

Funeral Services For Jacob Yows, Pioneer Resident of Coryell

86 YEARS OLD AT DEATH

Funeral services were held by Rev. C. A. Morton at the Yows homestead near Gatesville at 2:30 Saturday for Mr. Jacob Yows. His remains were interred in the Masonic Cemetery at Gatesville, following services at the home.

Mr. Yows was, at the time of his death, 86 years of age and had been a resident of Coryell county for 49 years. He was born in Washington county, Arkansas near Fayetteville, and moved to Texas when 37 years of age.

Mr. Yows leaves six children, the daughters, Effie Yows, Mrs. Edna Mason of Austin and Mrs. Watt L. Saunders of Austin, the sons, Tom Yows, Arthur Yows and Otis Yows. Three sisters also survive the deceased Mrs. R. H. Yongue, Mrs. Ella Hamilton of Star, and Mrs. W. C. Coward of Levita.

Besides local relatives who attended the funeral were Mr. L. F. Chapman of San Angelo, Miss Ruth Yongue of Waco, Mr. Mann of Waco, Mrs. Jim Russell of Levita, and Mrs. Edna Mason's two daughters Nell and Lucille of Austin, and Mr. Watt L. Saunders of Austin.

Pall bearers were Messrs. Henry and Tallie Yongue, Mr. Mann of Waco, Paul Cloud, J. Y. Hamilton and Billie Byrom.

GOES TO ATTEND MOTHER'S FUNERAL AT BOWIE

Mr. L. B. Brown, manager of the Regal and Ritz Theatres of this city left for Bowie, Texas, early yesterday morning to attend the funeral of his mother, Mrs. L. B. Brown.

About two weeks ago, Mrs. Brown fell and broke her shoulder at the home of her daughter, Mrs. H. J. Ray of Grenada, Mississippi, and contracted double pneumonia. She died in the home of her daughter there. Funeral services were held yesterday afternoon at 4:00 o'clock, in Bowie.

Additional Rainfall This Week Proves to Be General Blessing

ENTIRE COUNTY BENEFITTED

A second blessing within less than a week's time fell generally over Coryell county beginning during the early hours of the morning Monday.

Reports from over the county indicate that the welcomed continuation of last week's rain was of a general nature, however, being heavier in some sections than others.

Beginning at Gatesville the rain continued heavily in a southwest but was reported to be light as far as Comanche in that direction.

The southern section of the county was greatly benefitted, extending into Bosque county where Valley Mills and Clifton both reporting good rainfall.

All sections of Coryell were not reported at press time but indications are that there were no areas not participating in the appreciated drought reliever.

WINNER OF PRIZES IN WACO POULTRY SHOW

Roy Chamlee, local chicken raiser, visited the "Heart of Texas Poultry Show" at Waco last Sunday, which he reports as one of the largest of the annual Central Texas exhibits.

According to Mr. Chamlee, the single-comb Rhode Island Red class was practically equal in quality to the competition exhibited at the State Fair at Dallas this year. There were other breeds of poultry, turkeys and pigeons shown and all of these were of wonderfully quality.

It is easy to account for the broad grin being worn by Chamlee; his old cock bird won third prize and he also won fifth and seventh in the cockrels. There were 64 Rhode Islands entered in the competition.

Edwin Winfield and Cohen Richardson, of Gatesville, entered birds in the bantam class but have not had reports on the judging of this class.

POPULAR EAT PLACE UNDER NEW MANAGER

Mr. Ed Jones, formerly owner and manager of Jones Cafe on the south side of the square has taken over the management of The Coffee Shop, well known cafe on the north side.

Mr. Jones has had several years experience in cafe operation and invites his old and new friends to his new location.

The Coffee Shop features "the best coffee and cakes," and also prepares lunches and other delicacies for those who need snappy service and wholesome food.

