## Jerry Sadler's Rally Tuesday Night Largest Of Current Season

Jerry Sadler, accompanied by Lew Childre, "String Beans" David Ackman, Rusty Weems, the Alabama Boys of the Grand Ole Opry, brought the house down here with the largest crowd of the current political season.

He charged the "honey-money boys" were after him, and added his GI Memoria Act, his \$40 or nothing for the aged, his farm program and his higher pay for teachers had aroused the ire of the princies of Privilege.

He asserted he stopped shipments of oil to Italy, Japan and Germany over the protests of the big oil interests and that the same oil was used to blast American boys who he later was forced to bury on foreign soil.

In advocating a stronger health act, he said "that a state like Texas would spend almost as much annually playing nure maid to a sick oyster as it does to protect the lives of our children.

With Sadler was Jack Hawkins, editor of The Groesbeck Journal, Dawson Duncan, special writer for The Dallas Morning News, and Ted Sumerlin of The Houston Post.

Lew Childre and the boys took the house down with their western and hillbilly numbers, and showed they knew their way around.

## O. N. Hix, Phillip 66, And Hix Bros. Service Stores At 1403 Main

Two new businesses opened in town this week, partially under one roof, O. N. Hix Phillips 66 Oil Company and Hix Bros. Service Stores both opening at 1403 Main street.

O. H. Hix has moved his office to this location from the Western Auto Associate Store, and invites his friends and customers to see him there, and says he has found Phillips 66 is very popular with the trade here.

Hix Bros. Service Stores will handle U. S. Tires, accessoris, Phillip 66 gas and oil at the new store, and as soon as materials are available they will have their formal opening of this store and the Hix Appliance Store.

## Negro Rapist Taken By City-County Officials

William Richards, honor prisoner, colored, of the USDB was picked up in Gatesville Monday night by Deputy Sheriff Eric Sharp and Chief of Police Herman Sims, after being identified by the victim.

He was lodged in the local jail under that charge, "by force" and will be kept for trial.

Sheriff Joe White Thursday said eight or ten others he holds warrants for will be turned over to him on various charges.

## GSSB Inmates Out

Thursday morning GSSB got out, alleged to have stolen a bicycle, was chased, escaped and stole another, and is still being chased. This was the one said to have entered Gilmer's Grocery and Market last week, after another escape.

Another got out early in the week, said to have entered W. C. Bradley's home on Hwy. 36, taking about \$75 in ickle, then, Monroe Murray's, where he got clothing, then, bought a ticket at the bus terminal with nickles. Officers phoned Waco and he was nabbed there.

State highway police in Waco looked for William F. Phillip, a USDA, who was serving 10 years for second-degree murder.

## July 31 Last Day To Transfer Your School Children

July 31 is the last day to transfer school children from one school district to another, according to information from County Superintendent Ollie Little's office.

Patrons are asked to call at the office or see your local teacher or trustess if you wish to make application for transfer.

## Waco Junketeers Here On Rodeo-Trade-Trip For Centex Metropolis

That big noise you heard in Gatesville about 3 o'clock Wednesday, was nothing more or less than Waco Bear Club Rodeo Boosters and after a short stay here breezed on in their big old bus to Copperas Cove and a number of other points before heading home. They had already been to Meridian, Valley Mills, Iredell, Hico, lunched at Hamilton, Jonesboro, Ames and then here.

Chief of Police Sims and C. of C. Manager Bill Thomson escorted them to the square where they were met by a large number of citizens and businessmen.

Included were Pen Wheels and Ralph Buchanan representing the Bear Club. Others were Fred McCrary, Herman McClain, Lawrence Lacy, George Brown, Bartow Barnett, Ralph Arnold, Willard Wigley, R. P. Dupree, Henry D. Hoffman, W. W. Eichelberger, C. E. Armour, R. H. Gray, Roy H. Scott, Fred Smith, Buddy Botick, Lee Glasgow, Alfred Zacharias, Frank Maxwell, John Nix, Ross Sams C. B. Williams, Leo Bruck, George Berry Graves, Barney Torrence, Harry Province, Gordon Ray, Truett Smith and Billy Hammond.

