## Hwy. Department "Gives" Here

In a recent meeting the State Highway Department passed on low bids and awarded Coryell and that he used this road nearly struction.

It read: "Coryell—5.7 miles grading, drainage structures and select materials on feeder road from present road 3.5 miles south of Oglesby to Mother Neff State Park. T. E. Sanderford, Belton, \$37,961.30."

So far, no information has been given on our old crony, Highway 36.

U. S. 84 has been completed from County line to County line, and is the first completely paved road in the county.

Recently in talking to a publisher in Dallas, he stated U. S. 84 east of Gatesville is one of the most beautiful highways in Texas, denced by this list of farmers everytime he passed thru Central Texas.

## Three Lose Three Tires Friday

Three Gatesville people are short one tire and wheel as a result of a wheel and tire raid here, we believe Friday night of last week.

These are reported to be Walter Schaub, Ward McDowell, and Wayne Cole. All these folks live on South Lutterloh Avenue, Gatesville.

So far, no arrests have been made, or the tires recovered or the wheels.

## "To Close or No" Is The Question

Armistice Day, November 11, Saturday!

And merchants hereabouts are wondering if their competitors are going to close.

We don't know!

Now, if you will close Saturday, November 11, whether you are groceryman, drygoodsman, drug-fist, doctor, lawyer, or whatever you are, sign this coupon and leave it at the News office, or give it to us on the street. Then, we'll "put it in the paper" Friday, what you're going to do about it.

## Sheriff Gets Stolen Car Returned

But he had to go after it. Sheriff J. H. Brown, accompanied by deputies, with the help of three boys of Leon Junction, found the car secreted in the bushes near the Junction. License plates had been removed, but other accessories were intact.

The car was stolen from R. K. Carpenter, 413 Sherman, Waco, on the night of October 21.

According to Sheriff J. H. Brown, R. T. "Blacky" Boone is being held.

The car was about a mile and a half from Leon Junction in the hills.

## SCS Greatest Need Of Farmers Here

Soil and water conservation is of paramount interest to the farmers of Coryell county, as evidenced by their list of farmers cooperating with the local SCS Camp.

These men are: Ben K. Green, H. H. Howell, H. A. Schaub, Dr. Leslie Sadler, Charles Dansby, John D. Brown, Earley Bennett, Turk Brown, B. C. Patton, Reed Compton, W. B. Duncan, Herbert Gohlke, Roy B. Miller, Charles Richardson, Loran A. Allen, Phil Compton, Ben Nail and Roy Hayes.

A number of these men are Wacoans, and the work done on their farms is being done in McLennan county by the local camp.

Seven terracing units have been running ten hours a day during the past two months constructing terraces and terrace outlet channels on farms whose owners are cooperating with the Soil Conservation Service in controlling soil erosion.

Mr. Hardy, technician in charge, said that since June of this year, 24 terrace outlet channels and pasture strips, totaling 40,600 linear feet have been excavated by the cooperators, sodded and fenced by the Camp labor. Also, 87 miles of terraces have been run by the Camp Engineers and constructed by the Cooperators.

These mechanical structures are only a part of the system of erosion control measures to be used to control soil and water losses on these farms. The cooperators realize that in order to receive the maximum results from their terrace systems that it will be necessary for them to use contour tillage, strip crops, crop rotation and soil building crops on their cultivated land and contour furrows, controlled and deferred grazing on their pasture land.

## H-D Council Hears Report on Meeting

Mrs. T. C. Msic gave a report at the Council Meeting of the Coryell County Home Demonstration Clubs at the District court room Saturday afternoon, on the recent convention at Lubbock.

Saturday, the Council will sponsor a 15 minute radio broadcast over KTEM at 11:00 featuring "Planning Thanksgiving Dinners for Central Texas out of Central Texas Products."

Other business relative to the H-D Clubs of the county was taken up, including a change in the exhibits to be used in 1940, which will be of an educational character.

Mr. and Mrs. Cyril Hudson and daughters were guests of relatives in McGregor and South Bosque Sunday.

