

Hornet Finale Against Second Place Ducks

The Gatesville Hornets take on the second place Taylor Ducks in Taylor tonight. The Ducks received opening season blast by the Belton Tigers and have played undefeated but tied football since that first game. Meanwhile, the Hornets have struggled with injuries and an unimpressive offense, winning only one district contest against Lockhart.

The Hornets could improve their record with victory tonight and possibly move out of the cellar presently jointly occupied by Gatesville and Copperas Cove. The Hornets have added some B-team strength to the varsity for this final contest. Steve Palmer, linebacker, Ronald Jones, middleguard, Mike Williams, split end, and

Larry Smart will all start for the varsity tonight. Mike Smart the varsity tonight, Mike Matthews, defensive end and James McCarley, wingback will get their first taste of varsity ball also. All the Hornet regulars will see action this week. No new injuries have been reported. The Taylor Ducks are expected to use their quickness to sweep the ends and establish a running attack against the Hornets. Taylor is a high scoring team averaging about 24 points per game.

Oglesby Housing Project Open To Public Sunday

The new Low Rent Housing Project at Oglesby will be open to the public Sunday, November 24 from 2:00 p.m. to 4:30 p.m. The Open House will display two of the seven duplex structures which have been completed. Visitors are asked to register at the M & M Building during the open house. The Oglesby Housing Project began construction on March 4, 1968 with plans calling for 14 units. Ten of the units are one bedroom units for the elderly and four of the units are patterned for family living. The Herman Bennett Company is the general contractor for the project and Olin Boese

and Associates of Fort Worth were the designing and supervising architects.

Optimist Hear and See Medical Plastic Story

Representatives of Medical Plastics Inc. presented the program to the Optimist Club Monday evening at the Chateau Ville Restaurant. Mr. Charlie Wise, General Manager of the firm, showed the film, The Wizards of Os, which depicted the progress made in the field of supplying the medical world with the necessary anatomically correct models of the human skeleton. The film revealed the progress from the fifteenth century grave-robbars to the modern laboratory here in Gatesville. After the film, he displayed some of the models and explained their superiority to the natural skeleton which is so difficult to attain. The only legal source of skeletons is from India. He explained the history of the company and revealed the initiative of the men behind the firm. Don Saunders, Production Manager, who is a Medical Artist, added some information and then demonstrated the molding process to the group. It was a superb presentation of an excellent and informative program. It helped those present to be aware that our community, through the talents of individuals involved in this firm, is making a very notable contribution to the significant field of medicine.

Youth Week Note

A spokesman for the Optimist Club expressed the club's appreciation to the community for its efforts and cooperation in the Youth Appreciation Week. Appreciation was also expressed to the youth for being the kind of young people who deserve a "pat on the back."

Riding Club Holds Play Day

In spite of cool weather Sunday, there were 30 contestants out for the Riding Club Play Day. There were four different age groups with three events for each group. The events were Barrel Race, Flag Race, and Pole Bending. In the 1 to 7 age group Baron Pate won 1st and received a saddle blanket. Tannon Woodson won second and Caron Pate won a third. In the 8 to 13 age group Gary Wells, a new member, won first receiving a nylon Johnson halter. Cindy Curry won second and Monte Comer won a third. In the 14 to 18 age group, Honeybear Perryman won first and received a headstall. Kay Patsick won a second. Lynn Haferkamp won a third. In the adult class Bill Woodson the club President, won first receiving a roping rein. Bobby Curry won second and Amos Comer won third. Everyone had a good time. We hope you will be there next time, too.

Public Hearing Tuesday Nov. 26th.

A public hearing is scheduled for Tuesday, November 26, to discuss the proposed annexation of 63.8 acres of land west of the present city limits. The tract involved in the annexation belongs to two industrial firms and the Gatesville Industrial Foundation. Mayor Bob Miller reported, Wednesday that this hearing and possible annexation by ordinance is the first time Gatesville has ever annexed by an ordinance. The Gatesville City Charter adopted in December 1966 provides procedure for annexation of property by ordinance. The City Council is required to call a public hearing within a ten to 20 day period following the public hearing. The industrial development in the tract being annexed, has extensive in the last year and estimates are that it will continue. Plans to service the area with water and sewage have been considered already. The Gatesville Industrial Foundation has donated a one acre plot at the highest elevation in the plot to the city for a ground level reservoir to be constructed sometime in the future. Mayor Miller reported Wednesday that officials of the Community Public Service Company would also present a revised petition requesting rate increases at the Tuesday meeting. Miller explained that the original proposal, by C. P. S. officials, did not contain a uniform increase for all categories of users. The City Council expressed at its regular meeting, November 5 the need for a more uniform rate increase.

The Gatesville Housing Project continues to progress with good weather holdings, reports Horace King. The work is progressing in several stages at present with an emphasis on completing as much exterior work as possible before any real winter weather comes. Mr. King, of BAR Construction Company of Killeen, said Wednesday that the Gatesville Project "is the smoothest project I have ever worked." King has supervised eight projects similar to the local project. King estimated that the project is at a point where work could continue even if the weather stopped the exterior construction. He said, "we have sixteen units dried-in at present and could work for two weeks on interior work if weather forced us inside." Presently, the project is employing about 70 workmen, 35

Major Dees Credited With Successful Vietnam Air Strike

WITH U. S. COMBAT AIR FORCES, VIETNAM-U. S. Air Force Major Buddy E. Dees, son of Mr. and Mrs. Edd Dees, Finley, Tennessee, recently took part in an air strike on an enemy staging area 64 miles southwest of Can Tho. Major Dees and a fellow F-100 Super Sabre pilot were credited with destroying four fortifications and three sampans, damaging seven fortifications and three sampans, and causing two large secondary explosions. "After contacting the forward air controller, we found that our target was a group of enemy fortifications along a canal," Major Dees said. "We each made three passes dropping bombs, followed by two 20mm cannon strafing passes." Just as the pilots pulled off target, a large ordinance - type secondary explosion rocked the

Dennis Fleetwood Attains Rank Of Eagle Scout

Boy Scouts of Troop 72, joined with their parents, Monday night in the Elementary School Cafeteria, for a dinner and Court of Honor. After a delicious dinner, prepared by the Scout's mothers, Mr. Charles Reeves was in charge of the Court of Honor and presented first, a neckerchief and slide, to Steve Nelmier, a new Boy Scout. Mr. Bill King, Scoutmaster of Troop 72, presented the awards. Earning tenderfoot awards were Danny Wright, Myron Alderson and Russell Powers. Second Class Scout Awards were presented to Charles Nelmier and Gary King with Jimmy Kidd receiving his First Class badge and certificate. Mr. King presented the Agriculture Merit Badge to Randy Alderson.

