

Let's Enter the Contest!

What projects merit special attention in the Friona area during 1955?

The Friona Star and the Friona Chamber of Commerce and Agriculture want your views on worthy projects, ideas about needs in the growing community, the irrigation area, etc.

In fact, the Star wants YOUR ideas very much; so much so that we are announcing a friendly little contest in which we urge your participation for the good of the community and more indirectly your own prosperity and welfare.

Here's all you do:

Between now and February 19, drop a line to The Friona Star, setting out as many projects as you wish that should be given attention. These may be new plans or old projects on which you have new ideas. You may merely state the project or you may go into detail regarding methods. Surely you can think of many—roads, building, even some plan or gadget that would be a boon to agriculture.

For every entry received, the Star will give a 3-month new subscription or 3-month extension on your present subscription.

AND—for every person entering, the Rockwell Bros. & Company, Lumbermen, will give a 1-year subscription to some newcomer in the community during the coming year! If 25 people submit entries, then 25 other people, new neighbors whom you, ourselves and the Rockwell firm wish to welcome as community members, will be mailed complimentary 1-year subscriptions.

And—the person submitting the winning entry (judged by an impartial group named by Chamber of Commerce President Dillie Kelley) will be recognized at the next Chamber of Commerce Banquet in appropriate ceremonies.

So, let's get in the fun—flood us with those entries!

Dr. Paul, bless him, advised not too long ago that we get 8 hours sleep a night. Reminds me editor of school days when we did just that—4 hours sleep in bed and 4 in study hall! Guess we've progressed, however; now it's divided between 4 hours sleep in bed and the remainder while writing this column.

Sheriff Charles Lovelace has announced that 1,646 poll taxes were paid in Parmer County this year. This would appear to be a sizeable number for an "off-election year"; the 1953 off-election poll taxes totaled 1,435.

Ever notice the businessmen whose desk tops are near covered with honorary "citizenship" cards from various cities, special deputations, passes to this function or that one?

Farm Bureau Will Launch Drive Soon

Directors of the County Farm Bureau organization met Tuesday evening in Friona, mapping plans for the annual membership drive beginning in March.

T. E. Lovett, drive chairman, announced that a kick-off dinner for drive workers would be staged Tuesday night, March 1, probably in the Friona school cafeteria.

In charge of the kick-off dinner and program are Mr. and Mrs. Claude Miller and Mr. and Mrs. Ralph Smith.

The county organization now has the largest membership in its history, 690 being tallied at last count. Goal for 1955 is 775 members, Service Representative Raymond Euler stated.

Plans also were told at the meeting of having a representative of the Internal Revenue Department in Friona in the near future to address a farmer group, explaining social security rules for farmers.

A committee of O. B. Moyer and Raymond Euler was appointed to investigate possibility of enlarging present office quarters of the bureau.

Officers of the county organization include A. J. Ellison of Bovina, president; T. E. Lovett, Friona, vice-president; Hadley Reeve, Friona, secretary-treasurer; and Raymond Euler as service representative. There are ten directors from throughout the county.

Howard Ford was in Amarillo, Tuesday, attending a showing of the new Case tractors.

And some carry such a conglomeration in their billfold. In fact, we were cleaning out our own recently, and upon finding everything from passes to the legislative chambers to tickets to the International Livestock Exposition, we were reminded of the tale credited to a Moscow setting.

A certain Muscovite stood in so well with his party that he was granted a permit which, among other things, granted him privilege to buy a railroad ticket without having to stand in line for it. One day he went to the railroad station and presented his precious permit.

"Get in line over there," he was instructed.

"But," protested the indignant party wheel, "this permit allows me to buy a ticket without standing in line!"

"I know that, comrade," rejoined the agent, "and that is the line for people who don't have to stand in line to buy tickets."

New Residents

Joe Blythe in house belonging to Mrs. Pearl Bartlett.

Been Woody in F. S. Truitt house. Indicative of new resident pace, twelve new utility services have been installed by the city since January 1. This is in addition, of course, to the new residents moving into locations where service already was in force or arranged for.

If anyone wishes to do some advertising in Friona as the "Town Without a Jail," we would suggest this be done in the near future. Our predictions of things to come include belief that a jail and city hall are in the offing at not too distant date. Believe we have editorialized annually on the need of the jail at least; and with now present rapid civic growth we'll toss the city hall in for sanction also.

You can tell when an industry is losing money. Its heads begin to believe in government ownership!

Notice that there's a statewide conference on Law Enforcement under way Feb. 7-8. Attorney General John Ben Shepperd is stressing a theme of "making crime unpopular and unprofitable in Texas."

Whether it is crime or business venture or social reform—the endeavor rapidly becomes unpopular when the profit factor is removed.

The Curbside Philosopher observes that the man who knows HOW will always find his place in the world... but the man who knows WHY will be his boss!

Facts and Expectations on Friona BUILDING

More is being said on the streets of Friona at present than likely ever before regarding problems incurred in city administration, the taxpayers' role, and a multitude of situations that can be grouped under the heading of "growing pains."

During 1955, every resident will become more conscious of the growing tempo of these situations.

Let us insert our own opinion here—that the growing pains are healthy ones, and should be the most welcome of any "pain" known.

Alright—now here's what we're talking about:

At least two new additions are coming into the city limits. Each of these is of considerable size. The city commission and zoning commission already have accepted the first of these plats presented—that of the Staley Addition, being developed by Dan Ethridge.

At this writing, the plat of the Whiteway Addition west and north of the hospital is being processed, with definite announcements to be made quite soon.

And many, many homes are being built on lots that were vacant and even considered undesirable only a few months ago!

What then is in the offing?

Answer: More paving, much revision of sewer and water program, AND a number of blocks demanding NEW lines and service—all going to tax-paying citizens who expect the same service as accorded a taxpayer in another section of town.

This we have with us now, to say nothing of possibilities of other additions and developments.

Continuing our resume of these developments before presenting the evident tasks confronting all of us, we point out the following:

Representatives of three reputable firms were in town last week alone, seeking business locations on Main Street. And more than this number of local businessmen are planning new projects to be announced in the near future. Of all this we know first-hand.

The incoming merchant observes this: "No present buildings are available for our occupancy"; "Most desirable Main Street vacant lot locations are priced far beyond our means"; "The contractor cannot build a modern building for our use, without demanding 3 or 4 hundred per cent more rent than present business outlook warrants our paying"; "If we locate here, we will have to build or buy residences for ourselves and employees," etc.

So under "Signs of Things to Come" we present:

Friona Projects Report:

Paving Petitions Handed City Dads

Petitions bearing 81 signatures requesting additional paving in Friona were presented the city commission at the Monday night meeting of that body.

Specifically the petitions called for "a bond election for the purpose of paving." No blocks or lots were designated in the requests, but the signers pledged to bear their proportionate costs of streets adjacent to their property. Signers were evident from all sections of the corporate limits.

The commission took no action on the petitions or proposed bond election at the Monday night meeting. Before any election is called, specific routes would of necessity have to be worked out for the paving, similar to the plan followed for the project of two years ago.

Mr. and Mrs. Roy Miller left Wednesday for Washington, Oklahoma, to visit Mr. and Mrs. Asa Miller and Mr. and Mrs. B. C. Riley, and to attend to business.

Street Lights Are Still Obtainable

Need a street light on your corner?

