UNION THANKSGIVING SERVICE TO BE HELD AT FIRST BAPTIST CHURCH, NOV. 27

By proclamation of President Truman the Thanksgiving observance for 1946 will be on Thursday, November 28. In accordance with an annual custom, the people of Gatesville and adjacent territory will come together for a worship service, and owing to the fact that many people will be leaving the city for the holiday elsewhere, and because many others desire to remain in their homes to entertain guests on

Thanksgiving, the date for the union gathering is announced for Wednesday evening, November 27 at 7:30 o'clock.

Rev. Floyd E. Johnson, Gatesville Methodist District Superintendent, will deliver the Thanksgiving sermon. The Baptist choir in co-operation with singers from each of the other churches of the city will render the program of music for the service.

Hornet Sub Bees Take 1 Point Beating From Lorena Thursday Night

Last week was Gatesville High school's bad week. Two drubbings were administered B teams by visitors. The first was the

Lorena High School team which outlasted the locals 20-19.

In the 2nd quarter, Charles Ray Roberts plunged over from the 3 for the first marker, then, caught a pass on the 30 and ran over for the second marker, and Frances Davidson's attempt for extra was no good.

There was no action until the third, and Ray Puzinsky for the visitors took off tackle, reversed, and ran from his own 40 for the visitors touchdown, the kick was short.

Then, Roberts takes a lateral from Davidson and goes over for the Hornets next counter, then

adding the extra. Puzinsky, on the next scoring play, went over from the 9, and they made the point on line play. Final score was made when a Lorena boy No. 34 intercepted a pass on the Hornet 30 and ran over for the touchdown. The plunge was good, and the final was Lorena 20, Gatesville 19.

Line-ups: Hornets: Manning, Larry, Rutledge, Bauman, Collins Woodward, Price, Davidson, McElroy, Roberts and Johnson.

Lorena: Roach, Jones, Strange, Fulbright, Crook, Dickens, Norwood, Gummelt, Warren, Puzinsky and Lutwyler.

Officials were Mitchell, Skelton and Alexander.

Oliver & Co. Take Gatesville Bees 27-14 Friday Night

It was Dave Oliver for the first half, and Ross Vandiver, the fourth quarter that broke the 0-0 tie at the beginning of the game Friday night between Gatesville High School Bees and the South Bosque Pirates. Here is the scoring. The final was South Bosque 27- Gatesville Bees 14.

Dave Oliver for the Pirates took on own 35, cuts over tackle, gets free and runs 65 yards for the marker. A pass for the extra was good.

He passed to Billy Ferguson who carried to 3, 25 yard pass, and Oliver carries over from there Pass, Oliver to Wayne McCathlan failed.

In 2nd period, Oliver intercepts Hornet 35, runs back 20 yards, and then turns and runs the 20, and other 10 for the touchdown. Calvin Ewing added extra thru line.

Oliver runs 45 yards for another, but a penalty, ball carried back. Next play, he does it again. Oliver passed to an end for the extra.

They played on even terms in the third, and in the fourth, Ross Vandiver carried to the 10, and then over for 6. Bill Blum added extra thru line.

Hornets take over on own 37, Benton Gilbreath runs 63 yards for the final score of the game, going over untouched. Line play adds extra.

Lineups: Hornets: Blum, Crawford, K. Hord, Milner, Deavers Crawford, Rayburn, Vandiver, Gilbreath, Haskins, Moore.

Pirates: Veslka, Ewing, Don, Hennig, Ewing, Richard; Hastings, Bood, Ferguson; McCathlan Davis; Ewing; Calvin, Oliver.

First downs: Pirates 5 Bees 6. Officials: Loyd Mitchell, Red White and Woodrow Wilson.

CORYELL COUNTY'S ORIGINAL "C"

Future Bride Named Honoree at Monday's Afternoon Teas

A delightful event on Gatesville's social calendar last week was the tea given last Monday afternoon from 4 to 6 by Mrs. J. R. McClellan and her daughter, Mrs. W. H. Sadler at their home, 1601 East Main, naming Miss Mary Margaret Holmes, granddaughter of Mrs. McClellan, as honoree.

Bright fires burned in grates, and the rooms were sweet with the spicy perfume of multi-colored chrysanthemums, arranged in decoration of the reception suite. Receiving were Miss Bess Holmes, Mrs. Sadler, Mrs. Lewis Holmes and Miss Holmes, whose marriage to James Francis Cain, Jr., is to be solemnized on November 23. Bidding good-bye to departing callers with Mrs. McClellan, confined to her room by accidental injuries, were her close friends, Mrs. John T. Post, Mrs. B. S. Cook and Mrs. Tom Davidson. Other members of the houseparty included Mrs. D. R. McClellan, Mrs. Horace Jackson, Mrs. L. K. Thompson and Mrs. J. E. McClellan who poured at the dining table, spread in white and centered with a bowl of white mums, and flanked by white tapers in milk white holders, and assisting in serving were Mrs. B. L. McClellan, Mrs. Jack Straw, Mrs. Horace Jackson, Jr., Miss Roberta Blair and Mrs. Laura Rayford.

Musicians entertaining with a continuous program of music thru out the calling hours were Mrs. Byrom Leaird, Jr., and Mrs. L. Miller Stinnett and Mrs. Annabell Chamiee.

Miss Ann McClellan kept the register where some two hundred callers wrote names.

Miss Kittye Herrington Bride Elect, Honored With Gift Shower

Miss Kittye Herrington, bride-elect of E. J. Smith, Jr., was named honor guest when Miss F. Holcomb and Miss Jo Ann Polard entertained with a shower in the home of Mrs. Walker Summers, 614 Live Oak Street.

After several games were played, Mrs. B. K. Cooper gave a reading. The gifts were then presented to the bride by Miss Holcomb and Miss Polard.

Refreshment of fruit punch and cookies were served and the favors were tiny scrolls tied with blue ribbon reading "Kittye and E. J., November 10, 1946."

