Still crowded! Carnival 29th & 30th. La Vega nite of 28th. News-Mirror Trophy in window. Last chance Saturday for Concert Association Memberships. Otto school explosion gets 6. Gona vote soon. Otherwise, isn't anything doin' around here. Dorothy Culbertson temporarily in C of C office. C. of C. got out feelers for new manager. Still dry, hope for much moisture when we see Brooks, but worser, for grass for stock, water for stock, water for grain. Water, water, water, is principally what we need!

Said a lot so far, and that's today's.

Hornets Get Test of Careers Thursday Evening When They Invade Lair of La Vega Pirates!

This is the payoff, the PAYOFF in capital letters! Gatesville High School Hornets are going to have a strain this coming Thursday evening!

LA VEGA PIRATES!
Everybody knows, La Vega, included, it'll be the battle of the season, and the main thing the Hornets are going to have to do is to put a halter on Mr. Brooks, or, halt him somehow. We believe Coach Lloyd Mitchell's got a way, and at the opening of 'the season, GHS was expected to finish the season just about like Baylor University was predicted to

win. Look at 'em both! They've already done far more than anybody expected, and the chances are.....! Yep, the chances are....., and if that guy Brooks is carefully stashed away, who knows but that the GHS Hornets will come out on the big end of the horn. Results are no results, it's going to be a crucial game, and with the Hornets not getting out of the West Trojan Melee too good, it looks a little bit worse, and added to this, is the shortening of the preparatory season (three days- by the fact that the Carnival comes off Friday and Saturday nights, the game being pushed back one day on account of this, they tell us

Concert Season Drive Definitely Closes Saturday Evening

That's the final day of the drive for memberships to the Coryell Municipal Concert Association, which is scheduled to bring the Dallas Symphony Orchestra, Earle Spicer and Dorothy Kendrick for

EARLE SPICER

the 1948-49 concert season in Gatesville.

The Concert Association was advised to this effect Saturday morning.

The Symphony, which incidentally, appeared last night in Stephenville, has 80 scheduled concerts for their season, and many more towns being turned down for its appearances.

The membership drive has gathered some \$1200 and is still short approximately 1800 which would give the complete program. Most were sold on the basis of The Dallas Symphony Orchestra, and this alone can not be presented, tax, stage enlargement, and the orchestra fee for less than two thousand dollars.

News-Mirror's Trophy In Florist's Window

Nothing can "shade" the Gatesville-McGregor game, not even the News-Mirror Trophy, which has all the scores from 1920 to 1947 engraved on a plate on the base, which is on display in the window of Mrs. J. B. Graves, Florist.

It's been over and Doughty Studio has "shot it" for the records, and all that waits is the whistle come November 19 to decide where it will reside for the coming year.

The trophy was made possible jointly by the McGregor Mirror and The Coryell County News, and each winning team will take it to their town and turn it over to the editor of the respective newspaper.

The News is already having a trophy case made with the expectation of never letting it appear in McGregor, but we probably won't have much to do with that, and Charlie Hall, could have it soon!

Just depends on two foot ball teams!

Come by and see it!

Mr. and Mrs. J. M. Burleson and daughter Penny of Austin, were week end visitors in the homes of Mr. and Mrs. J. W. Burleson and E. L. Stewart.

so well. Davidson has been whammed around and i snot too well, Collins is still taking care of a fractured hand, and little Painter, got some rough treatment on Friday evening, as well as did some of the others with the "internationalists" at West.

On paper, the teams are about on a par. West tied McGregor 6-6 and La Vega tripped West at about the same score that Gatesville did, but the margin of error, and or, correction, is one fleet back, by the name of Brooks.

So it Broks no evil, that if the Hornets win this and keep their percentage clean, they're going to have to cross the Brook so to speak, and so far, ask anybody that's seen this boy go, it's no mean achievement.

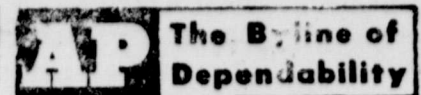

We, however, still have faith in one Coach loyd Mitchell, Lbut, even he cannot do the impossible.

See you Thursday night in La Vega. You'll get Friday's News, sometime after 12 Friday morning, durnit!

Besides, the Concert Association has told the patrons there would be, if anything, two other concerts, and all this takes around \$3,000.00 to bring to Gatesville. If only a part was presented, that prorata par tof the memberships would have to be refunded.