The city commission still is accepting petitions for lighting in residential sections. The group passed on two such requests Monday night, one calling for lights at each intersection on Woodland Avenue from Seventh street north to Highway 60. The other one was for light at intersection of Eighth and Columbia.

Mr. and Mrs. A. W. Anthony left Friona last Thursday for Fort Worth to attend the Fat Stock Show. They went by way of Hobart, Oklahoma, where they visited friends. On Friday, Mr. and Mrs. Ernest Anthony and Patsy joined them in Fort Worth and attended the rodeo. They also visited M-Sgt. and Mrs. H. C. Biggers while in Fort Worth. She is a daughter of Mr. and Mrs. A. W. Anthony. The group returned home Sunday afternoon.

Hospital Goal Near

Report released by Hospital Manager Jimmy Baxter this week reveals only \$2,300 lacking in the drive to secure \$50,000 to insure building of a new hospital.

With money still coming in each week from individuals and from group activities (\$155 coming from the Methodist chili supper) actual cash on hand has passed \$43,000. Pledges of \$4,750 bring total monies assured of \$47,750.

Baxter says the architects are near completion of plans to be presented the hospital board; only about 3 weeks further work here is anticipated. In fact, he hopes everything will be in readiness for construction soon after April 1.

Mr. and Mrs. Frank Spring and children spent the week-end in Canyon visiting her mother, Mrs. T. W. Collins. They also attended the West Texas-Arizona basketball game Saturday night.

Schoolman and civic worker, Dillie Kelley was elected Tuesday evening as 1955 president of the Friona Chamber of Commerce and Agriculture.

Kelley, an incoming director of the organization, replaces Dah Eth-

ridge as president. Also elected at the meeting this week were Wright Williams, local cotton ginner and barbecue connoisseur, as vice-president; and Mack Bainum, butane dealer and past mayor, as secretary.

Kelley, principal of the Friona High School, has for several years been identified with progressive administration of the local schools, is an active church worker, and one of the best promoters of town and area.

In launching the 1955 C-C activity, Kelley announced appointment of a "Plans and Aims Committee," this cross-section of businessmen and farmers to set forth the now-apparent jobs facing a wide-awake commerce organization in 1955. From the report of this committee at the March meeting of the board of directors, it is anticipated that a budget can be set up and work committees named for each task.

Wright Williams was appointed chairman of the Planning Committee. Other members are Herman Neff, Bert Neelley, J. G. McFarland and Floyd Schenker.

The directors voted to retain Mrs. Lucy Jones as office secretary of the organization.

Water Office Is Moved to Bovina

Effective as of yesterday, irrigation well permits for Parmer County will be issued from a Bovina office, due to action taken by the Parmer County Committee of the Hi-Plains Underground Water Conservation District No. 1 at a Tuesday night session.

Permits will be issued by Aubrey Brock at the Wilson Real Estate office in Bovina, with the committee meeting on first and third Thursday nights to consider applications.

Directors present at the Friona session wherein the office moving was voted were John Gammon, committee chairman, D. E. Ivy, Matt Jesko, and Cordie Potts. Only Walter Kaltwasser was absent.

The permit service had been given within the county until this time by the Farm Bureau, with the Friona office facilities made available. Since formation of the district in February, 1953, over 1,000 well permits have been approved.

A Friona office location, separate from the Farm Bureau office, had been offered the committee recently, with proposed handling of permits at the American Legion Building. Reasons advanced by the committee for moving to Bovina were "to make the office more accessible to all sections of the county at more convenience."

Over \$3,000 Given MOD in County

Total Parmer County contributions to the March of Dimes totaled \$3,832.60 during the January drive, according to tabulation this week by County Drive Chairman Raymond Euler.

Of this total, Friona led with contributions of \$1,191.79. Bovina gave \$696.24; Lazbuddie, \$150.00; Rhea, \$352.00; Black, \$97.18; and the Farwell-Oklahoma Lane combination, \$914.92. Miscellaneous count activities brought in \$431.19. The envelopes mailed brought \$143.79; TV talent show, \$150.40; and show contributions, \$137.00.

Breakdown of Friona gifts include:

Ball game, \$63.19; Mothers' March, \$308.00; Girl Scout crutch sale, \$124.16; 4-H balloons, \$57.51; Teen-Twenty Club, \$10; North Side H. D. Club, \$15; Friona Cafe Juice Box, \$10.00; grade school, \$142.20; Troop 5 Girl Scout candles, \$18.02; Legion, \$28.15; Regal Theatre, \$42.24; Mary's Cafe music box, \$8.00; Sully Gleaton's music boxes, \$12.00; coin collectors, \$192.92; and Student-Faculty Congress, \$160.42.

Bovina donations came from \$624.00 in the coin collectors, and \$72.24 by the 4-H girls balloon sale.

Lazbuddie derived \$87 from a community "42" party, and 63.01 from balloon sale.

Rhea held a highly successful pie sale, netting \$278.00; also giving \$45 from a comfort raffle; and \$29.00 of other contributions.

The Farwell schools accounted for most of the funds there, presenting \$654 of the total \$914. Mothers' March followed with \$127.72; coin collectors, \$81; Mrs. Kaltwasser coffee, \$60, and several smaller amounts from community functions.

CREDIT UNION REPORT SHOWS RAPID GROWTH

A check with the Friona Federal Credit Union officers this week would indicate that the organization is growing rapidly, and to date 124 members have placed their savings in the Union to make assets totaling \$2,467.66.

Eight loans totaling \$1,080.00 have been made since the Credit Union was organized in November, 1954.

Red Cross Drive Slated in March

The Parmer County Red Cross officials held a meeting Tuesday night at the home of Wesley Foster, Red Cross County Chairman.

Plans were made for the Red Cross Fund Drive, which will be held March 7, through March 12, over the entire county. Drive chairmen for the different communities were selected. Participating in the drive will be Rhea, Black, Lakeview, Lazbuddie, Hub, Oklahoma Lane, Farwell, Bovina, and Friona. Charles Allen will be drive chairman for Friona, assisted by Loyde Brewer and H. K. Kendrick. The county quota this year is \$1,480.00. The 1954 quota was \$1,500.00.

Meeting with the local group was Mr. Jim Watson of Plainview, Red Cross field director for this territory.

Refreshments were served by Mrs. Wesley Foster and Mrs. O. F. Lange to Mrs. L. G. Prewett, Mrs. D. H. Hand, H. K. Kendrick, Loyde Brewer, Mrs. Melba Neelley, Wesley Foster, and Mr. Watson.

Father-Son Fete Set for Feb. 22nd

Tickets are on sale this week for the Father-Son Banquet to be held February 22, sponsored by the Methodist men of Friona.

Dr. Eugene Slater, pastor of the Polk Street Methodist Church of Amarillo, and widely-known speaker, will give an address at this banquet to which all fathers and sons in the area are invited.

Tickets are going at \$1 per plate, and can be obtained from Bill Stewart at the Ethridge-Spring Agency and from Kenyth Cass. The banquet is scheduled for 7:30 p. m. at the school cafeteria on Tuesday, February 22.

in a battle for the minds of men. We can win it, and we must.

