Mexican Youth Is Stabbed to Death

Paul Rodgers, 19 year-old Mexican youth, was stabbed to death soon after 10:00 o'clock Saturday night and two other Mexicans who gave their names as Jim Ortega and Anderson Ortega, brothers, are being held by county officers, following a fracas in which the latter two received pistol shot wounds, one in the left leg and one in the right, alleged to have been inflicted by Rodgers.

The trouble which occurred in front of Jim Ortega's home in the extreme north-east section of Gatesville is purported to have grown out of a previous argument, particulars of which are not yet known.

After being stabbed seven times with a heavy pocket knife, Rodgers got in his car and drove to the business section of town. Suffering from loss of blood he turned the wheel over to his brother Jeff who drove on to the home of Sam Dyer, near the Schley community. The youth died before they reached Dyer's home. The latter drove the car back to Gatesville and justice-of-the peace A. Shirley held the inquest in the presence of county attorney Zeigler, sheriff White and constable Mayberry.

Murder charges have been filed against Anderson Ortega for his part in the killing.

BOYS DEPART FOR WACO AND TO CAMP

Ten boys from Coryell county left Monday morning at 9:00 o'clock for Waco, via truck, where they will undergo a physical examination preparatory to join one of the government C. C. Camps.

The boys will be in camp six months, but it is not known which of the government units will be their camp.

The following left together: Gordon Cox, Jim Ward, Ray Jones, Herbert Tinert, Allen Dewey, J. A. Williams, Coy Edwards, Bennie Bamsch, Haynes McClendon, Clarence Henderson and Cecil Fisk.

SMALL CHILD SUSTAINS HEAD LACERATION

Tommie Lee Carlton, 5 year-old son of Mr. and Mrs. Tom Carlton of this city sustained a severe cut on his forehead Monday afternoon resulting from a fall on the concrete walk, while playing with other children.

Two stitches were taken in the little fellow's forehead by a local physician.

J. G. Putman, Pioneer Minister and Former Local P. E. Succumbs

MEXIA, Texas, Oct. 6.—The Rev. Josiah Green Putman, 77, whose first appointment as a Methodist preacher was the old Springtown circuit, which covered all of Parker County, died here Saturday at the home of his daughter, Mrs. John H. Sweatt. As an early Methodist circuit rider, Mr. Putman blazed the trail of Methodism from Weatherford to the Panhandle. He retired from active ministry nineteen years ago. He was the last pioneer member of the Northwest Texas Conference.

Born in Lawrence County, Alabama, Putman moved with his parents to Tennessee, where he attended Webb's School for Boys at Bellbuckle. He was licensed to preach at 16 and came to Texas in 1877. He was an active Methodist minister thirty-nine years. Because of failing health, he asked for a superannuate relation nineteen years ago, coming to Mexia to make his home with his daughter.

Funeral services will be conducted at 10 a. m. Sunday at the Methodist Church here by the Rev. W. W. Ward, pastor, assisted by the Rev. W. B. Andrews, Fort Worth, and the Rev. Casper S. Wright, Corsicana. A brief service will be held at Weatherford at 5 p. m. at the grave where he is to be buried.—Dallas Morning News.

IT WASN'T IN THE PAPER

How often have you heard the remark, "It wasn't in the paper." How often have you failed to report some happening that it could have been in the paper?

There are a number of happenings every week that should be reported to the Sun in order that we may mention them in the paper. Yet these things are never mentioned to us until the paper is out and they are not mentioned in the columns of the paper.

Who is to blame for it not being in the paper?

If you know something that might interest someone, or that is of any news value to the paper it is your business to see that it is brought to the attention of someone connected with the paper so that it might be in the paper.—Crawford Sun.

Hornets Humble Before Fast Lampasas County Team in 25-0 Contest

STINGERS FAIL TO WORK

Fighting an up-hill battle all the way, the Gatesville Hornets were unable to cope with the superior playing of the Lampasas Badgers in their game at the home of the latter club last Friday night. The Hornets were soundly outplayed in every phase of the contest and came home with the little end of a 25-0 score.

The Badgers displayed careful precision on running plays and the fleet Lampasas county team with fine blocking, was entirely too much for the Hornets, who failed to come up to the standard shown in their game with Moody the week before. Gatesville's offense and defense looked ragged and their fumbles proved costly.

