GATESVILLE TRACKMEN SCHEDULE SUMMER COMPETITION

Summer track events are becoming bigger and better in Texas. Gatesville's cinder representatives have scheduled five track meets for the July-August calendar.

The competition began last weekend with the Dallas Baptist College Invitational.

Larry Moore, Gary Kafer and Leslie Stewart proved capable winning in four event, Leslie Stewart won in both high jump and pole vault. He took third in the high jump with a four foot 10 inch jump and took first in the pole vault with a nine foot vault.

Gary Kafer, GHS Junior, won first in the high jump with a very good six foot four inch jump.

Larry Moore ran a 10.4 se-

cond 100 yard dash, to finish second in the event. Moore will improve on his time before the summer season ends and football begins.

The trio has scheduled the Texas Amateur Athletic Meet in Fort Worth for Saturday, July 12. The boys reported that winners in the first three places at the Saturday meet will advance to the Dallas Regional A. A. U. Meet on July 26.

On July 19, the boys head for the Abeline Invitational (UIL) meet. They hope to round out the summer track program with the State A. A. Meet in Fort Worth.

Leslie, Gary, and Larry may be joined at the track meets by several other Gatesville athletes.

The State meet will attract many of the state top high school and college track men.

GCC Nears Completion Three Tourneys Held

Gatesville Country Club nears completion of its renovation and remodeling project under a Farmers Home Administration Recreation loan.

The clubhouse will receive the finishing touches within the next week. Carpet to be installed in several rooms of the clubhouse should arrive this week.

Special Legislative Session Called For July 28

Now it's official: The special 30-day legislative session to draft a biennial budget and a \$300 million tax bill will start July 28.

Gov. Preston Smith has issued the call and put lawmakers on notice to report back to work on the final Monday in this month.

As expected, Smith worded his session-summoning proclamation so as to try to prevent the legislators from giving him another one-year appropriations bill like he vetoed on June 21.

However, the Governor told newsmen that if Texans approve a Constitutional Amendment on August 5 calling for annual legislative sessions he might relax his directive to permit a single-year spending pattern. Actually, Smith sees no chance of the amendment being approved. What he expects is for voters to strengthen his demand for biennial budgeting by firmly rejecting annual sessions--as they have done before.

Governor Smith will permit lawmakers to consider other subjects in the 30-day session only after they have completed their mandatory duties of financing the government for a two-year fiscal period extending until August 31, 1971.

Apparently Smith will hold no pre-session conferences or taxation with House Speaker Gus Mutscher and Lt. Gov. Ben Barnes since Barnes is now in Tokyo, Japan.

However, Mutscher plans to hold a series of appropriations committee meetings on the budget before July 28 and also endeavor to arrive at a negotiated understanding with the Senate on the perimeters of spending.

"The real key to the success of the session," commented Mutscher, "is how much work we put in before it actually opens." He has already conferred with his tax and appropriations committee chairmen and most of the individual House members.

The speaker wants the House Committee to complete both appropriations and tax bill hearings during the first week of the session and send the measures to the Senate by the end of the second week.

MAN CRITICALLY HURT WHEN PICK-UP STRIKES BRIDGE RAIL AND BURNS

Clarence Furrh, of Wills Point was burned over 90 percent of his body when his 1969 Ford pickup pictured above struck the Coryell Creek Bridge, 7 1/2 miles east of Gatesville on Highway 84. Furrh was carried to Brook Army Hospital in San Antonio.

A blazing one vehicle accident, East of Gatesville, Saturday night left a Wills Point man in extremely critical condition.

Clarence Furrh of Route 3 Wills Point was listed in critical condition at Brook Army Hospital in San Antonio, said DPS Patrolman, David Jund.

The accident occurred at about 8:30 p.m., 7.5 miles east of the city on U. S. 84 at the Coryell Creek Bridge.

Investigating officer said Furrh was traveling alone toward Gatesville in his 1969 Ford pickup when he ran off of the road onto the improved shoulder.

The pickup struck the bridge railing, turned over, skidding downward down the bridge.

The truck then burst into flames.

Furrh was taken by emergency ambulance to Coryell Memorial Hospital, in critical condition with burns over 90 percent of his body.

Furrh was transferred by Army helicopter to Brook Army Hospital in San Antonio, Saturday night. There he is listed in very critical condition.

Associated Press
Tally - 74 Dead

by The Associated Press

As if in answer to prayers of the Texas public, an unprecedented wave of violence that had swept the state for two days slowed Sunday, but the July 4 holiday period's death toll had already neared record heights.

The Associated Press began tabulating the holiday period's violent deaths Thursday at 6 p.m., and planned to continue it until midnight Sunday.

By early Sunday morning, 72 persons had died in the widespread violence, including 47 in traffic. Late in the day the count stood at 74, with 48 killed in traffic accidents.

