Now that's 3 years oc "Children's Activ\_ ities" WE won't get to sell, and besides, there's a buck fifty commission for sellin' 3 years of it.

#### Gatesville 'B' Team 0; Chilton High School 13 In Game Thursday

The Gatesville High School 'B' team played the Chilton Cubs in a practice game here last Thursday night. The local team lost by a score of 13\_0. It was a very fast game or it seemed like it was by the way each team kept making long gains.

The Chilton team kicked off to start the game, and Roberts brot the ball back to the 30. After a series of plays hey were forced to kick. That's the way the whole first quarter and most of the second quarter went with each team being forced to kick upon receiving the ball. But in the closing minutes of the second qquarter Chilton pushed over their first score but failed to make the ex\_ tra point.

In the opening minutes of the second half the Hornets sparked by a long run by Charles Woodward reached the Cub 5 yd line, but were unable to carry the ball the remaining distance to the goal line. In the fourth quarter Chilton put the final touch by scoring another touchdown. Also they made the extra point making the final score 13-0 in favor of

No one player excelled in the game with them all playing a fine game all the way.

The officials for the game were John Franuk Post, Rabon Balch and Joe Skelton.

North Carolina over William & Mary; Rice to nip SMU; Vanderbilt to conk Kentucky; Georgia to beat Okla. Aggies; Alabama edging Tennessee; Duke to mace Maryland; Ohio State over Iowa; Georgia Tech over Auburn.

In their record of guesses, so far they've had 33 right, 13 wrong omitted in percentage.
