

Charles Wilson, pictured above, will head a local organization of "ham" radio operators as part of a nation wide network of "hams" in time of emergencies. Wilson has contacted amateur operators as far away as South Africa and Little America.

## ARRL TO ORGANIZE CORYELL RADIO OPERATORS

Charles L. Wilson, WA5QQY, Route 1, Box 240, Gatesville, Texas 76528 has been selected to lead an organization of Coryell amateur radio operators prepared to furnish organized emergency communications in time of disasters, it was announced today by Communications Manager George Hart of the American Radio Relay League, U. S. and Canadian association of radio amateurs. Mr. Wilson's assignment, which carries the title of Emergency Coordinator of the Amateur Radio Emergency Corps, is to band together members of the amateur radio service in his community to perfect arrangements for emergency radio communication by hams in the event of natural disasters or other emergencies. In addition to use of fixed radio station equipment working from commercial power, amateur stations use self-powered radio transmitting and receiving equipment as needed and can often deploy portable and mobile units to accommodate a particular emergency requirement. Mr. Wilson as ARRL Emergency Coordinator, will call local meetings of amateurs, establish common operating procedures, and arrange regular drill periods when the hams' personal stations may be mobilized under simulated emergency conditions. His duties also include liaison planning with relief and public welfare agencies, as suggested in working understandings the ARRL Amateur Radio Emergency Corps has with the Red Cross, Civil Defense, and other agencies. Liaison will be established also with local protective services, such as fire and police departments. Wilson, a long time radio "ham" has worked with the American Radio Relay League as part of a net-work of hams acting as messengers for the public. He explained that each

week East Texas operators tune in for a 55 minute period to accept and transmit messages as a public service. Wilson is part of the "East Texas Net" which is on the air at 10:00 to 10:55 p.m. each night. Wilson explained that anyone wishing to send a message through Coryell County can call him and he will relay the message. Wilson handles messages which are addressed to Vietnam and all parts of the world. Common messages include "notice of safe arrival", "send money" and probably "I love you", types. No original death messages can be handled by the radio net work, Wilson cautioned. Wilson explained that messages coming and going follow a similar route. For example a message to Vietnam originating in Coryell County would be forwarded by Wilson to the District 8 Net Center in New Orleans at 10:00 p.m. From New Orleans the message would be relayed to the West Coast relay net work for transmission to the Western Pacific and Vietnam. Relays to all points on the globe are possible through the network of amateur radio operators. Wilson explained that the amateur radio operators consider this part of their civic obligation and he encouraged use of the network. Call 865-5129 and I will be glad to help anyone with a message", he explained.

In announcing the appointment, Hart pointed out that radio amateurs have traditionally had the responsibility of being in constant readiness to offer assistance in time of need with ham-acquired skill, emergency-powered transmitters and a wealth of community spirit. "When sleet storms disrupt telephone and telegraph service, or floods isolate whole communities," the League's Communications Manager said, "it is amateur radio that comes to the rescue with operators and self-powered equipment, often as the sole agency able to transmit messages calling on the outside world for aid for the stricken community." "To be prepared for this function required not only a highly organized program of preparedness locally," Hart continued, "but hams outside the disaster area must be prepared to act as outlets and relay points for emergency traffic. Planning and organization are necessary in either eventuality and that is the job Mr. Wilson is doing for this area."

**Policeman Returns**  
Everett Gribble began work today, after a 68 day convalescent period, following a car accident on Highway 36 near Temple. Gribble suffered hip and leg injuries in the April accident. He is completely recovered.

## Congressman Poage Introduced Food Stamp Act

Legislation making permanent the existing farm programs and the food stamp act was introduced today by Chairman W. R. (Bob) Poage, D-Tex., of the House Committee on Agriculture, in keeping with a statement he issued last week. The measure combines the existing Food and Agriculture Act of 1965 and the Food Stamp Act of 1964, which are now scheduled to expire on December 31, 1970. It contains an "open end" provision as to the amount of money to be authorized for food stamps, leaving the amount to be determined annually in regular appropriations legislation. "Obviously, the production and the distribution of food is closely related and should be considered at the same time", said Poage. "I announced hearings on both general farm legislation and food stamps some days ago and specifically pointed out at that time that the two items would be considered together. "These hearings have been scheduled to begin on the fifteenth of July, which, in view of the July 4th recess of the Congress, is about as early as it would be possible to start. "We have invited the Secretary of Agriculture to open the hearings and I have introduced legislation to extend both the farm program and the food stamp program, and to remove all of the ceiling on appropriations for food stamps." The Chairman said the Committee would not only hear from those supporting his bill, but also from those backing the Senate-passed food stamp measure and other proposed amendments.

THE GOLFERS DREAM - a hole-in-one. Bruce Neeley, son of Mr. and Mrs. Price Neeley of Gatesville accomplished the feat this weekend at Gatesville Country Club. Young Neeley, playing with his father, hit a two iron on the first hole at the Gatesville Country Club into the hole. The hole is 200 yards long and plays par 3. Neeley is the first person to make a hole-in-one on the hole since the green was relocated several years ago. A 1969 graduate of Gatesville High School, Neeley has made one other hole-in-one in July of 1966 on the 4th hole at Gatesville. The ace did not stop young Neeley from turning in a sub-par round for the day. He had rounds of 33-38 for a 71.

## 34 Persons To Die Over July 4 Weekend

Colonel Wilson E. Speir, director of the Texas Department of Public Safety said, June 29 the DPS Statistical Services Bureau estimates that 34 persons will be fatally injured in traffic accidents in Texas during the 78-hour July 4 holiday period. The holiday period is considered to run from 6 p.m. Thursday, July 3, to midnight Sunday, July 6. During this time, the Department of Public Safety will activate a special "Operation Motorcade" and will place all available uniformed patrolmen on duty to enforce traffic laws in an effort to reduce accidents and assist motorists. Speir urged all Texans to plan their holiday trips so as to allow ample time to drive without speeding or driving too fast for conditions. He also cautioned motorists to watch out for pedestrians, especially on beaches and parks, during the holiday period. The DPS director also warned that the department will vigorously enforce state laws relating to driving while intoxicated. "Drinking drivers are involved in 40 to 50 percent of the fatal rural traffic accidents in Texas, and I urge all drivers to avoid the use of alcohol prior to operating a motor vehicle," Speir said.

**Mrs. Britian Dies In Local Convalescent Home**  
Miss Ruth Britian died at 3:00 p.m., June 30, after a long illness in the Rotunda Convalescent Home. Funeral services will be held at Scotts Funeral Home, today at 4:00 p.m. with Rev. Bob Richmond and Rev. Walter Allen officiating. Burial will be in City Cemetery.

**Thunderbird Found Stripped Near Leon Junction**  
Sheriff Windy Cummings reported Monday, that he investigated a burned out car south of Leon Junction. The vehicle a 1968 Thunderbird, was discovered to be a stolen vehicle from Fort Worth. It had been stripped of all accessories before burning.

**Freyer Receives Honors at Texas A & M**  
Larry E. Freyer of Gatesville has been named a Distinguished Student at Texas A & M University, announced Dr. Horace R. Byers, academic vice president. The undergraduate honor is awarded to students who have excelled academically at A & M. Dr. Byers explained, by earning at least a 2.25 grade point ratio (out of a possible 3.0) during the most recent semester of the regular school year. In addition to posting at least a 2.25 GPR, a student qualifying for Distinguished Student honors must have been enrolled for a minimum of 15 semester hours and have no grade lower than a "C". Distinguished Student ranking is limited to 10 per cent of A & M's undergraduate enrollment. Freyer, a junior chemistry student, is the son of Mr. and Mrs. Ervin Freyer.

