Driver Training! Here is some interesting information about that both for the child and the childless. Twenty-five percent of drivers involved in fatal accidents are under 25, and only 18 percent of the drivers are in that age group.

Boiling it down to \$ and c it comes out this way. One insurance company's rates covering body liability (\$25,000-\$50,000) and property liability (\$5,000) is: for married couples over 25, no children driving \$81; son under 25, no driver-training course, \$142; son under 25, approved driver-training course, \$121. So if you've got a son or daughter driving and no driver-training course, it's costing you \$21 a year more a year to insure.

Cost of public school driver-education courses range from \$30 to \$50 per pupil. So, with sis or bud starting to drive, one \$30 to \$50 course would probably save you \$21 per year from age 16 to age 25, 9 years or \$189, or less, say the \$50 for the driving course would be \$130. Would you like to save \$130? Bad as we could use folding money to the tune of \$130, we'd say, Well, yes!

More than 12,000 high schools (better than half in the USA) offer driver education to more than a million students a year. More than half are in favor of it, you might say!

"How come that guy talks so fast?"

"Takes after his parents. His daddy was an auctioneer and his mother was a woman." (Ladies, we copied it; don't say it).

"Mister (exuberantly) A man is never older than he feels. Now this morning I feel as fresh as a 2-year old."

Missus (sweetly): "Horse or egg?"

"Niggah, befo' Ah rolls up mah sleeves and sails into yo. any last questions to ask?"

"Jes one, jes one, big boy. Is you-all leaving any wife and chillun?"

Tuesday's Blotto Answer: "The lamp store owner is out \$10."

The 1961 Ford Galaxie Club Victoria (top), a new model in the Ford line that will be introduced to the public on September 29, features the crisp, fresh appearance that earned a gold medal from an international fashion authority for "functional expression of classic beauty." Ford's station wagon series includes the nine-passenger Country Squire (bottom) and introduces another new model—a six-passenger version of the Country Squire. The new Ford station wagons have a roll-down tailgate window, and the tailgate itself is seven inches wider than in 1960. All 1961 Fords feature new dimensions for greater maneuverability and such major engineering improvements as 30,000-mile lubrication, heavier, self-adjusting brakes, and longer-lasting bright trim and underbody parts.

**Decorative Properties of Wood**  
Wood is an extremely variable material. For example, there is virtually no limit to the natural color combinations available. The sapwood of most species is light colored. Some are almost white. Some woods show no color difference between the sapwood and the heartwood. However, the heartwood of most species is darker colored than the sapwood.  
The figure of a piece of wood depends not only on the species, but also on the way the wood is sawn. Sawing accentuates certain grain characteristics associated with a particular wood. Some woods are preferred because of the figured stripes or ribbon ef-

fect and others because of elliptical or curved patterns. It is matching of these patterns and color shades that gives rare beauty to some pieces of expensive furniture.  
The size character of the wood grain also influences wood appearance. Open grained wood, like red oak, refers to the relative size of its pores. When applying finishes to such wood, fillers must be used. Such woods are often filled with colors which contrast with the basic color of the wood. Such color applications can be used with startling effectiveness.

When selecting wood, there are many characteristics to choose from and sufficient combinations to please any taste and requirement.

**Ohio - Liberty . . .**

The events of interest to our people, this week have been birthday celebrations for 3 of our pioneer citizens.

Tuesday, it was a surprise party for Mrs. L. C. Perryman at her home. Born as Mirtle Blair, she has spent most of her life in the Liberty community. All agree that no one person has done more for the welfare of this community. 36 people gathered to celebrate her 78th birthday. While a group of old ladies were talking to the honoree, Mrs. Hogan, past 80, said, "I do not dread old age, it is perfectly natural— just a part of the divine plan." Another suggested, "Let's all follow Mrs. Hogan's lead and try to grow old gracefully." Mrs. Perryman answered, "I could grow old gracefully— if my old knees didn't hurt."

This party was only the climax of the celebrations for Mrs. Perryman. Over the week end her children took her on a fishing trip to McAnnally Bend, on the Colorado River. It was a wonderful trip. She slept on a cot at night, and the mosquitos bit like the dickens. Thanks to spray, they slept.

Last Sunday she was given a dinner at the Ralph Perryman

home. All of her children and most of her grandchildren and great grandchildren were present.

Seventy-five years ago when the Liberty school house, a small one-room structure, stood near H. J. Parrishes' home; a Prof. Holland opened a subscription school. The parents paid \$1.00 per month for each student. (It was hard to raise). No state funds were available. In this school there were three first graders: Charlie Cook, Ida Elam and Ben Billingsley.

