PACIFIC ACE KILLED IN NAVY CRASH

BEACON, N. Y. Nov. 12. (AP)—Commodore Dixie Kiefer, Pacific War Hero who lived thru 10 major wounds in two world wars was killed last night in the crash of a twin engined Navy plane.

Kiefer was famous as captain of the famed aircraft carrier "Fighting Lady". At the time of his death he was commanding officer of the First Naval District Air Bases.

DISCOVER AMERICAN RIFLE IN JAP FACTORY

NAGOYA, JAVA, Nov. 12. (AP)—Sixth Army officials announce the discovery of 100 copies of the American automatic rifle in a factory set up by the Japanese near Anjo last June.

SOERBADJO PLEADS FOR SOVIET HELP

BATAVIA, JAVA, Nov. 12. (AP)—Indonesian Foreign Minister Soerbadjo pleads for Soviet intervention on behalf of the unrecognized Indonesian Republic.

The British Indian Infantry renewed their house-to-house assault which drove the Indonesian Nationalists from almost half of Soerbadjo over the week-end.

KRUPP TOO ILL, TO BE MOVED TO NUERNBERG

NUERNBERG, GERMANY, Nov. 12 (AP)—A six-man medical commission announces the condition of Gustav Krupp, the German Munitions Manufacturer, is so critical he will probably die if moved from Salzburg to Nuernberg to stand trial as a war criminal. He recently suffered a paralytic stroke.

UNBEATEN 4TH ARMY TACKLES S. WESTERN HERE FRIDAY NIGHT

Gatesville and Coryell county have just about seen everything, but it remains for the 4th Army Maroons to bring to Gatesville a full fledged University football team to display it's wares. It'll be Southwestern University of George town.

Coupled with the regular athletes which attended this aged institution will be more athletes from the Navy V-12 course which has put the University back in the football picture during the last two years.

Last year, they chalked up victories over the University of Texas, and this year, they have a Owl's feathers under their belts as a result of their play on the gridiron.

They didn't meet a pushover in the 4th Army Maroons. This club, altho they've not met a formidable opponent as yet, has never had to slightly extend their power to take the long end of a football game and have a string of victories over South Camp Hood, NTAC, John Tarleton, Allen Academy, Ft. Sill Army Post, Ft. Sill Okla., and are now the only unbeaten, untied service team in Texas, and one of a very few in the nation.

Fans of all central Texas are going to be privileged Friday night to see collegiate football as has never been unrolled on the gridiron in Central Texas, more especially this part, and whether a dyed in the wool football fan or not, or just an interested spectator, a real battle will be unrolled here Friday night, and we know the stands will be bulging with fans.

Since there is no GHS Hornet game, fans here have their football dish running over, and it'll be the 4th Army Maroon-Southwestern go Friday night. Don't miss it!

SPECIAL POLL TAX CHARGE FOR THE DISABLED

One dollar poll tax receipts will be mad available to disabled persons according to an amended opinion by the state attorney general's department. County Tax Assessor-Collector was advised Tuesday in a letter from the State Comptroller George H. Sheppard's office.

The previous opinion had held that the provision for exemption for disabled persons was unconstitutional because of the \$1 levy for schools.

The dollar poll tax will apply to blind, deaf and dumb persons, persons who have lost a hand or a foot, to permanently disabled persons and to veterans of foreign wars 40 per cent or more disabled, Veterans of World War II will not need a poll tax until 18 months after discharge. Davis said the disability for loss of hand or foot does not apply to loss of only fingers r toes.

NEW "TEXO" FEED STORE OPENS ON WEST LEON

Now, if you've tried them all and don't like any of them, you can get a new kind of feed.

A new TEXO Feed Store has just been opened on West Leon, and they handle all kinds of feeds for all kinds of animals and poultry.

CENTRAL TEXANS MEET ON PROPOSED LEON RIVER DAM MONDAY, NOVEMBER 19

We've a form letter from Kenneth Heagy, Major, Corps of Engineers, Executive Officer, regarding a hearing to be held in the Belton Courthouse Monday, November 19, at 2:00 o'clock p. m.