**James Scott Receives Degree in May 18 Exercises**  
James Alvin Scott, son of Mr. and Mrs. William Scott, Gatesville, received his bachelor of arts degree in teaching at Sam Houston State University in Huntsville, May 18. The graduation exercises were held at Pritchett Field with approximately 1000 graduating.

**His wife, Carol Ann, daughter of Mr. and Mrs. T. L. Rogers, Gatesville, graduated last August from Sam Houston, and since has been teaching advanced math at Huntsville High School, where she will teach Algebra I this fall.**

James will also join the Huntsville teaching staff in the fall and will teach in the field of industrial arts.

**ASCS See Page 7**

## CITY RECEIVES SALE TAX TOTALLING CHECK \$10,436.56

City Sales tax payments totaling \$10,436.56 were received by the City of Gatesville, last Thursday in payment for collections during the first quarter of 1969. Gross collections for the January - February and March periods totaled \$11,181.81 of which the State Comptroller Office retained two percent for clerical work and retained 4.76 percent to cover possible losses and refunds. The \$10,436.56 check is better than many had expected originally, but fell short of later estimates. Annual estimates of from \$30,000 to \$50,000 are now seen as somewhat low. Eiland Lovejoy, city manager said the collections represents the lowest period of consumer activity during the year. Federal taxes, license plates, and state and local taxes all are paid during the first quarter. Lovejoy noted that even four times the first quarter figure would mean \$42,000 annually to the city and consumer activity picks up with Easter, Mothers Day, Summer, Back-to-School, Fall and Christmas. Conservative estimates now place annual revenue from the city tax at \$50,000 minimum. Copperas Cove received their returns last week as did several other Central Texas cities. Cove received \$12,657 from its \$10,000 population during the same first quarter. Bellmead, east of Waco totaled \$8,866 and Belton received \$14,680 in city sales revenue. Merchants will be comparing

local figures to surrounding communities as a barometer of the economy. Mayor Bob Miller said, "it is a little more than we anticipated and we are well pleased with the amount. He said the city has plenty of places to use the funds. "Street improvement, Miller said, that is our Number One problem." Miller named at least ten major street projects which are presently in need of repair. The projects are all being con-

sidered but obviously all can not be started immediately. With an estimated 40 miles of paved streets in the city, it will be many months before the street improvement program will show major improvement. In other city improvement programs the State Highway Department announced, Saturday that a traffic light would be installed at the intersection of Main and Lovers Lane.

Previously the Highway Department had contended that the traffic light was not needed at the intersection. An ordinance passed June 22 at the regular council meeting specified an area along Main Street East and West of the Lovers Lane intersection as no parking. The ordinance will allow left turn lanes to be protected at the light.

Clois Stone and Harold Shulze display the aerial photos and photographs used in the certification program.

## Certification Program Explained

### Farm Bureau Queen

Certification of acreage planted began in 1968 for Coryell County farmers. Prior to last year ASCS field personnel made actual measurements of planted acreage. The new system includes use of photocopy of aerial photos in the ASCS office. Clois Stone, ASCS office manager, explained that farmers can do the measurements themselves or have the ASCS measure and pay for the labor. Stone explained: "Up until 1968 the ASCS office employed high school boys and men as reporters to go to farms that are signed up under programs to measure the planted or diverted acres on that farm. Due to the ASCS office only employing reporters for about two weeks, they become hard to get to work such a short time, so the department went to the system of excepting the farmers reported acreage and then spot checking 20 percent of the farms." "The office has furnished a photo copy map to each farmer with the permanent acreage put in each field and between each terrace. The office feels that they are getting some very accurate reports, but they urge farmers to get these acreage correct to avoid being out of the program or by having a penalty for not having the acreage reported correctly. August 1st is the last day that farmers have to certify their acreage to the county ASCS office. Failure to certify could cause loss of payment." Harold Shulze, County Performance supervisor offered the following helpful hints in making measurements: "The farmer utilizes the photocopy to the fullest extent. He locates his crop acreages and land uses that must be reported on it and outlines them for easier identification. Any measurements that need to be made should be done in feet or chains instead of stepped as this will insure greater accuracy. With

Miss Patricia Gilmore 1969 Queen  
Miss Martha Parrish 1968 Queen  
Miss Patricia Gilmore was selected as Coryell County Farm Bureau Queen for 1969 at the annual contest held Saturday night at the Junior High School auditorium. Miss Gilmore, 18, a senior at Gatesville High School is the daughter of Mr. and Mrs. Robert Gilmore of Gatesville. She is a majorette in the high school band. Competing for the title with Miss Gilmore were Margaret Jo Hopson, daughter of Mr. and Mrs. Truett Hopson of Gatesville; Debbie Flippin, daughter of Mr. and Mrs. James Flippin, of Evans; Teresa McDonald, daughter of Mr. and Mrs. D. W. McDonald of Gatesville; and Janet Smith, daughter of J. M. Smith Jr.

## Farris, Laxson Serving Aboard U. S. S.

### Kitty Hawk Off Vietnam Coast

USS KITTY HAWK - Airman Clarence J. Farris, USN, son of Mr. and Mrs. C. J. Farris of Star Route 2, Evant, Texas, is serving aboard the aircraft carrier USS Kitty Hawk off the coast of Vietnam.

While off Vietnam, planes from the Kitty Hawk help provide air support to U. S. and Allied ground forces fighting the enemy. In addition the planes also destroy enemy targets in South Vietnam. Upon completion of flight operations the Kitty Hawk will return to Bremerton, Washington where she will undergo a yard period.

The carrier became the first ship to receive the Presidential Unit Citation during the Vietnam war.

A NEW FACE - and a pretty one, I hear, is sitting at the front desk at Walls Factory these days. This new face is that of Mrs. Wilma Jean (James) Hayes who is replacing Johnnie Paul who will be missed, for sure. Johnnie is going to greener pastures. My hope is that both these girls will be happy in their new jobs.

The Home Economics Department seemed adequately furnished and neat as a pin. A very pleasant place to work and learn. And believe me, girls, you had better learn because you will need it all.

AN UGLY EXPERIENCE - happened the other night just at intermission time at the drive-in theater. We had enjoyed "Hellfighters" immensely, but the whole evening was almost ruined as we saw a car pull away from the speaker, with the speaker still attached to the car. The result was pulling

over the speaker which certainly could have been an accident, but instead of picking it up he only threw the speaker on the ground and sped off. We tried to get the licence number, but failed. Really, I just do not understand these people!

A REFRESHING EXPERIENCE - was my experience as I visited with the Future Homemakers of America Chapter at the high school, Friday. I almost got lost in the shuffle of the activity that took me back a few years to when I was an FHA member myself. Home Economics was one of my favorite subjects and one of the most beneficial too.

MISS SANDRA COLE, INSTRUCTOR

The McLennon Electric Cooperative of McGregor will sponsor an advanced food preparation school for girls ages 9-13 years.

Georgetown. She invites all girls to attend including all who participated in last year's program.

Classes will be held in the Home Economics room, Gatesville High School, from 9 a.m. until 11 a.m., Monday through Friday. There is no charge for attending this program.

A HAPPY BIRTHDAY - party was celebrated by seven year old Terri Bruton, Thursday, June 26 at 2:00 p.m. The party was a swim party at Raby Park, given by her parents, Mr. and Mrs. Charlie Bruton.

After a vigorous splash in the pool the guests enjoyed the birthday cake, a white confection, shaped and decorated in the form of a butterfly. Yummy fresh strawberry ice cream was served too.

The guests are pictured above left to right, Lynn Barnett, Randy Bruton, Trey Bush, Kathy Bush, Chipper Lowery, Kathy Brown, Juanice Lowery, Lisa Christmas, Jeannie Davis, Kim Hollingsworth and the honoree Terri; not pictured, Charlotte Duane.

