Tigers Freeze Out Hornet Homecoming

A combination of bad weather and hard-running Belton Tigers spoiled Gatesville's 20th annual homecoming game Friday night. Snow and rain had fallen intermittently throughout the day, and the temperature at game time was a chilling 38 degrees. The adverse conditions seemed to have no effect whatsoever on the Tigers who rolled up 407 yards, 346 of them on the ground.

The Tigers scored on their first play from scrimmage, and before the night was over they scored four more touchdowns and a field goal, to amass a total of 39 points. The stiff Belton defense not only shut out the Hornets but allowed them into Belton territory only three times during the entire game.

Belton received the opening kickoff, and on the first play

from scrimmage, Preston Clemmons burst through the startled Hornets for 55 yards and a score. Robert Ford bulled his way into the end zone to score the two-point conversion, and with only 18 seconds of playing time gone, the Tigers held an 8-0 lead.

Belton fumbled the next time they had the ball and Allen Neel recovered it on the Tiger 25. This gave Gatesville a big break but they were unable to capitalize on it, giving up the ball on downs at Belton's five yard line.

Midway through the second quarter a Tiger drive stalled on the Hornet 14. Jackie Meredith was called on to try a field goal, and he booted a 32-yarder to give the Tigers an 11-0 lead. Later in the quarter a Tiger drive was stopped on the Gatesville 28 where the

Hornets took over on downs. From that point Gatesville moved to the Tiger 30 before time ran out ending the Hornet threat.

Leading by only 11-0 as the second half opened the Tigers quickly put the game out of reach as they scored three times in the third period of play. The first of these scores was set up by Jim Stewart who blocked a Hornet punt and recovered it on the Gatesville 23. Six plays later, Roswell Hawkins slammed over from the two to boost Belton's lead to 17-0. Less than a minute later, Robert Ford of Belton took a Gatesville punt on his own 23 and returned it down the left sideline for 77 yards and a score. The try for extra points was no good, and with 7:10 left in the third quarter, the Tigers led 23-0. Late in the same quarter, Belton moved 70 yards in two plays for a score. The scoring play was a dazzling 61 yard run by right half back, David Bartek, who burst through the center of the Hornet line and rambled unchecked to the end zone. Hawkins crashed over for two points, and with just over three minutes left in the third quarter, the Tigers enjoyed an insurmountable 31-0 lead.

Toward the end of the quarter, Gatesville got a break when Randy Schoenewolf recovered a Tiger fumble on the Belton 40. The Hornets were unable to move the ball, however, and punted to the Belton 16. From that point, the Tigers staged their last touchdown drive which covered 84 yards in seven plays. The big play was a 31 yard run by quarterback, James Conally, which moved the ball to the Gatesville two. From that point, reserve halfback, Barry Couch plunged over for the TD. Hawkins again ran for two, rounding out the Tiger scoring for the night.

The Tiger reserves crossed midfield into Hornet territory twice more during the game but were stopped both times. The first time, Reggie Schoenewolf picked off a Belton pass at the Hornet 48, and the second time, the Tigers were at the Gatesville five when time ran out.

Deer Season Opens Outlook Good

Deer Season opened Saturday morning in Texas with many areas under perfect hunting conditions. The cold front that raced through the state Friday dropping temperatures and snow in many areas helped the hunting.

Coryell County weather was ideal except for some early morning fog in some areas Saturday. The deer were out in the open Saturday because of the dark night, Friday night reported Jerry Noles, Wildlife Manager for Coryell County.

Noles, reported that through Sunday noon hunters had killed 434 deer on the Fort Hood reservation. The deer varied in size with one large deer field dressing at 118 pounds and eight points.

Monday, morning, hunters took the prize deer though, a 150 pound field dressed, nine pointer killed in Northeast Coryell County by Dennis Conn of Elkhart, Texas. Conn reported the buck was 250 steps away when he shot him with his 30.06.

City Council To Begin Annexation Proceedings Tonight

The Gatesville City Council will hold its regular monthly meeting, tonight at 7:30. The Council will begin the necessary steps to annex the property belonging to the Gatesville Industrial Foundation, west of Gatesville.

The annexation procedure that will probably be used, calls for a city ordinance calling for a public hearing of the proposed annexation in 10 to 20 days, followed by passing of the annexation ordinance in 10 to 20 days.