Nuptials Solemnized For Beatrice Harendt And Elmer Pagel

On Sunday afternoon, November 17, at 1 o'clock at the home of Rev. Lawrence Hayes, in the presence of friends, Miss Beatrice Harendt became the bride of Mr. Elmer Pagel in a single ring ceremony.

The bride was attired in a blue wool suit with white accessories. Her corsage was of white carnations.

Both the bride and groom were reared in Coryell county and attended the public school here.

Mr. and Mrs. Pagel will make their home in Temple where he is employed by the Temple Floral Company after serving three and a half years in the armed forces. Mrs. Pagel is employed by the A. & P. Grocery of Temple.

Classes Visit the Liljeblad Farm November 13

Three Vocational Agriculture classes of the Coryell County Vocational School visited the Chas. P. Liljeblad farm near Ames, on Tuesday, November 13. The students were met by Mr. Liljeblad, and after a brief explanation, a tour of the farm was begun.

They were first shown a variable height loading chute, designed and built by Mr. Liljeblad and a holding chute. The model arrangements of gates and lot fences were examined by the classes. They were shown three feeders designed for cows, calves and sheep. It was demonstrated to the students how a barn could easily be rat-proofed. A discussion on field fences and corner posts by Mr. Liljeblad was given. He also discussed a post hole digger and circular saw.

The remainder of the morning was spent looking at cows. The cows were discussed, weights guessed and then the animals were weighed. A fine herd bull was displayed that Mr. Liljeblad had recently bought.

An interesting and very informative morning was spent with Mr. Liljeblad.

During the past week end Mrs. Mollie L. Pendergrast of Houston joined Miss Clara Linton of the Coryell County News staff, at the home in Hamilton of their brother, Ben Linton and family for a visit. Mrs. Pendergrast is an employe in the Southern Pacific offices at Houston.

Thanksgiving Market Ends In Heavy Buying By Local Shippers

Owing to scarcity of pickers and other labor needed for the operation of the big poultry dressing plant in Gatesville during the Thanksgiving marketing season, the local plant remained closed.

One of the three largest buyers George Hodges & Son shipped out 30,000 pounds of turkeys on foot during the Thanksgiving season, and just prior to that time, in other words, during the critical shortage of meats, the Hodges' bought 32,000 pounds for shipment.

Market prices ranged from 28 to 35 cents per pound, and a number of raisers 'cashed in' even at those figures.

The News was unable to get accurate figures on the turkeys bought by local concerns and shipped out. It is estimated that the shipments would weigh a total of at least 150,000 pounds of birds on foot. The market opened on a record high, but soon wavered and dropped a few cents. However, turkey raisers of Coryell county consider their profit very good.

The Christmas market will open early in December, but it is thought the birds will not be sold in very great numbers, since the heaviest transactions were in this month.

As usual the selling was heaviest in the last days of the season around Wednesday and Thursday of last week.

Miss Holmes Honored At Miscellaneous Shower Last Friday Afternoon

Mrs. L. Miller Stinnett was hostess at her home on Friday afternoon for a miscellaneous gift shower complimenting Miss Mary Margaret Holmes, bride-to-be of James Francis Cain, Jr. of Dallas.

Mammoth yellow and bronze chrysanthemums filled vases and floor baskets set at vantage points about the rooms. Guests, numbering some forty friends were received informally, and enjoyed refreshment plates holding mince-meat pie, cheese straws, olives and a cup of steaming coffee.

A clever concealment of gift packages, and their presentation to the honoree added both beauty and pleasure to participants in the delightful courtesy. In the dining room, the table held a miniature red-roofed white home, surrounded by a flower garden and with vines trailing gracefully above windows. Miss Holmes was summoned and the "home she had been hunting for in Dallas" was deeded to her. When the roof was lifted there were many gifts lovely to behold, and that will make housekeeping a joy for the bride. Numerous other gift packages were brought out from beneath the valanced board.

Predatory Animals In Coryell Doomed To Early Extinction

In a recent edition of the Waco News-Tribune, the regional editor has the following story from Gatesville, dated November 17:

An organization for the extermination of cats and wolves in Coryell county has been established by a group of sheep and goat raisers with W. E. Grimes of Copperas Cove as president and Lenola Baize as secretary. The group voted to organize a year-round control program, with the aid of a government trapper working in each community part of the year.

It was estimated that the services of the government trapper can be had with the average donation of \$5 from 2000 sheep and goat raisers. The small operator might contribute less and the larger rancher could contribute more, but all will be asked to give financial assistance.

The Copperas Cove community has already had a government trapper and found his work very satisfactory, it was reported. A trapper will start in the Oglesby community this month.

Ranchers are requested to contact their community leaders and help raise the necessary money. Where this is not convenient the secretary in the county agent's office will give a receipt for any funds received for the organization.

The following community leaders have been selected: Lyman Scott, Slater; J. H. Conner, Fred Robinson and J. H. Nabors, Pearl; Virgil Lockhart and J. H. Bulman Pidcoke; R. A. Hempel, W. E. Grimes and Fred Gent, Copperas Cove; Verne Perryman Jr., Harmon; F. A. Morris, Oglesby; Pat Jackson, Coryell Church; E. H. Chitwood, Ames; Early Bennett, White Hall; Jack Weaver, Pancake; Melvin Watson, Jonesboro; Adrain Foote, North Turnersville; Lloyd Cathey, South Turnersville; Bird King, Plainview; John Voss, Leon; Frank Blair and Bishop Saunders, Liberty; Chester Griffin, Evant; E. B. Huckabee, Ireland; Harmon White, Arnette; J. T. Davidson, Pecan Grove; A. K. Winkler, The Grove; and O. Clawson, Flat.

ward young eyes?**

Of course, a baby can't read, but he can strain his eyes under poor light. It is an appalling fact that while most children are born with good eyes, by the time they reach school age one out of five suffers from defective vision.