### Size up your Fashion Math

The "layered look" is fashion's gift to the woman who wants to stretch her wardrobe.

It's a new math for subtracting, dividing and adding, to multiply your fashion look.

You could start with a pair of wildly printed, bell-bottom pants, for instance, and a harmonizing shirt. Then, over the shirt add a tank top, and over this a long sleeved tunic.

For fun, subtract the tunic and wear the tank top and shirt with the wildly printed pants, and you've multiplied your casual look. Or, subtract another layer, the tank top, for still another look.

Upkeep adds no burden, because even the wildest prints are now available in man-made fabrics that are machine washable and require nothing more than touch-up ironing. The use of spray sizing for this touch-up speeds and eases the work.

Magic sizing, sprayed on as you iron, also eliminates the dampening step and adds a "like new" body to your wardrobe-stretching garments without adding stiffness. Then, too, with sizing, because it penetrates the fibers, your iron glides over fabrics to make ironing easier. This effortless ironing is easier on clothes too, so they last longer.

So, when you shop for your "layered look," shop labels as well as layers. Look for fabrics that are machine washable and have a durable press finish. Magic sizing can be used safely on all synthetics, cottons and even woolsens, and, because it doesn't stick to the iron, you avoid the messy build-up that causes scorching and flaking. The new fashion formula of "layered look" plus easy-care fabrics plus new ironing aids really does equal wardrobe magic.

### INTERSTATE CHECKLIST

Planning to vacation on the interstate system this summer? Some of those stretches are pretty remote, and travel experts have

compiled this checklist of essential items:

An interstate-oriented map directory like the free Travelaide available at most interstate service stations, a usable spare tire and jack, sun glasses to combat the endless glare of sun on concrete, and games to occupy the youngsters.

### FHA HOLDS COKE PARTY

June 27, at 9:00 a.m. the Future Homemakers of America Chapter of the Gatesville High School had their annual coke party for the incoming Freshmen, for the next school term.

The party was planned and given by the FHA officers and teachers, Mrs. Nerine Kinsey and Mrs. Jeanne King.

Lucy Powell, President welcomed the guests and gave a short informative talk to stir interest from new members.

An informal get acquainted period was spent playing games such as "how do you like your neighbor" and other various contest games.

During the social hour, chips, dips and coke and Dr. Pepper were served.

This picture was taken during the get acquainted period at the Coke party for Freshmen Friday. Participating in a "Life Saver" contest are Valerie Schaub, a visitor, Daphna Lam and Marla Jacobs.

Officers are, Lucy Powell, President; Margaret Hopson, Vice President; Ronda Beck, 2nd Vice President; Diane Davidson, 3rd Vice President; Phyllis Wilson, 4th Vice President; Daphna Lam, 5th Vice President; Joanie Sayetta, Secretary; Susie Dyer, treasurer; Linda McLeod, Historian; Carolyn Delano, Parliamentarian; and Nancy-Hopson, Pianist.

AND BRUTON - was honored on his second birthday with a party at his home in Mound, by his mother and father, Mr. and Mrs. Ronny Bruton. The party took place in the garage and drive-way. The guests were invited to come in their swim-suits and on a boat played in the three inflated pools. The garage was decorated with a rainbow color of balloons and the three walls with the refreshment table in the center of the garage. It was covered with a Yogi Bear table cloth; napkins, plates, cupcakes topped with assorted color foam animals, cream cones and fruit punch was served. A special guest was presented a water gun favor. Those present were Lana, Kenny and Randy Stovall, Renee, Billy Hopson, Renee Best, Bobby Vidler, Charlie, Mindy Morse, Cindy McCallister, Keith Green and Lloyd, Sandra and Debbie Riley.

**Susan Lee Stuller - Randall Douglas White**  
**United In Methodist Ceremony**

**Mrs. Randall Douglas White**

Formerly Miss Susan Lee Stuller

Miss Susan Lee Stuller and Randall Douglas White were married at 7:30 p.m. Saturday in Cox Memorial Chapel of Highland Park Methodist Church in Dallas. The officiating chaplain was the bride's uncle, Lt-Col. Joseph F. Stuller of Peru, Indiana.

Parents of the bride are Mr. and Mrs. Emerson Scott Stuller of 8611 Hackney Lane, Dallas. The bridegroom is the son of Mrs. Juanita White of Route 4, Gatesville.

Given in marriage by her father, the bride chose a floor length gown of white linette trimmed in white eyelet lace, with the chapel train also trimmed in eyelet lace. Her elbow length veil of bridal illusion fell from a white linen bow and she carried a wedding bouquet of a large white orchid, white miniature rosebuds and English ivy.

A reception following the ceremony was held in the Mockingbird Room of the Hilton Inn of Dallas. Decorations were all in mint green. Serving the guests were Miss Lucille Morrison of Abilene, Miss Karen Mitchell of Fort Worth and Miss Cheryl Hud of Dallas. Presiding at the guest book was Mrs. Robert Dale White of Austin, sister-in-law of the bridegroom.

The bride, a 1967 graduate of Lake Highlands High School of Dallas, is a junior at North Texas State University. Mr. White, a 1965 graduate of Gatesville High School, will receive his degree in August from North Texas State.

Following a short wedding trip, Mr. and Mrs. White will reside at 1500 West Oak Street in Denton.

The couple will remain in the north Texas city until Mr. White's graduation. They then plan to live in Dallas.

**Miss. Jane Lyman - Gary David Grady**  
**Wed In Nebraska June 21**

**Mrs. Gary David Grady**

Formerly Miss Jane Lyman

A Saturday bride was Miss Jane Lyman, who was married to Gary David Grady at the home of her parents, Mr. and Mrs. Edward Wells Lyman.

The Rev. Robert S. Alward performed the 3:30 p.m. ceremony, which was followed by a reception at the Omaha Country Club.

Priscilla of Boston designed the bride's gown and veil. The gown was styled with an empire bodice trimmed with rosettes of Venice lace, a high, standaway collar, short sleeves and attached train.

The veil of English illusion was held by a mantilla head-dress trimmed with Venice lace rosettes. White daisies, roses and stephanotis were combined in the bridal bouquet.

Honor attendants of the bride were Mrs. Edward Wells Lyman Jr., of Wilmette, Illinois, and Miss Karin Molander of Chicago.

They wore sleeveless floor-length gowns of frosted blue dotted swiss with high ruffled collars and Venice lace medallions at the necklines. They carried baskets of white daisies.

Samuel B. Cantey IV of Dallas, Texas, was best man for the bridegroom, son of Mr. and Mrs. Don A. Grady Jr. of Oglesby, Texas.

When they return from a wedding trip to the Garden of the Gods Club at Colorado Springs, Colorado, Mr. and Mrs. Grady will live at 8005 Hickory Street.

Miss Lyman attended Colorado College at Colorado Springs. She was graduated from the University of Nebraska, where she was a member of Kappa Kappa Gamma Sorority. A former princess of Ak-Sar Ben, she is a member of Omaha Junior League.

Mr. Grady, son of Mr. and Mrs. Tump Grady of Oglesby, was graduated from Texas Christian University in Fort Worth. He is now residing in Omaha where he is associated with Nebraska Consolidated Mills.

**Miss. Wanda Faye Speer Marries Pvt. Marcus Lee Prewitt, Jr. In Gatesville**

Miss Wanda Faye Speer, daughter of Mr. and Mrs. Cleve B. Chambers of Gatesville, became the bride of Private First Class Marcus Lee Prewitt Jr., son of Mr. and Mrs. Marcus L. Prewitt Sr. of Westlake, Ohio, in a double ring ceremony May 31 in the First Ba-

tist Church, Rev. Kenneth Patrick officiating.

