceived the idea of such a monument and enlisted the aid of P. E. Barber, who owns the mountain, and the ceremony today was the presentation to the Daughters of the Confederacy by Mr. Barber, of a deed to that part of the mountain on which the huge figures will be carved. While virtually all the monument will be cut out of solid rock it will be necessary to cut out corrie posts. It was the laying of the first block on one of these posts that occasioned the celebration today.

Jackson, Forrest, Johnson, Gordon, Davis and other heroes of the Confederacy. These figures will stand about 37 feet high according to Gutzon Borglum, the sculptor, who will have charge of the work. The group will extend 2,000 feet around the face of the mountain and 400 feet above the surrounding country. The great hall cut in the base of the mountain will be 150 feet long and 50 feet deep. It will have thirteen columns cut from solid rock representing the thirteen Confederate states. In it will be stored archives and records of the war. It will require about eight years to complete the work, according to the sculptor.

ACADEMY BOYS TO GIVE PLAY FRIDAY, MAY 26.

Friday evening May 26, the boys of the Academy of Mary Immaculate will present "The Bell in the Forest" an entertaining play at the hall on Ninth Street. The program in addition to "The Bell in the Forest" will include several numbers of much interest and an evening of entertainment is promised.

SOUTHBOUND DENVER HITS AUTOMOBILE NEAR CLAUDE

 San Antonio, May 20.—Bierfeldt badly handled Hille's pop fly in the second and three Wacoans scored, the visitors winning the game. Score: Waco 3, San Antonio 2. Batteries: Hille and Reilly; Ogle, Townsend and Burch.

AMERICAN LEAGUE

Red Sox Win
 Boston, May 20.—Boston won a 3 to 1 victory from St. Louis today. Score: Boston 3, St. Louis 1. Batteries: Davenport, Park, McCabe and Hartley; Ruth, Mays and Thomas, Agnew.

Washington Wins Easily
 Washington, May 20.—Cleveland won 13 to 3 by Washington. Klepper was batted out of the box in the seventh. Score: Washington 13, Cleveland 3. Batteries: Klepper, Coumbe and O'Neal; Gallia and Henry.

Yankees Win Close Game
 New York, May 20.—New York won a close game from Detroit today. Score: New York 2, Detroit 1. Batteries: Cunningham, Boland and Stanage; Love, Fisher and Walters.

Athletics Washwashed
 Philadelphia, May 20.—Chicago drove Crowell off the rubber in three innings today and defeated Philadelphia. Score: Chicago 11, Philadelphia 0. Batteries: Benz and Schalk; Crowell, Sheehan and Meyer.

THIRTEEN PRISONERS MAKE ESCAPE AT GALVESTON

By Associated Press. Galveston, Tex., May 20.—Deputy sheriffs and police are searching today for eight of the thirteen prisoners who escaped from the county jail last night. The men escaped shortly after 7 o'clock and the guards knew nothing of the delivery until one of the men rang the bell at the front of the jail and informed them of the occurrence. Four others had been captured by 2 o'clock this morning. This was the fifty jail delivery in this county since June, 1914. The men got out by cutting bars which had been softened by heating.

Wichita, Falls, Texas, May 20

A Kansas man has invented a chick on brooder that clicks.

A North Dakota man suggests that a fleet of airships be organized to bombard the belligerent countries in Europe with peace messages.

The 1916 Coyote, the Wichita Falls High School annual, will be delivered from the Times job rooms this week.

Colonel Roosevelt in his speech at Detroit Friday said the administration has taken no step for preparedness and has done nothing efficient to sustain our national honor.

Bills are now before congress for a still larger increase in the regular army, for its reorganization on a more efficient basis, and for a large appropriation for naval vessels, an appropriation much larger than ever made during any administration.

A RESOUNDING PHRASE

In black-faced type surrounded by a border at the top of the middle column on the front page of the Commoner, W. J. Bryan's monthly, appears this:

"Millions of men for defense against any nation that ever attacks us, but not one American boy to march under the banner of a foreign monarch, or sacrifice his life in the settlement of European disputes."

There are a good many Americans fighting in the German, Austrian, French and English armies already, but their Mr. Bryan's sentence is a resounding one and will go well on the campaign circuits.

Following as it did his sorry part in the local option campaign in Bell county Governor Ferguson's timely rebuke to former Governor Colquitt at the Buffalo Club dinner at Dallas and his defense of the administration which his course in Bell county merited.

It is truly wonderful with what unanimity some so-called prohibition newspapers can pick out and support every candidate for state office that the liquor forces support. For instance

they can not get their consent to oppose Ferguson for governor, can not consent to support Looney for attorney general, can not support Campbell or Brooks for the senate, can not support Walker for supreme judge or Judge Harper for criminal appeals court.

As a general rule it is a safe practice to vote for some other candidate when it is seen that he has the support naturally prejudices prohibitionists against the candidate and even if a candidate asserts that he is a prohibitionist, yet it is seen that he has the support of the anti, the sincerity of his prohibition views may properly be questioned.

There are others who are prohibitionists for profit or for political advantage and who make of the issue a stalking horse behind which they work for their own selfish interests. The professional political prohibitionist has discredited the issue to some extent in the minds of many good people and it is a good plan to weigh carefully the claims of any candidate who appeals for support on the grounds that he is a prohibitionist.

GENERAL SCOTT, PACIFICATOR

From his report to Secretary of War Baker it would seem that General Scott has again accomplished the impossible and brought peace and cordial understanding out of the border chaos which was rapidly heading both countries to a state of war.

These are that 10,000 picked Mexican troops under General Trevino occupy and patrol the Panhandle territory to the south of General Pershing, thereby preventing an attack on the United States forces by Villistas in any number; that the Big Bend of the Rio Grande be effectively patrolled by Mexican soldiers in force to prevent further raids; and that no Mexican forces operate in the rear of General Pershing's column.

Whether Carranza and Obregon will be able to carry out their plans remains to be seen. They face a huge task, but the good wishes of the American people are with them.—Houston Post.

SAYS NATIONALISM NOW OUT OF PLACE

Speaker at Arbitration Conference Declares it Has No Place in Democracy

By Associated Press. Mohonk Lake, N. Y., May 20.—Nationalism is an anachronism, declared Dr. Edward H. Kheel, professor of history at Island Stanford Junior University, in an address before the members of the Lake Mohonk Conference on International Arbitration.

"The foundations of Nationalism," he continued, "are crumbling. The democratization of government in the nineteenth century is the first transformation. The equality of man is not a national principle; it is planetary and militates against the artificial groupings of equal men for mutual exploitation. Furthermore, democracy has given the people a chance to participate in determining what shall constitute the national interest."

"The second is altered relation of self interest and nationalism because of extra national commercialism. National business operates within the nation and accepts national jurisdiction and responsibility, along with national protection. Extra national commercialism does not; it profits by using the nation. Capital seeks foreign investment because this field great profits, not ordinarily because of economic necessity. It finds that it can earn larger percentages abroad where it is free from the legal control and the burdensome labor restrictions, high wages and taxes of the home land. The profits of success go to the entrepreneur; the costs of making it successful go to

CANDIDATE MORRIS COMING HERE SOON

Charles H. Morris of Winnsboro, candidate for the gubernatorial nomination will speak in Wichita Falls Friday night, June 2, according to an announcement by Sterling P. Strong.

Two negroes were arrested shortly after 11:30 Saturday night as a result of a free for all fight in the negro section. The men were pretty badly cut up. They were treated by Dr. Mark H. Moore.

MORE TRUCK TRAINS TO SUPPLY TROOPS

Border Forces to Use This Means Where Rail Transportation is Difficult

By Associated Press. Columbus, N. M., May 20.—Military patrols projecting the frontier from the Gulf of Mexico to the Pacific Ocean are to be supplied where rail transportation is difficult by means of motor truck trains. Similar to those used by the expeditionary forces in Mexico, two quartermaster captains who have been commanding truck trains left today, one for San Antonio and the other for Mariposa to arrange transportation facilities along the border.

Bids have been asked on 102 new trucks to be placed in immediate service. Reports from the Mexican field were characterized as routine. It was learned, however, that the redistribution of the American troops in Mexico, in accord with the new plans, has not yet been completed.

RAILROAD OFFICIAL SUICIDES ON TRAIN

T. S. Mahoney, former Superintendent of Texas & Pacific Division, Ends Life.

By Associated Press. Texarkana, May 20.—T. S. Mahoney, former superintendent of the Fort Worth division of the Texas & Pacific Railway, was found unconscious in his berth on a Texas & Pacific train when it arrived here this morning. Blood was flowing from a wound in his temple, and a small caliber revolver was by his side. He was taken to a hospital where a bullet was extracted, but he died at 10:45 o'clock. The remains will be sent to Houston. No motive is known.

RESIGNED SUPERINTENDENCY ONLY SHORT TIME AGO

By Associated Press. Fort Worth, Tex., May 20.—Conductor Mahoney was superintendent of the Texas & Pacific and Missouri, Kansas & Texas joint track between Fort Worth and Sherman and superintendent of the entire Texas & Pacific trans-continental division until May 1 when he resigned. He was succeeded here by former Assistant General Superintendent Andrews of Dallas. Mahoney began his railroad career here many years ago.

DOUBLE TRAGEDY IN HOUSTON HOTEL

Woman Killed With Blunt Instrument—Man Takes Poison Beside Her Bed.

By Associated Press. Houston, Texas, May 20.—Early risers in a local rooming house found the dead bodies of Mrs. J. Farrell and Henry Bell, a roomer. Mrs. Farrell had apparently been attacked while asleep, her head having been battered with a blunt instrument and her throat cut. Her baby, its night dress saturated with blood, lay sleeping in her arms. Bell was beside the bed. He had taken poison. Bell's father, a guard at the Huntsville penitentiary, came to Houston this morning in response to a telephone message from his son last night, in which the son said, "You will be needed here tomorrow," but refusing to give the reason. On reaching police headquarters he was informed of his son's death.

MOTION PICTURE OF GREAT ELECTRICAL GENIUS COMING

A special feature of the Thursday program at the Majestic will be "The Voice of the Violin," a two part motion picture, showing Thos. A. Edison, the wizard of the world, in his laboratory in Orange, New Jersey.

Edison's New Re-Created Music With the New Edison Diamond Disc Phonograph

The Edison has no tone of its own. It re-creates music just as it receives the same music. Every fine tone, all of the attributes of the artist. Not the mere mechanical reproduction of "Talking Machines". But the living re-creation through the science of chemistry. Let us talk plainly. Few persons understand that Mr. Edison has given the world an invention which is as new as was the first electric light. The greatest trouble we have is to get people to understand that he has actually re-created music. That he has discarded the mechanical "talking machine" for the Edison Diamond Disc, with its finely rounded diamond and unbreakable records. Don't accept our opinion but let us compare it, then decide yourself.

