

## Measles Inoculation ASC Community Committeemen Project Disappointing Election Scheduled Sept. 18

Tuesday's Measles Inoculation program was termed very disappointing by Coryell County Medical Society Secretary, Dr. William Floyd.

"The people were just not interested," said Floyd. "We felt that the program was well publicized with posters and newspaper coverage."

During the five hour program only 262 children, from ages 1 to ten were processed at the Gatesville High School.

Floyd reported that staff cooperation for the program was tremendous. All workers on the project volunteered their time and talent hoping to inoculate as many as a thousand youngsters.

Dr. Floyd compared the Measles program to the Polio program, of the early 1960's when that disease was all but eliminated. Publicity as to the serious complications and possible death due to polio were quite common knowledge at that time.

"One out of ten measles cases causes a serious defect," reported Dr. Floyd. The defects due to measles range from pneumonia to middle ear infection.

"The program will not be conducted again unless we receive sufficient requests for it," reported Dr. Floyd.

Doctors involved with the project expressed disappointment with the turnout. However, estimating turnout was difficult. Children who have had measles and children already inoculated were unknown factors in the estimate.

### Bee House Revival To Continue Through August 11

It is not too late to remember the Bee House revival, at the "church in the wildwood". Rev. Jack Hopkins, Little River, who came to Evant and introduced the Lord's Acre program to the Methodists there, is doing an uplifting selection of sermons. Dinner "on the ground" will be served the last day, which is Sunday, August 11, and the time will be 1:30. So do attend the remaining services, after this reminder. Rev. George Matthews, parish pastor is still as much alive as ever was and he and his family, along with other fine singers add so much to the services, that if it was a singing service, it would still be a revival.

### Newcomers Club to Feature Style Show Public Invited

When the Newcomers Acquaintance Club of Gatesville meets this month for its regular meeting, Elsie Bauman, of Elsie's Pants and Top Shop, will present a style show.

The meeting and style show will be held Tuesday, August 13, at 7:30 p.m. in the National Bank Civic Room.

Featured in the style show will be sports clothes, wrap-around skirts with blouses to match, pants and tops and dactron knit dresses. Also modeled will be the Nehru Meditation Jacket.

All interested Gatesvillites may attend this show with no charge for admission.

A pair of nylon stretch pants will be given away to some lucky winner, as a door prize.

Mr. Joseph Edward Stanwick was sentenced to two years in the Texas Department of Correction at Huntsville, for theft.

Mr. David Malone was sentenced to two to three year term in the TDC at Huntsville and received probation under the terms of the Adult Probation Law.

Mr. Lewis Earls was tried on a burglary charge and found guilty. Sentence was set at 2 to 3 years in TDC, at Huntsville, with the sentence being probated under terms of the Adult Probation Law.

The week-long civil defense training school is conducted by the Texas Engineering Service. Radiological defense officers are training in interpreting and calculating data for advising administrative officials of radiological dangers.

In the event of such a requirement, the RADEF officer will supervise work of radiological monitors assigned to fallout shelters.

ASCS Election of Community Committeemen to be held September 18, 1968.

The Community Boundaries for Coryell County are the same as they have been, A, B, C, and D. Those having questions concerning community boundaries are to contact the ASCS County office.

Present Committee members for the four communities, are: A Community, Boyce Conner, Don Calhoun and Howard Mosley; B Community, T.J. Smith, Hershel Wilhelm and Wayne H. Pruitt; C community, Clebe Balze, Raymond Blankenship and Raymond Gohlke; and D community, Paul Lam, Quinton McCorkle and Hy Davidson.

A slate of nominees will be selected by the present community committee.

The county committee may add additional nominees. Others may be added to the slate of nominees by petition, if they are found to be eligible and willing to serve if elected.

Petitions must be - Limited to one nominee each; signed by at least six eligible ASC voters in the community (eligible voters may sign as many petitions as they desire); received at the county office by August 26, 1968.

Persons nominated should be (1) currently engaged in the operation of a farm or ranch and (2) well qualified for committee work.

In general a person is eligible to be a community committeeman if he lives in the community in which he is eligible to vote. If a person who is nominated by petition is found to be ineligible, he will be notified and given 15 days in which to appeal to the county committee.

The official ASC Community Committee election ballots will be mailed to eligible voters 10 days before the election. The voted ballots must be mailed or returned to the ASCS county office in person by the date of the election stated above.

Any person who does not receive a ballot but thinks he is an eligible voter should contact the ASCS county office and request a ballot.

A copy of the Regulations Governing ASC County and Community Committees is available for review in the ASCS County Office. The ASC county committee decides questions on election procedure or eligibility to vote or hold office. Such decisions may be appealed to the ASC State Committee.

The voted ballots will be counted in public at the Coryell County ASCS Office, on September 20, 1968 at 9:00 a.m. The vote counting may be witnessed by any interested person.