Some changes in equipment and arrangement are planned, but Mr. Jones assures the pub-

BUSINESS INTERESTS TO CONVENE TONIGHT

A meeting of local business men has been called by the President of the Chamber of Commerce, C. E. Alvis, for 7:30 o'clock tonight in the district courtroom.

The Chamber of Commerce will introduce plans for a pre-holiday celebration and plans of activity for Christmas.

It is hoped that a large crowd will be present to participate in the discussion of a program which should be of great benefit to the business interests and citizenship of the county generally.

Corn-Hog Program Is Definitely Decided On by AAA for 1935

1932-33 BASE TO BE USED

COLLEGE STATION—"A corn hog program for 1935 has been definitely decided upon by the Agricultural Administration, and the contract and other forms are being prepared now," according to E. M. Regenbrecht, Extension swine husbandman. "Farmers will be invited to sign these contracts either late in December of this year or early in January 1935.

"The 1932-1933 base already established will be used again in carrying out both the programs. Farmers will be permitted to produce hogs up to 90 per cent of the established base, and benefit payments will be figured at \$15 per head for the 10 per cent not produced. Another feature of the 1935 hog program is that it permits the unrestricted purchase of feeder pigs by contract signers from contract signers.

"An outstanding feature of the 1935 corn program lies in the fact that the exact amount produced is optional with the farmer within the limits of 70 per cent to 90 per cent of the established base. Benefit payments will be made at the rate of 35 cents per bushel on the appraised and adjusted yield.

"Regulations as to what contract signers may plant on all land kept out of corn production will be liberal. The only restriction is that they may not increase the amount of land planned to any other base commodity. "Exact details of the corn and hog programs are not yet available, but it is hoped that they will be announced some time within the next 30 days," Mr. Regenbrecht said.

The Great Smoky Mountains National Park has a tame eagle which, after being released from captivity, continues to come home for food and eats from a ranger's hand.

It is expected that the service will continue to be first class as it has always been.

Thanksgiving Turkey Market Is Poor With Xmas Outlook Better

INFERIOR BIRDS OFFERED

The Gatesville and Coryell county's turkey market proved very poor for the Thanksgiving rush according to local produce houses. Reason for this is the poor grade birds offered. They were small, and poor principally and the grade was unusually off color.

Approximately five carloads have been handled by all the produce markets here, and a larger and better selection of turkeys are expected for the Christmas rush beginning around December fifth.

RAILWAY EXPRESS OFFICIALS VISIT IN GATESVILLE

Superintendent G. L. Reed, of Houston, together with Route Agent R. G. Love, of Waco, officials of the American Railway Express Company were official visitors to Gatesville Saturday.

The Express executives called upon C. E. Gandy, local manager, who incidentally has held his present position in an efficient manner for the past 23 years.

The visitors were highly pleased with the general conditions in this section and were high in their praise of Mr. Gandy, as a representative of the company.

BRINGS IN FIRST KILL OF DEER SEASON

Seaborn Ashby has the distinction of bringing back the first deer this season.

The fortunate hunter returned from Llano county the latter part of last week, with a nice sized buck tied to the running board of his Ford roadster.

Other members of the hunting party who brought in deer were K. W. Ray and R. E. Ashby.

Gatesville High Gets Well Earned Victory Over Bruceville-Eddy

HAIR SCORES IN 3RD PERIOD

The Gatesville Hornets won a well earned victory when they blanked the Bruceville-Eddy eleven on the local gridiron last Friday afternoon after scoring a lone touchdown in the third quarter.

Playing on even terms during the first two periods of the game, neither team was able to profit by their opportunities to score. Fumbles were frequent for the locals yet on the defense the Hornets several times broke through the visitors' line to throw the Bruceville backs for losses.

Early in the third quarter, with the ball in possession of the Hornets, Bauman, playing the fullback position tossed a neat pass over the linesmen to Hair, who evaded two would be tacklers and behind perfect blocking raced thirty yards up the sideline for a touchdown. Bauman's boot for the extra point was blocked.