A demonstration will cost you nothing at

A number of drunks and vagabonds of Police Judge Whitlaw Saturday morning and drew the usual fine of \$5 each. The day was unusually quiet in police circles, but five were picked up shortly after 2 o'clock when three drunks and one pugilist applicant were rounded up in the flats and placed in the cooler.

"THE GAMBLER" AT THE GEM THEATRE MONDAY

Fred Church, Myrtle Gonzales and Val Paul are starred in "The Gambler" the feature picture at the Gem Monday. A synopsis follows:
 At twenty-five Vance Thomas is a confirmed gambler and the exact antithesis of his best friend, Myrtle Houston, who is a steady, gelid, business man. Both men were rivals for the hand of Roberta Daly and she appeared to be an even break. The two urged the girl to make a definite decision, but she was unable to choose between them. She took every occasion to compare the two, and in the end favored the gambler. While she believed Walter would make an ideal husband, she fears that they would soon tire of each other. She asked his regular habits. Vance is the jumpy man and he and Myrtle start out what their friends will be domestic happiness. Few gamblers reform by marrying. However, Vance graduated from one vice to another to a higher class of vice. Vance had what he considered a brilliant idea and gambles on a bluffing game. The result is that he grows on his father. The stock goes downward and Vance goes bankrupt. That night he disappears and the river bank they had a note and the clothes he had worn. This was a bluff, however, for after changing his clothes he had slipped away and gone West. The years rolled by. Vance's supposed death had been almost forgotten. Roberta had begun to depend on Walter more and more, when the years slipped by, leaving him a millionaire. This is fully brought to her notice one day when she sees Walter after he has become a millionaire. She finally consents to his pleadings and plans a happy wedding. Vance Thomas had done better in

left of the gambler is a few ripples which gradually fade away. S. V. Ferguson came up from Austin Thursday to arrange to move back to Wichita Falls. The Ferguson family have been living at Austin since the last fall. Markham being a student cheated of his prey and all that is in the University of Texas.

Personals

Rev. F. T. Datson has returned from Dallas where he attended the annual convention of the Episcopal churches in Houston. Mr. Datson also visited Mrs. E. T. Townsend of Comanche, Tex., who has been visiting Mrs. J. M. Sammons, left the latter part of the week for Idaho where she will spend the summer.

Prof. E. Katz was called to Vernon last night to play at a dance.

A. A. Adams, who has been connected with the Cameron Lumber Co. for some time here, will leave this week for Waco, his former home, to accept a position with the same company there.

Mr. and Mrs. V. C. Byers of Denver, arrived Saturday afternoon by automobile en route to Oklahoma City where they will visit relatives. While in Wichita Falls they will be guests of their nephew, Jay W. McCammon Jr.

Mrs. Frank Lindsay and son, Shirley, who have been visiting Mr. and Mrs. D. A. Wilcoxson this week, returned Saturday to their home in Stamford.

John Jones of Greenville, stopped over in Wichita Falls Saturday and Sunday on his way home from Mineral Wells.

Chester Morgan of the First National Bank left Saturday for a visit with relatives at Altus, Okla.

E. B. Carver, who is making his business headquarters at Fort Worth, is here for a few days with his family. Miss Marian Crabtree will leave today for a visit with relatives at Fort Worth.

Frank Baker, general storekeeper for the Fort Worth and Denver is the guest of J. V. T. Christensen, city where they will visit relatives.

D. B. Koeler, vice president of the Fort Worth & Denver, was a visitor here Friday night.

J. G. Kilgore returned from Fort Worth Saturday, where he has been on business for the Wichita Valley Refining Company.

Dr. A. D. Peltio who is doing special work in Dallas, came in Friday night to remain over Sunday with his family.

Judge P. A. Martin took his wife to La Grange, Texas yesterday afternoon for the benefit of her health and to visit her daughter, Mrs. C. F. Hoch. He will return Monday leaving there.

B. A. Morris, district passenger and freight agent of the Missouri Pacific, was here on business Friday from Fort Worth, Okla.

C. L. Fontaine, general freight and passenger agent of the Wichita Falls & Northwestern, left Saturday for a business trip to Lone Wolf, Okla.

Roy Collier of the Collier & Richardson Tailoring Co., returned Friday afternoon from Dallas, where he attended the Episcopalian convention. Mr. Collier says that the only incident which occurred to mar the trip was the loss of his hat, which blew out of the train window on the way to Dallas.

D. G. Black of St. Louis, general agent of the Great Northern, visited in local railroad circles Saturday.

A. J. Patton of Fort Worth, traveling freight and passenger agent of the Houston & Texas Central, was here Friday on business.

R. B. Huff and P. B. Cox will leave today for San Antonio for the Democratic state convention.

SWITZERLAND NOT TO BROOK INVASION

Prepared to Resist Strongly if Any Effort is Made to Cross Her Territory

By Associated Press. Paris, May 20.—Switzerland is prepared to resist, with all the forces at her command on her territory by troops of the belligerents. According to an interview with President Camille De Coppin, sent to the Journal by its Bern correspondent, the president was asked specifically what would be Switzerland's action if troops of one of the warring powers should be sent across the Torontouy salient. He replied: "The federal council would never tolerate such a proceeding and in accordance with the plans of General Ulrich Wille, the commander in chief of our army, would order the mobilization of all our forces which would be sent immediately into action. "The Swiss army is in splendid condition. It has reached a perfection of training which has been hitherto unknown and has just received a complete equipment of new heavy artillery manufactured in France and Germany by order of the Swiss government."

71 NOW ENROLLED IN MILITIA HERE

Held Meeting Saturday Night and Put Through Drill. Prospects Encouraging

Seventy-one young Wichitans who have enrolled in the recently organized local militia company Saturday night were told of the need of an adequate National Guard in Texas by Attorney G. A. Smoot, at a meeting in the Fligo hall, Tenth street near Indian avenue. Mr. Smoot commended the patriotic spirit which prompted the young men to enlist in the organization and explained the military discipline and social routine of the National Guard. He urged each "rookie" to devote a few minutes each day to obtaining additional recruits, to the end that the local branch of the Texas National Guard be not less than 150 strong when Adjutant General Hutchings orders the organization mustered in. Rapid progress is being made in maneuvering. F. P. Davis, former United States soldier, assisted by Lester Luecke, put the boys through a series of drills Saturday night. Mr. Davis was much pleased with the aptitude shown by the various drill squads. Another meeting will be held next Thursday night at which time the recruits will be instructed in the manual of arms. As soon as the militia is mustered

uniforms and other equipment will be ordered and non-commissioned officers will be appointed. It also is planned to hold drill practice several nights each week on downtown streets. Following are the officers of the organization: H. A. Baker, captain; G. C. Hollington, first lieutenant; T. W. Noe, second lieutenant; A. Beggs, secretary. VERNON Y. M. B. L. SHOWS MEMBERSHIP INCREASE (Vernon Record) The Young Men's Business League increased its membership to 193 during the past month, according to the reports of Secretary Parnell to the regular monthly meeting last Tuesday night. Collections for the month exceeded \$200. The principal topics discussed Tuesday night were the value of an extension of the Frisco to Crowell and points southward, street paving and sidewalk extension, the value of a wagon bridge across Red River connecting Wilbarger county with Oklahoma and the possibility of the dairy industry. The attendance at the meeting was not large, owing to other attractions but the interest was good and the discussions of the plans were lively. Steps were taken to launch a movement to ascertain the wishes of the people with reference to an issue of bonds for the building and improving of the county roads. Arthur Werner of Dallas, was a visitor in the city Saturday.

THE COMING WEEK SOCIAL CALENDAR

Monday, May 22—The meeting of the various church societies as announced elsewhere in these columns. The Rockhills will meet in regular session; all members urged to attend. Tuesday, May 23—The voice of the Epworth League of the First Baptist Church will be presented in concert recital at the Westland hotel at 8:30. The Wesleyan Girls will meet at 8:00. The Rhoas, Howard, The Bridge Luncheon Club will play with Mrs. Claude Woods. Wednesday, May 24—Mrs. Ross Corlett will entertain the New Idea Club. Mrs. J. W. Snow will be hostess to the Merry Matrons. The Mid West Bridge Club will be entertained by Miss Agnes Reid. Mrs. J. F. Riggs will be hostess to the Katre Neils Club. Thursday, May 25—Thursday Forty-two Club will meet with Mr. and Mrs. T. T. T. Reese. Mrs. Clara Barry will be hostess to the Sewing Circle. Friday, May 26—Chas. Day exercises at the high school. Mrs. W. B. Larkin will be hostess to the Friday Bridge Club. The Macesakes will meet in regular session; all members are urged to be in attendance and a social hour will follow the business session. The Congenial Crochet Club will meet with Mrs. J. B. Dollard.

MISS COOK TO GIVE CONCERT THURSDAY EVENING

On Thursday evening, May 25 at 8:15, Miss Katherine Cook will appear in voice recital at the First Baptist Church, Tenth and Austin. Miss Cook will leave shortly for the east to spend the summer with engagements. This will be her only public concert here this summer. An invitation is extended to the music loving public and friends to attend. Miss Cook's program for Thursday includes Schubert's "Ave Maria" by special request of friends and will be set out as follows: (a) An Open Secret, (R. Huntington Woodman), (b) The Sandman's Coming, (H. Heine), (c) The Song of the Lark, (Browning), (d) Chant Hindon, (Berg), (e) Hark! Hark! the Lark, (Schubert), accompanied by Miss Stonecipher who will play a special arrangement by Liszt.

MEETING OF BRIDGE CLUB FRIDAY AFTERNOON

The two table Friday Bridge Club played this week at the home of Mrs. J. C. Straus, her sister, Mrs. W. C. Steger of Tulsa being hostess. There were present as guests Mrs. Sam Mitchell of Dallas and Mrs. Harry Weeks, substituting for Misses Harvey and Shepherd. The high score prize, a handsome fan, went to Mrs. W. B. Larkin and the conclusion of the game was marked by the service of a dainty salad, accompanied by sandwiches, olives and other refreshments with a dessert of strawberries. The members present were: Mesdames O. F. Marchman, Wado Walker, W. B. Larkin, Morris Marcus and Abe Marcus.

