

Spooks! Ghosts! Goblins! Witches! All Come to Life on Hallowe'en

Spooks an' goblins a plenty with witchery in the air; no one will be able to mistake Hallowe'en for any other occasion in the year.

When twilight falls Wednesday evening masked faces will begin to peer around corners and strange faces will loom over many a window sill. It's the day of the year when youngsters will feel the freedom of mischievous pranks that comes only once in every 365 days.

Goats will walk. Pumpkins with glaring eyes will symbolize the night when spooks go out to play. Black cats, witches and hideous faces are other signs of the Goblin Day.

Gay parties and mysterious crowds of young folk will join in celebration of the Hallowe'en spirit.

Townpeople should not be surprised to find their front porches dismantled by the spooks and Hallowe'en funsters. The person who escapes without some sign of a visit from goasts to his premises may consider himself or herself very fortunate indeed. Hallowe'en is the one day when goasts go free and spooks become "officers of the day."

The chances are that local peace officers will have their hands full and their eyes "peeled" to see that the prankers don't overdo their liberties and do undue damage to public and private property. Such an occurrence in this section is not anticipated however. Wednesday night will be a night of fun, and any serious offense on the part of the fun makers will detract from the spirit of the occasion.

Relief Commission Calls for Estimate On November Needy

GUESSWORK IS PROHIBITED

AUSTIN, Oct. 29.—Texas Relief Commission officials have requested county administrators to report promptly their estimates of the number of persons it will be necessary to provide for during the month of November and the amount of money necessary to afford relief from distress.

Field Supervisor H. L. Davis, author of the request, cautioned administrators to avoid guesswork in submitting estimates, as these will be checked against the actual number of persons benefitted from relief funds this month.

As in previous requests, administrators are asked for the number of new cases due primarily to drouth conditions, number of cases due to lack of seasonal farm employment, the increased cost per family due to lack of gardens and the increased cost of relief due to necessity of supplying feed and seed occasioned by drouth.

"We do not expect a noticeable increase in the case load for November because October has been such a mild month," Davis said. He added, however, that the close of the cotton picking season had been reached in many sections where relief clients had found employment.

HOME MAKERS CLUB TO HOLD OPEN HOUSE

The Coryell Church Home Makers Club has extended an invitation to residents of Coryell county to attend an Open House at the home of Mrs. J. W. Roe on November 66, from one to five o'clock p. m.

A program of entertainment

Hornets Show Fight Despite of Heavy Loss To Strong Mart Club

PREPARE FOR MARLIN GAME

The Gatesville Hornets, back from their decisive defeat at the hands of the strong Mart team, went to work yesterday in preparation for the third home game of the season with Marlin here next Friday.

The Hornets were outplayed last Friday in Mart, losing by a top heavy score of 55-0. The Mart team, however, is without a doubt the strongest B team in this district and unless dope is badly upset before the season is over will win the district title with flying colors.

Despite the score of Friday's game spectators avow that the small Gatesville club displayed more than the usual amount of spirit, which indicates that the inexperienced Hornets have not given up for the rest of the season.

At the expense of local business men, the Gatesville boys were privileged to witness the Waco-Corsicana game Friday night.

BAYLOR BEAUTY PRESENTED AT HOME-COMING GAME

Miss Elaine Cross, daughter of Judge and Mrs. R. B. Cross, of Gatesville, and popular Baylor University co-ed, was selected University Beauty for Home-Coming by a popular vote of the student body.

Miss Cross was presented during the Baylor-A. & M. football game last Friday afternoon. She was the chosen representative of the Junior Class.

has been planned for the guests together with a display of work done by the club women this year.

Shoes Are Stolen From Alvis-Garner Company Show Window Saturday

NIGHT THIEF TAKES LOOT

It is an unmistakable fact that one or more men will be wearing new shoes this winter without any expense on their part.

Burglars, one or more, broke into the center show window of Alvis-Garner's Department Store sometime during the night Saturday and carried off four pairs of men's Friendly Five shoes, one pair of size sixes, one seven and two eight-and-a-half. Several pairs of expensive boots were left unmolested.

The show window has a small door at the rear which was prized open with an iron bar and presumably a large pocket knife. The glass windows and the glass in the back panel door was not damaged in any way, but the prowler went quietly about his work apparently without interruption.

The theft was discovered Sunday by Mr. Alvis and reported to local officers.

PLAINVIEW TO GIVE HALLO'EEN AFFAIR

The faculty and student body of the Plainview School will entertain the public tonight (Tuesday) with a box supper, Hallowe'en party and carnival, according to word from A. E. Whisenhunt, principal.