"A Wedding Blessing" was sung at the beginning of the ceremony by Miss Ruth Sims of Gatesville, accompanied by Miss Dianna Lipsey, also of Gatesville.

Given in marriage by her step-father, Cleve Chambers, the bride chose an empire gown of white satin with overlace bodice and a train. Her illusion veil was held by a tiered crown of pearl-edged lace petals. The gown, veil and veil mount were made by the bride's

mother. Her jewelry was a locket given to her by her late father. She carried a penny in her shoe given her by her step-grandmother, Mrs. Mary Chambers of Gatesville. She also carried a silver dollar on a white bible given by her grandfather, Charlie Speer of Copperas Cove. Attached to the Bible was her wedding bouquet of orchids.

Mrs. James Duncan of Dallas was matron of honor and bridesmaid was Miss Melinda Brown of Gatesville. Junior bridesmaid was Miss Patricia Clary of Waco. They wore floor length empire gowns of yellow textured satin. Flower girl was Miss Neta Sue Sims of Athens who wore a floor length empire gown of white. The attendants carried small bouquets of white carnations.

Best man was Specialist Five Chuck Piper of Las Vegas, Nevada. Groomsman was Mackey Don Speer of Gatesville and junior groomsman was Walter Sims, also of Gatesville. Ring bearer was Russell Miller of Killeen. Candlelighters were Rickey Miller of Killeen and Jimmy Knapp of Gatesville and ushering were Larry Hoover of Houston and Danny Mason of Lampasas.

A reception in the church parlor followed the ceremony.

After a short wedding trip the couple is residing in the Modern Trailer Park in Gatesville.

**Mr. And Mrs. Marcus Lee Prewitt**

**Bridal Shower Honors Miss Hollingsworth**

A tea shower honoring Miss Vicki Lynn Hollingsworth, bride-elect of Jerry Alvin Casey, was held Tuesday evening, June 24, in the First Baptist Church Parlor.

In the receiving line were the honoree, and her mother Mrs. Pat Hollingsworth; Mrs. Alvin Casey, mother of the prospective bridegroom; and Mrs. Patricia Jones, Miss Barbara Casey, Mrs. E. P. Holden and Mrs. J. D. Jones, sisters and grandmother of the engaged

couple. Refreshment table was laid with a white lace cloth over pink. The centerpiece was joined with an arrangement of pink carnations.

Cake squares, mixed nuts, mints and punch were served. Appointments were of silver and crystal. Members of the house-party were Miss Eloise Washburn, Miss Ponice Holden, Miss Kay Spencer, Miss Shirley Jones, Miss Suzanne Drake, Miss Paula Bromser, Miss Kay

Cunningham, and Miss Debby Parrish. Assisting were Mesdames Euell Swift, Andy Davidson, Raymond Leonard, Evelyn Dyer, Carl Chambers, Norman Storm,

Carl Drake, J. W. Winslar, Johnnie Washburn, Earl Adams and Marvin Jones.

The honoree was presented a silver tray by the hostesses.

**Miss Hollingsworth Honored With Gadget Shower**

A gadget shower honoring Miss Vicki Hollingsworth was held Monday, June 23, in the home of Mrs. Rabon Balch.

Miss Hollingsworth fished for her gifts out of a basket by using a fishing pole. The gifts consisted of various utensils to be used in the kitchen. Refreshments of cookies and

cold drinks were served to Miss Celia Powell, Miss Barbara Bennett, Miss Paula Bromser, Miss Eloise Washburn, Miss Suzanne Drake, Miss Shirley Jones, Miss Delores Ortega, Mrs. Patricia Jones, Miss Ponice Holden, Miss Regina Balch, and Mrs. Pat Hollingsworth, mother of the bride-elect.

## 34 Persons To Die Over July 4 Weekend

Colonel Wilson E. Speir, director of the Texas Department of Public Safety said, June 29 the DPS Statistical Services Bureau estimates that 34 persons will be fatally injured in traffic accidents in Texas during the 78-hour July 4 holiday period.

The holiday period is considered to run from 6 p.m. Thursday, July 3, to midnight Sunday, July 6. During this time, the Department of Public Safety will activate a special "Operation Motorcade" and will place all available uniformed patrolmen on duty to enforce traffic laws in an effort to reduce accidents and assist motorists.

Speir urged all Texans to plan their holiday trips so as to allow ample time to drive without speeding or driving too fast for conditions. He also cautioned motorists to watch out for pedestrians, especially on beaches and parks, during the holiday period.

The DPS director also warned that the department will vigorously enforce state laws relating to driving while intoxicated.

"Drinking drivers are involved in 40 to 50 percent of the fatal rural traffic accidents in Texas, and I urge all drivers to avoid the use of alcohol prior to operating a motor vehicle," Speir said.

### Mrs. Britian Dies

### In Local Convalescent Home

Miss Ruth Britain died at 3:00 p.m., June 30, after a long illness in the Rotunda Convalescent Home.

Funeral services will be held at Scotts Funeral Home, today at 4:00 p.m. with Rev. Bob Richmond and Rev. Walter Allen officiating. Burial will be in City Cemetery.

### Policeman Returns

Everett Gribble began work today, after a 69 day convalescent period, following a car accident on Highway 36 near Temple.

Gribble suffered hip and leg injuries in the April accident. He is completely recovered.

## CITY RECEIVES SALE TAX TOTALLING CHECK \$10,436.56

City Sales tax payments totaling \$10,436.56 were received by the City of Gatesville, last Thursday in payment for collections during the first quarter of 1969.

Gross collections for the January - February and March periods totaled \$11,181.81 of which the State Comptroller Office retained two percent for clerical work and retained 4.76 percent to cover possible losses and refunds.

The \$10,436.56 check is better than many had expected originally, but fell short of later estimates. Annual estimates of from \$30,000 to \$50,000 are now seen as somewhat low.

Eland Lovejoy, city manager said the collections represents the lowest period of consumer activity during the year. Federal taxes, license plates, and state and local taxes all are paid during the first quarter.

Lovejoy noted that even four times the first quarter figure would mean \$42,000 annually to the city and consumer activity picks up with Easter, Mothers Day, Summer, Back-to-School, Fall and Christmas.

Conservative estimates now place annual revenue from the city tax at \$50,000 minimum.

Copperas Cove received their returns last week as did several other Central Texas cities. Cove received \$12,657 from its \$10,000 population during the same first quarter. Belton, east of Waco totaled \$8,866 and Belton received \$14,680 in city sales revenue. Merchants will be comparing

### Thunderbird Found Stripped Near Leon Junction

Sheriff Windy Cummings reported Monday, that he investigated a burned out car south of Leon Junction. The vehicle a 1968 Thunderbird, was discovered to be a stolen vehicle from Fort Worth. It had been stripped of all accessories before burning.

### Freyer Receives

### Honors at

### Texas A & M

Larry E. Freyer of Gatesville has been named a Distinguished Student at Texas A & M University, announced Dr. Horace R. Byers, academic vice president.

The undergraduate honor is awarded to students who have excelled academically at A & M. Dr. Byers explained, by earning at least a 2.25 grade point ratio (out of a possible 3.0) during the most recent semester of the regular school year.

In addition to posting at least a 2.25 GPR, a student qualifying for Distinguished Student honors must have been enrolled for a minimum of 15 semester hours and have no grade lower than a "C". Distinguished Student ranking is limited to 10 percent of A & M's undergraduate enrollment.

Freyer, a junior chemistry student, is the son of Mr. and Mrs. Ervin Freyer.