M. E. CIRCLE NO. 3 MEETS MONDAY

The meeting of Circle No. 3 of the Mission Society of the M. E. Church South held Monday afternoon at the home of Mrs. T. S. Freeman was most successful, from both the standpoint of attendance and interest. A rehearsal will be offered as the members' response to roll call and the circle planned among other business an organ recital to be given in June. The program, which was carried out, follows: Devotional, Mrs. C. B. Montgomery, instrumental selection, Miss Weasie Moore, reading, Sally Ann's Experience, Miss Lois Martin, vocal selection, Miss Weasie Moore, reading, "The Fettered Spirit," Mrs. E. M. Harris, Delicious ice cream and cake was served by Mrs. Freeman.

WITH THE WOMEN OF THE CHURCHES

The Missionary Society of the First Presbyterian Church will meet at the church Monday afternoon in regular session. Division No. 6 with Mrs. Charles Parker as leader will conduct the missionary lesson of Baptist Women's Alliance meeting Monday afternoon at the First Baptist Church. The subject is "My Money and Missions." The Ladies Guild of the First Christian Church will meet in business session at 4 o'clock Monday afternoon at the church. The Young Woman's Alliance of the First Baptist Church will meet with Miss Blanche Lawler Monday afternoon.

BIRTHDAY SURPRISE FOR T. W. ZEIGLER SATURDAY

Saturday at 1 o'clock Mrs. T. W. Zeigler entertained with a surprise luncheon for the birthday of her husband at their home, 1202 Travis. The luncheon table was attractive with a centerpiece of roses and ferns and a tempting repast was served. The guests included the honoree, T. W. Zeigler, his mother, Mrs. S. B. Zeigler of Waco, Miss Ivy Little, Herbert Zeigler, Mr. and Mrs. K. E. Bauch Jr., and Leroy Zeigler.

MRS. GUS BYMAN HOSTESS TO CROCHET CLUB FRIDAY

The Congenial Crochet Club was entertained in pleasant session Friday afternoon at the home of Mrs. Gus Byman. Crocheting and chat formed the order of entertainment and the hostess served tempting sandwiches, pickles and coffee, with a dessert of strawberries with whipped cream and cake. Little Miss Marie Dollard was a guest. The club members present being: Mesdames Andree, Snyder, Duke and Dollard.

ENDEAVOR SOCIAL AT HOME FRIDAY

The hospitable home of Mr. and Mrs. J. W. Pond was thrown open to the Christian Endeavorers of the Christian Church Friday night and the indoor social, which took the place of a planned chicken fry at Lake Wichita, was no less a success. The Endeavorers on a get-together to lament the bad weather which postponed the picnic. Games under the leadership of S. J. Sproules were enjoyed, then music by a six piece orchestra was enjoyed. Refreshments of ice cream with fresh strawberries and

CLASS DAY PROGRAM

Next Friday Will Be Observed in Time Honored Manner - Closing Exercises May 29

Some several of the 25 members of the senior class of 1916 are on the anxious seat and will remain there until perhaps the middle of next week...

There are others who may have to take examinations over so that an authentic list of the graduates will not be given out until next Tuesday or Wednesday...

In the meantime preparations to the graduating exercises go forward and plans are practically completed for all of the events...

Saturday, May 27, a recital of some of the more advanced pupils of the dramatic expression department...

Sunday, May 28, Rev. R. C. Miller of the First Baptist Church will preach the commencement sermon...

Monday night the commencement program will conclude with the Commencement exercises proper at the Wichita Theater...

Monday night the commencement program will conclude with the Commencement exercises proper at the Wichita Theater...

VOTE TUESDAY ON TWO BOND ISSUES

\$65,000 FOR SCHOOLS AND \$40,000 PAVING WILL BE SUBMITTED

NO OPPOSITION SEEN

Will Not Result in Increase in Tax Rate—Plans For Use of Proceeds Made

Taxpayers of Wichita Falls will vote Tuesday upon a total of \$105,000 in bonds, \$40,000 being for paving and \$65,000 for new school building. The paving election was ordered by the city council and the school bond election by the school trustees. The proceeds of the paving bond issue will be used for the city's share of the expense of paving Eighth street,

lower Ohio avenue, Brook avenue, Barnett street and other thoroughfares upon which paving is contemplated. It is hoped by means of this bond issue to continue the paving work without interruption, until practically all important thoroughfares have been paved. The school bond proceeds will be used for a new school on the Travis street site, a new school in the southeastern part of the city and an addition to the school, with possibly an additional building to be erected in North Wichita. The schools are badly in need of additional room. The paving bonds will not result in any increase in the tax rate on account of the city having sold off some of its old bonds several months ago. No opposition to either of the bond issues has been expressed, and the expectation is that both will be voted by the usual substantial majorities. Only property owners who have paid their poll taxes are eligible to vote.

SIGN CONTRACT FOR COURT HOUSE

CHANGES IN PLANS REDUCE THE AMOUNT TO \$184,150 ON MAIN CONTRACT

OFFICERS MOVE OUT

Are Occupying Temporary Structure—Old Building is to Be Demolished Shortly

Work will start on Wichita county's new court house about June 10, from present indications. It will probably be that late before the site is cleared. Work of demolishing the old building will begin as soon as it can be vacated. County officials yesterday started moving their equipment to the unlovely frame structure which will serve as temporary quarters, and this task will be completed early this week. The contract for the building proper has been signed. It calls for completion of the building within one year from the date work is started, the contract price being \$184,150. This is a reduction of \$16,100 from the bid of the Lathrop Construction Company, the reduction being secured by making changes in the plans. Before the end of this week the work of tearing down the old building will probably be well under way and by early in June, the historic structure will be only a memory. With the signing of the main contract for \$184,150 the total cost of the building will probably not exceed \$210,000 as the plumbing, wiring and heating equipment together will not be likely to exceed \$25,000. This will leave the county a margin of \$2,000 for furnishing the temporary building, and other expenses incident to the creation of the new structure. The temporary building is a large frame structure, finished outside with black water proofing paper, and one story in height. It will provide fairly commodious quarters for all the county officials.

BIG HAUL OF BOOZE IS MADE BY RANDLETT OFFICER
(Randlett Professor)
Last Saturday evening about eight o'clock two neighborhood automobiles pulled up in front of the local city hospital; likewise did Sheriff L. O. Watson, who has a habit of enforcing all laws. Growing a bit suspicious, Watson inquired as to the contents of a number of sacks in one of the cars. A search was made and the car was found to be a little rolling saloon, there being 122 units of beer therein. Driver of car No. 2 was in the act of leaving town when Watson commanded him to halt. He failed in this car was found five quarts of the soft, seductive smack that soothes. The three men were arrested and taken to Walter where Judge Norman fined them a round hundred dollars each. The fines were paid, the booze confiscated and three sadler but wiser transporters were allowed to proceed toward their homes which they gave as Anadarko.

Tractor Sensation

The Wallis Cub Tractor will be shown in actual operation, with both gas and oil burners at the Tractor Exhibit at Wichita Falls.

May 25, 26 and 27

The Wallis Cub will be shown as ready for sale for immediate delivery. The Tractor without a dissatisfied owner.

Telephone 1821 for further information.

Art Will Offer Another Sensational Diamond Event For Monday

IF YOU ARE WISE YOU WILL GET IN ON IT

Diamonds worth up to \$90 will be sold for \$37.50

The list will include almost every article in diamond jewelry, that you could want—Diamond Rings, Diamond Studs, Diamond Brooches, Diamond Ear Serews, Diamond Lanyards, Diamond Pendants, and a few stones that are not yet mounted, but which we will mount into any style that you wish.

Most of these diamonds, especially the loose stones, were recently taken out of our pawn department, and are worth many times what we shall ask for them. Many people think a pawn broker is cold hearted because he does not make larger loans on diamonds. But it is purely a business proposition, and even the banks do not loan a man more money than he asks for. But any way, when we take a stone in on a small loan, we turn it right away to some one else, and the other fellow gets all the profit. It's YOURS IN THIS INSTANCE IF YOU COME MONDAY.

Many Gifts For Graduates

out from our schools to begin life in earnest. Gifts such as Bracelets, Watches, Cameo Rings, Diamond Rings, Boys Watches, Diamond Studs, Scarf Pins, Tie Clasps, Cuff Buttons, Vanity Cases, Mesh Bags, and many others.

ART LOAN & JEWELRY CO.

Jewelers and Diamond Merchants
705 Ohio Ave.

The Heavy Car Has Seen Its Day

Time was when men believed it the proper thing to drive a big, heavy, massive car. They believed that it improved their standing in the community. They liked to know that people were saying, "There goes Mr. So-and-So in his big X—car."

But listen to the remarks as the same man goes by in his big car today. "Gee, that car must cost a heap to keep runnin"—or "I'd like to have what it costs him for tires" or "I wouldn't buy a car of that weight if I had a million dollars."

This is public opinion based upon experience. The old order changes and gives way to the new. The heavy car had its day before buyers had gained experience. These were the days when cars were sold by salesmen, not bought by purchasers.

Today men think for themselves. They buy because of what they know and not because of what the salesman tells them.

Dealers who sell heavy cars will tell you that they hold the road better. Yet the fastest racing car in America last year weighed just 2,200 pounds! The same dealers will tell you that the heavy car rides easier. But ask the average man today what is the easiest-riding car in America, and nine times out of ten he will answer—The Franklin!

The Franklin idea for fourteen years has been—"Light Weight." That it was always right is proven by the fact that every manufacturer is telling you how many pounds his car has been reduced.

FRANKLIN SALES CO.

Dealer for Franklin Cars.

Will Receive Diplomas June 8 at Wichita Theatre—Programs Are Being Prepared

Eight young ladies will make up the 1916 graduating class of the Academy of Mary Immaculate whose commencement exercises will be held Thursday evening June 8 at the Wichita Theatre. The class day exercises will be held Wednesday evening May 24 at the academy auditorium and an alumni meeting will be held the afternoon of Wednesday, June 7.

The graduates are: Misses Anita Monroe, Albie Thomson, Helen Stone, Helen Hund, Ruby Edwards, Madeline Mackechney, Mary Moran and Marie McCune.

Programs are being prepared for

GIRL FALLS THREE STORIES, ONLY SLIGHTLY INJURED

(Graham Reporter)
Miss Vera Barclay, who is visiting Mr. and Mrs. Walter Adams, had a very narrow escape from serious injury and possibly death, Wednesday evening. She and a friend went to the company's plant in operation, and while there, she stepped upon the employees elevator, which was moving and was carried up to the top floor, where she intended to get off, but became excited as the platform left the floor and falling to step off, was carried up over the pulley which is within a foot of the roof and was thrown downward, falling from the top floor to the office floor, three floors. In falling she kept catching at the platforms and handrails which broke the force of the fall and this act alone probably saved her life.