Bob Walker, WACO announcer was emcee and the station's hillbilly's the Lone Star Playboys furnished the music. In the band were Morris Booker, Hamlet Booker, Vince Incardona, Ira Truett and Tex Williams.

## Cleo H. Carroll Has State ment To Voters In Commissioner Race

To the voters of Coryell County Beat No. 4.

In announcing myself as a candidate for the office of Commissioner I wish to state that I was born and reared in Coryell County. I have had four years experience in road building. I believe I am familiar with the duties of the Commissioners Court, and if elected I will try to cooperate with the other three Commissioners and the County Judge.

I believe to ask the voters of Beat 4 for your consideration. This is the first time I have placed my name before he voters asking for any public office. Since it has been impossible for me to contact each voter personally, I want to ask you to take this as a personal solictaion for your vote.

All favors shown me will be appreciated.

Sincerely yours,  
CLEO H. CARROLL

### Allan Shives Is Fully Qualified

Senator Allan Shives is the only candidate for lieutenant governor who has the experience and qualifications that are so badly needed to properly preside over the Texas Senate, the lieutenant governor's chief function. Allan Shives gained this experience through 12 years of service as a senator, interrupted only by two year overseas duty with the Army. He is also the only veteran seeking the lieutenant governor's office.

**H - D CLUB NEWS**

Mrs. Bessie Brown

The Liberty H-D Club met with Mrs. Henry Burks, July 16. The Club gave a brilla shower to her daughter, Mrs. R. T. Barton who recently married in Fort Worth. Mr. Barton is a student at TCU. They will remain there until he completed his college work.

Our program chairman, Mrs. J. B. Jones, rendered a splendid program on the literature of modern times. In her round-table discussion, she had each member tell of the book that had made the deepest impression on her individual life-development. She had a brief review of "The Snake Pit" given by one of the members.

Our recreational director, Mrs. Floyd Kemp, rendered a splendid program of songs, and pencil and paper contests for the bride.

Mrs. Bessie Brown, who had been selected to organize the activities and discussed plans with the club members. She will report to the press on the matter in the near future.

An ice cream feast was served to 25 members, a visitor, Mrs. Don Calhoun, and twenty-five young people and children.

Our next meeting will be with Mrs. Clovis Belvin, August 6. Our agent will be with us then.

**OHIO - LIBERTY NEWS**

We have good reports from those on our sick list: Joy Kautizsch, who was taken to Waco, Saturday, for a consultation with a specialist E. O. Eam, who is a patient at Hamilton Sanitarium; Elbert Tyson, who has been ill for several weeks and Mrs. A. D. Jones who is convalescing after surgery at Scott & Whites.

A recent statement, published in one of our local papers, mentioned the Purmela ladies as co-students with the Liberty women in H-D Club work. This was an error. As much as we wish that the Purmelaites would join us in our club activities, so far, they have not done so. Mrs. J. B. Jones explained the mistake to the Liberty Club this way: "In the absence of the authorized club reporter, she, as hostess, gave a visitor from Gatesville permission to write the club report. This visitor did not know where Liberty stoppad end where Purmeia tarted. Hence the error. We are very fond of our Purmela neighbors, and we shall be glad to welcome them at any time.

Rob Calhoun has purchased the Jackie Parrish farm. He will sell the house that is located on it. This, we are, will cause Mr. and Mrs. Donald Chilton to move.

Mrs. Ed Belvin is visiting relatives in East Texas.

Mrs. Calvin Perryman is taking a summer course at Mary Hardin-Baylor College.

Calvin Perryman, Clovis Belvin, surveying engineers, have been transferred to Bluebonnet at McGregor.

A fine rain fell at Liberty Sunday.

