

Concert Tickets On Sale Until First Program

Dungill International Concert Company

Final ticket sales for membership to the Friona Concert Association will end the night of October 12, at the opening program of the 1954-55 series, when the Dungill International Concert Company will present a program of concert selections, semi-classics and popular numbers.

Tickets will be on sale in Friona at the City Drug Store, Bi-Wize Drug and Friona Star; in Bovina at the Bovina Drug; and in Farwell at the Tribune office.

The Dungill Concert Company is

MONDAY MORNING MUSINGS

Posie to the good folks who each morning put out the safety markers on the highway in Friona to help protect the school youngsters. The crew at Herring Implement places the east marker each morning, and the Paul Stricklands take care of the west sign. Deputy Roberts removes them in the afternoon.

We're glad to get a good letter from James Wiley, stationed at Lowry Air Force Base in Colorado. Wiley said, "After hearing a few fellows argue on the approaching football games, it made me wonder about the Chiefs. The best way I can keep track with them is with your paper..."

And The Star is on its way to James. Incidentally, his address is A-3c James M. Wiley, 3421 STU. SQDN., Lowry A.F.B., Colorado, Box F-6236.

Parking lanes and safety zones along Friona streets are in process of painting by city employees. Separate blocks have been barricaded each morning in the early hours for the workers to paint the white parking lines and the yellow safety zones.

Look at the prices quoted at that time:

Kansas City Smoked Bacon, 7c lb; 1 peck Irish potatoes, 25c; 7 pounds cabbage, 25c; 10 lbs. green coffee, \$1; 1 gallon good sorghum, 25c; 3 bottles snuff, 25c; 7 lbs. beans, 25c; 20 cakes toilet soap, 25c; and 12 lbs. sun-dried apples for \$1. The article also carried mention of J. M. Rountree (father-in-law to Mr. McFarland) ginning 212 bales of cotton.

BIRTHDAY CALENDAR

Oct. 2: Selma Habbings.
Oct. 3: Sally Osborn.
Oct. 5: Nettie Luttrell, Arthur Drake, G. A. Hough, Donald Bridges.
Oct. 6: David L. Widner.
Oct. 7: Mrs. A. H. Boatman, Thomas Parson, Connie LaJean Widner, David Charles McFarland.

This pancake supper the Progressive Study Club is serving on Friday night sounds like a good deal—and should just hit the spot for a warm-up meal before the football game. Understand there's going to be music, too. The band will parade downtown at 5:30, then back to the cafeteria for a short concert before going on to the game. So, if you want a good feed along with some good band music, these gals will be ready to serve you.

Hear Preach Edelman came back from the golf tournament in Hereford recently with a nice trophy. He won first place in the second flight. Since we're no golfer we don't savor this second flight business, but we're glad he won the trophy. Wonder which flight Os Lange and Bert Shackelford took?

We think Steve Bavousett and Jay Sanders rate lots of pats on the back for the work they are doing with our boys in scouting. Hear they're taking the entire troop on a trip to the mountains of New Mexico this weekend, and the boys sure are busy planning a good time—fishing, bear hunting, staying up all night, etc.

Den Mothers Are Needed by Cubs

The Cub Scouting program in Friona is underway—but only if more den mothers are secured immediately.

First meeting of Pack 56 was conducted Monday evening in the Congregational Church basement, with Area Scout Worker W. M. Teague in charge. A large turnout of boys was present, but few parents and adult workers showed up.

Five dens were organized, and plans were made for monthly pack meetings on the first Thursday night.

Den mothers now working are: Mrs. Benthall Beene, assisted by Mrs. Clyde Fields in Den 4; Mrs. Margie Herring, with Assistant Mrs. John Renner in Den 5; and Mrs. J. T. Gee as mother for Den 1.

Consequently the group is in desperate need of two more den mothers and three assistants. Anyone interested in volunteering her services should contact one of the above or Cubmaster Fred Barker, Jr.

A round-table meeting is being held this Thursday night in the Barker home, with pack committeemen, interested parents and leaders invited to map the program for the year.

Attend Retreat

Mrs. Otho Whitefield and Mrs. Floyd Schlenker attended the annual retreat for the Woman's Fellowship of this conference at Lake Murray, Oklahoma, on Friday and Saturday.

Rev. Lewis Knight took them to Lake Murray and went on to Dallas on Friday. They returned home Saturday night.

Farm Bureau Report

By RAYMOND EULER

"For all these (material) things do the nations of the world seek after: and your Father knoweth that ye have need of these things. But rather seek ye the kingdom of God; and all these things shall be added unto you." Luke 12:30-31.

With the sixth annual convention of the Farmer County Farm Bureau drawing very near, we would like for the quotation above to keep us mindful of the more important things to everyone. The freedom we enjoy in America is a gift of God that we have the choice of keeping for ourselves and our children by placing our allegiance in God and country; or that we may surrender if we allow material desires to overshadow this sacred obligation and opportunity.

Plans are underway for an all-day convention to be held in the Friona School auditorium on October 9. A fish fry is scheduled

Braves - Dimmitt Game Next Tues.

The Friona Braves will play the Dimmitt football team here next Tuesday night at 7:00 p. m.

This is the second game scheduled for the Braves. The first was with Farwell two weeks ago and the boys won that game 7-6.

Farwell - Friona Meet Here, Non-Conference

Gathering up the loose ends this week, working doubly hard to transfer the local scores to the winning side of the ledger for a change, the Friona Chieftains will engage the Farwell Steers on local sod Friday evening at 8 o'clock.

Bovina soundly outplayed the Friona boys at the Bovina race.

Loren J. Thompson was released from the local hospital this week where he had been taken last Sunday suffering from ulcerated stomach. He has been here on leave from Brunswick, Maine, visiting his parents, Mr. and Mrs. Lee Thompson.

Steve Bavousett was in Lubbock on business, Tuesday.

High Yields Reported for Cotton, Grain as Early Loads are Delivered

Grain harvest is getting off to a rather slow start in Parmer County, with much of the feed being too wet for harvest or storage under the Commodity Credit 13 per cent moisture ruling.

