

Turnersville School To Close After This Year

Pictured above is the approximate boundaries with the tentatively proposed breakdown of the Turnersville School District. The Wednesday, May 20th meeting, between the County School Board and interested citizens will set best suited boundaries.

County School Superintendent W.H. Donaldson reported Wednesday that "because of the shortage of students and transportation problems, the Turnersville School Board had decided to close school at Turnersville. The County School Board will hold a meeting, Wednesday, May 20, in Coryell County Courtroom to hear the desires and requests of the people as to what School District they would like to be attached to."

Mr. Donaldson reported that the Turnersville School was expecting 18 children next year and decided to permit dissolving the school district. Monday, May 13, the Coryell County School Board met with County School Superintendent, W.H. Donaldson to establish a feasible tentative realignment with surrounding districts. School systems in Jonesboro, Gerald Cummings, Izora; and A.T. Hull, Copperas Cove met with the Turnersville School Board, Thursday, May 10th to consider factors and next year's situation at Turnersville.

The tentative realignment will be as follows: north of FM 217 and east of FM 182 will possibly go to Clifton; on the west from the Foote Ranch west of FM 217 possibly will go to Jonesboro and the rest will possibly go to the Gatesville Independent School District. County School Superintendent emphasized the Wednesday, May 20th meeting would be an opportunity for interested citizens to make known their desires and wishes.

COUNCIL HOLDS MEETING

The Gatesville City Council met Tuesday night, May 14th in the City Hall for their regular monthly meeting.

The City Council does not anticipate any change in the present ad valorem tax rate. The council discussed sources of funds for the operation of the city and saw no reason for a change at the present time. The City Sales Tax is a possibility for new funds, however, the City probably could not benefit from the tax until May of 1969.

