Baseball School Opens Waco, June 23: 3 Days: Pittsburg Pirates

Opening in Waco June 23, for a three day run will be a baseball school, sponsored by the Pittsburg Base Ball Club, Minor League System, according to "Dunk" Farrell who was in Gatesville Wednesday in the interest of the school.

Mr. Farrell, better known as Edward J. Farrell, is the Director of the School System, Pittsburg Pirates, and stated that possibly, some day, a similar school would be opened in Gatesville, since many of the farm boys do not attend the "big city" schools.

Any boy interested between 16 and 22 is invited, yes, urged to attend the school. Boys are to bring their gloves, shoes and uniforms if possible. "Any boy selected will be placed on a Pittsburg Pirate Baseball Farm Club. The school starts daily at 9:30 a. m. at Katy Ball Park.

Instructors and men who will conduct the camp are Ted McGrew, Chief Scout of the Pittsburg Pirates, Heinie Manush, Leo Mackey, Andy Hewlett and the famous, or infamous Ziggy Sears, who is well known in all Texas.

FRIDAY THE 13th? Not For Him

Friday the 13th has no fears for Jimmy Spears who lives east of Hillsboro. Spears stays in bed on that day, and has missed doing so only twice in 31 years. After a look at this month's calendar, Spears got in some early practice in getting undressed, as shown above. AP Photo

Parade Was Right Nice: 'Bout Two Miles Long!

Proponents of the parade for the opening day of Gatesville Volunteer Firemen's Rodeo, did right well and the parade turned out to be, in "chamber of commerce vernacular" about two miles long. Well, it was long.

From memory, prompting, and otherwise, here is a list of the different organizations that took part in the parade, but first, we're going to mention the only-out-of-town float we saw. It was Travis Laxson's Grocery & Market from Pumela. And, to be truthful, as the Texas State Highway Department is, "South" Pumela. A thriving place, and got a good ball club.

The others included the Waco Longhorn Club, Bear Club, Waco; Gatesville High School Band, Scott Motor Co., Jones-Miller Motor Co., Powell Chevrolet Co., Powell Supply Co., Shepherd Motor Co., Horace Jackson Insurance, Gilmer Grocery & Market, Western Auto Associate Store, Gatesville Auto Supply, The National Bank of Gatesville, Coca-Cola Bottling Co., Bill's Cafe, Meeks Cafe, Bauman Freight Line, Fire Department, Leaird's Department Store, Stillman's Ltd., Ernest McCorkle, H E Poston, Trewitt Bros., Gatesville Frozen Foods, Kendrick & Davidson, Bauman Clover Farm Store, J A Painter Insurance, Regal Theatre, Buckhorn Cafe & Domino Parlor, Paxton & Chambers Grocery, R E Powell, Gatesville Ice Company, Community Public Service Co., W F & J F Barnes Lumber Co., Home Lumber Company, Wm. Cameron & Co. Inc, Lone Star Gas Company, Humble Oil & Refining Co. Agent, Gulf Refining Co. Agency, The Texas Co. Agency, Sinclair Refining Co. Agency, Jack's Service Station and Dub Hinson's Service Station.

Now, it's entirely possible there were other businesses represented, and if so "whistle".

Besides the business interests, there were hundreds of cowboys, cowgirls, kids, riders, walkers, and last but not least, the colored Boy Scouts and Cub Scouts, all in all representing just about all that could be shown to the visitors during a parade.

Bringing up the rear, was Charlie Schultz, and his jalopy and his side-kick with the elongated legs.

It was a success!

Free Cotton Classification Again Available Too Farmers

The Cotton Branch office of the United States Department of Agriculture, Austin, reported that the first application for the free cotton classification and market news services received from Coryell County represented the farmers of the Frank B. Lam Gin of Oglesby.

The Austin classing office urged that organized group leaders and ginners submit their applications at an early date as July 1 has been set as the goal date; however, applications received after that date and prior to August 1 will be considered for approval.

One of the purposes of the classing and market news services is to provide the farmer with the grade and staple length of each bale he produces and to aid him in selling his cotton on quality rather than on hog round basis. Last season approximately 27% of the total bales ginned in Coryell County was classed under the Smith-Doxey Act.

New Red Light In Town: N. 6th & Main, From S. 10th & Leon

It's not new. Just moved. Since school's out and the highway traffic is picking up, City Fathers have ordered the light at South 10th and Leon moved to North 6th and Main, and it's there. This is to slow the fast boys thru town, and also due to the fact that there have been a few crashes there. Good thing.

Not Bill Cardwell, But His Two Sheep Dogs Susie and Peter, Hog Gatesville Rodeo With Masterful Performance

OTHER FEATURES OF SHOW MAKE FOR ALL O K SHOW

Susie and Peter are two pooches that can chew on my dog biscuit. Never saw nothin' like 'em.

