The Grove Has Big Jamboree

Saturday night was Jamboree night in The Grove and W. J. Dube and his Musical Mascots, assisted by several other groups of entertainers, took to the air via their loudspeaker and gave the large crowd present another one of those Musical Jamborees that are becoming more and more popular in that section of the county.

Hilighting the program were "The Hot Brown Boys" popular radio artists of the shady race who kept the crowd laughing at their comical interpretations of both old and new songs and got more music out of their harmonica and guitar than we could have expected out a whole brass band.

Little Ima Gene Clawson, three year old daughter of Mr. and Mrs. Burris Clawson of The Grove, got a big hand from the crowd for singing a special requested hymn and Bob Wolff and Bob Taylor drew their share of applause for doing some old-time fiddle numbers.

Next Friday night, October 13, Dube and his Mascots will appear on the Amateur Musical Program at Levita and Mr. Dube who has gained himself somewhat of a reputation as a speaker will speak to the crowd on The Neutrality Bill and it's effects. All their friends in that part of the county are invited to come out and hear them.

Next Saturday night the Mascots will be back at The Grove in another big program featuring the Brown Boys and everybody is invited to be present especially the people of Leon Junction for the program is being dedicated to them.

Field Man for Firemen Here

G. Frank Williams, field instructor for the State Fireman's Training School was here yesterday tending to routine business.

Last night, a picture was shown at the City Hall, which showed the activities of the State Volunteer Fireman's Short Course at College Station.

Mr. and Mrs. Harold Chamlee and daughter were Waco visitors last Saturday night.

Remember County School Board!

Today, the Coryell County Board of Trustees will endeavor to settle school problems at their regular time and regular place in the District Court room.

What is to come up, is not known, except that they will be in session to settle school questions.

METHODIST S. S. CLASS TO SPONSOR RUMMAGE SALE

According to Mrs. Howard Franks, the Wesley Bible Class will sponsor a rummage sale next Saturday, and will be held in the Wesley Ford building on Main street, where the light company was previously located.

If you have any old clothes which you have no use for, the class would appreciate your donation. If you have some clothes of reasonable value, they will sell them for you on a commission basis.

Miss Pauline Morse of Pidecoke is spending the first of this week with her brother and his wife, Mr. and Mrs. Hubert Morse of this city.

Mr. N. A. Shirley of Austin and Mrs. Shirely of Waco were guests of his parents, Mr. and Mrs. A. Shirley Sunday.

Miss Mary Evelyn Eubanks, who is attending Baylor University in Waco, spent the week end with friends and relatives here and at Ewing.

Roy Scott of San Marcos and James Scott of Waco, visited their parents, Mr. and Mrs. W. T. Scott over the week end.

Baptist Meeting To Continue

Opening last Sunday, the Baptist Revival will continue thru this week and the Evangelist, Rev. Jesse Yelvington, was present for last night's services, as was Earl Rogers of Fort Worth, song leader.

Both are well known in their particular fields, and no doubt, the appreciation of the public will be expressed by their attendance.

Burney Wires News on Pensions

After Governor W. Lee O'Daniel's proposal to call a special session to raise money for pensions, The Dallas Morning News wired every State Senator and Representative "inquiring what their answer would be to the Governor's proposal."

Among the answers received by the News, was that of Representative Weldon Burney's from this district, which was as follows: "I favor a special session, but oppose sales tax, Natural resource tax my choice; pensions must be paid."—Weldon Burney, Gatesville.

Contest on Safety For Truckers

A statewide safety contest for commercial motor vehicles by the Texas safety commission as a major project to reduce traffic accidents in 1940 has started.

Contestants will be divided according to carrier transportation and type of vehicle. Ratio of accidents per fleet to miles operated and hours driven will be the method to determine winners of the divisions.

Fleets with three or more vehicles, operating either as commercial passenger vehicles, trucks and busses may enter.

DR. C. U. BAIZE TO SAN ANTONIO CONVENTION

Dr. C. U. Baize, local chiropractor, leaves Friday for San Antonio where he will attend the annual convention of the Texas State Chiropractors Association, which opens in that city the twelfth.

The convention will be at the Gunter Hotel, and will continue thru the fifteenth.

It is not known whether or not Dr. Jessie Mae Stewart, Coryell county's other chiropractor will attend or not.

Mrs. S. A. Moore and small son of Beeville are visiting their mother and grandmother, Mrs. Wade Hampton, at the State Training school.

Money Problem is Solved by Children \$9,000 In Rugs In Dr. Bailey's Home

Two Coryell county youngsters, Alta Ray Sanders, 11, and her brother, Marteen, 9, who live near Leon Junction, are solving their money troubles efficiently. Their enterprises have netted them enough for the school clothes needed this September.

They gather vegetables for their mother and their three farm neighbors for 10 cents a bucket for digging potatoes, 20 cents a bushel for beans and for tomatoes. Their earnings at canning time go as high as 75 cents a day.

Driving cows to and from the pastures net them 10 cents a day and opening gates for people earns them a few pennies. During cotton picking they take to the fields and return oftentimes with as much as 100 pounds.

E. W. Jones Jr's. Stock Wins.

E. W. Jones, Jr., exhibitor of registered Hampshire sheep came home with the "mutton" or "wool" from the Clifton Central Texas Fair.

His sheep won three first prizes and four 2nd prizes, which ain't bad. The lucre amounted to \$15. We haven't been informed of any other winners.

BUDGET DEPARTMENT MAKES RECORD

Carl Koch, district budget supervisor for Goodyear Tire & Rubber Co., said Wednesday, the budget department of Chamlee Garage, local Goodyear agents, has made its quota and more in sales to its volume of sales.

Mr. Koch also expressed a favorable opinion of the newly decorated front. Clinton Chamlee handles the budgeting for "Red" Chamlee.

Will Rogers' Humorous Story

By WILL ROGERS

BOARDING houses are about the most interesting places in the world, I guess, and there's been a lot written about the romances that start there. When a boarding house bachelor marries a girl from outside the house, he generally brings her to dinner a few times at his old boarding house, just to show her off to the other boarders and make the boys all jealous.

Well, there was an old-time bachelor boarder at a good boarding house in Indianapolis. He was one of these Indiana poets you hear so much about, and he made a lot of friends at the table by not reciting his poetry.

This guy liked honey, and since he was an old boarder they always put some on his table, near his plate. He'd been gone on his wedding tour, and when he came back with his wife to eat Sunday dinner at the boarding house, he wanted to show off to his wife as well as to the other fellows. So when the waitress comes around, he says, "What's happened to my honey?" It was easy to see there wasn't any honey on the table.