### James Scott Receives

### Degree in May 18

### Exercises

James Alvin Scott, son of Mr. and Mrs. William Scott, Gatesville, received his bachelor of arts degree in teaching at Sam Houston State University in Huntsville, May 18.

The graduation exercises were held at Pritchett Field with approximately 1000 graduating.

His wife, Carol Ann, daughter of Mr. and Mrs. T. L. Rogers, Gatesville, graduated last August from Sam Houston, and since has been teaching advanced math at Huntsville High School, where she will teach Algebra I this fall.

James will also join the Huntsville teaching staff in the fall and will teach in the field of industrial arts.

local figures to surrounding communities as a barometer of the economy.

Mayor Bob Miller said, "it is a little more than we anticipated and we are well pleased with the amount. He said the city has plenty of places to use the funds. 'Street improvement, Miller said, that is our Number One problem.' Miller named at least ten major street projects which are presently in need of repair. The projects are all being con-

sidered but obviously all can not be started immediately.

With an estimated 40 miles of paved streets in the city, it will be many months before the street improvement program will show major improvement.

In other city improvement programs the State Highway Department announced, Saturday that a traffic light would be installed at the intersection of Main and Lovers Lane.

Previously the Highway Department had contended that the traffic light was not needed at the intersection. An ordinance passed June 22 at the regular council meeting specified an area along Main Street East and West of the Lovers Lane intersection as no parking. The ordinance will allow left turn lanes to be protected at the light.

Charles Wilson, pictured above, will head a local organization of "ham" radio operators as part of a nation wide network of "hams" in time of emergencies. Wilson has contacted amateur operators as far away as South Africa and Little America.

## ARRL TO ORGANIZE CORYELL RADIO OPERATORS

Charles L. Wilson, WA5QQY, Route 1, Box 240, Gatesville, Texas 76528 has been selected to lead an organization of Coryell amateur radio operators prepared to furnish organized emergency communications in time of disasters, it was announced today by Communications Manager George Hart of the American Radio Relay League, U. S. and Canadian association of radio amateurs. Mr. Wilson's assignment, which carries the title of Emergency Coordinator of the Amateur Radio Emergency Corps, is to band together members of the amateur radio service in his community to perfect arrangements for emergency radio communication by hams in the event of natural disasters or other emergencies. In addition to use of fixed radio station equipment working from commercial power, amateur stations use self-powered radio transmitting and receiving equipment as needed and can often deploy portable and mobile units to accommodate a particular emergency requirement. Mr. Wilson as ARRL Emergency Coordinator, will call local meetings of amateurs, establish common operating procedures, and arrange regular drill periods when the hams' personal stations may be mobilized under simulated emergency conditions. His duties also include liaison planning with relief and public welfare agencies, as suggested in working understandings of the ARRL Amateur Radio Emergency Corps has with the Red Cross, Civil Defense, and other agencies. Liaison will be established also with local protective services, such as fire and police departments.

Wilson, a long time radio "ham" has worked with the American Radio Relay League as part of a net-work of hams acting as messengers for the public. He explained that each

week East Texas operators tune in for a 55 minute period to accept and transmit messages as a public service.

Wilson is part of the "East Texas Net" which is on the air at 10:00 to 10:55 p.m. each night. Wilson explained that anyone wishing to send a message from Coryell County can call him and he will relay the message.

Wilson handles messages which are addressed to Vietnam and all parts of the world. Common messages include "notice of safe arrival", "send money" and probably "I love you", types. No original death messages can be handled by the radio net work, Wilson cautioned.

Wilson explained that messages coming and going follow a similar route. For example a message to Vietnam originating in Coryell County would be forwarded by Wilson to the District 8 Net Center in New Orleans at 10:00 p.m. From New Orleans the message would be relayed to the West Coast relay net work for transmission to the Western Pacific and Vietnam. Relays to all points on the globe are possible through the network of amateur radio operators.

Wilson explained that the amateur radio operators consider this part of their civic obligation and he encouraged use of the network. Call 855-5129 and I will be glad to help anyone with a message", he explained.

In announcing the appointment, Hart pointed out that radio amateurs have traditionally had the responsibility of being in constant readiness to offer assistance in time of need with ham-acquired skill, emergency-powered transmitters and a wealth of community spirit. "When sleet storms disrupt telephone and telegraph service, or floods isolate whole communities," the League's Communications Manager said, "it is amateur radio that comes to the rescue with operators and self-powered equipment, often as the sole agency able to transmit messages calling on the outside world for aid for the stricken community."

"To be prepared for this function required not only a highly organized program of preparedness locally," Hart continued, "but hams outside the disaster area must be prepared to act as outlets and relay points for emergency traffic. Planning and organization are necessary in either eventuality and that is the job Mr. Wilson is doing for this area."

## HOLE IN ONE!

THE GOLFERS DREAM - a hole-in-one. Bruce Neeley, son of Mr. and Mrs. Price Neeley of Gatesville accomplished the feat this weekend at Gatesville Country Club. Young Neeley, playing with his father, hit a two iron on the first hole at the Gatesville Country Club into the hole. The hole is 200 yards long and plays par 3. Neeley is the first person to make a hole-in-one on the hole since the green was relocated several years ago. A 1969 graduate of Gatesville High School, Neeley has made one other hole-in-one in July of 1966 on the 4th hole at Gatesville. The ace did not stop young Neeley from turning in a sub-par round for the day. He had rounds of 33-38 for a 71.

### Congressman Poage

### Introduced Food Stamp Act

Legislation making permanent the existing farm programs and the food stamp act was introduced today by Chairman W. R. (Bob) Poage, D-Tex., of the House Committee on Agriculture, in keeping with a statement he issued last week.

The measure combines the existing Food and Agriculture Act of 1965 and the Food Stamp Act of 1964, which are now scheduled to expire on December 31, 1970. It contains an "open end" provision as to the amount of money to be authorized for food stamps, leaving the amount to be determined annually in regular appropriations legislation.

"Obviously, the production and the distribution of food is closely related and should be considered at the same time", said Poage. "I announced hearings on both general farm legislation and food stamps some days ago and specifically pointed out at that time that the two items would be considered together."

"These hearings have been scheduled to begin on the fifteenth of July, which, in view of the July 4th recess of the Congress, is about as early as it would be possible to start."

"We have invited the Secretary of Agriculture to open the hearings and I have introduced legislation to extend both the farm program and the food stamp program, and to remove all of the ceiling on appropriations for food stamps."

The Chairman said the Committee would not only hear from those supporting his bill, but also from those backing the Senate-passed food stamp measure and other proposed amendments.

Clois Stone and Harold Shulze display the aerial photos and photographs used in the certification program.

## Certification Program Explained

Certification of acreage planted began in 1968 for Coryell County farmers. Prior to last year ASCS field personnel made actual measurements of planted acreage.

The new system includes use of photocopy of aerial photos in the ASCS office. Clois Stone, ASCS office manager, explained that farmers can do the measurements themselves or have the ASCS measure and pay for the labor.

Stone explained: "Up until 1968 the ASCS office employed highschool boys and men as reporters to go to farms that are signed up under programs to measure the planted or diverted acres on that farm. Due to the ASCS office only employing reporters for about two weeks, they become hard to get to work such a short time, so the department went to the system of excepting the farmers reported acreage and then spot checking 20 percent of the farms."

"The office has furnished a photo copy map to each farmer with the permanent acreage put in each field and between each terrace."

The office feels that they are getting some very accurate reports, but they urge farmers to get these acreage correct to avoid being out of the program or by having a penalty for not having the acreage reported correctly.

August 1st is the last day that farmers have to certify their acreage to the county ASCS office. Failure to certify could cause loss of payment."

