Preston Smith Wins In Coryell And State

Hollingsworth And Spradley Win County Run-Off

Lt. Gov. Preston Smith, 56-year-old conservative, crushed the bid of Don Yarborough Saturday for the Democratic nomination for governor. It virtually swept Smith into the Governor's mansion.

Smith beat the 42-year-old liberal with a lengthy, carefully planned campaign that centered on the general conservative outlook of Texas voters. Texas Election Bureau totals from 254 counties of the state's 254, 246 complete: Smith - 756,909 and Yarborough - 620,726.

The June 1st Democratic primary run-off election in Coryell County backed Lt. Governor Preston Smith in his bid for the nomination for the Democratic Party candidate in the November General Election.

Coryell Counties voted better than two to one for Smith in an election that only 3431 county citizens saw fit to vote. Smith received 2291 votes to Don Yarborough's 1104 votes.

Voting by county precincts, including 23 precincts and absentee votes, is as follows, with the first figure, the Smith vote and the second figure the Yarborough total: Absentee - 130 - 35; Precinct #1, 418 - 168; Precinct #25, 658 - 280; Purnella, 46 - 20; Arnett, 17 - 8; Oglesby, 85 - 47; Pidcoke, 32 - 5; Mound, 54 - 23; Jonesboro, 31 - 12; Levita, 42 - 18; Slater, 11 - 6; Copperas Cove, 277-248; Turnersville, 39 - 16; Coryell City, 40 - 10; Cave Creek, 12-8; Flat, 62 - 72; Evant, 105 - 36; Leon Junction, 13 - 20; The Grove, 47 - 12; Osage, 19 - 11; Pearl, 100 - 28; Whitson, 14 - 3; Ireland, 18 - 13; Harmon, 21 - 0. Total votes cast for Smith - 2291; total cast for Yarborough - 1104.

Thus Yarborough was turned back from his third attempt to gain the chief executive's chair in Austin. He lost twice to the incumbent, Gov. John Connally, close personal and political friend of Presidents Lyndon B. Johnson and John F. Kennedy. Smith swept county after county and easily leaped over the margins Yarborough amassed in precincts predominantly labor union, Mexican - American and Negro.

In overwhelming Democratic Texas -- at least for state of-

fices -- nomination virtually means election. The state has not elected a Republican governor in a century, although it has swung to Republican presidential candidates three times.

Smith jumped to a wide margin on the first returns, largely absentee ballots. He hung on doggedly to a good lead throughout the night, although Yarborough was able to gain somewhat in percentage.

Yarborough held on to much of his large segments of May 4 primary votes. But he was unable to cut sufficiently into the big vote which went to Smith and eight other conservatives May 4.

The pattern of returns showed Smith was successful in obtaining a heavy absentee vote just as he asked of his supporters.

Smith also virtually swept all the smaller vote counties just as he did in the May 4 primary.

The voting pattern also showed that Waggoner Carr and Dolph Briscoe, who ran strong in third and fourth places May 4, were able to swing their supporters heavily to Smith.

Harris, Dallas and Lubbock counties, all wealthy in votes, gave Smith huge margins in the absentee vote.

The pattern showed many precincts with a large proportion of Mexican - American votes giving overwhelming majorities to Yarborough. But this was not true in all Mexican - American boxes, but where Smith led, it was by a small margin.

One large precinct with predominantly Negro voters in Austin, turned out in numbers almost double that of the May 4 primary and gave Yarborough a 10-1 lead.

The June 1st Democratic Primary run-off included two county races; the Commissioner race, Precinct 2, between Pat Hollingsworth and Mrs. Ruby Evetts and the Constable race, between Bobbie Manning and E.H. Spradley, both were tight races, proving the value of each vote in an election.

The Precinct 2 Commissioner's race developed into a very tight race in the May 4 primary when four candidates: Pat Hollingsworth, Mrs. Ruby Evetts, Ben Mickan and J.C. Tennison, were seeking the position.

Hollingsworth and Evetts were only ten votes apart in the May 4th, 774 and 784, respectively.

In the run-off election, voting was almost as heavy in Precinct 2, as during the May 4 primary, with 2149 votes cast in the May 4 primary, as compared to 1892 in the June 1 run-off.

Pat Hollingsworth overcame setbacks in the Gatesville Ward 2 precinct and in the Flat precinct, to win by a scant 24 votes, 956 votes to 932 votes. Strong points for Hollingsworth were absentee votes and the Copperas Cove precinct. However, any combination of three of the smaller precincts contain the winning margin for Hollingsworth.

Voting by precinct, with Hollingsworth totals first and Mrs. Ruby Evetts total second were: Absentee, 56 - 24; Precinct 25, 451 - 490; Pidcoke, 21 - 17; Mound, 45 - 38; Copperas Cove, 289 - 226; Flat, 33 - 105; Leon Junction, 23 - 10; The Grove, 38 - 22 with total vote for Hollingsworth being 956 and total for Mrs. Evetts being 932.