The waitress kinda blushed a little, and then she says, "Oh, you mean Clara, the blonde you was sweet on? Excuse me, I'd forgot you was used to call her honey! She's on her vacation today." And the bride says, "I reckon I'm be going along. I don't feel like eating dinner today anyhow."

Dr. Clyde Bailey walks on money. Just that! He's eleven handmade Chinese rugs in his home, which are the property of his brother, Lieut. John Bailey, who got them in China.

Three of the rugs are 6x8 feet, six are 3x6 feet and two are 14½ x12½ feet. Dr. Bailey estimates it took 100 Chinamen working a year to produce the larger sized rugs.

The two larger ones are nearly an inch thick and weigh between 450 and 500 pounds each. It is thought camel's hair was used in making the rugs, largely. Designs and specifications were outlined for each rug before manufacture started.

Delicate coloring, harmoniously blended, with beauty of design are marked characteristics of the rugs.

Junior Hi Meets Hamilton Thurs.

WINTER CARNIVAL

WHAT HAS GONE BEFORE:
Jill Baxter, famed American beauty who has just divorced a European Duke, stops over at Hanover, N. H., to change trains en route to Montreal. She is accompanied by her younger sister Ann, who has come to Hanover for the Dartmouth College Winter Carnival. Jill meets an ex-fiance, Johnny Weldon, whom she jilted six years earlier when he was a Dartmouth ski champion and she was Carnival Queen. Much attracted by her old love, she changes her plans and decides to spend a full day at the Carnival. Meanwhile Ann meets Mickey Allen, mainstay of Dartmouth's ski team, and the two become deeply interested in each other.

speeding downhill, carrying torches; the skaters jumping over rows of barrels at peril of their lives; the skiers leaping through a ring of fire; and as the climactic event, the triumphal ride, in a sleigh drawn by a team of reindeer, of the newly chosen Queen of the Snow — who turned out to be none other than Ann Baxter!

Ann, asked to name her escort, passed over her three "dates" and elected Mickey Allen to reign beside her! But by the time Mickey, hastily summoned from night duty in his pressing shop, arrived at the Club, the newspaper photographers had conceived a better idea. They grabbed the dazzling young Count Eric Von Lunburg, very scenic indeed in his white ski suit, and posed him with the helpless Ann.

Chapter Four

John Weldon's old friend, Rocky Morgan, took advantage of a rest period in the ski races to drag Johnny into the nearby coffee shop where the excited Carnivalites gathered for warmth and refreshment. Rocky, like Johnny, was a Dartmouth graduate who had set-

Meanwhile, alone with Jill at the Morgans', Johnny adroitly blocked off her attempt at a romantic interlude by calmly swathing her in an apron and marching her to the sinkful of waiting dishes she had promised to wash. While she resentfully washed and he energetically dried, the baby set up a clamor in his crib. Investigating, they found that his

led down to teaching at the College; with the difference that he had married the girl of his first choice and was now the father of a strapping infant.

Rocky, promising Weldon a surprise in the coffee shop, produced Jill Baxter resplendent in a brand new ski suit. Jill somewhat lamely explained that she had been thwarted in her mad desire to escape Dartmouth on the four o'clock train, owing to a complete lack of reservations.

Lucy and Rocky, affectionate friends of both John and Jill, commanded them to come for dinner that night, and brooked no refusal. When they were gone, Weldon surveyed his ex-sweetheart quizzically.

"Can you imagine?" said Jill. "No one reservation left on that train! I have to wait until midnight — isn't it a bore?"

"Oh-huh. So boring you ran right out and bought a brand new ski outfit?"

"I had to. It's very cold here." She looked at him meaningfully, resentfully. "Very cold indeed!"

The Morgan's dinner went off gaily enough, the merry reminiscences being kept on a carefully impersonal plane. But after dinner, as they sat sipping coffee before the fire in the living room, Lucy made a tentative effort to rekindle the spark in her two old friends.

"Remember the time we all were going to ski up to Cloud Cabin for supper?" Johnny and Jill exchanged glances; she smiled provocatively.

"I always knew we'd keep that date some time," continued Lucy. "Let's do it tomorrow."

"Thanks, Lucy," said Weldon drily, "but Jill won't be here."

"No," put in Jill hastily. "I'm taking the Montrealer at midnight."

An embarrassing, painful silence... broken at last by the sound of a band in the distance.

"Festival's starting," remarked Rocky, going to the window. Fireworks were spangling the sky near the Outing Club. "Come on, Lucy, throw away that apron."

"Oh, I wish I could. But the girl we hired has a date for the Festival herself."

Jill, bent on a romantic evening alone with her old beau, rose to the occasion, and virtually pushed the Morgans into their wraps and out the door on their way to the Festival. She and Johnny, she assured them, would do the dishes, mind the baby, and guard the house. They needn't worry about a thing!

"Do your work well, Jill," smiled Rocky as they went, "and you'll have a permanent job."

safety pin had opened and slipped its moorings, and the young man was in dire peril of losing his costume! It took them twenty minutes of arduous labor to set him aright, and by the time it was over both were panting, exhausted.

"Do you think he'll appreciate all this when he grows up?" sighed Johnny as they tiptoed out of the room.

"Now, Pa," she laughed, "you just sit down here and relax after your evening's work over the baby." She pushed him down on the living room divan. "Here, I'll get your pipe and slippers." But he took her hand and pulled her down beside him.

"Thanks, John," she said softly, "for a wonderful day. Maybe excitement is where you find it — just as you've often told me."

"Jill, are you serious?"

"You bet I am. This seems to be what I've been chasing all over the world looking for. I've wasted a lot of time —"

The rest of it was drowned out by his kisses.

"We'll make up for it, darling. We'll cram days into every hour."

"Can we even have a little house like this?"

"There's one just like it down on Lime Road. Just wait till you see it in summer with the whole White Mountains for our backyard."

"Lovely!" she enthused. "And you'll just love my little place in St. Moritz. We'll go there next winter!"

John, brought up short, reminded her that he had a job right there in Hanover. She waved it aside — how could they stay tied down in one place all the time?

"Suppose we woke up some morning with train bells and boat whistles in our ears. You know the feeling?"

He stood up and walked away from her. "This is about where I came in six years ago."

When Lucy and Rocky returned, Johnny and Jill were still quarreling. And a few minutes later Weldon was escorting Jill in a sleigh to the station to await her train to Montreal.

"Goodbye, Jill," said Johnny quietly when they alighted. "Seeing you again was just what I needed."

"You don't mean that, Johnny?"

"Yes, I do. You see, Jill, I knew you were on that train this morning. I ran along the cars looking for you, like a trembling undergraduate. At that moment I was more in love with you than ever before. That's why I'm grateful for today — it's proved what I've fought against believing all along — we just don't speak the same language... Goodbye, Jill. Have fun."