The Gatesville Industrial Foundation owns 63.3 acres just west of the present city limits of which Walls Manufacturing has purchased six acres for a plant and Kaly Company has purchased a site for relocation and expansion.

Oglesby Lead 10B District Race Down Buckholts 38 To 25

The 1968 Oglesby Homecoming weekend featured a winning football team, a successful Homecoming supper with 200 persons in attendance and the crowning of Miss Brenda Jackson, daughter of Mr. and Mrs. Erwin Jackson as Homecoming Queen.

The Oglesby Tigers found the Buckholt Badgers as bitterly competitive as the weather was

bitter cold. The Badgers scored on the opening series of plays, Norman Haislar passed to brother, Gordon Haislar for the first Buckholt's score. The extra point was good, 7-0 Buckholts.

The Tigers matched the touchdown drive by marching over 50 yards, scoring on a pass from Ronnie Sullins to Johnny Pitts. Johnny Pitts scored three times against the Badgers and contributed 101 yards in five receptions for the Tigers. The point after the touchdown failed and Buckholts still led 7-6.

The first break of the game came on the Tiger kickoff as Larry Ross recovered a Badger fumble at the 30 yard line. A few plays later Sullins hit Johnny Pitts for his second T. D. on a 40 yard pass play. P. A. T. failed, Oglesby 12 Buckholts 7.

Buckholts bounced back with another march covering about 55 yards ending on a 20 yard pass from Norman Haislar to Richard Kublacke. The Badgers

failed on the conversion attempt but took the lead 13-12.

The second quarter belonged to the Tigers with Willie Leos hitting Johnny Pitts on a 40 yard pass play and a 45 yard run by Willie Leos. The half-time score was Oglesby 26 Buckholts 13.

The two teams matched scoring in the second half with Larry Ross running 15 yards for a third quarter score and Buckholts Gordon Haislar running for the Badger's score.

Larry Ross scored in the fourth quarter on a 20 yard run for the Tigers to boost the lead to 38-19.

The final score was an Allen Barkemire 10 yard pass to David Zajacek. Final score 38-25.

For the Tigers it was another big offensive night with 490 yards being rolled up by the Oglesby six. Willie Leos led the attack with 185 yards and Larry Ross had 166 yards rushing.

Gatesville Riding Club Holds Regular Meeting

The Gatesville Riding Club had their regular monthly meeting, Monday night, November 4. The door prize, which was a saddle blanket, was won by one of the oldest members, Mr. Clarence King.

Bar cue, tea and coffee were furnished by the Riding Club with members bringing potato salad, beans, and desserts.

There will be a play day, Sunday afternoon, November 17, at 2:00 p. m. at the arena. Horse gear will be given to the winners of each age group. Only members will be eligible for prizes.

Dr. Floyd To Head Christmas Seal Campaign

Dr. W.F. Floyd, prominent Gatesville citizen, has been named Chairman of the 1968 Christmas Seal Campaign, according to an announcement made today by Joe Sorrels, president of the Central Texas TB & RD Association.

Dr. Floyd took over his duties effective immediately and announced that Christmas seals will be mailed soon after November 7th to the 25 county Central Texas area.

Areas have been formed in Texas so that a more effective plan of tuberculosis eradication can be accomplished. Coryell County is a vital part of the Central Texas area.

"I know the importance of the Christmas Seal Campaign to the residents of Coryell County", Dr. Floyd said, "and I am convinced we will more than top our goal of \$90,000.00 for the area.

The campaign, which supports a number of programs and activities aimed against tuberculosis and other respiratory diseases, will get underway officially on November 7th with the slogan, "Use Christmas Seals . . . It's a matter of life and breath."

CORYELL COUNTY FARM BUREAU HONORED AT 35th. ANNUAL CONVENTION

County Farm Bureaus were honored November 11th, during the 35th annual Texas Farm Bureau convention for outstanding achievement during the past year in safety promotion, public relations and membership acquisition.

TFB Safety Director Joe Smetana presented a trophy to the Wichita County Farm Bureau for having done the best job of promoting rural safety during 1968.

Among counties with fewer than 800 Farm Bureau members, Eastland was named winner of the information and public relations trophy, Wichita County was second, Tom Green County was first in the category with more than 800 members; Rannels was runner-up.

Texas Farm Bureau ended its 1968 membership year with 110,689 member families, the largest in the organization's history; 163 of the 203 organized county Farm Bureaus in the state gained in membership during the past year.

