COURTS ANNOUNCE ECONOMIC CUTBACKS

Twenty-three economy measures were announced by Coryell County Commissioners this week as part of an effort to bring General Fund spending into closer control.

The economic measures postpone many expenditures until after November 1, 1969 and others are completely dropped. County Auditor Newton Sanford's projected figures on spending from the general fund, with funds reaching a low point in September and October before revenue begins flowing in

again, Sanford explained that the situation has occurred in recent years with one difference.

The difference is the location of county funds in three county banks. He explains that the low period each year has been acceptable because with all funds located in one account, a "cash pillow" was available to accounts which became critical in late summer.

This year with accounts in the area banks, the "cash pillow" will not be available to support critical accounts.

The counties' revenue for the most part flows in during the October to April months. General Fund expenditures occur at a constant rate, approximately \$20,000 per month.

The constant rate of spending coupled with the short revenue period causes the general fund at present, to become critical in the fall.

County Judge Norman Storm, explained that over the past ten years, the General Fund expenditures have risen. He noted 15 new employees had been added, along with several new services.

The preliminary economic measures include cutting all overtime; no additional employees; no capital improvements; no equipment purchases; discontinuance of many telephone service to county school offices and other minor cuts.

In addition the Commissioners Court recommended discontinuance of several government services as of July 1st if necessary. Included in the stronger action is dropping the Civil Defense coordinator's position; discontinuing Sheriff's dispatcher position; reducing Sheriff's Department fuel consumption 25 percent; discontinuing one clerk position in county Tax office; and dropping non-essential telephone.

The economic measures affect only the General Fund pointing to the expanding requirements on county government outside the road and bridge funds.

Many county officials foresee continued pressures for additional services and more refinements in the existing county services in years to come.

Under present revenue programs several for reaching economic measures are available. Some officials estimate nearly \$10,000 in funds could be saved for the county with a county-

wide road maintenance system, headed by county engineer. The streamlining would not affect road improvements and would cut out duplication in many areas.

Seventeen Girls Compete In Senior Division For Miss Gatesville

The entries for the 1969 Miss Gatesville Pageant are an outstanding group of girls from the Central Texas Area. There will be seventeen girls in the Senior Division competing in swim suit, evening gown and talent for the title of Miss Gatesville. These contestants will come from Temple Junior College, Mary-Hardin Baylor, Central Texas College and Baylor University as well as Gatesville.

Three of these lovely beauties are Miss Ethyl Lynn Peacock, Baylor, Sally Jean Schwartz, Temple Junior and Carol Lynn Harmon, Temple Junior. See Pictures Page 4

Farm Bureau Recommend Changes In Cotton Loan

Farm Bureau will recommend changes in the cotton loan program that will encourage mills to buy through established markets rather than through the Commodity Credit Corporation, according to George Jageler Jr., President of the Coryell County Farm Bureau.

Jageler said the American Farm Bureau Federation board of directors has approved a recommendation calling for extending the CCC cotton loan term to 12 months from the time cotton is placed in the loan, and setting the CCC resale price at 115 percent of the loan rate, plus carrying charges.

Present expiration date for cotton in the loan is July 31. George Jageler Jr. said the effect of the proposed change regarding loan term would be to extend the time in which the producer could manage his own cotton in the loan. During this period, the CCC could not sell this cotton in the market in competition with other cotton.

GHS SENIOR PLAY TONIGHT

Tonight, the GHS senior class will present their senior play, "And Came the Spring". If you are looking for a professionally staged masterpiece, you may be disappointed. But, if you want to see a typical senior play with lots of good fun and laughs, you will really enjoy tonight's production. Mrs. Eva Bates and a group of

hard-working seniors have spent almost a month getting ready for tonight's show. This is a one-night performance so this will be your only chance to see it. It should be pretty good. The seniors are hoping you will all come out to see it. It will start at 8:00 in the GHS auditorium.

Pictured above are part of the cast of the play, left to right are: Don Gillette, son of Mr. and Mrs. Harrison Gillette, Susan Perryman, daughter of Mr. and Mrs. William T. Perryman, Dick Belf, son of Mr. and Mrs. Richard Belf, and Delores Ortega, daughter of Mr. and Mrs. Jimmy Ortega.

Annual County Audit Completed

The annual financial statement of Coryell County has been compiled in recent weeks, showing \$510,324.49 in earned income in 1968.

Most of Coryell's earned revenue each year comes from Taxes-Penalties and Motor Vehicle Registration. Along with earned revenue the county government received in 1968 approximately \$94,000 in other income, which included refunds, sale of property, and insurance of time warrants.

Total funds available during

1968 totaled \$604,340.39 approximately \$8000 less than in 1967.

On the expense side four accounts, office salaries, other salaries, equipment purchase, and other operating expenses, contain approximately 94 percent of the expenditures.

Salaries, both officers and other (employee) increased \$44,559.35 from 1967 to 1968. This 19 percent increase due partly increases in salaries and partly because of additional employees, raised total salaries to \$287,134.20 last year.

