NEW RESIDENTS

Mr. and Mrs. Kenneth Fields moved into one of the new cottages.

Mr. and Mrs. Luther Hayes moved into the E. B. Brannon rent house.

Our thanks to the many who have renewed their subscriptions this month.

Among the notes accompanying the checks, we think the following should come in for special mention—submitted by Marvin or Mary Lawson, we can't find out which—

The climax was nearing. I knew what was coming, but I did not have the power to stop him. I was putty in his hands. Should I accede to his desires? . . . I listened to his passionate appeal and I felt weak—I was but a woman, alone and with no one to keep me company. . . . What should I say? . . . I tried to get a grip on myself. . . . How could I say no to him?—the poor, sweet boy. Suppose I did do as he wished. Who would know? Harry was away. Nevertheless, I felt weak.

"All right, boy," I almost whispered, "I'll subscribe for one year."

We predict there'll be some phenomenal strides in the Friona economic and retail business picture before the year is over. More on this later.

Had a dear old lady renew her subscription to the Star this week—said she just couldn't afford to be without the "Jodok" column. Guess we owe Uncle John White a commission on that one, for we believe that was one of the best-known columns in the area for years, though we've missed it for some four years.

Observer Corps Is Organized Locally

Mayor Charles E. Allen, Friona; Mayor John S. Williams, Farwell; and Mayor A. W. Rhinehart, Bovina, were named post supervisors for the Ground Observer Corps Post to be established in their respective locations. The appointment was made by County Judge A. D. Smith of Parmer County, and the appointment was announced in Austin, June 30, by the State Defense and Disaster Relief office.

The Ground Observer Corps is an organization of civilian volunteers who have agreed to give their time and effort to aid the United States Air Defense Force in observing, and reporting, from their observation posts, movements of aircraft to a central reporting point known as a filter center.

These observation posts are located as near to eight miles apart as possible. They are deemed vitally important as a supplement to the network of radar stations which are charged with the responsibility of detecting enemy aircraft invading the United States. Silver GOC wings are awarded to members who serve a required number of hours.

Nominees Named For Legion Offices

Ballots are being mailed this week to Legionnaires of Friona Post 206, with nominations listed as submitted by a special nominating committee.

Choices will be made from the following, or from any write-ins:

Commander: J. L. Marcum, Joe Brummett, Loyde Brewer, Dean Hall.

1st Vice-Commander: Franklin Bauer, V. R. Jordan, Casey Adams, David Moseley.

2nd Vice-Commander: John Beniger.

Adjutant: Lloyd Mingus, Bill Sheehan, Sam Williams, Russell Massey.

Sergeant-at-Arms: Joe Mann, Buddy Stowers, Earl Drake.

Service Officer: Paul Spring, Chaplain: Rev. Hugh Blaylock, Rev. C. M. Fields.

At a regular Legion meeting Tuesday night, a report on the recent "Boys' State" was given by Harold Taylor, locally sponsored delegate to the Austin session.

Some 20 Legion and Auxiliary members were present. Hostesses were Mesdames Joe Mann and V. R. Jordan.

County 4-H Review Set for Tuesday

The second annual Parmer County Girls' 4-H Review will be held Tuesday evening, July 12. The program will begin at 8:00 o'clock in the American Legion Hall in Bovina. This will be followed by a county-wide 4-H party at the city park for all 4-H members and their families.

The county 4-H recreation committee elected at recreation school in March met in Friona last week to make plans for the party. Attending were: Gladys Dean, Rhea; Sharon Thorn, Lazbuddie; Pat Cranfill, Friona; Wilma Norton and Jerry Henson, Farwell. They will assist in directing the games and activities.

Ninety-three girls participated in a series of sewing workshops in June, each of the nine groups meeting once a week for three consecutive weeks for help and instruction with the aprons, skirts, blouses and dresses they have made and will model in the revue.

The public is cordially invited to attend the dress revue, for a carefully planned and enjoyable program.

Hi Grade Spuds Ready to Market

Potato harvest probably will get underway in seriousness early next week, local growers and processors predict.

Quality and quantity of the crop this year is said to be the best so far grown locally in the relatively short time that potatoes have figured as a Parmer County crop. This is the third season that potatoes have been cultivated commercially here.

Eleven growers this year are producing from some 650 acres in the immediate area, the Herman Neff

Company reports. Growers are Neff, G. H. Whitaker, Kenneth Neil, Gordon Massey, Earl Lance, Jimmie Jesko, Roy Botkin, Buck Barnett, Kenneth Christian, Lloyd Oswald and Hardy May.

An exceptional number of the potatoes are expected to grade No. 1 at the local processing shed, graders report, and several yields are likely to be in the 200 sack-per-acre range.

Market price has been varying from day to day, and most growers are keeping a sharp eye on the markets of the nation, with most of the local crop probably to be shipped to distant points in the north and east. Weather conditions have caused crops over a wide area from Oklahoma to California to mature at near the same time this year, of course affecting the supply and demand market price.

Revival to Begin Here Sunday Night

Revival meeting services will commence Sunday night at the local Assembly of God Church, Rev. W. C. Wade, pastor, has announced.

Preaching will be by Rev. Jesse Berry, young evangelist from Perryton.

Services will be held each night except Saturday, beginning at 8:30 o'clock. Sunday evening services will commence at 8:00 o'clock.

The public is invited to attend as many of the services during the two week revival as possible, Rev. Wade states.

Presenting: A Real Good Neighbor Policy at Work

Neighbors are about the nicest things that ever happened to anyone. At least, that seems to be the consensus of opinion around "The Brightest Spot in the Golden Spread." Texas neighbors recently proved again the accepted truth that the state is still the friendliest spot one is likely to find, with a heart as big as its size.

O. B. Moyer, recently injured on his farm northwest of Friona, was a pleased recipient of the good neighbor policy last Thursday. Seven combines and seven trucks, furnished and manned by friends, moved into the Moyer wheat field and harvested the large wheat acreage, with the exception of 10 acres which was not ripened. Approximately 300 acres was cut and, according to L. D. Chiles, the dryland wheat yielded 2 bushels to the acre, with the irrigated wheat averaging 20 bushels to the acre. The trucks hauled the wheat into the elevator, thus finishing the final stages of the harvest.

Furnishing combines, trucks, or help were Bertram Jack, E. M. Jack, Glenn Hughes, Estene Latham, Claude Osborn, Hershel Johnson, John L. Ray, Eddie Meil, Joe Blythe, Albert Rolan, J. G. McFarland, Glenn Taylor, Harold Taylor, T. E. Lovett, and L. D. Chiles.

The Northside Home Demonstration Club prepared dinner for everyone participating in the day's work. Other neighbors helping with the meal preparation, other than the club members, were Mesdames Betram Jack, E. M. Jack, J. T. Gunn, Hershel Johnson, Estene Latham, Everett Balls, Mory Bussell, Claude Osborn, Bob Wiley and Joe Blythe.

It is against good newspaper policy to say everyone enjoys himself, for it can not usually be positively stated that each person reported that he had a good time. In this case, however, it seems that everyone received much enjoyment from the day's work. Perhaps this can be attributed to the fact that the greatest joy comes from helping others.

BIRTHDAY CALENDAR

July 9: Ira Parr, Louis H. Hoffman, Lucille Hoffman, Leon Hartman, Jan Welch.

July 11: Lucille Latta.

July 13: David Lee Reeve.

July 14: Kenneth H. Ford, Mrs. J. B. McFarland, Scott Weir, James B. Collier.

July 15: Mrs. Bert Shackelford.

There's nothing like camping in the mountains to relax one for a week-end, to get caught up on beans, beans and pork and beans, get behind a month in your work and to have one wonderful time!

Also a pretty good way to get acquainted with your family! We discovered this week-end, to our dismay, that though the two older boys were seasoned and crafty campers, the little fellow professed quite readily and frequently that he'd rather be home with Armstrong than up here where it's so black!

