TOP PERFORMANCE TURNED IN BY JAYCEES AND COWBOYS

Western action at its finest. The Gatesville Jaycee Rodeo lived up to hard hitting reputation developed over 31 years, this past weekend.

Several of the rodeo events were decided in the Saturday night competition as contestants began to eye the winning times and rides.

Saturday night an audience of 1300 witnessed Team Steer Roping, being decided in the last two teams. Gip and Claude Lovejoy performed the head-

ing and heeling to perfection in 13.7 seconds to grab off the lead with only one team left to compete. Then Bill and Al McCray of Brownwood met the

challenge but missed the time by one tenth of a second. The tenth of a second meant a \$72 difference at the pay window. The pay window was busy after the final performance, paying a total of \$3136 to the winning cowboys and cowgirls in six events.

The Calf Tie Down event also had an excitement filled Saturday night as Gatesville's James Lee tied for the best time of the Rodeo with a 9.9 seconds.

Bull Riding came to a finale with a whirl wind ride by Junior McAndrews of Florence on a Lloyd Woodly bull named #2. "Shute talk" was accurate when they said McAndrews bull would "wind him up to the right." McAndrews made the eight second ride, but found getting off of the "spinnin wheel" breath taking as he was struck in the chest by the bull's head.

Top money winner for the show was Junior McAndrews with \$272. No performer was able to pick up money in more than one event.

Three Vehicle Wreck Results In Minor Injuries

A three-vehicle accident, Saturday afternoon resulted in only minor injuries to two persons. The spectacular crash involved a tractor-trailer truck driven by Vernon Roy Gazzie of Houston, a 1969 pickup driven by Glennis Gene Egger of Route 1, Gatesville and a 1964 Ford driven by Otis Chambers.

Police Chief Gene Goins reported the Eggers pickup failed to yield right of way to the tractor trailer which was traveling east on Highway 36 at the Lovers Lane intersection. Goins noted that the truck struck the pickup behind the cab and pushed the pickup into Otis Chambers' car which was stopped at the intersection. The truck jacked-knifed just beyond the intersection.

Eggers and Chambers were taken to Coryell Memorial Hospital where they were treated and released. see WRECK page 3

Sutton Charged With False Imprisonment

Charges of false imprisonment filed by District Attorney Byrom McClellan, Saturday against Larry W. Sutton, 23, of Brownwood.

The complaint filed in Justice of the Peace Stony Hammock's Court alleges that Sutton "falsely imprisoned and kidnapped Deborah Blanchard for the purpose of removing the said Deborah Blanchard from the state of Texas."