This is to enable all interested parties to supplement the data furnished at a previous public hearing held at Hamiltno on August 25, 1937, regarding the improvement of the Leon River in the interest of flood control and allied purposes.

A story in the Temple Daily Telegram tells of the vast injury to the farm land, lives lost, and crop losses by floods. The lives are 350, and crop damage is figured at \$35,000,000.

The proposed dam site, according to the paper, would be just north of Hwy. 317 bride at Miller Springs, just north of Belton. That'd be nice for Beton and Temple. We've heard the back waters of the dam would back up

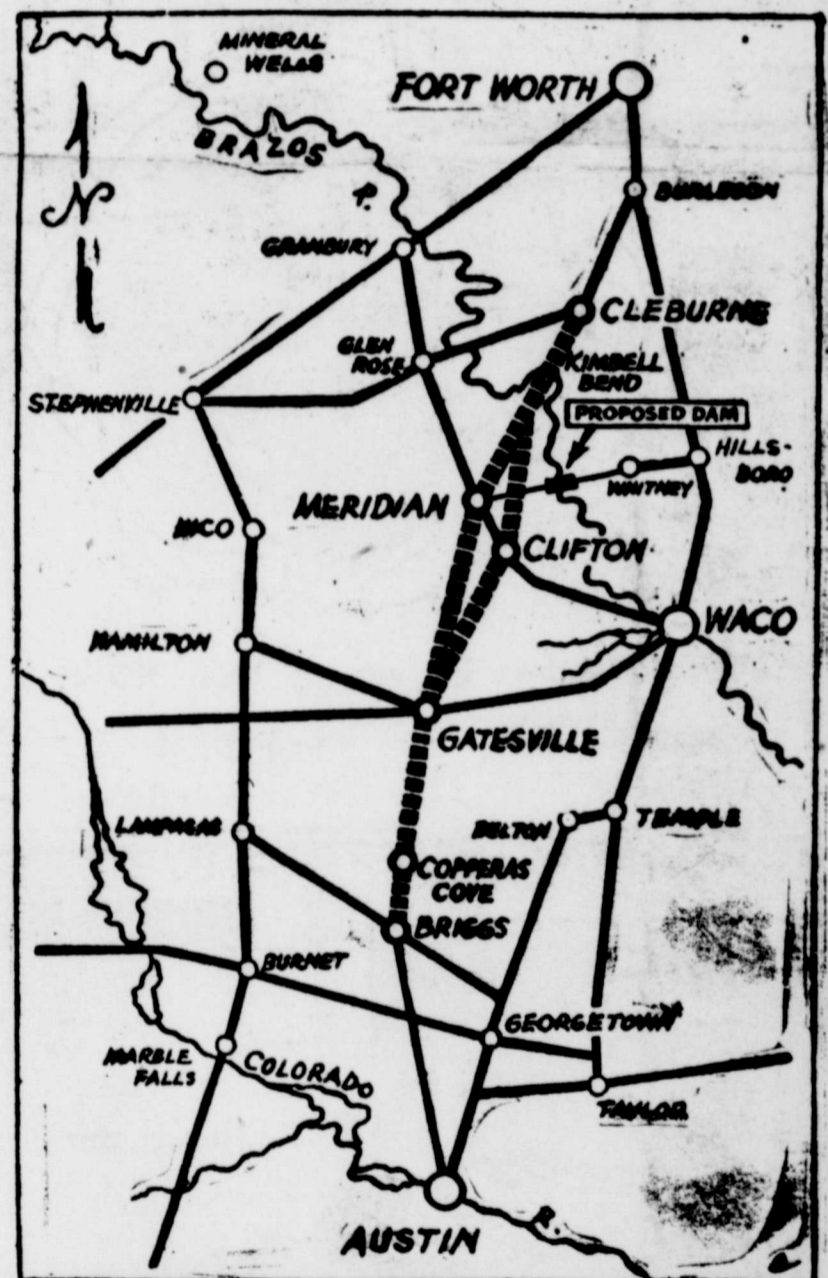

to approximately Leon Junction, which would also be nice for Bell county.