The elevator is equipped with a cord and can be stopped at any floor, but the young lady did not know how to operate it. Most of the employees saw her step on the elevator at the time, as all were working in other parts of the building. She was able to get up, but seeming rather dazed, they called her home just as she had stepped from the mill, and we felt that with the exception of a few bruises and a severe shaking, she is apparently unharmed, and is suffering no inconvenience from the accident.

PASTEURIZED MILK

is highest point in pure milk. We furnish all of our customers this high grade milk in sealed, sterilized bottles that they may know that it is in perfect condition when delivered for use.

BULGARIAN BUTTERMILK

is fast becoming the popular cold drink of the day. We are making it and it may be had at any of the popular drink stands—try it and then come in and tell us what you think of it.

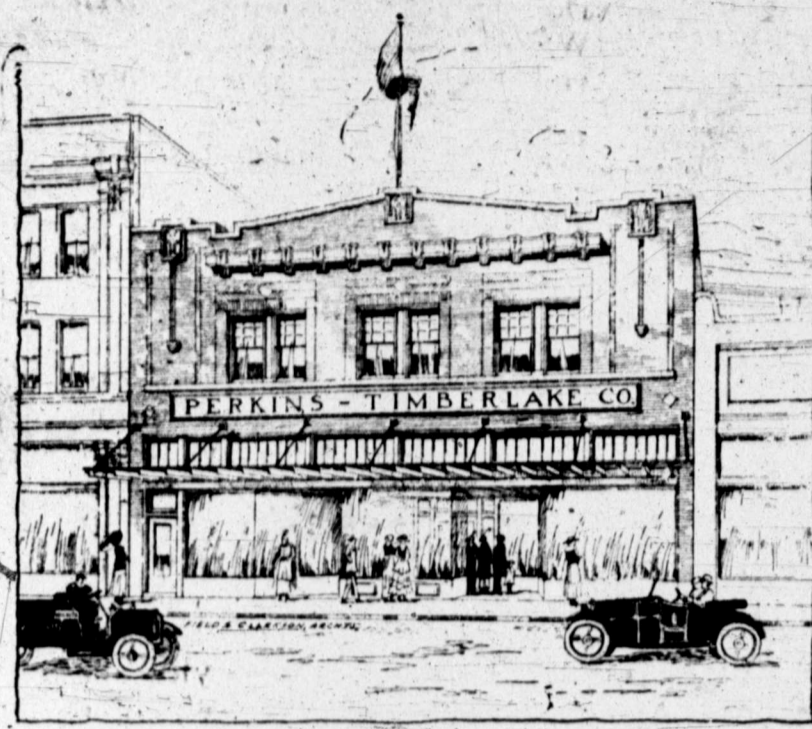

We invite the public to visit our plant and see what sanitation is in the milk and cream business. We make Ice Cream, in any flavor and in any quantity, of the one quality, The Best.

We are home people, we use home products and reasonably expect home people to be our customers. Come and see us anyway.

At The Churches

Church of Christ. Located at 1104 Bluff street. Services Sunday at 10:30 a. m. Bible school at 9:30 a. m. Classes for all ages. Preaching at 11 o'clock and at 8 p. m. Prayer meeting Wednesday evening. We welcome visitors and are careful to entertain strangers. C. A. BUCHANAN, Minister.

First Presbyterian Church. The pastor will be in his pulpit both morning and night. The theme for the morning sermon will be: "The Supreme Thing—a Vision." at 8:15 p. m., service the subject will be: "Where and What is Heaven." The choir has arranged special music for both services. We will take up our mid week service Wednesday at 8:15 p. m. The subject is: "The Parables of Jesus—the Sower." Mark 4:1-9. There were 103 people at the installation service in spite of the downpour of rain. The pastor and his people are appreciative of the courtesy shown by the pastors in dismissing prayer meeting. N. F. GRAFTON, Pastor.

Christian Church. Prayer circle at 9:15. Bible school at 9:30. The three Endeavor societies meet in their own rooms at 7. Prayer meeting Wednesday at 8. Prof. Lee Clark will speak at the morning service at 10. Everybody invited to hear—the superintendent of our city schools speak. The pastor will speak in the evening at 8. P. F. WALTERS, Pastor.

Church of the Good Shepherd. (A house of prayer for all people) Holy Communion at 7:30. Sunday school at 9:30. Morning prayer at 11. Evening service at 7:45. If you are without a church home we cordially invite you to worship with us. All seats are free. Good music, a responsive service and a vital message. FRED T. DATSON, Rector.

First Methodist Episcopal Church, South. All the usual services at the regular hours. Sunday school at 9:30. We lacked only six having five hundred last Sunday. We are anxious for a larger attendance this week. Preaching by the pastor morning and evening. The doors of the church will be opened at both services. We had nine additions last Sunday and earnestly urge all who contemplate joining our church to do so Sunday. The choir will give a musical recital Sunday evening at 8 o'clock. This will be the first of the year and our choir promises to be at its best. No pictures will be shown Sunday night. The Junior League will meet at 4:30 and the Senior League at 7:45. Prayer meeting Wednesday evening at eight o'clock. A. L. ANDREW3, Pastor.

First Baptist Church. Last Sunday was a good day with us. There were 600 in Sunday school and six additions to the church. These make 302 additions in the two years of the present pastorate. Come Sunday morning for the Sunday school at 9:30. Preaching by the pastor at 11 and also S. B. Y. P. U. at 7. Miss Emma Smith leader. Alliance Monday at 4. Prayer meeting Wednesday at 8. Walnut Street Mission at 3 Sunday. R. C. MILLER, Pastor.

Fourth Street Baptist Church. Sunday school at 8:30. Preaching by Rev. J. S. Lawrence of Stamford at 11 and S. B. Y. P. U. at 7. Prayer meeting Tuesday 8 p. m. All the members and friends are requested to hear Mr. Lawrence as the church wants to call a pastor soon. He comes to the church well recommended. Be sure and come in time for Sunday school and also the S. B. Y. P. U.

Christian Science. Services are held in the church edifice, corner Ninth and Lamar as follows: Lesson-sermon Sunday at 11 a. m. Subject: "Soul and Body." Sunday school at 9:45 a. m. Testimonies meeting Wednesday at 8 p. m. The reading room at same address is open daily except Sunday and legal holidays from 2 to 5 p. m. There has been opened in connection with the reading room a free circulating library of Christian Science literature. Library cards and full information may be obtained by applying to the librarian. The public is cordially invited to attend the services and use the reading room.

Church of the Nazarene. Sunday school at 9:45 a. m. Preaching at 11 a. m. and 8:15 p. m. and the revival is on at our church. We have secured Rev. J. M. Ellis of Hamlin, Texas to conduct the meeting and he is doing some great preaching, so you will miss a great blessing if you fail to hear this man of God. The services will continue throughout the coming week and are expecting a great time in the Lord. The public is cordially invited to attend all of these services. W. COOPER, Pastor.

First Evangelical Church. (Corner Fifteenth and Broad.) Sunday school at 9:45. H. G. Karlock, superintendent. Our aim is 120 June 4th. Rev. Wm. Dalsch, minister of Adjunct formerly presiding elder of the Texas conference will preach at 11 a. m., followed by communion service and preaching at the evening service, beginning at eight

BURKBURNETT FARMER FINDS GOOD PROFIT IN YOUNG HOGS

(Burkburnett-Star) W. J. Sides sold eleven five month old pigs in Burkburnett Saturday that weighed 150 pounds, an average of more than 140 apiece. They were bought by local buyers at \$8.85 per

hundred, amounting to \$137.15 for the bunch. These shoats were kept on wheat and oats pasture during the winter and were fed some corn. Mr. Sides, like many other farmers in the Burkburnett country, is convinced that hog raising is a very profitable business when proper pasturage is afforded.

HAY WAGON RUNS OVER LITTLE BOY, KILLING HIM

(Vernon Record) One of the saddest accidents in the history of the county occurred last Thursday afternoon on the farm of J. E. Stine, two miles south of town, when five year old Leon Bille of Wilson, Okla., grandson of Mr. Stine, met death under the wheels of a hay wagon. The little fellow, with an elder sister, went into the field to

play and were swinging on the wagon when the accident occurred. Two wheels passed over the head of little Leon, completely crushing his skull. On account of the hay projecting over the sides of the wagon the driver could not see the children and knew nothing of what was happening until some member of the family called to him to stop.

Mrs. H. Cranmer left yesterday for an extended visit in Galveston.

First Big Field Demonstration of FARM TRACTORS

Ever given in the State of Texas will be held at Wichita Falls, Texas, on Thursday, Friday, Saturday - May 25, 26, 27 Adjoining Floral Heights, west of city. Many leading Tractors will be seen at actual work

7 NEW ENLISTMENTS IN ARMY AND NAVY

Naval Recruiting Officer Secures Six and Army One, During Week Just Closed.

Seven men were enlisted in the service of the United States navy and one many joined the army during the week. P. C. Becker, navy recruiting officer, enlisted the following: Cecil Rush, Petrolia, apprentice seaman; G. C. Payne and Paul D. Measell, Amarillo, apprentice seaman; P. W. Bullock and Wylie Crawford, Wichita Falls, apprentice seaman; Robert B. Hunter, Grange, Texas, second class fireman; Calvin M. Bird, Hollis, Okla., coal passer. Corporal John McGee, army recruiting officer, enlisted John Bebiel, New York City, as a cavalryman. Lieutenant M. G. Holliday, officer in charge of the Dallas district of army recruiting stations, was here Friday to inspect the local office.

NEW VICE CHANCELLOR APPOINTED IN GERMANY

By Associated Press. Copenhagen, Denmark, May 20.—The Berliner Tageblatt states that Dr. Carl Heisrich, secretary of the imperial treasury, has been appointed to succeed Dr. Clemens Del Bruck as vice chancellor.

CURTAINMENT OF OIL PRODUCTION

LARGER COMPANIES SAID TO BE TAKING ACTION—SEVERAL REASONS ASSIGNED

FIELD IS EXTENDED

Important New Well Drilled in at Burk Burnett—Other News From Throughout Field

Curtailment of production is the order of the day in the Northwest Texas oil field, according to information from reliable sources, to the effect that one or more of the largest companies operating in this field will make no new locations in the near future and that a general reduction in operations is to be expected.

The reason for such action is a matter of speculation among local oil men. Some attribute it to the difficulty in getting casing, the supply companies in some instances having found deliveries difficult; others believe that the steady increase in production, which is now about 22,000 barrels daily in this field, has brought it to a point where pipe line facilities are inadequate; still others have expressed the opinion that the prevailing belief that peace is near in Europe is the primary reason. That at the end of the war would materially affect the export trade and result in a decline in price is a generally accepted view, and should peace come suddenly, catching the oil companies with large stocks on their hands with a falling market, the producers would be in an unpleasant position.