**Farm Implement Man Gather In First Parley, Waco**

Dealers representing 27 central Texas farm machinery firms gathered Thursday night in show rooms of the Waco Farm Machinery Company in an organization meeting, electing M. L. David, chairman, Joe Buchheit, co-chairman and E. O. Harrell, secretary-

treasurer.

The group will be known as the Farm Machinery Dealers of Central Texas, and will meet once a month.

Attending from Gatsville was Ernest McCorkle.

**Boy Fugitives Hunted By Police**

Two 15-year-old fugitives from the Gatesville school for boys were being hunted Saturday by Temple police following their break from the school Friday.

They were believed to be driving a 1939 Chevrolet pickup which was reported stolen in Gatesville. Both boys are from Houston.

**MARRIAGE LICENSES**

Naomi James Cooper and Maggie Fay Beasley.

Billy Gene Manning and Freda Lovell Turner.

**M. and Mrs. Will Huggett Celebrate 50th Wedding Anniversary**

Mr. and Mrs. Will Huggett of Ireland, celebrated their 50th Wedding anniversary, July 14, at the home of a daughter, Mrs. Paul Hinson at Ames.

Relatives gathered for the occasion in the morning, with a barbecue dinner served at noon.

Open house from 2 to 500 p. m. registered many friends and neighbors.

Hazel Huggett of Lufkin presided at the guests book, where some 100 guest registered.

Mrs. Ester McClain of Dallas, niece of Mrs. Huggett, played the wedding march as Mr. and Mrs. Huggett cut the 4 tiered gold and green cake, topped with the conventional bride and groom. Mrs. D. W. Syphrett, of Waco, the for-

mer, Miss Pauline Huggett served the cake and Leah Epperson poured the punch from the lace laid table centered with marigolds. Napkins with gold inscription "Angie & Will Huggett, 1896-1946" were the souvenirs each guest received.

Mr. and Mrs. Huggett were married in Mexia, July 15, 1896. Mrs. Huggett was the former Miss Angie Shoemaker.

They are the parents of eight children, one is dead. The living are a son, Guy Huggett of Turnersville; six daughters, Mrs. Annie Mae Patterson and Mrs. Lenora Lierman of Waco; Mrs. Marj Johnson, Prairie Hill; Hazel Huggett, Lufkin; Mrs. Opal Harmon and Mrs. Willie Faye Hinson, Ames.

All were present for the day but the son, Guy, who was sick at that time.

"IN-FLA-TION, the act of inflating, or state of being inflated 2, abnormal and sudden increase in the quantity of paper money in circulation or the amount of credit in use without addition to the precious metal held in reserve."—Webster.

**NOW!**

We've never been "inflated, or in a state of being inflated."

Now this last part, we don't have a thing to do with. We have no "sudden of abnormal increase in paper money" and, certainly, don't have any precious metal, and our credit is not over-worked.

Frankly, inflation may be here, but We DON'T HAVE IT!

You can say the same for our grocery, meat, fruit and vegetable prices. If they're UP, we didn't do it. We only make the same or less on our commodities, and either the producer or the processor or the wholesaler is the guy that's "uping" the prices.

We've stayed with OPA, and we're continuing to stay with the lowest possible prices, guided by good business principles.

If it is to be had Murray usually has it

### POSSUM FLATS . . . "CLOSE HARMONY!"

By GRAHAM HUNTER

### SECRECY PREVAILS SHIPS REGROUPED FOR SECOND ATOMIC TEST

By WALTER A. SHEAD  
WNU Correspondent

HONOLULU, OPERATIONS CROSSROADS — With much attendant secrecy the target fleet in Bikini lagoon has been regrouped for the second atom bomb test scheduled for July 25. Although most of the correspondents have returned to the States, several made application to remain in Bikini during the interim so they could cover the arrangements being made for the second test. This request was refused by the navy, however, and all newspapermen were ordered to proceed to Kwajalein, where they were either transported immediately by air to the States or to Honolulu, or were housed aboard the press ship Appalachian.

steel supports beneath were driven through the steel deck plating like toothpicks through paper.