NIGGER IN WOOD PILE
Seems like (and, we don't know all about this dam business) that everything is figured for us (Coryell county) to furnish the land, and the great Bell to have the benefits (if any) from the dam, pleasure resort, lake, fishing. Wonder if they'd be as heartily for it if the river ran northwest instead of southeast, and the dam was at the same place covering up their ands, and taking them out of tax revenues.

We've had another "dam" just about like this one. Camp Hood, at least the headquarters, or "main stem" of the camp, located almost totaly in Coryell county, with the "front gate" in the proximity of Bell county, and the "shootin'" end furnished by Cor-

STAR MEDAL to First Lieutenant L. V. Arnett, U. S. M. C., R., for service as set forth in the following citation:

"For meritorious achievement in connection with operations against the enemy while serving with a Marine Infantry battalion on Iwo Jima, Volcano Islands, from 24 February to 16 March, 1945. First Lieutenant Arnett, Communications Officer of the battalion, kept his platoon operating at peak efficiency throughout an arduous campaign by his own example of personal courage, professional ability and dogged persistence. In spite of extreme difficulties of rugged terrain, numerous casualties in his platoon and intense enemy rocket, mortar and artillery fire he maintained essential communications at all times. He showed marked initiative and skill in getting the most use from scarce material. Through his untiring efforts the battalion commander was able to communicate continuously with his units as well as adjacent units and higher echelons, thus contributing immeasurably to the success of the battalion's actions. His conduct throughout was in keeping with the highest traditions of the U. S. Naval Service."

G. B. Erskine, Major General, U. S. Marine Corps, Commanding.

Temporary Citation Dated 7 September, 1945.

Sure, we've won the War

BUT THE COST GOES ON!

IT WILL COST MILLIONS TO BRING OUR ARMIES BACK and it's just as expensive as it was taking them over. Meanwhile, thousands of our men who stay behind in occupied territory must receive their pay, be clothed, housed and fed at Uncle Sam's expense.

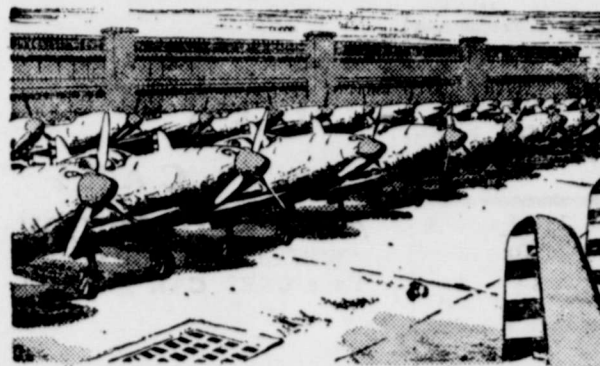

WE OWE THEM A RETURN TRIP TICKET TO HEALTH. Today, the rehabilitation and care of over 300,000 wounded are among America's gravest peacetime problems. This obligation is one which every American can now share in—by investing in the Great Victory Loan.

**America Must Take Care of Her Own
In the Great Victory Loan!**

It's too much to expect that the cost of a war which lasted many years can just stop overnight. Although the fighting is over the paying has to go on for some time to come.

So once more it's ALL TOGETHER in America's Great Victory Loan. Start off your own peace and prosperity—and your country's—right by investing in the biggest quota of bonds you've ever bought.

UNCLE SAM MUST STILL PAY FOR THESE. Although America had already started to cut down on production of various kinds of war materials, the swift ending of the war left many planes, tanks, battleships, guns, made at the last minute, still to be paid for.

