Bill Glasss To Speak
At Youth Rally

The First Baptist Church of Gatesville will sponsor a Youth Rally, Sunday, April 20, at 5:00 p.m. in the church auditorium.

Mr. Sam Beam III announced that Bill Glass, a pro footballer, to be principal speaker of the Rally. Glass has been recognized as an all-American, while at Baylor University in 1956; three time All-Pro End with the Cleveland Browns; a member of the World Championship Team, Cleveland Browns 1964; and Eastern Division Champions 1965 and 1968.

For those who may not know, but would be interested, his career has not been limited to football for he also is an author of a best seller, "Get In The Game", a book to teen-age

boys, "Stand Tall and Straight"; and then his most recent, "My Greatest Challenge."

Assisting the lay-evangelist by offering their testimony, will be Jack Moss graduate of Hardin Simmons University and head-coach for Gatesville High and Cotton Davidson, Baylor University graduated and quarter back for the Oakland Raiders.

Beam, music and Youth director at the First Baptist Church anticipates this occasion to be an inspiring experience for all present.

Come—expecting a blessing and you will receive a blessing!

The Youth Rally is a part of the preparation for the Crusade of the Americas revival at the First Baptist Church, April 27 through May 4.

18-year-old beauty Judith Anne Ford of Belvidere, Illinois, crowned Miss America of 1969, proudly crosses her regal sceptre with the Sword of Hope, symbol of the American Cancer Society. She urges all Americans to support the Society's 1969 Crusade which raises funds for research, education and service to patients.

David Hedgeth
Returns From
Mediterranean Tour

USS FORRESTAL AT Sea—Aviation Ordnanceman Second Class David B. Hedgeth, USN, son of Mr. and Mrs. David L. Hedgeth of Route 4, and husband of the former Miss Carolyn H. Christian of Route 4, all of Gatesville, Texas returned to the United States aboard a special "Early Bird" flight from the attack aircraft carrier USS Forrestal in the Mediterranean.

The "Early Bird" flight gave many Forrestal crewmembers a chance to arrive in the States a month earlier than their ship. In the Mediterranean since last July, Forrestal has participated in U. S. Sixth Fleet and NATO allied navy exercises to maintain a peak of operational readiness.

While deployed, the ship made port calls at cities in France, Italy, Spain, Greece, and Turkey.

The carrier Forrestal is scheduled to arrive at the Naval Operating Base, Norfolk, Va., in early May, and will undergo routine maintenance and repair in preparation for its next deployment.

I.R.S. DEADLINE
MIDNIGHT
TONIGHT

Income Tax deadline is Midnight, tonight, April 15, 1969. Returns must be post marked no later than the deadline, to avoid penalties.

This year in addition to the regular calculations of tax, individuals must take on the 10 percent sur tax to "curb inflation" or something.

It is true that the sur tax does have a "deflating" effect, it completely empties an already over-burdened billfold. A billfold could lose its purpose (carrying money) if things don't slow down.

The Seguin Gazette carried the following letter addressed to the I. R. S., "Dear Internal Revenue Service: I dislike everything about your service. Therefore, this is to inform you that I wish to cancel all future services expressed or implied."

The Gazette continued, "Do you think we could get by with this? I would suggest you get busy with that form -- there is no way to by-pass it."

Letters won't slow the I. R. S. requirements and don't blame the I. R. S., they get the "word" from the political geniuses.

This little column was meant to be funny, but it is impossible to take taxes in a light vein.

SALTER HONORED AT BANQUET
AS LAYMAN OF YEAR BY JAYCEES

The Gatesville Jaycees held its Annual Installation and Awards Banquet, Saturday night at the Chateau Ville Restaurant.

Each year the Jaycees recognize an outstanding community citizen and recognize individual and committee work in the Jaycees at their banquet.

Rev. Kenneth Patrick was called on to make present the Layman of the Year Award. The Layman Award originated last year, is a selection by the members of the Gatesville Ministerial Alliance of the year's most outstanding individual.

Patrick noted for the Jaycees, that this year the Alliance unanimously selected Rep. Bob Salter as Layman of the Year for 1969. Salter was cited for his civic, religious and political accomplishments in the Gatesville area.

Jaycee President, Mike Blanchard announced to the banquet the selection of committee of the year, the Courthouse Lighting Committee with Tom Kennedy as chairman.

The Lighting project, over a year in the drawing board, came to a beautiful completion late in 1968. Fund raising for the project took on many programs, air-lifts, carnivals, firecracker sales, and donations. Much of the construction work of the project and design work was handled by Jaycees.

