The News is glad to assist in this worthy cause by furnishing publicity for the occasions.

Just because it is called a "Tin Can Matinee" is no reason vegetables, fruits or other foods could not be accepted for admission.

Dates of the "Tin Can Showing" have not as yet been worked out, but will be announced FREE in the columns of the News, when the dates are ready to be announced, shortly before Christmas.

Knobknocker Fails At McClellan's

He or they didn't fail to knock the knob off Jim McClellan's safe, but they did fail to get in, where it was rumored there were some \$600.00 waiting to be taken.

All the parties got, was \$15.00 out of the cash register, and a couple of cartons of cigarettes.

Supposition is that Sunday morning between 7 and 9 a. m. he or they got into the store and hid behind flour or something until the store was closed. Exit was made thru a back door.

As yet, no one has been arrested and charged with the "mischief".

Erle Powell, student at TCU in Fort Worth, visited his parents, Mr. and Mrs. Will Powell, over the week end.

ALL THOUGHTS ARE CRYSTALIZED ON "TURKEY TUSSLE" FRIDAY NIGHT, 7:30

PEP SQUAD HAS DUCATS FOR LOCALS: GET PERCENTAGE

You can have your TCU-SMU set-to, your TEXAS-A&M battle, or your ARMY-NAVY game, but as far as people of Gatesville, Coryell County, and McGregor, McLennan County are concerned, these are "bush league" activities. There is nothing more important in "these parts" than the annual contest between Gatesville High School Hornets and McGregor High School football teams which will be played on Wood Field, McGregor, Friday night of this week at 7:30 p. m.

Superintendent Jenkins Sunday, informed us, there WOULD be seats for all. New stands have just recently been installed, and this week, they are adding additional seats to take care of probably, the largest crowd to ever see a Class A High School football game in Central Texas. This game, by the way, is probably the Home Coming Game for both high schools, as it is always on the schedule, and always Thanksgiving.

PEP SQUAD SELLS DUCATS

Gatesville High School Pep Squad Girls will be turned loose this week with ducats for this game, and all Gatesville and Coryell county folks may buy theirs

from the local lassies. The local school, gets a percentage on the tickets, and there is no "heist" in prices, adults being 50c and high school students 25c.

Reviewing the situation for the conference season, it looks like on paper, the McGregor Bulldogs are away out in front. Here's the record as we have it:

Hornets
GHS 0, Valley Mills 25
GHS 13, Itasca 0
GHS 6, Mart 19
GHS 91, West 7
GHS 27, Clifton 6
GHS 41, Marlin 12
Bulldogs
MHS 40, Clifton 0
MHS 33, West 0
MHS 46, Marlin 0
MHS 30, Valley Mills 0
MHS 41, Mart 0
MHS 39, Itasca 0

In this comparison, no one has scored a single point on the Bulldogs. However, the Hornets took West at a larger score, and the score is about even on both teams when they met Marlin, the Hornets being 41 to 13, and the Bulldogs being 46 to 0. Comparisons, however, in this game mean exactly nothing. There'll be two great teams in action on Wood Field Friday night of this week, and we advise, "let nothing stop you from seeing the tussle."

Townwide C. of C. Meet, Tonite, 7:00

President J. Hurl McClellan has called a meeting, townwide for the discussion of Christmas decorations for the city for the holidays. The meeting will be at 7 o'clock tonight.

Mr. McClellan stressed the fact that all those interested in these decorations were urged to be present. Other matters may come up also in the meeting.

Jack Bethel of Galveston was a guest of his father, S. F. Bethel, Monday.