#### Await Report

There is considerable speculation as to the coming report of the Military Evaluation board as to the efficacy of the atom bomb as an offensive weapon in naval warfare. If the board decides that future naval construction must meet the dangers of atomic blasts, then we may expect an entirely different warship of the future.

The experience of the first blast indicates that firepower exposed upon high superstructure is particularly susceptible to the heat and blast of atomic power. The speculation is that to meet this threat, future construction will see streamlined warships with low superstructures, enclosed as much as possible, looking something like a modern diesel locomotive with curved surfaces to deflect blast.

Installation of ventilation systems also will be given close security since it was learned that the blast in some cases, particularly aboard the Pensacola, entered the

as to the damage likely to occur to ship hulls from the underwater blast. Having in mind the fact that depth charges of presently used explosives have sunk or damaged

submarines and heavily damaged destroyers and other lighter craft, one school declares that the atomic bomb will play havoc with the tar-

## VOTE FOR VIRGIL JONES for County Superintendent

(Paid Political Adv.)

### RUFUS BURLESON

Made a Good Chief of Police for the City of Gatesville.

Let's promote him to the office of

SHERIFF OF CORYELL COUNTY

(Political adv. paid for by his friends) 57-7tp

#### TERRIFIC BRILLIANCE

Camera catches terrific brilliance of atomic blast in this photo taken just at time of detonation of the atomic bomb.

ventilation openings and followed the ducts below deck, breaking out at the weakest points, shoving through a bulkhead and smashing other obstacles in its way deep in the ship.

This was particularly noticeable in a comparison with the German ship Prinz Eugene, which has no ventilation for its crew. Not a porthole was smashed and no damage done below deck, but she was admittedly much farther from the center of the blast than the Pensacola.

In reflecting upon the damage done to the ships in the first blast, the remarkable thing to this writer is that not a single live mine, bomb, shell, bag of powder or any other ammunition aboard any ship was exploded either by the heat or blast force of the bomb. Torpedoes on the Independence exploded her magazine and her aviation gasoline. But on most all the ships were placed live mines, bombs, shells were in guns or on loading apparatus, and each ship had a full load of ammunition. None of it was exploded and the safety crews which boarded the ships following the blast were careful in their examination.

Then the speculation goes to the use of lead lining against X-rays, rock wool or some other protection against heat, and concrete or some substitute against neutrons and

#### Opinions Vary

There are two schools of thought

MUSHROOM CLOUD . . . The huge mushroom cloud rises over Bikini shortly after the atom bomb was dropped. This picture was made by a photographer flying in a B-29.

In the meantime the Appalachian made a leisurely trip to Pearl Harbor where she underwent some minor repairs, and now is proceeding back to Bikini, where she is scheduled to arrive on B-Day minus 1, or July 24.

#### Nearest Center

It has been announced that ships nearest the bulls-eye of the second test will include the battleship Arkansas, the heavy cruiser Pensacola, the Jap battleship Nagato, the aircraft carrier Saratoga, the destroyer Mayrant, the submarine Pilotfish, the transport Fallow and a tank landing ship.

It may be that the Pilotfish will be nearest the bomb burst, which has been announced, will be an underwater detonation. Other ships of the target fleet have been placed in various positions ranging up to 1,800 yards away from the blast.

The Arkansas, the Pensacola and the Nagato all were severely damaged as to superstructure in the first blast. The Pensacola particularly suffered heavy damage to her fire control; her stacks were blown off and her deck plates buckled. This correspondent went aboard the Pensacola after the first test and noted that her decks amidship were driven downward about 12 inches and with such force that

**ATOM BOMB—Galley TWO**  
(Continued from page 6)

get fleet and predicts that even capital ships closest to the blast will be capsized or sunk.

Others, however, predict that much of the force of the blast will be absorbed by the water and that, although there is danger of light ships capsizing, the larger ships will merely roll with the water and their heavier underwater armor will not be damaged. They predict the heavily armored ships will not suffer as much underwater damage as could be inflicted with a torpedo. This is all in the realm of speculation, however, and the navy remains mum about its own expectations.