Dennis Fleetwood, son of Mr. and Mrs. Cecil Fleetwood was presented the Eagle Scout Award by Mr. Rick Wilkins, District Scout Executive, Leon Valley District, after Eagle Scout, David Marris, led him in the Eagle Scout Oath. In presenting the award, Mr. Wilkins noted that out of 3 1/2 million Scouts in the U. S. A. only one percent attain the Eagle Rank; that the Eagle Rank opened many doors for boys, such as the Air Force Military Academy. In application at the academy, if the boy has been captain of his football team, he received 100 points, but if he is an Eagle Scout, he receives 300 points. Dennis, 16, has been in Boy Scouts for two years, and had been in Cub Scouts for two

Ministerial Assn to Hold Thanksgiving Day Services

The Gatesville Ministerial Association will sponsor a community Thanksgiving service Wednesday, November 27. The service will be held at the First United Methodist Church of Gatesville. The time for the service is 7:30. All people of the community are invited to share in these services. The Thanksgiving message will be delivered by Father Anthony Weber of our Lady of Lourdes Catholic Church in Gatesville. Father Weber is also a Chaplain at the Gatesville State School. Before coming to Gatesville he served for a number of years as a missionary in India. Also, on the evening program will be the Gatesville High School Choir under the direction of Mr. Bill Rucker. The choir numbers will include: "O Come, Let Us Sing" by Kirk; "Bless The Lord, O My Soul" by Peterson and "America, Our Heritage" by Hawkes. The churches and the ministers who are cooperating in the Gatesville Ministerial Association are: Live Oak Baptist Church, Royce Christmas, First Baptist Church, Kenneth Patrick, First United Methodist, Bob Richmond; Our Lady of Lourdes Catholic, Anthony Weber and George Pelligrin; Eastwood Baptist, Joe Broadway; First Presbyterian, Thomas Stewart, First Lutheran, Raymond Reich; Full Gospel Community Church, Hoyt Smith; Westview Baptist, V. city offices will be closed as will the financial institutions and other commercial establishments. The area schools will have a two day holiday Thursday and Friday this year. Today's celebration of Thanksgiving is a far cry from the original celebration at Plymouth in 1621. The first Thanksgiving was a harvest festival, a gathering of family, friends and neighbors, and a time of games and feasting. Almost half of the original 102 Pilgrims had survived the first winter. They had labored long and hard to build a village and plant crops. When their harvest was gathered, they celebrated. In writing to a friend in England describing the First Thanksgiving, one of the Pilgrims said: "Our harvest being gotten in, our Governor William Bradford sent four men fowling; so that we might after a more special manner, rejoice together, after we had gathered the fruit of our labours. They four, on one day, killed as much fowl as, with a little help besides served the company almost a week." "And among the rest, their (the Indians) greatest king, Massasoit, with some ninety men, whom for three day, we entertained and feasted, and they went out and killed five deer; which they brought to the Plantation and bestowed on our Governor, and upon the Captain (Miles Standish) and others." In describing this Thanksgiving, which set the pattern for the traditional American celebration, other writers tell of foot racing, wrestling, exercising arms (infantry drill) and pitching the bar. Today the day centers around Turkey dinners with the family recognizing and giving thanks for the many blessings which they have received. It is a day of rest, relaxation, parades, and annual football clashes between college teams and professional teams on television.

Special 6¢ Stamp Now Available At Post Office

The Gatesville Post Office now has a supply of the special 6¢ Christmas stamp. The 1968 Christmas stamp is a five-color reproduction of a portion of "The Annunciation" by Jan van Eyck, the great 15th century Flemish artist. We strongly urge those who want

Shop early MAIL EARLY U.S. Postage 6c USE ZIP CODE AND USE CHRISTMAS SEALS Fight Tuberculosis, Emphysema and Air Pollution

to use this special stamp on their Christmas cards to buy them now. We expect an unusual demand for them and our supply is limited. The reason we expect a bigger demand for them than usual is that this year your Christmas cards will require 6¢ stamps. Although Christmas cards are still classed as third-class mail, the third-class rate now is 6¢ for the first two ounces. You cannot save a penny by sending them unsealed with no writing inside as you once could. Since it will cost 6¢ anyway, many more people are expected to use the special 6¢ Christmas stamp. As long as you are paying the first-class rate, take advantage of the first-class mail services; that is, write notes inside if you wish, seal the envelopes and write your return address on them. They can then be forwarded if necessary or, if no forwarding address is on file, returned to you.

Jack Bell, Chamber of Commerce secretary has been hard at work in weeks past stringing Christmas decorations which will be put up over the Thanksgiving holidays.

Consultant

at State School

Mrs. Hope Shackelford, Educational Consultant, will be at the Gatesville State School for Boys, Friday, November 22 at 2:30 p.m. Mrs. Shackelford will hold an In-Service Training meeting with the professional staff of the State School.

Mrs. Hope Shackelford, English teacher at Mead Junior High School in Wichita, Kansas, has won national acclaim for educational accomplishments far beyond the walls of any particular classroom.

In 1965 she was given the Pacemaker award for outstanding teaching by the National Education Association and Parade magazine. Mrs. Shackelford numbers among her honors a presidential citation for her work with students through the American Red Cross.

Her accomplishments came to the attention of lawmakers in Oklahoma where the state legislature passed a resolution commending her for work in highway safety programs she conducted as chairman of the state health and safety committee.

Mrs. Shackelford's imitative use of newspapers in her ninth grade English classes at Mead impressed the American Newspaper Publishers Association.

The publishers made use of her talents in 1965 by selecting her to lecture at a series of meetings in Chicago, Columbus, Kansas City, Houston and Atlanta on the use of newspapers as textbook supplements.

Mrs. Shackelford received the Bachelor of Science, Bachelor of Arts and Master of Arts degrees from Kansas University.

BE THOU THANKFUL

THANKSGIVING 1968

What have we to be thankful for? Did the original celebrators of the feast of Thanksgiving have more cause for gratitude than we do today?

Their life was demanding. They had to work hard to provide the necessities of life, clothing and food, and to build schools and places of worship. Yet they set aside a day for joyous celebration to thank God for the munificence of His gifts.

