Did you ever see anything catch on like the summer baseball and softball program at the local diamond?

The success of course is in large due to the many who can participate, but also due to thorough groundwork and continued interest of some adults who have devoted time and work and funds to meet every demand. Our salute to these leaders.

Since commenting on Mr. Wood's true fishing experiences, we have had lots of stories and experiences of others — leading us to believe that far the most fish are caught by the tale.

The Lady on Euclid Avenue refers to recent comments on the "pay as you view" television, stating that the "pay as you use it" tv already is here — as any tv repairman will testify!

Attesting to the wholesomeness of our community is the interest taken in our churches. Truly, this is a "church town".

Congratulations to the Baptists, the Church of Christ and the Congregationalists for the building, improvements and remodel jobs underway.

Some people are like blotters. They soak it all in, but get it backwards.

Have been hearing rumors of a beard growing contest prior to the fair this fall (with penalties for non compliance). How about that?

And someone has suggested that a public shaving be held at the conclusion of the contest, on a platform at the fairgrounds!

The abundance of bachelors in Friona reminds us that a bachelor doesn't have a better half but sometimes has better quarters.

A lot of men are so busy learning the tricks of the trade that they never learn the trade.

Who has the most cluttered desk in town? Outside of ye editor's, nominations are open. It just wouldn't be fair for us to enter the competition — others would not have a chance in any sense of the word.

Our staffmembers get mighty discouraged, trying to locate items on our desk.

(But thing of the poor hen — she never finds things where she lays them!).

The end.

Half Hundred Boys Attended 4H Camp

The annual Parker County 4-H Club Camp was held in Holy Ghost Canyon, in the mountains of New Mexico, Monday through Thursday of this week.

County Agent Joe Jones reported that the 47 boys attending from Parker County left by truck early Monday morning for a week of fun and education in 4-H Club activities.

Attending from Friona were: Craig Coon, Connie Ray, Charles Ray, Keith Taylor, Weldon Massey, David Chiles, John L. Tubbs, and Duart Ivy.

Black: Jim Greeson, Maynard Greeson, and Tommie Tatum.

Bovina: Tommy Snodgrass, Roger Ezell, Don Bandy, Jerry Barron, Larry Mabry, and Laverne Mabry.

Farwell: Lex Huggins, Freddie Warren, Bobby Curtis, Tommie Williams, Dickie Williams, Jimmy Martin, Mike Getz, Johnny Lovelace, Jerry Lovelace, Carroll Huggins, Gerald Christian, Bill Owen, Gerald Gober, Dale Merriman, Amon Maxwell, Johnny Armstrong, Jimmy Clements, Gary Foster, and Gerald Foster.

Lazbuddie: Richard Chitwood, Dean Watkins, Glen Watkins, Durwood Teague, Dwayne Teague, Cooper Young, Steven Young, Edwin Young, Richard Leslie.

Robert Tomlinson represented Texico, and Joe Hughes attended from Lariat.

Leaders making the trip were: Joe W. Jones, Gordon Massey, Dee Chitwood, John Getz, J. B. Young, Leon Langford, Junior Doshier, James Mabry, and Dee Owen.

Mr. and Mrs. Dan Lacewell and Mr. and Mrs. Herbert Day attended a family reunion of the Frost family in Abilene last week. All children were present and only one grandson was unable to attend.

Mr. and Mrs. Elwood Vaughn visited Sunday in the C. D. Day home.

The Optimist on the Highway observes that the time has come when a \$50 suit will outlast \$50!

BUILDING PERMITS

Rev. I. S. Ansley, move in church building, 12 x 30 frame and stucco, to 508 West Second street. Cost \$20.

NEW RESIDENTS

Mr. and Mrs. Howard Pace moved into the Roscoe Parr rent house.

Mr. and Mrs. J. H. Morris moved from Fort Worth to the Gordon Massey farm.

Tax Suits Assured

Fifteen suits for collection of delinquent city taxes in Friona are being filed Thursday as a forerunner of possibly as many as 50 other suits to collect over \$3,000 overdue.

City Attorney Bill Sheehan made the announcement today, stating that suits would be filed just as soon as they could be prepared.

Brummett Re-Elected Legion Commander

Joe Brummett was re-elected commander of the Friona American Legion Post 206, tabulation of mailed-in ballots revealed this week.

V. R. Jordan was elected 2nd vice commander; John Benger as 2nd vice commander; Bill Sheehan, adjutant; Earl Drake as sergeant at arms; Paul Spring, service officer; and Rey. Hugh Blaylock as chaplain.

The nominating committee met at the Legion Hall Sunday afternoon to count the votes. Present were Paul Fortenberry, Earl Drake, and S. T. Thornton. Commander Brummett also was present.

Community Chairmen Appointed For Annual Queen Contest; Entries Urged

Mrs. Roy V. Miller, Parker County Chairman for Farm Bureau's third annual Queen Contest, has announced appointment of the following community chairmen for accepting candidates: Mrs. Carl Schlenker, Rhea; Mrs. Ellis Tatum, Black; Mrs. J. T. Jones, Bovina; Mrs. W. C. Williams, Lazbuddie; Mrs. Gilbert Kaltwasser, Farwell and Oklahoma Lane; Mrs. George A. Jones, Lakeview; and Mrs. John Lamb, Friona.