TEXAS WINS AGAIN

You have heard of George Washington being the father of this country. But, did you know that the Panhandle of Texas has some residents who are direct descendants of Colonel Joshua Fry, who was Washington's senior in command of Virginia forces in 1754. In other words, our Panhandle citizens' ancestor was the commander of the father of this country. Of course, some people will say this is a little far-fetched, and it probably is, but I say it just takes a little figuring to prove that you can't beat Texas, and especially the Panhandle. I got this information from Tom and Vera Jones, of Canadian, who are visiting in the Capital and have been digging through the Archives. Tom is one of the descendants.

WALTER ROGERS,
Member of Congress
18th District of Texas

To the People of the 18th District: THE FAR EAST

On February 2, 1955, I inserted in the Congressional Record an article authored by Dr. Diosdado M. Yap, editor and publisher of "Batatan Magazine." Dr. Yap has long been an outstanding foe of communism and a great champion of democracy. He covered the SEATO Conference in Manila last September and then toured Southeast Asia for a period of approximately two months. He is a native of the Philippine Islands. He is a recognized and well-known authority of Far Eastern affairs. I have discussed this matter many times with Dr. Yap, personally, and have been deeply impressed with his profound understanding of the peoples in that section of the world. His recent article contains several paragraphs that I think would be of interest to you. He says:

"In talking with hundreds of people on my recent trip, I find that among the masses in the Far East, with the exception of the Philippines, the people know nothing of these vast sums (six billion dollars in economic and technical assistance since 1945) which have been contributed by this country to help them. The benefits have been used to attempt to build political power, to stabilize existing governments, or carry on a propaganda war among people who can neither read nor write and who do not have enough to eat, let alone radios to hear American broadcasts against the evils of communism. In all my travels in about 27 countries, the only story I saw in any newspaper about America was a short paragraph in a paper in Pakistan concerning the divorce of Marilyn Monroe and Joe DiMaggio. By such standards are Americans judged in the Far East."

Speaking of the thinking of these people, Dr. Yap says: "The attitude of the great majority of the people of southeast Asia is best illustrated by a conversation I had with a laborer in Singapore. 'The people just want peace,' he declared. 'We are tired, we do not want to fight anyone anymore. We just want a chance to make a better living.'"

"Freedom to the common man in Asia means a small piece of land to call his own upon which he can raise enough to feed himself and his family and which will afford them shelter and give them the opportunity to clothe themselves."

And he quotes a Saigon taxi driver: "Yes, we have heard of America. They have given much money, but what is their purpose? They are in cahoots with the British and the French and will help these countries in their colonial policies, which means slavery for us."

In summing up, Dr. Yap says: "The minds of the people of Asia are yearning, not so much for knowledge of how bad communism is, as for assurance of how good democracy can be to their daily lives. Asia has been denied freedom for so long a time it has forgotten what freedom can mean in terms of a prosperous economy, progressive community life, and a richer meaning of human existence. These things cannot be brought home to the people of Asia merely through the propagation of the manual of arms or the usual vituperation against the Kremlin or Peiping governments."

I apologize for devoting most of the newsletter to this subject, but it is of number one importance at this time. We are truly engaged

STORK FEATHERS

Mr. and Mrs. Robert Hammond are the parents of a baby boy born February 4. He weighed eight pounds, seven ounces, and has been named Robert Royce, Jr.

Mr. and Mrs. Gene Watson are the parents of a baby girl born February 4. She weighed in at seven pounds, and is named Kathy Lynett.

Mr. and Mrs. L. L. Pullen are the parents of a four-pound, seven-ounce boy born February 7.

WEATHER

Increasing cloudiness and some colder temperatures are forecast for today, with warming trends closely following for the week-end. Springlike temperatures have been common the last few days, though below-freezing night readings were the rule. High southwest winds at the mid-week point gave impression of colder weather than actually was present. Moisture still is the immediate need of farmers throughout the area.

Boy Scouting on the Upgrade

February 6-12 is observed nationally as Boy Scout Week.

We salute the Boy Scouts of America on this, their 45th birthday, and more specifically extend congratulations to local boys and their leadership.

In any "pat on the back" column, recognition of men who have been of special service to boyhood would be only feeble payment for service rendered. And too often, these men never make even a column or news story.

Men like Steve Bavousett, Jay Sanders, Pudge Kendrick, Frank Spring, Gleen Reeve, Fred Barker, Jr., and Coy Patton, to name only a few, deserved all credit.

Scouting in Friona and in the Llano Estacado Council is on the upgrade, increasing in membership, activity and service. Not only is this result of diligent work by local leaders, but the Scout executives and paid workers have an integral function. This locality is most fortunate in having the services of Maurice Feague who has thrown away all rules of working hours and paid duties to render service beyond call.

Local Cub Scout work cannot be minimized. And much, much of the credit here is due to mothers of the community, not only the very capable den mothers, but to the homemakers who see the value of Scouting and encourage the young Cub in his activities.

The local Scouting program is part of a movement founded in 1910, a plan that has enriched the lives of over 22,750,000 boys and

adult leaders. Scouting has become almost an American way of life!

Today, 2,700,000 boys are in the ranks of this organization, reaching out to boys of every race, religion and economic strata. And today we can add the impressive figure of 960,000 adult workers of sterling character who give generously of their time and talents to work unpaid in the local units.

Dr. Arthur A. Schuck, the chief Scout executive, a leader in the organization since 1913, feels that it is of vital importance to train the boys of today to be ready for positions of leadership as they grow to manhood.

"Strong character, participating citizenship and physical fitness," he says, "are needs of our boys and young men who are served by the program of Scouting in cooperation with the home, the school, the church, and all other community institutions actively interested in training our future citizens."

Scouting's purpose, stated the Federal Charter granted by Congress in 1916, is to promote the "ability of boys to do things for themselves and others, to train them in Scoutcraft, and to teach them patriotism, courage, self-reliance and kindred virtues."

Every member of the nation's 95,000 Scouting units is indeed "having some kind of experience that is adding to his equipment to meet the problems of adult life."

It is that training that we heartily endorse on this noteworthy birthday.

Sen. Dorsey B. Hardeman's constitutional amendment for a \$100 million bond issue and a 3-cent tax is awaiting committee action.

Another House committee heard arguments on a bill for setting up a water commission. In the Senate, two rival plans by Senator Hardeman, who was chairman of the water resources study committee, and Sen. Crawford Martin, call for a water commission . . . one appointive, the other elective. All three would abolish the present Board of Water Engineers.

Miscellaneous

Attorney General Shepperd convened his fifth annual law enforcement conference in Austin with David Brian, "Mr. District Attorney" of TV, as a featured speaker.

A new drive for more stringent prohibition laws, including the possibility of an attempted constitutional amendment for something like the old prohibition law, is talked. Conference here by the Texas Council of Churches and the Council of Methodist Women may be the springboard.

Legislators are studying an A. and M. College report that Texas farm population has slumped 47.9 per cent since 1940—as compared with a 28.3 per cent decline for the rest of the nation.

In 1954 the farm population was estimated 1,126,000. That's 261,000 less than in 1950 and 1,297,000 under the record year of 1945.

Farms have increased in size to 517 acres average, or twice that of 1930.

Heavy movements of cattle into the United States have been reported from Mexican border points since the quarantine on cattle imports was lifted the first of the year.

Relaxation of the foot and mouth disease ban on imports has resulted in extremely heavy shipments at some points.

Movement on the border opening far exceeded that which occurred when the border was previously opened on September 1, 1952, after the first foot and mouth outbreak in Mexico.