Attempt to Get Class B Game

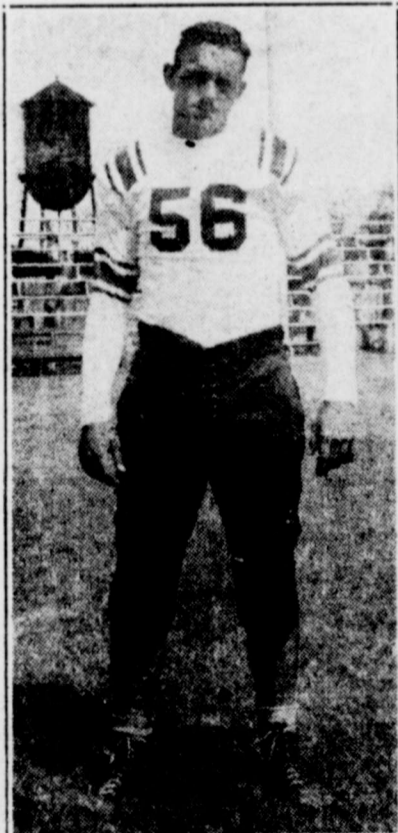

Superintendent Ercell W. Brooks and President of the School Board, Edgar Franks, accompanied by J. Hurl McClellan, representing the Gatesville Chamber of Commerce, and Horace K. Jackson, the Lions Club, were in Star Friday attempting to get a bi-district Class B game slated for the Butter Bowl.

As yet, authorities at Star do not know which team they will meet in bi-district game, but it is thought the team will be Kerens.

With the local Butter Bowl facilities, ahead of most of those in small towns, and midway between the opponents, a nice proposition has been given Star for the game.

As the football season begins to fade, basketball teams from all over the county begin their workouts in preparation for the coming season with several contests scheduled for this week.

And speaking about basketball that Pearl-Wayside game at Pearl Tuesday night, November 28, looks like a real drawing card.

The Flat six-man team, cellar team of the league have forfeited their games to Turnersville and Copperas Cove and go to Jarrell to meet the Jarrell Tigers Friday.

Turnersville and Oglesby who have been playing desperately for second place in the six-man conference, are scheduled to meet at Oglesby Thursday of this week. This is a game of great importance to both teams and one that is due to draw out a lot of "rooters" from both places.

For those of you who like to laugh, don't miss the "roughneck" game at Flat Saturday. It promises to be a "Wow"!

Reports from Levita says the girls team is progressing nicely and expects to hand out quite a lot of competition to the other girls' teams of the county when the official basketball season gets in motion.

Gatesville will probably resemble a "Ghost Town", Friday as local football fans are planning to follow the Hornets in large droves, to witness the annual "Turkey Day" game between the McGregor Bulldogs and the Gatesville Hornets.

**"Roughnecks" vs.
"Roughnecks" Sat**

A cargo of laughs will be dumped at Flat Saturday when the Leon Junction "Roughnecks" meet the Flat "Roughnecks" in a bruising six-man contest on the Flat playing field.

These "Roughneck" teams, by the way, are composed of Blacksmiths, Druggists, Merchants, Doctors, Preachers, Bus Drivers, Horse Traders and Farmers, all bald-headed, stooped and approaching middle age, and plenty of liniment adhesive tape and even an ambulance is said to be ready and waiting to take care of any emergency that might occur.

Never let colored clothes lay in a clothes basket or with other clothes. Handle them sperately, and hang them to dry as soon as they are laundered.

Courtesy is the badge of the good driver.

**Pearl Lassies To
Play Wayside**

Basketball fans of the county will be privileged to see a real exhibition of high class basketball, Tuesday night November 28 at Pearl, when the Pearl lassies meet a team from Wayside.

Wayside is said to have an excellent team this year and are stopping over at Pearl on their way to Galveston where they are scheduled to play a team from that city the latter part of next week. This team was a runner-up in the AAU meet last season being barely nosed out by Allison who won the championship. Wayside is located in Armstrong county, Texas, near Amarillo.

**Godley Defeats
Keene, 38-7**

Last Thursday the Godley High School Girl's basketball team, coached by S. V. Dickenson, formerly of Ireland, trounced a sextet of Keene girls 38 to 7 at Godley.

The Godley team is still undefeated and are said to be improving with each game.

TWO - HUNDRED - YEAR - OLD MILL ROLLS AGAIN

An old millwheel turns again

STRIKING a note of peaceful industry in the battle-crowded news of the day, a two-hundred-year old grist mill on the historic plantation home of General Robert E. Lee in northern Virginia resumed last week its clattering and creaking to supply neighboring farms and homes with flour ground between millstones, worn by centuries of service. Jutting over its picturesque mill pond and rushing flume on the famous Lee homestead in Stratford, Va., the restored building shows an authentic and moving picture of an institution which was once the social center of all American communities.

The restoration was made possible by Former United States Senator Jesse H. Metcalf of Providence, R. I., and James F. Bell of Minneapolis, Minn., chairman of the board of General Mills.