Across the nation, the holiday traffic toll at midnight was 560.

After 11 a.m. no deaths were reported by the Texas Department of Public Safety or other sources until 8 p.m., when one traffic victim and a drowning victim were announced. The traffic victim died of injuries suffered Friday. The drowning

Larry Moore, Gary Kafer, and Leslie Stewart took top honors last week at the Dallas Baptist College Invitational track meet. The three tracksters will compete in several track meets this summer.

Miss Gatesville Begins Miss Texas Pageant Week

Sixty-three lovelies from all over the state arrived Sunday at Fort Worth's Green Oaks Inn for the 1969 Miss Texas Pageant.

Among these beautiful bids for the coveted Miss Texas crown, is Miss Mary Ann Long, who carries Gatesville's hopes for a chance to send its representative to the Miss America Pageant in Atlantic City later this year.

But for the present the 63 gorgeous envoies from a cross-section of backgrounds and ideas, will concentrate on becoming Miss Texas 1969.

Monday began the first official day of the pageant with a general meeting at 10 a.m.

Sunday, Miss Long "settled down" at the Inn and began the week of rehearsals with a private one of her own.

For her talent competition member, the Casa Manana performer will sing "At The Crossroads of My Life", from Doctor Doolittle and "Once in a Lifetime."

Miss Long will miss the opening of "Naughty Marietta" at the famous theater-in-the-round, but will resume her part following the pageant.

Wednesday afternoon will mark the beginning of the judging.

See PAGEANT Page 4

WATCH OUT - Miss Iowa Park, Ann Huckaby, left, lends a hand to Miss Gatesville, Mary Ann Long. The girls, here for Miss Texas Pageant Week, were among early arrivals Sunday at Green Oaks Inn.

Cattlemen Or Housewives Which One Sizzles?

The NEWS received a letter recently in response to an article which appeared in a Central Texas Daily newspaper on the subject of meat prices.

Evant FFA Sponsor, Sammy Petty, suggested that the following article would be interesting and informative. "I think it is very true and shows the position in which the agricultural people find themselves today", Petty noted.

The article originally was published in the McLean News and then reprinted in the Texas Agriculture Magazine. The article headlined "Cattlemen Sizzle" follows:

Last week I noticed a front page news story in an area paper that had a pink headline entitled "Meat Prices Up-Housewife Sizzles."

The article was an Associated Press release with a New York date line.

The article had a few selected quotes from housewives across the country about how shocked they were about soaring meat prices. One quote that took my eye was as follows: "The cause of rising prices, according to cattle and retail dealers, is that consumer demand is continuing unabated, so American families are eating their beef and paying DEARLY for it."

At least this was the opinion

of the reporter that the consumer was paying dearly for it.

Buried in the next to the last paragraph of the paper on page two the reporter quoted the Department of Agriculture, "Cattle and retail prices are the highest they have been since 1951-52."

Now isn't this just awful that cattle and meat prices are about to get back today to what they were bringing seventeen years ago.

Let me direct a few questions to this uninformed reporter and some of the shocked housewives with whom he interviewed.

Are you shocked when you go down to your car dealers today and he prices you a stripped down, medium-priced car today for \$2,600. The same car in 1952 could have been purchased for about \$1,850.

Are you shocked today when your husband pays \$1.75 for a haircut that cost him one dollar bill in 1952? Are you shocked, Mrs. Housewife, when you go down to the local hospital to have your baby and it cost \$80 for a private room today that you could have gotten for \$12 in 1952?

If your husband was drawing an average wage in the U. S. in 1959 of \$1.53 per hour, are you shocked that he is drawing over \$2.75 per hour today?

Now, Mrs. Housewife, let me tell you about a few folks that are not only shocked but they have been shaken out of an occupation at the rate of thousands annually because of the inflationary trend in which both of you are living.

A farmer is very shocked when he goes down to purchase a tractor today that costs \$5,000 when a tractor of similar horsepower could have been purchased in 1945 for \$1,650. He really gets shocked when he goes down to sell his wheat at \$1.25 per bushel that he was getting well over \$2.50 a bushel for in 1950.

He has been shaken out of agriculture because the price of the things he has been purchasing have gone up and the things he has to sell has been going down.

Mrs. Housewife, are you aware that it took almost twenty-five percent of your husband's disposable income (Take home pay) to pay for the food your family ate from 1947-1949? Today it takes a little more than seventeen percent. While it cost you \$306 per person to buy groceries in 1947-49, it cost you \$484 in 1967. Your husband took home an average of \$1,244 in 1947-49. In 1967 the average take home pay was \$2,733. While the price of food has gone up fifty-eight percent, your husband's take home pay has gone up two hundred nineteen percent. Most of the slight advance in the price of groceries was added because of increased labor cost after the products left the farm. The cattleman received \$154 for his share in the meat you purchased in 1957 and he got \$161 for his part in 1966. In other words, the cattleman received a seven-dollar increase during the nine-year period. The marketing system received \$111 in 1957. In 1966 they received \$170 or a \$59 increase. The much higher wage the packing house worker is drawing today caused a slight price increase in meat.