The cattle were moving to range and feedlots over the country. Many went into pastures near the border. Some went to lots in California and Colorado.

A thousand head which moved from the A. B. Whitehead and George Miers ranches in Mexico and came in at Del Rio went to California lots and to Kansas and Nebraska.

Imports during the first year are expected to total 500,000, the U. S. Department of Agriculture reports.

Some border sources indicate that the number may not exceed 200,000.

Since 1910, the American Red Cross has issued over 16 million first aid certificates to persons instructed in Red Cross First Aid

By FERN SANFORD

AUSTIN.—Austin is full of "land-rab" investigations. Attorney John Ben Shepperd flew the lid off veterans' land deals to start the movement and the lid is still sailing.

Both houses of the Legislature have their own investigating committees. Also peering into the land block sale "scandals" are grand juries in Travis and DeWitt counties.

Voting to conduct a full investigation, the House set up a committee composed of Representative Joe Burkett, Wade F. Spilman, Virginia Duff, Reagan R. Huffman and Jesse Osborn. Burkett is chairman; Spilman, vice-chairman.

Recalled by the Senate investigating committee, headed by Sen. Dorsey B. Hardeman, was Attorney General Shepperd, for testimony under oath. This at the request of Sen. Jimmy Phillips.

Because of Phillips' line of questioning, Rep. Leroy Saul charged at the senator was preparing to sue for attorney general and using an investigation for "personal liability."

Shepperd testified that minutes of the Veterans' Land Board showing him present and voting for individual applications were erroneous. He said that the board didn't pass on the applications— that it was an administrative matter turned over to the chairman— former Land Commissioner Bascom Miles.

The same practice is being followed under the new chairman J. R. Rudder, Shepperd said.

Shepperd also said he didn't use his influence as a board member to favor any applicants. He further stated that a 1953 letter from G. Curtis Jackson Jr., Zala County attorney, complaining block land deals by C. O. Hagan, is not seen by him until after investigation started.

Shepperd Files Suits

This testimony came as Shepperd filed the first two of a prospective list of suits to forfeit block land deals and recover the money of land operators.

G. Curtis Jackson Jr., was a defendant named in one of the suits. Shepperd testified that Jackson was identified in one of the land deals.

Shepperd's first two suits were against L. V. Ruffin and B. R.

Sheffield, both of Brady, and J. Paul Little, G. Curtis Jackson, R. and H. R. Stallings, of Crystal City. The Brady group was sued for \$336,247; the latter for \$150,000.

Sheffield has been identified as a former business associate of Bascom Miles, who quit as land commissioner and veterans' land board chairman on January 1. Giles refused to testify before the Senate committee on his business relations with Sheffield and other land operators.

Rep. Dolph Briscoe Jr., author of the House investigation measure, also introduced a bill providing 10-year prison terms and \$10,000 fines for using deceit, fraud or duress on veterans, or false or forged documents in land deals.

Insurance Committee Action

Corrective insurance bills have run into a slow-down.

Four were heard by a House Committee including one to regulate insurance company securities. All were sent to a sub-committee for two weeks.

In the Senate the insurance committee heard two bills. One would fix a \$375,000 minimum capital and surplus for new legal reserve life companies, all in cash. One requires examinations of legal reserve life agents. Both were attacked as monopolistic—for the big companies and were sent to sub-committee.

Labor Bills

Legislative committees moved slowly on a mass of other bills awaiting their action.

Several labor bills were heard. One by Sen. George Parkhouse, dealing with "the Port Arthur situation," won favorable action. It would permit picketing only by employees representing a majority of the workers of a struck firm.

Another bill by Parkhouse would prevent pickets from interfering with common carrier service to a struck plant; and would fine or jail common carrier employees for refusing to cross a picket line.

Water Committee Busy

Two committees studied water legislation.

Step Harold Parish's constitutional amendment for a \$200 million bond issue and a 1-cent property tax, was reviewed by the constitutional amendments committee, and held over for action.

Three Local Students In State Choir Contest

Three Friona High School students left Wednesday morning for Dallas where they will enter the All-State Choir contests to be held there Friday night.

Making the trip were Don Lewis, Denisee Magness and Phyllis Treidler. Accompanying them were Mr. J. D. Fry, band and choir director, Mrs. Henry Lewis, Mrs. H. T. Magness and Mrs. George Treidler.

The group will stay at Hotel Dallas, where the rehearsals and contests will be held.

The three students were chosen to represent Friona at All-State at the regional contests held in Canyon in December.

Scout Council Will Meet Here Monday

Leaders of the Friona Girl Scout troops met Monday afternoon at the Clubhouse to make plans for a Coronado Area Council meeting to be held in Friona, Monday, February 14, at 7:00 o'clock, in the Clubhouse.

This will be a dinner, and plates will sell for \$1.25. There will be guests from surrounding counties in this area, including council members and two Girl Scout leaders from Dallas, who will speak to the group.

Anyone interested in Girl Scout work is invited to attend. Mrs. Deke Kendrick, council member, asks that she be notified by February 10, so reservations can be made.

Attending the Monday afternoon meeting were Edith Johnson, Louisa Wilson, Willard Stewart, Gladys Helmke, Jinx Snead, Helen Potts, Eufalia Ethridge, Ione Taylor, Deke Kendrick and Ethel Ruth Spring.

Mr. and Mrs. U. S. Aiken spent the week-end in Portales, New Mexico, visiting relatives.

Mr. and Mrs. Ed Meeks of Oklahoma Lane were in Friona, Wednesday afternoon, to attend the funeral of Mr. J. D. McMillan. They also visited in the Clarence Ashcraft home while here.

Social Events, Parties, Clubs

Local Women Attended WSCS Sub District Meet

Six women from the Friona Woman's Society of Christian Service of the Methodist Church were in Vega, Friday, February 4, to attend the Sub-District meeting of that organization. Approximately fifty women were present, representing the eight Societies of this district.

New officers were elected, with Mrs. Wilson Arden of Amarillo elected leader; Mrs. Boomer of Hereford, assistant leader; and Mrs. Don Allred of Wildorado, secretary-treasurer. Children's work in the church was stressed during the meeting, and reports were given by each of the societies present.

Guest speaker was Miss Naomi Hare of Hereford, a missionary to Lima, Peru, now home on leave.

At noon the visitors were guests of the Vega society at a luncheon given at the Methodist church.

Attending from Friona were Mrs. Bill Stewart, Mrs. Ural Sherrill, Mrs. J. L. Shaffer, Mrs. Jean Anthony, Mrs. I. T. Graves and Mrs. J. H. Boyle.

Friendship Tea Given by Club

Members of the Progressive Club had a Guest and Friendship tea at their meeting Tuesday night at the Clubhouse. The club room was decorated with a theme of "Friendship Around the World." The main table held a centerpiece of a large world globe, with streamers attached to different countries around the globe. On the end of the streamers were the various flags of these countries, standing on small valentine gumdrops.

On the mantle was a floral arrangement, and the mirror reflected an arrangement in red satin, depicting the United Nations.

During a short business session, Emmarie Lennick was elected club delegate to the Federated Clubs convention to be held in Snyder, April 14-15-16. Ruthie Fite was elected alternate delegate. Betty Jarbo was voted in as a new member of the club.

The program included a short story, "The Night of the Storm," told by Emmarie Lennick, and a poem by Lunelle Horton. Mrs. Maurine Dunn presented two of her students, Jo Beth Brummett and Jerene Massie, who performed a dance number.