Sponsors of candidates should submit the entry's name, age and community to the proper chairman, along with a \$5.00 entry fee which will assist in expenses of the contest and clothing for the county winner. Judges for the contest will be from another county. Appearance, poise, and personality are the

HOSPITAL BENEFACTOR MAKES ACID TEST OF HIS GIFT

Approving glances by donor J. B. McFarland, Doctor Paul Spring and Nurse Dorothy Koelizer attest to the value and appreciation of the long needed modern oxygen tent now a permanent possession of the local hospital. J. B. McFarland, who made the gift, was last week hospitalized, and he is shown in this picture, partially obscured by the plastic curtain, resting inside the tent. —Star Photo

J. B. McFarland, a well-known promoter of the Parker County Community Hospital, recently donated a new oxygen tent, not only for the benefit of patients, but also for nurses.

During a recent illness at the hospital, he expressed a wish to repay the nurses for their kindness to him. Old style oxygen tents have to be cooled with ice, carried to the tent every few hours. The hospital had two of these tents and only one new model that used refrigerated air coils. Besides the inconvenience of the ice method, it took three times as long to obtain the correct oxygen concentration in the old models.

With these ideas in mind, Mr. McFarland purchased a Mechanair oxygen tent, identical to the new

model that the hospital had. With its refrigerated air, it will no longer be necessary for hospital personnel to cart ice to the tents. The up-to-date model cost \$450 plus the oldest oxygen tent owned by the hospital.

Manager Jimmy Baxter states that the three tents now available will be adequate to serve the hospital's needs, since no more than two tents are in use at any one time. With the two new tents, all that one must do to obtain the proper oxygen concentration and the correct temperature, is to set the temperature gauge.

Mr. McFarland has a long list of achievements in hospital improvement. He led the drive on the purchase of the new ambulance, contributed to the paving project, and has given more than any other individual on the present building drive. The hospital would have had to close in the late 40's if he had not loaned a sum of several thousand dollars, with no assurance or promise that he would be repaid.

In commenting on these gestures, Baxter says, "We'd like to have about 10 more people like him living in Friona."

Resignation of Pastor Accepted by Churchmen

Members of the Friona Congregational Church voted Sunday to accept the resignation of Rev. Lewis J. Knight, pastor. The resignation, submitted recently, will become effective September 1.

Rev. Knight reports that he will leave for Sacramento, Calif., August 28 or 29, where he will accept the pastorate of the Park Side Community Church.

Rev. Royal Gibson, superintendent of Central South Conference, came from Oklahoma City to give the sermon Sunday morning.

Fry Calls Meeting Of Music Students

Friona Bandmaster J. D. Fry has called a meeting for this Saturday afternoon, 4 p. m., at the high school, for all music students planning to attend the summer band school to be conducted at West Texas State College in Canyon.

Some 25 local band students are expected to attend the WTSC school beginning Sunday.

Mrs. Anna Hughes, colored, of Friona, was charged in County Court Monday with possession of liquor for sale in a dry area.

Arrest of the Hughes woman came only four weeks after her appearance in the same court, charged with the same offense, and paying a fine on the earlier charge.

Deputy Jim Roberts entered the Hughes dwelling (old scale house in southeast Friona) on a search warrant in the latest raid on Saturday night.

County Judge Smith assessed the woman \$100 and costs, with alternative of 40 days in jail. To date she has remained in jail.

On Friday, J. D. Hughes, husband of the woman, was apprehended in Hereford, picked up for transporting liquor and beer. He was placed in jail there.

On June 20th, Hughes was convicted in County Court at Farwell for possessing liquor for sale in dry area, fined \$150 and costs. He enjoyed watermelon in the park.

Farm Bureau Report

By RAYMOND EULER

According to figures kept in Parker County's ASC office, at least 26,500 pounds of sodium chlorate have been applied to treat bindweed infested areas in the county. At the recommended rate of application, this would indicate at least 30 acres of bindweed under treatment. This is not all of it by any means, but represents much more than anyone would have believed existed a year and a half ago, before the weed committee of our Farm Bureau began urging farmers

to watch for it and start getting rid of it. There are still some who don't know what it is, but most farmers are beginning to find out.

Farm Bureau President Gilbert Kaltwasser and Bruce Parr attended a meeting in Lubbock last Thursday night, where presidents and secretaries of District II met. Parr went in the interest of learning more about the proper procedure for establishing a weed control district. We have a report from the meeting at this time.

Mrs. Glenda Rickerd, our office secretary, attended a meeting the same day in the Lubbock Hotel, with other employees of District II. They studied office procedures and exchanged ideas and problems common to county offices. Glenda reported a very interesting and informative day.