We have come a long way since that first celebration in the Massachusetts Bay Colony. As one generation gives way to another, the scientific and technical advances have made us the bread basket and the supplier of the world. The luxuries of yesterday have become the necessities of today.

Wouldn't it be a sound idea for all of us to reflect a bit on that original scene of Thanksgiving? History is a great teacher, and a quick flashback to the first Thanksgiving might help us to rededicate our lives to sound principles, good deeds, human values, cooperation, peace, prosperity for all mankind.

Food for Thought

by Mrs. B. A. Snoddy

"Sir, we would see Jesus" John 12:21. Six days before the feast of the Passover was to be observed, Jesus arrived in Bethany where Lazarus was, the man whom the Lord had brought back to life; a supper was prepared in Jesus' honor, where Martha served, and Lazarus sat at the table with him; when the ordinary people of Jerusalem heard of his arrival they flocked to see him, and also to see Lazarus, the man who had come 'back to life; then the Chief Priests decided to kill Lazarus, too, because many of the Jewish leaders had deserted, and believed in Jesus, as their Messiah. This is the time that some Greeks who had come to Jerusalem to attend the Passover, and had heard about the mighty miracle of Lazarus being brought back to life, came to Phillip, one of Jesus' followers, and said "Sir, we would see Jesus." John 12:21.

I believe that people are very much the same, in nature, as they were in Jesus' day. They are concerned about the reality of the teachings and life of Jesus, and just what are the real scriptural truths concerning doctrine.

Some teach one form of doctrine, some another; the Bible teaches that there are traditions of men, handed down from one generation, to another, "making the word of God of none effect, thru their tradition." Mark 7:13.

But there is the real teaching of the Lord Jesus, found in His written word.

This I wish to bring, in part, as your food for thought, for this week.

First, Jesus would love each of us, if he were here, in person, again -- He would not be looking for the color of our skin, to see if we were white, black, brown, red, or yellow, or in between colors. He would not be looking to see if we owned much possessions, or not, but He would be looking to see if we could find Faith in our hearts. He would not be discussing politics, but would tell us that His Kingdom was not of this world, and that He was going away to prepare a place for us, and would come again to receive us into Himself. John 14:3.

He would see the needs of the people, and he would be moved with compassion, and he would cry out. "Come unto me, all who are weary, and heavy laden, and I will give you rest." Matthew 11:28.

Jesus would still weep over the unbelief, and rebellion of the people, and would say, "I would gather you as a hen would gather her chicks, but ye would not." Matthew 23:37, and because they did this, their house was left unto them desolate.

I believe Jesus would still teach that people must live clean, separated lives, perfecting holiness in the fear of the Lord, II Corinthians 7:1.

Jesus would teach men that

WO Michael Sharp Assigned As Helicopter Pilot In Vietnam

U. S. ARMY, VIETNAM-- Army Warrant Officer Michael E. Sharp, 19, son of Lester E. Sharp, 504 South 13 Street, Copperas Cove, Texas, was assigned to the 187th Assault Helicopter Company, Oct. 26, as a helicopter pilot, in Vietnam.

His wife, Linda, lives at 201 Margaret Lee Street, Copperas Cove, Texas, and his mother, Mrs. Mary Sharp, lives at 452 North Spring Street, Elgin, Illinois.

they must be born again, by repenting of their sins, and accepting the blood sacrifice and atonement for our sins, and that there was no other way, but by him, for He is the door!

I'm sure he would admonish us to contend for the Faith set up in the early New Testament Church, and to practice the things that they did then.

Do you think he would hardly recognize the churches of today as being patterned after the Church He set up for His followers?

The word of God teaches that He hasn't changed, for He is the same yesterday, today, and forever. Hebrews 13:8.

Jesus would reach out his hand of love to every fallen man or woman and say to them: "I came not into the world, to condemn the world, but that the world, thru him, might be saved." John 3:17, and he would ad, "Go, and sin no more, lest a worse thing, come unto you." John 5:14.

Repeating the line of thought "Sir, we would see Jesus", let us get this picture of Him, that He was manifested to destroy the works of the Devil, and the invitation is to "Who-so-ever-will"

There are lots of different kinds of religions in the world, but only one salvation; there are many doctrines of man made origin, but only one true doctrine of the Lord Jesus Christ, and Paul in his writings said "I preach Christ, and him crucified," and if any man preach any other doctrine than what I preach, let him be accursed, even if an angel preached another doctrine. Galatians 1:8.

I have brought you these thoughts from the word of God. If I had written them, I may have compromised some of its standards, but "Thy word is Truth", and we are to be sanctified thru His word of Truth. John 17:17.

The rejection of these great Truths, in the doctrine of the Lord Jesus, have not brought to our nation anything but riot, unrest, looting, burning, hippies and yuppies, murders, prostitution, and unhappiness in many forms.

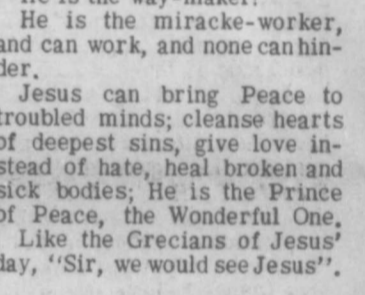

Jesus said, "Wilt thou be made whole?" John 5:1-6. He is the way-maker!

He is the miracle-worker, and can work, and none can hinder.

Jesus can bring Peace to troubled minds; cleanse hearts of deepest sins, give love instead of hate, heal broken and sick bodies; He is the Prince of Peace, the Wonderful One.

Like the Grecians of Jesus' day, "Sir, we would see Jesus".

EVANT NEWS by Cornelia Kreid

Topping the news, this week, surely must be the return of William Thompson, from Vietnam, after serving there several months. He left the base and took only twenty one hours to reach California. From there he and four other men chartered a plane and flew on to TEXAS. To him, Houston was home, as his wife is now employed in that city, but before five o'clock on Friday (15) they had driven to Evant to be with Will's parents, Mr. and Mrs. Lloyd Thompson. He has thirty days to divide between Houston and Evant and will then be stationed in Fort Carson, Colorado.

Aside from the wedding, what else could have come to Evant to rival its beauty than the autumn leaves as result of a few sharp spears of frost and the additional rains of Friday.