The nominee who gets the most votes will be Chairman of the Community Committee. The one who gets second most votes will be Vice Chairman and the one who gets the third most votes will be the regular member. Those getting fourth and fifth most votes will be the first and second alternate com-

mitteemen. The three community committeemen serve as delegates to the county convention to elect farmers to fill vacancies on the ASC county committee. The alternate committeemen serve as alternate delegates.

The county convention will be held on September 25, 1968 at 10:00 a.m. in the County Agricultural Building, Gatesville, Texas. The convention is open to the public.

Highway vehicle owners or operators must pay by September 3rd, 1968, the Federal Use Tax on motor vehicles used on the public highways, says the Internal Revenue Service. Ordinarily, the deadline for payment of these taxes is August 31 of each year; however, since August 31 falls on a Saturday this year, and because the following Monday is Labor Day, the deadline is set back to Tuesday, September 3.

This tax applies to most trucks and busses in operation in July of this year and covers the tax year beginning July 1.

IRS form 2290, used to file the truck and/or bus return, gives a handy tax computation schedule. Taxable vehicles range all the way from two-axle trucks to three or four-axle truck-tractor combinations. The Government advises that truck and bus owners to closely read Form 2290 and see if they must pay this tax.

Besides the September 3 filing date, truck and bus owners should also remember that any additional vehicles acquired after they have filed their 1968 return are subject to the highway use tax this year. In these cases, a tax return must be filed by the last day of the month following the month the vehicle was put into operation.

GSSB Youth Filed On For Theft Over \$50

County Sheriff, Windy Cummings, picked up a GSSB youth in Cameron who allegedly burglarized the Bill Sellers home on College Street, Friday, August 2.

The youth was returned to the State School.

Last week Sheriff Cummings picked up a local man on a worthless check warrant. The man posted \$100 bond and was released.

Monday morning, August 5, GSSB escapees stole a 1957 Ford pickup belonging to Howard Baker. The youths were apprehended in McGregor early Monday.

The youths were returned to the Gatesville State School.

Charges of theft over \$50 were filed against one of the youths and the youth is in county jail in lieu of \$2,000 bond.

Sheriff Cummings reported two GSSB youths were filed on this week for theft over \$50 in connection with the June theft of Mr. James Ross' pickup at Turnersville.

Airport Commission Accepts Terminal

The City - County Airport Commission met Monday night, August 5, to consider approval of the new terminal building at the airport.

The commission recognized David McDonald as the first student pilot to solo at the City - County Airport.

The joint board accepted the new terminal facility. The terminal will be in operation in the near future.

DRAFT QUOTA CUT

Texas' draft call for September is 663 men, smallest since June 1967.

Col. Morris S. Schwartz, state selective service director, said budgetary limitations will prevent a reduction physical - mental exams during August.

July call was 695 men. Calls in 1967 ranged from a low of 674 to a high of 1,421. Monthly quotas this year have ranged as high as 2,378 (last April).

52nd District Court Completes Work on Three Cases

Judge Truman Roberts' 52nd District Court completed work on one theft case and two burglaries this week.

Mr. Joseph Edward Stanwick was sentenced to two years in the Texas Department of Correction at Huntsville, for theft.

Mr. David Malone was sentenced to two to three year term in the TDC at Huntsville and received probation under the terms of the Adult Probation Law.

Mr. Lewis Earls was tried on a burglary charge and found guilty. Sentence was set at 2 to 3 years in TDC, at Huntsville, with the sentence being probated under terms of the Adult Probation Law.

enigunty comes to its height. Anyway, our local simming pools back yard pools and even a few water sprinkler were put to use yesterday as temperatures reached a scorching 99 degrees. Weathermen report there is no change in sign! WHEW!

All central Texans are accustomed to the 105 plus temperatures of late July and August, but face facts, it has been a wonderfully cool summer, to date.

Keep your fingers crossed, maybe 1968 will be a cool year weatherwise and otherwise.

Area youth and adults spent some part of their day seeking a cool spot and a minutes relief. There was one smart German Shepherd dog that was observed to resist leaving the air conditioned comfort of his master's home for the excitement of the great outdoors and 100 degree temperature.

The Jackson Insurance batmen worked in convincing style through the State tourney. Picking up 18 runs in four games. Three teams remain in competition as of Thursday noon, La Marque, Houston and Dallas.

## STATE TOURNEY NEARS COMPLETION

The Texas Freshman League Tournament has moved into the last round with possibly only two games remaining.

The Gatesville representative, Jackson Insurance, bowed out in a thrilling contest Wednesday night.

Jackson Insurance played La Marque to a 4 to 4 tie in the regulation 6 inning contest and continued the tie situation until the 8th inning score by La Marque.