A full evening's entertainment has been planned for the benefit of those who attend the unusual affair to be held in the High School building.

The funds derived from the supper and show will be used for the purpose of supplementing the incidental expenses of the school.

The invitation is extended the general public to attend what promises to be a delightful affair.

SCOTT & MAYBERRY SHOP LEASED TO WACO MAN

E. E. Toole, of Waco, who has an enviable record of eighteen years experience in the tire business has moved to Gatesville where he has leased the Scott & Mayberry Tire Shop on East Leon Street.

Mr. Toole boasts of the highest quality of workmanship and will use the best of materials as he has done in the past.

Mr. Toole has been a resident of Waco for the past 22 years.

PLAY TO BE STAGED BY BEE HOUSE PEOPLE

A home talent play entitled, "Silas Smidge from Turnip Ridge," will be presented by residents of the Bee House community Friday night, Nov. 2.

A nominal admission charge will be made for the rural com-

Deadline Is Set to Pool Surplus Cert's In Coryell November 1

CORYELL HAS 400,000 LBS.

Because the National Surplus Certificates Pool has set November 10th as closing date for receiving surplus certificates it has been deemed advisable that farmers be notified to turn their surplus certificates over to the Adjustment Assistant for sending to the National Pool. In order to get certificates into Washington on time it is necessary that those who desire to pool certificates turn in same by November 1st, since most of the ginning is over in Coryell county. Unused certificates sent from Coryell to the Pool amount to 400,000 pounds. It is estimated that since about 15,000 bales certificates were issued and ginnings approximate 12,000 bales that about three times the number surrendered to Pooling to date are possible to be pooled. Certificates amounting to over 500,000 bales have been sold from the Pool and demand is still above supply of certificates. After sale of 4c per pound a fraction of a cent will be taken out for operation expenses and the remainder paid to producers. Any unsold certificates will be sent back to producers for next years use if the present Cotton Bankhead Law continues.

1933 Cotton Option Pool

Over 200 Coryell producers who took option plan 1933 Plow-Up and pooled their option cotton with advance of \$20.00 per bale have offered to continue 1,300 bales in pool drawing another advance of \$7.60 net per bale, or a total of \$10,000. This is equivalent to 12c per pound loan or is \$10.00 per bale less expenses of \$2.40 from February 1st to October 1st, 1934. Producers holding (yellow) Participation Trust Certificates may come to the County Agents office and make application for above advance.

Cattle Buying Terminated

With last weeks allotment of 500 head of cattle for Coryell concluded the cattle buying program for this county. The splendid spirit of cooperation of all in this Emergency Drouth Program is very much appreciated. All producers who listed cattle were cared for. The following are records of the County Drouth Director:

No. herds inspected, 1,228.
No. head cattle on farms visited, 23,161.
No. head cattle purchased, (accepted & condemned,) 9,829.

(Continued on page 5)

edy, which according to the committee is "full of hearty laughs."

Proceeds will be used for the benefit of the Bee House School.

Farmers May Conserve Soil in Terracing by Help of County Agent

PROGRAM OPEN IN CORYELL

One of the most beneficial farm programs possible and which yields the most returns is the terracing of fields in order to save the soil and conserve moisture.

The Coryell County Agent has spent two weeks out of the last month terracing due to the importance of this work. However since due to many programs which demand much office attention it has been decided to take advantage of the opportunity of training C. W. A. workers for the running of terrace lines.

Farmers who desire terrace or contour lines run on their fields should sign up the acreage at the county agent's office or write for an application blank. The surveying party will only run lines, the farmer furnishing the party transportation and doing his own construction of terraces. Lines can be run on more fields sooner if the farmers will sign up as soon as possible agreeing to terrace their land.

This is a separate program from C. C. C. soil erosion camps but may be a program which will make possible a camp in this county later on. As soon as 1,000 acres are signed up a project will be requested by the county agent and County Relief Administrator. The County Agent will train and direct the persons selected for this work. It is hoped many will take advantage and terrace their fields.

CRANFILLS GAP AND STATE PLAY TO TIE

In a football game, free to spectators, at the Training School last Friday afternoon, the State team and Cranfills Gap played to a 6-6 tie.

Both teams played on equal terms during the game. Cranfills Gap scored in the second half and within a few minutes of play the State retaliated. Neither team made the extra point.

Free Game Thursday

State will play Clifton College Thursday afternoon here. This contest will also be free

SUBSCRIPTION RATES

One Year (in Coryell County)....\$1.00; Elsewhere.....\$1.50

Entered as second-class matter June 24, 1933, at the post office at Gatesville, Texas, under the Act of March 3, 1879.