The Drennan-Conner wedding drew out a church full of friends and relatives to see just the kind of wedding one could possibly wish for. No small wonder the entire wedding party was so composed. It was no first meeting grounds for new relatives-in-law. Most likely the first time the bride and groom met was before they can either remember, for John W. Drennan played in the hardware store, owned for years by his late grandfather Burney, as Gwen Conner tripped down the sidewalk to the grocery store with her parents. But the years went by and John and his parents, the Troy Drennans, moved to New Braunfels, then returned to Evant a few years ago. Our predictions: "And they lived happily ever after" will be truly said.

NEWLY WEDS TO BE HONORED

A shower honoring the newly wed, Mr. and Mrs. John W. Drennan will be held in the home of Mrs. Bill Hampton Saturday afternoon from 2:00 to 5:00. All of their friends and relatives are to consider this a cordial invitation to be present.

F. H. A. MEETING

The kind of warmth that brings back memory of walking to the mail box, as a child, wondering if there would be a package, or talking of Christmas on the way, came to members and visitors who were present for the regular meeting of Evant's F. H. A. last Tuesday morning. Present with an inspirational program from Waco's Lone Star Gas Company, was Dianne Friend, who usually favors all adult groups with her time and treasures of knowledge for special occasions.

To move toward thoughts of Christmas, the speaker laid a table in a permanently finished corduroy, hemmed with a wide fringe. It was stitched down the center, but to avoid seams showing, it was sewed upon ridges of the material, and opened flat. As she spoke and described each article, it was placed upon the table, looking both tastefully wrapped and tempting to the appetite. Giving foods for individual family gifts was stressed. Several recipes were included in the circular that was passed, and a variety of ways to use fancy (home-made) containers

to make the package attractive was brought out. A crockery cookie jar, for instance, can be filled with cookies, of course; a miniature churn with "cream" candies, and lemon muffins can be included with a juice pitcher with small lemons to add decoration. But the humble pop corn can be dressed for giving in many colors, tied in plastic wrap, with a small pair of scissors, for the eager family of children who just can't wait until Christmas to open packages.

As surely as one has saved odd jars and glasses, for years, they can decorate them, fill with candy or cookies. "Mystery mix or beverage bites and delight the best friend they have with them. The gifts of bread, crackers, beverage bites and assortment composing the "Mix" is a variation from the sweet that often prevails in abundance at the Christmas season. Sprayed egg cartons were fashioned into containers; old coffee jars dressed in "mod look" with long yarn for hair and peanut butter jars sprayed and glittered for beauty and goodness combined, and competed for first place in any family gift collection. A single glass left from a set, long broken, can be used as a gift, filled to the lip with a bit of goodness, never-to-be-forgotten again. All this puts one in the mood of thinking and doing about Christmas, and it is not a bit too early either. Home made gifts are the true gift, after all...Emerson said, "The gift without the giver is bare".

THANKSGIVING SUPPER

By the time this reaches the readers, all but the table will be ready for the Thanksgiving supper at the United Methodist Church, in Evant. Even if you have not bought a ticket, come and eat; there will be plenty for sale, at the door. There will no other place in miles of here that well filled plates can be had for \$1.25 for adults and \$.75 for children. Items for the Lord's Acre project will be laid out on tables, marked for sale, at this time, also.

GOSPEL TRIO TO BE FEATURED AT HARVEST SUPPER

Word has been received that the Newman Trio, Santa Anna, will be featured on the Gospel Program following the Lord's Acre Supper, at the United Methodist Church, Saturday evening, November 23. The supper will begin at 5:30 and serving continue until all are fed. Following the meal all guests are invited to attend the program led by Mr. and Mrs. Monroe Withers. This is a worthwhile evening for all ages.

BIRTHDAY PARTY

A delayed, but happy birthday occasion was the party for Ronnie Lofland, held in the home of his parents, Mr. and Mrs. Roy Lofland, Saturday afternoon. With a birthday falling the day the snow did, all a wise mother could do was delay the celebration. Having a good time playing, eating and visiting were Desta Lemon, Cindy Perkins, Larry Creay, Ricky Richardson, Cindy Rich-

ardson, Ronnie Richardson, Bryan Kreid, Gary Rone, David Rone and Gay Perkins. Gay packages soon were ripped open and from the eager faces, one could not tell if it was Ronnie's birthday or one of his guests. All the children were local citizens, except the Rone children who live at Mesquite. Enjoying the party, also were Ronnie's own brother, Allan, and two sisters, Rhonda and Donna Lofland. A dozen years and over a dozen guests, made a good birthday for any country boy.

PERSONALS

Guests of Mr. and Mrs. O. J. Lee Sr. were their daughter and son-in-law, Mr. and Mrs. Bill Whitsett, Amarillo, over the weekend.

Mrs. Collins, mother of Odell Collins, south of Evant, is ill and a patient in Gatesville's hospital.

Also, in this hospital at Gatesville is P. E. Sawyer, who is reported to be resting fairly well at this time.

Mrs. Ira Robinson has returned from Rollins-Brook hospital, Lampasas, and she and Mr. Robinson enjoyed the company of their daughter and son-in-law Mr. and Mrs. M. S. Barton, Lamesa, over the weekend.

Word has come to the grandparents of Little Miss Janna Holt, Vernon, that she was chosen flower girl for the homecoming festival held in that city, November 8. She is the daughter of Rev. and Mrs. Ira Holt, and granddaughter of Mr. and Mrs. Vernon Mason. Mrs. David Lemon is home and able to be back in her business, for a half a day at the time. She underwent surgery a few weeks ago at Rollins-Brook Hospital, Lampasas.

Phil Sheldon, son of Mr. and Mrs. Elbert Sheldon, spent the weekend with his grandparents, Mr. and Mrs. C. W. Sheldon and all attended church at Evant United Methodist Church Sunday.

The death of Oral Howard, with services at Evant Funeral Home calls to mind that another of a large family has been taken. His home was in Fort Worth, but he died in Brownwood November 13. In addition to one brother, France and one sister, Josie of Evant, the family gave other survivors as follows: Veal, Melissa, Vela, Eula and Zula, California; Daisy, Lubbock, Lena, Fort Worth and Lucy, Brownwood.

Mr. and Mrs. Hays Miles and Mrs. A. D. Kemp spent one night last with Mr. and Mrs. A. C. Bertram as they were enroute home following attending the funeral of their brother, J. T. (Dock) Miles of Angleton, who died in a Freeport hospital November 11, following an illness of several months. Mr. Miles was age 62, and a native of Mills County. He married Ruby Merrel, his childhood sweetheart, who survives him together with one son, Jesse Ray, San Saba; two daughters, Mrs. Glenda Dawson, Alvin and Mrs. Diane Cotton, Houston, and two grandchildren. He was employed with the Dow Chemical Company for over twenty years. Mr. Miles spent most of his early life in the McGerk Community. He was buried at Angleton, following services at First Baptist Church, Angleton, at 2:00 p.m.

