Lt. Bob Thomas Here From North Africa

First Lieutenant Bob Thomas arrived Thursday in Gatesville from the fronts in North Africa. Lt. Thomas is a navigator on a

Flying Fortress and has been in North Africa since Christmas of 1942.

He arrived in Dallas Monday of last week, and wired his mother, Mrs. R. Thomas of Gatesville that he would be here soon, but he was delayed in Dallas by officials.

He enlisted in the Army Air Force January 15, and was sent to Ellington Field, taking his basic training, and was transferred to Kelly Field, San Antonio, where he received his wings and commission. He has been stationed in Florida and Washington and states in between and went overseas in December, 1942.

Mr. and Mrs. Fred Owens of Mexia were here for the funeral of Sm A. Clemons. Mr. Owens is stationed at the Dodge City Army Air Field at Dodge City, Kan.

Coryell County Takes Over North Africa

Here's positive proof, and looking at you out of this picture are three Coryell county boys who met "on the largest continent on this earth", Africa. They're over there, or were, (they may be in Mussolini's boot, now, or, those who are going to disown Hitler.

Reading from left to right, Cpl. Wayne H. Boyd, son of Mr. and Mrs. F. J. Boyd of McGregor.

Next, T/Sgt. Loyd Ivy, son of Mr. and Mrs. L. A. Ivy of Gatesville, and,

Cpl. Charles E. Vandiver, son of Mr. and Mrs. C. A. Vandiver of Oglesby.

Cpl. Vandiver and Cpl. Boyd are cousins.

Also from these families are S/2 Clyde Boyd and S/Sgt. George Vandiver, who are in Australia. Clyde is on a U. S. Cruiser.

Big Law Week Is Report From Every Source

Business picked up this week just past, and from every angle it seems the law east of the Leon, and west, too, had enough to do.

A '41 Ford was picked up by the "City" stolen from Killeen from T. H. Norman, Jr., who was glad to hear about it.

Sunday afternoon, according to Sheriff Joe White a '36 Ford sedan belonging to Sgt. Hailey of North Camp Hood was taken off a Gatesville street. Sgt. Hailey was in a movie house.

Drunks, a few of them, a few disturbances, and just "messaging around" kept them all up to the early hours Sunday morning, and

there was more Sunday night.

Saturday, a car was stolen, parked on South 8th between Main and Leon, and Sgt. Smith and Patrolman Luther of the State Highway Department picked up two soldiers, at a McGregor Honkey-tonk, as they came out and confessed, according to Sgt. Smith and were turned over to the MPs.

The car belonging to Lt. Wilbur Leaman of Gatesville, and was a '40 Pontiac.

Don't know about the keys, but it's always a pretty good idea to take 'em out and put them in your pocket. As if you didn't know that.

Mr. and Mrs. Marshal Dixon, Mr. and Mrs. Oscar Taylor, Mr. and Mrs. W. C. Clary and Mrs. Mat Casbeer of Lampasas were here last Tuesday. They attended the funeral of Pfc. Sam A. Clemons.

Mrs. Robert Petty of Waco was here last week. She is the former Miss Vira Franks.

Zilman Neal (Sonny) Gilmore is visiting in Coryell City.

AVOID INFLATION? HERE'S HOW

New York, Aug. 15 (AP).—Life insurance companies have devised a 7-point program to stop inflation and HCL.

Here they are:

1. Buy and hold War Bonds.
2. Pay your share of taxes, willingly, including increased levies.
3. Provide for your own and family's future by adequate life insurance and savings.
4. Reduce your debts as much as possible and don't make new ones.
5. Buy only what you need and make them last longer.
6. Live faithfully by rationing rules to conserve goods of which there are shortages.
7. Cooperate with our government's price and wage stabilization program.

Austin, Texas, Aug. 15 (AP).—The Federal Social Security Board gave notice Sunday that continued federal financing aid for the state old age assistance program

WAS 4. NOW 3

Washington, Aug. 15 (AP).—The OPA held out the "hope" tonight that eastern motorists might get a half gallon increase in their basic gasoline ration of 1½ gallons a week, but said they would have to earn it by their own driving economy in the next two weeks.

NO AUTOMATIC GAS BOOST IN TEXAS

(By The Associated Press) Reduction in value of gasoline ration coupons—due for Texas at 12:01 Monday morning, this morning—will not work a hardship on farmers, ranchers, other agriculturists, and workers needing home-to-work rations, regional OPA Administrator Max McCullough said in Dallas Sunday.

Note: In an editorial in The Houston Post Saturday, it was disclosed that "tax-free" gasoline in Texas, used by government agencies of all varieties was 52.6% of the Total used in Texas. Suggest send some of these monkeys back where they came from.

OBITUARY

IVY ARTHUR HARRIS

Ivy Arthur Harris (Shoepop), son of J. A. and Lou Harris, was born December 4th, 1898 near Slater, Texas where he resided at the time of his untimely death, July 4th, 1943.

He was baptised into the Church of Christ at the age of fourteen and was a firm advocate of his faith. His daily life was patterned after the laws of Christianity, honesty, unselfishness and charity.

March 13, 1921 he was united in marriage with Miss Lula Bunnell, and from this union one son Sammie Angress Harris, was born.

To know "Shoepop" as his friends called him, was to love him. Among all classes and ages he was admired and highly respected. He loved and trusted his fellow men never speaking evil, but always showing faith and confidence. He was always ready to lend a helping hand whenever needed. It can truthfully be said, "He was a peaceful man". Never contentious or quarlesome with those about him, but minding his own business.

He was a devoted husband and father. His family came first in his life. His place can never be filled. A quiet evening at home with his family was his greatest joy.

In his short illness he fought desperately to hold the life he loved so dearly.

Arthur is not dead but sleeping, awaiting the judgement morning where we hope to be reunited around the throne of our loving Savior.

—A Friend.

Arnett School Jumps Gun on 'em And Opened Yesterday

It's all over for the boys and girls of the county, or soon will be. Arnett school opened Monday.

All of which makes it sound bad, because it won't be long before the others will begin the nine months grind and there'll be lessons, books and all the other trials and tribulations tht go with school.

And, when they get out, thinking now they're having a hard time they'll all wish they were back in and could take it easy again in SCHOOL.

Gatesville schools have not yet announced their date of opening, but it is expected to be about the 2nd week in September.