NOTICE: Any erroneous reflection upon the character or standing of any person or firm appearing in its columns will be gladly and promptly corrected upon calling the attention of the management to the article in question.

Pledge

I will think—talk—write . . . Texas Centennial in 1936! This is to be my celebration. In its achievement I may give free play to my patriotic love for Texas' heroic past; my confidence in its glories that are to be.

OTHERS' VIEWS

The people of Texas are called upon to amend their Constitution, by their votes, at the forthcoming election.

Patriots should study the proposed changes and be slow in arriving at a conclusion as to which way to vote. The Constitution is the foundation of the Texas government; when we go to tampering with so important a thing as a foundation to a great structure we ought to be like Davy Crockett, be sure we are right before going ahead.

The present Constitution was adopted in 1875. Lawrence Sullivan Ross was the delegate from Waco. Many old Confederates and prominent men whose names are in Texas history participated. John H. Reagan, who was postmaster-general of the Confederacy, was a member of the convention; Joel Robeson, who captured Santa Anna, was there; Buck Kilgore, who kicked in the door of the House of Representatives at Washington, because they closed it in his face, was there; a Confederate general and several Confederate colonels were there.

A great instrument of government was prepared by wise old patriots. It may need amending; we have advanced far from that day. But the proposal to limit the expenditures of the state to \$22.50 per person for any biennium, would be a blow to our schools. That proposal should be killed.—Waco Record.

Young men of the future will probably have a harder time to make their mark early than has been the case in the past. The reason will be not the fault of the young men, but the longer age, increased effectiveness of older.

We are living longer. We are working more with our heads and less with our legs and arms. Today a man of 60 is as effective as was a man of 40 some time ago. Today men of 50, 60 or even 70 consider themselves young. They are insulted if it is suggested that they ought to retire. In another quarter of a century, men of 80 will refuse to acknowledge that they are unfit for fast competition, and the proof will be that they can compete effectively just as many men of that age are doing today.

When work is done with the head, age is no handicap. The experience and judgment which comes with age are valuable assets.

So we shall soon find that men of 40 and even 50 will be considered youngsters, just getting ripe for large responsibilities.—Mineral Wells Index.

Perhaps you have never thought about it in this way: If John Jones puts out a bunch of shrubbery, uses the hoe and rake freely, keeps his place looking attractive, his neighbor will get out and get busy and see what can be done to keep up the appearances of his place. This whole idea of beautification is contagious, or just an idea of "keeping up with the Jones." Attractiveness in a town doesn't cost, it pays big dividends. Naturally, with the Centennial coming on, we are going to be hosts to a lot of tourists, and out of that number, some are going to be out looking for a new location. We believe they will choose the attractive, well-kept towns in which to make their homes.—Dawson Herald.

FOOTBALL CHATTER

By TEDDY

Coach Ewing and his Hornets journeyed to Mart Friday where the Mart Panthers defeated them 55-0. Mart is the strongest team in this district. McGregor has a good class B team, but is not coming up to the expectations of this writer.

This writer had the privilege of seeing the game Friday night between Waco, High and Corsicana on Carroll Field in Waco. It was a thrilling game, but it was the first game that I remember where the Waco Tigers out-played a team and then got defeated. Corsicana has two of the fastest backs in the state in Humphries and Ashworth.

It looks as if the Baylor Bears are headed for the cellar again this year. The under-rated Aggies gave them a 10-7 defeat. A. & M. isn't through winning games this year, and will probably be in the thick for the Conference pennant before the season is over.

The Marlin Bulldogs will come to our city Friday to take on the Hornets. Marlin made more first downs in their game with Mart than the Panthers. Marlin will probably give the Hornets a worse licking than did Mart.

School authorities have given the local all-stars permission to play a few games this year. It is a great thing for the Hornets of former years to help these youngsters get their sweaters or help make enough money to sponsor a banquet.

Liberty Church News

Exa and Bill Turner visited Gluline Flinson of Turnersville Wednesday.

Mr. and Mrs. Dick Derrick

enjoyed an ice cream supper at Herman Crawford's home Friday night.

Mr. and Mrs. Will Fowler and family and Flossie Latham attended the Rodeo at Jonesboro Saturday, October 20.

Mr. John Derrick spent Friday night with Mr. Tobe Nickles.

Mr. Dodge Hollingsworth was a supper guest of Miss Ethel Moore Sunday night.

Mr. and Mrs. Paul Hightower visited Mr. and Mrs. Luther Moore Sunday afternoon.

