"THE CADUCEUS" OF CAMP MAXEY HOSPITAL PICTURE LOCALS

Tuesday, we received Volume 1, Number 4 of "The Caduceus" (whatever that is) official publication of the Station Hospital of Camp Maxey, Texas.

In this nice publication is a picture of Sgt. Cleburne McCarver, Mess Sergeant of the Hospital, of Gatesville, and Major Dean B. Jones, Chief X-Ray who has written an article entitled "The All-Seeing X-Ray is A product of Far", which is amply illustrated. Now, this is a "quote" from a part of the article, and shows clearly the medical angle of the story—all doctors do it. We quote:

(The story takes X-Ray from its invention by Konrad Roentgen, who discovered the ray in 1895 and also takes a "jab" at newspapers, and that's my business, as follows) "Editors in more than one newspaper wrote heated tirades stating that no longer could a respectable person, ladies in particular, appear on the street. These evil rays, they claimed, would allow the most intimate personal characteristics of the individual to be studied at will, clothing notwithstanding. So X-Ray received a stormy start." Well, anyway, it does give the "power of the press". Thanks, brother.

Now that was aside from all that. The magazine is really a nice one, and looks a lot better than most of the Army's mimeographed sheets you see strewn around. 'Bout the best thing we saw in the paper was a part of a letter from a soldier in Iran. He wrote: "Dear Mom, Well here I am in the land where Jesus Christ was born. I wish to Christ I was in the land where I was born."

Crime Wave Is Now No Minutiae Almost Grown

Plenty happened since we last told you about the "goins on" around these parts.

Well, there's Ivy Arthur Harris, found and injured beside a road running thru Camp Hood between Gatesville and Copperas Cove. Authorities, both military and civilian are investigating the case, since Harris died in a Camp Hood hospital Sunday night. Officers have photographed Harris' body where the wounds were received. He is said to have been hit near the side of the road, and his body was found some 19 or 20 steps away from the paving about 8 a. m. Friday. He was employed at a PX in the Camp, and left there about 9 o'clock Thursday night to return home, stopping on the side of the road to wait for the bus. No coronor's verdict has yet been rendered. He had head injuries, front and back, and his chest was scratched and bruised. Doctors examining the head injuries said they were sufficient to insure his death, and that it was not from natural causes. He was buried Tuesday afternoon at Pearl cemetery, with Rev. Wallace Gooch conducting the services. He lived at Pearl and was survived by his wife and son, Sammy Angres Harris, in the Army in S. C.

Tuesday night, this week a car was stolen on the King road just west of Flentge's Store, belonging to Mrs. Dovie Davis. It was a '37 Chevrolet.

Sunday night about 10 a soldier was found in Gatesville Drug Co. filling up a traveling bag with rings, jewelry and watches, and was "flushed" by J. M. Prewitt, running out the front door before he could be stopped. He got away. Entrance was by breaking thru a window in the back of the store.

Monday afternoon, Miss Frances Reesing drove John P. Reesing's car up in front of the Gatesville Drug Store and jumped out and went in the store, leaving the keys in the car. Someone also did a little jumping and now Johnny Reesing is looking for his car.

A carnival man, drove over from Belton, said to be drinking was locked in his house car by friend wife, and practically tore it up before he got to Gatesville. He was still tearing up when Chief of Police Bob Jones, and Deputy Sheriff Jim Nichols were called and found he'd practically wrecked the interior of the house car. On investigation, they found 12 quarts and 10 pints of whiskey, which he is said to have said it was for his friends. He paid off, giving his name as Sidney Presson.

FIFTH ANNUAL RODEO OPENS AT MCGREGOR JULY 15: LAST 3 DAYS

When the grand entry circles the arena in McGregor this year for three nights—July 15, 16 and 17—there'll be more wild horses, bulls, clowns, races and other special events than ever.

The fifth annual show will be offered this year for a general admission price of 55c and local performers, who have left rodeo work to enter defense guard work here, will augment the regular line of contestants who annually attend the show.

Such old heads as Hughie Long, Johnny Mellon, oe Coker, Dub Spence and others will help in satisfying the rodeo-hungry patriots of this section.

Only night shows will be held.

SGT. ARCHIE MOHLER REPORTED MISSING IN ACTION

Master Sgt. Archie Mohler, with the U. S. Air Force in North Africa, has been reported missing in action in Europe, according to information received here.