Lampasas scored first late in the first quarter on a long end run following a successful series of line plays. The Badgers scored again in the second period and tallied two markers in the final quarter. The first three attempts to convert were bad but the extra point was good after the last touchdown.

Sonny Hair's fumble of a Lampasas punt in the second quarter on the Hornet two-yard stripe was responsible for the second touchdown. Lampasas recovered and carried the skin across on the next two plays.

Gatesville lineup: Hinesley, l. end; Bauman, l. tackle; Weaver, l. guard; Culberson, center; Chapman, r. guard; McDowell (Cap't.) r. tackle; Ward, r. end; Hair, quarter; Chamlee, l. half; Powell, r. half; and Dickie full.

STATE CONTINUES WINNING STREAK

Friday afternoon the State Juvenile Training School continued their winning streak with an easy victory from Cranfills Gap, 13 to 0.

The State scored their first touchdown in the second quarter when Gomez on a reverse went around left end behind perfect interference for the marker. Early in the third period the Training School again scored when Gomez went around end for another touchdown. Cranfills Gap was unable to come within scoring distance due to the defense work of the Training School linemen.

Gatesville Gun Club Will Abide by Rules Of Nat'l Rifle Assn.

GOV'T ARMS HAVE ARRIVED

Last Thursday night members of the Gatesville Gun Club met and formulated plans for the coming year. The officers will be the same as for the past year with one exception. C. P. Mounce was elected president. Floyd Zeigler, vice-president, Dawson Cooper, secretary-treasurer, and Chas. Stephen executive officer, or field judge.

Dues for the ensuing year were set at \$2.00, and payable before November 1st. The allotment of ammunition will be pro rated among the members in good standing at that time. New members may join before that time and receive their part of the ammunition. All members are urged to pay their dues to the secretary as soon as possible.

All members using the Government issue of supplies will be required to shoot sometime between the 1st and 15th of November scores to be filed away to be sent in to the National Rifle Association. Later another score will be called for.

A committee was appointed to inspect the range, and report what improvements should be made. It is intended to make the Gatesville rifle range one of the best in this part of the state.

Until further arrangements can be made, the guns and other supplies will be kept by the secretary, and any member may

PROSPECTS GOOD AT IRELAND OIL WELL

Mr. Pace of Fort Worth, oil promoter in charge of the wild-cat now being drilled at Ireland is very enthusiastic at the prospects of hitting pay sand.

At the present the well is down approximately 1700 feet, and 8 1/4 inch casing has been set. In the meantime the "rough necks" and driller have been fishing for a bit. Fresh water and high gas pressure is causing some difficulty in the bit's recovery.

State Juvenile Training School will throw his team against the Moody High eleven.

The game is called at 3 p. m. at the State Training School, and there will be no admission charge.

Cattle
The remainder of the 500 last allotment will be completed this week and total payments to owners will aggregate \$85,000 for Coryell. It is not known at present whether or not another local allotment will be received since the federal government is contemplating discontinuing the cattle buying program.

Cotton
Pooling of tax-exemption certificates is progressing rapidly. Producers with surplus may now bring certificates to the county agent's office to be placed in the national pool. If any are needed locally they will be sold by the adjustment assistant and the remainder will be sent to Washington. Some will be sold from the pool at the 4c rate and the profit pro rated to the producers. Unsold certificates will be reissued to the producers.

Rumors are that several have sold certificates at less than the 4c rate, which is a strict violation of the regulations and proof of the 4c rate sale must be submitted before the transfer will be approved by Mr. Hughes, the adjustment assistant.

It is estimated that after transfers are made Coryell county will have a million and a half pounds to be offered the pool.

MISS MORRIS ASSUMES HER DUTIES AS SECRETARY

Miss Mary Lou Morris has accepted a position as secretary to D. W. Sherrill, county agent. Miss Morris began her duties on October 1. She was formerly employed by the Gatesville Messenger, local newspaper.

The position filled by Miss Morris was previously made vacant by the resignation of Mrs. Lennox Ligon, formerly Miss Mary Lou Carlton.

Pledge

I will think—talk—write . . . Texas Centennial in 1936! This is to be my celebration. In its achievement I may give free play to my patriotic love for Texas' heroic past; my confidence in its glories that are to be.