SHOP AT HOME

DROUTH HELP SOME

It's really an ill wind that doesn't blow someone some good. The drouth in the Middle West this summer was terrible but there's something to be thankful for, for, it seems. Word comes that in drouth stricken sections the growth of ragweed, one of the contributing causes of hay fever, has been so curtailed that the concentration of the pollen in the air is less per cubic yard than it has been in years.—McGregor Mirror

**Mrs. Wes Davidson
Club Hostess.**

The ladies of Pecan Grove met with Mrs. Wes Davidson at her home last October 25. Quilts were quilted and hemmed during the busy hours.

Fruits were served to eighteen members, and two new members, Mrs. Young and Mrs. Travis Vandiver. The next meeting will be at the home of Mrs. B. M. Rainey. Everyone is cordially invited.

**Mrs. Henson Hostess
To Club.**

The Antelope Home Demonstration Club met with Mrs. Sam Henson Tuesday afternoon, October 23.

Plans for achievement day program were made, and Mrs. Cecil Carter, a recent bride, was honored with a miscellaneous shower by the club members.

Refreshments were passed to thirteen members and several visitors. Visitors present were Mrs. Elmer Scott, Mrs. Robert Smith, Mrs. Lloyd Woodley and Mrs. Cecil Carter.

The next meeting will be with Mrs. Edd Schmausch, November 6.

**Mrs. Clifford Adams Hostess
To Thursday Bridge Club.**

Members and guests of the contract club met at the home of Mrs. Clifford Adams last Thursday afternoon.

Bridge games were enjoyed, with high and second scores falling to Mrs. Bythel Cooper and Mrs. D. D. McCoy. Gifts were presented to both winners.

The invited list included Mesdames D. R. Boone, Bob Saunders, E. Stone, E. L. Stewart, Carl Gandy, R. W. Ward, Robt. W. Brown, Howard Franks, B. B. Garrett, D. D. McCoy and Bythel Cooper.

**Contract With
Mrs. McCreary.**

A pair of hose was presented Mrs. J. D. Brown Jr., high score holder, and lingerie, second high prize, went to Mrs. Jim McClellan, at a contract bridge party in the home of Mrs. Irvin McCreary last Thursday evening.

Other club members who participated in the games were Mesdames Mabel Gardner, L. S. Holmes, J. A. Hallman, I. F. Johnson Jr., Byron Leaird Jr., Dan McClellan, Roger Miller, Laura Rayford, Chess Sadler and Miller Stinnett.

**Miss Rosylene Anderson
Hostess at Party.**

Miss Rosylene Anderson honored a group of her friends with a delightful party at the home of her mother, Mrs. Levi Anderson, last Friday evening.

Tables of buncos were arranged for guests, and games featured the evening's entertainment.

Halloween colors were attractively carried out in various decorations and in the refreshments. The pretty refreshment plates consisted of hot chocolate,

sandwiches, cake and candy.

Among those who enjoyed the hospitality were: Nettie Jane Thomson, Helon Post Chamlee, Anita Lowrey, Mary Ann Post, Eloise Cook, Beth Powell, Linda Earl Hayes, Gladys Marie Phillips, Mildred Gandy, Martha Jean Patillo, Annie Ruth Witt, Jack Hestilow, C. H. Wallace Jr., Dan McClellan Jr., John Rufus Colgin, J. L. Brooks, Jack Reesing, Joe Baker, Joe Hal English, Bob Thomas and Bill Witt.

**Jolly Helpers
Club Meeting.**

The Jolly Helpers Club met in an all day meeting at the church October 17, for the purpose of quilting the club quilt. Each member brought their basket of food, which was spread together and enjoyed at lunch time.

The house was called to order by Mrs. Cleo Huckabee, temporary chairman, in the absence of Mrs. Thula Tippit. Plans were made for Friday night, October 19, when the club quilt will be given away. The club adjourned to meet in the home of Mrs. Charlie Brazzil, Wednesday, October 31.

**Mr. Jim Davenport Honored
On Birthday.**

On last October 21, the friends and relatives gathered at the home of Jim Gentry on the Whigham Farm near Leon Junction to celebrate the seventyninth birthday of Uncle Jim Davenport. Uncle Jim, as he was known to everyone who knew and loved him, has lived in the Leon Junction community many years, but for the past thirty-six years has lived in Hamilton county.

A bountiful dinner was spread under the grove of trees and served to the large happy group. It was decided among the friends and relatives present that their next meeting day would be the first Sunday in August 1935, at Round Mountain.

