Is it time to Renew, Lew?

DURN NEAR DID IT! GO! TO ONE OF THESE DAYS: GUESS

Yep, one of these days, Old Man Winter's going to blow his cold breath against "The Guaranty" thermometer, and shunuf, somebody's going to come out with a whole skedaddle of prizes, just for one little guess—no gimmicks, no entry fee, no nothing, but their guess Why don't you guess, too?

We get your guess, date and time it, and the one that hits the day on the head that's in our office first, is the winner. Last year, it was James A. Dixon. This year, it might be YOU!

So far, we've cleared these who will 'gift you' if you are THE winner: Sammy Lillibridge, 3 Legend Records; City Drug Store \$1 merchandise, Lewis Shoe Store 1 pr. hose, Leaird's Department Store, 1 pair hose; Gatesville Drug Co. 1 lb. King's candy, Hollingsworth Food Market, 1 can cheli, White Auto Store, 1 gal. anti-freeze, Webb Studio, 1 portrait Round-Up Cafe, plate lunch, Jack Healer Humble Station, battery charge, Morgan's Gulf Station, grease job, Mrs. J. B. Graves, Florist, potted ivy, jones boys inc ltd & sally maude, Venus pen, Coryell County News, 100 papers, Bennett's, 1 flannel shirt; Gatesville Bow-lanes, Inc., one game.

Those we've not contacted yet (at no commission) but who'll probably okeh the deal (we haven't had one miss yet) are Yellow-Cab, which gave a 50c ride and Gatesville Chamber of Commerce, a 1 month membership.

Now, this isn't a 'closed corporation' and if any other merchants would like some free publicity until it "freezes" then just tell THE NEWS about your gift for the guesser of the first freeze on the Guaranty corner in 1961.

OKAY BOYS, TAKE IT AWAY!

OUR PATENT INCENTIVE SYSTEM

"If a man can make a better mouse-trap than his neighbor... the world will make a beaten path to his door." — Ralph Waldo Emerson

The colorful Emerson statement still holds water. No facet of living, or of manufacturing, escapes the fertile minds of inventors seeking newer, cheaper, faster or better ways of doing things.

Within a few days, some inventor will be awarded the three millionth patent by the U. S. Patent Office—and hopefully enlarge the driveway to his house!

Moreover, Patent No. 3,000,000 will feature this 125th anniversary year of the Patent Act. Beginning October 15th—"American Patent System Week"—there will be big doings in Washington. Celebrants will remind us how American industry has flourished under the patent system; how new products are invented; how mil-

lions are employed, — and of course, how inventors are given incentives and protection.

But ominous clouds will hang over the celebration.

The politicians want to latch on to the patent system.

Here's a prime example:

One administration-backed bill would diminish the exclusive use of a drug patent by the owner from 17 years (the present legal limit) to a maximum of three years, the bill would force the company with a new prescription drug to license its manufacture by any come-later competitor.

Now— just how much do-re-mi do you think a drug manufacturer would spend (on research, labor, advertising, etc.) if he knew his exclusive right to the product would be forfeited.

He would probably spend zero. (Note— during the past 20 years U. S. manufacturers have come up with over 50 per cent of the world's leading drug discoveries).

And what about defense industries, now beset by certain solons in Washington? Some government officials would virtually destroy the commercial patent rights, know-how, and trade secrets of companies working on government contracts.

Why rock the boat now?

Let's keep the American patent incentive system highballing at its current speed of granting more than 1,000 patents a week.

RED CROSS PLANS TWIN FUND APPEAL STARTING OCTOBER 5 AND 6

The American Red Cross, Coryell County Chapter, will have a double-barrelled fund appeal Thursday and Friday 5 and 6 to help finance the Red Cross and aid to Hurricane Carla Victims, and to contribute money to keep the local office and program operating.

Goal for Carla is \$1,272, and the quota for Red Cross activities has no quota.

Charman is Judge Norman Sorm, and business district aids are Hal Anderson, J. O. Brown and Sam J. Powell Jr. Residental are Mrs. Louie Powell, Mrs. Harmon Sellers, Mrs. Francis Powell and Mrs. Dawson Cooper.