E.H. (Ed) Spradley, who almost received a clear majority in the May 4 primary, was able to slip by Bobbie Manning with only a 17 vote margin in the June 1 run-off. Spradley and Manning were

both able to poll well in their home towns with Spradley holding Evant 89 votes to 52 and Manning holding Pearl 81 votes to 47 votes. Levita was the only voting precinct outside of Evant and Pearl with more than the winning margin, 17 votes, as the difference. Voting by precinct with Man-

ning's totals followed by Spradley's totals, including absentee, were: Absentee, 11 - 13; Purnella, 33 - 34; Arnett, 14 - 10; Levita, 20 - 38; Slater, 10 - 7; Evant, 52 - 89; Pearl 81 - 47; Ireland 15 - 18, Harmon, 12 - 9; with total for Manning, 248 and Spradley 265.

Members Okay Club Improvements

Gatesville Country Club members voted unanimously to incorporate the club as a non-profit corporation and to accept the Board of Directors proposed renovation and remodeling plans and to secure a Farmers Home Administration loan, not to exceed \$85,760.

The Friday night business meeting at the Gatesville High School auditorium attracted 47 of the 98 members for a question and answer session prior to the roll call vote.

The club directors and Mr. E.E. Johnson, engineer from Caldwell, answered questions concerning water systems, financing, maintenance, additional personnel requirements satisfactorily for the members present.

The project is designed to diversify interest in the club and attract new members not necessarily interested in the golf activities of the club. Clubhouse renovation will increase the floor space of the present structure by some 1200 square feet. New facilities will be provided for teenage activity room, conference room, club office, new locker rooms with complete shower facilities, enlarged ballroom, new pro-shop, game room and lounge, all completely airconditioned.

The golf course will undergo several changes with new water

reservoirs, watered fairways, bunkered greens and larger tee boxes.

Committees have been formed to finalize the plans of the project.

The proposed project must be reviewed by the Farmers Home Administration before July 1, 1968. Funds are available until this date, however, and appropriations are not known and possibilities do exist that Uncle Sam will cut back funds soon.

Allen Place, son of Mr. and Mrs. Dwain Place of Gatesville, has been appointed as Page Boy for the Texas Legislature for the special summer session. Allen is pictured here with Preston Smith, during Smith's recent visit to Gatesville. Allen will begin his duties as Page boy, June 4, 1968 in Austin.

Jaycee Rodeo Starts Thursday June 6

Rodeo time comes again. Outside of political events, it will be western week for Central Texas as Gatesville and the Jaycees hold their 30th annual Rodeo.

The first week in June always includes many fun-filled activities for the citizens of the area. There will be trail rides, parades, grand entries, dances, cook-outs and plenty of hard-hitting western action all week long.

The Gatesville Riding Club Trail Ride will begin the activities on June 5th at 8:00 a.m., when the riders will leave the Community Center on their two-day trail ride.

The ride will travel along the Levita Farm - To - Market Highway and make camp for the night on the Willie Johnson farm near the Ater Community after a long ride, Wednesday.

Wednesday night, the riders and guests will include a Bar-B-Q supper, dancing and music provided by Jimmy Payne and the Country Gentlemen.

Bright and early Thursday the trail riders will break camp and ride north through the Panhandle area and return to Gatesville for the parade activities to be held at 5:00 p.m. The parade activities have been developing for several weeks with planning, building and finally the big "parade

day", June 6th at 5:00 p.m. The Jaycees have put up \$100 in cash prizes for the best floats in the parade. First place winners in the float competition will receive \$50, second \$30 and third place, \$20.

Jaycee efforts to land a big name personality to lead this year's parade, were highly successful. Accepting invitations to co-lead the parade were American Football League Oakland Raider quarterback, Cotton Davidson and area television personality, Dub King.

Cotton Davidson, of Gatesville, qualifies as one of the top athletes to ever come from the area. Davidson is presently with the Oakland Raider organization as a quarterback. Cotton played several years with the Kansas City Chiefs, formerly the Dallas Texans. He was instrumental in winning the 1967 American Football League

Championship with the Oakland Raiders.

Davidson spends his off-season in the Gatesville area with his oil company distributorship and ranching interests.