A few minutes later, with the ball in possession of the visitors in mid-field, it was Bauman who intercepted a Bruceville pass and sprinted up the field ahead of several Bruceville men for what appeared to be a touchdown but the ball was called back when a Gatesville linesman was declared offside.

Coach Ewing started his bulwark backfield composed of Powell, Chamlee, Scott and Bauman.

GET ARKANSAS CONTRACT

The Barker Construction Company, which recently completed their work on Highway 7 from Gatesville extending five miles east, was the lowest bidder on a Missouri-Pacific Railway right-of-way job in Arkansas. Work will begin December 15.

Gym Serving Its Purpose ---Basketball Fans Opine

The new high school gymnasium, at Gatesville, has already served its purpose, according to the consensus of opinion, and if the crowds attending the games under the new roof are any indication.

Under the management of Sup't Williams the use of the Auditorium-Gymnasium is open for the presentation of worthy and acceptable entertainment. Basketball thus far seems to hold the spot-light of interest.

With the organization of a local Commercial Basketball League and the keen rivalry existing between the many schools over the county, large crowds are in regular attendance

practically every night for the sporting competition. Besides the two nights set aside for League games, community and school teams are taking advantage of the open dates to accustom their respective teams with the indoor court and at the same time provide entertainment for their spectator followers.

At a later date the new building will be officially opened with a program of various activities. In the meantime the stage will be equipped by the Gatesville Little Theater, local dramatic organization. This will provide another outlet for community entertainment in the form of platform productions.

Pledge

I will think—talk—write . . . Texas Centennial in 1936! This is to be my celebration. In its achievement—I may give free play to my patriotic love for Texas' heroic past; my confidence in its glories that are to be.

LET'S PASS AROUND THE HONOR

(From McKinney Daily Courier-Gazette)

North Texas feels very emphatically that it should have recognition when the time next comes for selecting a member of the Highway Commission. This area has never been so recognized during the entire life of the Highway Commission. It is true that the three members composing the body should be men of state-wide, patriotic vision with a will and sense of impartial judgment to deal with every section of this great state with uniform and unbiased fairness. But, the office, to a certain extent, should be rotated, sooner or later, so that no section—North Texas, South Texas, East Texas, West Texas, nor Central Texas—can say that it has been discriminated against, either purposely or inadvertently. North Texas proposes a man in the person of F. Dudley Perkins, who is admirably qualified and suited for the honor and McKinney and Collin county are presenting his application for appointment by the Governor when a place on the Commission becomes open. He is well educated, a graduate engineer, an experienced road construction engineer in building and a man of decision as an executive. Along with these qualifications his integrity of character and attributes of geniality stamp him as a most engaging personality with whom the public likes to deal. Mr. Perkins, not only has the backing of his home city and county and section of the state, but also has many advocates from Central and South Texas as well as other parts of the state, who believe that he could and would fill the bill most acceptably and creditable to the entire state if he were appointed. These editors and papers are one hundred per cent for his selection for the place when the time comes again for the Governor to name another Highway Commissioner.

North Texas apparently is making a strong bid for recognition in state highway matters and if Central Texas would line up with the next newly appointed commissioner this section would stand a much better chance of getting a share of good roads which other parts of the state are already enjoying. Coryell county has a friend in the person of Judge Ely, member of the Highway Commission. If we can have a part in the support of the next appointed commissioner we can materially strengthen our highway connections and eventually get the hard surfaced thoroughfares which are so badly needed in this vicinity. Local officials have exerted every effort to accomplish this end but what we need is a "pull" higher up the line. We agree with the McKinney newspaper. The job of directing the highway affairs of Texas should be rotated so that no one particular section of the state will be slighted as roads are constructed from time to time. This newspaper is not fostering the cause of the gentleman from North Texas but we should give support to someone who will in turn allow Coryell county due patronage after the appointment is made by the Governor. As far as residence is concerned it might be wise to support someone nearer Central Texas, but the truth is that our support should go with the man who is likely to receive the next highway appointment.