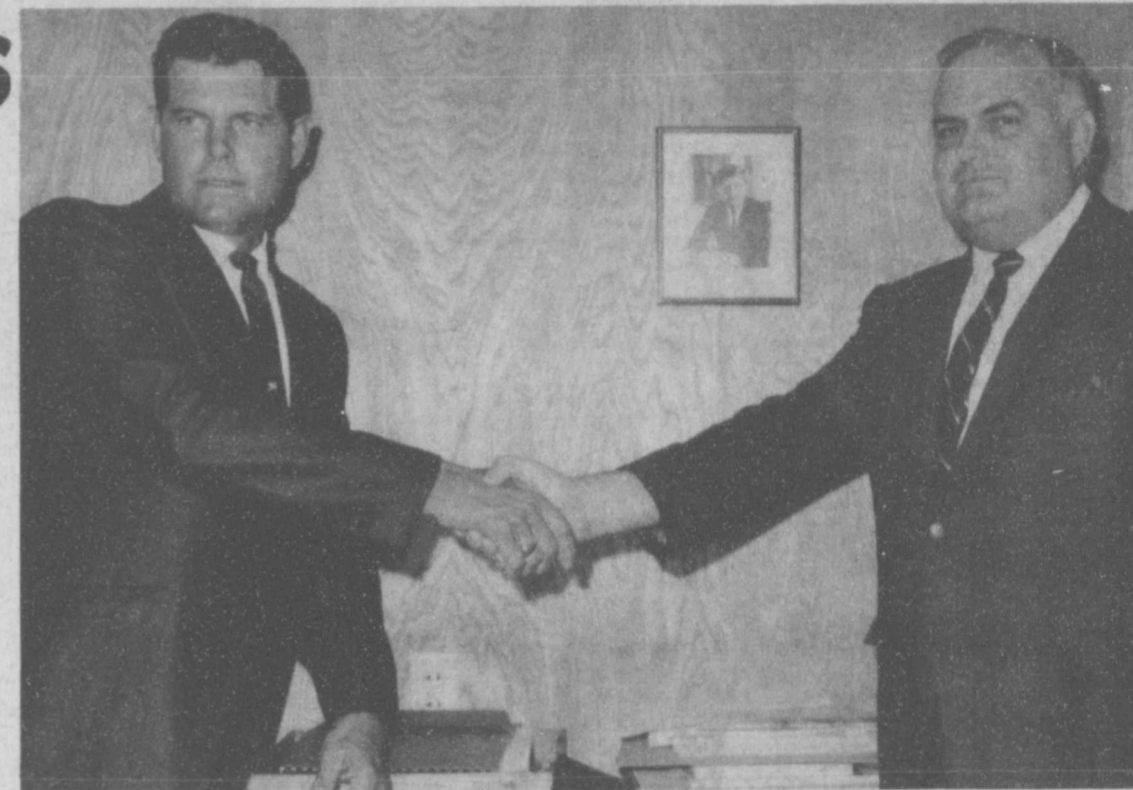

Official holidays proposed by the Chamber of Commerce Retail-Wholesale Committee were accepted. The following days are official town holidays: Memorial Day, Thursday, May 30; Independence Day, Thursday, July 4; Labor Day, Monday, September 2; Thanksgiving Day, Thursday, November 28; Christmas Day, Wednesday, December 25 and New Year's Day, January 1, 1969. The swimming pool will be operated again this year with Lloyd Mitchell as manager. The opening date of the pool has not been set as yet with several projects still incomplete. The City was petitioned by residents of Elms Addition concerning sewage problems which have developed as a result of the recent rains. Mayor Bob Miller reported that the problem was referred to the Sewer and Water Committee for discussion.

Residents along the old Georgetown road have inquired concerning requirements of water systems to tie on to the city system. Mayor Miller referred the inquiry to the Sewer and Water Committee. Speculative discussion con-

tinued concerning the question of a City Sales Tax. Miller said "probably the earliest time to have an election would be the middle of the third quarter" meaning collection could start January 1, 1969 and first funds would return one year from now, May 1969.

Mayor Miller made appointments to several of the city committees, sanitation committee, W.E. Poston, Chairman, Tom Williams, Bob Arnold, Jr., D.W. McDonald; Parks and Recreation Committee, Gene Chitwood, Chairman, Fred Dyer, Bobby Jones, John Bales, Mrs. Peggy Williams, Mrs. Dale White and Floyd Walker; Library Committee, O.D. Bates, Chairman, Allen Bennett, Mrs. Charles Reeve, Mrs. Ed Baker, Powell and Mrs. Andrew Kendrick; Housing Authority, Erle Powell, Chairman, Robert Scott, Jack Straw, E.J. Smith and Charlie Trewitt; Airport Committee, Louis Bone, Dr. Oley Beard, Pat Snoddy, Bob Cummings and Rev. Roland McLean; Water and Sewer Committee, Creston Brazzil; Street Committee, Dave McCallister.

The new well is nearing completion with only the installation of a chlorine remaining to be done. Mayor Miller estimated that the well would be completed in a week or so. The Golf Course Road water rates have been set by the City Council at 1-1/2 times the City rate. Mayor Miller reported that this price was in line with the present rate residents of the area are paying. Fred Smith, B.C. McClellan and Raymond Leonard have been appointed to the Tax Equalization Board.

... HAIRSTON TAKES POST

Le Roy Hairston Named To Civil Defense Job

County Judge, Norman Storm, announced the appointment of Mr. Le Roy Hairston, Jr., 43, to the position of Civil Defense Coordinator for Coryell County.

Storm pointed out that application for "federal matching funds" had been made in late December, 1967, with the State and Federal Civil Defense headquarters.

Mr. Storm said "We received notice of approval of the matching funds for Civil Defense for administrative pur-

poses last week". The matching funds initiated the appointment by the Commissioners Court Monday, May 13th, effective, Wednesday, May 15. The C.D. office has been vacant since Pat Hollingsworth accepted the position as County Commissioner, Precinct 2. Commissioners Court received ten applications for the position and selected Mr. Hairston. Hairston has been employed as an inspector with A.O. Smith Company for two years, has worked with book-keeping systems and has trained horses.