We are glad to note that some grain dealers are informing their patrons of consideration being given the proposal to encourage production of quality wheat for milling purposes. The proposal, being studied by Agriculture Secretary Benson, would lower the support prices for "undesirable varieties of wheat," and raise them for good quality wheat. This looks to us like a good move in favor of wheat farmers, and follows recommendations of Texas Farm Bureau at their last convention.

The report of Parker County Farm Bureau's activities since March of this year, appears elsewhere in most of the Papers that carry this column. We hope you will read it and feel free to ask for more detailed information on any item mentioned. Information is available at the office.

C-C Body Works On Fair Planning

Added entertainment, adequate financing and thorough beforehand preparation and publicity for the Parker County Fair were stressed Tuesday night at a Friona Chamber of Commerce and Agriculture meeting.

With the fair only little more than a month distant (September 15, 16, 17) committees of the Chamber were set to work, asked to cooperate with other organizations taking part in the Fair, and to take initiative in several phases of the three-day program.

The annual barbecue again will be sponsored by the Chamber of Commerce.

BOOTLEGGING NEGRO NABBED

WINNERS!

Winning over Nazareth Sunday 8-7, the Friona Indians stepped back into the win column and clinched 1st place berth in league play this season.

Only one league game remains for the locals, one with Dimmitt there this next Sunday. Then in two weeks the playoffs will commence, assuring local fans of some home games during that contest among the four top teams, Friona, Umbarger, Hereford and Dimmitt.

Fans have been missing some mighty good games if they have failed to follow the Friona nine. For instance, in the last five tilts, four have been decided by only one point!

Stan Barrett went all the way on the mound Sunday, pitching superb ball. Very few errors were committed by either team. Outstanding local plays may be credited to Barrett (a single and a triple), Woodley on a double and single, and 3rd baseman Davis who made the game ending defensive play, a sensational catch of a line drive coming far to his left, snagging the ball to make a double play at 3rd and 1st.

Awards Announced At New Store

Between 1700 and 1800 people registered at the grand opening of the recently completed Rockway-Hurst Department Store, according to A. C. Rockway, co-owner. Twenty flower arrangements were received from businessmen as congratulatory messages to the new business. Dozens of people stood at the doors Tuesday morning, July 19, waiting for the opening at 9:00.

Prizes were awarded Saturday, with names being drawn from the records of those registering. A \$12.95 dress went to Mrs. Shirley Cook, with Mrs. Jack Lane being awarded the Purry blanket. Jo Ann Beatty was the recipient of a \$6.95 ladies' slip, and Jessie Mae Stoner received a pair of \$1.35 hose.

Mrs. Jesse L. Williams and Mrs. Harold Barton also received a pair of hose each. A lovely handkerchief went to Mrs. S. M. Bailey, Jr.

In the men's department, dress pants were given to each of the following: Deloss Knight, Truett Pool, David Ray Smith, and O. F. Lange. Tommie Hamilton was awarded a \$15 dress hat, and a suit of khaki went to Ashford Hill, with a pair of stretchy sock being given to Roy W. Ivey.

AUSTIN. — Bascom Giles' own story finally was told last week in the Veteran's Land Program furor.

In an expected, but unannounced move, the former land commissioner took the witness stand in his 98th "strict Court trial. He is charged with stealing or aiding the stealing of \$6,800 from the veterans program he administered.

Giles previously had been tight-lipped to reporters and investigators. He pleaded his constitutional immunity against testifying in the Senate inquiry.

Firmly and emphatically, Giles denied he ever stole or helped anybody steal the \$6,800.

He placed equal responsibility on the Governor and the Attorney General with himself for administering the program citing they were all members of the Land Board by constitution and by statute.

He denied there were any inaccuracies "to his knowledge" in board minutes as both the Governor and Attorney General have previously claimed.

He denied ever seeing in a hotel room the state's witness who claimed to be present at a hotel-room conversation in which Giles allegedly discussed making a \$250,000 profit on a veterans land deal with Brady land dealer, B. R. Sheffield.

State Auditor's Report

State Auditor C. H. Cavness suggested last week that Texas use part of its oil and gas income from public lands for current school expenses.

Highway Bids Taken

Low bids totaling \$14,197,575 on road and bridge projects were tabu-

lated by the State Highway Department last week. Two major highway improvements—on U. S. 80 east of Big Spring and on U. S. 83 north of Brownsville—were included in the 402 miles of road work.

A contract was let to build a bridge in Dallas across the Trinity river. It will eventually connect with the Dallas-Fort Worth toll road.

Parr Documents Sought

Attorneys for George Parr have asked to inspect 89 checks and other documents the government will use in its income tax evasion case against the South Texas political boss.

Prosecuting attorneys protested, arguing that the defense was trying to find out what specific evidence the government would introduce.

Federal Judge Ben H. Rice, Jr., took the motion under advisement. Trial is set for September 6 in Austin.

Morrow Showdown Expected

Wright Morrow's party status was to be determined by the State Democratic Executive Committee in Austin on Tuesday.

Gov. Allan Shivers recently indicated he thought the Texas national committeeman should resign to promote party unity. Morrow has been unacceptable to national party leaders since his support of Eisenhower in 1952.