Those who enjoyed the celebration were:

Rev. and Mrs. Ollie Williams, Mr. and Mrs. A. A. Morgan, Mr. and Mrs. John E. Comer and family, Minnie, Joe and Sarah Davenport, Veda Hodge, Lorraine Blains, Charlie Wood, Katherine Johnson, Mrs. Ada Wood, Mazell Spencer, Lucille England, Gladys Bragewitz, Ola Mae Johnson, Mr. and Mrs. Sam Whitenburg, Mrs. J. O. McKinzie, Mr. and Mrs. Will Comer, Mr. and Mrs. Tall Woolsey, Mr. and Mrs. Charlie Duke, Mr. and Mrs. Bud Davenport, Johnnie Devenport and family, Mrs. Willie Shirley and daughter, Mrs. John Cathey, Brown Allen, L. L. Whittenburg, Milton Price, Mrs. Mary Hobdy, Mrs. Bob Cummings, Joe Farris and family, H. J. Farror and family, D. G. Brumbalow and wife, Mrs. Sadie Tharnton and daughter, Ethel, Mrs. Jessie Farror and children, Mrs. D. England and children, W. D. Duncan, Ben Duncan, Mrs. John Whigham and children, Mrs. G. B. Whig-

**FEW WOMEN WERE FOUND
IN WEST TEXAS**

LUBBOCK, Oct. 29.—Women were scarce in this part of west Texas a generation ago.

When Justice of the Peace J. J. Dillard took the federal census in 1900, he could find only three women in Terry county, two or three more in Hockley county and none at all in Cochran county.

In all, he could locate but 27 persons in Terry county, and the other two counties in which he counted residents had even smaller numbers of inhabitants.

West Texas in those days was still a cattle kingdom, settled by venturesome frontiersmen and a few scattered families.

"Lubbock county had only about 196 persons in that census," Dillard added. "I don't think there were more than 50 or 60 persons in Lubbock. It was mighty small."

DEADLINE IS SET—
(Continued from page one.)

No. head condemned of above number, 5,355.

Total amount payments for cattle Coryell county, \$95,227.

Total payments received to date, \$86,409.

Amount to be received, \$8,818.

Approximate price per head, \$10.00.

Percentage animals condemned 54 per cent.

Sheep Program Over

With the closing of the sheep and goat buying program the County Director reports the following with last two days business approximately.

No. producers selling sheep, 216; No. sheep on farms visited, 46,000; No. sheep purchased, \$,163; No. sheep purchased which were condemned, 5,000; Percentage condemnation 62 per cent; Amount paid for sheep, \$16,326.

Goats

No. goats producers offering, 65; No. goats on these farms, 15,000; No. goats purchased, 2,249; No. goats purchased condemned, 1,227; Percentage condemnation, 59 per cent; Amount payments made, \$3,823.30; Total payments sheep and goat buying program, \$20,149.30.

The cattle, sheep and goat buying programs here in Coryell as in other Emergency Drouth areas have relieved much distress due to shortage of grass feed and water and surplus of cull cattle. Coryell has received a very liberal share of these drouth allotments and all programs of this nature have progressed very satisfactory to all concerned.

HIGHWAY "SCALE STATION"

BROWNWOOD, Oct. 29.—The first "scale station" to be built by the state highway patrol in cooperation with the state highway department has been completed at the junction of highways 10 and 129, a short distance east of Brownwood.

The station consists of a concrete box containing scales for weighing trucks and a hard surfaced driveway. When patrolmen sight a truck that appears to be overloaded they take it off the highway and weigh it.

RUSSIA SEEKS INVENTIONS

MOSCOW.—There is a first for new inventions in the Soviet Union and the patent office is encouraging foreign inventors to send in their ideas.

American ideas are especially desired because of the great strides made in the U. S. through new inventions.

The patent office guarantees to protect the rights of patent holders, and patents registered here will be paid for either outright or a royalty basis. It points out that the Soviet "does not steal patents or violate international law" in this respect.

KING GEO. OPENS LIBRARY

CAMBRIDGE, Eng.—A new university library with a tower like a miniature American skyscraper dominating this quaint old town of ancient spires and narrow streets was opened officially by King George recently.

Twenty-four stories high, it contains 42 miles of steel-lined bookshelves for a collection including some of the rarest books and oldest manuscripts in England.

Cambridge university library is one of the three "copyright" institutions in England. The Bodleian at Oxford university

The assistant State Inspector, Mr. Brooks, Mr. J. M. Witcher and R. W. Stephens visited our school Monday.

Rev. G. W. Lee will fill his appointment here Saturday night and Sunday.

