## TODAY'S -- AP The Byline of EVENTS by Dependability

### IT'LL BE "MR. SECRETARY" INSTEAD "GENERAL"

WASHINGTON, D. C. Jan. 20.—(AP)—General Geo. Marshall will be taking the oath as Secretary of State tomorrow, which was scheduled for today, but the bad weather forced his plane to land in Chicago on a flight from the West Coast.

WASHINGTON, Jan. 20.—(AP)—Secretary James Byrnes, as a final official act, today signed the World War II Peace treaties with Italy, Hungary, Rumania and Bulgaria. Senators Tom Connally and Vandenberg who took part in the sixteen-month negotiations, were at Byrnes side during the ceremony.

### DETROIT JUDGE SHOULD BE "IMPEACHED"

WASHINGTON, Jan. 20.—(AP)—Senator Eastland, of Mississippi said today the handling of portal-to-portal pay cases by Federal Judge Frank Pickard, Detroit, should be investigated by the House of Representatives with a "view to impeachment".

Eastland is a member of the Senate Judiciary Sub-committee considering legislation outlawing 4 billion dollars of portal-to-portal back pay claims.

### HOUSE-SENATE CANVASSES ELECTION RETURNS

AUSTIN, Texas, Jan. 20.—(AP)—A joint committee of the House and Senate members began canvassing the election results of the Governor's, Lieutenant Govern-  
or's races today.

Earlier, a bill was presented in the Senate by Alton Yory, Bryan, seeking to legalize investments by life insurance companies in housing projects.

### Home Lumber Company Is Joined by O. & C. Clawson

Home Lumber Company remains the same, but they've made a deal with O. & C. Clawson Lumber Company of Flat, and other points whereby their buying power will be raised according to Bob Flentge of the Home Lumber Company.

Mr. Flentge didn't say whether there would be any new personnel in the company or not, but he will still be with the company.

### Mrs. Tom P. Mears is Named Beautification Of Highways Chairman

Sometime around Christmas, Mrs. Tom Mears was named Chairman of Beautification of Highways for Coryell County

This is sponsored by the Texas State Highway Department, and Mrs. Mears understands, that since there has been no beautification of highways since before the war a considerable fund of

money will be or is available for this purpose.

She is awaiting instructions, but says it's "planting time" now, if any flowers or shrubs are to last thru the coming summer.

### Two Little Friday Night Accidents Mar Week-end

Dr. Wendell Lowrey was back-  
ing out, or coming out, on Main  
street and his car went dead. An-  
other car driven by L. B. Cox is  
alleged to have hit Lowrey's car,  
according to Chief of Police Her-  
man Sims. Damage was slight to  
both, and it was just one of those  
unavoidable accidents.

Kenneth Basham, also on Main,  
went asleep driving, according to  
Chief of Police Sims, and crashed  
into a light pole breaking it in  
two. With him was a boy named  
Robinson and two un-named girls.  
No one was injured.

Miss Dorothy Culberson of Wa-  
co was a visitor this week-end  
with her parents, Mr. and Mrs.  
Dave H. Culberson of Gatesville.

## Club Circle Enjoys Informal Evening at Oce McCallister Home

A merry group of players gathered at the hospitable home of Mr. and Mrs. Oce (Chick) McCallister on Thursday night of last week for a round of games of "84". There was keen contest for high score victory, and the informality of the affair lent attraction to the diversion.

Mr. and Mrs. McCallister played with the company, the members of the party included Mr. and Mrs. Roy Day, Mr. and Mrs. Blackie Northcutt, Mr. and Mrs. R. L. Hoeman, Mr. and Mrs. Dewey Nolte, Mr. and Mrs. C. C. Franks, Mr. and Mrs. H. C. Adams, Mr. and Mrs. Charley Brazzil.