Sgt. Mohler has received a number of decorations and has been in action in the air a large number of times.

He is a brother of Mrs. Wiley Seward, and Mrs. Walter Berry, and his home is in Colorado, Texas, but he was formerly a resident of this county.

Stolen car, a '35 Ford V-8, yellowish sedan was taken Saturday morning in Camp Hood, the "south camp" and missing was reported Eddie Read from the Training Brigade who has the reputation of being dangreous. He is thought to be in the car.

Another unidentified car was also reported stolen in the camp later in the day, Saturday. No details were given.

Friday last, the sheriff's department "flushed" a bunch of colored civilians, and the MP's got 2 negroes and one white soldier in a series of raids on the hill. All were jailed and some were chased out of town, as being not too desirable. The MP's took care of the Military end of the trouble.

Thurs. morning, Arthur Thornton of Leon Junction was found dead laying besides the railroad track that runs thru Leon Junction. He was only a short distance from one of the store there. Investigation is being made by the Sheriff's department, Justice of The Peace, Geo. Miller, and Dr. John Thomas Brown, County medical officer.

Thornton about 50, had a gash in the top of his head, one on one hip, ribs broken, and other in-

LT. FRANK N. ATEN IS NAZI PRISONER IN GERMANY

Lt. Frank N. Aten who's home is in Tyler, and who received his commission, October, 1942 at Camp Hood in the tank destroyer Corps, is a prisoner of war in Germany according to his sister, Mrs. Gerald Jones of Tyler. He was captured Feb. 14, after arriving in North Africa in January, 1943.

Here in part is a letter from Lt. Aten: "I sure dread this being a prisoner and don't think I would be if I hadn't tried to save two of my men who were all shot up. We were close to a hill that had enemy tanks all over it. I could see the enemy from where I was but was so busy trying to load the two wounded men on a jeep that two of the enemy slipped up on me. I would have had a good chance to get away but I couldn't leave them while I thought they had a chance. They died late that afternoon.

"From what I hear they won't allow you to send me tobacco from the States now, so will you see if you can send to Canada and have some pipe smoking tobacco sent here.

You can send me a clothing parcel every 3 months; and please whatever you do, send me either an Icelandic sleeping bag or a good blanket, for I dread going through another winter and being as cold as I was this one."

THEY TELL US NOT TO! NO DANGER WE CAN'T SPELL 'EM'

The OWI has sent us a notice, as all newspapers, not to publish any information whatever regarding the following: atom smashing, atomic energy, atomic fission, atomic splitting or any of their equivalents." Also "radium or radio-active materials, heavy water, high voltage discharge equipment, cyclotrons or polonium, uranium, ytterbium, hafnium, protactinium, radium, phenium, thorium, deuterium."

We ask you, is that necessary? We can't even spell 'em.

Mr. and Mrs. Hershel Jones & family of Welasco, were visitors here the Fourth, and took on another year of the News. They were former residents of Gatesville.

He was said to have been fishing and was returning from "running the books" and had left another man in Leon Junction about 2 a. m. No coronor's verdict has been returned on this accident, and funeral arrangements are not amounted as yet.

FROM Camp Hood

Seven Texans were commissioned 2nd Lts. at the TD OCS graduation Friday.

They were Frank T. Savage, Dallas; Garrett G. Hall, Houston; William R. Hicks, Kilgore; Maxie Miller, Dallas; Thos. J. Moss, Houston; Julien P. Muller, Port Arthur; Dan O. Nance, George West.

Student officers study weapons, automotive vehicles, radio and military administration totaling 550 hours. The course demands the utmost in leadership, scholarship and stamina, and the student must be aggressive, skillful and have confidence and initiative.

A desire to aid in ending World War II was revealed today to be the predominant reason the WA-

ACs stationed at Camp Hood enlisted in the woman's army.

A poll, taken among the 300 women stationed at Camp Hood, asked this question: "Why did you join the Woman's Army Auxiliary Corps?"

Every answer listed a desire to serve as the No. 1 reason.

The Camp Hood WAACs represent a cross section of the women of America. Their home states are scattered all over the map of America. They came from California, Missouri, New York, Oregon, Montana, Florida, Texas —

Among them are former school teachers, stenographers, telephone operators, a home demonstration agent, an apartment house executive, a deputy county clerk.

They include women who have sons serving overseas.