The Hays Miles family lives at Midkiff; Mrs. Kemp and her family live at Jal, New Mexico. Additional members of the Miles family, include Mrs. Nina Kykendall, Waco, Elizabeth Byrom, L. Ancaster; Joh, Dallas; Bill, Victoria.

Mrs. Diane Cotton, youngest daughter of the late J. T. (Dock) Miles and Mrs. Ruby Miles, Angleton, received the honors conferred upon the deceased service men (posthumously) just two days prior to the death of her father. Her husband, David, had lost his life just the day before he was due to return to the states, earlier this year.

When we get to thinking life is a bit rough, we just might be glad, for a moment, at least that we have it at all....

BEAUTY IN ABUNDANCE AT LAMPASAS FLOWER SHOW

And what more beautiful paragraph would one select to close out a "letter from home" on, than the Lampasas Flower Show at the National Bank Building, Lampasas over the weekend. It was a superior show in every way, with both numbers of displays and qualities equal to the best. Seen at the show, Sunday afternoon, besides the Kreids, from Evant, was Mrs. Effie Barkley. A high grade of merit, being given a 95, was "King Madis", and the one who arranged it was a great-granddaughter-in-law of the late Mr. and Mrs. W. T. Michael, Evant. She is Mrs. Carl Grubb, Lampasas.

Bryan Kreid won a red ribbon on his hand drawn and hand painted Santa Claus, in the junior division.

Not entered or judged, but strictly for interest and as an introduction to the theme of the show, "Fall Seasons", was the old Mississippi pine knot that has been off the tree some 100 years. It was axe marked as a line tree on the Douglas estate before the turn of the century, back in that state, and finally found its way to the home of one of the residents and was so shaped as to suggest a bowl, thus being used for watering chickens for many years on the Douglas plantation. Leaving off most of the details it was given to us and upon suggestion, it has proved an interesting vessel for flower arrangements. In a former show, it won second place; in many locations it has won much admiration. Accompanied by the poem "There is No Silence" the arrangement, this time suggests the shouts of gay colors in the autumn woods.

Just as I started to seal this, a knock brought former neighbors, from Coryell County (again), Mrs. Sally Smith, Gatesville came up to stay with Mrs. Taylor Williams, while Mr. Williams went deer hunting, and together they came out to visit, like good neighbors should do more often.

Certification Program To Aid Tree Planting

Texas planters can look forward to planting certified nursery-grown forest tree seedlings as the result of a recent expansion of the Texas Department of Agriculture's seed certification program.

The State Seed and Plant Board, seed and seedling certifying division of the Texas Department of Agriculture, and the Texas Forest Service, a part of the Texas A & M University System, collaborated in preparing the new certification standards. Reporting on the new program, Mason Cloud, head of the Texas Forest Service Reforestation Section said, "the certification of forest tree seed and seedlings is a major step toward the Service's long-range goal of providing Texas tree framers with seed and seedlings of known and identifiable genetic properties."

The certification program will aid tree farmers by providing forest tree seed and seedlings that are specifically fitted to individual forest management needs. If a timber grower wants to produce trees that have wood of high specific gravity suitable for lumber and plywood, he will be able to buy seedlings of that type from the Texas Forest Service nursery near Alto.

If the landowner wants to plant seed or seedlings that have several known genetic qualities such as known fiber properties, drought-hardiness, and good growth rate and form, he is assured of getting seedlings of this type under the new certification program.

Certified seed and seedlings may be available to Texas tree farmers as early as the 1970-71 planting season, according to Cloud.

Mrs. Rogers Attends Red Cross Meeting

Mrs. Antonee Rogers recently attended an American National Red Cross training meeting "Working Creatively In The Community" which was held in the Dallas County Chapter of The American Red Cross, Dallas, Texas. This meeting was held November 13-14-15, 1968, and was attended by both paid staff and volunteers. The instructors were Kathleen Kienstra of the Dallas County Chapter, and Mrs. Madeline Marrison of St. Paul, Minnesota.

The Coryell County Chapter Office in Gatesville was held open while I was away by Mrs. Grace Bratton, one of our Chapter Volunteers, and our Case-worker Mrs. Peggy Hatley in the Copperas Cove sub-office was as close as our telephone for consultations.

Mr. Tom Wagner, ARC National Representative from Marlin, Texas and Mr. Dick Bolyard, Deputy Manager, Midwestern Area, St. Louis, Missouri, today visited in both the Copperas Cove sub-office and the main Chapter office in Gatesville, Texas and reviewed the work being done and to be done.

Miss Linda Fry - James O'Brien III Wed In Double Ring Ceremony

The marriage vows of Miss Linda Kay Fry, and James Joseph O'Brien III were solemnized on October 26 at 4 p.m.

MRS. JAMES O'BRIEN III

in the Live Oak Baptist Church, before an altar decorated with white gladioli. Rev. Royce Christmas performed the double-ring ceremony.

Parents of the couple are Mr. and Mrs. Kenneth R. Fry of Route 1, Gatesville and Chief Master Sergeant and Mrs. James O'Brien II of Hawaii and San Antonio.

Given in marriage by her father, the bride wore a white bonded crepe floor-length dress with fitted bodice and long sleeves. Her shoulder length veil of bridal illusion, fell from a Dior Bow of peau do soie. She carried a nosegay of white carnations, and wore a strand of pearls borrowed from her aunt, in carrying out the tradition of something old, new, borrowed and blue.

Miss Jackie Fry, a cousin of the bride, was Maid of Honor and Bridesmaids were Susan Fry, sister of the bride, and Donna Fry, cousin of the bride. They wore pink bonded crepe street-length dresses and carried deep pink and white pom pom nosegays. Flower girl was Miss Patricia Fry, a cousin of the bride.

Mrs. Nelda Lowery, pianist provided the traditional wedding music and accompanied Mrs. Pam Morse, who sang "Because".

Robert DeMotto served the groom as best man.

Groomsmen were Tom MacDougal of Georgetown and Dennis Barchi of San Antonio, Ushers were Larry Fry and James Lee.