Whatever the motive for the curtailment, there is little doubt that it has been ordered. It is understood to affect other fields besides that of Northwest Texas.

and causing decided activity in that direction. The well was drilled in at 1200 feet and estimates of its production run as high as 250 barrels. It has resulted in two new locations on the L. Ramming and the Clara Oil Company has also made location for a new well across the line on the Will Ramming.

A good showing is reported in the well being drilled by Pink Hammond on the L. P. Ruyke farm; this well is now about 1500 feet deep and prospects are considered good. The Ruyke farm has been sold to several local parties, who paid \$26,462.25 for the 32 1/2 acres of the S. P. R. R. Survey No. 2 and the H. A. T. B. R. R. No. 7 surveys. Frank Kell, J. A. Kemp, J. J. Perkins, C. W. Snider and R. O. Harvey were the Wichitans figuring in the deal, which was for cash.

Producers No. 7 Heisermann is among the best completions of the week, being estimated at 250 barrels natural. The same company's No. 6 Heisermann was also completed, but is a very small well.

The well being drilled by Frank ("Lucky") Fox on the Markowitz Brothers' tract in the Burk Burnett field has been abandoned at 1875 with nothing more interesting than salt water encountered. This is the second dry hole to be drilled by Mr.

Fox in recent months, a wild cat venture near Abilene also resulting in failure; however, plans are said to be under way for another test on the Markowitz tract.

Other Developments. The Magnolia's test on the Ruerbaum is now about 2500 feet down and will probably go to 3,000 before being abandoned. The same company's well on the Reilly No. 8 is now 2100 feet deep, with nothing promising. The Magnolia has completed No. 8 Holcomb, fifteen barrels at 400 feet and location has been made for No. 9. Magnolia's No. 3 Fred Thom is a fair well. Wood & Dale have a 30 barrel pumper in their No. 10 Fred Thom, at 1650 feet; their No. 11 was abandoned at 500 feet, dry.

The Schulz Oil Company has a 25 barrel well at No. 8 Serrinon, 400 feet deep. G. W. Akin, receiver for John W. Dyson et al has completed No. 11 Hortoin & Walker, fifteen barrels at 400 feet and location has been made for No. 12. Clint Wood has a eight barrel well at No. 6 Ferguson, 400 feet and is moving the well to No. 8, a new location. The Elizabeth Oil Company has completed No. 30 Borchardt which is making 30 barrels from an 850 foot sand after an 80 quart shot.

In Electra District. Producers No. 126 Waggoner is a small shallow completion. The same company's No. 39 W. B. Honaker is making 25 barrels at 600 feet and No. 40 is making 30 barrels from the same sand. Numbers 41 and 42 are new locations on this tract.

The Producers struck sand in No. 65 Stringer at 1850 feet and though it was estimated to be making from 200 to 250 barrels, it was passed up for a test of the 2000 feet pay. No. 72 Stringer is a new location. Numbers 2 and 6 are being deepened.

Magnolia's No. 7 Summer is a 35 barrel well at 1850 feet. The Red River's No. 70 Bywaters is making 230 barrels from a 1200 foot sand, a splendid well at that depth and locations for 76, 77, 78 and 79 have been made. Magnolia's No. 9 Brewster is 2250 feet deep. The Five Rivers Oil Company has completed No. 9 Marriott, which is making 25 barrels from a 1800 foot sand. This well is being moved to a new location, No. 30.

Gas Strike Rumored. Reports of another gas strike by the Producers in Wilbarger county last week could not be confirmed.

The Norton well south of Iowa Park is now about 1500 feet deep. A striking was encountered at about 700 feet and location has been made with a star machine to test this, while the standard bit goes deeper.

SUPT. JOHNSON IS NOW OUT OF RACE

Will Not Seek Re-election as County Superintendent—to Enter Other Business

To the voters of Wichita County: Owing to the fact that I have accepted a position that will require all my efforts, I am withdrawing from the county superintendent's race. In doing so I wish to thank my friends for their pledges of support and to express my warm appreciation for the helpful cooperation of citizens of the county in connection with my duties as county superintendent of schools. This cooperation has enabled me to administer my office in a manner that, I believe, has resulted in great advancement to the cause of education in the county. My relations with the patrons of the schools has been so pleasant that it is with reluctance that I withdraw from the race, and I do so only because I believe that it is my duty to my family to take a position offering wider opportunities that have been offered me. Very truly yours, R. M. JOHNSON.

SACRED CONCERT TONIGHT AT M. E. CHURCH, SOUTH

A sacred concert will feature the service this evening at the First Methodist Episcopal Church, South. In addition to the sermon on the subject, Rev. A. L. Andrews. The special program, under the direction of Mrs. E. L. Fulton, musical director and Miss L. Cook, organist, will be carried out as follows: Organ Prelude "Largo" (Handel). Hymn No. 2 "Come Thou Almighty King" (Choir and congregation). "Praise the Lord, Oh Jerusalem" (Maunders)—Choir. Reading, "A Missionary Story" (Announcement). "Hear Us, Oh Father" (Gonod)—Mrs. Fulton, Mr. Murchison, Mrs. Clifford. Violin Solo, "Cradle Song" (Czefwonky)—Mr. Maddy. Tenor Solo, "Jerusalem" (Parker)—Mr. Murchison. Reading, "After Little Children to Come Unto Me" (Kate Douglas Wiggin)—Annetta Monroe. "My Song Shall Be of Mercy" (Wilkens)—Choir. Soprano Solo, "Ave Maria" (Schubert)—Violin obligato by Mr. Maddy. Miss Katherine Cook. Chorus, "Humoresque" (Dvorak)—Mr. Katz, Mr. Templeton, Miss Ella Cook. "Inflammatus" (from "Stabat Mater")—Choir. Sermon by the pastor. Hymn No. 548, "I Love to Tell the Story"—Choir and congregation. Benediction.

VOICE RECITAL PROGRAM AT WESTLAND TUESDAY

Quality First

YOU CAN ALMOST TALK TO HER
—THIS 3400 r. p. m. CHALMERS

They're buying motor cars today as they're hiring men—on ability. Blue eyes, brown hair, a rugged jaw, mean something—but not so much as they used to. They're seeking ability. And that is not always measured in stature, weight and reach. Likewise in a car. They look her over, learn her wheel-base, note the tire sizes, ask the bore and stroke of the engine and then— They make her perform. They make her hit the trail, they roll her up the steepest hill. They let her out on the straightaway, and they make her accelerate at slow speeds. It's the only way to judge a car. And we're particularly glad, because we have in the 3400 r. p. m. Chalmers a car that answers every human wish. You can almost talk to this animal. You can lead her anywhere. We know of no one who has ever called on her for too much, nor asked of her anything she couldn't deliver. She's like a young ballplayer who keeps driving 'em over the right-field fence. She's there. And the reason is her magnificent 3400 r. p. m. engine. When history in our business is written, 3400 r. p. m. will occupy a thick chapter. Simply because at the lowest speeds she saves her energy, turns up only 500 r. p. m. at 10 miles an hour, and 1000 r. p. m. at 20 miles an hour. Thus using only 18 per cent of her power at such speeds and saving 62 to 80 per cent for winding, hilly roads, bad turns, and on occasions when a little extra power gives you possession of the road. One ride of five miles behind the wheel and you'll own it. Ask your dealer about Chalmers service inspection coupons, negotiable at all Chalmers dealers everywhere. This system is a most important consideration in buying your car.

Five-Passenger Touring Car, \$1090 Detroit.
Two-Passenger Roadster, \$1070 Detroit.
Three-Passenger Cabriolet, \$1440 Detroit.

Color of Touring Car and Roadster—Oriford maroon or Meteor blue. Cabriolet—Oriford maroon, Valentine green, or Meteor blue. Wheels—standard dark, primrose yellow or red. Wire wheels optional on Roadster or Cabriolet at extra cost.

"All-Green" 12 Inch Fans On Sale Two Weeks Monday, May 22 to Saturday, June 3

THIS FAN USES Less Current THAN THIS 60 WATT LAMP.

1. In the Kitchen. Place fan under kitchen table and operate at full speed. This will drive the heat up and out of the room. The strong breeze will not interfere with your work.

2. In the Dining Room. Place the fan so that the breeze will be directed just above the heads of persons seated. Direct the fan toward the kitchen door and operate at full speed. This will drive out the kitchen fumes, and keep the dining room cool and pleasant.

3. In the Bedroom. Place the fan with back to an open window. Operate at medium speed. This will draw in fresh air and keep up a gentle breeze in the room all night enabling you to sleep cool and restfully.

4. For the Baby. Place fan so that breeze will be directed above "baby's" crib. Operate fan at low speed. This will provide a gentle breeze and keep "baby" from being fretful.

5. Drying Clothes. When necessary to dry clothes quickly, hang them up in open place and operate fan at full speed. Direct the breeze so it will play directly on clothes. Clothes can be dried very quickly in this manner.

6. In the Parlor. This fan operated at full speed in the parlor will provide sufficient breeze to keep your visitors cool and comfortable.

Money Back Guarantee
You may try one of these "All Green" fans for two weeks. Try it in every room and see for yourself what it will do. If you are not satisfied with its performance return it to us and we will refund all money you have paid on it.

\$1 With every fan purchased we will give absolutely Free an Electric Iron Coupon worth \$1 on the purchase of an electric iron at the regular price of **\$1**

FARMER HAS FATAL FALL FROM HORSE NEAR FREDERICK
(Frederick Leader)
While riding horseback Wednesday afternoon, Thomas Fryer, a young farmer residing 1 1/2 miles northeast of Frederick, fell from his horse, striking on his head. His neck was broken and he died about 15 minutes later. Fryer was the son of Mr. and Mrs. A. T. Fryer. The accident occurred within a mile and a half of the Fryer home. Thomas Fryer and his younger brother James, had been to a neighbor's and were returning home, both riding on horse. Thomas was in the saddle and James was sitting behind him. The accident occurred at a turn in the road at the bottom of a hill. A shower had fallen a short time before and the road was slippery. The riders had come a rapid gait down the hill and attempted to turn the corner without slackening their speed. This caused the horse to lurch in such a manner that both riders fell off on their heads. Thomas struck in such a way as to break his neck. He was carried to a neighboring house where he expired in 15 minutes after the accident had occurred. James was not severely hurt. Thomas Fryer was 21 years old. He was unmarried and lived with his parents.

been three years, Mr. Wiley said, since a cannibalistic feast took place, and he had been there to see it. Having the confidence of the natives he was changed to go and come as he pleased. He had gone up into the bush and caught one day, after one tribe had been defeated by the tribe he was up to see, and was asked to stay and watch the feast that night, which he did. He found four bowls of food ready to eat, with the heads off and the bowels removed. Of course he would show us the bush people, but he warned us that they were not the kind of people we had been used to. It was agreed that he was to take us up to the village where he had seen the cannibal feast. On Saturday Jack and Mrs. London went to see one of the most noted volcanoes in the New Hebrides, which is located on this island. I wandered in a circle all day, looking in the huts and trying to find cures. One little four tooth grass but a few dirty mats is all the average natives have. With Mr. Wiley and his partner, Mr. Stanton, in their little tent by fifteen store, where they ate, slept and traded. Very little money was used, and they traded out of their stock for soap. One stick of tobacco bought ten coconuts, and three sticks would buy a man for one day. It will be seen that the remuneration for labor in the New Hebrides is not magnificent. One stick of tobacco is worth a cent.