## State Escapee is Captured Sunday

G. B. Minton, as escapee from the State Juvenile Training School was picked up in McGregor Sunday night, after he had escaped from the training school sometime Sunday.

He is alleged to have gotten into E. M. Davis's house opposite the "marker" on U. S. 84, east and to have taken a rifle and pistol and also a little money, shells and one shirt.

At the time of his capture by Sheriff J. H. Brown, deputies, and training school officials, he was asleep in a gin lot in McGregor in a seed bin with a piece of packing paper over him. He was returned to the training school.

Miss Mamie Swenson and Miss Doris Anderson of Wichita Falls, accompanied by Mrs. John Swenson of Clifton, spent Saturday with Mr. and Mrs. Pat Olsen. Guests in the Olsen home Sunday were Mr. Olsen's mother, Mrs. Helen Olsen, and Mr. and Mrs. Otto Solberg all of Clifton.

Mr. and Mrs. Honeycutt Caton of Arlington, and their two children were visitors with Mrs. A. D. Honeycutt a short time Sunday. They had just returned from a 2,000-mile trip in the south and southeast. Mr. Caton formerly lived in Gatesville and is manufacturer and variety store owner.

Mr. and Mrs. V. C. Bradford of Goldthwaite spent the week end with the latter's mother, Mrs. R. S. Farmer, and other relatives in this city.

Mrs. J. M. Sims of Turnersville spent the week end with her mother, Mrs. U. T. Hopper.

Miss Nell Routh, who is attending TSCW at Denton, spent the week end with her parents, Mr. and Mrs. E. Routh.

## Will Rogers' Humorous Story

By WILL ROGERS

THERE'S nothing funnier to a farmer than a city guy that tries to farm. The best joke in any farm neighborhood is tell about some city fellow that don't know how to hitch up a horse or start a tractor going.

Down in Oklahoma they tell about a real smart town woman that had a lot of dough and de-

cid she was going to do some fancy poultry farming. She was investigating around the neighborhood where she expected to start her farm. She was trying to get a little information on the sly, too. She asked a farmer how he could tell when it was time to gather the eggs, and how he knew where to look for them.

"Well," says the farmer, "I reckon that ain't so much trouble. You hear that hen out there in the weeds? She's cackling. That means she's laid an egg out there, and my daughter's starting out right now to find it."

"Huh!" says the town lady. "I guess I'll have it arranged much better on my poultry farm. I could never understand such hen as yours. I'm going to have mine crossed with parrot blood, so that they will come in and tell me when and where they lay their eggs."

## Brief Case Given County Agent

At a meeting of the 4-H Boys, which was county wide, Saturday in the courthouse, those who made the recent trip to the Corn Belt presented County Agent Guy Powell with a brief case.

In addition, the discussion at the meeting included the work done by the club last year, and plans for the coming year.

In the presentation, the following testimonial was made to Mr. Powell.

"We the boys of the Corn Belt Trip have thought that we would like to express in some material way our sincere appreciation for the many courtesies and favors that you have shown us, also for the splendid trip that was made possible thru your efforts. We shall always love and appreciate the fine spirit that has been yours towards us."

We are today extending to you the brief case as an additional token of our appreciation and hope that it will be our privilege to see you use this case in the continuance of the great work that you are doing.

Signed: Your boys, George Williams, Bennie Lee Kelly, A. B. Bennett, Carl Goodwin, Roland Koch, Johnnie Apel, Laverne Dyson, Eddie Wiegand, Billie Wiegand, Clovis King, Elmo King, Twiford Schloeman, Sam Powell Jr., Reavis Harper, Robert Todd, Elton Quicksall, Alton Quicksall, C. ## PUBLIC AUCTION SALE AT FLAT EVERY FRIDAY

Beginning next Friday, November 3, a series of public auction sales will be held at Flat, and anybody, anywhere, who has livestock, farming implements, or anything to sell or trade, is urged to attend these sales.

This series of sales is held under the auspices of the merchants of Flat, and there will be no commission charges on sales. We are also informed that the owner has a right to accept or reject any and all bids.

These merchants would also appreciate your presence at the big variety show that is held at Flat every Saturday night.

