Scott's Airport Brings 2,500 Flight Fans In Sunday P. M. Show

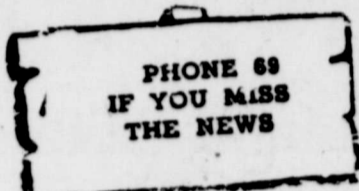

Scott Airport Airshow played to approximately 2,400 flight fans Sunday afternoon, and thrilled to the many events on the card, which included aerobatics, ribbon cutting, spot landings and other features.

Commercial instructor Dave Curry, thrilled the big crowd with his spine-tingling precision aerobatics. Curry's antics in a J-3 Piper Cub on how not to fly an airplane was the hit of the entire show.

Unfavorable winds kept the student pilots busy in their spot-landing contests, 1st- Buddy Biffle; 2d Dock Jackson; 3d J. Allen.

In the student pilot contest, first went to Douglas Frost; 2nd to Joe Boone; 3d to Rip Walker.

"Rats" Foote, rancher-flyer dropped a ribbon from his plane and Instructor Dave Curry cut it eleven times, beating his own 1941 record when he only whacked it seven times.

TURNERSVILLE NOSES CRAWFORD 1-0 IN 7-INNING FRAY

Coryell City safely shunted Evant to the cellar position in the Coryell County Baseball League Championship Tournament Sunday afternoon at 2 o'clock, and placed Turnersville and Coryell City in top billing for THE Game to be unreeled here Sunday afternoon, September 28 weather permitting.

In the CHB League, Purnela took theirs from the Indian Gap Boys by a 7-5 count with Curtis Smith, Purnela hurler striking out 12 Indian Gappers. They meet in the "Sugar game" at Star on the same evening, the 28th.

Going on with our own and a "score book account" shows Coryell City in the first stanza ran up three runs, Pete Giebler' V. Krepmin and Ira Westerfield tallying in that one.

In their 2nd, Giebler added another and Herman Richter got himself one. Ira Westerfield repeated in the third, and H. Richter did so in the fourth. Ira Westerfield counted also in the 5th.

In the other half of that inning P. Carswell and Mitchell Inabnet each counted for a tally.

The sixth was clear, and in the seventh R. B. Patterson for Evant made one. Then in the eighth

Herman Richter added his third, and in their half of the eighth, Junior Clifton of Evant added another.

In the ninth, Ira Westerfield got his fourth run of the evening, closing Coryell City's runs making ten in all. Evant, pushed across Junior Clifton and Marshall Inabnet for two more in their part of the ninth, their total being 6.

As for the statistics we can't decipher he score keepers record.

LOOKS LIKE 5-STAR SPORTS FINAL: WE REPORT IT. DON'T DO IT!

There might have been parties, wrecks, divorces or what not but we didn't hear about it. Maybe nobody visited you either. Anyway, this is all we could locate, and it looks like a 5-Star Sports Final.

Takes a lot more' a newspaper staff to make a newspaper. Takes you, too.

'One More, That's All': They Topped 'Ducks' 25-0 Here

IT WAS JUST A GAME: COUNTED NOTHING, BUT SHAPES UP, THINGS TO BE

Yes, the score was 25-0 Friday evening last, when the Hornets met the Ducks on a dry field here. The Hornets looked good; or did the Ducks look bad. When the chips are down, we'll know. And, as yet there's not a single "scalp" in the Hornet's belt. That's further down the line.

The Hornets demonstrated ability, especially in passing, but when the competition is keener, and they count more, even the passing might fail. One six-point, er, was made thru the line, but that was setup by a pass.

Defensive work of Gilmer, Freddie, Dysinger, Davis, Raburn Crawford stood out and Anderson, along with Gilmer seemed to be O. K. on taking Francis Davidson's hurling, when they were within a mile, which was nearly always the case. Price, defensively was good, but a slight injury slowed him up, and Vandiver looked better on running plays, and defense. Big Joe did about everything, including some passing.

Co-Captains Clay Davis and Belvin Gilmer, and Geo. Schultz and Freddie Buzan, went to the tossing act and Davis won, Hornets received, Ducks defended the north goal. It was on.

It happened fast; Daniels took on 20 stopped by Einiegal on 34, makes 2 at left, Stephens; Vandiver out of bounds by Buzan on 44, 3 yards; Daniels makes 1st D. Stephens; Davidson spins to Leshikar; Daniels 2, Buzan; Davidson makes 1st D.

Davidson passes to Anderson from 46, takes on 27, running over untouched; Dysinger's kick, bad.