See INFLATION Page 5

Farmers Organization to Testify at Hearings

Chairman W. R. (Bob) Poage, D-Texas, of the House Committee on Agriculture announced today that he has scheduled leading farm organizations to testify on pending farm and food stamp legislation after Congressmen sponsoring various measures have appeared before the Committee.

Hearings will open July 15, with Secretary of Agriculture Clifford M. Hardin listed as the initial witness.

After the Administration has had the opportunity to present its views, through Secretary Hardin, the hearings will be recessed until Monday, July 21, when Members of Congress who have introduced bills affecting farm programs generally will appear. On Tuesday, July 22, authors of House bills relating primarily to the food stamp program will be invited to the witness table.

Starting Tuesday, July 29, See HEARINGS Page 4

Mrs. James T. Bruce has been given a two year contract as principal of the Mound school.

A Pink and Blue shower was given in honor of Mrs. Jimmie Doyle Moore, of Austin, in the

fellowship hall of the church, Saturday from 6:30 to 9:00 p.m. Hostesses for the affair were Mesdames, Edward Winters, Pat Hopson and Dennis Harris. Mrs. Moore received a number of lovely and useful gifts.

J.L. Geiselbrecht Rites Held In Killeen

J. L. Geiselbrecht, 46, of 206 Bob White Street, Harker Heights, died at 10:20 p.m. Saturday in a Killeen hospital after a long illness. Funeral was held at 4 p.m. Monday at Faith Temple in Killeen, Rev. R.J. Miller officiating. Burial will be in Restland Cemetery in Gatesville.

Surviving are his wife, Mrs. Effie Jo Geiselbrecht; three sons, James M. Geiselbrecht of Killeen, and Stephen A. Geiselbrecht, and Kenneth R. Geiselbrecht, both of Temple; a daughter, Miss Tammie Marlene Geiselbrecht of Temple; his parents, Mr. and Mrs. John Geiselbrecht of The Grove; and a brother, Lloyd Geiselbrecht of Irving.

Pallbearers were Jody Franks, Herbert Binion, Billy Tickle, Peck Mullens, Barney Tippett, James Tippett and David Jernigan.

Member 1969 TEXAS PRESS ASSOCIATION

MOUND NEWS

Mrs. Walter Wiggins

Rev. and Mrs. Walter Davidson and little daughter, Rebecca Lynn, of Cleveland, have been spending the past week in the home of his parents, Mr. and Mrs. Gus Davidson, while Rev. Davidson was holding a revival at the First Baptist Church in Oglesby. Mr. and Mrs. Gus Davidson Sr., Mrs. Walter Davidson and daughter, Mrs. C. D. Shepperd and Mrs. C. Marton of Pecan Grove have been attending the services at night.

Rodney Davidson and Miss Elizabeth Hodges, of Houston, who spent the weekend in the home of his parents, Mr. and Mrs. Davidson Jr, hom attended church services at Oglesby, Sunday morning.

Mrs. W. S. Garnett Sr., spent the weekend at her home here and attended church here, Sunday morning. Mrs. Garnett has been spending the past few weeks in the Vernon Hicks home in Temple, during the illness and death of her daughter, Mrs. Hicks. Mrs. Garnett has been staying in the Hicks home and caring for the three daughters of Mrs. Hicks. Mr. Hicks and daughters spent the weekend visiting his mother, in Three Rivers.

Visiting Mrs. C. D. Shepperd at Thursday were Mrs. J. T. Davidson of Pecan Grove; and Mrs. Lauren and Sammie Carr of San Antonio. Relatives and friends from all over the area attended the wedding of Mrs. Bruton and Ronnie Barnard at the First Baptist Church in Flat, Friday evening at 8:30 p.m. Mr. and Mrs. Barnard are living on the Barnard farm near Mound.

Mr. and Mrs. David Barnard of Dallas were here for the wedding of his brother, Ron-

nie. They also visited relatives and attended church services, Sunday morning.

Rev. Ronald Scott, of Waco, filled his first regular appointment here, Sunday. He was accompanied by his wife and they were guests in the home of Mr. and Mrs. Maurice Magee. Rev. Scott also visited Mrs. Bruton in the Gatesville hospital. Mrs. Bruton, who underwent surgery in the Gatesville hospital last Tuesday, has had a number of visitors while in the hospital. She expects to come home in a few days.