In discussions aboard the Apalachian among scientists and off-the-record comment by naval officers, there is some reason to presume that the atomic bomb as an offensive weapon against ships at sea is not as effective as other weapons. However, its ef-

119 N. 7th

Ph. 135

**Is your home wiring system BIG ENOUGH for its job?**

Just as many a returning veteran has outgrown his civvies, many a home has outgrown its wiring system.

Whereas the home wiring of 15 or 20 years ago was called upon only to conduct current for a few low-wattage lights and small appliances like an iron, vacuum cleaner or toaster, today's wiring systems must supply many additional appliances and a much higher level of lighting. Tomorrow's electrical living will place even greater demands upon home wiring. *It must be big enough for the job.*

... when you build, buy or remodel a home, it will pay you to check the wiring system with your electrical contractor. Make

sure it has large enough wire, enough circuits and enough outlets and switches to take care of your electrical needs, now and in the future. Adequate wiring is the key to better electrical living.

**What is adequate wiring?**

Adequate wiring simply means a service entrance large enough to bring in as much electricity as your home may need at any time, enough branch circuits of large enough wire to conduct a full measure of electrical energy to your lights and appliances, plus plenty of outlets and switches, properly located.

**COMMUNITY PUBLIC SERVICE COMPANY**

effectiveness against naval bases would be devastating and a fleet without naval bases would be rendered impotent.

**Atoll To Remain**

This writer believes that Bikini atoll and its coconut groves will be there after the second test is over and even after the third bomb scheduled for November or later is detonated in hundreds of fathoms of water in the ocean outside Bikini lagoon. We do not expect any 100-foot waves nor 1,000-mile-an-hour wind although some waves

may wash over the island. A 15-foot wave could do that.

But the test which has changed from a joint army-navy operation, about which so much stress was put, into strictly a navy show and which is probably costing about a half million dollars a day, likely will give our military men all the knowledge they will need to prepare for an against the atomic bomb in the future... if indeed there is any way of preparing against it.

**Rats Born In Defiance Of Atomic Death**

Despite deaths from radioactivity among animals aboard target ships in the Bikini atomic bomb test, the animal population remains almost stationary, reports from the USS Burleson, animal ship of Joint Task Force 1, reveal.

To offset the deaths from radioactivity, a litter of white rats was born aboard the USS Pennsylvania and the new arrivals were unaffected by the bomb. Originally

there were 150 goats, 150 pigs and 3,100 white rats placed aboard 22 ships of the target fleet. Deaths from radioactivity are continuing, according to reports from the Burleson. Loss of life among the animals already has exceeded the 10 per cent figure originally announced.

The little pig, found swimming vigorously toward land after sinking of the Sakawa, is presumed to be still alive.

Brazi became a republic in 1891.

Oregon is derived from the Indian word meaning place of plenty.

The first New York newspaper was William Bradford's New York Gazette, published in 1725.

Tin, one of the earliest metals discovered, is mentioned in several books of the Bible.

It is balanced that a cigarette paper laid on one blade will cause a 1,000-pound propeller to revolve on a testing axle.

## VOTE FOR FRANK FARQUHAR FOR SHERIFF

Knowing Frank since a boy, he is a straight, upright, citizen. Has been for enforcement of the law. In every respect, he made a good Chief of Police, and will make a good SHERIFF.

- LETS'S ELECT HIM -

(Political Adv. paid for by his friends)

S/Sgt. Joe C. Patterson, son of Mr. and Mrs. J. M. Patterson has returned home after 29 months in service, and 16 months of this in India. He is now visiting his sister in Denver where he will enter Denver University in the fall.