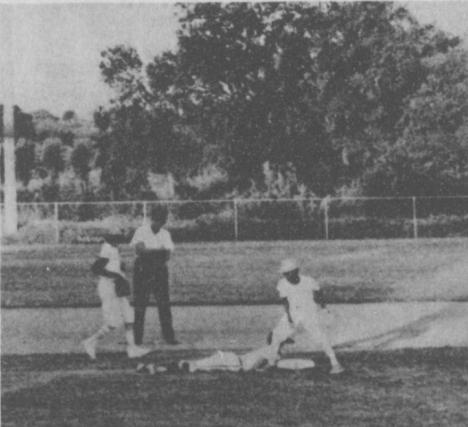

Jackson Insurance completed the tournament with a 2 win, 2 loss record. Gatesville won the first two games of the Tourney, beating Houston 5 - 0, Monday and La Marque, 7 - 1, Tuesday.

Wednesday proved to be a bad day for the Jackson Insurance when they lost the 10 a.m. game to undefeated Dallas Little O's, 4 - 2 and then dropping the nightcap, 5 - 4 in 8 innings to La Marque, who they beat on Tuesday by six runs.

In other games on Monday, August 5, Fort Stockton lost to Dallas Little O's, 2 - 0.

Jackson Insurance base runner just makes it back to second base during the first inning of the game with LaMarque, Wednesday night.

# EVANT NEWS

By Cornelia Kreid

It had to be a merry voice who called Sunday afternoon to announce plans for the Fairview Baptist Revival, for it was Mary Flippins, the lively and winsome daughter of James Flippins, who is just home from the Farm Bureau Youth Seminar, held at Waco, all last week.

Night services, only, will be conducted at Fairview, with Evangelist Gerald Hendon, Brownwood, preaching at 8:00. Pianist will be Mary Flippins with Mrs. Ima Hughes and Debbie Flippins, as song leaders.

Evant school has a right to be proud of Mary Flippin being sponsored by Evant Lions Club and sent by assistance of Farm Bureau, also, and counted among the 424 members of the youth of Texas who participated in the week's counseling, study and fun provided for young people from 156 counties of Texas.

They stayed at the Baylor University dormitories. Mary will be a senior in the fall, at Evant school. Mary is capable of passing the word on to groups who will be highly enriched by having her as invited guest to relay the good word of what the programs provided for the coming leaders of Texas and the nation. This is the only girl from Coryell County who was present.

Sunday guests of Mrs. Amy England included her brother and sister - in - law, Mr. and Mrs. Nelson Warren and the Rev. and Mrs. George Matthews and sons, Bruce and Cort. Honored on the occasion of being in Texas, were her son - in - law and daughter, Mr. and Mrs. Stanley McAfee, James and Scott, Princeton, New Jersey. This is the first time the entire McAfee family have visited in Evant together.

Since no one is looking, let this be recorded: not one word of Grandmother England's description of her family is exaggerated! They were all present for church, together, in Evant Methodist Church.

Not to be slighted in the least is the remarks on Diane Hamilton, daughter of the former Patsene Thompson, and Mr. Hamilton, Big Spring.

Mr. and Mrs. Glynn Price and family, Fort Worth, arrived in the home of his parents, Mr. and Mrs. Bill Price, Friday, for a visit.

Mrs. J.H. Ballow was conveyed to Hamilton County General Hospital last Monday, after suffering a heart attack while eating the noon meal. She is making a satisfactory recovery, and hopes to be home soon.

Mr. Bob Calhoun is hoping his friends will not forget he is in the Hamilton Rest Home. His grandson, William Lovins, age 4, says to turn at the sign - just across from the R.E.A. building to go see him.

Cristie Martin, Houston, spent a few days with her grandfather, Clifford Onstott and is now gone to Dallas to visit before returning home.

Happy news came to Evant, Sunday afternoon, at the Taylor Williams family returned from Toy visiting with Ramsey kin. By the time all the family arrived to honor Jerry Ramsey's return home, that found that his brother, Billy, who is stationed in Alaska, will be in home by Tuesday. That will be a good reason for the family gathering again, in a few days, to sleep under the stars, too cook on open fires and meet old friends and reacquaint themselves with each other.

Among other guests, Walter McCurry and his family and grandchildren were present for the "get-together". He lives in Buchanan Village, Delmer Ramsey and family, New Orleans, La., were the furthest away of the family who were present. He is an uncle of the Ramsey boys, both of who are in the armed services.

Before we live another week, it is too good to keep, so the Withers family are happy to report that their son, Jimmy, is now in Denver, Colorado. That is nearly on the front porch, to compare to serving in foreign lands. He has been in the United States several weeks now.

Mrs. Taylor Williams reports that they were "off to the lake" for the weekend, to be with their grandson, Jerry Ramsey and family, who were just home from Germany. His parents opened their home on Buchanan Lake and have taken off their vacation time to be with the children and grandchildren, which makes this a top occasion of the year. The first of September, Jerry is due to leave for Viet Nam and his

pinness, just sell some at the care home.

Saturday night, at Llano, Larry Massingill, twelve year old son of Mr. and Mrs. Clinton Massingill, Route 1, Evant, finished off enough winnings, in rodeo work to prize his 26th trophy.

Other prizes for the night's performance included a \$45 pair of chaps, a silver belt buckle and leather belt, and honor of being chosen all-around cowboy for the night.