Telch handed us on beach where we found Stanton waiting for us. He explained that Mr. Wiley was sick and could not go. We four started out and for four hours tramped over hills and through valleys, penetrating a jungle to dome that at times we walked through pitch dark recesses, into which the sun had never shone. Sometimes we rested under a big banyan tree. We passed several of Mr. Stanton's copra houses, where he came on certain days each week to buy coconuts. Then we struck off through a deep ravine, the walls forty and fifty feet high, with just enough room for us to walk single file. All the time we were steadily rising, higher and higher above the sea level. Often we had to pull Mrs. London up after us, but she was game and never lagged a bit. About one o'clock we emerged with our arms raised in a clearing set on the side of a mountain, a clearing about a half mile across. Many grass houses were set in a circle about this clearing. In the center of the circle stood about fifty men, as many children and a few women. They were the most savage, heathen looking people I had ever looked upon. I had heard of and seen pictures of such savages, but had hardly been able to convince myself that such animals existed, but here was ocular demonstration. They

A Big Special For Tuesday

"Voice of the Violin"

Showing the Wizard of the World, Thomas A. Edison in his official laboratories of Orange, N. J. This is the first time Mr. Edison has ever appeared in Wichita Falls in any movie except as a mere pose for the camera.

Mr. J. C. Ward of the Edison, Inc. is traveling with this picture and uses an Edison Official Laboratory Model Diamond Disc Phonograph to furnish special music during the picture.

MAJESTIC THEATRE
Tuesday, May 23.

Some time we could see the pointed faces peering at us through the jungle. When we arrived on board the "Shark" that night, I gave a big sigh of relief. I had been far from comfortable among these ferocious-looking bush people.

The New Hebrides are entirely of volcanic origin. There are about thirty active volcanoes in the group, of which the greatest is on the island of Tanna. At night the sky is fiery red from the reflection of the red-hot lava in its crater, and about every half hour the air is rent with a terrific explosion, and from the direction of the volcano the sky seems afire.

BESSIE BARRISCALE AT THE LYDIA MARGARET MONDAY

In the new Triangle picture "Bullets and Brown Eyes" showing at the Lydia Margaret Monday and Tuesday, "Prince Hoop" (Wm. Desmond) with a party of huzzars makes a raid down the Valley of Bothalia. In a monastery he sees a nun that attracts him. He discovers that she is Countess Olga (Jessie Barriscale), whose portrait he has seen and admired.

While Olga keeps Boris engaged in conversation, her brother Michael (Holbrook Blinn), who captures the huzzar, Boris captures the girl when he discovers her trickery. Olga finds that Boris is condemned to be shot, she manages to throw him the key to the prison in which he is confined. While the palace is searched, Boris is concealed by Michael bidding farewell to Olga. There is a duel with swords. Michael is vanquished by a huzzar through the shoulder and Boris escapes.

After the war the father and brother of Olga take her to a monastery, where she is to take the veil as a punishment for aiding in the escape of Boris. With a royal permis-

WEDNESDAY MUTUAL MASTER PICTURE DAY AT EMPRESS

Wednesday will be Mutual Master picture day at the Empress and "The Bruiser" will be shown. This new production made at the studios of the American Film Co. is one of the best of the season. It will be found to be well produced and a stirring labor play in which a number of hours in the prize ring are fought. William Russell plays the role of the big leader of the factory men and the champion of the ring in a splendid manner while Charlotte Burton plays opposite him in the simple role of the sister of a factory hand and Lizette Thorn as the daughter of the factory owner with nothing to do but look to her own pleasure, are equally attractive. An excellent number.

HOLBROOK BLINN STAR TUESDAY AT EMPRESS
Holbrook Blinn, whose vivid characterizations have made him one of the real stars of the stage and the screen, will be seen at the Empress Monday in a new World Film feature entitled "The Unpardonable Sin." The story of this picture deals with the life of a man who sinks to the

DEMONSTRATION OF TRACTORS TO BEGIN THURSDAY

Many Manufacturers to Be Present and Hundreds of Farmers Are Expected to Be in Attendance

OPPOSED BY DALLAS

Parties in That City Said to Be Trying to Block Plans—Machines to Be Tested on Field Not Far From Floral Heights

Farmers from practically all sections of Northwest Texas and Southwest Oklahoma are expected to be in Wichita Falls on Thursday, Friday and Saturday this week when the first farm tractor demonstration to be held in Texas, will be staged near this city. The exhibition will be held on a lot near Floral Heights close to the car line.

While evidence has been received that Dallas parties are fighting the tractor demonstration here, this has had no noticeable effect upon the arrangements. About fifteen tractors will be demonstrated.

The demonstration is being advertised throughout Northwest Texas and Southwest Oklahoma and W. S. Croft, who is in charge of the plans, has sent that all possible publicity has been given the affair. He expects hundreds of farmers to attend, in addition to hundreds of others who would be interested.

Dallas interests who have felt that a tractor demonstration here might have some effect upon the demonstration to be held at Grand Prairie in July have been using their influence, according to reliable reports, to prevent manufacturers sending exhibits to the demonstration here, and are said to have threatened to bar from the Dallas exhibit all manufacturers who were represented here. There is nothing to indicate, however, that such action will in any way mar the success of the demonstration here, although it is much regretted locally that so narrow an attitude should be taken in Dallas.

The demonstration will be primarily a plowing test, but the ability of the tractors to pull binders, loaded wagons and to run farm machinery will also be shown. In the plowing tests, the field will be divided into plots ranging in size from one to seven acres, and tractors pulling from one to seven plows will operate in plots of the same number of acres. Tests with binders can not be successfully made at this time, as there is no wheat ready for cutting, but it is expected that the ability of the various tractors to pull binders will be demonstrated by the various manufacturers here, and are said to have threatened to bar from the Dallas exhibit all manufacturers who were represented here.

This is the first tractor demonstration to be held in Texas and one of the first to be held in the Southwest, and much interest attaches to it for that reason. It is believed that progressive farmers from all parts of Northwest Texas and Southwest Oklahoma will attend, as there are few farmers at present who have not been giving some attention to the tractor problem.

SUSSEX TORPEDOED BY GERMAN SUBMARINE U-18

Associated Press. Washington, May 20.—Information received by the state department from reliable sources and made known for the first time today is that the German submarine U-18 commanded by Lieut. Otto Steinbrink was the submarine which torpedoed and damaged the channel liner Sussex and brought the crisis between the United States and Germany to a climax. News dispatches from Paris soon after the Sussex was torpedoed, said the submarine commander had been decorated by Emperor William.

NEGRO GRADUATION EXERCISES BEGIN

Will Hear Sermon Today and Receive Their Diplomas Next Friday Night.

This afternoon at 3 o'clock Rev. H. Williams will preach the baccalaureate sermon for the graduates of the Washington School, the negro public school of this city. There are six graduates, Blanche Oliver Spencer, George Andrew Floyd, Brutus Holmes, Homer Lindsey, Randall Anson Jackson and James H. L. Conwright.

The graduating class under the leadership of C. C. Trimble, principal of the school, has arranged a series of four special programs to make up the commencement exercises, the field day exercises having been held Saturday in connection with the annual picnic. The graduation program proper will be carried out Friday evening, May 26, at the St. John's Baptist Church and Saturday morning, May 27, the alumni of the Washington School will hold a meeting.

The graduates have issued neat booklets as invitations to the exercises, the eight-page folder containing the class roll, the class flowers, yellow Killarney; class colors, purple and gold and the class motto, "Lifting As We Climb."

ANOTHER GOOD RAIN RECORDED SATURDAY

Comes at a Time When it Will Be of Much Benefit to Wheat Crop

The rainfall Saturday totaled .15 of an inch. The rain began falling at daybreak and continued until about 6 o'clock when the sky cleared. About 3 o'clock in the afternoon a hard rain began to fall, continuing more than an hour.

The chief train dispatchers of the Katy and Fort Worth & Denver railroads reported no rain on their lines. The rain is expected to be of much benefit to wheat and it is believed the prospects have been materially improved. Rain is especially beneficial at this stage, while wheat is in the heading out process. Wheat in this section had not been looking very promising but the rains of the past week are believed to have helped it materially.

COMMENCEMENT EXERCISES AT VERNON FRIDAY NIGHT

Special to The Times. Vernon, Tex., May 20.—Dr. L. D. Anderson, pastor of the First Christian Church, Fort Worth, Texas, delivered the commencement address last night to twenty-nine graduates of the Vernon high school. This closed one of the most successful years in the history of the Vernon school. Records show an enrollment of between eleven and twelve hundred of scholastic age.

LOCAL GIRLS TO WALK TO FRISCO

WILL START NEXT THURSDAY ON LONG HIKE TO PACIFIC COAST CITY

TO EARN THEIR WAY

Will Appear at Theatres En Route—To Start Without Baggage or Funds

Without baggage or funds, two young women of this city will start next Thursday to walk from this city to San Francisco, Cal. They are Misses Adair Kincaid and Katherine Greenwood and they are going on this ambitious hike largely for the fun of the thing. Both have had some theatrical experience and at the towns en route they will appear at theatres where Miss Kincaid will sing and dance and Miss Greenwood will perform on the piano.

The young women will carry no baggage and will take no money. They expect to earn their necessary expenses on the way by their performance at the theatres. They will wear short khaki skirts and they positively declare that they will walk every foot of the way, all mechanical means of locomotion such as trains, automobiles and people like being strictly barred. Despite the long journey which they have ahead, Misses Kincaid and Greenwood are confident they will succeed. They plan to leave next Thursday.

TEXAS NOW FOURTH IN OIL PRODUCTION

Figures For 1916—Show California Lead—United States Leads All Other Countries.