Don't take chances with your children's priceless eyesight. Give them the protection of good light—and plenty of it—when they play or study indoors at night. Make sure the light is evenly distributed and free from glare. We'll gladly help you with suggestions for improving your home lighting. Ask about it today.

**Louise Massey's
Westerners Start
New Radio Program**

One of the top favorites of local radio listeners, Louise Massey and the Westerners, are back on the air, with a new radio program of their own. Long featured on the National Barn Dance, and heard over Uncle Ezra's Radio Station, Louise and her gang are heard Monday through Friday at 12:30 noon over KWTW, Waco.

Long considered one of the great name organizations in show business, this family group has an enviable long lasting popularity record on the stage, screen, and radio. Curt, Allen, and Louise Massey, are joined by Larry Wellington, who, while not a Massey, is still a member of the family, being in private life, Louise's husband.

Louise Massey and the Westerners first gained national attention many years ago. While broadcasting over a Kansas City radio station, they received a request for Louise to sing "The Last Roundup". It was also the writers last request, because as the song ended, so would his life. "I am tired of life: I have no job and prospects of any..." But the Westerners did not sing their request. Instead, they urged writer to come to the station, for in the true western spirit of friendliness and helpfulness which is so much a part of each of them, the group had secured a job for their listener.

Louise Massey and the Westerners have added the touch of truly fine artists to the plaintive tunes of the Old West, and the result is so different from other renditions of these true American ballads, that music lovers acknowledged the Westerners their place in the music world.

Louise Massey and the Westerners are sponsored in their broadcasts over KWTX, by the Southern Maid Bakeries of Waco.

Copperas Cove Club To be Guest of Local Lions at Early Date

Acting on the announcement of Lion R. M. Arnold that he had received information that it was the pleasure of the Copperas Cove Lions Club to accept an invitation to be guests of the local Lions, the organization here voted to set an early date to be hosts to the border club. An elaborate program of entertainment, including a feast at the Methodist church dining hall on Thursday evening of the week designated, is being planned.

Last Wednesday at the noon luncheon meeting a large group of Gatsville Lions gave audience to the Rev. Jack Lewis of Austin, former U. S. Navy Chaplain, whose duties during World War II took him from California to Maine; the Canadian border to the Pacific, where he had many harrowing experiences in burying the youthful dead, and in seeing and administering to thousands of the armed forces lying desperately and permanently wounded, some without eyes, some without arms, some without legs, and some with brain nerves shattered. He said he wondered why he was left unscratched by gunshot and that nothing had fallen on him, and, said to his hearers, "Gentlemen, it must be that our job is not yet finished."

The speaker was presented by his friend and war buddy, Chaplain Jan McMurry of Camp Hood, who had known him as a ministerial student; in the Pacific during the great war holocaust, and had heard him speak to the 28,000 Navy men discharges at Camp Wallace soon after victory was shouted.

Chaplain Lewis, as he is best known, chose the theme of his address, "Personal Adjustment to Civilian Life", and adapted the admonition to men whom he faced and called out from complacency to fight the ever increasing menace of crime; racial hatred and religious intolerance in political problems that threaten our democracy. The fire-fast upswep of crime committed by youth was largely attributed by him to broken homes, laxity in morals of parents themselves and indifference of men toward personal responsibility. He made an especially strong plea to men to live exemplary lives before their daughters, to be ideals to their sons, to guard their homes as sacred trusts, and to be good neighbors to all who need them, adopting the policy, "What I have is yours if you need it."

School Folk Enjoy Sadie Hawkins Dance Armistice Holiday

Monday night November 11 the students of Gatesville High school enjoyed the first dance of the year. The gym, scene of the festivities, was decorated in autumn theme by Mrs. George Weir, Betty Jo Adkins, Harold Pennington and Richard Weir. During the evening refresh

ments of punch and sandwiches were served, prepared by Mrs. McIlroy, Miss McIlroy, Marie Hackney, Sandra Johnson, Metta Mae Patterson and Jane McIlroy.

The school folk were honored by the "Square Dance Club", the members featuring the evening by staging two dances. Then the school students tried out the Virginia Reel.

The boy enjoyed the unusual triumph of having the girls ask for dates and escort them to the dance. The Armistice celebration was entirely enjoyable, and all the school people are looking forward to another Sadie Hawkins Dance.

H. B. Culp, Coryell Reared Man Dies at Midland, November 11

Mrs. Sam Box, a sister, and Mrs. J. B. McBeth, a niece of H. B. Culp were in Midland on Wednesday to attend the funeral services held there for their kinsman, whose death occurred in his home city on Monday night, November 11, at about twelve o'clock. Mr. Culp's illness was brief, and the relatives here were unable to reach his bedside until after his death.

Mr. Culp was reared in this section of Coryell county, and was married here to a Miss Moore daughter of Mrs. Edgar Moore. He was well liked and highly respected and leaves many friends to sympathize with his bereaved family, composed of his widow and several children.

Aged Lady Passes Away At Gatesville Home Tuesday Morning

Ending a two week illness Mrs. Hester Caroline Hammack, 95, died Tuesday morning, November 12, 11:30 o'clock at her home, 306 South 6th Street, in this city.

Mrs. Hammack had been active for her advanced years, and enjoyed association with loved ones and friends until stricken in the last illness. She was a most remarkable woman and much loved. She was the widow of the late John W. Hammack.

Memorial services were held for Mrs. Hammack on Wednesday afternoon at 3:00 o'clock at the First Christian church with the Reverend Cole conducting the services. Burial was in the Gatesville cemetery, where masses of beautiful flowers marked the mound where this Christian woman sleeps.

Attending the casket as pall bearers were John P. Reesing, B. M. Woolard, Edwin Winfield, Bob Saunders, Rufus Brown and John Gilmer. Funeral arrangements were in charge of the Scott directors.