Activities participated in included pole bending, barrel racing and break away roping. Young Massingill has been working with these performances over a year, and will soon be "too old" for such, but finds it so fascinating, he will probably continue to the acts of older youth groups.

More unfortunate is the very young Miss Cindy Parrish, daughter of Mr. and Mrs. Wayne Parrish, who is wearing a cast on her neck. Always one hears of the mother, who picked up the baby's bottle and wrenched her spine, in this case, just in the procedure of daily care, little Cindy suffered a slipping of some portion of her bone structure and is making it fine in the recovery period under the loving care of her parents and big sisters.

A bit of romance might be slipped in as an achievement among the youth of the community. The wedding which was performed Saturday evening for Miss June Martinez and Sgt. James Goldman, at Evant Baptist Church, one might say it was more like a fairy story in the manner of their meeting.

Sgt. Goldman was overseas and received a ditty bag from Evant homemakers. When he returned to the United States he was sent to Fort Hood. With time, he and his best man came calling to the Evant community, hosted by the family who had befriended him while in the service, and ultimately claimed one of their four charming daughters as his bride. (An official wedding write - up will appear in next week's paper).

Mr. and Mrs. B.T. Arnold attended church in Lampasas, Sunday, and dropped by the hospital to visit everyone's good friend, Bill Fraley. Bill is improving, but still in Room 7, Rollins - Brook Hospital, where he can have all the letters and cards from all his friends, and limited guests.

Mr. and Mrs. Graham H. Wall and her mother, Mrs. Tilda Wilson, were Caddo Mills

and Greenville visitors over the weekend. Mrs. Wilson formerly lived at Greenville and thereby was able to see old friends and relatives. Her human interest story included visiting an artist friend who has had several fine paintings on exhibit and is expecting an invitation to an outstanding feature very soon. Mrs. Wall purchased a piece of her work of art.

Mr. and Mrs. Robert Lee Kreid and family, having just returned from State Line, Mississippi, where they visited the Brown -- Douglas Homes, from which the kind had just been in Texas, visiting kin, in Evant, and showed a "trophy" in the form of a huge rattler killed while in that area. And Texas thought, up to that one, they had all the big snake tales! But how much of a snake is tale, anyway?

Miss Shelia Stanford, daughter of Mr. and Mrs. Darwin Stanford, who is employed in Austin, spent last week with her family, as it was her vacation time. Young Stephen Stafford, her baby brother and Stanley, her "big brother" ages some less than a year, and in early high school, both glowed with pride of having her home - and her parents filled to overflowing just from the mere fact. At least Austin is near enough for a weekend visit often -- and especially when Sylvia and David Straley are back "home to Texas", from Florida. Two inseparable sisters these were, until marriage and college changed things for them, some two years ago.

A whole week has passed and still no word from the A. M. Sparks station wagon that was stolen from their garage last Monday night. Containing all a contractor would be expected to carry in his work car and his fishing equipment besides, it was taken probably after midnight. The family assume it was rolled from the drive and, in the view of it not being full of gas, they have a good reason to believe it was not to be blamed on inmates of the local State Training School boys, this time.

Our cafe will be CLOSED EVERY TUESDAY for general cleaning and to give our employees a day off.

**DREAM GARDEN** . . . from the rear of the lovely Angerman residence, one really gets the feeling that he or she is in a dream garden paradise - with an uncountable variety of flowers and foliage growing in strategic places around the home and in garden spots on the rear lawn.

Almost every common flower grows in abundance in the billowing flowerbeds at the home. I can remember only a few of the many colorful flowers and deep green shrubs growing there. I saw (to mention only those I recognized easily) Cannas, Caladiums, Day Lilies, Periwinkles, Marigolds, Rose bushes and a few Candle Trees and many others.

In the midst of the garden, was a stone bird bath with a squirrel carved in the center of the basin.

I believe my favorite spot at the Angerman home was under the "tree wall", formed by a row of trees at the side of the home.

All of the flowers, shrubs, and trees combine to form a really lovely setting for a lovely home! Go see it!

**NIXON'S THE ONE** . . . NIXON'S THE ONE . . . That was the cry of the crowd of Republicans who joined the Miami Beach Convention Hall last night to attend the most exciting night of the Republican Party's week of "conventioning".

I, for one, was awake at the final hour (2 a.m.) when Mr. Nixon became the standard bearer for the GOP in the '68 election with the votes of the Wisconsin delegation.

No one can truly tell what will happen in this year of turmoil - in the jungles of Vietnam and our own city streets - who will be our next head of State.

I guess we'll just have to wait until the Democratic Party completes its business at the '68 Democratic Convention to be held in Chicago in late August.

Plus we have another choice - the third party candidate, former governor, George Wallace of Mississippi - 1-1-1-1. It's going to be a long campaign and we citizens must be ready for anything - it should be an exciting election, year all around! I, for 2, shall watch the Democrats "hash" it out in late August and if the American Party convention is aired on the "bright entertainment box", I shall watch it also - how about YOU? Watch history in the making - who knows what we'll be cheering after November!