In 1967, tax collections, Coryell County citizens proved up to the task of paying taxes. Total taxes in 1967 were \$203,737.23 (the first time over \$200,000) and citizens paid 95.49 percent of the levy. Of the 4.51 percent not collected estimates are that half of it will be collected in the future.

For what it is worth, voter registration last collected in 1966, means loss revenue of \$639.25 annually. For what it is worth, that piece of infor-

CTRPC Receives Funds For Planning Purposes

The Central Texas Regional Planning Commission received funds for law enforcement planning and for general regional planning purposes for the following counties: Bell, Coryell, Hamilton, Lampasas, Milam and Mills, announced Charles A. Cass, Executive Director of CTRPC, Thursday, \$7,500 was received for law enforcement planning purposes from the criminal justice council, office of the governor, while \$5,000 was received for general regional planning purposes from the division of planning and coordination, office of the governor.

The final utilization of the law enforcement planning funds for each county will be determined by the Executive Committee of the Central Texas Law Enforcement Council as approved by the CTRPC. The next executive committee meeting of the law enforcement council will be in Killeen, at a luncheon at the Cowhouse Motor Hotel, Friday, March 28.

Charles A. Cass, Executive Director of the CTRPC stated that while law enforcement

City Election Set Tuesday

The city elections set for April 1 have not drawn any interest in absentee voting, this year. With the absentee voting closing Thursday, City Manager, Eiland Lovejoy, noted that no absentee votes had been cast.

Lovejoy remarked that the lack of absentee voting holds no significance and one cannot predict voter turn-out Tuesday, by the absentee turn-out.

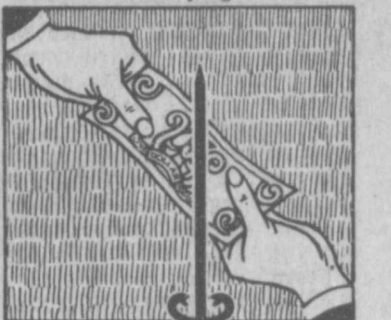

Only one contested race has developed this year in the city election. Incumbent Fred Dyer and businessman Bob Boyd are both seeking the Place 3, Ward 1 position.

Voting for aldermen under the 1966 City Charter calls for "at large" voting.

Uncontested in their candidacy for office are Mrs. T. R. Williams, first woman candidate for City Council in Gatesville and Creston Brazzil, seek-

ing his third term as Place 1 Ward 1 Alderman.

Voting will be held at the City Hall this year, with Mrs. E. L. Stewart, election judge and Mrs. Raymond Ford as alternate election judge.

FIVE GATESVILLE YOUTHS TO RECEIVE DEGREES

Five outstanding students of the Gatesville area are among the 140 students due to receive Associate in Arts Degrees this spring from Temple Junior College.

They are: Richard M. Adams, Jimmy Dudark, Barbara Lynn Lehmberg, Carmelo Onzo, and Roxie Rhoads.

They will wear the cap and gown of Temple Junior College in its 43rd commencement exercises, May 29.

Bishop J. Milton Richardson will address the students in ceremonies to be conducted at 8 p.m. in Temple's First Methodist Church.

This year for the first time, members of the Temple Junior College Board of Regents will march with the students and they, like the faculty, will be wearing their full academic regalia. The regents recently voted to participate in the cere-

monies as a salute to the quality of TJC graduates.

"We believe that this is an outstanding graduating class in the 43-year history of Temple Junior College," said Dr. Hubert M. Dawson, president, "and this is because the better students of so many area high schools select this institution to begin their first two years of higher education."

"The very excellent public schools of Gatesville have as usual provided a strong corps of exemplary students who have been leaders on our campus as they were leaders on the campus of Gatesville High School."

"Their teachers, their parents, and their communities are to be congratulated for the achievements of these Gatesville students."

Richard Adams, son of Mr. and Mrs. James M. Adams, is a 1965 graduate of Gatesville High School. He was a member of the marching band and stage band while at GHS. He is now majoring in engineering and minoring in music. His hobby is auto mechanics and he has worked for a number of years in the well drilling business with his father.

Jimmy Dudark, who is majoring in mathematics and minoring in chemistry, is the son of Mr. and Mrs. Floyd L. Dudark at 2522 Jackson Drive, Gatesville. He is a 1967 graduate of Gatesville High School.

The Gatesville Housing Project is in the final stages, now with only cabinets and other finishing work to be completed.

Project superintendent for BAR Construction Company, Horace King estimated a three week delay in the schedule, due to the cabinet being off schedule. He estimated the project could be completed within one month after receiving the cabinets.

He estimated a May 15 completion date, barring any other delays. All curb and gutter work, painting exterior building are near completion. Plumbing fixtures are installed in many of the 60 units and floor and ceramic tile are being laid.

Gatesville Chamber Of Commerce Holds Annual Banquet

Approximately 200 persons were in attendance, Tuesday night, as the Chamber of Commerce held their annual banquet at the Chateau Ville Restaurant.