## REXALL SALE IS ON WED., THURS., FRI., AND SAT.

The nationwide Rexall 1c Sale opens locally at Koen-Foster Drug Store, Wednesday, in the parlance of the "theatre" runs thru Saturday.

A sale of this character needs no introduction—everyone knows the famous Rexall 1c Sale, and so this story is just to tell you where.

Of course, since Koen-Foster Drug is the Rexall Drug Store here, it's naturally there.

You always get a bargain at these sales, and everytime, new items are offered at these prices that have not been before. Go See!

Jack Williams of Belton, formerly of Gatesville, visited friends here Saturday.

Charles Edgar Lawrence and Elton Blackstock of Brownwood were Gatesville visitors Sunday.

Mrs. E. J. Brooks visited her daughter, Mrs. W. T. Newberry, in Waco over the week end.

**WAR NOTES**

The arms embargo imposed at the start of the war prevented delivery of more than 500 warplanes. Britain and France had ordered in the United States before the outbreak of hostilities.

Correct designation for Germany's western fortifications facing France is "Westwall" or "Limes Line". The term "Siegfried Line" applies to all the fortifications built by the Nazis around Germany's whole perimeter.

Anglo-French air forces in France are nearly in as close bombing range of Berlin as the German forces on the Rhine are of Paris and London. They are

very near the big German cities in the thickly populated Rhine Valley, nearer than German air fields to French industrial cities, and much nearer than the German air fields to the British industrial centers.

Great Britain owes the U. S. a war debt of \$3,316,858,552. Other outstanding debts owed Uncle Sam are France, \$3,654,944,930; Italy, \$1,920,510,524. Total war debt owed by all European states to the U. S.: \$10,270,339,617.

Of all the European powers, not excepting Italy, Germany is the least equipped by nature for the role of a modern and powerful industrial state. There are 30-odd vital materials that an industrial nation needs, and of the lot Ger-

many has in abundance only coal and potash.

All others she must import entirely or in part—all of her precious metals, all of her nickel, chromium, mercury, about 71 per cent of her copper, 71 per cent of her iron ore, 56 per cent of her lead, all of her cotton, silk, rubber and jute, most of her wool, hemp and vegetable oil and over half of her requirements of hides and skins.

Since the beginning of the second Four Year Plan in 1936, Germany has acquired 78,000 square miles of new territory, making an increase in area of 43 per cent. Territory and population are now 24 per cent larger than before the last war. But the economic structure of the Greater Reich is about the same as before, and total self-sufficiency has been increased little, if any at all.

Income taxes are up 50 per cent in Germany, the tax on tobacco up 20 per cent, the beer tax up 14 per cent. It is against the law to ask for a raise in salary or to demand extra pay for overtime in Hitlerland.

Great Britain has boosted its basic income tax rate to 35 per

cent, effective through March 31, and for the following year to 37.5 per cent—more than six times what the British taxpayer had to pay in 1914, 36 per cent more than he had to pay last year and as much as ten times what U. S. taxpayers now pay.

Wrote Economist J. Anton de Haas of the Harvard Business School upon his return from Europe last week:

"The relative internal strength of Germany is less than any other major country. She is much less prepared for war now than in 1914 . . . With Russian troops in Poland her (Russia's) transportation system cannot bear the additional strain of sending appreciable amounts of war supplies to Germany. And there is little reason to believe that Russia will demobilize for some time to come.

The European war, now in its ninth week, has thus far cost neutral and belligerent nations 350,353 tons of merchant shipping seized or sunk by torpedoes, mines or shells.

Of the total Great Britain lost 198,485 tons, neutral nations 74,694, France 42,719 and Germany 34,455.

**THE GROVE 4-H CLUB**

The Grove 4-H Club girls met Monday, October 23, 1939 to elect the Bedroom and Food Demonstrators. After 12 girls answered the roll call, the Demonstrators were elected as follows:

Food Demonstrator, Lola Fae Woody, Bedroom Demonstrator, Dorothy Urbantke. A Halloween party was also planned for the 4-H Club boys and girls which will be given in the School auditorium, Tuesday night, October 31, 1939.