The Jaycees project list for 1968 is impressive with eleven Get out and vote campaign; Junior Golf; Jaycee Rodeo; Jaycee Carnival; Labor Day Rest Stop; Little League Ball Park; Courthouse Lighting; School Safety Patrol; Religious and Christmas activities; Boy Scouts; Domino Tournament; and Pee Wee Football.

standing Jaycee work. He noted the club can win distinction in 1968 and be the first club in Area 4 to ever win the Jaycee Gold Chip Award.

The 1969-70 Jaycee officers sworn in are President, Wylis Ament, 1st Vice President, Henry Brim, 2nd Vice President, Royce Rhodes, Treasurer, Clay Reeves, Secretary, Mack Lee and Directors, Dr. Joe Kenworthy, Bill McGlothlin, Dean Meeks, and Malcolm MechHargue.

Guest Speaker for the evening was Representative Bob Salter. Salter thanked the local Jaycees for their civic involvement and the many areas in which they served the community.

He noted that Jaycees have originated many fine programs through out our nation. Salter cited the Appalachia Regional Commission as an outgrowth of an Eastern Kentucky Jaycee's efforts to help the community.

Salter cautioned the club that it takes dedication and effective management from Jaycee

Rain Delays District
Track Meet

The Hornet tracksters were scheduled to participate in the District 13AAA relays at Taylor, Friday, but bad weather caused cancellation of the meet. If it was rescheduled for Saturday, but once again, the weather was not favorable. The meet was finally run off yesterday afternoon and last night.

The teams favored to take top honors were the Belton and Taylor powerhouses with Coppas Cove scoring a probable third place. The Gatesville cinder crew can at best hope for only a fourth place finish, although there may be a few Hornets who turn in outstanding individual performances.

DELTA KAPPA GAMMA BREAKFAST - Chateau Ville Restaurant was the scene of the annual Future Teachers and Retired Teachers breakfast, Saturday, April 12, 9:00 a. m., sponsored by Delta Kappa Gamma.

Mrs. Vivian Bennett, Vice-president, presided over the meeting and welcomed the guests.

The invocation was offered by Miss Aurora Yongue. At this time a breakfast menu of pineapple juice, ham, scrambled eggs, tater tots, whole wheat muffins, jelly, coffee and tea were enjoyed.

Following the breakfast, Miss Mamie Sue Halbrook presented the special music, "Angel Serenade."

Others having a special part for the occasion were Mrs. Grace Leaird, Jay Wallace, Elizabeth Barton, Fay Eubanks,

The program topic was entitled "Toward Better Living" and presented by Mrs. Eva Louise Smith, Catherine Koe'n, Bertha Clement and Miss Leta Bennett.

BEAUTY WISE AT THE BREAKFAST - The Delta Kappa Gamma breakfast table gave the appearance of a Hawaiian Luau. The U shaped tables were covered with white. At various distances were wooden bowls filled with fruit and at points between were pineapples, a symbol of hospitality. Colorful paper garlands also complimented the table.

Program covers sported a pineapple and on the place cards were the sorority emblem.

I believe those in charge who did such a lovely job were Mrs. Barbara Adams, Vivian Bennett, Ruth Huckabee, Eleanor Kendrick, Eva Smith, Etta Carroll and Miss Molly Montgomery, Wilhelmina Cayce, and Maude Alyce Painter.

Bill Glass, defensive end for the Cleveland Browns, will speak at a Youth Rally at the First Baptist Church in Gatesville, Sunday April 20.

We talked about the different

kinds of snakes, things that have happened with snakes, and what to do if you are bitten by a snake. Since we had been talking about snakes, we answered roll call with names of different kinds snakes. Johnny Hendricks Reporter

Budget battle lines are being drawn in the Legislature. But redistricting lines aren't. And Speaker Gus Mutscher is getting lined up for a summer marriage to a former Miss America.

While appropriations and redistricting don't look too cheerful, the prospect of putting a bride in the Speaker's Apartment in the Capitol has added a bright note to deliberations. Early in the summer, Mutscher will marry Donna Axum, Miss America of 1964. Miss Axum, an Arkansas beauty, is a speech teacher at Texas Tech in Lubbock.

As for redistricting, a US Supreme Court ruling has wiped out the Legislature's optimistic feeling that it could avoid any sort of redistricting this year. High Court ruled that congressional districts must be precisely the same size, and Legislatures "must justify each variance no matter how small."

Texas' congressional districts are clearly outside the Court's decision, so they will have to be redrawn. Since that involves a lot of work, the possibility of a special session looms.

In other action, the House Appropriations Committee approved its version of the budget bill for the next two fiscal years. A Senate-passed bill would spend \$5,775,900,000, but the House version has only \$5,724,500,000. Major difference is in raises for state employees.

While the Senate bill would involve a sizable tax bill, the House version could get by on existing revenue. Neither bill includes pay raises for teachers.