One grandmother, who also has a son at some unknown battle field abroad, said simply: "I'm here because I'm an American and love my country and all it stands for".

Many of the WAACs enlisted because their sons, husbands, brothers or fiances are in service — others because there was no one else to go, or they felt their families weren't doing their share.

One WAAC declared: "In my family there is only one boy. When this war started we felt that we couldn't do our share because of that fact". So she and her two sisters joined the WAAC. And she added, "I don't think I could ever find anything that suits me so well".

This is the way they felt about staying at home, watching the men march off to war, in the words of one WAAC (corporal) whose husband a World War I veteran, was refused acceptance by the Army in this war.

"This is not someone else's war. It is my war. It will never be finished by leaving it to someone else to do. My neighbors were called to service, leaving wives and children at home. My right to happiness is no more sacred than my neighbor's".

It was her husband's feeling, as well as her own, that she should represent the family in the struggle against the Axis.

The WAACs are working in practically every branch in the camp, as typists, file clerks, telephone and telegraph operators, stenographers, chaplains' assistants, truck drivers—doing jobs they've never done before and jobs in which they were specialists in civilian life.

They're doing the job they signed up to do, taking over the work behind the lines, to relieve men for combat.

In civilian life her friends called her "Ivy". Her modesty was a general topic of conversation; her efficiency was common talk.

But nobody ever called her "Sergeant".

She's still modest and efficient. She still everything in its place, addresses in a little book with a red cover, reports exactly as they should be in the file cabinet. But this time they're filed A. my style.

Now the most completely characteristic thing you can say about her is that's she's GI. She wears a WAAC uniform—with the stripes of a top sergeant. And she's the only WAAC at Camp Hood to have them.

Although she's been a "top kick" for a long time, it wasn't until just the other day that Sgt. Ivy Burditt, who used to be a cashier-stenographer in an insurance company in Wichita, Kans., took off her buck sergeant's

stripes and sewed on those of 1st sergeant.

The company, the 159th WAAC Headquarters Company, is proud of her—auxiliaries and officers alike. She's typical of the WAAC cadre. She's an ideal for the WAACs at Camp Hood. They don't even resent her 'a. m. "Fall in" for reveille.

BAPTIST MINISTER ORDAINED

An ordination service was held Sunday at 3 p. m. at the Hampton Place Baptist Church at Dallas for the Rev. Bland Kirby, minister of the Gate City Baptist Church at Dallas.

The ordination was held at the Hampton Place Church rather than Rev. Kirby's own church because a larger audience than usual was expected. All pastors of that city and friends of Rev. Kirby were invited.

ROY CAMP VISITS FIRST BAPTIST CHURCH HERE SUNDAY

Roy Camp of Ft. Worth, evangelistic singer for Texas Baptists for 20 years and former education director of the Park Heights Church, San Angelo and La Mar Ave. Church, Wichita Falls, will visit with the First Baptist Church here in Sunday's services. The local church has been in search of an assistant for several months hope is expressed by the church leaders that Mr. Camp may be secured for this position.

Dr. A. C. Miller, director of camp work for Texas Baptists, spoke at the local church services last Sunday. He says that Gatesville being such a large contingent of soldiers makes it one of the strategic areas in all the state. In light of the imperative need he has promised the church full cooperation on the part of the State Mission Board.

Services Sunday include Sunday School at 9:45, Training Union at 11:30, with the pastor, Rev. Lawrence Hayes, preaching at 10:50 a. m. and 8:30 p. m. A cordial welcome is extended from the church to all visiting friends.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Marjorie L. Ripley, Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Coryell County at the Court House thereof, in Gatesville, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 9th day of August A. D. 1943, then and there to answer Plaintiff's Petition filed in said Court, on the 7th day of June A. D. 1943, in this cause, numbered 5138 on the docket of said court and styled F. A. Ripley, Plaintiff, vs. Marjorie L. Ripley, Defendant.

A brief statement of the nature of this suit is as follows, to wit:

That plaintiff is and has been a bona fide inhabitant of the State of Texas for 12 months prior to exhibiting his petition herein. That he resided in Coryell County, Texas for at least six months next preceeding the filing of this suit. That plaintiff and defendant were married on or about June 1938, that they continued to live together until about July 1938, when the defendant abandoned the plaintiff and they have not since lived together as husband and wife. That by reason of such abandonment the plaintiff is entitled to a divorce. The plaintiff and defendant own no community property. That no child born to said couple during said marriage. That the marriage relation still exists. That the defendant's conduct generally toward the plaintiff are such as to render their further living together as husband and wife insupportable the premises considered.