**SHORT ILLNESS PROVES FATAL TO MRS. E. P. DENNY**

Mrs. E. P. Denny, 87, died Saturday night after an illness of about 5 days at her home at Mound. Funeral services were held at 5 o'clock at the grave Sunday afternoon, interment in the Mound cemetery.

Surviving are her children: Mrs. J. H. Malone, Mrs. J. E. Jones, Mrs. H. M. Lam, Wes Denny, Harry Denny and Mrs. Z. D. Lemons. Her husband preceded her in death about 12 years.

Mrs. Denny was a faithful member of the Church of Christ for about 60 years.

What's the use? We guess the Hornets 20 to 7, and they win 91 to 7. Before that, we guessed them 13 to 7, and they lost 0 to 19. Your guess is as good as ours.

That being the case, we'll let you guess again this time. Hornets play Clifton at Clifton.

NAME \_\_\_\_\_  
Address \_\_\_\_\_  
Hornets \_\_\_\_\_, Clifton \_\_\_\_\_

The FIRST one smart enough to guess the score of this game will get to read the Coryell County News one year with our compliments.

Here's the percentages:

Team	P	W	L	Pct
McGregor	3	3	0	1000
Marlin	3	1 1/2	1 1/2	.500
V. Mills	5	4	1	.800
Itasca	5	3	2	.600
Clifton	5	1/2	4 1/2	.100
Mart	4	2	2	.500
Gatesville	4	2	2	.500
West	3	0	3	.000

In percentage, the Hornets have only two above them, Valley Mills and McGregor, but are tied with two others, and have three more conference games. Clifton should not be so difficult; neither should Marlin. McGregor looks toughest.

On the other hand, McGregor has four to go, and this includes the .800 team, Valley Mills, and the Hornets, Mart also. Something might happen.

Looks like the Hornets MIGHT finish well above the .500 mark.

In 6-man, Copperas Cove seems to be just as far ahead of the mob as McGregor is in Class B. Here's the percentage.

Team	P	W	L	Pct.
C. Cove	5	5	0	1000
Ireland	5	2 1/2	2 1/2	.500
T'ville	4	3	1	.750
Pearl	4	1 1/2	2 1/2	.250
Flat	5	0	5	.000
Oglesby	5	3 1/2	2 1/2	.700

**Pearl All-Stars Meet State Friday**

The Pearl All-Star six-man team who has already handed out several defeats this season will engage a six-man squad from the State Training School at three o'clock Saturday afternoon in the State field.

Also, at Flat next Saturday afternoon the Flat Yellow Jackets meet an all-star aggression of that community in an exhibition game on the Flat Gridiron.

According to information received here, several more All-Star teams are being organized in the county, and goes to show the amount of interest that is being taken in this new game, six-man football.

**TOPSEY H-D CLUB**

The Topsey Home Demonstration Club met at the home of Mrs. Edd Fowler on Wednesday afternoon, October 25. The members answered roll call by "Table Manners Tips". The most outstanding tip on table manners was correct posture at the table. The work for the afternoon was piecing quilts.

Refreshments were served to twelve members and three visitors. The visitors were: Mrs. Efton Carroll, Mrs. Ervin Suruant, and Mrs. Bill Allen. The members were: Mesdames Homer Scott, S. S. Vardiman, C. C. Adams, Laura Terry, J. W. Irvine, Victor Frase, H. G. Curry, Vick McBride, Edd Fowler, Alfred Saegart and Misses Eva Durham and Wilma Irvine.

The next meeting will be with Mrs. E. E. Fowler on Wednesday, November 22.

Next Thursday night on the local field, the Gatesville Junior Hornets will meet a team of Evant reserves in a pigskin packing contest that promises to be a real "thriller" from start to finish.

The local team, sparked by Campbell, Morgan and Gandy, are out to redeem themselves after dropping a 12-7 decision to the Hamilton Junior Bulldogs at Hamilton last Thursday night and will be right in there fighting to chalk

up a victory. Very little information was received concerning the Evant squad but from all indications they have a good team, having played the Hamilton Juniors to a 6 to 6 tie when the two teams met some time ago.