This, therefore, is the last call. If you've planned to buy, get your memberships THIS WEEK from Mrs. William Culbert, Mrs. Sherri Kendrick, Mrs. Pete Patterson, Mrs. Dawson Cooper, Mrs. E. G. Beerwinkle r Mrs. A. W. Ellis, or some of their various committees.

Quite a few have "promised" or otherwise indicated they'd like memberships, and they are still available, and will be, until Sat-

A-Bomb Not Decisive

WASHINGTON, D. C. Oct. 25. (AP)—The nation's military planners say the atomic bomb may not be decisive in a possible future war. They are relying on conventional weapons also.

OGLESBY STOPS 6-MAN TURNERSVILLE CLUB 44-0 AT OGLESBY

Perry Weiss accounted for 36 of Oglesby Hi's 6-man defeat of Turnersville, and Charles Terry got 6, Charles Lam 2, Thomas Ross, Marvin Faubion and Robert Guthrie played their usual fine games.

Other Oglesbians were Gerald and Ernest Roberts, Royce Pennington, Neely Walker and Hollis Wiggins.

Jones Stood out for Turnersville.

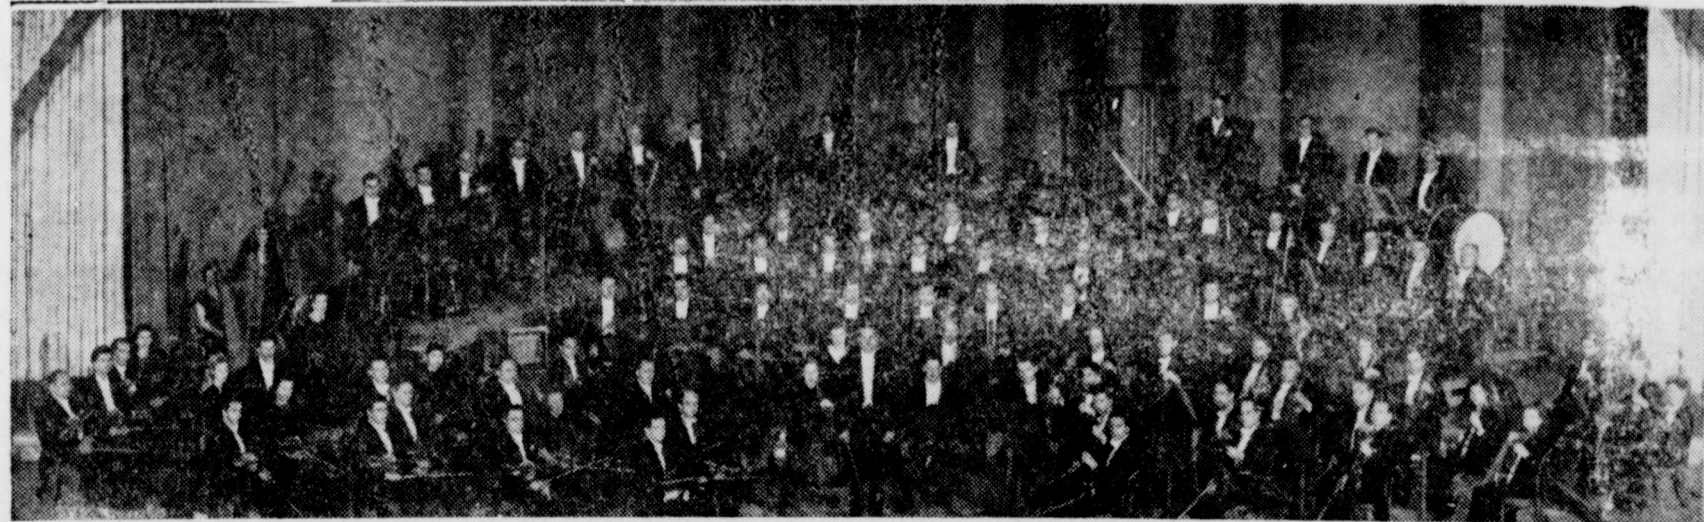

It's a do or don't proposition, and the town and county have been thoroly canvassed.

It's down to this: To concert, or not to concert, is the question!

Gatesville Jr. Hornets Are Routed By West Jr. Trojans, 19-0

The first touchdown came when Snelson swept right end for 10 and goes over standing, extra conversion was good.

The third came when Snelson runs through center for 70 yards. They don't make extra, blocked by Guimoron.

The second one came when Tednich swept right end, didn't make extra marker, blocked by Naylor.

Anything tried by Gatesville didn't work. Even the hide out play didn't work, but the Hornets didn't do so bad as they did with West before.