Deavers in, Crawford out. Mc-

Carty gets Hornets kick on 7, goes to 35, fumbles, Leshikar gets. Schultz 3, at 3rd, R. Crawford; Wilkerson don't; Dysinger; Schultz to 47, Anderson & R. Crawford; Schultz drops, recovers, Dysinger 3 yd loss. Schultz hits C, 3yds, Anderson; Miller injured, Ripple in. Schultz run OOB by Daniels, 5 yds. Larry for Price. Schultz kicks over goal, red flag, Hornets lose 5. 1st D. Decks.

R. Crawford gets Schultz, 1 yd. Gilmer takes McCarty, red flag. Ducks lose 5. Freddie gets Schultz, 1 yd loss; Schroeder for McCarty; Schultz fakes pass, runs, 3 Hornets. McCarty in. Schroeder out. Anderson stops Schultz, ball goes over on own 38.

Vandiver makes 1, Stephens. Price for Larry. Vandiver fails; Davidson completes to Anderson on Duck 40, McCarty; a 50 yard pass and run. Davidson makes 1 after Vandiver is stopped by Leshikar; Davidson-Gilmer, pass goes to 19; Buzan. as quarter ends.

2nd Quarter

Gilmer carries at end, 1; Schroeder & Buzan; Daniels stopped by Leshikar, Stephens 1 yd. Price can't get Davidson's pass; batted by Schroeder; Schultz knocks next down, ball goes over on Hornet 17.

Schultz carries, R. Crawford. Freddie stops Buzan; then gets Schultz, 3 yds. Schultz kicks, low wabbly 20 yds. to Vandiver on Hornet 45. Daniels 4, Buzan; Daniels passes, Buzan intercepts on 30, returns 2. Anderson Gilmer. Wilkerson, 3 Anderson; Meyer in, Crawford out. Meyer nails Schultz, and he passes, Davidson gets on 43 returns to own 29, Ripple stops. Vandiver makes 3, Schultz. Buzan recovers Daniels' fumble on 26.

McCarty circles end, run out by Davis, Freddie on 27. Taylor fumbles on 20, Wilkerson recovers; Vandiver & Davis on 29; Schultz

kicks to Vandiver on 45, returns to Duck 49, McCarty and Leshikar.

Davidson passes, incomplete to Anderson, red flag both off side. Davidson, Gilmer pass, stopped by Arend on 39, measurement, 1st D.

Vandiver takes, Leshikar stops, after 4. Davidson completes to Anderson and he takes on the 20 and runs the remainder over, doing a nice bit of pace changing, cutting and dodging for the touchdown. Dysinger kicks, Vandiver holds, Buzan blocks.

Dysinger makes a wicket on the kickoff thru Schultz's legs, Schultz gets, stopped on 24, Gilmer; Anderson. Buzan injured. Bertrand for Price. Schultz 5, Anderson. McCarty, stopped by Larry; measurement; no. Schultz makes 1st D. Crawford & Davis.

Taylor's on 36. Bad pass from C. ball explodes, Daniel's recovers; ruling, Hornet ball on Duck 45. Davidson, Gilmer pass, Wilkerson stops. Price for Bertrand. Vandiver makes a beautiful run from 45 down the sideline to about 18, as the half ends. Hornets 12, Taylor 0.

Terracing Work Being Done On Many Farms In Coryell County

Wes Davidson, a cooperater of the Pecan Grove group, has completed 1 1/2 miles of channel type terrace and 750 feet of diversion terrace. These terraces were constructed by Hope Thompson with heavy equipment belonging to the Gatesville Public School. These terraces are some of the best constructed in this district. The Technicians of the Soil Conservation Service supervised construction.

Dr. Hamilton, a cooperater of the Pancake group, has completed 3.7 miles of large ridge type terraces and 1250 feet of diversion terraces. These terraces were constructed by heavy equipment belonging to Gatesville Public School.

Morris Flemming, a cooperater of the Gatesville community, living on the farm belonging to the Beal Estate has completed 1 1/2 miles of ridge type terraces. These terraces were constructed with heavy equipment belonging to P. Bone.

Lyman Scott and B. A. Herring, cooperaters of the Slater group, have each had 3/4 mile of large ridge type terraces constructed with a whirlwind terracer belonging to John Scott.

Homer Painter, a cooperater of the Osage community, is constructing 1 mile of channel type terraces with farm tractor and disk plows. These terraces are shaping up nicely and should be completed in a few days.

Several cooperaters of the district have been busy the past week planting Hairy Vetch. From now until October 15 is seeding time for Vetch, Winter Peas, Black Medic, Bur Clover and other winter growing legumes. Seed should be inoculated. Be sure to have ample moisture before planting to get seed up. This will prevent losing the benefits of the inoculant. Approximately 200 lbs. of phosphate to the acre should be used with these legumes. Winter legumes are good for supplemental pasture, soil builders, erosion control and at present are a good cash crop.