Demise of UF threw Red Cross a curve—a budget of \$5,500 so far, the Red Cross has had only \$3,000 to operate on and it's now gone.

Emergency grants the last 2 months have taken care of home service cases, executive secretary Mrs. W. A. Culbersson said.

ANNUAL MEETING OCT. 14 TEX. LIBRARY ASSOCIATION

District Eight of the Texas Library Association, which includes Coryell and thirty-one other Texas Counties, will hold its annual meeting in Uvalde the 14th of October. Sister Jane Marie, C. D. P., Our Lady of the Lake College, will preside at the sessions to begin at 10 a. m. in the auditorium

of the Uvalde High School.

Librarians of this area will attend a workshop, "The Library—Highway to Knowledge," presided over by Mrs. Adele Speiser of the Alamo Heights High School Library. A session on Library materials—"Today and Tomorrow"—will be conducted under the chairmanship of Miss Anita Saxine of St. Mary's University. There will also be a section on "Reaching the Public" led by Mr. J. O. Wallace of San Antonio College. During the afternoon session the librarians will hear Brother Louis Schuster, S. M., Chairman of the English Department of St. Mary's University, speak on Libraries and Librarianship in a talk entitled "Along the Highway."

District Eight broadens the scope of the Texas Library Association by furthering its work and promotes the beneficial aspects of libraries and librarianship. Its emphasis is on the small library.

At the conclusion of the afternoon session a Tea will be held on the second floor of the Garner Memorial Building home of Uvalde's El Progreso Library.

Mr. & Mrs. L. Perryman Celebrate Golden Wedding

Liberty's most elaborate and successful social event was the Golden Wedding Celebration for Myrtle and Lawrence Perryman at the Calvin Perryman home Sunday, Oct. 1. More than 150 guests gathered to do homage to this popular couple.

The table, laid in ecru lace, was centered by a beautiful 3-tiered all-topped cake that was decorated in white and gold. The ap-

pointments were of silver and crystal.

The floral decorations were of yellow chrysanthemums and bronze daisies with the 40 figurine in gold glitter.

The bride and groom greeted their many friends with that same gush of hospitality that won their hearts fifty years ago.

Hornets: Held League No. 1s To 12 Teague Lions Tonight Are Dish For GHS

Gatesville High School Hornets, riding high with a brilliant win over Marlin's Bulldogs, are due to roll tonight at Holmes Stadium in their first conference Home Game. The Teagueites, picked by the authorities to be somewhat near the bottom on the 17-AA totem

pole, danged near upset the top regarded Hillsboroans holding them to a mere 12 points.

For Teague, they've a record (all we could find) of Teague 30, Franklin 14; Teague 22, Mart 6, and Hillsboro 12, Teague 0. That's pretty good, as you know Franklin and Mart, believe both Class A clubs are usually quite characters in their bracket. They've also played Groesbeck and Fairfield.

The Lions have 12 lettermen back, and from the polishing off the Hornets gave them in their home baliwick last 'semester' you can depend on it they're going to be laying for the locals.

They have in their aggregation Ben Walker, 2-letter QB, Glen Enderman and Mack Steen, both 2-letter veteran halfbacks and Roy Capers, 190 fullback, holding 3 letters. The ends, Jim Hendren, 155, and Jimmy Ashley, are returners, with Ty Petty 170 and Bill Allison 165, tackles, guards are Sam Pournais 155 and Johnny Massey 155 and Royce Davidson, all lettered on defense. Truman Shields 155 and Joe Allison, same work at Center. And there are others, but they're going to try to go paces after 'shaking up' the district favorites, the Eaglees.

Right here at home, starters will be the same, except probably be James Mirse at center and Jerry Gilchrist nursing a chaley horse. Otherwise the whole works is ready to go.

It's past 'slip-up time' and you can bet Coaches Amos Elder and Andy Anderson are going to be wide-eyed for any possible 'fast ones' and keep their chargers headsup throughout the contest. Paper-wise, it should be another

Hornet victory, but, then you know football is a 60 minute proposition, and lots can happen ere the old 'biscuit' minute hand rolls around to that final minute, not to mention second.