By supplemental petition plaintiff alleges that the address and residence of the defendant are unknown as asks for citation by publication, and for costs of suit and general and special relief as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Gatesville, Texas this the 22nd day of June A. D. 1943. Attest: Carl McClendon, Clerk, Dist. Court, Coryell County, Texas (SEAL) 54-58-60-tc

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: W. C. Patterson, Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Coryell County at the Court House thereof, in Gatesville, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 9th day of August A. D. 1943, then and there to answer Plaintiff's Petition filed in said Court, on the 19th day of June A. D. 1943, in this cause, numbered 5144 on the docket of said court and styled Madge Patterson Plaintiff, vs. W. C. Patterson Defendant.

A brief statement of the nature of this suit is as follows, to wit:

That on or about the 7th day of January, 1940 the plaintiff was lawfully married to the defendant that they continued to live together as husband and wife until about March 20, 1940, when, without provocation or cause the defendant voluntarily abandoned the plaintiff with the intention of permanently abandoning and living apart from her, that to this marriage one child, Precissa Miller Patterson, was born and has been in the care and custody of the plaintiff since birth.

Wherefore plaintiff prays for judgement dissolving said marriage relation and for care of said minor and cost of suit as is more fully shown by Plaintiff's Petition on file in this suit.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Gatesville, Texas this the 24th day of June A. D. 1943. Attest: Carl McClendon, Clerk, District Court, Coryell County, Texas.

July 2, 1943

Dear Friends:

As I write you on Friday afternoon (July 2), it seems very probable that before it reaches you Congress will have recessed. As a matter of fact, we had expected to recess yesterday afternoon. Each House has passed all of the bills requested by the Army and Navy and all the appropriation bills, but there are still difference between the two Houses on several of the appropriations. We hope that before the day is over that these differences will have been compromised.

About three o'clock this afternoon the President sent a message to Congress vetoing the Commodity Credit Bill. His objection to the bill was the fact that it contained provisions which forbid

the payment of subsidies to maintain food price "roll backs". The House voted 228 to 154 to override the veto, but since it required a two to one vote to override it, the veto was sustained. We then passed a resolution continuing the Commodity Credit Corporation for six months. The President contends that if the Government will pay part of the cost of everybody's food from the public treasury that it will not be necessary to raise wages and that inflation can be prevented. I simply can't believe that the Government should pay my grocery bill, as long as I can do so. I don't believe that we can stop inflation by giving the people money. I cannot see why it is not just as inflationary for the Government to put \$10.00 of tax money in cir-

ulation as it is to let a laborer put \$10.00 in circulation for which he worked. I can, however, understand that if the Government pays all or any part of my grocery bill today that you and your children must pay axes for years to come to repa that money. I think that we should let the farmer get a fair price for his products in the market place, let the laborer earn a fair wage for his labor, give direct government help only to those in need and absorb the tremendous surplus buying power of so many of our people by ever heavier taxation and enforced savings. So long as this war lasts, the people who can must help the Government. We must pay taxes and buy bonds to save ourselves from inflation as well as to provide needed Governmental revenues. I, therefore, voted to override the veto, and then voted to continue the Commodity Credit Corporation.

Unless the President unexpectedly vetoes some more of the bills we have passed, the House and Senate will both recess until September. The recess resolution provides that either the Majority or Minority Leaders may call the Members back at any time. I am going to be in Texas over the week end, leaving tonight, and, if all goes well, I will hope to be able to stay, in which event I expect to open my office in the Federal Building at Waco in an effort to better serve the people of our District. The folks up here seem to think that when we leave Washington, we are always taking a vacation. As a matter of fact, I feel that some of our most important work is at home. As soon as my Secretary, Mr. Sleeper, gets home, we expect to visit each county for the purpose of consulting with those friends who have matters of any kind that they

want to discuss with us in person. I will try to announce the date that we will be in the various counties as soon as I can. In this connection, let me again emphasize that it is always most helpful and often absolutely necessary for us to have the serial number of the soldier when we are making any inquiry about a boy in the service, his insurance or allotment and of course the same applies in connection with priority certificates, etc. It will be impossible for us to have our files with us; therefore, we will have to rely on those who are interested in the cases to give us all the facts. You will be able to remember the details of the one case in which you are interested. We will be almost certain to get confused or forget if you ask us to recall all the details of every one of the hundreds of cases that we will have to discuss. We want to help every citizen of the 11th District, but you can help us to help you by giving us all the details—in writing if possible.