World Comment

By JOE BURNS

CONGRESSMAN MARVIN JONES of Amarillo has graciously withdrawn from the race for Speaker of the House in favor of his fellow Texan, Sam Rayburn. Although Jones had not actually announced as a candidate, he was considered as tentatively in the race. As a result of his withdrawal, Mr. Rayburn, who hails from Bonham, will have the united support of the twenty-one members comprising the Texas delegation. Although a Southerner, Rayburn has a splendid chance of being chosen at the January caucus of the Democratic members in the House. He is now in Washington conducting his campaign and it is being whispered that high-ups in the Administration favor his election.

THE "BIG BLACK WOLF" is again menacing France. Adolph Hitler's Nazi air-fleet is supposed to be excluding the sun from German soil, so great are its numbers, according to the French premier. Recent information, so asserts the French War Department, is of the effect that Germany has factories capable of producing thirty planes a day. For years the French cabinets have used German bug-a-boos to insure domestic stability and French War Departments capitalize German war scares by demanding larger appropriations for their department. Perhaps we should say, such is statesmanship.

OUR GOVERNOR-ELECT is now being harrassed by office seekers—but that is nothing new or newsy. Jimmie is going to have to pay the price of his election as all other successful gubernatorial aspirants have. Overzealous lieutenants frequently promise jobs in hard-pressed campaigns when there are none. Two years ago poor old Jim Ferguson so exasperated with the crowd outside the Governor's chambers that he literally drove them away—and doubtless lost some worthy and deserving supporters. Allred will probably have some choice positions to hand his lieutenants however, as on all the state boards of appointment there will be a Sterling appointee, a Ferguson, and an Allred man. The Sterling officials will probably work with Allred out of mutual hate of the Fergusons and will be able to parcel out the good jobs as they wish.

NEWS BEHIND THE NEWS—sounds like Paul Mallon—says that the News Dealers are already day-dreaming about 1936. The way they figure it out, Mr. Roosevelt can not lose. Their idea is to get to work on Maine early. They want to run their popular Democratic Governor Brann against Republican Senator Wallace White. If Brann defeats White they would steal the old, inaccurate Republican slogan, "As Maine goes, so goes the Nation."

LEGISLATURE'S DUTY IS TOLD BY EDITOR

The Kaufman Herald discusses the legislature's duty toward the Centennial as follows: "That the State should share in the cost of the celebration is quite apparent. With the State co-operating the possibility of a \$5,000,000 federal grant is good. The Texas Centennial

must be the greatest show on the North American continent in 1936. It must be worthy of an attendance of 20,000,000 persons."

Peabody School News

Editor in Chief—Floyd Meriott
 Assist. Editor—Rose Taylor
 Classic Reporter—John Conner
 Sport Reporter—Clyde Butler
 Social Reporter—Rose Taylor
 Sponsors—The Faculty

We had the entertainment Saturday night as planned. The High School pupils opened the play with the National song. There was a drill by the primary pupils.

The story of our nation was read by Wyana Littlefield. Other readings were given. Several from the Bible were read by Mr. Gowen.

Following the program the congregation was served hot chocolate and cakes.

The meeting was closed by a song presented by the Upton girls.

Sports

The Junior boys are still practicing basket ball. The game at Unity last Friday was 18-13 in our favor. This was our first game to play and we think we have a good team. Our high point man was (Long John) or John H. Conner.

(Intended for Friday)

The "Klek Klub" (Clique Club) met Friday morning, November 2. We all joined in a group song. After the song we were entertained by the following:

- A talk by Mr. Gowen.
- A song by Eugene Butler.
- A reading by Roberta Conner.
- A song by Eugene Tabors.

After all the readings and talks we then elected two new officers to fill the place of those that resigned.