They stole the first night's performance of Gatesville Volunteer Firemen's Rodeo & Frontier Celebration, under the expert tutelage of one W W (Bill) Cardwell of Junction. Bill's not a "pro", but just a Junction rancher, and brought his bed roll with him, and said "he'd just as soon sleep in the park." That's the kind of a guy Bill is. His dogs are just as "regular" as he is.

Folks, if you've got only time for ONE act of the Ninth Annual, this is IT. Don't Miss IT!

Incidentally, Maize, the puppy, worked last night, and she's just a learnin' or, maybe's already learned. You'll know if you saw it; this mornin'.

Now the "art" part of the show was performed by the Gatesville Recreation Club, and it was a grand performance but as first nighters run; a little long. But Squae Dancin' is back, and Gatesville as usual is in the lead on this little item too.

For the routine stuff (same in all shows); here's the record.

Bulldogging: Tom Hogan, Tulsa, 19.6; Dub Phillips, San Angelo, 19.8; Junior Fulton, Waco, 37.8; Royce Sewalt, Brownwood, 39.4.

Bull Riding: Kirby Watson, Grady, N M; Bill Weeks; Red Walker and Cotton Proctor tied for third and fourth. All others were thrown.

Charl eiSchultz and Honey-suckle, his bucking Model T Ford, did their stuff, in the regular way.

It was a show, folks, and after you read this, there's two more. Don't MISS IT!

Baseball Game of Two County Interest At Coryell City Sunday

Clifton and Coryell City meet in a widely thought-of game at Coryell City Sunday, about 2:30.

These two clubs, probably the two fastest in the Central Texas unorganized baseball have stars that will twinkle when they meet.

All the other clubs not having games will be on hand. Even the Turnersville and Flat meet at Turnersville Sunday, some of the paying members, are threatening to be in See City on that day.

Just lets you know what kind of baseball it's going to be that day.

County Gets \$10,000 From Federal Govt. On Hwy 36 and FR 116

County Judge Floyd Zeigler, announced yesterday that the County had been awarded \$10,000 reimbursement for the rightofway on State Highway 36 and Farm to Market Highway 116, Gatesville to Copperas Cove.

The reason for this, according

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly back people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

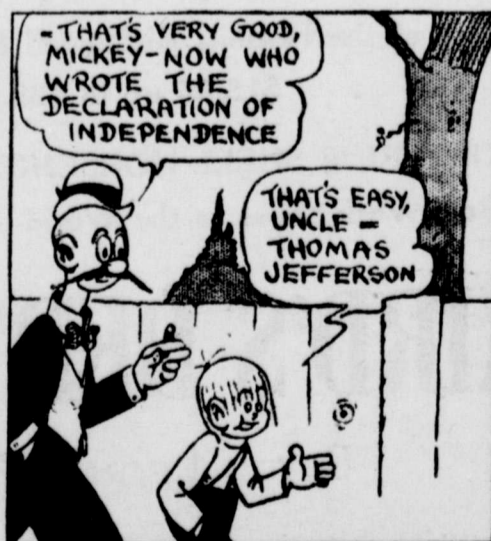

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

OBITUARY

NORMAN DALE SHEDD

God our Heavenly Father looked down upon little Norman Dale and thought 'twas good to take him home. While yet he was a precious babe, and knew not what sin was, nor the ways of the world. Norman's life on earth was very short. The Lord has been merciful and spared him of trials, troubles, and temptations that befall us all along through life. Perhaps he was spared a great and terrible affliction, we cannot tell. God alone knew what might have been in store for him, so Dear Sister, dry your eyes from weeping, for we know your darling baby cannot come back to you. There is a great comfort in store, to realize he is not dead, but only sleeping and waiting for Mother and Dad, Sisters and Brothers to come home to Jesus. So prepare to meet thy God and your darling child in that beautiful place that the 22d chapter of Revelations tells us about. What a glorious and wonderful place that will be.

Norman Dale was born Feb. 23, 1939 and was drowned June 1, 1947. He was a son of Mr and Mrs John Shedd of Post, Texas, and grandson of the late John Manos and Mrs. Laura Manos of Near Evant.

He leaves to mourn his going, his parents, five brothers, Lloyd, Emmett, Delbert, Charles and Clayton; three sisters, Margie, Onella and Clara La Verne and many other relatives and friends.

Funeral services were held June 2, in the First Baptist church at Post, conducted by Rev. I. D. Waker. Interment was in the Terrace Cemetery at Post.

Written by his aunt, Ms. Herman Bragewitz.

It's a BIG LOAD to carry

The record demands of America's telephone companies have given equipment manufacturers their greatest production problem in history. Continued shortages of raw materials, work stoppages, and other delays have slowed delivery. In spite of these obstacles, our manufacturers have made great progress and are still doing their best to meet these tremendous demands.

Our share of equipment is gradually being received. As more is delivered, we can work toward our goal of telephone service for all who are waiting.
