Largest Mesquite In World Is In Coryell County: More Later

Coryell County's pretty big in every way, but there are very few things that it's the Biggest in the World In!

One of these is a Mesquite tree! A special writer has dug up this fact, and we are in the process of getting complete information, picture, statistics, and other data that'll make Coryell County Lead The World in the Production of Something Else.

It ceded to in mules, and for a period, it lead all Texas in the production of oats.

Just have to dig those things out, and it's usual'y not a "local" that does these things, but somebody that's got the time and "expense account".

No "Blue Slip" Yet: Stork Has Done Duty In Cases, But, No Announcement

It'll be the 15th at 2 o'clock, which will be the dead-line for entries in the News-Merchants' Stork Derby Contest.

Already, things have happened, and the "Old Bird" has been besy, but, the Department of Vital Statistics, who furnish the "blue papers" (Birth Certificate) has not yet functioned.

But there might be another born way out in the edge of the county, and so we have to bide our time until all entries are in, because—well, who wants to "pay double" unless, of course, it was "twins" or worse?.

Anyway, the News and Merchants are ready, and here are a list of prizes offered:

McCown Jewelry Co., Mrs. J. B. Graves, Florist, Bill's Cafe, Jones boys, inc. ltd. & sally maude office supplies, Harold Ballard's Federated Store, Foster Drug, Skelton Bros. Theatres, Powell Supply Company, Morton Scott Housefurnisher, Coryell County News, Harold Doughty's Studio, and the National Bank of Gatesville, Modern Cleaners.