McLennan County received the John Gorham Award for being the largest county Farm Bureau in the state. It had 1750 member families as of Oct. 31. The award was inaugurated in 1946 as a gift of the late John Gorham of McLennan County.

The Silver Loving Cup, given to the county with the largest percent increase in membership over the previous year, went to Wood County. The award is donated by the South Plains Co-op Mill, Lubbock.

Sherman County won the High Plains Plaque for having the highest percent of the county's farmers and ranchers enrolled in Farm Bureau.

District 8, composed of 16 Central - Texas counties, was named honor district for having a membership gain larger than any of the other 12 Farm Bureau districts in Texas. Counties in District 8 include Bell, Bosque, Burnet, Coryell, Falls, Freestone, Hamilton, Lampasas, Leon, Limestone, McLennan, Milam, Robertson, Travis and Williamson.

For the first time, special membership awards were given on the basis of a membership index in two membership categories. In the 25 - 800 member group, Wood County was first and Burnet second. Among counties with memberships of more than 800 members, Wharton was first and Karnes was runner-up. The first place winners in this special contest received \$200 to be used for an out-of-state Farm Bureau activity; second place winners received \$190 to be used for the same purpose. The county in each of Texas Farm Bureau's 13 districts (excluding the four winners above) received \$75 to be used for credit toward purchasing Safemark tires. Safemark products

are available only to Farm Bureau members. The thirteen counties were Childress, Cochran, Young, Kaufman, Titus, Culbertson, Callahan, Freestone, Angelina, Gonzales, Montgomery, Brooks and Starr.

Each year two counties in each of Farm Bureau's three membership categories receive an award for largest membership gain. In the under 500 member group, Freestone County was first and Kaufman second. Among counties with

Jack Fry, trainer and rider of Rustler Charger, Champion Appaloosa owned by Glada and Bill Sanders of Austin, took Rustler Charger through his performances to Captive 2nd place in reigning at the World Championship Appaloosa finals, November 4th through the 7th held in Las Vegas, Nevada.

Only the best horses from more than 100 regional Appaloosa clubs throughout the nation competed. To enter the contest, horses had earned the right by being the best in their regional.

Each regional club sent 10 horses: its tops in Junior and Senior, Cutting, Jumping, English Pleasure, Calf Roping and Team Roping, the Champion and Reserve Performance horses picked from high points in the Trail Class, Reining and Western Pleasure, and the Champion and Reserve Appaloosa horses with the most points in the Rope, Stump and Stake races.

Winner of the title of the 1967 Champion Appaloosa Performance Horse was Sugar Britches, owned by Thompson Brothers, Omaha, Illinois and ridden by 19-year-old Terry Thompson. Reserve Champion was Tico Tornado, owned by Susan Howell Fox, Chatsworth, Illinois, and ridden by Lloyd Donley, Mt. Sterling, Illinois.

Connally Proclaim: Nov. 17 Safety Sunday

Governor John Connally has proclaimed Sunday, Nov. 17, "Safety Sunday" in Texas and called on all citizens to enlist in the fight for greater safety by considering their moral obligations to protect the sanctity of human life.

"It is essential that every Texas realize that safety for himself, his loved ones and his friends, as well as others is a matter of moral responsibility," the Governor said in his proclamation, while pointing out that "accidents continue to take a grave toll in our State each year."

He noted that in traffic crashes alone, 3,267 Texans lost their lives and an additional 205,308 persons suffered painful injuries last year. The economic loss from these accidents is estimated at some \$793 million.

The purpose of "Safety Sunday," which is sponsored by the Texas Safety Association, is to focus public attention on the necessity for reducing accident tolls especially during the Fall and Winter holiday season. The Safety Association reports that previous ex-

perience indicates that accident tolls increase sharply during this period.

Clergymen of all faiths are being asked to join civic leaders, state officials and others in a united effort to prevent additional tragedy on the highways and in the homes of Texas by making Lone Star citizens more fully aware of their individual moral responsibilities for accident prevention.

Proclamation

"Accidents continue to take a grave toll in our State each year. In traffic crashes alone, 3,267 persons lost their lives and an additional 205,308 persons suffered painful injuries last year. The economic loss from these accidents is estimated at some \$793,000,000.