Hester Caroline McCarty was born in Panola county, Miss., Oct. 3, 1851. When a child four years of age the family came to this section of Texas to make their home, and she had been a resident of Gatesville for 91 years. She was married here to John W. Hammack, and is survived by a daughter, Mrs. Eunice Henson of Gatesville, and leaves two grand daughters, Mrs. Bryan Horton, Wichita Falls, and Mrs. Maxine Flynn of Houston.

Sudden Death Claims Young Mother at Home In Gatesville

The entire people of this city and section of the county were sorrowfully shocked when news spread of the death of Mrs. Nettie Jane Davis on Monday afternoon, November 12, at 2:30 o'clock. Mrs. Davis, wife of J. Truman Davis, had gone to her home 1401 East Leon, with her little baby girl, Susan, from the hospital on Sunday, and both the mother and child were reported doing nicely. The end to life came suddenly and without warning.

Nettie Jane Franks was born to Mr. and Mrs. James N. Franks in this city on January 1, 1926. Her mother is the former Miss Nettie Powell. She was married to J. Truman Davis on the 22nd day of February, 1944. Two little daughters were born to them, Nancy Jane and Susan, and they with their father survive. She leaves also her parents; three brothers, James N., Jr., Nelson and Marvin Franks, and two sisters, Mrs. Athleen Newman and Miss Annie Ruth Franks. Mrs. Davis was a member of the Baptist church, and was active in church programs. She was amiable in disposition, and was surrounded throughout her short life by many admiring friends.

Funeral services for Mrs. Davis were held at First Baptist church on Wednesday afternoon at 2:00 o'clock, with Dr. Lawrence Hayes officiating in the memorial ceremonies. A choir of friends gave the requiem music. Tributes in flowers were profuse and the floral pieces were formed of the rarest and most beautiful fall blossoms.

Copperas Cove-Pottsville Dist. Championship Thurs. At 2p.m.

COPPERAS COVE SLATED TO WIN DISTRICT WITH POTTSVILLE

Gatesville High School Athletic Field will be the dual scene of two games this week that will designate teams to represent their districts in further competition.

Thursday afternoon at 2 o'clock Copperas Cove High School Six-man Football Club meets Pottsville's representatives for District 12 Championship. The winner will play a bi-district game with the Navarro County winner, District 11.

Copperas Cove is the winner of the Eastern half play-off and Pottsville hitched on to the Western leadership.

Teams in the Eastern Zone

were Copperas Cove, Oglesby, Jarrell, Turnersville and Flat.

In the Western Zone were: Evant, Pottsville, Pearl and Fairy. Copperas Cove's record is all wins with only 6 points against them for the season. It reads: Turnersville 0-53; Oglesby 0-50; Flat 0-69; Jarrell 0-55; Oglesby 0-30 and Turnersville 6-12.

Pottsville's record, in part, won from Evant 41-25; Fairy 46-13; Pearl 49-34; Evant 20-19 and dropped one to Fairy 56-13.

Starters for Copperas Cove will be six of these seven: Martin Luker and Stanley Gribble, ends; Arvin Kinsey, center; Willie Brantley, Marvin Kinsey, Gorman Gibson and Claude Jernigan, backs.

Other members of the Cove Club are Alton Brantley, Decil Henderson, Winfred Grimes, oe Hillin, Thomas McCune and Clifton Osborn, ends; Glen Gibson and Bob Hillin, centers; Edward Urbantke, E. C. Kattner and Gene Lewallen, backs.

This is rough stuff, this six-man and if you want to see real punishment given out on the gridiron this is your opportunity and more especially to support our hometown club, Copperas Cove.

Coach T. H. Jenkins Writes Like We Think He Means

Coach T. H. Jenkins sent us this letter last week, and you and

CENTRAL TEXAS ANNUAL CLASSIC "A" CHAMPIONSHIP DECIDED FRIDAY NITE

we know he means this. 'Course he wants to win, but gentlemanly, and well you read it. He's always been this way, and we like him, McGregor people and the McGregor Bulldogs, and all the high school for this neighborly spirit.

"As far as we know, the McGregor Bulldogs will be in good shape for the Gatesville game on the night of November 22, barring injuries in practice sessions. We have had to take thing comparatively easy because of injur-

You can put 2 and 2 together, and it usually means 4.

But, put together, in 1946' and it means the greatest, most colorful Class A high school football game of the year, this year (as usual) for the District Championship, 29-A, Gatesville High school Hornets vs McGregor's Bulldogs.

These two teams have successfully battled thru a myriad of games, asy, nard and indifferent and come to the threshold of glory with blotless district records both having the well-known 1000 per cent.

Weights, experience and temperament of the two squads is practically par, but if there's a shade, the Hornets have that in their scoring, which, in this Central Texas Classic of twenty-five years of tradition, mean nothing. The Bulldogs, at least, expect to be classed as the underdogs, but that could be hopeful thinking.

Pictured above, are six of Gatesville's most hopefuls, Whitt and Bone, who have missed games on account of injuries, are expected to see service should the going be tough. Both have been stellar performers, and both have the determination to go.

Probable starting line-up for the Hornets will be Bertram Davis and Wylie Patterson, ends; James Featherstone and Eugene 'Tiny' Whitt, tackles; Billy Bob Ashby and Belvin Gilmer, guards; Sam Franks, center; Jack Bone, Glenn Gartman, Donald Flentge and Hiram Davidson, backs.

Extra bleachers have already been erected to handle the expected five or six thousand fans for annual classic.

ies to key men that have been 'building-up' from game to game. You know a fellow can take knocks from game to game but they result in sore muscles and general rundown condition. No boy can be made of iron.

"We hope the better team wins and that the good-will between the two communities will not suffer from our meeting. We covet the continued friendly feeling that exists and we hope we can merit the approval of your geed people in Gatesville. Win or lose, we have the highest personal respect and regard for Coach Mitchell and his Hornets.

