"FUSTEST WITH

THE MOSTEST"

### Little 'g' gatesville, Texas

There's a 'goat show' coming in 19 but no publicity except a few out-of-town placards in a few windows. We'd like to write a story, but not just 'hot air'!

Even the goats deserve better treatment from the publicists.

Now at NFH they're stirring up the white dust again, this for the last time this season, and they'll turn it back to the ranchers and cattlemen after that.

See from another 'source' Superintendent L. C. McKamie was given another 'lease on life, via the contract route, and his time was extended 3 years, and the CISD also adopted the '60-'61 budget amounting to \$535,653 which ain't hay. "Mac" has been here since '49, but believe his name among those in the know is 'L'ike. Old Plainview school building and grounds is up for sale, and Pure Milk got the milk contract at .0675 for the year, and there's \$12,000 in the till left over. Imagine that!

First Baptist's building fund has risen to \$76,851 for plant expansion, with E. Price Bauman, chairman of the building campaign drive. They want \$85,000 before construction is started.

"Sooner Guardsmen" A Newspaper for the members of the Oklahoma National Guard, Vol. 1, No. 6, July-August, 1960, came out on the advent of the ONG's summer visit here and carries a number of advertisements from Gatesville merchants. It's good advertising.

"Half the time when I am talking, nobody is listening, so I print it."

"Is there anything on this earth, from squalling triplets to fresh garbage, or from new-mown hay to barrels of beer, that hasn't been loaded into a station wagon and moved?"

"Untoiled they chose to display them in short shorts, we had supposed that all women had shapely legs." Disappointing!

"Silence can't be misquoted, but can be misinterpreted.— Kin Hubbard."

"You can preach a better sermon with your life than with your lips. Oliver Goldsmith."

Only 16 qualified voters failed to vote in the Precinct 5 wet-dry election Saturday, and the "wet" lost again 340 to 246, even tho they did better than last time, when it was 236 to 107.

This was for "package stores" or off-preises consumption, and in Coryell County it's been legal dry since 1904, but that's not the score. Five hundred eighty-six out of 600 voted!

## EDWIN HUNT ATTENDS 3-DAY SALES MEETING OF LINCOLN-MERCURY

Edwin Hunt, sales manager of Charles C. Powell Autos, 814 Main St., Gatesville, participated in a three-day sales management conference conducted in Dallas this week (Aug. 2-4) by Lincoln-Mercury Division of Ford Motor Company.

The seminar, led by a Division management training team from Dearborn, Mich., was attended by 14 Texas dealership executives.

The case study method was employed to review successful management practices. Typical retail sales problems were assigned each dealership representative who developed a solution and presented it to the seminar group for discussion.

D. A. Kuhn, Dallas District sales manager for Lincoln-Mercury Division, said the seminar was designed to provide a two-way exchange of knowledge among dealers. Similar conferences are being conducted in principal cities throughout the nation.

**THE CASE OF THE FATAL SLIP**

BY DONALD J. SOBOL

Dr. Haledjian parked his car and offered his services to the state trooper. The policeman was about to question one of the drivers involved in a tragic accident on the winding mountain road.

The driver was young, broad-shouldered, and dressed in evening attire that was spotless, except at the trouser cuffs and shoes. These were splattered with mud.

Dazedly he told his story. "I was taking Joan to the dance. That other car crossed the centerline, forcing me wide. The road is slippery from the rain this morning, and I skidded off the embankment.

"Luckily," he continued, "I escaped injury when my car hit that tree. But Anne was knocked unconscious. I carried her back toward the road. As I passed the side of the ravine, I slipped and she tumbled from my arms. It — it was horrible!"

"I didn't cross the line," insisted the other driver. "When I heard his car crash through the rail, I braked and hurried back to help."

"What did you see?" asked Haledjian.

"He was carrying the young lady," admitted second driver. "As he got near the embankment, he slipped to his knees and the girl fell without a sound."

Haledjian descended the treacherously wet embankment. The intermingling of grass, rocks, and mud made a search for footprints useless.

At the spot where the first driver said he lost his hold, Haledjian could see the broken figure of the girl a hundred feet below.

Back on the road he said

"As I passed the side of the ravine, I slipped and she tumbled from my arms."

# A United Front

"Let our people learn to apply themselves to good deeds, so as to help cases of urgent need, and not to be unfruitful."  
 —Titus 3:14

One of the tragedies of modern life is the decentralization of the family unit; there is a lack of the old-fashioned united front that families once presented to the world.

Much of it may have been caused by easy traveling facilities and the scattering of family members. But there is a definite degeneration of the idea that family members help each other at all times of need and distress.

St. Paul's words tell Titus that Christians must apply themselves to good deeds and to the needs of other in trouble.

How can we expect this of the Christian community if it does not start with the family unit?  
 A strengthening of ties within the family is one of the greatest needs of modern living.

### Temple Tel's Stop Sims Radio-TV In District: Belton 9, Sims Radio-TV 2

Temple Daily Telegram scored Sims Radio-TV 14-7 in the opener of the District Freshman League Tournament at Harbor High Field in Temple. The Telegram's 17th straight victory.

David Herrera pitched for the Telegrams, but Dickie Jarma was called in to retire the last two Gatesville Batters. The Telegram scored 6 runs in the 2-4 and Gatesville came back in the 4th to score 3.

In the 4th the Telegram used errors, walks and hits to score 7 runs and ice the game.

Gatesville scored 4 in the 5th with Jackie Blanchard's over-the-fence home run as the big blow.

In the other game, won by the Carpenter's Local over Belton, 7-0, Ronnie Skopek turned in a 1 hitter. Belton's only hit coming on Mike Ragsdale double in the sixth. The winners scored 3 runs in the first on singles by Tony Rivoli and Skopek and a home run by Philip Durham and they followed in the second with four runs including a single by Skopek. Artie Hillard was the losing pitcher.

### Belton Wins Consolation

Gatesville scored 2 runs in the top of the first in the consolation game with Belton at Temple Friday night, but that was all and they lost 9-2. Bob Sewell, Belton pitcher, allowed Gatesville only two hits. Belton scored 3 runs in the first, 5 in the second and 1 in the 5th. Belton got six hits off losing pitcher Marvin Nance, who started and was relieved by Richard Hodges and Buddy Altman.

Carpenter's Local of Temple upset the Temple Telegram 5-2 to win the place in the State at Killen.

And another question— if it's such a small world, why does it cost so much to run it?

Nearly half of the nation's department stores have started charging for deliveries and three-quarters charge for pickups for something that is returned.

The Pacific Northwest is considered the wettest area in the United States.