Miss Jane Burt Given Tea In J. G. McFarland Home

Miss Jane Burt, fiancée of Charles Osborn, was honored at a tea and coffee in the home of Mrs. J. G. McFarland, Saturday, from 3:00 to 5:00 o'clock.

Mrs. McFarland, the honoree, Mrs. Sloan Osborn and Mrs. W. E. Burt from Hollis, Oklahoma, were in the receiving line. Mrs. Katy Osborn and Mrs. Roy Clements, aunts of the prospective bridegroom, poured from the silver tea

and coffee service. Miss Gay Ann McFarland, cousin of the bridegroom, greeted the guests.

The centerpiece was in a crystal epergne filled with pink roses and white stalk surrounded by pink whirl candles. Other flowers carried out the bride's colors.

The bride was presented a card by the hostesses, Mrs. McFarland and Mrs. H. H. Horton.

Attending were: Mrs. Frank Spring, Mrs. Dan Ethridge, Mrs. John Wise, Mrs. John Lamb, Mrs. J. B. McFarland, Mrs. O. J. Beene, Mrs. C. L. Vestal, Mrs. Loyde Brewer, Mrs. C. L. Lillard, Mrs. Dalton Caffey, Mrs. Dillie Kelley, Mrs. D. C. Herring, Mrs. Juanda Jarrell, Mrs. Lloyd Rector, Mrs. Dan Luttrell, Mrs. Joe Douglas, Mrs. Douglas Connelly, Mrs. P. N. Welch, Mrs. Louis Welch, Mrs. Ralph Wilson, Mrs. Bill Buchanan, Mrs. Herbert Day, all of Friona, and Mrs. M. A. Snider, Jr., of Farwell, and Miss Lora Mae McFarland and Miss Min Atchley of Clovis, New Mexico.

P-TA Will Feature Panel Discussion

The Friona P-TA will meet Thursday night, February 17, in the school auditorium for the regular monthly meeting, at 7:30 o'clock.

A special feature for the meeting will be a one-act play, presented by the Friona Speech Department.

A panel discussion of our school, both grade and high school, will be given. Leaders on the panel will be Jamie Lu Lillard, Mattie Faye Crow, W. L. Edelman, Katie Osborn, Nelson Welch and Mae Magness.

The Student Faculty Congress will also entertain the small children in the gymnasium while their parents are attending the program.

Friona H. D. Club Aids Pool Fund

Mrs. Dottie Osborn was hostess to members of the Friona Home Demonstration Club, Wednesday afternoon at her home.

A program on "Fabrics and Finishes" was given by Mrs. Judy Cummings.

During the business session the club voted to hold a forty-two party in the Friona Legion Hall, February 15, to raise money for the Friona swimming pool fund. The club will sell pie and coffee and there will be a cake walk. No admission will be charged.

The hostess served cherry tarts, rolled sandwiches and coffee to Messdames Inez Shirley, Mary Roberts, Louella Drake, Movelda Fortenberry, Marlene Drake, Waneta Taylor, Judy Cummings and Pearl Shelton.

The next meeting of the club will be February 23, in the home of Mrs. Inez Shirley, and will be a copper demonstration.

Legionaires Went To Hereford Meet

Ten representatives of Friona American Legion Post 206 and Auxiliary were in attendance at the Zone 4 meeting in Hereford, Tuesday night.

The Auxiliary was in charge of a program that included a talk by a Globe-News staff member and initiation of Auxiliary members. Mrs. Sam Williams and Mrs. Loyd Mingus of Friona were included in this group of new initiates.

Next zone meeting will be at Vega on March 8, Commander Brummett states.

Attending the Hereford meeting from Friona were the S. T. Thorntons, Sam Williams, Loyd Mingus, Joe Brummetts and Earl Drakes.

Club to Present Quilt to Girlstown.

Mrs. Lloyd Battey was hostess to the members of the Parmerton Home Demonstration Club at her home Thursday, February 3.

A demonstration on "Fabrics and Finishes" was given by Mrs. Doyle Cummings of Friona.

The club members voted to make a quilt for Girls Town, and will begin to put the quilt together at the next meeting, which will be February 17 in the home of Mrs. Monty Barrett.

The club has one new member, Mrs. Doris Carter.

City Missions Studied By Junior Fellowship

Mrs. Jean K. Anthony and Mrs. Eugene Ellis, leaders for the Junior Fellowship Group of the Methodist Church, met with twenty-six of the members at the church Tuesday afternoon.

They continued the study on "City Missions, and Ways They Help City People." The Mission study was on a Chinese boy. The entire group joined in silent and sentence prayers and in group singing.

Refreshments were served by W. S. C. S. members, Mrs. Bill Stewart and Mrs. Buddy Squyres. The Junior group meets at the church each Tuesday afternoon at 4:00 o'clock and all junior age children are invited to attend.

"Church in India" Was Mission Topic

The Woman's Society of Christian Service of the Methodist Church met Tuesday afternoon in the home of Mrs. J. H. Boyle. Mrs. Ova Outland was co-hostess.

The study, "Under Three Flags," was continued under the direction of Mrs. Wilma Jones. Leader for the Tuesday program was Mrs. Pearl Shelton.

A discussion of "The Significance of the Church in India," was given by Mrs. Jessie Gore, and Mrs. Ova Outland gave a talk on "Women's Societies of Christian Service in India and Pakistan." Other parts on the program were "Temperature—126 Degrees," by Joy Lindeman; "A Marching Sound," by Doris Sides; and "Jeep Tracks," by Irene Cummings.

Refreshments were served by the hostesses to the twenty-nine members present.

Mrs. Patton Was Black Club Hostess

Mrs. Coy Patton was hostess to members of the Black Study Club in her home Thursday afternoon, February 3.

Mrs. Alpha Presley presented the program which included a talk on "The History of the Black Study Club."

Birthday gifts were brought for Christine Braxton and Louise Robinson, who were celebrating their birthdays last week.

Refreshments of cake with lemon icing and coffee were served by the hostess to Jessie Douglas, Maudine Edelman, Emma Elmore, Alpha Presley, Elmore Prewitt, Lucille Rocky, and Carrie Tatum.

The next meeting of the club will be February 17, in the home of Mrs. Alpha Presley.

Interest Mounts For Primary Group

Twenty primary age children attended the Tuesday afternoon meeting of the "Busy Workshop" at the Friona Methodist Church. Leaders present were Mrs. Frank Spring and Mrs. Newman Jarrell, Jr.

The mission story was "The Boy with the Busy Walk." This Bible story will be continued for the next ten meetings. Prayers were said by Phillip Varner, Eugene Weatherly, Donna Fulks, Lina Rector, Richard Neelley and Ronnie Brookfield.

The group completed handwork begun last week, had group singing and played games. Refreshments were served by two W.S.C.S. members, Mrs. Bill Stewart and Mrs. Buddy Squyres, to the following present: Teddy Osborn, Darrell Anthony, Richard Neelley, Trav's Graves, Kennie Ford, Karen Osborn, Lonnie Ellis, Larry Hollis, Donna Fulks, Lina Rector, George Rushing, Jan and Rex Wells, Ronnie Brookfield, Eddie Gore, Eugene Weatherly, Phillip and Gail Varner, Janet Rushing and David May.