The forest ranger said over 6,000 people had entered the particular region where we camped, all spending at least part of their July 4 holiday roughing it. We aren't sure, but believe 5,999 of them waded through our favorite 5' x 9' fishing hole. Even the fish were telling about the big ones (tourists) that got away.

Scene from Famous Passion Play to be Presented in Friona

INDIANS BACK IN WINNING COLUMN

Doing a better job with their war paint this week, the Friona Indians whooped back into the winning column with a Sunday victory over Olton to the tune of 25-8.

Seven homers by the Frionans did much to run up the score and help team morale. Barrett was winning pitcher, turning in another stellar performance, not only at the mound but in batting three homers and accounting for two doubles and one single in seven times at bat.

F. L. Oliver knocked two homers, two doubles, and one single to share top batting honors.

Veazey and Beaton each galloped the round on homers. Wesley Barnett turned in one of the better records in the field in his position at shortstop.

Olton was unable to click throughout the game, getting no homers, and taking the tail position in the first inning when Friona chalked up its first three homers.

The Indians will play Bovina this Sunday, 2:30 p. m., at Bovina.

Play to Benefit Hospital

"Oberammergau and the Passion Play," a full-length motion picture in Eastman color, will be shown Friday evening, July 15, at 8:00 o'clock in the Friona High School Auditorium.

The picture is non-denominational and filmed in English dialogue. It has a musical background furnished by a 65-piece symphony orchestra and a chorus of 100 voices. The picture will be shown on a wide screen with high fidelity sound.

The movie is a reverent presentation of the story of Jesus from manhood to the Ascension. The film follows Christ through the period of teaching, healing the sick, lame and blind and comforting the oppressed, to the Last Supper. Then follows the ordeals which led to Calvary, the sorrowful burial, the Resurrection and the Ascension. The film is in two parts; the first, a travelogue describing the beginning of the Passion Play, and the second, the play itself.

Oberammergau is a city in Bavaria, Germany, where the original Passion Play was staged. The first play was in 1634 in commemoration of a vow made by the village inhabitants that if God would relieve their village of a plague, they would express their gratitude in a devout presentation of the Passion Week of Christ. This has been presented every decade since with few exceptions, due to war, and has become world-famous down through the centuries. The villagers are very devout in their daily lives, and many almost live the parts they have in the play. The entire social life of the village revolves around the play and the church.

The art of wood carving is the principal business of the village and as far back as 1520 the historical Volhman reported the craftsmen of Ammergau were so skilled they could carve scenes of the Passion of Our Lord that would fit into a nutshell.

Other scenes included in the travelogue will be the Linderhoff Castle, built at a cost of between ten and fifteen million dollars by King

Ludwig. Its many valuable decorations are under constant guard including a large solid gold peacock. Also nearby is the famous monastery at Eltow founded by Ludwig and the church of Reece.

The entire program is in color, and all profits will benefit the hospital building fund. Admission will be adults, \$1.00; children, \$.50; and no charge will be made for preschoolers.

Farm Bureau Report

By RAYMOND EULER

Last week we mentioned President Kaltwasser's wire to Walter Rogers, opposing on behalf of Parmer County Farm Bureau, the amendment some were attempting to attach to legislation pending, regarding Mexican labor in the United States. Mexican labor was not the only thing the amendment would have affected, however. It would have an ill effect on all agricultural labor, placing it in the hands of labor groups. The present independent method of hiring by the individual farmer, according to his needs would be seriously jeopardized. We were pleased that Mr. Rogers answered the wire favorably within about five hours of the time Kaltwasser sent it. Disposition of the bill is not known at this time, but we hope it is favorable, too.

Quite a few people are ordering the signs we have on sale for marking mail boxes or trucks or what have you. They are plastic, easy to read and will last a long time.

American Farm Bureau membership, which is the total of all state's memberships, of course, is running 35,414 ahead of the same time last year. This is, we believe, an indication that farmers realize more than ever, the necessity of sticking together. The greater the membership, the better the representation too.

We are a little concerned about the number of people who are let-

ting their gas exemption papers lapse. Again we urge you wives to come in when your husband is too busy and claim this money for him. We're sure he'll let you spend at least half of it as you wish, if you'll take care of it for him. Be sure to bring your affidavit.

We are glad to note that the Reciprocal Trade Act was signed by the President recently, extending the provision for three more years. This is one of the best legislative provisions for improvement of our farm export program. Everybody knows we need all the assistance in that direction that we can get.

The farmer's share of the consumer dollar decreases as labor's demands for greater benefits are met. If the consumer becomes aware of the fact that this is the reason for higher food and fiber costs, he may begin to oppose his congressman's favoring guaranteed annual pay to a man whether he works or not. "A workman is worthy of his hire," is a Biblical statement that holds very true. If the farmer insisted on and got increased prices for his commodities in direct ratio to the cost of equipment and other expenses, such as television and the second or third family car, he would be getting economic treatment similar to the present trend in labor groups.

CONSIDER THIS: There is no wisdom nor understanding nor counsel against the Lord. Proverbs 21:30.

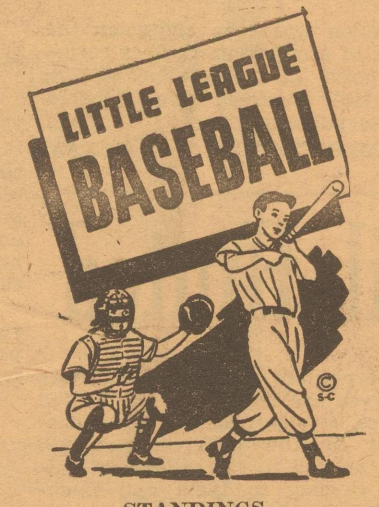

Wheat Harvest Is Proving Short

The 1955 Texas wheat harvest is nearing completion on the South Plains, and is getting well underway on the limited acreage to be harvested on the High Plains. This small acreage will present no labor equipment problems.

The latest reports from areas where wheat harvest operations are in progress show that the Friona-Dimmitt area has completed 60 per cent of the harvest. Adequate men and equipment are in the area to complete the harvest this week. Irrigated wheat is yielding 20 to 25 bushels with some 40-bushel wheat reported from fertilized fields.

Wheat harvest in the Hereford area is still in full swing, with only an estimated 30 per cent completed.

No shortages and only a very small surplus of workers and combines were encountered in any area during the current Texas wheat harvest.

Benger Team Maintains Lead in League Play

The Benger Air Park held its lead in the Little League with winning scores in the two games played this week, one with McCasin Lumber on July 5, and Reeve Chevrolet on June 30.

Score in the Benger-Reeve game was 6-4, with Stewart taking the win and Coon on the losing end. Umpiring the 6-inning game was Henry Lewis.

Score in the July 5 game with McCasin, Benger was 7-4. The Benger pitcher, Stewart, accounted for three runs on three times at bat, two of the runs being homers. He had ten strikeouts from the McCasin team before being relieved in the fourth by Nazworth, who accounted for five strikeouts. Losing pitcher for McCasin, Clements, also hit a homer in the fifth inning, and had eight strikeouts. Also hitting a homerun for the McCasin team was Carlton, second baseman.

SWIMMING PARTY

Mrs. Ralph Roden took a group of young people to Hereford Monday for a swimming party.

Attending were Jan Smith, LaVoyce Burrows, Gendal Jones, Bobby Fulks, Kim Caffey, and Jon Mac and Pam Roden.

Week-end visitors in the Jim Richy home were his brother and family, the Carl Richys of Whittier, Calif., and his sister and her husband, Mr. and Mrs. Roy Nall of Fairview, Okla.

STORK FEATHERS

Mr. and Mrs. Hadley Reeve have named their 6-pound, 14-ounce daughter Carol Ann. She was born June 28.

Mr. and Mrs. Gilbert Schueler are the parents of a daughter, born July 2. She weighed 5 pounds, 9 ounces, and has been named Doris Eileen.