Harold Shulze, County Performance supervisor offered the following helpful hints in making measurements: "The farmer utilizes the photocopy to the fullest extent. He locates his crop acreages and land uses that must be reported on it and outlines them for easier identification. Any measurements that need to be made should be done in feet or chains instead of stepped as this will insure greater accuracy. With

## Farm Bureau Queen

Miss Patricia Gilmore  
1969 Queen

Miss Martha Parrish  
1968 Queen

Miss Patricia Gilmore was selected as Coryell County Farm Bureau Queen for 1969 at the annual contest held Saturday night at the Junior High School auditorium.

Miss Gilmore, 18, a senior at Gatesville High School is the daughter of Mr. and Mrs. Robert Gilmore of Gatesville. She is a majorette in the high school band.

Competing for the title with Miss Gilmore were Margaret Jo Hopson, daughter of Mr. and Mrs. Truett Hopson of Gatesville; Debbie Flippin, daughter of Mr. and Mrs. James Flippin, of Evant; Teresa McDonald, daughter of Mr. and Mrs. D. W. McDonald of Gatesville; and Janet Smith, daughter of J. M. Smith Jr.

## Farris, Laxson Serving Aboard U. S. S.

### Kitty Hawk Off Vietnam Coast

USS KITTY HAWK - Airman Clarence J. Farris, USN, son of Mr. and Mrs. C. J. Farris of Star Route 2, Evant, Texas, is serving aboard the aircraft carrier USS Kitty Hawk off the coast of Vietnam.

While off Vietnam, planes from the Kitty Hawk help provide air support to U. S. and Allied ground forces fighting the enemy. In addition the planes also destroy enemy targets in South Vietnam. Upon completion of flight operations the Kitty Hawk will return to Bremerton, Washington where she will undergo a yard period.

The carrier became the first ship to receive the Presidential Unit Citation during the Vietnam war.

USS KITTY HAWK - Fireman Apprentice Rolland R. Laxson, son of Mr. Aurbrey W. Laxson of 1204 Main Street, Gatesville, Texas, is serving aboard the aircraft carrier USS Kitty Hawk off the coast of Vietnam.

While off Vietnam, planes from the Kitty Hawk help provide air support to U. S. and Allied ground forces fighting the enemy. In addition the planes also destroy enemy targets in South Vietnam. Upon completion of flight operations the Kitty Hawk will return to Bremerton, Washington where she will undergo a yard period.

The carrier became the first ship to receive the Presidential Unit Citation during the Vietnam war.

## Rice Receives Fourth Medal

VIETNAM - Army Sergeant First Class Herman E. Rice, son of Virgil Rice, Wayland, Kentucky, received his fourth award of the Good Conduct Medal May 29 while assigned to the 4th Infantry Division near Pleiku, Vietnam.

Sgt. I. c. Rice received the award for exemplary conduct, efficiency and fidelity in active military service.

A supply sergeant in the division's 4th Medical Battalion, he entered the Army in March 1953 and was stationed at Fort Hood, Texas, prior to his arrival overseas last April.

His wife, Grace, lives at 2414 Post Oak Circle, Copperas Cove, Texas.

A NEW FACE - and a pretty one, I hear, is sitting at the front desk at Walls Factory these days. This new face is that of Mrs. Wilma Jean (James) Hayes who is replacing Johnnie Paul who will be missed, for sure. Johnnie is going to greener pastures. My hope is that both these girls will be happy in their new jobs.

The Home Economics Department seemed adequately furnished and neat as a pin. A very pleasant place to work and learn. And believe me, girls, you had better learn because you will need it all.

A REFRESHING EXPERIENCE - was my experience as I visited with the Future Homemakers of America Chapter at the high school, Friday. I almost got lost in the shuffle of the activity that took me back a few years to when I was an FHA member myself. Home Economics was one of my favorite subjects and one of the most beneficial too.

AN UGLY EXPERIENCE - happened the other night just at intermission time at the drive-in theater. We had enjoyed "Hellfighters" immensely, but the whole evening was almost ruined as we saw a car pull away from the speaker, with the speaker still attached to the car. The result was pulling

over the speaker which certainly could have been an accident, but instead of picking it up he only threw the speaker on the ground and sped off. We tried to get the licence number, but failed. Really, I just do not understand these people

MISS SANDRA COLE, INSTRUCTOR

The McLennon Electric Cooperative of McGregor will sponsor an advanced food preparation school for girls ages 9-13 years. Miss Sandra Cole from McGregor will again work with the girls. She is a senior attending Southwestern University in

Georgetown. She invites all girls to attend including all who participated in last year's program. Classes will be held in the Home Economics room, Gatesville High School, from 9 a.m. until 11 a.m., Monday through Friday. There is no charge for attending this program.

A HAPPY BIRTHDAY - party was celebrated by seven year old Terri Bruton, Thursday, June 26 at 2:00 p.m. The party was a swim party at Raby Park, given by her parents, Mr. and Mrs. Charlie Bruton.

After a vigorous splash in the pool the guests enjoyed the birthday cake, a white confection, shaped and decorated in the form of a butterfly. Yummy fresh strawberry ice cream was served too.

The guests are pictured above left to right, Lynn Barnett, Randy Bruton, Trey Bush, Kathy Bush, Chipper Lowery, Kathy Brown, Juanice Lowery, Lisa Christmas, Jeannie Davis, Kim Hollingsworth and the honoree Terri; not pictured, Charlotte Duane.

BUTTERFLIES - seem to always be present when wedding bells are ringing, and I mean the kind of butterflies that flutter in your stomach and cause all those frayed nerves. Some how they manage to enter each family member of the bride and groom, but especially the brides mother. I guess this is because she carries the biggest load of responsibility.

MRS. JEAN BRUTON - of Flat had these typical symptoms Friday afternoon as she was picking up flowers for her daughters wedding that night.

The daughter, Brenda Joyce, now Mrs. Ronny Barnard was actually more calm than her mother. I know the wedding was lovely though, and worth all the butterflies.

CHAD BRUTON - was honored on his second birthday with a party at his home in Mound, by his mother and father, Mr. and Mrs. Ronny Bruton.

The party took place in the garage and drive-way. The guests were invited to come in their swim-suits and on arrival played in the three inflated pools.

The garage was decorated with a rainbow color of balloons on three walls with the refreshment table in the center of the garage. It was covered with a Yogi Bear table cloth; napkins matched.

Cake, cupcakes topped with assorted color foam animals, ice cream cones and fruit punch was served.

Each guest was presented a water gun favor. Those present were Lana, Kenny and Randy Stovall, Renee, Gregg and Billy Hopson, Renee Best, Bobby Vidler, Charlie Yates, Mindy Morse, Cindy McCallister, Keith Green and Lloyd Hopson, Sandra and Debbie Riley.

## Size up your Fashion Math

The "layered look" is fashion's gift to the woman who wants to stretch her wardrobe.

It's a new math for subtracting, dividing and adding, to multiply your fashion look.

You could start with a pair of wildly printed, bell-bottom pants, for instance, and a harmonizing shirt. Then, over the shirt add a tank top, and over this a long sleeved tunic.

For fun, subtract the tunic and wear the tank top and shirt with the wildly printed pants, and you've multiplied your casual look. Or, subtract another layer, the tank top, for still another look.

Upkeep adds no burden, because even the wildest prints are now available in man-made fabrics that are machine washable and require nothing more than touch-up ironing. The use of spray sizing for this touch-up speeds and eases the work.

Magic sizing, sprayed on as you iron, also eliminates the dampening step and adds a "like new" body to your wardrobe-stretching garments without adding stiffness. Then, too, with sizing, because it penetrates the fibers, your iron glides over fabrics to make ironing easier. This effortless ironing is easier on clothes too, so they last longer.

