

All brightened, up yesterday!

Down in the dumps again today... Was a short Spring, but this is March, and there's no need of figuring on Spring, baseball, swimming, sunning, working out side, or else, or else, until the latter part of this Lion-Lamb month.

But, the "lamb" had a time yesterday. Saw more fishing poles, cars loaded and ready to go, flying, baseball practice, and everything outdoors, including a couple of beautiful high school lassies in shorts going for a fling on the tennis court.

It was one of those days, and even tho., we had income tax to work on, Sam just had to wait, and we got out and soaked up as much of the sunshine as was possible in the short, short Sunday afternoon.

Well, to other fields. The City election id going to prove, well, we don't know, but there is only one contested race. The mayoralty race. It includes the incumbent Mayor Kermit R. Jones and J. M. Witcher. The angles. We don't know. We never announced neither, so, you'll have to ask someone else

Besides all this we've a beautiful folder on San Antonio's Fiesta de San Jacinto, an unusual celebration which comes off in the Alamo City April 19 thru 25th. These "unusual" celebrations get "free plugs" whereas the mine run celebrations have to buy theirs. Q. E. D. or one of those old geometrical "30's."

Our next meeting will be with Mrs. Floyd Kemp, March 16th.

### Community News

We are all in deep mourning over the passing of Calvin Blair. Liberty's "Grand Old Man" or "Uncle Cal" as he was affectionately called, had done more than any other one individual to make this community a better place in which to live. Besides appreciating the sterling character of this fine Christian man, the people in this community re everlastingly grateful for his unceasing philanthropic activities. In spite of their wealth and success, Mr. and Mrs. Blair never forgot their poor and unfortunate neighbors or the underprivileged children about them. For sixty-eight years, Uncle Call has been the bulwark of security for this locality. He used his own resources to lift mortgages, advance down payments on homes, pay hospital bills, burial expnses and often give food and clothing to the less fortunate.

We extend deep and sincere sympathy to the bereaved family.

We learn with sorrow of the death of one of Liberty's former citizens, Mrs. Fritz Kreuger. She, with her family, resided for a number of years in this locality. "Aunt Sophie", as we kenw her, was a thrifty, capable homemaker, a good neighbor, a devoted wife and mother. The bereaved have our deepest sympathy.

Fred Hartgraves, who recently underwent surgery at the Hamilton Sanatorium is home again and doing fine.

E. O. Elam, who had a major operation at McCloskey V A Hospital, is expected home this week. He and everyone who knows, praise the work of the hospital staff, the Red Cross and the American Legion. If more people could see these two organizations at work there would be many more contributions to their cause.

Mrs. A D Meissner fell and broke her arm recently. She is on the road to recovery.

Mr. and Mrs. Hill Parrish, Jackie Ben, Mr. and Mrs. Kent Parrish and son, Mr. and Mrs. Bob Calhoun and daughter, Miss Ibero, motored to Dublin to share in a birthday dinner with Mrs. Schley Calhoun, the former Kitty Parrish of this community.

### Bridge Washed Out

We regret to report that the recent flash flood in this vicinity washed out, not only the Billingsley Bridge, but also its support-

ing abutments. Since this is the third time this bridge has washed out, people here fully realize that this location is not a safe or favorable one. A bridge across the Cowhouse is a must for this locality, as the high school education of our young people and those of the Ireland community depend upon it.

Parents are expressing thankfulness that the collapse did not occur while the bus was on the ridge. The taxpayers and contributors feel sure that our commissioners will locate the bridge at the best location according to their judgment. We ask them to take these facts into consideration:

1. Already over \$800 has been donated for the Jones-Onstott concrete bridge. Also a lot of free labor has been pledged.

2. The Jones-Onstott location gives us a much shorter and better bus road to our High School in Evant.

3. This location is only about a mile up stream and it has these

advantages:

A. Banks on each side are almost on a level.

B. There is no sharp curve of the creek just above this location to force the water into a swift wash against either bank.

C. The creek is not so narrow and swift.

D. This location is right where the roads from Evant, Liberty and Hamilton converge.

It is regretfully true that some of our neighbors will be somewhat cut off from us with the selection of either site. However, none of them across from the old bridge site attended church or school on this side.

Again we ask our commissioners to give careful and unbiased attention to the advantages and disadvantages of each location, and to make decisions accordingly.

Here's hoping we soon have a more substantial structure built at a safer location. This is not only the wish of yours truly, but of a majority of the people concerned.—By Bess Brown.