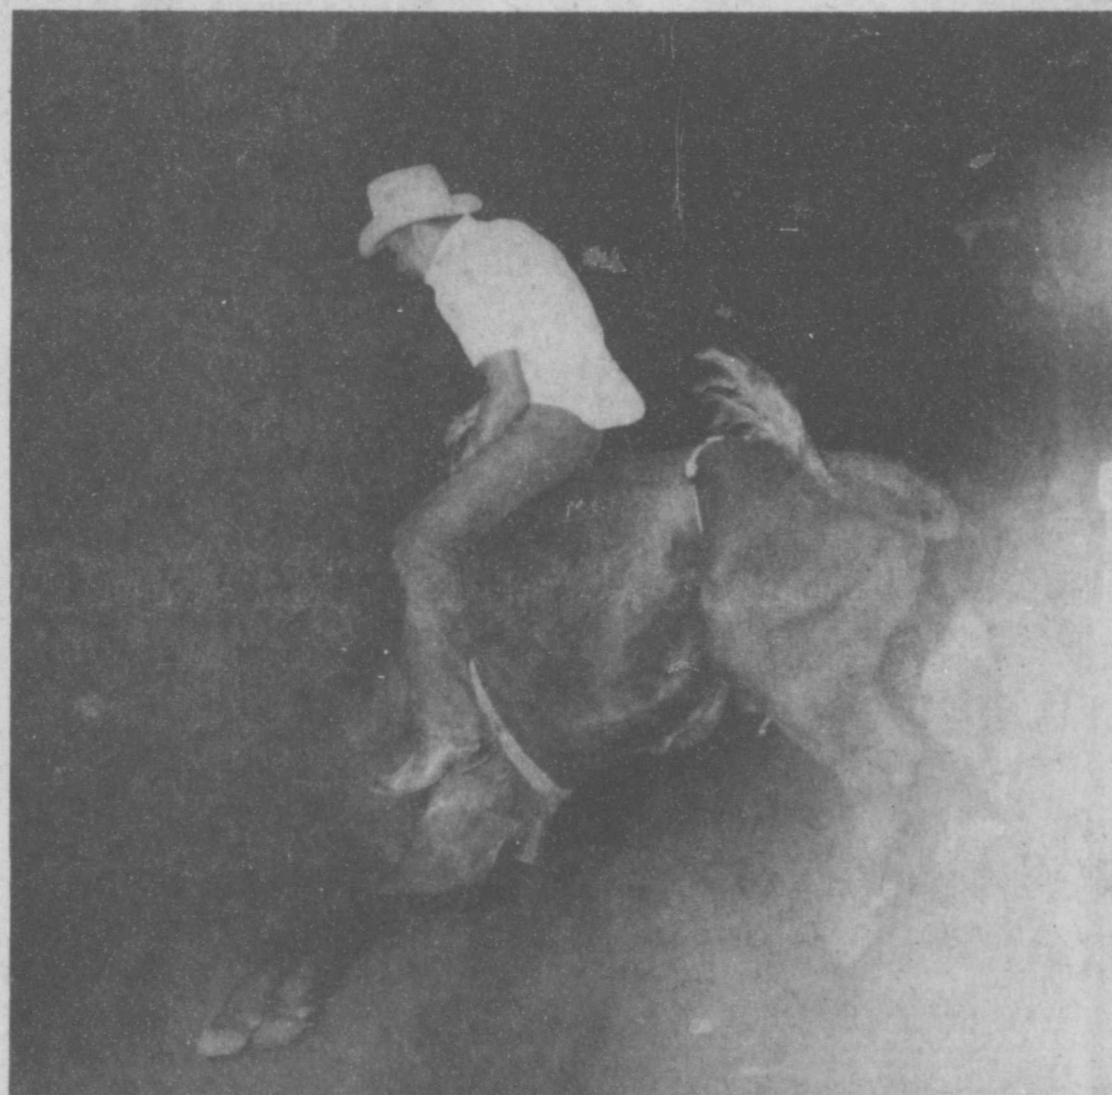

DPS Patrolman, J. K. Hamilton apprehended the Brownwood man, following a five mile high-speed chase which ended at The Grove, on Highway 36. Hamilton explained that he "pulled on to the road behind the car and he just spooked." The chase reached speeds of 120 mph.

Hamilton explained that questioning of the couple revealed that the Brownwood girl was allegedly being held against her will.

Following a three hour investigation, the man was charged and bond was set at \$2000. He is presently in Coryell County jail.

The Brownwood man was also filed on for speeding, passing in a no passing zone and passing on the right shoulder.

Over the weekend a 1962 Chevrolet belonging to Benny Bankhead was stolen at the Bankhead home in Sun Valley. Sheriff Windy Cummings said, "one state school inmate was out at the time the car was taken."

NEW NAME ADOPTED FOR WALLS INDUSTRIES INC.

Walls Industries, Inc., of Cleburne, announced that new machinery has been ordered for its Gatesville Sewing plant.

Bob Vidler, Gatesville plant manager, reported that the new equipment will provide greater flexibility in the types of garments made in Gatesville as well as increased total produc-

tion. The Gatesville factory now employs about 45 women sewing machine operators, and it is expected that about 30 operators will be added in the next two or three months.