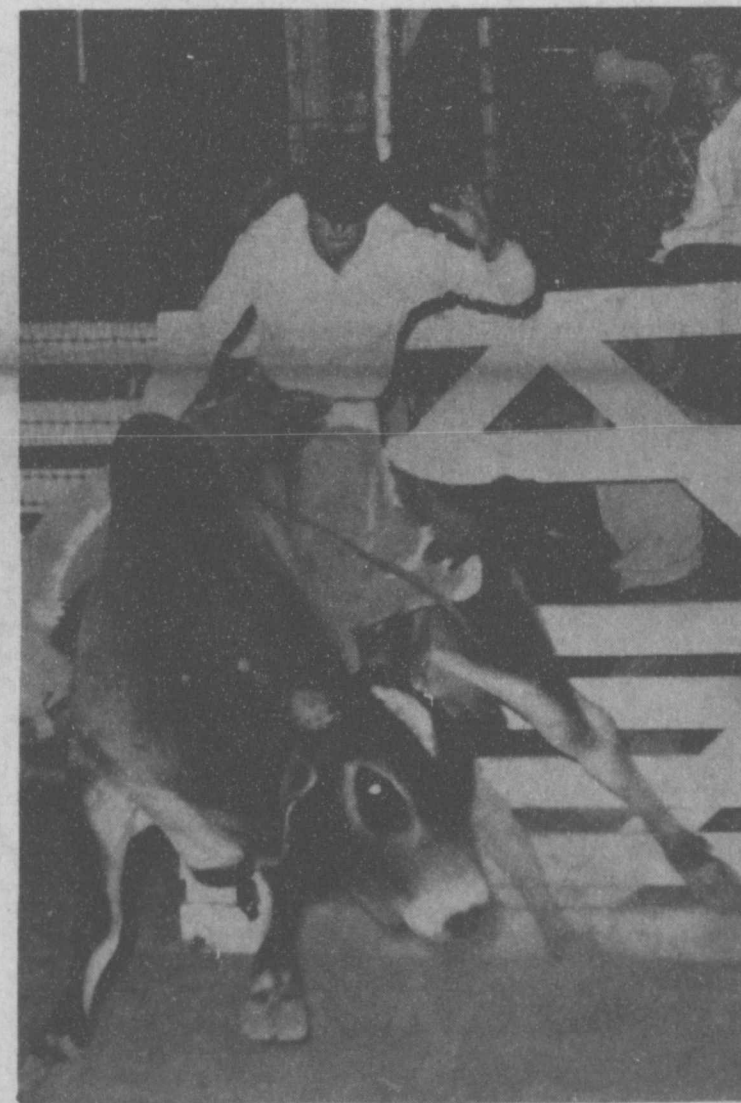

Dub King is one of the top sportsmen in the area. Dub has a 30-minute sports program on KCEN - TV, Channel 6, each Saturday afternoon.

Accompanying Mr. King and Mr. Davidson, at the head of the parade, will be Miss Janet Lightfoot of Waco the the Dub King Sports Show. Miss Lightfoot appears each Saturday in the TV roll filled in past years by Jo Lynn Skelton and Sara Nelle Lowrey of Gatesville.

All of this and the rodeo has not even started.

The Jaycee's 30th Annual Rodeo will officially start at 8:00 p.m. Thursday evening with a

Bob Salter Is Appointed To Appropriations Committee

Bob Salter, State Representative, District 36, has been appointed to fill a vacancy on the 21 - member House Appropriations Committee for the special legislature.

The appointment was announced late last week by Speaker of the House, Ben Barnes. However, Rep. Salter has been in Appropriations Committee meetings for a week.

Normally, committee assignments for a special session of the legislature remain the same as during a regular session, but there was a vacancy on the Appropriations Committee brought on by the resignation of former Rep. Maurice Pipkin of Brownsville.

Salter was switched from another committee assignment to fill the vacancy.

He reported in for the special session a week early to assume the new post since the Appropriations Committee began hearings on budget requests for the various agencies. Salter reported Monday that last week's meetings concerned all state agencies request for funds for the 1969 fiscal year.

The function of the Appropriations Committee is to draft a proposed budget for the state to be voted on by the legislature.

The committee formulates its proposal after hearings with the Legislative Budget Board, representative of the state agencies and the Governor's proposals.

Salter's appointment is the first representative for McLennan County on the committee since Rep. A.P. Cagle, who served in the 45th Legislature in 1937. Coryell County's last representative on the com-

Bob Salter

mittee was Rep. Leaverton of Hamilton in 1959.

The position on the Committee is important to the area in many ways. Bob Salter pointed out that the appointment makes him a more effective representative for the Coryell - McLennan District.

It will be members of the Appropriations Committee who write the spending bill which must be passed for operation of the state government for the 1968-69 fiscal year.

Rep. Salter reported, "It will take \$125 million addi-

tional funds to meet the present level of spending in the next fiscal period."

This week, the committee will be in session with Governor Connally, who will make several proposals for raising the additional funds needed.

Speculation on Connally's proposed tax measure includes repeal of the local option one-percent city sales tax, liquor by the drink legislation and others.

Lone Star Gas Uses New Billing System

The first of Lone Star Gas Company's more than one million customers will receive their gas bills in sealed envelopes beginning in June.