Committee members also were to lay plans for control of 1956 precinct, county and state conventions.

Opposing plans for convention control were made by the Loyalist wing of the party at an earlier meeting in San Antonio.

Oil Allowable Unchanged

Texas crude oil allowable for August will be on the same pattern

as for July.

At a statewide proration hearing last week the Railroad Commission ordered the present 15-day production schedule continued.

Under that formula, permissive flow on July 16 was 2,028-524 barrels daily. Some August increase would result from allowable grants for new discoveries.

Segregation Ruling Studied

Atty. Gen. John Ben Shepperd last week withheld comment on an El Paso district judge's ruling that Texas school segregation laws are unconstitutional.

He would have to make a detailed study of the decision first, Shepperd said.

Judgment resulted from a Negro girl's suit for entrance to Texas Western College, University of Texas regents had two weeks previously voted to admit Negroes there.

Board of Regents Chairman Thomas Sealy said he thought the judge's ruling was moot. However, he said he believed any effort by Negro undergraduates to enroll immediately in the main University could and would be successfully resisted.

Integration Impact Felt

Desegregation has rubbed out growth plans for at least one Texas Negro college.

Prospect of competition with the University of Texas had that impact last week on Huston-Tillotson College in Austin.

"A first class small college" of 500 to 600 students, rather than an increase to 1,000 to 1,200 students, is the current goal, the president announced.

Washington Views:

To the People of the 18th District: ADJOURNMENT

Here is the picture. Under the Re-organization Act, a session of Congress terminates on July 31st of the year in which it was convened unless there is a national emergency. Since the President has declared an end to the emergency concerned with the Korean situation, the question arises as to whether or not a need will exist for a formal declaration of an emergency before Congress can legally hold over after July 31. The question was posed on the Floor of the House yesterday by Mr. Hoeven (R-Iowa) to the Majority Leader. Speaker Rayburn immediately came forward and stated that some emergency measures have not expired. He also stated that he had asked the Attorney General of the United States for an opinion on the very point. So far as I know, the Attorney General's opinion has not been made public, but you can bet your bottom dollar that if Speaker Sam Rayburn lets the House stay in session after July 31, he will know what he is doing and will be on sound, solid parliamentary ground.

The House will stay in session until several "must" measures have been passed or definitely killed. If consideration of these measures requires continuance of the session past August 1 (which seems to be certain) and a formal declaration of an emergency by the President of the United States was held to be necessary, it is my opinion that the President would declare such an emergency. The several highly controversial measures which have been declared essential by the White House include the Reserve Bill, the Housing Bill, and the Federal Highway Bill. In addition to these measures, there are a number of others that many members of both Houses want passed this session, including the highly publicized Natural Gas Bill, which in my humble opinion is a "must" if states' rights in this nation are to be preserved, the School Construction Bill, which will be highly controversial, the Upper Colorado Development Bill, also controversial, and many others.

The Housing Bill, which seems to be the one that is causing the log-jam, is lodged in the Rules Committee. There are 12 members of the Rules Committee (8 Democrats and 4 Republicans). In order for a bill to clear the Rules Committee, it must receive 7 votes, assuming that all members are voting. All members did vote on the Housing Bill, and the report is that 6 Democrats voted for the bill, while 2 Democrats and 4 Republicans voted against the bill. The tie results in the bill not being reported. Since this is an Eisenhower measure, it is generally felt that on reconsideration of the bill by the

Crop Acreage Drops

Total acreage of Texas crops has dropped five per cent, or 1,200,000 acres, from last year, according to the U. S. Department of Agriculture.

Allotment restrictions on wheat, cotton and rice plus abandonment of planted wheat acreage account for the decrease.

Partially offsetting this is the record sorghum acreage.

Patrol Extends Deadline

Deadline for highway patrol job applications has been extended from July 25 to August 1.

One hundred new officers are to be hired by the patrol. Funds were provided by the last legislature by raising drivers license fees.

Read Luke 11:33-36.

Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven. (Matthew 5:16)

When I was teaching English in homes in Chinatown in a large city, one of my new students knew very few English words. She turned to her young son and told him to tell me, "I want to make American Clothes for my son. Will you teach me?" I replied to the boy, "Ask your mother what size pattern I should buy." They talked together a moment and then the boy said to me, "She say pattern size me."

How often since then have I thought of that as I have pondered on the pattern size of my life and influence on others. What is the size of pattern "size me"? Are my spirit and outlook so small that Christ is ashamed of me? Or do I seek ways to develop in heart and outlook so that pattern "size me" is ever approaching nearer "size Christ"? Only when I try to make my life pattern fit that of the Christ can I have any good works with which to glorify my Father in heaven.

design our lives after the pattern of Christ. Grant us Christlikeness that we may glorify Thee, our heavenly Father, in the name of Christ who has said to all His disciples, "Follow me." Amen.