The banquet speaker, Paul Marable, executive director of the Waco Chamber of Commerce, encouraged the local chamber to take advantage of the talent available in the community. He noted most towns cannot afford to hire professionals for chamber function any better than that already available to them free, in their own chamber.

Lt. Gen. B.E. Powell, commander of the Third Corps, and of Fort Hood, praised the good community relations between Fort Hood and Gatesville in a short talk to the banquet.

Dr. E.E. Lowrey turned over the chamber president's job to incoming president, Bob Edwards.

The directors for the coming year included newly elected director, Cam McGilvray, Tom Miller, Bob Salter, Curtis Logan, Charles Wise, Erle Powell and B.K. Cooper. Hold-over directors are Bob Edwards, Johnny Jones, Ollie Little, E.E. Lowrey, Floyd Murray and Vance Sellers. One vacant director position is still to be filled by appointment.

BELTON TAKES FIRST IN HORNET RELAYS

The 1969 Hornet Relays, held last Saturday, were won by Belton with 138 points. Taylor finished second, while Copperas Cove was third. The Hornets edged out Lampasas by one point to take fifth place.

Mart took top honors in Division II, with Clifton second and Rogers third.

Gatesville athletes placed in a number of events. Raymond Cole was the top point scorer for the Hornets, and was runner-up to Ford of Belton for individual high point honors.

In the field events, Steve Palmer cleared 10'6" to take third place in the pole vault. Gary Kaser placed third in the high jump with 5'10", while Mike Williams jumped 5'6" to cap-

ture fifth. Raymond Cole finished second in the broad jump with a leap of 21'4", just one inch behind the winner. Gene Brazzil sailed the discus 126' 10" to take fifth place in that event.

In track events, the Hornets placed in all of the relay races except the mile relay. Gatesville took sixth in the sophomore 440 yard relay and also sixth in the regular 440 yard relay. The Hornets took third place in the two-mile relay, edging out fourth place Belton by one-tenth of a second in a great stretch duel between Gatesville's Ben Conner and

Hopson Speaks To Optimist Club

Mr. Robert Hopson, Vocational Agriculture instructor at Gatesville High School presented the program to the Optimist Club, Monday evening.

Hopson was accompanied by three members of the Future Farmers of America Chapter in which he serves as advisor. The three boys were Billy Brown, Bill Shoaf and Robert Forrest.

Shoaf recited the FFA Creed and then elaborated on the meaning of the creed and the organization to him personally.

Forrest presented to the group his own personal mounted collection of native pasture grasses to this area. He elaborated on each and explained the good and bad points of each. He also discussed the importance of good pasture management.

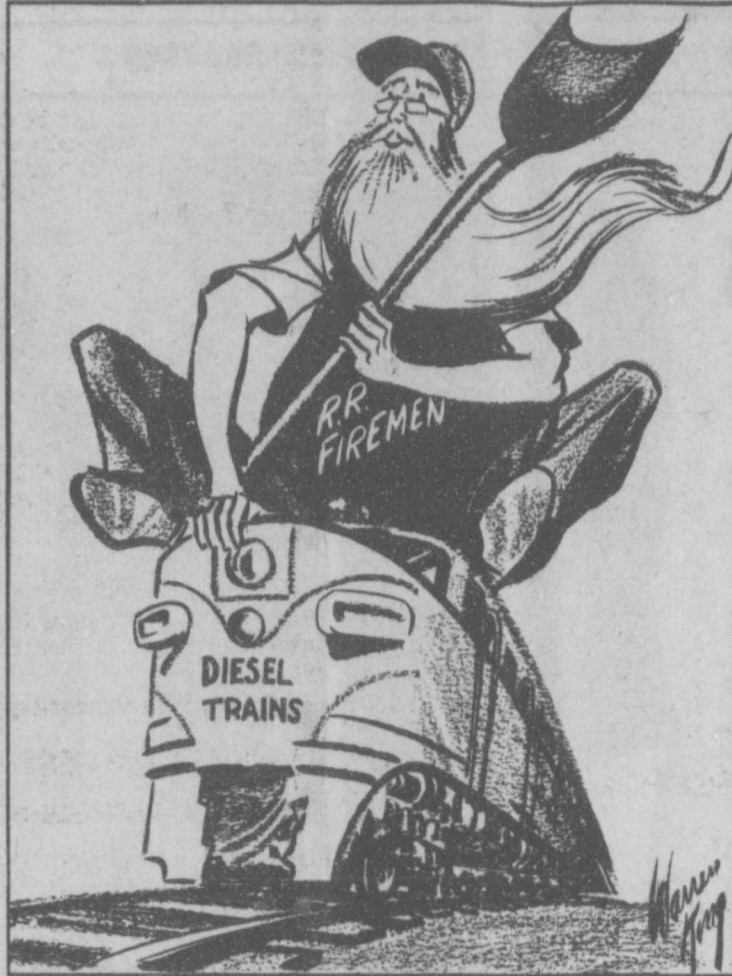

Brown presented four varieties of new types of grass, Ermelo Love Grass, Kline grass, Eastern Gamma grass, and Wintergreen Hardin grass. He pointed out the positive factors of each along with some negative factors. He discussed their development and answered questions regarding the different varieties. Each of the boys did an excellent job in his presentation, and then further demonstrated their interest in agriculture as they devoured the fried chicken.