## Methodist W. S. C. S. Installs New Officers Personnel January 14

At the regular meeting of Gatesville First Methodist church Waman's Society of Christian Service in the parlors of the temple on Tuesday afternoon, January 14, at 2 o'clock, installation ceremonies, inducting newly elected officers into the new year's duties were held.

Mrs. W. C. Guggolz, District Secretary, presided over the ceremonies, when the following members of the Society were installed: Mrs. A. C. Schloeman, president; Mrs. Roger Miller, vice-president; Mrs. Hardy Poston, treasurer; Mrs. Ollie Little, study chairman; Mrs. J. H. Hamilton, spiritual life; Mrs. C. C. Franks, recording secretary; Mrs. Earl Heath, corresponding secretary; Ms. C. E. Alvis, Christian social relations; Mrs. H. S. Compton, publicity; Mrs. J. R. Colgin, Jr., literature; Mrs. J. R. Colgin, Sr., secretary of children's work; Mrs. Rabon Balch, secretary of youth work; Mrs. Joyce Ryan, secretary of student work; Mrs. W. C. Giggolz, secretary of supplies; Mrs. Howard Franks, Mrs. Tof Mears and Mrs. C. H. Wallace, fellowship committee.

If its news it's in The News!

In the series of bridge games the contest for high score brought victory to Mr. and Mrs. Jim J. Brown, who were each attractively awarded. Others composing the party personnel were Mr. and Mrs. E. W. Jones, Jr., Mr. and Mrs. Bill Nesbitt, Mr. and Mrs. Johnnie Bradford.

## WAR on WASTE

**Land of Unions**  
In Stockholm this summer I had a delightful visit with Mr. Gunnar Anderson, vice president of the Swedish Federation of Trade Unions. Mr. Anderson is a well informed, intelligent man, who recognizes clearly the problems of both management and labor as well as the rights and responsibilities of each. He answered questions I put to him in a forthright manner, giving statistics and figures from memory. Labor unions in Sweden have been operating for more than 50 years. The Federation is composed of 46 separate unions representing trades or divisions of trades. Membership totals 1,106,000, a most amazing number in view of the total Swedish population of only 6,000,000. The Socialist Democratic party, strongest among the ranks of labor, is also the controlling party in the government.

**No Closed Shop**  
Yet, despite the preponderance of labor's voice in the affairs of Sweden, Mr. Anderson told me that labor fears the closed shop. Said he: "Our federation opposes the closed shop. We oppose it on the ground of individual freedom. We believe any citizen should have freedom to join a union or not to join a union and to work where he wishes. This plan has worked well in Sweden. Most of the workers recognize the value of the union and do join, but they are not compelled to do so."  
Labor-management relations are excellent throughout most of Swedish industry. One reason for this is the constant effort put forth by the Federation to improve understanding between employers and employees. Many special committees made up of both management and labor are continually at work for better understanding.

**Outside Influence**  
Disagreements and strikes are not common in Sweden; it is a land of little labor trouble. But when the need arises, "negotiation" committees attempt to reach an agreement, but if that fails the parties involved resort to "conciliation." Mr. Anderson stated that conciliation is preferred to arbitration because it keeps the responsibilities of the parties involved.

However, an important strike affecting 100,000 metal workers raged five months last year. "The strike was really unfortunate," said Mr. Anderson. "The strikers did not gain more than one-third of a cent per hour more than they were offered before the strike. Of course, that amount will never repay the 45 million kroner they lost in wages during the strike. I advised against the strike from the beginning." Later I was told that the strike actually was caused by Communist influence in the metal workers union.

**Which Do You Prefer?**  
The nationalization issue has been discussed extensively in Sweden. However, there is no intention on the part of labor to ask for nationalization, chiefly because private enterprise is, as Mr. Anderson pointed out, "doing all right." Labor has no reason to think it would fare better under nationalization, and it was Mr. Anderson's view that even the status of labor unions would be questionable under complete nationalization.  
Growing thoughtful, Mr. Anderson continued: "Private corporations and government managed corporations could not be expected to compete. Government, through use of taxes and other methods, could always come out on top, so it is best to have either state management or private management, not a mixture of the two. We prefer private."