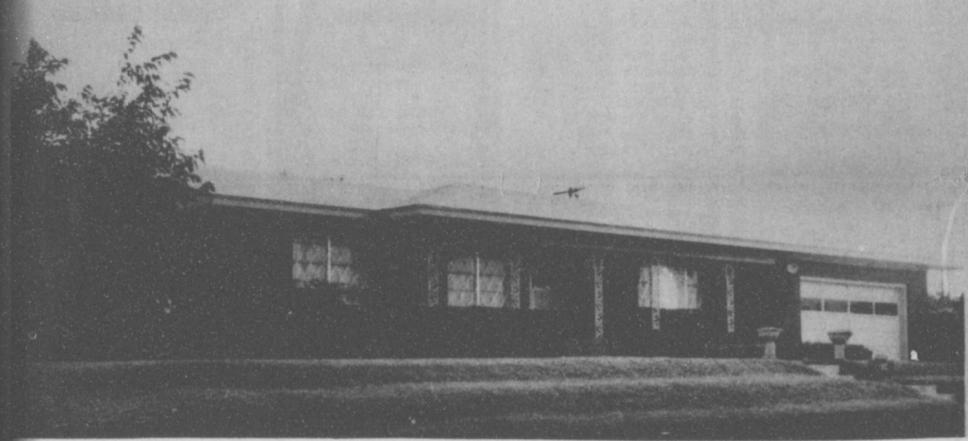

**FASCINATINGLY BEAUTIFUL** . . . those words very aptly describe the lovely home the NEWS cameras are "glancing" at this week.

The strikingly beautiful home is that of Mr. and Mrs. Bernard Angerman of 2530 Mears Drive, Gatesville.

At the very first "glance", one is captivated by the unequalled beauty of the Angerman lawn. The most striking point about the home is the immaculately kept lawn in terraced in three gentle slopes "carpeted" in rich thick grass. Even the trim on the straight-lined home blends with the lovely green grass surrounding the structure.

Two lovely pedestal urns, filled with greenery, compliment the stair-step walkway approaching the porch. In addition to flowerbeds, filled with greenery and shrubs, "blocked" hedges "frame" the front criss-cross window of the lovely home. Green ivy growing up the deep red brick walls complements the lacy look of the decorative wrought iron trim on the porch.

From the view of the News camera, you can see the ordered landscaping, which has made the Angerman home one of the MOST beautiful we have visited.

The Bernard Angerman Home

**Library News**

The Gatesville Public Library has received gifts of books and money in memory of J. Creg Davidson. The books are Handicap Race by Dorothy Clarke Wilson and the Bridges of Love by Grace Nies Fletcher. Appropriate books will also be purchased with monetary gift.

The library is now receiving twenty-seven monthly magazines and two local newspapers. Back issues of magazines are kept for five years and they may be checked out for two weeks just as books are. We would appreciate copies of America, Holiday, Natural History, Popular Electronics, Science News and Time from anyone when they have finished with them. We also need old copies of the National Geographic Magazine to complete our collection from 1915 to 1954.

Some new novels at the library are: True Grit - Portis, Farewell to Valley Forge - Taylor, Among Thieves - Cuomo, Ghosts - Perrin, So Big - Ferber and One Woman's Land - Finney. We also have the autobiography of Marian Anderson - My Lord What A Morning.

The Public Library is open Monday through Friday from 1:30 p.m. until 5:30 p.m. and on Saturday morning from 8:30 a.m. until 12:30 p.m.

**Mr. and Mrs. Bromser Honored By Children**

**On Silver Anniversary**

Mr. and Mrs. Paul F. Bromser were honored by their children, Sunday, with a silver anniversary dinner, in the home of Mr. and Mrs. Robert M. Scott of Austin. Mrs. Scott is a daughter of Mr. and Mrs. Bromser.

The table was laid with a white lace cloth and the centerpiece was a three-tiered white and silver wedding cake, decorated with a miniature bride and groom and the silver numeral "25".

Those sharing in the occasion were Misses Paula, Leah and April Bromser of Gatesville; Mrs. Grace Page of Kemah; Mr. and Mrs. J.L. Frazer of Palestine; Rev. and Mrs. Tom Connally Hollingsworth of Buenos Aires, Argentina; Mr. Tom Hollingsworth, Jr. of Waco; Mr. and Mrs. Pat Hollingsworth and Vicki of Gatesville; Mr. and Mrs. Dan Hollingsworth, Danny and Ken of Waco; and Mr. and Mrs. Johnny Jones and Michael of Gatesville.

Mr. and Mrs. Bromser were married August 8, 1943 in Houston, Texas.

scum growing on the creeks and ponds. A time when it takes all out effort to get out of the lawn chair and go to the house for a cold drink. When we decide the garden is drying up anyway, so there's no use pulling the weeds. We know we won't be able to eat all the vegetables already canned, so why pick any more?