A spokesman for the club stated that it was very inspirational to see these young men taking an active part of leadership and applying their talents

in such a positive manner. The spokesman also cited Hopson for supplying the type of leadership for young men that helps them to become such worthwhile citizens.

The Gatesville Public Schools should also be recognized for their important role in developing the fine young people in our community of which these three boys are an example.

TRYING TO HANG ON

STREAMLINE MANPOWER TOO!

Why not bring back two picturesque characters of colonial days — the town crier and the lamp-lighter?

We have come a long way since that era, or have we? The town crier has been replaced by the weekly press, other media, and the telephone. The lamp-lighter faded away in the glow of electricity.

Another relic of the past is the steam locomotive. With the advent of diesels and diesel-electrics there are no fires to stoke. So the locomotive fireman finally went the way of the town crier and the lamp-lighter, except in 5 states where the law requires a 3-man crew. The railroads proved that the firemen's job is unnecessary in this day and age, and the National Arbitration Board, established by Congress, affirmed this conclusion.

But now the unions want to turn back the pages of history and reinstate the firemen in the locomotive.

With the crying need for better transportation, and a revitalized train service—it just doesn't make sense to have people performing unneeded jobs and arbitrarily increasing labor costs.

If we are to have better transport by rail, let's eliminate man-made featherbedding once and for all.

Miss FHA And Miss Freshman FHA Elected At Evant FHA Meeting

The Evant Future Homemakers of America local meeting was held, March 11, 1969. Miss FHA and Miss Freshman FHA were elected. The winners will be announced at the FHA banquet. Officers for next year

were nominated. Election will be held March 18 at noon. Installation will be at the April local meeting. Wanda Kinsey presented the program with a film on Mental Health. Refreshments were served by Patsy Rodgers and Nancy Doyle.

Eight FHA girls went by car to the Area VIII meeting at the Waco Hall in Waco. Mrs. Green and Mrs. Thomas were sponsors. Those attending were Sandra Lee, Deborah Conner, Sandra Conner, Phyllis Adams, Patsy Rodgers, Marilyn Green, Joyce Thomas, and Debra Perry.

Our voting delegate, Sandra Lee and Sandra Conner alternate, accompanied Mrs. Green to the House of Delegates meeting, held Friday night at the Holiday Inn at Waco, at which time the area officers for next year were elected.

Beta Club Discusses Service Projects

The meeting was called to order by President, John Conner. The main topic of discussion was the discussion of service projects. Committees were appointed to find out more and make plans for each of the ideas. The meeting was adjourned.

Eighth Grade Plans Spring Class Trip

Wednesday, March 12, the eighth grade class met in the library with their sponsor, Mr. Smith. The main discussion was of planning a spring class trip. Several ideas including bowling, skating, and a show were brought up. After voting, bowling and a show at Gatesville were decided upon. Eighth grade Vice President, Doug Freeman, closed the meeting, saying that the date for the trip would be decided upon later.

Senior Class Plans Basketball Tournament

In the Senior class meeting, plans were made for money-making projects. The seniors are sponsoring an outsiders basketball tournament this Thursday and Friday, March 27 and 28. It will start at 6:30 each night. The Senior play, "Deadly Earnest", will be presented April 18.

Freshman Class Will Go To Gormon Falls

The Freshman class voted to go to Gormon Falls on their class trip. The date of the trip is April 19. We plan to leave Evant, Saturday morning at 10:30 a.m. We plan to hike and fish for enjoyment and then for supper we will have a weiner roast.

Seventh Graders Will Tour Austin April 19

In our last class meeting we decided to turn in our seeds, on March 24. If anyone wants to buy seeds, buy them now from a seventh grader. We will go to Austin on April 19. We have finished our basketball and are taking up volleyball and track.

We are sorry to report that Dean Smith has broken his leg. We hope he will get well soon. Reporter H. J. Billingsley

Adult tickets (75¢) and Student tickets (50¢) will be sold by the Junior class and at the door. Chances for radio will be sold also. Everyone is invited to come and enjoy this performance.

Sophomores Plan Class Party

In the Sophomore's last class meeting, Wednesday, March 12, our main object was to attend details on our class party. We had to change the date to March 29, but will now have to change it again due to the conflict with the Junior play.

Of all the classes in high school, the Sophomores were probably the most fortunate, as a whole, to skip the flu bug. Of course, some had to catch it.

Date Changed For Junior Class Play

The Junior class met Wednesday, March 12, to discuss changing the date of the Junior play. It was at first scheduled to be held the 21st of March, but due to the number of Juniors absent due to sickness, the date was changed to March 29, which is on a Saturday night. The play will start at 8:00 p.m. and all are invited to come and see it.

The Juniors, having debated a long time, decided upon the theme, "Daisy Daze", for the Junior and Senior Banquet to be held April 26, 1969, beginning at 7:00 p.m.