There is to be an entertainment at Peabody School Saturday night, November 10. This entertainment is to be held in celebration of the 11th of November (Armistice Day). There will be a soldier drill put on by Miss Margie Upton's pupils. The High School Department will have readings and talks given by the History Club.

Social Report

A spookey Hallowe'en party was held at Peabody on the night of October 31. There was a large crowd and all had a real good time. The entertainment was opened with "Blue beard's Room." There we beheld the ghostly sight of Blue beard and his disengaged wives. After having gone through this place we gathered back to the main room. Here we found a negro woman, a witch, and others in costumes who entertained us with their clever acting, after which we choose partners and played games. After the games we then visited the "Kat Kafe" and the fortune teller.

Sports

The Jr. boys have improved some in basketball, but we will have to do better before we can think of matching a game. We have ordered a Tennis net, rackets, baseballs, bats and most all the equipment that we have any need of. We are planning on playing the best team in the county before long so if you fellows think you are good you had better get busy and go to work for we sure will make things pop when O. Q. Chambers wraps his legs around you about

three times in the same place. Our motto is—"To win with out crowing, or to lose with out croaking."

Antelope School News

November the 9th. was Carnival night at Antelope School. Several booths were located at various places in the school building. The booths were: a Fish Pond, a "Real" Fortune Teller, a Country Store, and Ice Cream Stand, and a coffee stand where the 4-C's could be bought, namely, Coffee, Chile, Cocoa and Cake.

Neighboring business firms donated the things used in the Country Store. The store was a "Knock Out."

We take this opportunity to express our sincere appreciation for the donations.

A short play was staged with Sambo as leading character. The play was a "Howling Success."

Miss Gilbreth, our music teacher, was present with her orchestra. They showed us how to make music.

The Carnival was voted a great success when we found that \$44.37 had been collected to buy basket ball supplies for the school boys and girls and also for the "outsiders," who did their part to help make the Carnival a success.

—Contributed.

RACE TRACK INTERESTS OFFER CO-OPERATION

Texas race tracks were the only industry in Texas to offer a part of their gross receipts to help defray the expenses of the Texas Centennial, according to reports from Austin. The omnibus bill providing for taxes to pay the Centennial bonds, provided for a fifteen per cent "take" on mutuels in Texas race tracks, which would not have affected the present income of the tracks.

Seeing the curtailment of wagering in the event that this should come about, officials of the track proposed that instead of this tax the "take" should remain the same and the tracks be taxed five per cent of their gross income on the mutuels and ten per cent of the gate income.

This tax would provide almost \$600,000 income for the Centennial Bonds within the next two years.

"We felt that we being a rather small and new industry in Texas," one official who attended the meeting said, "that in providing almost 20 per cent of the total needed from the state that we are doing our part and are very happy to help the Centennial Exposition."

Change Made in County Tax Official's Offices

"Receiving Counter" of the new altered Tax Assessor-Collector's office will be in the old Collectors office next to the County Treasurer's office, according to Mr. Culberson. Tax Assessor-Collector elect.

Also the interior is to be completely refinished, and other changes made including a change in the equipment used. The small office in the rear of the Assessors office is to be used for a private office for Mr. Culberson.

Passage to and from the two offices has been made possible by means of a large opening cut in the original wall between the offices. The Assessors office will be used for a "work room" and business will be transacted mainly in the old Collectors room. On the south side of the Court House a new door has been added for the convenience of the public.

Temporary working office is in the Treasurer's office across the hall, but on completion of the alterations all Assessors-Collectors work will be handled in the new office.

69**"84" Club Party
At State School.**

Members and guests of the "84" club at the State School enjoyed a no-host party last Friday evening in the White Dining Hall.

Four Tables were arranged and a series of games were played by those present.

Members of the club are entertained with a party twice a month.

**Merry Wives Club
Party Last Week.**

Complimenting members of the Merry Wives Club, Mrs. O. G. Gilder entertained with two tables of "84" at her pretty home last Wednesday afternoon.