INCONSISTENT?

Certainly, it is! Just recently, the State of Texas, we believe, the Health Department, required every mattress manufacturer, however small, to be licensed, buy revenue stamps, and mark their old and new mattresses. Besides, they were required to have a certain class building to do their work in.

Now the agricultural sponsors of the "Texas Mattress Campaign," trying to thwart these manufacturers, and encourage farmers to make mattresses out of excess cotton. Of course the excess cotton angle is O. K., but it is certainly inconsistent to require one mattress manufacturer to have licenses and all the other expense they now have, and then to urge others, without these expenses, to manufacturer mattresses which cuts the other taxpayer's throat. Already one Gatesville mattress manufacturer has been put out of business by this new law.

WHAT A MANN!

Gerald C. Mann, who we imagine had rather be called "Jerry", has continued to show up as one of Texas most able public officials.

Gerald C. Mann, our brilliant Attorney General, we think is "ahead of the pack" when it comes to Texas public officials. He's got what is called "intestinal fortitude" better known as "guts".

He's a Dallas boy. He has declared a law remitting half the advalorem taxes to the city and county in addition to other "big city" counties, which would cost the state \$25,000,000 in five years, unconstitutional. That shouldn't cost him a single vote, but it probably will even in his home town.

He should, however, win many in the "little counties".

WHY DON'T THEY VOTE?

Administration forces, those others who are for retaining the Embargo, in the Neutrality argument, all claim they've won their ridiculous fight. Why don't they vote, then?

Politics is supposed to be out of this argument, but—that is ridiculous too.

This continued "ranting", counting the various claims made by both sides, looks like a waste of time, and our money. It also looks like we're going to pay for some very good "free publicity" and campaign propoganda for 1940. You know, next year's election year, and they all want to make as much of a show, at our cost, as possible. It'd probably save an expensive campaign for these Senators next year, if they could sell themselves during this special session, at the government's expense

Too, Borah, Nye, Vandenburg, Connally, etc., are so old and sot in their ways, it'd take something more than verbal battles to change their minds. All this baloney to our mind, is calculated to get a reaction from the voters, that is, it's an ear to the ground proposition, to get the sentiment for next year's re-election campaigns.

We say, why don't they vote, if they're so certain how it's going?

Honoring Miss Mary Ann Post, bride-elect of Henry Clay of Waco, Miss Doris Polk, Mrs. Skeeter Shepherd and Mrs. Jessie Lee Wiggins entertained with a surprise bridge party and miscellaneous shower at the home of Mrs. Shepherd on Fennimore street last Friday afternoon. Vases of roses and queen's wreath adorned every vantage point in the party rooms.

Two tables were attractively arranged for bridge at which Miss Joyce Baker won high score prize and Mrs. B. K. Cooper won second high.

In the presentation of the gifts, the honoree was given five balloons, each of which contained a word to be used in making the sentence, which told her where her gifts were hidden.

Refreshments consisted of tuni fish salad, Ritz, pickles, cookies, and punch.

Carolyn Hampton Weds Austin Man Sept. 30

A wedding of great interest to many people of this city was that of Miss Carolyn Hampton, daughter of Mrs. Wade Hampton of the State Training School, and D. K. Northington Jr. of Austin, son of Mr. and Mrs. D. K. Northington Sr. of Temple, which took place in the study of the Rev. Patrick F. Duffy, rector of St. Austin's Chapel in Austin, Saturday evening, September 30. The single ring ceremony was read in the presence of only a few friends.

The bride was beautiful in a green ensemble trimmed with fox fur. Her accessories were black, and she wore a corsage of rosebuds.

The bride, a graduate of GHS,

entered training at the Providence Sanitarium in Waco, and received her further college education in Peabody College at Nashville, Tenn. She has been employed by the State Health Department the past two years.

The bridegroom is a graduate of Southern Methodist University at Dallas, and for the the past two years, he has been auditor for the Texas Unemployment Compensation Commission in Austin.

The couple are making their home in Austin.

Introducing Saturday's Voices to Followers of Humble Company's Football Broadcasts

FOOTBALL FANS throughout Texas know the voices of this quartet of announcers heard on Southwest Conference football broadcasts sponsored by the Humble Oil & Refining Company. Top, left, is Kern Tips, whose reputation is national in scope; experts agree that Tips is one of the best football announcers in the country—many say the best. Next to Tips, on the right, is all-America Cy Leland, who brings to broadcasting not only an ability to make a radio football game lively and interesting but also a knowledge of the game acquired by stellar play in the T. C. U. backfield in his college days. Bottom, right, is the picture of Hal Thompson, Station WFAA's sports authority; this is his third year on Humble's broadcasts. Flanking Thompson is Eddie Dunn, genial and well known radio personality who entered his second year on the Humble Company's football broadcasts this season.

FALL Round-Up!

The title of this little piece doesn't lead us into a song about the lone prairie where the wild coyotes howl; on the contrary, it's to remind you that it's high time you rounded-up your car and herded it into a Humble Station for the servicing it needs for trouble-free Fall driving.... It's time to have your tires looked over, time to have your battery checked, your spark-plugs tested, your fan-belt looked at, your worn-out wiper blade replaced. It's time to clean and polish summer-dulled paint, it's time for a verified lubrication job, it's time to drain and change your crankcase oil. . . . Humble Stations, you know, are fully equipped and the men carefully trained to keep your car running right and looking good. Round up your car under the nearest Humble sign—soon!

AMERICAN NEUTRALITY Part II

What have we to fear from the isolationists' argument of reprisals by Germany if we repeal the embargo? The answers to this argument are two in number.

In the first place, American vessels may now carry any commodities other than war materials into the war zones and to belligerent

ports. In so doing, they are running the German submarine "blockade" of Allied port and under international law are subject to seizure.

The German government expressly insists that raw materials will not be distinguished from finished products listed in the embargo proclamation against England and France.

The Swedish steamers, "Gertrud Bratt" and "Silesia," carrying wood products from Sweden to England, were sunk by a German submarine. The German government justified the sinking on the ground that wood is war material. Berlin authorities stated that "the German submarine commander only did his duty in hindering the transportation of cellulose to Britain since from there it would have returned to Germany in the form of high explosives."

The Pittman bill works upon the knowledge thesis that the belligerents do not distinguish among cargoes destined for their enemies. Therefore it establishes an embargo on the ships which carry the cargoes.

On the basis of the sinking of the two Swedish vessels, it may be assumed that American vessels carrying wheat to feed British soldiers would be sunk as readily by German submarine commanders as American vessels carrying munitions to the British army.