Although there are many fine examples throughout the country of old mills from the 1800's, the search for wooden machinery from pre-Revolutionary days was nearly abandoned many times. But Senator Metcalf and Mr. Bell had determined to rebuild the mill just as it was, and the correct type of

MORE than a year of painstaking research by historians and experts on old American milling went into the restoration of the Lee mill. In a deed to the Lee plantation dated 1740 the mill, which was then performing the same duty it is today, was referred to as "the old mill." Historians have taken this to mean that the original mill and its machinery antedated the American Revolution by more than fifty years.

After sufficient data had been gathered to draw up plans for rebuilding the mill ruins, the interesting task remained of finding carpenters, copper-smiths, stone workers and other artisans who could do the actual building in the manner of two centuries ago. Many of these workmen, from neighboring farms, were found to be descendants of workers and millers who were employed in the original mill more than 150 years ago.

Wooden machinery like this is hard to find...

machinery was finally found in a two-century-old mill in Maryland. It performed correctly with little restoration. The authority on the installation of machinery was Professor B. W. Dedrick of Pennsylvania State College, the country's foremost authority on ancient mills.

With the restoration completed, it is conceded that the Lee plantation possesses the only working example of the country's oldest type grist mill.

TRAVELIN'?

Yes, we know the vacation season's over, but the holiday season is coming up, and besides, there are thousands of our friends and customers who earn their living "on the road." . . . So the question isn't out-of-place, after all. Nor is the suggestion which follows: when you travel by car, you'll find it more comfortable if you'll fill up at Humble stations on the way. . . . They are, first, clean. Driveways are scrubbed, brightwork shines, and restrooms are as spotless, as sanitary, as your bathroom at home. Second, they are fully supplied with products which are second to none in performance. Humble offers you your choice of three LEADED gasolines, one for every car, every pocket-book: Humble's Balanced 997 Motor Oil gives perfect performance. . . . Third, you'll like the neatly uniformed Humble Station salesmen you meet. They're capable, prompt, courteous, genuinely helpful. . . . To the traveler by car, the Humble Service Station is a real oasis of the highway—stop for service where you see the Humble sign!

ROBERT UPDEGRAFF LISTED AS ONE OF "THE SIX GREATEST ADV. MEN"

Seventeen or eighteen years ago Robert Updegraff wrote a story for the Saturday Evening Post which has since become an advertising classic. The title of the story is "Obvious Adams." It is about an advertising man who succeeded by always doing the simple, obvious things. For instance, when advertising was young, the hat companies in the ads always illustrated their hats on full length figures of men, so the hats were small and did not stand out. Adams grabbed a pair of shears and sliced a perfectly good photograph on all sides until there was nothing left but the hat, a smiling face, and a suggestion of a collar and a necktie. "Now," he said laying it on the magazine page, "run that and put your copy in the left hand corner." His obviousness created the first advertising "close-ups". Updegraff is one of my selections for my Advertising Hall of Fame because he first taught that doing the simple, obvious things which people miss is usually more effective than striving for the sensational. He emphasized that advertising is not magic, but just common sense.

The ALEXANDER KORDA'S FIRST MUSICAL PRODUCTION GAITY GIRLS

WHAT HAS GONE BEFORE:

Jeanette Dupont, Paris chorus girl, is given a lift by millionaire Rene Martin's chauffeur in Martin's luxurious car. As a result, the rumor gets about that she is Martin's sweetheart, and Jacques Thibaud, producer of the show she is rehearsing, makes her the star in the hope that Martin will invest in the show and save it from impending ruin. When merchants start sending expensive gifts to Jeanette and charging them to the bachelor Martin, he goes to Jeanette's theatre to denounce her. But she mistakes him for a reporter and gives him an interview about her friendship with Rene Martin. Conquered by her beauty, Martin fosters the mistake in her mind, falls in love with her, and makes an appointment for another "interview."

Chapter Four

Jeanette Dupont, the new star of the show, was rehearsing one of her song numbers at the theatre when Miki, brandishing a newspaper, drew her to one side.

"Take a look at that. Charming man, Mr. Duval. Not at all like a reporter — and such a nice smile!"

"You're right. I'm nothing but a young reporter. Of course that goes against me, doesn't it? You prefer men of position, men with money and cars."