If you haven't seen these Junior Hornets in action, be on the local field for the opening whistle at 7:45 next Thursday night. They will appreciate your support.

## A Piece of BALING WIRE and a "GREASE GUN"

Time was, when an automobile owner could keep his car chugging right along if he used a "grease gun" at fairly regular intervals and kept a coil of baling wire under the front seat . . . But them days, as the saying goes, is gone forever . . . Today's automobiles are too complex in their requirements to run right and look good unless they get an expert's care . . . And that's why Humble Service Stations are so completely equipped and Humble Station salesmen are so carefully trained. The salesman, using the equipment at his disposal, can give your car expert attention. He knows, in other words, which kind of lubricant to use where, he knows the right grade of motor oil for your car, he can tell you things about spark plugs and batteries, he can supply you with a gasoline that's second to none in performance . . . It will pay you to shift the care of your car to his shoulders. Begin today; stop for service at the nearest Humble sign.

The News relies not alone on one great wire service—it has TWO . . . the greatest in the world—Associated Press and United Press. It also has the great wire feature service of North American Newspaper Alliance (N.A.N.A.). Most newspapers would be content with these—but NOT The News, which also maintains its exclusively-own bureaus in Washington, Austin, East, West and Central Texas . . . to say nothing of more than 200 local correspondents scattered over the Southwest . . . and the largest local staff of editors, reporters, artists and feature writers of any newspaper in Texas.

In the Big Sunday News you get:

A Rotogravure Picture Section. "THIS WEEK". Color-gravure Magazine, a 16-page comic section in full colors, also The American Institute of Public Opinion, with Dr. Gallup's weekly polls.

## Texas Youth Builds a Place to Worship

(1) This "Chapel in the Woods" on the campus of Texas State College for women was constructed of native gray limestone by NYA boys ranging in age from 18 to 25. Primarily a place for individual worship and meditation, the chapel will also be used for many extudent weddings.

(2) Over 500 art students of the college, supervised by Miss Dorothy A. LaSelle, director of chapel

art projects, have contributed to the design, decorations, fixtures, and furnishings. General theme of the art work is woman ministering to the needs of the world. Critics pronounce this one of the nation's outstanding amateur art projects. Miss Marilyn Yates, Houston, is shown working on window sketches.

(3) Sammy Tate, Ennis, designed and constructed the main lighting fixtures of brass, saw-pierced and

privited.  
(4) Mrs. Franklin D. Roosevelt will take part in the dedication ceremonies November 1.

Inset: President L. H. Hubbard who made his dream of such a chapel come true. Funds for the materials came from a \$15,000 gift of Mr. and Mrs. W. R. Nicholson of Longview who have three daughters in TSCW and a like sum raised by students, alumnae, and faculty members.

**Will Rogers'  
Humorous Story**

By WILL ROGERS

THEY got so much electric stuff in the modern houses now that life is a lot easier to live. All the work just does itself by electricity, and then there's the radio. But I heard about a guy that had a general short-circuit in his house not long ago. He'd been entertaining some folks, but they'd all gone to

sleep on their chairs after the third cocktail, and the host woke up when he heard an awful noise. He ran out in the street and hollered for a cop.

"Say, officer," he says, "come up to my apartment quick! They's something wrong with the wires or the static or something!"

"How do you know?"  
"Well, the vacuum sweeper is going around the living room singing alto, and the radio is all red hot on top and the refrigerator has burned up the meat in it. The sewing machine is telling a bedtime story, and Dr. Cadman is talking over the electric fan! You better come in before the electric iron gets to cracking jokes with my guests!"

**Want a New Cake  
that's Extra-delicious?**

*Here's one with a  
rich warm color  
and an enticing  
new flavor*

No wonder this cake is called Prize Cake! It has such a wonderful combination of flavors. So unusual, too, and just the kind that appeals to men!

We'll wager you've never tasted anything quite like this blend of cinnamon, cocoa and vanilla with chopped nuts and raisins! And the pure new vegetable shortening, Spry, lets the full flavor of these ingredients show up to best advantage. This Prize Cake is light and tender as can be. It keeps fresh and moist for several days, and what's more, you can mix it in a jiffy.