Retention of the embargo interpose a serious consideration in that it will greatly increase the likelihood of the U. S. entering the war. A great majority of the people of the U. S. want England and France to win the war. But if the embargo is retained, England and her continental ally will be placed at a great disadvantage and may actually lose the war. Will there not be a great impetus toward U. S. involvement in the war if England appears near defeat?

It is argued by some that the Allies will be unable to make large purchases here under the cash-and-carry provision. But this is a gross miscalculation. Their financial resources are far in excess of those of 25 years ago, and the ability of their leaders to mobilize capital is more highly developed.

This column is convinced that enactment of the Pittman bill will, for the present, adequately supplement the resolve of the American people to keep out of this war.

Granting England and France access to our great storehouse of supplies is in complete conformity with the principle of reciprocal trade championed by Secretary Hull and the administration for eight years. The present embargo repudiates this principle. The embargo denies the advantages of free trade to England and France simply because they have become involved in a war against their will.

England and France are today in need of munitions of war because they have pursued the principles of free trade and respect for the integrity of small nations, both of which principles this country has pursued.

Germany does not need munitions because it has repudiated free trade, subordinated its economy to war preparations, and raped Czech-Slovakia with its great Skoda munitions works and untold natural resources.

The United States must keep out of the European war. The Pittman bill is the first and best step we can now take in that direction.

In Honor of American Business Women

MRS. PEARL WHITE, CITY'S OLDEST BUSINESS WOMAN

Mrs. Pearl White, Gatesville's oldest business woman, has been writing insurance for 22 years. She was first employed by J. C. Chrisman, and after his death in 1930, Mrs. White, with J. D. Brown Jr., established the White & Brown insurance agency in this city.

They were located in the Brown building at first, but the present office is over the National Bank of Gatesville.

ETHMA BEAUTY SHOP STARTS FIFTH YEAR OF BUSINESS

The Ethma Beauty Shop, originally owned by Wilma Edmondson and Ethel Rutherford, opened its doors for business four years ago March last, on the north side of the square. Mrs. Rutherford has purchased Mrs. Edmondson's interest, and the shop is now located on the east side of the square at the rear of the City Barber Shop.

There are now four beauticians employed at this place, namely, Mesdames Nadine McCallister, Mary Hinsley, Bessie Bond, and the owner. They have two new up-to-date permanent machines which they purchased recently.

MRS. EVERETT SOLE OWNER OF BEAUTY SHOP 11 YRS.

Organizing her business 11 yrs. ago, Mrs. W. H. Everett is still at present the sole owner. She has always kept licensed and experienced helpers at all times.

She states that she has built her business on a guaranteed basis. Miss Edna Wayne McMillan of Valley Mills is her present assistant.

MATIE DAVIS AND JOHNYE CARROLL CO-OWNERS OF SHOP

Mrs. Matie Davis who opened the Gatesville Beauty Shop in the Oscar Gloff Barber Shop in 1931, and Miss Johnnye Carroll, who started working for Benson's in '35, are the present owners of The Friendly Beauty Shop, located in the Burt Building. In July, 1938, they became partners and their shop was located in Ethel Ford's building, next to Chamlee's Garage.

They have just installed a new Maniqueen electric manicuring machine.

MRS. J. R. COLGIN, AMICABLE LIFE INSURANCE AGENT

Mrs. J. R. Colgin and her father, the late O. F. Wells, have been connected with the Amicable Life Insurance Company since its organization in 1910. Mrs. Colgin was assistant to her father eight years before his death, and since then, she has been sole representative in this territory.

During this time, Mrs. Colgin and her father have sent in millions of dollars. The Amicable Co. is located near Gatesville and business can be transacted promptly. Also this company has been rated "excellent" by many notables, and is worthy of the highest confidence of the public.

MRS. EMMA BUTH SHELTON AVON AGENT FOR NINE YEARS

Mrs. Emma Buth Shelton, who has been selling Avon products in this vicinity for the past nine years, has been a very successful agent.

She sells cosmetics for all types of skins, and besides cosmetics, she sells various household necessities.

MRS. ERMON CHAMLEE IS SEC'Y FOR INSURANCE ASSOCIATION

Although the Farmers' Mutual

Fire Association of Coryell County has been established since 1905 and has been operating in this county for 25 years, Mrs. Ermon Chamlee has been secretary and treasurer of the association only two and one-half years.

Just recently she moved from the Brown Building where Davis' Store is now located, one door east in the Gloff-Pollard Barber Shop.

THREE STYLISTS EMPLOYED AT KIGER BEAUTY SHOP

At the Kiger Beauty Shop, located at the rear of Johnson and Summers Barber Shop on the south side of the square, there are three stylists, including the owner and manager, Mrs. Mary Kiger. Her assistants are Mrs. June Duncan and Mrs. Rip Williams.

Mrs. Kiger has been in business three years May, last.

MRS. GRAVES, COUNTY'S LEADING FLORIST FOR 14 YEARS

Mrs. J. B. Graves, who makes flowers her business, has been Coryell County's leading florist for the past 14 years. Her shop is located in the News Building on Main Street.

She specializes in quality flowers for parties, funerals, anniversaries, weddings and for any other occasion that you might demand.

L & L HOTEL OWNED AND MANAGED BY MRS. LESTER

Mrs. Etta Lester, having begun her business as a hotel proprietor February 15, 1930, is now in her tenth year as a business and professional woman of Gatesville. She operated the Boyer Hotel for three years, and in '33 she built the present L & L Hotel.

This hotel is one of the most modern equipped hotels to be found in this vicinity. Mrs. Lester has made some improvement on her hotel each year since she became the owner. It is conveniently located, just one block from the business district of this city.

ELIZABETH PANCAKE OPENED BEAUTY SALON MAY, LAST

Using as her motto, "Beauty for the Asking", Mrs. Elizabeth Pancake opened the Elizabeth Beauty Salon in the balcony of the Hair and Coward Barber Shop last May. She is probably the newest business woman in the city.

Her employees are Mrs. Jud Graves, a graduate of the Jolly Beauty School at San Angelo, Miss Albulah Redden, who graduated from Nicosia in Waco and Miss Ruby Lee Wilkerson, graduate of Jolly Beauty School at San Angelo. The latter was just recently employed.

GLADYS PATTERSON IS MEM- BER OF MELPOMENEAN CLUB AT A.C.C.

Gladys Patterson, daughter of Mr. and Mrs. J. M. Patterson of Valley Mills has passed the requirements for membership in the Abilene Christian college Melpomenean Players club, dramatic organization.

Formal initial and reception for the new members was staged early this week in the College auditorium with the entire group of old members as hosts.

