BANKERS ATTEND 54TH ANNUAL CONVENTION IN FT. WORTH

Lewis Holmes and Andrew Kendrick, as representatives of the National Bank of Gatesville and the Guaranty Bank and Trust Co. and Mr. and Mrs. Guy Draper of Oglesby, representing the First National Bank there were in attendance at the 54th Annual Convention of the Texas' Association in Ft. Worth Tuesday and Wednesday of this week.

Mr. Kendrick reports a very instructive meeting of the bankers, and one that does not have the usual "conventional" good time.

TOM V. FREEMAN SLINGS BEAVER IN POT: CONSTABLE

TO THE VOTERS OF PRECINCT ONE:

In announcing my candidacy for the office of Constable, Precinct one, I do so with the feeling that I am qualified to perform the duties of this office in a fair and impartial manner, and will appreciate the support and influence of all my friends. And promise when elected I will serve the people to the best of my ability.

I believe the experience I have had in various lines of work for the past ten years will be of great value to me in discharging the duties of this office. If I do not see each of you before July 23, I hope you will consider this a personal solicitation for your vote and influence.

Again thanking you, I am Respectfully yours Tom V. Freeman (political adv.)

RAIN IS "BY THE YARD" BUT PHOTO FANS STILL GO

Pictures continue to come in, somewhat slowly, but still coming, denoting that the Candid Camera Contest is still going on and will, just as soon as we have as many as three consecutive sunny days.

That's what we call Interest! Everybody seems to be squawking about the rain but the photo fans, but they run out and grab a shot between showers and here they come in with them and enter them in the contest sponsored by none other than Flentge Koen and Foster, Gatesville and City Drugs and Mayes Studio and Radio Shop, aided and abetted by "us truly".

You just wait and see, we are still going to have a big lot of fun in this contest yet.

JACK REESING ELECTED VICE-PRESIDENT OF BAYLOR CLUB

Officers were recently elected to lead the Classical club during the fall term at Baylor University and Jack Reesing, freshman student at the University was elected vice-president.

Jack is the son of Mr. and Mrs. John P. Reesing of Gatesville. His name has appeared a number of times in this paper, being a popular student in his school as well as outstanding as an honor student.

More than a fourth of Scotland's workers are in the ship building, textile, iron and steel industries.

PURMELA SCHOOL CLOSING WITH VARIOUS EXERCISES

Beginning Wednesday night of next week closing exercises of Purmela schools will start with a program consisting of an operetta "The Wedding of the Flowers" and a one act play, "Monkey Shines in the Doctors Office".

Thursday evening graduation exercises will be held for the seventh and ninth grades. Saturday following, a picnic with basket lunch will be held, the morning session open to candidates at eleven o'clock. Following an afternoon of varied sports and other events at 8 p. m. the play "The Meddlesome Maid" will be presented.

Students of the primary grades had a picnic at Cravy Crossing May 5, Mrs. A. R. Pointer and Mrs. C. O. Huckabee in charge. Following the basket lunch, the afternoon was spent in fishing swimming and playing. Also, ice cream was served in the afternoon the children then returned home by bus.

High school student honored Supt. A. R. Pointer with a birthday party the 9th and the morning was spent in playing games. Following this ice cream and cake was served to the 35 present. After a drawing, Mr. Pointer was presented with a belt in appreciation of his work at the school by the students.

A final meeting of the students association was held May 18 at which time after a short play period, Laymon Bell presented the superintendent with a "Gladstone Bag" in consideration for the loyal service he has given the association, climaxing one of the most successful years of the association.

Re-election of the faculty by the school board shows C. O. Huckabee, Supt. Mr. Pointer

PEARL "SCHOOL OUT" IS WELL ATTENDED BY GATESVILLEITES

Gatesville moved to Pearl Wednesday!

Anyway, that's what was thought when a list of those who went out to Pearl was received.

There was our first 6-man football game between Pearl and Turnersville with "Prancing" Jack Petty showing any number of heels to the Turnersville boys, whose stars were Sutherland and Vandiver. As it was a "demonstration" and "sold-out" sold to all those who saw it, the score didn't count, but for the statistically minded it was lopsided in Petty and Co.'s favor.