Many farmers were ready to move into their fields last weekend, but drizzle and continued moist air lasting from Friday until early this week set the harvest back several days.

Local elevator operators Preach Cranfill and Arthur Drake both anticipate a long harvest, which

should prove convenient both to the grower and to the elevators, enabling speedy handling of the grain at the elevators.

Some yields of early Martin Milo have been reported as quite high, with some fields averaging 3,800-4,000 pounds per acre. The Cordie

Potts and Calvin Talley fields both fall in this bracket.

Some of the grain is being sold rather than placed in the loan, as elevators are buying up to 15 per cent moisture. Market price yesterday was \$1.95 against the loan of \$2.03.

Cotton

Cotton prospects are looking exceptionally good in a similarly slow starting harvest season. The North Plains Gin Company to date has ginned some 10 bales, but the first of these might be indicative of the type crop many are producing.

N. E. Woods, farming the P. L. London farm 4 miles southeast of Friona, delivered the first bale to that gin last Saturday. The cotton had been hand-picked. Bringing in 1,295 pounds, the load netted 517 pounds lint and 750 pounds seed! Manager Wright Williams paid Woods the premium price of 50 cents per pound.

Most cotton is being sold, with market price on strict middling yesterday being 34.50, against loan of 33.33.

Gins throughout the area are readying themselves for immediate handling of the cotton here.

Pickers are scarce and probably will be until harvest in counties progresses further. A few Mexican Nationals have been procured in the area, and colored workers from Clovis are coming into the county daily. Williams estimated that some 900 pickers were at work now, with 200 or more needed in the next few days.

Lt. Kenneth Bainum Received Wings As Jet Pilot at Arizona Air Force Base

Guest speaker for the occasion was the Honorable Barry Goldwater, United States Senator from Arizona and a colonel in the Air Force Reserve. A qualified jet pilot himself, Senator Goldwater was on active duty with Air Force from 1951 to 1945. His overseas flying duty was in the Asiatic theater in India.

Col. Geo. S. Brown, wing commander, presented the wings and diplomas. In addition to the coveted wings of their respective air forces, Allied students received the USAF wings and diplomas.

Oath of office was administered to the U. S. aviation cadets by Maj. Richard Butner, wing adjutant, commissioning them second lieutenants in the U. S. Air Force.

Invocation and benediction was given by Chaplain (1st Lt.) Vincent Striges.

Martial music was furnished by the 541st Air Force Band under the direction of Chief Warrant Officer Gunnar Salin.

Preceding the graduation ceremonies, flight line exercises were held at 9:00 a. m. in honor of the new pilots. A formal review of approximately 700 aviation cadets and airman, accompanied by a flyover of Lockheed T-33 jet trainers, passed in tribute to the graduates.

Promotion Day

Sunday will be promotion day for all departments at the Friona Methodist Church, according to Rev. U. S. Sherrill.

The certificates will be issued at the opening exercises.

Forrest Osborn and A. W. Anthony, Sr., attended the Canadian River Bridge dedication service Sunday near old Tascosa.

Field Day Slated Next Wednesday

One of the more comprehensive field days to be conducted in the area will be held next Wednesday, October 6, at the Amarillo experiment station.

Beginning at 10 a. m., the program will cover the subjects of (a) wheat and sorghum improvement, (b) stubble-mulch tillage, (c) crop rotations, (d) irrigation, (e) weed control, (f) insect control and (g) pasture and livestock studies.

Experiment Station, Extension Service and Soil Conservation Service personnel will be on hand to conduct the tour and discuss the individual problems.

A barbecue will be served from 11:30 until 1 o'clock, courtesy of the Amarillo Chamber of Commerce.

More discussions and studies will be conducted during the afternoon.

Hospital Notes

By JIMMY BAXTER

Plans are near completion for the finance drive which is to continue this fall for the Parmer County Community Hospital's new building. Farm people in particular are to be reminded of the possibility of subscribing cotton through any gin in the county which is for the building fund. This will be given free and sold in the hospital's name.

Grain may be subscribed through any of the area elevators for the building fund purpose. This is to be considered by some people the painless method and certainly bears looking into by all farmers.

Junior Red Cross

The Junior Red Cross membership drive will commence next week and continue through October, according to the drive chairman, Lewis Knight.

Miss Tacy Smith will be chairman for the high school and John Parish will be grade school chairman.

The Junior Red Cross conducts programs of service to children overseas, hospitalized veterans and servicemen, and adults and children in local hospitals.

Membership can be either individual, or group membership.

Visiting in the home of Rev. and Mrs. U. S. Sherrill over the weekend were Rev. and Mrs. J. D. Smoot of Comanche, and the Sherrill's daughter and husband, Mr. and Mrs. Owen Parrish of Clovis. The Smoots returned home Tuesday.

Organization of School Groups Highlights Friona H. S. Activity

DEAR UNCLE BERT,

We sure have had a change in the weather lately, and I'm sure everyone would welcome some rain out of these clouds.

The Arrow staff has been organized. Editor is Gay Cass. The other officers are: Assistant editor, Jane Phipps; feature writers, Evelyn Ray, Randol Allen; F.H.A., Linda Gee; F.F.A., Morris Bruns; Music, Denisee Magness; science, Ann McKee, Sue Cranfill, Eva Woolbright; sports, Deann Buske.

Deann Buske Elected President Friona FHA

The Friona F. H. A. Chapter held their first official meeting of the year, September 8, in the high school study hall.

The meeting was called to order by President Marie White. Jane Phipps gave the chapter the programs which will be followed throughout the year. Barbara Deaton announced the date set for the initiation of Freshmen as September 21.

A summary of all the summer activities was given by Denisee Magness.

Deann Buske was elected treasurer and Carol Blackburn was elected parliamentarian, due to vacancies in these offices by resignations.

An advisory council was chosen, and on the committee are Mrs. G. B. Buske, Mrs. A. S. Grubbs. Senior sponsors are Mrs. Roy Miller, Mrs. Ray Landrum, Mrs. A. W. Anthony, Mrs. Kenneth O'Brien, Mrs. J. T. Gee and Mrs. Fern Barnett.