**Delicious Frosting**

You'll be delighted with the creamy chocolate frosting, too. Like the cake, it stays beautifully fresh and moist. It is so easy to make and so inexpensive, you'll want to use it for your favorite layer cake or for cup cakes. So cut out the recipe now and plan to make it soon.

**PRIZE CAKE**

- 1/4 cup Spry (new vegetable shortening)
- 1/4 teaspoon salt
- 1 teaspoon cinnamon
- 2 tablespoons cocoa
- 1 teaspoon vanilla
- 1 cup sugar
- 2 eggs, unbeaten
- 1/4 cup seeded raisins, chopped
- 1/4 cup nuts, chopped
- 1 1/2 teaspoons baking powder
- 1/4 teaspoon soda
- 2 1/4 cups sifted flour
- 1/2 cup water

Combine Spry, salt, cinnamon, cocoa, and vanilla. Add sugar gradually and cream until light and fluffy. Add eggs, one at a time, beating thoroughly after each addition. Add raisins and nuts and mix well. Add baking powder and soda to flour and sift 3 times. Add small amounts of flour to creamed mixture, alternately with water, mixing after each addition until smooth.

Pour batter into an oblong pan, 12 1/2 x 8 x 2 inches, greased with Spry. Bake in moderate oven (350° F.) 45 minutes. Spread Easy Chocolate Frosting on top and sides of cake.

**Easy Chocolate Frosting**

- 2 tablespoons Spry (new vegetable shortening)
- 1 tablespoon butter
- 1 1/4 ounces chocolate
- 4 tablespoons scalded milk
- 2 cups sifted confectioners' sugar
- 1/4 teaspoon salt
- 1/2 teaspoon vanilla

Melt Spry, butter, and chocolate together over hot water. Pour hot milk over combined sugar and salt and stir until sugar is dissolved. Add vanilla. Add chocolate mixture and beat until smooth and thick enough to spread.

**TEXAS TAX BILL AND TEXAS CROP VALUE COMPARED**

Total amount of taxes paid by the people of Texas during the fiscal year 1938 was equivalent to more than the value of all the field and non-field crops produced in the State that year, plus the value of all the wool and mohair, plus all the cash income from cattle and calves, according to the current issue of The Taxpayers Digest, Dallas.

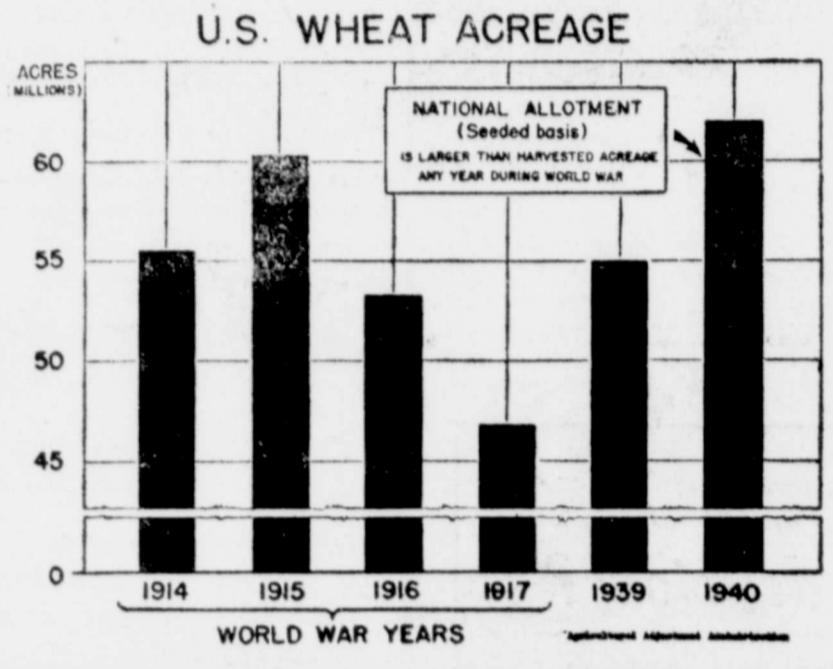

The new tax publication for Texas, published by The Taxpayers Research Bureau, Dallas, and edited by Peter Molyneux, widely known journalist, author, and economist, with Booth Mooney as associate editor, points out these facts in its first regular issue, dated November 1.