The enclosed billing program which has been under study by the Dallas - based utility for several years, will initially include about eighty percent of Lone Star's customers. The service will include all customers by 1969.

The program features a redesigned bill and a return envelope for paying by mail.

The windowed return envelope will assure that a customer's return stub and check will be sent directly to the Lone Star office in the city or town in which the customer resides.

Copperas Cove Youth Dies of Rattlesnake Bites

A five - year - old Copperas Cove boy died early Saturday in Coryell County Memorial Hospital, after being bitten by a rattlesnake Friday night.

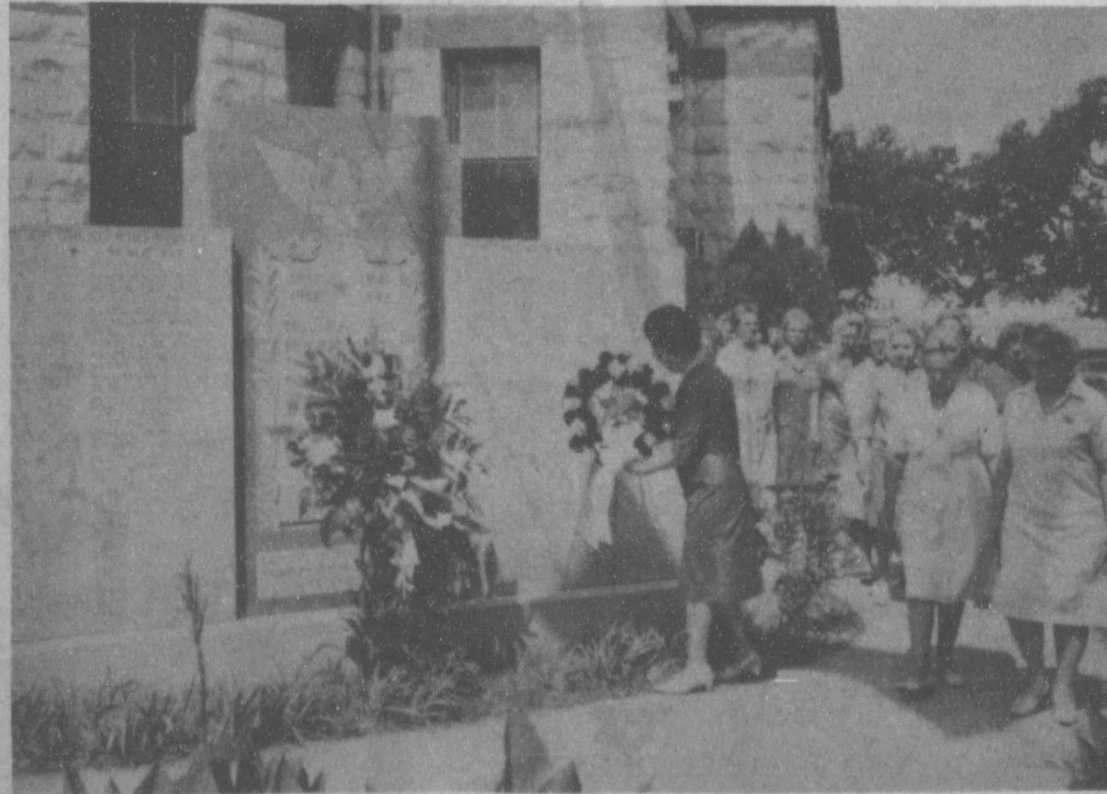

Sheriff Windy Cummings said the youngster, Ricky Wilkinson, son of Mr. and Mrs. Jim Wilkinson of Copperas Cove was apparently playing in the front yard at the home of his grandparents, Mr. and Mrs. Boone Wilkinson, near Pearl. He was bitten near his knee six times by the rattlesnake.

The youth was taken to Coryell County Memorial Hospital by relatives after being bitten about 8:30 p.m. Friday. He died about 3:00 a.m. Saturday.

Funeral services were held in the Copperas Cove Church of Christ Monday at 3:00 p.m. with Minister Raymond deSpain Cemetery.

Survivors include his parents two brothers, Barry Wilkinson and Clay Wilkinson, Copperas Cove; maternal grandparents, Mr. and Mrs. D.W. Fillman of Pearl; paternal grandparents, Mr. and Mrs. Boone Wilkinson of Pearl; a great grandfather, John White of Belton.

Garden Club Held Memorial Day Ceremony

... Memorial

Gatesville's Garden Club members sponsored a Memorial Day program. Thursday morning at 10:30, near the Memorial marker on the Courthouse lawn, Bob Miller, Mayor of Gatesville, was Master of Ceremonies for the program, with opening prayer given by Minister Rolland McLean.

Garden Club members presented corsages to the mothers and widows of those honored and a boutonniere to the fathers of those honored.