Sam Walls, president of the Cleburne firm, said that the Gatesville plant was ahead of schedule. "We've only been in operation in Gatesville for less than six months and the results are exceptional. The expansion here will enable us to produce both the basic work coveralls now being made and our line of lighter weight coveralls. With the additional equipment in Gatesville, we will be able to vary the mixture of styles in accordance with seasonal demands."

At the same time the Gatesville expansion plans were announced, the company made public its new name. On April 30, the name was changed to Walls Industries, Inc. formerly, the name was Walls Mfg. Co., Inc. The Clif-Tex Mfg. Co., Inc., which was a subsidiary, was merged into the new Walls Industries, Inc., and will be a separate division instead of a separate company. The items produced by the Gatesville Plant are sold by the Clif-Tex division.

Walls Industries, Inc., has sewing plants in Gatesville, Clifton, and Cleburne, as well as general offices, warehousing, cutting and shipping facilities in Cleburne.

CITY SWELLS WITH PARADE ENTHUSIASTS

The 31st Annual Jaycee Rodeo parade, Thursday afternoon marked the beginning of three days of rough, robust rodeo activity in Gatesville.

The 5 p.m. parade included bands, riding clubs, pretty girls, and clown Bo Bland, guest star at the 31st contest. Heading the parade were Jaycee officials and other rodeo dignitaries.

The group included Jaycee rodeo chairman, Mike Blanchard, Sheriff Windy Cummings, and 1969 Rodeo Sweetheart, Debbie Halrston.

Following the "headliners" were the float entries. Winning the float competition were the Jaycee Wives, Xi Iota Epsilon Chapter of Beta Sigma Phi, and McDonald Electric.

Taking first place laurels and a cash prize of \$50 was the Jaycee Wives' entry.

The colorful float depicted a pair of spured western boots with a "Spur 'em to the Rodeo" at each side of the green and white float.

Xi Iota Epsilon Chapter of Beta Sigma Phi chose a theme of an old-time western shindig. The chapter's float consisted of a record player walling with a

western tune. Their prize was to the tune of \$30.

Third prize was taken by McDonald Electric Company. McDonald's entry was an antique car with a make believe old time family aboard. McDonald's received \$20 for their efforts.

Bands participating in the 1969 parade were the GHS Hornet Band and the 1st Armored Division Band from Ft. Hood.

Mrs. Smith Talks About Indonesia

The home of Miss Ruth Yongue was the meeting place of the Faith Sunday School class of the First Baptist Church for their regular monthly business and social meeting on June 4.

The members met at 8:30 and were served a delicious breakfast by their hostess and teacher assisted by the class president, Mrs. M. B. Martin, Mrs. Evan J. Smith led in prayer

including thanks for the meal. The menu consisted of orange juice, link sausages, scrambled eggs, hot blueberry muffins, plum jelly and hot coffee.

After breakfast a business meeting was held presided over by Mrs. Martin. Reports were made by the recording secretary, Mrs. J. F. Post, assistant class secretary, Mrs. John Bone, Love Fund Chairman, Mrs. Tom L. Robinson, and group captains, Mrs. Fenno Straw, Mrs. B. E. McCoy, and Mrs. A. D. Chestnut.

Mrs. Martin then introduced Mrs. Leslie Smith, daughter-in-law of one of the class members, Mrs. Evan J. Smith. Mrs. Smith and her husband are missionaries to Indonesia and she gave a brief over-all picture of the people of that country and their work among them. She asked if anyone would like to ask specific questions and a number did so.

The class was dismissed by joining hands and singing "Blest Be the Tie That Binds." Members present were Mesdames John Bone, D. R. Boone, L. V. Burton, A. D. Chestnut, Carl Eubands, Etta Lester, M. B. Martin, B. E. McCoy, J. F. Post, Tom L. Robinson A. T. Rogers, Eva J. Smith, Fenno Straw, Edward Taylor, Aubrey Walker, Wm. Wiegand and guest, Mrs. Leslie Smith.