Well, statisticaly the first downs were: Gatesville, 3; West, 11.

Outstanding for Gatesville was Guimoron and Jones. For West: Tednich and Snelson.

The starting lineup looked like this:

Gatesville	pos	West
Jones	B	Selman
Jackson	B	Coffee
Sexton	H	Snelson
Guimoron	H	Zapalachi
Mitchell	C	Smatrola
Meeks	G	Willis
Lovejoy	G	Harris
Taylor	T	Nelson
Nunnely	T	Podsenki
Walker	E	Clarke
Sellers	E	Busby

The Texas Poll

The Statewide Survey of Public Opinion

By **JOE BELDEN**,
Director, The Texas Poll

AUSTIN, Texas, Oct. 23.—The hottest political fights in Texas are usually between "liberals" and "conservatives".

In Fort Worth, liberals won control of the Democratic Party Convention and booted out conservative delegations who were bent on scuttling Truman's chances in Texas.

Liberals claimed another victory when Lyndon Johnson won the Democratic nomination for U. S. Senator over Coke Stevenson.

In view of the intense heat that is often generated in fights between "liberals" and "conservatives", it is interesting to note that only half of the voters march under these political banners. To the other half of the electorate, it doesn't make much difference whether a candidate is labeled "conservative" or "liberal".

This finding is based on a statewide survey by The Texas Poll in which a cross section of 1,500 voters was asked:

"As a general rule, do you personally favor candidates who are classed as liberals or conservatives, or does it make much difference to you?"

For Liberals.....18%
For Conservatives.....30

A study of the views of "liberals" and "conservative" voters reveals:

1. Liberals are backing Truman for President by a two-thirds majority, while less than half of the conservatives have made up their minds to support Truman.

2. Large majorities of both liberals and conservatives are inclined to feel that government regulation of labor unions should not be relaxed.

3. As groups, both liberals and conservatives are about equally anti-isolationist in foreign policy.

4. Most voters in both groups look upon Lyndon Johnson as a liberal and Coke Stevenson as a conservative. However, there is an indication that conservative voters are not so sure that Johnson is a liberal.

In its study of the views of liberals and conservatives, The Texas Poll asked these questions:

"For President of the United States, do you favor Thomas Dewey, Harry Truman, Henry Wallace or Strom Thurmond?"

TEEN NEWS

TALK:

GOBLINS .. Spooks .. witches .. owls. Hallowe'en is a perfect eve for a party.

Make your own invitations of orange or black paper with contrasting orange or black ink used to write the message. Cut paper in the form of a cat or witch or skeleton or owl.

Rhyme the invitation. Here's an idea or make up an intriguing one of your own:

Harness your broom....
Sweep away
To Katie's house
On that spooky day.

Hallowe'en eve .. 7 o'clock.

Make things as eerie as possible for your guests. Put out the house lights until all the guests have arrived. Prop up a carved-out pumpkin on a broom-stick and place it in a big pot of soil or the garden. Place a lantern in the hollow of the pumpkin so the light will shine through the cut-out features.

The perfect hallowe'en party game is "Witches Hunt". Prepare a list of things to be found such as: A bag of bones; witch's tooth garden gate with an owl's head painted on it; a black cat; a stuffed owl. When all these things are brought in the winner has one final chore: she or he must go to the graveyard alone and copy a designated inscription from a tombstone.

Naturally you will have to set an area for these collections. None of the things should be buried. The bones can be soup meat bones left in a paper bag right on the front porch or placed by a tree; a marked with an owl's head in advance of the date (but for goodness sake pick one that is easily removed). The witch's tooth can be a plastic one from the hobby shop (unless you have an old bicuspid lying around the house). Borrow the stuffed owl from the local taxidermist.

A spook-to-spook hookup can be accomplished with one of those little radio attachments that can be spoken through from a concealed mike in another room. A volunteer can disappear occasionally and send some blood-curdling noises out of the radio. This is particularly good if you are playing "ghosts" or another game with the lights out.

Food is your next worry. Whatever you have will be all right

with the boys just so long as you have plenty of it—and none of those little tea-party snacks if you please. They'll take steaming oyster soup with man-sized sandwiches or cold meat loaf. Or those old stand-bys, chile-con-carne, hamburgers or spaghetti with meat balls. Orange fruit jello and chocolate covered cookies for desert. Hot cider spiked with sugar and cloves, good to drink. Give them carrot sticks to nibble on.