Messenger-Summer Vows Read Sunday

Wedding vows were exchanged between Floyd Messenger and Sue Nell Sumner, Sunday afternoon, in the Temple Baptist Church at Hereford. Rev. C. M. Fields, pastor of the Friona Baptist church, officiated at the double-ring ceremony. The bride is of Hereford, and the bridegroom is from Friona. The church was decorated with floral arrangements of gladioli in varying shades of color. Candelabra, holding lighted tapers, stood on either side of the altar. Mrs. Bill Sweeney, Hereford, at the organ, played the traditional wedding selections. The bride wore a white organza dress designed with a voluminous skirt and fitted bodice. She carried a Bible topped with a bridal arrangement of flowers. A reception was held at the home of the bride's aunt, south of Hereford. The colors of pink and white were carried out in the table decorations. The three-tiered bridal cake was frosted in white, with pink accents, and topped with a miniature bridal couple. After a short wedding trip, the couple will make their home northwest of Friona, where he will be engaged in farming.

Training Union Has Lawn Party Friday

The lawn of the G. B. Buske home was the scene of an ice cream party and supper Friday evening for the Intermediate Training Union of the Baptist Church. Various games furnished the evening entertainment. The following members and guests were present for the games and refreshments of ice cream. Eva Woolbright, Eva Thomas Joy Crow, Ray Dean Fleming, John O'Harrowgthy, Jerrod Sheek, Frank Ready, Larry Moyer, Kathryn Dunn, Ardith Rolen, Jackie Sheek, Jimmie White, John Hamilton, Helen Hamilton, Raye Jean Jones, Charles Hough, Doris McFarland, Alan Hodges, Robbie Osborn, Luann Hardesty, Carol Oldham, Lile Gay Burke, Phila May Burke, Wayne Rhodes, Sue Fields, and B.T.U. leaders, Mr. and Mrs. Steve Messenger and Michel.

Mrs. Billy Sanders Accorded Kitchen Shower in Beene Home Saturday

Mrs. Billy Sanders, the former Wedia Nell Day, was honored with a kitchen shower given in the home of Mrs. O. J. Beene, Saturday. Assisting hostesses were Mrs. E. S. White and Mrs. David Smith. The serving table was covered with a white damask cloth and centered with a clever arrangement of white shasta daisies in a blue ceramic tea pot. White tapers, dressed as lovebirds, stood on either side of the centerpiece, and white satin ribbon streamers, attached to the tapers, flowed in all directions to cover the table. The streamers terminated in tiny blue hearts. The flowers used throughout the home were in some kitchen container, to signify the theme of the shower. An arrangement of gladioli in a cast iron skillet was placed on the coffee table, where the gifts were brought and displayed. Corsages made with pale blue plastic ice spoons, trimmed with yellow gladioluses and ribbon were presented to the honoree, and to Mrs. Alton Day and Mrs. B. E. Sanders. Mrs. David Smith gave a humorous reading entitled: "The Groom Wore."

Gay Ann McFarland Given Shower

Gay Ann McFarland, bride-elect of Ben Wayne Jordan, was honored Friday afternoon with a coke party and surprise lingerie shower in the G. B. Buske home. Mrs. Buske and Deann were hostesses for the occasion. Scottish Bridge was played during the afternoon, and a high score game, designed so that Gay Ann was the winner, created a clever method of bringing the gifts to the honoree. The gifts were brought into the room as the winner's "prize," arranged on a two-tiered table, covered with a ruffled pink and white can-can petticoat, signifying the shower's theme. The serving table was covered with a linen cutwork cloth, over pink. A silver serving tray, holding finger sandwiches and heart shaped cookies, reading "Gay and Ben," centered the table. Tiny pink rosebuds surrounded the centerpiece. A large punch bowl, filled with pink tinted ice, held the Cokes. Miniature dolls, costumed in fluffy pink and white gowns, were seated on the plates as party favors.

Sunday Afternoon Visitors in the Hubert Singletery Home

Sunday afternoon visitors in the Hubert Singletery home were Mr. and Mrs. N. S. Glover of Clovis. Guests in the Dennis Robards home last week were his brother and family, Mr. and Mrs. Louis Robards and daughter of Dallas.

Noticed over Chanel 10 TV last Thursday night, the announcer said "Serving Friona and the High Plains." A different town is used each night, 'tis true, but this particularly expressed the interests of Friona, since this city is about the most important one on the High Plains, anyway.

Noted for one of the most sparkling smiles in town, is Lanny Ray Brown, grandson of Mr. and Mrs. Ray Scott. Lanny is spending the summer with his grandparents.

We like this bit of philosophy: "The best medicines for the heart do not come from a doctor's bag." This saying proves very true a hundred times a day, and don't let anyone tell you that your heart stays the same size, either. It grows with the individual; and there is no limit to how big your heart can get—just look at Texas!

What remains a puzzle to Texans is the fact that it can rain right up to their fence and stop. Of course, there has to be a stopping place somewhere, but it is hard to realize that when the rain is falling steadily, the rest of the world can't enjoy the same thing.

Why do babies wake up so early in the morning? The older they get, the earlier they awake, until they reach the age where just fifteen more minutes in bed would feel so good. That is when parents had better look out—just think how old "they" must be getting.