Governor Smith Sends Law Plan to Washington

Governor Preston Smith has signed and sent to Washington the State's Comprehensive Law Enforcement Plan, meeting the June 1 deadline for fund approval.

"This massive plan is the most extensive effort we ever made in this State to try to pin down and stamp out crime in every rotten phase--improving police, courts, corrections, rehabilitation and preventing juvenile delinquency," said Governor Smith.

"Never before have so many of our best minds and talents from throughout the entire criminal justice system combined their efforts into a plan which we now hope to put into effect," said the Governor.

The U. S. Department of Justice is expected to approve nearly \$1.1 million in funds to begin implementing the plan by about June 15.

The Criminal Justice Council of the Governor's Office approved the plan with minor revisions on May 23.

Priority funding in the plan included:

- increases in quality and amount of education and training in all elements of the criminal justice system;
- regional and statewide information and communication systems;
- prevention of juvenile delinquency;
- community relations programs; and
- experimental and demonstration projects that will test and evaluate new approaches to solving problems in the criminal justice system.

After the initial phase this year, there is a possibility that Congress will vote 10 times the amount of funds for the following fiscal year, or about \$11 million for Texas.

The funds will be disbursed under the Omnibus Crime Control and Safe Streets Act of 1968, and will be matched by portions of matching State and local funds. The Act is being administered through the Criminal Justice Council of the Governor's Office.

Social Security Facts

A record \$1,505,000 in monthly social security benefits was being paid as of January 1, 1969, to residents of the six-county central Texas area served by the Temple social security office, Jack Calvert, district manager, announced today.

In Coryell County 2905 persons received \$191,000 in social security benefits on January 1, 1969. This amounts to \$2,292,000 in a year, Calvert added.

For the entire six-county area served by the Temple district office, 22,105 persons are receiving monthly benefits at the rate of \$18,060,000 for the year.

In Texas, 1,172,992 persons were getting monthly social security benefits amounting to \$87,916,186 as of January 1, 1969. In the United States, 24,560,374 persons were being paid \$2,062,548,420 every month.

Of the 2905 persons in Coryell County receiving benefits on January 1, 1969, 587 were under age 60, and 2338 were 60 years of age or older. By age category for Coryell County, the age breakdown was like this: 332 under age 18; 53 age 18-21; 182 age 22-59; and 2338 that were 60 years of age or over.

Many students, shown in the 18-21 age category above, would not have been able to continue their education without monthly social security benefit checks. This special provision for students resulted in 470,000 students getting these benefits in the U. S. during 1968.

As of January 1, 1969, more than 90 percent of all Americans 65 years of age and over were eligible for social security cash benefits. More than 95 percent of all persons over age 65 have signed up for Medicare hospital and supplementary medical doctor bill insurance. In the six-county area served by the Temple district office, the percentages run higher than the national figures.

RECEIVES BRONZE STAR

Army Sergeant First Class Jack M. Hamilton, whose wife, Ruth, lives at 601 N. 17th Street, Copperas Cove, Texas, received the Bronze Star Medal and his third award of the Good Conduct Medal near Phu Bai, Vietnam.

Sfc. Hamilton was presented the Bronze Star for meritorious service in ground operations against hostile forces during his last assignment in Vietnam.

The Good Conduct Medal was received for exemplary conduct, efficiency and fidelity in active military service.

At the time of the presentations, he was a mess steward with Company B, 1st Battalion, 17th Cavalry, 3rd Brigade, 82nd Airborne Division. He holds the Army Commendation Medal.

Highlights and Sidelights

Vern Sanford

Millions for welfare, billions for water, and trillions for wages. These three "Ws" point up the money problem presently facing the State.