WON GOLF TROPHY

John Renner returned this week from Artesia, N. M., with a golf trophy he won in the regional golf tournament held there over the week-end.

There were six flights entered in competition, with Renner winning top in his flight.

Visiting with Mrs. Frank Osborn over the week-end was her nephew, Ray King, of Gredeley, Calif.

Eulers Return From Trip in North and East

Mr. and Mrs. Elmer Euler returned Tuesday from an extended trip to the northeast.

They visited their daughter, Gertrude, and her husband in Rochester, N. Y., then journey to New York City where they visited Mr. Euler's sister and husband and enjoyed a sight-seeing tour.

From New York City, they drove through Canada, viewing the famed Niagara Falls, and on to Detroit, Mich. Here they visited their daughter, Louise.

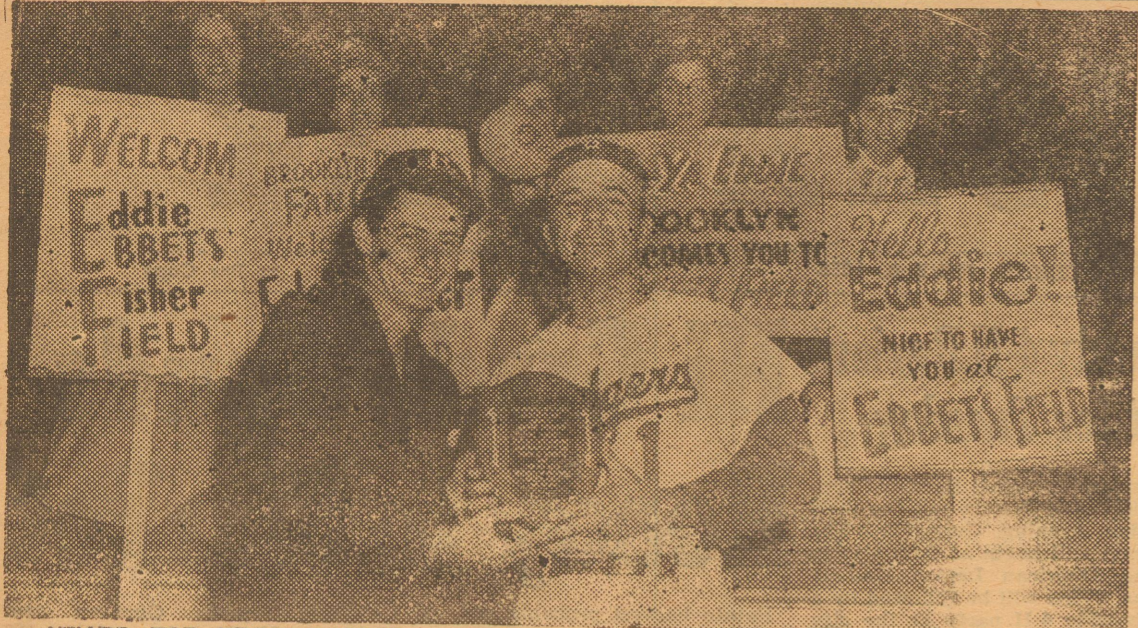

Mr. Euler's boyhood home, near St. Joseph, Mo., was the next spot on the map to be visited. En route to Green Forest, Ark., Mrs. Euler's birthplace, they stopped at Jasper, Mo., to visit friends.

After a few days in the beautiful Ozarks, they drove to Tulsa, Okla., for the climax of the trip, a family reunion of Mrs. Euler's father's family, the Mooters.

Mrs. Euler reported that their trip was made pleasantly cool in most of the states by cloudy, rainy weather.

Mr. and Mrs. Wesley Long and children and her parents, Mr. and Mrs. E. H. Bradshaw, spent the week-end in Abilene.

TODAY'S meditation

The Upper Room
THE WORLD'S MOST WIDELY USED DEVOTIONAL GUIDE

Read II Cor. nthians 5:1-21

Ye must be born again. (John 3:7.)

The most remarkable fact about Jesus' insistence that we must be born again is His assurance that we can be born again. It means new life. We can start all over again.

We have often been told that humanity is waiting for a revolutionary Christianity which will say that the world is evil and then change it. The school, the home, and even the church must be made over. All these must be redeemed by the spirit and power of Christ.

We need the kind of self-surrender, of new birth, that quickens the conscience, opens the heart of God's love, and leads the will to the purpose of God. None of these results will follow unless individuals give their hearts—that is, their

love and loyalty—to God. Only God can change man in any deep, radical sense. We do not decide to change our personality and then, with the wave of a wand, presto, change it. We give God the chance to possess us and use us.

Prayer

Father, we have too long followed the warped desires of our undisciplined minds and hearts. In our best moments we want to follow the way of Christ. Change us into His likeness by giving Thy direction and love this day. In His name. Amen.

Thought for the Day

God is able to do what I cannot do for myself; I yield myself to Him.

Highlights and Sidelights FROM YOUR State CAPITOL

By VERN SANFORD

Career Ends
Rep. George S. Berry of Lubbock, whose career in public office began 30 years ago, died in Austin last Friday. He was injured in an automobile accident on May 20.

School Squabble
A 1000-name petition was presented to Dr. J. M. Edgar, state commissioner of education, urging him to cancel certificates of the 110 teachers who struck in the recent school row in Irving.

Draft Evader Sentenced
Two years in the federal penitentiary face Fred D. Jackson of Comanche.

Adrian Case Delayed
Federal Judge Ben H. Rice, Jr., has postponed until next January a hearing to determine if 75-year-old John Cass Adrian of Austin is "mentally incompetent."

Parr Appeals
George B. Parr, "Boss of Duval County," has asked the U. S. Fifth Circuit Court of Appeals for permission to file two writs in his fight against charges of income tax evasion.

Patrolmen-Guards Needed
Two types of openings exist on the state's payroll.

19 YEARS AGO
An estimated rainfall of 10½ inches had fallen at Friona after a nine-day continuous rainfall, completely flooding the town. Friona was on a rampage and covered the Santa Fe railroad tracks.

21 Years Ago
As a result of the long dry winter and spring, an immensely large acreage of the land sown to wheat in the Friona area had failed to make good. Many of the farmers were busily engaged at plowing under their wheat crops, preparatory to planting the 1935 crop.

A CONCRETE ANT HILL
If ants were provided with a concrete ant hill, what would they do? In all probability they would start building a regular ant hill next to the concrete one. Ants would perish without castles to build.

Thought for the Day
Quite a showing was made on the Friona school's new athletic field, in bringing it to suitable condition.

Wheat Growers Meeting
Mayor F. W. Reeve went to Amarillo to attend the Texas Wheat Growers meeting.

Methodist Youth Fellowship
The Methodist Youth Fellowship was called the Epworth League.

On a Friday evening
The Friona High School added to its course of study vocational agriculture.

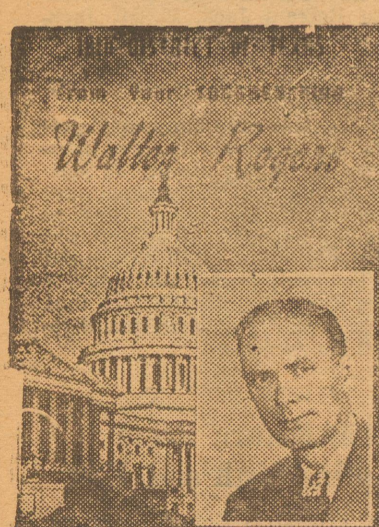

At a meeting of the school board
It was voted to buy eight buses for the transportation of the pupils to and from school.

Chinese elm trees
were planted in the local park.

Curtis Douglas, candidate for the State Senate, delivered a speech in Friona.

WPA workers were temporarily laid off for no apparent reason.