### A. H. (Ab) Donaldson Has Statement For Voters, Commissioner

To the Voters of Commissioners Beat No. 2:

I take this method of saying to my friends and the citizenship generally that I deeply appreciate the generous assurance of support that I have received in my race for County Commissioner. I have tried to see each voter but if I have missed any I assure you it was not intentional and I will thank you for your consideration. I have spent my entire life, except a period of service in the armed forces, in Beat Two. I invite your investigation as to my character and

fitness for this position and if you elect me, I promise two years of faithful service.

Sincerely yours,  
A. H. (Ab) DONALDSON  
Candidate for  
Commissioner Beat 2  
(Political Adv. Itc.)

### Earl Huddleston Has Final Word For Voters

I am sure most of you know that I am offering again this year for Representative of Coryell and Hamilton Counties.

I am sure most of you know me and have observed the kind of service which I have rendered you as your Representative. Here are a few things which I have tried to do.

I have worked and voted for legislation for the advancement of our Education System in Texas including better pay for teachers and for more funds for education.

I have supported all legislation which I thought would aid Agriculture including Soil Conservation, legislation to provide for Research of new uses for Cotton and other farm products. I helped defeat a bill last session which would have taken away the 4 cent gas refund tax now allowed farmers who use gas in tractors for farm use. I think farmers are entitled to this 4 cent refund and will so vote if re-elected.

I have supported legislation in behalf of the aged of our state. I favor paying them the full \$40.00 as voted by the people and amending the Old Age Law so our aged people will not have to be worried by investigation, I think this can be done and work to this end.

I favor assisting our Veterans every way possible and so voted in the last session. The last legislature submitted a Constitutional Amendment to be voted on next November which if adopted will give the Legislature the right to set up a plan where by veterans may buy homes on a long time at a low rate of interest. I think this should be done and will favor same if re-elected.

I favor strengthening our Law Enforcement Work in Texas by The Legislature making provision so that more men can be placed on Law Enforcement Division. We must do all possible to check this mounting crime wave in Texas.

I have a small part in getting our state on a cash basis. We now have over Thirty Million Dollars in the State Treasury. I hope we can keep the state on cash basis and feel that it will not be necessary to vote any new taxes during the next two years unless an emergency arises.

I want each of you to take this as a personal solicitation and assist to re-elect me as your Representative that I will work with you and for you in solving the problems which will confront us, and will be grateful to you for your continued support.

Sincerely,

## TO THE VOTERS OF CORYELL COUNTY

We, the undersigned resident citizens of Purlmela community, having personally known Bruce Jones, now a candidate for the Democratic nomination for Tax-Assessor-Collector, all his life, are voluntarily commending him to your consideration as a deserving man, worthy in every way of the responsibility that would be placed upon him in the duties of the office to which he aspires, should be selected to serve you and fully qualified to render a service that would reflect honor and credit to him as a public official and we feel assured that no act of his would cause any voter regret thus having honored him.

He like millions of others of our noble young and true American sons, at a time of great peril to our very existence was enlisted in the Armed Forces and offered his life in the defense of our homes and ideals, was wounded to such an extent as to require hospitalization for eight long months and we feel his countrymen should accord him due consideration in his efforts; which we can assure you he earnestly asks without prejudice or malice or misrepresentation of any kind toward his honorable opponent.

Any support or assistance rendered to Bruce Jones will be appreciated.

### Virgil Jones Has Final Statement To Voters In County Supt. Race

A few weeks ago I had an article in the local paper setting forth the qualification and experience which I have. I believe these qualify me for County Superintendent.

I have tried to see and personally solicit the support of every voter in the county, but I realize that in this I have failed. I take this opportunity of soliciting the vote of those I have not seen as

well as re-soliciting those I have seen.

I hope that every qualified voter in Coryell County goes to the polls Saturday and votes his ballot thoughtfully and carefully from top to bottom. In doing this you will be using a privilege which is yours and at the same time, you will have done your full duty as a citizen.

If this is done by every voter, I believe that every one of us should, and will, be satisfied.

Respectfully,  
VIRGIL JONES  
(Candidate for  
County Superintendent)  
(Political Adv. Itc.)
