Purmela and Evant Win: They Play For 4th In League

Purmela and Evant have been "staying in there" in the "west of here" league, and have emerged in a tie for fourth place in the play-off. They'll have at it Sunday 31st, to see which one enters the "west-of-here" league of the Coryell County Baseball Tournament.

Purmela down its opponent, Shive, Sunday with a 14-2 count, and C. Smith and B. Laxson went the route, Smith getting 17 SO's. Edwards started with the stick, but the hits were sure things and not whoppers. Shive got about 6 of them and Purmela 12. The errors were 10 for Shive and 3 for Purmela.

Evant Beats Star In Close One, 12-11

In the Evant-Star game, Evant nosed out the boys, and all this tied up Evant and Purmela. Details of this game are lacking.

Ouida Harris Wiggins Gets B. A. Degree From S W T S C

Mrs. Ouida Harris Wiggins of Levita was among 160 students receiving degrees at the recent exercises held at SWTSC Friday night, August 22.

Mrs. Wiggins was awarded a B.S. Degree with a major in social science and a major in English.

Rev. A. Frank Smith, resident bishop of the Houston area of the Methodist church was the speaker

Mrs. J. W. Riddle, an old time resident of Gatesville is seriously ill at the home of her daughter, Mrs. C. O. Huff in Gorman. Her children are at her bedside. Mrs. Riddle was reared near Gatesville and has many friends here who will remember her.

Water Carnival On Schedule For Tonite: Beauty & Brawn Show

Tonight, at the swimming pool in Raby Park, will be a Water Carnival, which will show both beauty and brawn.

There's to be swimming races, fancy diving, shallow-water routine for the kids, and the pay-off—selecting of the Water Queen, and her coronation.

The affair is sponsored by the Municipal Swimming Pool, and nobody else. Proceeds will go to buy awards, and other profits will go to the city, according to Sidney Pruitt, one of the pool's managers.

Mitchell's Staying Season's Ready, And Won't Be Long Now!

According to Superintendent George W. Wier, Coach Loyd Mitchell will be with us another year. That IS good news.

There is a small discrepancy between what he asked and what was bid for his services, and the bidders won. In fact, the school board, we hear, "couldn't find a source to raise the difference", and being late, Coach Mitchell stayed.

Coach Mitchell has made an enviable record here, and in our book, is worth plenty. During the past four years, he's dropped one conference game in basket or football.

Boy, when was that ever done before! Wonder if there'd be a way to get the "difference" notwithstanding!

Coryell County Man Invents BIP Sheller Now Being Made Here!

Sometimes, riend wife calls you in and says: "Let's shell peas."

Now, the "head" of the family does not often like to shell peas, so, one of them, who evidently didn't invent a pea-sheller. It puts the peas one place and the hulls somewhere else.

That is George Wymer, and, quoting a farm journal, it says: "The sheller looks like a clothes wringer, and was built and designed by Mr. Wymer in his shop. If he can get a way to have it manufactured, the Wymer sheller should be a great boon to homes where peas are canned or shelled before being sold. Industrial foundation, there you are!"

Highway Construction In Cen-Tex Totals \$2445,459 in July

Highway Construction work in ten Central Texas counties amounted to \$245,459 during July, according to the Texas State Highway Department.

Construction in Coryell County includes F. M. 184, T. E. Sanderford contractor, 95 out of 120 days allowed, \$76,971 contract, \$16,482 in July, \$71,803 total cost.

F. M. 182, C. W. Perry, 98 out of 100 days, \$81,952 contract, \$75,343 total cost

"Sparkle Plenty's" Dolls At \$5.98: 22,000 Sold In Two Weeks

Can't be stopped! That Chester Gould cartoon, Dick Tracy, which recently had a new member added, "Sparkle Plenty".

An ex-GI-football player, manager of the toy department of Gimbel's, a large New York City department store, had "Sparkle Plenty" dolls manufactured. Ten thousand sold in first 5 days, 22,000 next two weeks, going at \$5.98 each.

Pays to think

Sgt. and Mrs. Everett Gribble are visiting friends and relatives. Sgt. Gribble was formerly a member of the GHS football squad and served five years in the U. S. Navy, but "shipped over" into the U. S. Army.

County And City Say "No" To College Amendment, Saturday Election: 14 Boxes

Nobody voted much anyway, but both Coryell county and Gatesville said an "easy" no to the proposed College Amendment constitutional change which was what we were voting on Saturday

The city mustered out a total of 143 votes, and 12 boxes outside the city limits polled a total of 175 votes: Grand total, 14 boxes, 309 votes.