Eats, was the main diversion divulged in by both candidates and "tired business men" of Gatesville, and there were many a tight belt by the time the afternoon band concert began by the GHS Band with "D. W." in charge. Back to the eats, we didn't meet the cooks, and don't who's we ate but those folks don't need any cooking schools.

Candidates spoke following the concert, and then, there were two baseball games and a play Wednesday night, and again Thursday night.

Gatesville folks, besides the candidates who enjoyed the day were: C. E. Alvis, Dr. K. R. Jones, Elland Lovejoy, W. Mat Jones, Mr. and Mrs. Guy Powell, R. B. Foster, C. H. Wallace, Chas. Kemp, Slim Brink, W. T. Hix, Frank Farquhar, Morton Scott, Dr. and Mrs. H. M. Haynes, and E. G. Beerwinkle.

We liked it! Just show us another "school-out".

having resigned. Other teachers are Mrs. A. R. Pointer and Mrs. C. O. Huckabee.

Rodeo Headlines All Events Between Now and June 3-4 "We're Off"

Reverting to the ancients, pioneers to us, will be the situation here in Gatesville June 3-4 when Gatesville's Rodeo and Frontier Celebration gets underway.

It will be revived first with the mammoth parade which will include frontiersmen, ox-wagons covered wagons, Indians and everything it takes to create an atmosphere of yesterday, reviving the time when hardships were paramount in the south west. Pioneers blazed new trails drove cattle to midwestern markets cowboy, keeping close tab on the herd, Gathering from ranches, the boys, for recreation would compete in rodeos similar to that to be presented in Gatesville June 3-4.

Call is Made for Vehicles

Committeemen Jack Roach and Elland Lovejoy are calling for horses and buggies or surreys to be entered in the parade. These vehicles, which are almost extinct at this time, are wanted for the parade.

Also, Shetland ponies, trained steers or other novelties which would make attractive or different displays in the parade.

Antique automobiles (old models) curios, floats and any other entries are subject to competition in the \$10.00 prize for the community float. Additional prizes are offered for the 2nd and 3rd. Plenty of space for 500 riders will be available.

COOKING SCHOOL AT PALACE DRAWS 'COOKS'

Cooks gathered at the Palace Theatre to see the motion picture version of what has been called drugery, but which, according to "Star in My Kitchen" isn't.

Prizes have been offered each day and the ladies have been treated each day and the ladies have been treated royally. One more day will end the show. It is sponsored by local merchants and manufactures of nationally advertised products.

Incidentally, today is the last day to see "Gatesville on Parade" home talent film.

Ell Williamson is on the sick list this week.

Closing Events of '37-'38 Hi School Year Begin Sunday With Baccalaureate

Sunday morning at 11 o'clock in the City Hall Auditorium, the Graduating class of Gatesville High School will have their Baccalaureate Sermon delivered to them by Rev. C. M. Spaulding pastor of the First Baptist Church of Gatesville with the Rev. L. W. Seymour, pastor of the First Methodist church in charge of the service.

The 85 members of the class of '38 will be in their caps and gowns for the occasion, and of

course all Gatesville and surrounding country will turn out for this great event.

Next, or final, in the events for the class of '38 will be the Commencement Exercises which will be held in the gymnasium Friday evening, May 27, at which time Dr. J. C. McElhannon will deliver the Commencement address. Dr. McElhannon is on the faculty of Baylor University. Announcement of the program for this occasion will be made at a later issue of the News.

WONDER WHERE Y'CAN GET WONDER BERRIES SEE WANT ADS

Miss Information gave us the idea the berry season was about over, but the wonder of it all, was she didn't think about the Wonder or Wunder Berries (Black Varieties) that are just coming in.

Yes, contrary to our recent story, there are still plenty of berries in many of the patches nearabouts and, in fact, these Wonders are just now taking on that delicious black color.

Two political events of the past week may play a vital role in determining the outcome of the Texas gubernatorial campaign.

Speculation is currently centering around the possible effect the candidacy of Vernest O. Thompson may have on Col. Ernest O. Thompson's chances of being nominated.

Vernest O. Thompson, Dallas filling station employee announced for governor as the candidate of the independent oil men of East Texas.

Ernest Wright, Gladewater oil

operator was named Thompson's campaign manager. The statement announcing the candidacy said he favors continuing control of oil production adjustment and corrections in the old-age pension administration and is for organized labor regulation of utility rates and less governmental interference with business.