LETS TALK THINGS OVER

Dear Emma M. Henderson:

Madge and I were married near-

ly a year before the war was over. She said since I would be away and lonely, for me to date girls whenever I wanted to. I did not approve exactly but a lot of the girls and fellows we ran around with felt it was alright so I agreed

and told her not to stay at home and be lonely but to go with the gang and if a nice fellow wanted to take her, go along. I took her at her word and dated a good many girls here and there, and I am ashamed to say, I took off my wedding ring when I did.

Madge went a lot too, and I did not particularly care except there was one fellow, who did not go to the war who took her around more than everybody else put together. He had been in a severe automobile accident and was slightly crippled. Madge said she was sorry for him, but you know "Pity is akin to love" and John, this boy had gone with Madge a lot before we were married, in fact, I think he was in love with her when we married and still is. Well, when I got my discharge, I wanted to start out as real married people and I certainly didn't dream Madge would still want to date. but to my surprise, it was not long until John was going along with us nearly half the time and then, she asked me if I minded her having a date with him occasionally.

Well, Mrs. Henderson, I saw red. Who do they think I am to be willing for my wife to run around with other men, especially an old beau of hers! I'll admit I was terrible and said a lot of things I shouldn't, like "Why didn't you marry John Mennigan if he is the man you love? You surely don't care very much for me if you want to run around with other men. He's a sneak anyway, trying to steal my wife while I was off fighting for my country and if he hangs around here anymore, he'll be a sight worse crippled than he is."

What can I do? Madge is mad with me but if I give in now for her to have dates, I don't think there is any doubt that things will go from bad to worse and we can never have a real marriage.

Harry.

Dear Harry:-

It was a mistake to ever begin dating after you were married. You did not say how old Madge is but if she was over twenty, she should have more sense, and if she was under, you should have used more judgement for her than to agree to date as though you were a single man and give her permission to have beaux (beaux and belles are for single people). Since you were so foolish, I would advise you that you have patience and kindly explain to your wife that ou were to blame partly and you are sorry you blew up like you did but you do not intend to date any more and she must not either. Tell her that since John Hennigan used to go with her, it is dangerous for them to go about as though she were single for two reasons: first, people will talk about all of you; second, if he still loves her as you think he does, sooner or later it will break up your marriage.

Tell her you and she can be friends with him, as you are to others of your acquaintance, but she must see that it can bring only unhappiness to John and you too, for them to expect to go about together. See to it that she has fun and take her as much as possible so she will not feel she is through with all fun. Lead her to be interested in buying and building a home, take her presents and if she is unreasonable, just remember you were able to cope with your job in the army and have what it takes to make a success of your marriage.

Major Consideration in home building plans

HEAT

The time to decide about your house heating is during planning stage because the new gas heating equipment requires flues for venting.*

When heating is planned as part of house and equipment installed when it is built or remodeled, it can be included as part of monthly payments. In this way the finest automatic gas heat costs so little more each month that even the builder of a modest cottage can afford it. So plan heat as part of house.

*Only when heating equipment is vented to a flue are wall sweating and stuffy air eliminated. Lone Star Gas Company recommends only equipment that is vented.

DAMPNESS STOPS GAME JUST BEFORE END THIRD QUARTER

Twenty-two "perspiring" football players, 3 officials and a stand full of fans, were saved from flu, pneumonia, or worse, Friday night when officials, with the sanction of Hamilton authorities and coach Loyd Mitchell, stopped the annual Gatesville-Hamilton football game just before the end of the third quarter. The playing field was covered in at least 2 inches of water, everybody out from under a shed was 100 percent wet, and the Hornets were out in front 27-0, so there really wouldn't have been much use continuing the game anyway.

During the first two periods, it was a very nice ball game, and Hamilton's Hoertz, Gilmer and Arbuckle presented a strong line and stellar play. Fuqua was the main spearhead in the back, assisted by Thompson, West and Alexander.

For the Hornets, good old Tatum stood out, and Bone made most of the points. Tatum kicked three out of four placekicks, which ain't bad in any league. Line play, was tight on defense, but the Bulldogs themselves had a nice line, so it was a battle. The Hornets best bet was off tackle plays, and a short pass over center paved the way for one or more touchdowns.