International Blackmail Hinted

"Blackmail" is a bad word and is no doubt deeply frowned upon in diplomatic circles. However, if we are to follow the logic that was advanced in arguing for passage of the foreign aid bill to the tune of three thousand million dollars (\$20 from every man, woman and child in the U. S.), we must reach the inevitable conclusion that Uncle Sam is being taken.

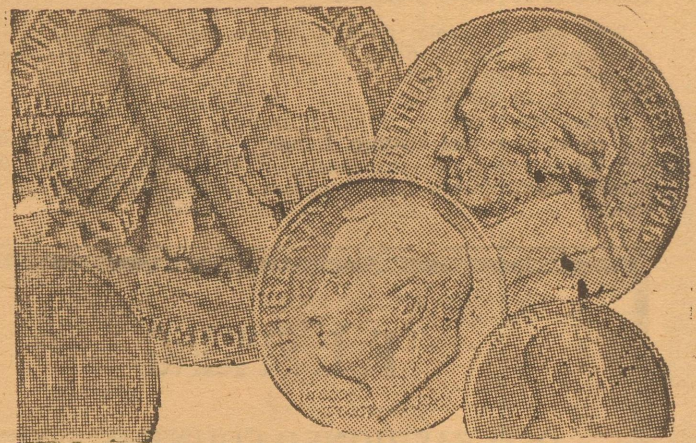

tion asked for a 6-billion-dollar temporary increase for one year, which was granted. This temporary increase was extended for another year just the other day. Like most temporary government matters, it appears that this increase will be with us for a long time. We have several temporary agencies that have been in existence for a number of years. In fact, the foreign aid program was supposed to be temporary. The only thing temporary has been the name. The name of the program and the name of the agency handling it have been changed several times, but the expenditures go on and on.

to perpetuate a fuss and cold war between the Soviet and the United States, simply because any settlement of the differences would mean an end to the millions of dollars flowing to India and Yugoslavia out of the pockets of the taxpayers of this country. The same logic would lead us to the conclusion that we are paying tribute to these two governments because of the threat that they will go communistic if we fail to pay up. This might not be international blackmail, but it comes pretty close to it. It simply means that the grand old phrase "Millions for defense, but not one cent for tribute," that has long thrilled the crowd at the Fourth of July gatherings, seem to be passe.

ADJOURNMENT
The guesses about adjournment are all the way from July 15 to the guess that Congress will never adjourn. Neither appear to be correct. The present consensus is that August 10 will see Congress out of session. I sincerely hope so. It would be good for Congress and the country.

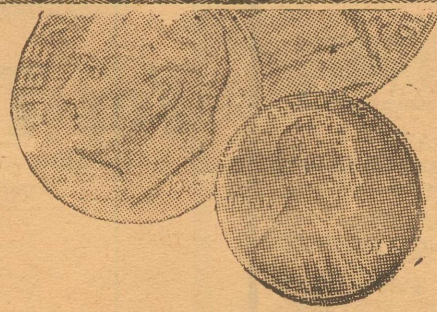

VISITORS:
We have had quite a few visitors recently: Mrs. Augustine Greening of Amarillo, Mr. and Mrs. W. B. Franklin, of Pampa; Mr. and Mrs. D. E. Logan, of Dumas; Mr. and Mrs. Herman Smith and their two lovely daughters, Hermalyne and Linda, of Amarillo, were in for a visit and got to hear part of the debate on the foreign aid bill. State Representative Bill Healy, of Paducah, and his lovely wife had planned to come by Washington for a visit when they returned from the Lions Convention. However, Bill got a hurry-up call to visit his very ill mother and he was able to stop over in Washington for only a few hours. We had a nice plane that would take the Healy mother and his lovely wife back to Texas. We hope Bill's mother is progressing well.

**Betty Williams-Virgil Phipps Ceremony
Held in Home of Bride's Parents Sunday**

In an impressive candlelight ceremony, Sunday, July 3, Miss Betty Williams became the bride of Virgil Phipps. The ceremony was performed at 10:00 a. m. in the home of the bride's parents, Judge and Mrs. Glen Williams, of 1110 Avenue J, Muleshoe. Mr. and Mrs. Charlie Phipps of Friona are the parents of the bridegroom.

The bride's father, an elder in the Primitive Baptist Church, read the double ring ceremony before an altar decorated with palm greenery, flanked by white candelabra, and sprays of white gladioli and mums. Attending her sister as bridesmaid, Miss Gwen Williams wore a ballerina length dress of blue shantung, featuring a fitted bodice with a scoop neckline. She carried white carnations with white streamers. G. A. Collier, Jr., brother-in-law of the groom, served as best man. Candlelighters were sisters of the bridegroom, Jane and Geraldine Phipps. They were attired in white and pink costumes, Virginia Klatts, cousin of the bride presided over the guest book.

Given in marriage by her father, the bride wore a wedding gown of imported white organdie. The scoop neckline was daintily trimmed with applied daisies. The long waist and fitted bodice were enhanced with tiny covered buttons down the center back. Her shoulder length veil of illusion was joined to a cap of lace detailed with pearls and sequins, and she carried a bouquet of pink sweetheart roses with pink streamers.

For her daughter's wedding, Mrs. Williams chose a suit of navy linen,

with white accessories. Mother of the groom wore a pink silk crepe dress with white accessories.

Immediately following the ceremony, a reception was held in the dining room. The table was covered with a crocheted cloth and centered with a three-tiered cake, topped by a miniature bride and groom. The cake was made and beautifully decorated by Mrs. Conrad Williams, sister of the groom and aunt of the bride.

Attending the wedding and reception from Friona were Mr. and Mrs. E. G. Phipps and daughters, Mr. and Mrs. C. M. Phipps and sons, Mr. and Mrs. Earl Jameson and children, Mr. and Mrs. G. A. Collier and Nicky, Mr. and Mrs. W. F. Bandy and Kathy, Wayne Houlette, Kenneth McLellan, Mr. and Mrs. Charlie Phipps and daughters.

For a wedding trip, the bride chose a hunter green suit dress with white and beige accessories and a corsage of white carnations. The couple will make their home near Friona, where he is engaged in farming.

**Bible School Will
Begin July 11th**

Mrs. George Treider, superintendent of the Congregational Vacation Bible School, has announced that the school will open Monday, July 11, and be concluded July 15.

The time will be from 8:30 to 11:30 in the morning, and the theme is to be "Sailing with Christ."

Teachers are as follows: Mrs. Otha Whitefield and Mrs. R. B. McKee, nursery; Mrs. Fred Heinke, assisted by Phyllis Treider, kindergarten; Miss Mary Sissell and art director, Mrs. Dan Luttrell, primary; Rev. Lewis Knight and art director, Ann McKee, junior; Mrs. James Bragg and art director, Sue Cranfill, intermediate. Mrs. Ralph Wilson will have charge of the refreshments.

Closing exercises will be conducted Friday night of that week, and each department will participate in the program, providing special music and other entertaining features.

Mrs. Treider extends a cordial invitation to each child to attend the Bible school, and to all parents and friends to attend the final program and see the children's handwork displayed.

**Book Reviewed At
Home Study Club**

The Home Study Club met in the home of Mrs. Bell Maynard on Thursday, June 30.

A game, directed by Mrs. Joy Lindeman, was played to start the meeting. Mrs. Lillie Mae Baxter, president, called the meeting to order, and the minutes of the last meeting were read by Mrs. Mary Barnett, secretary.

A book review was given for the program by Mrs. Lindeman. Refreshments were served to 11 members, two visitors and several children by the hostess.

Next meeting will be in the home of Betty Pope, July 14.

JOHN BENDER GIVEN PARTY

John Bender was honored with a birthday party Friday evening. Not saying just how old he was—but everyone reported a wonderful time.

Those present for the party included Mr. and Mrs. Guy Latta, Mr. and Mrs. Lloyd Brewer and family of Friona, Miss Beth Ann Brewer, Miss Lila Kay Latta of Woodward and Fargo, Okla., Mr. and Mrs. Johnnie Bender of Black, Mrs. John Bender and the honoree.