Final decision, of course, rests with those who eventually pay the bill--the people of Texas. Their decision as to whether they are willing to foot the bills with additional taxes will come through the ballot when they vote for or against constitutional amendments at the special election on August 5.

As for welfare... the welfare groups face a do-or-die effort to boost the welfare benefits ceiling from \$60 million to \$80 million a year. If that amendment fails, as a similar one did last November, the Legislature will have no opportunity to re-submit the increase before 1971. That means benefit payments to the evergrowing list of recipients will decrease accordingly.

As for water--a massive statewide campaign is shaping up to sell Texans on a \$3.5 billion revenue bond program that will be needed to bankroll the nation's largest state water development plan. A constitutional amendment on the August 5 ballot would authorize bonds - to be repaid by water users - to take care of the state's share of a \$9 billion Texas Water Plan... the largest and boldest of its kind ever proposed.

As for wages... legislators and legislative leaders have a special interest in amendments to increase their salaries and to provide for annual sessions. Under one amendment the lieutenant governor and the speaker could be paid up to half the governor's salary (\$50,000). Senators and representatives could be paid as much as district judges receive from state funds (\$18,000 a year). Legislators already have passed an act raising their own pay. But it goes only from the present \$4,800 to \$6,800. Even this raise is subject to passage of the amendment.

TO DO OR NOT TO DO--Gov. Preston Smith is keeping to himself his decision on calling the Legislature back into session.

His "D-Day" is June 22, a Sunday. That's the last day for him to sign, veto or let become law without his signature, the \$2.8 billion spending bill and the \$61.9 million teacher pay bill.

Smith said if he signs the budget measure, the teacher pay raise "is dead" because there is not enough money for both.

Governor surprised teachers by criticizing the teacher pay bill. Earlier he had been critical of the Legislature's decision to vote a one-year ap-

propriations bill instead of the traditional two-year bill.

Smith has expressed some disapproval of at least two of the revenue measures--a Department of Public Safety fund transfer and a \$10 optional building use fee on students.

Smith is receiving many complaints about the appropriations bill as passed by the Legislature. College people are unhappy because funds for organized research were reduced. Not enough money was put into the budget for the schools for mentally retarded children and for the new community mental health-mental retardation centers, according to the Texas Association for Retarded Children.

Joe Day Fr., president of the association, objected because the bill provided money for planning a new state school in

the Houston area while the Board for Mental Health and Mental Retardation had requested that new schools be built at El Paso, the Rio Grande Valley and Northeast Texas. A last-minute change also reduced the allocation for air pollution control work by \$60,000 a year.

Lt. Gov. Ben Barnes hopes that the governor will let the appropriations bill become law. He thinks that a year's wait will show that smaller taxes will be needed than if the Legislature then this year.

ATTORNEY GENERAL RULES--An elected criminal district judge cannot be a member of a county hospital district board of managers without waiving his right to state compensation, says Atty. Gen. Crawford Martin.

A specialized motor carrier means any of a variety of vehicles as defined in Texas statutes, not just those certified by the State Railroad Commission said Martin in another opinion. He also defined "base municipality" as referred to in transportation statutes as "any municipality to which other municipalities are immediately

contiguous." Treasurer Jesse James asked Martin to rule on the constitutionality of giving cigarette tax stamp purchasers 15 days to pay. (They are now on cash basis). Decision bears on whether revenue is available for teacher-pay raises.

EDUCATION--Members of the Coordinating Board for State Colleges and Universities decided to wait until its next meeting to take action on a request by Texas A&M to expand its forestry program into a full undergraduate-graduate program.

Revival Now In Progress

The King Baptist Church is holding a revival this week. Services began Sunday and will continue through June 15. Evening worship services begin each night at 8:15. The Rev. John Blesit of Fort Worth, formerly of Hamilton, will deliver the messages and Rev. Mervil Hemphill will sing. Miss Cathy Sims will furnish the music.