A reception was held in the Fellowship Hall of the church, following the ceremony. Cindy Byrom registered the guests and Mrs. Leon Riddling and Mrs. Melvin Myers served punch and cake. Others in the house party were Mrs. Ernestine Lilljedahl and Mrs. James Sims.

For a wedding trip, the bride wore a blue wool dress with matching full-length coat.

After their wedding trip, the couple is making their home in San Marcos, where they are attending Southwest Texas State College.

Garden Club Hears Program on Fall Lawns

The Gatesville Garden Club held its November meeting in the Civic Room of the Guaranty Bank.

Twenty-two members answered the roll call with their "Plans for a Fall Yard Clean-Up".

Mrs. H. B. Compton attended the meeting in Waco, Monday morning. She related the plans discussed there for the Christmas Bazaar and Christmas Pilgrimage to be held on December 6, in Waco.

Mrs. Loyd Lam, who attended the all-day Fall District meeting in Marlin, discussed the meeting with the local members.

Mrs. Louie Powell was in charge of the program, stressing the cleaning and fall preparations of the lawn and flower beds. She also discussed the planting of perennials and bulbs for next spring's blossoms.

The labor and love that go into the creation of a hand-made gift conveys a warmth and thoughtfulness hard to come by in a hastily selected present from the corner store. Helping children to prepare handmade gifts for a favorite relative or friend is an easy way to teach that "it isn't the gift but the thought that counts".

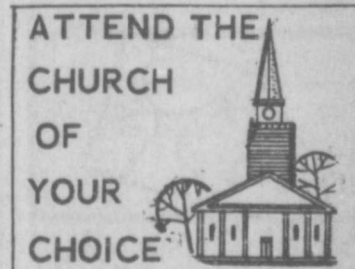

A pomander to hang in the clothes closet is a gift that is quick for grown ups, easy enough for children and useful to almost anyone. According to the dictionary a pomander is a perfumed ball or a mixture of perfumes enclosed in a perforated box or bag. These have been used in one form or another since the middle ages. Then they were thought to ward off the plague and other infections and were worn on chains or ribbons about the neck or hanging from the belt.

The ones we make today may be made of apples, oranges, or lemons. Whole cloves are stuck into these fruits in rows, from top to bottom, putting them as closely together as possible until the entire fruit is completely covered. When using the citrus fruits a large needle is used to make holes before the cloves are set. It is then liberally sprinkled with a mixture of cinnamon and nutmeg, rubbing in as much as you can.

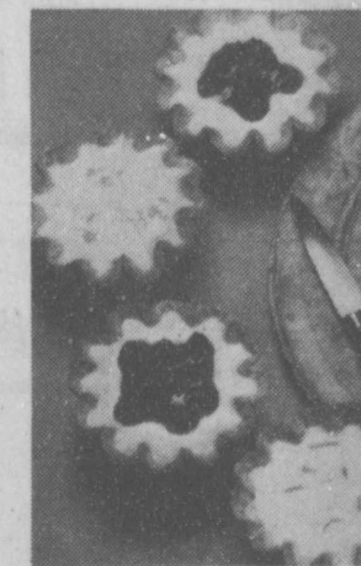

To finish off the pomander so it may be hung in the closet it is tied into a bright square of net with a ribbon loop to slip over a hanger. The spices will preserve the fruit and it will slowly dry. The spicy scent will fill your closet for several years, acting as a deterrent to moths as well as lightly perfuming your clothes.

SMART TARTS

Easy as pie, and even prettier, are these Cranberry-Topped Custard Tarts. Heated whole berry cranberry sauce tops orange-flavored custard for a dessert that's very special—and it's quick to make, too, since it's based on a package of Jell-O Golden Egg Custard Mix. The versatile mix can be turned into a variety of family and company desserts, many of which can be found in a new 12-page booklet that's available free. Just send your name and address (including ZIP code) to "Bright Ways with Custard," Box 1048, Kankakee, Illinois 60901.

Cranberry-Topped Custard Tarts
1 package (3 oz.) egg custard mix
2 cups milk
1 egg yolk
1 teaspoon grated orange rind
6 to 8 baked 3-inch tart shells, cooled
Heated whole berry cranberry sauce

Blend custard mix with milk in saucepan. Add egg yolk. Bring quickly to a boil, stirring constantly. (Mixture will be thin.) Remove from heat and stir in orange rind. Cool 15 minutes, stirring often. Pour into tart shells. Cool 2 hours or chill 2 hours until set. Serve with heated whole berry cranberry sauce. Makes 6 to 8 servings.

Dr. and Mrs. Anson Bertrand Visit Parents in Purlmela

Dr. and Mrs. Anson R. Bertrand recently visited in the home of his parents Mr. and Mrs. R. A. Bertrand, of Purlmela, Texas. The trip was made to Texas following their attending the American Society of Agronomy Annual Meeting in New Orleans, Louisiana Nov. 9 - 14, 1968. Dr. Bertrand is Chairman of the Agronomy Division of the College of Agriculture of the University of Georgia, Athens, Georgia. Several Georgia University Staff members, Graduate Students presented scientific papers at the Agronomy Society meeting.

In addition to attending technical sessions, Dr. Bertrand, who is Associate Editor of The Agronomy Journal, also participated in several program planning conferences.

Dr. Bertrand was a 1941 graduate of Gatesville High School, and following World War II he continued active duty with the Army Reserves and retired as Lt. Col. recently. He also lived in Lafayette, and taught in Purdue University before he became associated with the United States Department of Agriculture where he was in the Research Division for many years.

Dr. Bertrand's wife is the former Gloria Jolly of Petersburg, Virginia and they have two children: Cynthia is a Sophomore student in the University at Bloomington, Indiana; and Leslie is a High school student in Athens, Georgia.

THE GATESVILLE HIGH SCHOOL

HORNETS' NEST

Jim Williams, Editor

Vol. 1

News & Views

The Gatesville Hornets close out their 1968 grid campaign tonight by journeying to Taylor to meet the Ducks. The Hornets will probably be glad to get this game over with and put an end to a disastrous season. With a 2-6-1 season record so far and no relief in sight for this final game, the question that you hear is, "What happened to the Hornets?" Many people tend to blame the coaches because they are the easiest to criticize and second guess. It may be that the coaches are at fault to some extent, but when you get right down to it, it is the boys on the field who win or lose games. They are the ones who have to play football and they just haven't been doing it.