Final bill will be drawn up by a House-Senate conference committee, which is expected to get pretty steamy in its deliberations.

Gatesville at a Glance

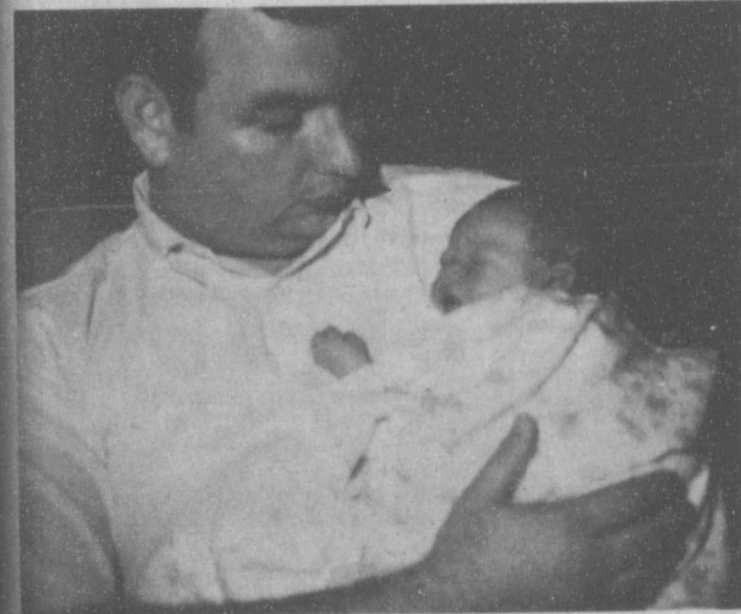

by Lillian Vidler

865-6397
865-2961

CONGRATULATIONS - to Mr. and Mrs. Darrell Elliot of Purmela on the arrival of a baby boy born, Friday, April 11 at 9:29 p.m. at the local hospital.

Left is pictured the home of Mr. and Mrs. Don Flentge, 1806 Bridge Street. The long antique brick and brown wood trim construction, give the appearance of a spacious ranch style house. To add to this effect are the large mesquite trees, yucca, and spanish dagger plants scattered over the yard. Against the house are roof tall pyracantha shrubs to the right and ivy in the flower box and clinging to the brick wall.

FIRST TIME GRANDPARENTS - Mr. and Mrs. Eugene Bond of King are elated over new and only grandchild, Christopher Eugene Bond. Parents, Mr. and Mrs. W. E. Bond are equally proud. Bess was quick to say he is the most handsome of all babies. See for yourself at right, proud papa and handsome baby. Christopher's maternal grandparents are Lt. Col. and Mrs. E. M. Christiansen of Omaha, Nebraska.

JUNIOR SENIOR PROM - This time of year seems to be high with excitement and curiosity for the Junior and Senior classes, with the prom set for Friday night. A number of Juniors have told me the theme for this year, and it can't be anything but beautiful. I could hardly believe of all the seniors I quized, not one knew the theme, so it looks as if "mums" been the word among those in charge of decorating.

IT'S A FACT - In Walter Scott's Personality Parade, the following information was published. Under the Transitions Act passed by Congress, a retiring President is allowed \$375,000 to meet expenses during the first six months of his past-presidency. Under the Former Presidents Act, Johnson, starting in July, will receive \$80,000 annually for life to pay for his office expenses. He also receives \$40,000 for life from his presidential pension, and another life pension of \$22,000 for his years of service as a Congressman, senator and vice-president. In the case of a President it certainly seems, "it pays to stay alive." Right?

FRIGHTENING EXPERIENCE - I had made a visit with Dot Bratton, the other day and she shared plants from her yard with me. We placed the plants, surrounded with moist damp earth on papers behind the seat. As I drove home I had the strange feeling I was being watched and glanced across at the opposite seat to discover a huge snail was making his way toward me. I think it was then I experienced my first "up tight" feeling.

BON VOYAGE - Sammie Saunders is one of those few people from Gatesville, who will be enjoying foreign lands during the next few weeks. As of yesterday (Monday), Sammie and a long time friend from Michigan flew to London to begin a two week tour of Europe. As she went over her itinerary, and thumbed through travel folders, she seemed to radiate her excitement.

INCIDENTALLY - If you think I talk about the Baptist Church or Creek Cliff area too much that's because I have more reason to come in contact with them. So, please help me out by calling into the news office or at my home and let me know bits of information important or interesting to your church and friends. Both numbers are listed with "Gatesville at a Glance."

SORROWFUL FRIEND - Mrs. Willis Jones calling in to report a friend Mrs. W. C. Guggal of Lockhart, in the Golden Age Convalescent Home, broke a hip and has been moved to Breckenridge Hospital in Austin.