As previous experience indicates that accident tolls increase sharply during the Fall and Winter holiday season, the Texas Safety Association has asked all religious and civic leaders to cooperate in an all-out campaign to prevent additional tragedy on the highways and in the homes of our State during this period.

It is essential that every Texan realize that safety for himself, his loved ones and his friends, as well as others is a matter of moral responsibility.

Clergymen of all faiths in Texas are joining in this united effort to make Texans more fully aware of their responsibilities, especially in traffic.

THEFORE, I, as Governor of Texas, do hereby designate Sunday, November 17, 1968 as SAFETY SUNDAY in Texas, and urge all citizens to enlist in the fight for greater safety in traffic, at home and at work. I further urge all citizens to drive carefully, obey traffic laws and be thoughtful of their responsibilities to protect the sanctity of human life in our State.

In official recognition whereof, I hereby affix my signature this 2nd day of October, 1968.

Kultgen Urges Opposition to Part of Code of Federal Regulation

The Texas Highway Commission today leveled a blast at the U.S. Department of Transportation, charging the federal agency with "cynical disregard for the safety, the wishes or the welfare of the American motorist" through continual delay of and interference with the Highway Program.

Commission Chairman Jack Kultgen of Waco accused the DOT of "acting in bad faith" in announcing a group of proposed regulatory policies which will have the effect of law on November 22 if not withdrawn by the agency.

"These policies ostensibly were proposed to give the people a greater voice in the highway planning," Kultgen said. "However, they are a threat to the entire highway construction program."

The regulatory proposals call for two public hearings before a highway may be constructed. Any person or group of persons could bring a halt to further progress on the highway project at either hearing or afterwards by citing any of the regulatory points in opposing the proposed construction.

Kultgen was vehement in his criticism of the proposed regulations. He declared:

"This is absolutely and completely contrary to any intelligent approach to highway planning. It places the inexperienced judgement of laymen against the combined professional judgment and experience of the entire highway department engineering and administrative staffs."

Kultgen urged motorists throughout the nation to wire their Congressmen -- both U.S. Senators and Representatives -- to express forcibly their opposition to the proposed establishment of a new Part 3 to Title 23 of the Code of Federal Regulations (Federal Register). He stressed the need for immediate action.

GHS Band Invited To Participate In Western Parade January 24

The Gatesville High School Band has been invited to participate in the opening day Western Parade of the 1969 Southwestern Exposition and Fat Stock Show in Fort Worth.

Tom B. Saunders, Fort Worth Stock Show vice president and parade chairman, reports the 1969 Stock Show Parade will be held on Friday, January 24. Starting time for the event, which kicks off the ten-day run of the exposition, January 24 through February 2 will be at 2 p.m.

"An estimated 150,000 people, including an uncountable number of children watched as the 1968 parade made its two-hour trip through downtown Fort Worth," Saunders said. "The Fort Worth Stock Show Parade is the World's largest all-Western parade, he commented. All floats in the parade are required to be horse-drawn in order to maintain the Western atmosphere of the event. A colorful array of riding groups, 33 bands, numerous horse-drawn vehicles and 26 floats participated in the 1968 parade. Gates of the 1969 Southwestern Exposition and Fat Stock Show will open at 4 p.m. on Friday, January 24. The first rodeo performance will be at 8 p.m. Friday. The final performance will be at 8 p.m. Sunday, February 2.

Mail orders for Rodeo tickets are now being accepted at the Stock Show Offices. For information write P. O. Box 150, Fort Worth, Texas 76101.

"From my point of view, a book is a literary prescription put up for the benefit of 'someone who needs it'." --- S. M. Crothers.

Food For Thought
Mrs. B.A. Snoddy

"Let us hear the conclusion of the whole matter: fear God, and keep his commandments: for this is the whole duty of man."

For God shall bring every work into judgement, with every secret thing, whether it be good, or whether it be evil". Ecclesiastes 12:13 and 14.

The above quotation is from King Solomon's writing. Solomon was David's son, and was very young when he became King over Israel, so God came to him in a dream, and spoke to him, asking what he should give him. In reply, Solomon acknowledged his youth, and his lack of understanding, and realizing his lack of ability to govern so great a people, that could not be numbered or counted, for multitude, he asked God only for an understanding heart to judge his people, and that he might be able to discern between good, and bad.