EVANT NEWS

by Cornelia Kreid

Weather, spring and illness got into the new--and it did not even get as far as last week's paper. I was the ill one, March 21, is spring and the weather is as unpredictable as any in Texas.

Then on the evening of March 17, my father, A. C. Bertrand fell (again) this time injuring himself more severely than he has in six years. He landed in the floor, then in the hospital and now in the January Care Home. With all their wonderful care, we know he will do fine, but with 90 years facing him, he has much (yet) to overcome. The Coryell County lady who got broken twice in one year makes a wonderful challenge, but ladies can do more for themselves than men, any old lady--or any young lady either.

CHILI SUPPER CANCELED

Plans had to be called off for the chili supper for the Evant United Methodist Church, as it conflicted with school affairs, on the only dates open for the entertainers for the occasion.

FIFTH SUNDAY SERVICE TO BE HELD

Fifth Sunday Night Service will be held in Evant United Methodist Church with the youth meeting at 6:00 p.m. for refreshments and going to the high school for a film. The adults and youth will hear Rev. Dale Bidwell, Oglesby, at 7:00, in the church sanctuary.

EASTER SUN RISE SERVICE PLANNED FOR BEE HOUSE

Final plans have been an-

nounced for the third annual Sun Rise Service on Easter morning, April 6, at Bee House Point, in Coryell County. The time is set for 6:30, and the program will be presented by pageant and song. With Mrs. Grady Baker leading the cantata, a large choir is practicing regularly, for this event.

The program will be rendered from the first level of the mountain area, thus making it possible for those attending to drive all the way to the site. Seating place will be provided for the earlier guests. A larger crowd and more interest than ever is anticipated, as the years have brought an increase in both so far.

In the event of rain or high wind, provision has been made to have the service in the Bee House United Methodist Church building.

NEW FFA AND AGRICULTURE DIRECTOR

Evant has employed a new Agriculture instructor and leader for members of Future Farmers of America Chapter, here, Mr. Sammie Petty and wife, Gatesville have just moved into the Walter Wendland house in the east part of town. Mr. Leslie Sheldon, long-time holder of the position, resigned when he assumed duty of operating his newly acquired business of the local feed mill.

PERSONALS

The house formerly owned and occupied by Mrs. Bessie Langford, has been sold and moved to the Lloyd Lively Ranch west of Adamsville.

Mrs. Mitchell Winters, who spent a few days in the Gatesville hospital is home again. Mrs. Bettie Jane White and her family have moved into the house formerly owned and occupied by Mrs. Knowles.

Mrs. Alvorie Yeary and daughter, Billie, spent Saturday afternoon with Mr. and Mrs. Ed Spradling.

It surely looks good to see Mr. Mitchell Winters propell himself in the halls in a wheel chair, greeting friends, and seeming to enjoy life, at the January Care Home.

Capt. and Mrs. Patrick H. Veary and Melissa Ramsey were recent guests of Melissa's great-grandparents, Mr. and Mrs. Taylor Williams, recently.

They left for Germany by boat, for a two year tour for Capt. Veary, on March 6. Mr. and Mrs. Wayne Bates and daughters, Nelda, Shirley and Delores, of Arlington, spent last Sunday with Mr. and Mrs. A. C. Bertrand. The girls rendered two special songs for the congregation of Evant United Methodist Church at the morning worship hour.

Walter Horton, 1967 graduate

of Evant High School, and grandson of Mr. and Mrs. Paul Horton and friend of Nacogdoches, were recent guests in the Horton home. Walter is in college in that city.

Mrs. Frank Lee is moving to Adamsville to make her home with Mrs. Ed Person.

Mr. and Mrs. F. H. (Jack) Keeling have moved into the Jim Kincheloe rent house. Their home sold to the Brodnax family who have moved in and entered their children in school. Their older children, Carol and Drue have been in and about Evant prior to this move enough to give the family a fine "Send-off". Welcome to any new comer to this community, we say.

The Tyson Brothers are concerned with their brother, Rudolph's health. He is seriously ill in a Fort Worth hospital.

Do not forget the Evant Juniors are presenting their play on the night of March 29.

The Ben Flachs made their planned trip to Florida and made it back to Dallas the first of the month. So many things have happened to them since that, we failed to be able to look back and report this as the best of it all, since their retirement.

Mr. and Mrs. C. L. White, Abilene, spent part of the weekend with Mr. and Mrs. Chester Sheldon.

An interesting note came to us concerning a friend of Mrs. Berchie Caldwell, who lives in Corpus Christi, born at Purmela, 90 years ago, in December, was Mrs. Storey who is the daughter of the late Mr. and Mrs. Nathan Thacker. She is the youngest of the last living in that large family. They made their home across the Cow House from the old J. R. Bertrand place, A. C. Bert-

GATESVILLE HIGH SCHOOL POLICIES

In order to uphold the dignity for which the Gatesville Public Schools has always been noted and to be at the forefront educationally, the following policies are herein adopted:

DRUGS - Authority is herein delegated to the Principal and/or Superintendent to expel from school any student and/or students where in there is reasonable proof that participation in drugs, sale of same, or under indictment for same is found. Students involved in such may not re-enter school except upon agreement of school officials after conferences with parents, law enforcement agencies, or any other person or persons who might be in a position to give valid information.