The Fort Hood Band, along with the Gatesville High School Band, entertained with patriotic music, a crowd of approximately 150.

Norman Storm, County Judge, gave the welcoming address, followed by a patriotic speech by Minister Neel, of the First Main Street Church of Christ.

Garden Club member, Elizabeth Pancake, sang several patriotic songs, joined by the group in singing "America".

Rev. Kenneth Patrick gave the closing prayer.

Mrs. A.A. Alford, President of the Gatesville Garden Club, places a wreath at the marker on the Courthouse lawn, during a special program given by the Club, honoring the veterans of Coryell County, who made the supreme sacrifice during World War I and World War II. A group of approximately 150, attended the special services held Memorial Day morning.

Social Security Benefits For Coryell County Total \$2,289,888 Annually

There are 1,677 persons in Gatesville getting monthly social security benefit checks each month, according to an announcement by Jack Calvert, district manager of the Temple Social Security Office.

The amount of these cash benefits total \$98,140 each month, or \$1,177,680 each year. In Coryell County, 2,938 persons get monthly checks at the rate of \$190,824 each month, with a yearly total of \$2,289,888.

In the six counties of Bell, Coryell, Hamilton, Lampasas, Milam and San Saba, served by the Temple district office, there are 22,265 persons getting monthly checks of \$1,469,445 for a yearly total of \$17,633,340. These benefits are only cash monthly social se-

curity benefits and do not include the Medicare benefits paid to hospitals, doctors, clinics, other suppliers and the patient. Many people still think of social security as being only for elderly and retired people. But, Calvert, relates of the 22,265 persons in the six counties served by the Temple district office, 1,922 are receiving monthly disability insurance benefits. They must be under age 65 to receive disability benefits. In addition, 4,937 are receiving either young widow's, young wife's, or children's benefits. All of these 6,859 persons are under age 65.

There are four important times when a person needs to contact his social security office or representative. These

are: two or three months before age 62; two or three months before age 65; when a worker, under age 65, becomes too disabled to work; and when a worker dies.

Temple Social Security Office Representative's visits are posted in the Post Office, courthouse, city hall, state welfare offices and all funeral homes.

To get medical insurance protection under Medicare, effective with the month the person attains age 65, it is necessary that the application be filed before age 65.

"Whatsoever Things"

By DONALD E. WILDMON

R. L. Middleton told a story in a recent book about a man named Clarence Powell. It is a story worth passing along because we could, all of us, be Clarence Powell.

Middleton related how Powell told, before he became the well-to-do man that he now is, that he went through some rough times. He was a construction worker and made good money when he worked, but for some time there had been no work and his finances were in bad shape. Here's what Clarence Powell said: "I had six children, and it was time for school to start in the fall. The shoes of three of them were entirely worn out. The boys had been using their feet for brakes on their wagons as they coasted down the hill; the little girl had been skipping rope, and their shoes were in ruins. While I was fretting about this and wondering where I could get some credit, my wife told me that the washing machine had hopelessly broken down. In desperation I searched the papers to see if there was a second-hand washing machine for sale. I finally found one and immediately went to look at it.

"When I got to the right address, I hesitated to go in. The house was so large and imposing a little resentment boiled up in my heart. When I did walk into the kitchen, I just stopped and stood astonished. Everything was so beautiful. There was a dishwashing machine, a combination washer and dryer, a deepfreeze, a refrigerator, and an electric stove. I stood there thinking how happy my wife would be if she had a kitchen like this and wondering why some people had all the good luck anyhow. The man and his wife offered to sell me the washing machine for

just a few dollars, and my expressions of gratitude just bubbled out. I even told them about the children's shoes—how they had worn out dragging them on the road and skipping rope, and what a tough time I was having to make ends meet. And then I said to them: 'It must be nice to have everything so convenient. You must be very happy.'

Then I became aware that the wife had turned a little pale, and after looking at her husband with a pained expression, she had started out of the room. A little sob escaped her as she went through the door. I asked her husband if I had said anything wrong. For a few moments he didn't answer. He was looking at the floor. Then he cleared his throat and said: 'No, you didn't say anything wrong. You were talking about the children's shoes being worn out. We have only one child, a little girl. She's never walked a step in her life. A pair of worn-out shoes would make us very happy.'

"I went home," Clarence Powell said, "and went up to my room and closed the door. I got down on my knees and asked the Lord to forgive me for fretting about the little things. I got those three pairs of shoes and looked at them and smiled. I was so thankful for three pairs of worn-out shoes and for two boys that could ride a wagon and a girl that could skip a rope."

Maybe we have placed the dollar tag on too much. Maybe we have forgotten the things which are most valuable. Lynda and I have three pairs of little shoes that are worn out here at home. We wouldn't take all the money in the world for them. —FIVE STAR FEATURES

AN APRIL 15TH REMINDER

When the typical American family talks about buying a new car, building a home—or any other major expenditure—the head of the house usually asks some searching questions.