LIBERTY NEWS

(Intended for Friday)
The Liberty Club met with Mrs. L. C. Perryman the 23rd of October and spent the afternoon in preparation for achievement day at Mrs. Perryman's home October 30, 1934.

All of the people of this community and other club members are cordially invited to be present that day and take note of the great advancement in "better living" and improved farm home conditions that have been made under the direction of Miss Martin, Home Demonstrator. All of the clubs feel that Miss Martin is one of the most important factors in our county. The great "Back-to-the-Farm" movement of our national government can be made a success only by improved conditions of the farm home. In fact, the motherhood of rural America is

starving for better conditions. Let us keep our Demonstrator and give the rural people a chance.

Mr. and Mrs. Bishop Saunders, Mr. and Mrs. Berlin Saunders, Mr. and Mrs. Lucian Saunders and little son went to Slater last week to attend the fiftieth wedding anniversary of Mr. and Mrs. Bishop's Saunders parents.

Mr. and Mrs. John Laxson and charming little daughter of Gatesville were visitors in the L. C. Perryman home last Tuesday. Mrs. Laxson spent her early school days in the rural school, and her school mates who were present at the club, spent a happy hour recalling incidents of those good old days.

Liberty Club was pleased to have won first place at the Gatesville Fair, though it was a surprise to our members. The club agrees that the people to whom the club is indebted for its success are Mrs. L. C. Perryman, Mrs. Ed Belvin and Mrs. C. W. Blair, though many others assisted.

MR. J. W. WALKER

Loved ones and friends at Bee House and surrounding country were deeply saddened when they learned of the death of Mr. J. W. Walker, who died at his home in Bee House September 23. His death was not wholly unexpected as he had been in ill health several years.

He was born April 17, 1870 in Williamson county. He came to Coryell at the age of 17, united in marriage to Miss May Spink in 1890. To this union were born three children, Jessie who died in infancy, Ray and Delos who lives at the old home.

His wife preceded him in death in 1918. In 1920 he was married to Mrs. Minnie Tobias. Funeral services were conducted at the Hillsdale Ceme-

tary by Rev. J. T. Eller, and B. F. Reynolds.

He is survived by his wife, two sons, and two grand daughters and four sisters, Mrs. W. H. Wynn of Elmount; Mrs. Edith Williams of Evant; Mrs. T. T. Hunter, Mrs. J. A. Baker both of Port Arthur.

Just before twelve on Sunday night his soul took its heavenly flight. Friends and loved ones were standing near, but God and his angels whispered "come up here."

Dear uncle we can not understand why you suffered in this old land, but all troubles and trials are past. Thus we sing "Safe Home at Last."

To the dear companion left behind, we know you'll ever bear in mind, that Jesus lingers near. Ready to comfort his children dear.

To to other relatives and friends so true uncle Will has not for ever gone from you, Jesus can guide your steps aright, then you'll meet in a city where there is no night.

—By his niece.

CONSIDER YOUR LOCAL

MARY JANE CUMMINGS

Mrs. Mary Jane Cummings died early last Wednesday morning at her home about six miles east of Gatesville.

Funeral services were conducted by the Methodist pastor, Rev. M. M. Chunn of this city, at Pleasant Grove.

Mrs. Cummings was born in Arkansas April 8, 1856. She was seventy eight years of age and was a member of the Methodist Church.

Besides her husband, she is survived by the following children: one son, Bud Cummings, and three daughters, Mrs. Nora Melton, Mrs. Isophene Cowan and Miss Lena Cummings.

Coryell City School News

Editor-in-Chief — Mae Florence Culp.
Associate Editor—Lorraine Goff.
Sports Editor—Dale Britain.
Reporters—Odis McBroom, Lois Niemeier, Earl Beitendorf.
Sponsor—Emma Scott.

The district supervisor Mr. Brooks visited our school October 22. We are very proud of the compliments he paid us in regard to the splendid work that is being accomplished by the pupils of our school. Now we must strive to retain this commendable record.

Sports

The boys and girls have been practicing tennis. We have some good material. Prairie Chapel returned a game of playground ball last Friday. We played twelve innings and the score was 2 and 2.

Home Economics

The members of the foods class have had some very valuable experience in the preparation of food lately. We served an attractive plate lunch to Mr. Brooks, our district supervisor. Mr. Stephens, the county superintendent, J. M. Witcher, Mr. Gohlke, and R. B. Forrest.

Grade News

The first and second grades are very proud of their monthly report. We are learning to use colors in our drawing class.

Third and fourth grades have been busy making posters and attractive Halloween decorations.

The fifth grade has put up some new window decorations. We have also made some attractive booklets in our English readings.