These were divided as follows: (first figure for, second figure is against): Gatesville, Ward 1, 23; Pearl, 4, 34; Harmon 5, 4;

Evant 4, 12; The Grove 1, 18; Hubbard 2, 4; Hurst Springs 1, 7; Jonesboro 4, 7; Ames 0, 12; Copperas Cove 6, 8; Gatesville Ward 2 42, 44; Ireland 22, 0; Flat 7, 3; Cave Creek 2, 8; Totals: For 123, Against, 186.

In the state, elsewhere, of interest, Morris Roberts, publisher and husband of the late L. B. Gordon's daughter, is running second in a State Senate race in his district. Where there will be a run-off, or not is not known here. Roberts had 4515 and Bell 5409.

MOB INJURES VATICAN PRELATE

ROME, Italy, August 25. (AP)—The Italian News Agency dispatch from Trieste today said a mob in the Yugoslav zone of Venezia-Giulia inflicted grave injuries yesterday on the Vatican Prelate sent to confirm children in the area, killed a local priest who tried to defend him. The attack was at Lanische, in part of the Istrian peninsula occupied by Premier Tito's forces.

STORM BLOWS SELF OUT IN RAIN SQUALLS

GALVESTON, Texas, August 25. (AP)—A vicious home-grown tropical storm that formed off the Texas coast and scored a bull's-eye on Galveston and explosion-scarred Texas City and Houston, plunged inland about 100 miles today and was blowing itself out in rain squalls

Joseph M. Taber of Galveston was killed when he came in contact with a fallen power line. A fishing boat with a 3-man crew was missing.

COLLEGE BUILDING AMENDMENT APPROVED

DALLAS, Texas, August 25. (AP)—The hotly-contested college building amendments to the state constitution were approved by the Texas voters inaturday's special election which also saw two new Congressmen named. The new Congressmen wer Ken Regan, Midland oil man of the 16th district, and Clark W. Thompson, Galveston businessman, of the 9th district.

41 NEGROES OUT OF RAMSEY No. 1, PRISON

HOUSTON, Texas, August 25 (AP)—Five of the 41 negroes who escaped from Ramsey No. 1. Prison Farm early today were captured by 9 a. m., as more than 55 law enforcement officers combed Brazoria county for the rest of the fugitives.

TEXAN SHOWS HORNED FROG AT JAMBOREE

Dick Bunker (center) of Houston, Texas, shows fellow Texans John Freese (left) of Fort Worth, and Manfred Holck (right) of Austin a horned frog which he

brought to the World Boy Scout Jamboree at Moisson, France. The horned frog from Texas will be offered by Bunker to the Paris, France, Museum of Natural History. (AP Photo.)

Mrs. Eldon Harris Dies Instantly At 712 1/2 Main Street

Mrs. Mary Jane Jones Harris, (Mrs. Eldon Harris) died at 712 1/2 Main Street, Gatesville, August 20, 1947 at 2:30 p. m. while waiting in an office here.

Mrs. Harris' home was in Ireland, and she was the wife of Eldon Harris. She was born Nov. 18, 1882, and was 64 years of age at the time of her sudden death. She was a member of the Methodist church.

Her father was Joe Jones of Berryville, Arkansas and her mother was the former Miss Fannie Walker of Alabama.

Services, the time as yet to be announced, will be held at Live-Oak Tabernacle, Hamilton, and, interment will be in Live Oak cemetery.

Surviving besides her husband are two sons Eustace of Evant, and Audley of Ireland.

She also leaves three daughters Mrs. Roy Chumley of Hamilton, Mrs. Fieta Wright, Ireland, Mrs. Joe Marcella of Los Angeles, Cal. 13 grandchildren and 3 great grandchildren.

Also, there are six brothers: W. W. Jones of San Angelo, J. B. Jones of Ireland, T. L. Jones of Post, J. A. Jones of Los Angeles, Calif., J. C. Jones of Clovis, N.

M., and A. D. Jones of Ireland. There are 5 sisters: Mrs. E. L. Jones, Seagraves; Mrs. C. R. Cook, Canadian; Mrs. Joel Glaze Gatesville; Mrs. Edgar Newsom, Hamilton; Mrs. R. E. Ashby of Gatesville.

Navy Recruiting Sub-Station To Be Opened in Gatesville

A Navy Sub-station will be opened in Gatesville Thursday and will be operated by B. L. Owens, CFC, USN, with offices in the lobby of the postoffice. Hours will be Thursday noon until 7 p. m.

He will, besides enlisting men, issue fedals, etc., to ex World War veterans, and enlisted men should bring their original discharge, and officers their original Orders to Inactive Duty.

Navy veterans out only 3-mos. may go back with the rating when discharged, but the opportunity expires October 1, 1947.

Mr. and Mrs. Troy Sheffield and daughter, Janice Ann left Thursday morning for a ten-days trip to the swamps of Louisiana, where you have to hide behind a tree to change lures when fishing for bass. Old Shep is gonna try 'em, he says. (That's Sheff, speak 'in').