Can we afford it? Do we have the money, or will we borrow?

The average American family doesn't buy on impulse... we can't indulge our desires without regard to our pocketbooks. We must of necessity choose wisely.

But there is something we all buy each year with very little choice and with questionable satisfaction. It's the package presented every year in the federal budget—a package we pay for dearly with our taxes.

Today the federal government seems preoccupied with the issue of consumer protection. It wants to be sure our package of breakfast food is full and plainly marked; it wants us to be fully aware of the cost of borrowing money.

Right now, when many of us are having to think about borrowing to pay our taxes on April 15, we might well wish that our benevolent Uncle Sam would worry less about the size and weight of our breakfast food package and show more concern about our plight as harried taxpayers.

When the Administration in Washington last summer proposed a surtax to help reduce large and persistent federal deficits, many economists and businessmen pointed out that a sharp slash in government spending would be a better solution. The government continues to face a critical balance-of-payments situation, growing inflation, and interest rates at century-high levels.

A substantial cut in federal spending would help solve all these problems and of course help all of us as individual taxpayers.

Do your legislators in Washington know how you feel about excessive federal spending? It costs just six cents to express your views.

Pigtails and Pinafore Gone —

The Story Behind America's 'New' 8-Year-Old

One of the best-known and loved young misses in America, Morton Salt Company's little girl with her umbrella, has received her fifth change of fashion.

In her first facelift since 1956, she wears her hair short. Gone are the pigtails, bobby sox and pinafore. Her former yellow and white umbrella now is lavender and white.

The salt package she identifies has been modernized, too, and made more attractive. Changing the yellow top and bottom to white accents the purity of the salt, but the pouring spout and patented shaker top are retained. The color of the package has returned to the original rich blue.

Little Miss Morton has been marching through the rain and into the hearts of millions for more than a half century. She has helped make her product the nation's favorite salt, one of just a few items available in nearly every grocery outlet across the land.

Back in 1911, the Chicago-

based salt company began national promotion of its new product: the original free-running salt in a round blue package with a patented pouring spout.

A proposed series of 12 ads — along with three possible substitutes — was brought to the company. Attention turned immediately to one of the alternatives: a little girl with curls, holding an umbrella and a tilted package of salt. She told the entire story in a picture: the salt would pour in damp weather.

The intended slogan, "Even in rainy weather, it flows freely," was appropriate but not short and snappy. When the old proverb, "It never rains but it pours," was vetoed as too negative, it was rephrased into, "When It Rains It Pours."

She and her slogan first appeared on the package in 1914. Unlike Little Orphan Annie, the ageless Morton umbrella girl has been given a new wardrobe and hair style from time to time to keep her fashionable. The first change came

in the 20's. In the 30's she appeared in "Shirley Temple" curls, so popular then. Pigtails first were seen in the 40's and in the 50's she took on her jaunty look that lasted until this year.

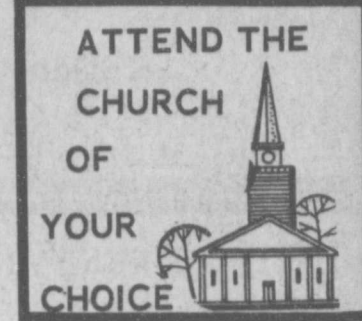

The 1968 change reflects the modern appearance of America's eight-year-old "girl next door."

CAPITAL BRIEFS

LEGISLATIVE COURAGE—In recommending fiscal restraint by the Federal government, Rep. George H. Mahon, (D-Tex.), Chairman, House Appropriations Committee, said, "I do earnestly hope that the House today will show that it is going to tend, whenever reasonably possible, toward not going in 1969 above the level of spending in 1968, and that we will even hold the amounts below fiscal 1968 whenever we reasonably can. We are on trial as a nation as to whether or not we have the discipline and the courage and the leadership to pay our way."

June Designated Texas Lamb And Wool Month

Worth Durham, Texas Sheep and Goat Raisers' Association president, attended ceremonies May 29 in Austin, when Governor John Connally designated the month of June, 1968, as Texas Lamb and Wool Month.

The Governor's proclamation states: "Texas is the nation's largest lamb and wool producing state. Lambs and wool are produced commercially in some 150 counties and the average annual value to the Texas economy is in excess of \$60 million."

"More than 16,000 producers in Texas produce approximately 20 per cent of the nation's supply of lambs and wool on some 28 million acres of Texas rangeland."

"THEREFORE, I, as Governor of Texas, do hereby 1968, as TEXAS LAMB AND WOOL MONTH, and urge appropriate recognition of this basic Texas industry."