Mr. and Mrs. Maurice Stevens and daughters spent the weekend visiting Mr. and Mrs. Bill Carroll and daughters in Galveston. The Stevens daughters remained for a longer visit in the Carroll home.

Mr. and Mrs. Jack Aufield of Lubbock, have been visiting in the home of Mrs. Ben Clement. Mr. Aufield returned home but Mrs. Aufield remained for a longer visit.

Mr. and Mrs. Pat Hopson and Billy are planning to leave Tuesday morning to visit relatives in Huntsville. Their daughter, La Nelle, who has been visiting in the Gayle Hopson home, will return home with her parents.

Attending funeral services for Mrs. Lonnie Mayberry at Copperas Cove Sunday afternoon were Mr. and Mrs. Harmon McHargue, of Waco, Mrs. O. E. McHargue, Mr. and Mrs. Robert McHargue, Mrs. Cleo Whaley, and Mrs. Brown, of Mound; Mr. and Mrs. James Evans of Lake Belton; Mr. and Mrs. Ted Mayberry and Mr. and Mrs. Johnnie Mayberry of Flat. Mrs. Mayberry was the former Miss Eddie Mae Houser.

FUN IN THE SUN - that's true, but what happens if you carry it too far. There's a limit to everything, especially how much sun your skin can take.

★★★★

IF STRICKLY FOR THE TAN - is your reason for being in the sun, try not to be exposed for longer than 20 minutes the first day. You can gradually lengthen this time daily. Keep in mind that beginning with 20 minutes the first day depends on the color and type of your skin. If skin is medium in color and normal in texture then you're safe with 20 minutes. Naturally if skin is fair and delicate or thin, you will be smart to cut your time to 10 minutes.

★★★★

BEWARE BETWEEN 11 a.m. and 2 p.m. - for these are the hottest hours, and the most damage can be done; so if you must be in the sun during this period, be extra careful. There is much literature at the present on too much sun being the cause of skin cancer. I believe there is an article on it in this month's Readers Digest.

★★★★

SPECIAL PRECAUTIONS - should be taken because nothing can cause an old dry skin that resembles a prune faster than the sun's rays and wind.

If you already have a tan, don't get the idea you don't need protection, because even then to have a moist supple skin, you will need sun lotions.

When swimming always reapply lotion after each dip or at least every two hours.

And don't get the idea you don't need protection on a cloudy day, because even then you can receive a severe sunburn and skin damage.

★★★★

SUN PROTECTORS - are many and I'm not allowed to name brands, but something new has been added and that is the sunscreen lotion which gives a greater protection than most tanning lotions or oils. Any place that carries drug needs will have a good supply. Pick one to your choosing, but read the labels first to get what you really want from the product.

★★★★

MAKE - UP UNDER WATER - is not necessary and some girls look forward for a chance to legally strip all cosmetics. Yet, others feel undressed with out it. In this case, use an oil base powder and a light lipstick, and maybe a little blue or aqua eye shadow. But do avoid water base cosmetics for the water quickly washes it away. There are some bases that even prevent sun burn to a certain extent. It might be profitable to check into this. And by all means after these days in the sun, pamper your skin at night with moister creams and lubricants.

★★★★

DO HAVE FUN IN THE SUN - during the remainder of the summer, but do it properly and carry a beautiful healthy tan into the winter with you.

I'VE BEEN OUT OF CONTACT - the past week so don't really know what has been going on. I do hope your fourth of July holiday was as enjoyable as mine.

We went to visit my parents, Mr. and Mrs. M. A. Callihan in Springdale, Arkansas which is always a treat, but this time there was a special attraction. My graduating class held its fifteen year reunion on Saturday, beginning with a coffee at 10:00, a picnic at 3:00 and at 8:00 a social.

As the old saying goes, time changes everything, and that certainly does not eliminate people. It was great fun and I'm already looking forward to the 20 year reunion.

★★★★

DRIVING HOME - from this trip, we traveled on Highway 71 through the Boston Mountain Resort Area, which is one of the most scenic mountain areas in North America. This is truly a land of enchantment, rich in peace and beauty, a place where the very quaint ideas mix with the very modern. Though I've been through those mountains many times, I never tire of their beauty.

★★★★

HISTORY - along with this beauty, the region is full of history and legend. For instance, the origin of the name Boston Mountains, still is not definitely known. Some say it's named for the Community of Boston in Madison County. The Arkansas Historical Society states that the name Boston was first used by early travelers in the region because the term in early days was connected with rough or rugged.

★★★★

IT WAS THE ORIGINAL HOME - of the "Bluff-Dwellers" who left no written records except the buried objects they left behind them.