### Copperas Cove Bank to Occupy New Home in Modernized Structure

The Copperas Cove Crony says, "Roy Smith, president of the First National Bank of Copperas Cove has been displaying the architect's sketch of the new home the bank will occupy as soon as the building can be completed."

At the annual meeting of the stockholders of the bank held last Tuesday officers and directors were elected and routine business transacted. The new officers are: Roy Smith, President; J. W. Norman, inactive vice president; C. R. Clements, active vice president and cashier; and Miss Rosa Belle Harrington, assistant cashier. The board of directors elected at the meeting Tuesday is composed of the following: C. W. Duncan, Allen Haynes, Roy Sanderford, J. W. Norman, Roy Smith, Weaver Jackson and C. R. Clements.

### FEDERAL INTERNAL REVENUE COLLECTIONS

AUSTIN.—December federal internal revenue collections in Texas totaled \$73,012,955 for a drop of 2 per cent from December 1945 according to reports analyzed by The University of Texas Bureau of Business Research.

Collections for the period of July 1 to December 31 were \$411,699,553, a 5 per cent decline in comparison with the same period

### Copperas Cove Lions Go In For Athletics Will Play AL Men

According to a news item in the last edition of the Copperas Cove Crony, the live, wide awake "boys" of the Lions Club will play a "fast" basketball game at the gymnasium on Friday night, Jan. 24.

An admission fee will be charged, and even the players will pay to admit themselves to the gymnasium courts. The funds will be added to those from the recent minstrel show, and will be used to pay for street improvements.

It is possible that a number of American Legion men and Lions will go from Gatesville to see the fun at Copperas Cove game on that night.

in 1945.

In the First District (South Texas) collections were 8 per cent less for the period and reflected a decline of 1 per cent compared with December 1945. Collections in the Second District (North Texas) fell only slightly for the period but were 3 per cent below collections in December 1945.

## Uncle Sam Says

Yes, Virginia, there is a Santa Claus but his bag of gifts this year is as up to the minute as a jet plane. Santa is nobody's fool. He knows Virginia's little heart will beat faster when she sees her new doll. Santa also knows Virginia's Christmas tree will be a wisely dressed tree, because it will have tucked onto its branches crisp new United States Savings Bonds. Long after Virginia's dolly has hobbled down the sentimental road of yesterday, Virginia's Savings Bonds will be with her to make her future Christmases brighter and happier.

**20 Per Cent More Sugar This Year. Poage Estimates**

WASHINGTON, Jan. 16.—American housewives will get 20 per cent more sugar in 1947 than they did last year, believes Rep. W. R. Poage of Waco, who today began serving on the house agriculture sub-committee on sugar.

Members of this body met with Secretary of Agriculture Anderson today to discuss sugar.

Republicans are more optimistic than Poage, Rep. August Andresen of Minnesota, chairman of the sub-committee, thinks it will be possible to double the basic sugar allotment.

"But he's figuring on all conditions being favorable," said Poage, "which I doubt very much. There are drouths in China, shipping troubles, packaging supplies and other problems to deal with."

The weather man said "there is another cold-front approaching us and should reach here Tuesday."

**Owl Club Entertained On Friday Evening By Luke Walkers**

On the Gatesville social calendar last week was a charming party given on Friday evening by Mr. and Mrs. Luke Walker at the home, 1207 East Leon Street, complimenting the Owl Club on the occasion of the regular meeting of the circle.

The rooms were given floral adornment through arrangements of gladioli, daffodils and chrysanthemums. Players were matched for the progressive games of 84, and the contests for victory held absorbed interest from the beginning of the diversion to the end

of the games. At the tables, centered with single daffodils in bud vases friends chatted with animation while enjoying the repast of cherry pie and hot coffee.