This club sponsors two major dramatic productions during the school year. For membership, the student must exhibit special talent in the dramatic field.

SPORT SCRAPS

By JONES

Now, baseball's history for '39. The Yanks came thru in four straights, taking the series that way. The results were 2-1, 4-0, 7-3, and 7-4. So it's "30" for baseball, and the 4th consecutive World Championship for the Yanks, which is a record.

Fans, this Gatesville situation. We're going to stay by the Hornets, and you too. Only one conference game has gone, and there are many more. Now's the time to really show your "colors" and we know that they won't be yellow, but will be "Black and Gold" Itasca is next.

Itasca, this year, is a big assignment for any club, and we still believe the Hornets have got what it takes. The game is in Itasca.

Here's the conference standing now:

Team	P	W	L	Pct.
McGregor	3	3	0	1000
Mart	3	2	1	.666
West	0	0	0	1000
Marlin	1	1	0	1000
Valley Mills	3	2 1/2	1/2	.833
Clifton	3	0	0	.000
Gatesville	1	0	0	.000
Itasca	2	1 1/2	1/2	.750

Now, for the 6-man percentages.

Team	P	W	L	Pct.
Copperas Cove	2	2	0	1000
Ireland	2	1	1	.500
Turnersville	1	1	0	1000
Pearl	1	0	1	.000
Flat	2	0	2	.000
Oglesby	2	1	1	.500

By the way, Evant is beginning to show in 11-man. They've dropped some tough ones, but took Moody, this week end 19-0. Their schedule is as follows:
October 13, Cherokee,

October 20, Burnet
October 27, Lometa,
November 3, Alex,
November 17, Star,
November 24, Gustine,

Class B Conference games this past week were: McGregor 40, Clifton 0; Itasca 32, Mart 0; and Gatesville 0, Valley Mills 25. Other conference members did not play conference games.

In the Southwestern conference, only one game was played, and the Razorbacks took the Frogs 14 to 13.

past week were: McGregor 40, center on the University of New Mexico freshman squad, and played Portales Junior College last week. Blanky was a guard on the 1938 Hornets.

Up at Independence Jr. College, Tom L. Robinson, Ted Brazzil and Red Fore are on the 1st string from Gatesville, and Dixon of McGregor and Doggett of Goldthwaite. The boys lost their conference opener 7-0 to Arkansas City Junior College.

CARD OF THANKS

We wish to express our heartfelt thanks and appreciation to our friends, relatives and neighbors who so generously helped us after the loss of our home and contents by fire.

May God bless each and every one of you.

Head Football Coach
★

This is the second in a series of six outstanding diagram plays by leading college coaches from Grantland Rice's new Cities Service Football Guide.

ALTHOUGH there are a lot of the so-called razzle-dazzle plays being used these days, we find that one of the good old reverses to the weak side of the line frequently will gain as much ground as any other play, and, after all, that is what wins most games.

I believe that if the high school player will secure a good, well-founded foundation of the fundamentals of the game, he will greatly enhance his chances of making the college teams. The fundamentals can best be mastered in the execution of

power and the less difficult deceptive plays, like the one outlined here.

The ball is passed to the No. 2 back who fakes giving it to the No. 1 back, but gives it to the No. 3 back who goes around left end while he, the No. 2 back blocks out the opposing left tackle, who has come through the opening shown in the line. The principal blocking assignments are shown in the diagram. Much depends on the right guard's ability to block the opposing right end who will be on top of the play.

STOP FIRE! STOP LOSS OF LIFE! STOP PROPERTY DAMAGE!
LET'S COOPERATE TO REDUCE THE ANNUAL \$500,000,000 FIRE LOSS

The preservation of human life and the reduction of huge monetary losses incurred by fire are the paramount purposes in proclaiming National Fire Prevention Week—October 8 to 14. Approximately 6,000 lives are lost each year because, in many instances, some one person was careless! Precautions disregarded. Perhaps it was thought that safety measures meant unnecessary expense and wasted effort.

DON'T WAIT FOR DISASTER!

When fire strikes home . . . a lifetime's earnings might be lost . . . A dear one might be disfigured—horribly burned. Tragedy. Don't wait for things to happen before awakening to what **MUST BE DONE** . . . what should have been done years ago. During Fire Prevention Week see to it that proper steps are taken to limit the possibilities of conflagration. The

This Is

Prevention
Week**

safety of your home depends upon the precautions taken by your neighbor as well as yourself. Remember, even though you yourself have not been directly affected by fire, you eventually pay for fire losses—directly or indirectly, through increased insurance rates and in many instances increased taxes.

40% OF FIRES ARE PREVENTABLE

Records reveal that there is a fire every minute. Four out of every ten of these fires were **AND ARE** preventable! It is up to us to clean up fire hazards. Instruct your family and employees in the latest safety measures. Let's start a campaign and request that all residential, public and office buildings conduct a general and thorough cleaning up. Let's stem this huge drain on individual and national resources. Be careful! Be insured! Practice Safety.

FIRE CHIEF MILLER GIVES "4 POINTS OF SAFETY"

1. Make sure that matches, cigarettes or cigars are entirely out before leaving them.
2. Don't let dry waste or oily rags accumulate in some out-of-the-way corner. Combustion is the cause of many fires. Throw all oily rags away!

3. Have your electric wiring inspected regularly. Don't use pennies as fuses. Be careful when working with electrical appliances.
4. Keep your heating system and chimney in good condition. Avoid using inflammable liquids any time.

Rep. Burney's Talk Over WBAP, Sun.

Here's a summary of the speech delivered by Representative Weldon Burney, which was delivered over WBAP Sunday morning at 10 o'clock. Mr. Burney's speech was on "Why Old Age Pension Funds Were Not Provided For by the 46th Legislature."

"Many of you have wondered why the minority 56 blocked a constitutional amendment sales tax denying the people the right to vote upon the tax question. This proposal to allow the people to decide sounds good, but upon close study it is learned that it means nothing.

I was Co-signer of House Bill 340, which passed the House with 115 votes, the largest majority that any tax bill received during the entire session. This bill would not have taxed the poor people of Texas one penny. It provided for a higher tax on oil and sulphur and other natural resources. As you remember, the Governor called this bill a "Dodge Brothers Coupe", stating that it would not raise enough money. That remark is the only assistance that he ever gave a statutory measure. When House Bill 340 reached the Senate it was killed then and there, without being allowed a chance for free and open debate upon the floor of the Senate. Just think, a bill receiving 115 votes in the House and not given a chance on the floor of the Senate.