SUMMER TIME - is right around the corner which means fun in the sun. A great deal of this time is spent at the swimming pools. I think every pool in this immediate area has some kind of summer program going.

Though I'm not sure about the public pool in Raby, I do know Jo Lynn Jackson is giving lessons at the Country Club in its beautiful remodeled surroundings.

At the Creek Cliff Estates is the very capable Mr. Ivan Leschber who is a qualified Water Safety Instructor.

Mr. Leschber is the curriculum director at the State School in the primary and junior groups of children he teaches eleven children for one hour. The pre-school children are kept to a maximum of five and are instructed for 30 minutes.

Other than learning to swim the groups are taught water safety and artificial respiration.

The mothers present to watch each afternoon have commented on Mr. Leschber's patience and on how he certainly has a way with children.

TRAVELING - around and enjoying some new scenery are Miss Jane Brookshire and Mrs. John Potts.

As they left Gatesville Friday morning their plans were to spend two weeks leisurely traveling around the country with stopping points sighted at the Davis Mountains, Carlsbad Caverns in New Mexico and possible drop in on relatives in Colorado.

BACK FROM VIETNAM - is Spec. 4 Larry Hafercamp, son of the late Mr. Shorty Hafercamp of Los Alamos, New Mexico. His mother is Mrs. Loys Bodie of Austin. He is the grandson of Otto Hafercamp of Coryell City and nephew of Mr. and Mrs. Loran Hafercamp and Mr. and Mrs. Charles Hafercamp of Gatesville.

We do hope Larry will have a good time before he reports in at Ft. Bliss where he will be stationed.

All the music was lively and fresh and I was actually sorry when it ended.

Those participating and their selections are as following: Mary Angela Wicker, "Chocolate Soldier" and "Pictures"; Hoi Zane Woodson, "Two Little Chipmunks" and Cowboy on a "Rocking Horse"; Nancy Whittenburg, "Wee March", "Rainbow" and "Tune Twisters"; Danny Wright, "Clock on the Staircase" and "Weather Man"; Juanita Starkey, "The Two Robins" and "Pretty Rainbow";

Lori Powell, "Merry Farmer"; Judy Wright, "Tango" and "Blue Moonlight"; Jefferiann Botkin, "Unfinished Symphony" and "Spring Song"; Linda Boone, "Spinning Wheel"; Donna Bartlett, "Jenny Lind Polka" and "Tarantilla";

Luci Powell, "March of the Gnomes"; and "Ballade"; Hal Knight, "Elegy" and "Wind on the Windmill"; Shelly Morris, "Prelude" by Chapin and "Aragonaire" by Massenet; Annette Poole, "3rd Movement of Sonatina" and "Sidewalk Restaurant".

PIANO RECITAL - Miss Mamie Sue Hallbrook presented her fourteen piano pupils in a recital Tuesday night at the National Bank Civic Room.

When I called Miss Hallbrook about pictures she stressed she was not seeking publicity. But I think each of the boys and girls rate an A for their contribution to the program and certainly should get credit for such.

Some of the mothers I talked with said the credit should go to Miss Hallbrook for she had brought the child's talents to their peak.

As Miss Hallbrook welcomed the parents, relatives, and friends she said this was a way to let parents see their child at his or her best. She stated that the secret of a child's progress is for a parent to listen, for this gives them more incentive to learn.

I had not been to a piano recital in years and had remembered them as being very dull. But this was a completely new experience.

In the above photo left to right front row are, Nancy Whittenburg, Mary Angela Wicker, Donna Bartlett, Kori Zane Woodson; Second row, Lori Powell, Annette Poole, Judy Wright, Juanita Starkey, and Danny Wright;

Third row, Jefferiann Botkin, Shelly Morris, Hal Knight, Luci Powell and Linda Boone.

