Mr. Sterling Campbell, Lone Star Gas District Manager, will head up the Executive Board. Campbell asked retiring board members to assist the organization and assured members that they would have the opportunity to help.

The retiring President, Dawson Cooper, reviewed the financial condition of the Chamber for the new board.

President Dawson Cooper pointed out to the directors that this area will receive a financial shot in the arm, possibly greater than the effects of Rocketdyne, if the 'Rapid Transit' project selects the east Coryell and west McLennan County site for the project. #### Four Counterfeit **Bills Uncovered** to Date

Sheriff Windy Cummings reported this week that in addition to the bogus bill at the City Drug and the bill at the National Bank, counterfeit twenties were discovered at Lawrence's Drive In and at Dixon's Drive In grocery.

Sheriff Cummings is attempting to contact all merchants in the county and point out things to look for in counterfeit bills. Cummings spent time this week in Copperas Cove and in the Gatesville area with the bills as educational tools.

Thursday, Cummings planned to continue notifying area merchants.

The Alliance eacn recommend an individual from the church to be considered for the award. Those nominated were Mr. Frank Knapp, Mr. Farley Hurston, Rep. Bob Sal-ter, Mr. Carol Shirley and Sotero Gomez.

The Ministerial Alliance made its selection with biblical standards from the New English translation of the Bible, First Timothy. Such things as social activities, organizations and Christian behavior were considered in the selection.

Sotero Gomez received this, the first Layman of the Year award. Sotero, 43, teaches Industrial Art classes at the Gatesville State School for Boys. Gomez teaches approximately 100 students in woodcraft and elementary blue print drawing. He has been working with the GSSB for thirteen years,

Mr. Gomez received his degree in Industrial Arts with a minor in education at Southwest Texas State College in San Marcos, Texas.

#### Miss America

The story of the Miss America pageantis as rugged and individual as the County itself. The Pageant was organized in 1921, by a group of Atlantic City business and Civic leaders. It was known as the Atlantic City Bathing Beauty Contest. The purpose of the Pageant was to extend the summer season of Atlantic City, one week after Labor Day. The contest was judged on beauty alone, for in the twenties, women were still satisfied to be the "weaker sex" and carefully concealed their brains and ambitions from the "man's world"

In the twenties, the Pageant grew in leaps and bounds. As the depression descended upon the country in 1928, the Pageant was discontinued and was revived in 1933. A drastic change took place at this time. as the American Public was not just satisfied with bathing

### **ABOUT DEMOCRACY**

#### by Larry Parham

In these perilous times, it is more important than ever to remember the powers which democracy gives to us, the people

It allows all of us who are law-abiding to vote in elections in which a poor man's vote counts for as much as a rich man's. We do not have to tell anybody how we are voting unless we choose to. And whatever most of us vote for, that is what we get. Nobody can force us to vote for anybody we do not like. We have a choice of candidates at every election, representing different political points of view.

If we find that a President or Senator, or Governor, or Mayor, or any other public official is using his power selfishly to benefit himself and a few supporters at the expense of the people as a wholeif that happens, we can vote against him at the next election, and throw him out of office. Or if we do not wish to wait that long, we can appeal to the courts of our nation to protect us.

Everyone of us has the right of free speech. We can say what we please about our government and our laws, as long as it is reasonable and does not suggest treason.

All these rights go with democracy. But democracy is more than a series of political privileges, great as they may be. Democracy is a way of living. Deep-rooted in it are the ideas of fair play, and of tolerance. #### WATCH YOUR MONEY

Have you been wondering why your dollar doesn't seem to go as far as it did a few years ago?

Even though we are aware of the effect of inflation on the price of everything we buy, how many of us realize what the total cost of government is today and how this huge figure affects our lives.

Federal, state and local government spending has reached an estimated \$250 billion annually, not counting the billions going for defense. But it's difficult for Mr. and Mrs. Public to conceive of the total dollars they put in these three different government pockets. Uncle Sam's pocket accounts for 33 per cent of public spending, the states account for 24 per cent, and local governmental units 43 per centon the average.