Second significant event of the week was the announcement as a candidate for governor of James A. Ferguson Belton farmer and real estate man.

Ferguson, a first cousin of former Governor James E. Ferguson has held only one public office, that of president and trustee of a Belton School Board. He was a lecturer for the Farmers' Alliance when that organization was active a number of years ago, and that work furnished his only experience as a public speaker.

Ferguson's announcement raised the question as to whether the followers of the two former Ferguson governors would rally to James A. Ferguson's banner in his fight to capture the toga of Texas' chief executive. His name will go on ticket differing from that of James E. Ferguson.

MRS. SARAH ELIZABETH MICHAEL

On Monday about noon Mrs. Sarah Elizabeth Michael quietly passed away at her home where she had lived since 1919. At the time of her death one of her daughters, Mrs. Robert Oldham and children, Betty Lee and Billy were living with her. Mrs. Michael of her death one of her home for over a year and had been seriously ill for several weeks.

Mrs. Michael was a native Texas and had lived in Coryell County most of her life coming to Gatesville from near Evant where she had lived since early in life. She was born in November 1857; was eighty one years of age and during all the years she had lived a noble christian life; her many virtues being admired by all those who knew her. Mrs. Michael was an orphan; her parents had died when she was very young. Long before her death she was the only member of her family, her husband, brothers and sisters having preceded her in death a number of years. She became a member of the Baptist Church when very young and thru her entire life remained a sweet devoted christian.

Funeral services were conducted Tuesday afternoon at 2:00 o'clock.

Rev. A Loper of the State Training school conducted the final rites in the First Baptist church, and interment was in the city cemetery. Pall bearers were her grandsons namely, Fred Grub Benard Angerman, Floyd Barkley, Pat Patterson, Willie Jones and Robert Oldham.

She is survived by her six children: Mrs. Robert Oldham and Mrs. L. A. Preston of Gatesville, Mrs. Blair of Denton; Mrs. Charlie Barkley of Evant; Buck Michael of near Evant and John Michael of Ft. Sumner, N. M. All were present for the funeral except one son, John, who was ill.

Bride and bridegroom must be smoked in Sandalwood, massaged in coconut oil, and then visit the king together before they can set up housekeeping in the Marquesas, an island in the South Seas.

World Comment—

guson only in the middle initial and his county, Bell, will be the same placed on the ticket in 1914 and 1916 when "Farmer Jim" was a candidate.

J. E. Hair, San Antonio attorney, who will manage Ferguson's campaign, said Ferguson did not consult his cousin the former governor, and that James E. Ferguson did not know that he planned to enter the governor's race.

Ferguson presented a brief seven plank platform in announcing for governor. First he listed a demand for home ownership for tenant farmers, saying: "The greatest security for peace and happiness is home ownership. I advocate that the State in cooperation with the Federal government, sell tenant farmers homes on terms of forty years at one per cent interest."

The rest of his platform follows:

Abolition of all useless boards and offices, effecting a saving of more than \$5,000,000 a year.

Tax reduction of 25 per cent. Confiscation by taxation should stop. A saving of \$20,000,000.

The welfare of our laboring masses should receive first assistance and consideration of our State government.

The full payment of all pensions to all over 65 years of age qualified under the Constitution and paid without red tape.

That the insane be taken from our jails and that the constitutional provisions as to the blind and helpless children be carried out.

A free overnment must be restored to the people; any further invasion of their liberties or confiscation of their properties must be resisted unto death; in other words, an old time Democrat believing in local self government.

This Week In Oglesby

We are still in the Newspaper business. Since Mr. Powers, of Granbury, has purchased the Oglesby Outlook, and will in the not distant future assume management, we have realigned our Journalistic efforts with The Coryell County News, and will try to give you a complete county and local service for the same price you had been paying for local service, \$1 per year. We want your personal items and your commercial printing, and your advertising, in fact anything you have in printing, or news will be appreciated. You treated us very nice while we were with the Outlook and are going to try to merit that same treatment since we have gone to the Coryell County News.

Rev. Henry Ford, of West Texas, was here a short time. Henry was on his way to Eagle Springs to visit his mother Mrs. Ford, who resides there at the old Ford homestead, and who is quite sick at this writing.