So, when you shop for your "layered look," shop labels as well as layers. Look for fabrics that are machine washable and have a durable press finish. Magic sizing can be used safely on all synthetics, cottons and even woolsens, and, because it doesn't stick to the iron, you avoid the messy build-up that causes scorching and flaking.

The new fashion formula of "layered look" plus easy-care fabrics plus new ironing aids really does equal wardrobe magic.

## INTERSTATE CHECKLIST

Planning to vacation on the interstate system this summer? Some of these stretches are pretty remote, and travel experts have

compiled this checklist of essential items:

An interstate-oriented map directory like the free Travelaide available at most interstate service stations, a usable spare tire and jack, sun glasses to combat the endless glare of sun on concrete, and games to occupy the youngsters.

## FHA HOLDS COKE PARTY

June 27, at 9:00 a.m. the Future Homemakers of America Chapter of the Gatesville High School had their annual coke party for the incoming Freshmen, for the next school term.

The party was planned and given by the FHA officers and teachers, Mrs. Nerine Kinsey and Mrs. Jeanne King. Lucy Powell, President welcomed the guests and gave a short informative talk to stir interest from new members.

An informal get acquainted period was spent playing games such as "how do you like your neighbor" and other various contest games.

During the social hour, chips, dips and coke and Dr. Pepper were served.

This picture was taken during the get acquainted period at the Coke party for Freshmen Friday. Participating in a "Life Saver" contest are Valerie Schaub, a visitor, Daphna Lam and Marla Jacobs.

Officers are, Lucy Powell, President; Margaret Hopson, Vice President; Ronda Beck, 2nd Vice President; Diane Davidson, 3rd Vice President; Phyllis Wilson, 4th Vice President; Daphna Lam, 5th Vice President; Joanie Sayetta, Secretary; Susie Dyer, treasurer; Linda McLeod, Historian; Carolyn Delano, Parliamentarian; and Nancy Hopson, Pianist.

Susan Lee Stuller - Randall Douglas White  
United In Methodist Ceremony

Mrs. Randall Douglas White  
Formerly Miss Susan Lee Stuller

Miss Susan Lee Stuller and Randall Douglas White were married at 7:30 p.m. Saturday in Cox Memorial Chapel of Highland Park Methodist Church in Dallas. The officiating chaplain was the bride's uncle, Lt-Col. Joseph F. Stuller of Peru, Indiana.

Parents of the bride are Mr. and Mrs. Emerson Scott Stuller of 8611 Hackney Lane, Dallas. The bridegroom is the son of Mrs. Juanita White of Route 4, Gatesville.

Given in marriage by her father, the bride chose a floor length gown of white linette trimmed in white eyelet lace, with the chapel train also trimmed in eyelet lace. Her elbow length veil of bridal illusion fell from a white linen bow and she carried a wedding bouquet of a large white orchid, white miniature roses and English ivy.

A reception following the ceremony was held in the Mockingbird Room of the Hilton Inn of Dallas. Decorations were all in mint green. Serving the guests were Miss Lucille Morrison of Abilene, Miss Karen Mitchell of Fort Worth and Miss Cheryl Hud of Dallas. Presiding at the guest book was Mrs. Robert Dale White of Austin, sister-in-law of the bridegroom.

The bride, a 1967 graduate of Lake Highlands High School of Dallas, is a junior at North Texas State University. Mr. White, a 1965 graduate of Gatesville High School, will receive his degree in August from North Texas State.

Following a short wedding trip, Mr. and Mrs. White will reside at 1500 West Oak Street in Denton.

The couple will remain in the north Texas city until Mr. White's graduation. They then plan to live in Dallas.

Miss. Jane Lyman - Gary David Grady  
Wed In Nebraska June 21

Mrs. Gary David Grady  
Formerly Miss Jane Lyman

A Saturday bride was Miss Jane Lyman, who was married to Gary David Grady at the home of her parents, Mr. and Mrs. Edward Wells Lyman.

The Rev. Robert S. Alward performed the 3:30 p.m. ceremony, which was followed by a reception at the Omaha Country Club.

Priscilla of Boston designed the bride's gown and veil. The gown was styled with an empire bodice trimmed with rosettes of Venice lace, a high, standaway collar, short sleeves and attached train.

The veil of English illusion was held by a mantilla head-dress trimmed with Venice lace rosettes. White daisies, roses and stephanotis were combined in the bridal bouquet.

Honor attendants of the bride were Mrs. Edward Wells Lyman Jr., of Wilmette, Illinois, and Miss Karin Molander of Chicago.

They wore sleeveless floor-length gowns of frosted blue dotted swiss with high ruffled collars and Venice lace medallions at the necklines. They carried baskets of white daisies.

Samuel B. Cantey IV of Dallas, Texas, was best man for the bridegroom, son of Mr. and Mrs. Don A. Grady Jr. of Oglesby, Texas.

When they return from a wedding trip to the Garden of the Gods Club at Colorado Springs, Colorado, Mr. and Mrs. Grady will live at 8005 Hickory Street.

Miss Lyman attended Colorado College at Colorado Springs. She was graduated from the University of Nebraska, where she was a member of Kappa Kappa Gamma Sorority. A former princess of Ak-Sar Ben, she is a member of Omaha Junior League.

Mr. Grady, son of Mr. and Mrs. Tump Grady of Oglesby, was graduated from Texas Christian University in Fort Worth. He is now residing in Omaha where he is associated with Nebraska Consolidated

Miss. Wanda Faye Speer Marries Pvt. Marcus Lee Prewitt, Jr. In Gatesville

Miss Wanda Faye Speer, daughter of Mr. and Mrs. Cleve B. Chambers of Gatesville, became the bride of Private First Class Marcus Lee Prewitt Jr., son of Mr. and Mrs. Marcus L. Prewitt Sr. of Westlake, Ohio, in a double ring ceremony May 31 in the First Ba-

tist Church, Rev. Kenneth Patrick officiating.

"A Wedding Blessing" was sung at the beginning of the ceremony by Miss Ruth Sims of Gatesville, accompanied by Miss Dianna Lipsey, also of Gatesville.

Given in marriage by her step-father, Cleve Chambers, the bride chose an empire gown of white satin with overlace bodice and a train. Her illusion veil was held by a tiered crown of pearl-edged lace petals. The gown, veil and veil mount were made by the bride's

mother. Her jewelry was a locket given to her by her late father. She carried a penny in her shoe given her by her step-grandmother, Mrs. Mary Chambers of Gatesville. She also carried a silver dollar on a white bible given by her grandfather, Charlie Speer of Copperas Cove. Attached to the Bible was her wedding bouquet of orchids.

Mrs. James Duncan of Dallas was matron of honor and bridesmaid was Miss Melinda Brown of Gatesville. Junior bridesmaid was Miss Patricia Clary of Waco. They wore floor length empire gowns of yellow textured satin. Flower girl was Miss Neta Sue Sims of Athens who wore a floor length empire gown of white. The attendants carried small bouquets of white carnations.

Best man was Specialist Five Chuck Piper of Las Vegas, Nevada. Groomsman was Mackey Don Speer of Gatesville and junior groomsman was Walter Sims, also of Gatesville. Ring bearer was Russell Miller of Killeen. Candlelighters were Rickey Miller of Killeen and Jimmy Knapp of Gatesville and ushering were Larry Hoover of Houston and Danny Mason of Lampasas.

A reception in the church parlor followed the ceremony.

After a short wedding trip the couple is residing in the Modern Trailer Park in Gatesville.

Mr. And Mrs. Marcus Lee Prewitt

Worship In Church This Sunday

Bridal Shower Honors Miss Hollingsworth

A tea shower honoring Miss Vicki Lynn Hollingsworth, bride-elect of Jerry Alvin Casey, was held Tuesday evening, June 24, in the First Baptist Church Parlor.