Guests of Mr. and Mrs. Walker included Mr. and Mrs. D. R. Boone Mr. and Mrs. D. D. McCoy, Mr. and Mrs. E. G. Beerwinkle, Mr. and Mrs. J. O. Brown, Mr. and Mrs. Jeff Bates, Mr. and Mrs. Dan McClellan, Mr. and Mrs. Hurl McClellan, Mr. and Mrs. J. W. Leaird, Mr. and Mrs. Edgar Jones, Mr. and Mrs. A. W. Ellis, Judge and Ms. R. Bates Cross, and Joe Hal English.

**Scrambled Figures**

Plain logic and clear-thinking are two delegates who should always register at all management and labor conventions. They should be ever present in all councils of patriotic groups. Neither our business nor our labor leaders must be responsible for a lock-out of truth and of the dignity belonging to facts and figures. Inasmuch as plain Americans can reason, just so will they see any inadequacies of thought demonstrated by any leaders.

Most of American labor was pleased, I believe, when the CIO adopted a resolution recently condemning Communist influence in its ranks. I suspect the rank and file back home gave this action a round of genuine applause. And aside from the intra-union politics which prompted the resolution, regardless of the doubtful political tinge of the the men who drafted it, my belief is that the CIO unions are taking a step in the right direction. It remains to be seen what shall follow in future councils.

**In The Record**

At any rate, these unions have put down on the record their resentment and rejection of efforts of the Communists and "other political parties" to interfere with their affairs. Communists, they seem to imply, are just another political party, but let us not forget what ideology is followed by the Communist line, whether in a party by that name or in other parties. There's nothing American about their ideology nor their long-range aims.

It would seem the time has come for our two major political parties to do more than merely disown the Communists who have infiltrated their own ranks and the ranks of labor. Moreover, it might be a good time for the two major parties and for our leaders of labor to say that political action groups have no business interfering with the affairs of political parties.

**Greater Threat**

The extent to which Communist ideology has penetrated gradually the councils of labor is no doubt much greater than labor itself is aware. A prominent labor personality recently set down the profits of industry for 1946 as \$15,000,000,000, after taxes, and added that this represents a greater threat to the nation than does Communism.

Whatever industry's earnings will be for 1946, the figures will not be high enough. The poor showing in the first nine months of the year, as seen in the stalled output of the automobile industry and in the failure of many industries to make any profit at all, will not make large sums available for higher wages.

**The Profit Motive**

Poor industrial earnings will not permit management to set aside funds for expansion and for badly needed working capital. Neither will lagging production bring a prosperity level that will help pay our tremendous war debt. No production brings no profits and no wages.

Americans dislike to see any groups discredit the profit motive. We like each man's prerogative to make a profit, whether he belongs on the side of management and ownership, or whether he is a wage earner. It is elementary economics that wage earners do not experience increased wages under conditions where there is no production. Surely the rank and file of Americans know this. We cannot believe that any loyal Americans would like for industry to be constantly in the red. But we know that the Communists would.

**Uncle Sam Says**

Ponder these facts, niece and nephew. In 1937 many Americans bought the Series C Savings Bond, similar in every respect to the present Series E bond which millions of you are now buying regularly through payroll savings or at your bank or post office.

During 1947 the Treasury Department will hand over \$4 for every \$3 these wise Americans laid away 10 years ago. The total payoff in interest is a staggering sum—over \$100,000,000. Nearly 75 per cent of all buyers of Series C bonds held on to them for the full 10 years. You have the opportunity now to join your fellow Americans who will share in the Treasury Department's 1957 payoff of an extra dollar for every \$3 you invest now in Savings Bonds.

**Government OK's Cash For Schools Near Camp Hood**

WASHINGTON, Jan. 15.—The Public Works administration today informed Rep. W. R. Poage that North Camp Hood independent school district will get \$10,133 and the Killeen independent school district \$7,025 from the government for maintenance and operation of the schools.