Hornets kick from north, Hamilton receiving from the south, and it's raining in squirts, now and then. The east bleachers are bare, and the poor substitutes, coaches, etc., sit out in the rain.

Franks holds, Tatum kicks, ball goes over goal taken by West. Ball brought out to the 20. West carries making 1 yard. Fuqua goes thru C and carries for 7, stopped by Davidson. West carries, and is thrown for 5 yards loss, Patterson and Tatum. Schneider for Thompson. Schneider kicks, and it's killed on the 45 yard line.

Tatum to Necessary, off tackle, and it's 5, stopped by Arbuckle. Tatum at other tackle, and they measure, stopped by Fuqua and Bullard. Thompson in, Schneider out. Now 1st down. Bone off LT. makes 1st down. and 4. Hoertz taking. Tatum stopped at scrimmage, stopped by Arbuckle. Necessary is stopped by Arbuckle and Co., and they need 7 for first down. Tatum at LT. makes 3 yards. Gilmer, Arbuckle and Baker stop him. Bone off tackle makes it 1st down. stopped by Arbuckle and Hoertz. Necessary at right, gains, 2. Bone carries, fumbles, ball rolls outside. Tomblin for Necessary. Gilmer out, Siepert in. Tomblin carries at right, stopped by Alexander. Bone fumbles, bad pass

from C. Bullard recovering for Hamilton.

Schneider out, Thompson out. They fumble on sneak, recover for 1 yd. Schneider kicks high, ball rolls back toward goal, and Hornet ball on the 15. Tomblin carries and don't go at rt. side, stopped by Bullard. They're all piled up at C and Tatum hits it, for no gain. Bone carries and drops 1 yard, no blocking, stopped by West. Davidson to Bone over C, makes it 1st down on the 3 yard line. Bone hits tackle for no gain. Tomblin makes scrimmage, stopped by Arbuckle. Tatum jumps for touchdown. Hamilton 0, Hornets 6. Tatum adds extra, Bone holding. Gatesville 7, Hamilton 0.

Thompson for Schneider. Ball kicked by Tatum to West on 10, returns to the 16 yard line. They end the 1st Q. right there.

Smith for Thompson. Alexander passes, fumbles, and there's red flag down, illegal formation Smith passes, intercepted by Bone on the 28, stopped by Arbuckle and Baker on the 23 yard line.

Tomblin to Bone, running wide, carries to the 11 yard line, and it's the first down. Necessary for Tomblin. Necessary to Patterson, slick ball and Patterson drops. Bone goes on thru, and it's 6 more about 8 yards. Tatum adds extra. Gatesville 14, Hamilton 0.

Gilmer for Siepert. They kick to the 25, ball taken by Fuqua, who fumbles, recovering on the 28. Fuqua takes, but the red flag is out. Gilmer for Painter. Hamilton drops 15, holding. Schneider kicks to Davidson on the 49 and he goes up the sideline for a touch down, and that's 6 more, going over untouched. Thompson for Schneider and Barnett for Bosse. And, Tatum kicks for another, Gatesville 21, Hamilton 0. Ashby for McDonald.

Hornets kick to the 33, to Siems, stopped by Bone. West goes thru standing, stopped by Gilmer. Fuqua sneaks thru, taking to the 49, stopped by Bone for their 1st D.

Fuqua takes again and makes 3 yards. Time, Hamilton. Stopped by Gilmer. Smith for Fuqua. Freddie and Pennington before he gets started. They kick, it's blocked and the ball is finally killed on the 38.