An improvement club has been organized in the intermediate grades. The members are very enthusiastic.

H. M. Stanifer Says:

"Wrong is misplaced energy. We make ourselves better when we expect the best in others.

"Unless you are truly disappointed now and then you are not truly appreciative.

"Some people have to blow up before they settle down.

"Pessimistic thoughts poison the air worse than poison gas."

Peabody School News

Editor in Chief—Bonnie Upton
Assist. Editor — Marie Taylor
Classic Reporter—John Conner
Sports Reporter—Clyde Buttler
Social Reporter—Lorraine Upton
Sponsors—The Faculty

Everyone came out Monday morning October 1st, with a broad smile on their faces and eager to begin their school work.

Miss Margie Upton is spending her fifth year of primary instructor with us, but we have a new principal, Mr. Jack Cowen.

There are thirty-nine pupils enrolled this year and we hope to gain more in the future.

As this is the fourth week of school, we are busy taking tests and all are anxious to see our monthly grades.

The primary pupils get very anxious before they receive their issues of "My Weekly Reader," but the high school pupils cannot wait a week, they get their "Telegram" daily.

Sports

The junior boys basket ball team have been practicing some and hope to have a match game in the near future. The boys have been contesting the girls volley ball team and both teams show they need to improve. The primary boy's and girl's greatest sport seems to be playground ball, with Mr. Gowen umpiring their games.

Social News

The student body met last Friday morning to organize a club for the purpose of entertaining at the weekly assemblies. The "Klek Klub" (Clique Club) was the name chosen for the club. The pupils nominated and elected the following officers for the club: President, Bonnie Mae Upton, Vice President, Farene Reaves, Secretary, Nellie V. Carroll, and Program Committee, Lorraine Upton, Clyde Boyce Buttler and Duane Marriott.

We assemble every Monday and Friday mornings. This last Monday a good program was rendered to the listeners.

We are planning a social gathering at our school house Wednesday night, October 31, to celebrate Hallow'een. Every one come with their spooks and ready to have your fortune told.

W. P. Boyd,
County Organizer.

CHARLIE H. WOLFF

Mr. Charlie H. Wolff passed away at his home in Seattle, Texas last Tuesday about midnight.

Rev. Ollie Williams conducted the funeral and burial services, which were held at Flint Creek. Grandchildren of the deceased served as pallbearers.

Mr. Wolff, who had attained the age of eighty-four, was born in Germany October 10, 1850, and has made his home at Seattle for the past thirteen years. Mr. Wolff was a religious Methodist, and was a member of the I. O. O. F. Lodge.

Surviving him was his wife, Mrs. Rhoda Wolff, three sons, Fred and Bob, and a step son, John Gossett, and three daughters; Mrs. Sam Williams, Mrs. John Thompson and Mrs. Maudie Dixon.

Graham-Coker

Two of Moody's oldest and most highly esteemed families were united in ties of intimate interest when Alvie Coker, son of Mr. and Mrs. G. C. Coker, and Miss Nellie Graham, daughter of Mrs. Annie Graham of

Moody, were married at a late hour Saturday afternoon, October 20.

The marriage was solemnized at Jonesboro, with Rev. B. F. White reading the sacred rites in his home. Witnesses of the happy ceremony were Miss Louise Graham, sister of the bride, Miss Mabel Coker, sister of the groom, Mr. and Mrs. William Wilson of Jonesboro and Mr. Dee L. Graham of Turnersville, cousins of the bride.

For the ceremony the pretty young bride wore a modish costume of navy blue with matching white accessories.

Immediately following the marriage rites the wedding party motored to the home of the bride's aunt and uncle, Mr. and Mrs. Lum Graham of Turnersville. On their return to Moody the groom and his lovely companion will be at home on their farm north west of Moody.

Both of these young people are well known in Coryell county, the groom having been a popular athlete of the Moody High School and the bride a 1933 graduate of the same school.

Mrs. Coker is a highly capable young lady and is widely popular both in her profession and in friendship circles. Her fascinating smiles, kindly manners and gentleness captures the heart of everyone with whom she associates.

May life's companionship to Mr. and Mrs. Coker be the realization of much happiness and material success.

Since 1889—The Old Reliable

World Comment
By JOE BURNS

In a little more than a year all of America's No. 1 desperadoes have been put behind the bars or disposed of somewhat violently by Federal officers. Beginning with the Bates-Kelly-Bailey capture in Memphis by Federals a year ago, steady progress has been made by the operatives of Melvin Purvis and Edgar Hoover. This famous trio is now safely put away in far-off Alcatraz prison, located on the island by that name off the coast of California. Shortly before the nation's leading gang leader, Al Capone, had been sent to Leavenworth for eleven years on income tax evasion. And now, Charles (Pretty Boy) Floyd, who terrorized Oklahoma and surrounding states with his bank robberies and murders, has been disposed of by the vigilant police of Uncle Sam.