We may see some good performances from some of the boys tonight. It will be the last time that many of them will ever wear a football uniform. It would be nice if they had a victory to remember in their last game. Seniors who will finish out their playing days at G. H. S. tonight are: Larry McCutchen, Allen Neel, Danny Whitt, Raymond Cole, Wayne Shirley, Don Gillette, Mike Rogers, Keith Price, Dick Belf, Mike Pate, Buddy Wiggins, Reggie Schoenewolf, Kermit Swindall, and Bruce Neeley.

Going into the final night of the season, the district standings and season standings look like this for District 13-AAA teams:

Team	W	L	T
Belton	6-0-0		
Taylor	4-1-1		
Rockdale	4-2-0		
Lockhart	3-3-0		
Del Valle	2-3-1		
Lampasas	2-4-0		
Gatesville	1-5-0		
Copperas Cove	1-5-0		

Season Standings	W	L	T
Belton	8-1-0		
Taylor	6-2-1		
Rockdale	5-3-1		
Del Valle	5-3-1		
Lockhart	5-4-0		
Lampasas	4-5-0		
Gatesville	2-6-1		
Copperas Cove	2-7-0		

★★★★
In tonight's District 13-AAA games it looks this way:

TAYLOR 34 GATESVILLE 0

The Hornets just don't care any more.

BELTON 35 LAMPASAS 14

The Tigers get a taste of the Badger shotgun offense but are unstoppable.

ROCKDALE 27 LOCKHART 12

The Tigers are mad after last week's defeat at the hands of Taylor.

DEL VALLE 28 COPPERAS COVE 6

The Cardinals are too fast for the hapless Bulldogs.

Coach Jack Bell will be doing his best this year to field a winning basketball team. Last year he led the Hornet cagers to a respectable 11-13 record against some very tough competition. This year he will have three returning starters, Reggie Schoenewolf, Buddy Wiggins, and Raymond Cole, and three other returning lettermen Bruce Neeley, Bobby Stovall, and Kermit Swindall. Bruce and Kermit are now suffering from injuries sustained on the football field but they should be healthy in time for most, if not all, of the basketball season. There will also be some fine players up from last year's B-team to round out the Hornet roster.

★★★★
Right now, it looks like Texas is headed for the Cotton Bowl, but in the Southwest Conference anything can happen. Texas still has to win their annual Thanksgiving Day encounter with A & M, and the outcome of that game is never certain before-hand.

Saturday, SMU should take the Baylor Bears, but the Bears have been full of surprises all year. TCU should be able to beat Rice without too much trouble although it may be closer than some people think. Arkansas will find it tough going but should be able to squeeze by Texas Tech. The Thanksgiving Day game should be a real thriller, with Cotton Bowl-bound Texas edging A&M.

O. E. A. Names Committee to Plan Christmas Party

The O. E. A. Club held its monthly meeting Thursday, November 14. Lynn Henson, president, reminded the students of the state and national dues which are to be paid before December 1. The amount of local dues has been set; however, a portion may be subtracted according to each student's sale of candles. A committee has been selected to plan the O. E. A. Christmas party to be held December 10. Members of this committee are the following: Jann Bradford, chairman, Pam Dixon; Sharon Brown; Donna Dickerman; Cathy Apel; and Mike Pate. It has been suggested that for Christmas there will be a collection taken among V. O. E. students for a contribution to the Fireman's Fund.

Dear Mr. Ed,
Is it true your mother wears horses shoes?
President of The American Horseshoe Manufacturers

Dear Mr. President,
Yes, she wears great big ones.
Mr. Ed.

Dear Mr. Ed,
I have a serious girl problem. I am so handsome that seven or eight girls are asking me for dates. I don't want to hurt them, but they do not interest me. What can I do to get them off my back?
Signed,

Dear Lover Boy,
I suppose you're a high school student. If so, I haven't seen such a good looking boy as you think you are. It's probably not as serious as you think if it is, sit back and enjoy it. It's not always going to be that way.

GHS Band to

Brady Contest

Saturday, November 23, the Gatesville High School Band will march in a contest at Brady. This contest is sponsored by the University Interscholastic League and will be handled by three judges. They will judge the various bands on marching, playing, marching fundamentals, and general appearance. The bands will be rated by numbers; 1 - superior, 2 - above average, 3 - average, and 4 - below average. The GHS band will be trying for a first or second division rating, which will be the best any Gatesville band has done in years, if they can get it. They will be competing against other 3-A bands of our region (region 8) such as Lampasas, Brownwood, Breckenridge, Sweetwater, and Stephenville.

Girls Varsity Basketball Loses 2 Close Games

The Gatesville Varsity basketball girls lost two close games last week. Evant squeezed by them 52-48 and Comanche beat them 62-52. In the Evant game, Joy Denny led the Hornets with 23 points, Susan Fry scored nine, Debbie Hairston seven, Corliss Worthing six, and Carla Pfeffer three. In the contest with Comanche, Denny again tossed in 23 points, Fry was second with 21, and Hairston rounded out the Hornets scoring with eight points. The B-team girls lost both their games by even slimmer margins. They were edged by Evant 31-28 and by Comanche 39-36. Leading the scoring against Evant was Janice Simons with 14 points, Barbara Patterson made seven points, and Carol Smalley made five. Against Comanche, Barbara Patterson led the Hornets with 23 points and Carol Smalley added ten more.

The Hornets teams had problems with their foul shooting in the games at Comanche. Both teams put in more shots from the floor than their opponents but could not seem to get the range from the foul line, hitting less than half of their free throws.

Bobby Brooks Promoted

FORT HOOD TEXAS - Bobby D. Brooks, 25, son of Mr. and Mrs. Raymond C. Brooks, 1314 Oneal, Greenville, Texas was promoted to Army specialist five Oct. 29 at Fort Hood, Texas, where he is assigned to the 2nd Armored Division as a battery clerk. His wife, Linda, lives at 910 South 17 Street, Copperas Cove, Texas.

Maj. Price Now in Command of Blue

FORT HOOD, TEXAS - Sergeant Major William B. Price has taken over the responsibilities as Blue Destroyers' command sergeant major, replacing retiring Sergeant Major Kenneth J. Ambler. Price left Fort Hood in October 1967, with the 198th Light Infantry Brigade, on route to Vietnam, and recently completed a year's tour with the brigade's 1st Battalion, 6th Infantry.