The total tax bill of Texans for the fiscal year ended June 30, 1938, was not less than \$454,000,000. The Taxpayers Digest explains, while the combined value

of all State crops, all wool and mohair, and all cash income from cattle and calves amounted in 1938 to \$452,200,000.

"The revenue of the State Government of Texas raised by taxation during that period amounted to \$111,650,527," the paper says, "and that of all the local governments of the States amounted to \$120,283,286. The Taxpayers Research Bureau estimates the Federal taxes paid by people of Texas during that year was not less than \$221,600,000, an extremely conservative estimate. The total of these figures is \$454,000,000, and certainly the 1938 tax bill of the people of Texas was not below that sum."

Value of all the crops produced in Texas in 1938 was 324,400,000, that of all the wool produced that year was \$19,100,000, that of all the mohair was \$6,750,000 and cash income from cattle and calves amounted to \$101,950,000. "The total of these figures,"

## HALLOWEEN

WITH AN "A" OR "E"?

It's a festive time—not a time for vandalism. Just because it's connected with masks, witchery, graveyards, and other spooky "representatives", it's no sign there's a license to tear up any and everything you can get your hands on.

No, we are not getting old!

It's just our suggestion that everyone have a big time during tonight's session with the denisons from the Netherlands, and make plenty of noise. It's not necessary, however, to tear anything up, to mutilate or deface property. That, in the victim's eyes, and other thinking people, is Hellowe'en.

Let's keep it Hallowe'en! Even the word has a part of "hallowed" in it.

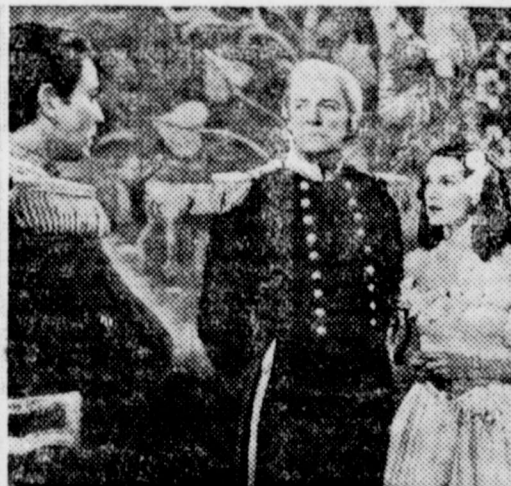

## "SOULS AT SEA"

Paramount's Dramatic Thunderbolt of the Sea tragedy on the "William Brown" with GARY COOPER, GEORGE RAFT, FRANCES DEE and OLYMPE BRADNA directed by Henry Hathaway.

That evening Wilcoxon's mother is entertaining some guests. Fashionably gowned women and well dressed men are serving themselves as they pass around a long table. She explains that all her servants would leave if she didn't allow them to see her daughter's maid, Olympe Bradna, off to America. Wilcoxon enters and joins the guests.

In a corner of the room Captain Emery reveals his love to Frances. Wilcoxon moves towards Captain Emery and his sister, paying little heed to his mother's protesting hand. He refuses to allow his sister to marry Captain Emery. Wilcoxon creates a scene. The captain believes it is because of his age. leaves as Frances goes to her room in rage.

The same evening Wilcoxon heads for the William Brown ticket office where he buys passage to America. Boarding the boat the head of the British Intelligence sees him and leaves to make a report. Meanwhile Frances Dee, her engagement off, decides to flee to America with her maid.

En route to the pier she encounters a huge crowd of people watching a fire. Cooper also is scheduled to sail on the William Brown. He spies the carriage, realizes her predicament, picks her up and carries her to the ship. At first she is angry but later thanks him. What will Cooper do when he finds that Frances is the sister of his enemy?