The Hairstons live west of Gatesville on Highway 84.

Charles E. Paul Murder Trial In Fourth Day

The murder trial, State of Texas vs Charles E. Paul got underway, Monday, May 13 with six jurors being selected Monday. Tuesday, state and defense attorneys were able to select only two more jurors, Wednesday, the final four jurors were selected but only after attorneys had exhausted the 125 special venire and part of an additional jury list.

The 11 man, one woman jury is as follows: Frank Alexander, Ogleby; Milton Coward, Gatesville; Royce Stephens, Gatesville; Robert Hord, Gatesville; Mrs. Phillip Knight, Copperas Cove; Wendell Byrom, Gatesville; Oran C. Henderson, the Grove; E.J. Conner, Bee House; Joe Boone, Otis Crawford, John Bales, Johnnie Bell, all of Gatesville. The prosecution called as its first witness, Mr. McClellan, husband of the victim.

Second witness for the prosecution was Don Paul, 12, son of the accused Charles Paul. Don Paul testified as to the trip he and his father made in late August from Macham to De Leon, Texas. The State, questioned young Paul concerning a 22 pistol his father carried on the trip to De Leon. Don testified to the fact that Charles Paul entered the McClellan home and heard a conversation with Mrs.

Knox Lovejoy Honored At Valley School

The Valley School of the Gatesville State School for Boys held its annual Field Day, May 15, starting at 8:30 a.m.

The entire Valley School student body took part in the day's activities. The students and faculty assembled in front of the administration building and conducted a short program to begin the day's activities.

At the end of the program, Mr. W.F. Williams, assistant principal of the Valley School, announced that May 15, 1968 Valley School Field Day would be named Knox Lovejoy, in honor of his long and faithful service to the school.

Mr. Lovejoy, 65, has been working with the Gatesville State School for Boys for 27

years and has been Unit Superintendent of the Valley School since its opening nine years ago.

Mrs. Lovejoy works at the Valley School as Youth Activity Supervisor and has been working for eight years in that capacity.

Mr. Williams summed up the students and faculty stating that May 15 was "symbolic of faithful and good work at the school." Following the announcement 115 youngsters ignored the early morning drizzle and took to the softball diamond in the first of many competitive events of the day.

The boys competed in 13 track and field events and a softball tournament all on Knox Lovejoy Day. Valley School,

GSSB Inmates "Grab Cars" on May 9th Escape

May 9, a 1953 Chevrolet belonging to Clarence Baker of 1910 St. Louis Street in Gatesville was stolen by three GSSB boys and driven to Waco. The youths abandoned the car in a parking lot and stole a pickup. The youths were apprehended in Bossier City, Louisiana early Saturday and returned to the Gatesville School.

Also, on May 9th, a 1954 Buick, belonging to Allen Jones of 116 N. 28th Street was taken by GSSB escapee. The youth was apprehended in Terrell.

... NEW P.T.A. OFFICERS

New officers for the Gatesville P.T.A. installed at Monday night's P.T.A. meeting are, left to right, front row: Mrs. Howard Blakley, Jr., Mrs. Dale White, Mrs. Robert Powell, Mrs. Charles Wilson and Mrs. Henry Brim. Back row, left to right, Mrs. Alvis Stovall, Mrs. Billy Voss, Mrs. Rolland McLean, Mrs. Tom Stewart, Mrs. James Munday and Mrs. Harley Whaley.

PTA ELECTS NEW OFFICERS

The Gatesville Parent Teacher Association held its last meeting of the year, May 13, at 7:30 p.m. in Junior High School auditorium.

The meeting ended a very successful year of activities for the P.T.A. and began a new year with the installation of the association's new officers.

