"Northbound's" Last Whistle Blew For City, Wed. Night

Folks up around Moccasin Bend, Levita, Ireland and on to Hamilton have heard their last whistle.

At 12:01 midnight Thursday morning, the "railroaders" stopped and now turn around at Gatesville.

It was during the "horse and buggy" days, when the Depot was at the end of North Lutterloh Avenue, when the road was opened up to Hamilton. At that time, another railroad (proposed) came out of Temple to Gatesville, and Cotton Belt authorities and others, got busy and "beat 'em to the jump" extending the line to Hamilton and Stephenville. A long time since, the Hamilton-Stephenville line was discontinued, and now this.

Gatesville is now "at it's rail's end", a "turn around" point.

OUR DEMOCRACY — by Mat

WOMEN'S FASHIONS AND DEMOCRACY.

SINCE THE EARLY COLONIAL TIMES WHEN SUMPTUARY LAWS LIMITING GOOD CLOTHES TO THE VERY WEALTHY WERE LAUGHED OUT OF EXISTENCE, THE U.S. HAS SCORNE CLASS LABELS

AMONG OTHER THINGS, AND WITHOUT THINKING ABOUT IT, WE RECOGNIZE THE RIGHT OF EVERY WOMAN AND GIRL TO LOOK HER BEST.

IN CENTRAL EUROPE ONLY THE PRIVILEGED FEW DRESS WELL.

ALL OVER AMERICA GOOD, STYLISH CLOTHES, SMART APPEARANCE AND GOOD GROOMING ARE SYMBOLS OF OUR DEMOCRACY.

CRUSADE

By NORMAN CHANDLER

Chairman
Newspaper Publishers Committee

NORMAN CHANDLER

ABOUT thirty million good citizens will have a chance to read this. It is a plea. It is an urgent plea for every one of you to enlist with us in a "drive" we have in mind.

This "drive" is for a very great goal—a better America.

Now I know that no one of us can do very much alone—any more than one soldier can win a war. But together—and with almost no effort—we can raise the strength of this great democracy of ours to unbelievable heights.

Perhaps I ought to call this proposal of mine a game, for it can become that.

Here is how you play it:

Start with this copy of your newspaper. Pick out of it one—just one—item of news which you

think is important in making America better, stronger, a finer place to live.

Don't pick a selfish thing—something which would benefit you or your town at the expense of some other person.

For example, you'll be tempted, if you're a schoolteacher, to approve some news which favors

schoolteachers. If you're an orange grower you'll have to resist a cheer if a frost nips half the orange crop, leaving you untouched, with higher prices for your own oranges.

Pick out an item about an advance in medicine or a story of a new industry which makes good and needed jobs for a thousand men. Or pick a

report of a good sermon or a fine, statesmanlike speech by a congressman.

Then spread this story. Tell a neighbor. Simply say to him, "I saw in the paper that so-and-so has done this-or-that."

Sound silly? It isn't at all. Do you realize that the whole nation—the 130 million of us—is merely the product of all the good and the bad that we do? And if more of us actively approve the good and unselfish and actively deplore the bad, we'll encourage more goodness and discourage the unsound, the evil, the dangerous.