"No, no. I like you for what you are."

"You do?" he caroled happily.

"Oh, say that again."

The interview proceeded. She had started as a chorus girl when she was sixteen. Then, last winter, she had met Rene Martin.

"I see. And Rene Martin fell in love with you?"

"He did nothing of the sort."

"Then the man's a fool."

Jeanette sprang to the defense of her Rene. He was not a fool—he was extremely intelligent. Challenged by M. Duval to describe him, she replied that he was — he was just sort of ordinary-looking.

Neither dark nor fair. In fact, he was bald. Very bald? No — er, just bald. And he had a lovely house.

Where was his house? Well, she didn't know — he always sent for her in one of his cars. In fact, there it was now — waiting for her outside the restaurant!

And she hurriedly said her adieu and ran out, while Martin, enjoying it all hugely, watched her get in his car and drive off with his chauffeur to testify for him in court.

.....

Jacques Thibaud was again be-

"I didn't write this. I had nothing to do with it!"

Jeanette looked. There was the item in the gossip column, containing all the innuendoes that her interviewer of the day before had promised to leave out. "Rumors of a romantic nature," it ran, "mix the name of Miss Jeanette Dupont, yesterday a chorus girl, today a leading lady, with that of a certain well known business man whose amusements have hitherto not been known to lie in that direction. Good luck, Rene! Good hunting, Jeanette!"

Jeanette furiously flung away the paper and went to her dressing room.

Four o'clock found her in the little restaurant across the street, waiting with both barriers loaded for the perfidious scandalmonger. He was punctual, bursting in with beaming countenance and bustling up to her.

"Good afternoon," greeted Jeanette, thrusting the paper under his nose. "I like the way you kept your promise!"

He glanced at the paper. "Oh, but I didn't write that. I'm a cheap gossip writer, no doubt. I don't know anything about it, honestly."

"You mean that?"

"Of course! Besides I wouldn't break my word, especially to you. I don't write that kind of nonsense. I write big stuff — comment on important news events. Do sit down."

Jeanette sat down, partly mollified.

"What will you have?" he chattered on. "Brandy, beer, wine? The tea here is terrible."

"I like it," said Jeanette.

"Do you? So do I. Waiter, some tea, please. It's lovely."

He took up the thread of the "interview" where they had left off the day before. "Now, point number one. I noticed yesterday that you weren't wearing — er — and I wondered whether it meant —"

"If you're asking me whether I'm engaged, I'm not. But why do you ask things in such a roundabout way? If you want to be a success you must be direct." The girl who had made good was lecturing the struggling neophyte. "You'll never get anywhere if you're nervous."

leaguered by his unreasonable creditors. Hadn't he told them that Mr. Rothschild was going to call on him, and that they would get their money? And where was the money?

Thibaud expostulated indignantly at their vulgar bickering. Why couldn't they behave like gentlemen? And besides, wouldn't it surprise them to learn that Rene Martin himself was backing the show.

"Rene Martin!" scoffed Lanson. "Huh! You can't fool us twice!"

At that moment Jeanette walked into the office.

"Oh, come in, my dear," cried Thibaud. "I say, this will amuse you. These gentlemen won't believe that Rene Martin's backing my show, and you know perfectly well that we're having supper with him tonight to arrange final details. Isn't that so?"

"Oh — oh, yes, of course," stammered the slightly dazed Jeanette. "Where are you having supper?" demanded Lanson.

"Oh, er — wasn't it —" murmured Jeanette.

"Yes, of course it was," assisted Thibaud. "That's where we're having supper."

"Where?" insisted Lanson.

"I've just told you. At the Jardin du Bois."

"We shall be there," announced the creditors unanimously, as they stalked out, leaving a heavy air of incredulity behind them.

"Jeanette, you've got to do this for me," pleaded Thibaud when they were gone. "Otherwise I'm sunk — the show can't open. You can get Martin to come for supper. What could be easier?"

"Yes. What could be?"

"You will do it for me, won't you?"

"Well —"

"I knew you would—that's sweet of you. I'll bring Miki along and we'll make a foursome and have a grand evening. Now you hop along and fix it up with Rene. I've got a lot of work to do."

"Yes," said Jeanette, groggily. "So have I."