★★★★

MANY EUROPEAN EXPLORERS - have been associated with the area, among them De Sota, La Salle, and du Tisme, the last being responsible for the name Ozark, for the Boston Mountain area is in the Ozark Mountains. The version of "auz arcs" means with bow, using the name with reference to the Bow Indian in that area. Then, next came the great Indian, Sequoyah, who made history in the Boston Mountains by writing a syllabary so that the white man and Indian might communicate.

★★★★

IN 1829 THE EARLY SETTLERS - made progress when pioneers made their way into the higher altitudes with their slow ox-drawn wagons. Since the area has progressed, it still has that undisturbed appearance.

Youths Attend Food School

Monday morning at 9:00-11:00 the "Food For Fun" program sponsored by the McLennan Electric Co-Op, started out with flying colors.

There were 20 eager junior girls present in the Home Economics building of the high school, to begin the sessions for the week.

Miss Sandra Cole of McGregor a senior at Southwestern University in Georgetown is instructing the girls in advanced food preparation.

Monday, the girls were making cookie jar Sugar Cookies with fluffy frosting. Both recipes were taken from the "Cook and Notes" booklet issued by the Co-Op. The cookies were cut in various shapes and the icing was brightened with food coloring. The shapes and colors were beautiful, and the aroma was out of this world.

Many of these girls are FHA members and 4-H members, and are already aware of their need for learning to cook. Miss Cole said, "the purpose of the school is for greater experience."

The schedule for the remainder of the week will be to bake a two layer cake today; Wednesday, Chip-a-Dogs; Thursday, a Pineapple Up-Side-Down cake.

Friday the girls will have a party for their parents at 10:30 a.m. and in advance will prepare all refreshments served. Also at the occasion each member will receive a certificate from instructor, Miss Cole.

Assisting Miss Cole were two FHA members, Susan Conner and Kathy Hess who is working on her State degree, and also Becky Mattiza a junior leader in 4-H.

Enrolled are Kelly Macbeth, Louann Hutto, Cecilia Carpenter, Debra Noles, Kim Powell, Kim Duncan, Pam Haines, Tammy Haines, Janet Warren, Peggy McCorkle, Patsy Floyd, Judy Wright, Kelly Davidson, Ann Cuaz, Beverly Noles, Kim Blanchard, Pamela Blanchard, Debra Price, Gayla Price, and Hian Davidson.

Future Cooks

BUSY COOKS - are left to right Gayla Price, Kim Blanchard, Kelly Davidson, Kathy Hesse, Louann Hutto and Ann Cuaz. This is one of the four groups making cookies at the present and looking forward to eating them.

... HEARINGS

at which representatives of major farm organizations and groups will present their views. The schedule follows: July 29, Midcontinent Farmers Association; July 30, United Grain Farmers of America, "tractor caravan" group, to be introduced by Rep. William L. Springer, R-Ill., July 31, Na-

the Committee will begin a series of seven daily sessions of the National Council of Farmer Cooperatives; Aug. 1, National Farmers Organization; Aug. 5, American ARM Bureau Federation; Aug. 6, National Farmers Union; Aug. 7, National Grange. Other persons and organizations wishing to present their views on various farm and food stamp program proposals will be scheduled to testify at sessions to be arranged later. Poage emphasized that he wanted to give everyone who cares to do so an opportunity to testify, and at the same time he wants to move on to a decision. To accomplish this he may, after general witnesses are heard, break the remaining testimony up by subject matter and let several subcommittees conduct hearings at the same time.

WHIRL

BY MARY LEE

Don't bother to put Johnny's toys back in his playroom. Just perch them on your coffee table as a decorative touch. At least, that's what architects and designers seem to be doing these days.

With the world becoming more and more leisure-minded, decorative playthings are providing a gay accessory note as well as amusing entertainment. After all, who wouldn't rather play a mind-boggling game of Instant Insanity than talk about the weather.

And Instant Insanity is the name of last year's biggest selling item in the toy industry. It's a game made of four plastic cubes in various colors, that are an absolute panic to try to fit together.

So, this year the cubes are translated into pillows that you can inflate for the den, playroom, or patio.

Another best seller, believe it or not, is the Ouija board. After years of being regarded by many people as a joke, the "talking" board is back in style. For some reason the occult seems to have captured everyone's fancy. So, accessory firms have taken up these playful items and brought forth astrological Zodiac signs in lucite cubes, wall hangings, and ash trays.

There's even a witchcraft set for freaking out cocktail guests, area rugs you can play tic-tac-toe on, wooden puzzles, and all sorts of paper toy items. One plastic cube puzzle from Denmark forms a million different forms. Another plastic construction set in flower shapes forms dozens of striking patterns.

... PAGEANT

ges, interviews with the girls and the first preliminary talent, swimsuit, and evening gown

Final competition will begin at 8:30 p.m., Saturday in the auditorium. Competition will be at 8 p.m., Wednesday in W. Rogers Auditorium.