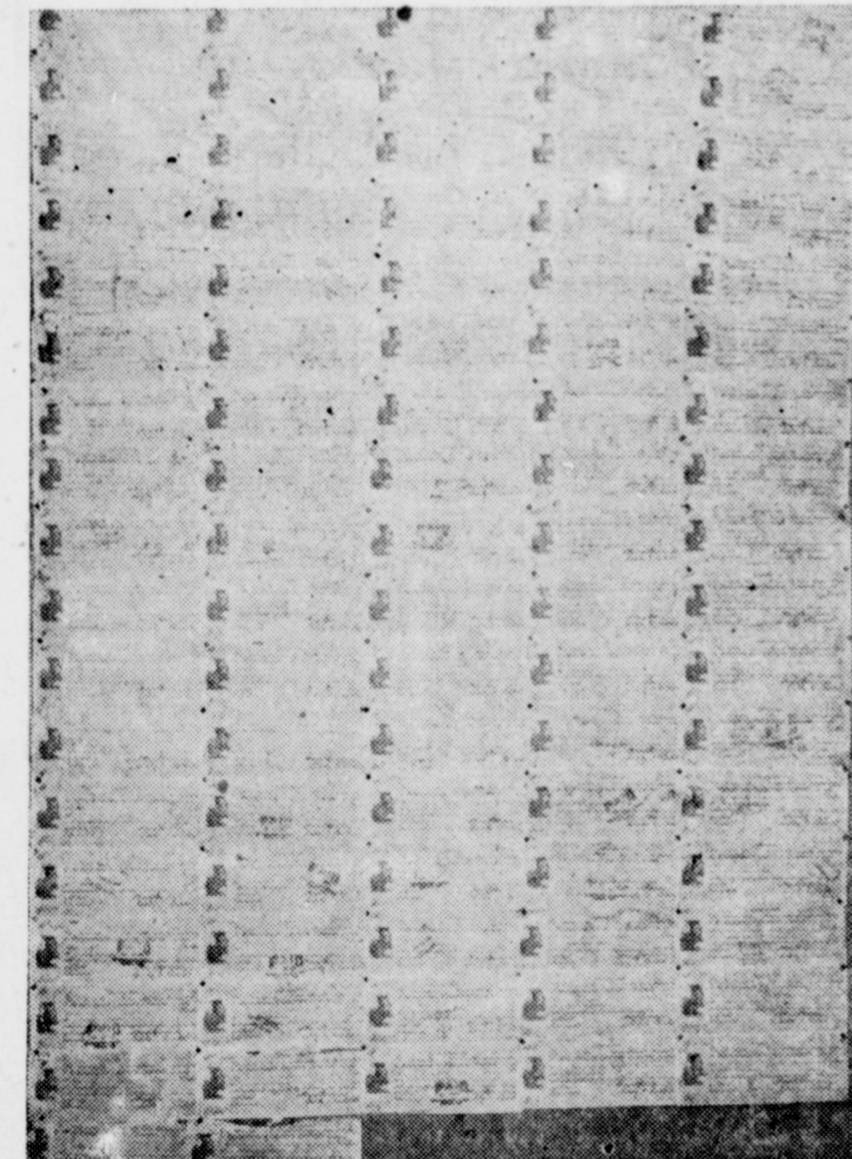

And for that bond, we have gone this far and have a few more to go yet, so that we can give the No. 1 bambino a \$25.00 Bond to start life on. Here are the ones with us so far: Community Public Service Company, Brown & Chambers Grocery and Market, J. A. Painter, Insurance, Arnold Electric Company, Gatesville Acto Supply, H. B. Schaub Milling & Grain Co., G. & M. Laundry, Gatesville Bottling Co., Arnold Electric Co., Ward's Jewelry. Reviewing our "alumni and Alumna" we see it this way. Gary Glenn Graff, Harvey Richardson, Vernon H. Wells, Joe Kermit Derrick and Ray Van Brown are the "alumni", and Sara Lynn Scott, Glenda Fay Blanchard, Joyce Marie Featherstone, Cynthia Ann York, Nancy Catherine Ferguson and Jenny Lou Harrington.

Well, it won't be long now?

Notes! Notes! Notes! Notes!

Yep, they're notes, and not "love notes", but the News loves 'em because, they're a'l PAID!

We've got a 125 more on our wall besides these—in fact, we've just about papered our walls with notes of one kind or another that we've had to pay to stay here.

Here are 87 that we tacked on

the wall, and had a photo taken of them in case the "jrent" burned, so that we'd have positive proof to Mr. Mergenthaler, that we'd paid him.

These are 87 notes that went to pay out our Linotype, a Model 31 Bluestreak, that started at \$40 plus interest, and went up to \$60, believe, plus interest.

The good part about the whole thing is, it's "ourn!"

HISTORY LESSON IN DOLLS

Mrs. Evelyn Green of Brewer, Maine, creates portrait dolls of famous personages. It's a sort of a specialty grow-

ing out of her hobby of making dolls that show the development of costume and style changes through the ages.

A number of Mrs. Green's 150-odd dolls are meticulously detailed copies of figures from great paintings. Among them—the painter Rubens and his wife; Mrs. Siddons, the great English actress, Madame Pompadour and Britain's Queen Mother Mary. The faces, modelled in water putty over a lamp bulb base, often bear striking resemblance to the portraits.

Mrs. Green, who is YWCA employment secretary at Bangor, uses real hair for her dolls' wigs, and often in making costumes uses the exact fabrics portrayed in the paintings from which she works.

Doll-making became Mrs. Green's hobby about 10 years ago, when her daughter, Rachel,

was at the age when little girls are devoted to dolls.

They started with foreign dolls and developed a series showing the development of dress throughout history—from the cave woman to today's college girl.

HOW TO HAVE A SHORT LIFE

Go out in the rain or snow in open-toed shoes, sheer nylons and a light dress.

Stenographers say it's done but I still don't believe any man can compose and dictate 90 words of prose in one minute and keep up the pace.

I love occasional travel but have only pity for steady travelers. Home seems good to me after a week anywhere.

Watch Your Kidneys
Help Them Cleanse the Blood of Harmful Body Waste
Your kidneys are constantly filtering waste matter from the bloodstream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.
Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength.
Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

It Takes Plenty Spine Not To Respect Cactus

DENVER, Colo.—(AP)—Fifteen residents of this area have formed the Denver Cactus and Succulent Society to foster greater appreciation of cacti.