THE TRUTH SIMPLY TOLD

Today's popularity of Doan's Pills, after many years of world-wide use, surely must be accepted as evidence of satisfactory use. And favorable public opinion supports that of the able physicians who test the value of Doan's under exacting laboratory conditions.

These physicians, too, approve every word of advertising you read, the objective of which is only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes.

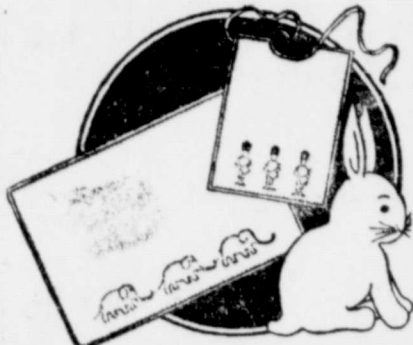

If more people were aware of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, there would be better understanding of why the whole body suffers when kidneys lag, and diuretic medication would be more often employed.

Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out.

Use Doan's Pills. It is better to rely on a medicine that has won world-wide acclaim than on something less favorably known. Ask your neighbor!

THANKSGIVING

THANKSGIVING

By BELLMAY BELLCOR

Out into space we launch life's
boat
For the cycle of another year
And now we are nearing historic
close
Its records of truth to share.

To make word pictures of the
shores fair,
And ones also of the deserts fare
With mortal plans to link and pair
Creating thus a triune truss.

To destine our country by sacred
care

Since the Pilgrims at Plymouth Rock set apart a day after their first harvest, Thanksgiving has been an American institution. As a day of family feasting and pleasure, it has no equal on our calendar. But Thanksgiving has a deeper meaning to us, too. It is the day which we have specifically set aside to give thanks to the Almighty for the benefits received during the past year, and on which we express the hopefulness that the next year will bring us our needs and that "peace will reign on earth."

To gather its gifts to man, in store
And lay the surplus at threshold
lore.

Then mince our "goodies" with a
National grace.

Thankful for the fruitful mass
Thankful for the fruitless space—
Man's opportunity to try and bring
for naught
A future fraught—joint-heir of
the National Thanksgiving.

Thanksgiving for fruitfulness
Thanksgiving for space
Thanksgiving for His innumerable
blessings
Is worthy of two days (yes, 365
days) of grace.
But the National should be in unity
—one specific day of grace.

Hornets Down Marlin Bulldogs to Win 4th Conf. Victory 41-12

By WILSON BRAZZIL
News Sports Editor

Playing their last home game of the season, the GHS Hornets pulled another victory from the hat Friday night to win their fourth conference game out of six starts by canning a ferocious pack of Marlin Bulldogs 41 to 12. It was another one of those "razzle-dazzle" performances turned in by the Hornet club this year and one that was packed full of spectacular plays from start to finish.

It would be a hard matter to pick an outstanding player from the entire squad of Hornet stars, unless it was Moore who pulled several of Kirkpatrick's passes out of the clouds and marched over for his share of the scoring honors. Jones punted brilliantly, Kirkpatrick passed long and accurately. Jackson and Foster in the back field did a lion's share of the ball carrying, while White Ward and Wittie played a jam-up game on the line.

Only one, in the second quarter, when Phipps, Marlin back, was passing so accurately and desperately, did the Hornets look ragged.

Phipps, Marlin back, looked good to us, passing almost continuously, however many of them went wide of their mark, while others missed by only a few inches. Codle

at RE played good football for the visitors and was the receiver for most of Phipps' passes. Hammond and Shelton won their spurs on the defense by turning on the speed in several instances and overtaking the Hornet ball carrier who was wide loose and heading for the goal line.

Both teams drew several penalties for being off side, unnecessary roughness, and one 15 yard penalty was assessed against the Hornets for clipping.

Marlin passes 23 times, completed 8 and two were intercepted by the Hornets, Jones taking one on the Marlin 38 and racing for a touchdown, while Wittie took the other to the 10 yard stripe where it was carried over by a Hornet on the next play.

Gatesville passed four times, 2 incomplete and 2 complete. The last two were good for touchdowns.

Now for the play by play.

First Quarter

Hornets receive, Foster taking Stony's kick on the 15 yard stripe and returns it to 30. Kirkpatrick on reverse makes 2 over LT. Jones losses three around LE. Jones gets off long nice kick, ball going to Marlin 41 yd. line.