However, regardless of what level of government spends the money, the fact remains that it comes first out of your pocket.

More control of government programs and spending is assured when services are handled and financed at state-local levels. Then Mr. and Mrs. Public have a better chance to say something about the relative priority of specific Projects. They can keep a better check on spending when u s closer to home. One way to reduce the total drain is to make each dollar work harder-preventing duplication and waste in programs and personnel-and this can best be done right here where taxpayers can take a good look at what's happening.

The motion picture industry's biggest glamour-filled evening of the year will be on Monday, April 8, when the Academy of Motion Picture Arts and Sciences presents its coveted "Oscars" for the industry's best achievements of 1967. The biggest assemblage of entertainment celebrities in history is expected and a record audience of 250 million radio listeners and television viewers is anticipated. Films showing top stars and scenes from most honored motion pictures of the past 40 years will be shown. Comedian Bob Hope, who jokes that he has never won an "Oscar" but who in reality has earned five special awards from the Academy, will be Master of Ceremonies for the 14th time. It will be the Academy's 40th Annual Awards Presentation. The program will start at 7 p.m. (PST) in Santa Monica Civic Auditorium, and be broadcast live over combined radio and color television facilities of the American Broadcasting Company and the Canadian Broadcasting Corporation.

Which lipstick and eyeshadow shades are right for me? Do I need eyebrow pencil and mascara?'

- Generally, brunettes will glow with the subtle dewy, inviting new lipstick shades. You may want to combine more than one shade to harmonize with your outfit. Brown eyes look their loveliest when highlighted with emerald-green or violet eyeshadow. Even dark and heavy eyebrows need to be defined in pencil. For black eyebrows, we recommend that one never use black pencil alone. To fill in sparse areas and define out lines, use light, feathery strokes in dark brown and charcoal pencil. After a complete make-up, powder collects on lashes and even luxuriant lashes need to be whisked

lightly with mascara.

The GHS Hornet Relays will be held this Saturday at Mc-Kamie Stadium. Twenty teams will compete in both AA and AAA divisions. Admission prices will be 50¢ for students and \$1 for adults.

The GHS Choir is making preparations to attend the ICIL Concert, Solo and Ensemble Contest to be held on March 29th in Brownwood. Mr. Rucker said that the Girls Choir the Mixed Choir and approximately 18 solo students from Gatesville will compete.

Tuesday morning, March 19. The main purpose of this spe-cial meeting was to discuss the concession stand that the FTA will sponsor for the track meet to be held here Friday and Saturday, March 22 and 23. Volunteers were asked to sign up to work either Fri-

day or Saturday or both. Also Stanley Kopec read the members nominated for the offices of the FTA for next year. They are as follows: president, Kathy Sims, Charles A-ment and Jackie Brown; vicepresident, Margaret Hopson, Debbie Pruitt and Rocky Adams; recording secretary, Lucy Powell, Paula Wheat and Kathy Blanchard; financial secretary, Jeannie Boone, Paul Pollard and Debbie Dyer; historian, Paul Coon, Celia Powell and Teresa McDonald; and parlimentarian, Janna Bonner, Cin-dy Kopec and Teddy Foote. Members will vote for these officers at the next regular meeting.

#### What does it take to pick up the pieces?

It may take only seconds for disaster to strike. And strike hard. When it does, it makes no distinction among men, women and children. Between rich and poor. And do you have

any idea of what it takes to pick up the pieces? The American Red Cross, for one thing. How? With help in many ways. With food. Clothing. Shelter. With material aid in repairing and refurnishing homes. With medical and nursing care. And this takes money. Lots of it, too. In the past two years alone, we spent nearly 32 million dollars helping victims of hurricanes, floods and other disasters. That's why we need your support. The American Red Cross.