The group elected their sweetheart for the year—Mickey Ready. The chapter mothers were chosen to attend meetings and aid the chapter in any way. They are Mrs. G. B. Buske and Mrs. J. T. Gee.

It was decided by the FHA Chapter to set aside money for red roses to be planted by the auditorium and for crystal to be used in the homemaking department.

Meeting was adjourned with the FHA song, led by Doris McFarland.

WT Homecoming Approaches, 16th

West Texas State College's big Homecoming celebration, the day thousands of ex-students return to renew acquaintances, has been set for October 16, and plans are underway on the campus for a "Bigger and Better" Homecoming than ever before.

Most of the traditional events of the day will again be held, with a few changes made in the over-all program. Highlights of Homecoming will be the football game between the Buffaloes and New Mexico A. and M. at 8:00 p. m., and the reunion of the Class of '29 at a luncheon.

Registration of exes will be held Saturday morning in the Administration Building, and a general assembly of students and exes is slated at 10:45 a. m. in the auditorium. A prominent student will speak, students will present a talent show, and the assembly will be climaxed with the crowning of WT's Homecoming Queen.

Class and club luncheons, get-togethers, smokers and parties are scheduled throughout the day, and the Class of '29 will have its luncheon in the Blue Room of the college cafeteria. Col. T. H. McDonald of Amarillo is president of the class.

Some 40 high school bands of the area have been invited to participate in the annual Homecoming parade, to be held this year at 4:30 p. m. The barbecue, which usually draws around 4,000 people, will be served at 5:30.

printing, Marie White, Jerrod Sheek, Billie McKee, Judy Bruns.

The F.H.A. and F.F.A. organizations elected their sweethearts recently. The F.H.A. chose Mickey Ready, and the F. F. A. chose Phyllis Fairchild. Both of these students are juniors.

This Thursday night, our B-squad in football plays Dimmitt. This should be a real exciting ballgame. Are you going, Uncle Bert?

Mr. Gee has been moping around FHS lately looking like a dead chicken. Most people think it is the way Mrs. Gee treats him, but really he is having some teeth pulled.

Mr. Kelley has been mailing out unsatisfactory reports to parents this week about their sons or daughters who are failing any subject. Sure hope I beat Mother and Daddy to the mailbox.

Don Lewis wore a trial band suit to school one day last week. There were some minor changes to be made. All the new suits are due in three to five weeks.

That sure was a pretty bonfire at the Pep rally last Thursday night, wasn't it? This school sure has a lot of school spirit, I must say.

The tryouts for the Thespian Club play, "Fifteen Creepers" were held Monday afternoon. This is a three-act mystery-comedy to be presented here soon.

The Senior class will have the concessions at the football game this Friday night. The game will be with Farwell here.

Here is another of those Safety Reminders from the Texas Safety Association. Cool weather provides the appropriate zip for the football season, and few things are more enjoyable than a fast moving game, but this thought should also be kept in mind: Speed should be confined to the gridiron and not be practiced on the highways when going to and from the game. You should drive carefully and keep from endangering your life and the lives of your loved ones.

That's about all the news, so I'll close for now.

Love,
Big Minnie

Newspapering - In Reality Your Business

October 1-8 is designated as National Newspaper Week.

We would hesitate to direct attention to this if it merely were a means of promoting our own business, but even casual analysis will reveal such is not the case.

A newspaper is part of the community—a personality and a service that is what YOU make it. It is like an old friend, a comfortable shoe, a welcome guest. It is a forum with columns open for your candid comments; it is the media of exchange for your ideas and for the little bits of news—parties, visits, dinners, weddings, honors received, etc.

Your American newspaper is uncensored. Consequently, items may appear in the editorial columns with which you may disagree.

Your American newspaper is uncensored. Consequently items may appear in the editorial columns with which you may disagree, and admirably so. But such is healthy, and must be the case in a democracy of the people.

We take this opportunity also to point out the facts of newspapering as a career, inviting more young folks to give serious consideration to entering the field.

The old days of the rabble-rousing, hell-raising newspaper is gone. The reporter is not called upon to shoot it out with the thugs on

the Bowery, neither is he a nervous wreck existing on alcohol, tobacco and dope.

The profession is honorable, with returns to its members, whether they be specialized writers, managers, editors, reporters, shop men or salesmen.

The printing trade is fascinating to many. It calls for skill, pride in one's work, and satisfaction from a finished product well done. It appeals to those with initiative, for a newspaper or printing plant actually is a manufacturing concern, with every commercial job and every issue of the paper a new challenge and a new process of manufacturing to be executed by the hands and mind of the worker. Printers receive high salaries among the trades. Shorter hours and better working conditions now are the rule, not the exception. Schools are available for learning the trade at minimum cost.

All in all, with the printing and newspaper field understaffed, the field is wide open for the ambitious young man or woman.

Your Star editor is glad to give assistance at any time to young folks interested in the field. We enjoy spending as much time as you like to discuss the profession; if any of you school students of Parmer County are interested in any phase of our work, we invite you to feel at home at the Star—YOUR paper.

Chieftains OK by Editor, Expecting a Win

We still believe the Chieftains can and should win.

The manpower is here. There's nothing wrong with a one of you boys. Some have displayed outstanding fight and "know-how" even in the lop-sided games to date.

We are sticking our neck out—as we didn't play football in school, but we believe a combination of our present players and a determined will to win will result in some mighty good games during the season.

Some players and spectators alike are football enthusiasts in varying degrees. But if the game of ball, as the game of life or any endeavor, is worth participating in at all, it is

worth giving it the best you have in you—your time, work and sweat, and talents. Half-hearted drilling, playing or interest nets few returns.

You players have every advantage—one of the best gridirons in the entire area, modern equipment, good, clean coaching, and a host of supporters—a sharp contrast to the game that some of your dads used to play on a cowpasture with a few backers but plenty of abuse and fist fights, to say nothing of workouts from "can'til can't." But we can remember some mighty good games back there.