NIGHT DRIVING ACCOUNTS FOR 60 PER CENT OF AUTO FATALITIES THOUGH TRAFFIC LIGHTER

By Ned H. Dearborn
President, National Safety Council

When you drive at night, be at least three times as careful, because night driving is more than three times as dangerous as in the daytime. Traffic during hours of darkness is less than half as heavy as by daylight, yet produces about 60 per cent of the deaths.

In addition to the darkness itself, drivers and pedestrians are tired at the end of the day and often in a hurry to get home; a-tigue, hurry, and approaching darkness make a bad combination. Later, many drive away from a tavern or party with too much alcohol in their systems; and alcohol and darkness are another bad combination.

If these accident causes did not exist, if the casualty rate were no higher by night than by day, 14,000 deaths and about 400,000 injuries would have been saved last year. What can we do about it?

Modern street lighting, designed to throw the light on the pavement, not on the tree tops or in your bedroom window, is a "must" on busy streets. Similar highway lighting, on one section of highway near San Francisco, cut night traffic deaths of nine to four per year. Such lighting should be installed at highway locations with a bad night accident record and on long stretches where traffic is heavy enough to justify the cost.

Highway departments can further help the night driver by providing signs that can be seen in the dark, particularly stop signs and those indicating curves, turns or railroad crossings.

Modern headlamps of the "seal beam" type provide maximum light on the roadway with minimum glare to the eyes—but only if properly used. So, as with most traffic problems, safe driving at night is mostly up to the driver.

First, we must see that our headlamps are in good condition. Motorists are fortunate who live in a state or city having a well administered system of periodic vehicle inspection. In any case, the prudent driver will watch his lights carefully for any sign that they are aimed too high or too low, or that an over-age bulb, dirty lens or tarnished reflector is giving him less light than he needs. Even with no visible sign of periodic check of headlamps—and of the entire car—by a competent service-man is a good investment.

Then, proper use is just as important. Always change to the lower beam when meeting an other car. That's what you want the other fellow to do, isn't it?

Finally, remember that with even the best headlamps you cannot safely drive as fast in the dark as by daylight. The basic rule of safe driving is this: Always keep your speed sufficiently low, and your car under such control, that you can avoid any possible emergency ahead—any vehicle, person or object suddenly appearing in your path, any curve or turn or defect in the highway itself. Slow down at sundown!

At 50 miles an hour, the average driver in the average car needs about 300 feet—nearly a city block—to recognize danger ahead and come to a stop. Many headlamps do not give good visibility over that distance. Any night speed over 50, unless on an exceptionally well lighted highway, is courting suicide or manslaughter.

A firm grip with both hands on the steering wheel is even more important at night than by day.

Fatigue at the end of the day impairs your judgment and delays your preception of trouble ahead and your reaction to it. The obvious remedy—more caution and lower speed. At juitting time, even if you are not tired, remember that other drivers and pedestrians are.

Even a couple of drinks are

harmful to the judgment, the quick reaction, the nervous and muscular control which are essential to safe driving at night. The more drinks, the greater the danger. "If you drink, don't drive" is the only really safe rule. If circumstances require you to drive after one or two drinks, reduce your normal speed by at least 5 miles per hour for each drink.

Pedestrians, the victims in near half of the fatal night accidents, can do much to protect themselves. The man or woman crossing the street on foot, when over-tired or especially after drinking, should use the same extra measure of caution enjoined on the driver in similar condition. You can always see an approaching car because of its headlights; remember that the driver often can't see you if you step into his path, until it's too late.

It is especially important that pedestrians cross streets at night only at intersections, where drivers expect them. If you must walk along the highway at night, carry a light or wear something white, and be especially careful to walk on the left, facing traffic, so you can step out of the way if the oncoming driver doesn't see you.

Band Students Attending Music School At Abilene

Ten students of the Gatesville High School Band are attending a special music and band instruction school put on for a two-week period at Hardin-Simmons University at Abilene, Texas, by the Vandercook School of Music of Chicago, Ill.

Those students making the trip are Dorothy Ayres, Joyce Howell, Jeanie Lee, Pat Wright and Patsy Walsh and Curtis Morgan, Drum Major, Reva Hackney, Morris Ashby, Charles Walker and Richard Wier.

Some of the students are taking special instruction in Baton Twirling, Rope twirling and study of harmony while others are studying either cornet, clarinet or trombone playing.

Classes began on August 18 and will end August 30. These students will return and be ready for band practice which is tentatively set for September first.

Joe Daniels IS ELIGIBLE: Gets The Calf Too

A ruling just out from Roy Bendichek of the Texas Interscholastic League, in a ruling to Ralph Wolf of the Baylor Bear Club Rodeo Calf Scramble mix-up, told Mr. Wolf that this calf scramble was not considered professional and boys competing in it were not ineligible to participate in interscholastic events.