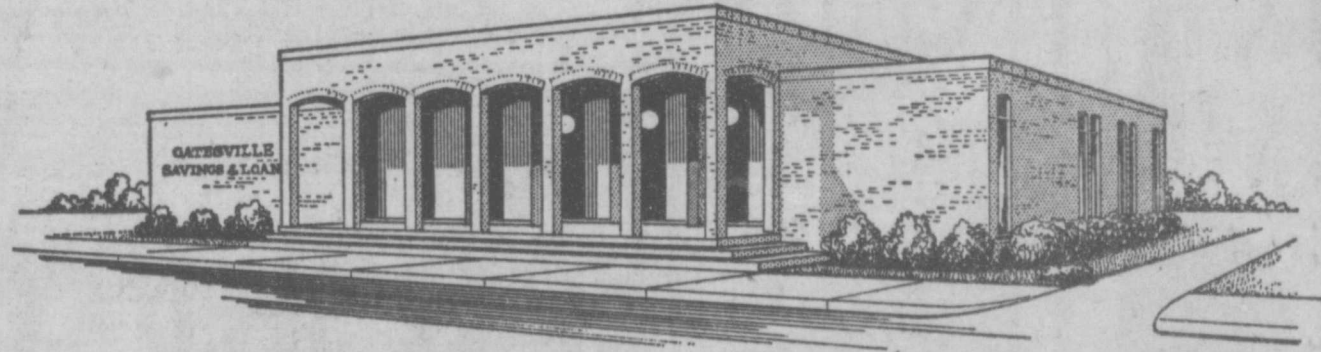

The Saturday night performance will be regionally televised on Channel 11, KTVT and via on Channel 11, KTVT - TV and Channel 9, KCEN - TV at 10:15 p.m.

The Kitchen Ruler Stays Degrees Cooler

When she cooks with a flameless electric range. Summertime cooking can be a pleasure when you switch to a modern cool cooking electric range. Flameless surface cooking units are in direct contact with pan bottoms so the heat goes into the pan and food... not into the kitchen air. And only flameless electric ovens are insulated all around, including the bottom. See your electric appliance dealer soon for a cool cooking electric range. You'll love it.

... Inflation

In 1952 steer prices on the Chicago Stockyard average \$33.18; today average steer prices are about \$32.50.

The average price of all cattle including cull cows, calves, bull stags and finished steers and heifers was \$26.40 on April 15, 1969. If cattle were standing at parity (a figure considered fair in relationship to a long list of things farmers have to buy) they would be bringing \$31. This would place choice steer close to \$40 per CWT on foot.

To compare it another way, Mrs. Housewife, if the price of a choice steer on foot had gone up as much as your husband's wages since 1952, choice steers in Chicago would be selling for \$5275. No doubt the price you would be paying for steak would be over \$2.50 per pound.

You live in a county where you spend less of your disposable income for food than any other country in the world. You spend only seventeen percent for food in the U. S. In England you would spend over thirty. Most European countries over thirty percent. In Russia close to fifty percent. In China you will work two-thirds of the day for a bowl of rice.

One of the big reasons why you have had a slight increase in grocery prices is because

of the precooked, ready-to-serve, built-in maid service that you are enjoying in much of the food you are buying today.

We would also like to suggest that you subtract from your grocery bill the hair curlers, the soda pop, the hose, and the thousands of other non-grocery items you buy at your local grocers. It will make you feel better about the price you pay for groceries.

Mrs. Housewife, if you want to make your husband feel better, let him know that in 1935 he could buy only one and one-half pounds of round steak for an hour's labor. In 1965 he could buy two and four-tenths pounds of round steak for an hour's labor. In 1935 only 1.3 pounds. He could have purchased ten quarts of milk with an hour's labor in 1965 but only 4.6 quarts in 1935.

Mrs. Housewife, we believe you would be interested in knowing this has been made possible because of the 219 percent increase your husband has enjoyed in increased wages. While the farmer has taken unbelievable cuts in the price of things he has to sell, he too is paying more for all production items he is buying.

This severe economic plight has forced almost one-half of all Texas farmers off the land into crowded cities in the last two decades. This situation is typical across the nation.

The average farmer today

works longer hours, farms twice as much land, and produces many more units of production than he ever has. He makes less per units of production than he ever has. Thus you the housewife, are the prime benefactor of this great economic revolution that has occurred on the farm.

Food For Thought
Mrs. B. A. Snoddy

Intended for July 4

"If the son therefore, shall make you free, ye shall be free indeed." John 8:36.

"Stand fast, therefore, in the liberty wherewith Christ hath made us free, and be not entangled again, with the yoke of bondage." Gal. 5:1.