But when the sun sets and a little breeze springs up, there are a few garden chores we can do with very little effort. One of the easiest and most rewarding is the planting of fall blooming bulbs. Red and yellow spider lilies or lavender and yellow autumn crocus. Planted now, these will send up their attractive flower stalks in September, then die down until their brief growth of foliage in the spring. After the foliage matures, they will again disappear from the garden until next September.

Another easy evening job is weeding the rock garden. Small plants set in shallow pockets of soil can not afford to share the scarce summer moisture with the weeds.

A harder task is the placing of a rock mulch around fruit and other trees. Large flat stones or a good covering of gravel are used for this. The rocks will keep roots cool and retard evaporation during hot days. When the dew rises at night, it will condense on the bottom of the rocks and the moisture will not be lost into the air in the morning. The rocks will let the rain penetrate easily to the roots with no crusting as sometimes happens with other mulches.

**Jonesboro Baptist Youth Crusade**  
Youth people are saying a lot in our world today. As no other generation, they are outspoken, interested, and seeking. The message of the Bible is an open invitation for such young people -- at least, the young people at the Jonesboro Baptist Church believe it is. We are sponsoring a unique:

Youth Crusade for ALL Ages August 9 - 11 at the Jonesboro Baptist Church. Services are each evening at 8:00 p.m. Fellowships on Friday and Saturday nights.

The services will be led by young people who will sing and share their testimonies. There will be a different preacher in each of the four services. These area ministers are interested in the lives of young people. Sunday morning the young people will participate in the Sunday School as leaders and teachers. Interested?? Why not come and just see for yourself what young people are saying in our world today.

This is our personal invitation to you to come and be with us throughout this next weekend. Will you be there? Bring your friends or date, everyone is invited. See you Friday Night, August 9, 1968 at 8:00 p.m.

## Miss Beverly Louise Sheldon - Gary F. Hudson Repeat Vows

Mr. and Mrs. Gary F. Hudson

Miss Beverly Louise Sheldon, daughter of Mr. and Mrs. Weldon Sheldon, Evant and Gary F. Hudson, son of Mr. and Mrs. J.W. Hudson, Brownwood, were united in marriage at First United Methodist Church, in Evant, at 3:00 o'clock in the afternoon, June 30, 1968.

An arrangement of gladiola and spider mums flanked by tiers of polished jade and candelabra, holding white tapers, formed the background for the ceremony. Contrasting floral arrangements were placed on the piano and organ. White satin bows, centered with carnations and green foliage, designated the family pews.

Miss Ella Ruth Clary, Star, cousin of the bride, was pianist and Mrs. George Matthews, was organist. They accompanied Mrs. Grady Baker and Mrs. Wilburn Green as they sang "Whither Thou Goest".

The ceremony was performed by the bride's great uncle, Rev. Virgil Arnold, Dallas, and Rev. George Matthews, pastor of Evant First United Methodist Church. The parents of the bride were united in marriage by Rev. Arnold.

The bride was given in marriage by her father. She wore a white gown of raw silk with bateau neckline, which dipped to a bow in the back, from which fell her train. A crown of velvet and satin rose petals held her illusion veil. The bridal bouquet was of white rosebuds, stephanotis, tear drop pearls and a white orchid.

To carry out the tradition of wearing something old, borrowed and blue and a six pence in her shoe, she chose a gold bracelet belonging to her grandmother, Mrs. C.W. Sheldon, which has been worn by her sister, as a recent bride.

Honor attendants were both the bride's sisters who reside in Austin. Mrs. Glenn Benning, the former Charlotte Sheldon, was matron of honor and Miss Sue Sheldon was maid of honor. They wore identical gowns of blue silk. Rose petal headpieces held their short veils. They each carried a nosegay of rose buds and tear drop pearls, centered with spider mums.

Miss Darlene Sheldon, cousin of the bride, and Billy Hudson, Brownwood, brother of the groom, lighted the candles. Miss Sheldon was dressed identically to the bridal attendants.

Twin brothers of the groom served as his attendants, Ronnie Hudson was best man, Donnie Hudson, was groomsman. They both reside in Fort Worth, Scott Marwitz, Waco, Jan Hudson and Lewis Smith, both of Temple, served as ushers. Mr. Hudson is the groom's cousin.

For her daughter's wedding, Mrs. Sheldon wore a blue knit sheath dress, with matching accessories. The groom's mother wore a yellow knit sheath with matching accessories. They wore identical corsages of carnations and tear drop pearls.

Mr. Lewis Smith, cousin of the groom, presided over the register. An arrangement of

spider mums accented the table, set in the church foyer.

Immediately following the ceremony, the bride's parents hosted a reception in the Fellowship Hall of the church. The bride's table was laid in white net over satin and sprinkled with white miniature nosegays in the bride's chose colors of blue and white. The centerpiece was gladiola and spider mums and the appointments were crystal.

The three-tiered wedding confection, compounded by the bride's aunt, Mrs. Leslie Sheldon, of Evant, was decorated with white sugar bells and topped with a cluster of wedding bells holding a replica of the wedding rings.