"For one thing," says President Muriel Colburn, "the cactus should be respected because of its age. Besides cacti extracts are used extensively for heart stimulants."

Arizona and New Mexico Indians, Miss Colburn reveals, al-

so have discovered a joyful drink in the peyote cactus.

"It doesn't make them drunk" she explains, "but I understand it gives them visions."

The new organization has "more or less accepted as our motto" the following prose authored by Miss Colburn:

"I may get stuck with it; I'm sure to get stuck on it, but I intend to stick by it because I'm stuck on it."

Remember when taxes were negligible and you couldn't get ten percent on your money in the call market?

Plug in here.....

for today's biggest bargain ...

Maybe you're plugging in a percolator... or a washing machine... or a vacuum cleaner.

Whatever it is, you're getting a real bargain because, instead of going up, the average unit price of electricity has actually come down slightly since the start of the war.

The cost to you remains low because so far rising production costs have been offset by increased use of electricity coupled with sound business management.

Today, the average family served by this company is using 32% more electricity than in 1941, yet paying only 6% more for it.

That adds up to a real bargain anyway you look at it. So make full use of your electric service in 1948 and enjoy more comfort and leisure.

The offer came to the Paynes after Frederick wrote a

Oglesby Couple Are Married In Church Ceremony

The First Baptist Church of Oglesby on December 23 was the scene of a beautiful informal wedding uniting Miss Jo Ann Ridling, daughter of Mr. and Mrs. J. A. Ridling and Mr. James E. Sims, son of Mr. and Mrs. Clyde Sims of Oglesby.

Nuptial music was by Mrs. W. C. Layne. "Liebstraum" and "Melody of Love" were played preceding the ceremony.

brother, Pvt. Eugene W. Ridling of the U. S. Army Air Force, who gave her away.

The bride wore a sheer white wool dress and white flower hat, and carried a white Bible with satten streamers centered with a purple orchid. The traditional something old was a gold ring sixty years old belonging to her grandmother.

Miss Georgia McClendon, her maid of honor, wore a lovely dusty pink dress with brown accessories, and wore a carnation corsage of white.

The groom was attended by Jack Morris of Waco as best man.

Following the ceremony, a reception was held in the home of

the bride's parents, and Miss Anita Ross was at the guest book. Miss Clara V. Banister presided at the punch bowl while Miss Georgia McClendon served the cake.

Gatesville School Has New Heat Unit Installed

A new gas burner, equipped with an automatic control, was installed in the boiler located in the basement of the Gatesville Elementary School Building last week. This work was ordered by the City Council as a safety measure for the school heating plant. The gas was also riped outside the building as part of the project the old lines ran under the school. Cost of the complete job was about \$1,000.

If it weren't for paying taxes, many of us could pay our bills on time.

goops, however. There is the Miss Sshush type who never orders anything—because she is so considerate of her date's pile of gold. The only trouble is that when food is served she gets very hungry, bite by bite of course—the bites are all from somebody else's plates. A french fried potato here, a tomato there, a half sandwich from another victim and she's pretty full, though really "she's not hungry enough to order." The rest of the crowd get fed up—but not on food.

Particularly when he is with a group, a boy doesn't enjoy being made to look like a sissy. Girls who specialize in baby talk should save their childish prattle until they are alone with their heart-throb. He wouldn't like his best boy chum to get wind of this love chatter and spread it to the rest of the gang. So girls who want to keep their date bait better learn the tricks of the parade.

Happy New Year Kids,
VIVIAN.

TEEN TALK:

DEAR JUDY:
Hi, Pal, how's your Etiquette I. Q.?

A bunch of us damsels argued the whys and wherefores of the proper way to act when dating (1) solo (2) with a group and (3) blind date.