This was good news to Gatesville football fans, and after winning the calf, two local boosters rushed the animal back to Waco, reusing to take it, but, according to Harry Province of The Waco News-Tribune, this has all been cleared up.

Pat Holt and Son, Mayo have returned from a trip to Salt Lake City, Denver and other points in the west.

Sidney Pruitt and his daughter, Patsy, are visiting relatives in Lewisville.

IN THE STILL OF THE NIGHT

A MAN DIED -

He had worked late—he was tired—thoughtlessly he walked to the right along the darkened highway. Beyond the turn of the road were the lights of home.

Speeding through the early darkness, a driver urged his car along, hugging the edge of the road. A dim shape, a sudden sickening jolt—and the terrorized driver, his car careening, sped on—around the curve, past the lighted cottage beside the road. And in the still of the night, a man died.

These are the ingredients of accidents and death at night. Often the victim contributes to his own death by not walking to the left, facing traffic. But far too many pay with their lives for the reckless driving of the hit-and-run car coward. To him self-preservation is more urgent than the saving of a life.

To his kind let this be a warning. Of all highway and traffic violators, the hit-and-run driver fares worst. Sooner or later, his crime leads to prison and disgrace.

The highways shall be cleared of these auto highwaymen.

This advertisement is presented in the public interest by the President's Highway Safety Conference and the daily and weekly newspapers of the nation through their Press and Publisher Associations.

GRACE WIEGAND

Photo Courtesy Rock Springs, (Wyoming) Daily Rocket.

The marriage of Grace Wiegand, daughter of Mr. and Mrs. William Wiegand of Tuscon, Arizona, to Robert Jones of this city, took place at 11 o'clock Wednesday morning, August 20, at the Congregational church. The Rev. J. Vincent Crane performed the double-ring ceremony before an altar decorated with gladioli. Mrs. V. O. Murray played the nuptial music. The bridegroom's parents are Mr. and Mrs. Dewey Jones of Rock Springs, and his maternal grandparents are Mr. and Mrs. R. Y. Gibson, well known residents of this city.

The bride, who was given in marriage by her father, wore a white wedding gown designed with all-over lace bodice, styled with peplin, and full skirt of net. Her brides veil of illusion fell from a beaded headdress and she carried a bouquet of stephanotis, sweetpeas and roses, centered with gardenias.

Molly Leaver, cousin of the bridegroom was maid of honor. She wore a pink nylon floor-length gown fashioned with fitted bodice and cap sleeves and organza headdress of matching color. Her flowers were varicolored sweetpeas and roses.

Arden Jones served his brother as best man.

The bride's mother wore a turquoise street dress with black accessories, and the bridegroom's mother wore a green dress with black accessories. Each wore a corsage of pink roses. Mrs. Gibson wore a black ensemble, black accessories and a corsage of Better time red roses.

The couple left after the wedding on a trip to Minnesota. For traveling the bride chose a green suit, small brown hat and other accessories of brown. After their return they will make their home in Laramie where Mr. Jones will study for his master's degree at the University of Wyoming.

Miss Wiegand was graduated from the high school in Gatesville Texas, where her parents resided until a year ago when the family moved to Tuscon. She was graduated from the University of Texas at Austin, where she was a member of the Gamma Phi Beta sorority. Last year she attended the University of Arizona at Tuscon.

Mr. Jones, who was graduated from the Casper high school, received his B. A. degree last June from the University of Wyoming. He is a member of the Phi Delta Theta fraternity. He entered the army from the university where he was active in reserve officers training. He spent 13 months overseas and was released from the army as a first lieutenant. His decorations include the Silver star, Purple heart, army commendation, American defense, Victory ribbon and E. O. T. ribbon with three battle stars.—The Rock Springs (Wyo.) Daily Rocket

Square Dancers Go To Hico For A Dance Session Friday

Friday evening, a week ago, square dancers of Gatesville made a trip to Hico to take part in a dance festival which was a part of their annual Hico Reunion which has been held for over 60 years.

From Gatesville, representing the Gatesville Recreation Club were: Mr. and Mrs. Eiland Lovejoy, Rabon Balch, G. D. Nolte, J. B. Sellers, Andrew Kendrick, H. B. Davis and Harry Flentge.

Pearl Camp Fire Girls Enjoy Outing Near Bee House

Under guardianship of Vera Whitt, enjoyed an all-day picnic recently at the home of Mrs. Comma Lovell at Bee House.

Included in the day was the Indian trail hunt for honor beads, a delicious lunch, and after an hour's rest, tenderfoot tests were taken and then, the swimming pool.

Two honor beads were presented to each girl for passing the tests and for good sportsmanship.

Visitors were Norma Gene Ashcraft, Goldthwaite, and Gene Riggs, Austin.