**HUCKABEE STARS, AS T'VILLE DEFEATS FLAT SIX-MAN TEAM 29 TO 6, FRIDAY**

By **WILSON BRAZZIL**  
Six-Man Football Editor

A badly bruised squad of Flat Yellow Jackets dropped their fifth straight game of the season to a husky Turnersville team on the Flat gridiron Friday afternoon the final score, Turnersville 29, Flat 6.

Huckabee, curly-headed Turnersville gridster was the outstanding star of the ball game, and one of the best broken-field runners that it has been our privilege to see in action. Walker also of Turnersville turned in a wonderful performance, making several deep penetrations into the Flat territory for substantial gains.

All of the Flat gridsters played good football, especially Halcomb, Blackshire, and Powell who were responsible for most of the yardage gained by the Jackets. Copeland and Halcomb were handicapped by injuries but turned in a good defensive performance and smothered several scoring plays for Turnersville.

**PLAY BY PLAY**

**First Quarter**  
Walker kicks to Powell on 10 who fails to return. Copeland makes 3 around RE. Blackshire makes 3 thru center. Powell makes 3 around RE. Copeland punts to Turnersville 25 and is recovered by Powell.

# Hornets Win 2nd Conference Victory by Taking West 91-7

By WILSON BRAZZIL

The Gatesville High school Hornets won their second conference victory of the season by completely smothering the West Trojans under the lights here in the "Butter" Bowl Friday night. The final score, Gatesville 91, West 7.

In a brilliant display of ball carrying ability the Hornet backfield composed of Jones, Jackson, Culberson and Kirkpatrick had little trouble breaking thru the Trojans' line of defense and getting away for enormous gains.

On the line Capt. White and Sexton played wonderful defensive ball for the Hornet, breaking over and smothering the Trojans' plays before they were scarcely brought into action. Hodges, Wittie, Gribble and Whigham played their us-

ual brand of football paving the way for the backfield men to crash through on those long sweeping end runs that occurred during the game with amazing frequency.

Koen and Willenborg, a couple of West lads turned in excellent performances for the visitors but were hardly ever able to gain much ground when smacked by the Hornet line. Nichols another backfield man for the Trojans played a good game until injured and was forced to retire from the field.

The Trojans' touchdown was scored on a long bullet-like pass, Willenborg to Hahn who ran 54 yards and over the goal line with Hornets swarming all over him. Willenborg made the extra point over Center.

The most sensational play of the game took place when Jones took the ball for the Hornets on his own 20 and raced 80 yds for a touchdown. Several other Hornet markers were made on runs of 50 yards or more.

Now for a few statistics concerning the game. Gatesville scored 13 touchdowns and Kirkpatrick converted the extra point 13 times without a failure which is very unusual considering the large score. The Hornets gained 564 yards from the line of scrimmage on 41 plays, making an average of 13.86 yards per play. Five Trojan passes were intercepted and returned for a total of 95 yards, an average of 19 yards each time.

### Pearl Loses To Ireland, Friday

The "Fighting Irish" of Ireland marched on toward the top of the six-man league by stopping the Pearl Dragons 24 to 8 at Pearl, Friday afternoon.

Ireland scored one touchdown in each quarter of the game, Edwards, flashy Ireland end accounting for three of them and Moore the other.

Pearl scored on a long pass, Moseley carrying the ball over for the marker and also kicking the extra points according to information received here.

Moore started for Ireland playing outstanding football all the way, and was closely followed by Pagel and Edwards.

As usual, Moseley and Dumas proved to be the sparkplugs of the Pearl team and were credited with several substantial advances through the Ireland line.

Farmers in the region of Laredo expect to begin marketing tomatoes and sweet peppers in Oct.

### C. Cove Takes Oglesby, 47 to 13

The Copperas Cove six-man team still remained at the top of the six-man league after handing the Oglesby squad a 47-13 defeat on the Oglesby gridiron Friday afternoon.

Very little could be learned about this game other than it was a rough-and-tumble battle with Copperas Cove finally coming out on the big end.

Clearman and Ethridge scored the touchdowns for the Oglesby team, and we suppose that Faubian and Mathias, brilliant two-man combination of the Cove team scored the Copperas Cove touchdowns.