Sammie Harris of the Pearl

group began construction of large ridge type terraces for approximately 30 acres of cropland. These terraces are being constructed by contractor John Scott with a whirlwind terracer. Mr. Harris also has superphosphate fertilizer for crops of hairy vetch and hubam clover. He plans to seed 8 acres of hairy vetch and wheat and 40 acres of small grain with hubam clover.

You Takes Yer Choice

I am an American worker. If I decide I'd rather work and live in Schenectady, I can go there. Or Racine, or Spokane. If I want to, I can settle down and make the San Fernando Valley home. If I've been a machinist, but decide that the radio industry is the place for me, there are ways I can train myself to get into radio. If I want to drive a Diesel locomotive instead of a bus, I can go into railroading.

Nobody tells me I can't. I can try as many jobs as I like. If I don't like the job, I can walk out the door. When I find a job that suits me, I can work right up to be manager of the department or even president of the company, if I have the ability and the enterprise. If I want to start my own business and become an employer, I can do that, too.

Nobody Says "No"

In America nobody tells me I can't do all-these things. But if I lived in a totalitarian country, I would be told. A uniformed official would have the duty of telling me in what part of the country I could work. A representative of the State would inform me that I must train for a certain job. I would have no choice in the kind of job.

Being told to stay put, I would have little chance for advancement. My wages would be regulated entirely by the state, and there would be no redress of grievance. Leaving a job would be impossible. There would be no firing for unsatisfactory work. Instead, I could be thrown into a concentration camp or a slave labor battalion. There I would be taught completely how to become servant to the master, the State.

Is not this contrasting picture accurate? Yes, you agree. However, what you are probably thinking is that America can never become such a totalitarian state. Friend, we would have to ignore the history of the world to assume that such dangers do not confront America. When a nation is prosperous is just the moment that you may watch for decline to set in. We must be no less watchful because times are good. We cannot ignore danger signs.

Swap With Europe?

No American worker would want to swap places with the average European worker. Yet so many of us unhesitatingly accept ideas and methods that come right from the very countries that we have outperformed a hundred ways to breakfast. Not everything is bad simply because it originates in Russia or Europe, but it is time to look around and see that what we have puts totalitarian countries out of the running.

Yet, in a recent survey from a cross-section of 5,000 persons, 63 per cent of the college students and 43 per cent of the general population said they would get as much or more in America under government management and ownership of industries. In other words, a lot of folks apparently believe that state socialism or totalitarianism would be more efficient and more desirable than freedom of opportunity and freedom of the individual. How mistaken they are!

Wages and Baskets

A real basket of food, according to the American Federation of Labor, is a good unit to use in measuring income. That is, how many baskets of food will your wages buy? The Federation's "Monthly Survey" for July has put together some interesting figures comparing wages in America in 1940 with wages in Europe in 1940. These figures are in terms of baskets containing items for adequate nourishment. An American family of five would need about four of these baskets a day.

One hour's work by a factory worker in the United States in 1940, according to the A. F. of L., would buy 2.83 baskets. In Britain an hour of work would buy 1.26 baskets. In France, 1.11; in Germany, 1.02; in Italy, .65; and in Russia, only .40. This means that the American worker could buy with his wages seven times as much food as a Russian could with his in 1940.

Measure of Freedom

These figures are in keeping with personal observations in Europe in 1936 and again in 1946. The amount of food a worker could buy with his wages was in direct proportion to the amount of freedom that a worker enjoyed in his own country. Russia had the least individual freedom and the lowest wages. America had the most freedom and the highest wages.

More than 20 years of Communism in Russia, under a totalitarian state which owns and operates the tools of production, has failed to change the ratio in comparison with America. The "Monthly Survey" is right when it comments that history has proved that "free enterprise under a democratic form of government provides the highest living standards for workers." Workers are becoming aware that their best opportunities lie in preserving individual opportunity—freedom to own property and to create and operate an industry or business.

Threats Today

I fear, however, that the American public does not understand some of the threats being made upon this very essential factor in the American way of life. I am interested in seeing industry pay the highest possible wages. America must continue to provide the best for the most. But I see dangers threatening the very things that enable Americans to buy more baskets of food than the workers of any land.

1. High taxes are cutting off investment of new venture capital. This will prevent expansion and growth. New tools and new industries will not be available to provide jobs.

2. An extravagant federal budget continues to spend and to create inflation. This restrains men from venturing and investing.