Capt. A. C. Bates, Jr. has been visiting his parents here, Mr. and Mrs. A. C. Bates, Sr. and was from Ft. Belvoir, Virginia. He left last week for New York to be with his wife and daughter Kathy before going to Germany, where he will be a staff engineer in the Army of Occupation, and will be followed by his family later.

Dorothy Conner Is Bride of Willie C. Harvison, Wed.

The Ocean Beach Baptist church Ocean Beach, California, was the scene of the wedding of Miss Dorothy Conner, daughter of Mrs. Anna L. Leonard of San Diego, California, to Willie Clark Harvison, son of Mr. and Mrs. Devon B. Harvison of Jonesboro, Monday afternoon, July 28, with the Reverend P. O. Jenson officiating.

The bride wore a gray suit with a pink blouse, brown and white shoes, and carried a matching brown and white bag. Her bouquet was of pink tuberous begonias. The matron of honor was Mrs. Maxine Rosso of Ocean Beach and she wore a blue suit. Don Warren of Pacific Beach served as best man.

A reception was held in the flower-bedecked church immediately following the ceremony.

The bride's mother was out, standing in a white suit with red roses.

Following the reception, the couple left for a honeymoon on Catalina Island.

The groom is employed at the Navy Air Station on North Island, San Diego, Calif. He served in the navy four years during World War II.

The couple will live on Santa Cruz avenue, Ocean Beach, Calif.

Major Fred W. McIlroy To Retire In January: Now In Rycom

Major Fred W. McIlroy, of 502 Reed St., Port Townsend, Washington, now on duty as Director of Supply at the Philippines Ryukus Command Quartermaster Depot, has been recently commissioned Lieutenant Colonel in the Officers' Reserve Corps U. S. Army.

Maj. McIlroy has been in the Army since June 8, 1914 and has served as Director of Supply at Camps Howze and Hulen in Texas, as Post Quartermaster at Camp Hood, Texas, and as Executive Assistant to QM at Fort Worden, Washington prior to leaving for service overseas last January.

Expecting to retire from active service on or about January, Maj. McIlroy was a former employee of the Pioneer Motor Company in Oakland, California.

His wife, Marfuerrite, and children, Jane and Bill, are now living at 400 Fennimore, Gatesville.

Miss Grace Wiegand Is Honored At Tea By Mrs. Dewey Jones

Mrs. Dewey Jones will preside at a tea this afternoon at the Jones home at A and Cedar sts. in honor of Grace Wiegand of Tuscon, Ariz. Guests will be received between 3 and 5 o'clock.

Miss Wiegand will marry Robert Jones, the hostess' son, here Wednesday. The bride-to-be and her parents, Mr. and Mrs. William Wiegand, arrived in Rock Springs Friday from Tuscon and are the houseguests of Mr. and Mrs. R. Y. Gibson, maternal grandparents of Robert Jones, at the Gibson-Jones home.

Approximately 50 persons will attend the tea. Mrs. Norton Lee and Mrs. John Lee will preside at the service table. Summer flowers will be used in appointments of the table and home—Rock Springs (Wyo.) Sunday Miner.

Mr. and Mrs. Richard Palmer and baby, now of Gatesville and formerly of the U. S. Navy and Memphis, Tenn., are here to make their home. Mr. Palmer is the son of Mr. and Mrs. Lane Palmer of Gatesville.

What's Wrong With Profit?

Some folks have the idea that profit is something business takes unfairly and harmfully out of buying and selling and manufacturing. This idea is that whatever a company earns, no matter if it is a fraction of a percent of the total sales, this money is extracted underhandedly from the public. If you have ever felt that way, I dare you to take a good, straight look at America's economic picture—and yourself.

You are paid a salary or a wage each week, are you not? You have invested your time, your energy, your brain-power, your muscle-power, your special skills, your training and experience. Do you think each time you get your check, that you have done something harmful to your community? Do you feel that you have cheated America? Chances are that you do not feel that way at all.

Taking Profits

You may be able, after paying all your expenses, to put a little into the bank or insurance. You may be interested in investing a part of your savings in stocks or bonds. If you are like most Americans, you find you can invest in some luxury goods. That is, you put some money into a car, an electric refrigerator, or perhaps a good collection of fishing tackle. You find that these and other things you can put your profit into will help you continue to live and to work.

Business corporations are pretty much like this picture of yourself. Whether General Motors, the corner delicatessen, or yourself—profit is what is left over after all the bills are paid. Profit results from good management, thrift, imagination, and hard work. The big corporation turns some profits back into the company for new plants and new tools. The rest goes to the folks whose buildings, tools, machinery, and money the company has been using.

Way to More Wages

This profit is usually none too much. Compensation of employees in 1945, as estimated by the Department of Commerce, would have gone up only 7.9 per cent if the entire corporation income of the country had been turned into wages. Yet, if this were done, it would mean that millions of people, perhaps including yourself, would fail to receive dividends. Corporations would soon become bankrupt. Jobs would become scarce.