When the people elected a new Governor and a Legislature upon

the proposition that Social Security Obligations be paid, the corporate powers of Wall Street felt their hardest blow; for five years they were able to hedge off with their powerful lobby any legislation that would rightfully tax their fortunes. That is why Social Security was not paid immediately after the people had passed the constitutional amendment which provided for Old Age Pensions.

Special interest, realizing that they must act swiftly and cautiously to prevent their vast fortunes from being taxed, lost no time in getting their schemes well planned. They could not lose because if the constitutional amendment was passed by the legislature and sent to the vote of the people, they still had another idea in view and that was to defeat the amendment at the ballot box, thus declaring a new mandate that the people did not want Social Security; then they could start a move to repeal all Social Security Laws. Their plans worked with satisfaction. The legislature was blocked with a constitutional amendment bringing the results "No Tax Bill." That was the final outcome of their well planned scheme.

Now, ladies and gentlemen, if the Governor is your friend, he will call a special session and upset their plan by passing a statutory measure in order that the old people of this State be provided for. The responsibility of the failure of the Legislature to provide pension rests squarely upon the Governor, for it is evident that he could call upon the members of his Honor Roll (those whom he handed certificates, certifying their

loyalty to the Old People of Texas) and could pass any kind of a statutory measure that he might have chosen withstanding the fact his Honor Roll numbered almost a two-thirds majority. Many of us who voted against SJR 12 have always favored a higher tax on the natural resources and other statutory measures.

So I am asking you to write the Governor to call a special session to help the old people by submitting to the Legislature a natural resources tax bill that will let Grandpa and Granma spend some Sulphur and Oil money instead of letting all go to the Wall Street Bankers."

IRELAND SCHOOL NEWS

The freshman class is just about to get fully organized and settled down to work.

They met Thursday afternoon and elected class officers and a sponsor for the years of 1939-40. They are as follows: Ethelyn Pagel president, Ruby Lee Robinett and Dudley Watkins, Social Committee; and Laura Beth Hampton as president.

We the members of the freshman class are looking forward to a year of much progress and fun.

The Senior Class has organized and elected officers with Mrs. Stiles and Miss Ellis as sponsors and Laura Beth Hampton as president.

The Juniors have started in on their studies this term with much energy. We have just received our histories and if we can master Geometry it will be a happy year for us.

The Ireland football team defeated the Flat High School 8 to 6 last Friday afternoon. L. Z. Edwards, hefty end of the Ireland team scored a touchdown and Burl Pearson's educated toe accounted for two points and the margin of victory.

The offence of the Ireland team is very ragged and the blocking is terrible. The defense seems to be fairly strong. I do not know how the boys will fare against a strong passing offence for they have not yet had a severe test.

The Ireland boys take on the strong Turnersville team at Turnersville Friday afternoon. This game should prove to be a thriller as the Ireland team will be fighting to stay in the winning column.

The officiating of last Friday's game was highly efficient as Mr. Hogie Williams of Hamilton kept the teams traveling at high speed with a minimum amount of penalties being called. We need more officials of Mr. Williams' ability.

LEVITA SCHOOL NEWS

The school spirit has been high the first two weeks of school. The rhythm Band is showing much improvement and they will be ready to show the patrons just what they can do.

Basket Ball has been slow due to the warm weather, but much interest has been shown in the fundamental drills.

The NYA boys have started construction of play-ground equipment, swings and a tennis court will soon be ready for use.

On Friday night, Oct. 13, there will be an amateur night at the School Auditorium. This promises to be one of the best types of entertainment for this part of the year. All Amateurs are invited to be present and compete for the winners awards. Ballot judging, Public Address System, and plenty of seats for all. Do not miss this program, and you will be highly pleased with this musical hour. Everyone is invited to attend. Small admission to listeners, Benefits for Levita School.

blocked, for an average of 31 yds. So much for statistics.

The stars. Valley Mills were easy to see. They were Bray, who now has four touchdowns to his credit, and was the outstanding star of the contest, followed closely by Erwin, back, and that, must-be-all-conference end, Blackmon, Captain of the team. One of the Smith boys, the backfield one—there were three on the team, and Warren, the other end, showed up well. Lawrence does well punting, averaging 31 yards. Peters starred in the line.

For the Hornets, who played spasmodically, Foster, Kirkpatrick and Jackson, (Hard Luck), stood out in the backfield, with Whigham doing his share of plunging and defense work. In the line, Wittie, who recovered fumble, Gribble, White showed, probably best. Ward, not a showman, played a steady game, as well as Anderson. The ends, Moore and Hodges, were in there, but were considerably smothered by the alert Valley Mills backs. They were also a little slow getting down on punts. Moore on receiving, took in more passes than did Hodges, who did not have as many chances.

On the toss, the Hornets chose to defend the South Goal, after Captain White and the Eagle Captain Blackmon called the toss of the coin.

Mills receives, Jackson holds, Jones kicks, ball goes to Ervin, who returns to the 25 to the 41. Short man takes 2 at C. On reverse Ervin picks up 4 yards on left side. Eagles fumbles, and on next play, ball is punted to Jackson on 20 who returns 3 yards.

Jackson on long right end run, makes 2 yards. Kirk carries ball over left tackle for 1. Jackson on off tackle makes 8 yards and a first down.

Jackson picks up five over left side of the line, and was brought in by Blackmon. Whigham back, fumbles and ball goes back to 27, recovered by Blackmon. On the next play Smith dropped a yard. Bray, on a double reverse makes 32 yards around right end for a touchdown, standing up, with nice blocking. Pass, Lawrence to Bray, for extra point incomplete. VM 6, Hornets 0.

V. Mills kicked to Hornets, Peters holding, Blackmon kicking. Jackson takes ball on five, and returns to the 30, before he is dropped by Peters.

Jackson makes 4 over L tackle. Jones plunges right tackle for 5. Kirk nearly got away thru RT for 6 yard and a first down.

Jackson fails on an over left tackle play, nailed by Blackmon. Kirk takes ball over opposite side for 2. Jackson passes to Moore, completed over line, for 9 yards. Jones punts from 45 out of bounds on the 35 yard line.

Bray loses 1 on long right end run. Bray is dropped for 10 yard loss by Gribble. Punt goes to Jackson, who fumbled, and ball was recovered by Valley Mills on Hornet 47 yard line.

Erwin passes, ball is fumbled by V. Mills, and is ruled incomplete pass, both sides being off side. Erwin makes 6 over rt. tackle. On a reverse, short man is stopped for loss by Ward. Erwin passes long to Blackmon for 12 yards and a 1st down.

Erwin passes again to Blackmon, goes incomplete. Erwin passes again, to Blackmon, and picks up another first down. They have to measure, and it lacks just a few inches. Bray nearly gets away around rt end to make first down, downed by Whigham. Erwin passes incomplete to Bray. Bray carries, but is stopped by Jones for 1 yard gain. Lawrence carries and is again stopped by Jones for 1 yard over left side. Erwin passes incomplete to Blackmon.