Officers for the coming year are: President, Mrs. Robert Powell; 1st Vice President, Mrs. Howard Blakley, Jr.; 2nd Vice President, Mrs. Dale White; 3rd Vice President, Mrs. Charles Wilson; 4th Vice President, Mrs. J.R. Bonner; 5th Vice President, Mrs. Billy Veazey; 6th Vice President, Mrs. Henry Brim; Secretary, Mrs. Alvis Stovall; Treasurer, Mrs. Billy Voss; Publicity, Mrs. Rolland McLean; Historian, Mrs. Tom Stewart; Publication, Mrs. Raymond Leonard; Education for Family Liv-

ing, Mrs. James Munday and Parliamentarian, Mrs. Harley Whaley.

The group listened to Gatesville School Superintendent, L. C. McKamie give a key note address concerning the future needs of the Gatesville School system.

McKamie assured the P.T.A. members that they were making a significant contribution to the local school system. Mr. McKamie previewed the future of the Gatesville School system pointing out "in two years we (Gatesville) will have 2000 students in school by surveys and best estimates available".

Presently, space requirements in the elementary, high school and vocational building are nearing capacity. Mr. McKamie remarked that even the junior high facility is nearing its capacity. McKamie acknowledged that

"the responsibility will fall on the citizens" and "continued growth will depend on providing the best we can".

McKamie pointed out that the Gatesville School System is a \$2,000,000 plant and would now cost \$3,000,000 to build. He pointed out that high school cost \$800,000 with only 50% of the funds (\$400,000) coming from local sources. The junior high school was built for one-half million dollars, only \$75,000 being supplied by local sources. (Simply a \$500,000 building took \$75,000 local funds and \$413,000 federal funds.)

Freedoms Council Presents Program To Jr. High

The Freedoms Council presented a program at Junior High Friday, May 10, for the primary purpose of recruiting interested eighth graders as members of the Freedoms Council. President of the Council, Jerry Ashby, opened the program by introducing all the Freedoms Council members and the sponsor, Mr. Lloyd Mitchell. As vice-president, Colleen Coward, presented the aims and purposes of the Council to the Junior High student body. Next on the program, Council members, Sharon Hightower, Paula Bromser and Anita Williams told the students about the various trips made by the Council in the course of a school year. The Freedoms Council's projects for the 1967-68 school year were summarized by Freddie Schloeman, when he told about the book drives and littertag sales that the Freedoms Council sponsored. After Freddie, Jerry Ashby outlined the requirements for being on the Freedoms Council. The last speaker, Janis Daniel, told what it has meant to her personally to be a member of the Freedoms Council for the last four years. The program ended with everyone participating in a flag ceremony similar to the one held on Veterans Day.

TJC Choir Visits Gatesville High School

The GHS student body and faculty enjoyed a very entertaining program presented by the Temple Junior College Choir, May 8. The choir opened the program on a patriotic note by singing "Which Way, America?" In a series of songs the group offered their ideas on how to strengthen America. The program moved to a lighter mood with the performances of the girls' sextet and the boys' quartet. The girls especially shown out their rendition of the recently popular song "Love is Blue". They also sang an entertaining arrangement of an old song "The Red, Red Robin". The boy's quartet sang a very delightful song about Noah and the Ark, entitled, "The Animals are Coming", which displayed their talents. Two songs characterizing gossip were presented by the TJC Madrigal Singers. As the choir director, Mrs. Robert Marshall, left the stage, the choir presented a group of rock songs closer to the hearts of the teens in the audience. Accompanied by three TJC boys from the choir who played electric guitars and drums, the choir then gave their interpretation of the popular songs, "Louie, Louie" and "Green, Green". The choir closed the program with the song "Let There be Peace on Earth" as a prayer for America.

Seniors View Law Enforcement Film

Last Friday morning, the Seniors were treated with a film in the GHS auditorium. GHS sociology teacher, Coach Wendell McAndrew, made all the arrangements for obtaining the guest speaker and film, Mr. E.M. Blake, of Central Texas College, who served on the New York City Police Department for 20 years, gave a short talk on the importance of law enforcement and on the law enforcement courses offered at Central Texas College. The high point of the program was the film, "Every Hour of Every Day". Narrated by Danny Thomas, the film showed the many different aspects of police training and work. It also showed the different types of jobs to be found in law enforcement.