The most important thing is that good profits and good wages go along together. The success of an enterprise, as well as the well-being of everyone who gets income, depends upon profits. When corporations have to accept losses, or even meager profits, wages for everybody go down and jobs become hard to find. It is not just chance that brings these two things, small profits and low wages, in the very same years. They belong together.

All of us want profits. Why then, all the hullabaloo about wanting business enterprise to hand over any profit it makes to employees? To do this would be to cut our own throats. What we really need is more folks with the idea of going into business, making money, and employing people. The need is not more bankrupt corporations, but more profit, more wages, and better living for everybody.

Gas Company Looks Forward To Better Service Facilities

An optimistic outlook for the growth and development of Lone Star Gas Company's territory was voiced last Saturday by President D. A. Hulcy of Dallas in announcing a five-year, \$40,000,000 program of extensions and additions to physical properties on the company's system. This amount has been allocated for construction

and equipment to support natural gas service over a system comprising 325 towns and cities in Texas and Oklahoma, one of which is Gatesville.

Among reasons for these huge expenditures, Mr. Hulcy explained, are construction of new distribution plants, extensions to established distribution systems, purchasing of new equipment, building of transmission lines to bring new sources of gas supply, construction of compressor stations and expansion of other facilities to meet demands for service in a rapidly growing territory.

"Lone Star Gas Company operates in a territory that is showing a remarkable growth," he said, "and our company is supporting that growth by going ahead with a long-range program of expanding and improving facilities to meet increasing needs of natural gas service by domestic, industrial, and commercial users. Even without such growth it is necessary for a gas utility to constantly reinforce its facilities to meet the user requirements of established customers under normal conditions."

Specific items in the 1947 program include a pipe line under construction from the Cufberland field west of Durant, Oklahoma, to increase deliveries of gas to Denison, Sherman, Paris and other towns and cities in Northeast Texas.

The gas supply for towns in the company's San Angelo area will be strengthened by a six-inch gathering line from three wells

TEEN TALK:

DEAR JUDY:

IT Looks as if this is going to be a big plaid season—even for the kids who still are sloppy sweater minded. If you don't wear plaid to school, you will almost surely wear it for dance dates. There are snazzy ankle length plaid skirts that are dreamy, and yummy looking outfits with matching hats and scarf. You'll feel just like a lass rom Loch Lomond in one of these new creations.

Kids at co-ed schools are going to dress up this fall but the girl-school clan are still sweater-dungaree conscious. This year, however, sweaters are going to be form fitting and will be tucked into the skirt. Shirrtails are also being tucked in, and skirts will be longer.

One girl, packing to go back to Vassar, decided the only new things she needed were six pairs of wool socks, underwear and new jeans . . . Good news for her parents.

Mad Fad—Teen agers are now using voice-o-graph recordings for sending messages. The kids think these are practical for retaining as souvenirs. But what do the Jacksons think? If the old saying is true, "write and fear no man, don't write and ear no woman" then it seems this would be good advice in respect to making a verbal record of sentiment. But it is fun to record poems and teen age jive talk.

In case you think the life of a band vocalist is all play and no work, listen to this routine of Francey Lane's. Francey, who is Johnny Long's vocalist, says that on the road she works an average of six hours a night, spends the rest of the time trying to find a spot to eat, then, makeup still on, she rushes into the band's special bus to ride all night to the next engagement. That goes on for weeks with no time for dates, beauty treatments, letters, or phone calls.

Even when they hit New York, work is still rough. In between shows she tries to grab a bite to eat, has costumes fitted, does press interviews, guest radio shows, makes records, rehearses new tunes, gets clothes cleaned and laundered and gets set for the next road hop.

Teenews
David Maitland, 14-year-old East Hampton, Conn., high school

in the Eden field southeast of San Angelo. The line extends from Eden to Miles where it connects with the company's general transmission system.

A loop line is being constructed from a point south of Dallas to a point between Rockwall and Greenville to strengthen the gas supply for a number of towns extending east of Dallas, including Greenville. A major gathering line is being built in Young County to bring additional gas supply from gas fields to the Lone Star transmission system.

A new compressor station is under construction at Trinidad to boost the gas supply for Dallas, Fort Worth, and other distribution plants through existing parallel 16 and 20-inch lines from the East Texas Gas fields. The new 3,200-horse-power station is designed to handle 200,000,000 cu. feet of gas per day. The company is also planning enlargement of its compressor station at Pueblo in West Texas to conserve gas otherwise wasted in oil production.

Skilled Hands ARE NEEDED

Furnishing you with telephone service is a job calling for highly specialized workers. In order for us to fulfill our plans for expanded service, we need more maintenance men, linemen, installers and operators. It takes time to obtain and train technicians in these special skills. Our present staff is doing unusually well, but even the most willing workers have a limit to their capacities. As we increase our number of experienced workers, our ability to expand service faster will increase, too.