3. Industrial relations are unsteady. This instability again makes capital afraid to venture.

Way to Confidence

Taxes must be lowered enough that the ordinary man can keep a larger percentage of his earnings, and so that men will be inspired to invest and venture into business enterprise. We need to overhaul the federal budget, to get rid of wasteful and inflationary government spending. We need firm but friendly industrial relations.

If these things were achieved, they could do much to preserve the essential ingredient of our system of high wages and high standards of living in this land of the free.

His father was John H. Holloway, and his mother was the former Miss Rachel C. Barefoot, also of Texas.

Services were held September 18, 1947 at 3 p. m. at the First Baptist church, interment was in Wood School House Cemetery, Rev. A. Loper conducting the services, Scott's in charge.

Surviving are his mother, Mrs. R. C. Holloway of Jonesboro, 4 brothers, J. B. M. of Monticello, Arkansas, Taft of Marietta, Okla. and Ragan of Marlin. Ralph is in the service.

Also 5 sisters, Mrs. M. O. Weaver of Jonesboro, Mrs. R. F. Robinson of Dallas, Mrs. W. J. Wallace of Jonesboro, Mrs. H. T. Wilhelf of Ames and Miss Eva Jeanne Holloway of Fort Worth.

MISS LILLIAN RUBARTH

Miss Lillian Rubarth, 71, died September 14 1947 at Lawton, Oklahoma, where she had lived for the past two years. She was formerly of the Purnela Arnett communities. She was born in Milam county.

Services were held September 16, 1947 at 2 p. m., at Scott's Funeral Home and Rev. A. Loper conducted the services. Interment was in the Masonic Cemetery, Scott's in charge.

Surviving are a brother, Dave S. Rubarth of Lawton, Okla., a sister Mrs. W. E. McMordie of Hamilton. Pallbearers were Lee Rubarth, Frank Rubarth, R. L. Pool, Joe Rubarth, Frances Johnson and Fred Bentley.

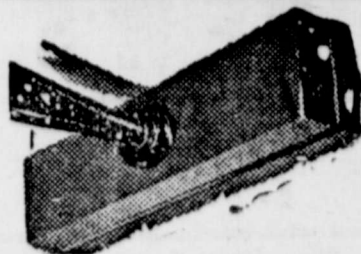

SUSIE A. STIFFELMEYER

Susie A. Stiffelmeyer, was born September 18, 1947 at Coryell Memorial Hospital, and died September 18, 1947 at 6:30 a. m.

She was the daughter of Mr. and Mrs. Charles Stiffelmeyer of Coryell City. Her mother was the former Miss Louise Graves of Gatesville.

Services were held September 18, 1947 at 4:30 p. m., at the grave side in Coryell cemetery.

When Your Back Hurts -

And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

GLAMOROUS MARY MARTIN, the Texas gal who soared to stage and screen fame, will star in the forthcoming mammoth production of the Broadway hit musical show, "Annie Get Your Gun," at the State Fair of Texas, October 4-19. She will play the role of Annie Oakley, famous sharpshooter of the Nineties. The State Fair is bringing this show to Texas at a fabulous cost exceeding \$200,000.

"B" Hornets Hold To 7-7 Tie Thursday Night

By Carl Bradley
 Last Thursday night under the lights the Hornet "B" team played the Holland Hornets to a 7-7 tie. It was a good game from the start to finish.

Charles Roberts of Gatesville kicked to Holland. During the first half neither team threatened to score.

The third quarter found Gatesville in possession of the ball in midfield. A pass from Roberts to Newton took them to the 30. Then another pass from Roberts to Wright took the Hornets to the 20, but there they bogged down. Two passes and a running play failed to gain. Then Kenneth Beverly, in the game for the first time, caught a pass in the end zone, again from Roberts, for our only score. Roberts added the extra point.

In the last six minutes of play, after the ball had been exchanged by a series of kicks, the Holland half-back intercepted a pass on the 25 yard line and over standing up. Their extra point was also good.

Wright and Roberts shared the honors for the Gatesville "B" team.

Starting line-up for Gatesville was: backs, Charles Woodward, Delmer Newman, Ernest Moore, Charles Roberts; ends, Bobby Wright, Frank Newton; tackle-Wayne Young, George Whitt; guards: J. C. Lina, Wheat; center Bruce Baize; Substitutes for the Gatesville "B" team were: Kenneth Truitt, Nevada Black, Kenneth Beverly, Homer Perryman, H. P. Brookshire, Jean Franks, Ranzell Meeks, Roland Lee, Edgar Sims and Bill Mac Thomson.