The money will apply to the current school year. Its purpose is to help the schools meet problems brought by increased enrollment due to Camp Hood.

Mr. Poage will introduce two bills in the house Wednesday for the relief of citizens in his district. One bill would award \$11,165 to the estate of Daphne Ward Pope of Rogers, who was killed when the car she was driving between Temple and Belton collided with an army truck which allegedly pulled out of traffic lanes.

Another bill would award \$10,000 to Mrs. Hattie Mae Boone of Leon Junction, as a result of the death of her husband Willie G. Boone, who allegedly died of over-exertion on Nov. 11, 1944, while assisting army personnel as a guide in pursuing and capturing escaped German prisoners of war from Camp Hood.

**JOE SERRA SAYS—**

I am not too much of a hand at braggin', but you know, I have always been more or less alert on figures—figures, I mean, like in the arithmetic. Been that way ever since Felix Coggeshall used to pick me out to go up to the annual county exams there at Champaign to represent Hickory Grove. So today I still sum up most of my deductin' via my slip-sticks. Have 2 of them—that keeps a cool one handy. But enough preliminary gas—and down to real figures.

My conclusion on union memberships is that they would drop around 12 or 14 million to less than half, if it was not a legal requirement to join up and pay dues—and if thuggery was rubbed out. And to prove if I am wrong or right, Congress can fix it so that every American can be free to join or not join—and Uncle Harry will not veto it this time. And then we will know if it is 12 or 14 million or only one half. With smallpox you get a little relief by rubbing on some salve, but to cure the scourge the doctors get down to fundamentals—vaccination.

And getting along to more figures and one case where my slide-rule kinda fails me, it is what will the Supreme Court do with the dinero put up as bail by the miners. At a horse-race we know what would happen. You put 2 bucks on some bob-tail nag and he comes in in last place. You get no money back.

Yours with the low-down,

JOE SERRA

**Farm Outlook Broadcasts Scheduled This Week**

A series of broadcasts giving the views of farmers and agricultural economists on expected trends in Texas agriculture for 1947 began Monday, Jan. 20, and will run through Saturday, Jan. 25. The programs, presented as a special feature of the Texas Farm and Home Program, will be broadcast over the Texas Quality Network each morning at 6 o'clock.

The broadcasts have been arranged by C. W. Jackson, radio editor of the Texas A & M College Extension Service, to give Texas farm radio listeners a better picture of what to expect in agriculture for 1947.

On Monday, Jan. 20 the first of the programs originated from College Station. To give listeners the farmer's viewpoint arrangements have been made to broadcast interviews with farmers in East, West, North and South Texas.

Saturday, Jan. 25, the last of the series will be broadcast, with Texas A & M agricultural economists returning to the air to give an analysis and rebuttal on the reports the farmers give from the four sections of the state.

Mrs. Jewel Hooten, who was here from Fort Worth to be with her father, John A. Farquhar in his last illness; and remained for a short time with her father following his death, left Monday for her home.

### Agriculturists Stepping up Coryell County as Stock Producing Center

In line with the general renewal of all kinds of farm and ranch enterprises awakened by the approach of spring, County Agent W. T. Graham says this week: The 4-H and FFA boys show date has been set for Friday, Feb. 21. Weather conditions the last thirty days have not been favorable for fattening calves, hogs, or anything else. Most of the boys are hoping for sunshiny weather the next thirty days so they can get the calves finished for the Fort Worth show. Salves must be finished to make this show.