Saturday, E. O. and Grace Elam and Bessie Brown drove to Stephenville for a dinner in honor of Ida Elam Peck's 82nd birthday. Other guests present were: X Nick Dehaan, Gerald and Ronnie, Setphenville; X H. Dehaan of Kalamazoo, Michigan; Miss Minnie Peck, Mrs. Clarence Helms; Lloyd Helms and his fiancée, Miss Martha Haley from Cisco.

It has always a matter of unique interest to our people that Ben Billingsley and Mrs. Jack Billingsley had the same birthday and for years had celebrated that day with elaborate celebrations. Then Ben's family moved to far away Del Rio and the custom was discontinued for 42 years. Now that Ben has suffered a stroke, and he is quite ill, he requested one more birthday dinner with Leona. So Mrs. Billingsley made the journey for the occasion Friday. She will spend the next two weeks with relatives in Del Rio and Ft. Stockton.

Liverty Ladies Club . . . . . Mrs. L. C. Perryman entertained the Liberty Club at her home September 13.

She is Liberty's champion quilt maker, and in answer to numerous requests, she had her heirloom quilts on display. They were rare and beautiful. Many of them were of antique laidwork designs. The ladies enjoyed them very much.

The two quilts that the group quilted were also of Mrs. Perryman's unique designs.

It was a complete surprise— when the club members gave her a birthday party.

Mrs. Billingsley announced that the next meeting will be with Mrs. J. B. Jones at her new home at 401 Park Street, Gatesville. At this meeting a bridal shower will be given for Mrs. David Jones.

At the presentation of the many birthday gifts, Mrs. J. Frank Blair made an address on what Mrs. L. C. Perryman has meant to the Liberty Club during her 39 years of service. She served many terms as president and was a leader in the club's every under-

taking. Mrs. Perryman always served as peacemaker whenever little differences arose. Beloved by all, she was the one individual that could pour oil on the troubled waters and get things to work smoothly.

She was elected the club's first president when it was organized August 3, 1921.

It is almost a fact that her word has always been law with the Liberty ladies.

Delicious refreshments were served after a very happy evening. Those present were, Mmes. J. W. Laxson, Ralph, W. T. and Calvin Perryman, Herbert McCarver, Albert Ledenham, Frank Blair, L. A. Ft. Worth Star-Telegram has Gatesville, with a 3-0 record in '60 as the Tenth in Texas in Class AA. Nearest to us, which means IF we get out of the District 17-AA will be Taylor 2nd and Belville 3rd. Olney is rated 1, Denver City 4, Hamlin 5, Hooks 6, Coleman 8, Azle 9. Some of these places you probably never heard of, but still, they may not have heard of Gatesville. Anyway, sometimes high ratings hurt as much as anything.

Too, taking the bows, Joe Carothers and Bob Edwards are "Bucks of the Week" according to the WNT. Also on the 4-man backfield are Johnny Martin, Reicher who we play) and Herbie Spoon, La Vega. Coach of the week is John Vasek, Reicher, whose club beat Marlin 13-0. John Knudson, Hamilton, who was in the Hornet's backfield a good part of Friday night, was Lineman of the Week, and was certainly, Gooch, Saltow, Roach and Barton. Coach Al Langford is rated second to Coach Vasek.

"Old Cloomy Gus" enjoys this, but in a quarter century of observing high school teams, has seen lots of things happened when they are reported too good. They begin to believe it, and then, suddenly, it happens. Let's don't let it here.

Max Goldsmith, Andrews track coach; Bill McElduff, Seguin State Championship baseball team and Favian Lemley of McAdoo, state Class B basketball coach were named by Texas Sports-writers Association as coaches of the year. Lemleys school with 38 students won a state title -thats something.

**EVANT JUNIOR HIGH WINS OVER LOMETA**

The Evant Junior High Elks defeated Lometa 12-0 here last Tuesday night, 12-0. The two Evant touchdowns came in the last half on runs of 55 yards and 35 yards by Ronald Ray. Both extra point attempts failed. A good crowd was on hand to see the ewo evenly matched teams in a scoreless battle until Ray broke loose for the first touchdown after only thirty seconds of the fourth quarter had elapsed. On the try for the extra points Ray carried it over the goal, but Exant had a man offside and had to try again after a five yard penalty moved them to the eight yard line. This time the attempt failed. Ray scored again with five minutes remaining in the game. The attempt to run the extra points failed. In the scoreless first half Evant was hindered by fumbles and penalties. Evant almost scored in the first quarter when Ronald Ray completed a pass to Dan Key who ran it to the five yard line. Lometa recovered an Evant fumble on the next play. The Elks improved in the second half and had no fumbles and few-