S. T. Kinslow and Frank Simmons were shooting around Crawford and McGregor one day. Earl Huddleston, E. P. Abel and son, Dale, were Stephenville visitors Thursday. Alex Baker attended the Hardware and Impiment Dealers Association at Waco last week. T. R. Bannister and Eugene Simmons were in Gatesville. Ben Pate of Leon County was a caller to see his old friend W. L. Wornick, whom he had not seen for many years.

Rev. Carrol Chadwick and J. M. Dixon attended the White Hall school closing. Mr. Dixon was also building political fences.

Saturday W. F. Walker Jr. showed us an old \$2 bill 'big size' it was so large it reminded us of the proverbial 'bat wing' we used to hear talked of.

SEVERS-THOMPSON PROGRAM AT OGLESBY

Friday night a most entertaining program was rendered by the combined classes of Miss Winnie Severs and Mrs. J. R. Thompson Mrs. Thompson's class in speech and Miss Severs' class in dancing, entertained a large audience in the High school auditorium.

According to numerous reports the numbers were exceptionally well rendered and the audience was highly pleased with the performance.

Physicians' New Charges

April 28, 1938

In a meeting held last night the undersigned Physicians of Gatesville agreed upon an altered price schedule and some changes in the general policies of handling business, the most important are listed below. These policies are prepared for publication for the information of the public and in order to create a more uniform charge for medical service. The undersigned Doctors have agreed to adhere strictly to the basic charges as given. This schedule is to be in effect beginning June 1st 1938.

CALLS WITHIN THE CITY

The charge for calls within the city will be \$3.00 straight.

COUNTRY CALLS

The charge for calls to the country surrounding Gatesville will be \$3.00 plus \$0.50 per mile for each mile from the Courthouse square after the first mile.

NIGHT CALLS

Calls received between the hours of 9:00 p. m. and 7:00 a. m. are designated as night calls and an additional charge of \$1.00 will be made on town and country calls alike received between these hours. This does not apply to maternity cases.

MATERNITY CASES

The standard charge for Maternity cases in any location will be \$30.00. This includes the usual care during the prenatal period of the uncomplicated case. This is to be cash at the time the case is concluded and should place a burden on no one since there have been several months time in which to make the necessary preparations for this payment.

OFFICE CALLS AND OFFICE HOURS

The standard charge for office calls between the hours of 7:30 a. m. and 6:00 p. m. is \$1.50 and up depending upon the nature of the case. Office calls outside the limits of these hours will carry a \$1.00 extra charge. Re-writes on prescriptions with no examination necessary will be \$1.00 during regular office hours; \$2.00 outside office hours

DISCOUNT FOR CASH

Any bill exceeding \$10.00 is subject to a 10 per cent discount for cash payment on the spot. This does not include maternity cases or special surgical procedures.

A copy of this schedule will be placed in each Doctors office and will be followed explicitly.

While both houses passed the conference report on the tax bill of 1938 thereby sending a compromise tax measure to the President, the really important debate in the House has been on the Recovery Bill. This measure was passed by the House last at 9:15 by a final vote of 329 to 70 after more than ten hours of unbroken debate. The measure had been brought out by the committee early in the week and had been discussed for several days, but all of the more important amendments were offered

yesterday. Only two of these were placed in the bill. One was an amendment by Mr. Jones of Amarillo providing that "farmers in need of work but who are not on relief rolls shall have the same eligibility for employment on public projects in rural areas as persons on such rolls". This should help many hard pressed farm families to live without going on the relief rolls. Many a farmer needs work for a few months just as badly as anyone else but if he has to get on the relief rolls to get work, it is bad for the farmer and expensive for the country.

The other amendment adopted was one by Mrs. Rankin of Mississippi which earmarked \$100,000,000 of the PWA money for the construction of rural electrification lines. This together with the regular appropriation of \$40,000,000 will for the first time provide sufficient funds to care for all pending applications for rural electrification projects. I voted for both of these amendments, both in the Committee of the Whole as well as when they got back in the House. Incidentally the vote on the Rankin amendment is a good illustration of how much more important the vote is in the Committee of the Whole than the record vote in the House. In the Committee the standing vote taken by the chairman counting those standing both for and against, was announced as 73 for and 90 against. Tellers were then demanded—you can not have a record vote or roll call in the Committee of the Whole and the amendment was carried by only 6 votes (124 to 118) but when the record vote was taken in the House that same amendment carried by a vote of 259 to 139.