"Yours truly,

Copperas Cove Defeats Jarrell

6

The Copperas Cove Bulldogs cinched the six-man football championship of the eastern zone of District 12 Friday afternoon by defeating Jarrell 26 to 6.

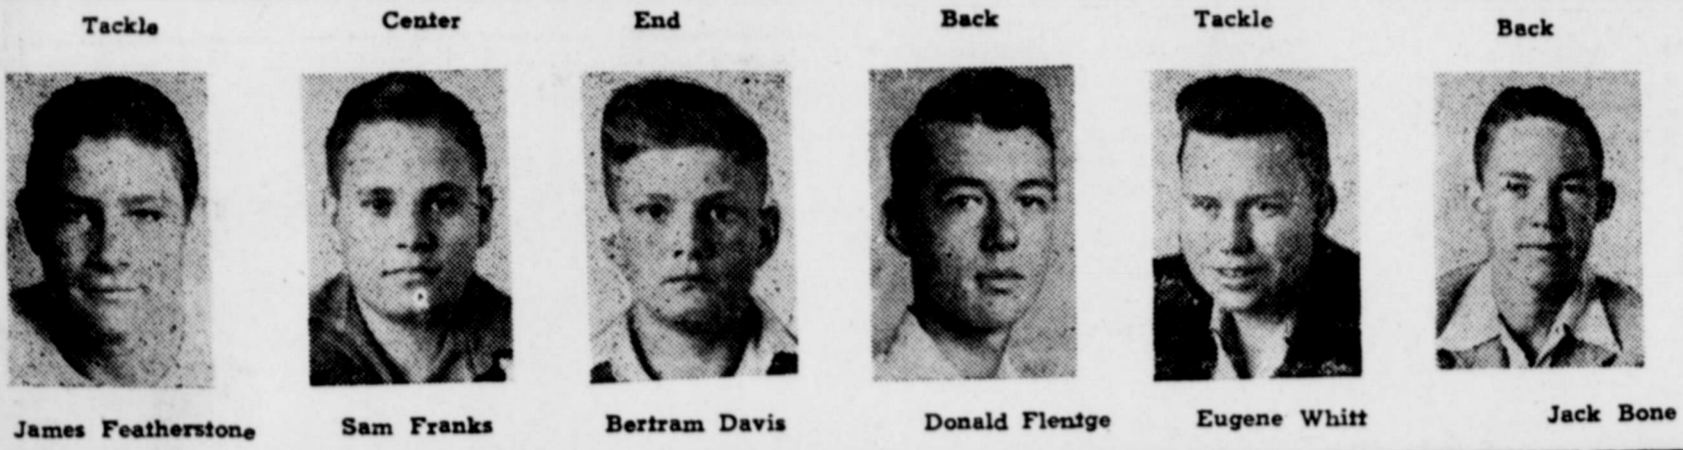

The one-sided score was due largely to the excellent blocking of Martin Luker, Arvin Kinsey, and Marvin Kinsey. The Kinsey brothers accounted for two touchdowns and Stanley Gribble crossed the goal line for one touchdown, with Gorman Gibson converting for two extra points.

George Kohoutek scored on the last play of the game for Jarrell on a double pass from their own 35-yard line.

The District 12 six-man title will be settled in Gatesville on Thursday, Nov 21, at 2 p. m. when Copperas Cove meets the Pottsville six.

Tilling with a Hundred Teams of Steel

MORE power on the farm means more food . . . more jobs.

If a farmer had three teams of horses twenty-five years ago he was well equipped. Now, with over two million tractors and thousands of other power producers, most farmers command the equivalent of . . . a HUNDRED TEAMS.

Wise use of their power, which can be packed into a few tons of steel, is enabling U.S. farmers to keep abreast of unprecedented food requirements. It is one of the secrets of national progress.

Steel horsepower does more than produce bigger crops with less labor. It has released, for production of human food, millions of acres once needed to feed horses and mules,

and has created thousands of new jobs for town and city people who process and sell the increased harvests.

The benefits of farming with steel are the result of teamwork between farmers and industry. The farmer knows what he needs; industry knows how to supply it at a price he can afford. This teamwork must continue if America is to remain a land of abundance.

Farmers need still more power. The country needs still more food. Uninterrupted industrial production will permit industry to catch up with the pent-up need for more farm power.

Hornet Sub Bees Take 1 Point Beating From Lorena Thursday Night

Last week was Gatesville High school's bad week. Two drubbings were administered B teams by visitors. The first, was the

Lorena High School team which outlasted the locals 20-19.

In the 2nd quarter, Charles Ray Roberts plunged over from the 3 for the first marker, then, caught a pass on the 30 and ran over for the second marker, and Frances Davidson's attempt for extra was no good.

There was no action until the third, and Ray Puzinsky for the visitors took off tackle, reversed, and ran from his own 40 for the visitors touchdown, the kick was short.

Then, Roberts takes a lateral from Davidson and goes over for the Hornets next counter, then

adding the extra.

Puzinsky, on the next scoring play, went over from the 9, and they made the point on line play.

Final score was made when a Lorena boy No. 34 intercepted a pass on the Hornet 30 and ran over for the touchdown. The plunge was good, and the final was Lorena 20, Gatesville 19.

Line-ups: Hornets: Manning, Larry, Rutledge, Bauman, Collins Woodward, Price, Davidson, McElroy, Roberts and Johnson.

Lorena: Roach, Jones, Strange, Fulbright, Crook, Dickens, Norwood, Gummelt, Warren, Puzinsky and Lutwyler.

Dave Oliver for the Pirates took on own 35, cuts over tackle, gets free and runs 65 yards for the marker. A pass for the extra was good.

He passed to Billy Ferguson who carried to 3, 25 yard pass, and Oliver carries over from there Pass, Oliver to Wayne McCathlan failed.