Here's to a worthy tribe of Chieftains; may your hunting grounds prove more productive!

Concert Association Merits Full Support

Ticket sales are announced this week for the winter concert series in Friona.

Parmer County is indeed fortunate in having these high-class entertainments — of equal caliber to presentations in cities many times the size of Friona, Farwell or Bovina.

This is the second season for the series here. The success or failure of the program in future years depends upon the reception this winter. Can such cultural offerings be minimized?

The cost is not prohibitive. Season tickets

sold here are good also in any town featuring the same concert booking agency. Hereford, to our east, will have at least four concerts or programs different to those here, and many will enjoy attending both the programs here and at Hereford, a total of seven or more programs that will cost no more than taking the family to the movies.

Tickets are on sale as announced on the front page of this issue; we hope you will avail yourself of the benefits presented by their purchase.

Shocking Stunts of "Sportsmen" Revealed In Report of Texas Game Enforcement Officers

The director of law enforcement for the Game and Fish Commission said, "It took a pretty strong stomach for some Texas game wardens to keep functioning during the month covered in the new field report."

Here are some of the cases listed: Poisoners killed every living fish over a two-mile Colorado river area just below Austin, exterminating an estimated 15,000 pounds of game fish, including great catfish running up to 75 pounds in size. (The Hays-Travis County Game Protective Association has offered a \$200 reward for capture of the perpetrator.) One hunter had 150 mourning doves. The limit is ten. One dove hunter was arrested with seven quail. One man was taken after shooting a turkey hen, on which there is no open season. Seven different men were charged

with shooting fawn deer which are protected at all times in Texas. Thirty-seven different cases were filed for illegally taking game fish, the majority being for poisoning waters or shocking fish with electricity.

"We are keeping our wardens in the field as long as they can stand it," said the Director of Law Enforcement. "The men are using their two-way radio and other means of communication to protect wildlife. Local peace officers help in some cases. Justices of the peace are cooperating in most areas with some combined fines and costs for violations running well past \$1,000 reported. There were many individual fines and court costs exceeding \$200.

"Of course, the situation is not as bad as it looks. The small percentage of chronic irresponsibles commit most of the misdeeds. Yet it is surprising the number of substantial persons who yield to the temptation to cheat against wildlife."

Brief Being Filed On Segregation

Attorney General John Ben Shepherd, Wednesday announced that Texas will accept and invitation from the United States Supreme Court to file a brief on segregation in public schools.

"After having given this matter several months of constant and exhaustive study, and having consulted with a wide cross-section of educators, teachers, legislators and state officials, we feel that we should file a brief in order to properly present the Texas position on this question," he said.

and the average price of a one-pound loaf of bread was 13.8 cents. The farm price of wheat has dropped to \$1.91 a bushel, while the average price of a one-pound loaf of bread has increased to 17 cents. This means that there was a 32 per cent drop in the price of wheat from which the bread is made, while at the same time, there was a 23 per cent advance in the finished product, to-wit, the loaf of bread. The farm value of the wheat in a one-pound loaf of bread is 2.7 cents.

WHERE DOES THE CONSUMER'S FOOD DOLLAR GO

Here is what a recent Congressional Report had to say on the subject:

"Out of each dollar spent for food in the United States, 5 cents goes for imported foods, fish, and other products not produced on American farms. Out of each dollar spent by the American housewife for domestically produced food, 55 cents now goes for processing, marketing, and transportation charges. The farmer receives 44 cents. Of this 44 cents, approximately 30 cents goes to purchase tractors, trucks, plows, gasoline, fertilizer, and other supplies required by modern farming.

"Thus, the farmer and his family have about 14 cents out of each consumer dollar spent for domestically produced food for their work and their investment.

"The farmer's share of the consumer dollar has dropped in recent years and months as farm prices have declined, while retail food prices have remained at 1952 peak levels."

VETERANS ? Box

Q—I am a World War II veteran training under the original GI Bill. Next month I expect to finish my course. Since I have some entitlement remaining, would I be allowed to enroll in another course in a different field?

A—No. Once you complete or discontinue a course under the World War II GI Bill, you generally are prohibited from taking another course, even though you do have additional entitlement.

Q—I enrolled in college under the Korean GI Bill for an AB degree in English. Several weeks after class started, I changed my mind and decided I would rather go after a BS in business administration. Would this be considered my one-and-only change of course?

A—Not necessarily. You may change from one baccalaureate degree to another, without having it count as your one-and-only change of course, so long as your new course won't take any longer to complete than the old.

Q—if I simply send an application for Korean GI term insurance to VA within the 120-day deadline, will I be able to get the insurance? I'd like to pay my first premium at later date, if possible.

A—An application alone, submitted within the 120-day period, would not be enough to entitle you to Korean GI term insurance. You also must pay your first premium within the 120 days.

WASHINGTON AND SMALL BUSINESS

By G. WILSON HARDE

Presidential veto of federal pay raise bill insofar as it pertains to postal workers presents interesting viewpoint on current Washington viewpoint.

Veto message stated bill would raise government costs \$312 million for which Congress has not levied additional taxes. Presumably, but for this oversight, federal workers would have received raises, regardless of whether or not they were on any useful purpose.

But probably in entire history of government there has never been a government operation as efficient as U. S. Post Office.

Vetoed bill included \$12 million increase for this vital service, which was turned down because of reputed \$477 million deficit in 1954 and because a measure to raise first class postage rates failed.

Yet evidence indicates U. S. Post Office could be run with no, or little cost.

But Congressman James Davis of Georgia claims \$232 million of this deficit is in second class mail, \$153 million in third class mail. These deficits total \$385 million. Without them Post Office would have been only \$32 million in red. Undoubtedly plugging of other leaks would put postal service in black.

Third class provides for delivery of catalogs and circulars for as little as the first pound, while first class mail costs 42¢ per pound, parcel post 18 to 37¢ per pound, according to zone. In addition National Federation of Independent Business

dition, for big catalogs that go under parcel post, a special bargain basement rate is given.