Free means to release or liberate, or to set loose from anything that restrains. Web. Dic.

As we approach the weekend, we approach the day of our Declaration of Independence from England, July 4, 1776, declaring our nation to be free from the taxes, and domination, which they imposed upon us. The mother country didn't want to set us free, and we had to fight for our freedom. She wanted us to be servants, so to speak, unto them.

Many great and valuable men gave their lives, in order that might not be in bondage to anyone.

Patrick Henry cried out: "Give me liberty or give me death." and Nathan Hale regretted that he had only one life to give for his country.

We have recorded, in the pages of our histories, many great and triumphant deeds, and efforts, made by our forefathers, in order for us to have, and enjoy the many privileges that we have. And it is a sad thing that many in our fair land today, seem to have forgotten, and are not worthy to enjoy the many blessings that we have.

This is to mention, very lightly, the material things which we enjoy, but we have a far greater freedom in a spiritual way.

Comparing the spiritual to the natural, which we have above noted, man is born in bondage to sin. Satan imposed this upon us, and he doesn't want us to be free; He wants us to be servants, and pay homage unto him. He is a liar, and the

father of all lies; the deceiver; the destroyer; the one who brings confusion and hatred, greed, murder, malice, and mean things of every kind, and will not take "no" for an answer. He is the tempter, the father of lust, the abuser of mankind, and when man fell in the garden of Eden, to the subtility of the Devil, he became a servant of sin, and when sin is finished, it bringeth forth death.

When God gave the law unto Moses to give to the children of Israel, he said: "If thou shalt hearken diligently unto the voice of the Lord thy God, to observe and do all his commandments -- all these blessings shall come on thee, and overtake thee, Deut. 28:1 and 2. But if thou wilt not hearken unto the voice of the Lord thy God, to observe and do all his commandments, all

these curses shall come upon thee, and overtake thee, Deut. 28:15, following on down through the 28th chapter, it names the different kinds of diseases, which would befall them, namely consumption, fever, inflammation, extreme burning, verve, 22, and with emoroids, scab, itch, and madness. Reading through the 58th to 61st verses, he climaxes the curse of sin by saying: "also every sickness, and every plague, which is not written in the book of this law, them will the Lord bring upon thee, until thou be destroyed," Deut. 28:61.

But Jesus said he came to deliver the captive and to set at liberty them that are bruised, Luke 4:18. And the prophesy of Zacharias called him the "Day Spring" from on high. Which means the dawning of a new day. When Jesus came, a new way of life was set up. Good tidings of great joy shall be to all people. Luke 2:10.

As I said in the beginning, the freedom we know in our homeland had to be fought for, and paid for with a great price. Just so, Jesus fought the battle in the Garden of Gethsemane, when he said "Let this cup pass from me, nevertheless, not my will, but thine be done." "And you, being dead in your sins, and the uncircumcision of

your flesh, hath he quickened together with him, having forgiven you all trespasses; blotting out the handwriting of ordinances that was against us, which was contrary to us, and took it out of the way, nailing it to his cross. And having spoiled principalities and powers, he made a shew of them openly, triumphing over them in it."

"Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written, cursed is everyone that hangeth on a tree." Gal. 3:13.

Redeemed means to buy us back, and as I've already given you some of the curses recorded in Deut. 28, found under the law, we see by this scripture in Galations that Christ has redeemed us from these things. So we can declare our independence from those things, and as our nation dates our independence back to July 4, 1776, we can date our spiritual independence back to the time of Jesus death on the cross, when he said, "It is finished."

Satan was defeated then, but he doesn't want us to know it. He would have us believe we must wear the yoke of bondage, but to look again at the scripture heading of this writ-

ing: "If the son, therefore shall make you free, ye shall be free indeed." Help us to believe this great truth!

Let's Go Boating!

CHILDREN CAN BE AN ASSET AFLOAT

Children seem to have unlimited energy, especially in confined areas such as boats. The secret of keeping them happy afloat is to keep them occupied.

Boating is family recreation. A boating outing is a perfect time for constructive fun for children. It's a thrill for a child to take the wheel, under his parents supervision. Kids like to be grown up and imitate their parents. They will follow the example you set as a boatman.

Teach your children the basic rules of the road and the common sense rules of safety. These rules, once learned, will be retained. When you give instructions, be sure to explain the reasons behind each rule. Your child will be much more receptive to instruction if he knows the reason behind the rules.