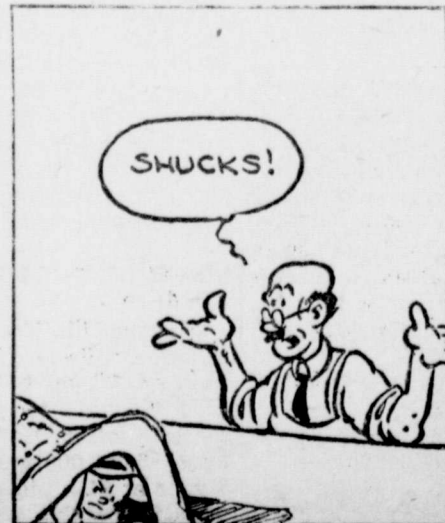

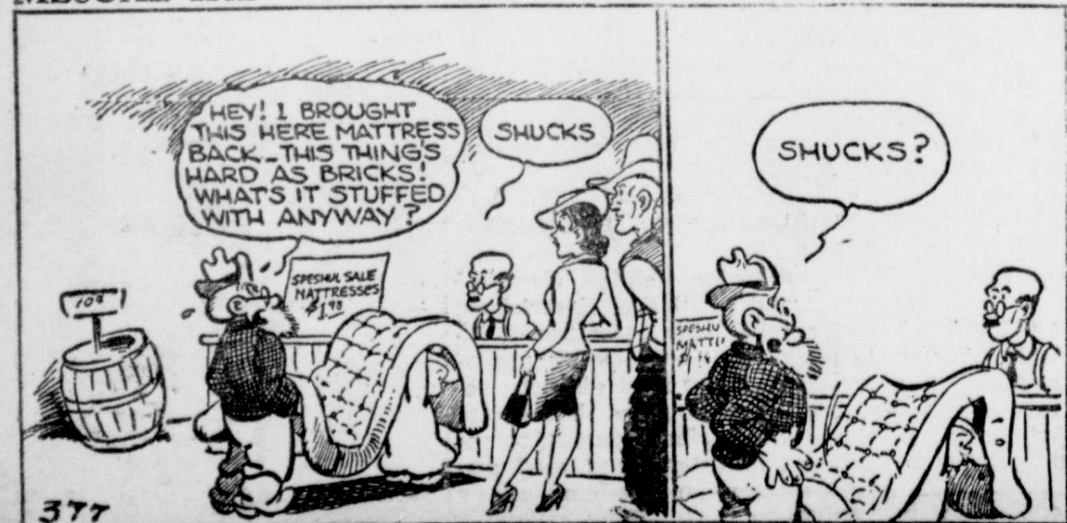

After all, the very reason for newspapers existing in America is to bring you the record of what is going on. You wouldn't be qualified to take part in governing the district, the state or the nation you live in if you didn't know what was happening or what the news meant to you and your neighbors.

Try this crusade with us, will you? It won't be much trouble, but if thirty million good citizens just told one good thing to thirty million others every day we'd have a nation so strong and with such a spiritual unity that nothing could break it.

E. L. Craig, Pastor
 Sunday School at the Methodist Church will begin Sunday morning at 9:45. A class with a good teacher awaits every member of the family. It will prove satisfying and very profitable for your whole family to attend the Sunday School.

At 10:50 the pastor will preach. The music will be inspiring and the worship will be most helpful. The message will be challenging to thoughtful people.

At 6:15 p. m. the Young People will meet in their League meeting

under the leadership of Mrs. J. C. Porter. All the Young People of the church and all others who will be invited to attend this forty-five minute period of worship and self expression.

At 7:00 p. m. the evening preaching service will begin. Again the pastor will preach and the music will be inspiring.

Monday evening at 7:30 the Board of the church will meet in the regular monthly meeting. It is important that all members be present.

Tuesday evening at 7:30 the 3rd session of the School of Missions for the year will begin.

Wednesday evening at 7:00 o'clock the mid-week prayer meeting will begin, and at 7:45 the choir rehearsal will begin. Thursday evening at 7:30 the last session of the School of Missions will be held.

The public is cordially invited to attend this series of church programs. You will be stronger if you will attend the services of your church and participate in them. Spiritual exercise is as essential to spiritual strength and power as is physical exercise necessary to physical strength. Try it and see what effect it has upon your spiritual life.

BAPTIST SOLDIER CAMP OFFERING

Recently Texas Baptists set their hands to the task of ministering to their boys, and others, who have gone to the training camps.

The time for the special offering of \$50,000 for our work among the soldiers is near at hand. The cause is vastly important. One of the big opportunities of Texas Baptists now is this work among these fine men in our camps. There is a strong appeal in this work to all of our people. There is hardly a church that does not now or soon will have one or more boys in the camp. The response on the part of one and all from the very incipiency of this work has been whole-hearted. Only the doing of it remains. Every dollar of the offering will count on the Cooperative Program.

Doctor A. C. Miller, for ten years pastor of the First Baptist Church, Belton, has been chosen as the supervisor of our work and is making the finest impression in all the camps and receiving the hearty cooperation of the officers, pastors and churches.

While February 9, is the one Sunday set apart as the special date, full time churches can let it run through another Sunday and pastors of part time churches will take the offering at their regular services. The Gatesville church will take its offering Sunday the 16th of February. If any church and pastor deems wise to take it on another Sunday, it will be perfectly all right.

Texas Baptists have set a pace in this work among the soldiers: being the first of the states to enter this open door, and the first of the denominations in Texas to take