With work on the proposed removal of the old log cabin jail, from its present location to an attractive site in Raby Park, in the competent hands of Miss Jessie Fauntleroy and a committee of local citizens which she has appointed, it is likely that the project will become a reality. Miss Fauntleroy has been working alone for a number of years, gathering material and information relative to the history of the first county jail. With the Texas Centennial near at hand and people turning their attention to those things which tend to make local and state-wide history, the proposed movement is indeed timely. We are not familiar with the interesting legends and stories connected with the old log jail but we have confidence enough in the originator of the move, to bring to life one of the most outstanding Coryell historical lights, to believe that this county will have something of which to be proud when the work is finished. Local people should respond to the call for cooperation and help to complete the current project.

In regard to the Better Housing Program being sponsored by the Federal Housing Administration the chief requirements for securing loans are: (1) A person must own his own property, (2) his annual income must be at least five times the annual payments of the note, (3) his credit record in the community must be good, (4) there must be no past due taxes, interest, or liens against his property, and (5) regular, equal, monthly payments (seasonal payments for farmers) are required until the note is paid in full. These requisites are not severe considering the low rate of interest on the loans and the length of time for which the loans are made.

* * * *

Available information is that the Texas Centennial Commission would ask \$5,000,000 of the State Legislature for making possible the 1936 celebration, and that \$6,000,000 has been appropriated for the needy of the state this winter. The two figures, on the face of appearance, make a very bad comparison. Consider spending five-sixths of the amount allotted for relief for a birthday party and it seems not so good, but when we consider further the fact that a successful Texas Centennial will bring into the state millions of dollars we should admit that it is not a bad investment—a thing that should put most of the unemployed now on the relief rolls back to work.

When Grandpa was a boy we had only a few banks, very little stealing and just an occasional murder trial. The head of the house kept his bank roll tucked down in the bottom of a long, snapping pocket book and never had any worries over service charges, overdrafts, a midnight thief or a high-powered machine gun. Yet, some of the old timers thought they were having a hard time of it.—Stephenville Empire Tribune.

FOOTBALL CHATTER

By TEDDY

The Gatesville Hornets fell before the Lampasas Badgers Friday night 25-0. Ewing's young Hornet crew was outplayed in every department, making only a few first downs. The Badgers made long gains through the Hornet line at will. Lampasas has one of the smoothest working class B teams in this section of the state, never having to rely on their strong

aerial machine for gains.

Bauman looked fair at his wing position, while the entire squad showed up poor. The young Hornets did not have the spunk and fight they had against Moody.

There were approximately three hundred local people on hand Friday night to witness this game. If you will recall, this writer introduced this column in the News to create interest in the Hornet camp. Judging by the crowd that saw the game Friday night much

interest has been made.

Ewing's squad will take on Clifton here Friday afternoon. Clifton boasts of a better team than Lampasas. Ewing managed to bring his team through the game Friday night with but few minor injuries, and is putting his squad through the mill for the game here Friday. The locals will have to hustle more than they did Friday night or it will be another defeat.

Offers Elected at P. T. A. Meeting.

On Friday, September 28, the parents and teachers of the Ater community met at the school building for the purpose of reorganizing a Parent Teachers Association.

During the business session the following officers were installed: Mrs. Jewell Ludwick, President; Mrs. Ethel, Vice-president; Mrs. Birdie Coward, Secretary-treasurer; Mrs. Thelma Mauldin, chairman of the Social committee; Mrs. Ethel Rogers, chairman of the Finance and Mrs. Myrtle Ludwick chairman of the Program committee.

The organization will meet again Friday night, October 12. It is hoped that every patron of the school will become an active member and make of the association one that will benefit the entire community. The P. T. A. will meet every two weeks.

Modern Readers Club Is Reorganized.

The Modern Reader's Club, now entering its third year, is being reorganized for the winter, and several new books have been added to the library during the past week. There are now about one hundred and fifty volumes reserved as a nucleus for a city or county free library when such a project can be launched and a building provided.

The Knox Curtis collection of classics and books for boys, the "Life of Jefferson" in ten volumes donated by Mrs. John Schley, and other gift books are now on the free list. Other juvenile books may be rented for one cent per day.

The club membership price is \$1.00 per year, six months for 50c and a special teacher's rate is 50c for the school term.

For further information see or phone Mrs. J. P. Kendrick.

Betty Jo Adkins Celebrates Birthday with Party.

Mrs. E. L. Adkins of East Bridge entertained her small daughter, Betty Joe, with a party at their home last Thursday afternoon in honor of her fifth birthday.