**Methodist Youngsters
Go to Camp Monday**

Thirteen Methodist Intermediates are planning to attend the Intermediate Camp at Ceta Canyon, July 11-15.

The group will make the trip by car. Worship periods, nature study, and handicraft work will be featured at the camp. Planned recreation is in store for active entertainment.

Those planning to attend are Jerry Rankin, Jimmy Bainum, Frankie Spring, James Dale Anthony, Dale Smith, Lois White, Sue White, Janiece Bach, Charlotte Bach, Pattijon Foster, Adele Smith, Erna Lou Drake, and Mary Jane Grubbs.

**WSCS Executive
Committee Met**

Mrs. W. M. Stewart, president of the Womens Society of Christian Service, had a called meeting of the executive committee in her home on Wednesday afternoon.

Plans were discussed concerning the observance of the fifteenth anniversary of the society.

Refreshments were served to Mesdames J. H. Boyle, J. L. Shaffer, I. T. Graves, Jean K. Anthony, Dick Rockey, Bob Gore, Kenyth Cass, A. W. Anthony, and Mrs. Stewart.

**PARTY GIVEN IN MAY HOME
W. H. Long Recently**

Mrs. Neida May was hostess at a slumber party, given in the H. L. May home Friday night.

The group enjoyed a swim at Hereford, before returning to Friona for barbequed hamburgers and a movie.

Those attending were Misses Sally Osborn, Mary Gosner, Eugenia Landrum, Phyllis and Marilyn Fairchild, Linda Miller, and the hostess.

The guests brought freezers of homemade ice cream, and after the honoree had opened and displayed their gifts the group enjoyed refreshments of ice cream and an evening of visiting.

Attending were Mr. and Mrs. George Hicks of Muleshoe, Mr. and Mrs. John Robertson and girls of Hale Center, Mr. and Mrs. Hank Outland, Mr. and Mrs. Harry McCauley, Mr. and Mrs. Kenyth Cass, Mr. and Mrs. W. S. Ingram, Mr. and Mrs. Ralph Shelton, Mr. and Mrs. Homer Long and children of Muleshoe, Mr. and Mrs. Eugene Ellis, Mr. and Mrs. Rudolph Renner, Mr. and Mrs. Billy Dean Baxter and children, Mr. and Mrs. Doyce Barnett and Cindy, Mr. and Mrs. Bill Woodley and Sherry, Mr. and Mrs. E. H. Bradshaw, Mr. and Mrs. Jessie Park and son, Mrs. John Renner and children.

Sending gifts but unable to attend were Mr. and Mrs. Wesley Foster, Mr. and Mrs. Forrest Osborn, Mr. and Mrs. Arthur Drake, Mr. and Mrs. Rene Snead and Mrs. Alton Long.

**Mrs. Lewis Gore
Was Given Shower**

Mrs. Lewis Gore, nee Elizabeth Cocanougher, was honored with a bridal shower Thursday evening in the annex of the Friona Methodist Church. Hostesses were Mesdames Opal Jones, J. L. Shaffer, Meryle Massie, Dick Rockey, Joe Moyer, Ed White, Tommy Jones, Bud Reed, Billy Sides, C. L. Vesta, Jr., Floyd L. Rector and S. L. McLellan.

A bouquet of tiny flowers decorated the registering table, and Mrs. Tommy Jones registered the guests. A fan arrangement of white gladioli stood on the piano. The serving table was laid with a lace cloth over pink, and centered with an arrangement of salmon and purple gladioli. Mrs. Floyd Rector served the cake, a pink and white delicacy with pale pink roses strewn at the edges and a grouping of rosebuds in the center of the cake. The words "Lewis and Elizabeth" were written on either side of the center decoration. Mrs. Billy Sides presided at the punch service.

The gifts were displayed on a long table, opened by the bride, her mother, Mrs. H. R. Cocanougher, and the bridegroom's mother, Mrs. R. N. Gore. The mothers wore corsages of red roses, entwined with white ribbon, and the bride wore a corsage of pink rosebuds.

Miss Vera Ann Jones presented various piano selections, and Miss Gay Cass gave a reading entitled "Definition of Love." Misses Zelma Beaty and Betty Joyce Agee gave two vocal selections, accompanied by Miss Nancy Outland. Mrs. C. L. Vesta, Jr., showed moving pictures of the wedding and reception of the newly married couple.

Those registering in the Bride's Book were Mesdames E. M. Rushing, Ralph Durstine, Bob Gore, R. L. Cocanougher, B. H. Roberts, Charles Tyler, David Mosely, J. H. Boyle, A. O. Drake, F. L. Reed, Hugh Blaylock, Kenyth Cass, Ralph Shelton, Ernest Osborn, Joe Beaty, Bertie Stowers, Joe Collier, A. W. Anthony, Sr., H. C. Wells, W. H. Ford, Sloan Osborn, Roy Clements, A. A. Crow, R. N. Gore, H. R. Cocanougher and the hostesses.

Misses Nancy Outland, Betty Agee, Marie Roberson, Tommie Martin, Jan Wells, Maggie Cocanougher, Zelma Beaty, and Gay Cass.

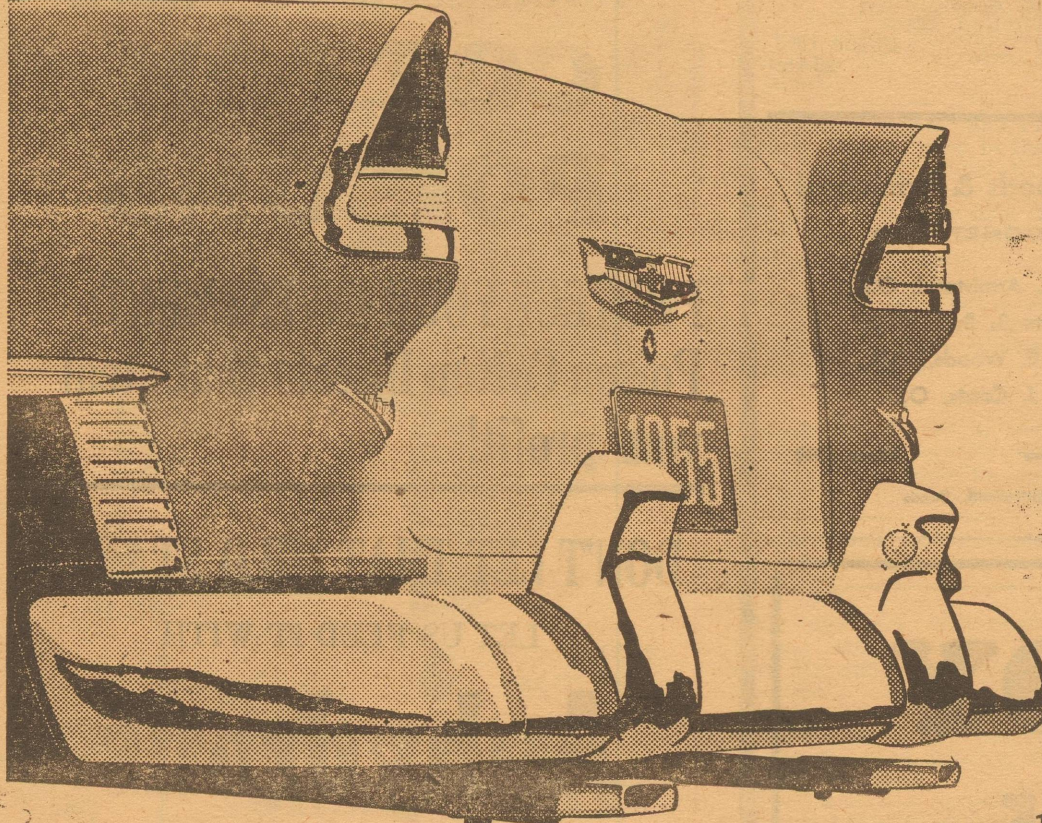

**Rhea Farm Bureau Held
Community Picnic**

The Rhea Farm Bureau and Home Demonstration Club were hosts to the community and a few visitors on Friday night with their annual Fourth of July picnic. The group met at the Parish Hall for a fried chicken supper.