Several amendments that I considered meritorious were defeated, among them one providing that when a person working for the WPA quits to accept private employment, he could return to his WPA job whenever the private employment played out. I have always felt that such a provision was only simple and justice to the worker but that at the same time, it would actually reduce the WPA rolls. As it is now a man on WPA is afraid to quit and work a few days chopping cotton, because he knows when the work plays out he has to go thru months of investigation and a maze of red tape to get back on the WPA job. If he knew he could get back without delay he would not hesitate to take the private job even for a few days. I was one of the very few members who voted for this amendment.

There was also an amendment offered to require all beneficiaries of this relief money to be American citizens—either native born or naturalized. I supported this amendment because I believe it is unfair to American citizens for our government to use relief money to support people who do not have enough interest in our country to take out naturalization papers, but the representatives of the big cities with a large foreign population defeated it.

Probably the most startling action of all was the refusal of the House to do anything toward correcting the gross injustice practiced against Southern people by the WPA in their wage scale. I realize that one can live on less money in Rosebud or Killeen, Texas than in Washington or Chicago, but the cost of living is certainly not more than 50 per cent higher in the big cities of the north than in the South. To the extent that that difference exists, it can be contended there are just grounds

for a difference in WPA wage scales, but the facts show that there is actually a difference of around 35 per cent. In other words a WPA worker in New York City gets \$72.23 per month. In explanation of this situation, Mr. Hopkins of the WPA told the Committee that "Our (WPA) wage scale is not based so much on the cost of living as it is on the standard of living". In other words not based on what we need to live on but on what somebody decides our workers' standards are. I feel that this is most unfair and I voted to correct it, but the representatives of the northern industrial states voted almost unanimously to retain this condition. Possible their action will be understood when we find that in 1937 the WPA spent \$214,560,000 in the single state of Pennsylvania, with only 9,631,350 people, and at the same time spent only \$210,750,000 or \$4,000,000 less than in all of the 11 Southern States with a total population of 28,761,024

people or three times as many people as in Penn. As finally passed, the bill carried a total appropriation of \$2,519,425,000 worth of securities. Of this sum \$1,250,000,000 is for relief work. This program if passed by the Senate should go a long way toward providing employment for our people and I voted for it.

CARD OF THANKS

We wish to express our sincere thanks to our friends who were so kind and thoughtful of us during the death of our little boy. Especially do we want to thank Dr. Kermit Jones who rendered his untiring service. We also want to thank each one who sent dinner and the beautiful flowers. May the Lord bless you is our prayer. Mr. and Mrs. John Blanchard and children. Mr. and Mrs. H. N. Brown Mr. and Mrs. Jack Blanchard.

LOCAL SENIORS ENJOY SENIOR DAY AT GLEN ROSE

Tuesday three bus loads of Seniors from the local High School enjoyed 'their day' at Glen Rose. Upon arrival some went immediately in the fine swimming pool while others went riding on horses that they were able to rent. And there was the Casino, where they could dance; also bicycle riding and many other enjoyments that monopolized the day without a dull moment for the gay bunch.

At noon they were called to the picnic lunch which consisted of all picnic dainties brought by each member of the class. After the pile of delicious food was devoured the main feature of the afternoon, according to the Seniors, was the skating rink, in which Supt. Brooks took part.

The tired yet happy bunch returned home about one o'clock each expressing what a delightful time they had.

BASEBALL CHATTER By Post

The Hornet high school outfit copped two more games this week

and will meet Flat in the League finals here at the old athletic field this afternoon. The league schedule was so poorly arranged as to give Gatesville only two home games while they were playing six games on foreign diamonds.

They knocked off Jonesboro, the No. 3, toughest team in the league, 9-4, and then went to Ireland and whipped the Cardinals' ears down 19-2. After scoring 16 runs in the fourth stanza the Hornets merely toyed with their opponents to add to the Redbirds' humiliation.