Bone to Johnson, and he gets, but there's a penalty. Hornets lose 15 yards, holding. Tatum hits scrimmage for none, Santy and Goerdel stop him. Tatum kicks over Safety, and West picks up on 35, stopped by Featherstone. Alexander carries, stopped by Pennington for none. Thompson carries stopped by Ashby, after receiving lateral. Anderson for Franks. They quick-kick to Davidson on the 38, returns to the 50. Gartman for

Take a tip from your favorite retail merchant. His Christmas counters are stocked for the first time since 1939 with commodities you dreamed about in the darkness of war. And yet he and his employees will go the limit today in telling you for your own good to buy "something else" first. As a war-wise thrifty American you need not be told that the name of this product is Victory Bond, that it can never be worth less than you pay for it, that it will return \$4 for every \$3 invested when held to maturity 10 years hence, that it is your personal servant at the same time it is serving your country's current needs, that it will assure you not only a merry Christmas this year but help to make Christmas merry in the years to come. Your merchant knows a great product. That's why he is putting every effort to stuff the Christmas stockings of this community with extra Victory Bonds.

THE Army Answers Your Personal War Problems

Your questions on allotments, insurance, legal problems or other matters as they relate to Army personnel and their dependents will be answered in this column or by letter. Write Headquarters,

Q. I now receive a pension, as my husband was a world war I veteran. I have two minor children. In case I remarry, would I still receive part of the pension for my children? If so, how much?

A. You would still receive part of the pension for the children—a total of \$38 per month if your husband's death was because of injury or disability due to Army service, or a total of \$27 per month if his death was due to other than Army service.

Q. To be eligible for discharge from the Army of Occupation in Germany, does a soldier have to stay there until he gets the required points? How do these soldiers get the points?

A. Soldiers are released from occupation duty in one of two ways.

When they become eligible for discharge, they are sent home and separated from the service. They are returned for duty in the United States as the size of the Army of Occupation decreases and as it becomes possible to replace them with lower-point men or by those now enlisting or being inducted into the service. Points have not been given for service since September, but from time to time the Army has reduced the number of points necessary to make a soldier eligible for discharge.

Q. Is there any way for a farmer to be discharged?

A. Soldiers are not separated from the service merely because they are farmers. However, a discharge can be given based upon the soldier's importance as a civilian to national health, safety or interest, each case being decided on its merits.

leJlrxxstbased

Q. Is a veteran in need of hospitalization always sent to the Veterans Administration hospital near-

est his home?

A. He is always sent to the nearest appropriate hospital where a bed is available. In Texas the Veterans Administration has four hospitals. The hospitals at Amarillo and Dallas are known as general hospitals. The one at Lection is a tubercular hospital and the hospital at Waco is for the treatment of nervous and mental disease.

Q. Are there conditions under which the widow of a World War I veteran who served less than 90 days may receive a pension?

A. Such widow may receive pension if death was due to a service connected disability or if the veteran was discharged by reason of a disability incurred in service in line of duty or the veteran at the time of his death was receiving or entitled to receive compensation for a service connected disability.

Q. How long must the relationship of lese parentis have existed in order for the one so acting to receive a pension?

A. In order to receive a pension as a dependent parent it must be provided that the claimant has stood in the place of a parent for at least one year prior to the veterans service.

Q. When going to school under the provisions of the G. I. Bill, does a veteran receive any payment for subsistence in addition to the \$75 per month paid the vet-

eran and wife?

A. when in school under the provisions of the G. I. Bill a veteran will receive \$50.00 per month without dependents or \$75 per month with dependents regardless of how many there be. No other payment for subsistence is received.

Q. Is the \$500.00 that the Veterans Administration pays for tuition, fees, books and supplies the total that will be void for a full year?

A. The Veterans Administration will pay up to \$500.00 for tuition, fees, books and supplies for each ordinary school year of nine months if the school is operating the full calendar year and the veteran wishes to attend, the amount paid will be increased accordingly.

Q. Is it true that money spent on a veteran taking vocational rehabilitation courses may be deducted from any future bonus that may be paid?

A. No, such payments are not deductible. Only payments under the provisions of the G. I. Bill are deductible from any possible bonus.

Q. If the appraised value of a home is not sufficient to permit the approval of a loan under the provisions of the G. I. Bill, may the veteran pay the difference between the asking price and the appraisal value and receive a loan guaranty?