Lively games of volley ball furnished the evening's recreation. The picnickers were entertained with music by local talent, and Albert and Chris Drager, assisted by Ewald Vogler from Hereford, played several numbers.

After the brilliant fireworks display, everyone went inside for more music by Irene and Edmund Drager, Gladys Dean, Mrs. Marie Wall, and her nephew from Wichita Falls. Arnold, by request, then led the group in "My County 'Tis of Thee."

Approximately 125 persons were present for the Fourth of July celebration.

Twin Pipes that play sweet music!

Chevrolet's "Super Turbo-Fire V8" with 180 hp.

You can spot this one by the twin tailpipes. No matter what you drive, you're going to see twin-exhaust Chevrolets pulling away—in traffic, on the toughest hills, on the long straightaways.

Unless you have a "Super Turbo-Fire V8" of your own. And then you'll know what it's like to pilot the car that sets the pace for everything else—and doesn't pause to read the price tags!

What makes the Super seat? Chevrolet's superb valve-in-head V8, with the shortest stroke in the in-

dustry, the most power per pound, and the only 12-volt electrical system in its field—all this plus a four-barrel carburetor and free-breathing twin exhausts.

Want to sample this silk-lined cyclone? Just give us a call, any day this week, and we'll be proud to show you just how hot a V8 can be.

Letters to the Star

The following letter was received from J. W. Callaway, Montgomery City, Mo. The very interesting and informative letter, regarding the early days of Friona, was written after Mr. Callaway read the feature story concerning Friona's first windmill, recently torn down.

Dear Miss Cass,

I was very much interested in your article in June 20 copy of The Friona Star, which I read every time it reaches us. I live in eastern Missouri but subscribe for The Star as I am very much interested in Friona.

I measured every lot in the town and drove stakes at all block corners and alley openings when there were positively no buildings north of the railroad track in 1906. The first three buildings erected there were: a garage to house the cars used by George Wright and Company, which was selling the land lying north from Friona and east of the New Mexico line; then a livery stable a furnish more ways to look over the land he was selling; at the same time Mr. T. B. Wood built a 4-room house and used 2 rooms for a home for himself and wife, who managed to cook for and feed about 20 men in the other two rooms. There was a windmill near the garage which furnished water for all stock and personnel. Water was carried to the restaurant which was about a block away.

There was a house on the south side of the track and three box cars on a spur track on the north side of the track where the Mexican section hands lived. The section boss lived in the house. I worked for T. B. Wood till a few days before Christmas, 1906, and his home was the only residence. I was working for Mr. Wood when we staked out the townsite of Friona, the first name of the town. Friona, taken from the name of the draw, is of course Mexican and means cold.

When there were enough of us to feel the need of a P. O. nearer than Hereford, we applied for one. But at that time, there was one

Frio P.O. in Texas, so we added "na" to Frio and got our P.O. of Friona. Mrs. Annie Diamond, wife of one of our surveying party members, was one of the first, if not the very first, appointees as post-mistress.

When I came back to Missouri in Nov. 1907, I tried and succeeded fairly well in getting over my love for Texas, or Texas Fever as my family called it. But in Autumn of '52, The Country Gentleman Magazine had a short letter from Mrs. Baxter of Friona. Just about three lines, but that was plenty, my fever was raging again. We were so anxious to see Friona for ourselves, that on August 7 last year, we started.

We were pleased with everything we saw, especially the park, swimming and wading pool at Hereford, where there had been only a shallow lake of several acres when we had lived there 48 years before. We visited Sprnglake, another townsite we had staked out in 1907. We also staked out Parmerton and Summerfield.

One morning during our visit, Ralph Wilson drove and took us to the old stone house on the Terra Blanca, which was the headquarters for the Escarbada Division of the XIT ranch when we surveyed it in 1906. The house is long deserted and in bad repair but the Terra Blanca draw for some miles east from N. M. line isn't changed much and looks about the same. I never expect to pack as much pleasure into three days again, though we plan to try it again this fall.

I will be 75 September 16. My brother is 71, and his wife 70, but all like to go places.

I own a book "Early days on the Llano Estacado and History of the XIT Ranch" which I think you might enjoy. I sent it to C. R. Smith at Hereford who was Foreman on the XIT when we were surveying it. He read it and took it to Mrs. Wilson to read and pass on to anyone who cared to see it. I would like to have your name added to the considerable number which it should have by this time as I asked each one to sign in the blank pages in the front of the book when they read it.

I have no children but do have 21 nieces and nephews and they have 21 children. So when anyone calls me Uncle Bill, 42 of them are right and the other hundreds who call me uncle are welcome to do so.

Jack Anderson of Friona, who I think runs a barber shop, was a cowboy on the XIT when we surveyed it, but I didn't know he was there last year till after I had come home. The other cowboys who worked there then are scattered from Mantana to South America. It is about 880 miles from here to Friona but last year's trip did not tire me very much. I don't walk at all well due to a crippled hip and muscular weakness but I ride wonderfully well.

Cheer up! This is all. I shall be glad to hear from you if you care to write—if only to tell me "don't do that again."

J. W. Callaway.

Noticed that Mr. and Mrs. Arthur Drake are driving a new '55 red and white Olds these days.

Someone comes into the Star office every week asking for information regarding apartments or houses for rent. Most of them can not be helped for the simple reason that no housing accommodations exist in our city that can be rented at the present time.

Looking over the pictures on the wall, we see: Rockwell Brothers Lumber Company on fire, a bull on top of a shed, the opening of the Bi-Wize Drug, an irrigation ditch filled with water, hail as large as hen eggs, a time exposure of Friona at night, and a campaign poster proclaiming "We Like Ike." Rather a varied assortment of news headlines.

The Friona School grounds look beautiful this summer, with a level surface and green grass. And the sprinklers that keep the lawn damp, offer a tempting cool look that is entirely out-of-place in this hot weather. People are entirely unpredictable; wanting fall to come so it won't be so warm, and then when it's winter, wanting the summer to be here once again.

Latest TV attraction added to Amarillo's programs is a new quiz show, "The \$64,000 Question." The lady on at the present time is an excellent Bible student and has that for her category. For excitement, the program really rates but it is also very disquieting to the nerves \$64,000 is a lot of money.

One father says that teen-age English would make Shakespeare turn over in his grave. For instance, the American magazine says that the initials LLD placed after a man's name no longer mean that he is a scholar. Far from it! The initials spell out to his lady love the caption "Let's Live Dangerously." If you are extremely intelligent, you are "100 watts," and winners are commonly known as pneumonia holes.

The only thing bad about Communism is that it isn't democratic. If all the "isms" could be converted to democracy, no one would have to worry about this year's draft.

The latest item from the news corner says that Friona is getting bigger and bigger and the old timer across the street says that the item isn't news at all.

The most unpleasant thing that usually happens in West Texas is sand. It has a habit of waiting to blow until you've left the house with windows and doors open. Then it playfully dances around and covers everything with dust. You rush home as fast as you can to shut everything down tight, only to find that, by then, the sand has already stopped blowing.

The only time it rains anymore is when you wash your car, hang clothes on the line, water the grass, irrigate the crops, leave the car in a low place, or forget and leave the cake on the doorstep to cool.

Three Friona students were among the 400 young people attending the 39th annual Methodist Youth Fellowship assembly of the Northwest Texas Conference, held June 27-July 2 at McMurry College in Abilene.