Chrysanthemums and autumn leaves adorned the rooms in which games were played and refreshments served.

The hostess passed a salad plate to the guests at the conclusion of the party.

**Miss Francis Austin
Entertains Club.**

Last Friday evening Miss Francis Austin was hostess to the Friday night Bridge Club at her home at 1407 E. Leon Street.

A delicious and appetizing dinner was served in two courses from individual tables laid with yellow covers centered with bouquets of yellow button chrysanthemums.

Following the supper a series of bridge was played at which Miss Mary Routh made high score and Miss Thelma McGilvray held second high score. Mrs. Jim Watkins of Llano was awarded a lovely guest prize.

Other members and guests present were Misses Mary Brown, Maude Alyce Painter, Mamie Sue Halbrook, Ila Faye Selby, Laura Pearson, Villa Holmes, Bess Holmes, Lorene Moon, Vera Cayce, Truie Pearl McGilvray, Gladys Martin, Edna Murray, Evelyn Knight, Katherine Gordon, Mesdames Ayres Compton, Lee Colwick and Bob Saunders.

**Book Club Party
Enjoyed.**

Mrs. Clay Stinnett opened her hospitable home to Book Club members and guests last Friday afternoon at 3:00 p. m.

Bridge games terminated with Mrs. B. B. Garrett winning high score and was awarded guest prize.

A pretty refreshment plate consisting of cocoanut squares and orange pudding was served to the following: Mrs. Francis Caruth, Mrs. Robt. W. Brown, Mrs. Paul Martin, Mrs. R. Thomas, Mrs. Frank Battle, Mrs. Clifford Adams, Mrs. B. B. Garrett, Mrs. F. W. Straw, Mrs. Ira Glass, Mrs. H. R. Saunders, Mrs. Rufe Brown and Mrs. Will Powell.

**Coryell City Club
And Achievement Day.**

The ladies of the home demonstration club met with Mrs. Copeland last Thursday afternoon.

The afternoon was made profitable by hemming quilts, and

during the brief business session plans were made for achievement day.

The club will have achievement day on Thursday afternoon, November 22, at the home of Mrs. Jake Hodel.

The program will begin at 2:00 o'clock p. m., and every one has a cordial invitation to attend.

**Domestic Clubs Plan
Joint Function.**

Carden and Fort Gates Domestic club announce they are to have Achievement day, Wednesday, November 21, at the home of Pantry Demonstrator, Mrs. J. H. Malon.

All County Demonstration officials are invited, including the Pantry and Clothing Demonstrators of the various clubs.

The two High School Demonstration classes, taught by Miss

Robinson, Home Demonstration teacher are also invited to be present.

Hours of this meeting are 2:00 to 5:00 in the afternoon.

**Blue Bird Sewing
Club Meets.**

Mrs. Felix Collard and daughter entertained the Blue Bird sewing club with an all day quilting last Thursday, November 8th. The club members presented Mrs. Collard and Elouise two beautiful quilts at the meeting.

Those present were: Mrs. Wess Davis, Mrs. Sam Jones, Mrs. Jess Jackson, Mrs. Ed. Blevins, Mrs. Travis Vandiver, Mrs. Bloomer McMullen, Mrs. Homer Vandiver, Mrs. Edgar M. Ferrill, Mrs. Dave Vandiver, Mrs. P. W. Layne, Mrs. Will Walker, Miss Kathlyne Vandiver, Mrs. Charles Vandiver and Mrs. Trudie Vandiver.

**FROM THE NOTEBOOK
OF MISS MARTIN**

"My canned products are so much more easily located since I have arranged my pantry," said Mrs. George Dollins, pantry demonstrator of the Prairie View home demonstration club.

Mrs. Dollins has a new pantry built from the floor to the ceiling in her dining room. It has nine shelves five feet long in it, besides a place for storing her pressure cooker and dried vegetables. The pantry is made from panel board that has been stained and varnished; and the inside is painted a cream color. The shelves are 100 inches apart. The cost of the pantry was twelve dollars, including labor. Mrs. Dollins has canned 456 containers since Jan. 1, and these include 35 varieties.