We decided that some girls make silly goons out of themselves when they try to impress the Jacksons, and they only succeed in putting the boys on their guard.

Our PET gripe is against the gal who tries to be super-girl with the boys. She spends the whole evening purring and being so agreeable about everything that she makes the other girls look like tigresses by comparison.

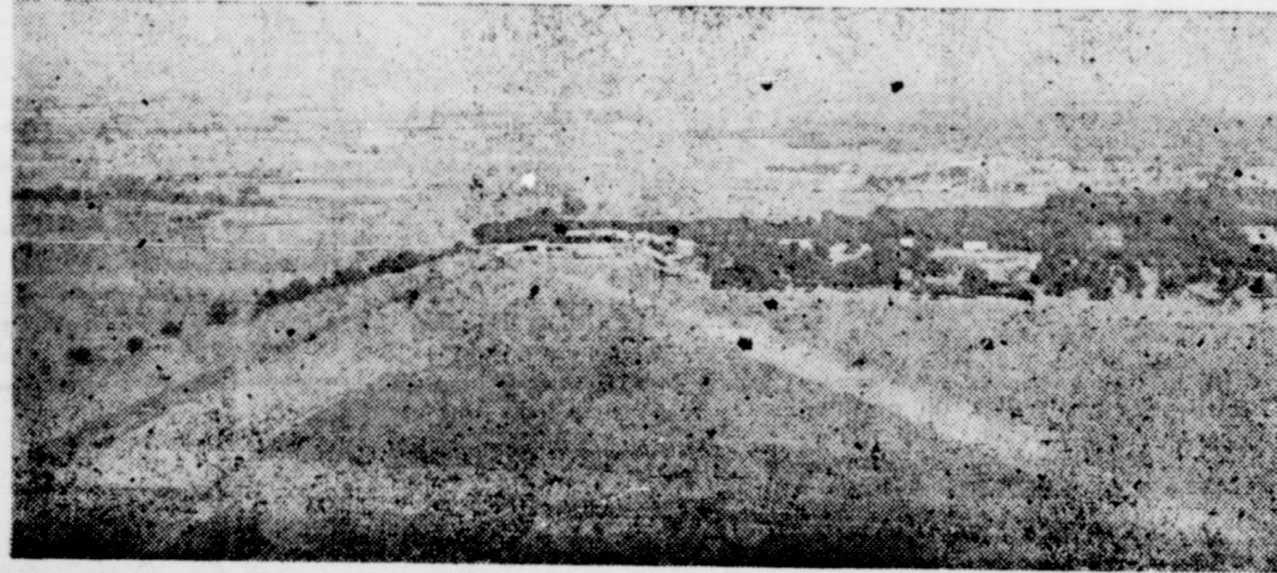

When the crowd stops for a snack, she makes a big project of acting as hostess. She will pick up lumps of sugar and plop 'em into her date's coffee or tea and treat him like a nincompoop. The kids decided that this fetching little sugar-dropped-into-the-coffee routine is stupid unless (1) the boy is mentally or physically unable to help himself (2) the couple is married (3) he asks her for help.

There is nothing sillier than seeing a big broad-shouldered hunk of man being treated like a paperweight. And rugged, virile he-men don't like the let-me-do-it-for-you-act, though the kids discovered that often it appeals to the not-so-rugged crew.

There are all kinds of silly

Mrs. B. A. Herring was hostess to the Club Ladies in her lovely new home with an all day meeting Wednesday, December 31.

At the noon hour a delicious dinner was served.

One quilt was quilted and other work done.

Those present were Mesdames J. B. Dickie, Otis Dickie, Ben Herring, Hardy Scott, Jim Saunders, Fred Dyer, Will Fowler, Lloyd Russell, Walter Foster, Curt Moore, Lum Stovall and Wayne Herring.

The Ladies will meet in an all day meeting with Mrs. Ben Herring on Wednesday, January 14. Each lady is asked to bring a prepared dish of food.