New York, May 20.—The world-wide demand for petroleum and its products is set forth in a compilation of production issued today by the foreign trade department of the National City bank, which reviews the history of that industry from its earliest date to the present time. According to this compilation, the United States produced in 1915 66.3 per cent of the world's output of crude petroleum, against 64 per cent in 1914; 43 per cent in 1909; 60 per cent in 1890, and 88 per cent in 1888.

The world's production in 1915 is given as 446,000,000 barrels of forty-two gallons each, against 328,000,000 in 1914, 149,000,000 in 1909, 77,000,000 in 1890, 30,000,000 in 1880, 6,000,000 in 1870 and about 500,000 in 1850.

Of this world production, that of the United States in 1915 amounted to 292,000,000 barrels, an increase of 82,000,000 over 1914 and an increase of 128,000,000 over 1909. As far back as 1860 this country produced virtually the entire petroleum output of the world. The world's principal mineral oil producers and their output in 1914 were: United States, with a product of 226,000,000 barrels; Russia, 66,000,000; Mexico, 21,000,000; Romania, 13,000,000; Dutch East Indies, 13,000,000; India, 8,000,000. The principal production of the United States in 1914 was: California, 150,000,000 barrels; Oklahoma, 74,000,000; Illinois, 22,000,000; Texas, 20,000,000; Louisiana, 16,000,000; West Virginia, 10,000,000; Ohio, 5,000,000; Pennsylvania, 4,000,000. The figures being in round terms.

The United States, despite the fact that she is by far the world's largest producer of petroleum, is becoming of late a considerable importer, the quantity of crude petroleum imported in 1914 being about 130,000,000 barrels, and in the fiscal year which ends with

START WORK ON BIG MEMORIAL

ENTIRE MOUNTAIN NEAR ATLANTIC TO BE MADE CONFEDERATE MONUMENT

WILL HONOR HEROES

Equestrian Figures of South's Leaders Are to Be Carved From Great Stone Hill

By Associated Press. Atlanta, Ga., May 20.—The work of presenting to the South a memorial of the war between the states, unique in design and scope, formally was begun today at Stone Mountain near here. The mountain is a solid block of stone and on one of its most precipitous peaks will be carved figures nearly 40 feet in height of the South's heroes, and deeds depicting the great war. At the base of the mountain will be carved an assembly hall.

Some years ago the United Daughters of the Confederacy conceived the idea of such a monument and enlisted the aid of P. E. Venable, who owns the mountain. Part of the ceremony today was the presentation to the Daughters of the Confederacy by Mr. Venable, of a deed to that part of the mountain on which the huge figures will be carved. While virtually all the monument will be cut out of solid rock it will be necessary to cut corner posts. It was the laying of the first block on one of these posts that occasioned the celebration today.

Jackson, Forrest, Johnson, Gordon, Davis and other heroes of the Confederacy. These figures will stand about 30 feet high according to Gutson Bordum, the sculptor, who will have charge of the work. The group will extend 2,000 feet around the face of the mountain and 400 feet above the surrounding country. The great hall cut in the base of the mountain will be 180 feet long and 50 feet deep. It will have thirteen columns cut from solid rock representing the thirteen Confederate states. In it will be stored archives and records of the war. It will require about eight years to complete the work, according to the sculptor.

ACADEMY BOYS TO GIVE PLAY FRIDAY, MAY 26.

Friday evening, May 26, the boys of the Academy of Mary Immaculate will present "The Bell in the Forest" an entertaining play at the hall on Ninth Street. The program in addition to "The Bell in the Forest" will contain several numbers of much interest and an evening of entertainment is promised.

SOUTHBOUND DENVER HITS AUTOMOBILE NEAR CLAUDE

Port Worth and Denver passenger train No. 8 was delayed several hours in arriving here Friday night on account of hitting an automobile at Claude, Texas. One man was killed and two others were reported to have been badly injured.

U. S. TROOPS REPORTED MOVING NORTH NEAR CASAS GRANDES

By Associated Press. El Paso, Tex., May 20.—General Gavira, commander of the Carranza garrison at Juarez said today he had received information from Casas Grandes to the effect that large bodies of American troops were passing that place on their way northward. His information did not disclose the number of troops.

BASEBALL RESULTS

NATIONAL LEAGUE.

Error Prevents Shut Out
Cincinnati, May 20.—Groh's error saved Boston from a shut out today. Cincinnati winning 6 to 1. Score: Cincinnati 6 9 2
Batteries: Rudolph, Barnes and Gowdy; Mitchell and Wingo.

Giants Win Tenth Straight.
St. Louis, May 20.—New York increased the winning streak to ten games today by defeating St. Louis. Score: New York 4 8 0
St. Louis 1 6 2
Batteries: Mathewson and Harri- den; Jasper, Williams and Gonzales.

Brooklynites Hit Hard.
Chicago, May 20.—Every Brooklyn player got a hit off a trio of Chicago pitchers and Brooklyn hammered out an 8 to 5 victory. Score: Brooklyn 8 12 1
Chicago 5 9 5
Batteries: Bell and Meyers; Pack- ard, Hendrix, Seaton and Archer.

Philadelphia Wins.
Pittsburg, May 20.—Pittsburg lost to Philadelphia today, Demaree striking out nine batters. Score: Philadelphia 5 10 1
Pittsburg 1 5 0
Batteries: Demaree and Burns; Adams, Miller and Gibson.

Galveston 3 6 0
Batteries: Fentress, Harrah, John- son and Betts; Gudge and Noyes.

Error Costs Bronco Game.
San Antonio, May 20.—Herswerld badly handled Hill's pop fly in the second and three Wacoans scored, the visitors winning the game. Score: Waco 3 5 1
San Antonio 2 5 2
Batteries: Hill and Reilly; Ogle, Townsend and Burch.

AMERICAN LEAGUE

Red Sox Win.
Boston, May 20.—Boston won a 6 to 1 victory from St. Louis today. Score: St. Louis 1 2 0
Boston 3 6 0
Batteries: Lavenport, Park, Mc- Cabe and Hartley; Ruth, Mays and Thomas, Agnew.

Washington Wins Easily.
Washington, May 20.—Cleveland was beaten 13 to 5 by Washington. Kiepfer was batted out of the box in the seventh. Score: Cleveland 3 7 3
Washington 13 17 2
Batteries: Kiepfer, Combe and O'Neal; Gallia and Henry.

Yankees Win Close Game.
New York, May 20.—New York won a close game from Detroit today. Score: Detroit 4 5 1
New York 2 7 5
Batteries: Cunningham, Boland and Stange; Love, Fisher and Walters.

Athletics Washwashed.
Philadelphia, May 20.—Chicago drove Crowell off the rubber in three innings today and defeated Philadel- phia. Score: Philadelphia 11 11 2
Chicago 0 6 1
Batteries: Benz and Schalk; Cro- well, Sheehan and Meyer.

THIRTEEN PRISONERS MAKE ESCAPE AT GALVESTON

By Associated Press. Galveston, Texas, May 20.—Deputy sheriffs and police are searching to- day for eight of the thirteen prisoners who escaped from the county jail last night. The men escaped shortly after 7 o'clock and the guards knew nothing of the delivery until one of the men rang the bell at the front of the jail and informed them of the occur- rence. Four others had been captured by 2 o'clock this morning. This was the fifth jail delivery in this county since June, 1914. The men got out by cutting bars which had been soft- ened by heating.

The Young Girl Graduate Will Appreciate These Gowns

And now comes Graduation Day, with its gallant beaux and pretty maidens, standing on the dividing line between school days and the realities of life, at thrill with the hopes and joys and excitement of the school days ended. And for this great event, the greatest in her young life, the sweet girl graduate must be handsomely and appropriately gowned, in toggery that befits the auspicious occasion.

GOWNS OF NET, LAWN AND ORGANDIE

We have prepared for this wonderful event with just the gowns that will be wished for. Dresses of soft lawn, net and dainty organdies, lace and ribbon trimmed and frilled and rubbed, just the gowns that will set off the young face and form, and though retaining the beauty of youth, bring out the charm of young womanhood. Made in the very latest styles, yet with prices most reasonable.

A Kansas man has invented a chicken brooder that clucks.

A North Dakota man suggests that a fleet of airships be organized to bombard the belligerent countries in Europe with peace messages.

The 1916 Coyote, the Wichita Falls High School annual, will be delivered from the Times job rooms this week.

Colonel Roosevelt in his speech at Detroit Friday said the administration has taken no step for preparedness and has done nothing efficient to sustain our national honor.

It is truly wonderful with what unanimity some so-called prohibition newspapers can pick out and support every candidate for state office that the liquor forces support.

Whether Carranza and Obregon will be able to carry out their plans remains to be seen. They face a huge task, but the good wishes of the American people are with them.

These are the 10,000 picked Mexican troops under General Trevino, occupy and patrol the Parral territory to the south of General Pershing, thereby preventing an attack on the United States forces by Villistas in any number.

The Carranza government is actively carrying out these pledges and the war department feels General Scott was successful in a high degree.

Whether Carranza and Obregon will be able to carry out their plans remains to be seen. They face a huge task, but the good wishes of the American people are with them.

Bills are now before congress for a still larger increase in the regular army, for its reorganization on a more efficient basis, and for a large appropriation for naval vessels, an appropriation much larger than ever made during any administration.

A RESOUNDING PHRASE. In black-faced type surrounded by a border at the top of the middle column on the front page of the Com-mo-ner, W. J. Bryan's monthly, appears this:

Following as it did his sorry part in the local option campaign in Bell county Governor Ferguson's timely rebuke to former Governor Colquitt at the Buffalo Club dinner at Dallas and his defense of the administration served to soften the condemnation which his course in Bell county merited.

GENERAL SCOTT, PACIFICATOR. From his report to Secretary of War Baker it would seem that General Scott has again accomplished the impossible and brought peace and cordial understanding out of the border chaos which was rapidly heading both southward to a state of war.

Those are the 10,000 picked Mexican troops under General Trevino, occupy and patrol the Parral territory to the south of General Pershing, thereby preventing an attack on the United States forces by Villistas in any number.

Whether Carranza and Obregon will be able to carry out their plans remains to be seen. They face a huge task, but the good wishes of the American people are with them.

Whatever Nationalism is it has led to an awful catastrophe in Europe for when all the nefarious details and prejudices regarding the cause of the great war are summed up they leave the blame on the national spirit and the supposition that nations represent different ideals that are bound to get into conflict.

The foundations of Nationalism, he continued, are crumbling. The democratization of governments in the nineteenth century is the first transformation. The quality of man is not a national principle; it is planetary and militates against the artificial groupings of equal men for mutual exploitation.