The Friona representatives were Elizabeth Blaylock, Patsy Anthony, and Don McMahan. Miss Blaylock is a junior at Friona High School, a member of the FHS band, and is active in MYF work at the Friona Methodist Church. Miss Anthony, daughter of Mr. and Mrs. A. W. Anthony, serves as pianist for the young people's department and is active in Sunday school and MYF work at the Methodist Church. A junior at Friona High, she is a member of the Pep Club, Student Council, Band, Choir, FFA, Library Staff, and the school newspaper and yearbook staffs. McMahan, son of Mr. and Mrs. J. W. McMahan, is a junior at FHS, participates in football, track and baseball. He is publicity chairman for the MYF group.

Main speaker for the youth conference was Rev. Howard Ellis, director of youth evangelism for the Methodist Church. Pat reported that upon their arrival, they ate supper and then heard Rev. Ellis' first sermon. The speaker illustrated his speeches with chalk drawings of Christ, and alluded to these with soft lights.

The students were housed in McMurry College dormitories and ate their meals at the college dining hall.

Rev. DeWitt Seago of Lubbock was dean of the assembly activities, and Rev. James T. Carter, of Amarillo, was dean of studies.

Courses and skill shops were held, teaching the students to understand the Bible, religion, and teen-age problems.

During the daily business meetings, a decision was made to have an annual youth conference, similar to the present Northwest Texas Annual Conference.

A track meet was held Friday with "substitute articles" used for the regular athletic tools. For example, paper plates were used in the discus throwing contest, etc. reported Pat. Group recreation was held every night under the leadership of Fay Marie Beck.

One worship center was carried out during the entire meeting. The display was entitled "Walking in the Way of God." Two paths, one straight and narrow leading toward Christ, and one smooth and broad leading away from Christ, were cleverly arranged against a background of blue-green velvet.

The Assembly Annual Books were passed out Saturday morning, and new officers were installed in a formal ceremony, before the attendants returned to their homes.

Sharon Cox of Anton, left for home Tuesday, after visiting for the past few days with Janiece Bach.

Rev. and Mrs. Hugh Blaylock spent Monday with the Charlie Mercers. Other dinner guests included Miss Tommy Martin.

Mr. and Mrs. H. D. Mayfield were in Fort Cobb, Okla., over the week-end to attend the funeral of her uncle, John D. Williams.

Mr. and Mrs. Tom Littleton and children, of San Antonio, spent Saturday through Tuesday with the W. L. Hannolds. They have also been visiting with Mr. and Mrs. Virgil Brown.

ODDS ENDS

Noticed that Mr. and Mrs. Arthur Drake are driving a new '55 red and white Olds these days.

Someone comes into the Star office every week asking for information regarding apartments or houses for rent. Most of them can not be helped for the simple reason that no housing accommodations exist in our city that can be rented at the present time.

Looking over the pictures on the wall, we see: Rockwell Brothers Lumber Company on fire, a bull on top of a shed, the opening of the Bi-Wize Drug, an irrigation ditch filled with water, hail as large as hen eggs, a time exposure of Friona at night, and a campaign poster proclaiming "We Like Ike." Rather a varied assortment of news headlines.

The Friona School grounds look beautiful this summer, with a level surface and green grass. And the sprinklers that keep the lawn damp, offer a tempting cool look that is entirely out-of-place in this hot weather. People are entirely unpredictable; wanting fall to come so it won't be so warm, and then when it's winter, wanting the summer to be here once again.

Latest TV attraction added to Amarillo's programs is a new quiz show, "The \$64,000 Question." The lady on at the present time is an excellent Bible student and has that for her category. For excitement, the program really rates but it is also very disquieting to the nerves \$64,000 is a lot of money.

One father says that teen-age English would make Shakespeare turn over in his grave. For instance, the American magazine says that the initials LLD placed after a man's name no longer mean that he is a scholar. Far from it! The initials spell out to his lady love the caption "Let's Live Dangerously." If you are extremely intelligent, you are "100 watts," and winners are commonly known as pneumonia holes.

The only thing bad about Communism is that it isn't democratic. If all the "isms" could be converted to democracy, no one would have to worry about this year's draft.

The latest item from the news corner says that Friona is getting bigger and bigger and the old timer across the street says that the item isn't news at all.

The most unpleasant thing that usually happens in West Texas is sand. It has a habit of waiting to blow until you've left the house with windows and doors open. Then it playfully dances around and covers everything with dust. You rush home as fast as you can to shut everything down tight, only to find that, by then, the sand has already stopped blowing.

The only time it rains anymore is when you wash your car, hang clothes on the line, water the grass, irrigate the crops, leave the car in a low place, or forget and leave the cake on the doorstep to cool.

BIRTHDAY PARTY GIVEN SUE CRANFILL

Sue Cranfill was surprised with a party on the occasion of her birthday, Tuesday evening, in the Fred White home. Miss Ann McKee was hostess.

Games were played, and the group was entertained with several television shows. Refreshments of cake and punch were served. The birthday cake was frosted in white, and small capsules were buried in the icing. Upon opening the capsules, a message concerning Sue was found on the inside. The guests each read their humorous messages aloud.

After the party, a shivaree was given the recently married Donald Greens.

Those attending were Clyde Ray Bragg, Ann McKee, Owen Houston, John Fred White, Pat Cranfill, Sue Cranfill, Elizabeth Grubbs, Donald Petty, Phyllis Treider, Wayne Houlette, Peggy Widener, Harris Dunn, Betty Bragg, Kathleen Morris, Rev. Lewis Knight, and the Fred Whites.

State cigarette tax income in June dropped off \$38,021, and liquor taxes \$32,808, compared with the same month last year, reports State Treasurer Jesse James. . . . May building construction in Austin showed a gain of 15 per cent over April, or more than double the 7 per cent increase shown throughout the Eleventh Federal Reserve District. Austin construction also showed a gain of 20 per cent over May, 1954.

Army Announces New Reservist Policy on July 1st

The Department of the Army has announced that its new emergency reinforcement plan, whereby officer and enlisted personnel released from active duty with eight-year obligations are designated for specific assignments in the event of mobilization, will be initiated in continental U. S. Army areas starting July 1.

The plan is designed to assure the prompt filling or recall quotas for active duty during early phases of mobilization, as well as to encourage voluntary participation in National Guard and Reserve training programs.

Men selected for emergency reinforcement designations will be from among those who are not participating as members of reserve component units.

These reservists will be designated for three-year periods as reinforcements to active Army units or installations and to National Guard and Army Reserve units located as near their homes as practicable.

However, the reinforcement designations can be terminated by men who enlist in the Aegular Army or a National Guard unit, or those who volunteer for assignment to an Army Reserve unit with the objective of full and active participation.

The plan will not be applied to obligated reservists who have undergone hardships and suffering, in or as a result of, combat.

The reinforcement designations are not "assignments" in the ordinary sense. The men will not become organic parts of their respective organizations, merely being pre-selected for assignments on or after M-Day when the unit and individuals are ordered to active duty.

In all cases the designations will be limited so as not to cause any unit or installation to exceed 115 per cent of its authorized strength plus emergency reinforcements.

Obligated reservists who have had prior National Guard or Army Reserve service will generally be designated to National Guard or Army Reserve units, respectively.

Security Payments Up in County

In Parmer County at the end of last year, 44 retired workers were receiving \$2,216 in monthly social security payments, according to figures just released by John R. Sanderson, district manager of the Social Security office in Amarillo.

In addition to the retired workers themselves, 43 people were receiving \$1,420 a month as dependents of the retired workers or as survivors of deceased workers.

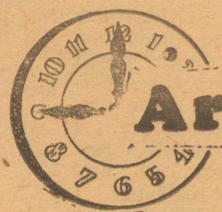

Although this is a considerable increase as compared with payments a year ago, it is certain that more people will receive larger payments in years to come because of changes in the Social Security law in 1954, Sanderson says. Among the major changes were the following:

1. Computation of payments after "dropping out" up to 5 years of lowest social security covered earnings.
2. Extension of social security coverage to more farm workers and to self-employed farmers, as well as many other kinds of work.
3. Increasing of the maximum wages creditable toward benefits from \$3600 to \$4200.
4. Allowing disabled workers to "freeze" their social security wage records while disabled.
5. Increasing the amount of earnings which a retired worker can receive and still get all or a part of his retirement payments. (There is no restriction on earnings after a worker is 72 years old.)