The seriousness of the food situation has been emphasized by the recent resignation of the War Food Administrator, Hon. Chester Davis, and the appointment of a former Member of the Texas Congressional Delegation, Judge Marvin Jones of Amarillo. Mr. Davis quit because he did not have the authority to shape the policy of the program for which he had to accept the responsibility and because he did not agree with the policies he was directed to carry out. He stated that he did not believe in the subsidy and roll-back program. I will be glad to give Judge Jones full power over the rationing and pricing of food just as the Agriculture Committee wanted to give Mr. Davis, because I believe that any man must have these powers if he is to make a success of this position. Judge Jones is a splendid, high class man. He is honorable and intelligent and will do his best. I wish him well, but I fear that he is undertaking an impossible task.

As I expect to be with you in Texas, this will be my last news letter until the recess is over. In the meantime, and with best wishes, I am

Yours for Victory,
W. R. Poage.

ARMY TRIES OUT ITS NEW "DUCK"—This new amphibian truck turns off its propeller and rolls up the beach, powered by its six-wheel drive. The new vehicle, incorporating the characteristics of the standard two-and-one-half ton Army cargo truck, operates equally well on water or land. Known officially as "DUKW-353", it was nicknamed the "Duck" by the soldiers assigned as its driver-pilots. It is shown in operation in New Caledonia.

What You Buy With WAR BONDS

Mosquito Bar

Among the casualties returning to the United States from the Solomons are men who have lost their hearing, not from injury, not from shock, but from attack by insects upon men who have been without mosquito bar protection.

We'll never know how many lives this mosquito bar has saved and you probably never will know just how much good your purchases of War Bonds have done, but you should know that regular and increasing purchases are necessary.

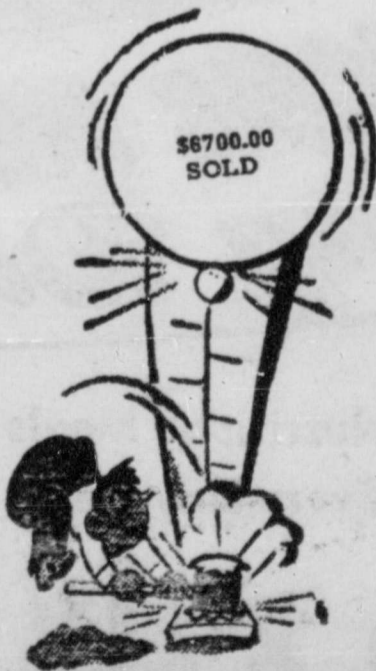

U. S. Treasury Department

Aid to Enemy

"Any American who wilfully neglects to pay his taxes on time or to invest every cent he can in War Bonds is surely giving aid and comfort to the enemy . . . We have a job to do and we are all called for service to our country. Our dollars are called to service too. Let us all ask ourselves, 'Shall we be more tender with our dollars than with the lives of our sons?' " — Secretary Morgenthau.

NEWS BOND-METER

Let's make this News Bond-Meter go up, and that'll make Hitler's, Hirihi's and Mussolini's bloodpressure go up too!

NEWS OF OUR MEN and WOMEN IN UNIFORM

Pvt. Johnnie Woodson received his diploma for graduation from a "special school" in camp Sibert, Alabama.

Cpl. Arvin McDonald, son of Mr. and Mrs. J. C. McDonald of Jonesboro is on maneuvers in La.

Pfc. H. Nelson Sasse recently graduated from radio Operator's School at Traux Field, Wisconsin with the highest average grade among the honor graduates. He is now stationed at March Field in California and had been promoted to Sgt. Sgt. Sasse, an employee of the Magnolia Company, volunteered in the Army Air Corps several months ago, and, as the above item, states, has been taking a special radio course. His friends here congratulate him on the splendid record he has made.

Don't spend your pay in competition with your neighbors for scarce civilian goods. Save, America, and you will save America from black markets and runaway inflation. Buy more Bonds every payday. How many bonds? Figure it out yourself.