In 2nd period, Oliver intercepts Hornet 35, runs back 20 yards, and then turns and runs the 20, and other 10 for the touchdown. Calvin Ewing added extra thru line.

Oliver runs 45 yards for another, but a penalty, ball carried back. Next play, he does it again. Oliver passed to an end for the extra.

Future Bride Named Honoree at Monday's Afternoon Teas

A delightful event on Gatesville's social calendar last week was the tea given last Monday afternoon from 4 to 6 by Mrs. J. R. McClellan and her daughter, Mrs. W. H. Sadler at their home, 1601 East Main, naming Miss Mary Margaret Holmes, granddaughter of Mrs. McClellan, as honoree.

Bright fires burned in grates, and the rooms were sweet with the spicy perfume of multi-colored chrysanthemums, arranged in decoration of the reception suite. Receiving were Miss Bess Holmes, Mrs. Sadler, Mrs. Lewis Holmes and Miss Holmes, whose marriage to James Francis Cain, Jr., is to be solemnized on November 23. Bidding good-bye to departing callers with Mrs. McClellan, confined to her room by accidental injuries, were her close friends, Mrs. John T. Post, Mrs. B. S. Cook and Mrs. Tom Davidson. Other members of the houseparty included Mrs. D. R. McClellan, Mrs. Horace Jackson, Mrs. L. K. Thompson and Mrs. J. E. McClellan who poured at the dining table, spread in white and centered with a bowl of white mums, and flanked by white tapers in milk white holders; and assisting in serving were Mrs. B. L. McClellan, Mrs. Jack Straw, Mrs. Horace Jackson, Jr., Miss Roberta Blair and Mrs. Laura Rayford.

Musicians entertaining with a continuous program of music thru out the calling hours were Mrs. Byrom Leaird, Jr., and Mrs. L. Miller Stinnett and Mrs. Annabell Chamiee. Miss Anna McClellan kept the register where some two hundred callers wrote names.

Miss Kittye Herrington Bride Elect, Honored With Gift Shower

Miss Kittye Herrington, bride-elect of E. J. Smith, Jr., was named honoree guest when Miss Helen Holcomb and Miss Jo Ann Polan entertained with a shower in the home of Mrs. Walker Summers, 614 Live Oak Street.

After several games were played, Mrs. B. E. Cooper gave a reading. The gifts were then presented to the bride by Miss Holcomb and Miss Polard.

Refreshment of fruit punch and coolies were served and the favors were tiny scrolls tied with blue ribbon reading "Kittye and E. J., November 10, 1946."

Nuptials Solemnized For Beatrice Harendt And Elmer Pagel

On Sunday afternoon, November 17, at 1 o'clock at the home of Rev. Lawrence Hayes, in the presence of friends, Miss Beatrice Harendt became the bride of Mr. Elmer Pagel in a single ring ceremony.

The bride was attired in a blue wool suit with white accessories. Her corsage was of white carnations.

Both the bride and groom were reared in Coryell county and attended the public school here.

Mr. and Mrs. Pagel will make their home in Temple where he is employed by the Temple Floral Company after serving three and a half years in the armed forces. Mrs. Pagel is employed by the A. & P. Grocery of Temple.

Classes Visit the Liljeblad Farm November 13

Three Vocational Agriculture classes of the Coryell County Vocational School visited the Chas. P. Liljeblad farm near Amos, on Tuesday, November 13. The students were met by Mr. Liljeblad, and after a brief explanation, a tour of the farm was begun.

They were first shown a variable height loading chute, designed and built by Mr. Liljeblad and a holding chute. The model arrangements of gates and lot fences were examined by the classes. They were shown three feeders designed for cows, calves and sheep. It was demonstrated to the students how a barn could easily be rat-proofed. A discussion on field fences and corner posts by Mr. Liljeblad was given. He also discussed a post hole digger and circular saw.

The remainder of the morning was spent looking at cows. The cows were discussed, weights guessed and then the animals were weighed. A fine herd bull was displayed that Mr. Liljeblad had recently bought.

An interesting and very informative morning was spent with Mr. Liljeblad.

During the past week end Mrs. Mollie L. Pendergrast of Houston joined Miss Clara Linton of the Coryell County News staff, at the home in Hamilton of their brother, Ben Linton and family for a visit. Mrs. Pendergrast is an employe in the Southern Pacific offices at Houston.

Thanksgiving Market Ends In Heavy Buying By Local Shippers

Owing to scarcity of pickers and other labor needed for the operation of the big poultry dressing plant in Gatesville during the Thanksgiving marketing season, the local plant remained closed.

One of the three largest buyers George Hodges & Son shipped out 30,000 pounds of turkeys on foot during the Thanksgiving season, and just prior to that time, in other words, during the critical shortage of meats, the Hodges' bought 32,000 pounds for shipment.

Market prices ranged from 28 to 35 cents per pound, and a number of raisers 'cashed in' even at those figures.

The News was unable to get accurate figures on the turkeys bought by local concerns and shipped out. It is estimated that the shipments would weigh a total of at least 150,000 pounds of birds on foot. The market opened on a record high, but soon wavered and dropped a few cents. However, turkey raisers of Coryell county consider their profit very good.

The Christmas market will open early in December, but it is thought the birds will not be sold in very great numbers, since the heaviest transactions were in this month.

As usual the selling was heaviest in the last days of the season around Wednesday and Thursday of last week.

Miss Holmes Honored At Miscellaneous Shower Last Friday Afternoon

Mrs. L. Miller Stinnett was hostess at her home on Friday afternoon for a miscellaneous gift shower complimenting Miss Mary Margaret Holmes, bride-to-be of James Francis Cain, Jr. of Dallas.

Mammoth yellow and bronze chrysanthemums filled vases and floor baskets set at vantage points about the rooms. Guests, numbering some forty friends were received informally, and enjoyed refreshment plates holding mince-meat pie, cheese straws, olives and a cup of steaming coffee.