Persons with social security questions are invited to contact the Amarillo Social Security office, or contact a representative who will be in Farwell at the courthouse on Wednesday following the third Tuesday of each month at 10:30 a. m. on a regular visit.

188-hp Buick SPECIAL 6-Passenger, 4-Door RIVIERA, Model 43

This 4-Door Beauty is the Newest Hit in Hardtops

YOU certainly ought to come in and see for yourself why this new kind of hardtop is headed for the best-seller list.

It's a Buick Riviera, of course. Which means the low and rakish look of a Convertible — a solid steel roof overhead — and no center posts in the side window areas to obstruct your view.

But that's only the beginning. Here you get two extra doors. They open to the rear compartment. So no one in the front has to move when someone gets into or out of the rear.

Here you get massive half-pillars on either side on which the front doors latch and the rear doors hinge. (That's why you see no center posts above the door line.)

Here, too, you get wholly new principles in body design and strength that give the extra safety of rock-firm solidity at the top, sides and bottom.

And here—bless those Buick engineers!—you get a lot more room in the rear compartment.

For the 4-Door Riviera gives you over 9 inches more hiproom and 5 inches more legroom — yet with no increase in wheelbase or over-all car length.

So we repeat—you certainly ought to come in and see this stunning new kind of hardtop.

It's the very last word in beauty, comfort, convenience. It's available in Buick's two lowest-priced Series — the SPECIAL and the CENTURY. And it's all Buick — with Buick power, Buick ride, Buick handling — and the spectacular performance of Buick's Variable Pitch Dynaflo.*

Drop in today—tomorrow at the latest—and learn what Buick's all time record sales year can mean to you in the way of a whopping-big trade-in deal.

*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

BI-WIZE DRUG — FRIONA

So the People May Know

WILL MAY REDUCE RED TAPE IN SETTling ESATE

A properly drawn will can be the means of short-cutting many legal formalities, and save a great deal of time in distributing the estate of a decedent among his rightful heirs. It may also serve to save many dollars in legal fees and court costs.

As an example, whenever a person dies without a will and it is necessary for the probate court to appoint an administrator of his estate, the person so appointed is required to post a bond. This bond is for the purpose of insuring the faithful performance of his duties. When signed by individuals, the amount thereof must be double the estimated value of the personal property of the estate plus a reasonable amount to cover prospective rents and other income from real estate involved.

Patrol Positions Open in State

AUSTIN, June 27. (Spe.) — Homer Garrison, Jr., director of the Texas Department of Public Safety, announced this week that the Texas Highway Patrol will accept applications between now and July 25 from young Texans for appointment to the Texas Highway Patrol. Garrison said that examinations for appointment to the Patrol recruit training school will be given at various points in the state early in August. Some 100 vacancies, due to the action of the Texas Legislature in increasing the Texas Highway Patrol personnel, will be filled from the roster of those qualified.

The Public Safety director invites all young men who are interested in a career of law enforcement to make application as early as possible. He pointed out that they must be between 21 and 35 years of age, inclusive, have a high school education, be at least 5 feet, 8 inches in height and weight not less than two nor more than three and one-half pounds per inch in height.

Garrison emphasized, too, that applicants must have been citizens of Texas for at least a year and they must be of good moral character and in perfect physical condition and able to withstand a rigid character investigation. Garrison further emphasized that these applicants, if accepted for this service, will receive vacation time, sick leave, if necessary, and will be covered by the State Retirement Act and the Federal Social Security Act.

Application forms, Garrison said, may be obtained from all Texas Highway Patrol district offices or by writing directly to W. J. Elliott, Chief, Texas Highway Patrol, at Austin.

When issued by a bonding company, the estimated value of the personal property need not be doubled. The administrator's bond must be kept in force until the estate is finally closed and he is discharged from his obligation by the court.

The same rule applies to an executor under a will, unless the testator has specified that no bond shall be required. This provision may be inserted or left out of the will at the option of the maker. Needless to say, there are situations in which the bond serves a real purpose. But when not needed, the statutory requirement may prove a distinct annoyance to the executor and a burden upon the estate in the form of annual premium payments.

Another example: A court appointed administrator may not sell any property of an estate without an order of the court authorizing him to do so. He must make application to the court for approval of each sale. The court must be advised of and approve the sale price and the manner in which the same is to be collected. Similar provisions apply to the making of mineral leases and other transactions.

These provisions apply equally to the executor of a will, unless testator has freed him from such requirements. A single short paragraph inserted in a will designating him as an independent executor in appropriate phraseology may serve this purpose. Then he will have a free hand to dispose of property upon short notice whenever a favorable opportunity arises, with a minimum of legal formality.

Since every application or other paper filed with the probate court and every order obtained from the court involves the expenditure of attorney fees for its preparation and court costs for its handling by the clerk, in proper cases many dollars may be saved for the heirs by adequate provisions of a will.

A free pamphlet containing useful information on wills and related matters has been prepared by Texas lawyers. To obtain a copy, merely print your name and address on a postcard and mail to State Bar of Texas, Colorado at Fifteenth, Austin 1, Texas. (This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without the aid of an attorney who knows the facts because the facts may change the application of the law.)

RAILWAY CONTINUES AID TO FFA IN STATE

The Santa Fe Railway has announced it will continue to give financial support to the Future Farmers of America program in states served by the railroad.

A contribution of \$2,125 has been made to the Vocational Agricultural Education Department of Texas for carrying out its 1955 program of FFA work.

In addition to the annual allotment to the department, the Santa Fe will inaugurate this year a \$250 college scholarship for active members of the Future Farmers of America in Texas.

The selection of the scholarship winner will be in the hands of the Texas Education Agency, and will be effective with the 1955-56 college academic year.

The full scholarship will be paid for the student's first college year, and will be confined to boys who enroll for courses in agriculture, agricultural engineering, agricultural education, agricultural journalism, forestry or veterinary medicine. The winner must attend a school within his resident state.

There are other qualifications of scholarship leadership, and FFA membership affecting the selection, but the determination is left to state officials. Provision is made for them to select an alternate winner.

Mrs. Lloyd Prewitt returned home Wednesday from the Parmer County Hospital where she underwent surgery. At latest report, she was doing fine.

CARD OF THANKS

We wish to express our gratitude to all the friends here who remembered us in our recent hour of grief at the untimely death of Mrs. Hanks, mother of Mrs. Baxter.

To all of you who sent messages, flowers, etc., we are especially appreciative.

—Mr. and Mrs. Jimmie Baxter

BONNIE BAPTIST SUNBEAMS

The Bonnie Baptist Sunbeams met with the 8-year-old Sunbeams, Tuesday afternoon.

A missionary story, entitled "William Carey, the First Missionary to India," was told.

Mrs. Clayton Taylor served refreshments, and the meeting was closed with a prayer.

GOLDEN LIGHT SUNBEAMS

The Golden Light Sunbeams met for a mission program Tuesday afternoon. The meeting was opened with a group handwork period, and the children worked with salt beads and made a missionary puppet.

Puppets, Sunbeam Sam and Sally, told the story of William Carey, the first missionary to India.

Refreshments were served to Becky Turner, Eddie Wood, Tommy Mais, Karen Manyard, Joyce Williams, Teresa Taylor, Jerry Wade, Phillip Coker, Carol Tub, and sponsors.

BUYS PUREBRED MILKING SHORTHORNS

F. E. Kepley, Farwell, has added to his herd by the purchase of Red Boy from W. H. Flippin, Jr., Friona.

The animal is a purebred Milk-milk Shorthorn bull, and the record of the transfer of ownership has been made by the American Milk-milk Shorthorn Society at Springfield, Mo.
