One Case Handled This Week; Criminal Next; Jury In

One case was cleared from the jury term of district court this week, when the case of Mrs. Willie Edmondson vs. Jonce Edmondson was tried before a jury and the divorce prayed for was denied.

Criminal court opens Monday with the petit jurors summoned and they'll have work, since the grand jury examined 118 witnesses and returned 9 felony indictments and no misdemeanors.

In the grand jury's report to the court, they paid tribute to the asked to phone USO that they will assistance of Tom R. Mears, county attorney, for his assistance and night and for Sunday dinner and to D. A. Protem S. R. Allen, fath- call the USO at 345. Night phone er of D. A. Bill Allen who is ill at this time. They paid tribute to the doorman, bailiffs, and others who aasisted while they were in session.

Personnel, Officer **Candidate School** Course No. 1 -v-

Here's the personnel of the Officers Candidate School Course No. 1, but, wait, let's read a little more about them before we get into the list.

The complete list contains 149 candidates who's homes are in 27 of the 48 states. Here's the states and number: 34 from Pennsylvania; 18, Michigan; 6 each from Missouri and Illinois; 5 from Indiana; 4 from California; 3 each from Florida, Washington, New Jersey and Virginia; 2 each from South Dakota, Oklahoma, Kentucky, Idaho, Arkansas, Ohio and one each from Rhode Island, Wisconsin, Arizona, Nebraska, Montana and South Carolina.

OCS Class No. 1 is using the Municipal Auditorium and the Gatesville Public School buildings, pending completion of cantonment buildings at Camp Hood some time in August.

Men sleep in the school gym, eat in their own mess at the school Cafeteria and study in the school buildings. They march to class-Work on the USO Club started room instructions in the Muni-Monday, with Horace Galloway, / cipal building daily and spend all local contractor in charge, and it or part of each day watching demstrations or firing of various T. D. weapons on the huge Camp Hood reservation. Reville is at 5:30 and they work until taps at night, with very little time for recreation

Although this first class is entirely from battalions at Camp Hood, the new classes will come from all over country. Candidates marchea to the Auditoran all-star aggregation from Camp ium Tuesday morning to martial music by the Tank Destroyer School Band and were welcomed to OCS No. 1 by Col. Hugh T Mayberry, school commandant. The "grind" ends in the cooler (?) days of October.

There they are folks. Those are the contests. Just a whole lot of good men. All of them looking for a job. We did not list the ones with no opponents.

Look 'em over. In only 7 races is it possible to have a run-off in the state races. That's a terrible forecast for the run-off.

It's even worse in the county. Only in the representative and Commissioners' Beat 1, Beat 2, and Beat 4.

All other offices will be completed the first primary.

WHY VOTE FOR JUDGE ZEIGLER FOR COUNTY JUDGE?

Because, as Coordinator of the National Defense Program in Coryell County, he has gained much knowledge and had experience and training to discharge the duties as Defense Coordinator, so valuable to our National War Program.

Because his intimate acquaintance contacts with those in charge of the various army units, now training in our county, has given him a knowledge thereof, which will make for the best, most efficient and prompt cooperation between our civilian population and the training units; and

Because, as representative of Coryell County, he is largely responsible for getting the War Department and Highway Dpartment to recommend to Congress to build a paved road to Copperas Cove, intersecting Highway 84 at Gatesville and to push the completion of Highway No. 36 as part of a road system, essential to the War Program. This will assure to Coryell County, a permanent road of tremendous economic value and service to Coryell County. Since he is already familiar with each and every step that will have to be followed and carried out to make these roads actually built -why should we now change County Judges, and retard all of these respective matters, until new officers can become acquainted and gained the knowledge so essential to prompt and need action.

How You Can Help Us Reduce Car Mileage and Still Maintain a High Standard of Service

- 1 Learn to replace blown fuses yourself. It's easy as changing a light bulb. Ask any of our employees to show you how. Keep extra fuses on hand.
- 2 Please do not ask for delivery of small items such as light i ibs or appliance cords. Buy them when shopping for other things and carry them home with you.
- **3** Give us as much advance notice as possible if you decide to move so your call may be

grouped with others and taken care of on a single trip.

of rubber we can save is that much more for our armed forces.

- 4 Arrange to pay for service by check or in person at our office before expiration of payment period and save tire wear caused by special collection trips.
- 5 Avoid requesting "rush" service. You can help us conserve rubber by making it possible for us to handle your service calls and deliveries on regular trips.

Prompt and courteous service to our customers has always been a policy of this company and we look forward to the day when we can again make deliveries and service calls without restrictions. In the meantime, we know you understand the reason for this message and will be glad to cooperate. We'll give you the best service possible under present conditions and will sincerely appreciate your help. With a little advance planning, you will be occasioned little or no inconvenience.

The nature of said suit being

For the cause of action plaintiff DAVE H. CULBERSON represents to the court that the Plaintiffs and the defendants are the joint owner in fee simple of the following described land and premieses situated in the County of Coryell and state of Texas towit: "First Tract; 166 acres of land out of the Hugh McCrory 881 your uniform kindness at all times acre Survey described as follows: SECOND TRACT. 160 acres of land patented to J. B. Drew by Patent recorded in Book S. page 246, Deed records of Coryell County, Texas. THIRD TRACT. 50 acres of land, more or less, out of the Green DeWitt Survey: Beginning at the SE corner of a 426 acre tract purchased by A. A. Mayhew out of the NE corner of the Green DeWitt Survey on Honey Creek. the NE corner of a 250 acre tract deeded to T. J. Stevenson's at a ock pile on the E. line of said De-Witt Survey. Said four tracts of land containing 607 acres, more or less, and being the same land conveyed to J. W. Guyton by Mike M. Young et al, by deed dated January 4th, 1906, recorded in Book 42, page 450, deed records of Coryell County, Texas. That the Plainitff, Cecil O. Guyton is the owner of one equal undevided one third part of said land and premises; That the plaintiff Myrtle Grubb is the owner of one equal undivided one third part of said land and premises; that the defendant, Karl H. Watkins is the owner of a life estate in one third of said premises; that the said Guyton Hampton Watkins, Lydia Jane Watkins and William B. Watkins, are each the owner of a one nine interest in said premises subject to the life estate of Karl H. Watkins. That the plaintiffs and defendant are the sole owners of said land and premises so far as known to plaintiffs. Wherefore, plaintiff pray the court that a defendant be cited to appear, and answer this petition, and that a receiver be appointed to sell said land at private sale for cash, and return the money into court, that said money be devided according to the respective share of all parties, that all cost and attorneys fees be allowed as part of the cost. that the court ascertain the value of the life estate of Karl H. Watkins, and for such other and further relief including the appointment of an attorney ad litem to represent the minor heirs, and for speci-