It was fourth down, and Jackson took ball around left end for 5 yards, as quarter ended on 25 yard line. Hornets 0, VM 6.

Second Quarter

Jackson over center makes half yard. Jackson on left end run makes about a yard, and is 1 foot short of first down. Jones, back, punts from 25 to 45 where it is

taken by Smith, who took the ball back to the 43 yard line.

Reverse picks up 2 yards thru centered. Erwin passes to Blackmon, incomplete! He's too tall. Erwin passes, completed to Blackmon, but VM off side, and is brought back. The pass was completed on the 15 yard line. Erwin passes, incomplete to Blackmon. Erwin, back, boots ball, partially blocked and goes out on 43 yard line.

Jackson picks his hole, and makes a first down over right tackle. Moore on round end play, fails to gain. Jackson is stopped for 2 yard by Peters. Jackson passes long to Moore, who just can't get the ball. Jones back, punts out on 36 yard line, from the 50.

Hitting the center of the line, Lawrence failed to gain, as he hit the Hornet center. Erwin picks up 4 around right end, and is stopped by Moore. Smith, fails, as Wittie gets winded, and throws him for a yard. Lawrence is back, punts to Jackson who can't get the mean bounce, and Warren takes him in on the 21 yard line.

Whigham makes 8 over left guard. Jones hits the line for another first down. Jackson is pulled in after a 3 yard gain over left side, stopped by Blackmon. Kirk makes 10 and another first down. Whigham drives over Wittie for another 7. Jackson on a long left end run of 16 yards, carries the ball to the 30 yard line, as the Eagles take time out. Jackson was stopped by Smith. Kirk, getting plenty of drive, picks up 7 yards, before he is stopped by Blackmon. Whigham, the short man, makes 3 and nearly another first down. Kirk again hits and picks up 3 yards, for the first down. Kirk is nailed by Smith, for no gain. Jack is stopped over left tackle for no gain. Jackson passes incomplete to Hodges. Jackson passes, and ball is knocked down incomplete pass, and the ball goes to VM on 20 as the result of a touchback.

Smith carried, but failed to gain at center. Smith carries again, and is stopped by Gribble and Hodges. Lawrence back punts, low to Jack who fumbles and recovers just in time. Foster for Kirk. Whigham in, Culberson out, Sydown for Ward. Culberson passes incomplete to Moore, which was short, Smith knocked it down. Jackson goes over rt. tackle for 6 yards. Jackson passes and it is intercepted by Bray, and is in turn stopped by Hodges.

Intermission

During the intermission, following a parade by the band and pep squad, with the two little mascots, the Band formed the letter VM and the Pep squad spelled out, by shifting, E-a-g-l-e-s, and then, marching across the field, the band formed the letters GH, and the Pep squad spelled out the letters H-o-r-n-e-t-s.

Third Quarter

Hornet kicked, Jones kicking, Jackson holding, ball goes to Blackmon, short, and he is downed by Whigham on the 40. Bray carries, and is downed by Hodges for a 5 yard loss. Lawrence goes over rt. tackle for 2 is stopped by Gribble. Lawrence is stopped for 2 yard loss. Lawrence punts to Jack on the 30, and with a little "end play" he returns to the 30 before being stopped by Peters.

Jackson passes to Kirk, and ball goes to 45 yard line for an 8 yard gain, after Kirk fumbles and it is recovered by another Hornet. Whigham drives over left guard for 8 and a 1st down. Gatesville off side, and drew a 5 yard penalty. Jackson hits right side but is smeared by Erwin after picking up 2 yards. Jackson passes incomplete to Kirk, as line seeps thru. Jones punts, ball is partially blocked, and VM gets the ball on the Hornet 45 yard line.

Erwin passes, but a Hornet off-side, and draw a 5 yard penalty. Bray, on first play, runs from 45 for a touchdown and crosses over standing up. Erwin passes to Lawrence, in the clear, and incomplete. Hornets 0 VM 12.

Hornets receive, Peters holds, Blackmon kicks, ball goes to Kirk on the 10 and he returns to the 25, after being stopped by Erwin

and Bray. Peters recovers ball fumbled by Bray. On first play after Valley Mills take ball, Erwin passes again to Bray, who goes over standing up. Erwin passes, incomplete to Blackmon. VM 18, Hornets 0.

Peters holds, Blackmon kicks, ball going to Jackson on the 10. And he returns to the 39 yard line, Erwin stopped him. Jackson passes long to Moore, who is covered by Eagles. On a shovel, Jackson to Foster, Foster makes 13 yards, as a VM boy is injured, getting winded, and it was C. Smith, VM left guard. Jack passed long and pass is intercepted on the 40 yard line, Smith intercepting, stopped by Kirk and Wittie.

Fourth Quarter

Reverse play fails. Smith makes 2 yards over rt. tackle. Short man takes ball, and fails to gain. Lawrence punts, long to Jackson, who allows the ball to roll out on the 18 yard line. Jackson takes ball over right tackle and picks up 5 yards. Warren taking him in. Jackson makes another 5, and a first down. Jackson, goes for 9 more off rt. tackle, stopped by Warren and Bray. The entire VM team was taken to stop Foster, who picked up 11 yards. Jackson passes to Kirk, and he takes the ball to the 40, before he is downed, lacking inches of a first down. Jones hits the line standing up, but fails to make first down. Kirk hits over

right tackle for 1st down. Jackson drops 1 yard around left end, stopped by Blackmon. Jackson passes, and is intercepted by Warren, and is downed by Moore.

On a reverse, Bray drops 2 yds, by Gribble. Smith makes 3 and is stopped by Jones. Lawrence plows center for four, with his head down, as the third quarter ends. VM. 18, Hornets 0.

Culberson for Kirkpatrick, Sydown for Ward.

Lawrence punts from 35, to Jack on the 30, and returns to the 38, where he is downed by D. Smith. Jackson picks up 3 at rt. tackle. Stopped by Outlaw. Jackson passes, and Warren intercepted the pass, and ran over, standing up. Erwin passes to Blackmon for the extra point.