OUT OF TOWN VISITORS - were sisters Mrs. Buddy Williamson and Mrs. Luci Jane Britain and Mrs. William's daughter, Julie, from Abilene who were house guests in the Lester Britain home last week.

During this visit they also spent some time with Ruth Britain who resides at the Rotunda.

VACATIONING last week and this week are the Bob Bush family. Mr. and Mrs. Bush, Monte, Ricky and Randy left last Monday, June 2, for Virginia where he will be visiting with relatives.

Seaman Dean Serving

Aboard USS Gearing

USS GEARING - Seaman Leonard Dean, USN, son of Mr. and Mrs. Clifford O. Dean of 1107 S. 19th Street, Copperas Cove, Texas, and husband of the former Miss Carol A. Gilson of Cedar Grove, Terrace Essex, Conn., is serving aboard the destroyer USS Gearing.

The ship recently left its home port of Newport, Rhode Island for duty with the U. S. Sixth Fleet in the Mediterranean.

The Gearing is used primarily in anti-submarine warfare, operating offensively against airborne attack and providing gunfire support amphibious assaults.

CROWN JEWELS - If you missed the Girls' Auxiliary Coronation Sunday night at the First Baptist Church you missed a blessing and inspiration.

A green drape covered the Baptistry and on this was a large white crown filled with jewels. Two tall palms flanked each side of the chior loft. Incidentally, green, gold and white are the G. A. colors.

Mrs. Bythal Cooper is the G. A. director and Mrs. Ralf Franks, Mrs. Joe Bob Williams, and Mrs. J. M. Price Jr. are the councilors. They spend long hard hours helping the girls with their forward steps so a Coronation will be possible.

Mrs. Sterling Edwards presented the program entitled "Crown Jewels", which she compared with the crown of Christ. As the different groups walked down the church aisle to take their place before the church, they looked beautiful in their white floor length dresses. Each girl had a special glow as she presented a part of what she has learned the G.A.'s.

Each group of girls represented a jewel of the crown, the first were the beginner G. A.'s who were the unpolished jewels and have four years to grow and become a shining gem for the Master.

Those who advance first are the maidens, the emeralds of the crown. They were presented a G. A. emblem and charged to remember the first two words of the watchword, "Arise", and "Shine".

Next were the Ladies in Waiting, the sapphires, a beautiful blue transparent stone mentioned in Revelation as the second foundation of Heaven. As they received their emblems they were told to do their work well.

The Princesses represented the Ruby, the most expensive gem, three to ten times its weight in other gems. There girls were asked to do their best to also be of great value in the future.

The Queens were compared with the diamond for they have learned to shine more brightly for Him in their attaining the name, "Queen".

Maidens: Vicki Barnard, Cindy Scholeman, Kathy Wise, Karrie Lou Donaldson, Beverly Bankhead, Elizabeth Maxwell, Beverly Reuter, Nancy Brazzil, Deanna Bernard, Sharon Jones, Vicki Patterson, and Nancy Whittenburg.
Ladies in Waiting: Carla Donaldson, Laura Stephens, Melinda Patrick, Kathy Daschofsky, Loretta Daschofsky, Tamela Blanchard and Nicky Thornton.
Princesses: Terri Bankhead, Paula Patrick, Anita Collins, Kathy Tull, Kim Blanchard, Shawn Thomas, and Sylvia Edwards.

Queens: Donna Beth Henson, Betsy Floyd, Robin Norfleet, Judy Wright, Teresa Davis and Lynn Beck.

Flower girls and crown bearers: Tracy Sullivan, Donna Henson, Karrie Stephens, Beverly Floyd, Sherrie Bernard, Cully Christain, Kim Hollingsworth, Dianna Poston, Janet Davis, Lynn Morgan and Greta White;

Denise Johnson, Terri Bruton, Bonny Floyd, Regina De Lord, Tray Jackson, Kinda Lovejoy, Tammy Hale;
Other attendants were: Billy Beam and Brian Brown.