Third class mail also gives bargain rates to big corporations seeking to drive out independent regional manufacturers, city by city, by broadcast mailing of cut price coupons to every home.

But even more interesting is second class mail accounting for roughly half the deficit. Back in 1879 Congress set up low second class mail rates for newspapers and other periodicals to facilitate transmission of news through impartial publications of which weekly and independently owned daily newspapers are the only survivors.

But under this 75 year old law, big national magazines printing short stories, novels and other material between advertising charged for at \$30,000 or more per page, are given cheap rates.

A half pound magazine containing over a million dollars worth of advertising, is delivered by Post Office for only a nickel. Mail subscribers to magazines pay 13¢ per copy.

Thus facts appear those who seek to destroy competition by couponing, those who sell through catalogs in competition with local independent business and a few huge magazine publishing combines are subsidized to tune of hundreds of millions of dollars per year.

Therefore, this is interesting. No mention is made of making these "free loaders" pay for services which create the deficit. Rather, idea is to charge general public more through higher rates, or taxes, to continue these subsidies. Postal worker pay is increased. An interesting sidelight on a current trend.

Highlights and Sidelights FROM YOUR State CAPITOL

By VERN SANFORD, Texas Press Association

AUSTIN. — Texas insurance activity has boomed back into the news. This time it's a feud between the Board of Insurance Commissioners and Attorney Renne Alfred, Jr. And it's destined for court action.

Flare-up between the board and Alfred, attorney for the liquidating division, came after the board dismissed the attorney and hired Austin Attorney Emmett Shelton.

Alfred refused to leave his post, claiming that he was responsible to the courts which approved him as attorney for Liquidator J. D. Wheeler.

He charged in a public letter to the commission that he had been discharged after he refused to delete the name of a commission employee from a suit he is to file. The suit is against persons connected in fraud charges involving the Texas Mutual Insurance Company of Beaumont.

The insurance board said it had never authorized the appointment of Alfred. It also warned Wheeler that he will be considered "possibly liable" if he continued paying Alfred's salary.

Board Chairman Garland A. Smith said that he felt the issue would be settled in court. The test is needed to clarify the law for the insurance industry and the public, he said.

Laughlin

C. Woodrow Laughlin, 79th District Judge removed by the Supreme Court and later voted back in the July primary, faces a suit attempting to bar him.

The State Bar Association filed the suit in Alice through Attorney Earl P. Hall of Austin. It contains 11 counts against Laughlin, similar to the 12 charges by attorneys responsible for his first ouster from the bench.

"I've been expecting this for two or three days," Laughlin said, when notified of the suit.

Decision as to whether the attorney, a central figure in Duval County controversies, is to be disbanded will be left to a judge and jury.

Negro Sues

A 17-year-old Houston negro, denied entrance at the University of Texas, has taken his case to Federal Court.

John Winfred Walker filed his case on behalf of other negro students in the same situation.

Walker was turned down by the University on the basis of a policy that permits entrance of negro undergraduates only when their academic course cannot be pursued in the state's negro colleges.

Six negroes have been turned down by the University this month. They planned to study engineering or architectural courses.

State Home

Corsicana Home, 65-year-old state orphanage, should be kept in operation, ex-students of the orphanage have told state officials.

Walker Appointed

Governor Allan Shivers has announced the appointment of Ruel C. Walker, Cleburne attorney, as associate justice of the State Supreme Court. Walker will replace the late Graham B. Smedley.

Appointment of Walker, as well as naming of 10 district judges and two district attorneys by the governor, followed nominations of the State Democratic conventions at Mineral Wells.

Patsy Loflin - Eddie Meil Wed At Bovina Methodist Church

The marriage of Patsy Loflin, daughter of Mr. and Mrs. J. A. Loflin of Bovina, to Eddie Meil, son of Mr. and Mrs. C. L. Meil of Meadow, Texas, was solemnized recently in a double-ring ceremony at the Methodist Church in Bovina.

Rev. W. C. Wade, pastor of the Assembly of God Church in Friona, read the service. An arch decorated with yellow dahlias and silver lace, flanked by baskets of white and yellow dahlias and mums and white tapers in candelabra, featured the setting.

Mrs. Roy Wilson, organist, played "In My Garden," and "Clair-de-Lune," and also accompanied Don Lewis who sang "O Promise Me" and "Because."

As maid-of-honor, Miss Norma Lee Loflin, sister of the bride, wore a ballerina length gown of orchid net. She carried a bouquet of white mums with horchid streamers. Bridesmaids were Marilyn Loflin of Springfield, Colo., and Sue Cook, cousins of the bride, and Billie Ward, Bovina, and Wanda Jones of Friona. They wore identical dresses of ballerina length blue net and carried bouquets of yellow mums with blue streamers.

Jill Blackburn was flower girl. She wore a dress of yellow organdy. Larry Loflin, brother of the bride, was ring bearer. Candelighters were Donna Tate of Clovis and D'ann Loflin of Springfield, Colo.

The bride, who was given in marriage by her father, wore a ballerina length gown of imported Chantilly lace over white satin, with a pleated nylon ruffle, fashioned with a molded bodice and a neckline of lace scalloped over nylon net. The sleeves were tapered to points over the hands. Her waist length veil fell from a white lace covered crown, beaded with pearls. She carried a white Bible topped with a white orchid and showered with stephanotis.

C. L. Lillard of Friona was best man. Ushers were Jerry Loflin, brother of the bride, and Joe Moore of Bovina.

For her daughter's wedding, Mrs. Loflin chose a grey dress with black accessories. Her corsage was of white carnations. The bridegroom's mother wore a navy dress with matching accessories and a corsage of white carnations.

Following the ceremony, the couple was feted at a reception in the church parlor.

Mrs. Gladys Whiteside, Bovina, presided at the bride's book. Mrs. Clara Guber poured the punch and the cake was served by Mrs. Lorraine Wright of Friona.

For a wedding trip to New Mexico and Colorado, Mrs. Meil wore a two-piece lightweight pink wool costume with beige accessories.