In the receiving line were the honoree, and her mother Mrs. Pat Hollingsworth; Mrs. Alvin Casey, mother of the prospective bridegroom; and Mrs. Patricia Jones, Miss Barbara Casey, Mrs. E. P. Holden and Mrs. J. D. Jones, sisters and grandmother of the engaged

couple. Refreshment table was laid with a white lace cloth over pink. The centerpiece was joined with an arrangement of pink carnations.

Cake squares, mixed nuts, mints and punch were served. Appointments were of silver and crystal. Members of the house-party were Miss Eloise Washburn, Miss Ponice Holden, Miss Kay Spencer, Miss Shirley Jones, Miss Suzanne Drake, Miss Paula Bromser, Miss Kay

Cunningham, and Miss Debby Parrish. Assisting were Mesdames Euell Swift, Andy Davidson, Raymond Leonard, Evelyn Dyer, Carl Chambers, Norman Storm,

Carl Drake, J. W. Winslar, Johnnie Washburn, Earl Adams and Marvin Jones.

The honoree was presented a silver tray by the hostesses.

Miss Hollingsworth Honored With Gadget Shower

A gadget shower honoring Miss Vicki Hollingsworth was held Monday, June 23, in the home of Mrs. Rabon Balch.

Miss Hollingsworth fished for her gifts out of a basket by using a fishing pole. The gifts consisted of various utensils to be used in the kitchen. Refreshments of cookies and

cold drinks were served to Miss Celia Powell, Miss Barbara Bennett, Miss Paula Bromser, Miss Eloise Washburn, Miss Suzanne Drake, Miss Shirley Jones, Miss Delores Ortega, Mrs. Patricia Jones, Miss Ponice Holden, Miss Regina Balch, and Mrs. Pat Hollingsworth, mother of the bride-elect.

GATESVILLE, TEXAS

ASCS From Page 1

these measurements more detailed plot acreages may be secured from the county office photograph of the farm at the time of certification if the farmer is unable to arrive at an acreage due to odd-shaped plots, turnrows, etc. The acreage that is to be reported is to be a measured acreage or a whole plot acreage taken from the photocopy or aerial photocopy, not an estimate or guess. There are severe penalties for a variance between the certified and actual measured acreage, even though the farm is not over-planted. In any case where the farmer is in doubt he should ask for measurement service which will guarantee the acre-

age for the crops or land uses measured. This should be asked for well in advance of the August 1st deadline for certification so the work may be completed and the farmer notified. The farmer makes any changes that must be done before he certifies, as there is no chance for adjustment following the filing of the report. Any ineligible crop must be removed from the diverted land before this time, as well as trees and sprouts from land that is otherwise eligible. Turnrows not planted will not be considered in a crop if the farm is measured so allowance for this should be made when certifying. This is especially important where the farmer is planning to earn full price support by planting only 90 percent of the maximum acres for payment. The acreage that is determined by a farm spotcheck on a minimum of 20 percent of the farms under each program will be used as a balance against that reported. Where discrepancies exist payments will be changed as required, while too great a difference could cause the loss of the payment. An erroneous certification could cause the loss of other program payments as there would be no opportunity to withdraw from a program. Under a good certification program the acreages reported will be just as reliable as those measured, which is the basis for the limited amount of farm visits under this system."

Hodo Promoted To Airman 1st Class

Airman Larry Weldon Hodo has been promoted to Airman 1st Class after attaining the highest score possible to be made in Speciality Knowledge Test. AIC Hodo is assigned to Headquarters at Lackland Air Force Base in San Antonio, Texas.

AIC Hodo and his wife, the former Kathy Shipman of Hamilton, make their home at 6819 Westward Drive, in San Antonio. AIC Hodo is the son of Mr. and Mrs. Weldon Hodo of Evans.

Dusty old tax bills are being pulled out for discussion now that Gov. Preston Smith has vetoed the one-year spending bill and called the Legislature back into special session. Governor Smith made it clear that he expects the special session to adopt spending proposals for a full two years starting September 1, and to levy new taxes to finance whatever is spent.

Tax bills must originate in the House and Speaker Gus Mutscher says he believes the money can be found without raising the state sales tax. But, first he wants to hear what the Governor has to propose as a source for the money.

Smith has indicated that he will recommend a program substantially different from what he suggested last winter. But he said he will not propose a state income tax.

So far, legislative leaders have not shown any intention of passing another one-year spending bill and then going home without levying new taxes. Smith's contention that the tax bill will be smaller if it is passed now instead of waiting until 1970, apparently won some statewide support.

Smith has one ace up his sleeve. He vetoed a big stack of Senate bills because they were not properly passed and sent to him by adjournment of the legislative session. He said that he will allow the special ses-

By Product Of Cottonseed Oil Used To Prevent Disease

Texas A & M University researchers have found that an inexpensive by-product of the cottonseed oil refining process contains a factor which prevents common scours in calves. The by-product is acidulated soapstock (acid oil), which is an excellent source of fat in milk replacer formulas for calves and has a unique anti-diarrheic quality.

Research dates back to 1956 when Dr. R. E. Leighton of the A & M Animal Science Department discovered an anti-scour substance in a methylated

product made from cottonseed oil soapstock. Later attempts to isolate the factor revealed that it was in the non-distillable, hexane-insoluble, saponifiable fraction of the product. Because this finding indicated similar results might be obtained from a less sophisticated soapstock product Leighton and co-workers explored the use of a number of cottonseed oil by-products.

Leighton said excellent success has been reached in the past two years with dairy calves fed a milk-replacer formula containing 15 percent acidulated soapstock. The material was supplied by Anderson, Clayton and Company.

The researcher noted that the cottonseed oil refining industry formerly regarded the product as of little value. Disposal was often a problem. Later, uses were found in the feed industry, but it is currently the least expensive fat ingredient in calf milk replacers.

Cost per pound is five cents or less in large quantities. "The ever-increasing use of milk replacer formulas in feeding both dairy and beef calves, plus the surprising reduction in calf diarrhea which results when the acid oil is used in the diet, suggests that this finding will be of considerable importance to livestock feeders, feed manufacturers, veterinarians and the cottonseed oil industry," Leighton said.

to consider re-passage of those bills, after the legislature passes the two-year-appropriation bill.

Only the Governor can select the subjects to be considered in a special session. So authors of the bills he vetoed may be anxious to help put over his program, in order to try to pass their bills again.

Among the vetoed bills, and one of wide interest, is that by Sen. Murray Watson of Mart creating 27 new district courts.

Here is what governor Smith will ask the legislators to do: \*Enact a budget in the neighborhood of \$5.6 billion for the 1970-71 fiscal period.

\*Levy a balancing tax bill, which he estimates at around \$300 million or slightly less.

\*If there is time in a 30-day special session, then take up the bills he vetoes because they were not signed in the presence of the legislators.

There has been some speculation that lawmakers may just hand Smith another one-year budget and see what he does. However, Lt. Gov. Ben Barnes and House Speaker Mutscher pledged cooperation in supporting a biennial appropriations pattern this time.

Tax bill remains the big question, and nobody seems to have any clear idea where to go from here.

School Transfers

Under the new law some confusion has existed pertaining to school transfer dead line. The State Board of Education set July 15, 1969 as the last date to transfer. This applies for the current school year only.

Student transfers are made to the school superintendent in which the student desires to attend. Transfers are not made through the County Superintendents office.

If a transfer is made by July 15, 1969 the Gatesville schools will not charge tuition on grade students (Grades 1-8).

If a student desires to attend the Gatesville Public Schools, it is of utmost importance that a transfer be made in due time. High school students should transfer by July 15, 1969.