Phipps is stopped at C. and thrown for 3 yard loss by Sexton. Phipps passes nicely to Stony

for 10 yards. Stony fumbles ball and Foster recovers, picking up 3 around RE. Jackson plunges C for 6. Handback, Jones to Kirk makes one-half yd. Handback, Jackson to Foster, who is thrown for 7 yard loss by Stony. Jones punts 47 yards ball killed on Marlin 13 yard line.

Phipps goes over RE for 1 yd. Phipps crashes over LT for another yard. Stony kicks to Jackson on 50 yard stripe.

Kirk on reverse makes 5 over LT. Lateral, Jackson to Kirkpatrick to Koster who picks up 5 around RE. On a bad pass from Center the ball goes over Jackson's head and is recovered by Kirk for a loss of 10 yards. Pass, Jack to Foster, almost complete. Turnipsede replaces Stony at HB for the Bulldogs. Jones quick-kicks to Marlin 9 yard line.

Hammond makes 5 over RT. Shelton kicks out on own 34.

Jackson passes incomplete and ball is almost intercepted by a Bulldog. Shovel pass, Jackson to Kirk makes 15 thru C and 1st down. Hand back, Jackson to Foster, good for 3 over RT. Jones plunges thru hole in center for 5. Jones makes 1 thru C. Foster makes 4 at center and 1st down. Abbenlis in for Davis at RT for Marlin. Jackson goes low thru C for 2. Foster takes ball from center and goes over standing up for

touchdown. Kirkpatrick dives thru C for point. Gatesville 7, Marlin 0.

Phipps receives ball on 36 and makes a return of 2 yards. Phipps passes, ball is intercepted by Jones who races for Touchdown from Bulldog's own 38 yard stripe.

Foster fails at C for point.

Anderson replaces Sexton at C. in the Hornet lineup and Sydow goes in for Ward at G as first quarter ends. Gatesville 13, Marlin 0.

Second Quarter

Jones kicks out of bounds and ball is returned to Marlin 35. Phipps passes long and incomplete to Parsons. Phipps passes incomplete to Lokey, a long beautiful pass that missed by only a few inches. Phipps passes complete to Parson for 10 yards. Another pass, Phipps to Codle is complete but Codle finally drops ball and Hornets recover.

Jones over C picks up 3 yards on spinner. Gatesville is off side on play and draws penalty. Jackson to Foster to Kirk fail to fool Codle at Marlin RE and is stopped for 3 yard loss. On handback from Jackson, Foster is thrown for 4 yard loss.

Hammond takes Jones' kick on own 25 and is brought back to 39. Phipps on reverse picks up one half yard over LT Phipps passes almost complete to Lokey. Phipps passes complete to Codle

who is run out of bounds on 41. Pass, Phipps to Shelton is almost complete but high. Pass, Phipps to Codle makes 15. Phipps passes incomplete to Hammonds. Phipps passes to Hammonds again, this time it is good and Hammonds makes touchdown. Steele replaces Hay at LT for Bulldogs. Hammond fails at center for point. Gatesville 13, Marlin 6.

Hornets receive, Hammond kicks Steele holding and Kirk takes ball on own 30. Hand-back, Jackson to Foster is good for 3 over LT. Jackson fails at RE. Handback, Jones to Kirk makes 8 and 1st down. Another handback, Jones to Kirk is good for 1 over LT. Foster plows over RT for 8. Jones punts out on 16. Davis replaces Abbenlis at RE for Marlin.

Phipps passes incomplete to Davis. Complete pass, Phipps to Lokey over C makes 7. Shelton plunges C for 1st down. Phipps passes incomplete to Waldo, Kirk almost intercepts. Moore replaces Whigham at LE in Hornet lineup. Pass Phipps to Codle is close but incomplete. Pass, Phipps to Lokey over center is good for 1st down. Complete pass, Phipps to Lokey picks up 7. Phipps passes incomplete to Hammond broken up by Foster. Ward in for Sydow at LG for Hornets. Phipps makes one half yard at C. Shelton kicks out

The modern machine age is becoming quite evident in Gatesville with the establishment of an electric manicuring machine at Elliotts Beauty shop that trims and polishes the nails and a combination electric phonograph and piano nickel machine at Meeks Cafe. Unlike the ordinary musical instrument, the one at Meeks has many new features and is ornately decorated in ultra modernistic design.