A clever concealment of gift packages, and their presentation to the honoree added both beauty and pleasure to participants in the delightful courtesy. In the dining room, the table held a miniature red-roofed white home, surrounded by a flower garden and with vines trailing gracefully above windows. Miss Holmes was summoned and the "home she had been hunting for in Dallas" was deeded to her. When the roof was lifted there were many gifts lovely to behold, and that will make housekeeping a joy for the bride. Numerous other gift packages were brought out from beneath the valanced board.

Predatory Animals In Coryell Doomed To Early Extinction

In a recent edition of the Waco News-Tribune, the regional editor has the following story from Gatesville, dated November 17:

An organization for the extermination of cats and wolves in Coryell county has been established by a group of sheep and goat raisers with W. E. Grimes of Copperas Cove as president and Lenola Baize as secretary. The group voted to organize a year-round control program, with the aid of a government trapper working in each community part of the year.

It was estimated that the services of the government trapper can be had with the average donation of \$5 from 2000 sheep and goat raisers. The small operator might contribute less and the larger rancher could contribute more, but all will be asked to give financial assistance.

The Copperas Cove community has already had a government trapper and found his work very satisfactory, it was reported. A trapper will start in the Oglesby community this month.

Ranchers are requested to contact their community leaders and help raise the necessary money. Where this is not convenient the secretary in the county agent's office will give a receipt for any funds received for the organization.

The following community leaders have been selected: Lyman Scott, Slater; J. H. Conner, Fred Robinson and J. H. Nabors, Pearl; Virgil Lockhart and J. H. Bulman, Pidcoke; R. A. Hempel, W. E. Grimes and Fred Gent, Copperas Cove; Verne Perryman Jr., Harmon; F. A. Morris, Oglesby; Pat Jackson, Coryell Church; E. H. Chitwood, Ames; Early Bennett, White Hall; Jack Weaver, Pan-cake; Melvin Watson, Jonesboro; Adrain Foote, North Turnersville; Lloyd Cathey, South Turnersville; Bird King, Plainview; John Voss, Leon; Frank Blair and Bishop Saunders, Liberty; Chester Griffin, Evant; E. B. Huckabee, Ireland; Harmon White, Arnette; J. T. Davidson, Pecan Grove; A. K. Winkler, The Grove; and O. Clawson, Flat.

uch light is enough
eguard young eyes?

Of course, a baby can't read, but he can strain his eyes under poor light. It is an appalling fact that while most children are born with good eyes, by the time they reach school age one out of five suffers from defective vision.

Don't take chances with your children's priceless eyesight. Give them the protection of good light—and plenty of it—when they play or study indoors at night. Make sure the light is evenly distributed and free from glare. We'll gladly help you with suggestions for improving your home lighting. Ask about it today.

Louise Massey's Westerners Start New Radio Program

One of the top favorites of local radio listeners, Louise Massey and the Westerners, are back on the air, with a new radio program of their own. Long featured on the National Barn Dance, and heard over Uncle Ezra's Radio Station, Louise and her gang are heard Monday through Friday at 12:30 noon over KWTW, Waco.

Long considered one of the great name organizations in show business, this family group has an enviable long lasting popularity record on the stage, screen, and radio. Curt, Allen, and Louise Massey, are joined by Larry Wellington, who, while not a Massey, is still a member of the family, being in private life, Louise's husband.

Louise Massey and the Westerners first gained national attention many years ago. While broadcasting over a Kansas City radio station, they received a request for Louise to sing "The Last Roundup". It was also the writers last request, because as the song ended, so would his life. "I am tired of life: I have no job and prospects of any..." But the Westerners did not sing their request. Instead, they urged writer to come to the station, for in the true western spirit of friendliness and helpfulness which is so much a part of each of them, the group had secured a job for their listener.

Louise Massey and the Westerners have added the touch of truly fine artists to the plaintive tunes of the Old West, and the result is so different from other renditions of these true American ballads, that music lovers acknowledged the Westerners their place in the music world.

Louise Massey and the Westerners are sponsored in their broadcasts over KWTX, by the Southern Maid Bakeries of Waco.

Copperas Cove Club To be Guest of Local Lions at Early Date

Acting on the announcement of Lion R. M. Arnold that he had received information that it was the pleasure of the Copperas Cove Lions Club to accept an invitation to be guests of the local Lions, the organization here voted to set an early date to be hosts to the border club. An elaborate program of entertainment, including a feast at the Methodist church dining hall on Thursday evening of the week designated, is being planned.

Last Wednesday at the noon luncheon meeting a large group of Gatsville Lions gave audience to the Rev. Jack Lewis of Austin, former U. S. Navy Chaplain, whose duties during World War II took him from California to Maine; the Canadian border to the Pacific, where he had many harrowing experiences in burying the youthful dead, and in seeing and administering to thousands of the armed forces lying desperately and permanently wounded, some without eyes, some without arms, some without legs, and some with brain nerves shattered. He said he wondered why he was left unscratched by gunshot and that nothing had fallen on him, and, said to his hearers, "Gentlemen, it must be that our job is not yet finished."

The speaker was presented by his friend and war buddy, Chaplain Jan McMurry of Camp Hood, who had known him as a ministerial student; in the Pacific during the great war holocaust, and had heard him speak to the 28,000 Navy men discharges at Camp Wallace soon after victory was shouted.

Chaplain Lewis, as he is best known, chose the theme of his address, "Personal Adjustment to Civilian Life", and adapted the admonition to men whom he faced and called out from complacency to fight the ever increasing menace of crime; racial hatred and religious intolerance in political problems that threaten our democracy. The fire-fast upswep of crime committed by youth was largely attributed by him to broken homes, laxity in morals of parents themselves and indifference of men toward personal responsibility. He made an especially strong plea to men to live exemplary lives before their daughters, to be ideals to their sons, to guard their homes as sacred trusts, and to be good neighbors to all who need them, adopting the policy, "What I have is yours if you need it."