Dear Miss X: There are only three reasons why a boy will go with a girl. They are money, looks and personality. If you don't qualify on the first two, try working a little harder on the last one. It is the only one that really matters. By the way, if he doesn't like you for what you are, don't try to change yourself to meet his standards. It isn't worth it, U.C.

Dear Uncle Charlie: As two members of the elite group known as goat-ropers, we would like to know what we have to do to get a band to play country and western music at dances.
Two Soph, Goat Ropers

Dear Goat Ropers: Evidently you are one of those people who begs a band to play "Buckaroo!" and then scream and yell until they play it again. Everyone is entitled to his own opinion. The majority of the kids do not like this type of music, and so the band doesn't play it very often. The only way that you can get your fill of country and western music is to go to a country and western dance, U.C.

(Uncle Charlie, I am not hiding because she sees me every day at school). The Skin Crawler Dear Baffled and All Other Readers: I hope you understood this letter, because I'm afraid that I don't. I still can't understand the motive behind the mysterious flowers. If I were hung up on a girl so badly that I paid \$7.50 on her for flowers, I guarantee that I would let her know who I was. I still say that the SKIN CRAWLER has more dollars than sense, U.C.

Library News

The fifth, sixth, seventh and eighth grade students of the Turnersville school toured the Turnersville Public Library on Thursday, May 9th. They were accompanied by the principal of the Turnersville school, Mr. Dan Mayberry and teacher, Mrs. Frank McClure, M.W.M. Meader and Mr. J.G. Barron and school secretary, Mrs. Pat Pancake. The library staff explained the Dewey Decimal system, card catalog and Readers Guide, aids to better library usage, to the students. The sixteen boys and girls present were then given library problems to work out and chose books to take home with them, checking out a total of thirty books. The library staff will welcome any other groups or individuals who would like to learn more about their library. New books received this week are: *The Edge of the Chair*, an anthology of 34 suspense stories by such authors as Ambrose Bierce, Agatha Christie, John Buchan and Dorothy Sayers; *The Great Conspiracy*, by Donald B. Childsey, Aaron Burr's strange activities in the far West; a book on *Model Making* with instructions for planes, cars, boats and trains; by Herbert Lozier and a new tourist or patriots guide to our Nation's Capitol, *Washington D.C. Also Haunted Houses* by Susy Smith, a tour of haunted houses and castles in this country and the British Isles, *Ludendorff Genius of World War I* by Goodspeed, *Natchez on the Mississippi* by Harnett Kane, a lively description of life in the Old South and *Paperweights and other Glass Curiosities* by E.M. Elville.

Over The GARDEN FENCE By R B
Our rose gardens are now at their top blooming period. This is a time when many rose lovers turn a light shade of envious green as they spot some new or different varieties in the garden of a friend or neighbor. Space, time and money are the main reasons we don't all have more roses than we do. As a help for the last reason, have you ever tried growing a rose bush from a slip off the plant of a friend?

Choose a piece about six inches long from the end of a woody stem, not the new light green shoots. This may be cut off at a slant or the bottom end may be slit up the middle about half an inch. Remove all flowers and buds from this stem, and all but the top three or four leaves. Find a spot in your garden that has good fertile soil and can be somewhat sheltered from the sun in the hot summer and protected from frost in the winter. A corner of a cold frame is a very good place.

Water the ground thoroughly at the spot you have chosen, then insert the rose stem into the ground about two inches and place a clear quart jar over the top, being sure the neck of the jar is firmly in the ground. This makes a small green house to keep in the warmth and moisture needed to induce your rose cutting to make roots. The ground around the jar should be watered when needed but don't keep it soggy. If there are beads of moisture on the inside of the jar no additional water is needed.