Make the table attractive with autumn leaves and some black candles set in oranges. The centerpiece can be anything you feel inclined to whip up—from a basket of fruit and nuts to a paper skeleton.

Make your crowd duck for apples. This is always fun as the evening wears on. Stuff each apple with a fortune. Make it something sane such as: "a handsome blue-eyed freshman will ask you for a date in three days, etc."

Homemakers Class Of First Baptist Sunday School Entertained Thursday Night

The Homemaker Sunday School Class of the First Baptist Church was entertained at a monthly business meeting and social Thursday night, October 21, 1948 at 7:30 in the home of Mrs. Otis Chambers, 1412 Pleasant Street.

The theme of Hallowe'en was carried out in the house decorations and refreshments. The house was decorated with orange berries and green leaves. The refreshments were loughnuts and punch, and Hallowe'en designed napkins served as favors, on the refreshment plates.

Mrs. Travis McHargue gave the devotional for the evening and songs and games were part of the evenings activities.

Mrs. Buddy Biff'e registered approximately 24 women from the ages of 34 to 44 in the guest book.

The following guests were present at the party: Mesdames Tom L. Robinson, Merle Carroll, J. Milton Price, Travis Meharg, Sterling Edwards, A. W. Ellis, Raymond Lyer, Bert Davis, H. A. Biffle, Winfred Powell, L. W. Cato, C. R. Rogers, R. W. Jameson, Evelyn Lively, Thurman Jones, C. R. Hartwick, Price Bauman, Vera Whitt, John Gilmore, Joe Shirley, Lloyd Mitchell, W. A. INDEX OF TEXAS BUSINESS

ADJUSTED FOR SEASONAL VARIATION 1935-39=100

INDEX OF TEXAS BUSINESS

The composite index of business activity for August, prepared by The University of Texas Bureau of Business Research, stepped up during August to 233 percent of the prewar base (1935-39), estab-

lishing a new high for the post-war period. The index was 227 in July, 1948, and 204 percent in August, 1947. Four of the six components of the composite index registered increases above July. Miscellaneous freight car loadings rose 8 percent; pay rolls and electric power consumption 4 percent each; and employment 1 percent. Two decreases were crude oil runs to stills and department an apparel stor sales, each of which dropped one percent. All six of the components showed substantial increases over August.

MEXICAN LABORERS WADE RIVER

Mexican farm laborers wade across the Rio Grande River at El Paso, October 17, after the U. S. Immigration Service abandoned efforts to halt their illegal entry.

They were placed under technical arrest, paroled, and then rushed in waiting trucks to West Texas and New Mexico to save ripening crops of cotton and beets. An estimated 4,000 Mexicans have crossed the river from Juarez, Mexico, since last Wednesday. (AP)

Newly Weds Honored At Shower In Oglesby October 20, 1948

In a beautiful autumn setting, Wednesday, October 20, 1948, at 3:00 p. m. in the home of Mrs. Luther Ward, Oglesby, Miss Doris and Dawn Everett, Mrs. Rannel Graves and Mrs. James Sims were hostess and co-hostesses at a miscellaneous shower honoring Mr. and Mrs. Jerald R. Martin, newly weds of that locality.

Autumn decorations were carried out throughout the house and gifts were displayed in the living room.

Refreshments for the happy occasion was Angel cake and punch, served by Mrs. James Sims and Mrs. Rannel Graves.

Approximate'y one hundred ten guests were registered in the brides book by Miss Doris Everett.

This Week in History

October 24 to October 30

87 years ago this week, the first transcontinental telegraph was completed, and a new era of swift communication dawned in the United States. Samuel F. B. Morse had patented his telegraph in 1837. By 1849, lines had been erected as far west as the Missouri frontier. Huge mountains and great plains challenged further progress. General opinion held any plan to link the continent from coast to coast impractical and visionary. But the Pacific Telegraph Company was organized for the express purpose of attempting the feat. On October 24, 1861, the company's two crews, working from the west and east, met at Salt Lake City, Utah, and the first transcontinental telegraph was completed.

County Agent
W. P. GRAHAM

Farm Bureau

The County membership of the Texas Farm Bureau Federation held a meeting Monday night and made tentative plans for a county wide campaign to increase mem-

bership in their county organization. Governor Beauford Jester has designated the week of October 21 to 28 as Farm Bureau Week in Texas. The state has a present membership of 35,000 and the goal is 60,000. Any farmer in Coryell County, or non-farmer may join this organization.