This policy is not limited to LSD, marijuana, heroin, etc., but takes in the entire field of habit forming or harmful drugs whether taken orally or otherwise.

ALCOHOLIC DRINKS - Policy is herein adopted that delegates to the principal and/or superintendent of schools to expel from school wherein evidence is found any student and/or students have participated in alcoholic drinks or having same on any school premises, at school sponsored affairs at school, away, or on school buses.

Students will not be allowed to participate in sports, or in any other form of school activity if evidence is found where in students participated in alcoholic drinks or drugs outside the confines of the school. Students under indictments shall not be allowed to participate in sports. In all cases it is left to the officials to allow any student in this category to return to sports or other activities depending upon the extent of participation.

SMOKING - Smoking is not to be permitted on school premises, school buses, or school sponsored affairs. Proper discipline measures are herewith delegated to the principal, superintendent, or the person in charge provided that person is one of the professionals of the school.

OTHER POLICIES - Discipline problems of a general nature is herein delegated to the principal, superintendent, or persons in charge for arrogance, improper dress, vandalism, stealing, discourtesy, indiscreet morals, profanity, vulgarity, or aggressive acts not conducive to the educational program. Proper discipline measures shall be meted depending upon the extent of the

act. Long hair, beard, mustache, improper dress, long side burns, symbolic neckwear, or any other off-beat dress has no place in an educational program. Authority is herein given to school officials to expel any student and/or students until corrections have been made.

CARS - In order to protect lives and property, any student speeding or using a car in such manner that it is dangerous to life or destruction of property on or near school premises shall be reported to law enforcement agencies, and the student and/or students shall receive disciplinary measures. The principal, superintendent, and/or other professional people shall have authority to carry out disciplinary measures or to report same to the proper officials. By proper officials means: school officials, law enforcement agencies, and/or parents.

GENERAL POLICIES - Delegated authority is herein given to any teacher and/or any person holding professional status with the school to discipline any student and/or students for improper conduct in the classroom, any school sponsored affair, ball games, assemblies, school buses, or any other place in which the school assumes responsibility. If corporal punishment is meted, at least one witness is recommended but is not necessary in every instance.

Any other problem involving discipline that interferes with the educational program not specifically made, expressed, or implied in these policies, shall be left to the discretion of school officials.

The board of school trustees of the Gatesville Public Schools compose the Gatesville Independent School Board, and is the policy making body. Any appeal from the decisions of delegated personnel of the school board must be made in writing stating in detail the purpose of appeal based upon facts. After a review, and if justified basic facts are listed the board will set a date for a hearing. These policies stated herein were officially adopted by the Gatesville Ind. School Board of school trustees meeting in a special session on the 24th day of March 1969.

1969 Miss Gatesville Contestants

Ethel Lynn Peacock

Ethel Lynn Peacock graduated from Memorial High School in Houston, Texas and is the daughter of Mr. and Mrs. Tom Peacock, Jr.

She was a member of the National Honor Society, Future Teachers of America and FHA and received an outstanding Choir Member Award. She was a soloist in the Church Choir and secretary of the Spanish Club.

Ethel Lynn is a Junior at Baylor University in Waco. She is a member of Mu Phi Epsilon, a National Honorary Music Sorority and is song chairman for the pledge class. She was Fallwood Valentine Sweetheart also. Ethel belongs to Sigma Gamma girls club and was a nominee for Baylor Cub Queen. She has done several T. V. Shows for Channell 11, Houston T. V. Ethel will be remembered as an outstanding contestant in the 1968 Miss Gatesville Pageant when she sang "You're Gonna Hear From Me", and to prove this she is back again this year trying for the 1969 title of Miss Gatesville.

Sally Jean Schwartz

Sally Jean Schwartz, daughter of Mr. and Mrs. Gene Schwartz, is a student at Temple Junior College. She and her family reside at 3402 Antelope Trail in Temple, Texas. She was a May 1968 graduate from Temple High School.

She was Miss Spark, Basketball Sweetheart, tumbling captain, and Lions Club Queen while in high school. At Temple Junior College she is a cheerleader and a member of the Madrigal Singers. She was also a Girl Scout and a member of the Student Council in high school.

Sally has brown frosted hair and blue eyes. She plans to further her education at North Texas State University.

Sally has had special training in dancing, voice, piano and tumbling. She will perform a tumbling act on the two inch balance beam to the music of "Surfing U. S. A."

Carol Lynn Harmon

Carol Lynn Harmon lives at 301 West Upshaw in Temple, Texas with her parents, Mr. and Mrs. Ellis Harmon. She graduated from Temple High School in May 1968. While in high school she was active in many organizations, including the student council. Among the honors she received are Miss Spark, FTA secretary, DeMolay Nominee for sweetheart and National Honor Society. She was also tumbling captain.