Miss Sheila Stanford, Austin, and Mrs. John Bauman, Temple, presided at the serving table. Other members of the houseparty were Mesdames W. L. Arnold, Liburn Green, Delvin Marwitz, Leslie Sheldon, Winifred Sheldon and Elbert Sheldon. The latter two are aunts of the bride.

Blue tulle rice bags, tied with

matching ribbon and white lace streamers, were passed out by Miss Cindy Channell, Vernon, and Phil Sheldon, Gatesville, both being cousins of the bride.

The couple is at home at 514 North 5th Street, Temple.

The rehearsal dinner, held in the El Rancho Restaurant, Evant, was hosted by Mr. and Mrs. Lee Hudson, Temple, uncle and aunt of the groom. Gladioli and spider mums were used as table decor. Blue candles and blue satin runners, inscribed with the couple's names, completed the setting.

The couple are both students in Temple Commercial College.

The bride is a 1967 graduate of Evant High School. The groom is employed, in addition to his class work, with E.R. Carpenter Company, Temple.

Grandparents of the bride, Mr. and Mrs. C.W. Sheldon and Mrs. Jim Soles, were present, together with the grandparents of the groom, who were Mrs. Love Hudson, Brownwood and Mr. and Mrs. G.T. Gordon, Strawn.

## Allen-Crumley To Wed In August

Bride - Elect of Edwin Lewis Crumley

Mr. and Mrs. H.S. Allen of Gatesville announce the engagement and approaching marriage of their daughter, Mary Kay, to Edwin Lewis Crumley, son of Mr. and Mrs. A.J. Crumley of Copperas Cove. The wedding will take place August 31, in the Piccoke Methodist Church.

A graduate of Gatesville High School, Miss Allen is employed by Texas Power and Light Company of Copperas Cove. The future groom is a graduate of Copperas Cove High School and is now attending Tarleton State College in Stephenville.

It was Dallas Texans 11 - Mesquite 5; La Marque 13 - New Boston 4, in first round action.

Tuesday, August 6, pitted the Dallas Little O's against the Dallas Texans with the Little O's winning 10 - 4. Houston took New Boston 11 to 2 and Fort Stockton stopped Mesquite 6 to 5.

Wednesday / Gatesville lost two games. Houston took Mesquite 5 to 0 and La Marque slipped by the Dallas Texans 5 to 4.

Thursday's contest put La Marque and Houston in the semi final contest, the winner to face undefeated Dallas Little O's.

In the Thursday night contest the Dallas Little O's will either win the tournament or tie, forcing a Friday night game for the championship.

The Jackson crew was in position in the extra inning contest with the bases loaded, but failed to push across a score.

**WASHINGTON REPORT**

On Monday the Senate approved and sent to the President the Federal Aid Highway Act of 1968, extending our

commitment to a strong interstate highway system through 1972. This is good news for Texans, because when these highways are complete, Texas will have more miles of interstate highways than any other state -- over 3,000 miles. Today construction is on schedule. We already have more complete mileage than all except California.

On completion these highways will represent a \$2.5 billion investment in Texas. The Texas Highway Commission oversees construction of these modern roadways, but the federal government actually provides the guidelines and most of the money.

In renewing the highway act, some members of the House tried to take from the Secretary of Transportation his authority to rule on the routes for highways.

As our population grows, more roads will be needed. Lately, there has been a disturbing tendency for engineers to map highways through parks and public lands, cutting them up and destroying recreation areas and even historic shrines because this way they take the park lands without paying for them.

In San Antonio, despite a public outcry, officials want to route a freeway through Brackenridge Park, one of the oldest and loveliest parks in the Southwest. Located on the San Antonio River Brackenridge Park covers 323 acres inside the city. It includes one of the best zoos anywhere.

In Senate debate I described the Brackenridge Park situation to Senator Randolph of West Virginia, sponsor of the highway bill. He agreed with me that the Transportation Secretary would still have the right to prevent new freeways from cutting up specially significant parks like Brackenridge.

We need modern and safe highways, but not at the expense of all our beauty spots and historic shrines.

The HOUSTON POST summed it up well a few days ago. Editorializing against what it called "Bulldozer brutality" by highway planners, the POST said:

"If so much is to go down before the bulldozer, who needs highways? There will be nothing left to go see."

We need modern, safe highways for the future. But we also need beauty spots, recreation spots, and historic sites for the benefit of our grandchildren and future generations.

"The Old and the New" Gal. 2:21 through 29

"Wherefore the law was our schoolmaster to bring us unto Christ, that we might be justified by faith, But after faith is come, we are no longer under a schoolmaster."

Some people tell us that the old Bible is done away with, and we're to study only the new, but I find when we study the old, we understand better, the new. It brings out anew how wonderful our Salvation is, and we are made to rejoice that we no longer have to follow the forms of worship and ordinances, and sacrifices that God commanded Moses to do, and he, in turn, commanded the children of Israel to do.