The Centennial will not Cost... IT WILL PAY

The Texas Centennial Commission has said that it contemplates a self-liquidating celebration. It has given positive assurance to the people of Texas that it will not involve any increased taxation. The Centennial is the biggest job proposed for Texans since wresting its liberty from foreign despotism. Texans in all the past have liked big jobs. The Commission is relying upon that old Texas spirit as enunciated by Col. Travis, "Victory or Death," to make sentiment unanimous for celebration of its historic birthday in 1936. Every Texan now is challenged. For a century of trial and triumph every Texan has stood in solid phalanx. Every challenge has been accepted. No greater work was ever presented a Texan, native-born or adopted, than that presented by the plan for the Texas Centennial.

PRESS SERVICES AID PRESS CAMPAIGN

The Associated Press, the United Press and the International News Service are giving the Texas Centennial Educational Bureau unstinted cooperation in the present fight for the Texas Centennial.

As an example these press agencies sent to all their Texas members the following story last Saturday:

"Texas Centennial Educational Bureau of the Texas Press Association, authorized at the state convention last June, is opening offices to day in Dallas. Austin bureau will be in charge of Ray H. Nichols, publisher of the Vernon Daily Record, assisted by Sam Fore, Jr., of Floresville, and Henry Edwards of Tyler, another well known Texas newspaper man. These bureaus will operate under the direction of Lowry Martin of Corsicana who is General Chairman of the Texas Centennial Educational Bureau of the Texas Press Association. These Bureaus will furnish news of the daily progress of the Centennial movement to be published in newspapers, both daily and weekly throughout Texas."

REMEMBER SLOGAN

Think—Talk—Write Centennial in 1936—remember this slogan and live up to it. Only by doing your part in this celebration will it be put over in a manner befitting the greatest State whose anniversary it commemorates.

NEW KILLEEN POSTMASTER APPOINTED

Clarence Wood received a message Tuesday from Congressman O. H. Cross, who is in Washington at present, informing him that he had been recommended for appointment as post-

master for Killeen. No other word has been received and it is not known when Mr. Wood will receive his commission and take charge of the local office though it is thought that in all probability it will be near the first of the year.—Killen Herald.

MORTON SCOTT HOUSE FURNISHER

ON TEXAS FARMS

Minnie Fisher Cunningham
Extension Service Editor
A. & M. College

A specially prepared bed in which she systematically roots cuttings; the use of native shrubs; a definite plan for landscaping the farmstead; and the expenditure of \$3 together with some sure enough work has given Mrs. B. F. Curry, home demonstration club member of Matagorda county a lovely yard.

From Brazos county this story of improved farm conditions—a farmer leaning against a bank building said to C. L. Beason, "County agent, I have been owing this bank five years and this is the first fall I've been able to pay out."

When asked what he thought about the government cotton adjustment program, J. B. Anderson operating a 1200 acre farm west of Brookshire in Waller county answered, "I have 11 tenants on the farm and every one of them has paid up in full this fall and is out of debt, and I give the cotton control program credit for the improved conditions and financial circumstances of the tenants on my farm as well as myself."

From ten cents worth of pecans planted by Mrs. Will Mattingley, member of the Tarzan Home Demonstration Club in Martin county, 61 little pecans will be set beside the surface tank at the Mattingley home, as shade for the fish that are in the tank. Plums and peaches, from seed, are growing by the pecans in the plant bed. Eleven grape vines are already started from cuttings this year.