June will be filled with numerous activities within the Texas sheep industry. The Sonora Wool and Mohair Show will be held June 11-13; the Lamb with a Future Carcass Contest, June 21-24 in San Angelo; and the Miss Wool of America Pageant, June 27 in San Angelo, Texas Sheep and

"TWO AND TWO MAKE ONE" -- Linda Rae Hager as Ann Pornick and Hal Holden as Arthur Kipps sing the title song from "Half a Sixpence" happy musical comedy opening June 3rd for a two week run at Casa Manana. Kipps cuts a sixpence in half and gives one to his sweetheart as a symbol of their romance in this rollicking song and dance show which the entire family can enjoy. Beverly Cross did the adaptation from the popular novel "Kipps," by H.G. Wells and the music and lyrics are by David Heneker. Performances begin at 8:15 p.m. Monday through Saturday nights, with matinees at 2:30 p.m. on Saturdays. Hearing Equipment Donated To SS Hope

FOR BETTER HEARING

On behalf of hearing aid dealer-consultants throughout the U.S., some \$50,000 worth of hearing aids, diagnostic equipment and accessories was recently presented by Raymond Z. Rich, president of the National Hearing Aid Society, to "Project Hope." Mr. Rich (above right) of Cleveland, O. is shown making the presentation to Ceylonese Ambassador Oliver Weerasinghe and Mrs. Weerasinghe in Florida as the famed hospital ship prepared to sail for a 10-month visit to Ceylon. Also participating in the ceremonies were Dr. William B. Walsh, president and founder of Project Hope, and Samuel F. Lybarger, president of the Hearing Aid Industry Conference.

The nation-wide project to help the handicapped in Ceylon through "Project Hope" was conducted by the National Hearing Aid Society and the Hearing Aid Industry Conference.

Among the equipment donated by hearing aid dealers and manufacturers were nearly 200 hearing aids, hundreds of batteries and other accessories, an auditory training unit, earmold materials, and special test and teaching devices.

"Since loss of hearing is one of the most common physical

impairments," Mr. Rich remarked, "We hope that the joint efforts of the nation's dealers and manufacturers will be of value in the educational, diagnostic, and therapeutic activities of 'Hope' in Ceylon."

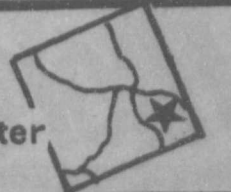

Mr. Rich praised efforts of hearing aid dealers in this campaign and in their continuing endeavors to help the hearing handicapped in the United States. He pointed out that many persons in this country suffer from impaired hearing, yet are reluctant to seek help for their problems.

According to Mr. Rich, a recently published N.H.A.S. booklet entitled "How to Choose the Right Hearing Aid for You" answers the most commonly asked questions regarding hearing aids and hearing aid dealers.

A free copy of "How to Choose the Right Hearing Aid for You" may be obtained by writing: National Hearing Aid Society, 24261 Grand River Avenue, Detroit, Michigan 48219.

News By Mrs. Walter Wiggins

Mr. and Mrs. W.H. Smith of Lubbock, were recent visitors in the Paul Lam home. They, along with Mrs. Lam, went to Sheppard, where they visited their sister and family, Mr. and Mrs. Emmett Brumalower the weekend.

Visiting Mrs. Aubrey Davidson and Mrs. W.S. Garnett one day last week, were their cousins, Mrs. Carrie Spears, whom they had not seen for a number of years, Mrs. Edna Johnson and Mrs. Aline Sellers, all of Temple.

Also visiting Mrs. Garnett and Mrs. Davidson, one morning last week, was their brother, Claxton Draper and wife, of Austin.

Visiting Mrs. Garnett over the weekend were Mrs. Bryan Frost and daughters, Karen and Mrs. Melvin Hyde and another granddaughter, of Mrs. Garnett, Miss Jan Holter, all of Austin. Mrs. Aubrey Davidson was also a visitor in the home of her sister, Mrs. Garnett.

Visitors in the Gus Davidson Jr. home last weekend were their son Rodney, who is at-

tending Navarro Junior College in Corsicana and two boy friends of Houston, who are also attending school there.

Rev. Bennie Bailey was a guest in the Gus Davidson Sr. home, Sunday.

Visitors in the home of Mrs. H.M. Fellers and Miss Ima Fellers, Saturday afternoon, were Mr. and Mrs. J.D. Binford, and Dean and Paula Anderson, of Dallas. Dean and Paula have been living with the Binfords since the death of their mother recently.

Mrs. B.G. Anderson of Waco, spent the weekend visiting her mother and sister, Mrs.

I am the light of the world. —(John 8:12)

Jesus said that we are to follow in His way, that we are to do the things He did, and to do even greater things. The same light that shone through Jesus shines through us. We too, can walk in the light, our path clear, and our good revealed.