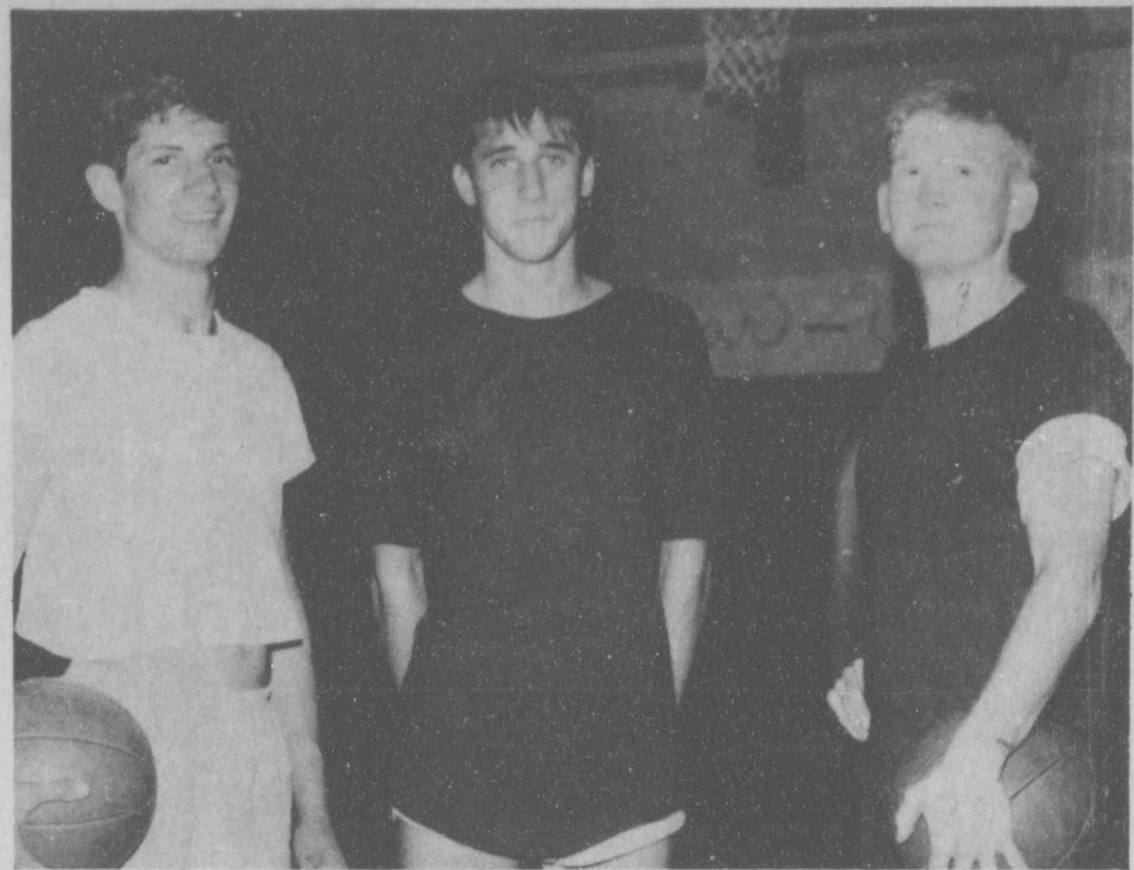

The 20 year veteran from Lubbock, Texas, his wife and three children are living in Copperas Cove.

Ambler is retiring with 20 years of service and will reside in Copperas Cove, with his wife and four children.

Scout From Page 1

He has been Senior patrol leader and now Junior Assistant Scout-Master, as well as troop bugler for Troop 72. He is also a member of the Order of the Arrow.

A Junior in Gatesville High School, Dennis is a commissioned officer and member of the Officers Council of the High School Band. He is also a first chair trumpet player and has won two 2nd Division ratings in U. I. L. playing Contests. He was a member of the 1968 Camp Staff at Camp Tahuya and has served as a staff member at several camps. Dennis is an active member of the Pecan Grove Baptist Church.

Fred Rhea, Danny Belf, and Bobby Stovall have been practicing basketball in an unsupervised manner since the beginning of school. Belf and Stovall are specializing in basketball this year while many of the basketballers have been involved in football and track.

Basketball Opens Nov. 30 For Hornets

The football season ends for Gatesville High School after tonight's game and then the athletes, coaches, and fans will turn their attention to the basketball court. The Hornet Varsity will open their season against La Vega, November 30, and from then until they close out their campaign sometime in February, the action should be fast and exciting. Jack Bell will begin his second year as head basketball coach with the intention of improving on last year's 11-13 record, and third place finish in District 13-AAA north zone competition with a 3-5 district record. This year's team should shape up even better than last year's squad although the Hornets will sorely miss stalwart performers Jerry Morgan, Bobby Cole, and Mike Johnson, who graduated last year. Three starters from last year's team will be back this year: 6-1 guard, Raymond Cole and 6-1 post, Buddy Wiggins. Three other senior boys are returning letterman: 5-11 guard, Bobby Stovall, 6-1 post, Kermit Swindall, and 5-11 forward, Bruce Neeley. Neeley and Swindall are presently suffering from leg injuries sustained on the football field but should recover in time to see plenty of action on the basketball court.

In addition to the six seniors who are returning from last year's varsity, there will be six juniors moving up from last year's strong B-team, which played better than its 7-9 record indicated. 6-5 Mike Moore and 6-3 Doug Freeman will be playing the post positions and will add some much needed height to the Hornet team. 6-0 guards Fred Rhea, Mike Barr, and Danny Belf and 5-11 forward Victor Bird round out what should be a fine team.

This year Gatesville intends to use the fast break offense and full court press on defense, maneuvers which should prove to be exciting as well as effective. The Hornets' strong point this year will undoubtedly be shooting. Reggie Schoenewolf is accurate from any place on the court and particularly good at shooting from the outside. Raymond Cole's left-handed jump shots should shake up the opponents, particularly the regularity with which he sinks them. Bobby Stovall, Buddy Wiggins, Danny Belf, Fred Rhea, and Victor Bird should provide some additional sharpshooting for the Hornet attack. In contrast, Gatesville will not be very strong on the boards. Lack of height will keep the Hornets from getting their share of rebounds. This situation may be remedied somewhat by lanky Mike Moore, who at 6-5, should be able to bring down a good many rebounds. Raymond Cole, though only 6-1, can really get up there and pull 'em down and he will help also in the rebound department. Coach Bell mentioned that they need to improve their defense. If they can manage to get the defense on par with the offense, Gatesville will be headed for a winning season this year.