The bride is a graduate of Bovina High School and attended Southwestern Bible College. She is employed at the Friona State Bank.

Mr. Meil is a graduate of Meadow High School and served four years in the navy. He is engaged in farming northwest of Friona.

Out-of-town guests at the wedding were Mr. and Mrs. C. L. Lillard, Mr. and Mrs. Curtis Mulph, Mr. and Mrs. Archie Wright, Mrs. Frank Spring and Mary Tom, Lola

Goodwine, Mr. and Mrs. H. D. Africa Subject At Woman's Club

"Africa—A Continent in Ferment," was the subject of study at the meeting of the Friona Woman's Club on Wednesday, September 22, at the Clubhouse. Twenty members were present.

A panel discussion on "High Points in the History of Africa," "Primitive Tribes South of the Sahara," and "Rise of the Mau Mau" was presented by Mrs. C. W. Dixon, Mrs. Carl Maurer and Mrs. S. S. Prichard.

Mrs. G. L. Hough arranged for the musical selections which included piano numbers by Miss Nancy Outland.

At the close of the program, refreshments were served by the hostesses, Mrs. Joe Moyer and Mrs. A. H. Boatman.

The next meeting of the Woman's Club will be October 13, at which time Miss Flora Foreman of Amarillo will be guest speaker.

Initiation Held By Eastern Star

Twenty-seven members of the Eastern Star met Monday night at the Masonic Hall for the annual initiation service.

A color scheme of red and white was carried out in the floral arrangements of cut flowers and the formal attire worn by the members.

After the program, refreshments were served to those attending.

Bank Employees Feted At Amarillo Party

Mr. and Mrs. Frank Spring entertained employees of the Friona State Bank with a party on Saturday night.

The group went to Amarillo where they had dinner at Vol's restaurant and attended the Sonja Henie Ice Show.

Attending were Mr. and Mrs. Eddie Meil, Mrs. Fern Sanders, Mr. and Mrs. Wright Williams, Clyde and Lola Goodwine, Mr. and Mrs. Archie Wright, Charles Allen, Tacy Smith, Mr. and Mrs. Spring, Frankie and Mary Tom and Nancy Outland.

Progressive Club In Study Period

"Do You Know Your Club Constitution" was the theme of the program at the meeting of the Progressive Study Club at the Clubhouse, Tuesday night.

The devotional was given by Betty Louise Rector, and two piano selections were played by Mrs. Eva Miller.

A question and answer forum on the club constitution and parliamentary procedure was led by Billie Faye Rockey.

Three guests were present, Mrs. Eva Miller, Ruthie Fite and Edd Earl Luttrell. Mrs. Fite was voted into the club as a new member.

Refreshments were served by the hostess, Thelma Johnson.

WSCS Commenced New Study on Wednesday

Mrs. Blanche Boyle began a new study, "Man, God and City," at the Wednesday afternoon meeting of the Methodist WSCS, at the church.

She was assisted during the study by Mesdames Pearl Shelton, Phyllis Squires, Loretta Brookfield, Wilma Jones, Dorothy Ellis, Gwan Graves, and Lucille Rockey.

The president, Mrs. Willard Stewart, presided over the business session.

The devotional was given by Mrs. Luella Drake.

Following the program, the

Laura Moyer - Dale Hart Engagement Announced

Mr. and Mrs. O. B. Moyer of Friona announce the engagement and approaching marriage of their daughter, Laura, to Dale Hart, son of Mr. and Mrs. Leon Hart of Friona.

The wedding is scheduled for October 8.

The group went to the parsonage to view some of the improvements being done there, then returned to the annex for refreshments which were served by Mrs. Mildred Hilton and Mrs. Cordia Slagle.

Engagement Announced

Mr. and Mrs. W. E. McClothlin announce the engagement and approaching marriage of their daughter, Mary Bell, to Dale Westbrook, son of Mr. and Mrs. Bee Westbrook of Friona.

The wedding is scheduled for Sunday, October 3, in the Friona Methodist Church, at 5:30 o'clock.

Rev. U. S. Sherrill, pastor of the Methodist Church, will read the ceremony.

Mrs. Joe Talley Is New WMU Head

The WMU of the Baptist church met Tuesday evening in the Educational building for their annual installation of officers and for a salad supper.

Mrs. George Ray of Dimmitt, the installing officer, used a flower garden theme in the installation service.

Officers installed were: President, Mrs. Joe Talley; first vice-president, Mrs. Wesley Hardesty; second vice-president, Mrs. W. S. Crow; secretary-treasurer, Mrs. T. E. Lovett; recording secretary, Mrs. Spencer Hough; chairman of the Kimbrough Circle, Mrs. Clyde Scarbrough; chairman of Ruth Circle, Mrs. James Terrell; chairman of the Business Women's Circle, Mrs. Lucy Jones; mission study chairman, Mrs. Clyde Sherrieb; Business Women's Advisor, Mrs. C. A. Hyde and Mrs. Bolding of Nashville, Tenn.

pink carnations.

Reception

Immediately following the ceremony a reception was held in the Methodist Church Annex with approximately seventy guests present.

The bride's table was laid with a lace cloth and held a centerpiece of red roses. The tiered wedding cake was topped with a miniature bridal couple.

Mrs. Floyd Rector presided over the bride's book while Miss Verna Coley poured the punch and Miss Shirley Coconough served cake to the guests.

Mrs. Jones is a graduate of Friona High School and has been employed by the Friona State Bank for the past several years.

Mr. Jones is a graduate of Friona High School and for the past three years has been in the Air Force, stationed at a base in Anchorage, Alaska. He has recently received his discharge from the service.

Following a short wedding trip, the couple plans to reside in Friona for the present time.

Out-of-town guests attending the wedding included Mr. and Mrs. D. W. Smith of Plainview, grandparents of the bride.

Student Faculty Entertained Here

The 1954-55 Student Faculty Congress entertained the 1954-55 delegates Sunday afternoon with a costume party and buffet supper in the Home Economics department at the high school.

Theme for the party was United Nations and United Student Body. A large world globe hung in the center of the room, with colored crepe paper streamers draped from the corners of the room to the globe.