## Miss Joyce Marie Curry Became Bride Of Kenneth Martin Wallace in Waco Rites

Miss Joyce Marie Curry, daughter of Mr. and Mrs. P. W. Curry of Austin, became the bride of Kenneth Martin Wallace, son of Mr. and Mrs. C. H. Wallace of Gatesville, in a candlelight ceremony at Cottonwood Baptist Church Thursday evening. Rev. O. C. Crow of Austin reading rites with Rev. J. R. Wyatt of Cottonwood assisting. Palms, ferns and a fan-shaped arrangement of white gladioli, flanked by candelabra and large baskets of gladioli, decorated the aisle pews. Sid Fisher of Austin played organ music and accompanied William Blankenship of Gatesville, soloist.

The bride was given in marriage by her father. She wore a white chantilly lace gown fashioned after a Rembrandt painting with tight bodice buttoned down the front, baby collar outlined with seed pearls, bouffant skirt and sweeping train. Her veil fell from a three-tiered illusion halo bordered with seed pearls. Her bouquet was lily of the valley and orchid in semi-colonial fashion with cascade effect.

Miss Betty Bryson of Corsicana was maid of honor; Mrs. C. H. Wallace, Jr. of Beaumont, matron of honor; Misses Doris Gummelt, Rowena Henkel, Lorraine Gummelt, Franke Shaw, Mrs. Edwin Gummelt, bridesmaids; Miss Shirley Nehring, junior bridesmaid. They wore identical dresses of white gros de Londres with basque effect, bustle bows at the rear, and off-the-shoulder yokes. Their petite hats were tufts of maline and scarlet carnations, their flowers carnations in the same color.

For the double-ring ceremony, Carol Gummelt, dressed in miniature replica of bridesmaids, costumes.

and Larry Charles Tindell carried the rings in colonial bouquets of white roses and on a white satin pillow, respectively. The pillow had been used in the wedding of the bride's parents. C. H. Wallace, Jr. of Beaumont, brother of the bridegroom, was best man, with Seaborn Ashby, Billy Clay McClellan, Clyde Thompson, James Reid Powell of Gatesville, groomsmen. Ushers were Giles Kincannon, Claude Kincannon, Jr. of Waco, Jack Trail of Ferris, Aubrey L. Smith of Munday.

At a wedding reception in the assembly room of the church, the bride's table bore a white organ-die skirted cover, outlined with garlands of smilax and an interlocking double heart cake edged with white maline on a large reflector centering it. White sweet peas and candytuft were banked around it, and as the bridal couple cut it, wedding music played from a tiny music box concealed underneath. Mesdames Claude Kincannon and W. B. Marsteller served the cake, Mesdames Theodore Nehring and Vernon Ekрут punch, Mrs. William E. Marsteller and Miss Betty Gummelt presided at the bride's book, Mesdames Walter Gummelt, Clifton Kramer, James Curry at the Gift table. Others assisting were Mesdames C. C. The couple will live at 2522 Franklin on returning from their bridal trip. Mrs. Wallace wore a powder blue suit with cinnamon accessories and orchid corsage for traveling. She is to receive her A. B. in psychology from Baylor in June. Mr. Wallace, Navy veteran, is also a Baylor Senior and

FRANCES DEMOND, MEZZO-SOPRANNO, IS FINAL NUMBER OF SERIES OF FIVE CONCEPTS PRESENTED BY CORYELL MUNICIPAL CONCERT ASSN.

Frances DeMond, mezzo-soprano who will appear here as the final attraction of this season's concert series sponsored by Coryell Municipal Concert Association, is nothing short of sensational!

Miss DeMond's life could well supply the plot for a Hollywood scenario. A victim of poliomyelitis at the age of nine, her undaunted courage and tremendous will to express herself thru music carried her into an intense study of piano in which she became thoroughly accomplished. Only a comparatively few years

ago, after repeated admonitions from her music associates, did Miss DeMond begin to take her magnificent voice seriously.

Frances DeMond has been endorsed by such outstanding personalities as John Charles Thomas, Marion Anderson, Rise Stevens and Lily Pons, all of whom were unstinting in their praise.

Ethel Lenginski, famed woman conductor of the Chicago Opera Company, heard Miss DeMond sing and then stated: "Only two strong crutches rob this great artist of the plaudits of New York's Metropolitan opera au-

diences. Were it not for her steel braces, this queen of song would be playing Madam Butterfly and Mignon within a year."

William Z. Rozan, who has presented the artists in concert here this season, promises that the Coryell County and Gatesville audience will experience a musical thrill at the glowing warmth of Miss DeMond's rich voice projected by her amazing range.

The Frances DeMond concert will be held at City Auditorium at eight o'clock in the evening, Monday, April 12.

will enter Baylor Dental School in Dallas in September. A large number of out-of-town guests attended the ceremony.

### "The Old Pricilla Club" Being Reorganized With Mrs. George Wymer

The afternoon passed away very quickly while everyone pieced blocks and recalled by-gone days.