Usually all the old leaves will turn brown and drop off, but don't be discouraged and do not remove the jar. When three or four new leaves sprout you may be sure the roots also are developing and it is time to take away your portable green house. Before removing the jar, water the ground thoroughly and be careful lifting it so as not to pull up the whole mass of dirt, roots and all. Your small rose bush should now stay where it is until of a good size to set out in the regular garden. If this is inconvenient, it can be transplanted to some other sheltered spot where it can be protected from hot sun and freezing weather. I like to remove most of the buds as they begin to form the first season, so the rest of the plant has a chance to gain vigor.

It won't be long before the local baseball leagues crank up the race for the first place pennants. In the Little League, the first place race should go down to the final wire, Jones Cleaners, Fire Department and Coca Cola should be among the top title contenders, but Dairy Queen will pull some upsets. In the Junior League, the race may find Guaranty Bank the team to beat. Scott's Furniture could be the surprise team, but I'll have to go with the Guaranty Bank.

Gatesville has a representative in the Copperas Cove Softball League, McCoy's. The ball club finished second in the Temple League last season, losing their first place bid in the last ball game of the season. McCoy's is sponsored by A.H. McCoy. The manager, Larry Simons said, "We've lost a lot of players and barely have enough ball players to play." Anyone interested in playing ball for McCoy's, contact Larry Simons.

For all of you greyhound owners that enjoy running your dogs on the Waco track in the Belmead area. The track has moved from running in the afternoons on Sunday to Sunday mornings.

I would like to commend Gerald Poe on a job well done as he coached a group of eight girls into a fifth place finish in the state track meet. Said Poe, "It rained, hailed and we even had a tornado! The times were lower in the finals because of a very high wind."

The girls that made the state meet were: Carla Pfeffer, Kathy Apel, June Chambers, Corliss Worthy, Donna Dickerman, Debbie Pruitt, Margo Veazey and Edna Williams. The mile relay finished second with a time of 4:12.5. The 880 yard relay finished third with a time of 1:49.5. And the 440 yard relay finished sixth with a time of 51.9. Poe said, "All the girls that attended the state meet are back next year." Look out, next year.

The king of the autumn sports in the United States is football. It holds sway from the close of the baseball season until basketball begins. The game demands more teamwork strength, courage and alertness; or provides more thrilling spectacle and few games have as lively a history. This year, with a few breaks and a little luck, the Gatesville Hornets could be making some history of their own. The Hornets hit the football wars with one of the best balanced teams we've seen in a long time. The Hornets are loaded - they have speed to burn, good passing and a stiff defense that could really get mean. The Hornets high points are running backs, Larry McCutchen, Raymond Cole, Chris Bone, Gary Carothers and a spunky little quarterback, Mike Gaston. The Hornets are strong on defense with James Ingram, Gene Brazil, Randy Schoenewolf and Wayne Shirley manning the forward trench. "We've been telling our boys that we can win district," said B team Coach, Jack Bell. "We tell our boys just what we think they should be able to do. If we think they should beat a team by two touchdowns, we tell them they should; on the other hand if we believe it is going to be a real head-knocker, we tell them."

Hornet head coach, Jack Gunlock said about the new Hornet football team, "We've lost a lot of good boys, but we have a lot more coming back. We feel that our defense is stronger. We'll still mainly be a running team, but we will pass a lot more. We should have some of the best receivers we've had in a long time."

The team that the Hornets must beat to win district, is Taylor. Taylor plays on their home field against Gatesville on the last game of the season. Next year's Hornet Varsity Football Schedule is as follows:

September 13, Robinson	Here
September 20, Marlton	Here
September 27, Killeen	There
October 4, OPEN	
October 11, Del Valle	Here
October 18, Lockhart	Here
October 25, Copperas Cove	There
November 1, Rockdale	Here
November 8, Belton	Here
November 15, Lampasas	There
November 22, Taylor	There