The Busy Workshop meets each Tuesday afternoon from 3:00 to 4:00 o'clock at the Methodist Church. All primary age young people are invited to attend.

"Cuba" was Topic At Baptist G.A. Session

The Lucy Bell Stokes G.A.'s met Tuesday afternoon at the Baptist Church with six members and one visitor present.

The program was on "Cuba," and the counselor, Mrs. Rhodes, read the story.

Refreshments were served by the W.M.U. to Linda Castleberry, Donna Baker, Janet Whitten, Karen Turner, Carol Coffey, LaVoye Burrows and the guest, Margaret Taylor.

FRIONA ITEMS FROM THE SCHOOLS

Dear Uncle Bert,

There were two new students entering high school Monday. They were Don McCarty, a sophomore from Littlefield, and Roy Young, a junior from Spade.

Monday afternoon, a program entitled "The Wonders of Liquid Air" was presented to the students by John Sloan, a former science teacher. This program was very interesting and contained much astounding information about liquid air.

Monday evening, Dimmitt played Friona here and Tuesday evening Friona went to Amherst. Both of these were conference games and the boys and girls played at each. The county spelling bee will be at Friona, February 9. There are about eight students from Friona entering this contest.

The FHA chapter will have their regular meeting Thursday at 2:00. The chapter had a called meeting Monday to decide some details about the area meeting at Amarillo, March 5. The annual trip was also discussed.

The District Tournament will be held at Sudan, February 10-11-12.

Many Class A schools, including Friona, will enter the competition.

There will be an assembly Wednesday afternoon sponsored by the PHA. The main speaker is to be an exchange student from Germany who is attending school at WTSC at Canyon.

There will be a faculty party Saturday night in the cafeteria. Immediately following, refreshments will be served.

Mrs. J. T. Gee will review "The Power of Positive Thinking," by Norman Vincent Peale on February 15 at 11:15. The book review may be used for book report credit by the students. This program is being sponsored by the Student Faculty Congress and an admission of 25c will be charged.

The regular meeting of the PTA will be Thursday evening in the high school auditorium.

A new addition to the "friendliness" policy of the high school was added this past week. All during the day students are in the hall to welcome visitors to our school and make them feel welcome.

I'll see you in the funny papers. Lovingly,

—Big Minnie.

Shadow Players To be Presented

W. G. Harris, frequent writer in the Star, and one of the old-timers here, came in from his Goat-head Prairie home this week to invite folks of the vicinity to attend the presentation of the "Shadow Players," little theater group in Hereford.

Harris, member of the group, states that three one-act plays will be given Friday night of this week in the new high school auditorium in Hereford. Both he and Mrs. Ray Johnson of Summerfield will be members of the cast.

Admission prices will be 75c and 50c. Several door prizes are being offered.

Local talent also is invited to join with the Shadow Players in future projects, Harris concluded.

Mrs. Jean K. Anthony visited her parents, Mr. and Mrs. R. M. Beddo, in Hobart, Oklahoma, last week.

Cub Banquet Will Be Held Tonight

The Cub Scouts will hold their annual Blue and Gold Banquet, Friday night in the school cafeteria at 7:00 o'clock, according to Scoutmaster Fred Barker.

Mr. W. M. Teague, Scout executive from Amarillo, will be on hand to provide the program and to make awards to the Cub Scout leaders.

The banquet menu will include barbeque, beans, salad and pie, and all Cub Scouts and their parents are urged to be present.

Rev. U. S. Sherrill left Monday for Dallas to attend a ministerial meeting. While he is gone, Mrs. Sherrill is in Clovis visiting their daughter.

Mrs. C. L. Dean of Los Angeles, California, visited last week-end with Mr. and Mrs. Jean K. Anthony.

Certified Seeds Urged by Jones

Guaranteed purity, higher germination and boosted crop yields await farmers who buy and plant certified seeds this year. Germination and yields of course are dependent upon the available moisture, but farmers can't afford to gamble with seed of questionable quality, says Joe Jones, county agent.

Certified seed usually are the best seed of a particular variety available. This seed with a "blue tag" comes from fields that have been inspected during the growing season, properly handled at harvest, cleaned and tested for purity and germination. Only after the seed has passed certain rigid standards does the State Department of Agriculture issue a blue "certified" tag for each bag.

Certified seed may cost slightly more, but the added cost is good insurance, Jones says. He advises farmers to buy soon, planting seed for this year's crops. Seed supplies generally are adequate but last minute shoppers may find local stocks depleted and forced to plant whatever seed is available.

If the planting seed has not been chemically treated for seed-borne and seedling diseases, farmers find this practice profitable and added insurance against poor stands and plant losses during early growth.

The local county agricultural agent can supply information on seed treating and variety recommendations, says Jones.

MR. and MRS. DAVID VARNER

Marriage vows recently were read for Miss Joyce Peoples and David Varner. The bride is the daughter of Mr. and Mrs. Ollie Peoples of West Camp, and Varner is the son of Mr. and Mrs. Chester Varner of Friona. Rev. Vance Zinn of the Oklahoma Lane Baptist Church performed the ceremony.

The couple will be at home in Farwell.

Twelve in Attendance At Kindergarten Meet

The Kindergarten group of the Methodist Church met Tuesday afternoon at the church with their leaders, Mrs. James McLean and Mrs. Lewis Smith.

The children are studying "God's Wonderful World," reading stories on nature.

There were twelve children and the leaders present. This age group, from four to six years of age, meets each second and fourth Tuesday of the month and every child is invited to attend.

Refreshments were served by the Methodist W.S.C.S.

INDISH TIMBALES

With Egg and Pimento Sauce
You too can serve exotic food easily and economically. This recipe for Indish Timbales tells you how—and it's really a "quickie." The "Indish" comes from the fact that these timbales contain curry powder. It's this seasoning trick from the Far East which adds a mysterious and especially pleasing flavor to this mai ndish. There's a delicious mushroom-egg-pimento sauce, too!

INDISH TIMBALES

With Egg and Pimento Sauce
Hearts of Lettuce Salad
Your Favorite Dressing
Hot French Bread
Apricot Raisin Pie a la Mode
Ingredients:
1-2 cup finely chopped green pepper
1 cup uncooked white rice
2 cups water
1 teaspoon Worcestershire sauce
1 1-2 teaspoon salt
1-8 teaspoon black pepper
1-4 teaspoon curry powder
1-2 cup chopped whole canned pimentos (1, 4-oz. can)
2 10 1-2 oz. cans condensed cream of mushroom soup
3-4 cup water
1-2 teaspoon salt
1-8 teaspoon pepper
6 hard-cooked eggs, thinly sliced.
Method: Put the green pepper, rice, water, Worcestershire sauce,

1 1-2 teaspoons salt, 1-8 teaspoon pepper and the curry powder in a 2-quart saucepan and bring to a vigorous boil. Turn the heat as low as possible. Cover and leave over this low heat 14 minutes. Remove saucepan from the heat but keep the lid on 10 minutes.
Make 6 timbales by pressing 1-2 cup of the rice mixture into a custard cup. Dip the custard cup into water before pressing rice into custard cup. Immediately shake out each timbale and arrange them in a shallow greased baking dish.
Cover and store in the refrigerator until mealtime.
About 30 minutes before the meal is to be served, mix together the pimentos, mushroom soup, water, salt, pepper and hard-cooked eggs. Pour over and around the timbales. Top each timbale with an egg slice. Bake in a 350 degree oven, 30 minutes or until the sauce bubbles.
This recipe makes 6 timbales.