This request pleased the Lord, and he told Solomon because he had not asked for long life, nor for riches, nor for the life of his enemy that he would give unto him a wise and understanding heart, so there was never one before him, nor would there every be one, after him, like unto him; God also promised him riches, and honor, and if he would walk in his ways, and keep his statutes and judgements, he would give him long life, I King 3:3 through 4.

But there came a time in Solomon's life that he began to ponder over the experiences that he had and he began to seek and search out, by wisdom, all things that are done under heaven.

He began to review his own life. He had come to great estate; no Kingdom had been more glorious, and his heart had great experiences of wisdom and knowledge. To quote Solomon: "And I gave my heart to know wisdom, and to know madness and folly; I perceived that this also is vexation of spirit, for in much wisdom is much grief and he that increases knowledge increases sorrow". Ecclesiastes 1:17 through 18.

In Solomon's search for the path while things of life, he would try mirth, and he would try pleasure, but he found that it was empty, and devoid of worth, so he decided to try wine, and to lay himself on folly and to see if that was good for man; he made himself great works, he made houses, planted vineyards, made gardens and orchards, and planted trees of all kinds,

Stonehenge Decoded by Gerald S. Hawkins is a new explanation of the origin and use of these mighty stones.

Handicap Race, the story of Roger Arnett by Dorothy Clarke Wilson is a wonderful prescription for days when everything goes wrong. If you are feeling romantically inclined try *How Do I Love Thee*, the story of Elizabeth Barrett Browning by Helen E. Waite.

Weekend Visitors in Schipper Home

Calling in the home of Mr. and Mrs. David Schipper this past weekend were Dawayne Alderson and Andy Powers, both serving in the U. S. Air Force.

he made pools of water to water his trees.

He had servants, and maidens, and great possessions of great and small cattle, he gathered silver and gold, and had men and women who could entertain him with musical instruments of all sorts, and what ever he saw that he desired, he withheld it not, from himself. Ecclesiastes 2:1 - 10.

But in his search for what was good for man, he found that these things were only vanity and vexation of the spirit. Vexation means, trouble and irritation.

Solomon discovered that the sleep of a laboring man is sweet, whether he eat little or much, but the abundance of the rich, will not suffer him to sleep. Ecclesiastes 5:12.

And that we brought nothing into this world, and shall take nothing of our labor when we leave this world.

Tho' a man live many years, and have a hundred children, if his soul is not filled with good, it would be better for him to have had, an untimely birth. For he that loveth silver shall not be satisfied with silver, nor he that loveth abundance, with increase. This is also vanity, or emptiness, quotations from Ecclesiastes 5 and 6.

You may say, oh, if I had all the things Solomon had, I'd really "live it up"; to use a modern day expression. But Solomon found it did not satisfy the soul hunger of man.

The last thing, that we find in Solomon's writing in this particular book, is his comment on much study.

He says much study is a weariness of the flesh.

Please don't misunderstand what I am bringing, as food for thought.

I am not against having the nicer things of life, and having education, only just God first.

Solomon's admonition is to remember our creator in the days of our youth, while the evil days come not -- begin life, not by planning show much we can possess or how much we can learn, but by seeking the Kingdom of God, first, and these other things will be added unto us. Matthew 6:33.

After Solomon's much exploitation, he came forth with this statement: "Let us hear the conclusion of the whole matter: Fear God, and keep his commandments; for this is the whole duty of man. For God shall bring every work into judgement, with every secret thing, whether it be good, or whether it be evil."

Faith Sunday School Class Welcomes Six New Members in Monthly Meeting

Twenty-one members of the Faith Sunday school class met November 6 in the choir room of the First Baptist Church for their monthly business and social meeting. Mrs. M. B. Martin, president of the class presided at the business meeting. "America" and America, the Beautiful" were sung and led by Mrs. B. E. McCoy accompanied on the piano by Mrs. Ernest Blankenship. "Happy Birthday" was sung for Mrs. A. A. Stoll, Mrs. Ernest Blankenship and Mrs. Maude Fletcher as they have birthdays in the month.

Minutes of the last meeting were read and approved and reports were given by the class secretary, Mrs. Aubrey Walker, love fund chairman, Mrs. Edward Taylor and the group captains, Mrs. Vivian Straw, Mrs. Walter Dildy, Mrs. B. E. McCoy and Mrs. A. D. Chesnut. Six new members have

been added to the class and they were assigned to different groups.