GULF STATES TELEPHONE CO.

sophomore was ready to solo after taking flight lessons from former AAF fighter pilot Richard Baganski, but state aviation authorities wouldn't let him. He must wait two years before he takes off alone. Utter frustration, wouldn't you say?

Junior Achievement, at its annual conference held at Camp Rock, Glen Wild Lake, Bloomingdale, N. J., entertains 90 teen-age business executives from all over the U. S. The keynote of the conference is: "Youth's Opinions of Today Shapes America's Policy of Tomorrow."

Thousands of heps submitted entries in a limerick contest conducted by a dress organization, but lucky Virginia Huerkamp of Mariemont, Ohio, won a teen-dream weekend in New York, staying at the Waldorf-Astoria, lunching at the Stork Club and visiting the Museum of Modern Art, Chhatown, etc.

Little Surprises Stir Interest in a City Of Contrasts

By Jack O'Brian
NEW YORK—In this city of paradoxes, the little surprises never fail to cause interest . . . like the tiny butcher shop I discovered nestled among the big, expensive and highly fashionable apartment houses on Park Avenue just above 65th Street . . . And that last vestige of dignified living, verandah dining, on the front porch of the Sulgrave Hotel on that safe smart avenue.

In Harlem, a sign advertising "McDuffie's Chinese Restaurant" . . . In Shor's, Judy Canova wearing a hairdo brushed over on one side, making the smartly attired hillbilly look like a left-handed waterfall. . . Same Saloon, Barry Fitzgerald asking the fat proprietor to introduce him to Glamour Guy James Mason, who said he considered it entirely his pleasure, adding his valuable admiration for the cute and lovable Fitzgerald . . . At Barry's table, Producer Mark Hellinger sitting around with his former New York newspaper cohorts and swap-

RECREATION FACILITIES ON INCREASE IN U. S.

NEW YORK—With 1,743 cities reporting organized public recreation programs throughout the U.S., the increase in cities sponsoring these activities for furnishing facilities for public use was nearly doubled that of 1938. These cities reported that there were 26,185 separate public recreation areas and centers in the U. S.

Mrs. W. A. Blair of New York City is visiting friends and relatives at Osage and Gatesville for several weeks. She was formerly Alleyne Sheffield of Osage.

Mr. and Mrs. Charles Powell and family left this week for a vacation trip in the west which will include The Grand Canyon and other points of interest.

Charles Sheffield is spending a week with his cousin, Donald

Feggette-Bunnell Family Reunion Held At Mother Neff Park Sunday

The Feggette and Bunnell families held their 8th annual reunion at Mother Neff Park Sunday, August 17. The day was spent in a real family get-together visiting with relatives and old friends. The children as well as the adults were interested in seeing the buffaloes that had been recently added to the other interesting hings at the Park Zoo.

A delicious basket lunch was served at the noon hour.

Those enjoying the occasion were: Mr. and Mrs. Claiborne Bunnell, Fontaine and Lynn Dale of Waco, Mrs. Polly F. Shamblin of Amarillo, Mrs. Oscar Bunnell, Charlotte and Charles, Gatesville, Mr. and Mrs. J. N. Fegette and sons, David and Timothy, McGregor, Mr. and Mrs. Alton Bunnell, Lynda and Byron of Waco, Mr. and Mrs. J. D. Fegette, Gatesville, Mr. and Mrs. A. B. Williamson and Faye, Gatesville, Mr. and Mrs. Jnd Mrs. Joe F. Williamson and David, Gatesville, Mr. and Mrs. J. M. H. ISAM FRANKLIN ELAM

Isam Franklin Elam, died at the age of 72 at his home near Evant, August 23, 1947 at 9:35 p. m. His post office was Pearl, Texas.

He was born January 18, 1875 in Morgan county, Kentucky and his father was Jerry Elam, and his mother was the former Miss Nichols, both of Morgan county.

On September 12, 1902, he was married to the former Miss Norah Sebastian.

Services were held August 24, 1947 at 4:30 p. m. at the Church of Christ, Evant, with John Overby conducting the services, and Scott's in charge.

Surviving are his wife, Mrs. Nora Elam, four sons, Earl of Virginia, Floyd of Pearl, Clyde of Fort Worth, in the Army, and Jerry of Tokyo, Japan. There were six daughters, Mrs. C. L. Taylor of Corpus Christi, Mrs. L. L. Franks of Houston, Mrs. M. L. Mahan of Kempner, Mrs. Walter Schaub of Gatesville, Mrs. J. P. Whitson of Corpus Christi, and Mrs. George Stevenson of Johnson City. There were also 17 grandchildren and one great grandchild.