Carol is presently attending Temple Junior College where she is a cheerleader, treasurer of Para-Medical Club and a member of the TJC choir. She plans to complete her education at the University of Texas in Austin.

Miss Harmon is a dancer and will perform to the music of "I Know A Place", displaying a great deal of timing and rhythm in a jazz routine. She has had special training in dance and tumbling. She has brown hair and blue eyes.

DRIVING - It was my pleasure to make the acquaintance of Annette Cambell and her mother, Mutt Foster, the other day on a coffee break.

As many of you may know, Annette teaches school in Alvarado, where her husband pastors the First Methodist Church. Alvarado is a little town near Cleburne, my former home. Discussing this, it was not long before the conversation led to the subject of driving in Cleburne. Anybody who has ever been on the streets there knows, "it's every man for himself." The three of us agreed on this.

Now that you know this, I thought I should give you fair warning that Cleburne is where I learned to drive. So, when you learn what car I drive and you see it comin' toward you, LOOK OUT!

MEMBERING OUR CHILDREN - Jean Boyd calling in to announce some of the children of her church would be enjoying an easter egg hunt, April 3, at 4:00 p.m., at the City park. I'm particularly happy about it since my child will be in the group. I wonder if mothers are invited - huh?

HEALTH WISE - I'm always worrying about not getting enough sleep, but have just read an article in McCall's magazine, concerning this matter. It states that those people who get more sleep are more prone to strokes and also that the death rate runs higher in this group. I'm going to stop fighting it as of now and enjoy the late hours, and maybe live longer.

YOUNG PARENTS - are Mr. and Mrs. Andrew Kendrick of John Kendrick, who will be assistant professor in the Department of Sociology at Yale University in September.

SPRING HAS SPRUNG - so the old saying goes, and a women's fancy turns to clothes.

Loving to sew I've always made my wardrobe, but working, being a new experience since I've had a family, I've found it quite hard to have enough time to sew.

Frances Chambers related she has the same problems, as many of you probably do too.

I confided that at the price clothing is these days, you can have twice as many if you make them or have a seamstress of your own.

She looked at me with that humorous smile and said, "or do without."

I thought that was real cute, but pretty close to being the truth.

SWORD OF HOPE - with April nearing you will be seeing the symbol "Sword of Hope," the registered trade-mark of the American Cancer Society.

Be quick to identify this emblem and contribute your gifts to fight cancer on the broad fronts of research, education and service.

Did you know more than 50 million Americans now living will eventually have cancer; one-in-four persons according to present rates, and that cancer will strike over the years in approximately two of three American families?

This is reason enough to remember and apply the 1969 slogan: "Help Yourself with a Check-up, and others with a Check."

BEAUTIFUL YARDS - have you been noticing the pictures of the houses and yards we're running in the paper?

This should be encouragement for everybody to get in there and keep a neat attractive yard or improve your ground.

With a little money, effort and time, you will create something you and your neighbors will be proud of; and all in all, it will be well worth what ever is required.

EXCITEMENT MOUNTING - as the Miss Gatesville Pageant progresses. There will be seventeen girls in all who will be competing. I know already each of these seventeen girls will be a winner in her own way, or she would not have been entered.

Though, there is much that glitters for these girls it's good for the public to remember it's not all gold. True, it's thrilling, exciting and gay, but there also are long hard hours of practicing and preparation involved for these contestants.

CONGRATULATIONS - We were happy to hear Edward Schaub has been invited to join the National Physics Honor Society at Baylor University. Too, I would like to add it's a shame he didn't get to attend the banquet, Saturday night given by this society.

JOHN ROBERT BATES - son of Mrs. Oran Bates was one of the students who led in the College of Pharmacy honor roll, ranking with those on the list of "Highest Honors," for the fall semester. He is a student in the field of pharmacy at the University of Texas in Austin.

PERSONALITIES - Betty Goodrich and I were admiring the character of a mutual friend, wishing we had the gift of making others feel important, and needed as she always does. Betty, like myself, being a new-comer seems to be adjusting very well and has an admirable personality herself.

WELCOME HOME - Rev. Kenneth Patrick of the First Baptist Church, is home from Virginia, after preaching a revival. His family and church missed him and I know he was glad to be home too, after a successful week.

EASTER REVIVAL - The Bethel United Methodist Church will be having an Easter Revival beginning April 3, at 7 p.m. through April 6.

The pastor, J. D. Walsh Jr. will also be the evangelist. The public is invited to the revival and to regular worship services at 10:45 a.m., following, Sunday school at 10:00 a.m.

EASTER EGG HUNT AT RABY PARK - The First Baptist Church will be having an Easter Egg hunt and party for their primary, beginner, and nursery departments, on Thursday, April 3, 1969, at 4:00 p.m.

The hunt will be at Raby Park. Eggs, prizes and refreshments will be furnished by the church.

In case of rain or bad weather, the hunt will be held in the church fellowship hall.

GATESVILLE DRUG

"What on earth are you doing?" I demanded of Mrs. Woolley as I walked into her kitchen which reeked of onion. "Well, the store had a good price on onions, so I thought I would get an unpleasant job done all at once," she replied, "I'm chopping onions to put in the freezer so when I'm ready to cook with them all I'll have to do is put them in the pot."