Pot Luck Supper Held by Scouts

The Boy Scouts of Troop 56 observed Scout Week, Monday night, with a pot luck supper in the Scout Hut, with a very good attendance of both Scouts and their parents.

Each family brought food—fried chicken, an assortment of sandwiches, and pies and coffee, milk and Cokes—which was served cafeteria style.

Following the meal, a movie on safe driving was shown by Jay Sanders. A short business session was held by Scoutmaster Steve Bavousett, and the time was selected for the troop to attend the summer camp at Camp Don Harrington.

Several of the Scouts also went before the Board of Review, Monday night, in preparation for the Court of Honor to be held in the near future. After the meeting the Scouts and the Scoutmaster, Bavousett, made a display for Scout Week, which was placed in the window at the Plains Hardware.

Returns from California Trip

Mrs. A. H. Boatman returned last Wednesday afternoon from a ten-day vacation trip to California. She was visiting her niece, Mrs. Buford Hartwick, who sailed this Friday for Honolulu to join her husband who is stationed there.

Mrs. Boatman reported that she visited many interesting sites in San Francisco, including China Town, where she saw the Chinese New Year parade. She said this was one of the highlights of her trip.

Rev. Lewis Knight, pastor of the Congregational Church, is in Dallas this week attending a ministerial meeting.

Danny and Sally Kendrick spent the week-end in Amarillo visiting their grandparents, Mr. and Mrs. Joe Shields.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to the wonderful friends and neighbors for the many acts of kindness shown us since the loss of our home by fire. You could look the world over and never find finer people than live in this community in time of need and trouble. We also want to thank you for the lovely shower of gifts. The memory of it will linger in our hearts always. May God richly bless each and everyone, is our prayer.
Mr. and Mrs. Ashford Hill.

The Belgian Society of the International Red Cross, the oldest Red Cross society in the world, was founded on February 4, 1864.

There is hardly anything
in the world
that some man
cannot make a little
worse and sell a little

Feature speakers of the Fifth Annual Texas Attorney Generals Conference on Law Enforcement February 7-8 included Governor Allan Shivers, left; Actor David Brian, center; and Attorney General John Ben Shepperd, right. Governor Shivers commended Texas law enforcement officials on their co-operative Statewide program. Brian detailed the program of presenting an accurate law enforcement dramatization, while Attorney General Shepperd commended the conference with an appeal to the 300 judges, prosecutors and peace officers in attendance to make crime prevention popular and unprofitable in Texas.

FED CATTLE, STOCKERS OPEN STRONG

FORT WORTH. — Well finished cattle found an active, strong market in Fort Worth, Monday. Some sales were higher than last week. Choice slaughter steers brought up to \$25 and medium grades sold at around \$20.

Cows and bulls were mostly steady. Good young beef cows brought up to \$13. Bulls sold mostly at \$14 down but some individuals sold above \$14.

Calves were strong with some spots higher. A few choice slaughter calves sold at \$19.50 to \$20.

Stockers and feeders continue in good demand and not enough high quality kind to supply the needs of order buyers. About three loads of good and choice feeder steers sold at \$21.50. Stocker calves were in small supply with a few good steer calves selling at \$21.

Good and choice beef steers sold from \$21 to \$25 and good fed heifers brought up to \$23.50. Lower grade butcher cattle sold from \$13 to \$20.

Fat cows drew \$11 to \$13, and canners and cutters cashed at \$7 to \$10. Shelly canners sold around \$7. Bulls sold mostly at \$10 to \$14 with some individuals higher.

Good and choice slaughter calves brought from \$16 to \$19. A few choice calves cashed at \$19.50 to \$20. Plain and medium kinds sold from \$11 to \$15 and raminhans and culls brought mostly \$9 to \$10.

Medium and good stocker and feeder steers sold from \$14 to \$20, some choice feeders at \$21.50. Some thin, medium quality, stocker cows sold from \$9 to \$10. Stocker steer

calves were in small supply and a few medium to good kind sold from \$14 to \$21.

BUTCHER HOGS START WEEK HIGHER

Top butcher hogs sold at \$18.25 at Fort Worth, Monday. This was fully 50 cents higher than last week. Overweight butchers and less desirable kinds sold from \$15.50 to \$18. Sows were steady to 50 cents higher and sold at \$13.50 to \$16.

SLAUGHTER LAMBS STEADY TO STRONG

A generally steady trade prevailed on most classes of sheep and lambs at Fort Worth. Some lightweight, clipped lambs were higher. Feeder lambs were steady. Good, woolled feeders, which demand the best prices, were not present.

Choice, woolled slaughter lambs brought \$21, and choice, shorn lambs cashed at \$18.50 to \$20. The higher price was for fall shorn lambs. A few plain kinds of lambs drew \$15 to \$17.

High quality feeder lambs were absent. Plain to medium feeders sold from \$16 to \$18.50, the latter price for medium woolled feeders.

Other classes of sheep were scarce. Fat ewes were quoted at \$7 to \$8.50, old bucks at \$4 to \$5 and yearlings at \$14 to \$16.

Mrs. Tommie Parker, Mrs. Clarence Ashcraft and Betty Zon and Bennie Grubbs visited Mr. and Mrs. E. A. Berry in Canyon, Sunday afternoon.

Mr. and Mrs. L. M. Buske spent the week-end in Odessa visiting their daughter, Mrs. Roy Johnson.

Quality of Seed Farmers Sow is Shown by Survey

This pulverizer-packer-seeder is an ideal implement for sowing pasture seeds but it cannot improve seed quality or remove noxious weed seeds. This can be avoided by using high quality tested seed tagged in compliance with Federal and State laws.

What quality seed does the farmer sow? A drill-box survey made in Minnesota in the spring of 1953 answers this question. This showed the purity, germination and weed seed content of seeds farmers sow and may well be taken as representative of the situation in many other States. A total of 732 samples were collected from 65 counties. From 10 to 15 samples were collected from each of most of the counties.

found in 25 samples, of which 21 were farmers' own seed, 2 from other farmers' seed, and 2 from unknown sources. Two samples contained field bindweed seed at the rate of 5 per lb., 15 samples contained Canada thistle seed at an average of 7 per lb., and 9 samples contained perennial sow thistle seed at an average rate of 34 per lb.

Quack grass seed at an average rate of 147 per pound was found in 81 samples, of which 68 were farmers' own seed, 12 were other farmers' seed, and 1 was from an unknown source.

Wild mustard seed at an average rate of 213 per lb. was present in 57 samples, of which 49 were farmers' own seed, 5 were other farmers' seed, 1 was a dealer's seed, and 2 were from unknown sources.

The results of this drill-box survey showed very clearly the necessity for the farmers to clean seed grain which they have produced themselves or bought from their neighbors. Over 95% of the samples found to be in violation of our seed laws belong to these two groups. Farmers may think that their seed is free from excessive or noxious weed seeds, but this survey illustrates clearly the need for cleaning and testing seed grain produced on the farm and purchasing tagged and tested seed of all kinds from reliable sources.