After an appetizing refreshment plate consisting of cake and coffee was served, the meeting adjourned and will meet with Mrs. Floyd Blanchard, March 17. Visitors are welcome.—Mrs. Lonnie Flentge.

PAINLESS DENTISTRY  
FOR THE KIDS

DENVER, Colo.—(AP)—Parents suffering from "dental despair"—or how to get Junior to go to a dentist and when there not make life miserable for everyone concerned—should take heart.

There are ways to make 'em like it—well, anyway, NOT to be quite so opposed. For instance, Dr. D. D. Dreiling of Junction City, Kans., gives them a "prescription" after doing his work.

"It's always made out to the drugstore below my office, and it calls for one ice cream cone," he explained while attending a Denver convention of dentists.

"They charge it to me downstairs and the kids aren't scared to come back the next time."

Others also had ideas in a session on "How to Keep Your Child From Fearing the Dentist." Dr. Ben Kletzky of Denver says:

"Have the child become acquainted with a dentist right after he has his baby teeth. Any examination at such time usually is painless. The child can familiarize himself with the instruments, and eventually realize for himself that the first visit didn't hurt. Then he won't dread the next one."

NAGGING BACKACHE

May Warn of Disordered Kidney Action. Don't Neglect It!

Modern life with its ceaseless hurry and worry, irregular habits, improper eating and drinking, exposure, contagion, whatnot, keeps doctors busy, hospitals crowded. The after effects are disturbing to the kidneys and oftentimes people suffer without knowing that disordered kidney action may cause the trouble. After colds, fever and similar ills there is an increase of body impurities the kidneys must filter from the blood. If the kidneys are overtaxed and fail to remove excess acid and other harmful waste, there is poisoning of the whole system.

THE REASON DOAN'S ARE FAMOUS All over the country grateful people tell others: "Doan's have helped me; I recommend them to you." That is why we say, Ask your neighbor!

Symptoms of disturbed kidney function may be nagging backache, persistent headache, dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of strength and energy. Other signs of kidney or bladder disturbance sometimes are burning, scanty or too frequent urination. In such cases it is better to rely on a medicine that has won world-wide approval than on something less favorably known. Use Doan's Pills. They have been winning new friends for more than forty years. Be sure to get Doan's. Sold at all drug stores.

Fairy Tales for Grown-Ups

Ever hear of grown-ups believing in fairy tales? Well, perhaps not Cinderella or Jack and the Beanstalk. But when it comes to the economic "facts of life," it is amazing what some folks will accept instead of facts.

One tale of economic nonsense, usually going the rounds, has it that industry is rolling in money and making exorbitant profits. Usually, industry (erstwhile known as "big business" and "bloated capitalists") is the villain. These uncalculated-for profits are literally squeezed out of the consumers and the workers, and piled up somewhere by the "soulless corporation," like so much gold guarded by a fire-breathing dragon.

We could go on. But see what I mean? It is high time somebody got a true-to-life story started that shows what our system of free investment and free enterprise has done for the people of this country.

How Much Profit? National polls, not too long ago, found workers thinking generally that business makes from 25 to 50 per cent profit. Surveys among labor union members have found the workers thinking that 10 per cent profit on sales would be about right. Even a government booklet prepared for veterans says "A business . . . should make at least 10 per cent profit clear." Well, fairy tales to the contrary, one statistician shows that actually business makes on the average only 2.9 per cent profit on sales volume.

Some businesses make less and some make more. In 17 years of sales, the Republic Steel Corporation has made 2 per cent on the company's sales to customers. General Electric has figured its average for 30 years at only 8.9 per cent. You see, it just so happens that industry gets far less than the 10 per cent that everybody seems to think would be fair.

Best Incentive. But we have been taking a lot for granted! Nobody has shown, fairy tale fashion, why it would be so bad if industry were making a better profit. Actually, nothing would be bad about it. It is good for the welfare of the nation, for the consumer, for the worker, for everybody — if industry makes a good profit. Only if industry makes a fair profit, can we expect plant expansion and more jobs.

Republic Steel, already mentioned, divided each dollar that it had for owners and the workers in 1946. The workers got 91 cents. The owners got 4 cents in dividends, and 5 cents was plowed back into the business. Without profit there's not a chance for good wages to continue. Without dividends, there's no attraction to new venture capital. New investments are important to the welfare of everyone. We need prosperous industries. Yet, who wants to invest hard-earned dollars in a business that can't make a profit? Active production lines, in industries that can show a profit, are the basis of America's prosperity and high standard of living. Profit is our best incentive.

## When Your Back Hurts -

And Your Strength and Energy is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and exhausted when the kidneys fail to remove poisons and other waste matter from the blood.

You may suffer nagging headaches, rheumatic pains, backaches, stiffness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.