Black's Grocery on West Leon Street Phone Day, 371 Phone Night 3814

A. No. The law clearly states that the price paid may not be greater than the reasonable normal value of the property.

Q. May the seller of tractors or other farm machinery be considered the leader for the purpose of a loan guaranty by the Veterans Administration?

A. The implement dealer may be considered the lender provided the requirements of the law are met.

Q. May the borrower pay off either the guaranteed part of a

loan or the part that is not guaranteed without payment on the other?

A. No. Reductions on both parts will be proportionate.

Q. Is a person who served in the Merchant Marine entitled to benefits under the provisions of the G. I. Bill?

A. No. Only those who served in the organized branches of the Military and Naval service are eligible for the benefits administered by the Veterans Administration.

Dear GI & GILL:

We're in the month of holidays—November—one of the worst months of the year for newspapers. Advertisers don't do much before a holiday, or much immediately afterward, and nearly everytime, November has only 8 newspapers (semi-weekly newspapers). And, here it is, Armistice was Sunday, and both employees and ourselves didn't want to work overtime Saturday evening getting out the Tuesday (this'un) paper so, we just worked Monday. Hope all you folks had a nice holiday.

Then, comes up Thanksgiving (the first one,, and it's paper day here, and nearly everywhere else in the nation for country newspapers. But, the holiday is over at midnight, the 22nd, and Friday morning, bright and early, you, and thousands more will wake up and say where is that paper. So, we are in the ditch, and must have it there. Of course in a lot of cases you'll say "there ain't nothin' in it", tho, if you'd missed yours, you would, and we'd want you to, raise merry ----- because it wasn't there. Gosh that's really the part we like! Not the cain raising, but the fact that you miss it, and miss it enough to tell us about it. That's the glory and

satisfaction about the newspaper business. ou thing there's nothing in it, but really raise old bill if it isn't there.

And, all this brings up something else. Maybe we have told you about it; maybe not. Anyway, we telephone the dear ladies for a party (oh, yes, they're still having them, and have had all during the war), and they tell us: "Well I just had a small party and couldn't invite everyone I wanted, and I'm afraid I made some body mad". Now we would not want that to happen for the world, but this isn't New York, London, Chicago, or even Waco, and roughly, we'd say, by 9 a. m. the morning following the party everybody'd know it anyway. That, and other "legitimate" excuses are the very reasons, in a large measure why there's nothing in the paper. Frankly, we don't make the news, we just put it down.

Too, we've been a little short handed during the war and now during the "and 6 months" and we most certainly appreciate any help on the part of the readers or non-subscribers, or anybody, who helps us gather the information about you, me, and our neighbors. If it wasn't for the nice cooperation of the folks in the com-

munity, any newspaper wouldn't be what you expect. It's a cooperative proposition, and it takes us ALL to get up, put out, and distribute a good, newsy, reliable, progressive newspaper, in Gatesville, Coryell County, London, New York, or anyother point. We're terribly thankful for your help.

There's a lot of moving around right now. Some folks come in, sell their farm equipment, go to the bright lights, and go to work. We have them listed nearly every issue in the News. Moving around. Friday, we saw a boy or young man who was going the other direction—back to the farm. He'd been four years in California, and said he'd come to the farm to stay. Said things were a shade tough out there and were getting worse. It happened like that during the first depression and is probably going that way now.

Another man in from a manufacturing center said the same thing'd probably happen there if the Navy owners or whoever had it before.

During the last depression, we were fortunate or unfortunate enough to knock around a bit, and that's how we found it. Had to come home several times

to recoup our finances, and job hunting was worse than the job you got, if you got one, and most of the time, you didn't. When we'd come back home, we'd find everybody eating here, and getting along poorly, but along. We went in places where 5,000 were ahead of us with their applications for jobs, and 50 to 100 waiting to waste their time filling out application blanks. We had nothing special to sell—just younger, a little ambitious, and with no "special skill" as we know it now, along with the alphabet. There were literally millions like us, and it wasn't funny.