When you expect a smile but receive only a frown, it may be because she doesn't like your seeing her in un-attractive clothes or make-up. She prefers to be seen at her best, and wants to impress you in particular. You really rate high with her in such a case.

Nearly always it's more fun to be a guest than to entertain a guest.

Hornets Lose to Brownwood In Basketball Tourney

Gatesville High School Hornets lost out in the Brownwood Basketball tournament Saturday to a scrapping Olney team, by a close score, with Olney winning 38-35. Olney then went on to become the champions of the tournament put on by Howard-Payne College, by defeating Brownwood 43-32 (Brownwood had beaten Waco High in the semi-finals, 35-28).

Gatesville won the first round play-off from Ballinger 25-23. The Hornets led all the game until the last minute of the game, when a Ballinger boy got loose and tied the score, 23-23. Gene Anderson then made a sensational shot from the sideline as the final whistle blew, thus winning the game for Gatesville.

In the quarter-final game between Breckenridge and Gatesville we overwhelmed Breckenridge 29-19. It was a better game than the score indicates, as the score was tied at the half 5 and 5. The Hornets simply outclassed Breckenridge the last half, both in strategy and fight.

The boys making the trip with Coaches Lloyd Mitchell and O. D. Bates were: Gene Anderson, Clint Bertrand, Kirby Crawford, Francis Davidson, Belvin Gilmer, Bill McIlroy, Bobby Wright, Clay Davis, Bill Bradley, Wayne Price, Edgar Sims and Red Dysinger. Jerry Fredde and Glenn Deavers accompanied the team as managers.

This Week's Schedule

Tonight, Tuesday—Gatesville vs Waco State Home, here.

Wednesday—Gatesville vs. Lorena, here.

Thursday—Gatesville vs. Belton at Lampasas Tournament.

Friday—Gatesville vs Clifton, here, (conference game).

Fairy Girls Win 37-34: Jonesboro Upsets Pearl 33-31 In Jonesboro Play

Jonesboro high school boys, playing in the finals of the Jonesboro invitation tournament Saturday night, sprung a surprise and mowed down, slightly, a highly rated, and not too highly rated, Pearl Dragon quintet and took the male part of the tournament honors, 33-31.

Fairy girls, starting off with a bang, and leading all the way, pushed Oglesby's lassies out of the tournament for top honors, but the Oglesbians were creeping up on them and the whistle blew too soon, leaving the locals on the short end of 37-34.

It was one of the warmest evenings of basket ball in recent years, and the Jonesboro upset was as bad as TCU taking SMU. It just wasn't supposed to happen

Here's Results of Jonesboro Tournament Until Saturday Night

Jonesboro High School's Annual Invitation Tournament got under way Thursday night, and opened with Jonesboro boys stopping the lads from Oglesby 30-12. Turnersville boys stopped the Waco Methodist Home, 27-17 and Oglesby Lassies put Turnersville out of the running in a close one 22-21.

Friday evening's games were: Fairy girls 21, Pearl girls 12, and Jonesboro boys 24, Turnersville boys 21.

These, according to Tournament conductor P. T. Lemmons of Jonesboro high school, and he will probably send us the Saturday night's games, the tournament winners, consolation winners, and the All-Tournament teams, boys and girls. Hope so!

Visitors in Mr. and Mrs. Ernest Woodson's home during the holidays were: Mr. and Mrs. Johnnie Woodson and daughter of Houston; Mr. and Mrs. Jack Davis, Mr. and Mrs. Jim Adkinson of Overton; Mr. and Mrs. Juber Gates and daughter, and Mr. and

GETS DEER WITH A STONE

George Herndon, rancher of near Uvalde, is shown above with a live deer he captured with the help of a stone. Herndon was

driving near his ranch early on Dec. 27 when he came upon the deer in the road. It didn't move and he got out of his car, picked up a rock and threw it, hitting

the deer between the eyes and knocking it unconscious. Herndon then tied the deer's legs and took it into Uvalde. (AP) photo.