**Sheep and Goat Raisers Sponsoring A County-Wide Program**

Mr. Graham comments on the proposed Ram and Billy Sale as follows:

A meeting was held at the City Hall last week with a very few representatives of the group. A president, vice-president, secretary and treasurer were elected at this meeting. It was decided at that time to resume the annual Ram and Billy Sale. The only reason for having this sale is to accommodate local buyers. It remains to be seen how much interest local sheep and goat raisers will take in the county-wide program. Every man owning at least 50 sheep should belong to this organization. Harmon White elect-

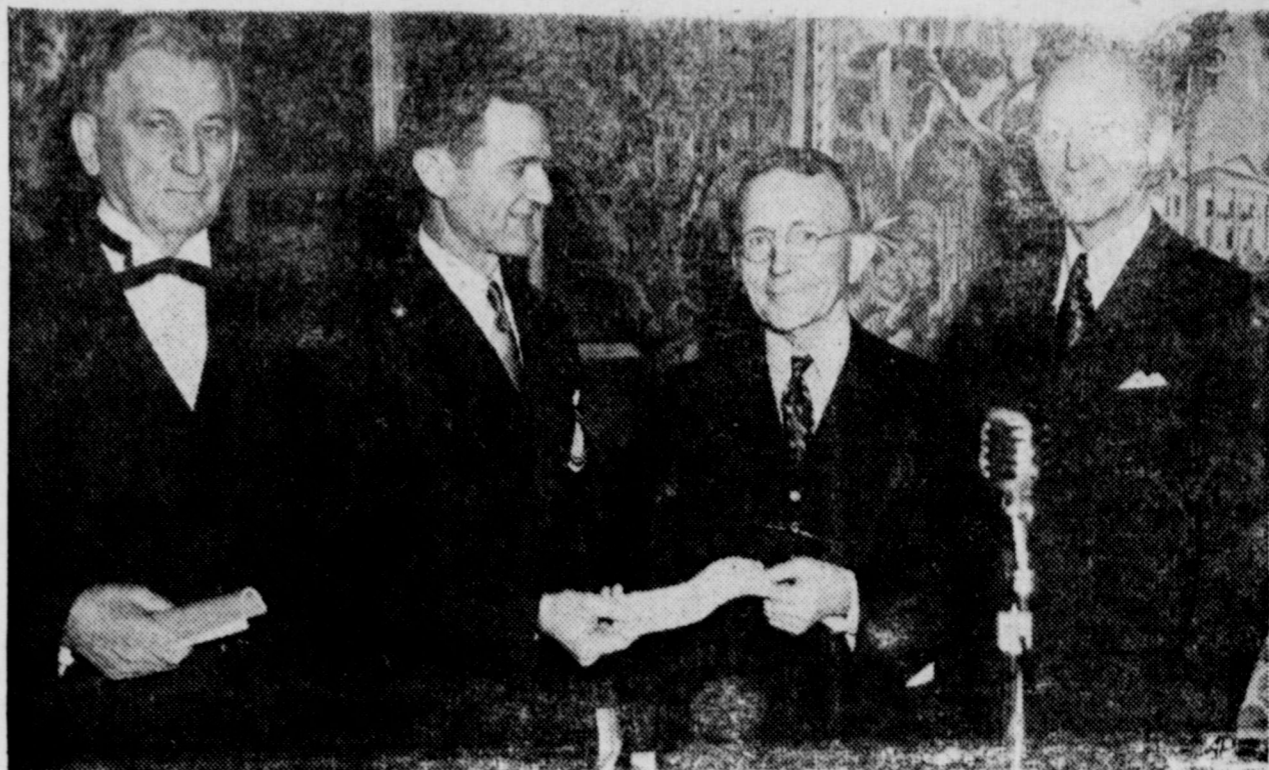

ed president of the organization, seemed to think there would be 500 men in the county interested enough in this program to put it over.

### Miss Jeanette Graham Named Assistant Gas Home Economist

Lone Star Gas Company's home economics services in this territory are being expanded with the appointment of Miss Jeanette Graham as assistant to Mrs. Gus-

sie Lee McCrary, division home economist, according to an announcement by A. P. Rowland, division superintendent. Miss Graham and Mrs. McCrary are available for consultation on