When the town is shut up as tight as the proverbial jug handle and after the dinner dishes are pushed away on Thanksgiving Day, holiday folk might be interested in attending the annual football classic on the local gridiron between two age-old rivals—Gatesville and McGregor. The regular Turkey Day contest between the two schools dates back for many years and always has been played on that day with few exceptions.

COPPERAS COVE SLAYS PEARL DRAGONS 26 TO 6 IN THRILLING SIX-MAN GAME

By WILSON BRAZZIL
News Sports Editor

Friday we got the cart before the horse and had Copperas Cove playing Turnersville when it should have been Pearl and Ireland playing Pearl when it should have been Turnersville, late changes in the playing schedule being the cause of the "Boner".

Copperas Cove who heretofore have played excellent football this season loared to a 26 to 6 victory over the Pearl aggregation and failed to unleash the splendid driving power that have made them the leaders in the six-man conference. Adams, rangy center played a good game while Mathias and Dewald came in for their share of the scoring honor.

For Pearl, a mere slip of a lad named Fettner played a whale of a game, almost equal to that of the Pearl sparkplugs, Dumas and Mosley.

Early in the game, Copperas Cove pulled a touchdown out of the air when Adams tied on to a long pass and went over for the first marker of the game. A few minutes later, Dumas, we believe broke through the Cove line and after being tagged almost every step for some 40 yards finally crossed to pay dirt. However this play was called back, the ball carrier

having used his hands in the offense while running the play. This paved the way for several slashing drives thru the center of the line with Moseley leading out on most of the plays.

Later in the fray, Pear lost another touchdown when Blacklock carrying the ball for Pearl was tackled near the goal line, and seeing that he was stopped, lateraled to a teammate behind him who was stopped in his tracks for a 15 yard loss.

Mathias scored two touchdowns for Copperas Cove, Adams one, and Dewald one. Pearl's touchdown as the result of a long bullet pass from Dumas to Mosley and one of the most sensational plays of the game. This touchdown made a total of 54 points that has been chalked up by Mosley this year and is very remarkable due to the fact that the Dragons have won only one game this year.

Starting Lineup

Pearl	Pos.	C. Cove
Blacklock	RE	Miller
Dumas	HB	Mathias
Smith	LE	Dewald
Conner	C	Adams
Hanes	HB	Leonhard
Fettner	FB	Faubian

Officials for the game were: Bobbie Arnold referee; Ed Fritz, umpire and Jones headlinesman.

Walker, Brasher and Humes who made these touchdowns possible.

Ireland scored twice in the first half with Lemmer and Pearson leading for the Irish. Edwards, one of the best ends of the six-man conference was constantly smothered by the Turnersville guards and failed to score as he usually does.

The last half of the game was played mostly on the defense, both teams trying to bottle the other up rather than lead out on their own offense. This win definitely places Turnersville in the second highest position in the league and fans are looking forward to the Copperas Cove-Turnersville game which is to be played at Turnersville in the near future.

Ireland Bows to Turnersville, 18-12

The dope bucket took a tumble Friday afternoon, when the Ireland six-man team bowed to Turnersville, 18 to 12 in one of the most exciting games of the season.

The Ireland boys who were slightly favored by many to take the contest, couldn't stop the weaving Huckabee who marched over the goal line three times in the first half of the game. However, not all the glory goes to this lad for it was by the expert blocking and heads-up football of the other members of the squad, especially

The six-man team from Flat high School will engage the Jarrell Tigers in a non-district contest at Jarrell Friday afternoon.

The Jarrell club is coached by Isham Coward former Southwest

**Flavor is the big thing
In CASSEROLE DISHES**

declares Dorothy Greig

Shrimp and Celery Pie with biscuit crust makes a flavor-rich supper dish

MO^TH^ER was a whizz at creating casseroles from what she termed "a little of this, a little of that and a lot of imagination." And her imagination was a fertile one for many were the casserole masterpieces that came to our table.

As I remember, too, mother rarely exactly repeated herself. A chicken casserole, for instance, filled one time with plump green peas would very likely turn up next time with diced carrots or tiny whole mushrooms drowned in its rich chicken gravy.