VM 25, Hornets 0.
Peters holds, Blackmon kicks, ball goes to Culberson, where he is stopped on the 37 after taking ball on the 30. Culberson passes, and it is almost intercepted by Peters. Jackson goes thru for 3, and is stopped by D. Smith. Foster picks up 2 over left tackle. Jones punts, high to the safety man for VM and Wittie recovers his fumble. C. Smith was winded on the play. Foster hits left tackle for 4 yards. Kirk fumbles on the next play, and Lawrence recovers on the 50 yard line.
Lawrence makes 1 over right

OGLESBY DEFEATS PEARL SIX-MAN FOOTBALL TEAM, FRIDAY, 24-8

By WILSON BRAZZIL
Six-Man Football Editor

By a score of 8-24 a fighting squad of Pearl Dragons dropped their first six-man football game of the season to a classy Oglesby team Friday afternoon on the Oglesby gridiron. The Tigers scored in the first few minutes of play and from then on it was their ball game. The team that Pearl put on the field was nothing compared to last year's team which led by such veterans as Petty Jones and Stovall, won the Six-Man Championship Trophy without a sweat.

The Dragons have only three lettermen returning this year and they were mostly used as reserves last season. Four of the boys are under fourteen years old and naturally can't be expected to show up very well this early in the season. However, in Mosley and Dumas, Coach Hedgpeth has a couple of players that are the equal of any two men in the six man district.

Oglesby's team looked exceptionally good especially the passing of McKelvain and Griffin who accounted for most of the yardage gained by the Tigers.

First Quarter

Windham holding the ball and McKelvain kicking Oglesby sends the ball deep into Pearl territory where it is picked up by Bynum and returned to the 25 yard line. One the next play the Dragons fumble the ball and Oglesby recovers. Ethridge is stopped at RE for no gain. McKelvain punts over the Dragon's goal line where the ball is recovered by Griffin for a touchdown. Try for the extra point fails. Again the Dragons lose the ball to Oglesby on their own 40 yard line and Griffin punts over the goal line on this play the ball is returned to the Dragon's 15 yd. line. The remainder of the first quarter was about even with both teams playing a good brand of football.

Second Quarter

In the second quarter the Dragons chalked up a two point safety and later in the same period Windham, lugging the ball for the Tigers broke through the Pearl defence and scored a touchdown. Both teams did a lot of short passing with very little yardage being gained outside of the scoring plays.

Third Quarter

Pearl kicks to Oglesby who returns ball to the 45 yard line before being stopped by Dumas and Mosley. On the next play McKelvain's pass intended for Griffin was intercepted by Dumas who is downed on the spot by Beaty and Griffin. Dumas stopped on next two plays for no gain, ball finally going over to Oglesby on downs. Pass, Griffin to Clearman is incomplete. Double lateral, Carter to Windham picks up two yds. Carter punts to 50 yard line where ball is picked up by Mosley and returned to Pearl's own 45 yd. line before being stopped by Beaty. Dumas is stopped around RE and loses 10 when tackled by Clear-

T'ville Defeats Ireland Friday

We are indebted to Virgil Jones, Turnersville Coach for giving us a little information concerning the Turnersville-Ireland six-man football game played on the Turnersville gridiron Friday afternoon. The final score was Turnersville 18, Ireland 12.

At the end of the half the score was 18-0 in Turnersville's favor but in the last quarter the Cardinals completely over-ran the Turnersville backfield composed mostly of reserve men at the time, and managed to chalk up 12 points before the final whistle.

Reports are that Turnersville has a dandy broken-field runner in a lad named Huckabee which completely dominated the Turnersville team while Pearson and Edwards led the attack for the Red-birds.

man. A lateral Moseley to Dumas makes nothing when Dumas is stopped in his tracks by Beaty. The Dragons kick out of bounds on Oglesby's 40. The next play is a pass Carter to Clearman incomplete. Pass Carter to Griffin makes one yd. A triple lateral Carter, to Griffin, to Clearman who makes a beautiful run around RE for a touchdown with Dumas and Mosley at his heels. The Tiger's kick for the extra points was blocked by Dumas.

The remainder of the third period was about even until the Dragons fighting hard, made a hole in the Tiger line letting Mosley through for a touchdown. The score at the end of the third quarter was Pearl 8, Oglesby 18.

In the last quarter the Dragons played mostly on the defense, throwing a block on most of the Tiger's plays but in the last few minutes of the game an Oglesby boy, (we think it was Carter) scored a pass from McKelvain and went over for the final marker of the game. Final score, Oglesby 24, Pearl 8.

Outstanding players for the Dragons were Mosley and Dumas who formed the backbone of the Pearl squad and were in on almost every play during the entire game. McKelvain, Griffin and Clearman stood out for Oglesby while a number of reserves on both teams played excellent football.

Starting lineups for the two teams are as follows:

Copperas Cove Beats Flat, 20-0

Fri. afternoon playing on their own gridiron the Flat Yellow Jackets suffered their second defeat of the season, this time by the hands of the Copperas Cove six-man football team.

The Yellow Jackets, greatly improved after their game with Ireland last Friday, completed 17 passes out of 20 tries which is considered a dandy record in anybody's ball game but just couldn't stop the Copperas Cove lads led by Faubian and Mathias.

Very little information was received on this game other than it was a fight from start to finish with Copperas Cove making their last two touchdowns in the last stages of the game.

Starring for Copperas Cove was Faubian and Mathias, while Halcomb proved to be the sparkplug of the Flat team.

Copperas Cove seems to be putting out an excellent brand of football and predictions are that they may win the six-man trophy without much trouble. However, this remains to be seen.

tackle, stopped by Sydow and White. Smith, around right tackle make 4. Erwin kicks to Jackson, who lets it roll and it goes over the goal. Play is resumed on the 20.

Foster squirms over right tackle for 9 yards. Jones hits off left tackle, for 8 yards and a first down. Jackson shovels to Foster who picks up 20 and takes the ball to the VM 45 yard line. Foster goes over right tackle for 8 yards, and is stopped by Lawrence. Foster picks up enough for another first down. Jackson passes ball is intercepted by Peters, who returns to the 30 yard line.

Smith takes ball, and goes thru for 4 yards. Lawrence is downed after making 1, as he is partially stopped by his own team mates. Smith is just short of a first down. Lawrence kicks from 30 over Jackson's head, who hakes ball on 10 and returns 23 yards to the 33 yard line. Oldham goes in for Wittie. Jackson shovels to Foster, who makes 4 yards over right guard. Reverse, Foster to Jackson makes 4, and is stopped by Lawrence. Jones hits center for 1 yard, lacking about 1 inch being 1st down. Jones fakes punt, short man takes ball and makes first down.

Jackson shovels to Foster, who drops, incomplets pass. Foster takes in 7 yards over right tackle taken in by Warren.

Jackson is stopped at line for no gain. Jackson makes 3 but

not enough, and ball goes over to VM on their own 47. Lawrence goes over left tackle for 4 yards. Lawrence punts out of bounds on the 28 yard line, as the ball game ends 25 to 0, Valley Mills on the big side.