Outdoor games were played on the lawn by the happy group from the hours of four to six. Wanda Bates, Bernice Gamblin and Josephine Cleary were in charge of the entertaining games.

The children were served refreshments from a table which

had for its center decoration the lovely white birthday cake topped with five tiny candles. After the candles had been blown out, the cake was cut and served with cold drinks. Favors of candy bars wrapped in decorated paper were given each guest.

Each guest present brought a lovely gift for Betty Jo and departed wishing her many more happy birthdays.

Those attending were Virginia Ray Powell, Leake Ayres Anderson, Bryan Harris Wilson, Norma Jean and Buddy Clark, Betty Sue Ricketts, Dorothy Dan Richardson, Billy Burns Powell, Harold Lee Pennington, Betty Lee Oldham, Dale Cleary, Jim Wells and Cherry Cleary, James Donald Lee, Wilma Jean Lee, Robert Warren, Wanda Bates, Mesdames Gamblin, O. Wilson, Brazil, the honoree and those in charge of the games.

HOUSING PROGRAM IS UNDERWAY AT CLIFTON

Ed Handley received word the first of the week of his appointment as chairman of the Clifton Better Housing Program, the notice arriving from James A. Moffett, Federal Housing Administrator at Washington, and Walter D. Cline, Regional director.

Mr. Handley will have information ready for anyone desiring knowledge of the housing plan. The government has provided money and easy terms for the house owners in order that they make needed repairs and additions to their homes. Besides handing out this knowledge, the local chairman will encourage the housing campaign in every manner possible.

There are a number of Clifton citizens who would like to repaint, repair and even build. The government offers its assistance at this time in obtaining the money at a low rate of interest with plenty of time to repay the loan.—Clifton Record.

TOM GREEN FARMERS FOR COTTON CONTROL

San Angelo, Oct. 2.—The final count in a poll of Tom Green County farmers to determine their attitude toward continuance of government regulation of cotton production and the Bankhead Act in 1935 stood 363 for the regular to 82 against so the county committee announced.

The 445 farmers reached in the canvass included both signers and nonsigners of the original crop production contracts and both landlords and tenants.

Increased Construction Activity Is Noted by Texas Bureau

Austin, Oct. 2.—Increased activity in building in Texas was indicated by permits issued in 36 Texas cities during August, the University of Texas bureau of business research reported yesterday. August permits aggregating \$1,552,000 were approximately 50 per cent greater than for the preceding month and for August 1933.

Cities with largest increases were Austin, Beaumont, Corpus Christi, Houston and Tyler.

Criticism of Dollar Captain Costs Two Their Jobs

San Francisco, Oct. 2.—Two officers of the Dollar liner President Cleveland, who charged that their captain, Robert E. Carey, delayed launching life boats to aid the burning liner Moro Castle, were relieved of duty today.

The officers were Chief Officer James A. Henderson and Third Mate Peterson. Announcement of the discharge of the two officers and of complete exoneration of Captain Carey was made by Captain L. H. Westdahl, marine superintendent of the Dollar line.

ROOSEVELT IS TO SPEAK AT BANK CONVENTION

New York, Oct. 2.—The American Bankers Association announced Tuesday that President Roosevelt would be among other nationally prominent speakers to address the association's sixtieth annual convention in Washington October 22 to 25.

The President will address the convention at a special session the evening of October 24 in Constitution Hall, the announcement stated.

Galveston — Eighty acres of Golden Acre and Copenhagen Market cabbage have been contracted to the Galveston County Truck Growers' Association for cooperative shipment in car lots to northern markets, according to J. D. Yeary, farm demonstration agent. This amount will probably be doubled, Mr. Yeary estimates, as farmers on the Island and Bolivar Peninsula were not at the meeting, and inquiries are coming in from other outlying sections of the county and adjacent territory.

Seed bed plantings were made the first week in September and harvesting is expected to begin in December and January.

Mr. and Mrs. John Koch and son of Longview were visiting her relatives in this county during the week end. Mrs. Koch is the former Miss Thelma Dickie of Levita.

ON TEXAS FARMS

Minnie Fisher Cunningham Extension Service Editor A. & M. College

More than 250,000 acres of wheat planted for winter grazing purposes alone, in the South Plains area of the State, insures pretty good picking for work stock there in spite of the drouth-made feed shortage.