Expansion of 4-H Club

The County Agent and Home Demonstration Agent have organized five 4-H Clubs during the month of October. These Clubs were organized at Pearl, Purmela,

Levita, Jonesboro and Oglesby. Other schools in the county will be visited during the fall for the purpose of organizing new clubs or the expanding of existing clubs. The enrollment for 1949 is expected to be completed by January 1. Early enrollment will give boys time to plan their demonstration for 1949. Any farm boy between the ages of 10 and 21, whether in school or out, is eligible to become a 4-H Club member. There is a wide range of demonstrations for them to select. They range from one pig to a whole herd of cattle, or from one acre of any crop to several acres. There are county, state, and national awards for outstanding work in the different farm activities. Recommendations have already been sent to the State Office for 1948 awards. Winners of these awards will be announced upon receipt of the medals.

Terracing

The County Agent's office has received many calls during the month of October for assistance in the field of soil conservation. This work consists of surveying terraces, diversion ditches, and drainage ditches. In each case the farmer were partly reimbursed by the government for this work.

to emphasize turning under of cotton stalks. Many farmers have already turned under stalks. According to information from Williamson county this is a worth while practice. The boll weevil infestation in 1948 in Williamson county was reduced to a minimum by this practice. In Hidalgo county farmers were forced to turn under cotton stalks because of the pink boll worm. By turning under stalks to check the pink boll worm they automatically doubled the cotton yield by controlling the boll weevil. Again we advise the turning under of green cotton stalk as soon as the cotton is gathered.

1 1/2 Billion Dollar Road Block!

RAILROADS MUST OPERATE around the clock every day and night of the year.

Although they know this, leaders of 16 railroad unions are demanding a five-day, Monday through Friday, week for one million railroad employes.

They want 48 hours pay for 40 hours work—in itself a 20% wage increase.

They also demand a minimum of 12 hours pay for any work performed on Saturdays, and 16 hours pay for any work performed on Sundays and holidays.

On top of all this they want an additional increase of 25c an hour for every employe!

You'd Pay the Bill!

Summing up these demands, they mean that these union leaders seek to force the railroads to give one million employes an annual raise which would average \$1500 per employe!

The total cost of this would be no less than 1 1/2 billion dollars per year, which is more than twice the expected net income of the railroads this year.

You'd pay the bill, because if these increased costs are forced on the railroads,

they must have still further rate and fare increases.

Demands Unreasonable

These employes have had substantial raises during and since the war. Their average weekly earnings are higher than the average weekly earnings of workers in manufacturing industries. They have more job security than the average worker in American industry. They also enjoy paid vacations, a retirement system and other advantages more generous than the average worker receives.

In contrast with the demands of these 16 unions, which add up to the equivalent of 48c an hour, the Conductors and Trainmen recently settled their wage request for an increase of 10c an hour.

Railroads Run for Everybody— Not Employes Alone

The railroad industry must serve not one but many groups—producers, businessmen, shippers, passengers and the general public—night and day, every day of the year. These unions are proceeding in utter disregard of this important difference between railroads and other industries. Industrial plants can be shut down over weekends and holidays, but freight, mail, express and passengers must continue to move. *Everybody who enters railroad employment knows this.*

Strike Threat

On September 18, 1948, the leaders of these 16 unions began taking a strike vote. *But the threat of a strike will not alter the opposition of the railroads to such unreasonable demands!*

Hornets Defeat A Stubborn Trojan Club In Thriller '20 -- 7'

DAY OF "PUSH-OVER" ARE DEFINITELY OVER; ONLY SHORT WORK FOR PIRATES

We're still batting 1.000. It might change! THURSDAY night. The game with La Vega has been moved back for the benefit of the Hallaween Carnival. One day short for getting ready for GHS Hornets strongest contender, which, bluntly and unenglish like, ain't good!

Friday evening last, the Hornets moved into the West Trojan lair to take a game from them and keep the old percentage in round numbers, but with no ease and aplomb as has been heretofore. We're beginning to have to play and play hard for what we get, and that part of it is going to last.

For the benefit of those who couldn't go, here's the way we got it:

Hornets received from north, ball going to Roberts on 15 and a short return. Painter gets 3, Hoeldtke stops, and then three more at tackle, with Dieterman and Hoeldtke stopping, then Daniels gets 2, Kramer and Snokhous stopping.

JOHN RANDALL COMMONS IS INJURED IN WACO RECENTLY: DOING O. K.