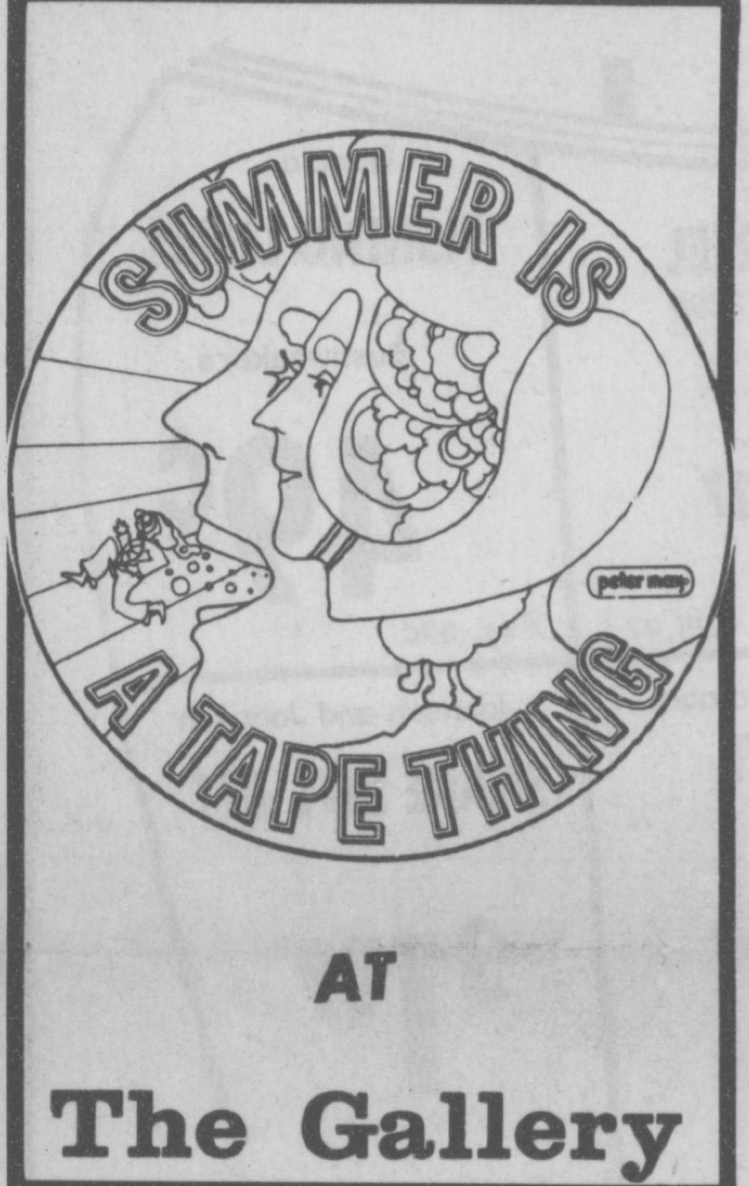

Make a game out of learning the meaning of buoys and markers, or the different types of power and sailboats you see.

When a youngster shares in the fun, he should also share in the work. If you teach him to approach it with the right attitude, he will look forward to even the most routine chores such as stowing gear properly and keeping lines ship-shape.

Launching, shoving-off and docking are areas in which you can assign appropriate responsibilities according to your children's ages. Make a child proud of his competence and he will be anxious to learn more.

Children can also lend a hand with seasonal boat maintenance chores. In limited doses, painting, polishing and lubricating will instill in him a pride in and a respect for the equipment.

Never force anything on a child, even fun. If you use common sense and imagination, you'll be able to develop in your children abilities that will make them assets to your boating enjoyment.

SUMMER IS A TAPE THING

... Club
two of the five greens, which are being rebuilt.
The July 4 weekend of activities included three tournaments. First, a Scotch foursome on Friday was won by

Byron McClellan and Ninfa Arreaga with a net score of 25. The McClellan-Arreaga team defeated Gordon Smith and Bennie Hodges in a sudden death play-off.
Winning third place was the team of C. C. Shepherd and Doris Nichols, also in sudden death against J. T. Lacy and

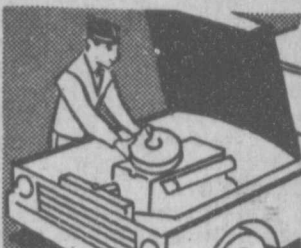

Willie Taylor after both teams finished the nine holes with net 26.
Saturday, Floyd Murry and Jerry Donaldson took top honors in a Sweepstakes tourney with net scores of 71.
Other winners Saturday were Joe Skelton, J. T. Lacy and Taylor, Marvin Jones, Johnny

Arreaga, Rob Taylor, Bruce Nesley, Dennis Johnston, Price Nesley, and Tom Miller.
Sunday golfers played another Sweepstakes Tourney. Results have not been tabulated on the Sunday tourney. Joe Skelton lead the Sunday golfers with a five under par 73.
Johnny Arreaga was low on Saturday with a five under par 69.

The main entrance to the new Gatesville Country Club house is completed and shows the building committee's efforts to make the clubhouse pleasant and functional for all members of the club.