The improved MOBILGAS, with its let's-get-going action, and new MOBILLOIL, with its death-to-dirt detergent, are a sure-fire team that zips you away in traffic... shrinks the miles on the open road... plays miser with every gallon you buy. COPPERAS COVE SLATED TO WIN DISTRICT WITH POTTSVILLE

Gatesville High School Athletic Field will be the dual scene of two games this week that will designate teams to represent their districts in further competition.

Thursday afternoon at 2 o'clock Copperas Cove High School Six-man Football Club meets Pottsville's representatives for District 12 Championship. The winner will play a bi-district game with the Navarro County winner, District 11.

Copperas Cove is the winner of the Eastern half play-off and Pottsville hitched on to the Western leadership.

Teams in the Eastern Zone

were Copperas Cove, Oglesby, Jarrell, Turnersville and Flat.

In the Western Zone were: Evant, Pottsville, Pearl and Fairy. Copperas Cove's record is all wins with only 6 points against them for the season. It reads: Turnersville 0-53; Oglesby 0-50; Flat 0-69; Jarrell 0-55; Oglesby 0-30 and Turnersville 6-12.

Pottsville's record, in part, won from Evant 41-25; Fairy 46-13; Pearl 49-34; Evant 20-19 and dropped one to Fairy 56-13.

Starters for Copperas Cove will be six of these seven: Martin Luker and Stanley Gribble, ends; Arvin Kinsey, center; Willie Brantley, Marvin Kinsey, Gorman Gibson and Claude Jernigan, backs.

Other members of the Cove Club are Alton Brantley, Decil Henderson, Winfred Grimes, oe Hillin, Thomas McCune and Clifton Osborn, ends; Glen Gibson and Bob Hillin, centers; Edward Urbantke, E. C. Kattner and Gene Lewallen, backs.

This is rough stuff, this six-man and if you want to see real punishment given out on the gridiron this is your opportunity and more especially to support our hometown club, Copperas Cove.

Coach T. H. Jenkins sent us this letter last week, and you and

CENTRAL TEXAS ANNUAL CLASSIC "A" CHAMPIONSHIP DECIDED FRIDAY NITE

we know he means this. 'Course he wants to win, but gentlemanly, and well you read it. He's always been this way, and we like him, McGregor people and the McGregor Bulldogs, and all the high school for this neighborly spirit.

"As far as we know, the McGregor Bulldogs will be in good shape for the Gatesville game on the night of November 22, barring injuries in practice sessions. We have had to take thing comparatively easy because of injur-

You can put 2 and 2 together, and it usually means 4.

But, put together, in 1946' and it means the greatest, most colorful Class A high school football game of the year, this year (as usual) for the District Championship, 29-A, Gatesville High school Hornets vs McGregor's Bulldogs.

These two teams have successfully battled thru a myriad of games, asy, nard and indifferent and come to the threshold of glory with blotless district records both having the well-known 1000 per cent.

Weights, experience and temperament of the two squads is practically par, but if there's a shade, the Hornets have that in their scoring, which, in this Central Texas Classic of twenty-five years of tradition, mean nothing. The Bulldogs, at least, expect to be classed as the underdogs, but that could be hopeful thinking.

Pictured above, are six of Gatesville's most hopefuls, Whitt and Bone, who have missed games on account of injuries, are expected to see service should the going be tough. Both have been stellar performers, and both have the determination to go.

Probable starting line-up for the Hornets will be Bertram Davis and Wylie Patterson, ends; James Featherstone and Eugene 'Tiny' Whitt, tackles; Billy Bob Ashby and Belvin Gilmer, guards; Sam Franks, center; Jack Bone, Glenn Gartman, Donald Flentge and Hiram Davidson, backs.

Extra bleachers have already been erected to handle the expected five or six thousand fans for annual classic.

ies to key men that have been 'building-up' from game to game. You know a fellow can take knocks from game to game but they result in sore muscles and general rundown condition. No boy can be made of iron.

"We hope the better team wins and that the good-will between the two communities will not suffer from our meeting. We covet the continued friendly feeling that exists and we hope we can merit the approval of your good people in Gatesville. Win or lose, we have the highest personal respect and regard for Coach Mitchell and his Hornets.

Copperas Cove Defeats Jarrell 6

The Copperas Cove Bulldogs cinched the six-man football championship of the eastern zone of District 12 Friday afternoon by defeating Jarrell 26 to 6.

The one-sided score was due largely to the excellent blocking of Martin Luker, Arvin Kinsey, and Marvin Kinsey. The Kiney brothers accounted for two touchdowns and Stanley Gribble crossed the goal line for one touchdown, with Gorman Gibson converting for two extra points.

George Kohoutek scored on the last play of the game for Jarrell on a double pass from their own 35-yard line.

The District 12 six-man title will be settled in Gatesville on Thursday, Nov 21, at 2 p. m. when Copperas Cove meets the Pottsville six.

Tilling with a Hundred Teams of Steel

MORE power on the farm means more food . . . more jobs.

If a farmer had three teams of horses twenty-five years ago he was well equipped. Now, with over two million tractors and thousands of other power producers, most farmers command the equivalent of . . . a HUNDRED TEAMS.

Wise use of their power, which can be packed into a few tons of steel, is enabling U.S. farmers to keep abreast of unprecedented food requirements. It is one of the secrets of national progress.

Steel horsepower does more than produce bigger crops with less labor. It has released, for production of human food, millions of acres once needed to feed horses and mules,

and has created thousands of new jobs for town and city people who process and sell the increased harvests.

The benefits of farming with steel are the result of teamwork between farmers and industry. The farmer knows what he needs; industry knows how to supply it at a price he can afford. This teamwork must continue if America is to remain a land of abundance.

Farmers need still more power. The country needs still more food. Uninterrupted industrial production will permit industry to catch up with the pent-up need for more farm power.