A derivation from the old saying, "Eat, drink, and be merry, for tomorrow you may die" is this one: "Drink, drive, and be merry, and tomorrow you will lose your bet with the life insurance agency."

The popularity advisor states that the correct attitude is not "What has she got that I haven't?" But, "What have I got that she hasn't?" Then, instead of making yourself over to become like someone else who is popular, create your own personality.

Have you noticed how unexciting life is at half past seven in the morning? There is a remedy, though; just tell the man in your life that breakfast is such an easy meal to prepare—cereal is on the third shelf, and coffee is in the little can by the stove. It usually doesn't work, says the woman down the street, but it's worth a try.

One of the loveliest pictures on the Plains is the crimson and gold sunsets that are plainly visible over the low- flat land. Glad I don't live in the mountains.

Farm Bureau Asks Personals Cut of Reserve

WACO. — The Board of Directors of the Texas Farm Bureau went on record here July 20 favoring a 50 per cent reduction in the state's cotton acreage reserve.

Farm Bureau wants the controversial state reserve cut from 10 to 5 per cent and the county reserve from 15 to not less than 5 and not more than 10 per cent.

A bill introduced by Rep. W. R. Poage would reduce the state reserve to 2 1/2 per cent. The legislation was introduced as a result of demands of farmers in older producing areas in the state. They claimed that the state Agricultural Stabilization and Conservation committee was unfair in allocating most of the reserve acreage on a trend basis. Counties in West Texas and other areas where cotton production is showing an upward trend received most of the state's 10 per cent reserve this year.

The state Farm Bureau recommended earlier this year that the state reserve be cut to 2 per cent. The decision to recommend a higher figure resulted from a recent meeting of a Farm Bureau committee with Henry H. Marshall, state ASC cotton program administrator.

Marshall said that most of the 5 per cent reduction would be taken from the "trend adjustment." Reserve acreage allocated on the basis of trends and abnormal weather conditions, small farms, new growers, and to correct inequities and prevent hardship.

He said the 2 1/2 per cent reserve in Poage's bill would not be enough to take care of those needs next year.

ATTEND CAMP

The Junior Girls' Auxiliary of the Baptist Church conducted its annual encampment at the Plains Baptist Assembly Grounds at Floydada, July 13th through the 15th. Over 1600 registered for the 3 day program.

to add to the 6 Democrats to bring the bill out. The 2 Democratic votes against the bill are those of southern conservatives, whose prior records would indicate that if any vote is going to be changed, it is not going to be on the Democratic side. The fuss on the bill concerns public housing. This means that even if the bill clears the Rules Committee, it is not assured of passage on the floor of the House. The chances are that it will pass, but only because it has presidential approval. In any event, we expect to be out of here not later than August 10, which was my original prediction as adjournment day. Mrs. Rogers and the children with yours truly will head for Texas immediately thereafter. All motels between Washington and the Panhandle should take notice. We have helped many a motel owner to light up his "No Vacancy" sign. We feel like we are entitled to picnic prices, but haven't yet been successful in obtaining them.

THE SUMMIT MEETINGS

The offer of our President to exchange blue prints and areo-photographic rights with the Russians was unquestionably a strong and violent blow in behalf of liberty and freedom. It was met here with mixed reactions. Everyone appreciated the purpose, the thought and the philosophy behind this offer because we are all Americans and appreciate freedom. The reactions were in no regard critical of the move by this government; they were in praise of it. But the immediate questions that came in the minds of all in top level positions were, "How would such an exchange be made? Could we trust the Russians to carry out their side of such a bargain?" Perhaps the Russian minds also wondered if they could trust this country. Certainly you and I know that they could, but it is those suspicions and feelings of insecurity in what the other person is doing, or going to do, that causes the misunderstandings among men and the resulting wars. If we could work out the mechanics of an unconditional exchange of such information, it would go further in the interest of peace than anything else during our time. If carried out by both sides in the spirit in which it was offered by Eisenhower, it would provide the fuel for the moral rearmament so badly needed in this generation.

LETTER FROM HOME:

One of our preacher friends wrote the other day and observed that in all of his church services, the cry of a baby was much sweeter music than the snoring of a saint.

GA's Attended Camp

The Plains Baptist Assembly Grounds provided a merry scene of entertainment from July 11-13, when 12 intermediate Girls' Auxiliary members of the local Baptist Church journeyed to Floy dada for their annual camp.

Mrs. Jack Tomlin and Mrs. "Red" Crow took the group by car, returning for them at the end of the three days. Adult sponsors attending were Mrs. Kelley and Mrs. G. B. Buske.

Handiwork, swimming, hiking, services four times daily and a mission study book were featured on the program.

Others attending the camp were Phila Mae and Lila Gay Buske, Rayegene Jones, Joy Crow, Helen Hamilton, Carol Oldham, Ruth Ann O'Neil, Luann Hards-ty, Johnny Tomlin, Eva Wool-bright, Eva Nell Thomas, Janice Miller and Mary Beth Kelley.

Do You Remember..