At the close of the business session Mrs. B. E. McCoy led in prayer and included thanks for the meal.

Lunch, which consisted of a large variety of dishes, was spread on a table in the second kitchen and eaten from card tables set up in the hall and choir room. Mrs. Walter Dildy, group captain of group three, was responsible for the social hour. She was assisted by Mesdames Maude Fletcher, D. R. Boone, Joe Hanna, Ina Davis and Ernest Blankenship.

Members present were Mesdames Ernest Blankenship, D. R. Boone, Charles Bray, A. D. Chesnut, Miles Davis, Ina Davis, Walter Dildy, Maude Fletcher, Joe Hanna, M. B. Martin, B. E. McCoy, Bessie Oldham, B. D. W. Pollard, John F. Post, S. D. Rattan, A. A. Stoll, Vivian Straw, Edward Taylor, Aubrey Walker, William Wiessgand and the teacher, Miss Ruth Yongue.

Over The GARDEN FENCE by R.B.

With all the stores breaking out in Christmas decorations its time to think of garden gifts. Time to plant narcissus, daffodils and other bulbs in bowls of gravel for blooms to brighten winter dull rooms for your friends. Be sure to pick the special bulbs sold for forcing and give them a week in the refrigerator before potting.

Or plant a terrarium as a gift, using fish bowls or large brandy snifters from the dime store. Line them with moss (green side out) or put about an inch of fine gravel in the bottom. Tuck in some small pieces of charcoal to keep the soil sweet. Put in a good layer of rich dirt and plant attractively. African violets are best for color, sedums and ferns may be used for greenery. Use a small figurine as a point of interest in a larger bowl. Due to the small opening at the top of these bowls they do not need watering as often as regular houseplants.

Plan garden bouquets for city friends. Dried ones of sage or lavender, fresh ones of turnip or mustard greens, radishes or perhaps a late blooming rose. Homemade jellies, jams, pickles and other goodies from the garden are doubly welcome to those who have no gardens of their own.

Flower arranging friends in other parts of the country will enjoy some new materials that are common here. Some things they might not have are okra pods, cotton bolls, sycamore balls, or pods of devil claw milkweed, buckeye or yucca. And don't forget to tuck some sprigs of mistletoe in boxes to out of state friends.

Educational Assistance For Widows and Wives of Veterans Available

The President has signed a new law giving educational benefits to widows or wives of veterans who died of service-connected causes or were totally and permanently disabled because of military service, Jack Coker, Manager of the Veterans Administration Regional Office in Waco, said today.

After Dec. 1, 1968, when the new law goes into effect, these widows and wives will be eligible for the same VA educational assistance now available to sons and daughters of veterans who died or are permanently and totally disabled as a result of military service, he added.

This marks the first time in the history of veterans' benefits in the United States that widows and wives will be authorized a VA educational assistance allowance, the VA Manager pointed out.

Payments will range from \$130 a month for full-time training (up to a maximum of 36 months) down to \$60 for half-time training.

The new law also gives veterans separated from service after Jan. 31, 1955, one-and-one-half months of education and training entitlement under the current Post-Korean GI Bill for each month of military service after Jan. 31, 1955. This is a change from the present ratio of one month of entitlement for each month of service.

Unchanged, however, is the maximum of 36 months of entitlement.

Under another provision of the law that goes into effect the first of Dec., veterans with 18 months or more of service after Jan. 31, 1955, who have

Former Coryell Countian To Be Buried Today

MISS DONNIE JAN BREWER

Mr. and Mrs. Ernest Brewer of Evant, Texas announce the engagement and approaching marriage of their daughters, Sharron Ann Brewer to Paul Wilson, son of Mr. and Mrs. C. W. Wilson of Carrizo Springs and Donnie Jan Brewer to James Lewis, son of Mr. and Mrs. O. Lewis of Lampasas, Texas.

satisfied their military obligation, will be entitled to 36 months of VA educational assistance.

Other provisions of the new law:

Increase from 36 to 48 months the aggregate period for which a veteran may receive educational assistance under two or more Federal veteran benefit programs.

Authorize the payment of the

VA allowance to veterans in flight training on a monthly rather than quarterly basis.

It is estimated that during the first full year this new and expanded education and training program is in effect the number of widows and wives in training will average nearly 9,000 monthly, Coker said.

He estimated the first full year cost of the new law at \$71 million.