Cotton blocks are becoming more popular each year. Lamar county is working to establish the bloc system more completely, basing the effort on the success of the existing one-variety gin communities in the county. County agent A. L. Edmiston points out that some farmers in the county have reported premiums that ran as high as \$7.00 a bale.

Grimes county farmers have taken in some of that premium money this fall too on their Acala cotton. According to county agent Geo. A. Altgelt there are approximately 20,000 acres of that cotton in a bloc around Navasota which nets its growers around \$8 a bale premium for quality and staple. In the bottom lands of the county it has yielded from 250 to 300 pounds per acre.

The will that finds the way was with Mrs. S. H. Ditmore, Tom Green county home demonstration club woman, who sub-irrigated her rose cutting bed with old tin cans and rooted 15 bushes in spite of the drouth.

Using an old fashioned floral scroll design Mrs. M. H. Aiken, home industries demonstrator of Kleberg county, has made to order a hooked cover with which to upholster the fireside seat of a customer in Corpus Christi. The colors were selected when the order was given and harmonizes with those of a large hooked rug ordered at the same time.

CHECKS FOR \$1,200,000 SENT TO RELIEF H'DG'S.

Austin, Oct. 8.—Checks totaling \$1,200,000 were delivered by the Texas Relief commission last week to county relief headquarters over the state.

Funds distributed were earmarked as follows: drought relief, \$1,018,000; general relief, \$50,000; Texas Relief commission canning plant payrolls, \$192,000.

"This represents all the money we have on hand," State Director Adam Johnson said, "and there can not be another distribution of funds until cash can be realized on the million dollars worth of bonds authorized to be sold by the Texas Bond commission or until Washington grants the applications of the governor for \$2,000,000."

More than 200 counties were represented in the drought fund allotment, but the grant was made on a basis of only about 70 per cent of the total distributed in September. Although drought funds originally were intended to be allotted to persons added to relief rolls as a direct result of the drought, administrators were expected to use them at this time for the benefit of all clients, replacing the fund from general relief funds expected to be forthcoming later.

Canning plant payroll will be distributed in 20 counties where clients have been employed on a budgetary basis in the 21 beef canning plants operated by the commission.

The \$50,000 in general relief funds went to counties outside the drought area.

Mr. Teague has introduced into high school this year a plan of study not heretofore used in this school. The plan followed is the "Dalton Contract Plan of Study."

Elementary Grades

The pupils of the second and third grades are looking forward with pleasure to the meeting of the "Story Telling Club," which was organized Monday afternoon. Bernie Winkler was elected President and Leon Brown Secretary. Monroe Winkler and Bernice Brown are responsible for the first program which is to be Friday afternoon at three o'clock.

The school year found an enthusiastic group ready to do their best to make the fourth and fifth grades the best grades in school this year.

The Spanish class in the Eight Grade is very much excited over learning to count, uno, dos, tres, etc. Also the costumes of a senorita and a senior are being planned.

The sixth grade Texas history class has organized a "Centennial Club." They also chose sides for a month's contest in spelling. Last Wednesday at the English period an English Club was organized, and given the name of "The Talk A-While Club."

"A Girl of the Limberlost" Coming to Regal Theatre

Seldom has a local picture opening been awaited with such local interest as that of "A Girl of the Limberlost," which comes urday night at 10:30 for a run of two days.

The reason for the enthusiasm is the great popularity of Gene Straton-Porter's novel, and the fact that the coming screenplay is adapted from one of the best sellers. More than 1,750,000 copies of the novel have been sold since it was first published in 1910, and it is estimated that it has been read by more than 12,000,000 persons.

Another reason which forecasts a successful local run for the picture, is the excellent cast assembled by Monogram studio executives. Playing the dramatic role of the mother is Louise Dresser, one of the screen's leading portrayers of mother roles, who will be remembered for her sterling performances in "The Goose Woman" and "Mother Knows Best." Ralph Morgan plays the sympathetic role of Wesley Sinton, while Marian Marsh portrays the title role. Others in the cast are Helen Jerome Eddy, Henry B. Walthall, Eddie Nugent, Barbara Bedford, Betty Blythe, and Gigi Parrish, Wampas baby star. The novel was adapted by Adele Comandini, who also adapted the famous Bronte classic, "Jane Eyre," while Christy Cabanne handled the direction.