22 YEARS AGO —

The Capitol Theater opened with all new equipment. O. G. Turner had received everything necessary for talkie movies.

There was a trial in town, which seemed to have attracted more inter-est than any dog fight or any badger fight that had ever occurred in Friona. Quoted The Star: "When anything beats either of those for attracting a crowd here, it is going considerable."

Ruth Brown, of Rhea, remodeled her bedroom for only \$3.60.

The subject of a church meeting was, "Do We Want to Repeal the Eighteenth Amendment?"

A report came to The Star office of a rather unusual occurrence which happened to a man, reported to be from Dimmitt, in Friona for a golf game. While driving along

the highway with his wife at the wheel, a large jackrabbit sprang over the engine hood and struck the windshield of the car, shattering the glass and passing through and striking the glass in the rear of the car with enough force to crack it also. The rabbit then hopped out at the open window and ran away, but the man was cut on the face, head, and chest by the broken glass of the windshield.

For Sale Item: Two-row John Deere Monitor, \$25. Roy T. Slagle.

The Friona Woman's Club sponsored a Children's Health Clinic.

Rabbits were spoiling the crops on many farms, and farmers had begun shooting the pests.

The Jodok column carried this paragraph: "I have heard that Friona may truly boast of having the champion egg eater of the world. It is reported that 36 fried eggs were eaten for supper one evening by one of our young men.

Local Music Students Will Participate In WTSC Music Camp Beginning Sunday

Fifteen high school musicians from Friona are among the more than 300 who have already made reservations for the third annual West Texas Music Camp, to be held July 31-Aug. 12 at West Texas State College. Students from all over the Panhandle and West Texas are expected to participate.

Planning to attend the band and choir camp are Betty Agee, Charles Beaton, Lila Gay Buske, Phila Mae Buske, John Cranfill, Kathryn Ann Dunn, LaVon Fleming, Linda Gee, Ruby Lee Grubbs, John Hamilton, Nelda May, Doris Jane McFarland, Joe McClellan, Sally Osborn, and Don Reeve.

Among the faculty for the third annual camp are M. J. Newman, WT music department head and director of the camp; Frank Piersol, Iowa State College band director; Gerald Prescott, University of Minnesota director; Hiram Henry, cadet and marching band director at Oklahoma A&M; Rob Roberts, Los Angeles twirling instructor; Bill Allen, Miami, Fla., twirling instructor; Dr. Houston Bright, WT U Capella Choir director; Royal Brantley, WT voice professor and director of the WT Opera Workshop; Gene Murray, WT Buffalo Band drum major and twirler; and other visiting conductors and WT faculty members.

Three camp bands and a choir will be formed and students will attend daily sectional and group rehearsals, classes, practice sessions, and twirling classes throughout the two-weeks camp. Concerts, recitals, television appearances, and entertainment each night are planned.

A series of outdoor concerts and programs have been scheduled each week-day night of the camp, and the public is invited. The programs this year will be held in the Buffalo Stadium, and all will be at 8:00 p. m., except the final show.

Scheduled are: August 1, the Amarillo Air Force Band; August 2, students will show a repeat performance of the Palo Duro Players' drama, "Kind Lady," in the Branding Iron theatre; August 3, a camp talent show; August 4, two abridged operettas, Gilbert and Sullivan's "The Mikado" and "Isolante," will be presented by a quartet of WT students, directed by John Butler, Vega; August 5, Prescott's Symphonic band, Piersol's Concert band, and R. Bright's camp choir will present a concert, assisted by Bob Roberts in a twirling exhibition.

On August 8, a group of WT faculty and students will present a program; August 9, the camp choir will appear at 7:00 p. m. over KGNC-TV; August 10, the Symphonic band and a group of twirlers will appear on KFDD-TV at 10:30 p. m.; August 11, a dance is slated for camp members; and August 12, a "grand finale" concert by all camp groups and twirlers will be held.

It's the 4-Door Riviera—the stunning new hit of America's Hardtops

WHEN Buick introduced America's first hardtop—the Riviera—folks went for it in a big way, and fast.

They liked the Convertible look of this 2-door beauty—long, low and rakish. They liked the added security of the steel roof overhead. And they certainly liked the absence of center posts in the side window areas—which gave a completely unbroken view left and right.

People liked it all so well that, over the past six years, they made the Riviera the biggest-selling hardtop in the world, bar none. And it still is.

Now Buick has come up with another great advance in hardtops—the 4-Door Riviera—and it's a sensational hit.

It has everything the original 2-Door Riviera has—plus separate doors for rear-seat passengers, and a whole of a lot more room for them.

Rock-solid half-pillars on either side are what latch the front doors and hinge the rear ones. So there's no center post above the door line—and a completely open sweep of view to both sides.

And the roominess provided by this gorgeous new hardtop is really something—over 9 inches more hiproom and 5 inches more legroom in the rear.

Why don't you come see this brand-new kind of automobile that's heading up the parade of the hottest-selling line of Buicks in history?