Those of us who have studied God's word know how Abraham was a man who was faithful unto God, a man who could hear and understand when God spoke to him, and the word says: "Abraham believed God and it was accounted unto him for righteousness", and because he believed God, a miracle was performed for him in his old age and gave him a son, Isaac, when he and Sarah were too old to normally have had children.

Isaac was the father of Jacob, who became the father of the twelve patriarchs who became the heads of the twelve tribes of the children of Israel and how Joseph was sold, and taken down into Egypt, where after many trials and hardships he became a favorite with one of the Pharaohs. Then, as we read on in the history of these times, and a famine in all the lands, but there was corn down in Egypt, so Jacob sent his other sons to buy corn, so that they might

live, and because Joseph had all of this under his supervision, he and his brothers became reunited and finally the old father Jacob, and all the family moved down into Egypt. But they came into bondage there, Gen. 37 through 50 chapters. And their task masters became very hard, and cruel to them, and they began to cry out to God.

The word of God says that God saw their oppression and their affliction and heard their cries, and then He came down to deliver them. God had His man, even Moses, to deliver them out of their bondage. Even so, God sent a man, Christ Jesus - his only begotten son to bring deliverance unto us. A Lamb, without spot or blemish to redeem us from our affliction, our oppression and our sins.

After the children of Israel had been delivered from the land of Egypt, God gave an ordinance that once a year they were to keep the Passover Feast, which consisted of a slain lamb, without blemish, and unleavened bread, which they must eat the bread for seven days, which was to keep in memory and be explained to their children that with a strong hand God had brought them out of Egypt. But when Jesus came he is our Passover Lamb, He came without spot or blemish, and died once and for all. We no longer have to prepare the Passover Feast, once a year, and take the blood of goats and lambs to put on our door posts, Jesus is the perfect sacrifice! His blood must cover us every day, for we were marked for destruction. The sign of destruction is in our lives, until Jesus' blood covers us - the sign of circumcision had to be put on Abraham, and all his descendants, which proved they were not strangers, but belonged to the tribes of Israel; God no longer requires men to suffer the circumcision of the flesh, but of our hearts, some say heart felt religion isn't real, its all in the mind, but my Bible says, "Ye must be born again". You have to have an operation on the heart, taking out the stony heart and letting Jesus give us a heart of flesh. This is the mystery of Salvation! This is something you can't see with the natural eye, but those who have it, know it is real, for out of our innermost being flows rivers of living water, springing up within us - and we know

we have passed from death unto life. John 4:14.

After the children of Israel moved on in their journey God told Moses to build a tabernacle. Bible students know of all the details, how the curtains were made, how they were to be tied together, how the inner court was made, the Ark and what should go into it, how it should be carried, etc. So much detail was to be followed, but the word says Moses did all the things God had commanded him to do and so did the children of Israel, and when it was finished, the glory of God hovered over it. A cloud by day and a fire by night. But Jesus doesn't require all of this of us today; He says, "Know ye not that ye are the temples of the Holy Ghost?" If we draw nigh unto God, He'll draw nigh unto us, and will come and sup with us, and we, with Him. He wants us to prepare a place in our hearts for Him. But there are some requirements that He makes of us, too, before His glory will abide with us, like it did over the tabernacle back in the wilderness. He won't abide in an unclean temple, we can't serve God and mammon; we must abide in Him and His words abide in us.

The children of Israel had to bring sacrifices for different things, but all that God has asked of us is to present unto Him our bodies, a living sacrifice unto Him, which is our reasonable service - then His glory will hover over us, day and night. Rom. 12:1

In the tabernacle in the wilderness there was the Holy of Holies, where only the High Priest could enter and He went in, once a year to offer sacrifices for himself and then for the sins of the people, but when Jesus was crucified, the veil of the temple was rent in twain and now, we, you and I, can enter into the presence of the High Priest, Jesus himself.

No man or woman, too poor, or too poorly dressed, too common, too uneducated, no man too wealthy, or too anything, but what Jesus says "Come" we can go there with our burdens, our problems, our thanksgiving unto Him. Go with our load of sin, He is not ashamed to call us sons and daughters; He is our friend that sticketh closer than a brother.

Among the other feasts and sacrifices which God required of the children of Israel, was the Feast of the Tabernacles, which was to be, when they had gathered in the fruit of the land - a feast they kept for seven days, "Ye shall rejoice before the Lord, seven days"

each year. Lev. 23:34-44. But after Jesus comes into our hearts, He tells us to let his praise be continually in our mouths, to offer up the sacrifice of the fruit of our lips, let everything that hath breath Praise the Lord!

But there is one law which hasn't been changed from the old into the new. Often times when God gave command un-

to Moses, he'd finish his words by saying, and "Be ye holy, for I am the Lord your God". Jesus said, "Be ye holy, for I am holy". It is one of God's requirements. No man can see God without it. He will not abide with us, if we grieve Him away with our sins and disobedience.

What will you do, with this man, Christ Jesus?