Patsy Anthony led the group in several games and table games were played.

Menu for the buffet supper included baked ham, cheese slices, sliced tomatoes, stuffed celery, relishes, soup, mints and fruit punch.

Various countries were depicted in the costumes worn by those attending. Carol Blackburn wore a costume of China; Deniese Magness, France; Ann McKee, France; Dudley Bainum, Mexico; Phila Mae Buske, Cuba; Mickey Ready, Arabia; Doris McFarland, Cuba; Marie White, Arabia; Pearl McClain, Cuba; Phyllis Fairchild, United States; Deniese Bender, Scotland; Don Lewis, Italy; Harold Taylor, Turkey; Patsy Anthony, Hawaii; Ruby Grubbs, Philippines; Phyllis Trieder, Italy; Mrs. White and Mr. and Mrs. Kelley, United States.

Thirty eight ladies attended the Freezer Demonstration conducted Tuesday by the Parmer County Implement Company. The program was reported well received.

SERVICE

Is No Recent Word with Us
But Rather has been our Watchword
Since 1907

We appreciate the fact so many of you, year after year, some since 1907, have learned to depend on our firm as a place that put SERVICE TO YOU first and above all in every transaction.

As part of this community, we have had a personal interest in development of our neighborhood and in the personal welfare of each of you. It has been a pleasure to assist in making your building dreams come true, or even in supplying that small order of nails to start Junior on his carpentry career!

It also has been a pleasure cooperating with other merchants of the town in anything for the betterment of the community.

Our policy has not changed; we have continually attempted improvement of our facilities and our stock to meet the local needs. We hope that we have in some manner succeeded.

Rockwell Bros. & Company has never been governed by the clock or the calendar in its scope of service, and you'll find us just the same - tomorrow and next year, a helping hand present with the stock and services you expect and deserve.

On Thursday, October 30, he will receive his commission in the Air Force, but will not have to report into service until March.

Charles Osborn attended the Texas A&M-Oklahoma A&M football game in Dallas, Saturday.

Minister Spoke To Lions Club

By BILL STEWART

Not only did Boss Lion McFarland fail to show up for regular meeting, September 23, but after a little investigation we find he was accompanied to New Orleans by Lion Dan Ethridge. We assume they went to a Lions Club meeting there. Vice-President White acted in his place.

Mr. Knight, pastor of the Congregational Church, gave a very good talk on the subject "Getting Along With Other People," giving us many useful suggestions. Program Chairman Outland had asked him to substitute for his company's pictures since they were tied up at the Fair in Amarillo. His talk was beneficial to all of us.

The other visitor to the Club, John Lamb, manager of the Parmer County Implement Company, is probably aware that we have our sights trained on him for a new member and we hope to have him "signed up" before next meeting.

Some discussion was started by Lion Bavousett on the possibility of the Club getting up a Minstrel Show. It will probably be continued at the next meeting October 14.

Program Chairman Allen plans to present Echols Quartet from Clovis, at one of the meetings in October and we hope to have more than the 19 members who were present at the last meeting.

Lion Dickson informed us that Boss Lion McFarland furnished the pipe for the Club signs and that they were ready for installation.

TROOP IV

The Girl Scouts of Troop IV met Monday afternoon for the second meeting of the new Scout year.

Officers were elected during a business session. They are: President, Francis McClothlin; vice-president, Peggy Widner; secretary, Sally Hough; and reporters, Janie Parker, and Barbara Edens.

Methodist Church News

Rev. Edgar Ervin of the Methodist Camp grounds will preach at the local church Sunday morning in the absence of the pastor, Rev. Sherrill.

Rev. Sherrill will be in Groom on Sunday to preach at the homecoming and golden anniversary of the Groom Methodist Church.

President Eisenhower Says Nation Needs USO And Other UDF Services More Than Ever

"As I see it, the big thing that the United Defense Fund does is to keep the soldier abroad understanding that he is part of America, no matter where he comes from, what may be his city, what may be his race, or his religion—he still thinks, through this kind of effort, primarily of America, and of himself as an American," President Eisenhower says.

"Having moved from a fighting war to an armed peace, the nation has an even greater need for the United Defense Fund services than was the case during a fighting war. This paradoxical situation is not clearly understood by all our citizens. Obviously, if we are to maintain the United Defense Fund services, particularly those of the USO, on the high level needed to sustain the morale of the defense program, the understanding and support of the American people are vital."

United Defense Fund finances USO and four other defense-related national health and welfare agencies. UDF is supported through Communist Chest or United Fund campaigns.

USE OF CONCRETE PIPE

Conservation of irrigation water is very important to the irrigation farmer. Loss of water from unlined ditches because of seepage and evaporation can be enormous and probably varies from 10 to 50 per cent.

A limited supply of water makes such losses doubly serious. Fewer acres can be irrigated or crops must suffer from lack of enough water. Concrete pipe is one method to cut seepage and evaporation losses to a minimum.

The farmers of the Farmer County Soil Conservation District are rapidly learning the advantages of concrete pipe. Some of the advantages are: It provides close control of water distribution, saves time and labor, permits productive use of all the land, aids in insect and weed control, simplifies irrigation of sloping lands and re-

quires little maintenance.

Of course any concrete pipe line needs to be properly located so as to fit into a well designed system. Since these lines are permanent it is well for the average farmer to seek advice on their design and location. Soil Conservation Service technicians assigned to the Farmer County Soil Conservation District are available and able to help with your concrete pipe problems.

Since two qualified contractors are installing and furnishing concrete pipe in this area, no problem should be encountered in obtaining the pipe or the installation. These two contractors guarantee their installations for one year. Generally any fault in material or workmanship should become evident during the first year of operation.

Perhaps pipe lines will never replace all open ditches but may eventually replace most permanent ditches. When concrete pipe lines are supplemented with the use of metal or canvas pipe, no ditches at all are necessary.

While concrete pipe lines are expensive, their life span should be long. Considering the advantages and saving through their use, a real saving may be expected over a relatively short period of time.