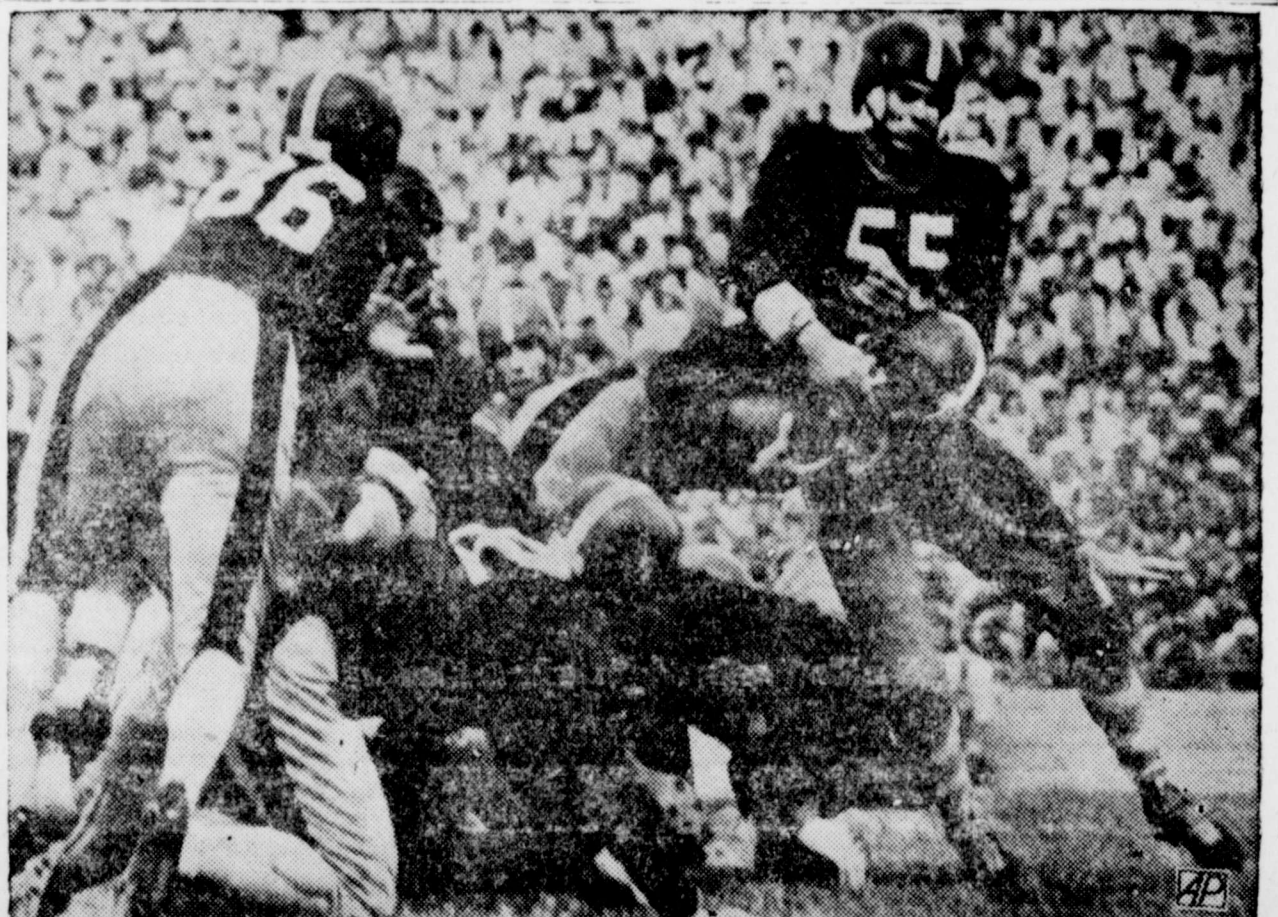

John Randall Commons, 13, who was seriously injured when struck by an auto Monday of last week on Highway 6 overpass, is reported improving and practically out of danger, according to his father, A. J. Commons, formerly of Gatesville, and now of Waco.

He and his father and two companions were standing on the bridge watching a train pass below; the youth crossed to the other side of the span to see the train as it reached the other side. Train smoke obscured the vision, and as he walked across, he was struck by the car.

Mr. Commons was formerly employed by White Auto Store in Gatesville, and lived a few miles west of Gatesville.

Mr. and Mrs. Melvin Clary and son Theoise of Lampasas spent the week end in th ehome of Mr. and Mrs. Jack Holt.

Julia Ann Sheridan of Texas U. was a week end visitor in the home of her parents, Mr. and Mrs. Jim Sheridan.