"In making a casserole dish," mother would tell us girls, "you must work for flavor. That's most important. Then your casserole should come to the table still bubbling gently from the oven."

These days even a beginner cook can achieve rich flavor. Modern shortenings brown an ingredient to delicate perfection. Modern canned vegetables fill in with fresh ones. Modern condensed soups enhance the flavor of a casserole because of their own rare and expertly blended seasonings.

Condensed chicken soup added to a chicken casserole brings the chicken flavor to full glory. Cream of mushroom soup gives not only mushrooms but velvety consistency to the sauce; tomato soup bestows fresh tomato flavor and lively color. And so it goes.

In the two casserole dishes given here notice how our modern canned and packaged foods have been used to step-up the flavor:

Shrimp and Celery Pie

- 1 can condensed celery soup
 - 1 cup milk
 - 1 hard-cooked egg, chopped finely
 - 1 can (5 1/2 ounces) shrimp
 - 1 cup green peas (cooked)
 - 1 teaspoon of curry powder (optional)
 - Pastry or biscuit crust
- Mix the milk with the celery soup, add the finely chopped eggs, and curry powder.

Put 1/3 the celery-egg mixture in the bottom of a baking dish. Then add one-half the shrimps and green peas. Pour on some of the sauce. Put in the remaining shrimps and green peas. Then pour over the last of the sauce. Cover with a pastry or biscuit crust and bake at 400 degrees for 20-30 minutes. Serves 5-6.

When I use a biscuit crust on this I cut out rings of the biscuit mix with a doughnut cutter, set the rings on top and then pop the little ball centers back on the holes again. That gives a handsome brown and crusty look to the top.

Chicken and Mushroom Casserole

- 4 cups cooked noodles
- 1 can condensed cream of mushroom soup
- 3/4 cup milk
- 4 ounces velveeta or pimiento cheese
- 1 1/2 cups chicken, cut in 1/2 inch squares
- 2 tablespoons pimiento, diced
- 2 tablespoons green pepper, cooked and diced

For the Top:

- 3/4 cup potato chips, finely rolled
- Cook the egg noodles in boiling salted water until tender, then drain.

Combine the milk with the cream of mushroom soup. Heat and add the finely sliced velveeta cheese. When the cheese has melted, remove from fire and add the chicken, diced pimiento, diced green pepper and cooked noodles. Mix thoroughly and put into a buttered casserole. Sprinkle the finely rolled potato chips over the top and heat in a moderate (350°) oven for 30 minutes. Serves 6.

You'll love the potato chips top to this. Tasty!

PURMELA H-D NOTES

"Etiquette" was discussed at the Club meeting Wednesday afternoon, with Mrs. W. T. Laxon, during which we were told thoughtfulness for others is the keynote of the social code. Use a serving tray for bringing food to your table and for its removal. By having a large tray this can be done in just a few moments of time. It was a most timely suggestion offered by Mrs. J. O. Winslar. Two quilts were nearly finished for our hostess.

Ten members and guests were present and enjoyed refreshments. The next meeting is to be had on November 29. This is to be our Thanksgiving program. "A Reason for Being Thankful" is the answer to roll call. Visitors are most welcome.—Reporter.

Oglesby Takes Flat 26-6 Fri.

Sparked by the great playing of Carter McKelvain and their heads-up center Clearman, the Oglesby Tigers defeated the fighting Yellowjackets of Flat by a tally of 26-6.

The Tigers flashed their usual brilliant passing game and had things pretty much their way in the first half, scoring three touchdowns for 19 points while the Jackets played some of the most listless ball that they have played all season. The Jackets could never get on offense started in the first half, and their defensive play was ragged, but came back in the second half to play a different brand of ball. In the third and fourth period the Flat gridsters

stood up and battled their larger and more experienced adversaries toe-to-toe, allowing the Tigers one touchdown and making one of their own by a beautiful bullet pass over the line, Williams to Poe who cavorted 55 yards up the field with the entire Tiger squad in hot pursuit.

Stars of the game for the Tigers were Clearman and McKelvain while Williams, a boy who has played very little this season turned in one of the best games ever seen on the Flat field and took off the honor for the Yellowjackets. Powell, Flat halfback played his usual steady game.

We are indebted to Harry Morhmann, Flat coach and Woodrow Wilson of Gatesville, who was one of the officials, for turning in the highlights on this game.