Confusion results when opinions of various commentators and writers are put together. They range from saying the farmer is doomed as a cotton, wheat or grain producer, or as a diversified farmer and stockman, to saying everything is rosy and the farmer is getting too good a deal. With complete disregard for these opinions, we believe agriculture will have a pretty good year, with better ones coming in the future. Many are beginning to realize that marketing, perhaps with particular emphasis on exports, is the problem that must be solved to compensate for modern mechanized production. Even over ambitious politicians are facing the reality of their suspicions that agricultural producers are not as dumb as they once might have thought. The man who offers higher income for the farmer "when he is elected," is being faced with the simple, but sometimes perplexing question, "How?" Fortunately, the answer is being earnestly sought and some progress is being made to its solution.

We want to extend a sincere welcome to the new residents of Farmer County. It would be nice if we could list them but there are too many. The majority of them are transferring their membership in Farm Bureau here, or enrolling as new members. We want you all to know that your suggestions for improving the effective operation of your organization will be given full consideration. We are glad to see and hear that many of the newcomers are active church people, too.

U.S. NAVY - 46 YEARS A MAJOR SEA POWER

FEBRUARY 22, 1909: Twenty-seven warships of the U.S. "Great White Fleet" steamed into Hampton Roads, Virginia, to end an epic 33-day round-the-world cruise that took them across five oceans to some fifteen foreign countries, logging more than 42,000 miles without a mishap—an unprecedented achievement—ships and men, under the command of Rear Admiral "Fighting Bob" Evans (and later Rear Admiral Charles S. Sperry), won universal acclaim. The voyage, beginning December 16, 1907, marked the emergence of the United States as a major sea power. (RITN)

REV. GEORGE PULLMANN

Memorial Service Set for Tuesday

A memorial service honoring the late Rev. George Pullmann, Lutheran pastor at Rhea, will be held at the Immanuel Lutheran Church on Tuesday, February 15, at 10:00 a. m.

All friends of the Rhea church and of the Pullmann family are invited to attend this service. Participating in the memorial rites will be a representative of the Texas District of the Lutheran Church, Missouri Synod, and the pastors of the Panhandle Region who will be meeting in conference at the Hereford church at that time.

Any cards, letters, flowers or other remembrances should be sent to Mrs. G. Pullmann, in care of Rev. Harold Kaestner, 105 Avenue B, Hereford, or to Mr. Melvin Sachs, Friona.

Rev. Pullmann came to the Rhea pastorate in 1953. On December 24, 1954, he was stricken with a severe heart attack at his home there. After apparent rally, he and his wife made their home with a son, Rev. Martin Pullmann of Kinsley, Kansas. His death came on January 19 of this year.

Rev. Pullmann was born in Wunstorf, Hannover, Germany, on June 5, 1887. He was baptized in infancy, and after having received elementary schooling and religious instruction was confirmed in the Lutheran Church in Germany.

In May, 1902, he came to America for the first time. He returned the next year to Germany but came back to America in April of 1904, working for a time with a brother in South Dakota.

In 1905, after determining to enter the ministry, he commenced studies at Concordia Seminary, Springfield, Illinois. First call, after graduation, was to Stanford, South Dakota, in August of 1911.

He was united in marriage on August 14, 1912, with Miss Hilda Louise Bender, of Westgate, Iowa. He served many pastorates in the ensuing years in Kansas, South Dakota and Nebraska, coming to Friona from Gurley, Nebraska.

Surviving his death is the wife, five sons, five daughters, 25 grandchildren, one brother and three sisters, a large number of more distant relatives, and a host of friends blessed by his ministry throughout the mid-west.

Farm Bureau Report

By RAYMOND EULER

Membership renewals continue to come in ahead of time. T. E. Lovett and his membership drive workers appreciate this more than you know, because they will have time to talk to prospective new members at drive time. Membership leaders were in Lubbock Monday afternoon and evening laying plans for spring drives. They heard and talked with Walter Hammond and other state officials as well as American Farm Bureau officials. Lovett, Gilbert Kaltwasser, Archie McCutchan, O. B. Moyer, Charlie Calaway, Hadley Reeve, and D. H. Nelson attended. Most, if not all of these, will be community drive chairmen.

Confusion results when opinions of various commentators and writers are put together. They range

from saying the farmer is doomed as a cotton, wheat or grain producer, or as a diversified farmer and stockman, to saying everything is rosy and the farmer is getting too good a deal. With complete disregard for these opinions, we believe agriculture will have a pretty good year, with better ones coming in the future. WASHINGTON AND SMALL BUSINESS

By C. WILSON HARDER

Students of American government often debate whether or not Congressional rules contradict democratic principles.

Legislation desired by majority of Congress can be bottled up in committee and never have opportunity of reaching final verdict on the floor.

In Congressional last session Senate resolution to give standing committee status to Senate Small Business Committee got "freezer treatment" even though 50 senators had already expressed themselves in favor in writing.

All through session, resolution was kept from a vote by Senator Jenner's rules committee.

Resolution has again been introduced by Sen. Edward Thyne (Rep. Minn.) co-sponsored by 53 Senators.

Explaining difference between the present status of Senate Small Business Committee and status as a standing committee is involved due to technical rules.

But here is situation.

Several years ago nation's independent businessmen took stand their interests had no effective representation in Congress. Concerted work of these businessmen through National Federation of Independent Business resulted in Senate Small Business Committee.

This committee in performing its duties has sponsored legislation which has increased the number of small private business concerns, when majority of mem-

bers of Senate decided it was time to give greater stature to Senate Small Business Committee, these interests used pressure to keep resolution in committee.

Now resolution is before this session, backed by these 54 Senators.

Senators: Edward Thyne, John Sparkman, Gordon Allott, Frank Barrett, J. Beall, George Bender, Francis Case, Dennis Chavez, Norris Cotton, Price Daniel, James Duff, Henry Dworshak, Sam Ervin, Walter George, Barry Goldwater, Theodore Green, Thomas Hennings, Lister Hill, Hubert Humphrey, Irving Ives, Henry Jackson, Olin Johnston, Estes Kefauver, John Kennedy, Robert Kerr, Thomas Kuchel, William Langer, Herbert Lehman, Russell Long, Warren Magnuson, George Malone, Mike Mansfield, Edward Martin, Thomas Martin, John McClellan, Patrick McNamara, Karl Mundt, John Pastore, Frederick Payne, Leverett Saltonstall, Andrew Schoepfel, W. Kerr Scott, Margaret Chase Smith, Stuart Symington, Arthur Watkins, Herman Welker, Alexander Wiley, Milton Young, William Purtell, James Murray, Earle Clements, Paul Douglas, Wayne Morse and George Smathers.

It is interesting to note neither party leader is listed. Thus, backing for resolution can be considered a Senatorial "grass roots" move. Thus action on measure will not only be closely watched by small businessmen throughout nation, but also by students of American government.

Senate authorities claim seldom has any bill or resolution ever had such an extensive backing of co-sponsors. Therefore, one use of this issue could be taken as valid indicator on how much small men were represented in United States Senate.

Consumer income in the U. S. is expected to stay at a high level during the coming year, agricultural economists believe.

Dr. T. R. Timm, head of the Agricultural Economics Department at Texas A and M College, has surveyed the possibilities of consumer buying of farm products during the year.

Indications are that homemakers over the nation will buy meat with about \$6 of every \$100 they spend for food.

Cattle prices may be a little lower and the amount of money spent for livestock products may get more meat for homemakers than they got for the same amount during 1954.