That way you can also try what else is to be had here—Buick comfort, Buick power, Buick ride and handling and roadability—plus the electrifying action of Buick's Variable Pitch Dynaflo.*

Do it this week—tomorrow would be fine—and you'll see what record volume really means in the way of record-high trade-in deals.

*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

Scout Recounts Experiences Of Canoe Trip in Northern Waters

By Sterling Prichard

On Friday morning, July 8, I, along with 32 other Boy Scouts of the Amarillo Region 9, left Amarillo by chartered bus for a canoe trip into Canada. We were accompanied by three leaders and the bus driver.

The first night was spent under a tabernacle in a park in Beatrice, Nebraska, and the second night was spent in a park in Minneapolis, Minnesota. We had bedrolls and did our own cooking. We arrived at the Sommers Canoe Base, on Moose Lake, 21 miles from Ely, Minnesota about 5:00 p.m. Sunday afternoon. There were about 60 Scouts there for the trip. They were from Mississippi, South Dakota, Nebraska and the 33 from Texas. We were divided into crews, with eleven boys to each crew, one leader and one guide. I was assigned to Crew I with Dave Ziegenhagen of Minneapolis as our guide. Our leaders were George Thomas of Dumas and the bus driver, Glen Hedrick of Amarillo.

Soon after our arrival at the base camp, we were assigned canoes, paddles, life jackets, tents and personal supplies. Food for the trip was packed that night. Early the following morning we were coached on the art of canoe paddling and swamping a canoe. There were three boys to each canoe.

The group left the base camp around 10:00 o'clock Monday morning, and paddled until noon. We put up on an island, and had a swim in the clear deep water before fixing a lunch of peanut butter and salami sandwiches. Most of the cooking was done at breakfast and supper with short stops for a light snack at noon. Usually if we were up by 4:00 a. m. we could break camp by 6:00 a. m. and cover about 15 miles of water before 1:00 p. m. We paddled all day the first two days out, and one-half day the third day. The fifth day we camped all day and fished and swam. At Lake Sagnagon the Scouts caught enough Northern pike for a fish fry. The largest fish caught weighed 36 inches long and weighed 7 pounds. At Lake Knippi we caught wall-eyed pike, but while on Knife Lake, which was 13 miles long, we troled most of the day without a strike.

There were lots of wild strawberries, blue berries and raspberries along the canoe route. The guide made pies several times and one day they prepared cakes. Each Scout was given a quarter of a pie. Most of the shoreline was rocky with deep clear water and warm currents. One night we camped on an island with a smooth sandy beach. We discovered fresh bear tracks on the sand and had to set up a "bear watch" throughout that night to keep our food intact. All along the 120-mile journey, we saw beautiful green moss which covered the ground everywhere. There were birch, spruce and pine trees along the shores.

Some of the interesting things we saw were the unusual birds—the odd red and white woodpeckers and the loons, the chipmunks and red squirrels, and the Indian paintings on the rocks. All of our guides wore fairly long beards.

The weather was warm and sunny most of the time we were gone, and the nights were pleasant, not extremely cold. Only one day was disagreeable, with haze and

mist and damp all day. The farther north we went the worse the mosquitos became. We also saw a lot of large deer flies and black flies.

We returned to the base camp after eight days and started for home the following day. We spent the first night on our return trip in New Ulm, Minnesota, and the next night in Fort Riley, Kansas. We arrived back in Amarillo, Friday evening, July 22, two weeks from the day we left.

Coffee Conducted By WSCS Ladies

The WSCS had a coffee in the Methodist Church annex on Tuesday morning, with the membership committee as hostesses. Mesdames Arthur Drake, J. H. Boyle, Billy Sides, Luce Vestal, Myrtle Crow, A. W. Anthony, Sr., H. C. Kendrick, Joe Collier, and Hugh Blaylock.

The serving table was centered with an arrangement of white and salmon gladioli. Other bouquets of daisies and zinnias were placed about the room. Cantaloupe, doughnuts, and cakes were served with Mrs. Billy Sides pouring coffee. Mrs. Coy Patton had charge of the program, entitled "The City." Taking part on program were Mrs. I. T. Graves, Mrs. Floyd Rector, and Mrs. Bob Gore. Mrs. H. L. Outland sang a solo, accompanied at the piano by Miss Nancy Outland. Mrs. Jean K. Anthony gave the prayer. The society received two new members, Mrs. Bud Reed and Mrs. Tom Prewitt.

Members attending were: Mesdames I. T. Graves, Bob Gore, Buddy Squires, Luce Vestal, Jim Shaffer, J. H. Boyle, Jean Anthony, Ernest Anthony, H. C. Jones, Ed White, Coy Patton, O. C. Jones, Floyd Rector, Tom Prewitt, Joe Moyer, Bud Reed, Kenyth Cass, Ralph Shelton, H. R. Cocanougher, H. L. Outland, Joe Collier, A. W. Anthony, Myrtle Crow, H. C. Kendrick, Hugh Blaylock, Billy Sides, Arthur Drake, and guests, Mesdames W. S. Ingram, Tommie Jones, Kenneth Watkins, Miss Nancy Outland and Mrs. E. F. Carter of Amarillo.