The league standing are in a mess. Your correspondent wrote to S. V. Dickerson, league head, and asked for a complete standing. The way he has the standings fixed Gatesville has won three and lost three, while according to the Hornets' scorebooks they have won six and lost two. Dickerson once declared Rutherford ineligible, but if Rutherford was ineligible, so were many other players of the teams over the circuit. No mention was made of going by interscholastic league rules when the season started, it being merely stated that in order to be eligible a player had to be enrolled and taking a course in high school. Rutherford is doing that, but when the team heads over the county saw that the Hornets were invincible behind the vetrans Rutherford's pitching, they got together and had him ruled out. If Rutherford is declared ineligible by interscholastic league rules, this writer daresays that there are at least a half dozen players scattered over the circuit who are also ineligible. Without a doubt, the Hornets have by far the best ball club in

the county, with Rutherford on the mound, and the two games when they were pated were lost with out the services of Rutherford. Schoolboy is the heart and the core of the Hornet team, and with him in the box they could give any high school team in the state a good fight.

Because we do not have on hand a complete league standing we will give you how, in our opinion, the league teams rank. (1) Gatesville, (2) State, (3) Jonesboro, (4) Flat, (5) Ireland, and (6) Turnersville.

No reports have drifted into this office as to the results of the Coryell County Sunday baseball league played last Sunday. The team managers have failed to co-operate with the secretary's office in an attempt to keep a complete league record. To get started all over again, we wish each and every manager would send us his complete team's record for the season, along with the batting averages of their team managers. Then each manager should appoint an official scorer, and entrust all these duties to him, and have him send in his reports to this office by Monday, in order that the News can give the baseball fans over the county the results of the preceding Sunday's contests.

battle Ray Copeland Dick Chandler, who won the middleweight title in the FFA-NEWS tourney, on two straight knockouts, will meet a comparatively unknown fighter Herbert Norwood. In his last bout Chandler knocked Chick Hale clear out of the ring, and his two-fisted attack won him the deserved honor of being the best all-around fighter of the tournament.

Jerry Painter, local boy who has been in the U. S. Navy for the past few years will tangle with Aaron Powell. Painter hammered Thomas Brigham for a wide decision his last bout, but did not appear to be exerting himself to any great extent.

Willard Polston who dropped a close decision to Clyde Hodges in the first Fite Nite, will square off with Toby Simms, while A. J. Coomer fights Charley Tidwell.

Next on the program will be another Battle Royal, with five more husky colored boys climbing into the ring and crawling out.

The last bout will be a comical affair between Battling Blument and Dynamite Ed Flentge. This bout alone will give the fans their money's worth.

The initial gong will sound at 8:00 with Jack Roach doing the refereeing.

IRELAND NEWS

We are needing a lot of good sunshine to dry the ground so the farmers can harvest and thresh their grain.

The barbecues and picnics last Friday at Aleman and Ater were each well attended by the people of Ireland.

Curtis Davis and Billie Robinson have two ice routes, one out of Gatesville, the other out of Hamilton. Each route twice each week.

Messrs. James Wiley Grubb and Junior Dickerson spent Saturday nite in the home of Mr. and Mrs. Wiley Grubb Jr. These boys enjoyed the nite in the country.

The picnics and barbecues are bringing the candidates out while we regret to see our school close. The boys and girls will be wondering what to do and how to get the most out of their vacation. We need the candidates and I don't see how we can get along without them for they help with their encouragement and the closing of our schools a success. They are always welcome guests.

Mr. Homer Laxson of Purmela was in Ireland a while Sunday morning.

MANSFIELD TIRES ARE 3 WAYS SAFER

CORD-LOCK SIDEWALL DURO-MIX TREAD 700% SAFER BEAD

● Mansfield Tires are 3 Ways Safer because they are built three ways differently from other tires.

Mansfield Cord-Lock construction puts more tough cord fabric into the sidewall. Their wide, flat treads are made of Duro-mix rubber that wears longer in grinding service. Their high tensile piano wire beads are seven times stronger than actually needed.

Mansfield Tires equip thousands and thousands of cars and trucks in every part of the country today because wise motorists wanted Mansfields and bought Mansfields—they did not get them as equipment tires.

If you, too, want extra safety and extra mileage, let us show you Mansfield Tires to fit your car. You'll quickly see their extra value.