Whether Carranza and Obregon will be able to carry out their plans remains to be seen. They face a huge task, but the good wishes of the American people are with them.

they can not get their consent to oppose Ferguson for governor, can not consent to support Looney (as attorney general, can not support Campbell or Brooks for the senate, can not support Walker Hall for supreme judge or Judge Harp for criminal appeals court, can not support John W. Robbins for railroad commissioner nor Mann for state treasurer and still are strong for prohibition.

As a general rule it is a safe practice to vote for some other candidate when it is seen that he had the support naturally prejudices prohibitionists against the candidate and even if a candidate asserts that he is a prohibitionist, yet it is seen that he has the support of the anti's, the sincerity of his prohibition views may properly be questioned.

There are others who are prohibitionists for profit or for political advantage and who make of the issue a stalking horse behind which they work for their own selfish interests. The professional political prohibitionist has discredited the issue to some extent in the minds of many good people and it is a good plan to weigh carefully the claims of any candidate who appeals for support on the grounds that he is a prohibitionist.

GENERAL SCOTT, PACIFICATOR. From his report to Secretary of War Baker it would seem that General Scott has again accomplished the impossible and brought peace and cordial understanding out of the border chaos which was rapidly heading both southward to a state of war.

Those are the 10,000 picked Mexican troops under General Trevino, occupy and patrol the Parral territory to the south of General Pershing, thereby preventing an attack on the United States forces by Villistas in any number.

Card of Thanks. We wish to thank those in this city and in Waco, both white and colored for their kindness during the short illness and death of our dear father and husband, Mr. Will Shelton, and to those who gave us such beautiful floral offerings. We also extend many thanks to the B. P. O. E. Lodge and the Colonians for their kind and generous also the American Woodmen for their beautiful floral offerings. Each kindly act and word of sympathy was a healing balm to our saddened hearts. MISS EDELWEISS COOK, Daughter. MRS. M. E. SHELTON-WIFE.

GOLDEN OPPORTUNITIES OF THE SEASON. W. E. Rutledge of 1101 Austin, St. complete piano-forte, 2200 and tuner. For eleven years, Rutledge is known in Wichita Falls and surrounding territory, having done the piano work in two state universities and twenty-eight conservatories, concert and academies of music. The complete work including voicing, tone-regulating, action-adjusting, cleaning and fine tuning, also all purposes of repair work such as re-stringing, re-voicing, pin polishing and re-tuning. Replacing of new parts or entire sections. Everything included in musical workmanship is done under a written guarantee. All pianos are given a second attention free of charge within six months from date of the first tuning. Many people do not have their work done often, but when they do they want a thorough, competent reliable and experienced man. Like your own "radio" or "hot" motion picture, if the keys are low or uneven, if your hammers are hard or flat on the face, if the tones are weak, or if you are not satisfied, your piano has not been thoroughly cleaned for a year or more. In short, if your piano does not sound and perform exactly like your own "radio" or "hot" motion picture, call St. Mary's Academy or any of the best judges of music in the city. My time is limited to only a few weeks this spring. For dates and estimates call my residence. Phone 2095. 11c

TRIANGLE PLAYS

— AT THE —

LYDIA MARGARET

Saying "Triangle Plays" is the same as saying "Sterling Silver"

Monday Is "B-B" Triangle Day

BESSIE BARRISCALE

Now the queen of the screen, in the Triangle play

"Bullets and Brown Eyes"

It is the

Biggest and Best Play

The Lydia Margaret has ever shown and is the

Biggest and Best Play

Wichita has ever known.

Bessie Barriscale
People have gone crazy over you here.

"The Village Vampire"

Keystone with Fred Mace.

The "Triangle Sign" is an assurance of something good to see. Also the sign of a crowd. Always there is a crowd. "Triangle Plays" are more than pictures, though they cost you the same as "Mere Pictures" and "Near Pictures." See ten "Triangle Plays" and you will not see the other kind. Triangle Plays are never excelled except by other Triangle Plays.

Coming—"Martha's Vindication," featuring Norma Talmadge, star in "The Battle Cry of Peace." The Prices Are 10c. Children, Half Price.

MORE TRUCK TRAINS TO SUPPLY TROOPS

Border Forces to Use This Means Where Rail Transportation is Difficult

By Associated Press. Columbus, N. M., May 20.—Military patrols protecting the frontier from the Gulf of Mexico to the Pacific Ocean are to be supplied where rail transportation is difficult by means of motor truck trains similar to those used by the expeditionary forces in Mexico. Two quartermaster captains who have been commanding truck trains left today, one for San Antonio and the other for Marfa, to arrange transportation facilities along the border.

Trucks have been asked on 102 new trucks to be placed in immediate service. Reports from the Mexican field were characterized as routine. It was learned, however, that the redistribution of the American troops in Mexico, in accord with the new plans, has not yet been completed.

RAILROAD OFFICIAL SUICIDES ON TRAIN

T. S. Mahoney, Former Superintendent of Texas & Pacific Division Ends Life

By Associated Press. Fort Worth, Tex., May 20.—T. S. Mahoney, former superintendent of the Texas & Pacific Railway, was found unconscious in his berth on a Texas & Pacific train when it arrived here this morning. Blood was flowing from a wound in his temple, and a small caliber revolver was by his side. He was taken to a hospital where a bullet was extracted, but he died at 10:45 o'clock. The remains will be sent to Houston. No motive is known.

RESIGNED SUPERINTENDENCY ONLY SHOWN TIME AGO

By Associated Press. Fort Worth, Tex., May 20.—Conductor Mahoney was superintendent of the Texas & Pacific and Missouri, Kansas & Texas joint track between Fort Worth and Sherman and superintendent of the entire Texas & Pacific trans-continental division until May 1 when he resigned. He was succeeded here by former Assistant General Superintendent Andrews of Dallas. Mahoney began his railroad career here many years ago.

DOUBLE TRAGEDY IN HOUSTON HOTEL

Woman Killed With Blunt Instrument—Man Takes Poison Beside Her Bed.

By Associated Press. Houston, Texas, May 20.—Early this morning in a local rooming house found the dead bodies of Mrs. J. Farrell and Henry Bell, a roomer. Mrs. Farrell had apparently been attacked while asleep, her head having been battered with a blunt instrument and her throat cut. Her baby, its night dress saturated with blood, lay sleeping in her arms. Bell was beside the bed. He had taken poison. Bell's father, a guard at the Huntsville penitentiary, came to Houston this morning in response to a telephone message from his son last night, in which the son said, "You will be needed here tomorrow," but refusing to give the reason. On reaching police headquarters he was informed of his son's death.

MOTION PICTURE OF GREAT ELECTRICAL GENIUS COMING

A special feature of the Thursday program at the Majestic will be "The Voice of the Violin" a two part photoplay, showing Thos. A. Edison, the "wizard of the world" in his laboratory in Orange, New Jersey.

Edison's New Re-Created Music With the New Edison Diamond Disc Phonograph

The Edison has no tone of its own. It re-creates music just as it receives the same music. Every fine tone, all of the attributes of the artist. Not the mere mechanical music reproduction of "Talking Machines". But the living re-creation through the science of chemistry. Let us talk plainly. Few persons understand that Mr. Edison has given the world an invention which is as new as was the first electric light. The greatest trouble we have is to get people to understand that he has actually re-created music. That he has discarded the mechanical "talking machine" for the Edison Diamond Disc, with its finely rounded diamond and unbreakable records. Don't accept our opinion but let us compare it, then decide yourself.

A demonstration will cost you nothing at

SWITZERLAND NOT TO BROOK INVASION

Prepared to Resist Strongly if Any Effort is Made to Cross Her Territory

By Associated Press. Paris, May 20.—Switzerland is prepared to resist with all the forces at her command an invasion of her territory by troops of the belligerents. According to an interview with President Camille De Coppo, sent to the Journal by its Bernese correspondent, the president was asked specifically what would be Switzerland's action if troops of one of the warring powers should be sent across the Torrenous salient. He replied: "The federal council would never tolerate such a proceeding and in accordance with the plans of General Ulrich Wille, the commander in chief of our army, would order the mobilization of all our forces which would be sent immediately into action."

"The Swiss army is in splendid condition. It has reached a perfection of training which has been hitherto unknown and has just received a complete equipment of new heavy artillery manufactured in France and Germany by order of the Swiss government."

71 NOW ENROLLED IN MILITIA HERE

Held Meeting Saturday Night and Put Through Drill. Prospects Encouraging

Seventy-one young Wichitians who have enrolled in the recently organized local militia company Saturday night were told of the need of an adequate National Guard in Texas by Attorney G. A. Smoot, at a meeting in the Fligo hall, Tenth street near Indian avenue. Mr. Smoot commended the patriotic spirit which prompted the young men to enlist in the organization and explained the military discipline and social routine of the National Guard. He urged each "rookie" to devote a few minutes each day to obtaining additional recruits, to the end that the local branch of the Texas National Guard be not less than 150 strong when Adjutant General Hutchings orders the organization mustered in. Rapid progress is being made in maneuvering. F. P. Davis, former United States soldier, assisted by Lester Lucke, put the boys through a series of drills Saturday night. Mr. Davis was much pleased with the aptitude shown by the various drill squads. Another meeting will be held next Thursday night at which time the recruits will be instructed in the manual of arms. As soon as the militia is mustered

VERNON Y. M. B. L. SHOWS MEMBERSHIP INCREASE

(Vernon Record) The Young Men's Business League increased its membership to 192 during the past month, according to the reports of Secretary Parnell to the regular monthly meeting last Tuesday night. Collections for the month

exceeded \$200. The principal topics discussed Tuesday night were the value of an extension of the Frisco to Crowell and points southward, street paving and sidewalk extension, the value of a wagon bridge across Red River connecting Wilbarger county with Oklahoma and the possibilities of the dairy industry. The attendance at the meeting was not large, owing to other attractions but the interest was good and the discussions of the plans were lively. Steps were taken to launch a movement to ascertain the wishes of the people with reference to an issue of bonds for the building and improving of the county roads.

Arthur Werner of Dallas, was a visitor in the city Saturday.

YOUR CREDIT IS GOOD FOR A VICTROLA

And when you think that you can sit in your easy chair and command Sousa's Band, Pryor's Band, Victor Herbert's Orchestra, and other famous bands and orchestras to play just the music you want to hear.

That you can provide perfect music for all the modern dances, such as the one-step, hesitation, fox trot, tango, etc., or if you wish you may hear Caruso, Farrar, Gluck, McCormack, Melba, Schumann-Heink, Tetrizzani or any of the great artists sing for you the very songs and arias that have made them famous the world over.

Does it not make you realize what you are missing not to have a Victrola in your own home?

You can buy any style Victrola on a small payment down, and the balance at the rate of only a few cents a day—not more than you would spend for cigars or other indulgences that will not give you half the pleasure.