"I think that's a real good idea," I told her, "but you had better hurry. Don't forget we have club this afternoon." "I haven't forgotten and I'm just finishing up here," Mrs. Woolley said as she cleared up her kitchen and washed up. "Oh dear," she moaned, "whatever am I going to do about this awful oniony smell on my hands. It just won't come off no matter how much I wash. I can't go out smelling like this!"

"Don't let that worry you, here, let me help. Hold out your hands," I said as I poured some lemon juice on them. "Now rub them together a bit and I'll sprinkle on some salt. Scrub them together good before you rinse all that off and you'll find every bit of onion odor gone."

"Sure enough it has, that's a good thing to know about. Does it work on anything else," she asked.

"I suppose it will work for most anything, but I especially use it for onions and fish smells," I answered. "Now go on and get ready or we will be late."

Craft Friendship Club Welcomes Members

The Craft Friendship Club met March 13, with Mrs. Lois Johnson. Thirteen members seven visitors and two children were there. Three of the visitors joined the club.

We quilted and hemmed one quilt and got another one about three-fourths quilted.

This was an all-day meeting. Some did not come until in the afternoon, they missed a good lunch.

We enjoyed the fellowship with one another.

Refreshments were served by the hostess before we adjourned.

Next meeting will be in the home of Mrs. Ruby Young, on March 27; we will quilt. Visitors will be welcomed.

Annual Lily Day For Gatesville Is March 29

The annual Texas Lily Day for Crippled Children in Gatesville will be held, Saturday, March 29, 1969.

Members of the Gatesville Chapter of Future Homemakers of America will be stationed on streets downtown and in shopping centers to pin Easter lilies, on lapels of shoppers.

FHA members conducting the sale will be identified by the Easter Seal coin canisters they will be carrying.

The Easter Seal Appeal is conducted by the Easter Seal Society for Crippled children and adults of Texas, which last year provided treatment and services for 17,622 crippled children and adults in Texas.

Ninety percent of the funds contributed during the Easter Seal campaign remain in Texas to finance rehabilitation services for handicapped Texans. The Easter Seal Society annually spends more money for direct services to the handicapped in Texas than is collected in the Easter Seal Appeal.

Top Price Paid For 4-H Lambs

Fifty-five lambs were sold Saturday by five 4-H members at the Gatesville Auction Barn in the Commercial Lamb Feeding program.

Gary and Kathy Keeton of the Pearl 4-H sold their twenty lambs for thirty cents per hundred weight, the highest paid for any of the commercial lambs fed by the 4-H members.

Gary and Kathy's lambs graded Prime and Choice. Mr. M.D. Gartman of Gatesville, graded the lambs.

Ronnie Hampton of Pearl 4-H sold ten lambs that graded Prime and Choice.

Randy Mariott of Pearl 4-H

sold three Choice and graded 13 high, good to commercial. Paula Melbern, of Gatesville 4-H, three lambs graded Choice and Five High good to commercial.

The prices received for the lambs ranged from twenty-five to thirty cents per pound.

The prices received by the Commercial Lamb feeders was one of the highest paid for the last seven years, said Don Callahan, County Agent.

The lambs were fed approximately 100 days before being sold for the Easter market.

Ribbons were awarded to each member by the grade of lambs. The Commercial Lamb feeding program is sponsored by the Gatesville Chamber of Commerce.

You know the old saying about not being able to fool all the people all the time. However, these superhighway interchange signs come pretty close to it.—James H. Russell, The Belton (Tex.) Journal.

Raymond Cole hits the sand as he broad jumps 21'4" to capture second place in this event. Cole was high point man for Gatesville in last week's Hornet Relays. He finished second to Ford of Belton for individual high point honors.

Last Rites Held For Irby McCurry

Funeral services for Irby McCurry were held at 4 p.m. March 27, 1969 from the First United Methodist Church with Rev. Bob Richmond officiating. Burial was in Restland Cemetery.

Mr. McCurry died March 26 at his home at the age of 80. He was born and reared in Coryell County. He married the former Ophelia Hinkel on December 25, 1909. They moved to Mills County in 1922 and returned to Coryell County in 1949.

Survivors include his wife, one son, Barney A. McCurry of Freeport; a sister, Mrs. Leta Lane of Aransas Pass; a granddaughter and two great-grandchildren.

It looks as though the taxpayer will be the first of America's natural resources to be completely exhausted.—George H. Coburn, the West Springfield (Mass.) Record.

planning money has been received for the six-county region, action money in a substantially larger amount than the planning money will be received prior to July 1, 1969, for those counties being members of the CTRPC, to be used for law enforcement improvement at local levels. The final amount of action money to be received in the six-county region and within each county and city depends upon the effectiveness of the Central Texas Regional Law Enforcement Plan presently being prepared by the law enforcement council. The Criminal Justice Council, office of the governor, will review the final regional law enforcement plans which consists of city and county plans and will determine the final allocation of action money to the six-county region.