He had three brothers, R. E. Elam, Mathes, C. L. Elam, Pearl, J. T. Yates, Breckenridge.

Pallbearers were John Lacy, Otis Whitt, Charley Barkley, J. H. Bennett, Frank Shave, and J. D. Henderson.

THIRTY-FIVE HOPEFULS EXPECTED TO BE ON HAND SEPT. 1, FOR FOOTBALL

Opening the Fall, 1947 football season won't be long off, now, and Coach Loyd Mitchell has issued his call for sessions to start at 8 o'clock "September Morn", and there'll be another that evening along about 6, and these two sessions will utilize the coolest part of the day, if any.

Probably thirty-five hopefuls or more will answer the call, and it'll be practically a "letterless" or rather a "veteranless" eleven that is sent into battle against Killeen, which has a veeran team for the opener of the season.

This "opener" will have Coach Mitchell and the boys working doubly hard during these early season practice sessions, and boiling out the old frames that will be due to carry GHS colors on to gridiron fame this fall.

Belvin Gilmer, a starter of last year is the lone returning regular, but Jerry Freddie, George Dyingler, Clay Davis, Ross Vandiver and Joe Daniels all saw service, and will form the nucleus of the 1947 machine, and, with experienced boys from the "B" squads and Junior Hi's, like Gene Anderson, Coach Mitchell is just liable to whip up a machine that could mean trouble for 110 other boys on the ten games scheduled so far for the coming ten-week ends after school opens.

The schedule, which we ran once, (and told you to clip it for future reference—we didn't). Is as follows:

- September 12—Killeen
- September 19—Taylor
- September 26—Lampasas
- October 3—West
- October 10—Clifton
- October 14—Open
- October 31—La Vega
- November 7—Hamilton
- November 14—Open
- November 21—McGregor
- November 28—Cameron

* This little spot indicates the game will be played away from home.

13 Inning game Gets No Winner: Turnersville Crawford; at Crawford

Sunday's baseball games no doubt featured one for the books, when Crawford and Turnersville met head-on in a 13-inning set-to, and, nobody won. The count was 1-1.

TIME'S SHORT! TEAMS TIED! B-BALL SEASON GOIN'! TIME FOR TOURNAMENT: HOW 'BOUT 31.

We're not rushin' the monkey, but baseball season's gettin' fast over.

Here's the layout: Pearl and Evant have tied for 4th place in their leafue. So, there's a play-off to see who'll be in the play-off.

That comes Sunday. The loser will want to play in the Coryell County Playoff, and, the Winner, too.

They've a Sunday playoff in the Cowhouse Basin leavue that will last two or three Sundays, and if Coryell County's play off waited, it'd probably be nearly October 1 before ours was completed. That's football weather.

So, without haviny talked to Rabon Balch, County League Base Ball Czar, but, having talked to other teams and their players, those, not occupied want to go ahead with the local tournament.

Why not have Turnersville-Cor-yell City in the opener, Sunday, August 31 (one game only) instead of the double header planned, then which ever loses in the Cowhouse Basin League, could play the winner the following Sunday here. Then, if, and when the other Cor-yell County team was eliminated in the CHB League, then it could meet the winner of the second game here, and that'd finish the job.

There's that thing of crowds, especially locally. They'll diminish as the football season grows and it's going to grow, and soon.

Let's hear your opinion, but it seems like, due to the playoff in the CHB League, this is about the only thing to do.

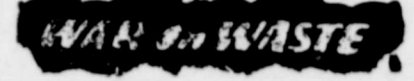

Czar Balch must take his examinations the week end of August 31, for the state referee and official, "license" and it will be impossible fo rhim to be present.

The game, played at Crawford, went for eleven scoreless innings, and only by the single route did either manage to put a man across the initial plate.

Watts and Tyler did most of the work for each team, and were assisted in receiving positions by Jones and Place.

Hits and other statistics were about even, Turnersville getting 6 hits and making 4 errors, and Crawford 4 hits and 2 errors.

There's certainly quality in baseball like this

Since V-J Day
THE EQUIVALENT OF A CITY OF 30,000 PEOPLE HAS BEEN ADDED TO OUR LINES

We're expanding and improving your electric service as rapidly as material shortages permit

If all of the 8,214 homes and business concerns added to our lines since V-J Day were concentrated in one location, they would equal a city of 30,000 population.

This expansion of our facilities—costing more than \$3,250,000—has been accomplished in the face of the most critical shortage of line materials, equipment and skilled workers in the history of the utility industry.

This shortage still exists two years after the war's end and is handicapping us in our efforts to extend electric service to more new users, and to make needed increases in capacity to take care of rapidly increasing loads.

Please rest assured, however, that we are doing everything we can to eliminate the bottlenecks. As fast as materials are received, they are being put into use to expand and improve your electric service.