There's going to be a lot of that, and we think the boy that came home from California to farm, really learned something in California. Old Coryell County has always been a good place in a "storm". We, know, we've made port here too many times, got a stake, and went out to whip the world again, and, found, we were just not smart enough, or didn't get the breaks, or didn't have the luck, pull, push or something to get the job done. The place hasn't changed—it's still, to us, the best danged place on terra firma, bar none!

Well, more anon, WMJ.

TWO MID-WEEK GAMES SCHEDULED FOR THIS WEEK

First, the Junior High School Hornets take on a similiar club "after school" Wednesday afternoon for the first contest of the week.

And, Thursday evening, the "B" Hornets match their wits and brawn with a Waco Kitten outfit. The latter was roundly beaten by McGregor Bulldogs last week, and should be rather a mouth full for the locals.

HOOD'S MAROONS MAY PLAY TULSA

CAMP HOOD, Nov. 11—The Fourth Army Maroons, nations only undefeated service eleven, will likely play Tulsa's powerful Golden Hurricane at Tulsa, Okla., Dec. 1, Major T. D. Shackelford, athletic and recreation officer announced today.

Confirmation of the date is expected from Tulsa soon, according to Major Shackelford.

COPPERAS COVE ELKS DROP 6-MAN GAME TO OGLESBY 0-22

Friday, November 2, Copperas Cove Elks dropped a hotly contested 6-man football game to Oglesby, the circuit champions, 22-0.

At the half, the game stood 0-0, but the boys from east Coryell county opened up to finish the game as indicated.

This is one of the closest counts that the champs have been held to this season.

Last Friday, 9th, Turnersville and Copperas Cove met at Copperas Cove, but we have no results from the game as yet.

WITH THE COLORS

Sgt. Dave H. Lynch received his discharge from the army Air Corps October 19th at El Paso, Texas. He spent 27 months in the Pacific Area serving in the Philippines, New Guinea and Japan.

Sgt. William D. Lynch is also home with a discharge from the Army. He spent two years in the European Theatre of Operations, in England, France and Germany. They are both sons of Mrs. J. R. Lynch of Jonesboro. She has two more sons in service, one in the Pacific and one in Europe.

W. L. A. Williams, S-1-c, Gatesville took part in the occupation of Japan with the crew of the escort carrier USS MAKIN ISLAND.

The carrier also took part in the Pacific operations at Okinawa, Iwo Jima and the liberation of the Philippines. Her planes and guns were credited with shooting down 22 enemy aircraft and destroying 16 on the ground, and assisted in sinking two destroyers, an oiler and numerous small craft, while on it's major assignment of knocking out pill boxes, troop concentrations and installations in the Jap Islands she attacked in the Western Pacific.

Okinawa—Robert Allen Bond, ship's cook 3-c of Gatesville served with the 135th U. S. Naval Construction Battalion on Okinawa. It was responsible for the rapid development of this Ryukyus island into a formidable base. It helped build the principal Naval operating base at Buckner Bay near Yonabaru, scene of Okinawa's bloodiest battle.

Previously this seabee unit had spent more than 8 months in the Marianas, where it helped transform Tinian from a small Jap base into one of the most powerful airdromes in the world.

Sgt. Morris S. Bell of Copperas Cove has been discharged from the U. S. Army at Ft. Myer, Va.

Camp Livingston La.—Sgt. Edgar Gholke, Rt. 2, Gatesville was discharged from the army at Camp Livingston, Nov. 2.

San Antonio, Texas, AAFPDC M-Sgt. Lester W. Ballard of Pearl has been discharged from the AAF. Sgt. Ballard served as a mechanic for 28 months with the 10th Air Force in the China-Burma-India theatre.

Sheppard Field-Pfc James C. Scott, Gatesville has been honorably discharged here. He served at the Signal Corps Replacement Training Center, Camp Crowder, Mo., and was 22 months in the ETO, as a telegraph operator. He has been awarded 4 battle stars to his ETO ribbon, a thegeod conduct medal, the Unit Meritorious Service Award and the Purple Heart.