Sacrifice

by Roland Magill

Seriously I wonder why We're in Viet Nam today Is it just to boost our ego Or gain more prestige to say If you say it isn't either, What valid reason can we give To dump our gold with careless hands Like pouring quick-sand thru a sieve.

They've fought among themselves For centuries untold And will until the end of time In spite of all our gold Our gold is just a minor part For it can be replaced But the precious flower of our youth Is fast going to waste.

Must we expose our valiant sons To every dart that's hurled To be used as cannon-fodder Must we police the world? It's noble to protect the weak Against the mighty strong Our President must think he's right Dear Lord forgive him if he's wrong.

Why sacrifice our noble sons Leaving many hearts to weep For a semi-savage land Where life is always too abundant And is held so very cheap. May every lonely mother's heart That makes the sacrifice And bears its grief and pain Be reconciled in God's own time That it wasn't made in vain.

We've made our contribution And fully did our share Let's quit that fever ridden swamp And get back out of there. We had no business there at all We've been there much too long Let's pull up stakes the best we can And get our precious boys Back home where they belong.

GOLDEN TOUCH OF HOSPITALITY

BY JANE ASHLEY

Unusual Cabbage Casserole

There's nothing plebeian about this cabbage casserole. Serve it with corned beef, if you like, but be prepared for it to steal the show.

Creamed Cabbage Casserole

1 medium head cabbage, cut in wedges
1/4 cup margarine
2 tablespoons corn starch
1 teaspoon salt
1/4 teaspoon pepper
2 cups milk
1/2 cup chopped walnuts (optional)
1 cup shredded cheese

Cook cabbage in 1/2 to 1-inch lightly salted boiling water about 7 minutes or until just tender. Meanwhile, melt margarine in saucepan over medium heat. Remove from heat. Blend in corn starch, salt and pepper. Gradually mix in milk. Cook over medium heat, stirring constantly, until mixture thickens and comes to boil.

Drain cabbage well. Arrange alternate layers of cabbage, walnuts, if desired, sauce and cheese in greased 1 1/2 quart casserole, ending with layer of cheese. Bake in 425 degrees F. (hot) oven until heated and cheese is lightly melted, about 8 to 10 minutes. Makes 6 servings.

Unser Wins Indy 500

Bobby Unser sits on the tire of his Eagle turbo-charged Offy at the Indianapolis Motor Speedway where he won the annual 500-mile classic with a record speed of 152.8 miles per hour. The Albuquerque, New Mexico resident, who defeated the favorite turbine-powered vehicles, used a conventional piston engine similar to the engines in regular family automobiles. Unser's Indy victory was his fourth in a row this season — with earlier wins at Las Vegas, Nev., Phoenix, Ariz. and Trenton, N. J. Humble Oil & Refining Company supplies the fuels and lubricants for Unser's racing car.

G.C.C. TO HOLD PRO-AM TOURNAMENT

Gatesville Country Club will hold the first Pro-Am in several years, this Sunday, June 9 at 1:30 p.m. Pro-Am's were popular at the club some years ago, before the mechanical age of golf carts complicated pairings and caused a break down of this type tournament.

Pro-Am requires each team to play together, scoring points

for eagles, birdies, pars, bogeys and in this tournament, double bogeys for the women contestants.

In years past, women did not play this type tournament since they had to compete on the same basis as the men. This tournament will have two categories with breakdowns of Pro, "A", "B" and "C" in the men's division and "A", "B" in the women's division.

All golfers interested in the tournament are asked to notify tournament chairman, Johnny Jones, as early as possible to allow player classification. Drawing for teams will be at 1:00 p.m. Sunday and all entries must be in prior to the drawing. Teams will play together.

G.H.S. Band Director Joel Lamkin Helps With Annual Summer Music Camp

The 11th annual Summer Music Camp, sponsored by the Baylor School of Music began Saturday, June 1st and runs through June 9th.

The program for the camp will include classes in theory, composition and conducting, workshops in piano, organ and harp and a band, orchestra and chorus.

Along with Baylor music faculty members and other members of Baylor Faculty helping with the camp is Gatesville High School Band Director, Joel Lamkin.

4 - H To Hold Play Day And Horse Show June 14

The Coryell County 4 - H Horse Club will hold a play day and horse show at the Copperas Cove Arena on June 14th at 7:30 p.m. All youths, 18 and under, are urged to participate. You do not have to be a 4 - H member to enter. Entry fees will be 25¢ per event with ribbons given 1st thru 6th place.

Halter classes will be held first, with classes for colts, mares and gelding. Following the halter classes we will have both Junior and Senior Divisions in showmanship, western pleasure, reining, barrel racing and pole bending. 4-H members points will count for our yearly awards. Admission is free -- Everyone is invited.

For further information, you may call the County Extension Office, 865-2414 or Mrs. Johnny Freeman, Ki 7-4245, Copperas Cove.