Legionnaires Go To Amarillo

AMARILLO, Texas, Sept. 28. — Legionnaires and Auxiliary members from the 44 posts in the 18th Congressional District will gather here Saturday and Sunday, October 2 and 3, for their annual fall convention to be held at the American Legion home with Paul Spillman, Wellington attorney and the 18th district's new commander, presiding.

Commander Spillman announces that the speaker at the joint session of the American Legion and Auxiliary, Sunday morning, will be Congressman Walter Rogers who will bring the Legionnaires up to date upon veteran legislation and other matters of interest to them in the national congress.

Saturday afternoon from 5:00 to 5:30 o'clock a rehabilitation conference will be held with post and county service officers and others interested participating. Saturday evening social activities will be a banquet followed by a dance at the beautiful American Legion home of Hanson Post No. 54, Amarillo.

Sunday afternoon separate business meetings will be held by the American Legion and the Auxiliary. Reports from district committee chairmen will be heard and plans for the district's 1055 year will be discussed.

Planning to attend the convention from Friona are Mr. and Mrs. Sam Williams, Mr. and Mrs. Joe Mann and Mr. and Mrs. Joe Brummett. Brummett is commander of the local post.

Attend Youth Meeting

Don Lewis, who is a member of the Seventh District Methodist Youth Council, attended a meeting of that organization Friday night at Canyon.

The Council met at the Methodist Youth Center on the campus of West Texas State College.

State Fair Studded With New Attractions

The big show is just about ready, and when the big gates of the 1954 State Fair of Texas swing open for the 16 days of excitement, October 9-24, there'll literally be "something for everybody" on the 187-acre, \$35,000,000 fairgrounds.

There'll be plenty for the ladies to see: A glamorous new air-conditioned Women's Building, jammed with luxurious exhibits of fashions centering around a ten-million-dollar display of diamonds and with more prize-winning examples of home-making skills than ever before; there'll also be free style shows several times a day; and the fabulous "Kitchen of Tomorrow" is sure to draw mom's interest.

The menfolk will find lots they'll like: The giant Automobile Building with experimental cars of the future occupying the spotlight, latest model farm implements of every description; the Pan-American Livestock Exposition of beef and dairy cattle, sheep, swine, goats and horses; big-time college football in the Cotton Bowl.

Kids of course will have themselves a big time: There's a free show just for them, "Aladdin and His Wonderful Lamp". The gay million-dollar Midway with its dozens of thrill rides and sideshows including the sensational new con-

traption "Flying Cars"; the free aerial acts high above the Midway stage; snow cones, cotton candy, hamburgers, soda pop, hot dogs, candied apples.

And the whole family will find a great deal of fun at the nation's largest annual exposition. "The King and I" in the Auditorium is a tenebrous show that's tops; "Ice Cycles of 1955" is one of the most popular fair perennials; the Joie Chittwood Thrill Show will provide excitement for all ages.

The family will enjoy the gorgeous "Dancing Waters," a restful and unusual show. The House Beautiful Pace Setter Home for 1955 is a house designed for "Texas living" that most anybody would like to move right into. The Aquarium, Museum of Fine Arts, Health Museum, Hall of State and Museum of Natural History will have educational and cultural offerings to fairgoers. "Research for Texas Agriculture" shows how food for the family is grown in Texas.

No matter what Mr. and Mrs. John Q. Fairgoer and all the kids go to the fair to see, it'll be there—top-quality entertainment, lavish and unusual exhibits, championship livestock and poultry, exciting sports, and just plain fun of all kinds.

Black Items

Ross Latham fished at Sugar Lake in Old Mexico last week and returned with a 200-pound catch. These fish are beautiful and very delicious, as we can vouch for, due to Mr. and Mrs. Latham's generosity.

Betty Deaton of Bovina visited her family, Mr. and Mrs. K. E. Deaton, at Black on Sunday.

Mrs. D. C. Allman and Phyllis of Hereford visited Mrs. Deaton and Barbara, Saturday afternoon.

Mr. and Mrs. Leonard Latham were visiting in Lubbock, Tuesday.

Cecil Coker of Tucumcari was a visitor in the Roy Coker home Thursday.

Most everyone in this community attended the fair in Amarillo during the week.

K. E. Deaton and Barbara attended the football game at Bovina Thursday night.

Mr. and Mrs. Claude Edelman and Billy and Judy were guests in the Joe B. Douglas home Sunday.

John S. Thompson and Mrs. Leona Wolfe are making the Albuquerque State Fair this week with their Shorthorn cattle. John won grand champion at the Amarillo fair.

Mr. and Mrs. Jim Barnett and sons of Alamosa, Colo., are guests this week in the home of Mr. and Mrs. R. E. Barnett.

Mrs. Jack Shackelford, mother of Mrs. Ralph Price, is staying with Ralph Price and her small grandsons while Maxine is in the hospital. Mr. Shackelford and daughter also came down over the week-end from Cheyenne, Okla.

Mrs. Eva Peak of Amarillo is visiting the Howard Elmores. Mrs. Elmore and Mrs. Peak visited in the Presley home, Sunday morning.

Mrs. Ralph Price underwent major surgery at the Hereford hospital Tuesday morning. She has been very ill but is reported doing nicely at this time.

Mrs. C. V. Burgess, a sister of Roy Coker, visited in the Coker home one day this week. Mrs. Burgess is from the Progressive community. Mr. Burgess is in the Hereford hospital this week.

Brothers Visit for First Time in 19 Years

Visiting over the week-end in the A. W. Wood home in Friona was J. V. Wood, brother to A. W., and resident of Miami, Florida. This was the first trip of Mr. Wood's to the Texas Panhandle, and he continually remarked on the good crops locally. It had been 19 years since the brothers had seen one another, and the short visit was well crowded with reminiscing, tales of childhood capers, etc.

Mr. Wood left Miami via plane about 7:30 a. m. last Wednesday, arriving at Amarillo at 8:20 p. m. the same day.

Mrs. Mayme Adams left Thursday afternoon for a visit with her cousin in Amarillo.