Melvin Purvis, in charge of the Federal bureau at Chicago, put away John Dillinger during the summer and now most of his gang is either dead or in hiding. Roger Touhy, famous kidnaper of Minnesota, and his gang are dead. Texas Rangers shot Clyde Barrow and Bonnie Parker in Louisiana while in Federal pay. And on and on until now there are no No. 1's at large. The public can rest in peace but it seems as if there is always some ambitious youngster ready to take the place of the "Alfalfa Bill" Murray path of crime.

After four hectic years as Oklahoma's chief executive, William H. ("Alfalfa Bill") Murray will retire January 1. Murray is ineligible for reelection as the governor of the Sooner state is chosen for a single term of four years and cannot succeed himself. As his candidate for governor was nosed out in the July primaries by Congressman E. W. Marland, Bill will not have any say-so in the government of the state which he has so long controlled.

Senator Arthur P. Duggan of Littlefield has offered a resolution in the Legislature of interest to all Texans. The resolution is intended to obtain wider spread of the tax burden, according to the Senator, and to levy on properties now escaping. "There exist many inequalities in our present system of levying taxes," said Senator Duggan, and I believe most of our readers will agree with him on this point.

Further, "An unfair tax burden is placed upon certain classes of property while other forms of property are allowed to escape just taxation." Something to this effect was mentioned during the gubernatorial campaign this summer but no interest was aroused and little was done. However, some interesting figures are listed in the resolution which cites the value of all taxable property in Texas at \$10,000,000,000, while only \$2,198,000,000 of this amount is rendered for taxation.

Here's something for the farmers. According to the bureau of agricultural economics, exports of farm products from the U. S. have been valued at \$787,000,000 for the year ended June 30, compared with \$500,000,000 during the previous year, although the volume dropped due to the Roosevelt acreage reduction plans. From these figures it can be seen to what extent the New Deal has raised the price level of agricultural products.

One of the chief reasons for the volume index of farm exports in 1933-34 was the reduced purchases of cotton. Foreign countries took only 8,336,000 bales last year compared with 8,647,000 bales the year before. The value of the 1933-34 cotton exports was \$438,000 compared with \$322,000,000 the preceding year.

ACCEPTS INVITATION TO APPEAR BEFORE M. E. YOUNG PEOPLE

China Springs, Texas. October, 24, 1934.

Rev. Marcus M. Chunn Gatesville, Texas.

Dear Brother Chunn:

Your letter is at hand relative to the Young Peoples Banquet. I appreciate the information, and will try to fit in with the spirit of the program.

The subject will be "Youth Looks at Life." The thinking youth is of course interested in the place that he or she shall occupy in the universal scheme of things, and the ambitious youth is anxious to have a voice and a hand in the shaping of that place. And this he certainly must do if he would be the master of his destiny rather

SEEKS TO ATTRACT TOURISTS

LANSING, Mich.—The Michigan department of conservation is seeking ways to better the state's recreational facilities for visiting tourists. Thousand of tourists who visited state parks during the past tourist season were bestowed with questionnaires asking what they thought of the present parks, and asking them to advance ideas of betterment.

PUBLISHERS PLAN NEWS-PRINT PLANT FOR TEXAS

The Texas Publishers Association, comprising all of the larger and a number of the smaller daily newspapers of the state, are giving serious consideration to plans for securing a newsprint plant in Texas.

At their recent meeting in Austin the Association went on record as endorsing the idea and starting plans for securing such a plant's establishment in the state.

Recent discoveries by Dr. Charles Herty and others have demonstrated the chemical possibilities of the pine as a source of pulp from which the newsprint is made. A subsidized plant is in operation now in the Carolinas successfully producing paper in an experimental way.

The United States imports probably more than two-thirds of all its newsprint annually consumed. Until Dr. Herty's investigations, spruce was about the only wood from which it could be satisfactorily made, and the spruce forests of the United States have been materially re-

duced until the available supply is far short of the Nation's needs. Successful treatment of young pine trees as a source of supply has brought into the picture the tremendous pine forests of the South, and no State has a larger supply nor more accessible forests for such use than Texas.

The Texas Publishers Association will have the sympathetic interest of every Texas citizen, and the results of their investigation not improbably opens the way for the development of a brand new and major industry for the State.