The Holland starting line-up was: backs, Barton; Trammel; Hoklerfield, McKinney; ends Mad-doy; Goodnight; tackles, Wender, Hendricks; guards: Crocker, Bar-bos.; center, Jones. The Holland substitutes were: Barts, Mosley; G. Wender; Ivicies and Gaines.

Officials: referee: Joe Skelton; head lineman, Bob Arnold; and timekeeper; Rabon Balch.

Junior High School Drops To Lampasas Juniors

By Carl Bradley
 The Gatesville Junior High football team played a large Lampasas team here last Thursday afternoon at two o'clock. The local team came out on the bottom of a 32-0 score. The Juniors

were greatly out-sized by the Lampasas boys, but despite their handicap they put up a great battle. We hope they will have better luck next time.

The following boys saw a great deal of action in the game: backs, David McGee, Charles Haverkamp, Robert Meeks, Skinner Boynton and Billy Anderson; line men, Bobby Chandler, B. T. Pat-terson, Willie Clyde Williams, Jack Tippitt, Bobby Curry, Hen-ley Tubbs, Clarence Murry, Thos. Rauschenburg, Joe Galloway, Howard Hitt, Kenneth Truitt, Ca-rothers, Roger Miller, John Ward and Truitt Spence.

The Junior High team attempt-ed one pass and completed one pass. Patterson and Meeks star-red for Gatesville in the game.

Lampasas, There!
 Here's last week's results we're worried about: La Vega 19, Mart 12; Itasca 35-Frost 0; Belton 19. McGregor 6, (that's bad for us, too); Clifton 13, Dublin 0, (Gotsa Clifton we hear); Lampasas 13. Killeen 0; Puts us 1 point under Lampasas, and we play THERE. That's enough!

In the SWC: Baylor 34-S F Austin 0; Aggies 48, Southwestern 0; Ark. 64-NW La. SC. 0; Texas 33- Tech 0; TCU 0, Kansas of KC 0; (played in driving rain, neither passed others 34 yd line)

The Hornets, with two scalps haven't done anything yet. Nei-ther counts. Technically, they've just been "racing their motors", but it does condition them for the Conference opener with West, October 3, which may be some-thing this year.

NEW ORLEANS, Sept. 22. (AP)—60-mile winds pro-duced from the storm which is expected to hit the Fort Meyer, area of Southern Florida tonight. The blow was said not dangerous.

Forty-three are known dead in the latest hurricane. Venomous snakes washed ashore on the Mississippi coast.

good and could be too good, espe-cially since we're playin' there. Baseball is still the order of the days right now, Sundays, and the cream of the crop will be rolled off next Sunday when Coryell City and Turnersville meet for the finals in the Coryell County Baseball Tournament Final.

It'd be oh, so nice, if Gatesville citizens would push in and make themselves conspicuous by their presence instead of conspicuous by their absence.

And incidently, we could use 3 good gatekeepers next Sabbath afternoon, but don't you P. S. citizens rush us to death.

CHOICE is the
 keynote of today's career

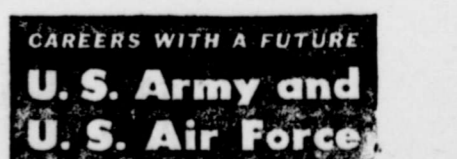

Would you go to Europe, Japan or Korea?
 Or would you stay near home? Any man who has had prior service in the Armed Forces may elect to do any of these things if he enlists in the Army now for 3 years or more. He can choose to be assigned directly to duty in Europe or with one of five famous Infantry divisions in the Far East. Or he may choose to be stationed near home for the first full year of his enlistment (where there are vacancies). Men with or without prior service may choose one of the famous combat divisions in Japan or Korea.

Would you select a career in aviation?
 This you can do, and be guaranteed the training you choose before you enlist! Only requirements beyond regular physical and mental examinations are that you be a high school graduate, or that you are in the Air Force and can qualify. It's today's great opportunity to write your own ticket in the Air Force.

Would you want to learn to fly? If you are single, 20 to 26½, and have had two or more years of college education or the equivalent, you can become an Aviation Cadet with the U. S. Air Force. Nowhere else can you get better training, for nowhere else is aviation advancing as fast or as far as in our own Air Force.

Would you go to a leadership school?
 If you have qualities of leadership, would you want to develop them to their fullest? U. S. Army Leadership Schools are now selecting likely candidates from servicemen to take these valuable courses.

The Army and Air Force are doing everything possible today to help each individual develop along the lines that he picks for himself. Army and Air Force training is thorough and take-home pay is better than most civilian jobs. Opportunities for advancement are wide open to every man in uniform. Make your choice today at our U. S. Army and Air Force Recruiting Station.