Kingsville—Terrace lines have been run on a 30 acre hill side field on the King Ranch in Kleberg county, according to W. L. Wilkinson, farm demonstration agent, and the terraces will be built as soon as the grader and tractor belonging to the ranch are available for that purpose. Robert J. Kleberg Jr. found that a field of Rhodes grass on the hill side was not doing so well because the slope was so steep that the rains were washing the soil away from the roots. He decided that the field should be terraced to prevent this, to conserve the moisture, and to bring the production up to an equal with that of the fields having a heavier soil and more level slopes, so he secured the help of the agent to run the terrace lines.

Edna—Good farming practices go a long way toward off-setting adverse conditions such as the drouth, in the opinion of Charles Brandes, Jackson county farmer. Mr. Brandes made an average yield of 30 bushels of corn per acre over his entire corn acreage this year, according to D. I. Dudley, farm demonstration agent. He plants his corn in seven foot rows with a row of peas in the middle, but he attributes his success this year to proper seed bed preparations and thinning the corn to 30 inches or more in the drill.

Angleton—A two year old improved pasture seeded to dallis grass, carpet grass, lespedeza, white Dutch clover, and California burr clover mowed twice a year has carried an average of one and one-fourth head of grown stock per acre from March to October this year on the Barnes farm near Angleton, according to J. H. Sandlin, farm demonstration agent. In several places the dallis grass and carpet grass were so tall that the mower topped them in September when the second weed cutting was taking place.

Wheeler—Not only did Joy Bill Riley of the Briscoe 4-H club in Wheeler county plant a spring and fall garden, but she also canned 211 quarts of five varieties of foods this year and set out 20 trees, 100 berry vines, and 300 grape vines, according to Miss Viola Jones, home demonstration agent. Joy Bill did not sell any vegetables, but she sold 55 gallons of berries and work has meant so much to me, made a profit of \$11. "Club I have learned to can, to sew, to cook, and to do many other interesting things," Joy Bill says.

Brownsville—A smooth even carpet grass lawn in the place of a spotty one of Bermuda has been achieved by Mrs. Renus Snavely of Cameron county during the past year, according to Miss Dorothy Porter, home demonstration agent.

The Bermuda grass was a poor quality volunteer grass that would not cover the area under the trees as was desired. Without removing the existing Bermuda, runners of carpet grass were laid and covered with about one inch of soil. This was kept well watered for several weeks. It was weeded by hand several times and was mowed frequently. The front lawn is now completely grassed over.

Houston—Twenty-seven varieties of vegetables are growing in the fall garden of Miss Katie Koimn of the Aldine Home Demonstration Club in Harris county, according to Miss Helen Cowan, home demonstration agent. Miss Koimn had never had a garden before, but in March she fenced in a plot 165 by 100 feet, hauled 11 truck loads of soil, made a garden plan and planted her vegetables. During the summer Miss Koimn harvested 817 pound of vegetables valued at \$40.85. The cost of the garden was \$4.50.

SporTalk

By TEDDY

The Gatesville Hornets turned back the Bruceville-Eddy club Friday afternoon on the local gridiron 6-0. Coach Ewine has found a combination that will place plenty of man power in the Hornet back field, but will have to play Sonny Hair, diminutive quarter back, to do the head work for the club.

We appreciate the many compliments passed on this column in regard to the dope of last Friday's game. This writer doped the Hornets to win by a touchdown, and they did.

More interest has been created in the Commercial Basket Ball League since the City teams have improved to some extent. Thursday night the Merchants went down in defeat by the Jonesboro club led by Weaver. Levita managed to shut out the Conoco team by a one-point margin, while the Bachelors surprised the spectators by taking an overwhelming victory from Leon Junction.

SCHEDULE

Thursday, Nov. 22

- (1) Round Table vs. Jonesboro
- (2) Leon Junction vs. Conoco
- (3) Levita vs. Merchants

Thursday—Jonesboro will defeat the Bachelors, but will have trouble.

The Oilers will defeat the Junction by a narrow margin.

Levita will prove to much for the Merchants.

TEAM STANDING

Team	won	lost	pct.
Leon Junction	2	1	.666
Levita	2	1	.666
Jonesboro	2	1	.666
