Flyers Search Countryside For Missing Flyers From Allentown, Pa.

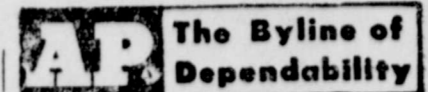

Missing since November 18, are three people flying, supposedly, from Mineral Wells to the Beaumont section of the country. They have not yet been found and already some \$5,000 has been posted as a reward.
The country around Mineral Wells, Brownwood, Comanche, to near Goldthwaite has been "flown out" and the same from Waco, southeast to Beaumont-Houston area, by the CAA.
It is still thought in some quarters that these people might be found in Coryell County and vicinity, and Wednesday, Flight Instructor Dave Curry, Bob Adams and Jess Bundrant flew over the Pidcoke, Copperas Cove, Harmon area searching for a possible clue.
Although it's very uncertain, if tree parties, anywhere in the county are out during the holidays, and find ANYTHING please phone 69 or 446.
Tuesday, Presley Bryant, of the Fort Worth Star-Telegram suggested an intensive search be instituted around here, and we are joining in asking that folks keep their eyes open for any possible trace, and, thanks.
Irvin Scott of Scott Airport, of Gatesville, is trying to get permission to fly out Camp Hood in search of the missing plane.

FIRST BAPTIST CHURCH
Clarence A. Morton, Pastor

Leslie Smith, one of the young men from the church, is to occupy the pulpit Sunday morning. Leslie is a volunteer for Foreign Missions and is a second year student at college. Sunday is Young People's Day, and the services will be under the direction of Mr. Jimmie Monk. Miss Bonnie Fowler will be at the organ and Miss Henrietta Barsch at the piano.

"Christ on the Campus" will be the theme for the evening service at 7 o'clock when young men and young women returning from the colleges and universities will present the program. Young men will usher and the special music and discussion will be by young people. A cordial invitation is extended to all to worship with us at both services.

A large response has come from listeners who heard the radio broadcast last Sunday morning. Dr. E. C. Routh was the guest speaker, and the report is that the music and sermon were clear, inspiring, and greatly enjoyed.

Join The Forty-Niners

Membership in the Forty-Niners is limited to those who attend the services of the Sunday School or Training Union a minimum of 49 times during the year 1949. This allows the members to be absent three times during the year and will still count belonging to the Forty Niners. Attendance at such services at another Baptist Church will still count on this plan. At the end of 1949, those who belong to the Forty Niners will be given a banquet. As the Forty Niners of a century ago found gold at the end of the journey, so the Forty Niners of today will receive information and inspiration of more value than gold by the end of the year.

Look Close! Next'un's Mailed With This'n! "E" On Effort, Anyway

Two-in-one! Two-In-One in some cases is shoe polish. In this case it's your Friday, December 24th and your Tuesday, December 28th Editions, all rolled into one.

For the super-colossal Christmas Anniversary-Stork Derby-News-Courthouse-Comic Section, Edition, which adds up to 40 pages which means there are 3,064 column inches of reading matter, advertising, features, pictures, etc.

There are these fronts: Stork Derby (Section I) Courthouse (Section II) Anniversary (Section III) News (Section IV) and Comics (Section V).

Now, wouldn't it be nice to read it all in one day—this being Christmas, you don't have time—so put it away, until after all this celebratin' is over and you've got "time on your hands", and then, leisurely look thru.

Hurridly, this Christmas Edition, not counting the News Section and the "funny paper", have been sold, layed-out, printed, printed, folded, inserted and stacked, and we started on it Armistice Day or thereabouts. It was done on the recommended 40-hour basis (for our employees) by Ed Whitney, S. B. Compton, Rose Marie Bond, Mrs. Mat Jones, and Mat Jones.

We hope you like it, and we almost KNOW you're going to like this Doughty Studio photograph of Coryell County's Courthouse.

Tuesday Edition

This little 4-sheeter (size of a newspaper ALWAYS depends on the number of advertisements in it) is what we "expected" Tuesday after Christmas. P. O. Department rules that we "must not" miss an edition, we've found out, so, here it is.

The outstanding feature of this Edition is a summary of some of the events that DID happen in Gatesville, a small town, where they say: "Nothin' Never Happens". This, is ONLY a small part of what happened up until December 1, and you can probably remember what happened from that time on.

Merry Christmas
